"The ultimate weapon is to Flourish & Prosper."

THE FUTURE

by L. Ron Hubbard

There is a great deal going on and a very great many very fine people working to create a better future for Scientology, for orgs and for everyone.

But much of that is in the future. So does one simply wait? Or is there something one can do right now?

There is: Decide to flourish and prosper! And then Flourish and Prosper!

There is no more deadly way to get even with a suppressive or an antagonistic person or a downgrading society than by flourishing and prospering.

All a suppressive person or society is trying to do is prevent one from flourishing and prospering.

Of course, one has to handle threats or attacks. But don't get stuck in on them.

One handles them but puts his *main* attention on doing things that will make one and the group flourish and prosper.

One cannot simply vanish in life, one cannot just become a nothingness. And the wrong way to handle suppression is to be low key and hope one isn't noticed. That is simply agreement with the suppressive person or society.

Attempts at suppression are totally defeated in the long run simply by Flourishing and Prospering!

The ammunition in such a battle is effective beingness and for us, effective promotion, books, excellent results and satisfied people. Use what you have. The very best way to flourish and prosper is to sell and get out the good products.

Now, while reading this if it has occured to you that if you did, the suppressives would simply attack harder or that you had better be careful, then could I point out that people who have that reservation are a bit or a great deal under suppression. And that they need to locate and handle it with what is called "PTS Tech" available in any org. It is a certain indicator that if one has reservations about being able to Flourish and Prosper he needs to unsuppress himself!

So there is the ultimate victory over any suppressive group or society. Not to do them in — as they are very busy doing themselves in — but only handle enough to hold them off until one day we can get to them with proper rundowns.

The ultimate weapon is to Flourish and Prosper.

So do so.

Love,
RON

Ron says, "How could you do anything with people at large if you did not have the ability to handle them as individuals? If you couldn't audit people, and if you couldn't control people, you wouldn't get anyplace on the Third Dynamic. It takes this intimate, face-to-face approach to the individual to bring a Scientologist up into a capability of handling a Third Dynamic situation. It is being able to handle *one* that makes him able to handle many, and nobody could be a professional Scientologist on any level unless he could handle another being. It takes an auditor to do anything effective."

With Saint Hill training you climb higher than ever before in knowledge and skill. You vastly increase your ability to *use* Ron's tech and with Saint Hill training you will truly flourish and prosper.

Pat Frey, professional dancer from Berkeley, California:
"Without the Scholarship I wouldn't have been able to do the Briefing Course as soon as I have and that would have been a loss of valuable time. That time is now devoted to gaining incredible skills and abilities as an auditor, as a person, and as a professional in my field. The scholarship allowed me to move just that much quicker towards my goal as an auditor and artist in helping bring sanity to this planet."

Bob Edmiston, professional landscaper from San Francisco:
"The training scholarship enabled me to get the whole training package. I don't have to have my attention on paying for the next training step and so can have my attention on getting trained. The training here is the best I have had, and it is a pleasure being here!"

