THE CYCLE OF ACTION

BY L. RON HUBBARD

The cycle of action is a very fundamental part of technology in Scientology. The cycle of action is a plot of consecutive incident against time. For example, at zero seconds, a door is opened, and at zero plus 2 seconds, the door stands open. At zero plus 3 seconds, somebody enters the door. That is plotting the incident against time.

In view of the fact that we are all in present time, a lot of people wonder how we move along forward in present time. It puzzled me for a long time, but, of course, it is very simple. It is the whole trick at the back of time. The incident, which is plotted forward, *appears*, to be a plot against time, but it is the incident, or the consideration of the incident, which plots the time.

After World War II, I found out that, amongst my friends, life was suddenly moving very slowly for all of them. Life was very dull. The change of pace was so fantastic. What had happened, was that their tolerance of incident had increased and then, all of a sudden, they didn't have that much incident. Time started to do funny things for them. It either went very slowly, or it went very rapidly. You see, if you had learned to measure your time by the amount of incident occurring, and then you didn't have any incident happening, you obviously wouldn't have any time.

You can't say, though, that the more incident there is, the more time there is, or the less incident there is, the less time there is. It doesn't come down to an engineering proposition. These things don't add up. Why don't they just exactly add up and equate? Well, you are dealing with a false commodity in the first place, so it is never going to add up. You can have somebody with a lot of incident happening in his vicinity and he suddenly starts saying, as I do occasionally, "There isn't enough time for this incident to happen in." But all you have to do is say, "Well, I can confront being that busy", that's all you have to do. The consideration is, "I can do something about it," and instantly you have enough time. If you say, "No, I can't do anything about these incidents, because of the time," of course you haven't got enough time. You can actually practically monitor the amount of time you have by simply changing any consideration you have about how busy you want to be, or about how much you decide that you can confront.

It doesn't even have to do with time. You could also have this sort of thing going with the cycle of action. The amount of doingness of a society is tremendously dependent on whether or not the members of the society believe or agree that their cycles of action should proceed, or shouldn't proceed.

An action is simply a motion through space having a certain speed. Its speed could be fast, it could be slow, it could move across a lot of space, it could move across a millionth of a millimetre, but it would be an action.

Action gets a thoroughly bad connotation because it can produce pain, and destructiveness. For instance Hitler went into a faster level of action than he could confront or anybody could confront, and that was destruction. When you get more action than you can confront, you normally get destruction and this gives the cycle of action a bad name.

In Scientology, a cycle just means from the beginning to the conclusion of an intentional action. That is what the cycle means. As far as we are concerned, it is the beginning to the conclusion of an intended action.

SAINT HILL FIELD STAFF MEMBER AWARDS

Results of the Fifth Saint Hill Field Staff Member Award Programme

On the 31st March 1968, the Fifth Saint Hill Field Staff Member Award Programme ended, with more awards being earned than ever before.

In this highly successful programme, Saint Hill Field Staff Members received 10% commission on all paid services taken by their selectees during one visit to Saint Hill. Prizes were awarded on the basis of the 10 per cents accumulated during the first three months of 1968. Note: L. Ron Hubbard recently increased the commission to 15% for any selectee routed on for auditor training.

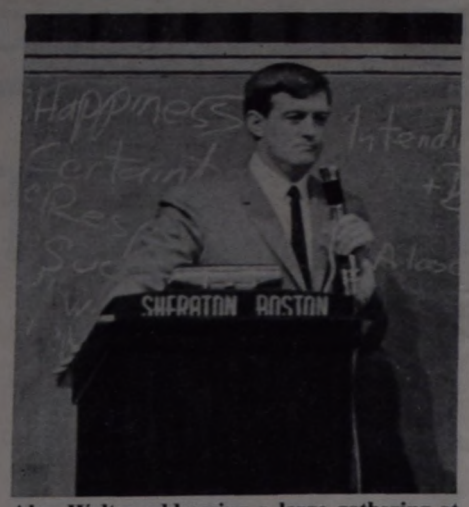

INDIVIDUAL WINNER

The top individual winner, for the second time running, is ALAN WALTER, the immensely successful principal Franchise Holder of Scientology Dallas, St Louis and Boston. In the first quarter of 1968, Alan and staff members of his Franchise centres selected 14 people for a total of 23 Saint Hill services. As outright winner, Alan is awarded the Saint Hill Special Briefing Course, the Solo Audit Course, Internship, Organization Executive Course or the Clearing Course FREE, plus $150 worth of books, an additional award for being outright individual winner. Alan may transfer his award of one of the above courses to any bona fide member of any of his Franchise centres.

