THE AUDITOR

WORLD 32 WIDE

Special Issue

THE JOURNAL OF SCIENTOLOGY

SPECIAL ANNOUNCEMENTS

By L. Ron Hubbard

L. Ron Hubbard sent the following International telexes to Saint Hill on the 8th January, 1968, with instructions that the full text be printed in a special issue of The Auditor. Ron wants you to know the full facts and exactly what is going on.

Here are Ron's special messages to you:

NO PLAN TO MOVE SAINT HILL

"World Wide remains in United Kingdom. There is no plan or intention to move World Wide much less Saint Hill Organization now or in the future. All Orgs being formed elsewhere are for activities above levels taught and used at Saint Hill or in Orgs controlled by World Wide. The vessel which was being purchased for World Wide has been cancelled. Three vessels now in operation overseas are devoted to advanced levels only. These levels are attained only through services of outer Orgs and World Wide and Saint Hill. At least one Org is devoted not to courses but OT operations intended to safeguard Saint Hill, World Wide and outer Orgs against any opposition. The mission being a safe planet for Scientology."

CLEARING COURSE AT SAINT HILL

"It was thought for a while that the Clearing Course and OT Course Sections One and Two would only be taught at the Advanced Org but volume and demand is such they will also continue to be taught in England as well as at the Advanced Org. The Advanced Org specializes in the higher OT Courses OT Three OT Four and OT Five. You can enroll at once in the Solo Audit and Clearing Course in England just as always. The high record of the Clearing Course in the United Kingdom continues. The new fast flow system without examination is now in England."

Preliminary work already under way on the new wing to the Saint Hill Castle.

SAINT HILL IS HERE TO STAY!

A recent rumour that Scientology activity was to be moved away from Saint Hill and England is nonsense and quite false. In fact, Saint Hill is currently the scene of unprecedented Scientology activity.

East Grinstead residents are just beginning to awaken to the giant within their midst. A recent front-page newspaper article headlined and validated Saint Hill as East Grinstead's biggest business. However, Ron has stressed that East Grinstead people need to fully recognize Saint Hill as *the* up-statistic organization within their midst or future plans may be made to relocate Saint Hill services elsewhere.

L. Ron Hubbard

FAST FLOW SYSTEM

The fast flow system without examination is now in at St. Hill. All students, preclears and staff now operate on the new fast flow system. All actions which may stop or impede a person's progress have been removed. There are no more written or practical examinations. All a person has to do is complete the requirements and attest that a level of training or grade of release has been achieved. The new fast flow system really flows fast and students and preclears are moving even faster through courses and processing. This streamlining at St. Hill actually means that a greater number of students can receive St. Hill services at any given time and has greatly improved efficiency.

Continued on page 2.

Clearing Course at Saint Hill

L. Ron Hubbard has emphasized that the Clearing Course and Sections I and II of the OT Course will continue to be run at Saint Hill, as well as the Advanced Organization and will be administered by highly qualified Clears of the World Wide Organization at Saint Hill. The superb achievements of these beautifully run courses will continue to be available at Saint Hill despite an earlier possibility that they might be moved to the Advanced Organization.

