1967 THE YEAR OF EXPANSION

DIANETICS

In May 1950, "Dianetics, Modern Science of Mental Health" burst into the English-speaking world, shattering forever the barriers into the unknown territory of the human mind.

This book by L. Ron Hubbard, the result of 20 years of work and research into the realm of the human mind, was eagerly accepted and continued on the best seller list week after week. Today, sixteen years and twelve editions later, this book continues to sell widely in many languages.

The hitherto unknown source of psychosomatic ills, human aberrations and unhappy interpersonal relationships was isolated and identified as the Reactive Mind, and described in detail. Along with this unparalleled discovery, L. Ron Hubbard simply and succinctly presented the skills and techniques to eradicate this Reactive Mind.

To a world ever struggling to find a way out of its dark despair, this book hit like a thunderbolt. Here at last was what Mankind had been hoping for. The way out of human misery had been discovered.

It was not only possible, but was already being done with success by the discoverer and could be done by others.

Never was adventure more eagerly embarked upon. Overnight thousands of people all over the world, using this book, started applying Dianetic techniques with phenomenally good results. Dianetic Releases were being made that were stable and lasting. Today these Releases are being rehabilitated easily in Hubbard Guidance Centres on many continents, validating the excellence of the early techniques and auditors.

This was the turning point in the history of mankind.

Millions of lives were changed for the better through the resolving of major anxieties and mental aberrations. The early Dianetic Auditor helped many a Preclear become happier and more able.

So Mankind took its first step along the Road to Total Freedom.

These Dianetic successes in the realm of the human mind were and continue to be the solid base on which L. Ron Hubbard built the structure of Scientology and the Route to Clear and Operating Thetan.

The promise was made and was being fulfilled.

SCIENTOLOGY

Scientology was the natural advancement of Dianetics. Having achieved unprecedented success with the application of Dianetics in the field of the human mind, L. Ron Hubbard nevertheless continued his research. He had observed during the course of Dianetic Auditing that an inexplicable phenomenon kept recurring with unavoidable frequency, which could not be attributed as a result of addressing the human mind. Relentlessly compiling this phenomena and researching into thousands of Dianetic case histories, L. Ron Hubbard made his historic breakthrough into the realm of the Human Spirit. Here at last was the proof that philosophers and religionists had been contending over throughout the ages. L. Ron Hubbard, with incontrovertible proof, was able to lay to rest the materialistic philosophies which maintained that Man was animated matter.

There was no doubt. Man is basically a spirit.

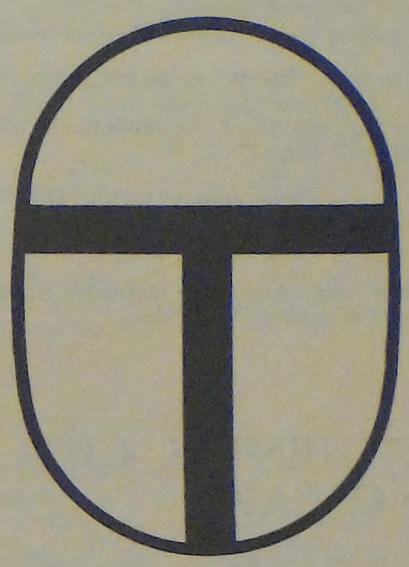

But knowing this was not enough. He then continued his research to develop the technology and procedures by which Man could gradually and stably achieve increasingly higher states of awareness and existence.

Thousands of grateful and relieved people demanded Scientology auditing.

Where Dianetics brings the aberrated person to the state of capable human being, Scientology takes him from there to a state of Total Freedom and Total Beingness. At Saint Hill and in the nineteen Scientology Organizations throughout the world, Academies offer courses in Basic Dianetics and Advanced Scientology. Professional auditors are trained to skill and precision. Ever pursuing the goal to make Clear and Total Freedom possible for Mankind, L. Ron Hubbard continued to correlate and refine the data and techniques. Power Processing, which was introduced in May 1965, was the technical triumph which brought the person to the state of Release and awareness where he could then be trained to audit himself, erase the Reactive Bank, and attain the State of Clear.

Today there are over 130 Clears, and more are being checked out almost daily. Despite the magnitude of L. Ron Hubbard's work, the Route to Clear is not a discouragingly long one. With good training and application Clear can be achieved within six months to two years.

So L. Ron Hubbard has fulfilled his promise of Clear.

AND BEYOND

For thousands of years men have sought the state of complete spiritual freedom from the endless cycle of birth and death and have sought personal immortality containing full awareness, memory and ability as a spirit independent of the flesh.

The dream of this in Buddha's time was called "Bodhi", being the name of the tree under which he attained such a state.

