CLEAR 208
MARY SUE HUBBARD

If anyone ever deserved becoming a Clear, it is Mary Sue Hubbard.

For nearly sixteen years Mary Sue has been Ron's most trusted and constant helper in Scientology, its research and organizations.

Born this life in Rockdale, Texas, Mary Sue was raised in Houston and after one year at Rice Institute graduated as a Bachelor of Arts from the University of Texas.

Although scheduled for a career in petroleum research, she had found Dianetics and on graduation from the university insisted on following it as a career.

She came to the Foundation in Wichita, Kansas in early 1951 and received her Hubbard Dianetic Auditor's Certificate and then became a Foundation staff auditor. She then began to help Ron as a research auditor.

She and Ron were married in early 1952. Those were very turbulent days and after Ron had wrested his materials from the early boards of directors, she went with him to Phoenix, Arizona to establish the first organization Ron controlled—the Office of L. Ron Hubbard, which was located at 1405 North Central Avenue in Phoenix, Arizona. This became in a few months the Hubbard Association of Scientologists.

Amongst other things she helped Ron coin the word "Scientology".

In Phoenix amid the constant violence of the turncoat Don J. Purcell of Wichita and his suits which attempted to seize Scientology, Mary Sue became ill and to save her life, Ron took her to England where several Dianetic groups had asked him to form an organization.

There their first child Diana was born, who is a dual U.S. and British citizen.

When a British organization had been formed, Mary Sue went with Ron to Spain and then back to Camden, New Jersey to better organize U.S. Scientology. From Camden they went back to Phoenix where Quentin was born and, later on, Suzette.

During those hectic formative years, she held at one time or another every post in an organization and yet kept her home running and assisted in research.

In 1955 she helped establish the Washington organization as its first Academy Supervisor, then spent many months abroad and returned to Washington. In 1958 Arthur was born at the Washington hospital.

In 1959 she helped establish the International Headquarters at Saint Hill.

Through these years she won the hearts of Scientologists by her constant good sense and devotion. She earned the complete trust of the public. In organizations it became understood that when Mary Sue took over a post it would prosper and that when she gave her attention to an organization it promptly came out of the red.

Even a generally unkind press has not otherwise than referred to her as the "charming Mrs. Hubbard and the four delightful Hubbard children". In England even the shopkeepers ask her to intervene on their behalf with local government.

She and Ron until three years ago were co-auditors. They worked their way through the jungle that is now so well mapped for others. Then came the levels requiring solo.

She went up through the grades by rehabilitation when they were established and for many months sat in an unsuspected overrun at Grade VI.

Her task, as was Ron's, was devotion to keeping things going. She was probably Clear a year ago but typically Mary Sue, wanted to be thoroughly sure of it and kept on.

Finally, the Clearing Course Supervisor ordered her to be checked out and as suspected, Mary Sue had been Clear for some time and was working at O.T. level, Grade VIII, and passed a very thorough Clear check easily on January 26, 1967, becoming Clear 208.

If the world was lucky to have Ron, then Ron was lucky to have Mary Sue.

Staunch, good and thorough, Mary Sue's hand for sixteen years has helped guide Scientology and its organizations. She did the first research on the handling of E-Meters as the preclear. She helped map the track and helped establish the processes we use today.

All these sixteen years have been super-human in their demands.

Golden-haired, slender and charming, Mary Sue has come through it all.

Above others she has earned her status of Clear. And that she could make it in the pressure and turbulence of our formative years is a tribute to both Mary Sue and Scientology.

Her life has been epic, impossible to adequately describe in these few words.

And it is with great triumph and pride that we salute our Mary Sue—Clear 208!

Mary Sue today is in her home in England. She is no longer a member of the board of Scientology organizations and is not a director or officer of any of the corporations. She holds a staff post of Guardian in the Worldwide Division at Saint Hill.

She works 10 to 12 hours a day but spends the evenings with her children. Her mother, sister and brother live in the United States.

Most of her work today is concerned with assisting Scientologists to get help and assuring them of justice and good service.

When things go too wrong people usually count on Mary Sue to put things right for them. And, with remarkable skill, she always does.

Concerning her Clearing, Mary Sue herself says:

"The adventure of self-discovery through Scientology is the most exciting and rewarding anyone can experience.

Through the Grades of Processing, the complexities and aberrations fall away, and one is again himself—unique amongst all others, with experience and abilities available for which one dreamed, yet dared not to hope as possible. And one is Clear.

