FASTER TRAINING

by L.RON HUBBARD

L. Ron Hubbard, Founder of Dianetics® and Scientology®

You can bring enough training to bear on an individual so that he actually can arrive at a tremendously significant result. Now that's a victory. Because, if it weren't true, we, as a people, would never make it.

AUDITOR TRAINING

Auditors should be trained. There is no substitute for training. The people who come for the Saint Hill Special Briefing Course are trained very well. This is the way I planned it some years ago.

I started the Saint Hill Special Briefing Course to make good auditors into better auditors. A good auditor is one who knows Scientology and its techniques and who audits with all the basics in. It's been successful in the extreme.

Auditors are being trained. They learn to perform flawlessly as auditors, to run exact processes, and to obtain results with those processes by auditing well and exactly.

ONE WHO APPLIES SCIENTOLOGY

An auditor is not just a Scientologist. He or she is one who can *apply* it. There is no "magic touch" in auditing. There is only a skilled touch, using known data and applying it.

Existing techniques are tools. Any tool requires intelligent handling and deftness of application. An auditor is most successful when he has achieved an inexorable self-confidence in himself, his tools, his attitude toward the preclear and in the results he means and determines to achieve.

FASTER TRAINING

New techniques require auditors and Case Supervisors fully trained and specialists in that level to audit and case-supervise them. It is forbidden for any auditor or Case Supervisor to run any of these without being fully trained and certified.

It is therefore just as well that I overhauled the training route earlier . . . resulting in faster training. We might even say, "The End of Endless Training."

I always say that as soon as I make technical discoveries I will get them to you as fast as I can. You have had checksheets which were far too long. we've had the datum for some time that a student too long on the runway is going to lose the spark and zeal he started with.

The new checksheets are geared to that datum.

The direction we're going on is . . . we're going to make AUDITORS.

A LONG LOOK

This is very interesting from the point of view of a long look.

Very few of you ever gave a long look to Scientology. You leave that up to me, to a marked degree. When I look in the crystal ball and look up the line a century, I can see a number of pictures presenting themselves.

I can see clearly that we have to win on the Third and Fourth Dynamics if we are to attain our goals for a better world.

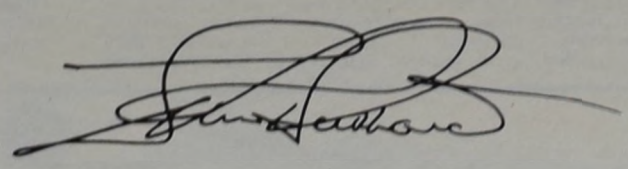

If this world has any faint chance of surviving, it will not be because I write, but because auditors can, and do, think and do.

This is a tough planet. It will take a serious shove to clear it. So here's where we start. And with no half-measures. It takes full training to do it.

We are, and always have been, in the business of training auditors. We can now do so more swiftly and efficiently than ever.

You now have sensational technology to deliver and a swifter training route than ever before.

The planet is waiting. Let's get on with it.

Students rush to start the NEW Saint Hill Special Briefing Course

L. Ron Hubbard's new, streamlined checksheets mean you can get to Class VI faster than ever!

Ron's new checksheets for the NEW Saint Hill Special Briefing Course have just arrived! Eager ASHO students crowd around to discover the exciting contents of the new levels.

Ron reorganizes the Saint Course to make it faster and

Students and staff at the American Saint Hill Organization are excited by the release of a NEW Saint Hill Special Briefing Course. The new checksheets, prepared by L. Ron Hubbard for the course, were eagerly studied as soon as they were printed.

One of the most enthusiastically welcomed features of the NEW Saint Hill Special Briefing Course is the fact that the largest and most famous training course in Scientology has now been organized into six separate parts!

Although it is still preferred, it is no longer a requirement that you start and complete the Briefing Course in one continuous time period. You can do the six parts one by one to make it easier for you to arrange your own time-table for completing this magnificent Class VI course.