Alan Walter, Section IV O.T., is a Class VI Saint Hill Special Briefing Course graduate with Honours and a Sea Organization Officer. Having been sent to the United States by L. Ron Hubbard to powerfully expand his Field Staff Member and Franchise activities, Alan is succeeding brilliantly. Already he has opened *five more* Franchise centres since his return! These latest centres are in Kansas City, New Orleans, Washington (Missouri), Charlotte and New York.

LEADING ORGANIZATION

The most active Org in the fifth Saint Hill Field Staff Member Award Programme was the PERTH ORGANIZATION, which selected 15 people for 20 Saint Hill services. The Org is awarded the Saint Hill Special Briefing Course, the Internship, the Organization Executive Course, the Solo Audit Course or the Clearing Course, FREE, plus $150 worth of books as outright Organization winner. One of the above courses may be awarded to a contracted member of the Perth Organization.

Bill Deitsch and Alison Parkhouse:

World Tour Report

Large, eager audiences and marvelous results marked the trail of the world lecture tour of BILL DEITSCH, Class VI, Section VI O.T., and ALISON PARKHOUSE, Section VI O.T., internationally famous Scientology lecturers.

Bill and Alison have recently completed a highly successful tour of Australia where they appeared on radio and television and talked to packed audiences at every lecture. In Adelaide alone, they gave two television interviews, two radio interviews and had news coverage in the leading daily newspaper. Book sales and sign-ups for processing and training for all levels were phenomenal at all Australian Orgs. In one evening, in Adelaide, there were 200 sign-ups for local training and processing and over 400 for Saint Hill and Advanced Org services. Bill spoke to a group of 60 businessmen in Adelaide who were so impressed with the data that an Executive Course is being started by the Adelaide Org in order to handle their requests.

Bill and Alison have also toured the United States with the same wonderful results. Their excellent ability to communicate has brought enthusiastic audience response and introduced Scientology to thousands of new people. Both appeared on television in Hawaii, in addition to giving two lectures which were heavily advertised by radio. In Los Angeles, attendance for the four packed lectures was 1,643.

SCIENTOLOGY IN CATHOLIC COLLEGE

WILSON ROMAN of San Juan, Puerto Rico, scored a big success when he introduced Scientology training methods into his classes at the leading primary and secondary school on the island—the Colegio San Jose, a Catholic Marianist School in Rio Piedras, Puerto Rico.

Wilson improved greatly as a teacher after hearing L. Ron Hubbard's tape-recorded lectures on Study. He then introduced Scientology training drills to his classes with the agreement of the Principal of the school, Bro. Howard Boyle. The Director of Education for the New York Province of the Marianists (educational order of the Church), Bro. Jos. Jansen, whose province includes the Eastern United States, the Caribbean and South America, was delighted with the classroom activities and improved learning rate and enjoyment of the students. He enthusiastically intends to visit the Founding Church of Scientology in Washington, D.C.

Wilson recently completed the Dianetic Auditor's Course in the vigorous Franchise centre, Scientology Puerto Rico, run by Dick Dorff, Clear 282, and Virginia Lang, Clear 327. He arrived at Saint Hill, in June, with his wife, Alice, and daughter, Diana, for Power Processing and the Solo Audit Course.

Darius Brubeck relaxes at the piano in the Advanced Organization, Edinburgh.

