SAINT HILL FIELD STAFF MEMBER AWARDS

Results of the Fourth Saint Hill Field Staff Member Award Programme

The fourth highly successful Saint Hill Field Staff Member Award Programme ended on the 31st December, 1967. Active Saint Hill Staff Members made this programme the most successful programme ever!

Saint Hill Field Staff Members receive 10% commission on all paid services taken by their selectee during one visit to Saint Hill. At the end of the three-month period prizes are awarded on the accumulated 10 per cents over that period.

INDIVIDUAL WINNER

Outright individual winner is ALAN WALTER, principal Franchise Holder of Scientology of Dallas, St. Louis and Boston. Alan and his Franchise staffs selected 10 people who took 34 Saint Hill services in the last three months of 1967. As outright winner, Alan is awarded the Saint Hill Special Briefing Course, the Solo Audit Course, Internship, Organization Executive Course or the Clearing Course, FREE, plus $150 worth of books, an additional award for being outright individual winner. Alan may transfer his award of one of the above courses to any bona fide member of any of his Franchise Centres.

Alan Walter, Grade IV OT, Sea Organization Officer and Class VI Saint Hill Special Briefing Course graduate with Honours, has recently been sent by L. Ron Hubbard to the United States to continue his successful Field Staff Member and Franchise activities. Alan, who already runs three centres, plans to have six more centres by the end of 1968.

GOOD NEWS TRAVELS FAST

On arrival in the United States, late in January, Alan called in at the New York Organization. He agreed to lecture and one hour later lectured to 150 people. Twenty hours later, he gave a second lecture which was attended by 350 people.

TOP ORGANIZATION

Top Organization, for the third successive time, is the NEW YORK ORGANIZATION. The New York Organization is also awarded the Saint Hill Special Briefing Course, the Solo Audit Course, the Internship, the Organization Executive Course, or the Clearing Course, FREE, plus $150 worth of books as outright Organization winner. One of the above courses may be awarded to a contracted member of the New York Organization. During the fourth Saint Hill Field Staff Member Award Programme, New York staff members selected 16 people for 37 services.

SECOND INDIVIDUAL WINNER

Second individual winner in the fourth Saint Hill Field Staff Member Award Programme is RAYMOND KEMP of the Tustin Scientology Centre in California. Raymond and his attractive wife, Pam, are both Saint Hill Special Briefing Course Graduates, Clear, and are Section Two O.T. Course graduates. In addition to his thriving Franchise Centre and Field Staff Member activity, Raymond maintains a successful career as a Magician and is a member of the Magic Inner Circle Society. Raymond also runs a very successful fashion salon in Tustin called The Show Room. Raymond disseminates Scientology in his salon, with posters and a big display of Scientology books by L. Ron Hubbard. Raymond and Pamela design the clothes for the salon, and their designs have created great interest in fashion circles in California. EXTERNAL ACCOUNTS: NOTICE TO PERSONS COMING TO SAINT HILL

Students and preclears coming to Saint Hill from other countries should ensure that monies transferred or brought to the United Kingdom are deposited here in such a way that they can then be transferred to any other part of the world.

One way to do this is to open an EXTERNAL Account in the United Kingdom. This means, virtually, that the money never comes *into* the United Kingdom and may be sent elsewhere. It can be drawn from the External Account in England, but money cannot be put *into* an External Account from inside the United Kingdom, only from overseas.

In any case, all students and preclears coming to the United Kingdom should discuss this matter with their Bank and ensure that their monies are transferrable elsewhere from the United Kingdom in case courses are required to be paid for overseas.

HEALING POLICY IN THE FIELD

(HCO Policy Letter of 7 April, 1965.)

BY L. RON HUBBARD

"The HCO Policy Letter of October 27, 1964, is now binding on all field auditors and field staff members.

Many field auditors do not realize that they damage their own dissemination and usefulness by becoming involved with the very ill and the insane.

The only thing a field auditor can do, really, without going down, is to promote, run meetings and do short assists as field staff members of their nearest org. But whether they are or not, all Field Auditors including HBA, HAS and HQS must abide carefully by this policy and inform those persons who seek to persuade them to help the insane or *very* ill that "it is a Committee of Evidence offense to break HCO policy" and thus get themselves free. I have seen too many field auditors fail by their becoming entangled with psychos and chronically sick cases to fail to protect them from such a mistake.

Excerpt from HCO Policy Letter, October 27, 1964:

HEALING

Any process labelled "healing", old or new, refers to healing by mental and spiritual means and should therefore be looked upon as the relief of difficulties arising from mental and spiritual causes.