To those enroute, the high adventure lies ahead. Take courage—the Road is sure and the chains are no longer forever binding.

To those who are Clear and going to O.T., I am proud to be with you—we have much to do and the future is ours.

To my dear husband, auditor, teacher and our Founder go my thanks and acknowledgment for having given the most precious gifts of Freedom and true Beingness to me and my fellow Man. Without him, none of this would have been possible; and so to Ron goes my everlasting gratitude for having provided for us all the Road to Clear."

ANNIVERSARY OF THE FIRST CLEAR

Saint Hill, February 14, 1967. A year ago to this day exactly, John McMaster completed his auditing on the Saint Hill Clearing Course to become the first Clear. On March 8, 1966 it was made official when John flew back from a Worldwide assignment in the United States and was checked out Clear by the Qualifications Secretary at Saint Hill. Shortly thereafter the news went out to the world in *Auditor* 14 that the last barrier to total spiritual freedom for Man had been vanquished by the incredible technology of L. Ron Hubbard.

This was the first time in all the eons that a real Clear, with no bank, had been achieved. And it could scarcely have been more appropriate that the realization of Clear and freedom of beingness should have culminated on February 14—Valentine's Day—for no man has ever given so much of himself for the good of Mankind as L. Ron Hubbard. Today there are now well over 200 Clears who know just how incredible a task Ron faced and how magnificently successful he has been in establishing the technology that is the road to Clear and total freedom.

There is no historical precedent for such an achievement. Clearing represents the attainment of Man's dreams through the ages of attaining a new and higher state of existence and freedom from the endless cycle of birth, death, birth. Many have tried to attain this state through the ages, most notably Gautama Siddhartha Buddha, but were baulked by the hidden, unknown Reactive Mind. The Reactive Mind was discovered by L. Ron Hubbard and explained in 1950 in "Dianetics, The Modern Science of Mental Health", the bombshell of a book that was the official beginning of what today is the world-wide Scientology Organization. With the anatomy of the human mind in hand, it was only two years before L. Ron Hubbard's historic breakthrough which proved that Man was indeed a spirit with a body and not just a body that evolved from mud and somehow became intelligent through evolution. Man has always known or variously suspected he was a spirit, but did not have the proof. L. Ron Hubbard proved it absolutely in 1952 and so Scientology began, carrying forward from Dianetics and the anatomy of the mind into the realm of the spirit and the development of the technology to free the spirit. Finally, in 1965, all the technology necessary to totally erase the Reactive Mind was assembled and the Saint Hill Clearing Course began September 5, 1965.

The road to Clear and total freedom is now straight, smooth and secure and incredibly swift for the astounding results gained, all the way from the bottom up to the top of the Routing & Gradation Chart, which is the road map of Scientology and the way to Clear. Making Clears is now a swift, smooth routine. Mankind has been rescued from the trap of the Reactive Mind.

That trap and the incredibly long period of time in which it has been working against all beings is over, thanks to L. Ron Hubbard who undertook the monumental task of finding the way out of the trap, and who has succeeded so magnificently where so many, many thousands of men have tried and failed over the ages.

WHAT IS THE GRADATION CHART?

The Routing & Gradation Chart that accompanies this issue shows the exact route to Clear and total freedom and total beingness for Man. The route to Clear is a combination of processing and training. Processing clears away the barriers to awareness and training consolidates and expands these gains and provides the individual with the skill necessary to audit himself or herself to Grade VI Release and Clear.

One enters at the bottom of the Chart and proceeds, step by step, on a smooth gradient, through the Grades of Release and up to Clear and beyond. This gradient must be followed to get to Clear. At each step one's awareness increases as barriers are removed. These barriers to awareness can only be removed by this processing and training. Thus one is able to move up to the next step. It is a very straight and carefully planned route, but it is also a narrow one. Each step is vital and if missed one will not get to Clear. In themselves, each step is a tremendous thing for the individual: his abilities increase, his awareness increases, but the primary objective of these Grades is to get the individual's confront up to tackling the next step so that at Grade VI he is then able to confront and erase completely the Reactive Mind.

This is the road out. This is the road away from reactivity, away from aberration, away from identifying everything with everything else. This is the only route to total erasure of the destructive Reactive Mind. This route is called standard technology and it is only through the application of standard technology on the Grades listed in the Routing & Gradation Chart that an individual can be brought up to the incredibly high states of existence and beingness that are the Grades of Release and Clear itself.

