THE JOURNAL OF SCIENTOLOGY

POWER PROCESSING ONLY AVAILABLE AT SAINT HILL

By order of L. Ron Hubbard, on the 3rd October, 1967, unique Power Processing is now available only in the Saint Hill Hubbard Guidance Centre.

Any promises made to anyone giving hope of future Power Processing outside Saint Hill have been cancelled by L. Ron Hubbard.

The Johannesburg Organization was the only Organization formerly officially authorized by L. Ron Hubbard to deliver Power Processing. This authorization has now been cancelled.

Any person who has signed up and actually paid for Power Processing in the Johannesburg Organization prior to the 3rd of October, 1967, may receive Power Processing in that Organization.

This action by L. Ron Hubbard enables all Organizations below the level of Saint Hill to fully concentrate on delivering the standard technology of lower grades and levels, processing and training. They are fully trained and organized to do this, and do it superlatively well.

Their job is to get the PUBLIC up the grades to and through Grade IV processing, and to make trained Scientologists up to Class IV. These grades and training levels are invaluable and form an **essential** part of the **Bridge**, the span to total freedom. These services are far, far more than Man has ever been offered before. Man must go up these exact grades and levels to make it all the way to Clear.

As the senior technical Organization of Scientology, only Saint Hill gives Power Processing (Grade V and VA), the Saint Hill Special Briefing Course (awards Class VI if satisfactorily completed), and the Saint Hill Class VII Internship.