Dave Brubeck's Son for the Sea Org

Within a week of his arrival at the Advanced Organization, in Edinburgh, DARIUS BRUBECK, son of the famous American modern jazz pianist and composer, DAVE BRUBECK, had realized that the claims of Scientology were valid and truthful and had decided to join the Sea Org (the Organization which sends out Missions to put in Ethics on the planet).

Darius was not yet a Scientologist when he came to the Advanced Org, on the 18th June, to visit his lifetime friend, AMOS JESSUP, Clear 403, Section III O.T. In fact, he had come to "save" his friend from Scientology, which he thought of as something sinister. In a short time, he discovered that all the data he was collecting to "expose" Scientology was actually valid and completely applicable to life and its improvement. He had auditing from Amos and started lower level training. By the end of his first week, he had decided to join the Sea Org!

A gifted musician in his own right, Darius has lived in the world of his father's music since his birth. He enjoys playing many instruments, including the piano, guitar, mandolin and trumpet as well as Indian stringed instruments such as the vina and mridarigan. A recording he made with his brothers Chris and Don and with Amos Jessup will be featured in a long-playing record, soon to be released, called "Dave Brubeck and his Friends". The music of the song, written by Darius, is a rare achievement, a successful marriage of Indian and Rock and Roll music, which is enjoyable to Indians and to Westerners!

Darius, still only 21 years old, has written film scores for the National Film Board of Canada, led his own group, and studied the History of Religions at Connecticut's Wesleyan University. He was *en route* for Morocco to gather material for a thesis on an obscure religion, Sufism, when he stopped at Edinburgh to visit Amos.

Darius observes that spiritual improvement is very close to the musical world. Musicians are constantly attempting to reach higher states. He intends to make Scientology real to his father and other musicians.

NEW COMPANY CREATED

Auditing to Grade IV Release, plus a strong intention to come to Saint Hill quickly, enabled DAVID and GAIL SHEPHERD, of Portland, Oregon, to establish a highly successful business, starting from nothing, within five months.

David and Gail first heard of Scientology at a lecture in Portland, in 1966. They had processing to Grade IV Release and determined to go further in Scientology. In December, 1966, they created a gear manufacturing company and within five months all the equipment was paid for. Soon their company was the fifth largest manufacturer of gears on the West Coast, with a production of over 100,000 gears annually.

Their business flourishing, David and Gail came to Saint Hill for Power Processing, the Dianetic Auditor's Course and the Solo Audit Course. As a new Grade VA Release, Gail is already planning a distribution company to be established after she and David have completed the sections of the O.T. Course.

UND THE WORLD

William Burroughs Goes Clear

On the 15th June 1968, at the Advanced Org in Edinburgh, Scotland, famous American writer, WILLIAM BURROUGHS, author of five celebrated novels and innumerable articles, poems and short stories, attested to the state of Clear. He is Clear 1163. William attained the state of Clear less than 10 months after he started to gather material on Scientology for a series of magazine articles he was writing.

When requested, in September 1967, to write some articles for "Mayfair" magazine on the subject of Scientology, William decided to take some Academy training at the London Org. He completed the Hubbard Recognized Scientologist Course, had processing to Grade IV Release, then completed the Hubbard Trained Scientologist Course.

By the time the articles were written, William was fully a Scientologist and eager for further training and processing. In January 1968, he came to Saint Hill for Power Processing and the Solo Audit Course. At Saint Hill, he found "a most friendly and safe environment" where he was free to progress as a Scientology student and free to relax in the company of Scientologists.

As a result of his training and processing, William has had tremendous gains in his ability to get his writing work done. He is now far more able than before to concentrate and to complete cycles of action, even on projects which, at first, seem uninteresting. All of his Scientology courses have paid for themselves by the resulting increase in his literary production. After completing the Solo Audit Course at Saint Hill, William tackled with zest the writing of his first film script, a task which he had previously found difficult to concentrate upon. He produced a fine script in a very short time.

William Burroughs is the internationally-famous author of such controversial books as "The Naked Lunch", "The Soft Machine", "The Ticket That Exploded", "Nova Express", and "The Third Mind". One of the invaluable gains he has made from attaining Grade IV Release and the state of Clear is that a vast range of new writing material has been made available to him.

