The BRIDGE

by L. Ron Hubbard

THE BRIDGE is a term originating in Dianetic days to symbolize travel from unknowingness to revelation. It itself is based on the mystic's Abyss allegory wherein a wide, deep chasm is seen to separate a lower state of existence and a higher plateau of perfection; many attempting to attain the higher plateau do not, but fall instead into the abyss. We conceive Scientology as a bridge between the lower and higher state, a thing hitherto lacking. The bridge could be seen to exist as several linked spans, each one of which could be called a level. The lowest level is the approach to the bridge from the lower state of existence, and higher levels one by one lead on to the higher plateau. This alegory is easily communicated and is quite true. Man has lacked, then, a bridge that any could travel. Scientology is the first bridge. It is complete, detailed and safe.

There still exists the danger of attempting, say, to start travelling the bridge from Level IV. In trying to start from Level IV, one omits recognition of being at Level 0 and travelling Levels I, II and III. This drops the person into the abyss. Therefore the Gradation Programme is the road map over the bridge and reduces the danger of crossing the abyss and makes a successful negotiation of the bridge a comparatively easy thing. By not providing explicit and detailed directions for its travel, the bridge would soon be lost and later efforts to negotiate it after we have succeeded would fail utterly. The targets of all religions, mysticism, spiritualism, metaphysics, and all other studies, hopes and ambitions that Man has had are summarized and obtainable to their full feasibility in crossing this bridge. We find ourselves the sole guardians of the only bridge between the lower and the highest states of existence — an ambitious statement, but one which becomes real to the student of such efforts as he effects his own crossing of the bridge. The Gradation Programme therefore could be called the "Road Map Across the Bridge" and if we would preserve the bridge we must then preserve the Gradation Programme and frown on violations of it in the knowledge that such violations will drop many more into the Abyss than would isolatedly be speeded across. Let us not apathetically shrug away the responsibility for accomplishing the hopes of Man, but keep for him a bridge which he can travel to reach a higher and far happier state of existence, with similar resultant improvements in his societies, thus carrying him away from the inhumanity and barbarity with which he has been forced, through lack of enlightenment, to handle his affairs. Man's complete destruction would surely follow our forgetfulness. Therefore the Gradation Programme.

ANNOUNCING
The Dianetic Clear Special Rundown

"WE ARE MAKING DIANETIC CLEARS BY THE PARADE. AND RIGHT NOW THERE IS A DIANETIC CLEAR SPECIAL RUNDOWN JUST BEING ISSUED TO PUT A BRIGHT POLISH ON ALL THOSE WHO ARE ATTAINING DIANETIC CLEAR THROUGH NEW ERA DIANETICS."

L. Ron Hubbard

The Dianetic Clear Special Rundown is now being offered at the AMERICAN SAINT HILL ORGANIZATION DAY in Los Angeles. Only highly qualified and select auditors may deliver it. ASHO Day's expert service is extremely fast and there is no long waiting for delivery of this new Rundown. A top grade ASHO Day Case Supervisor first goes over your auditing folders to carefully check for any bypassed case state. Then you receive any necessary case cleanup actions as outlined in this new Special Rundown. This will validate and fully recover the state and also get you set up for the next steps on the Bridge, wether it's grades or Solo Auditing.

Whether or not an individual has achieved the State of Clear, he or she will be programmed by some of the very best Case Supervisors in the world for the correct auditing actions to get that person up the Bridge.

The Dianetic Clear Special Rundown is a relatively short action but can bring fantastic case gains. A Dianetic Clear who recently completed the Dianetic Clear Special Rundown at ASHO Day writes:

"Well, I'm actually at a lose for words. I've just finished the Dianetic Clear Rehab Intensive and am decidedly pleased with the results. I can't think of anything dynamic enough to say about the cycle except that I truly have reached the State of Clear. Thanks! Pat Anderson"

(Taken from the Latin words SCIO-knowing in the fullest sense of the word, and the Greek word LOGOS — to study).
SOLO AUDITORS COURSE: This course trains one to solo audit. The action of "solo auditing" is not self auditing. Solo Auditing is done in a regular session.
STUDENT HAT Trains one on how to study successfully and how to resolve study difficulties before they defeat one's willingness to study. This course is vital for the study of Scientology courses and would be of great benefit to any student.
THETA: Theta is thought, life force, *elan-vital*, the spirit, the soul, or any other of the numerous definitions that it has had for some thousands of years.
THETAN: The personality and beingness which actually is the individual and is aware of being aware and is normally the "person" and who the individual thinks he is. The thetan is immortal and is possessed of capabilities well in excess of those hitherto predicted for man.

ASHO Now Also Delivers All Lower Level Services on The Bridge

To make Scientology and Dianetics even more easily available, L. Ron Hubbard has ordered that ASHO Day Org can now deliver all lower level auditing actions and training courses. Anyone can now come directly to ASHO Day for training and processing regardless of where they are on the Bridge.

James Tognacci, OT 7 from Boston is rapidly absorbing the data on the Saint Hill Special Briefing Course.

Ron spent a good part of 1978 building a bigger, better and faster Bridge so that many more could move across it in less time and with greater gains. Part of this project included making available at the American Saint Hill Organization Day all lower level training and processing from the basic Communication Course on up, including the Hubbard Qualified Scientologist Course, New Era Dianetics Course, Academy levels 0-IV, and the Graduate Class IV Course. Any Scientologist now wishing to do so can come directly to ASHO Day for these services. The Bridge is wide open.

