SAINT HILL EXPANDS

NEW NINE DIVISION ORG

Saint Hill has just expanded into a new Nine Division Organization. The Distribution Division, previously Division 6, has been expanded into three new Divisions. These three Divisions are the Public Planning Division, the Public Activities Division and the Success Division. The personnel in these new Divisions will step up and increase the reach of Scientology into the public at large throughout the world. This will mean a tremendous increase in the number of new Scientologists. The former Department of Success has become a Division in its own right, by necessity, in order to properly receive and distribute the thousands of successes sent in by Scientologists.

The time has come for Scientology to channel its power into wider areas and the Saint Hill Organization is going to pilot this expansion.

THE ROAD

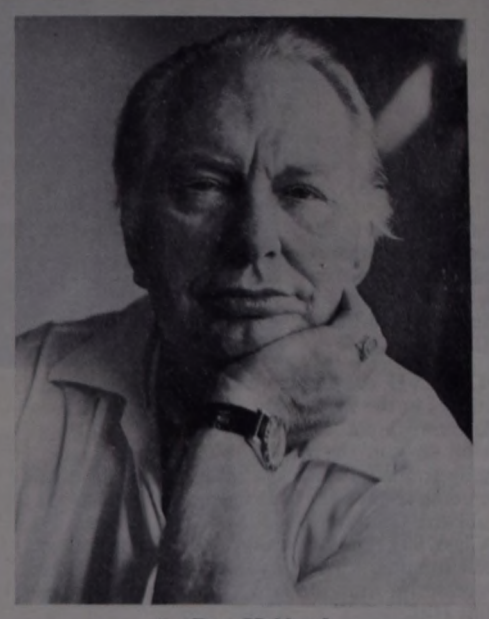

L. Ron Hubbard has developed the road to Total Freedom and it goes all the way to the other side of the Bridge.

Part of your exciting journey will be through Saint Hill. At Saint Hill, you can take up to six of these famous expanded Saint Hill services:

Power Processing
Saint Hill Special Briefing Course
Class VII Internship
Organization Executive Course
Hubbard Dianetic Auditor Course
Solo Audit Course
Minister's Course
Clearing Course
OT Course Section I
OT Course Section II

The astonishing services at Saint Hill are a continual wonder to those who receive them. How can anything be so good? It can be, and it *is*, at Saint Hill. Come to Saint Hill now.

GENERAL AMNESTY

L. Ron Hubbard

To celebrate the survival of Scientology for eighteen years and its steady growth despite all opposition, a general amnesty is declared, requiring only a report of acceptance to the nearest org. All Ethics Officers are ordered to reopen all dead files and restore all conditions to normal as of 1 January, 1968.

RON'S JOURNAL '67 AT SAINT HILL

Special pre-Xmas event of December at Saint Hill was the public tape play of Ron's Journal '67 on Sunday, 17th December.

Ron's Journal '67 was attended by over 500 Scientologists.

News of the event was spread by word of mouth, telephone calls, and all Franchise holders in the British Isles were cabled. A party of seven led by Johannes Berggreen motored from Gothenburg, Sweden. The trip took 36 hours. After the tape play the party left immediately to return to Sweden in time to be ready for business as usual on Monday morning. Scientologists came to Saint Hill from all over Britain.

Four of the large classrooms at Saint Hill were prepared for the event, using the new high fidelity sound system equipment, as ordered by Ron at Saint Hill, on a special hookup from the new Electronic Central Control Point. Liaison between important staff members was maintained with walkie talkie communication units.

Ron's startlingly frank talk to Scientologists the world over held the audience spellbound for 45 minutes. Afterwards, there was a clamour to buy books (hundreds were sold) and sign up for more training and processing in order to keep moving on the road to total freedom, and meet Ron on the other side of the Bridge. Many Scientologists also signed up to join Saint Hill staff.

Ron's Journal '67 is being played at all Scientology Organizations. Hear Ron's Journal '67. It is a very important message from Ron to you.

If you haven't heard Ron's Journal '67, write to the Distribution Secretary of your nearest Organization (see addresses on the back page) and demand to hear it.

STOP PRESS! THE FIRST GRADE III OT WAS ANNOUNCED FROM THE ADVANCED ORG ON JANUARY 4th, 1968, AS CHRIS WEIDEMAN OF JOHANNESBURG, SOUTH AFRICA.

THE IDEAL ROUTES TO TOTAL FREEDOM

There is an ideal route for Scientologists who want to take either the Professional or Non-Professional Route to Clear and beyond.

The Professional Route is the Ideal Auditor route. It is the most important route to Clear and beyond. This route produces trained Scientologists who can contribute to the growth of Scientology on their way to Clear and beyond by auditing and training others or working in an org or in the field.

The Non-Professional Route is the Ideal Preclear route to Clear and requires the minimum of training in order to be eligible for the Clearing Course.

The following steps are taken in this exact order:

THE IDEAL AUDITOR ROUTE

1. Personal Efficiency Course	**Local Org**
2. Hubbard Apprentice Scientologist Course	**Local Org**
3. Hubbard Dianetic Auditor Course	**Local Org**
4. O to IV Grade Processing	**Local Org**
5. Academy Training to Class IV	**Local Org**
6. Power Processing	**Saint Hill**
7. Saint Hill Special Briefing Course (includes Solo Audit training to Grade VI)	**Saint Hill**
8. Clearing Course	**Saint Hill and Advanced Org**
9. Class VII Internship	**Saint Hill**
10. OT Course (Sections 1 and 2)	**Saint Hill and Advanced Org**
11. OT Course (Section 3 and above)	**Advanced Org only**

THE IDEAL PRECLEAR ROUTE

1. Dianetic Auditor's Course	**Local Org or Saint Hill**
2. O to IV Grade Processing	**Local Org**
3. Power Processing	**Saint Hill**
4. Solo Audit Course (to Grade VI)	**Saint Hill**
5. Clearing Course	**Saint Hill and Advanced Org**
6. OT Course (Sections 1 and 2)	**Saint Hill and Advanced Org**
7. OT Course (Section 3 and above)	**Advanced Org only**

Where a Scientologist taking the Ideal Preclear Route has done earlier Academy training, the Hubbard Dianetic Auditor Course is not necessary.

