THE AUDITOR

WORLD 43 WIDE

THE MONTHLY JOURNAL OF SCIENTOLOGY

THIS IS THE AUDITOR'S CODE OF 1968

It supersedes any earlier Codes. It has been developed as part of the Standard Tech Programme. It is the official Auditor's Code.

It is required of Auditors and Students under training that they know this Code by heart, know what it means, and as they process, practice it. It is one thing to know it – another to practice it. A good Auditor does both. It is not something to be read, agreed with and forgotten.

Following it means success in cases. Neglecting any part of it means failures. It combines the arduously won experiences collected during eighteen years from the practice of thousands of auditors.

We want successes.

L. RON HUBBARD

HCO POLICY LETTER OF 14 OCTOBER 1968

(7) I promise not to permit a frequent change of auditors.

(22) I promise never to use the secrets of a preclear divulged in session for punishment or personal gain.

(23) I promise to see that any fee received for processing is refunded if the preclear is dissatisfied and demands it within three months after the processing, the only condition being that he may not again be processed or trained.

(24) I promise not to advocate Scientology only to cure illness or only to treat the insane, knowing well it was intended for spiritual gain.

(25) I promise to co-operate fully with the legal organizations of Dianetics and Scientology as developed by L. Ron Hubbard in safeguarding the ethical use and practice of the subject according to the basics of Standard Tech.

(26) I promise to refuse to permit any being to be physically injured, violently damaged, operated on or killed in the name of "mental treatment".

(27) I promise not to permit sexual liberties or violation of the mentally unsound.

Scientology Leads The Way

1968 has been a year of breath-taking achievement in Scientology. The power of Scientology's expansion this year thrilled all Scientologists. In the space of a few months, nine new Scientology Organizations were created. Four new states above the state of Clear were made routinely available. Standard Tech was developed by L. Ron Hubbard and put into full operation by Class VIII Auditors, the most highly skilled auditors ever trained in Scientology.

Here is how these achievements of 1968 happened

January	Ron's Journal '67, L. Ron Hubbard's special message to Scientologists, is played for large audiences all around the world. Ron speaks of the "Wall of Fire" at the upper levels above Clear.
January 4	Chris Weideman, Class VII Auditor, of Johannesburg, is announced as the first Section III O.T. He is the first to follow L. Ron Hubbard's lead through the "Wall of Fire." (O.T.—Operating Thetan: a Clear who has been familiarized with his environment to a point of total cause over matter, energy, space, time and thought, and who is not in a body. There are eight sections of the O.T. Course. A Clear is a being who is at knowing and willing cause over mental matter, energy, space and time, as regards the first dynamic (survival for self)).
January 5	Pam Pearcy, Class VII Auditor, of London, England, is the first to attain Section IV of the O.T. Course.
January 14	The world's first Clear, John McMaster, sets out on his historic world tour of all Scientology Orgs as L. Ron Hubbard's personal representative bringing Ron's message. "The answers have been found."
January 17	The first Section V O.T. is Pat Scrufari, Class VI Auditor of Buffalo, New York.
January 30	Section VI O.T., an extraordinarily high state of beingness, is first attained by Otto Roos, Class VII Auditor, of Auckland, New Zealand.
February	Highly successful public lecture tours start going out from Saint Hill around the United Kingdom.
March 31	Lyle Sudrow is the 1000th being to attain the state of Clear.
May 18	The Advanced Organization, giving the Clearing Course and O.T. Courses, is established in Edinburgh, Scotland.
May 22	Ron issues a Policy Letter on translation of Scientology books, foreshadowing the expansion of Scientology in Europe.
May 31	In a Policy Letter of this date, Ron pays a tribute to Auditors. "The only individuals on this planet, in this Universe, capable of freeing man." In a second Policy Letter, he explains that there is one Tech and that is Standard Tech.
June 17	A brand-new Org, H.A.P.I. Scotland, starts its activities in Edinburgh.
June 20	The highly successful Las Vegas, Nevada, Franchise Center becomes another new full Org.
June 26	The Publications Organization producing all printed and manufactured materials of Scientology, is established in its own four-storey building in Edinburgh.
July	Denmark's first Org opens in Copenhagen.
August 16	The American Saint Hill Organization in Los Angeles, California, is announced. The Saint Hill Special Briefing Course and Power Processing are made available to American and Canadian Scientologists on their own continent.