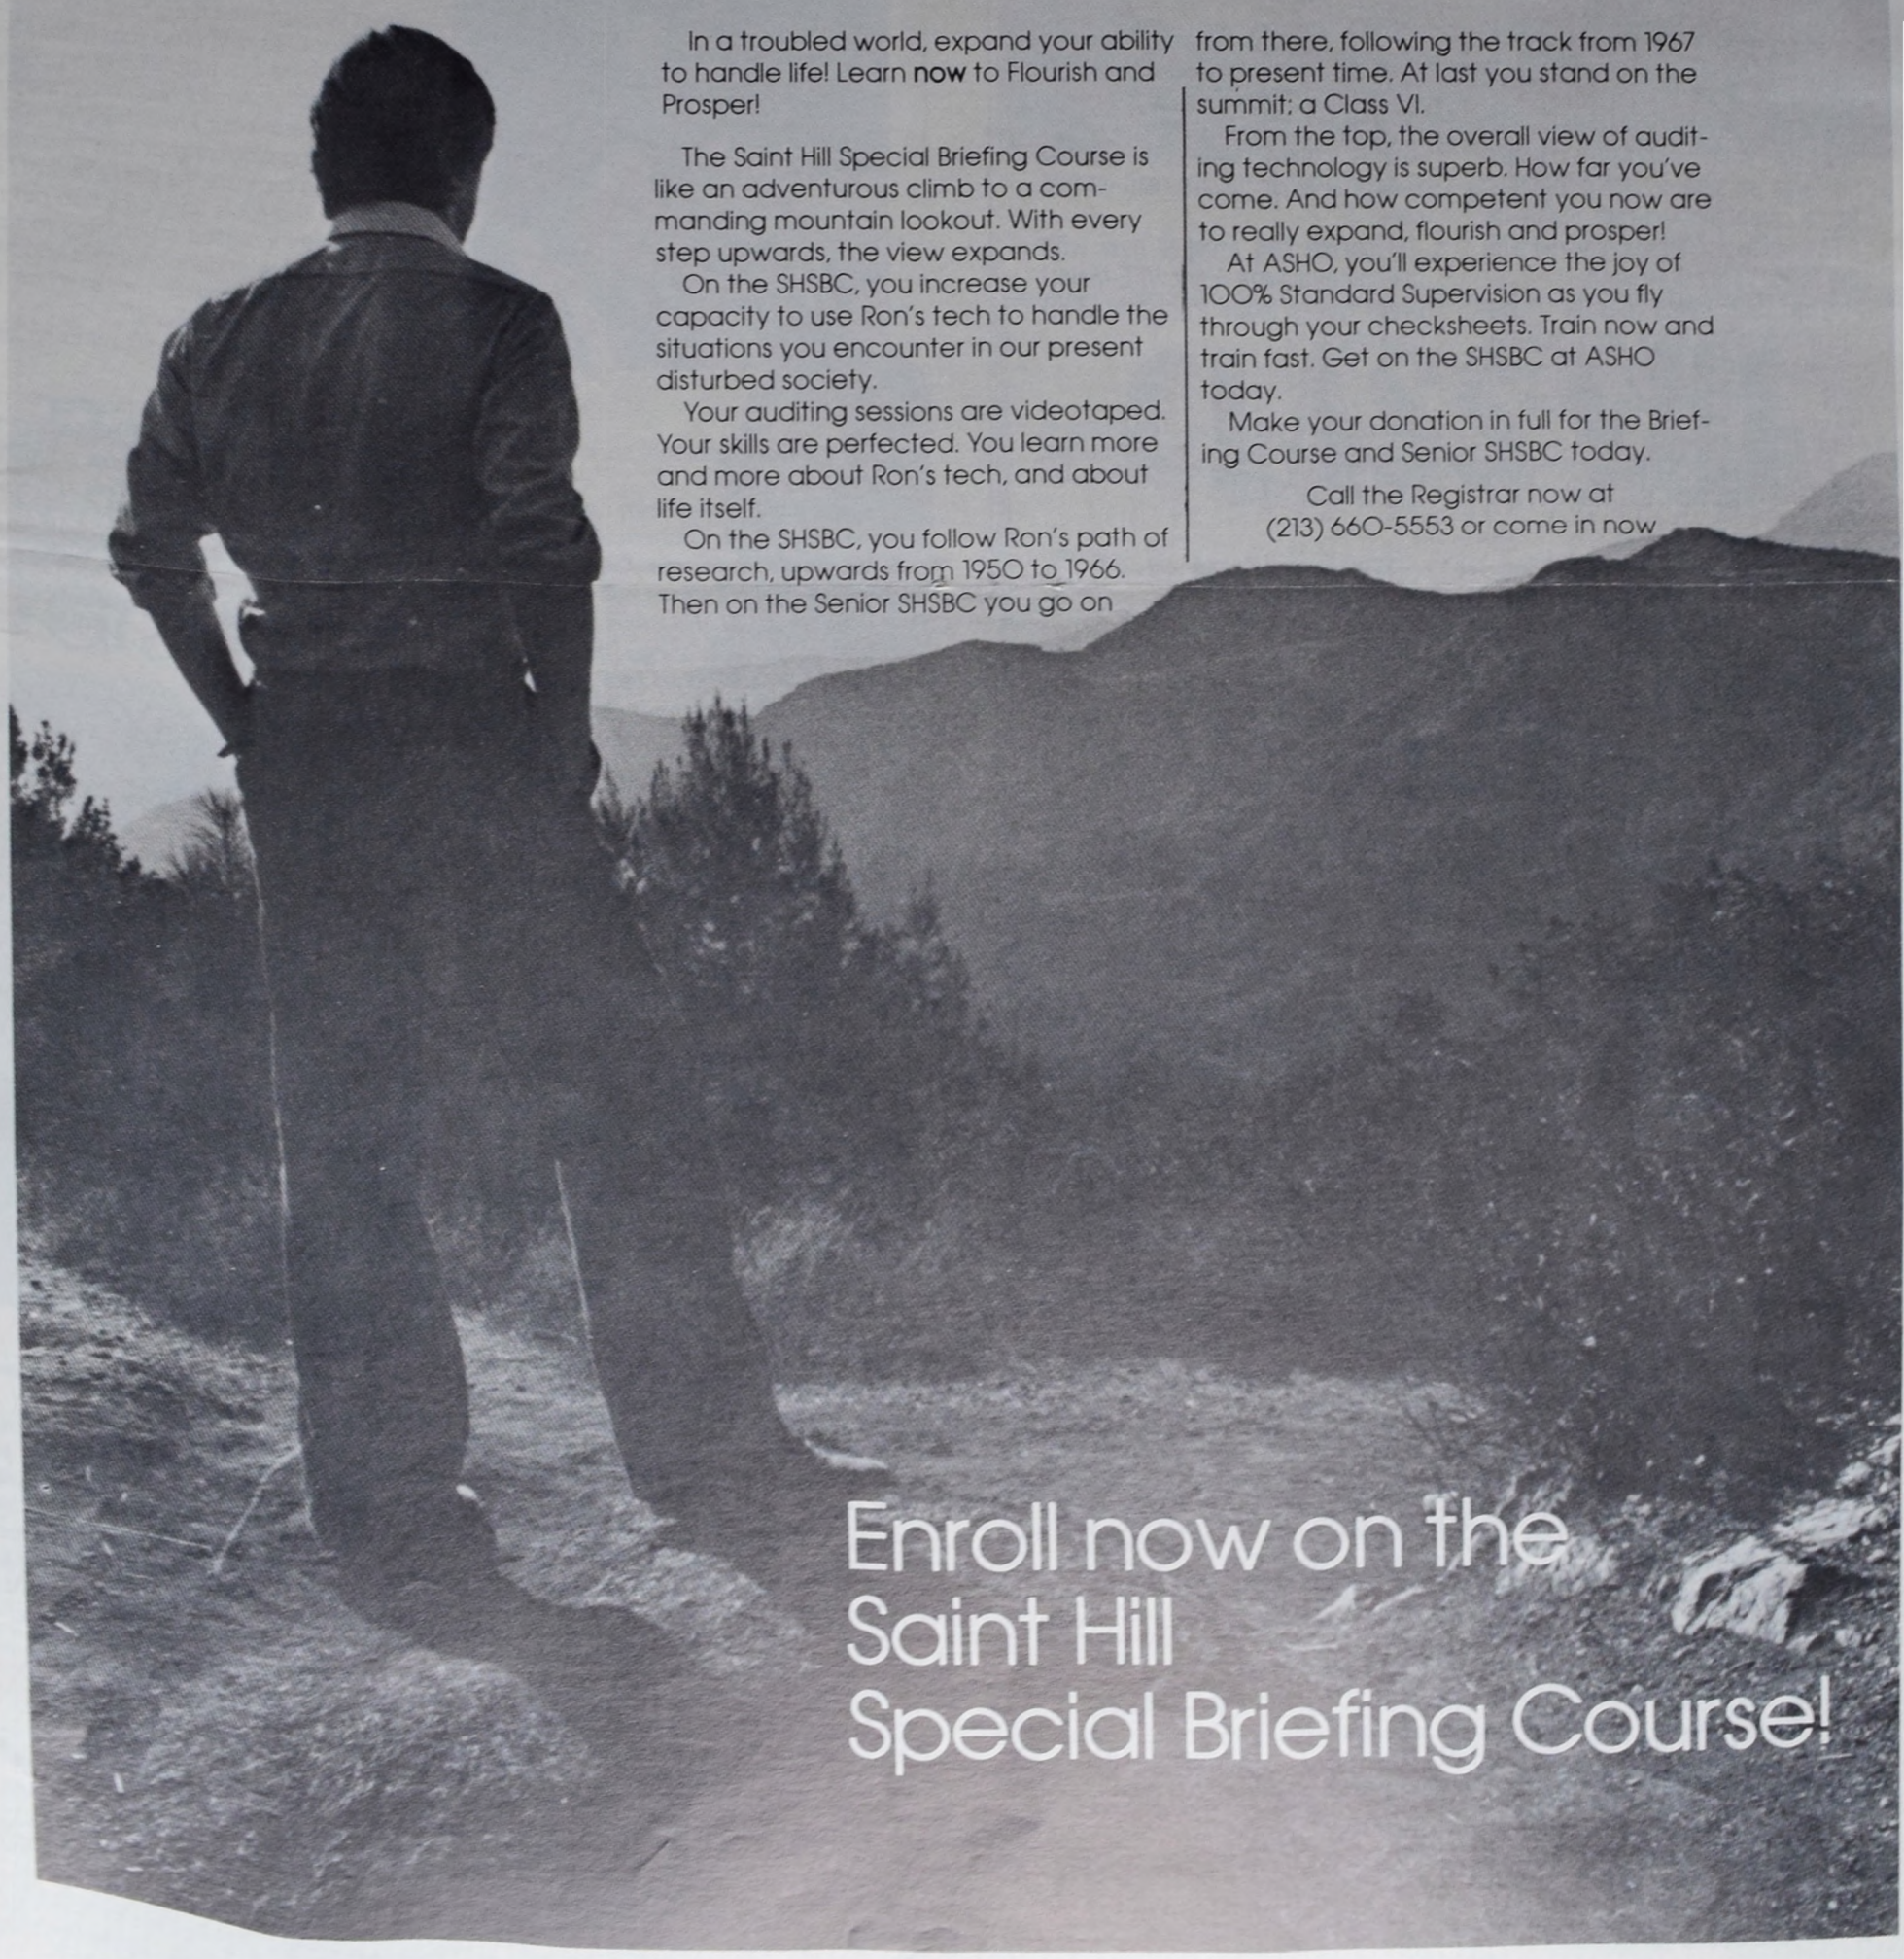

Carolyn Bell Perry, student from Brooklyn, NY:
"With a scholarship I was able to get here faster. That was a win in itself. I've gained a lot of certainty in myself as a mother, an auditor, a Scientologist, a contributing member of the 4th Dynamic and an Operating Thetan!"

Luis Mateos, Mechanical Engineer from Mexico City:
"Scholarships encourage the people that are willing to take responsibility for their Third and Fourth Dynamics and get trained. The result is that the student becomes an OT auditor with no reason not to be in power on all his Dynamics. Saint Hill training is the most important and valuable cycle I have been involved in this lifetime. If it wasn't for scholarships, it would have taken me more time, confront and havingness to get trained. My business career will be a joy and a lot of fun after this incredible training!"

Pat Perry, professional seamstress from Phoenix, Arizona:

"The wins I have been having are just incredible! As a Dianetic Clear it is the right next step for me. Getting the data in chronological order has really helped me understand the whys and hows of auditing better. It brings LRH very close and shows just how real he is. Scientology didn't just happen. It has taken an incredible amount of work to get it where it is today. Every day I am more and more glad to be getting the tech. The wins I have been having are not just First Dynamic wins, they are very de*finitely wins across the Dynamics. To be cause over life, one must have certainty and I am getting that here on the Briefing Course!"*

"On the Briefing Course, I realized that freedom exists in perfect duplication of the tech. The day I can duplicate the RJ 30 Bridge fully I will be a free being. That is my game."

Hank Bourland

"I've had tremendous wins on the Briefing Course. KRC (Knowledge-Responsibility-Control) has become very real to me and is constantly expanding. I really feel that over 50% of the gains are from training. Processing increases one's capacity to know; training increases ARC. I wouldn't trade what I'm doing for the world."