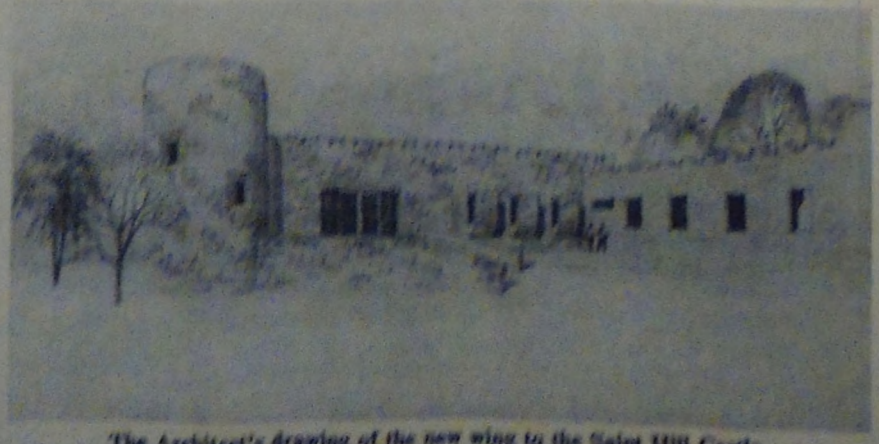

Students graduating from either the Saint Hill Special Briefing Course or the Solo Audit Course are eligible for an invitation to enrol immediately on the Clearing Course.

New Clears, as they emerge in ever-increasing numbers from the Clearing Course, are eligible to be invited to enrol on Section I of the OT Course.

The gradient is very smooth at Saint Hill and students, under the close supervision of their course supervisors, proceed directly and effortlessly upward on the road to Total Freedom.

In a unique place in the world, Saint Hill, England, a being can expand from Grade IV Release, up through Power Processing to Grade VA Release, to Grade VI Release through training on the Saint Hill Special Briefing Course or the Solo Audit Course, then up to the state of Clear on the Clearing Course and, still further, to the states of Grade I and Grade II OT!

There has never been a place like Saint Hill. Come to Saint Hill now and expand!

SAINT HILL IS HERE TO STAY (Continued)

PROJECT CASTLE

Saint Hill, the most famous Scientology Organization in the world, has just entered an exciting new phase of expansion and is being further reinforced and developed on L. Ron Hubbard's orders.

The continual demand for Saint Hill's unique services, especially Power Processing and the Saint Hill Special Briefing Course, is mounting at such a rate that Ron has ordered that Phase 3 of Project Castle be brought forward and completed by the end of 1968. Preliminary work on this new wing to the Saint Hill Castle has already begun. Phase 4 will be completed by 1970.

DESTINED TO EXPAND

In 1968, Saint Hill will continue its dynamic expansion. It is the only Organization in the world where the matchless Power Processes are given. Only Saint Hill has the highly qualified team of trained Class VII Scientologists necessary to deliver this unique processing swiftly and perfectly. Power Processing, given at Saint Hill by the world's best auditors, is a vital step on the road to Clear.

In addition, Saint Hill is the home of the superb Saint Hill Special Briefing Course. Many hundreds of Scientologists have already taken the course. At the last count, there were 24 Clears on the Briefing Course, including five Grade II OT's. Increasing numbers of Scientologists are demanding training as they recognize that only *trained* Scientologists have the tools to help others to achieve higher awareness and abilities. L. Ron Hubbard has recently stated, "The fast road to Clear that is certain is the Saint Hill Special Briefing Course". Saint Hill and the Saint Hill Special Briefing Course are destined to expand very powerfully in 1968.

Scientology expansion never stops. Now, in 1968, Scientology Organizations are already expanding at a fantastic rate. Saint Hill, and the 21 already established Scientology Organizations throughout the world, are thriving. Each Organization specializes in delivering in its own level of services. Many more Scientology Organizations will be formed in 1968 and coming years to handle and deliver the full range and power of Scientology activity today.

WORLD WIDE

The World Wide Organization at Saint Hill provides high-level Executive guidance and service to junior Scientology Organizations throughout the world. L. Ron Hubbard has developed and formed a seven-section organization called the Publications Org. WW, which runs on a seven-Division Organization Board, as a self-operating organization within the World Wide Organization itself. The Publications Org. WW is actually a fully operating publishing company, producing the world's supply of Scientology books, magazines, E-Meters and all Scientology printed materials.

TOO BIG FOR ONE PLACE

In 1967, it became apparent that senior Scientology activities and services at Saint Hill were growing too big to continue to operate in the one place, so L. Ron Hubbard established the Advanced Organization to run the Clearing Course and all OT Courses, specializing in the more advanced sections of the OT Courses, Sections Three, Four and Five, and the Sea Organization, specifically designed and intended to safeguard the Organization of Scientology against any opposition.

