CLEARING IS TOTAL FREEDOM
by L. Ron Hubbard

L. Ron Hubbard receiving an acknowledgement for his contributions to mankind's quest of freedom which started with the book DIANETICS: The Modern Science of Mental Health.

The ultimate weapon is Total Freedom. With the first Clear graduated from the Saint Hill Clearing Course, Total Freedom is a reality. In all the eons, apparently only we made it.

It is incredible that only 16 years have passed since the first book by L. Ron Hubbard, "Dianetics™, The Modern Science of Mental Health" appeared in which Ron forecast the attainment of Clear and his capabilities. Those capabilities of a Clear were completely accurate, but they go much farther. A Clear, as we now know, is a far, far higher being than anyone ever hoped.

A big breakthrough was made last year when Ron aligned the Grades of Release. What, since the early days of Scientology, had been called a Clear was found in fact to be a Release. Clear lies above Release. Before, a Release was properly called a "keyed-out clear," which meant that the person was keyed-out from his bank. That is a Release. He still has a reactive mind but he's not in it. He is just released from it. A Clear has no reactive mind. He has totally erased it.

The reactive mind is now completely known territory. It contains false purposes that make people lose their own basic purpose. For all those years Releases were being made but so able is the state of Release that one believed it was a Clear.

It is hard for Man to grasp that these states exist. He has no literature about them really or any vocabulary for them. But they do exist and we have attained them today in Scientology.

The next step above Clear is O.T. (Operating Thetan). By "operating" is meant "able to act and handle things," and by "Thetan" is meant the spiritual being that is the basic self. "Theta" is Greek for thought or Life or the Spirit. An Operating Thetan then is one who can handle things without having to use a body or physical means. "Poltergeist" is a learned term for only one of the phenomena of this state. Basically one is oneself, can handle things and exist without physical support and assistance, being cause over matter, energy space and time.

Man's relentless search

When one realizes that Man has never before had anything approaching a workable technology concerning the state of Release, let alone Clear, one can get some idea of what an incredible achievement this is.

Man has been trying to prove that he can be a higher being for thousands of years. The giants of Greek philosophy such as Aristotle, Euclid, Socrates, Thales, Heraclitus, Parmenides, Democritus, Pythagoras, Plato, Anaxagoras, Lucretius, had as their goal the understanding of the spirit of Man and his relationship to the universe. They considered that they had failed and so they had. Without the higher mathematics and electronics they could not prove that Man was a spirit clothed in flesh. They could only speculate upon it. Scientology has proved their speculations but more than that, has developed the technology to attain states of being far beyond their or any man's wildest dreams.

It was not until Scientology that the accuracy of the speculations of such philosophers as Parmenides could be proven. Parmenides said that "Being must be immune from change and timeless — beyond distinction of past, present and future". In Scientology we know how close to the whole truth Parmenides came.

In the East, Buddhism strove to prove the same thing and even attempted to achieve something akin to the state of Release through lengthy spiritual and physical exercises. In Tibet, for instance, they sometimes made a Release after 20 years of careful exercises, but it was not stable. Gautama Siddhartha Buddha discovered that he was not just a body but a spirit clothed in flesh. He was unable, however, to show others how to realize this and achieve higher states of existence.

Why Scientology is different

While Scientology follows the traditional search of philosophy, what makes Scientology different is the tremendous breakthrough in developing a technology that can attain what Man has for so long sought. That is what is new in Scientology. We have accomplished practically those goals Man has long considered good and desirable in the field of philosophy, and more.

At the beginning of our written history on this planet there was only one trace of workable knowledge that had been handed down from prehistoric times. This was contained in the Vedic hymns. The Vedic peoples are directly responsible for the principle known in Scientology as the Cycle of Action. The invaluable observation that birth proceeded into growth, that growth proceeded into decay and finally concluded with death, provided Scientology with its Create-Survive-Destroy curve. This principle extended to us from a religion, and although the Vedic hymns are religious hymns the material in them contains all that is to be found in the works of Charles Darwin and even in the works used today by nuclear physicists.

The next single most important philosophic advance within our history was accomplished by Gautama Sakyamuni. This work was part of a religion known as the Dharma. The Dharma, existing some time before the advent of Gautama Siddartha Buddha, is a religion preached by individuals known as Buddhas. The Western world knows this as Buddhism and variously believes it to be a superstitious or idolatrous practice or believes that it was founded by a man named Buddha, none of which is true. A Buddha is simply one who has attained Bodhi. A Bodhi is "one who has attained an ideal state of intellectual and ethical perfection by purely physical means." There have been many Buddhas and there are expected to be many more.

