An Important New Article from Ron!

Ron's Journal 36 "Your New Year"

by L. Ron Hubbard

Hello.
The sun is in the sky
The stars are in the heavens
Life lives.
And I am here to wish you a happy holiday season.
With inexorable promptitude 1983 is upon us!
What will it bring?
For some, I trust, a revitalized purpose and shining life.
For others not so fortunate, another step deeper in the black pit of oblivion.
Some conceive they are in the toils of fate.
But others, having achieved insight know that is not so.

It is you who will determine whether in 1983 you will go upward or down, whether your life will be happier or worse.

I could tell you many airy things of no consequence. But, out of friendship for you and all men, I would like to take this opportunity to remind you that you are the one who determines your own destiny.

It is you who choose your future, it is you who holds firmly to your goals or lets them slip.

It is you who insists upon receiving standard tech or tolerates shoddy substitutes.

When all is said it is you who will be with yourself at the end.
And it is you who will ask yourself, did I do right or did I do wrong?
And the state you find yourself in will be the answer.
Will you become a brighter person or a cinder?
I cannot tell you to arrive at some high state.
I cannot order you to be well or happy or affluent.
I can only point out to you the route to what your innermost self desires.
I have, through half a century of work, found the road out.
I've done all I could to point the way.
It is you who choose or not to achieve a higher state.
Standard ethics will keep you and your friends on the straight road.

Standard policy will give you a powerful organization, expanding and prosperous.

Standard tech will take you into states of beingness where nothing can strike you down.

In this minute particle of time we have the opportunity to reverse the downward spiral of life.

It is you who will avail yourself of it or not.

There is no longer any question if it is the right road. Countless people now have followed it with success.

It is no longer a question whether standard ethics and policy work.

It is only a question of whether or not *you* apply them.

Possibly you find this a somewhat grim holiday message.

Ah, there are happy things I could tell you. Book One, *again*, as it has before is climbing the bestseller list in the bookstores this very moment. And in a number of languages too. There are also new Dianetics and Scientology books coming out. Oh, yes, I've been busy! I also amused myself writing a book Battlefield Earth and I have gotten out a new music album Space Jazz. And they are both selling in avalanches. I've always worked in all the arts. It keeps my hand in, amuses people and whiles away the otherwise idle hour. It's better than playing video games!

The secret is, I get no money from students or pcs and research costs a great deal of money which I myself have always funded with my writings.

And a top publisher just said he had a million dollars for my next fiction work. They seem to think I'm more popular than ever. So you must have been saying nice things about me and also telling people to read my books. So thank you.

But my main time today is spent polishing the higher levels of research so you will find the data you need when you reach that stellar point.

I am well, indeed so, and I thank you for asking.
But I do have a concern.
Will you take advantage of the carefully marked trail upward?
I hope you do, my friends.
For if you don't, it will be very lonely in the sky.

Love,

Expansion Wins!

National DIANETICS™ Campaign Moves into Second Phase!

Thousands Introduced to the Road to a Better Life!

The very successful national DIANETICS campaign is now moving into its second phase. The first phase was an advertising and publicity campaign that lasted for a month, and saw *DIANETICS: Modern Science of Mental Health* soar on bestseller lists around the US as more and more people reached for the first section of the Bridge to OT: LRH books! Some of the bestseller lists the books were listed on include Ingram's National Quality Paperback List (Ingram's is the largest book distributor in the country. *DIANETICS Modern Science of Mental Health* ("Book One") soared to number 4 on Ingram's national list, and to number one on Ingram's list for the Western US). *Self Analysis* is listed on B. Dalton's "Hot Titles List" as well as on Waldenbooks "Front List" (a list of top bestselling titles released this year). Book One is also on Waldenbooks "Front List". B. Dalton's and Waldenbooks are the two leading bookstore chains in the US, with over 600 stores throughout the country.

Now the second round of advertising is being kicked off with longer versions of the successful TV ads in over 20 cities in the US, more advertisements in newspapers and magazines, and nationwide publicity, so DMSMH and *Self Analysis* will continue to soar, on up to the tops of the bestseller lists with the redoubled promotion.

Here are some recent wins: In Phoenix the manager of a B. Dalton's store called a Mission because he was desparate: he said that he really needed help because he was all sold out of Book One, and his regular distributor would be resupplying him in five days, but he couldn't wait that long!!! Could the Church help him out? He was directed to two other distributors to obtain books, and was very grateful!