Now Clear 1163, William is completing a book of interviews which will contain many Scientology ideas. In addition, he is at work on a book about the immediate future from 1969 till 1999. Scientology plays an important part in this book, William says, as one of *the* important factors in determining the outcome of the world's present situation.

William first heard of Scientology from an artist-friend in Tangiers, Morocco, in 1959. He read "Dianetics: The Modern Science Of Mental Health", by L. Ron Hubbard, with strong interest but did not realize, at the time, that there was anything that he could do to reach the state of Clear. Now, a few months after writing his articles on Scientology, he is Clear and says, "It feels marvellous! Things you've had all your life, things you think nothing can be done about—suddenly they're not there any more! And you know that these disabilities *cannot return*."

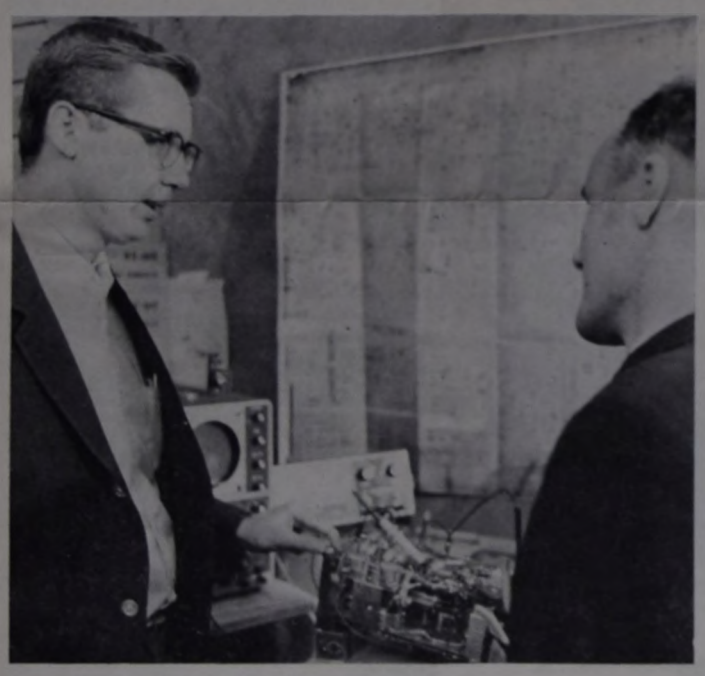

Already two other writers have followed his suggestion and have had auditing to Grade IV Release. More will do the same. Wililam intends to disseminate Scientology to other writers by demonstrating the improvement in his own work as an author.

Although he does not plan to audit professionally, he clearly understands the value of Scientology training in handling all aspects of life. Within the next year, he will take the Hubbard Dianetic Auditor's Course and will complete his Academy training up to Level IV.

William Burroughs, already Clear and now enrolled on the O.T. Courses, is well on the way to the highest states of being.

World-famous author William Burroughs, new Clear 1163, describes how he shed long-standing difficulties in life when he went Clear.

Designer of electronic equipment for spacecraft, Richard Grum, examines a Saint Hill television camera.

Successful writer Ruth Minshull wrote a very popular book about raising her children as Scientologists.

Spacecraft Engineer

Electronics engineer RICHARD GRUMM, who achieved Grade VA Release at Saint Hill in October 1967, returned to Saint Hill on the 28th of May this year for the Solo Audit Course. He is on a leave of absence from his work at the famous Jet Propulsion Laboratories in Pasadena, U.S.A., where he is an expert member of the Mariner Spacecraft research team.

Richard entered Scientology in 1959, when he met active Scientologists Dale and Von Kathary in Ohio. In 1963, he moved to Los Angeles where he participated in co-auditing at the Los Angeles Org. Richard has worked for the Jet Propulsion Laboratories since 1963 on a variety of space projects. He was responsible for the video-tape television equipment carried aboard the Mariner IV Spacecraft, which transmitted back to Earth the first successful close-up pictures of the surface of the planet, Mars.