Although the Dharma does not give and does not contain, as it is handed down to us, any real or workable methodology to accomplish the state of Bhodi, it cleaves very strongly to a scientific rationale which, coming to us from two and one-half millenia ago, is

WHAT IS SCIENTOLOGY REALLY?

Scientology means "the study of knowledge in its fullest sense."

It is the science of how to change conditions.

It is the only thing which can salvage you from *sickness* and *eventual death*.

It is the Road, the way, the bridge that leads Upward and Out.

And it is the ONLY science of improvement Man has that really works.

Scientology is valuable. As valuable as your life, your future and your happiness. And those are beyond price.

With Scientology alone you can change yourself, your environment and your future.

Nothing else can do that.

We are the *way*.

Open the door to your tomorrow with the only key available to Man that fits the real door — Scientology, your promise of a new world for everyone — and YOU.

...in view of the fact that it is more ...ative, more exact, more comprehensive and ...ore comprehensible than any and all psychological doctrine as known to us today.

The Dharma rose in an Asia enslaved by superstition, idolatry, cannibalism and slavery. But Gautama Buddha and his few followers spread their wisdom and teachings throughout India, China and Japan until two-thirds of the Earth's population had attained higher levels of wisdom. Spreading Westward, the Dharma came into the middle-East and there presented its message of "love thy neighbour", and general compassion for life. And the parables of Gautama Buddha were re-expressed with some differences and additions to spread Westward again as Christianity. And today, the entire Western civilisation lies under the spell, if at a lower intellectual level, of the teachings of the Dharma.

Scientology has the answers

But none of these various philosophies or religions have been able to supply answers to those searching questions of man, such as "Who am I?" "Where do I come from?" "What is death?" "Is there a Hereafter?" At different times different answers have been put forward, but these answers have varied through the ages and race to race and this variation alone is the stumbling block which brings disbelief into faiths. Old religions fade because people no longer find their answers to those questions real.

In Scientology we now have those answers and because for the first time in all the ages the answers we have are truth and not half-truths, or guesses or theories, we have accomplished all that we have set out to do in attaining these higher states of existence and proving conclusively that man is an immortal being, a spirit, and not the thing of mud and only mud that many would like us to believe.

Total Freedom now a reality

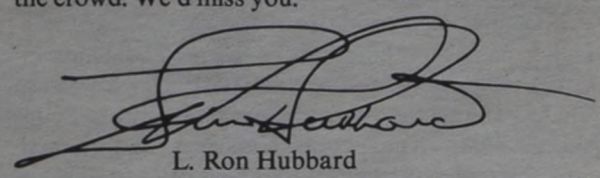

Nothing can now stop Scientology, for Total Freedom has no qualifications, it cannot be curtailed. It is the one hope that has flared in Man's heart that no tyrant has ever completely extinguished. And now it is a reality. The technology so hard won by L.Ron Hubbard has passed its ultimate test with flying colors. There is no comparable accomplishment in the history of this planet.

A new day has dawned for Mankind that is beyond his wildest dreams. A completely new era of history is about to be written loud against the stars. And you, the Scientologists, will be writing it.

The suppressives and warmongers, the tyrants and their gestapos, have had their day. The only thing they could do to a Clear or O.T. is make him laugh. There is nothing anybody can do to a totally free being. It is indeed fortunate that the totally free being is ethical and decent beyond their comprehension for his powers are unlimited.

It is too late by a long shot now for anybody or anything to stop Scientology. We have succeeded in finding the way to Total Freedom for Man. The stars are ours and this planet, thank God, will never be the same again.

So don't stand there watching. Hurry up and join the crowd. We'd miss you.

Focus on Success

Freedom from the barriers of the Reactive Mind

"I personally feel much calmer, more relaxed and surer of tomorrow than ever before in my life. A heavy burden has been lifted." — D.H.

"I really enjoyed the auditing. It helped me to remember times and to wipe out the pain in those memories. I wish everybody could try it and realize how good it is."
—F.V.

"I have a very happy outlook on life now. No more feeling sorry for myself or crying. Just looking for the happiness and nice things I can do for other people, and also to take better care of myself. I am very happy, very, very happy."
— M.B.

"This has been a 3-time miracle using auditing tech. One of my dearest friends had a condition where she 'could not have children' — there was no physical reason but after 3 years of trying to have a baby we finally spotted the mental block in (auditing) session, and that week she became pregnant. She called me up last week to announce that she is going to have her third child — I'd call that a miracle!"
— E.P.