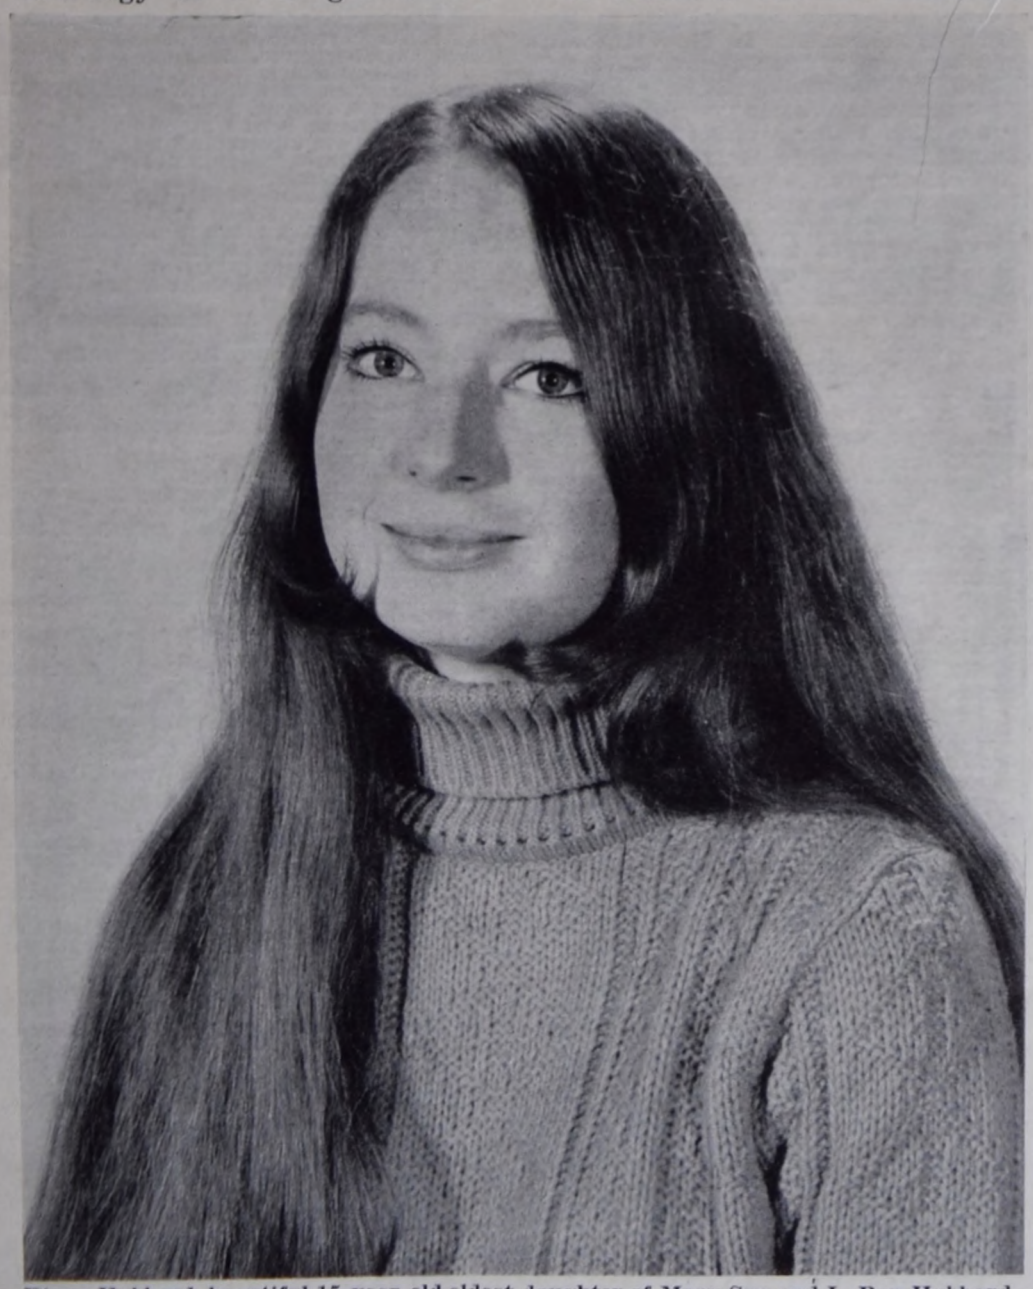

The Saint Hill Hubbard Guidance Centre is fully manned with a large and ever-expanding number of Class VII Auditors who are trained to audit an unlimited number of preclears to Grade V and VA Release, which grades are an essential step for all on the road to Clear and beyond. There is no waiting list at Saint Hill. Any person who arrives at Saint Hill and signs up for Power Processing will receive his or her auditing immediately.

Power Processing is precision auditing, requiring a team of trained Class VII Scientologists, in several departments and divisions, to ensure that the service is fast and perfect. Saint Hill **has** all these highly trained personnel.

The fastest and best action for each Scientologist planning his route to Clear, is to do the Dianetic Auditor's Course, obtain all O to IV Release Grades, and get trained up to Class IV at their nearest Scientology Organization, and then come to Saint Hill for Power Processing, the Saint Hill Special Briefing Course and the Clearing Course.

Charming Quentin Hubbard, eldest son of Mary Sue and L. Ron Hubbard, checked out as Clear 606 on the 13th October. Quentin is 13 years old and has the added distinction of being the world's youngest Clear. Quentin is a model aeroplane enthusiast.

Diana Hubbard, beautiful 15-year-old eldest daughter of Mary Sue and L. Ron Hubbard, checked out as Clear 603 on the 12th October. At the presentation of her Clear Certificate, Diana said, "Many people think I was just always a Scientologist, but I wasn't. I was just allowed to Be. I had a cognition about Scientology, and started my training. Now I'm Clear!"

L. Ron Hubbard

Scientology Expansion

Here are the services of Scientology which will enable you to travel the road to Total Freedom and earn your privilege to be a Scientologist and a Clear and play your part in the expansion of Scientology and Clearing of this planet.

TRAINING

An essential action for all who want to contribute to the expansion of Scientology. Training usually starts with the Dianetic Auditor's Course, an essential step in Scientology training given in each Organization's Academy.

The next step is to continue standard Scientology Academy training, on Levels O to IV. Time on each level is now 2 weeks, which includes Theory Certification Course and Practical Classification Course, or 10 weeks in all to complete O - IV.

The Saint Hill Special Briefing Course

The attainment of Hubbard Professional Auditor, Class III, is a prerequisite for the Saint Hill Special Briefing Course, or the old HCA/HPA before the levels were introduced, or the state of Clear. Professional Auditors the world over are now flocking to Saint Hill for advanced training on the Saint Hill Special Briefing Course. The Saint Hill Special Briefing Course sets a unique standard of technical perfection. Only highly trained auditors are permitted to enrol on the Course, and therefore it reinforces already competent auditors with additional data on each level not elsewhere covered and produces competent Scientologists who have a great understanding and ability to apply Scientology. The student also audits himself to Grade VI Release on this course to prepare himself for the Clearing Course.

The Class VII Internship

The newest and highest level of Auditor training in Scientology. Prerequisite for the Internship is a Class IV Certificate and a 2½ year contract with an organization. Students on the Internship are trained to deliver Power Processing, an essential step for every person on the road to Clear. Class VII Auditors are the world's top Auditors. They are also trained in Scientology administration and so emerge top flight Scientologists in every sense of the word.

The Solo Audit Course

The Solo Audit Course was formed by L. Ron Hubbard to enable a person to follow the non-professional route to Clear. The course trains a student in basic Scientology data and the data and technique of solo auditing. Prerequisite for this course is Grade VA Release, which is gained in the Saint Hill Hubbard Guidance Centre. On the Solo Audit Course, a student audits himself or herself to Grade VI Release, which is the prerequisite for the next step —the Clearing Course itself.

The Clearing Course

The Clearing Course is the result of 35 years of research and development by L. Ron Hubbard. It is now freely available to all people on Earth. Prerequisite for the Clearing Course is Grade VI Release attained through completing the Saint Hill Special Briefing Course or the Solo Audit Course. The end result is the state of Clear, the most wanted and desired state of beingness on this planet. (Clear: a being who can be at cause, knowingly, over mental matter, energy, space and time, as regards the first dynamic, or survival for self.) New Clears are graduating from the Clearing Course at a fantastically fast rate.

The O.T. Course

The O.T. Course will take a student from the state of Clear to the state of O.T. (Operating Thetan: A Being who is knowingly at cause over matter, energy, space, time, thought and life and is not necessarily in a body.) Prerequisite: the state of Clear.