Richard, who has found that the Prelogics and Axioms of Scientology are useful in the space industry, plans to complete the Clearing Course at the Advanced Org and then return to increase the efficiency of the industry by further application of Scientology principles.

TEN-FOLD INCREASE IN PRODUCTION

RUTH MINSHULL, Clear 705, Class VI Auditor from Milford, Michigan, developed her abilities as a writer as a result of her Scientology training and processing. When her book "Miracles For Breakfast" was published recently, the demand for it was so great that the book entered its second printing within the first month.

Since 1966, Ruth had been collecting notes and stories for a book about children but had found the actual writing difficult. In April 1967, she came to Saint Hill, bringing her notes with her. After completing the Saint Hill Special Briefing Course, Ruth resumed work on her book and discovered that she was far more efficient and persistent than ever before.

After going Clear, Ruth found that writing was so much easier that she increased her production ten-fold, and was able to finish the book in one month! "Miracles For Breakfast" relates Ruth's experiences in raising her two sons, Lee and Paul, now Clear 524.

In 1951, Ruth read "Dianetics: The Modern Science of Mental Health" by L. Ron Hubbard and was deeply impressed by it. In 1959, she began her Scientology training and processing in Detroit, then continued her training in Washington Org before coming to Saint Hill for the Saint Hill Special Briefing Course.

Ruth is now a Franchise Auditor in Ann Arbor, Michigan.

Expanding Business

RICHARD MAIER, Clear 159, Class VI Auditor, is the manager of five Norma Maier dress shops in Honolulu, Hawaii. By applying Scientology data in the operation of his business, Richard has made his business boom.

In December 1965, Richard began to reorganize the business by applying Scientology principles of organization and expansion. Six months later, the gross sales had increased by 50 per cent. Expansion continued and Richard expects to increase sales by another 50 per cent, this year. Within the next six months, two more Norma Maier shops will be opened. In the two years after Richard applied Scientology principles to his business, the annual sales jumped from a half a million dollars to over one million dollars.

Richard has introduced an award programme whereby efficient and productive staff members receive bonuses of free training and processing in the Hawaii Org. Already nine staff members have completed the Anatomy of the Human Mind Course, the Hubbard Apprentice Scientologist Course and Grade O to IV processing!

Richard entered Scientology in 1961 after seeing the gains from auditing made by a friend. He received auditing and did his lower level training at the Hawaiian Organization before coming to Saint Hill for the Saint Hill Special Briefing Course and the Clearing Course.

Richard plans to keep expanding his business and to use his success to disseminate Scientology to the business world.

FILMS AND TAPE PLAYS

Tremendous interest has been aroused by the world lecture tours of all Scientology Orgs by JOHN McMASTER, the world's first Clear, now Section Four O.T., and BILL DEITSCH, Clear 229, Section Six O.T., and ALISON PARKHOUSE, Clear 310, Section Six O.T.

Their inspiring lectures have been tape-recorded and now Scientologists and members of the public are able to hear all of these lectures consecutively, one lecture per week, in any Org in the world.

In addition to these weekly tape plays, and on a different day, each Org is to screen consecutively the four magnificent colour films of L. Ron Hubbard lecturing at the 1958 Clearing Congress in Washington.

The tape plays and the film showings will be available every week, in all Orgs. Don't miss these exciting events. Bring all your friends and contacts, too!

Saint Hill Foundation

Continental Office For Europe

The Saint Hill Scientology Foundation is now the Continental Office for Europe and has, as its junior Orgs, London Day Org and Scientology Foundation, H.A.P.I. SCOTLAND, Day Org and Scientology Foundation, plus the rapidly-developing Franchise centres in Paris, France, Gothenburg, Sweden, and Copenhagen, Denmark. Together they make a forceful team which is pushing Scientology expansion, very strongly, into Europe.

A smooth-working Administration Unit, operating during the day, leaves the evening and weekend staff of the Saint Hill Foundation free for fast delivery of service, such as the very successful children's courses.

Children coming to Saint Hill with their parents are very well handled on these weekend courses. Already there are eight supervisors and 37 active children who are gaining valuable data and skills which they apply in their daily lives.