But due to the unknown presence of the reactive mind and its effect upon the spirit as well as the body, such periods of freedom were difficult to attain and were, as we have found, temporary.

Further, few could attain even this temporary state and those who did acquired it at the cost of decades of self-denial and personal discipline.

In Scientology this state has been attained. It has been achieved not on a temporary basis, subject to relapse, but on a stable plane of full awareness and ability, unqualified by accident or deterioration. And not limited to a few.

By eradicating the reactive mind we not only achieve in the state of Clear an erasure of the seeming evil in Man, who is basically good, we have overcome the barriers which made it so difficult to attain total spiritual independence and serenity.

We call this state "Operating Thetan". To *operate* something is to be able to handle it. *Theta* is from the Greek letter "theta" the traditional philosopher's symbol (from the letter in the Greek alphabet "theta" Θ) of thought, spirit or life. Thus it means a being who as a spirit alone can handle things.

The definition of the state of Operating Thetan is "Knowing and willing cause over Life, Thought, Matter, Energy, Space and Time."

As Man is basically good, despite his evil reactions to his reactive mind, a being who is Clear becomes willing to trust himself with such abilities. And in any case none can have more power than they can control.

In Scientology a Clear can walk his way to Operating Thetan, not in the decades demanded even by a temporary state in past ages, but within months or at most

AND BEYOND

(continued from page 1)

a year or so. And when he attains the state he is no longer subject to sudden and inexplicable collapses as occurred 2,500 years ago. One is able to attain and retain the desirable condition.

Not the least of the qualities of O.T. is personal and knowing immortality and freedom from the cycle of birth and death.

The concept is rather vast for immediate grasp but chiefly because one has hoped and had his hope for this turned to despair and his despair turned to a total apathy concerning it too often down the ages to do more than extend a tremulous wonder.

But the way is true and plainly marked and all one needs to do is to place his feet upon the first rung of the ladder of Dianetics, ascend by Scientology to Clear and then walk upward to and far beyond the stars.

It is quite impossible to overstate the importance of such news. 2,500 years ago a statement similar to this and almost impossible to attain brought civilization to three-quarters of Asia.

Yet day by day, Clears enrolled on the "O.T. Course" at Saint Hill are walking that ladder and have already begun to reach the stars.

It is quite true. And quite attainable on the well marked road of modern Scientology.

CLEARING COURSE FILMED

In order to help Southern Africa and provide data to future students at Saint Hill, Ron organized a special Clearing Course for South African students early last spring. The main purpose of this Course was to get information and demonstrations recorded on film while at the same time getting eleven more students started on the Clearing Course. (No other out of Saint Hill Clearing Courses are planned.)

For the event Jenny Edmonds, Clearing Course Supervisor, flew out to Southern Africa and Reg Sharpe went along to make the films. All the students were graduates of the Saint Hill Special Briefing Course and, immediately prior to being accepted for the Clearing Course, they concentrated on getting their technology and case levels up to the required standard. John McMaster, Divisional Organizer for Qual, W.W., was there to check the candidates both case and technology-wise. There were no failures and the following moved on to the Clearing Course:

Henry Blumenthal, Joan Briscow, Anne Bergin, Molly Jolley, June Kay, Jane Kember, Stella King, Els Mellett, John Morshead, Dave Perelson, Ray de la Rey, Vi Fleming.

The Course differed from the usual procedure only inasmuch as they were started in Southern Africa instead of coming to Saint Hill. In all other respects the Course is exactly the same. However, the students did have the privilege of being present at the filming of Ron giving the lectures. These films will be shown to all Clearing Course students—past and present.

History was made on this occasion as, in addition to the lectures, Ron made a film of one of his actual auditing sessions. This was no small feat—getting "into session" with the distraction of a film camera over his shoulder. It was not practical to have a camera or sound man present, so he had to start all this up himself. To add to his difficulties, a motor cyclist decided to test out his bike without silencer outside the window of the room Ron was using. However, despite all these difficulties, the film was made and will be of inestimable value to Clearing Course students.

The time has come to make known the terrific sacrifices Ron has made in order to get the Clearing Course technology assembled. To have researched the reactive bank, discovered its constitution and produced the means for anyone to rid himself for ever of the reactive bank and its destructive liabilities was in itself a stupendous task achieved at the cost of much personal suffering at a time when he was assailed by numerous formidable organizational problems but, as if that were not enough, he purposely refrained from completing his own clearing until he was satisfied that anyone embarking on the Road to Clear could follow and successfully complete the routine.

