TRAINING AND LIFE

By L. RON HUBBARD

Scientology, as the application of scientific methodology to the problems of humanity, has paid off. Millions of people are living better lives today, simply because they have worked with, and participated in, this adventure called Scientology.

Scientology is for use in life. It's to bring order and some control and discipline into the channels of life itself. A Scientologist is someone who is handling life better.

A trained Scientologist is one who uses Scientology to further the business of livingness for himself *and* his fellows. He is today's Cause point in an embattled world. An Auditor undertaking to process another individual in Scientology is seeking to raise the "tone" of that individual—in other words, to increase the person's survival potential.

The purpose of processing is to free people of the things preventing them from being themselves. This is worth while as Man is basically good and it is this basic goodness we want to set free.

We want to clear away the debris making him act in non-survival, destructive ways. We want a better game for all of us—an enjoyable, high-toned, bigger game.

The purpose of training is to get processing done fast. The more trained auditors, the quicker the achievement of the above.

We have found that an auditor goes nowhere if he doesn't know his basic Scientology and the fundamental activities, techniques and procedures of an auditor. It isn't so much the technique that counts—it is knowing how to apply it, knowing fundamentals, knowing procedures. There *is* a knowhow in auditing. (AUDITOR: A listener or one who listens carefully to what people have to say. An auditor is a person trained and qualified in applying Scientology processes to others for their betterment.) It won't be taught by word of mouth. It will be taught where Scientology teaching itself was evolved—in the Academy of a Scientology Organization.

The emphasis of all Scientology training is on a flawless ability to *do* auditing, and a command of the theory and goals of Scientology. A student, on leaving a training course, is able to *do* Scientology and achieve excellent auditing results.

We know now just exactly what clears people. And we know exactly what a Clear is. A Clear is a being who can be at cause knowingly and at will over mental matter, energy, space and time, as regards the First Dynamic (survival for self). We know exactly how to train and process. These are hard won riches.

Here we are with the largest fund of information of life that has been assembled in a factual package on Earth. The question is, what are we going to do with it?

Here is a world that is desperately in need of some good order.

Man needs help. As a trained auditor, you can deliver it.

Beautiful Saint Hill Manor, headquarters of Scientology Organization activities throughout the world and location of the famous Saint Hill Special Briefing Course and exciting Power Processing, holds a unique place in the hearts of Scientologists in all parts of the world. A visit to Saint Hill is a major event in the life of every Scientologist. Saint Hill, where dreams come true, and personal freedom and ability ascend to new heights.

NEW WINS ON THE SAINT HILL SPECIAL BRIEFING COURSE

Fast Flow System in at Saint Hill

Since the introduction of the fast flow system at Saint Hill, students on the Saint Hill Special Briefing Course have never looked so confident nor moved so fast through the levels of the course. The average time spent by students on the course has been cut by half. The course, still the same matchless Saint Hill Special Briefing Course, can now be completed in only 12 weeks!

In early January 1968, the new fast flow system of examination without inspection was put into operation at Saint Hill by L. Ron Hubbard and the students immediately began achieving more, and faster, than ever before. Within ten days of the introduction of the fast flow system, the Director of Training reported a *one hundred percent* increase in the number of students certifying or classifying.

The fast flow system, devised and perfected by L. Ron Hubbard, sweeps aside all actions which may slow down a student or preclear. There are now no written or practical examinations for students. Today students simply complete the requirements for a level of training, and attest, in writing, that they can apply what they have learned. Students then proceed, with no inspection or delay of any kind, on to their next level. Fast forward movement is the keynote of the fast flow system at Saint Hill.

Study, intention and morale have never been higher on the Saint Hill Special Briefing Course.

NEW WINS ON THE SAINT HILL SPECIAL BRIEFING COURSE (Continued)

Students, who are now fully responsible for their own progress have responded enthusiastically by increasing their intention and ability to apply the course data to achieve splendid results.

By introducing the fast flow system, with all delaying actions removed, L. Ron Hubbard has made training on the Saint Hill Special Briefing Course easier and faster than ever before. Saint Hill is ready for the boom in students arriving to do the new, fast Saint Hill Special Briefing Course!

