A New Article for The Auditor *by Ron!*

PITY THE WALKING DEAD

by L. Ron Hubbard

It is terrible to realize that certain people psychologists, psychiatrists and even leading scientists have no souls! It must be true for even they themselves say so. And they never lie. No souls!

Poor fellows.

No wonder they are so unhappy! And keep hurting people and trying to blow the world up. For them it must seem quite natural!

No wonder the psychs have the highest rate of suicide amongst professionals.

It must be a dreadful thing to have no soul- no feeling for one's fellow man.

How ghastly not to be able to laugh or weep or feel the joy of actual living or companionship.

I have tried to sit and conceive of the idea of being a monotone in everything, completely soulless. I found it quite impossible. Unless of course I adapted the beingness of a clod of mud. But that was very difficult too. The granules tickled and I laughed.

Oh, I feel very sorry for the all-is-brain boys.

It must be absolutely dreadful not to have a soul.

And, poor fellows, not even be able to realize what they are missing!

I shed a tear. But not a very big one. It might dissolve their mud.

SCIENTOLOGY® Expansion Planet-Wide

SCIENTOLOGY TECH IS WINNING PLANET-WIDE

All across this old world of ours Scientologists are busily applying Ron's incredible Tech! Bad conditions just don't stand a chance in the face of wins and good news like these!

Here's what our fellow Scientologists and Dianeticists are doing around the globe!

BOOK ONE "BARRELLING ALONG"

Wherever Book One is pushed wild things begin to happen. Public just can't get enough of DIANETICS *once they find out about it!*

Book Auditors, FSMs, Orgs and Missions have been finding this out more and more! And they're eagerly filling the ever-increasing public demand.

CANADA:

The head of the Org in Winnipeg sold the president of Canada's biggest bookstore chain on placing DMSMH in his 375 book outlets in Manitoba!

In Quebec, the first French edition of DMSMH was recently released and the book is selling like wildfire! Right now they're being distributed to over 1,000 outlets and people are even walking into the org with the book in hand, to demand DIANETIC *services!*

In Toronto -- special DMSMH posters with "tear-off" order forms have been posted up around the city. Orders have started to pour in with people arriving in the org, book-order in hand to get the book right away.

Also in Quebec, a series of TV shows has been running all about DIANETICS. *Each of these shows is totally "come-on" and creates strong interests for* DIANETICS. *There are 75 shows in the full series and with each show getting broadcast at a number of different times, they expect to have at least 400 broadcasts without spending a penny! Also they have over 50 radio shows on* DIANETICS *done so far!*

"COUNSELLORS WANTED"

Canadian public reading their newspapers were recently confronted with something new and challenging. "People needed to train as Counsellors to aid others in distress or with problems. This new technique results in a well and happy person. All welcome to apply." In Quebec where Scientologists placed this notice, with the org address on it, over 400 people came in to the org to find out more about it. 200 of those were in one day!. And at least 40 signed up for staff and are getting trained on Book One auditing.

This same ad has run in other cities from Miami to Milano, Italy with the same type of results!

FSM Denise Lechausseir, who works as a agent for the Quebec Government, is in charge of 19 educational regions in Quebec. When she applied for the job she submitted her resume to the Minister of Education stating she was a professional Scientologist, trained in Study Tech and also a professional NED Auditor. She got the job!

Now she's busy training her 19 regional supervisors on LRH Study Tech and other SCIENTOLOGY *Tech, which they in turn, train the teachers in their region on! This includes over 400 schools. She will soon be presenting the results of her work to the Minister of Education so that LRH Tech can go into the rest of the school system.*

In Winnipeg, a newspaper ran an entheta article and of course, as usual, more people came in to find out about DIANETTICS™ *and* SCIENTOLOGY® *philosophy. 15 people called in saying they'd read the article and wanted to know more about* DIANETICS. *Then the reporter confessed to following unconfirmed "hearsay" and we got equal space in the paper which will carry a big DMSMH ad.*

300 NEW AUDITORS IN SOUTH AMERICA

Book One seminars for the first time in South America have resulted in 300 new Book Auditors! Trained Auditors also serving as Flag Legionnaires did two tours through South America which resulted in this massive Book Auditor Training Boom!

They visited Valencia, Barquisimeto, Caracas, Bogota, Guatamala, El Salvador, Quito, Guayaquil, Lima, and Buenos Aires! A new office was opened up in Quito, Ecuador and a new group formed up in Guayaquil, Ecuador. The vast majority of these new auditors were totally new to DIANETICS!