PROCESSING

The first step before processing in the Hubbard Guidance Centre of any Scientology Organisation is to take the Dianetic Auditor's Course. Lower level processing from Grade O to IV is delivered in Scientology Organizations throughout the world. Zero to IV processing has a great deal to offer in that it releases a person from those things which cause inabilities and difficulties with regards to life, and as such is very valuable. The state of Grade O Release, which is routinely produced by Scientology Auditors throughout the world, has never previously been attained. These grades are prerequisites for Power Processing at Saint Hill.

Power Processing

Once a person has attained Grade IV Release, he or she is eligible for Power Processing at Saint Hill. The lower grades of Release gradiently prepare a person for Grade V Release, which releases a person from deep-rooted problems and frees his ability, thus enabling him or her to be more powerful. Grade VA Release follows immediately after Grade V, and further clears up any remaining blocks and areas of fixed attention. The state of Power Release is very stable.

ORGANIZATION EXECUTIVE COURSE

The new Organization Executive Course is now available to all Scientologists. This comprehensive Saint Hill course in Scientology administration is an eye opener in precision action and achievement. The entire technology of Scientology administration is now, for the first time, fully available to all Scientologists. Students find the technology of administration as fascinating and stimulating as earlier Scientology Academy and Saint Hill Special Briefing Course training.

FIELD STAFF MEMBER AWARDS CONTINUED

Outright individual winner, Maurice Lerud, selected 6 people for a total of 24 Saint Hill services and earned $1,220.41 in 10% commissions paid. Maurice, as outright individual winner, has earned 50% discount for the Solo Audit Course, the Saint Hill Special Briefing Course, the Internship, the new Organization Executive Course or the Clearing Course (choice of one). This is transferable to family members or bona fide members of a Centre or Org with which Maurice is connected, plus $150.00 worth of books.

Maurice is a Saint Hill Special Briefing Course Class VI Graduate. His first contact with Scientology was in February, 1957, when he heard a lecture given by "Wing" Angell. Auditing followed, and then training in the Academy of the Washington Org. Since 1963, Maurice has vigorously pioneered Scientology in Milwaukee, Wisconsin, as well as being a very active Field Staff Member in Chicago, Illinois. He has married recently, and his wife, SUE, is doing her Academy training in Washington, D.C. He is in great demand as a lecturer and travels frequently to disseminate Scientology in this way.

Second individual winner, Andy Bagley, who lives in Portland, Oregon, with his wife, FROEDEL, selected 5 people for a total of 18 services. Andy has earned $1,123.12 in 10% commissions paid and is awarded 50% discount for the Solo Audit Course, the Saint Hill Special Briefing Course, the Internship, the new Organization Executive Course or the Clearing Course (choice of one). This is transferable to family members or bona fide members of a Centre or Org with which Andy is connected.

Active sportsman, Andy Bagley, examines his quiver of arrows, prior to going out for a practice shoot.

Andy became a Scientologist in May, 1950, after reading L. Ron Hubbard's "Evolution of a Science" article, as published in "Astounding Science Fiction". Throughout the ensuing years, Andy advanced his training and completed the Saint Hill Special Briefing Course in 1963. Andy has applied Scientology to his many hobbies, fencing, pistol shooting, building working models of ancient artillery, poetry and pen and ink drawing. Andy says his biggest win so far has been becoming conscious of colour after a life of colour-blindness.

A Saint Hill Field Staff Member routinely contacts and selects new Scientologists for Saint Hill Services, and is paid a 10% commission on all services taken by a person during one visit to the Organization.

Any person trained to any level at Saint Hill or who has received processing to Grade V Power Release at Saint Hill, is eligible to become a Saint Hill Field Staff Member.

All Scientology Organizations now run Field Staff Member Award Programmes for their own area Field Staff Members. Write to the Director of Clearing at your nearest Org for full details.

Any person who holds a Hubbard Book Auditor Certificate or above is eligible to become a Field Staff Member of his or her nearest Organisation.

FIVE YEARS

In 1964, L. Ron Hubbard wrote an article entitled "Five Years", which was published in The Auditor 9. This was a very important article. It is now being specially re-issued as a reminder to older Scientologists, and to acquaint newer Scientologists, of the seriousness of the mission of Scientology.

Here it is.

FIVE YEARS

By L. Ron Hubbard

The world has an optimistic five years left, a pessimistic two.

After that, BANG ! Or maybe just a whimper.

A handful of us are working our guts out to beat Deadline, Earth.

On us alone depends whether your kid will ever see sixteen or your people will ever make it at all.

A handful of us aren't nattering or dramatizing or whining or waiting. We've got our sleeves rolled up for a twelve hour day and sixty hour week.

It's all right to be reasonable or cautious or have an open mind so long as the openness doesn't consist only of holes.

A few of us see the world has got a chance if we don't dawdle along the way.

We may or may not be super beings. Yet. But we are very earnest people.

We would be longer on patience if we weren't so short on time.

Our chance is a thin chance at best.

We're making the most we can out of that chance.

Our programme is simple :

We are working as hard as we can in Scientology.