The proper procedure in being requested to heal some complained of physical disability is as follows:

(1) Require a physical examination from whatever practitioners of the physical healing arts may be competent and available;

(2) Clearly establish that the disability does not stem from immediately physical causes;

(3) If the disability is pronounced to be curable within the skill of the physical practitioner and is in actual fact a disease or illness which surrenders to contemporary physical treatment, to require the person to be so treated before Scientology processing may be undertaken;

(4) If, however, the physical practitioner's recommendation includes surgery or treatment of an unproven nature or the illness or disease with a known cure, the person may be accepted for processing on the reasonable assumption that no purely physical illness is proven to exist, and that it is probably mental or spiritual in origin."

JOHN McMASTER'S WORLD TOUR

In Scientology Org after Org around the world, excited audiences are crowding into large lecture halls to hear JOHN McMASTER, the world's first Clear, now Section Four O.T., speak of the limitless freedom, ability and affinity offered to Beings in Scientology. John has completed Section Four of the O.T. Course to reach one of the highest states of Being yet attained in this Universe.

John, one of the first to have followed L. Ron Hubbard's lead all the way through the "Wall of Fire" at the upper levels above Clear, is enthralling overflowing audiences with his personal experience of the upper levels and the abilities that are discovered there.

John McMaster, Clear 1, Section IV O.T., Class VII Honours, member of the Sea Org, pictured lecturing in Perth, Western Australia, one of the Scientology Organizations on his world-wide itinerary.

At each Org John plays the special recording made aboard the Advanced Organization vessel, "Royal Scotman" of the first Advanced Org Graduation Ceremony during which Ron explained the fast flow system to dramatically speed up all Scientology services.

On his tour, John is creating far-reaching effects wherever he goes. In Perth he gave the first of his interviews to the press and television. In Adelaide, his interview was carried on three out of the four television channels and on the following day he accepted an invitation to meet the Premier of South Australia. This pattern will continue and the effect will mount at each new stop on the way.

John's crowded programme is being expertly handled by his Communicator, vivacious ROBIN ROOS, Clear 415, Section Two O.T., who also acts as Registrar/Cashier.

Each lecture is followed by a rush to sign up for training and processing, to enrol on staff or to buy books.

Make certain that you and all your friends hear John!

MISSION PERTH

Commander Jill van Staden and Lieutenant Wally Burgess of the Sea Organization arrived in Perth, Western Australia, on Saturday, 24th February, on a special mission for L. Ron Hubbard. Their purpose was to ensure that Scientology Ethics is used correctly in Perth.

They arrived on a Saturday afternoon and found the organization closed. Within an hour, all staff were present. Commander van Staden declared the organization in a condition of Non-Existence. The organization did not exist for the residents of Perth.

Suppressive persons working in the organization and in the area were located, and immediately correctly labelled.

Special handout leaflets were prepared and over 3,000 were distributed in Perth.

The Test Centre was put in again and a large red and white sign announcing this new service was put up outside the front door.

The film "An Introduction to Scientology" featuring L. Ron Hubbard is now being screened each Monday to Friday night. A daily free lunch-hour lecture was started.

L. Ron Hubbard personally advised Perth organization to apply standard ethics, keep technology high and get all the people of Perth to attend the free Personal Efficiency lecture and make Perth the first all-Scientology city in the world.

These actions immediately resulted in large numbers of new people coming into the organization. Old-time Scientologists were called in and had their ARC Breaks or upsets handled. Formerly unmoving cases have been cracked using new Search and Discovery technology.

Action level soared to a new high under the direction of the new Organization Secretary Michael Graham and HCO Secretary Cheryl Chopping. Good Scientologists appeared and requested to join staff. It was now a privilege to work on such a staff.

The staff in Perth, in two or three days, blossomed from a number of individuals into a powerful team working together to make Ron's postulates stick, using ethics correctly to get and keep technology in.

One staff member remarked: "This organization has changed from a social club into a live industry."

A journalist on the local University paper arrived on the doorstep wanting to know "What's going on here?"

Jill and Wally left Perth on Sunday, 3rd March, very happy with their mission to Perth.

Perth organization is now expanding at a vast rate, determined to make Perth the first all-Scientology city in the world.

Commander Jill van Staden admires the rising statistics of the Perth Organization, as shown by HCO Secretary, Cheryl Chopping and Organization Secretary, Michael Graham.

NEW CAREER FOR SINGER

PAGE THOMAS, Clear 112, Section Five O.T., is now moving quickly through the Saint Hill Special Briefing Course and will do the Internship next. She is a dedicated Scientologist, eager to acquire the highest level of auditing skill. In 1960, however, Page was one of the famous chorus line of the Copacabana Club nightclub in New York.