Missions and Class IV Organizations of Scientology have for many years been stably established and have produced fine Graduates and Releases. They continue to do so.

ASHO Day's main purpose still remains delivering Upper Level training and processing, specializing in the famous Saint Hill Special Briefing Course, which produces the finest in Class VI auditors, and also delivering the phenomenal Power Processes. But ASHO Day can now offer it's high level professional expertise in the delivery of all lower level auditing and training actions also.

It costs 10% more to receive lower level Class IV services at ASHO Day. But what you receive is a very high level of techincal delivery and fast smooth handling. As Ron states in Hubbard Communications Office Policy Letter of January 29, 1979, "An upper org must deliver better service to justify the increase over the lower org for the same service." This qualification for better service is certainly fulfilled when one observes the high level of technical excellence being delivered daily at ASHO Day.

James Tognacci, an OT 7 from Boston started his training at ASHO Day with the Student Hat, continued on with the New Era Dianetics Course and he is now speeding along on the Saint Hill Special Briefing Course. James tells of his wins by writing: *"My training at ASHO Day from the Student Hat to the Briefing Course has been one smooth cycle after another. The best supervision, no stops and sterling standard tech. I have total certainty on being able to reverse the dwindling spiral and function as an OT in this amazing theta environment."*

For more information about coming to ASHO Day for training or processing simply write the Letter Registrar at the Church of Scientology of California, American Saint Hill Organization, 1413 North Berendo Street, Los Angeles, California 90027.

"This is the Famous Bridge . . ."

CLASSIFICATION, GRADATION AND AWARENESS CHART

By L. Ron Hubbard

I want to tell you about the Route to Clear, the Bridge, which we call the Classification Gradation and Awareness Chart.

The Gradation Chart is an instruction book on self. It's not an instruction book on the body or how you should be a good boy or a good girl in society. It is an instruction book on *self*.

By studying one lesson at a time and achieving one improvement at a time as outlined on the Grade Chart you can learn about yourself, what you are going to do, where you can go, and what your capabilities are.

If you did that in an orderly fashion you would be able to advance up to a very high state.

There is an old mystic idea that there is a chasm or abyss between the existence the world is on now and a higher plateau of existence, and that many people in trying to make it across fell into the abyss. Well, we've built a bridge which is all complete now and it can be walked. It goes from one state of existence to another higher state of existence. This is the Gradation Chart.

But there's one point — you have to walk *on the bridge*. You wouldn't think you'd have to tell people this. You would think you could say to somebody, "You can cross the Grand Canyon as long as you walk across the Bridge!" You would think that is enough. But, by George, somebody'll go down to the edge and walk off into thin air.

So the Gradation Classification plan is a prevention of that kind of thing. It says "There is a bridge. If you're going to go across from where you are now to where you are going to arrive, why you go across *on the Bridge.*" And you might say Ethics (as you will connect with in organizations sooner or later) is the traffic cop who says, "*That's* the bridge — that's the abyss." That's about all it amounts to.

This plan has been worked out for quite a long period of time. It's been very successful.

What does gradation mean? It means there are grades, as to a road, or steps which are a gradual grade up.

Life is improved on a gradient; a little, then a little more, a little more and a little more.

When you tell a person about too big a jump or that you expect him to make too big an advance in too little time, you give him a loss. He doesn't gain, he loses.

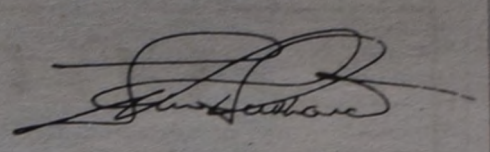

The Gradation Chart not only tells a person where he can go, but it shows him the right stages to prevent his having a tremendous loss.

THE BRIDGE

This is the famous bridge mentioned at the end of *Dianetics the Modern Science of Mental Health.*

It is now complete and is functioning.

The Bridge is not only in, it is functioning every hour right now. Book early. The traffic is heavy already. And auditors are the scarest and most valued beings on this planet.

Important Notice

On May 8th, 1979, L. Ron Hubbard issued Executive Directive 284-5 International which in part states:

"Beginning 1 June 1979, the price of all Dianetic and Scientology books, course packs and other materials, including meters, will increase at the rate of 10% per month, effective at midnight each month on the last day of the preceding month.

"Printing and paper costs have risen sharply and continue to rise. Books and materials will run the risk of being furnished only at a loss and this could cut dissemination lines.

Success on the Bridge

Before I came into Scientology, I was looking for a way to really change the conditions on this planet; I was honestly spun in on not having the tech and wondered if a way even existed.

Now 6 years later I am a Class VI Auditor. Is is an incredible feeling to have, know and be able to apply with certainty the means to bringing about a sane environment, the means to clear an individual.

I've learned and grown a lot by auditing, and I'd like to thank my supervisor and C/S and the man who made it all possible, L.R.H. for helping to make a dream into a reality.

Love, Diane Drozdowski

Phyllis Gould, currently on the Minister's Course at ASHO Day Org, has recently achieved the state of Dianetic Clear.

It seems that every day on the Briefing Course brings not only wins, cognitions and deeper understanding, but changes toward being a better being. It's really hard to believe that any course could make so much difference.