Pam Krauskopf

"Asking me for my wins on the Briefing Course is like asking a lumberjack standing in the middle of the forest if he's seen any trees recently! The wins are so frequent that we on the Briefing Course take them for granted and sometimes forget that the rest of the world might find them scarce. From where I am on Class VI, I can look back at the Briefing Course as a series of daily wins that, together, add up to the big win of being able, being causative, being certain of one's value and one's purpose, and being able to face the future with the knowledge that never again will I or my friends be caught in the trap. And that's a win everyone can have!"

Ron Ginzler

"Wins! On the SHSBC, a change in my attitudes on all dynamics and especially the 3rd. An increasing confidence in my ability, not just as an auditor but as a person who can be — and is — at cause on any dynamic. This to me is a terrific win as I have been shunning the 3rd Dynamic, and doing practically nothing on it — but not any more."

Fred Collins

"The wins on the Briefing Course have been great. I have had 100 hours of NED for OTs and I feel that what I have gained there I am stabilizing on course.

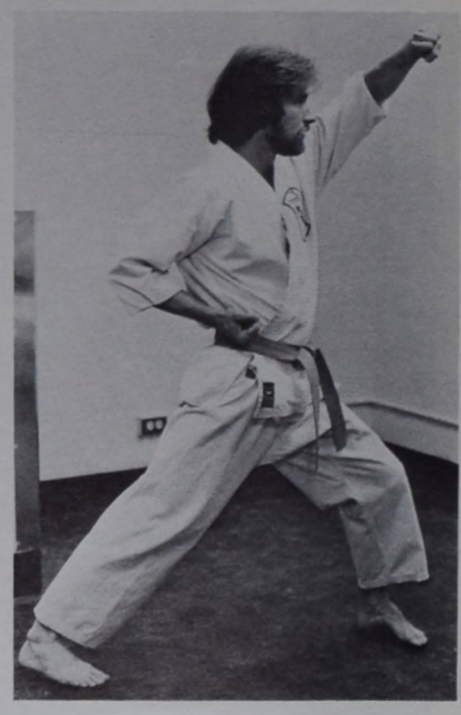

"A great potential has flourished from my processing but I feel that it is here on the Briefing Course that that potential is becoming a reality, as it is here that I am learning the tools with which to put this incredibly increased awareness to use.

"LRH says 'understanding is knowingness in action' and that's what the Briefing Course is about!"

Tony Echavarria

"I'm now certain that this course and the following courses I'll be taking are more important to me than anything I have or have ever had. This training is aligned with life itself. It is helping me to understand life — and myself as cause over it. It continues raising my personal awareness; it's a real 'waker-upper'!"

Andy Szach

Mark Clayton Algots, Karate student from Fresno, California:

"There is so much life-changing data on the Briefing Course, plus getting so much more understanding about myself, others, and the physical universe. Life has little games which used to be something new and rare which are now things I can causatively do and enjoy. My confront has come way up on the dynamics!"

"Since beginning the Briefing Course, my life has changed radically (needless to say, for the better!). All of my Dynamics are saner and more on-purpose, my priorities have re-aligned, and my formerly potential OT abilities have actualized. ASHO is the place to train, to learn the skills and data necessary to survival as an OT."

Recent Class IX Graduate speaks out for training

"There is something really special about the Class Nine Course," says Judy Willardson, a recent graduate.

Judy, a Class VIII for years, *"never thought there was anything beyond Eight."* Then she took the Class IX Course at ASHO!

"I wanted to do Class IX to get more able, to get more OT. Class IX is just that; it's like another OT Level on the training side of the Bridge. It's a more expanded viewpoint; a more OT viewpoint. I want Class VIIIs to realize that there is more training.

"The major benefit I feel one gets from the Class IX Course, as with any training level you do, is it just gets simpler. Class VIII made it really simple. I thought it couldn't get any simpler. I was amazed. You see, Class VIII is complete knowledge and certainty of Standard Tech. And I've had that for eight years. I thought I couldn't get more natural. But it still got easier; it still got better and more rewarding.

"You can become much more OT on all dynamics with training. Much more so. 85% of my gains have come from training. It's not 50-50 for me; it's 85%. The reason is that you learn to handle other people. You understand the Reactive Mind and what makes people behave the way they do. And you even understand yourself when you are not being optimum. You have so much tech; you just look at a situation or look at what you're doing and it blows. I get gains and have cognitions all day long. Training is definitely like OT across the dynamics.

"Training puts you at a place where you can observe and be cause.

"Class IX is so simply laid out and so right for a Class VIII. It's a polishing up. You do the IX Course to refine the standardness that was gained on the VIII Course. There is always more. You can always get better at auditing."

CLASS VIII

This is *the* course for Saint Hill Special Briefing Course Graduates!

Ron says, *"The purpose of the Class VIII Course is to train an Auditor up to be able to deliver 100% Standard Tech and turn him into a zealot in pushing in Standard Tech in the field.*

"It is a tough and demanding course. Its materials cannot be found on any other course. They are only available on the Class VIII Course.

"A real Class VIII Auditor cannot be compared with a Class IV or VI. A Class VIII is a flawless, flubless, smooth as silk specialist in Standard Tech. He can handle any case with ease. He is a dedicated advocate for Standard Tech.

"Class VIII is the standard by which other auditing is judged. Class VIII gives the certainty and precision of 100% Standard Tech.

"Every Auditor should one day make it to Class VIII. These are the Custodians of Standard Tech."

NEWS FROM ARO

Scientology Orgs expand to new, larger quarters.