Because she wanted to communicate better, Page decided to become a singer. She succeeded and sang professionally in nightclubs throughout the United States and Canada. In addition, she recorded for Columbia Records and included in her singing tours a highly successful trip to Greenland!

During this time she met a trombonist and his wife, who introduced her to Scientology. The trombonist, Dave Ecker, is now Clear 304 and a Class VII Auditor, and his wife, Lee, is Clear 386, Class VII Auditor! Both are on the staff of the New York Org.

Page quickly had auditing in the New York Org and started her training in 1965. She has alternated working as a staff member of the New York Org with trips to Saint Hill for further training.

A fellow Scientologist, Lisa Tate, Clear 142, Class VII Auditor, now working with the Toronto Org, was also a member of the same chorus line at the Copacabana Club!

Page sings for pleasure now, but her new career is Scientology Auditing.

New Business Ability

BRIAN COCKERILL, Grade IV Release, is applying Scientology daily to build his expanding business into one of the leading demolition companies in Perth, Western Australia. Before Brian entered Scientology in 1963, his business didn't even exist.

Since his processing in the Perth Organization, Brian has uncovered strong purposes in life, started his business and added more and more men and equipment till now he handles some of the largest contracts in Western Australia, with an organization of up to 40 men.

As a result of his processing, Brian writes he has enjoyed a vast increase in ability, particularly in handling an organization.

He is planning to expand his business in new directions and will organize the company to enable him to come to Saint Hill very soon.

UND THE WORLD

WILLIAM BURROUGHS AT SAINT HILL

WILLIAM BURROUGHS, internationally-famous American author of five novels, is now a Grade VA Release and a Solo Audit Course student at Saint Hill.

William graduated from Harvard in 1936 and did post-graduate work in anthropology. Later, he did a variety of work until becoming a professional writer in 1950.

His first introduction to Scientology was in 1959 when he read "Dianetics: The Modern Science of Mental Health" by L. Ron Hubbard. At this time he did not do anything further. Then, in autumn 1967, he was experiencing difficulty writing his latest book so read further Scientology books. As a creative writer he was particularly intrigued by L. Ron Hubbard's "The Creation of Human Ability". By mid September 1967, he was doing his Level O Academy training in the London Organization.