And, the new group in Barquisimeto, Venezuela (soon to be a Class IV Org) has been delivering group processing to 400 prisoners. Also in Venezuela, official courses, approved by the government, are being delivered to more than 200 teachers.

LRH Tech and processing are being delivered to a Little League baseball team, which went on the place 2nd in the Championships!

BOOK ONE IN EUROPE

Creed and Cupie Pearson wrote in recently with the following: "during the past 27 weeks we have delivered 25 Book One workshops throughout Germany, Italy, Greece, Austria, and Switzerland. We have trained 1,042 Auditors! The response has been great. Training Book One auditors has been both rewarding and joyful. It is truly satisfying to pass LRH's technology to others. The wins have been fabulous, such as a woman regaining the full use of her legs as a result of a Book One session. She then joined staff as she had found her purpose!

"Many prenatals were run and people gotten onto the lower end of the Bridge. One preclear ran a war incident and the file clerk worked like a precision instrument. He was trying to recall a joke which he was telling right before the bomb came crashing down. The auditor managed to squeeze out one word at a time by use of flash answers. As soon as the pc recalled the entire joke, he was sucked right into the engram. Even his scars were turning red again. There were many examples but these were just a few."

BOOK ONE IN WASHINGTON

Book One is soon to be sold in 530 Seven-Eleven Stores in Washington, DC. SCIENTOLOGY *Auditor Stan Dubin engineered this. These are very popular mini-marts, open 24 hours a day, 7 days a week, with a continuous flow of people at all times.*

CLEAR CLEARWATER

Book One Auditor,. John Conroy, now of Clearwater, Florida (home of the famous Flag Land Base) recently did a Book One Seminar in Chicago. Out of 55 people attending, 39 people brought in preclears the day after the seminar, to audit! They haven't stopped yet. John's doing well with Book One. Seems that just about everywhere he goes people are picking up DMSMH and book auditing with it. He's working right now with other Scientologists in Clearwater to "Clear" Clearwater! John runs the DIANETICS *Information Center there.*

Also in Clearwater, local Operation Fourth Dynamic members have launched DMSMH radio ads on 3 different stations, and billboards promoting Book One are going up in various locations in the city.

Class VIII Auditor Rick Alexander recently made front page news in Clearwater, when he expertly handled a local reporter who had come into the DIANETICS *Information Center all equipped with the "dirt" he planned to write.*

Rick took control of the situation and with expert TRs, put the reporter in session before he could blink an eye! The result -- one very impressed reporter with certainty that DIANETICS *tech was the best thing going, and front page news all about how wonderful* DIANETICS, *tech really is!*

BOSTON TO SEE BOOK ONE ON TV

A Book One seminar in Boston recently received great media coverage and had spectacular results! It was held in one of the most prestigious hotels in Boston. Hosting the event was SCIENTOLOGY *celebrity Lon Tinney (special effects producer for Star Wars). The event was put on by* SCIENTOLOGY *Auditors, Carter Manierre and Rick Furbish. In addition to the seminar there were three radio talk shown on* DIANETICS *technology and on a fourth radio show, the Disc Jockey received Book One auditing on the air -- the results were fantastic. 40 new people were introduced to* DIANETICS *technology through auditing at the event and demand for information on* DIANETICS *technology has soared!*

DIANETICS MIRACLE

Recently, in South America, a lady who had suffered from a lifetime asthma condition was audited on Book One. The asthma condition cleared up fully since this auditing. Miracles do happen with DIANETICS *auditing!*

BOOK ONE BRINGS HOPE

The following is a very touching story as well as a great stride forward. Dianetics: The Modern Science of Mental Health *gave one man a glimpse of hope on the horizon for his own personal improvement. The following is a letter received from him.*

"Dear sirs,

"As you may have noticed from the return address that this letter was enclosed in, I am an inmate con-

fined to a State Correctional Institution. Upon entering this particular facility I was assigned to a cell in which I found a copy of Mr. L. Ron Hubbard's book Dianetics: The Modern Science of Mental Health, *which was obviously left behind by the former occupant. Out of curiosity I began to read it and found that I could not put it down, and I'm glad I didn't. I completed reading this book in two days and found myself re-reading it a second time, taking notes and paying special attention to those sections which I found more influential to my particular problem. Until I read Mr. Hubbard's book I was still plagued with the problem of understanding my own mind's actions. This book has helped me to understand and know myself. I now have a noticeable new outlook on life, survival and happiness. This sudden change in my life has brought about countless inquiries from my family and other inmates. I am at present informing and also teaching to all who are interested here about the fundamentals of Dianetics, using this book as a reference.*

"The word has spread that Dianetics and Scientology are the answer to most of our problems and I now have quite a number of curious inmates sitting in on my sessions. I have on numerous occations requested from the institution to supply our library with all of Mr. Hubbard's publications, but have been informed that the State is, as usual, on a tight budget and my requests have been denied.