Toronto

JOHN McMASTER'S visit to Toronto was an outstanding success. The world's first Clear appeared on television three times and lectured twice in the Royal Ontario Museum where, each time, half the audience bought books or enrolled for services. Continual telephone calls to Toronto Org indicated the impact of John's message. One hundred enthusiastic people awaited John when he travelled 500 miles south of Toronto to the University of Columbus, Ohio. Toronto Field Staff Members were excited by the special talk John gave them later.

Edinburgh

H.A.P.I., Scotland, staff members, IAN LOGAN, CON DE VRIES and ERNEST SAREN, have now assumed their posts at the Edinburgh Org following thorough training on the Organization Executive Course at Saint Hill.

The Org now well-established in a spacious, imposing building very close to the city's centre, opened officially on Saturday, the 15th June 1968. On the 27th June, 227 people crowded into two large rooms to hear a wonderful lecture by JOHN McMASTER, Clear 1. John reported that in America alone, particularly by means of television, he had contacted, and made Scientology known to, over 200 million people!

San Francisco

HIGHLY TRAINED EXECUTIVES

Nick Nichols, Clear 410, Section Four O.T., and EDITH NICHOLS, Clear 451, Section Four O.T., are both Class VII Auditors and have recently completed the Organization Executive Course at Saint Hill.

These highly-trained executives are powerfully expanding the San Francisco Org and increasing the range of services available to the public.

At the replay of L. Ron Hubbard's tape lecture, "Ron's Journal '67", on the 11th May at the Sheraton Palace Hotel, 30 books were sold amongst a very responsive audience of 65.

Austin

All fourteen staff members of the Austin Org are Grade VA Releases or above!

JOYCE STEPHENSON, Clear 232, BARRY STEPHENSON, Clear 388 and BUD SMOTHERS, Clear 636, all experienced Class VI Auditors, have recently brought their trained skills to increase Austin's service to its swiftly-growing Scientology public.

Durban

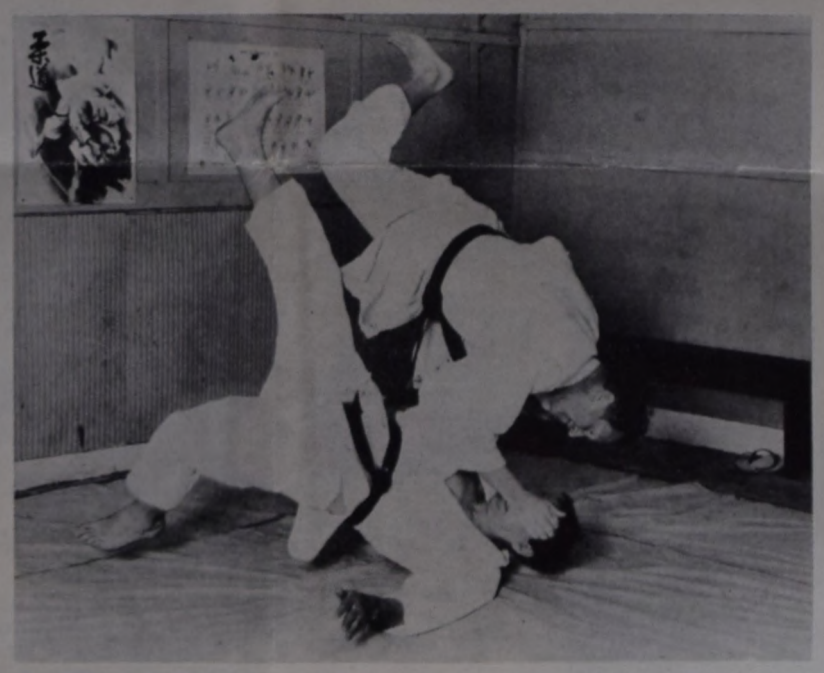

Age Range

Durban's Academy has recently trained 13-year-old INGRID VAN DER SANDEN and 62-year-old MATTIE MACDONALD on the Hubbard Dianetic Auditor's Course. Mattie has 12 grandchildren and one great grandchild. Both Ingrid and Mattie are eager to do the Clearing Course and plan to come to Saint Hill for the Solo Audit Course soon.