There is no official campaign in Vancouver, British Columbia, but the ads have been "spilling over" and were broadcast via cable TV, and lots of activity and excitement was generated on Book One. One story goes like this: a woman who owns a body shop saw the ads and decided to buy Book One and see if it worked. She became so interested she started a City Office, and in the first two weeks sold several books herself and got a number of people started on the Bridge.

ACTOR IN THE ADS BUYS BOOK ONE

The voice of the mountain climber in the advertisements was played by a veteran professional actor (a different man from the climber himself). At the studio when the ad was being edited, this actor originated that he had bought Book One back in 1950, but had only read a couple chapters. He said that recently he had been so impressed by our advertising that he ordered another copy and now, having worked with us, he was going to go home and pick up the book where he had left off!

VIVA *DIANETICA*

Not to be left behind, the Spanish *DIANETICA*, the translation of *DIANETICS*, Book One, has been making inroads into the Spanish-speaking public in the United States and elsewhere in the Americas. The Hispanic Market Co-Ordinator at Bridge Publications (Bridge Publications publishes Ron's SCIENTOLOGY® and DIANETICS books in the US) recently ran a TV show in Spanish that was broadcast nationwide via sattelite to over 180 stations. An estimated 600,000 people were reported to have watched the show, which featured drawings from Ron's books *Understanding the E-Meter* and *The SCIENTOLOGY and DIANETICS Technical Dictionary* explaining the mind and basic DIANETICS Technology.

Major distributors of Spanish books in the LA and New York areas are now carrying DIANETICA books and they are reported to be selling very well. In addition, work is being done to expand the major distribution of DIANETICA books to parts of the US where this has not yet been done, as well as to many countries in South America.

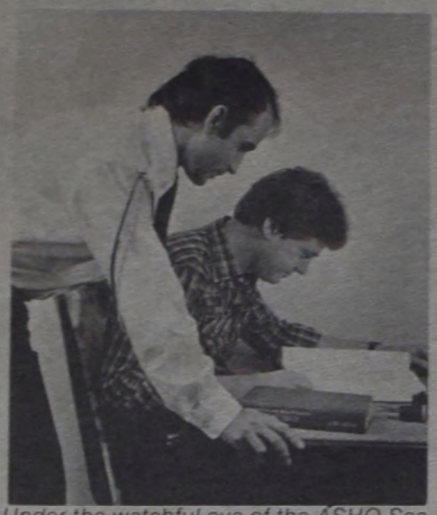

This is only a bit of the news of the work being done to get Ron's books into the hands of people who can use them to handle their own lives and move themselves and the society up the road to a better life and OT. The next issue of *The Auditor* will have lots more news as well!

If you have news for *The Auditor*, send it to The Auditor Editor, ASHO, 1413 North Berendo St., LA, CA 90027-0972.

Remember:

If it isn't announced in *The Auditor* it didn't happen.
Send it in and make it a fact!

THE Road Out: The Classification and Gradation Chart!

Under the watchful eye of the ASHO Sea Org Course Supervisor, Briefing Course student Ron Nielson reads one of Ron's books. Briefing Course students study forty of Ron's books on auditing and the basics of life, and the wins they have are many and far reaching!

The product of many years of research, the road out, the carefully marked trail upward to higher states of existence, is a gift of L. Ron Hubbard to all men! The road is not a hidden route, and is, in fact, available to nearly all who seek it in good faith to improve themselves and learn to help others. Through DIANETICS™ and SCIENTOLOGY® counselling thousands have gained heights of ability they have only dreamed of before! Through DIANETICS and SCIENTOLOGY training, it is possible to learn how to help others survive better and lead happier lives. The exact steps to be taken in both processing and training are laid out in order from top to bottom on the Classification and Gradation Chart, the map of the road out, by L. Ron Hubbard.

Ron's Books – Data You Can Use in Life!

For many, the road out begins with reading one or more of L. Ron Hubbard's books on the mind, spirit, and life. As Ron says, "Books are the spearhead of a planet-wide offensive against the reactive mind, the unconscious part of the mind that enslaves the souls of Man."*

Chief among DIANETICS and SCIENTOLOGY books is *DIANETICS: The Modern Science of Mental Health*, "Book One". Ron says of this book, 'When people are asking you questions about Dianetics and Scientology,... your best answer to these questions was my earliest answer and that was, "Read DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH and that will answer your question".'* People have been reading "Book One" for years and it is still a bestselling book as more and more discover in it sensible, workable data giving them an understanding about the human mind.