Introductory Auditing
"I have become aware of my reactive mind and how it has made my life miserable and full of frustration, depression, anger and a total dislike and disrespect for myself.

"I am now able to realize when the reactive mind 'kicks in,' and am aware that it contains nothing but negative feeling and emotions. The reactive mind will no longer influence me as it had before." — W.R.

"When I came to the Church of Scientology I was depressed, down, and I didn't want to have any interest in doing something good for my life. Now I am getting *real happiness*. I have interest in nature, in people, in studying something. And I know in following the other steps in Scientology philosophy, I'll feel better and better!"
— T.A.

Purification Rundown
"My perceptions are increased, I'm thinking clearer. My memory is better, sharper. I have more energy. I'm feeling cleaner every day!" — D.P.

Scientology Drug Rundown
"It feels great to be free of the harmful effects of drugs and alcohol. I had no idea they were still affecting me so much. I feel more *in present time,* and have much more energy and power. Thank you!" — M.R.

Scientology Grade 0
"I have become more decisive, and I have blown away a lot of difficulties I had on communication. I have handled a number of areas dealing with communication which cut me off from a lot of life. It's day-to-day fun, just realizing what I can now do with this. It has literally opened up new vistas for me!" — J.L.

Freedom by being able to handle life

Academy Level 0
"I think I've been working toward this moment for my whole life — this is truly the beginning of my future, my purposes. The most wonderful course — I can't wait to do *more*. I can't imagine anyone's life *not* being radically and permanently boosted upward several orders of magnitude by doing this course and by making it go right to do as much training as possible...!" — J.L.

"Very good data! Pertains to the basics of not only auditing but of life itself. It has increased my certainty and knowledge concerning comm and my personal interaction with life. This course has added to and integrated my knowingness to better heights." — S.M.

Academy Level I
"Level I was totally fantastic. The data on problems and what causes them is incredible and having the tech is almost like getting the level. Thanks Ron!" — M.E.

"More great useable data! I have a much greater understanding of problems and I have blown a lot of my own confusion about people I know and how they handle their lives, not to mention gained insights into my own 'problems'. I can be more understanding now and I can help." — C.M.

"I really feel great after the theory on this level. My confront is higher than ever before and I have a feeling of greater ability to control an auditing session. I really see the importance of doing the Levels to be hatted for living regardless of whether or not you're going to professionally audit — I can see the change it's made in my life!"
— R.P.

Academy Level II
"Wow! What can I say? This data on Level II is so very important. I have learned so much. I only wish I could have learned it sooner. I'm finding that the data in these Levels is so very vital to day-to-day survival. With it I'll live a much happier and more productive life and be able to help others do the same. Thank you, Ron." — J.R.

Academy Level III
"A great Level!!! Beyond a shadow of a doubt —only Scientology technology, standardly applied, can get the individual released to freedom from the charge and upsets. A sheer *must* for *any* being to get to know this tech. It's sheer magic in front of your very eyes." — G.R.

Academy Level IV
"This course has changed my life. That is not, by any means an overstatement. My cause level in every area of life has increased markedly as has my understanding of life. Every step of the Grade Chart is vital, but the Levels, especially Level IV, are in my book the most stabilizing steps a being can take." —K.A.

The Saint Hill Special Briefing Course
"There is a wondrous thing that occurs as you travel along with LRH through this adventure called the Saint Hill Special Briefing Course. At first it's like escaping from the world to a sanctuary where you can reorient yourself, grabbing hold of THE data that helps to stabilize you as a being. And along the way you become more and more yourself and your purposes are forwarded! You become more and more able to — and do — help others — *really help* and all the time you are helped. It's like Ron reaches out his big hand and says, "Come up. The view is better from here." And it is! And all of sudden — but actually on a very nice and havable gradient — you can have the world again, but this time you have the necessary understandings of life and livingness to know that it is yours. The BC makes one more alive and more able to really live life. It's vital to the attainment of real freedom. I love it!" — R.R.

total freedom

CLEARING IS TOTAL FREEDOM AND BEYOND CLEARING LIE THE UPPER LEVELS OF OPERATING THETAN.

The route to total freedom is clearly mapped out. You just have to start walking that road.

It begins with processing through the Grades of Release to Grade IV, Ability Release. This is followed by New Era Dianetics Auditing, where many go Clear. These Grades of Release are delivered by an auditor. Beyond Clear is the *Sunshine Rundown*® auditing to enhance the State of Clear, and from there one begins preparation for the Operating Thetan Levels.