The reason for this was that he needed his reactive bank to experiment with should any student come up with a difficulty which the standard technology would not resolve. Fortunately this was not necessary—the technology was proved correct. So at last, with twenty students successfully completed (many more by the time you read this)—twenty Clears representing all types, shapes and sizes—Ron decided it was safe for him to take care of the final level of his own case.

Now we have the means whereby anyone coming up through the levels with technology which is standard and specific can rapidly and smoothly attain Total Freedom.

Much has been said and written by Clears trying to express the feeling of Total Freedom. Suffice it to say that it is beyond anything you have imagined.

It is up to you now.

Get on with your training and auditing.

You too can make it.

CONTINENTAL CHECKOUTS FOR CLEARS

Fantastic news for all Clearing Course students and prospective Clearing Course students—you can now be checked out for Clear in your own Continental Area. Ron has just introduced the system of Continental Clear Checks whereby a Clearing Course student who is going for a Clear Check can do so in his or her own Continental Area.

The Clear Check is given by a Clear who has been specially appointed by Ron and has been technically trained to do Clear checkouts.

The following have been appointed Continental Clear Checkers:

JULIA SALMEN, Clear No. 108, has been appointed Continental Clear Checker for the Western United States.

KEN SALMEN, Clear No. 109, has been appointed as Deputy Continental Clear Checker for the Western United States. Clear checkouts will be given at the Los Angeles Organization.

CHRIS WEIDEMAN, Clear No. 38, has been appointed Continental Clear Checker for Africa.

JOY OLLEMANS, Clear No. 103, has been appointed Deputy Continental Clear Checker for Africa. Clear checkouts will be given at the Johannesburg Organization.

PHYL STEVENS, Clear No. 106, has been appointed Continental Clear Checker for A.N.Z.O. Clear checkouts will be given at the Auckland, New Zealand, Organization.

This means that one enrols on the Solo Audit Course then the Clearing Course at Saint Hill and after he or she is doing well as a Clearing Course student may return to his own area to complete the Clearing Course and be checked out Clear in his own Continental Area.

Saint Hill remains the central location for Clear checkouts for those persons who may prefer to be checked out at the Worldwide Headquarters of Scientology. Saint Hill is the only place where the Solo Audit Course and Clearing Course are available for enrolment and training.

CLEARING COURSE SUCCESS

What it means to be Clear

by John O. McCoy, HSS, Class VI, Clear No. 11

As I sat doing my next to last session on the Clearing Course, I wrote on my auditor's report that I could not believe fully that I would ever really be Clear. The magnitude of the promised state of being was too great for me to fully appreciate that I could reach it. Yet, a few hours later, the next day, I suddenly realized that I had made it.

What does it mean to be Clear? It means many things, some of which I am only gradually becoming aware of. One of the most obvious and important, to me, is the complete absence of restimulation. In the past I always recoiled from being around others when they were emotionally upset, especially when it was directed toward me. When I was confronted with someone who was angry or upset, I would get a knot in my stomach and a great flow of adrenalin, making me feel nervous and shaky. This is not an abnormal response. Most people react similarly in arguments or situations which upset them. Today, as a Clear, I can say, without doubt, that I will never have such sensations and reactions again. I can and have yawned lazily in the face of screaming psychosis . . . and handled it in a serene and adequate fashion.

It is not possible to make a Clear feel fear, anger, grief, or any other low toned emotions. I don't think I can even be bored. I can feel these things, but purely at my own choice and decision and I can stop them at any time I desire. Most of the time there is serenity and peacefulness. There are other occasions of joyous rapport with others, especially other Clears or those who are very close to it. With a Clear you feel you are being fully duplicated . . . understood.

There is truly no more reactive mind left. It is vanished, gone, erased . . . forever. There is no pressure of mass, no sadness, no fury, no anger. Just calm certainty of your state of being and your ability to be cause over your life and environment remains. You are free to pursue your own goals and to set them without interference from the reactive mind. You are fully you; far more so than any release state possible, as wonderful as they are. This is the moment of release, only better, more powerful, and prolonged permanently. Poetry or music try to touch the fabric of the state of Clear, but they only remind you of it.

I look around me and see humanity chained to the wheel of its own foolishness and wrong actions, and know that there is a way out of the morass of confusion and contradiction in which our world finds itself. I have made it. I stand outside and look in, free at last from the binding ropes and blindfold of the reactive mind.

What does it mean to be Clear? It is difficult to really tell you, except that it is everything Ron has said it would be and I can think of nothing else that would even begin to compare with attaining this state of existence. We owe Ron a great debt for making it possible.

If I have a message to give, it is to spare no effort, and waste no time getting on the Road to Clear and getting others on it. Don't let your reactive mind stop you or hold you back. Its days are numbered and already you can begin to stop paying so much attention to it. It's easy to be Clear. Won't you start making plans to get underway? We have a WORLD to Clear. Please hurry.