A section of the "Horizons Unlimited" Congress crowd applauding a tape lecture by L. Ron Hubbard.

August 17	Publication day of the brand-new L. Ron Hubbard book "The Phoenix Lectures."
August 17, 18, 19	The big "Horizons Unlimited" Congress is held in Croydon, England.
August 21	Publication day for another new book by L. Ron Hubbard. "Introduction to Scientology Ethics".
August 26	L. Ron Hubbard abolishes Security Checks (checks devised to uncover contra-survival actions or intentions).
August 28	Bulletin of this date emphasises that STANDARD TECH ALONE RESOLVES ALL CASES.
August 31	The world's youngest Clear, Jill Goodman, of New York, achieves the state of Clear at the age of 10 years.
September 7	The second Advanced Organization, established in Los Angeles, is announced in Auditor 40.

SCIENTOLOGY BOOKS HIT WORLD MARKET

In Summer, 1968, Scientology books hit bookstores and bookstands around the world. Hundreds of thousands of Scientology books went on display in commercial bookstores in the United Kingdom, U.S.A., South Africa, Australia and New Zealand.

Shortly afterward, in October of 1968, L. Ron Hubbard's successful first book, "Dianetics: The Modern Science of Mental Health" appeared on bookstands in the United States in its first - ever paperback edition. This edition will reach truly enormous numbers of newcomers to Scientology. Following nation-wide distribution in America, world-wide distribution is planned.

Summer, 1968, also marked the publication of two brand-new L. Ron Hubbard books. "The Phoenix Lectures" is the magnificent new hard-back book containing the astonishing data about the nature and abilities of Beings which Ron first revealed in his Phoenix, Arizona, lectures of 1954. "Introduction to Scientology Ethics" is the first of the important books designed to make Scientology Ethics known and understood broadly in the world.

In 1947, L. Ron Hubbard produced "The Original Thesis." This work created such intense interest that in 1950 Ron published the book which introduced a completely workable science of the mind to the world. This famous book was "Dianetics: The Modern Science of Mental Health."

Since that time, scarcely a single year has gone past without at least one, and usually more, new books being written by L. Ron Hubbard. The wealth of new data, the sheer wisdom about Man, the technology for improving all aspects of life contained in these books, is staggering.

All books by L. Ron Hubbard are now being re-designed and printed, in huge quantities, to meet the intense demand which grows daily for Ron's books. In **one day** recently 38,000 books were shipped to Scientology Orgs!

Hundreds of thousands of Scientology books are now displayed in commercial bookstores throughout the world. Enormous numbers of people are seeing Scientology books for the first time. The brilliant new editions are inviting newcomers and old-timers to read and discover and rediscover the incredible amount of fundamental data which Ron has made available over the years, to anyone who can read.

Scientologists need the data in all of Ron's books. As more new books are published, the knowledge and wisdom of Scientologists will grow and the influence of Scientologists in the world will increase far, far beyond our numbers.

TRANSLATIONS WANTED

Scientology has long since reached beyond the English-speaking countries of the world. The speed of Scientology expansion into Europe, alone, has now made the need for translations of L. Ron Hubbard's books an **urgent** one. Today The Publications Organization is ready to handle this pressing project.

If you have translated one or more of Ron's books or possess a copy of a translation, please send the translation, immediately, to:
Translations Liaison Officer,
The Publications Organization,
17 North East Thistle Street Lane,
Edinburgh 2, Scotland.

All translations must be passed by The Publications Org before being printed.

If you have **started** a translation or have been thinking about doing so, contact Publications Org without delay. There are many books and many languages. There are **millions** of potential Scientologists waiting for translations of Ron's books!

NEWS FROM ARC

Well-known Dallas radio and television entertainer, Ron McCoy, has recorded his song, "A Time to Love" for his own Clear Record Company.