L. Ron Hubbard recommends the Ideal Auditor Route for all Scientologists. This is the route which produces trained Auditors—the most valuable and causative Beings in this Universe. Come join them.

ACHIEVEMENT ON THE CLASS VII INTERNSHIP

Jon Rappoport addresses the student body at Saint Hill on the day of his Graduation from the Class VII Internship.

Class VII Auditors are the most honoured auditors in the world. By completing the Class VII Internship at Saint Hill, Class VI Auditors go on to join the ranks of the world's most highly trained auditors, and on completion of the course are awarded the certificate of Hubbard Graduate Auditor, Class VII.

Class VII Auditors, alone, are permitted to audit the unique, powerful and precise, Power Processes in the Hubbard Guidance Centre at Saint Hill.

Interns are Organization staff members, receive good pay and weekly bonuses for successful auditing in the Saint Hill Hubbard Guidance Centre.

CLASS VII IN 16 WEEKS!

JON RAPPOPORT, Clear 460, recently completed the Internship in only 16 weeks! He said of the Internship:

"The Internship has given me the opportunity to expand my sphere of operation. I found that many of my problems were based on the fact that I considered I was just operating for myself alone.

"My goal is to help people. Since doing the Internship, I am so much more able to do so. Help is very beautiful and precise on Level VII. There is nothing like it in the world.

"I decided, as an Intern, to be at cause. My ability to confront increased enormously and I used the exact technology of Scientology, so I could not help winning."

Jon is now Intern Supervisor, Saint Hill.

FOUR CLASS VII's IN THE FAMILY!

When KATH GRAHAM graduated Class VII in November, she became the fourth member of her family to attain Class VII. They are also all Clear.

Kath's sons, MICHAEL and PETER GRAHAM, are Executives in the Scientology Organization in Perth, and her daughter, JUDY ZIFF, is Editor of The Auditor in the Department of Publications in the World Wide Organization.

Kath was the first to come into Scientology, which she did in 1957, and the first to come to Saint Hill for the Saint Hill Special Briefing Course, in 1963.

Of the Internship, Kath says, "This has been a wonderful experience. The Class VII Internship is a very exciting course and very rewarding. I've learnt so much in such a short time. It has been a great privilege."

Kath is Clear 270 and has achieved Grade I OT, and is currently on staff at Saint Hill.

Kath Graham and her daughter, Judy, gaily trace their route to Class VII on the Classification, Gradation and Awareness Chart.

FAST PROGRESS ON THE SAINT HILL SPECIAL BRIEFING COURSE

Many students on the Saint Hill Special Briefing Course are completing the course in very fast time. Most students complete the course within the 28 weeks prescribed, and more and more are completing the course in phenomenally fast time.

HONOURS!

Two Clears recently completed the Briefing Course in 14 weeks, and were awarded Class VI with honours. They are Snooky Weiss, Clear 339, Grade I OT, and Bill Deitsch, Clear 229, Grade II OT. Snooky and Bill worked together as twins on each level. Neither of them had done any previous training, other than the Solo Audit Course.

Snooky Weiss and Bill Deitsch are both from New York. Bill Deitsch is an accomplished jazz pianist and Snooky is a jazz singer. Both report fantastic increases of artistic ability since being at Saint Hill. Though both are of professional standard, they are now professional Scientologists. Snooky is already on the Class VII Internship and Bill is to commence soon.

Snooky said: "It's been a very exciting experience for me because I had no earlier training, so the Briefing Course was my first experience of auditing preclears. It was great."

Bill said: "I'm a Grade II OT, which I achieved during the Briefing Course. Even at that time, I stood on no firm foundation and did not feel really secure as a Scientologist, until I had finished Level VI on the Briefing Course. It's like the ground, you know. It's holding me straight and firm."

17 weeks

Richard Bizzell, of Durban, did all his lower level training and processing in Durban, where he was a staff member before coming to Saint Hill for the Saint Hill Special Briefing Course.

Of the Briefing Course, Richard said, "It was a really fantastic course. It got easier and easier as I went up the levels. The course is so professional and so polished. I met many wonderful beings and experienced a tremendous increase in understanding for my fellow beings. A truly wonderful course."

18 weeks

Delwyn Byrne, of Melbourne and Perth, Australia, came to Saint Hill as Delwyn Sanderson, and within a few short weeks, had met and married James Byrne, Class VI Honours. Delwyn did her Hubbard Professional Auditor Course in Melbourne at the age of 16, and became a very successful Auditor in the Hubbard Guidance Centre. Later, Delwyn moved to Perth, where she also worked in the org, prior to her coming to Saint Hill for the Briefing Course.

Delwyn ably applied herself to her studies on the Briefing Course and completed the course in record time.

19 weeks

Charles Groff, Clear 369, is another Clear on the Saint Hill Special Briefing Course. Though from Miami, Charles and his wife Joanne, Clear 605, found Scientology in Las Vegas, after a lecture by Allen Kapular in a Las Vegas nightclub. Charles went to Los Angeles, where he had O-IV processing, then came to Saint Hill for Power Processing and the Solo Audit Course. Soon after he checked out as Clear 369, Charles enrolled on the Saint Hill Special Briefing Course.

Of the course, Charles said, "It was a fantastic experience. The training at Saint Hill was beautiful. I'm so glad I did it. I have gained knowledge and the ability to use it."

Charles is now working in a Franchise Centre in New York.

20 weeks

Helen Kepple, now Clear 688, of New York, is another of the youthful fast students on the Saint Hill Special Briefing Course. Helen is a former student of classical ballet and studied at a leading ballet school for some years.

At the end of her 20 weeks on the Briefing Course, Helen had this to say: "The Briefing Course trained me to become an Auditor and also gave me the confidence and responsibility as a being that I have been hoping to attain for a long time. It is a tremendous education. My willingness to be part of a group, and gaining the technology to be able to contribute to that group, as well as myself as a being, expanded so fantastically. The Communication Cycle is the most profound and beautiful thing I have ever studied."