HERE TO STAY

Saint Hill will continue to provide its unique special services, including Power Processing, the Saint Hill Special Briefing Course, the Organization Executive Course, the Clearing Course and OT Course Sections One and Two.

SAINT HILL IS HERE TO STAY!

The Sheer beauty of the data of Scientology gives great pleasure to all Saint Hill Special Briefing Course Students.

Saint Hill's 1968 Programme

Saint Hill's programme for 1968 will feature many important events.

★ Early in the year, in response to strong public demand, Saint Hill will replay L. Ron Hubbard's special tape recorded message to Scientologists, "Ron's Journal '67". The first playing of this tape on 17th December, 1967, was an inspiring experience for an audience of 500 Scientologists.

★ During the Easter weekend, i.e. 13th, 14th and 15th April, 1968, the first of a series of important Field Staff Member Training Courses will be held at Saint Hill for Saint Hill Field Staff Members.

★ The first Field Staff Member magazine, a very attractive publication, will be going to Field Staff Members to greatly help them to disseminate Scientology in their areas.

★ Special attention and service will be given by Saint Hill to Franchise Centres in the United Kingdom to help the planned establishment, in 1968, of new Scientology Organizations in the West and in the North of England, and in Scotland. As part of this service, technically trained Saint Hill staff members will visit Scientology Centres to help all Field Staff Members to move quickly on the Road to Total Freedom.

★ Students and preclears at Saint Hill will benefit from a mobile canteen service which will provide hot meals throughout the day.

★ In addition to Phase 3 of Project Castle, the woodland area adjacent to the Saint Hill Castle will be beautifully landscaped this year. There will also be a new road to cope with the heavy traffic pouring in to Saint Hill daily.

★ The big public event of 1968 will be an historic, first-ever congress—the first All-European International Scientology Congress. All European Scientology Organizations and Franchise Centres will be contributing to this exciting event under the leadership of Saint Hill. It will be held in London on the 31st August and 1st and 2nd of September.

In addition to these activities all the regular Saint Hill training and processing services will be operating with vigour to make 1968 the biggest yet for Saint Hill.

HIGH-LEVEL SCIENTOLOGY SERVICES AT SAINT HILL

Saint Hill provides special services not to be obtained in any other Organization. As planned by L. Ron Hubbard, Scientologists obtain their lower-level training and processing in their nearest Organizations and then come to Saint Hill for advanced training and processing.

Saint Hill Special Briefing Course

This is the course for professional auditors and Clears. The beginning student is already a Hubbard Professional Auditor, Class III, or has an old HPA/HCA Certificate attained before the levels of training were established, or is Clear. The course trains the highly respected and valued Class VI Auditors of the world.

The Class VII Internship

Interns on the Class VII Internship are graduates of the Saint Hill Special Briefing Course. Only Interns and Class VII Auditors audit preclears on the Power Processes, essential to every Scientologist on the route to Clear. They also learn the full technology of Scientology administration. Class VII Auditors are at the summit of technical excellence.

The Solo Audit Course

The Solo Audit Course was designed by L. Ron Hubbard to prepare Scientologists who wish to follow the non-professional route to Clear for the Clearing Course. The student learns to audit himself to Grade VI Release.

Power Processing

The next step for Scientologists who are already Grade IV Release is to come to Saint Hill for Power Processing to Grade V and Grade VA Release. The world's best auditors deliver these unmatchable processes only in the Hubbard Guidance Centre, Saint Hill. Power Processing restores the ability to live life successfully and with power.

The Organization Executive Course

L. Ron Hubbard's masterful technology of administration is taught at Saint Hill with the expert supervision for which Saint Hill is famous. Graduates of this new course are fully equipped to make any kind of organization expand and flourish.