We are doing the best job we can do at our job.

We are shooting people up in case level.

We are training up the best auditors we can train as fast as we can train them.

We are keeping the lines going and the place together.

We are Releasing people wholesale.

We are making Clears or O.T.'s.

We intend fully to make the grade.

We know every minute counts.

And we intend to take out of the road anything we have to take out of the road, no matter how big, to make a civilization that can *survive.*

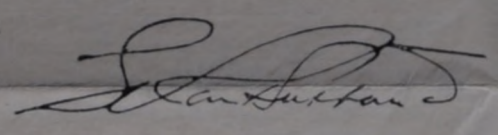

And won't go BANG!

If we win, you will win. The kids in school will grow up. And we'll have a world without criminality, without war.

We mean it. And the only slim chance this planet has rests on a few slim shoulders, overworked, underpaid and fought—the Scientologist.

Later on, if we make it, what will be your answer to this question?

"Did you help?"

Saint Hill Special Briefing Course student, Richard Gordon, takes time from studying to pursue one of his hobbies — photography !

NEW ABILITY TO HELP OTHERS

RICHARD GORDON, Grade VA Release, from Los Angeles, has progressed swiftly on the Saint Hill Special Briefing Course. After 23 weeks, he was already working on the final unit of the course.

In 1965, having graduated from the University of California with a degree in Psychology, Richard was attempting to help young people in a camp for delinquent boys. He found that his knowledge and training were inadequate. He was not able to handle the boys and came close to being dismissed.

In February, 1966, he heard about Scientology, attended Introductory Lectures in Los Angeles, and realized that he had found the answer to human problems.

After training up to Hubbard Professional Auditor, Class III, standard in the Academy of the Los Angeles Org, he found that he could handle the delinquent boys much more smoothly and with greater understanding.

Later, Richard received Power Processing and was then able to supervise large groups of these boys extremely well. When he announced that he was going to Saint Hill, to attend the Saint Hill Special Briefing Course, the boys urged him to return to Los Angeles.

After the Briefing Course, Richard plans to Intern for the Los Angeles Org. Richard is now a fully professional Scientologist and intends to devote his life to the expansion of Scientology.

WIN AT TABLE TENNIS

CHRISTINE STEVENS, 17-year-old Power Release from Auckland, New Zealand, has recently won the New Zealand North Island Junior Table Tennis Championship.

Before starting Scientology processing and training, Christine used to qualify for quarter finals but never won any competition outside of Auckland.

As she was audited up the Grades of Release, Christine found that her style of play, her temperament and her sportsmanship were greatly improving. Then Academy training consolidated her gains. By applying more Scientology data, she raised her standard of play still further and won the championship.

Christine is already a Class IV Auditor and will be at Saint Hill shortly to continue her training.

EAST GRINSTEAD

There were no half measures when the Madgwick family of East Grinstead discovered Scientology. Every one of this large family has started moving up through the Grades of Release on the way to Clear.

Richard Madgwick met Saint Hill Special Briefing Course student, Jon Rappoport (now an Intern), in a barber's shop in East Grinstead. As a result, he encouraged his sister Maria and her fiancé, John Welford, to accompany him to the introductory lecture. Soon the whole family were Scientologists.

Reg Madgwick and his sons, Harold and Richard, were previously employees in a tree-felling business. They applied Scientology data to their lives and formed their own tree-felling company, with immediate success. Richard declared, "We would never have done it without Scientology. We have definitely increased our ability. There has been a big jump in our wages!"

Maria and Rosalind, both Grade IV Release, are now Saint Hill staff members, and Richard, Grade IV Release, is doing his Level O Academy Training. Reg, Grade IV Release, and his wife, Amy, Grade O Release, their son Harold and his wife Carole, both Grade IV Release, their third daughter, Jane, Grade O Release, and Maria's fiancé, John Welford, Grade I Release, are all moving up the preclear route to Clear.

OUND THE WORLD

DEEP SPACE OPERATOR

LEN SPYKER, Grade IV Release, and a skilled Electronic Technician, was a command operator on the recent highly successful Surveyor V lunar landing mission. It was he who gave remote-control commands from Canberra, Australia, to the spacecraft on the Moon's surface, causing it to dig and analyse the lunar soil. He obtained this important post following his auditing to Grade IV Release.