20 weeks

Craig DeFan, now Clear 668, of Guadalajara, Mexico, got his HPA in London, and completed the Saint Hill Special Briefing Course in 20 weeks. Craig had this to say about the course:

"The Briefing Course is fabulous in every way. It quite lived up to all my expectations and more. I gained the technology to make me and others freer and freer.

"I started the course with a desire to be cause which definitely helped me to be a fast student on the Briefing Course. There is no rush and nothing is denied. There is real help. In earlier studies, I needed to be pushed through, but on the Briefing Course I did it myself. My understanding of every aspect of technology just kept on expanding, as I progressed up the levels.

"Scientology started, for me, by someone wanting to listen to me. Now I want to listen to someone else."

Craig is now on the Saint Hill Class VII Internship.

THE DEVELOPMENT OF SCIENTOLOGY TRAINING

Since 1950, L. Ron Hubbard has trained Scientologists to apply Scientology data and technology. He has developed Scientology training methods to such a degree that an untrained Scientologist today can confidently start training at the lowest level and know that he can reach the top.

Ron has given over 5,000 lectures, written 30 books, hundreds of training bulletins, given congresses, designed and supervised training courses and refined training methods to a point of near perfection.

EARLY TRAINING

In 1951, he trained Hubbard Dianetic Auditors in Wichita, Kansas. Later the centre of training moved to Phoenix, Arizona.

The conference which Ron arranged in 1952 in Phoenix was actually the first of the many Congresses which were to come.

Also in that year, Ron gave the now famous Phildaelphia Doctorate Course to train Scientologists to the level of Doctor of Scientology.

In 1953, in Camden, New Jersey, Ron gave the first of the Advanced Clinical Courses (A.C.C.). Over the next seven years, Ron gave 33 A.C.C's, bringing the most advanced training available to auditors in the U.S.A., England, South Africa and Australia.

It was during the Third A.C.C. in 1954 in Phoenix, Arizona, that Ron delivered his famous Phoenix Lectures.

THE ACADEMY

Academy training was fully established in 1954 and 1955. Washington, D.C. was the first Scientology Organization whose training section was called The Academy. Graduates from Scientology Academies received the Hubbard Certified Auditor Certificate in the U.S.A. and the Hubbard Professional Auditor Certificate in England and the Commonwealth countries.

THE E-METER

Development of the E-Meter commenced in 1952 but it was not until 1958 that the E-Meter was ready to become part of Scientology Academy training. Thirty hand made prototypes of the forerunner to the present Mark V E-Meter were put through their paces in the 19th A.C.C. in Washington, D.C. early in 1958. By 1959, E-Meter training had become an integral part of Scientology training and processing. A Scientology Auditor cannot audit a preclear without a Mark V E-Meter.

SAINT HILL SPECIAL BRIEFING COURSE

In April, 1961, Ron established the Saint Hill Special Briefing Course, which provided the answer for routine higher level training above HPA/HCA. Students came to Saint Hill from the four corners of the earth in order to raise their auditing skill to the highest possible level. Graduates of the Briefing Course in '61 were awarded a Class II Classification. By 1964, Saint Hill Classification had grown to Class VI, and included the award of Solo Audit training to Grade VI, which is necessary to enrol on the Clearing Course.

THE LEVELS

In 1964, the levels of training emerged and by early 1965 became firmly established as Levels O to IV, each level comprising a Certification and a Classification Course. Higher training to Class VI is only available at Saint Hill.

STUDY TECHNOLOGY

Also in 1964, Ron's researches into the technology of study resulted in a new discovery—the technology of study, which has revolutionized study and ways to study, and when applied, completely handles problems and upsets resulting from study. The study technology reinforced the levels of training and opened the way towards faster training in Scientology Academies.

616 North 3rd Street, Phoenix, Arizona, as it is today. The first Scientology building in Phoenix.

CLASS VII

The development of Power Processing in early 1965, heralded the formation of a new, different, even higher level of training at Saint Hill—the Saint Hill Internship, which produces Class VII Auditors. On this course, students are organization staff members, and are regarded as professionals from the first moment of enrolment. They audit in the Saint Hill Hubbard Guidance Centre, receive very intensive training in Scientology technology and administration, and emerge top flight Scientologists in every sense of the word.

STUDENT PRECLEARS

Up until this time, Scientology students co-audited on training courses in order to gain the necessary auditing experience. As most of the Academy and Saint Hill Special Briefing Course students were already released on Grades O to IV, students were then required to go out and disseminate and find their own preclears to audit for Classification.

DIANETIC AUDITOR'S COURSE

The discovery of floating needles and the Grades of Release in 1965 resulted in much faster Releasing on each Grade and additional training was needed to provide enough auditing experience for Scientology Academy students. Thus, a new course entered into Scientology Academies in 1966—the Hubbard Dianetic Auditor's Course. Dianetic Auditing is for practice only and is not part of standard Scientology processing. The Hubbard Dianetic Auditor's Course is now the training prerequisite for Section III of the O.T. Course.

SOLO AUDIT COURSE

In order to provide a route to Clear for untrained Scientologists, Ron formed another Saint Hill training course in October 1965—the Solo Audit Course. This course is brilliantly devised so that a student learns basic technology of Scientology and how to solo audit himself to Grade VI Release and later, Clear.

ORGANIZATION EXECUTIVE COURSE

The latest 1967 addition to Scientology training is the Organization Executive Course at Saint Hill. This course is run like any other Scientology training course, with a good balance of theory and practical technology to be covered. This is the first time that Scientology administrative technology has been available to non-organization Scientologists and the executives and would-be executives of the world.

In only 15 years, L. Ron Hubbard developed a flawless gradient of training, an exciting technology of study and an effortless road to Total Freedom for all.

NEWS FROM AROUND THE WORLD

CONCERT ARTIST COMPLETES THE BRIEFING COURSE

Exceptionally talented professional violinist, LIESEL SOLEY, Grade VI Release, Class VI Auditor, heard about Scientology in New York in Septemner 1966. Partly laying aside her musical career for a while, she devoted herself to training in Scientology and followed the training route through the New York Org and Saint Hill to become a Saint Hill Special Briefing Course Graduate on 29th October, 1967. She completed the Briefing Course in 25 weeks.