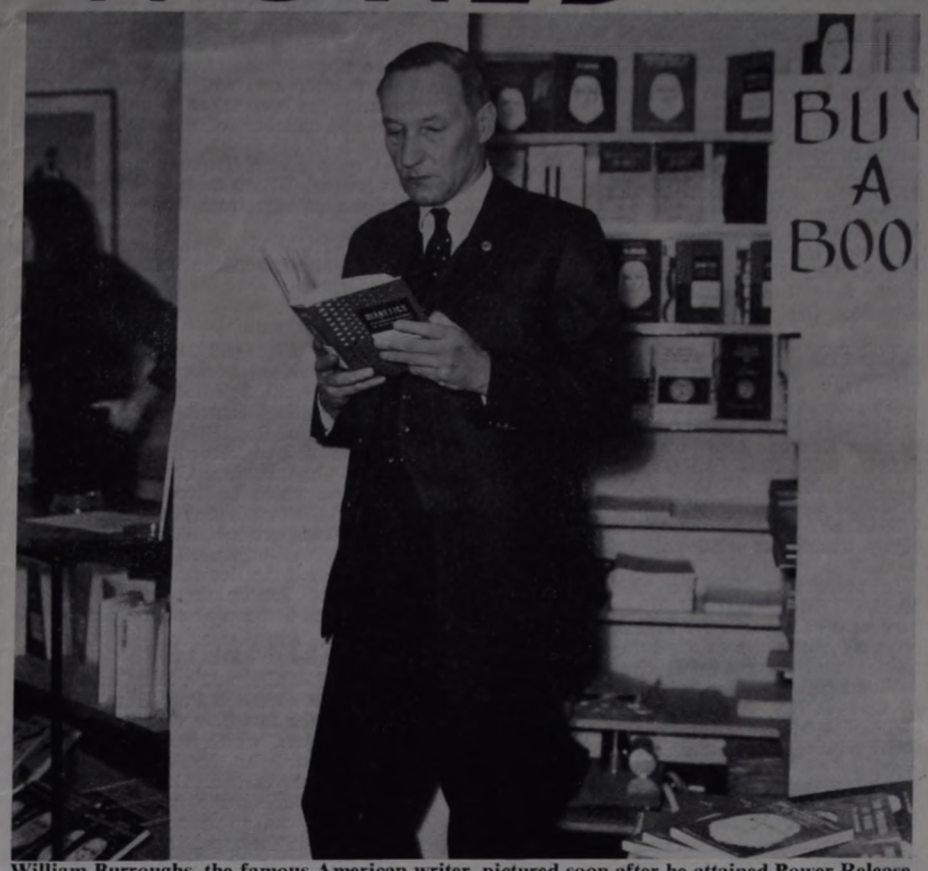

In November he received auditing to Grade IV Release with very definite gains, including the ability to get a third more writing work done, discovering fresh areas of very valuable fictional material and achieving the ability to communicate with real people rather than with imaginary characters.

Moving on to Level I Academy training, at the London Org, William was gratified to see the results he achieved on the three preclears he audited at that level.

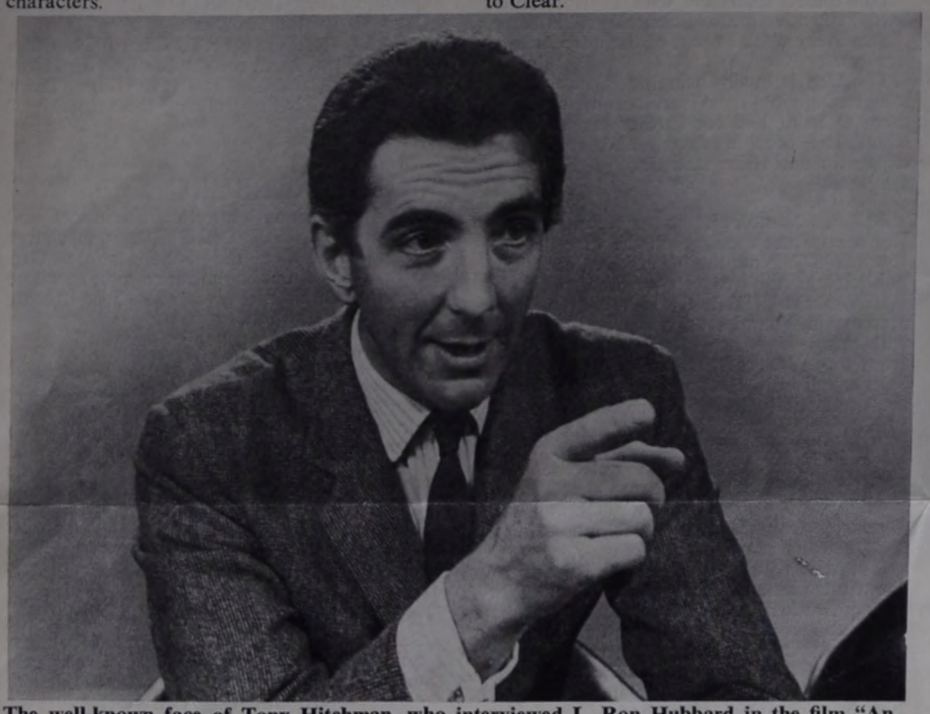

On 26 January, 1968, he was audited at Saint Hill on the Power Processes, to Grade VA Release. Afterwards he declared, "Anyone who experiences Power Processing knows that he has been released and that he has regained *his* power that he can now apply to his life and work." The next day, he sat down and wrote, with no effort, a chapter he had been trying to write for the past month.

William has found that his ability to create fictional characters and situations has measurably increased with Scientology processing and that the cost of his processing has already been recovered by the sale of stories he could not have written without processing. He strongly contests the widely held misconception that artists create because they are neurotic and would cease to create if they were restored to well-being. He says, "I am convinced that whatever anyone does, he will do it better after processing."

William is now well advanced on the road to Clear.

William Burroughs, the famous American writer, pictured soon after he attained Power Release at Saint Hill. In the Bookstore, William picked up the book which introduced him to Scientology, "Dianetics: The Modern Science of Mental Health" by L. Ron Hubbard.

The well-known face of Tony Hitchman, who interviewed L. Ron Hubbard in the film "An Introduction to Scientology" and became a Scientologist as a result of the interview. Tony is now Clear 674.

Sir Chandos on The Road to Clear

SIR CHANDOS HOSKYNS-ABRAHALL, now Grade VI Release, was a Lieutenant Governor of one of the three regions of Nigeria when he retired from Civil life in 1952. He was knighted for his services and returned to England.