ORGANIZATION NEWS

DURBAN SUCCESS

DURBAN reports its daytime stand at the Daily News Ideal Home Exhibition in Durban, South Africa, held 18—23 July, was highly successful. The stand was beautifully situated, with posters arranged in a sequence that made for smooth and effective dissemination. Many people reached, showing keen interest. The words "Total Freedom" had terrific pull, especially for children and young people. Auditor 14 (announcing the first Clear, John McMaster) drew many enquiries from the attendees. The Routing and Gradation Chart attracted the enquiring and intellectual types and a good number were interested in the word Scientology.

Two weeks later, Durban held an Open Evening at the City Hall, with the first Clear, JOHN McMASTER, as the lecturer. Over 400 people turned out to hear John McMaster.

The Distribution Secretary reports that "John was wonderful—he gave us so much of himself, there was nary a murmur of restless movement anywhere and he spoke for 90 minutes. Durban is well known for its 'conservatism' —artists have to really be good to be applauded by Durban and it was wonderful to feel the theta flow. Even the fireman on duty signed up for an HAS course."

JOHANNESBURG

JOHANNESBURG'S Clear Congress was held 25-26 June and the Distribution Secretary reports it as the best Congress held in Johannesburg since Ron was there. Three excellent mailings were sent out at two-week intervals a month before the Congress and a newspaper advertisement ran for two weeks. Expert high fidelity equipment was bought according to Ron's specifications and every delegate was relaxed, hearing every one of Ron's words clearly, even at the back of the hall. Many people signed up for processing and training and valuable experience was gained by all the staff for future Congresses.

PERTH WEDDING

The first Scientology wedding ceremony for Western Australia was held at the Perth Org recently when KATHY MANEA wed JONATHAN GELLIE, HPA, Perth Organization Secretary. IAN TAMPION conducted the service in the chapel. A reception was held at FRANK WYANT'S home in Bayswater. Another Scientology wedding is planned in April 1967 for LYNETTE MARENKO, HCA, daughter of LENKA MARENKO, HCO Exec Sec Perth, and LEON LECONS. After the wedding the couple plan to come to Saint Hill for the Briefing Course.

Western Australia's first Scientology wedding ceremony was held for Kathy Manea and Jonathan Gellie, HPA, shown here shortly after the ceremony held in the Perth chapel. Ian Tampion conducted the service.

Perth reports a lot of activity among younger Scientologists. New Grade IV Releases are ANTHONY BORTHWICK, 11 years old, JANET LENNIE, 10 years old. Attaining Grade III are JANE BORTHWICK, 8 years old, and PETER STEWART, 12 years old. RACHEL LENNIE, 6 years old, attained her Grade II and PETER GIBSON, 14 years old, and DAVID LENNIE, 8 years old, have attained Grade I Release.

New staff members at Perth from Melbourne have been warmly welcomed: BERNIE PESCO, Foundation Director of Training; JUDY PESCO, LRH Communicator Perth; RUTH LENNIE, Director of Review and PETER GRAHAM, Class VII, back from Saint Hill, Technical Secretary, Perth.

PERTH'S EXPANSION CONGRESS in October drew about 100 people and provided a big upsurge in the number of Scientologists who now have definite plans for the Saint Hill Special Briefing Course and Clearing Course.

SEATTLE CONGRESS

SEATTLE ORG held its first and very successful Congress recently. The host and hostess of the Congress were KURT CHARLES, Org Exec Sec Seattle and DOROTHY BROADED, HCO Exec Sec Seattle. They had invited as special guests JULIA and KEN SALMEN, Continental HCO Exec Sec Western U.S. and Continental Org Exec Sec Western U.S. and DENNY FIELDS, LRH Communicator Western U.S. Kurt, Ken and Julia gave some very interesting lectures in addition to the superb tape lectures which Ron had made for this Congress.

The Seattle staff really proved themselves by an overall increase in their statistics which they have maintained after this two-day Congress.

Following the Seattle Congress, Julia and Ken Salmen were invited to the very successful Franchise Centre run by ELSIE GRIFFITHS in Vancouver, British Columbia. Some forty people responded within 24 hours to an invitation by Elsie to hear Ken and Julia Salmen lecture.

Since then Julia and Ken Salmen and Elsie Griffiths have all been checked out as Clear at Saint Hill. Julia and Ken Salmen have in addition to their present posts been appointed as Continental Clear Checkers for Western U.S.