The Clearing Course and OT Course Sections One and Two

These Advanced Courses are now fully available at Saint Hill, as well as at the Advanced Organization.

The range of services and the high calibre of the delivery of service makes Saint Hill unique in Scientology and of very great value to Mankind.

Alan Walter, Grade IV OT, to return to U.S. to set up more Scientology Centres

ALAN WALTER, Clear 8, Grade IV OT, Class VI (Honours) Auditor, and a Sea Org Officer has a splendid record of achievement in Scientology.

Now, Alan has been specially appointed by L. Ron Hubbard, to return to the United States to set up more Franchise Centres.

Alan's ability to create dynamic, expanding Franchise Centres has been proved again and again. In 1964, he took over the Franchise Centre in Dallas, Texas, and infused it with life. Old-time Scientologists and Dianeticists and new Scientologists flocked to the centre and it was soon moved to very handsome, new and larger quarters with more classroom space to meet the demand for service. Shortly afterwards, Alan was awarded special training in Rehabilitation technology at Saint Hill. Alan has repeatedly flown from the United States to Saint Hill to keep himself abreast of the latest technology.

In August 1966, Alan opened a new Franchise Centre in Saint Louis, Missouri, and quickly caused it to flourish. By November 1967, he had added another centre, this time in Boston Massachusetts. Early in 1968 he will open four more centres—Cleveland, Ohio, Kansas City, Kansas, Washington, Missouri, and West Frankfort, Illinois.

A feature of Alan's brilliantly successful pattern of operation is that he always ensures that his staff attend the Saint Hill Special Briefing Course. Each centre is headed by a Clear Saint Hill Special Briefing Course graduate. He has a very high interest in helping his staff to improve their abilities and to maintain high technical and ethical standards.

Alan is an outstandingly active Field Staff Member and each of his centres selects Scientologists to the Organization nearest to the centre for further services prior to their departure for Saint Hill. The flow of people through Alan's chain of centres is such that 26 of today's Clears have passed through the Dallas centre alone.

Alan, one of the first Clears and first Grade IV OT's in the world, an Honours Graduate from the Saint Hill Special Briefing Course and now, a Sea Org Officer, brings a truly formidable array of abilities and technical skills to his special mission.

His immediate intention is to have a dozen U.S. Franchise Centres running full blast within six months.

John McMaster, the world's First Clear to tour all Orgs

JOHN McMASTER, Clear 1, Grade Four OT, and Class VII (Honours) Auditor, is the best-known Clear in the world.

When he checked out as Clear No. 1, on March 8th, 1966, in the Qualifications Division, Saint Hill, a new era began for Mankind. L. Ron Hubbard's promise to Scientologists was magnificently fulfilled and the state of Clear became a beautiful reality. After John 'broke the ice', more and more Clears checked out and now nearly 1,000 Scientologists have reached the previously unattainable state of Clear.

John, who has worked very closely with L. Ron Hubbard for years, has developed his gifts as a lecturer to brilliantly communicate Ron's intentions and plans for the future to members of the public, Scientologists in the field, and staff members of Scientology Orgs.

As Ron's ambassador, he has spoken for Ron to millions on radio & T.V. in the US In 1966, after becoming the world's first Clear, John was sent by Ron to visit all the Orgs in the United States, where he was the inspiring proof that Ron had done it! Many Scientologists date their decision to come to Saint Hill, as soon as possible, from the time they heard John bringing Ron's message to them.

John McMaster, the World's First Clear, a real terminal to all who meet him.

Being the first Clear and using his gift for revealing the far horizons of Scientology, John has also inspired audiences in such diverse places as Oxford University, Copenhagen and Paris. He has also visited South Africa to lecture.

Now, on a special mission for Ron, John is to visit each of the 21 Scientology Organizations in the world. John's tour started at Saint Hill on 14th January. See back page for John's full itinerary.