For several years, Sir Chandos found time to pursue his life-long interest in art and has already sold a number of the paintings which he did in this period. Then in October, 1966, his life took a completely new direction. He and his wife, LADY JANE HOSKYNS-ABRAHALL, heard a lecture by an old-time Dianeticist about Dianetics and Scientology, in the north of England.

They read "Dianetics: The Modern Science of Mental Health" by L. Ron Hubbard and were struck by the true, original and vital nature of Ron's work.

In January, 1967, Sir Chandos and Lady Jane had auditing to Grade IV Release, and training to Class O, in the Hubbard Scientology Organization in London. They were almost startled by the many gains which they made from the very beginning of their auditing.

Not long after, Sir Chandos and his wife came to Saint Hill for Power Processing, after which Sir Chandos commented, "The further I go in Scientology, the more understanding I have."

Training on the Hubbard Dianetic Auditor's Course in the London Academy followed and then the Solo Audit Course at Saint Hill. Since then Sir Chandos and Lady Jane have flown to the Advanced Org in Valencia, Spain, to continue on the road to Total Freedom.

TELEVISION INTERVIEWER

In 1966, producer/director TONY HITCHMAN was the local Head of Television Programmes in Salisbury, Rhodesia. He interviewed L. Ron Hubbard in Salisbury for television and radio when Ron visited Rhodesia and the interview changed his life. Tony is now Clear 674.

Tony had interviewed Prime Ministers, dukes, film stars, composers, intellectuals and a host of world-famous personalities but interviewing L. Ron Hubbard was a completely different experience.

Following the initial interviews, Ron agreed to a long filmed interview with Tony. This film, during which Ron answers a wide range of questions about Scientology, was made into the famous three-part introductory film, "Introduction to Scientology", now widely shown to the public in Scientology Organizations.

By the end of the filming Tony was a Scientologist and he decided to come to Saint Hill. "It was irresistible," he says, "Nothing less than Clear could satisfy me after that interview!"

He left his position in Rhodesian television and arrived at Saint Hill at the end of September 1967. Within ten weeks he had completed the Dianetic Auditor's Course, Power Processing, the Solo Audit Course and the Clearing Course. Two weeks before Christmas he checked out as Clear 674 and declared, "Everything that Ron said in that interview came true—and in such a short time!"

Early in 1968, Tony will bring his wife from Rhodesia for the non-professional route to Clear. He intends to work to the fullest of his ability to help Ron and Scientology to Clear the world.

RELEASED CREATIVITY

Scientology processing and training at the New York Org brought about a flowering in the artistic career of JAMES DAVIS, Grade IV Release from Richmond, Virginia.

In 1964, James was "making the rounds" unsuccessfully seeking work as a professional actor in New York, when he heard about Scientology from successful actress, KAREN BLACK, Grade VA Release. As a result he had Scientology processing and immediately afterwards got the first acting job that he auditioned for. Since this success, an appearance in the New York Shakespeare Festival, he has continued to make money as an actor.

James Davis as he recently appeared in "Troilus and Cressida" in a recent New York Shakespeare Festival.

Similarly, before Scientology, James had always wanted to write, especially poetry, but had never been able to finish even one poem. Now he has not only finished his first sonnet but has a whole volume of poetry well under way.

James will be coming to Saint Hill shortly to do the Solo Audit Course and the Clearing Course.

THE SHOW ROOM EXPANDS

RAYMOND KEMP, Clear 86, now Section Six O.T., of Tustin, California, applied his knowledge of Scientology data to create an immensely successful fashion salon, The Show Room, which he expanded to a $500,000 business within ten months. Raymond, with his beautiful and talented wife, PAMELA, Clear 110, O.T. 2, and a team of Clears and Releases worked together smoothly to create The Show Room which sells its own uniquely designed modern clothing, has a contract to run a fashion store for a wealthy exclusive club, been on coast-to-coast television twice and will shortly have a new building erected to house it.

Raymond and Pamela started The Show Room in Newport Beach, California, in March 1967. They had one room in a building consisting of several adjoining stores.

Within two months The Show Room's gross income had doubled, so a new room was added, as well as more staff. In October a hair styling section was established in another additional room. By the application of Scientology data about expansion, the income of this section alone was increased quickly by a factor of ten! Then followed the invitation to run an exclusive store for the "XYZ" Club, television and newspaper coverage of The Show Room's strikingly original and attractive designs, and plans to erect a new building with the whole of the ground floor devoted to The Show Room.

Other members of The Show Room staff are NOREEN YOUTSEY, Clear 260, Manageress, RON EPPELS, Grade IV Release, Award-winning hair stylist, MEG GROVER, Grade O Release, Model, and VIRGINIA CONWAY, Seamstress.