NEWS FLASHES FROM OTHER ORGS:

MIAMI—ELIZ WILLIAMS, HCO Exec Sec Miami, has arrived at Saint Hill to begin the Clearing Course.

NEW YORK—EUNICE FORD, HCO Exec Sec New York, has just checked out at Saint Hill as Clear 128.

POWER PROCESSING AT SAINT HILL

ACHIEVES FOR YOU THE FABULOUS STATE OF POWER RELEASE

WHAT IS POWER PROCESSING?

Power Processing is a precise set of Scientology processing techniques developed by L. Ron Hubbard—and is the most remarkable method known for releasing Man permanently from those factors which inhibit his power as an individual.

The state of Power Process Release is both an end result in itself and an immense step forward on the Road to Clear.

HOW VALUABLE IS POWER PROCESSING?

It is as valuable as *you* are because it releases your here-to-fore submerged and obscured powers. The ordinary person can seldom handle power. He often misdirects it, retreats from it, or abuses it.

To be able to have and to handle one's own inherent powers is an ability of the Power Process Release—and *that* ability is invaluable.

WHAT DOES POWER PROCESSING DO?

It releases an individual from the major and deep rooted problems which he has carried forward from past situations into the present. Every person has such problems and wants to be released from them. It vastly increases awareness, intelligence and ability.

It enables an individual to "know himself" and his true capabilities.

HOW EASY IS IT TO DO POWER PROCESSING?

Very easy. It requires no training or special skill on the part of the preclear and is no effort under the smooth guidance of the most highly trained auditors in the world. All Power Processing and all Power Processing auditors are under the direction of Clears at Saint Hill.

HOW COSTLY IS POWER PROCESSING?

Power Processing is *not* costly, in terms of its worth to the individual. Though the fees are higher than for any other type of Scientology processing, its value is immeasurable in monetary terms. Make up your mind to have it and the cost of this remarkable Grade of Release becomes secondary. The actual processing fees are listed in the Advanced Registration Packet.

WHERE DO YOU GET POWER PROCESSING?

In the Hubbard Guidance Centre at Saint Hill Manor, East Grinstead, Sussex, England—under a highly skilled auditor. People come from all over the world to get Power Processing here. There is no waiting list.

HOW DO YOU GET POWER PROCESSING?

Set a starting date.

Send that date with your name and address to Saint Hill.

You will receive an attractive Registration Packet giving you a discount and your instructions on what to do next.

THERE IS NO WAITING LIST FOR POWER PROCESSING AT SAINT HILL DUE TO THE NEWLY STEPPED UP EFFICIENCY OF THE SAINT HILL TECHNICAL AND QUALIFICATIONS DIVISIONS.

POWER PROCESSING SUCCESSES

"My case gains are terrific and I am steadily gaining more and more, mostly through my regained ability to observe. Studying became a joyous experience for me. While reading bulletins or listening to tapes I keep cogniting on points which I missed, misunderstood or plainly didn't see before."

LUCY MIELCZAREK, CLEAR NO. 118
UNIT B SUPERVISOR, SHSBC

"It is truly 'powerful processing'. I can scan my lifetime with ease now and look back at how I was cause of misery and unhappiness to others as well as to myself. I can remember my life freely because there is no occlusion to my viewing it. I'm much more analytically aware, more 'here' and less 'elsewhere' and my eyesight has improved wonderfully."

DONALD DAHLIN
SHSBC STUDENT

"Life feels better and I am very much more aware of what is going on around the place generally. I can sum up a situation and act quickly on it. I feel the urge to do so much more, and feel energetic. I feel far calmer about daily upsets. I don't have accidents, and I used to have them a lot."

KEVIN KEMBER: CLEAR NO. 122
INTERNE, SAINT HILL

"It was unbelievable that a few short hours could help me achieve so much. I feel happier and more 'me' than ever before, but much more than that I have regained a most joyous delight in just being with people. This is a wonderful experience which is too exhilarating a feeling to reduce satisfactorily into words."

CLAIRE LOUWRENS: CLEAR NO. 74
CAPE TOWN, SOUTH AFRICA

"About a day after having been released on Power Processes I noticed things looking different to me. Yes, I have it, SAFER. It was like just being born. 'Everyday happenings' were a new adventure to me. Walking for the first time in a crowd, going into different houses, listening to music. It was like getting used to living for the first time. I found myself more relaxed and able to handle new situations more easily."

LEON STEINBERG, HCO EXEC SEC WW
CLEAR NO. 10

"After Power Processing I feel calmer, more relaxed with people—I really like people. I am more purposeful and don't make as many errors. I can spot the source of any confusions far easier and so blow them and I don't get confused so frequently as I can duplicate better."