This means that if you are able to be away from your daily work for only a limited time period, for example, you can come to ASHO day and do one part of the NEW Saint Hill Special Briefing Course. The next time you come, you do the next part – and so on.

The NEW Saint Hill Special Briefing Course includes material covered in the following courses:

The former Saint Hill Special Briefing Courses (Level V)

The Senior Saint Hill Special, Briefing Course (Level VI)

Confessional Course, PTS/SP Course, Audit Course, Listing and Nulling Course, Interiorization Rundown Course and much more.

The NEW Saint Hill Special Briefing Course gives you all the data. You graduate as a *Hubbard Senior Scientologist – Class VI Auditor!*

Here, in more detail, are some of the special features of the NEW Saint Hill Special Briefing Course:

● The priceless data from 1948 onwards is available to you in chronological order. You follow Ron's own research track and gain a wider and wider view of the basics of life as Ron makes known his discoveries in books, taped lectures and technical bulletins. The difference is that this immeasurably valuable treasury of data and the 100% workable technology which goes with it has now been organized by Ron into six separate parts which can be mastered one by one.

● Each of the six courses delivers to you a specific set of auditing skills. These abilities to audit are recognized by six separate certificates, one for each Level. When you complete all of the six parts of the NEW Saint Hill Special Briefing Course, you are awarded the certificate of HUBBARD SENIOR SCIENTOLOGIST CLASS VI AUDITOR (Provisional).

● Full practical and drilling actions are included in each Level. As an example, when you study Ron's books, you will do many demonstrations of the key principles in each chapter. By the end, you can really apply the truths in these books in auditing and life in general.

● Some of the SHSBC lecture tapes which were previously removed as being "confidential" have been restored to the course!

● The better organization of the new checksheets means you can progress more smoothly and rapidly. The result is that it no longer takes something like a whole year to complete the SHSBC. The NEW Saint Hill Special Briefing Course can be done in five to six months of full-time study!

● If necessary, you can break off at the end of any Level and complete the next Level later on – and so on until you complete the whole of the NEW Saint Hill Special Briefing Course!

The response to the NEW SHSBC is ENTHUSIASM! Here are some of the first reactions -

"I think it's fabulous! It has become *real* to people that the Saint Hill Special Briefing Course is available to *them*. It is not this great, GIANT course which might never end! It's a wonderful course – just the right balance. There's terrific interest in the field about this! People are lighting up when they realize they can do it in stages." L.T.

"I want to express my enthusiasm for these LRH checksheets. It's like the End of Endless Briefing Course!" N.W.

"I had intended to do the Briefing Course at some

The Need For Training

by L. Ron Hubbard

"It is time we spent time on improving auditing skills.

A partial knowledge of the subject isn't good enough. You have to have an experiential knowledge. Unless you're able to be an auditor, how can you be audited? You're unwilling to experience or unable to experience being an auditor because there are wide gaps about it all.

You get the idea?

I'll give it to you frankly. You can't sit and be a preclear forever. You can't be the effect of anything forever. You have to reverse that line sometime or another. We'll it's pretty easy to do.

We have the technology. We can make Clears and OTs with it as you will find out. Our only remaining problem is getting it applied skillfully.

That is why I started the Saint Hill Special Briefing Course. The Saint Hill Special Briefing Course is the biggest step on the training gradient and one of the biggest steps you can make in life. It is the course that gives you all the philosophical and technical data of Scientology. It is the course that turns out very important people, in fact, the most important beings on earth.

The whole mission of the Saint Hill Special Briefing Course is to make people able to get results.

And frankly, that's what I expect of you."

A beautiful safe space awaits you at ASHO the top training org in the world. The doors are wide open for you to the New Saint Hill Special Briefing Course, sunny Hollywood.

NEWS FROM ARO

Purification Rundown Launches An International Boom

Around the world, people are reporting tremendous gains from doing Ron's new Purification Rundown. Enthusiasm they are generating has created a wave of public excitement.

