What Scientology is Doing

© 1955 by LRH

by L. Ron Hubbard

We need a better social order and not one or two better individuals.

The control and direction of Man depends upon the goodwill and the good state of Man. It does not depend upon iron bars and handcuffs. It doesn't depend upon cells or electric shock machines.

A society is as sick as it has sick people in it. The way to make it well, however, is not necessarily to work only upon the sick and make them well. If the members of that society were sufficiently well and able themselves they would never apprehend the slightest difficulty in pulling out of the mud any fallen fellow.

Pulling people up and back into the ranks is not a function of an organization. It is a function and responsiblity of Man himself. Pulling people back up into health and good fellowship and the game is not dependent upon a group of specialists. It's dependent on Man. And when helping one's fellows becomes a specialized action to be performed only by the anointed, to be performed only by somebody who wears the right star, badge or sign, Man's dead! Because the best of Man comes into being when he is willing to aid and assist any of his fellows and is permitted to do so. When men are made to feel that they do not have the right to aid and assist their fellows, but that Joe or Bill or somebody down the street is the only one who should be permitted to wave a magic wand or rattle a magic healing crystal, somebody better look at the society real good because it's not a well society.

Now it does not immediately presuppose that because a person has a RIGHT to heal that he is ABLE to heal. That doesn't immediately follow. But today we are at a level of understanding in Scientology sufficiently good that almost any human being alive could be put into possession of enough of that data to make anyone around him better — including himself.

And that is the goal toward which we are trying to win.

History Making Scientology Event to Guarantee Religious Freedom

On the 7th of October of this year delegates representing Scientologists from all over the planet went to Saint Hill in England to discuss ways to guarantee the future expansion of Scientology.

At this convention a Pledge to Mankind was written which affirmed the dedication of Scientologists around the world as a group to a common goal of "A civilization without insanity, without criminals and without war, where the able can prosper and honest beings can have rights and where man is free to rise to greater heights."

Out of this historic meeting an International Association was created for all Scientologists with the purpose to unite, advance, support and protect Scientology and Scientologists in all parts of the world so as to achieve the aims and purposes of Scientology.

The International Association of Scientologists is formed to:

Gather and unite all Scientologists on this planet and create a worldwide, strong true group through the contribution and participation of all Scientologists.

Support and further the dissemination and expansion of Scientology throughout the world to bring about a Cleared Planet in short order.

Ensure that, without question, Scientology will be delivered despite any effort to slow Scientology delivery or dissemination in any nation or continent around the world! It will guarantee that The Bridge™ to Total Freedom will be open to you, as a member, forever as well as to your family and friends.

The Association will support actions to tackle the oppression of Scientology and Scientologists directly by the dismantling of groups and organizations dedicated to the harming, oppression or control of Mankind and will directly support and assist all groups of whatever race, creed or color that are forwarding freedom for all mankind.

To assure the unimpeded expansion and delivery of Scientology, the Association will not take any action which would subject it to the power of any nation at a time when that nation would tolerate, aide or engage in the harassment or oppression of any religion and individual freedom! It will take all appropriate actions to assure that all members of the Association may continue to practice and disseminate freely and continuously.

You Can Join Now

You can join in the achievement of the Goals and Purposes of the Association, for it is your active involvement and contribution that the Association as a group, will be able to change conditions on this planet and reverse the downward spiral! See the Assocation Membership Officer at your local Church who will provide an application form and assist you in becoming a member of the International Association of Scientologists.

The PLEDGE to MANKIND

As signed by the delegates to the October 7th convention at Saint Hill.

Time and again, throughout the troubled history of civilization on this planet, new ideas, new religions and constructive thought have met with violent opposition. Such attacks come from those who would preserve the status quo and particularly from those who seek to preserve and enhance their position through the domination, subjugation and even destruction of others. For this reason new religions have been born in blood at the cost of great sacrifice and suffering by adherents. It is only through a unity of purpose and unswerving commitment by a dedicated group that new ideas and new religions survive and expand.

Scientology has been in existence now for some thirty-four years. During that time it has suffered all manner of attacks from the forces of oppression in various countries. Yet Scientology has survived and expanded because of the dedication of its members and because it is a force for goodness and freedom which is easily recognized by men of goodwill; despite the vicious lies which are spawned by those who would enslave mankind and which are carried by the media.

Scientology is experiencing the greatest expansion and prosperity in its history. International in scope, Scientology each week frees more people from the debilitating effects of drugs, ignorance and other sources of aberration and moves them on the path to greater awareness, self-respect and dignity than all other groups combined.

Yet as we have learned in our thirty-four years, whenever we expand, we are attacked, commensurate with that expansion. And today is no exception.