DON RYBURN
SHSBC STUDENT

"I became more aware of my environment and felt free. I felt as though I was not all 'stuffed up'. I could do things better."

DAVID HANCOCK
SHSBC STUDENT

"I found VA something I'd been looking for for a long time. It gave me *certainty*. It was exciting and exhilarating, and I'll never cease to savour the enjoyment I experienced at that time. It so consolidated my gains on Grade V, that I could only go forward afterwards —never slip back. I shall never regret doing VA. I wish I could convey to all just how much more that extra little step means."

"I know, any of you who are nervous about going on the SHSBC, the supervisors, D of T and even the 'big nobs' like the Tech Sec are so *interested* and handle your difficulties so kindly and capably that even in your darkest moments you know you are going to get through and make it."

JOYCE TIDY, HSS, AUSTRALIA.

"I know where I'm going, and have already regained enough ability to achieve whatever I set out to do successfully."

(Footnote: Walter is now Clear No. 27 and has recently set up a Franchise Centre in Hamburg, Germany.)

WALTER STILLE, GERMANY.

"In 1961 I took the Special Briefing Course. On that course I learned what was expected from an auditor, technically. I have never allowed myself to stray from it. Since that time I make sure when new data comes out, that I know it. I go over it for all words I don't know—I check myself out just as I would have to be checked here at Saint Hill, if I were a course student. This helps keep Tech in.

Ron has given us the tools to use and only we can let them slip away by not adhering to policy, codes and the Rules on Study.

I'd like to thank all who helped me attain my goals here at Saint Hill, and especially Ron for making this data available.

PAMELA KEMP, CALIFORNIA.
(Now Clear No. 110)

"On the Briefing Course I learned about the communication cycle—how to handle another being, a reality of what Division Zero through Six consist of. I gained the ability to do those things and I learned how to study."

HASKELL CANKE, HSS, CLASS VI.
(Now Clear No. 37)

"The Briefing Course was a terrific experience—it was the most rewarding six months I've ever spent, the instructors and my fellow students were of the greatest help and the atmosphere at St. Hill was extremely nice. To anyone who is thinking of doing it I'd say: 'Go ahead, don't hesitate for a moment'. I got a lot of gains from it and it has helped me tremendously on the Clearing Course."

WALLY HANDELAND: USA
SOLO AUDIT COURSE

"It's *great*! Dianetic processing is the most fantastic technique believable!"

LORI WOOD: USA
SHSBC STUDENT

"Every time my pc has a gain I have one too. And the most important attribute of Dianetic Auditing is one's rising appreciation of the mind and its structure, effects, control and mass. As a student, it is a great help to me to know how and why Scientology was created on Dianetics as its foundation."

JOHN DALHOFF
SHSBC STUDENT

"I'm certain that the Course has improved my basic auditing tremendously. Especially it has given me much more reality on the importance of the Comm Cycle, and more ability in getting it in. Further, the auditing of engrams and secondaries on another has improved my practical understanding of the composition of the mind. So I am 100% in favour of Dianetic Auditing as a means of training auditors."

MOLLIE SPRIGG: SOUTH AFRICA
SHSBC STUDENT

"I have had some great cognitions. It has been great fun."

FRED WOLHUTER: SOUTH AFRICA

"The Course has been quite fabulous for me in learning about auditing. I am looking forward with confidence to auditing pcs on the Grades. The Dianetic Auditing Course is a 'must' for anyone training to be an auditor."

REX ARAVE: USA

NEWS FROM AROUND THE WORLD

UNITED KINGDOM

LOUGHBOROUGH ON THE MOVE

THE LOUGHBOROUGH SCIENTOLOGY CENTRE in Leicestershire is rightfully proud of its history and successes to date. The Centre started in 1959 as the Loughborough Scientology Co-Audit Centre before changing to its present name. In 1963 it moved to larger premises owned by DES POPHAM. From this Centre, two more emerged: JOAN and PETER DAVIS branched out into the famous Quorn Hunt Village and opened up the Charnwood Forest Scientology Centre. MURIAL CORNES who was active at the centre then graduated HPA and opened up the very successful Derbyshire Scientology Centre at Burton-upon-Trent, 20 miles away in Staffordshire.

Lately something of an exodus has taken place from Loughborough and Quorn to Saint Hill. First was CLIVE WHITTAKER, then OLIVE GERRARD, on Saint Hill staff, then BRIAN DAY, on Saint Hill staff, and his wife, DOREEN, who works on the Foundation, and their two sons, MIKE and CHRIS. Des Popham and his wife both work on the Saint Hill Foundation. From Quorn, Peter and Joan Davis, Clear No. 67, are both on Saint Hill staff. Meanwhile, back at Loughborough, the show goes on under the direction of RAY HAYES.