Processing – The Route to Greater Ability

The Bridge has many levels of processing that take a person from where he is to states hitherto undreamed of. Ron says, "It is a never-ending source of wonder to people, going truly on this route, that there could be such QUANTITY of gain available to one being."* Ron describes the route to OT like this:

"There are six rough divisions of case gain.

1. From raw public to a realization Scientology works and should be continued.
2. The realization that, through his auditing, one will not get any worse– an arrested decline.
3. The whole band of gains we call the lower Grades. The very least of these gains (and there are many) by pc testimony, is stated to exceed by far any advance in personal gain ever before achieved in any former practice known. (A simple flying of ruds can get more gain than ten years of psychoanalysis!)
4. The band that achieves in a final burst of glory and freedom, the state of Clear.
5. The pre-OT levels, leading to personal spiritual freedom. These carry up through all NOTs, audited and Solo. What is amazing here is that each one of these levels, according to rave reports, has, each one, its own spectacular level of gain.
6. The actual OT levels beginning now with New OT VIII and going on up."*

Bands one through four are, generally, available at Class IV Churches around the planet as well as at upper Organizations, such as ASHO. When you attest to the state of Clear your next step is to become a solo auditor capable of auditing yourself on the upper levels, at your local Church and at ASHO. Then you move on to the pre-OT Levels at the Advanced Organization (AO) and Flag.

This is a route that has been followed by thousands, and the fabulous success stories from persons at every stage of the way show that there is indeed tremendous case gain available at every level!

TRAINING – The Road to Greater Understanding

The steps of DIANETICS and SCIENTOLOGY training give a person a deepening understanding of Man's mind and spirit, as well as an understanding of the underlying problems that have plagued Man for ages uncounted. With understanding comes the ability to help and set things right, and training courses consist of theory and practical sections so that auditors can not only learn the theory of what they are studying, but can become skilled in applying the techniques of helping others, in session and out.

A full understanding of life requires a full study of the depth and breadth of the vast research Ron has carried out since the early days of his DIANETICS breakthroughs. That is the purpose of the Saint Hill Special Briefing Course, which traces the development of Ron's incredible discoveries right on up to the present. Class VI auditors, graduates of the Saint Hill Special Briefing Course, have thoroughly studied the Tech, and have learned to apply it with the certainty that comes with in-depth understanding.

The Bridge – The Road Out – is Yours!

L. Ron Hubbard developed the Bridge so that you could have a chance to live a better life in your own estimation, and so that society as a whole could come to grips with its problems and prosper.

As Ron says in Ron's Journal 36, "There is no longer any question if it is the right road. Countless people now have followed it with success.

"It is no longer a question whether standard ethics and policy work.

"It is only a question of whether or not *you* apply them."*

The benifits and abilites gained on the Grade Chart can be yours! Take your next step in DIANETICS and SCIENTOLOGY training and processing today! The registrar at your local SCIENTOLOGY Church will be glad to answer your questions about the road out, the Bridge, and your next step on it. Call her now!

Focus on Success — ASHO Students Take Advantage of the Road Out

Briefing Course students Larry Milligan and Anne Dinkel consult a Tech volume for the correct LRH reference.

Once again Level A of the Briefing Course has done it... after spending 6 years in college studying psychology (!!!) at two "fine" universities and then finding SCIENTOLOGY [®] technology!! What is really pointing me to Truth, more than any other aspect of SCIENTOLOGY is Level A of the Briefing Course.

Today I have been reading *Phoenix Lectures* for the first time. The depth and magnitude of the information in this book keeps by socks blown off! To search all that time, under the "guidance" of so many college professors and then to come here and get the lies blown off my lines – what a relief and *what* a treat!

— Coleen Fehely

I got married recently and one of the main reasons for the success of this relationship is LRH's book *The Second Dynamic*. Reading it prior to the wedding blew LOTS of false datums for both of us.

We still refer to it often to maintain a good marriage and to help us keep our 2D aligned with our other dynamics. This can be difficult due to third dynamic demands but instead it's been a great win with the proper LRH reference at hand. Thanks LRH for some sanity at last!