Raymond set out to create a business. He applied Scientology data and succeeded superbly well.

NEW YORK

STIRRING VISITS

New York Scientologists rushed to hear visiting Sea Org Officer, ALAN WALTER, Clear 8, Section Four O.T., Class VI (Honours) Auditor, when he arrived at the New York Org in late January, 1968. (See front page).

The Org is very busy preparing to give the maximum support possible to JOHN McMASTER, Clear No. 1, when he visits the Org on his world tour.

The New York Org has become more powerful than ever before after continued expansion in recent months. A recent count showed that 66 Scientologists from New York were busy at Saint Hill or the Advanced Org!

AUSTIN

HIGHLY TRAINED STAFF

Six more Austin staff members are coming to Saint Hill to do the Saint Hill Special Briefing Course. They are WHIT WHITFORD, BEVERLY WHITFORD, JERRY ALEXANDER, JEAN ANN ALEXANDER, CAL BRENNEN and RICHARD WRIGLEY. On their return the number of highly trained technical staff in Austin will zoom.

In preparation for the visit of JOHN McMASTER, Clear 1, all Austin staff members have had training to at least Class II to properly handle the visit and the demand for training and processing which will result.

Wonderful news for Austin Scientologists is that JOHN McCOY, Clear 11, and GARETH McCOY, Clear 21, were among the first beings to attest to Section Six O.T.

SAN FRANCISCO

INCOME DOUBLED

San Francisco Org, located only a block from Union Square near the heart of the city, is actively serving the San Francisco Bay area. The org started as a Franchise Centre and became an org in January, 1967. Within ten months the numbers on staff increased continually and there are now twenty-three staff members. Nearly all the staff members are products of the org's own Academy and Hubbard Guidance Centre. Public Lectures and the org's magazine, "Gateway", are reaching out to greatly increase the flow of people through the org.

PERTH

Staff members of the Perth Org were not stopped by a postal strike from widely publicizing the two lectures in their Org by the world's first Clear, JOHN McMASTER. The mail was delivered by hand, by Perth Scientologists, within two days and cars were used to deliver mail to outlying suburbs and country districts. The result was large enthusiastic audiences at both lectures. John, who spoke at the Perth Town Hall, met the press and was interviewed on television. His visit made a tremendous impression in Western Australia.

LOS ANGELES

Staff members are working very effectively to give JOHN McMASTER, the world's first Clear, an excellent 'base' from which to work in the Los Angeles area. At least four television appearances have been arranged, as well as interviews with the press. Every opportunity has been taken to enable Scientologists and members of the public to hear John.

The Org is giving frequent tape-plays of "Ron's Journal '67" to meet the demand for this unique message from Ron to all Scientologists.

MAIA THOMAS is another Class VI Auditor to strengthen the staff of the Los Angeles Org.

LONDON

On January 17th and 21st, 1968, JOHN McMASTER visited London as part of his world tour of all Scientology Orgs. John gave two inspiring lectures and played two tape recorded L. Ron Hubbard lectures including the unique recording of the first Advanced Organization Graduation Ceremony during which L. Ron Hubbard gives a lecture on the fast flow system of examination without inspection.

After the well-organised lectures, scores of people visited the Registrar, bought books and signed up for training and processing. These included 64 people new to Scientology.

PORT ELIZABETH

LT. PAYER, Clear 329, Sea Org Officer, has recently visited the Port Elizabeth Org to introduce the fast flow system there. The fast flow system, which was developed by L. Ron Hubbard for the Advanced Org, is now to be employed in all Orgs.

Port Elizabeth's tape play of "Ron's Journal '67" was an important event for Scientologists in the area. Sign-ups for training and processing and for joining the staff immediately followed.

MINNEAPOLIS

The well-organized team of staff members of the Minneapolis Org has recently doubled the Org's previous highest-ever figure for income. WALLY HANDELAND, Clear 343, and LEE HANDELAND, Clear 577, have greatly increased their contribution to their Org's expansion by completing the Organization Executive Course at Saint Hill.

WASHINGTON D.C.

Two more Organization Executive Course graduates returning to Washington to further strengthen the expansion there are new Clear, SHEILA ALDRICH, Class VI Auditor, and ANNE FEWELL, Class IV Auditor.

DETROIT

The Org is improving its service and increasing its income vigorously. A new and very welcome addition to staff is ROBERT LYPKO, Clear 530, Class VI Auditor, and Organization Executive Course Graduate.