SHOW BUSINESS PERSONALITY

Radio and television star, RON McCOY, Clear 1267, was able to relax and achieve greater success in show business as a result of Scientology processing. He was first introduced to Scientology two years ago through the book "Fundamentals of Thought" by L. Ron Hubbard, while working as a Program Director and disc jockey at a Dallas radio station. He then took the Personal Efficiency Course in Dallas and signed up for processing.

Ron found working as a Program Director "a breeze" when he completed his Grade IV (Ability) Release. Confronted with the same people and pressure, he discovered that the job, which previously required 18 hours a day of extremely hard work, had become easy. After his processing, he was able to communicate much better as a disc jockey.

A guitarist and singer Ron has recorded for RCA Victor and has worked with such major country and western stars as Johnny Horton, Jerry Lee Lewis and Bobby Goldsboro in coast-to-coast television shows, in radio and on his own weekly television program "Panther A Go Go." He has also performed in concerts with "The Monkees" and "Paul Revere and the Raiders".

Ron has now left radio to work with Alan Walter, Section VI OT, who is one of the leading Franchise Holders in the United States.

STAR DANCER AT SAINT HILL

JULIE McLEOD, Clear 797, Section One O.T., a highly successful Broadway dancer from St. Thomas, Virgin Islands, is training on the Saint Hill Special Briefing Course at Saint Hill to bring high-level auditing skills back to the vigorous St. Thomas Franchise centre.

Julie was a dancer in the original Broadway cast of the fantastically successful "West Side Story". She also danced in the Broadway production of "The King and I" and has appeared in television shows. On top of this success, Julie also runs a thriving hotel, night club and restaurant in St. Thomas!

In 1967, a Director friend, BOB HOLLOWAY, now Clear 572, came to St. Thomas to direct the musical "Stop the World, I Want to Get Off" and introduced Scientology to many theatrical people there, including Julie. The group brought an auditor to the island to audit them all to Grade IV Release. Later, when Bob returned to the island as a new Clear, he offered to look after Julie's children and her business while she and her husband JOHN, now Clear 793, went to Saint Hill to go Clear.

After she went Clear, Julie **doubled** the income from her business and greatly improved her relationships within her family and with her employees. Bob is again looking after the business while Julie and John study on the Saint Hill Special Briefing Course.

Julie plans to complete further Sections of the O.T. Course before returning to St. Thomas as a Class VI Auditor.

Highly successful Broadway dancer, Julie McLeod, is a Saint Hill Special Briefing Course student.

Dynamic Larry Winard pauses to answer a question from one of the 30 Chicago teachers learning to apply Scientology in the classroom.

TEACHERS LEARN TO COMMUNICATE

One of the most exciting events in American education is the work of Lawrence Winard, Section VI OT, and Theodore Leviton, Professor of Economics and Grade IV Release.

A "Program in Teacher Self-Analysis: Role of the Classroom Teacher in Teaching the Gifted" has been initiated by Larry and Ted with the full support of the Chicago Board of Education, the Cook County Superintendent of Schools and the Illinois State Superintendent of Public Instruction.

This Program, a Hubbard Apprentice Scientology Course, greatly increases the ability of teachers to communicate with especially gifted children. It is being applauded by officials, supervisors and teachers alike.

Larry Winard, who operates the North Side Chicago Scientology and Dianetics Center, and Ted Leviton are in full control of this program and are the only ones in the State authorized to run such a project. They have access to a potential $7,500,000.00 of City, State and Federal funds which have been allocated for educating teachers to teach gifted children.

Their overwhelming success is mirrored by the high praise of the teachers on course and the amazed agreement of supervisors and officials that, "This is what is needed!" Gerald J. O'Connor, Principal of the Yale Summer School, commented enthusiastically about the program: "The Yale Special Summer School is presenting an IN-SERVICE PROGRAM that works. The teachers say so; the pupils recognize it; the parents sense it; visitors concur."

This well-planned and highly important project is scheduled to begin in many more schools in the Chicago area. New York State, Tucson, Arizona, Minnesota and Massachusetts education authorities are waiting to take Chicago's lead.