— Carol Cross

I have had wins with books by L. Ron Hubbard since I read *DIANETICS: The Modern Science of Mental Health* in 1950.

Reading the book and discussing it with friends was fun and we all had more hope than we ever had before.

The big wins came when we used the book as Ron intended, as a handbook. At that point' my life changed for the better: I became busy as an auditor. First, my attention went out to other people. Second, I became accustomed to dealing successfully with the bank so any of my own bank became much less threatening.

The later books helped too. For instance, *Self Analysis*. Don't just read it, use it. Follow the ditrections!

— Jack Spears

Last night I was reading *Science of Survival*. I was having cognitions as I went along. All of a sudden a cognition just hit me. Tears seemed to shoot out of my eyes of their own volition. I line charged for quite awhile. Now I feel much more relaxed. I understand that I've been afraid of hurting people by accident just by being a big being.

But I am ARC. I can put order into MEST and I can understand anything and I can disenturbulate entheta an en-MEST. The main thing I can ever hurt by being a big being is entheta and en-MEST. I am dangerous to death and apathy and wretchedness and unreason. And, by God, I'm going to do all I can to continue to be dangerous and become more and more dangerous to those things.

Because I do not understand unreason, does not mean I'm stupid. It means unreason is not understanding. I can take unreason and either put it out of its misery or convert it to reason.

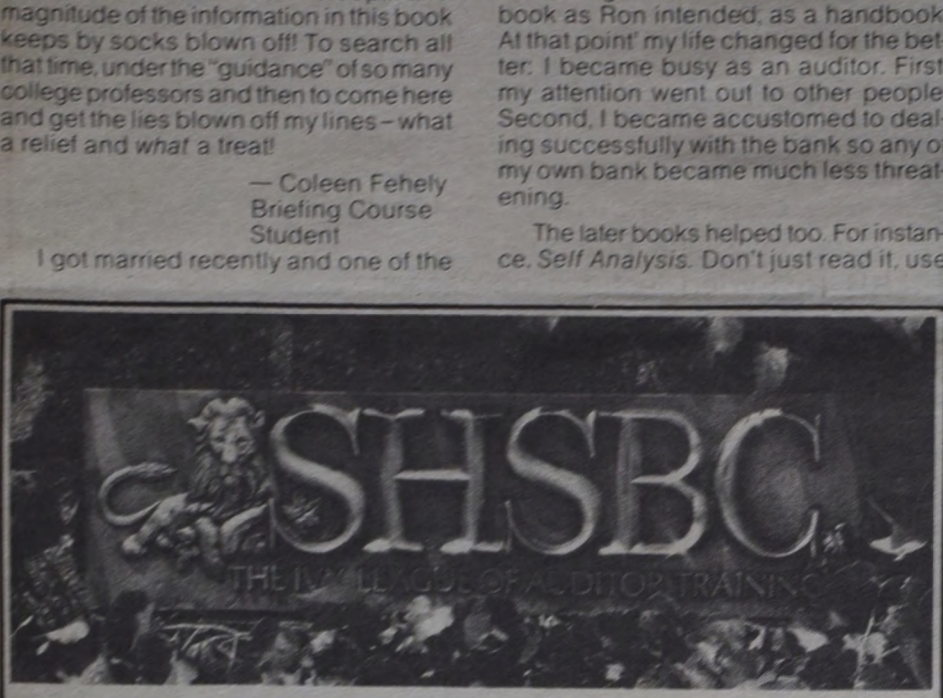

I have the knowledge and understanding now to conquer MEST and I'm going to do it with a vengence.

Freedom to Be Yourself and Soar to Your Full Potential

go clear

The reactive mind has kept Man caged for eons – caged and bound, prevented from soaring to long-dreamed of higher states, and greater abilities and understandings.

Now it is possible to operate on full self determinism, without being dictated to by the bank. Now it is possible to go Clear!

A Clear is a being who has no reactive mind. Ron has made it possible to go Clear: by going up the Grade Chart in SCIENTOLOGY® and DIANETICS™ auditing!

Gain the freedom to be fully yourself –go Clear! Sign up for your next step on the Bridge– write the ASHO Day Registrar today!

Donations for auditing on the Bridge to Clear at ASHO are included in the donations list with this issue.