Expansion has been rapid in recent months as many Scientology Orgs have moved into new, larger quarters.

Ron says in *Ron's Journal 31:*

"Many orgs have obtained new and larger quarters. And those who have not yet done so are being poshed up . . . The property holdings of C of S (Church of Scientology) over the world have more than quadrupled in recent months."

Now organizations around the world are even better equipped to deliver services and train people up to Class IV, in preparation for their Saint Hill training.

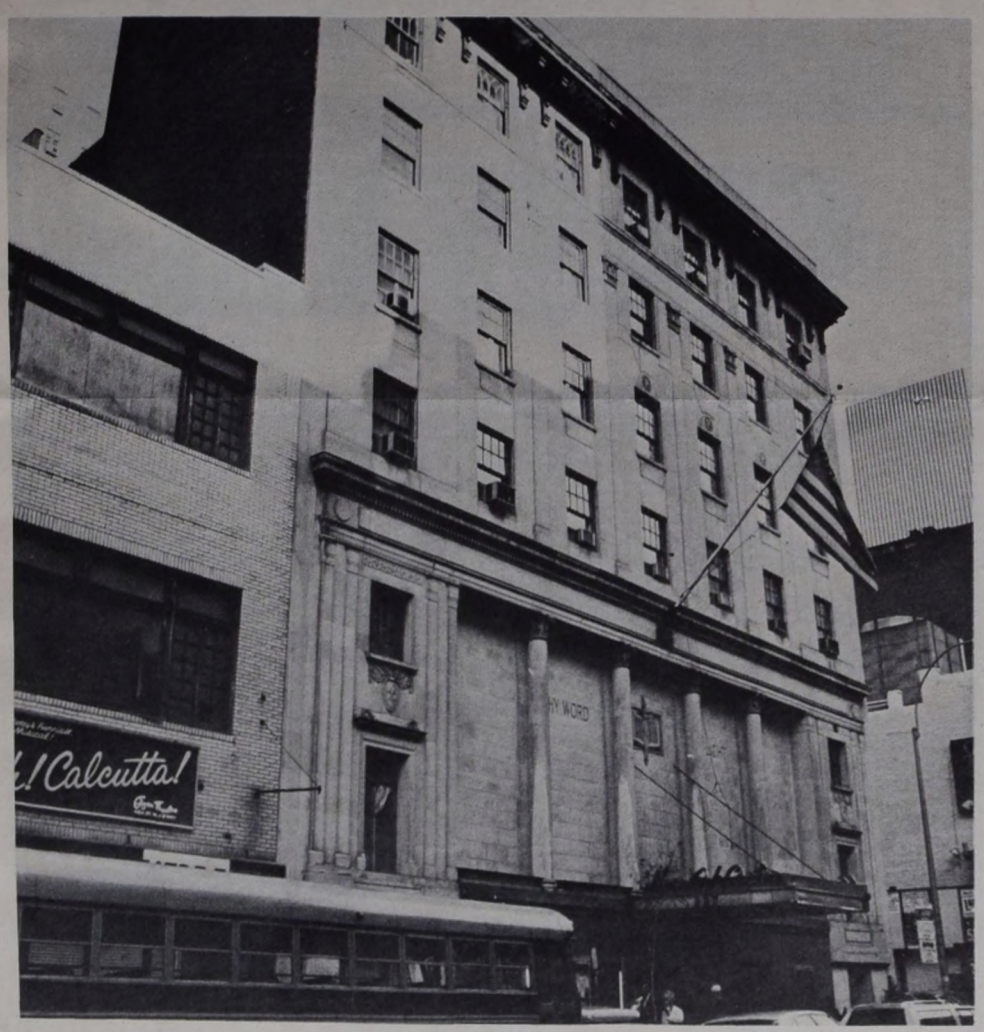

Here are just a few of these recent expansions:

• San Francisco Org has moved into a beautiful new 5-story building with 46,000 square feet of space. Located in the middle of one of San Francisco's busiest areas, the 70-year-old building is listed in the National Register as a Historical Monument.

Virtually every bus and streetcar line in the city stops within half a block of the new location, so it is very convenient for all Bay Area residents.

San Francisco Org's new premises! Listed as a city landmark!

New York Org—right in Times Square!

• Detroit Org is located now in their new quarters (pictured this page). They have almost four times as much space in this elegant, granite and glass structure. Not only is the Detroit Org taking off in the Year of Expansion, but the downtown district it's located in is currently under a renaissance of its own. The whole area is flourishing and prospering!

• Buffalo's new building takes up one-quarter of the block it's on. This two-story brick building is located right in the main traffic section of downtown Buffalo.

• Las Vegas Org is moving into the mainstream. With a new buiding in the middle of the commercial district of Las Vegas they are preparing to expand in a BIG way!

• Miami's new impressive location can be seen from a long way off in all directions! It's twice as big as their former building and is, as one passerby commented, *impressive!*

Detroit Org—in the heart of Detroit!

• Toronto Org is now centrally located in downtown Toronto, near the university. It is surrounded by busy office buildings, theaters, restaurants and major city transportation. The large building can be seen from twelve blocks away!

• Vancouver Org is now located in downtown Vancouver. This is a large step forward and gave Vancouver 2½ times its former space.

• Philadelphia Org has also moved into a downtown area into a tremendously expanded space. Their opening event was the biggest event in their history!

• In England, Saint Hill has now bought 2 beautiful estates in scenic East Grinstead as well as a working farm! These manors will house AOSH UK's staff. The new wing of the famous Saint Hill Castle is nearing completion.