The Purification Rundown is actually the culmination of 29 years of Ron's research and discoveries in the subject of drugs and toxic substances and their effects on the mind and body.

The references for these great discoveries can be found in recent HCOB's on the Purification Rundown, the book *All About Radiation*, LRH's *London Congress Tapes on Nuclear Radiation and Health*, and LRH's *Anti-Radiation Congress Tapes* and the Tech Volumes.

Even before the release of the Purification Rundown

people were clamoring to be amongst the first to do the rundown. With its simultaneous release in all Scientology Organizations, the flood began – and what dramatic wins!.

With removal of the drugs and chemical substances from the body many people completing the rundown reported surging increases in awareness, perception, vitality, and energy: "I feel like a Powerhouse", "I feel renewed", "Incredible amount of energy and stamina", "I feel I am emerging from a cocoon into the world as a butterfly, shiny and new", "The physical universe has a freshness that wasn't there before", "The path before me is now pure brightness".

With clearer perception comes an improved ability to see things and to duplicate what is seen, including study materials! Reports continue to pour in of people discovering restored ability to *study:* "I've handled 90% of my study difficulties", "I've gained a greater ability to retain data and details".

Others have gained improved understanding in relations with people: "There is no veil, created by drugs, between myself and other people", "My communication level has increased and so has my affinity for other people", "I'm no longer shy and everyone I meet I become friends with", "I *like* people and am more confident", is a typical comment. "A lifelong chronic shyness and withdrawal from people has completely blown on this rundown".

LRH's Purification Rundown, brings tremendous hope for individuals and society.

Get through the Purification Rundown yourself, now. Join the ever-mounting numbers of people experiencing startling wins from the Purification Rundown around the world. The tide is running high. We're moving fast towards a Purified World!

Seaman Discovers wider Horizons

Cliff Craigie, a Merchant Marine Third Mate, presently full time on the Briefing Course, explores the sights of Los Angeles. The view from Griffith Park Observatory, only five minutes from ASHO, looks great to Cliff and his native Peruvian wife, Pili, whom he met on his travels in South America.

CLIFF CRAIGLE led an interesting life prior to entering Scientology but now that he has become a student on the Briefing Course at ASHO, life has really opened up for him. Here is how he tells it:

"Being on the Briefing Course is a real win. It's interesting how in life, you reach different levels of awareness and responsiblity. Before Scientology, I had reached a very high level of responsibility after graduating from a Merchant Marine Academy and getting my 3rd Mate License (a license which enables one to work on a privately owned, I.e. a shipping company, ship as one of three watch-standing officers responsible for navigation and cargo handling).

Then I got into Scientology and whole new areas of life that I could communicate with and control came into view. And *then* I got onto the Briefing Course!

The Briefing Course opens up a whole echelon of ability. With the data on this course, one can really attain the things he wants. I am going to be able to give much more joy and happiness to my wife and baby than I ever thought existed."

Doing the Saint Hill Special Briefing Course is an experience and an enhancement of life you owe yourself!

SHSBC Works Its Magic

Lisa Boyd, full-time Briefing Course student and Professional Field Auditor, drills a NED Auditor in her home, preparing him to give an auditing session to a friend.

LISA BOYD, a professional Field Auditor, surprised herself with the magnitude of the gains she is making on the Saint Hill Special Briefing Course at ASHO, the top training Org in the world. She enthusiastically recommends the course to others!