To make it on the Operating Thetan Levels, you will need to be a Solo Auditor. Provisions have been made for the untrained Scientologist™ to enroll on the Solo Auditor Course at his local Church of Scientology so that he can easily continue on up *THE BRIDGE® to Total Freedom* grade chart.

To train as an auditor and deliver the Grades of Release, as outlined above, courses are available. Here one acquires the data to bring about these states of release in others. Additionally, with the data learned, one comes to greater cause in his environment. The Training Levels are available at your local organization as well as the Saint Hill.

To learn the material from the bottom up, the Saint Hill Special Briefing Course is delivered to Clears and Class IV Auditors at your Saint Hill Organization. Enrollees on the Saint Hill Special Briefing Course also get their Solo Course parts one and two FREE.

If you are not already enroute, you had better hurry up and join the crowd. We'd miss you. Full details available from your local organization or from:

Scientologists Bring Freedom to Others — and People

Scientologists Crusade for Religious Freedom

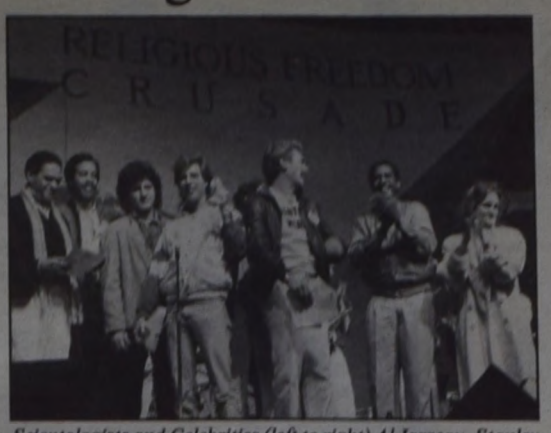

PORTLAND — Thousands of Scientologists and supporters assembled in Portland Oregon U.S.A. in a shoulder-to-shoulder religious liberty crusade. Accompanying them were religious leaders of many denominations from around the world who spoke out supporting Man's inalienable right to religious freedom.

Celebrities John Travolta, Chick Corea, Stanley Clarke, Jeff Pomerantz, Amanda Ambrose, Frank Stallone, and many many others as well turned out for the crusade advocating their rights, freedom, and support of and for Scientology.

There has been unprecedented press for the Church. Planet-wide communication lines have opened up even further. And, as usual Scientology's growth as a religion has markedly increased.

While the crusade was spearheaded in Portland, the message of total freedom continues to be carried in cities across the globe widening the route onto The Bridge for mankind. More and more people are availing themselves to the technologies of L. Ron Hubbard in setting themselves and others free.

Scientologists returning to their own cities are organizing to continue the crusade and are being joined by those who carried the torch locally. You too can join in and contribute by contacting your local org and finding out the programs and activities which you can help on.

Scientologists and Celebrities (left to right) Al Jarreau, Stanley Clarke, Frank Stallone, Stephen Ambrose, Jeff Pomerantz, Michael Roberts and Gayle Moran called Stevie Wonder who dedicated a song to this crusade for Religious Freedom.

Field Staff Members Get Others on the Route to Total Freedom

Field Auditor delivers Communications Course for children

Joe Hochman, a Scientologist and highly-trained auditor who himself has received much auditing has started his own field auditor practice, and is auditing people on lower steps of the route to total freedom and then sending them to the nearest Scientology organization.

L. Ron Hubbard has made several breakthroughs on the subject of communication, and courses for this are available from Scientology Organizations. Joe Hochman has successfully delivered The Communications Course to children, improving their ability to communicate freely to others.

Auditor Handles Severe Illness of Friend

"Last month I went to Philadelphia to audit a friend of mine who was in the hospital in the intensive care ward. He was threatened with open-heart surgery to be performed within 48 hours.

"I audited him in the hospital under unusual conditions — intravenous injections of penicillin every four hours, Cardiologists, Dermatologists, Infectious disease experts, nurse's assistants, blood pressure takers, temperature takers, and so on and so on coming in and interrupting at regular intervals. I was able to use the Hubbard Electrometer on a few occasions, otherwise I gave him a steady battery of Scientology assists.

"The result? He was allowed to go home without an operation, but his cardiologist said that he expected him back for the operation within a couple of years or so. Today I spoke to him and he told me that at the latest session with his cardiologist the expected time for the needed open heart surgery had receded to 'decades'!!!"

Glossary:

The Learning Book: A book which explains the study technology of L. Ron Hubbard, mostly with pictures. It therefore can be used to give even illiterate populations the technology of study so they can get educated, and gives people the ability to fully grasp materials and form their own opinions.