Liesel has already attained a high plane of artistry as a violinist, but knows that her abilities will now reach unprecedented heights.

Coming to England for the Saint Hill Special Briefing Course was Liesel's fourth visit to Europe. Previously she toured Europe as a member of the famous Juillard School of Music orchestra. Later she won a scholarship for studies in Fontainebleau, France, and was again in Europe studying the violin in Paris, as a Fulbright Scholarship winner.

At a concert in New York, prior to her departure for Saint Hill, Liesel performed with the Mozart Orchestra of New York and found that this chamber music group included five Scientologists. Among them were Maxine Johnson, Grade VI Release, and Joanne Lunde, Grade VA Release, both now at Saint Hill, and Hose Berger, due at Saint Hill very soon.

Following the Clearing Course, Liesel intends to expand her career as a concert violinist and to forward Scientology as a Franchise Auditor.

SCIENTOLOGY SCHOOL IN DENMARK

Denmark is the scene for a new and exciting Scientology venture.

Active Danish Scientologist, GEORG BERGGREEN, Grade VI Release, is pioneering Denmark's first Scientology school.

The ARC School, on a 150 acre farm 25 kilometres from Copenhagen, has opened with Georg as the Headmaster, supported by three more teachers who are Scientologists; Georg's wife, BENTE BERGGREEN, Grade VA Release, STEEN HERDEL, Grade IV Release and ASTRID V. WEBBER, Grade IV Release.

While teaching music in a Teacher's Training College in Vordingborg, Georg, a Scientologist since 1961, bought the L. Ron Hubbard tape-recorded lectures on Study and Education and applied the data with great success in his teaching work.

In 1964, following auditing in the London Org, Georg decided to start a Scientology school. By 1966, he had the support of many Danish parents who wanted their children educated in a Scientology environment. By September, 1967, the arrangements were complete and the school opened, on the 2nd of October.

The usual school subjects are taught but the pupils work together in groups with a teacher as a supervisor. If a child experiences difficulty, he receives individual guidance from the teacher, who helps him to clear up anything he has misunderstood.

Communication is stressed and the central building of the school is the Communications Centre and social meeting place.

The pupils of the ARC school are very fortunate. They are learning with real understanding

DISC JOCKEY SINGS

MIKE BUCK, Grade III Release, started a successful new career as a singer after his auditing.

Already busy and popular as a leading Disc Jockey in Perth, Western Australia, Mike now also makes records and fills night-club engagements. Another gain is that Mike now finds it much easier to negotiate contracts and to handle people.

Mike and his wife, ELIZABETH, will come to Saint Hill in 1968 to do the Saint Hill Special Briefing Course.

Hamida Jafferji, from Zanzibar, now a successful Scientologist, and Barrister, used the study data to dissolve her study problems.

ZANZIBAR LAWYER WINS

Sparkling HAMIDA JAFFERJI, Grade IV Release, from Zanzibar, used Scientology to sweep aside the difficulties she was experiencing in studying and easily passed her final examinations for the degree of Barrister at Law. By applying Scientology study data, Hamida turned heavy drudgery into effortless learning and a distinguished success.

Hamida was head girl of her school in Zanzibar. When she came to England to study law, she encountered much difficulty in studying. Fortunately, in 1966 she met some Scientologists and auditing to Grade IV quickly followed. Hamida knew that she had found the answer to her difficulties. She completed the Hubbard Apprentice Scientologist Course and then the Hubbard Recognized Scientologist Course in the Academy of the London Organization. She says, "The London training is just fantastic!"

When she applied the Scientology study data to her legal studies, her former problems fell away. She was no longer "ploughing all night" in exam preparation. In May 1967, Hamida qualified without difficulty as a Barrister at Law.

Hamida's next steps are the Hubbard Professional Auditor Course in the London Academy, then the Saint Hill Special Briefing Course.

Liesel Soley, Class VI, Fulbright Scholar, a violinist of great ability.

Alan Graham, Australian TV personality, pictured just before he left Perth Australia, to come to Saint Hill for Power Processing.

Recent fast student on the Saint Hill Special Briefing Course, Helen Keppel, now Clear 688, is also an accomplished classical ballet dancer.

The high toned children of the ARC School in Denmark have an old car to play with during breaks. They are, from left, Henriette and Kenneth Madsen, Soren and Erik Justesen, Steen Ginge-Nielsen, Line and Niels Peter Astrupgaard, Michael Sogaard and Mads Winblad.

TV PERSONALITY AT SAINT HILL

ALAN GRAHAM, popular Television Newsreader from Perth, Western Australia, is well-known to many thousands of television viewers. The viewers have not seen him lately, however, for Alan is at Saint Hill. Having discovered Scientology, Alan has wasted no time in getting to Saint Hill for training.

Alan, now a Grade IV Release, first encountered Scientology on 20th September 1967, when he attended an Introductory Lecture in the Perth Organization. On 3rd October, he was on his way to England. By the end of October, he was a student on the Dianetic Auditor's Course at Saint Hill.

In addition to his work as a Newsreader, Alan is also widely known in Western Australia for his character acting on children's television, and for repertory theatre performances, as well as his success as a high-scoring 10-pin bowling expert.

Alan had originally intended to take the preclear route to Clear, but once at Saint Hill, he was so impressed by the achievements of Scientology technology that he decided that nothing short of the professional route, through Academy training and the Saint Hill Briefing Course would do.

NEWS FROM ARC

"JUST CAN'T LOSE"

Creative Scientology song-writer, singer and guitarist, JON BATSON, Grade VA Release and Class IV Auditor from Washington, D.C., has reached an appreciative audience in three continents with his 12-inch long-playing record, "Just Can't Lose". The songs which Jon sings on this record were written by himself and each communicates a Scientology viewpoint on different aspects of life.