Saint Hill Special Briefing Course students were very eager to communicate their current wins on the Saint Hill Special Briefing Course. Here are just a few of them.

"I think it's great. One thing I particularly like is that you determine your own speed. I have responsibility for what I am doing. If you feel any barriers, you have put them there yourself."
PETER JORCK, Denmark.

"I arrived at Saint Hill on Tuesday afternoon and was on course on Wednesday. That certainly is fast flow. My ability to study has markedly improved and I find that the amount of material covered is much greater than any time in the past. I feel much more responsible."
BOB WHITE, Perth, Australia.

"For me it cut out the tendency to study for the Examiner. I felt better when I certified on Level VI than when I certified on any other level. It was my first certification on the fast flow system."
BUD SHILLING, Miami, Florida, USA.

"It puts more responsibility on me. I know that I am not going to attest before I really know my stuff, whereas earlier I might have taken the exam before I was quite sure and let the examiner find out if I knew it or not. I think the fast flow is a better system."
GEORGE LANDER, Perth, Australia.

"I think it's great. One moves at one's own pace—has to take more responsibility for having arrived, and feels a bigger win for having done so. It gives people more certainty."
LYLE SUDROW, California, USA.

"I think it's fantastic, because it puts responsibility at source where it belongs. I've read somewhere that certainty, not data, is knowledge, and with the fast flow system the individual has to have that certainty."
SUSAN BALLANTYNE, Dallas, Texas, USA.

"Terrific. This way it's more your responsibility so you know you have to know it. I think it's one of the best steps taken to clear the world faster."
MALCOLM NIEMAN, Las Vegas, Nevada, USA.

"A person himself knows basically when he knows something and when he doesn't. And by putting the responsibility on to him for his checkouts, he can travel at the fastest possible speed without going over the same ground or missing data. This is what I have found and I think it's great."
KEN SCHULTZ, Perth, Australia.

"I think it's excellent. It is faster."
JOAN HORT, Auckland, New Zealand.

"This new fast flow is fantastic. You have so much more confidence in your own competence when you have signed the attestation form yourself. It's so lovely to watch your preclear attest that he has been released!"
ROSALINDA MUSTARD, New York, USA.

"My first reaction to it is excellent. It's like bringing up your necessity level for taking responsibility for things. I'm for it."
DEBBIE NORWITZ, Washington, D.C., USA.

"It has already made a tremendous impact on Saint Hill."
BOB TAYLOR, Chicago, USA.

"What a time saved having no barriers or obstacles. I now find I'm studying to benefit myself and others and not just for examination. My responsibility level is up up and self invalidation at an all time low. I now find I have to know technology with the view to application instead of just knowing."
WAYNE GINBEY, Perth, Australia.

"The fast flow system means a great method of doing and making the future happen faster! This means Clear and beyond in a much faster period of time. And that is Success."
ED FARR, Los Angeles, California, USA.

"It has helped tremendously by removing the 'bogey' of exams. However, I feel a certain trepidation that all the responsibility is on myself. But this is what I need. To be able to validate myself. And it's forcing me to do this. The general atmosphere of uplift is a gain, everyone is so happy about it. I no longer feel that there is guilt attached to 'not knowing'. If I flub it's a genuine 'not know' which I know can be remedied. So it's good!"
MARY TAYLOR, Perth, Australia.

"It really . . . It's just the most responsible—so it's the most trusting system that was ever put in this universe. It is taking a person and granting him total beingness. Because of it each individual's level of responsibility goes up. This last auditing session I really wanted my preclear to win and he really did. None of my attention was on the examiner or my doing a 'good' job. I was really there—there was no one else in the game—just us. The whole purpose is to get a result. It's happening."
LINDA PARSELLE, New York, USA.

"Since the fast flow has been introduced life has been great! No exams. No stops. Lots of validation to the being. It's just marvellous."
MARY CORYDON, Auckland, New Zealand.