Narconon: Drug rehabilitation programs were first developed by L. Ron Hubbard for use by Scientologists in counseling to overcome the harmful after-effects of both medical and street drugs. But the methods used have proven so effective that they have been adopted by the other drug rehabilitation groups.

One of these groups is the NARCONON® drug rehabilitation group. It is the world's only international network of non-medical drug rehabilitation centers. In the United States alone, it has successfully delivered drug education and rehabilitation programs to over 150,000 students, parents and people in many professions.

Reactive Mind: "The Reactive Mind is a portion of a person's mind which works on a totally stimulus-response basis, which is not under his volitional control, and which exerts force and the power of command over his awareness, purposes, thoughts, body and actions." (Taken from the book *Scientology 0-8: The Book of Basics* by L. Ron Hubbard.)

Social Coordination: A corporation with member groups in many countries which employ technologies of L. Ron Hubbard to bring about improvements and increased freedom in society.

Part of Social Coordination is Narconon (see above).

Other Social Coordination groups use L. Ron Hubbard's Study Technology to educate people of third world countries on how to study, and assist them this way on their way to independence.

Study Technology: L Ron Hubbard has spent many years researching the subject of study seeking to discover the various barriers to study: why a student gives up a subject or becomes confused or disinterested, why a student gets bored or tired while studying, why a student can't apply his materials, etc.

His Study Technology has been introduced into various public and private schools, government programs and businesses. It is being successfully used to solve the education problems of whole populations, so that they can achieve independence and freedom.

Rekindle the Dream!

The Volunteer Minister's Handbook is here today, ready to rekindle that dream and to reawaken those grand hopes of freedom.

The Volunteer Minister's Handbook is arranged so that each section is a small, special course. There are 21 courses, covering such things as COMMUNICATION, ETHICS and JUSTICE, DRUG REHABILITATION, BASICS OF STUDY, INTEGRITY, HANDLING THE DANGEROUS ENVIRONMENT, AND MUCH MORE.

The degree to which you become involved in it is the degree to which you can help yourself and your fellow man. Just take the information from the Handbook that you need and take in hand the problems of your family or friends.

International: An International Training Game was launched calling for 100,000 Auditors, Case Supervisors and Course Supervisors to be made within a year. In just a short while Scientology Churches around the world have produced and/or activated over 2,429 — while getting many more onto training.

A conference of Case Supervisors of all Scientology organizations was held at the Flag™ Service Organization in Clearwater, Florida. The subject of the conference was how to get people up the road to total freedom faster through exact application of the technologies of Dianetics and Scientology.

DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH by L. Ron Hubbard has been consistently on top of the bestseller lists and is the number one self help book in the US. It has been so popular that the second largest bookstore chain in the US, Walden Books, is currently holding a *DIANETICS* display contest sponsored by Bridge Publications in all their stores in the Western United States. Store managers have been very enthusiastic in this. In one city, the bookstore manager took all books off the shelves in the Psychology section and filled them with hundreds of copies of DIANETICS. The manager of another store went into the nearest Scientology mission and asked for all the promotion they had on the book.

Australia: The niece of a local Church staff member was in a hospital dying of leukemia. Her mother, who had not reached for Scientology technology before, in desperation called upon the Church of Scientology for assistance. Doctors had given her daughter two days to live, saying there was nothing that could be done for her. Her blood count was 70% bad to 30% good. The best DMSMH book auditor from the Church went to the hospital and audited the girl. The next day the girl's blood count was 80% good to 20% bad and she was running around the hospital.

Brazil: Scientology missions are delivering the technology of L. Ron Hubbard in Rio de Janeiro and Sao Paolo. One person receiving Dianetics auditing has been a mayor of a city outside Rio. He heard about Johnny Ford, President of the World Conference of Mayors (see "United States" news section), and his actions to get Dianetics and Scientology technology into his city. Now this man wants Scientology technology in his own city as well.

DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH will be published in Portugese in Brazil.

Canada: A native Indian tribe has requested that Education Alive, a Social Coordination group, train members of the tribe on L. Ron Hubbard's Study Technology.

Social Coordination Canada received a letter of thanks from a member of Parliament who keeps THE WAY TO HAPPINESS to hand in his office. He used the message of the book in a speech delivered to the House of Commons.

SELF ANALYSIS by L. Ron Hubbard is now being released in French in all bookstores of French-speaking provinces. DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH has been consistently on the top of the bestseller lists.