SCIENTOLOGY DEFINITIONS

ANCHOR POINTS: The points which mark an area of space. **AO:** Advanced Organization: Organization whose function is to run the Clearing and OT Courses. **ARC:** a word from the initial letters of Affinity, Reality, and Communication which together equate to understanding. **ARC STRAIGHTWIRE RELEASE:** Freedom from deterioration; has hope; knows he/she won't get any worse. **ASHO:** The American Saint Hill Organization. **AUDITING:** The application of Scientology processes and procedures to someone by a trained auditor. **AUDITOR:** One who has been trained in the technology of Scientology, the person whose job it is to ask the person to look, and get them to do so. The word auditor is used because it means one who listens and a Scientology auditor does listen. **BOOK ONE: DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH:** The book written in 1950 by L. Ron Hubbard. It gives the entire theory and use of Dianetics. **BRIDGE:** The route to Clear which we call the Classification, Graduation and Awareness Chart. **BY-PASSED CHARGE:** Mental energy or mass that has been restimulated in some way in an individual, and that is either partially or wholly unknown to that individual and so is capable of affecting him adversely. **CASE:** The whole sum of past by-passed charge. **CASE SUPERVISOR: C/S:** That person in a Scientology Church who gives instructions regarding, and supervises the auditing of preclears. **CHARGE:** Harmful energy or force accumulated and stored within the reactive mind, resulting from the conflicts and unpleasant experiences a person has had. **CLASS:** Refers to the level of classification of an auditor. **CLASS VI:** A graduate of the Saint Hill Special Briefing Course. **CLASS VIII:** The Class VIII Course teaches exact handling of all cases up to 100 percent result as well as Class VIII procedures, all case setup actions, all processes and corrective actions, as well as flubless Class VIII auditing. **CLEAR:** A thetan who can be at cause knowingly and at will over mental matter, energy, space and time as regards the first dynamic (survival for self). **COGNITION:** Something a pc suddenly understands or feels. "Well, what do you know about that?" **DIANETICS:** DIA (Greek) through, NOUS (Greek) soul. WHAT THE SOUL IS DOING TO THE BODY. **DIANETICS CLEAR SPECIAL INTENSIVE; DCSI:** A procedure developed so that those who did achieve Dianetic Clear could get it properly acknowledged and attain a full resurgence of the state. **DYNAMICS:** There could be said to be eight urges (drives, impulses) in life. These we call dynamics. The first dynamic is the urge toward existence as one's self. Here we have individuality expressed fully. **E-METER:** The Hubbard Electrometer is a religious artifact used in the Church confessional. It, in itself, does nothing, and is used by ministers only, to assist parishioners in locating areas of spiritual distress or travail. **ENMEST:** Enturbulated mest. **ENTHETA:** means enturbulated theta (thought or life); especially refers to communications, which, based on lies and confusions, are slanderous, choppy or destructive in an attempt to overwhelm or suppress a person or group. **EXTERIOR:** The fellow would just move out, away from the body and be aware of himself as independent of a body but still able to control and handle the body. **F/N:** Floating Needle: a rhythmic sweep of the dial at a slow, even pace of the needle. **GRADE CHART:** (see BRIDGE). **GRADE:** the attainment of level achieved by a preclear, a series of processes culminating in an exact ability attained. **HAPPINESS RUNDOWN: HRD:** The object of the rundown is to obtain an end phenomenon of realization that one really is on the Way to Happiness. **HAT:** The duties of a post. **HCO:** HUBBARD COMMUNICATIONS OFFICE. **HCOB:** Hubbard Communications Office Bulletin. "that body of Scientology data for that point of progress of the individual." **LINE CHARGE:** a prolonged spell of uncontrollable laughter or crying which may be continued for several hours. Usually signals the sudden release of a large amount of charge and brings about a marked change in the case. **LRH:** L. RON HUBBARD. **MEST:** A coined word, meaning matter, energy, space and time, the physical universe. **METHOD 1 (WORD CLEARING):** the action taken to clean up all misunderstoods in every subject one has studied. **MISSION:** A group granted the privilege of delivering elementary SCIENTOLOGY and DIANETICS services. **NED: NEW ERA DIANETICS:** A refinement of all previous Dianetic techniques from 1950 up to present time as well as the development of new technique giving much faster results and far higher gain per hour of auditing. **NOTs:** NED for OTs. **OT: OPERATING THETAN:** A being at cause over matter, energy, space, time, form and life.