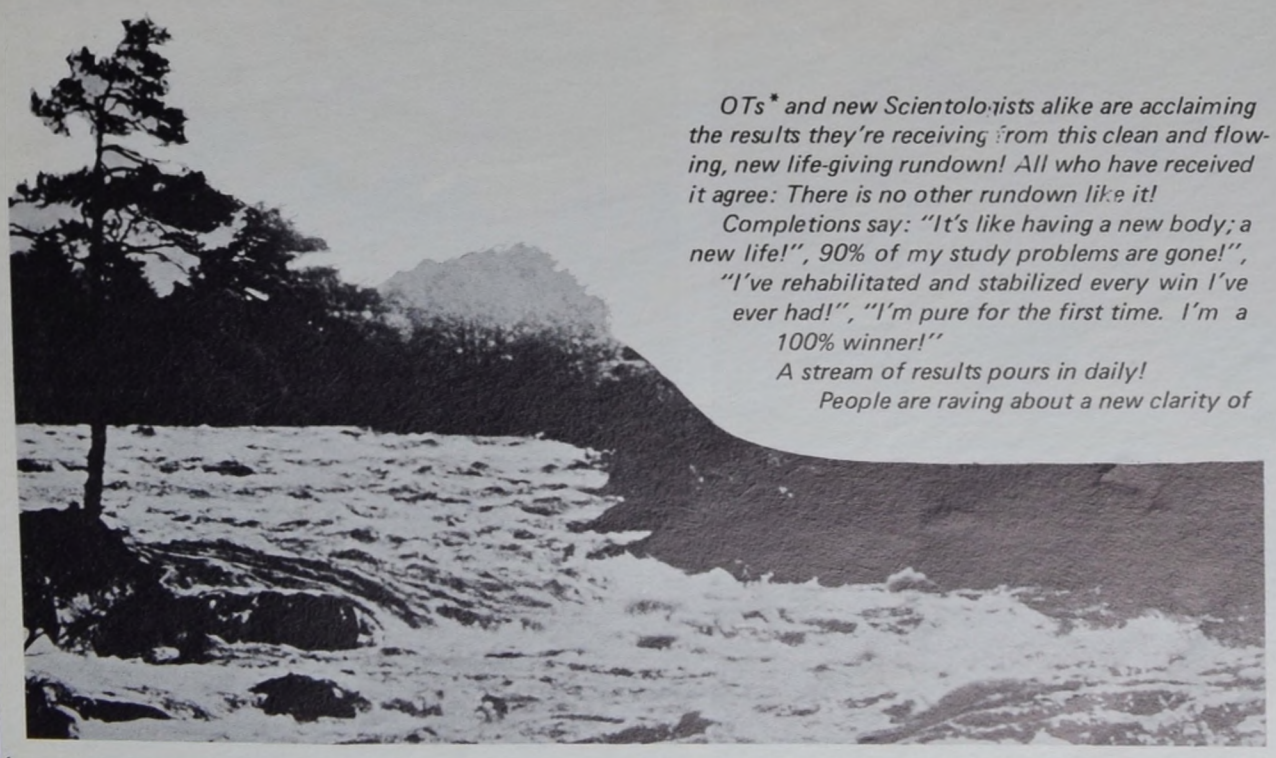

"When I started the Briefing Course, I knew I'd be getting a lot out of it but I had no idea the wins would be so enormous. The changes I have gone through have been spectacular – some obvious, some very subtle. By duplicating that technology, day in and day out, it begins to work its magic on you and others in your environment.

I feel that the Briefing Course gives a person the tools with which to survive in this world today. You get the data and knowingness to *really* survive and not fall into the same traps again. Life has become very simple for me and I want to see others having the same wins. If it is your intention to Flourish and Prosper, then the best thing to do, in my opinion, is to get onto the Saint Hill Special Briefing Course now!"

UND THE WORLD

An Education in Life is Found on the SHSBC

John and Jennifer Pantermeuhl work together on many projects which they enjoy better now that they are Saint Hill Special Briefing Course students. The Pantermeuhls manage five big beautiful old L.A. apartment houses filled with Scientologists.

"The Briefing Course has helped me tremendously in my daily life. My husband and I manage apartments and I have to deal with people directly there. I'm able to handle people so much better and can effectively get the job done.