In summer 1963, while performing in a night-club, Jon met James Hare, now Clear 354. Jon saw, in James, qualities which he had been seeking for himself—calmness, confidence and a freely available talent. He eagerly learnt about Scientology from James and was soon a Scientologist—training in the Academy of the Washington Organization. From this point, he began to succeed as a song-writer.

The songs on "Just Can't Lose" appeal to any listener, and especially to Scientologists. Springing from the new understanding of life which Jon has gained from Scientology, the songs communicate very beautifully. Jon looks forward to singing for an increasingly aware audience as Scientology continues to expand into society.

Jon will be at Saint Hill early in 1968 for the Saint Hill Special Briefing Course.

Jon Batson thoughtfully demonstrates his skill on the guitar.

TWENTY SCIENTOLOGISTS IN THE FAMILY

When Marjorie Mace of Perth, Western Australia, first attended a free Scientology lecture in 1959, she started an avalanche of interest in Scientology which has resulted in 20 of her immediate family becoming very active Scientologists. Twelve family members are already at Saint Hill or will be arriving early in 1968.

Late in 1959, Marjorie's husband, Eddie, now Grade IV Release, Class IV Auditor, and his sisters, Betty, now Grade VA Release, Class VI Auditor, Penelope, now Grade IV Release, and Gwynne, now Grade VA, and her husband, John Borthwick, now Grade VA, all attended Scientology lectures and stayed up half the night excitedly discussing Scientology.

Eddie's brother, John, now Grade IV Release, was away at sea during this eventful time. When he returned, he found the family transformed. He, too, was very quickly an enthusiastic Scientologist.

In 1965 Eddie established a highly successful Franchise Centre in Perth with the help of his strongly active family.

Members of the family who are at Saint Hill now are: Betty Mace, Gwynne and John Borthwick, Bill and Bessie Mace (Eddie's parents), Mary Taylor and Pauline Taylor. Penelope Mace, Russell and Daphne Taylor, Eddie and Marjorie Mace will be arriving soon.

Other family members who are active Perth Scientologists include Elizabeth and Mike Buck, Dianne Mace, Anthony and Jane Borthwick, Marion and Frank van der Velde.

Bessie Mace, centre, eagerly greets her husband, Bill, on his arrival at Saint Hill. Bill's sons and daughters, John Borthwick, Betty Mace, Pauline Taylor and Gwynne Borthwick express their joy at seeing him.

Recent fast student on the Saint Hill Special Briefing Course, Craig De-Fan, now Clear 668, of Mexico, took up playing the drums, a lifelong ambition, after coming into Scientology.

UND THE WORLD

POET WINS WORLD TRIP

KEITH MUMBY, Class O Auditor, from Manchester, England, has recently enjoyed a free, round the world trip as a guest of Japan Airlines. Keith won the trip in a poetry competition. He attributed his win to the increase in his ability resulting from Academy training in the London Org.

Keith wrote the winning entry in a Haiku competition sponsored by Japan Airlines. (Haiku is a beautiful and characteristically Japanese form of poetry). His trip included visits to New York, San Francisco, Honolulu, Tokyo, Kyoto, Hong Kong, Bangkok and New Delhi.

A final year medical student, Keith has applied Scientology study data to achieve better results in his studies whilst still leaving time for playing the 'cello in a local orchestra, painting, being editor of the Manchester Medical Gazette, and vice-captain of the University Judo team.

Keith is looking forward to further Academy training in London soon, when his wife, Pauline, will start her Scientology training too.

Here are two of Keith's haiku:

Evening rain mist
Two larches stand on the hill
Somewhere a cuckoo . . .

These moors, this white snow,
Like the wind that cries with cold
I too am restless.

SUCCESSFUL POSTSCRIPT

The career of brilliant flamenco guitarist, DAVID DUNLOP, Grade VA Release, related in Auditor 28, has developed still further.

As a member of the successful Trio La Choli, David attracted the attention of the world-famous Spanish music group, Los Paraguayos. He accepted the invitation offered to him and accompanied flamenco dancer, Carmen de Santana in performances which included an appearance at London's famed Albert Hall.

In addition, David has teamed up with singer, Pam Pearcy, Clear 3, in appearances with well-known bandleader, Edmundo Ros.

David continues to play with Trio La Choli, as well as contributing to Scientology as a staff member of the London Org.

Mike Buck, successful disc jockey in Perth, Australia, effortlessly controls the tools of his trade.

After getting her Grade V Release, Rosalind Collier commenced a new and successful career as a model in London.

NOW A MODEL

Charming ROSALIND COLLIER, Grade V Release, from East Grinstead, England, decided after her Power Processing that she would be a successful photographic model. She had had no previous experience in this field but, four months later, she entered a model agency for the first time, was auditioned the following day and, within a week, had done her first television commercial.

Other photographic modelling assignments followed and now Rosalind's face and figure can be seen in national journals, on television and in cinema advertisements.

In September 1962, trying to fulfil her desire to help people, Rosalind was working in a mental hospital. She left, unable to agree with the methods used there. Shortly afterwards, she read "Dianetics: The Modern Science of Mental Health" by L. Ron Hubbard and realized that there was a way to really help people.

When she discovered the existence of Saint Hill and modern Scientology, Rosalind simply left Portsmouth and settled in East Grinstead. She raised her level of responsibility and developed a high ability to handle people pleasantly while working for five months on the staff of the Scientology Foundation.

She had her Power Processing in November 1966.

Rosalind has set herself the project of disseminating Scientology to able people in the creative field in which she has so successfully established herself.

Bob Mazzarella, self taught singer, is now lead tenor with the Roger Wagner Chorale, after Grade 0 - IV processing.

SINGER "DISCOVERED"

BOB MAZZARELLA, Grade IV Release, opera singer, actor and director, recently signed a contract with the famous Roger Wagner Chorale after his auditing to Grade IV Release in the Los Angeles Organization.

Bob discovered Scientology in 1966, after seven years of fruitless study of Yoga. Overhearing a discussion of Scientology, during his Army service, he could scarcely believe that the Release states and state of Clear could be so easily attained by the use of Scientology technology. He reached for Scientology, attended Introductory Lectures in October 1966, took the Hubbard Apprentice Scientologist Course and had auditing to Grade IV Release with wonderful gains.