Larry and Ted are preparing to make the program in Teacher Self-Analysis available on a world-wide basis and will soon be bringing this excellent application of Scientology technology into schools across America.

YOUNGEST CLEAR

The youngest student ever to take the Clearing Course is ten year old JILL GOODMAN from Buffalo, New York. She completed her Clearing Course at the Advanced Organization in Edinburgh, Scotland, on 31 August, 1968, following her Solo Audit training at Saint Hill.

Jill earned her Hubbard Dianetic Auditor's Certificate and Hubbard Recognized Scientologist Classification at the New York Org and did volunteer Dianetic and Grade O auditing in the Hubbard Guidance Center of New York.

Jill's brother ANDREW who is eight years old, took the Hubbard Dianetic Auditor's Course this summer at Saint Hill. The entire family, including Jill's father, JIM, VA Release, is signed up for OT VIII.

Jill's future plans are to complete the OT Sections and take the Briefing Course. She hopes to receive the OT Sections as a Christmas gift!

Serenely confident in her auditing skill, Jill Goodman waits while her preclear looks up the definition of a word.

UND THE WORLD

Stephen Boyd in the role of the charioteer, Messala, in MGM's "Ben-Hur". The film is due for re-release in Spring, 1969.

FAMOUS ACTOR HAS POWER PROCESSING

Famous film actor, Stephen Boyd, is known to millions for his powerful character portrayals in such films as the spectacular, award - winning "Ben Hur", "Genghis Khan" and "Assignment'. He recently finished filming "The Slaves," to be released in April 1969. Here is a letter he wrote while still "on location" in Louisiana, U.S.A.

"On the way to New York (to make a film) my friend and I read some Scientology material. Just a little, but enough to make us go down to the New York Org and enquire on what, where, how, when and why.

"The first reaction at the Org offices was rather strange. Here were a bunch of people sitting, talking, walking about busily . . . and everywhere in that place, people were talking about things being 'beautiful'. Anyway, we signed up for processing to begin the following day. And again, while we were there, everything was 'beautiful'. What the hell is this 'beautiful'?

"A few exciting days later I walked out of the Org with a certificate for Grade IV Release.

"A day or two later we were in the middle of a re-writing meeting. They are generally fraught with fear, anger, frustration and a lack of any kind of personal satisfaction. This time everything went smoothly. Beautiful. Later off to Louisiana. The humidity and heat are supposedly killing and debilitating. Hot? Yes. Humid? Yes. But not not unbearably so. Beautiful. Script changes come and they are not acceptable to me. Normally I would become upset, go into a rage, threaten to leave the picture. Not this time. We went into a pleasant reasoning and, without exception, my suggestions were accepted willingly. Beautiful. We do not have a 'regular' crew. But things are being done and reasonably well. All of the bickering, all of the grumbling going on around the four of us, all four Scientologists . . . and we are not affected. Beautiful. The producer told me the other day that I was the happiest star he had ever met. You want to know what beautiful is? Come on down. I'd be delighted to tell you."

Shortly after finishing work on "The Slaves", Stephen Boyd had Power Processing in Los Angeles, at the American Saint Hill Organization, where he received his Grade V and VA Releases on October 12, 1968. His immediate plans are to take the Hubbard Dianetic Auditor's Course, then the Solo Audit and Clearing Courses. As he wrote from Los Angeles it's "onward and upward" for Stephen Boyd, Grade VA Release.

Saint Hill Special Briefing Course student and top fashion model, Judy Shafron.

ELECTRONICS DESIGNER

ED FARR, Class VI Auditor, Grade VI Release and Saint Hill Special Briefing Course graduate from Los Angeles, was a sought-after expert in the field of electronics design and miniaturization. Since discovering Scientology he has exchanged precision handling of electronic components for precision in dealing with the human mind and spirit.

Ed has designed special circuits for Polaris missiles and recently worked on the Mariner Mars 69 Spacecraft project at Jet Propulsion Laboratories in Pasadena, California. In January, 1966, he attended Introductory Lectures at the Los Angeles Org and was struck by the precision and accuracy of Scientology technology in dealing with the human mind. In September he started Academy training.