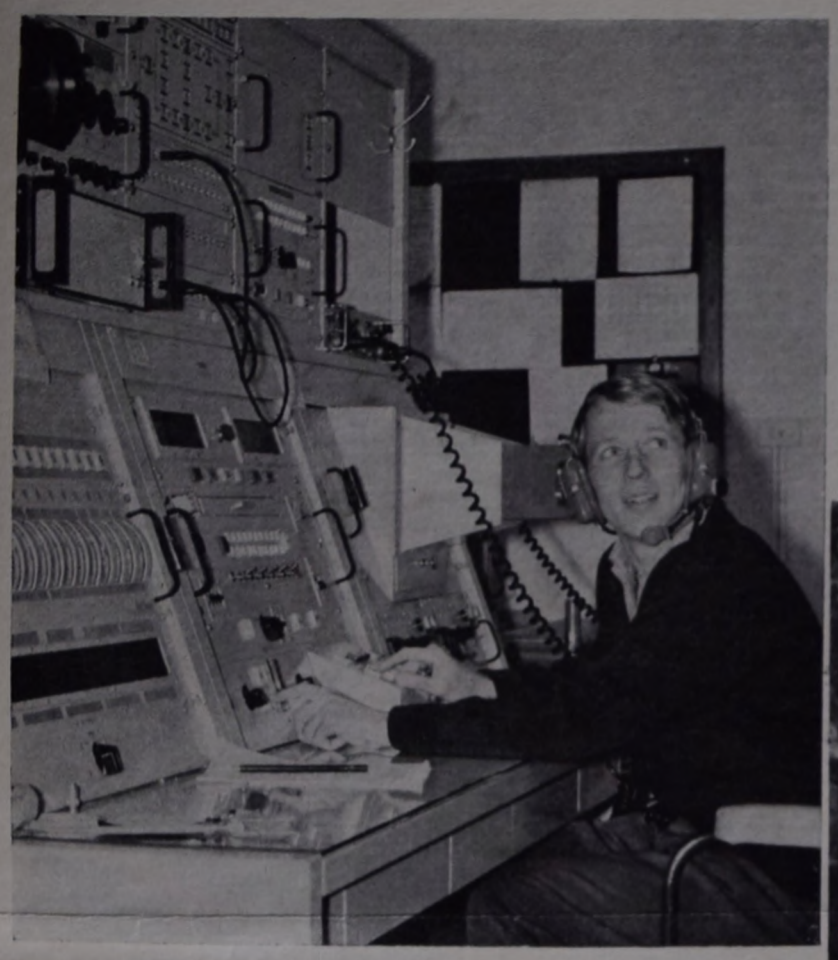

Len has helped to track the Pioneer, Mariner and Surveyor spacecraft in their experimental flights and has been a command operator on the last three Surveyor missions.

In February, 1962, he was training to be an Electronic Technician in Melbourne. He read a friend's copy of "Dianetics: The Modern Science of Mental Health", and his interest was immediately aroused by L. Ron Hubbard's engineering approach to the mind.

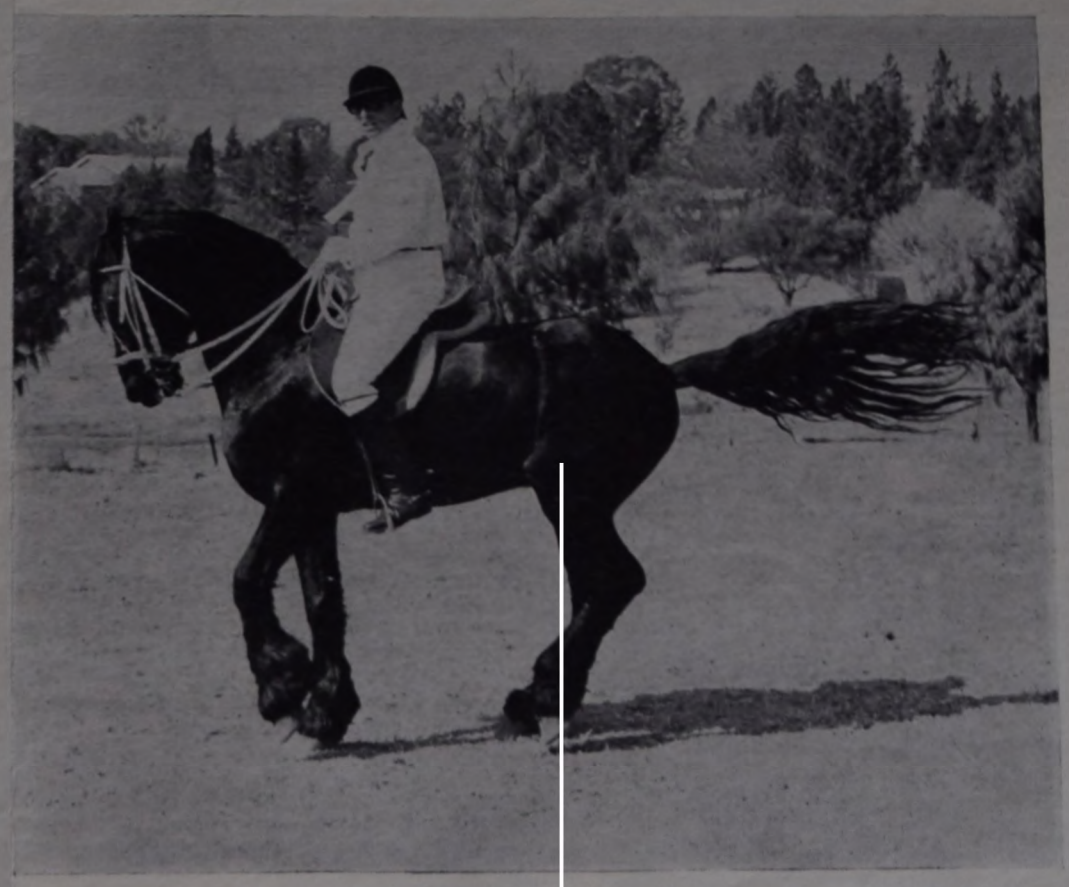

He went on to become a Hubbard Qualified Scientologist and Grade IV Release.