In the United States, which was once thought to be a haven of religious liberty, we are the targets of unprincipled attacks in the court system by those who would line their pockets from our hard won coffers. Bigots in all branches of government, fearing the success of Scientology, are bent on our destruction through taxation and repressive legislation.

We have been subjected to illegal heresy trials in two countries before prejudiced and malinformed judges who are not qualified or inclined to perceive the truth.

In Canada and Germany, our Churches have been subjected to vicious raids reminiscent of the historical genocide attacks on religions that took place in "less informed" times and societies.

The news media chooses to ignore the good works and miraculous successes of Scientology and instead seeks to poison public opinion through vilification of the religion and its Founder.

The detractors of Scientology know full well that it is a proven, effective and workable system for freeing mankind from spiritual bondage. That is why they attack. They fear that they will somehow be threatened by a society which is more ethical, productive and humane through the influence of Scientology and Scientologists. Thus when we expand, to that degree we are attacked.

Up to this day, the responsibility for defending Scientology has been on the shoulders of a desperate few. And so it will continue in large measure.

Yet, in order to continue the quest for a new civilization where honest men have rights and freedoms abound, the assistance and dedication of each and every Scientologist and other men of goodwill is essential. The road may be difficult and may get worse due to the rapid decline of civilization and erosion of personal liberties at this time. But united in purpose and dedication, we shall prevail for the benefit of all mankind.

We, the undersigned, pledge ourselves, without reservation or any thought of personal comfort or safety, to achieving the aims of Scientology: "A civilization without insanity, without war, where the able can prosper and honest beings can have rights, and where Man is free to rise to greater heights."[© 1965 by LRH]

We invite Scientologists and other well-intentioned people everywhere to join us in this pledge.

You Can Really Help Clear the Planet and Bring Total Freedom – Be an Auditor!

"If this world has any faintest chance of surviving it will not be because I write, but because auditors can and will think and do."
– L. Ron Hubbard, from 'What I think of Auditors."

Something effective *can* be done to help people!

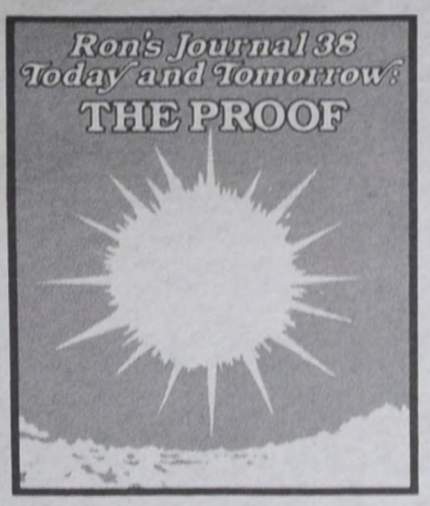

Auditors, people trained to apply Dianetics and Scientology tech, have, since the first release of Dianetics tech, been working to bring about the goal of a bettered world.

As an auditor, with an understanding of the mind and a knowledge of how life can be helped, you can create *sanity* in areas you influence. Ron has worked for years to make learning the skills of auditing others at a high level of excellence achievable for students. The result – the *training* side of the Grade Chart – is your step-by-step journey to greater understanding, ability and effectiveness in life.

Lend a more effective hand in reversing the downward spiral mankind is on – after all, the fate of the planet is *your* fate as well – take your next step in Scientology and Dianetics training. Auditor training is available at every Church of Scientology in the world. Contact the Registrar at the Church nearest you (addresses are on the back of this issue). The Registrar will tell you what you should do next to become an auditor, and has information on scholarships for training courses.

"I am always happy to receive communication from you as to how you are doing in Scientology and progressing on up the Bridge.

"I love your letters and I would miss them.

"I look on the SO #1* line as the only way I have of hearing from my friends. I am interested, man! Why else do you think I work so hard? YOU!

"A man is as rich as he has friends – and that makes me the richest man in the world.

"So don't get the idea you are not heard and are out of comm with me: It isn't true. You are heard. And appreciated."

THE "GRADE CHART" OF

BOOKS

FOR DIANETICS™ AND SCIENTOLOGY® MATERIALS

"A chronological study of the materials is necessary for the complete training of a truly top grade expert in these lines . . .

"These materials contain the full basics of the only game in the universe where everyone wins, the game of triumphant life itself."

L. RON HUBBARD

How to use this chart

1. SCIENTOLOGY 0. This is the basic introductory level of the material for these subjects. These need not be read in any specific order. A person may read any titles at this level in any sequence. It is recommended, however, that ALL of the titles be read in order to gain the full benefit of this level. From here, you will begin the next section.

2. SCIENTOLOGY 1-5. Begin at the left of the column marked "SCIENTOLOGY 1 & 2", and proceed to the right as indicated by the arrow. When you complete one column, begin at the left of the next one above it, until you have completed the entire chart.