Ron's TV interview film "An Introduction to Scientology" is being screened monthly, now. The IQ and Personality analysis centre is handling up to 30 people per day.

Seattle

The fine new building occupied by the expanding Seattle Org has over three times the space available in the former building. There is an excellent bus service to the Org and parking space for 35 to 40 cars. Seattle is a fast-growing Org with plenty of scope for new staff members!

VITAL ROLE

Field Staff Members are vital to the accelerating expansion of Scientology. Their role is to contact new people, disseminate Scientology to them and set them on the Road to Total Freedom by selecting them for services at a Scientology Organization.

SUCCESS REWARDED

In addition to the commission which they earn, Field Staff Members are further rewarded by the quarterly Award Programmes which have been arranged by L. Ron Hubbard so that every Field Staff Member receives an additional reward for his work. The more active and successful the Field Staff Member, the greater the award.

These highly successful Award Programmes are run by each Scientology Organization on a continuous three-monthly basis. The awards given by each Organization are, of course, services which the Organization is empowered to deliver. The Sixth Saint Hill Field Staff Member Award Programme commenced on the 1st July, 1968. The seventh programme will start on the 1st October, 1968.

SERVICE

(HCO Policy Letter of 19th March 1968)

BY L. RON HUBBARD

It has come to my attention that some Central Orgs are not quick to furnish service and co-operation to Franchise Holders or Field Auditors, and also that these are sometimes upset with Central Orgs.

It is not true that Franchise Holders are all out to destroy Central Orgs.

It is not true that all Central Orgs are out to do in Franchise Holders.

Both Central Orgs and Franchise Holders are inter-dependant. Further, I have never intended Scientology Orgs or Groups to be bits of third dynamic, each opposed. (Third Dynamic: Survival through, or as, groups.) For eighteen years Dianetic and Scientology Orgs and Groups have tended to individuate to my sorrow.

We will win if we *are* Scientology not a lot of isolated groups.

The watchword is SERVICE.

I don't care how many rules you break if they're broken to give unselfish service to one another and the public. We live for service not for rules.

If the combined power of all of us and all organizations were exerted as a shoulder to shoulder effort we would take this planet just as we are and with no more than we know.

"Competition" is a trick of the weak to fetter the strong.

Where there's a group to be helped or a preclear to be processed or a student to be trained, see that it's done and if it gets done don't count the costs in broken rules.

We are essentially an evolutionary group. All of us together. We must not fetter ourselves beyond increasing our own efficiency, nor must we entangle our purposes with arbitrary laws which do not further our cause.

Service is the watchword. Orderly service is preferable to disorderly service *but any* service is better than no service.

We are essentially breakers of "now-I'm-supposed-to's". Don't fall into your own new rituals so hard that we are no longer brave and effective.

Worldwide, we are doing better today because of orderly communication lines and administrative patterns. We are making more headway and suffer less confusion, but don't worship our rituals. Be as orderly as you can. Follow our rules as best you can. But a rule can be wrong and service and our mission can never be wrong.

Use the rules until they prevent you from doing your job. But if these stop you, then to *hell* with the rules! Get the show on the road!

Focus on Success

"Grade IV Release made me happy and feel good. I like the questions and I liked answering them. It made me feel happy. It was good for me and made me feel like a Scientologist."

STEPHEN BONWICK (aged 7 years)
Grade IV Release
East Grinstead, Sussex.

"To receive auditing is great, but to be able *to audit and actually make a release yourself is a marvellous feeling.*
"Since I started training, my ability to handle situations has increased tremendously and the whole subject of Scientology has become more real to me.
"I regard Scientology training as invaluable and a must *for everyone."*

JACQUES MARAIS
Port Elizabeth, South Africa.