RAY SAUNDERS, long time Scientologist from SCIENTOLOGY BRISTOL is now on the Saint Hill Special Briefing Course.

PETER GOODWIN, Clear No. 52, recently spent some time in Jersey, C.I. to revive Scientology activity there. Now back with his Centre in Portsmouth and as Leading Field Auditor for the South of England, he is very interested in getting Scientology Groups going in his area. DAVID GAIMAN, Clear No. 51, and currently on Saint Hill Foundation staff, will be returning to Portsmouth soon to join Peter. Some of those sent to Saint Hill by Peter Goodwin include HILARY FROST, TED LINE and ALLAN PATTERSON.

PETER and DORAN GREENE, have reluctantly given up their Franchise in London to return to the U.S. where they are starting a new Scientology Centre in Phoenix, Arizona.

MURIEL CORNES, with ERIC CORNES and LIONEL HOWE, runs the DERBYSHIRE SCIENTOLOGY CENTRE and also a Group at Solihull. Muriel has just returned from a visit to Holland where she audited NITE HAAGENSEN who will be coming to Saint Hill for Power Processing soon. Another pc, OLE HAAGENSEN, has already been to Saint Hill for his Power. One of her students, DAVID OSMAN, recently completed his HAS Course and Muriel will be at Saint Hill soon for Power Processing.

PETER A. DAVIES has recently returned to Swansea after Power Processing at Saint Hill. Peter has a Franchise Centre in Swansea which is expanding nicely, and is a successful Field Staff Member, selecting people to London and Saint Hill for auditing and training.

DARRELL SYKES is busy building up a group in London.

ALLEN and VIRGINIA KAPULER, who recently graduated from the Saint Hill Special Briefing Course, have started a Franchise activity in London. They also have a very successful Franchise Centre in Las Vegas, Nevada.

EUROPE

WALTER STILLE, Class VII auditor and Clear No. 27, recently returned to Hamburg, Germany, after completing the Internship at Saint Hill. His assignment is to put Scientology on the map in Germany and he is currently working on several pilot projects for Franchise in this area.

At Saint Hill from Greece are NINA KAKLAMANOS and DEMETRI CHRONIS.

DEON SATTERFIELD, Clear No. 115, is at Saint Hill from the DANSK SCIENTOLOGY CENTRE, Denmark, ERIK GYLDENKRONE has recently graduated from the Special Briefing Course and returned to the Dansk Centre. Other staff members are JOHANNES BERGGREEN, GØTE MATHIESEN, ALICE WULFF, PETER JØRCK, KAJ PETERSEN, MOGENS WULFF, KNUD JØRCK. Students and preclears sent to Saint Hill include NIELS JOHANESSEN, VIBEKE LUND, NETE GINGE NIELSEN, CARL AXEL WINBLAD, KNUD JØRCK, JOHANNES BASTRUP, GEORG BERGGREEN, RUTH JUSTESSEN, NINA RASSMUSSEN, SVEN INGSTRUP and ERIK SILFWANDER.

AMERICAS

At the Arizona State Prison one of the prisoners, WILLIAM BENITEZ, has set up Narconon, in which he is applying Scientology to help his fellow prisoners break the habit of dope addiction. Benitez is training these men to both break their own addiction and to help others to do the same. One of the inmates has stated:

"I know and feel I can communicate with things, that I have a much greater affinity and that I am aware of reality. Life has altogether a new meaning for me. I no longer feel without individuality."

Benitez is hoping to have the program sanctioned as an official rehabilitation program of the prison. Another prison inmate in the Narconon program writes:

"Whenever I confronted other persons I always felt I had to mock up different facial expressions in order to feel more secure and comfortable, but through Narconon meetings I've become more able, knowing that just 'being there' is enough."

Benitez himself has a 19-year history of dope addiction but is now Chairman of the Narconon group. He has studied many practices in an attempt to find a way to end his addiction but found Scientology the one that worked. Benitez is now a Field Staff Member of the Los Angeles Org and plans to go there on his release from prison. Narconon's goal is non-addiction and a method of relief for not only Narconon's 20 members but for all addicts, wherever they may be.

If you have any information of other groups applying Scientology in any sphere please forward the data to the Director of Success, Saint Hill.

JOHN IMBURGIA, Clear No. 2, and PETER IMBURGIA, Clear No. 63, left their long-standing Scientology Centre in Buffalo about two months ago. They handed the Centre over to RAY CHEEK who has moved it into the heart of Buffalo, where it is expanding nicely.