3. You may begin the chart above "SCIENTOLOGY 0". While there is nothing wrong with this, the titles which are *below the* point where you have started should be read as quickly as possible, to ensure that you DO receive the full basics and are able to continue with no difficulties.

4. In your studies of Dianetics technology and Scientology philosophy, you may be required to read certain titles out of the sequence presented here. Read the materials required, and ensure that you complete your reading of the other titles as QUICKLY AS POSSIBLE to ensure that you obtain the FULL benefit of the subject.

5. From time to time, additional titles will be released. If these appear in a section that you have already completed, ensure that you read these additional titles as soon as possible.

6. Copies of the titles here can be obtained at your local Scientology church or mission, or, if unavailable, these can be gotten directly from one of the Publications Organizations listed to the right.

New Briefing Course student Bob Warner starts his Level A Checksheet.

Briefing Course Level B student Lynn Ferry looks up a word in the comprehensive Briefing Course "hard to find words" file.

"I've completed the Pro TR Course.

"This has probably been the most difficult course I've EVER done.

"It seemed that every outpoint that I've acquired since being in Scientology came up on this course and got handled, permanently! I can honestly say this basic course has handled all my problems and questions on communication.

"I feel as if I won't EVER have problems with comm again. What a win.

"Thanks Ron."

— David Hansen,
Professional TR Course

"Level One has been the greatest course I've done in Scientology so far. Going through the level was a great adventure and I find myself more stable as a being and more able to help. I've increased my abilities to help and so I feel so much expansion. Thank you very much to Ron for being so great and wise to have discovered this fantastic technology. My deepest appreciation to my supervisors and all who helped me."

— Luis Valdes,
Class One

"Well, I'm a Class IV. I've wanted to be a IV for eight years and finally made it. I feel I can get the product and am happy that I could change people's conditions with this powerful stuff.

"Thanks to Ron for figuring it out."

— Alba
Class IV

"I just completed Level 4! I really feel like I can HANDLE PCs and it's a nice feeling.

"Besides making an auditor out of me, the levels really make life simpler and more fun. These are definitely a vital part of the Bridge."

— Ralph Temps,
Class IV

"What a lovely win — to be attesting to my first level on the Briefing Course! Truly a dream come true!

"However, it doesn't come up to sitting in an auditor's chair and actually witnessing your pc making life changing gains right before your eyes — *that* is a thrill beyond measure.

"Thank you — Ron, Supervisors, staff, and twins for helping make this possible."

— Glo Shemorry,
Briefing Course Level A

"Checksheet B of Class VII has given me an understanding that transcends time. I know and will never not-know again many of the mechanics of the bank. I am proud to be an auditor and I can and do use the tech daily in order to WIN in LIFE!"

— Van Masters, Level B

"Well, this is a Hell of a Course. I've had so much case gain — I went from being a back-offish auditor on this level to someone who gets in there and cares enough to help the pc get through it. Also, I got some great auditing myself. Confessionals are great! I'm in more control of my life than ever before and am creating it more knowingly and in present time."

— Ron Reinig,
Briefing Course Level C

"Well, to listen to the last tape of the Saint Hill Special Briefing Course series was thrilling and saddening. One wants to go on forever, then the thrilling part is one will — this information is ours to apply for the benefit of beings everywhere, everywhen.

"I am honored to be Ron's friend and I am.

"I am honored to be part of the team, and I am.

"Thanks to Ron. Thanks to the ASHO team. I love and respect you all."

— Clark Carr,

Perhaps you know some person or persons who you'd like to help. By becoming an auditor you learn *how to help*, because auditing technology contains the truths of basic life itself as Ron uncovered them in his years of research. Every possible attention is paid to make sure you get through to graduation smoothly and swiftly — the course is that important to us all. As Ron says, "a lot of future depends on it." (from Policy Letter "Special Briefing Course").

Prerequisites: Student Hat™ Course, Professional TR Course, and (for those not yet Clear) Class IV.

"Being Clear . . .

. . .gives one the *potential* of being and makes the being rather easy, and fun."* – L. Ron Hubbard.

The reactive mind, the part of the mind that acts out of the person's control on a stimulus response basis, has kept mankind caged for eons and has prevented him from soaring to long-dreamed of states, greater abilities and understandings.

Now it is possible, though, to operate on full self-determinism without being dictated to by the reactive mind, as Ron has made it possible to go Clear by going up the Grade Chart in Scientology and Dianetics Auditing! A Clear is someone who has *handled* his reactive mind – for good!

Gain the priceless freedom to be fully yourself. Sign up for your next step on the Grade Chart to Clear. Write the ASHO Day Registrar today!

Donations for auditing up the Grade Chart to Clear at ASHO are included in the donations list with this issue.