"This has led me to request from your organization, if at all possible, for the donations of any used books, magazines or other reading material that might help us to continue to reach our goal of bettering ourselves, our lives, and the lives of others that may pass this way in the future."

(Editor's note: the books have been sent)

3 MILLION WAY TO HAPPINESS BOOKLETS TO FLOOD MEXICO CITY

In Mexico City, plans are underway now to have 3 million copies of The Way To Happiness booklet distributed to members of Mexico's Labour Unions.

WORKSHOPS IN SOUTH AFRICA

Happiness workshops are being delivered to 15,000 miners in the Soweto area. These are transients who are from various different areas. The miners are having tremendous wins on this. Also a contract has been confirmed to have The Way To Happiness booklet published in Nigeria!

FROM LONDON TO KHARTOUM

A Doctor visiting the United Kingdom went into the London Church on Tottenham Court Road. There he was introduced to the Happiness Booklet and is now working on translating it into Arabic! It will be ready for publication in the near future.

POLICE FIND WAY TO HAPPINESS

In Quebec, Canada, mailings were made of the booklet to Police Chiefs throughout the province. A rave report has been received from the Chief of Police in Trois Riveires, thanking those who sent them for the booklet.

Also in Quebec 200 mailings were sent to directors of schools and the media. All of these were done by gung-ho FSMs from the area.

10,000 COPIES OF THE BOOKLET OUT IN DADE COUNTY FLORIDA!

Scientologists in Florida have gotten 10,000 booklets of The Way to Happiness distributed in Dade County, Florida to business, religious and community leaders. And down in Pueblo, Mexico, 15 programs on the radio are aired daily on 10 stations in the city.

Class IV Auditor Carrie Alkins of Los Angeles, has been working as the E.D. of Special Ops in West U.S. She received a request from the Library of Congress of the U.S. to record The Way to Happiness on cassette for distribution to all institutes for the blind and physically handicapped in the U.S.A. The cassette has now been made available. Carrie has been working on Cultural exchange and Special Zone actions in the institutes of the blind in California.

WAY TO HAPPINESS IN TAIWAN

It began with Ed Hirsch, HAS Course Graduate and radio Disc Jockey on a popular FM station in Hawaii. Ed began reading precepts from the Happiness Booklet on his radio programs. He moved to Taiwan to work with an English radio station where he was offered a job he couldn't refuse -- being the editor of the largest English language newspaper in the East. Of course Ed right away began weaving precepts from the Happiness Booklet into the newspaper. Soon the headlines of one edition of his paper read, "THE PRESIDENT OF ROC FINDS THE WAY TO HAPPINESS" (ROC - Republic of China of Taiwan) and "CHINA YOUTH FACE ETHICS CRISIS"!

Next thing you know Ed was giving a seminar to congressmen of the Republic of China on The Way to Happiness and using the precept, "Seek to Live With the Truth." The congressmen were flipped out over this. Afterwards he counselled two of the congressmen on PTS/SP tech and what a suppressive person does to government. Needless to say, they were very impressed with this great wisdom and now, negotiations are underway, originated by the President of the ROC, to have Ed become his personal advisor!! Latest word is that he has been appointed and is responsible for originating policy on Sino-Asian-American relations.

In Washington, DC Scientologists Louie Bellucci and Sue Tiller distributed The Way to Happiness to 26 senators and Supreme Court justices and got letters of recognition for LRH from each!

A congresswoman on Staten Island, New York read The Way to Happiness and was so impressed with the booklet and its potential impact on society, that she has requested that 80,000 dollars be raised to pay for enough booklets for distributing to every person on the island, which she will personally deliver!

BIGGEST FOOTBALL TEAM IN ITALY TO DO SCIENTOLOGY COURSE!

Class IV, OT III Pipo Palero, Italy's Expansion In-Charge, together with the GO in Europe, closed the entire "Milan Football Club" (soccer) to do the Success Through Communications Course". This club is one of the biggest soccer teams in Italy and in Europe. In fact it's one of the most famous on the planet as far as soccer is concerned! It's a multi-million dollar business! It's as big a cycle as it would be if the entire New York METs baseball team or the Dallas Cowboys football team signed up for the course!