• New York Org has a seven-story building now right in the heart of New York City. With a two-story auditorium for events and public introductory services, and with the heaviest body traffic by their front doors of any other org on the planet, New York is all set to flourish and prosper!

• Denver, one of our newest Orgs, also has a new building!

Ottawa, Manchester in England, Sydney, Austin, Hawaii, Plymouth and Minneapolis are also moving into larger, more upstat quarters!

Scientology training courses are now being delivered in these larger organizations, and more people than ever before are getting trained and moving up to Saint Hill for their Saint Hill Special Briefing Course Training.

Join in the expansion and start *your* training now!

DIANA'S ALBUM Causing Stir In Record Stores

It is out. Diana Hubbard Horwich's album "Lifetimes" has hit record stores across the USA. A daily growing number of US radio stations are playing it and the good reviews are pouring in.

Diana, in addition to her executive career in Scientology expansion activities, has been composing music since she was six years old, culminating in a startlingly fresh music style.

Her father, L. Ron Hubbard, has been extremely encouraging and helpful to Diana as an artist. This is not surprising since he himself is author of the foremost revolutionary writings on the subject of art.

"Lifetimes" is all instrumental with a classical flavor. Each piece is an original composition of varied arrangements of piano, strings, drums, synthesizer, horn and other instruments. It has the power of drawing vivid and haunting melodic images for the listener. Diana plays with friends Chick Corea, Stanley Clarke, Patrick Moraz and others.

It was produced and arranged by Emmy Award Nominee David Campbell. Jimmie Spheeris, a rock star in his own right, was executive producer in bringing about the project.

"Lifetimes" was released by a progressive commercial record company in the USA. Waterhouse Records, 100 North 7th Street, Suite 415, Minneapolis MN 55403 can provide more information or records to non-USA markets ($8.00 including shipping). It seems the "Lifetimes" story is only just beginning; making a statement of its own in the music industry.

Vancouver—Ready to Flourish and Prosper in their upstat new building!

MEXICO— Flourishing and Prospering!

Dianetics and Scientology are fast becoming household words in Mexico. It's not surprising considering the rapid expansion of LRH Technology throughout South America.

New Orgs are forming and more and more channels of communication are carrying the good news of Dianetics and Scientology!

Mexico's first Org is the Institutio Filosofia Applicada (The Institut, of Applied Philosophy). And many other Orgs will soon follow.

One of these is the forming Publications Organization located in Mexico City. Getting LRH books flooding out into the hands of the public is their purpose. They are currently working to get the complete LRH Library produced in Spanish for the South American Countries!

Behind the incredible expansion of Dianetics and Scientology in Mexico and South America are dedicated hardworking Scientologists like Ricardo Garcia and his staff of the "Special Operations" organization.

They are truly taking Ron's advice in RJ 31 — they are FLOURISHING AND PROSPERING!

Toronto Org—Seven stories overlooking downtown Toronto!

New orgs start off YEAR OF EXPANSION!

Scientology is taking off into the Year of Expansion with three brand new Orgs!

Right before the new year three forming orgs officially became Class IV Organizations!

Denver, IFA in Mexico (Institiutio Filosofia Applicada), and Brescia (Italy) all achieved Org status and are right now delivering the Technology of Dianetics and Scientology! Milano Org, Italy's first org, has been expanding rapidly. Now together with Brescia, big steps are being taken towards a Clear Italy!!

Denver just recently became an Org and already they are moving to new, larger quarters!

IFA, South America's first official Org, is leading the way into the Year of Expansion! Many more of Mexico and South American Orgs will follow. Ron's tech is being applied to a great result in this continent and it shows in their incredible expansion!

New Orgs are also forming up in other major cities around the world right now!

Trained Scientologists are bringing Ron's tech to more and more places. The brakes are off — the Year of Expansion is definitely underway!

ASHO FSM AWARDED SHSBC

Divona Lewis is a lovely, lively, soft-spoken yet determined individual.

Divona Lewis is a lovely, lively, soft-spoken yet determined individual. Recently that determination paid off when she was awarded the Saint Hill Special Briefing Course for her FSM activity, as a part of ASHO's new, exciting FSM Awards program (see details on this page).

Divona has now been on the Briefing Course for a couple of weeks. "I got a number of students on course at ASHO," she explains, "and was awarded the Briefing Course, just like that! A piece of cake!"

"Maybe I should tell you how I got started FSMing. My husband and I have a Field Group. After getting a pc to a certain point I also always felt it was our responsibility to ensure he kept going up the Bridge. When the Auditing was finished I'd ask: "OK, now what are you going to do to continue?" And make sure he or she got a program that really indicated as to their next step. I wanted to make sure they had a path and that they stayed on it. I had so much case gain helping these people, I started expanding my game as an FSM. I started pulling in people who were not on my lines as Field pcs, but who just needed help. I started just bringing people over to ASHO, having them talk to the Registrar or the Course Supervisor.

"If the person needs more data, I get it for him. I get in comm with the person and find out what the stops are, then take the stops away.

"ANYTHING you need to know to be an FSM is contained in the *Volunteer Minister's Handbook* by LRH. Basics. You know, it's really there! Other training helps. I find that my Auditor training really helps. The PTS/SP Detection Course really helps. But Ron has put out in that book alone all the basics you really need to get somebody really moving. So it's that close to anyone who wants to be an FSM.

"Another thing that helps, and is something that is really nice about the Orgs down here like ASHO is: anyone I've ever brought in has always been handled. The willingness of the Orgs to work with you; there are no stops. When you're working with that kind of a team it's very hard not to succeed. I bring people in and there is such a safe space created that people realize they *can* get handled.