China (People's Republic of China): Bruce Flattery, a Scientologist and professor at Nanjing University, has been active in getting L. Ron Hubbard's Study Technology to China. Recently he gave a lecture, which was attended by 400-500 people, about L. Ron Hubbard's discoveries in the field of study. He demonstrated the effects of misunderstood words.

THE LEARNING BOOK has been translated into Chinese. The first edition of 20,000 copies has been printed and distributed by a publisher who provides educational literature to schools in Peking. Within days the publisher asked for a contract to publish the BASIC STUDY MANUAL.

Denmark: DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH, THE PROBLEMS OF WORK and THE LEARNING BOOK are distributed on book-trade lines here. The demand for freedom and overcoming the Reactive Mind has put DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH into bestseller status.

The Churches of Scientology have been regularly visited by both teachers and students of Danish high schools. These visitors receive an introductory lecture on Scientology and are given guided tours. The subject of past lives and the E-Meter™ pastoral counseling device have usually been of the greatest interest to both students and teachers alike.

Germany: DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH and SELF ANALYSIS are currently being sold through bookstores. There are four Scientology Churches delivering services in Germany and preparations are being made to open more.

Greece: DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH has been translated into Greek and is now being distributed in bookstores throughout Greece. A Scientology mission in Athens is delivering services.

Hong Kong: THE LEARNING BOOK is now in distribution in Hong Kong.

India: DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH by L. Ron Hubbard is in distribution throughout India, Burma, Nepal, Sri Lanka and Pakistan. The major weekly magazine in India is doing a feature article about L. Ron Hubbard and will serialize Book One of DIANETICS. Other LRH books now being released are SELF ANALYSIS and THE DYNAMICS OF LIFE.

THE WAY TO HAPPINESS is being released in the Hindi language.

A new Social Coordination Group has been opened to bring L. Ron Hubbard's Study Technology into this country.

UND THE WORLD

Gain Freedom with the Technology of L. Ron Hubbard

Indonesia: Following up on the great demand for THE PROBLEMS OF WORK by L. Ron Hubbard, the publisher of the book is now translating the BASIC STUDY MANUAL and THE LEARNING BOOK for publication this year.

A new Social Coordination Group has been opened to deliver L. Ron Hubbard's Study Technology here.

Israel: DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH was published in Hebrew one year ago. Now in progress is the translated edition of THE LEARNING BOOK.

There are millions of Arabic-speaking people in Israel whose educational needs must also be addressed. The publisher of THE LEARNING BOOK is therefore also making an Arabic edition.

Italy: Both DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH and SELF ANALYSIS have been on the bestseller lists since their release. Recently, DIANETICS was a featured selection of the largest Italian-language book club, and over 6,000 copies of the book were sold within 4 months. THE PROBLEMS OF WORK and THE DYNAMICS OF LIFE are also available in bookstores throughout Italy, and THE LEARNING BOOK and THE WAY TO HAPPINESS will be released to the book trade shortly.

A new NARCONON center has been opened near Rome.

Japan: THE WAY TO HAPPINESS was published in Japan two years ago and has since then gone through several printings. The translated versions of SELF ANALYSIS and THE PROBLEMS OF WORK are about to be released. A major promotional campaign to the business community is underway for THE PROBLEMS OF WORK.

A new Social Coordination group has been opened to deliver Study Technology.

Plans are going forward for the opening of a Scientology Mission.

Kenya: A Field Auditor has been actively putting others onto the road to freedom by delivering Dianetics auditing.

A publisher has now been contracted to publish DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH and other basic books by L. Ron Hubbard.

Malaysia: A new Social Coordination Group has been opened to deliver Study Technology in Malaysia.

Nigeria: Several basic books by L. Ron Hubbard are now being published here.

Pakistan: While in Pakistan, Scientologist Ken Rabey was contacted by a Pakistani who had taken Scientology services in London in 1977. Together they got other people through Scientology courses and a group was established which then was further built up by British Scientologists Peter and Jenny Wakley. The group in Pakistan is now well established and delivering. Three key members have been sent to Saint Hill for training with plans to return and open the first Scientology organization in Pakistan.

THE LEARNING BOOK is now being published in Pakistan.

Philippines: THE LEARNING BOOK is now published and distributed in the Philippines.

Portugal: After BATTLEFIELD EARTH by L. Ron Hubbard rocketed onto the bestseller lists in Portugal, the publisher quickly followed with DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH, SELF ANALYSIS and THE PROBLEMS OF WORK. DIANETICS has since become a bestseller outpacing even the earlier sales of BATTLEFIELD EARTH.