Having decided, in June, 1966, to come to Saint Hill, he resolved to get a higher salaried job. Within two months, he reported, he was in Canberra, at a Deep-Space Station, "earning a fabulous salary".

Len arrived at Saint Hill in October for Power Processing and the preclear route to Clear.

More Money

Lovely BARBARA LINCOLN, Clear 428, has increased her earnings with each new Release Grade attained.

Barbara was a photographic model in June, 1963, when she walked into the Theatrical Agency of Scientologist CLIVE HAMILTON, now Clear 426. Knowing that her communication was not good enough, Barbara realized that the state of Communications Release, described by Clive, was a very desirable state. She promptly had auditing in the London Org.

She soon found that, with each new grade of Release, her wages automatically rose. By the time Barbra was a Grade IV Release, her wages had all but tripled. Now, of course, her earnings are even higher.

After completing her Class O training in London, Barbara came to Saint Hill in January, 1967. Within three weeks she had completed the Solo Audit Course.

Now Clear, Barbara is preparing to do the Saint Hill Special Briefing Course in the very near future.

Her aim is the fullest development of her abilities to contribute to the expansion of Scientology.

The clear face of beauty. Barbara Lincoln, Clear 428, of London.

Shining new Saint Hill Power Release, Maxine Johnson's first desire was to write to her U.S. musical colleagues to disseminate Scientology.

VICTORIOUS SHOW RIDER

ALLAN JAFFE, Grade VA Release and Class I Auditor, of Johannesburg, South Africa, has applied Scientology training methods to horse riding and has scored win after win in riding competitions. He writes, "Since becoming a Scientologist, I have had fantastic gains in my riding."

Allan is the 19-year-old son of JOS JAFFE, Clear 237, and HILDA JAFFE, Clear 294, well-known South African Professional Scientologists. He has been busy finishing his High School studies, but has also trained in the Academy of the Johannesburg Org to become a Class I Auditor.

In 1966, Allan was awarded the title of Leading Dressage Rider (under 21), in the South African "Horse of the Year" show. (Dressage is the training of a horse in obedience and deportment.)

In 1967, he won the same title, for the second year running — a very unusual achievement which few riders have attained.

After this win, Allan devoted himself to his studies and did no more riding for seven months. He did, however, receive Power Processing. Thereupon, he entered an important Transvaal riding event, the Elementary Dressage Tests of the "Spring Show", and won First Prize!

Allan has applied his knowledge of Scientology data and training drills to his horse training and achieved fine results.

In 1968, he plans to come to Saint Hill for the Saint Hill Special Briefing Course, the Internship and the Clearing Course.

CHEMISTRY PROFESSORS PROGRESS

MIKE SMITH, Clear 608, Ph.D. in Chemistry and Assistant Professor at Caltech (California Institute of Technology), recently completed the Solo Audit Course in 16 days.

In April, 1966, Mike attended Introductory Lectures at the Los Angeles Org. He found that he was entirely in agreement with all that he heard and soon began Academy Training. He did the Beginning Scientologist Course and then the Dianetic Auditors Course.

In March, 1967, he joined the staff of the Scientology Foundation of Los Angeles. During this time, he continued to teach Chemistry and to supervise research during the day, at Caltech, where he found a remarkable response among the students to Scientology. Several students from the University of California and from Caltech are already staff members of the Los Angeles Organization.

Mike came to Saint Hill for the Solo Audit Course in August, 1967. He completed the course rapidly and, before returning to California, found time to fly to Munich to address the Third International Organo-Metallic Symposium (an exchange of information on a branch of Chemistry dealing with the formation of carbon compounds on metal surfaces. Carbon is a non-metalic element, or basic kind of matter).

Mike has since checked out as Clear 608.

CONCERT VIOLIST DISSEMINATES

MAXINE JOHNSON, a recent Saint Hill Power Release, is a very active and successful concert violist. She also leads her own chamber music quartet and plays frequently in Los Angeles and New York. In addition to her concert performances as a solo violist, Maxine has played for radio and television and for movie scores. Her latest record features "Tempi Concertati", which was written especially for her.

Although successful, Maxine found that some problems were looming too large. She says, "Performing artists are constantly looking for ways to maintain stability in practise, performance and work. Interferences and personal problems of life can seem unpredictable and insurmountable. There can be great emotional stress".

She came to Saint Hill for Power Processing and is now a student on the Solo Audit Course.

Maxine was pleased to meet a variety of other musicians already at Saint Hill as staff members, students or preclears. They included Lenny Shulman (one of New York's leading tympani players), Chris White (a leading jazz bassist from New York), Detroit Symphony Flute Player, "Gil" Gilman and violinist Phillada Rundberg (formerly with the Hallé Orchestra). Other musician friends of Maxine will be arriving from New York.