"It doesn't take long to get very active. And it's an unlimited game. You know we've got to Clear this planet, and there are thousands of people to get it. Thousands of people to FSM up the Bridge. It's really incredible!

"The thing is: the more you do the more you can get done. I'm on the Briefing Course full time, and I also have my Preclears in the Field Group, plus my selectees.

"One of the cognitions I've had is: I went through a series of jobs. I was never really happy with anything I was doing other than Auditing. I used to think it was some kind of a case thing. And then one day, I just realized that doing anything other than working with Ron and backing him up is secondary in importance. And that was the whole source of my dissatisfaction with other jobs. No matter what they paid, they were less important and I didn't want to be there doing it. With FSMing and Field Auditing I'm doing it. I'm totally on purpose. The flow, the exchange you get back from working with Ron and helping him, you can't put it in dollars and cents. There's always people needing help. It's such a marvelous flow. It really is a winning game. And it's a great way to go up the Bridge yourself.

"This is significant because right now the Bridge is so smooth and so THERE that anybody, anybody, anybody can be handled. And it's not a long or difficult Bridge. The Tech is so there and so IN, that it's a very simple Bridge.

"Lets really CLEAR this planet, so we can all be FREE. And REALLY play some games!"

You too can flourish and prosper as an FSM *and* get big training awards, just as Divona did. See the box at the far right of this page for details of ASHO's new, exciting FSM Awards Program!

An Open Letter To All FSMs

by L. Ron Hubbard

(HCO Policy Letter of 12 December, 1979)

As a Field Staff Member you have the rewarding purpose of getting people into Scientology through disseminating. You do this by bringing about an understanding of what Scientology can do thus creating a desire for service.

Now, in order for you FSMs to achieve your purpose and obtain your product, you have to have a local org which has well-presented intro services and an adequate array of Department 17 courses.

Intro services are defined as immediate and fast, *Free*, one evening or ½ to 1 hour services. The successful ones are testing, intro tapes and lectures, information, intro films, Personal Efficiency Intro Lecture and new book sales. These are for raw public, friends, etc. and are used to gain interest and involvement and to get sign-ups for Dept 17 services or even major services.

Dept 17 paid services are those services which give the public what is needed and wanted to handle their ruins. They bring the public up to the *recognition* that Scientology and Dianetics contain the data needed to handle life.

I'm going to give you the steps that lead up to your need of org services and how you utilize them. It's a little program to follow and if you do these things plus apply the data you have obtained on the SPECIALIST FSM HAT, you will have guaranteed successes as an FSM.

1. You approach the individual.
2. Provide him with some kind of an introductory service.

2A. Alternate: Sell him a book.

3. Find his ruin on the spot.
4. Get him onto a Dept 17 course which will handle his ruin.
5. Collect the commission right then and there.

5A. Sell him a book.

6. Monitor his progress on his Dept 17 Courses and get him selected for a major service the minute he's ready for one.

An example routine that you would follow as an FSM would be to get the guy down to an intro lecture at your local org and then talk to him and find his ruin and then recommend him right on through a Dept 17 course, collect the commission for the Dept 17 course and then select him up the line—to other Dept 17 courses or a major service.

You must remember that you can always select for a major service or major training as your first option. You may very well encounter individuals who are ready for a major service, after reading a book for example.

FSMs ARE TO DEMAND ORG SERVICES

Now there's a point that must be made here. It is your hat as an FSM to demand these services from the org and it is the org's hat to supply you with the services you are demanding.

If the org doesn't have the course that your selectee needs, you have an alternate. LRH books. You should have a command of what books contain data which will help the person you are handling. You can always sell a book as an alternate because the data will always be in a book.

If you do this handling and a Dept 17 service is still called for, then you must recommend that the course he needs gets offered by the org. This is especially true if you find a particular ruin is coming up with your selectees and is becoming dominant.

If your org isn't providing you with intro and Dept 17 services then go to the org's Distribution Secretary or the Executive Director and tell him what is occurring and what you need. Remember also that you always have recourse through the SO #1 line, so if the org isn't delivering despite going to the above named execs then write to me and I will see that the scene is sorted out but fast!

A working Department 17 that is effective, efficient and upstat can save you endless hours of making sales talks and endless weeks of wasted time with prospects.

TEAM WORK

Intro services and Dept 17 courses are the answer to an FSM's prayers. They are part of your tools and activity.

As much as you need the orgs for these services, the orgs need you, as you're supplying them with their future and don't you let them forget it.

As a team, working towards expansion of Scientology, you can't help but prosper.

Flourish & Prosper with the amazing new

PURIFICATION RUNDOWN

Recent research by Ron has demonstrated that the single most destructive element in society today is *drugs.*

Drugs retard or prevent case gain. This has been known for some years. But how widespread are these drugs?

It turns out that medical and psychiatric drugs are every bit as dynamite to case gain as street drugs! We live in a chemical society, subjected at every hand to preservatives, pesticides, pain pills, tranquilizers and other medical drugs, as well as the rising use of marijuana, LSD and other street drugs in our society.

Recent research by Ron has revealed that "not only LSD but other chemical poisons and toxins, preservatives, pesticides, etc., as well as medical drugs and the long list of heavy street drugs (Angel Dust, heroin, marijuana, etc.) can lodge in the tissues and remain in the body for years."

The situation looked pretty grim! But now there's a bright new ray of hope—a powerful new rundown from Ron to handle these hidden drugs!

It's the Purification Rundown!