Books by L. Ron Hubbard are displayed in many of the bookstore windows in Portugal. A marketing campaign is now being done for the book DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH. But even before the launch of this campaign the publisher put up a 40-foot banner on his building to advertise the book, and now he wants a permanent billboard for it.

When the same publisher heard about the World Conference of Mayors adopting the CODE OF HONOR by L. Ron Hubbard, he sent all the mayors in Portugal a copy of the CODE.

Singapore: THE LEARNING BOOK is now being released in Singapore.

South Africa: Education Alive, a group delivering the Study Technology of L. Ron Hubbard in South Africa, recently delivered study tech seminars to 60 counselors at the UNIVERSITY OF THE NORTH, the largest university of the Southern Hemisphere.

One of the biggest hospitals of the Southern Hemisphere bought THE WAY TO HAPPINESS booklet for their 8,000 staff and about 20,000 patients.

Spain: Preparations are now underway with the major book distributor in Spain for a huge release campaign for DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH and other basic books by L. Ron Hubbard.

A mayor requested that a NARCONON Drug Rehabilitation Center be set up in his town and formed a committee to help select a site for the new center.

A new Purification Center opened in Bilbao.

Sri Lanka: A new Social Coordination Group has been opened to deliver Study Technology here.

Sudan: THE WAY TO HAPPINESS is now being distributed.

Millions find out about the only Route to Total Freedom

Over 6.5 million Copies of Booklet Describing *Scientology* Technology Distributed!

Over 6.5 Million copies of a booklet called SCIENTOLOGY: WHAT IS IT? were distributed as a supplement to Sunday editions of the major newspapers across the U.S.

Thousands of calls were received from public wanting more information on Scientology philosophy and to find out how to gain freedom. The majority of the people calling were interested in honesty and integrity and enhancing these traits. The Church of Scientology New York Foundation alone had 50 walk-in public from the booklet wanting to find out more about the technology to total freedom. Additional phone lines had to be installed to accommodate the calls from public. New York was not alone. Another example of this phenomenon occurred with the Church of Scientology Boston. The public inflow into the Church of Scientology Boston has been 4X the usual since the release of the booklet.

And what have the individual responses to this booklet been?

— A man who said he had arthritis in every joint of his body who read the booklet went and bought a copy of DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH. He then called the 1-800 unit to find out how to go Clear.

— The mother of a 4-year-old daughter diagnosed as having a "rare incurable disease" found a copy of the booklet, read it and knew that there was hope for her child. She immediately contacted the organization in New York.

— Because the booklet was "everywhere" due to such mass distribution a student found a copy of the booklet in the lobby of a university in Washington. He went into the organization in Washington, DC the day after, got some auditing and joined staff the same day.

— A university professor from Harvard called in and originated that he wanted to get more involved in Scientology philosophy. He has read some basic books on Scientology philosophy and as a result wants to take a one year leave from his job in order to find out more about Scientology philosophy and work with Scientologists.

— A caller from Boston was referred to the organization there, started a basic course that same day and bought a number of books.

— A lady in Los Angeles read the booklet, then read DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH and then bought 17½ hours of Dianetics auditing.

— After reading the booklet a reader wanted to be a Scientologist. He walked into the closest organization and bought auditing.

— A girl had been trying to get her friend into a Scientology organization for some time but ran into antagonism. After seeing the booklet the friend walked into the Scientology organization and asked for auditing and bought it.

— Most of the public coming into the organizations from the "Scientology, What Is It?" booklet state that Scientology was exactly what they had been looking for and that they wanted just what they had read about in the booklet.

"FREEDOM" FILM AND "INTRODUCTION TO SCIENTOLOGY" FILM SHOWN ON CABLE TV STATION IN U.S.

Frank Stallone, brother of Sylvester Stallone and a well-known song writer and celebrity himself, had watched the INTRODUCTION TO *SCIENTOLOGY* film on a cable TV station and really liked LRH. He since then has become a member of the Church and has been very active in the crusade for religious freedom.

The business manager for Julio Yglesias came into Celebrity Centre® International after seeing the INTRODUCTION TO *SCIENTOLOGY* film on cable TV. He acquired a membership in the Church, several books and had Introductory Auditing.

NEWS FROM AROUND THE WORLD

continued from page 5

THE PROBLEMS OF WORK has been translated into Arabic and will be published in Sudan shortly.

Thailand: The major publisher of business books and magazines will be doing a special paperback edition of the booklet THE WAY TO HAPPINESS to be distributed throughout South East Asia. He will advertise it in his publications and through direct mail.