Prior to this, he had known that he had a fine singing talent but had been unable to communicate this to anyone else. He could not get a job as a singer. After his auditing he found that his singing was no longer forced but, instead, was free-flowing and filled with softness and warmth. When he auditioned for the Chorale, Roger Wagner exclaimed, "Where the hell have you been!" and offered him a contract.

At present, Bob is in Seattle, U.S.A., singing the role of Tybalt in "Romeo and Juliet". He is brimming with ideas for applying Scientology data to the arts but first he will complete his Academy training and come to Saint Hill for the Saint Hill Special Briefing Course, and the Class VII Internship.

ORGANIZATION NEWS

LONDON

DISSEMINATION WIN

London Org scored another dissemination win recently by promoting their books in a special display in Foyle's Bookshop. Foyle's, in the heart of London, is the world's largest bookshop.

The Org has been further strengthened by the addition of PETER STUMBKE, Clear 659, KAY SHELDON, Clear 660, and RON HOPKINS, Clear 655, to staff.

ALASTAIR SEGERDAL has rejoined the staff equipped with expertise, having just completed the Organization Executive Course at Saint Hill. Students on the Business Expansion Course are having very big wins and the course is thriving.

AUSTIN

More Clears on Staff

LEWIS BENNETT, Clear 390, Class III, is the latest Clear to join the staff of the expanding Austin Org. More Clears will be strengthening the staff early in 1968.

LOS ANGELES

EXECUTIVE LEARNS FAST

JIMMY JEWELL, Clear 641, has returned to Los Angeles staff following the Organization Executive Course at Saint Hill. Jimmy was an exceptionally fast student and was commended at Saint Hill for completing the course in 14 days! Most students have averaged close to four weeks for the course.

MORE CLEARS ON STAFF

Academy training in the Los Angeles Scientology Foundation is supervised by Clears.

L. Ron Hubbard's eldest daughter, KATIE GILLESPIE, Clear 618, Class VI Auditor, is a very welcome addition to staff.

BOB BOBO, Clear 300, Class VII Auditor, recently returned to the Los Angeles Org having completed the Internship at Saint Hill. As the Class VII Internship includes the entire Organization Executive Course, Bob brings with him a very powerful range of skills!

WASHINGTON

Productive Rally

Washington Org's recent Field Staff Member rally attracted Scientologists from places 500, 800 and 1,000 miles away from the Org! Excellent lectures, "The Five Conditions" tape of L. Ron Hubbard, the L. Ron Hubbard TV Interview film and a visit to the Book Department made this a fine rally.

The Field Staff Members saw the recently acquired photo-litho printing machine which is being heavily used to produce magazines and promotional literature.

483 books and magazines were sold during the rally and the Field Staff Members returned to the field enthusiastic and well supplied with books.

IRENE JOPLING, Clear 628, and recent rapid student on the Organization Executive Course at Saint Hill, has rejoined Washington staff. She is a highly effective staff member and is very warmly welcomed back.

ESTHER MANGOLD, Clear 522, Class VII Auditor, is a valued Washington staff member. She is even more valuable since her return from Saint Hill, as she has also completed the Organization Executive Course.

TORONTO

PERSONAL AWARD

On 28th June, 1967, L. Ron Hubbard awarded MONICA QUIRINO, Clear 173, Honorary Class VI, a new Mini Minor Station Wagon, in a colour of her own choice, for her contributions to Scientology at Saint Hill. As a finishing touch, her initials, in gold, were placed upon the car doors.

Monica was born in England, moved to South Africa in 1957, and attended a free Introductory Course at the Durban Org in 1961. She had to save up to pay the first 30/- Sterling (or approx. $5.00 U.S.) for the Co-Audit. Since 1961, she has done the Hubbard Professional Auditor Course, come to Saint Hill, had Power Processing, the Solo Audit Course, the Clearing Course, is on the O.T. Course, and owns her own home!

Monica is proud to be Clear 173, the first Clear to check out in 1967.

She lives in East Grinstead with her husband, PHILIP, Clear 9, Class VI, and her four children, Nicholas, Andrew, Marcus and Tania. She is a keen and able dressmaker and makes clothes for herself and her children.

Of her gains, Monica said, "I was always sick before I came into Scientology, and haven't had one day of sickness since 1961. I have found greater happiness than I have ever known before. Freedom to express myself. Now there is somewhere to go. Before, there wasn't."

Since 1963, Monica has devoted her time and energy to helping L. Ron Hubbard to expand Scientology by being a strong and effective Scientology staff member. She is now HCO Executive Secretary, Saint Hill. (See photo on page 12.)

ARTIST EXPANDS

Artist, DON ROSS, Grade VA Release, knows that Scientology works. He applied Scientology data to his artistic career and doubled his income. He expanded his scope so much that he was recently commissioned to execute a series of ten paintings for a new library in West Frankfort, Illinois, where he lives. Don says that before becoming a Scientologist he would never have conceived of winning such an important commission.

Don entered Scientology in 1963 and made excellent progress as a member of a co-audit team. He read every Scientology book available, applied the data and doubled his income as a painter. Furthermore, he started an additional career as an art teacher visiting various communities to encourage amateur artists. He developed this activity till he had increased the original three groups to twelve.

When he decided to come to Saint Hill, he had an interview with the Board of the new West Frankfort Library, and came away with the commission to carry out ten paintings for the library.

Don, now at Saint Hill on the Solo Audit Course, is eager to disseminate Scientology to the 150 members of his painting groups. As he says, "They've only got to look at what I've done and become, to know that Scientology works!"

"Here it is," says Jimmy Jewell, who completed the Organization Executive Course in 14 days! Course Supervisor, Regina Mazzola, carefully examines one of his clay demonstrations.

Purposeful activity at the recent congress in Durban. On left, France Van Der Gryp, Norma Colen Brander, Mike Smith, Graham Wood, Betty Hamilton, Ella Day, June Kay. On right, Bill Andrew, Pauline Cook and Babs Godwin.