As an OT V, I can really appreciate both sides of the Bridge* and how they go together. Just reading the basic books again gives me a tremendous respect and admiration for Ron. To figure it all out is one phenomenal thing but then to break it down and refine it and simplify it again and again – that's something else! It's just amazing that this incredible technology of life can be so easily within our reach, so easy to grasp and apply. I really love training and applying what I know. Life is so enjoyable now. Thank you, Ron, for everything!" Jennifer Pantermeuhl

"I have been in Scientology since 1968. I was audited at that time by a person who had just completed the SHSBC. I was so impressed by his ability and by the tremendous gains I made in just a few hours of processing, that I determined at that time that I would become an auditor – and not just any auditor, but a Saint Hill Special Briefing Course graduate auditor. Being on the Briefing Course now makes me very right about that goal. It is everything I knew it would be, and more, much more than I could have imagined.

The Briefing Course is much more than the route to a competent professional auditor. I have already found it to be an education in life. You will become a superb auditor on the Briefing Course, this goes without saying; but what is as important – and something I am discovering on this course – is that it allows you to become a skilled participant in life with the understanding not only to aid your own dynamics but to competently assist in the survival of others as well."

John Pantermeuhl

COMMENDATIONS (From LRH ED 28 US)

We now have new Saint Hill Special Briefing Course Checksheets and they are in use at Saint Hills and are very popular indeed.

Prerequisites for the SHSBC have been restored and are once again the Dianetic Interneship and the Academy Levels. This gradient of training makes the flight to being a competent auditor a much easier one in the long run.*

I have some people to thank for this. They have worked very hard and diligently to arrange the checksheets just so. Therefore, VERY HIGHLY COMMENDED and THANKED are:

MELANIE SEIDLER MURRAY
JIM BURGHORN
CINDY GRONDIN
LINNAH GARY

I appreciate also the contributions of JOE HOCKMAN, MARK DOBSON and SCOTT SORENSON. Their volunteer work helped the project a great deal.

I am sure every new student will enjoy these checksheets very much.

Love,
RON

*For a limited time only ASHO has received approval to start students with former prerequisites (NED, Class IV or Clear, Student Hat or PRD) but start NOW to take advantage of this offer.

World-Wide Acclaim for the NEW SHSBC

The excitement which greeted the news of the NEW Saint Hill Special Briefing Course is an example of how fast good news can travel!

Here is a small sample of the things Scientologists around the world are saying about this important and eagerly welcomed new form for the most famous training course in Scientology:

"It's fantastic! It sounds like there's a real possibility now for me to do the Briefing Course. It's very much the right gradient. I like the fact that these are LRH checksheets." C. J. Durban, South Africa

"I could take each course individually and go back to work in between and still get all the technology! I'm glad those 'confidential' tapes were put back, too."
L. N. Los Angeles, USA.

"This is marvellous. I had wanted to do the Briefing Course but was worried about the time involved. Only 5 or 6 months is much more feasible. I did the New Era Dianetics Course which has LRH checksheets and that was great. I love the idea that Ron has done these new checksheets!" S. J. Kenya,

"For the first time, I can see the SHSBC as a set of achievable steps *I* can do. It used to be that the Briefing Course was something that *other* people did!"
R. B. England.

Comments like these show the high enthusiasm amongst Scientologists all around the world for starting the NEW SHSBC.

In 1977 Ron said, "There are two or three billion preclears out there and only a few of us auditors. Have a heart and lend a hand."

With the newly organized and streamlined Saint Hill Special Briefing Course, Ron has made it easier than ever for you to become a Class VI auditor. Your value to yourself and to others, as a Class VI auditor, cannot be exaggerated. Do the NEW SHSBC and discover it for yourself!

In the late '50s, when most "men of science" were busy making bigger and better bombs, L. Ron Hubbard was doing intensive research into radiation – what it is, what its exact hazards are, and how to minimize any danger.

All About Radiation tells you the results of that research.

Here's the book that tells you what you need to know about radiation. What is it? How does it affect the body? What happens in areas near an atomic explosion? How does one minimize the hazards of "fallout" on the body? And much more data.