Maxine, who intends to take the Clearing Course, is writing to her many friends in America telling them about Scientology and how it can help them too. She points out to them that "in Scientology, aesthetics and art forms and the artist are recognized as valuable". She says, "I have found here a whole vista of new enlightenment and growth".

Mike Smith, now Clear 608, leaves Saint Hill to fly to Munich to give a lecture to a group of fellow specialist Scientists.

BASIC TRAINING FILMS IN COLOUR

Academies of Scientology Orgs will very soon be screening the first of the high quality basic training films being produced, now, at Saint Hill. The series will include films on Affinity, Reality and Communication, and Understanding. Each film follows a special script by L. Ron Hubbard.

The first film to be released, "Affinity", is excellently produced, in colour, and features animated cartoon sequences plus live actors and a fine spoken commentary.

Each person who sees this 20-minute film really learns what affinity is, and experiences a wonderful rise in affinity while doing so!

The second film, "Reality", is already well-advanced in preparation, and work will start shortly on the filming of "Communication", the third part in the series.

These films are for Scientology Academy students and will be shown only in Scientology Academies.

Thok Sondergaard, Clear 318, formerly a popular TV personality from Denmark, creating one of the delightful cartoon sequences of the new Scientology training film, "Affinity".

If you are experiencing any delay in receiving an answer to your communication with an Org, write to the HCO COMMUNICATOR of that Org — he'll speed it up for you.

JOHANNESBURG

INCREASING REACH

DAWN McLURG recently addressed an Order of teaching Nuns on the subject of "Scientology's Contribution to Knowledge". The sisters' enthusiasm was such that she could scarcely get away. A second lecture was immediately scheduled.

Two more very highly trained Scientologists have returned from Saint Hill to further raise the quality of Johannesburg's service. They are OWEN STARKEY, Clear 341, Class VII, and NEVILLE JORY, Clear 305, Class VII, Class VII is the highest professional qualification for an auditor.

AUCKLAND

A recent Dissemination Course run by the Org for its enthusiastic Field Staff Members was a very practical success.

After learning the Dissemination Formula — Contact, Handle, Salvage and Bring to Understanding — the Field Staff Members went out to apply the formula and to sell books to members of the public. Fifteen books were sold and ten new names were obtained in a very short time! The students of the course proved that they could disseminate Scientology.

SYDNEY

The Sydney Org is now running both full time day and evening Level O - III Academy Training Courses, and the Dianetic Auditor's Course. These classes are supervised by PETER SPARSHOTT, Class VII, Clear 254. Enrol any day or night. See the Day or Foundation Registrar.

ADELAIDE

Adelaide Org is expanding rapidly and throughout August and September a large number of new students and preclears flowed into the Org. Adelaide Org staff are eagerly awaiting the return of JOYCE TIDY, Clear 233, who is nearing the completion of her Class VII Internship.

HAWAII

The three-part film, "An Introduction to Scientology", featuring L. Ron Hubbard, is shown on the first Tuesday of each month at 7.30 p.m. sharp. As the name of this film implies, it is an introduction to Scientology, and the ideal way to introduce your friends and associates to Scientology. Parties of 25 or more should be advised in advance, so that adequate seating may be arranged. Write or ring Director of Public Information, Hawaii, for all advance bookings.

VIGOROUS DISSEMINATION

Dansk Scientology Center, Copenhagen, is very actively introducing Scientology to more and more Danes. The latest five Open Evenings, for new people, were attended by between 50 and 100 people each evening. ERIC GYLDENKRONE has placed two Scientology books in each of 77 libraries. Danish Lions Clubs and Rotary Clubs are pressing Erik for lectures on Scientology. Lectures are also planned for Oslo, Norway.

CLEAR RETURNS TO ARIZONA

Scientologists in Arizona are very glad to welcome DR HENRY SCHLICHTING, Clear 488, Class VI, back to Phoenix from a doubly successful trip to Saint Hill, where he recently completed the Saint Hill Special Briefing Course and the Clearing Course.

CORRECTIONS

In Auditor 27, in the list of Saint Hill Special Briefing Course Graduates, the Editor did not indicate that Doris Lambright was awarded Class IV with Honours.

In the Franchise Award of Merit announcement in Auditor 28, the tenth line should read PETER and DORAN GREENE (Phoenix).

FIELD STAFF MEMBER AWARDS (Cont.)

PURPOSE

The purpose of a Field Staff Member is to help L. Ron Hubbard contact, handle, salvage and bring to understanding the individual, and thus the peoples of Earth.

Ten People to Saint Hill

A Saint Hill Field Staff Member earns a 10% commission on all Saint Hill services, up to and including the Clearing Course, taken by his selectee in one visit. Ten payments of 10% commission equal 100%. Therefore, he will actually earn the full price of his **own** route to Clear, simply by selecting 10 people for Saint Hill's advanced services.