United Kingdom: 5000 copies of THE WAY TO HAPPINESS have been donated to an ex-Mayor of Sunderland. He will be giving these booklets out in his name.

United States: The technology of L. Ron Hubbard is being recognized by more leaders as the solution to problems in today's society. Mayor Johnny Ford of Tuskegee, Alabama, who is the president of the World Conference of Mayors, recently appealed to Scientologists in Los Angeles: "We need you to walk into our cities and to share the technology of L. Ron Hubbard. We need you to help eradicate drug abuse in our cities. We need you to help us do something about mental health and insanity in our cities. We need you to take a stand against criminality in our cities. We need you to take away the barriers that prevent our boys and girls from learning reading, writing, and arithmetic. We need you to spread the technology of L. Ron Hubbard in our cities around the world. Let's join hands tonight and make this a better world."

At the invitation of Mayor Ford, THE WAY TO HAPPINESS campaign has gotten into full swing in Tuskegee. Over 25,000 copies of the booklet and hundreds of T-shirts and bumper stickers have been distributed. Local citizens and community groups are joining in the campaign to improve conditions and lower crime in the city. Twenty employees of the city of Tuskegee completed the communication course with very good results. Among them were the heads of departments and the Fire Chief.

A top gospel singer who has received 4 Grammy awards wants to promote THE WAY TO HAPPINESS th[illegible] 50 churches she is involved with. The booklet was acclaimed at a big gospel meeting.

A senior citizens' newspaper featured the founder of the Concerned Businessmens' Association of America who is known for her actions in using THE WAY TO HAPPINESS to reduce crime.

The Concerned Businessmens' Association met with the Police Captain of Glendale, California, who will put together a committee on moral education which will support the THE WAY TO HAPPINESS campaign there.

Yugoslavia: About 50 groups circulate books by L. Ron Hubbard and apply his technology. DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH is being prepared for printing and will be broadly distributed. THE LEARNING BOOK is being translated as well. The publisher is so enthusiastic about L. Ron Hubbard's Study Technology that he is getting it translated into the Serbo-Croatian, Slovene, Macedonian and Albanian languages. □

NEWS FROM AROUND THE WORLD

continued from page 5

THE PROBLEMS OF WORK has been translated into Arabic and will be published in Sudan shortly.

Thailand: The major publisher of business books and magazines will be doing a special paperback edition of the booklet THE WAY TO HAPPINESS to be distributed throughout South East Asia. He will advertise it in his publications and through direct mail.

United Kingdom: 5000 copies of THE WAY TO HAPPINESS have been donated to an ex-Mayor of Sunderland. He will be giving these booklets out in his name.

United States: The technology of L. Ron Hubbard is being recognized by more leaders as the solution to problems in today's society. Mayor Johnny Ford of Tuskegee, Alabama, who is the president of the World Conference of Mayors, recently appealed to Scientologists in Los Angeles: "We need you to walk into our cities and to share the technology of L. Ron Hubbard. We need you to help eradicate drug abuse in our cities. We need you to help us do something about mental health and insanity in our cities. We need you to take a stand against criminality in our cities. We need you to take away the barriers that prevent our boys and girls from learning reading, writing, and arithmetic. We need you to spread the technology of L. Ron Hubbard in our cities around the world. Let's join hands tonight and make this a better world."

At the invitation of Mayor Ford, THE WAY TO HAPPINESS campaign has gotten into full swing in Tuskegee. Over 25,000 copies of the booklet and hundreds of T-shirts and bumper stickers have been distributed. Local citizens and community groups are joining in the campaign to improve conditions and lower crime in the city. Twenty employees of the city of Tuskegee completed the communication course with very good results. Among them were the heads of departments and the Fire Chief.

A top gospel singer who has received 4 Grammy awards wants to promote THE WAY TO HAPPINESS th[illegible] 50 churches she is involved with. The booklet was acclaimed at a big gospel meeting.

A senior citizens' newspaper featured the founder of the Concerned Businessmens' Association of America who is known for her actions in using THE WAY TO HAPPINESS to reduce crime.

The Concerned Businessmens' Association met with the Police Captain of Glendale, California, who will put together a committee on moral education which will support the THE WAY TO HAPPINESS campaign there.

Yugoslavia: About 50 groups circulate books by L. Ron Hubbard and apply his technology. DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH is being prepared for printing and will be broadly distributed. THE LEARNING BOOK is being translated as well. The publisher is so enthusiastic about L. Ron Hubbard's Study Technology that he is getting it translated into the Serbo-Croatian, Slovene, Macedonian and Albanian languages. □