Marilynn Anderson, left, signs up for the Hubbard Dianetic Auditor Course and Sharon Patterson signs for the Hubbard Qualified Scientologist Course at the Toronto Org, watched happily by Registrar, Nick Anderson.

TORONTO

Toronto Org has its ARC-Break Programme running smoothly and well.

The filmed interview with L. Ron Hubbard, "Introduction to Scientology," is being shown every week as part of the introductory lectures.

The Org is busily bringing in new Scientologists, giving them service and selecting them to Saint Hill for further services. The result has been a strong and continuing expansion and rising statistics.

MIAMI

Miami Scientologists have recently heard Ron's inspiring message on the tape, "Ron's Journal '67". Now the Miami Org is heavily publicizing the eagerly-awaited visit of JOHN McMASTER, Clear 1, who will be arriving in Miami on 6th April, 1968. John will bring to Miami Ron's latest message from the Advanced Org and will contact all Scientologists in the area to tell them about the fantastic wins of Scientology on the upper levels above Clear.

A highly-successful Open House was held on 7th January, 1968, to welcome back EVELYN HACKER, Clear 534, Class VI Auditor and graduate of the Organization Executive Course. The regular Sunday night talks are also drawing crowds.

The wife of a new Grade IV Release saw the change in her husband and wanted auditing to Grade IV Release for herself and her two teenagers. She looked in "The Auditor" to see which town having her relatives in it also had Clears. As a result she telephoned the Miami Org from Cleveland, Ohio, and booked intensives for herself and her children!

FOCUS ON SUCCESS

Here is how LOIS LINGWOOD, 6 years old, felt about her auditing:

"I felt very happy. I thought that I couldn't do auditing but I can do it. I felt like smiling and laughing. I wanted to say lovely words. I felt like fairies were putting magic wands round me."

LOIS LINGWOOD, Johannesburg, South Africa.

DISCOVERY IN A BOOKSHOP

"One day, in 1963, as was my habitual custom, I was searching the shelves of a bookshop in Kenya, when I found a copy of 'Dianetics: The Modern Science of Mental Health' by L. Ron Hubbard. I was fascinated. Here, at last, was someone who dared to be definite enough to say that an answer had been found to the greatest of all problems—the cause of human aberration. I knew then and there that I had to test these claims.

"That was in 1953. I have had some ups and downs but I arrived at Saint Hill eventually and the wonderful, wonderful people I've met here are beyond price.

"Now I am Clear. A huge peace has come about within myself. I am now me, and that is what I set out to achieve. Not a 'me' in line with other people's ideas of what I ought to be. Simply me!"

BRIAN O'DONOHUE, Clear 649, Natal, South Africa.

HIGHLIGHTS FROM SAINT HILL

CROWDS AT SAINT HILL CHAPEL

When over 400 Scientologists arrived at Saint Hill on Sunday, 31st December, 1967, to hear a lecture by JOHN McMASTER, the world's first Clear, the Saint Hill Chapel was completely filled and two extra rooms had to be used. John's inspiring lecture was relayed to the overflow crowds by high fidelity amplifiers.

When John speaks, crowds appear. This lecture was given to Saint Hill Scientologists before John set forth, in January 1968, on his world tour of all Scientology Orgs.

Special Speaker for Sunday Service

On Sunday, 11th February, 1968, the speaker for the Sunday Service was CONNIE BROADBENT, Clear 29, Class VII Auditor, and O.T. Four. Connie is a member of the Sea Org and had just come from Valencia, Spain. The large audience in the Saint Hill Chapel were intensely interested in the message Connie brought of individual expansion through Scientology.

Before the Service began, the audience heard original folk songs sung by KINGSLEY GILES, Grade IV Release.

The new world's youngest Clear, 13-year-old Theo Hill, is joyfully chaired by his father, Malcolm Hill, of Port Elizabeth, left, and Mo Budlong, Saint Hill Intern, shortly after Theo and Malcolm attested Clear at Saint Hill on the 31st January, 1968.

REPORT FROM MELBOURNE

Fred Schraitle, HSS Class VI, Clear 434, recently spent some months in Melbourne after completing the Saint Hill Special Briefing Course at Saint Hill.

Fred wrote to Saint Hill and reported that Scientology is flourishing in Melbourne. Fred wrote:

"Scientology is really swinging in Melbourne. Quite a few people will be leaving shortly for Saint Hill and can't get over there fast enough. Since I have been back, the place is really on the up and up. New people want to come in and old timers are getting back on the road.