FOCUS ON SUCCESS AT ASHO

"My whole life is changing as I move through the Saint Hill Special Briefing Course. The effort is blowing off and my confidence as an auditor is growing by leaps and bounds.

Thank you, Ron, for the technology and thanks to my supervisor for his standard supervision. And thanks to all the ASHO staff for the safe environment."

C.L.

"I feel I'm being educated in Life. There are so many things I could say! I feel more certain of myself, my auditing and life.

After each part of Level V, another area of confusion vanishes! I now understand the reasons why certain processes were developed and how they work. My admiration for Ron goes on increasing. I've never understood so much about auditing, about people and Life – ever! I feel like I've had 100 hours of auditing myself.

If you have a question about Scientology, Dianetics, Life, History, etc., it will be answered on the SHSBC!"

D.G.

I'm totally flying now no more holding back. Its true ASHO is the Top Training Org in the World – and it shows in ASHO's training.

C.A.

LRH says that training is 50% of your gains. Well, I'd say at least for me, its about 75% at least. Just being audited up to OT isn't enough. I'm OT 3 but without training I think things would be much more difficult for me to handle, in fact I have no doubt they would be! Being trained and OT makes one a very powerful static capable of doing anything you intend to do. I am at "cause over life" as a result of my training at a very large extent.

Being at ASHO really helps me get trained quickly and efficiently. The particle flow and standardness of the tech are so incredible, you can't help but get caught up in it and get from A-B Fast – much faster than you've imagined possible. Thanks to all the marvellous ASHO staff and of course LRH!

D.L.

Well, this has been really incredible. I expected to get some data, but I didn't expect my life to change! I have a totally new viewpoint on training. Thanks to ASHO for the excellent service I have received.

A.D.

I've done a number of courses at ASHO, and without exception I've been amazed at the gains I've gotten from them. I know LRH says 50% of the gains come from training, but I've often wondered if it wasn't more than 50%, because I've not only gained the knowledge to handle great areas of life, but many many times have had mind shattering cognitions. I've been impressed by the environment at ASHO, the building is very beautiful and it is very safe space to study. The dedication of the whole staff and their intention to see you through your course swiftly and with data fully learned, is tremendous.

NED FOR OTs — is a NEW form of auditing done by an OT auditor, called an Advanced Course Specialist, who is specially trained on its rundown and techniques. NED for OTs handles a previously unknown area limiting the abilities of a thetan.

ORG — Short for Organization.

OVERT — Overt Act; an act of omission or commission which does the least good for the least number of dynamics or the most harm to the greatest number of dynamics.

PC or PRECLEAR A person who is not yet Clear.

PRD — Primary Rundown; consists of word clearing and study technology. It makes a student super-literate.

PROCESSING The action, governed by the technical disciplines and codes of Scientology, of administering to a preclear a process which is a set of questions asked by an auditor to help a person find out things about himself or life.

REACTIVE MIND That portion of a person's mind which works on a stimulus-response basis (given a certain stimulus, it gives a certain response), which is not under his volitional control and which exerts force and the power of command over his awareness, purposes, thoughts, body and actions.

RELEASE A distinct and definite step toward greater levels of ability and awareness.

RUNDOWN — A series of steps which are auditing actions and processes designed to handle a specific aspect of a case and which have known end phenomena.

SCIENTOLOGY An applied religious philosophy, dealing with the study of knowledge which, through the application of its technology, can bring about desirable changes in the conditions of life.

SOLO — Above V and prior to the OT Levels one audits oneself with the skills learned on the New Hubbard Solo Auditors Course.

TECH or TECHNOLOGY The methods of application of an art as opposed to mere knowledge.

THETAN The person himself — not his body or name, the physical universe, his mind, or anything else; that which is aware of being aware; the identity that IS the individual from Theta (0), the Greek symbol for "thought" or perhaps "spirit.")

TR — training regimen or routine. A precise training action putting a student through laid out practical steps, gradient by gradient, to teach a student to apply with certainty what he has learned.