MARGE and LARRY WINARD are planning to come to Saint Hill and have turned over their SCIENTOLOGY CENTRE-CHICAGO to MAURICE LERUD. BOB TAYLOR also remains at the Centre. GEORGE KECK and ELLEN KECK and DICK STEHLER are now at Saint Hill from the Centre.

SCIENTOLOGY AUSTIN, Texas, is being run by EILLEEN ELLIOT while JOHN and GARETH McCOY (Clears No. 11 and 21) are at Saint Hill on staff. From the Austin Centre, KATHY NAVARRO has gone to Los Angeles for further training. Her husband LOUIS NAVARRO is joining her later and both will be coming to Saint Hill. JERRY ALEXANDER and NICK GOLIAS are now at Saint Hill for the Special Briefing Course. THOM and MICHELLE PAGE are getting further training in Los Angeles in preparation for Saint Hill. New additions to the Austin staff are BARBARA and FRANK FOWLER who had been running a group in Montana while Frank was stationed there in the Air Force. BUD SMOTHERS, from Austin, is now on staff in Washington, D.C. as HCO Area Sec. RICHARD WRIGLEY is on staff and training at Saint Hill after which he will be going to Austin.

One of the most active groups is the SCIENTOLOGY CENTRE OF TUSTIN, California, run by RAYMOND and PAMELA KEMP. Raymond recently checked out as Clear No. 86 and Pamela as Clear No. 110. Chester recently returned home to a great and well deserved reception. Former pc's of Betty Halliday, LEILA and PAT FLANAGAN, checked out from the Clearing Course after only 2½ weeks of auditing as Clears No. 83 and 84. Two other pc's of Betty Halliday, ROSEMARY SWEARINGEN and her brother, DAVID ALTGELT, are both at Saint Hill on the Clearing Course and BOBBIE WILSON is on the Special Briefing Course.

ELSIE GRIFFITHS, in Vancouver, British Columbia, Canada, a Saint Hill Special Briefing Course graduate who recently checked out Clear, runs one of the most successful Franchise Centres in the world. The Scientology Centre Vancouver has an income of over $1,000 a week. She attributes her success to delivering the technology of Scientology exactly as it is laid down. This applies not only to auditing but to teaching courses and dissemination. For dissemination hand-outs or mailing pieces she uses only material provided by Saint Hill or extracts from Ron's books without any alteration. There are many people from her Centre at Saint Hill for Power Processing, Briefing Course and Clearing Course. They include RANDLE KNIGHT, on Saint Hill staff, GRAHAM LEESE and HERB PETER both on the Special Briefing Course. Helping her at the Centre are IAN DICKIE, ADEL PITCHKO, DOROTHY CALVER and ART WEBB.

Among graduates from Elsie's Beginning Scientologist Course are: LORNA ALEXANDER, DORLEAN SMITH, CATHY SMITH, HERB PETER, MARIE SMITH, ROBBIN SCHUSTER, HEINZ SCHUSTER, FRANK GLYNN, DEAN RANDLE, LOTTI KIRMSE. Graduates from the Hubbard Apprentice Scientologist Course are: TRUDY KNIGHT, HEIDI SIGURDSON, ELMER BROUN, ADA WOODHURST, RIO MILTON and RANDLE KNIGHT.

SCIENTOLOGY BERKELY has re-opened at 2495 Shattuck Avenue and is doing well. Activities at the Centre include live and taped lectures, Beginning Scientologist Course, HAS and HQS courses and lower Grade auditing.

Regular meetings are also being held by The Auditors Group in the Bay Area of San Francisco. The group is dedicated to discussion, dissemination, and introduction of new people to Scientology. At present the group is meeting in members' homes, but is planning a permanent meeting place.

GEORGE MADDEN from Chicago, sent to Washington, D.C. by WING ANGELL, was rehabbed as a Dianetic Release by DAVID ALDRICH, D.C. Review Auditor, and is the first in D.C.

BRUCE BISHOP, HSS, in Los Gatos, California, has been busy with a heavy schedule of communication courses in the form of full weekend workshops/seminars both in the Santa Cruz mountains of Northern California and in Southern California. He also excited much interest in Scientology at a recent INTERCHANGE in which he addressed a large and varied gathering of representatives from numerous groups in the greater Northern California area, groups whose concern is with the freedom of being, spiritual growth and better understanding. In addition, Bruce is finishing up his college degrees and auditing steadily on the Clearing Course.

A.N.Z.O.

PETER GILLHAM who ran one of the most successful Scientology Centres in the world in Australia is now at Saint Hill for the Clearing Course.

MARIE PASSMORE and MAY MYERS will be coming to Saint Hill from Victoria, Australia, for the Special Briefing Course in December.