These Grades of Release get the individual to handle things which have been ruining his life and which would ruin anybody's life. The individual is thus released from major anxieties and problems created by the Reactive Mind. These are the barriers to life and the barriers to Clear. It is not possible to erase the Reactive Mind until they have been removed.

Clear, then, is a stable state. It is not just "backing out of it", being released from it. Clear is the total erasure of the Reactive Mind from which stems all the anxieties and problems the individual has. As nobody has done it before since the beginning of the universe so far as anyone could know, it can be seen that this is no mean accomplishment. Finding and proving this route to Clear is a fantastic accomplishment. That it was found at all is miraculous. Fortunately for Mankind it has been found. All you have to do is follow it, but follow it exactly you must, step by step.

The final technology for Clearing was laid down by L. Ron Hubbard in 1965 after a lifetime of research. In September 1965 the materials necessary to audit oneself to Clear were released through the Saint Hill Clearing Course. On February 14, 1966 the first Clear was attained. Since thenf more than 200 Scientologists have attained the State o, Clear and are striding towards Operating Thetan on the O.T. Course at Saint Hill.

TWO IDEAL ROUTES TO CLEAR FOR YOU SELECTED BY L. RON HUBBARD

There are two ways to follow this route to Clear. There is the PRECLEAR ROUTE, which is the shorter, fast route for the non-professional Scientologist who does not intend to work full-time as an Organization staff member or who wishes to take further training after going Clear. This route provides for the minimum of training necessary to audit yourself to Grade VI Release and Clear.

The AUDITOR ROUTE is for professional Scientologists who intend working full-time in Scientology. By following this route you are assured of the finest auditor possible when Clearing—yourself—as graduates of the Saint Hill Special Briefing Course are the best trained auditors in the world. Also, you are able to pass on this wonderful technology to others by releasing them on the Grades of Release.

These two routes are given step by step below. More detailed information is contained on the Routing & Gradation Chart.

IDEAL PRECLEAR ROUTE ONE

(a) Dianetic Auditor's Course
(b) Grades O-IV Processing
(c) Power Processing
(d) Solo Audit Course (Grade VI)
(e) Clearing Course

IDEAL AUDITOR ROUTE ONE

(d) Academy Training on Levels O through IV

A TIME OF SANITY

by John McMaster
Clear No. 1

It is a year since the birth of the First Clear, a year of vast flow and vast freedom, for in this year more than 220 Clears were born to know a freedom never before known to Mankind.

Whereas we do not wish to force ourselves upon the World, we certainly do wish that what we have becomes available to Man. Each is the Source of his own freedom, but it would be a long and probably fatal grind for anyone without the technologies of Scientology and Dianetics that Ron has given us. Those of us who have travelled this way and reached the State of Clear and beyond, really begin to know some of the gratitude that is owing as acknowledgment to this man, who has persisted until Man can reach the State of Clear and who still persists toward Operating Thetan.

For me, as the First Clear, and in this I speak with an awareness of agreement from all my fellow Clears, the finest way to express the gratitude is to do whatever is necessary to help Mankind become aware of what we have, and so elevate the eyes and horizons of Man from the quicksand to the mountain peaks. For increasingly I become aware of this question, "Where have I been, what have I been doing that all this could have happened, and still be happening to Mankind?" And my answer to this is to keep moving with the flow of this technology until the velocity is such and the jet stream such that Mankind will widen its horizons and look to the mountain tops.

I have moved around more than half of the Scientology world with this body, and I've had the privilege of meeting and being welcomed by thousands of you. I thank you for your warm and generous reach for me as the first product of the technology to Clear.

For me it has been a year of ever increasing confront and ARC and realization of more and more basic Theta agreements on which we operate in Theta. With this has gone hand in hand my transition from Self-Determinism to Pan Determinism, and the integration of these, and the ownership of being Basic with Beings.

To all of you who are aware of this I ask: please help as many be aware as you can, and let us all flow on through Clear and beyond and perpetuate those Cycles of Action whose purpose it will be to predispose a time of Sanity on Earth, where surviving creation is the existing condition, and where Truth unfolds like a great white rose opening in the dawn.

NIGHT OF THE MOON II

This night of the moon
I stand strong and firm
Knowing that not I alone
Am still.

Knowing that so many now
Have burst upon agreements
Occluded long ago.
And I now know
In this time
The lovely magnitude
And gentle reciprocity
Of what we are.

I reach with Ron and Mary Sue
And you and you and you,
Across this planet and the universe beyond,
To glow and flow
And pave the golden star stream
Of our way.

Come then Mankind

John McMaster.