Phillida Rundberg, Clear 506, of San Francisco, confidently attests that she has completed all requirements for Classification on Level III of the Saint Hill Special Briefing Course.

SAINT HILL RECOGNISED AS EAST GRINSTEAD'S BIGGEST BUSINESS

The local newspaper in East Grinstead, the East Grinstead Courier, headlined Saint Hill expansion on the front page of their issue on the 7th December, 1967.

Saint Hill has played an important part in the actual growth of East Grinstead since 1961 and this growth will expand even more as hundreds of thousands of Scientologists pass through Saint Hill, an important and necessary port of call, on the Road to Total Freedom.

Big Congress Sponsored by Saint Hill

The International "Unlimited Horizons" Congress sponsored by Saint Hill, and in association with the London Organization and all European Scientology Organizations, will be held in London on the 31st August, and the 1st and 2nd September, 1968.

This is the first International Congress for five years and Scientologists and representatives of Scientology Organizations on all Continents are expected to attend in their thousands.

The International "Unlimited Horizons" Congress will be *big*.

Highlight of the Congress will be specially released tape lectures by L. Ron Hubbard.

At least one new book by L. Ron Hubbard will be introduced at this Congress and many exciting special events are planned.

A congress is a well organized Scientology event, with a planned programme of tape lectures by L. Ron Hubbard, lectures by leading Scientologists, seminars, films, free IQ tests, ARC Break Assessments, Review checks and services.

ALL EUROPEAN ORGANIZATIONS TO PARTICIPATE

Every organization in Europe will be participating in the Congress, led by Saint Hill and backed up by London, the Advanced Organization at Valencia, Spain, the Scientology Foundation Saint Hill, and the London Foundation. Leading Scientologists from all European Organizations will lecture on the activities and expansion in their area. John McMaster, currently on a world tour of all Scientology Organizations, has already agreed to speak.

The largest Franchise Centre in Europe will be invited to send a guest speaker.

FIELD STAFF MEMBERS

An important aspect of the international "Unlimited Horizons" Congress will be the further clarification of the activities of Scientology Organization Field Staff Members, who by personal contact, find and select new Scientologists who take training and processing in Scientology Organizations. The importance of Field Staff Members, as organization staff members in the field, to the further expansion of Scientology is unlimited.

LONDON LOCATION

Negotiations are currently being made to hire one of London's largest auditoriums for the Congress. When these negotiations are complete, the location will be widely publicized and circulated to all Scientologists. Light refreshments will be provided at the Congress during breaks.

CHILDREN CARED FOR

Children will be well provided for in fully supervised nurseries and special children's courses will be run for older children.

SPECIAL LECTURE ON FAST FLOW SYSTEM BY L. RON HUBBARD GOING TO ALL ORGS

John McMaster, Clear 1, Class VII Honours, now on a tour of all Scientology Organizations, is bringing with him a special tape lecture by L. Ron Hubbard on the new Fast Flow System of Examination, without inspection.

This recording was made at the Advanced Organization early in January, 1968, at the first Graduation Ceremony at the Advanced Organization.

Ron attended the graduation and when it had finished, stepped forward and gave a fine lecture on the new Fast Flow System.

FAST FLOW SYSTEM

In his lecture, Ron lucidly explains how the Fast Flow System sweeps aside all barriers to swift progress by students or preclears on the road to Total Freedom. From Class 0 to Class VII or Grade O to Clear and beyond, fast progress and certainty is the keynote of each step you take.

The Fast Flow System was piloted at the Advanced Organization, and following its success there, Ron sent a Sea Org Officer, Fred Payer, to Saint Hill to put the Fast Flow System in at Saint Hill. Fred is currently making a world tour specifically to put in the Fast Flow System of examination without inspection in every Scientology Organization.

Ron's lecture will be played at 8 p.m. on the evening of John's first lecture at each Scientology Organization. John is giving two lectures at each Organization.

DON'T MISS JOHN

Accompanying John on his world lecture tour is attractive Robin Roos, who will be his Cashier Registrar and Communicator. Robin is Clear 415. You can meet John and Robin when they visit your nearest Scientology Organization.