"John Dalhoff and Bob Hopper made a tour of all the Organizations in Australia, with Open Nights at each Org. They also stopped in at Melbourne, and Melbourne topped the list with attendances. 125 Scientologists turned up. Some of them hadn't done anything in Scientology since 1954, '55 and '56. Some of them thought they were the only one's left in Victoria and got a big surprise to discover that there were two active groups there.

"Yesterday, I met three people who planned to go to Saint Hill in about six to eight months' time. When they finished talking to me the time got narrowed down to three weeks, just enough time to get their passports and necessary papers in order.

"I am at my very best and there is no end or stop to winning."

AFTER 8 WEEKS

"I became aware, 'way back somewhere, that there should be a degree of livingness I did not feel, a level of knowingness I did not possess, a reason for all that which I did not understand. So I pondered, and I looked, and asked, and searched. And I did a fashionable thing—I bought all those 'best-seller' books on 'The Magic of', 'The Power of', 'The New Psychology of', etc., etc., containing philosophies that were generally profound and sometimes beautiful; but all of them had one minor defect—they didn't work for me. So I continued to be buffeted by whatever buffeted me last night, and last week, and last month, and last year, and all the years before that. And the day before that!

"Then came the night when I had my first look at Scientology. I got the distinct feeling that there were some people here who knew 'something' that I wanted to know.

"I have been on course eight weeks now, and my wildest hopes for this place did not prepare me for that which I have experienced. Doors which I never knew existed have been opened. Understandings which I never thought possible have been acquired. Knowledge never dreamed of has been discovered tonight, and applied tomorrow. The kind of knowledge that puts a brightness in one's eyes, eagerness in one's step, money in one's pocket, meaning *in one's life."*

T. JOSEPH PACE, Belleville, Illinois, U.S.A.

Teacher Learns

"I can tell you that not one day passes when I can't use what I have learned in Scientology. From the start, when I was on Level O of the Academy Course in London, I knew that this would be worth much in my teaching of music.

"The Academy training meant to me a training in doing what I wanted. Now I have much better pupils. I feel that it is much easier for me to have intention in my teaching and I feel the same thing when I am playing the piano myself.

"I want very much to go on in my training to be a teacher, and I have a great wish too, to be a good Auditor. A teacher has to have the same abilities as an Auditor."

BENTE BERGGREEN, Grade VA Release, Denmark.

Organization Executive Course

"This course is what I needed. It is an absolute prize!

JOAN DARWENT, Grade IV Release, Port Elizabeth, South Africa.

IT STARTED IN BUDAPEST

"Last March I was sitting in front of the Russian Embassy in Budapest reading a letter from one of my wandering friends. She said something about finding the truth —again. And I wrote back—as usual—saying sure. *Come and travel with me and find some beauty.*

"I ambled back to Greece and sat in the sun. Then I started wondering about her. Just before I left, American Express came through with another missive—with bigger writing, more underlinings and a few more exclamation points—culminating with 'get here now, Bush!'

"This time I was worried. Sure she was being swindled. I struck out for England. And arrived in East Grinstead in the dark of night. I arrived, and every smile looked sinister.

"But I stayed and stayed and questioned and made wisecracks and then began to look and not look and finally got into something called ARC Straightwire. When my auditor said I had to go to Review, I packed my bags and prepared to depart. I never made it; my friends stuffed me into a wheelbarrow, trundled me up to the Qualifications Division—protesting vehemently all the way —and dumped me down the steps. Then a very efficient and serious young woman bore me away and did a 'Green Form' on me. In the middle of this very efficient and serious thing, something started to happen. Starting in the pit of my stomach and going up and up and up was the most lighthearted laugh in all creation. And I was thinking furiously, 'I can't laugh while all these efficient things are happening, she'll think I'm terrible.' But then, the young lady stopped and looked at me with the most clear, grey, straight knowing eyes, and I managed a muffled apology before bursting into peals of laughter. Laugh, laugh, laugh, and she said, 'That's it, your needle's floating,' and she started to laugh.

"That was it. Something sure worked in Scientology. I hadn't felt that good in years. In a week, I had my grades and went home. A month later I was back with enough money to go solo route to Clear, which has taken me ten weeks—Power, Dianetics, Solo, and Clearing Course.

"All through the time I've spent working up, I had a tiny but significant question unanswered. How could Ron work so long and so hard with no goal like money or fame? When I stood up to make my clear speech, the answer hit like lightning, as I looked out at all the beaming beings in front of me. Never before had I seen the beauty of beings with such clarity—and that is worth more to me than anything else. And that's why Ron is."

BARBARA BUSH, Clear 669, South Easton, Massachusetts, U.S.A.