FOCUS ON SUCCESS

INSPIRED BY BOOKS

"I was working as a Bass player in a night club on Miami Beach when the piano player I was working with gave me a Scientology book to read. After reading the book and discussing it with my friend, I had my first auditing.

"After my auditing, I felt great! I wanted to know more. I bought more books, and after reading "Scientology: The Fundamentals of Thought" I signed up for my first training course.

"My gains have been so numerous and so fantastic I could write a book about it. I am now aware of myself as a being capable of creating a safe environment for myself and my fellow man. My musical ability has far exceeded anything I expected and I know the time is coming when I will create tremendous effects with that ability."

RANDY FORDYCE, Grade IV,
Miami, Florida.

Books to Israel

"I have just received several books I ordered from Saint Hill! I have been talking to people and they want to read the books. I have been realizing more and more how much Scientology has helped me already. I am happy so much of the time and can handle just about any problem.

"Other people have mentioned to me how I am always in a good mood and am able to cheer others up. It's easy for me to disseminate —I show them why I am the way I am!

"I am improving all the time and am more sure of myself and life than I have ever been."

NATALIE LEVITT, Doar Na Negev, Israel.

Wins from Ron's Study Data

"When I returned from a business trip to New Zealand, the orders in my bag were worth well over £10,000, which was some 90% up on my previous trip, six months earlier.

"This sales boom came about as a result of application of Ron's data on the Study Tapes."

PAUL COLTMAN, Grade IV,
Sydney, Australia.

"I am learning how to apply Scientology to the school situation and to adapt the situation to it. At the end of the first full year with a "low IQ" class, the class has had some outstanding successes. I am not satisfied with the results yet. With better application of Scientology earlier, and using what I have learnt out of this year about teaching, I will achieve even better results next year."

V. JOHN ALLARD, Myrtlebank,
South Australia.

CHIEF ENGINEER

"Since my Power Processing my life has improved in every direction. My ability to get along with people has come way up. My I.Q. has risen by 59 points.

"I have been described as the best Chief Engineer on any of my Company's nine ships. The Port Engineer commented that the vessel I am on is the only one which really runs!"

J. L. BUSHNELL, Grade VA,
New York, U.S.A.

LASTING HELP

"Before I came into Scientology I really wanted to help people. The people I worked with always seemed to get better when I was with them, but would drop right back the minute I left. The people who talked to me just never really changed. Sometimes I just felt like it was impossible to change things and impossible for people to get better. Now I'm trained as a Class IV Auditor. People I audit leave happy and glowing and more able, and stay that way. There just is no greater feeling than seeing someone I've audited really, really, winning. I helped them to do that. It is just beautiful."

ROSALINDA MUSTARD, Class IV,
New York, U.S.A.

NEW CONFIDENCE

"In the ten months I have been in Scientology, I have paid off over $2,000.00 in bills which I had trouble just making payments on before. I was shy and had a hard time talking with other people, which has been overcome, and it is easier every day. I have had so many cognitions about life, and why I acted as I did, and how to overcome problems, computations and inhibitions, that I am now more cause over my life. To explain all that Scientology has done for me at this point would take many thousands of words.

"I will never stop reaching now until I am Clear, and probably not ever."

JIM BOWEN, Grade IV Release,
Las Vegas, Nevada, U.S.A.

PERSONAL TRIUMPH

"I came to Saint Hill to find out how I could further my abilities after having some processing in Puerto Rico.

"I entered the Dianetic Auditor's Course because my goal was to become Clear. I had a language barrier since I am Spanish and English is a second language to me.

"I took each step carefully and started to understand a totally new experience in education. My supervisor kept me moving to accomplish one of the most important educational triumphs in my life.

"I overcame my barriers in English, my uncertainty of handling and controlling people, and I learned the data of Dianetics and its application with profound certainty."

ENID CRUZ, now Clear 632,
San Juan, Puerto Rico.

WINS FROM DIANETIC TRAINING

"As a student of the Saint Hill Special Briefing Course, I found that the Dianetic Auditor's Course had given me profitable experience. I had read and used "Dianetics: The Modern Science of Mental Health", but there was obviously more to be learned in Dianetics!

"I noticed that all the students were kept winning. This is quite a feat, considering the variance in their previous training levels.

"The course really helped me to improve my basics."

FLO BARNETT, now Clear 516,
Class VI, Dallas, Texas.

"I had read several Scientology books before I entered the Dianetic Auditor's Course, and the theory did a beautiful job of correlating all the data I had picked up. The practical part of the course was completely new to me. I especially enjoyed the training drills. The auditing part was a tremendous experience."

BRUCE JONES, now Clear 418,
Los Angeles, California.

YOU CAN ALWAYS WRITE TO RON ABOUT YOUR CASE OR PROBLEMS

SUCCESS ON THE ORGANIZATION EXECUTIVE COURSE

"It is a fabulous course and there will be no limit to its influence in Orgs around the world. Thanks to all who made it possible!"

ESTHER MANGOLD, Clear 522,
Washington, D.C., U.S.A.

"The more I read, the more objective I get about Scientology administration, the more I understand and the more I find I can use it and see what it's there for. I love the certainty of knowledge, knowing that I will be able to handle administration as I will have all the tools!"

ROBIN HOGARTH, Johannesburg
South Africa.

"I have thoroughly enjoyed absorbing all the policy. It's a fabulous course."

MARY CHAPMAN, Durban, South Africa.

"This is the most enjoyable and fabulous course I have been on. I have had so many wins and validated what I know."

FELICE GREEN, Clear 26, Saint Hill.

"It was great. My biggest gain is seeing the utter *simplicity* of all Ron's policy. This course beats the lot for streamlining. No misunderstoods—no problems. Just fast flow and success!"

ALASTAIR SEGERDAL, London, England.

"What a potential for expansion! It's wonderful. I really see just how Scientology is going to expand."

EVELYN HACKER, Clear 534,
Miami, Florida, U.S.A.

SOLO AUDIT COURSE SUCCESS

"The Solo Audit Course is easily the best course I have ever done in Scientology; the students all pulled together as a winning team. I was amazed at the amount of material I got through, and the confidence I gained in myself within those five short weeks.