In July, 1967, while completing the Hubbard Professional Auditor course, Ed decided to be at Saint Hill by the end of the year. Immediately he obtained a much better job and more than **doubled** his wages by doing so! He achieved his goal and was enrolled on the Saint Hill Special Briefing Course at the end of 1967.

Now a Class VI Auditor and a Sea Org member, Ed says, "I consider the Saint Hill Special Briefing Course the finest experience in my life."

Ed Farr, electronics designer, discusses E-Meter components with a staff member at Saint Hill.

TOP FASHION MODEL

A top New York fashion model for five years, talented JUDY SHAFRON, Class IV Auditor, Grade VA Release, is now at Saint Hill taking the Saint Hill Special Briefing Course. Judy, a very highly paid model for Harper's Bazaar and other well-known fashion magazines, is also an actress and has performed in the film "A New Kind of Love" with Paul Newman and Joanne Woodward. Television programmes she has appeared in include "The Ed Sullivan Show" and the quiz programme, "To Tell The Truth".

Judy became interested in Scientology in May of 1967 after reading a friend's copy of "The Auditor". She received her processing and training up to Hubbard Advanced Auditor level (Class IV) at the New York Org where she met her husband, RON SHAFRON, VA Release and Class IV Auditor. Ron is now a Class VI Auditor.

Both are highly-valued New York staff members who were awarded the Saint Hill Special Briefing Course by the New York Org. Judy and Ron plan to complete the Clearing Course and O.T. Courses before returning to New York.

COMPOSER

Viennese classical concert pianist and composer, IVAN EROD, attained the state of Power Release at Saint Hill recently. Ivan has given piano recitals throughout Europe during the past eight years and his opera "Die Seidentraupen" (The Silkworms) was performed this year at the Festival of Vienna. Scientology enabled Ivan to achieve certainty in his music.

Ivan, who is also a teacher of theory of piano at the Academy of Graz in Austria, first came in contact with Scientology in Vienna. He travelled to London for training and processing to Grade IV Release. Now that Ivan has completed Power Processing, he plans to take the Solo Audit and Clearing Course in the summer of 1969.

Dr. J. J. Julian reads the fine new edition of "Dianetics: The Modern Science of Mental Health," the data of which he successfully applied in his medical practice in 1950.

Doctor Disseminates

A former Dianeticist, Dr. J. J. Julian, Clear 1315, entered Scientology with a rush after seeing John McMaster, Clear 1, on the Les Crane Television Show in Los Angeles in March 1968. The very next day he bought "Dianetics: The Modern Science of Mental Health" and "New Slant on Life" by L. Ron Hubbard and contacted the Los Angeles Org where he rapidly completed the Hubbard Apprentice Scientologist Course, the Hubbard Qualified Scientologist Course and the Hubbard Dianetic Auditor's Course and had processing up to Grade IV Release.

Dr. Julian, whose field is preventive medicine and nutrition, heard of Dianetics in 1950 and successfully applied some of the data in his practice. After completing his recent Scientology processing and training in Los Angeles, he greatly improved his rapport with his patients and was far more able to help them with their problems.

Now an active disseminator of Scientology, Dr Julian aroused the interest of other doctors, businessmen and psychologists in the Los Angeles area before coming to Saint Hill for his Power Processing and Solo Audit Course. Shortly after attaining the state of Clear at the Advanced Org in Edinburgh, he took part in the "Horizons Unlimited" Congress at Croydon, England.

POET'S CORNER

AUDITOR

I have often looked on a lonely hill
And wondered how to express
The feeling in my breast
To give unto those I love
An impulse — a gift of soul.
Thank God, a cry across the ages.
At last — there lives the listener.

"One of the finest joys of a lifetime is the knowledge that I know auditing. In Ron's tech we have the means to free mankind, and by applying Standard Tech we raise man to new levels of self-awareness. This selfsame tech, when applied to life and livingness, brings in fantastic flows and turns life into a great and fantastic game. Thanks to Ron there is Standard Tech and a fantastic Saint Hill in America — it's all beautiful. Thank you, Ron!"