This brilliant new rundown has been wildly successful in its pilot projects. Much more direct and powerful than earlier "Sweat Out" programs, the Purification Rundown works *fast.*

No medications, no strange diets, just a simple, natural procedure and set of steps, carried out under the careful guidance of the Case Supervisor, to thoroughly cleanse and purify your body like never before!

Become cause over your body! Take direct control and responsibility for the condition of your body and really *handle* any hidden barriers to your full case gain!

Just read some of the fabulous wins people have been having on the Purification Rundown:

"My perceptions are increased. I'm thinking clearer. My memory is better, sharper. I have more energy. I'm feeling cleaner every day! LRH's research into biochemical reactions has changed me. I feel great!" D.P.

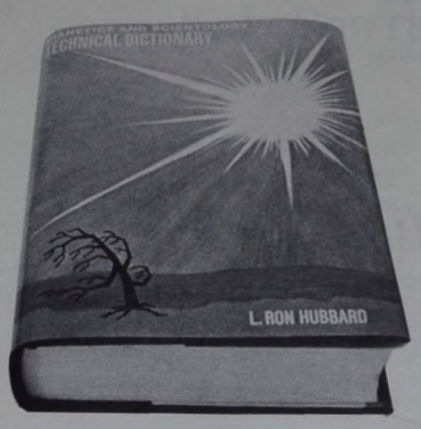

"This is a fantastic program! I feel much better, both physically and spiritually. I feel very light spiritually and a lot of mental mass has blown. I feel great! This Rundown is terrific! M.F.

"I feel very strong and in present time. It's great to be getting into such good condition!" C.S.

"I feel completely at cause over my body. I operate it exterior and have found what it's like to operate in a pre-druggie state. I also find that when I wake up in the morning I'm really awake and when I go to sleep at night I can fall asleep right away." T.D.

"I've become more uptone and much more in motion." N.F.

"I have increased my ability to think straight. I feel fresh the whole day long and have a new havingness on my body. The body does not seem like a barrier now!" S.A.

As a Dianetic Clear, you can get on to your Saint Hill training faster...

Flourish & Prosper with a Dianetic Clear Special Intensive at ASHO!

Move up the Bridge, a Dianetic Clear, with your abilities shining from a Dianetic Clear Special Intensive.

Some Dianetic Clears, when they find out they are Clear, don't think they need any rehabilitation of the state—but after they've had the intensive, they realize how vital an action it is! It's like the difference between a diamond in the rough and a cut and polished gem.

And remember, a Dianetic Clear can waive the prerequisite of Class IV for the SHSBC. Clears can go right on to the SHSBC after their Dianetics training.

The Dianetic Clear Special Intensive is for you if:

- You have attested to Dianetic Clear but have not had the state rehabilitated in a formal auditing session, or
- You think you might be Dianetic Clear.

Get excellent, standard auditing on the Dianetic Clear Special Intensive at ASHO! Just contact the Registrar today!

Training of Clears

by L. Ron Hubbard

1. Persons who go Clear on the PC route (Solo Audit Course Saint Hill who did not do the Saint Hill Special Briefing Course) may skip lower level Academy requirements if they enroll on the Saint Hill Special Briefing Course after going Clear.

2. The "PC route" consists of a person being audited up through the grades including Power Processing and VA and then enrolling on the Solo Audit Course at a Saint Hill, making Grade VI and then enrolling on the Clearing Course. They have little or no Academy training in most cases.

3. After going Clear, some of them realize they need training as an auditor to help others and better guide their own lives and handle others. Those who do wish to take such training on the Saint Hill Special Briefing Course may enroll at once on the Saint Hill Course.

4. There is no alteration of charges for them as the SHSBC must be paid for. But the requirement of lower level Academy training before Saint Hill enrollment is relaxed for them.

5. It should be noted that it is more costly to take this PC route as the Solo Audit Course is given to those who successfully complete the Saint Hill Special Briefing Course. But Academy training up through the lower grades is required for SHSBC initial enrollment.

6. Most Clears who are not fully trained suddenly recognize the need of it. This ruling is therefore made to permit them to obtain that training quickly.

7. The route through Academies and the SHSBC and then Solo Audit and Clearing Courses is more economical.

Dianetic Clears! Flourish and Prosper with the

Super Boom Package!

A training package especially for you!

ASHO is offering a special training package to help Dianetic Clears flourish and prosper with Saint Hill training!

As Ron says in the HCO Policy Letter of 11 December 1969, "Training of Clears," "Most Clears who are not fully trained suddenly recognize the need of it."

For this reason, Ron made it possible for Dianetic Clears to skip lower level Academy training and enroll directly on the Saint Hill Special Briefing Course after a Dianetics or NED Course.

Now ASHO is offering the "Super Boom Package" to further help Dianetic Clears get onto Saint Hill training and onto their OT Levels. It's the cheapest route to OT!

1. A Dianetic Clear who has done a Dianetic or NED Course may buy the SHSBC, Senior SHSBC and Class VIII Course (plus any internships desired) as a package and be eligible for the new, increased scholarship awards.

2. Along with this package, he may also get the Solo Course free upon successful completion of Class VI.

3. He may also buy his NED for OTs auditing at a 50% discount and secure it at that month's donation providing he actually starts the SHSBC within that month and starts his NED for OTs upon completion of his Class VIII.

THE ABOVE IS SUBJECT TO CHANGE, SO DON'T WAIT. CALL THE REGISTRAR TODAY AT (213) 660-5553 AND TAKE ADVANTAGE OF THE SUPER BOOM PACKAGE TO FLOURISH AND PROSPER!