"My Grade VI Release was obtained very quickly and explained a lifetime of aberration in a nutshell."

RAY BARTON, now Clear 547,
Melbourne, England.

"My goal was to be Clear as soon as possible. I couldn't give up my job so the alternative was to go to Saint Hill over the weekends and take the non-professional route to Clear. This I did from November to July doing a round trip of 500 miles between Swansea, Wales, and East Grinstead, nearly every weekend.

"I went through the Dianetic and Solo Audit Courses; attained Grade VI Release and I am now on the Clearing Course—the final lap. The Solo Course was win, win, win all the way. I want to say that the inconvenience of travel and money involved was nothing compared to what I gained in awareness and understanding."

PETER DAVIES, Grade VI Release,
Swansea, Wales.

LETTERS TO THE EDITOR

"Dear Editor, An acknowledgement to The Auditor for the beautiful booklet, 'A Student Goes Through Saint Hill'. A delight to receive in the mail. It just makes one want to get to Saint Hill again. Beautifully done. It makes going through Saint Hill so real for those back in the States and throughout the world who plan to come on course. Many mysteries answered for them as to what to expect. A real work of art!"

VIRGINIA LANG, Clear 327, Puerto Rico.

"Dear Editor, I thoroughly enjoy reading your Auditor magazine, and look forward to receiving each issue. It communicates a great reality and puts me in affinity with Saint Hill and the goal of Clear. It makes the image of Scientology 'big, bright and beautiful'—how it really is! Thank you very much for your excellent publication."

RUFUS FRASER, Auckland, New Zealand.

"Dear Editor, I really look forward to getting a hold of The Auditor each month. It's extremely informative and probably the only world wide news magazine that has only good news to publish!"

MARY WOLF, Miami, Florida.

BUY DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH

BY L. RON HUBBARD

This extraordinarily brilliant book was written in 1950 by L. Ron Hubbard in a world full of turmoil and anguish. Dianetics: The Modern Science of Mental Health announced the fully workable technology and data of Dianetics, Man's most advanced school of the mind, and forerunner of Scientology, which is a study of Man as a spirit. It became a best seller overnight, and is still a best seller.

Dianetics: The Modern Science of Mental Health is no esoteric textbook expounding theoretical possibilities for the solution of Man's problems, destined to be placed on a book shelf in some dusty corner. It is written in a strong and flowing style, in the modern idiom, for all to read and understand.

Dianetics: The Modern Science of Mental Health accurately defines the component parts of the mind and its effects on a troubled world, and describes a new state of being called Clear which, within 16 years has become routinely achievable by all Scientologists.

Read Dianetics: The Modern Science of Mental Health by L. Ron Hubbard and learn what is going on in your own existence.

Dianetics: The Modern Science of Mental Health solves the mysteries and points the way toward a new, higher existence, and the salvation of this planet.

POPULAR SUNDAY SERVICES

The regular Sunday afternoon Church Services in the Saint Hill Chapel are crowded with 150 to 250 Scientologists, their friends, and members of the public who are taking the chance to hear a Clear speak about Scientology.

The speakers communicate with great clarity and each member of the audience gains fresh understanding of the application of Scientology to daily life. Recently, audiences have heard inspiring talks by JOHN McMASTER, Clear 1, JANE KEMBER, Clear 117, PETER GILLHAM, Clear 170, BILL DEITSCH, Clear 229 and DICK MOOR, Clear 82.

The Services, which begin and end with lovely piano music, take place in a very friendly atmosphere. There is a brisk sale of Scientology books afterwards.

GETTING THINGS DONE

Seven men of the Saint Hill Estate Branch, together with six or seven volunteers, unloaded *12 tons* of Scientology books from a delivery truck in little more than two hours. At Saint Hill things get done well and fast!

TWO COURSES

At Saint Hill, there are, in fact, two Organization Executive Courses. One is the Saint Hill Organization Executive Course, which is open to all, Scientologists and public alike, and the other is part of the Continental Executive Training Programme, being run and organized by the World Wide Organization at Saint Hill. This programme trains promising Junior Scientology Executives, selected by Scientology organizations throughout the world. Each course has its own supervisor and classroom. There is no pre-requisite for the Organization Executive Course.

FAMILY OF CLEARS

Before they left Toronto, Canada, mother, son and daughter decided that they would all check out Clear at the same time and would have consecutive Clear numbers. They followed the non-professional route, and succeeded perfectly. They are SOPHIA MARTIN, Clear 690, LUCIE MARTIN, Clear 691 and BILL MARTIN, Clear 692. Bill is a Real Estate Broker and will now expand his business as well as helping at the Toronto Org. Sophia comes from Russia, and is not fluent in English, but Bill and Lucie greatly helped their mother by translating the training material into Russian for her!

HIGH SPEED STUDENT

ALEX SIBIRSKY, Grade VA Release and a highly successful Class IV Franchise Auditor from New York, intends to complete the Saint Hill Special Briefing Course in record time. CLASS VII's MARRY

Popular Saint Hill Interns, Naomi Greenwood and Albert Megraw, Clear 444, formerly of Auckland, New Zealand, were married in London on Saturday, November 11, 1967. Naomi and Albert, who are nearing the end of the Internship, plan a Scientology Wedding in the Saint Hill Chapel.

A fine new high-fidelity sound system is now in use for the regular twice-weekly L. Ron Hubbard tape plays.

New individual tape replay machines have been designed and built especially for the use of students.

In addition, preparations are being made for the purchase and installation of high quality professional cine projection equipment for the screening of special Scientology training films.

Every Wednesday afternoon training and dissemination demonstrations are televised by closed-circuit television equipment and are viewed, in the castle, by students of the Saint Hill Special Briefing Course on two large television screens.

Solo Audit Course students, left, Len Spyker, Nikki Freedman, Knud Jorck, Dominic Polimeni, Mae Rice, Mike Zankevich, Dorothy Davis, right, Priscilla McCurdy, Judy Reynolds, Arthur Blumenfield and Clarence Graham, work well on course.