Another big Italian win: the mayor of one of the major towns in Italy, Verona (250,000 people) has officially announced that the entire town population should do the "How to Handle Withdrawal Symptoms" course. He realized that Ron's tech on handling drugs is the solution to the drug problem!

Verona City Office is soon to be a Class IV Org!

NEW ORGS

New Orgs are springing up all over the place. Lyons, France recently became an Org, as did Clairmont. In Florida two new orgs just formed: Tampa and Orlando. More are in progress of being make official orgs right now -- and more news on this will be published in the Auditor soon!

And reports continue to come in of more and more great news like this!. We can't fit it all in this issue of the Auditor! So keep an eye out for future editions with a continuing stream of good news from around the world!

And remember, if it isn't reported in The Auditor, *it didn't happen. So send it in and make it a fact!*

It's Here!

Understanding the E-Meter™ by L. Ron Hubbard. An entirely new book from Ron that explains exactly how the E-Meter works!

- Simple, elementary text starts your journey of understanding with a complete description of the composition of the physical universe.
- Seventy-seven LRH-approved illustrations help make the text crystal clear.
- The relationship of the thetan to the physical universe is next explained, building on the data in the first chapter.
- Finally, the way the E-Meter really works is mapped out, both its internal functions and the way it relates to the thetan and the physical universe.
- A complete glossary of Scientology and electronics terms guides your study, making it faster and easier.

"Many auditors...have requested a deeper understanding of just what the meter really operates on and how it works. This is understandable; after all, an auditor uses his meter constantly every day. Why shouldn't he know more about how it works?"

Focus on Success

Briefing Course Students Winning With L. Ron Hubbard's Books

LRH books are unlike any other books you will ever read by different authors. The difference is they contain the truths of life. There is not any LRH book you could read that you would not learn something valuable to apply to your personal experiences. One of the nicest things about reading the books on the Briefing Course is that you read them in chronological order - just as LRH himself cognited on the data - and see how later cognitions expand and relate to earlier ones. My favorite book is *Science of Survival.* It truly contains exactly what the title states. Whenever I feel a lack of new awarenesses sparking in my universe, I pick up an LRH book and within a very short time I can always count on my "problem" being remedied!

-Arnell Burghorn

I've had such an array of cogs and wins from the LRH books on the SHSBC that to really write them all would take sheets. The main point I found to really talk about is reading the books in order from day one and following LRH along year by year. Knowing the outcome of LRH's tech in 1982 and reading his books from 1948 and on is relief in itself. Sitting on course and really being able to dig in to the material at your speed and really following Ron on his discoveries from the word "DIANETICS" to the why of the Physical Universe really puts it altogether for you. Then watching it all come out in the Professional Auditors Bulletins as processes and Hubbard Communications Office Bulletins and then tapes is what makes it all worth while on the SHSBC. This is the first time I've been able to read all of LRH's books since 1968 when I came into SCIENTOLOGY. So my viewpoint sitting here in 1982 is, I understand how it all came about.

-Red Van Dyk

Having and really getting the data contained in LRH books on the Briefing Course has given me new found hope, and with application of the data, certainty, that life can be mastered scientifically, and not just gone through, being carried along and hoping for the best.

I've rediscovered for myself that there are natural laws of the physical universe as well as the theta universe - very exact laws.

Just the data on confusion alone, and its remedy, finding a stable datum, has changed my life markedly - also, seeing others confused I can also help them out by getting them to apply this remedy of finding a stable datum.

The books on the Briefing Course are filled with stable data about life and the betterment of it's conditions.

I am very rapidly becoming very unconfused about it all.

-Richard Marrone

My main win on the Briefing Course is that the more I study it, the simpler it gets. Life, auditing, organization, these things were extremely complex to me before. Now, following the track of Ron's discoveries, I get each new concept in its correct context.

I used to spin off into space with a fist full of variables, overloaded by the deeper significance of it all. Now I'm on solid ground. I can see how to use the data I'm studying. And since I'm studying the whole track of SCIENTOLOGY, handling PCs and dissemination are getting easier by the page.

-Mike Curry

I've audited quite a bit and in the past 11 years have read all of Ron's books several times. I was curious what I'd get out of the early part of the SHSBC when I read the books again. Well, I'm near the end of the 1st checksheet and I must say I learned a *great deal* from rereading them. I cleared up questions I didn't even realize I had! Doing them in this order on the checksheet it has really aligned the data and put me. Relative importances have become sparkling the real basics into a clean orderly arrangement for me. Relative importances have become sparklingly clear to me, and personally the case gain I've experienced so far is equivalent to and OT section.

-Craig Wright