The Next Programme

The Fourth Saint Hill Field Staff Member Award Programme began on the 1st October and ends on December 31st, 1967. You can contribute to the expansion of Scientology and receive a good reward for your work by becoming an active Saint Hill Field Staff Member. If you have done any training at Saint Hill or a Grade V Release, write to the Director of Clearing now and you will receive all materials necessary to your successful operation. If you are already a Saint Hill Field Staff Member but have not contacted or selected any students or preclears for Saint Hill services, get moving now. There are millions of people around you who are seeking to be salvaged. It's up to you to reach them and route them to Scientology Organizations for training and processing. Many Saint Hill Field Staff Members are also Field Staff Members for their local Organization. In this way, new Scientologists correctly receive all essential lower level local Organization services before being selected for the higher level services of Saint Hill.

Each award winner is contributing to a better world through the actions of being a Field Staff Member for Saint Hill. By the application of his or her separate skills and abilities, each has demonstrated recognition of the road out, and has acted to help get this road used.

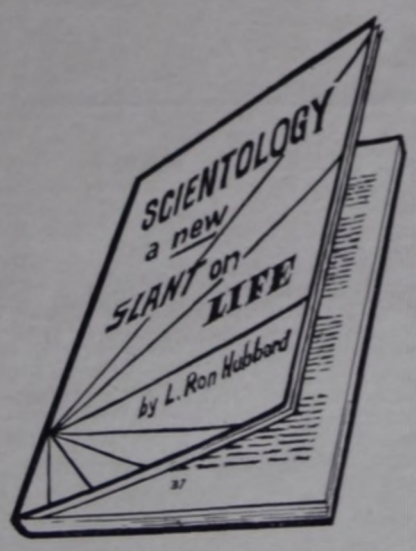

This is appreciated.

The outlook has never been brighter, and each new individual that crosses the bridge makes it stronger.

Man needs only to be shown the way. That's all.

RECOGNITION

"One day, back in 1964, my little neice who was seven, had fallen and was crying. I wanted to console her and just could not. All my efforts were useless; the tears would not stop and her sobbing continued. My failure was a shock to me as I had just passed, brilliantly, my certificate of psychology for children and teenagers at Lille University. What was wrong?

"I abandoned my psychology course and went to England. There I heard about Scientology and Dianetics which, at first, sounded too good to be true.

"I had some auditing in London and knew that something good had happened, so I stayed for Level O training. . . .

"Since then, I have, day after day, increased my reality and knowledge of Scientology. I have validated my certainties, gained others, and found Myself. This is the greatest gain ever because it has answered all the questions over which I had been pondering."

DANIEL ROBAIL,
Clear 526, Paillencourt, France.

A NEW CONFRONT

"In May of this year I set out to start a social club in Crawley for the 18-plus group.

"I very soon formed a committee and we started the club in June. Since then, the attendance has averaged 90 and it has proved to be a very successful club.

"Now before I entered Scientology some years ago, I had been completely ill at ease in confronting. I used to find that more than two others was too large a group to confront. Looking back, I can scarcely recognize myself, I have changed so much through Scientology!

"Now I can confidently handle the organization of a large group of young adults, and not only that, but find myself able to set up the conditions for success of such a club easily."

PETER BANNISTER, Crawley, England.

SOMETHING NEW

"Could you supply me with a further and fuller detailed information concerning your Organization. I picked up a two-page paper with a heading The Auditor 15 Journal from which I read and saw people's photos and Clearing of others and Briefing of others, and I learnt how other people's lives and environment changed.

"I could confirm this slight change in me, because ever since receiving the Scientology book and reading it, I felt some sort of change in attitude, more especially with regard to newspapers.

Yours faithfully,
E. A. SIFIKA,
Bothaville, South Africa.

STUDY TECHNOLOGY APPLIED

"The school work of my seven-year-old daughter, Susan, had deteriorated badly. My wife, Alison, and I checked and found, for example, that out of 20 elementary arithmetic terms, Susan understood only one.

"We decided on a programme, based on Ron's lectures on Study, to help Susan through this, and started immediately.

"Shortly after we started our programme, Alison picked Susan up from school, and as she got into the car she said, "Mommy! I got ten out of ten for spelling again!" Alison acknowledged her, and Susan replied, with her face absolutely glowing, "Yes, it makes you feel so happy inside when you do that".

"So thanks to Ron for his work on how to study, we now have a happy, successful daughter who, under existing educational methods, had been doomed to failure."

JACK PARKHOUSE,
Class IV, Cape Town, South Africa.

A NEW LIFE

"In 1952, a neighbour came over to my house with a book called "Dianetics: The Modern Science of Mental Health" by L. Ron Hubbard. I told him, 'I don't know anything about that kind of stuff'. He was a Doctor and I was a railroad engineer.

"I read the book once and then re-read it right away. I decided to see if there was any truth in it and to see if it really worked. I went to Wichita, Kansas, got on to my first training course, and had many terrific gains with my preclears. I've been in Scientology ever since and have gone all the way to Clear.

"As a young man, I did not trust people and thought very little of myself. In Scientology, I have experienced a rebirth in being able to really be myself and to have a real affinity for others and an ability to communicate with them."

CHARLES REISDORF,
Clear 317, Mason City, Iowa.