SAINT HILL SPECIAL BRIEFING COURSE WINS

"The Saint Hill Special Briefing Course was wonderful. One learns discipline on it, which one would not learn anywhere else, and one learns to audit.
"It's very good to know one's Technology is in!"

JOAN HORT, Class VI
Auckland, New Zealand.

Workmen carefully unload a new, high-speed mail inserting machine on its arrival at Saint Hill.

"It feels marvellous to finish Level VI of the Saint Hill Special Briefing Course. I have a very calm over-view of standard technology. Added to this, is a serene confidence that I can audit myself as well as other preclears."

GWEN NORTH
New York, N.Y., U.S.A.

"I feel that auditing is the most needed profession in this Universe and I want to be a good auditor.
"It was very real to me, as a new Section Four O.T., how much I needed the data and training available on the Saint Hill Special Briefing Course."

DON HILL, Clear 997
Section Four, O.T.
St. Louis, Missouri, U.S.A.

"I've expanded tremendously on the Saint Hill Special Briefing Course. Duplicating Ron's data, making it my own and applying it, gave me a lot of certainty. The validation here at Saint Hill is beautiful."

ANDREA SIBIRSKY
New York, N.Y., U.S.A.

POET'S CORNER

A POEM WRITTEN BY LT. DIANA HUBBARD UPON COMPLETION OF O.T. III

The sun set over the low wallowing hills
And the mist did gather in its swirling silverness
T'was the breathless still and the Autumn twilight
That turned the day to night

Endless plains lay themselves before me
The green grass was mellow and sweet
The purple distance beckoning my feet

Oh, that pain were not so sharp
Oh, that memories did not haunt
The journey is long and my heart is heavy
Far into the darkness alone I tread

And where is the land of Milk and Honey?

Pure golden light invades the silver night
The shimmering dawn breaks over the sky
Its crimson heralds scattering
I see far straight this one time

Milk and Honey is both grotesque and offending
Sweet Angels detestably without purpose
There is no one but I to tale the load

With the dawn comes grief
And the tears bring relief

I resume my journey a much more honest being

HIGHLIGHTS FROM SAINT HILL

SEA ORG RECRUITS

Great excitement was generated recently by a Sea Org Mission at Saint Hill to recruit Scientologists for the Sea Org. The response to this call was enthusiastic.

On Thursday, the 23rd May, 1968, 81 people, including 23 children, boarded two buses outside the Saint Hill Castle. At 10.30 a.m. staff photographers recorded the excitement of the waving passengers and onlookers as the buses moved off for the airport to meet the special plane chartered for this Sea Org airlift. One of the passengers was JOHN ALLEN LAWRENCE, aged 10 years, who had successfully petitioned to be allowed to go alone, ahead of his parents, to join the Sea Org immediately.

SAN JUAN SCIENTOLOGISTS ARRIVE

A group of 13 Scientologists arrived at Saint Hill on the 10th June, having flown to England from San Juan, Puerto Rico, on a special charter flight arranged by Franchise Holder DICK DORFF, Clear 282.

Three members of the group are from St. Thomas, one of the American Virgin Islands. Twenty more Scientologists will be coming to Saint Hill, this summer, from St. Thomas alone.

HIGH SPEED MAIL INSERTING MACHINE

A modern, high-speed mail inserting machine has now been installed at Saint Hill. It is capable of inserting, into envelopes, 10,000 pieces of mail per hour. A folding machine is already in use to fold pieces of mail to the correct size. The continuous growth in the numbers of Scientologists around the world means that these machines will be kept very busy!

SAINT HILL SPECIAL BRIEFING COURSE STATISTICS

A recent count revealed that 24 of the students presently on the Saint Hill Special Briefing Course come from Perth, Western Australia! Perth Org is continuing its traditional emphasis on training.

There are currently 27 Clears on the Course.

MORE TOURS

The Saint Hill Public Divisions are continuing their fast-moving programme of introducing Scientology to whole new areas of the United Kingdom. Promotion Teams, followed by Lecture Teams, set out from Saint Hill in vans and go through a chain of towns, bringing in more and more new Scientologists on each new tour. Recently the teams were in Northern Ireland.
