THE THIRD PARTY LAW

(HCO Policy Letter of 26th December, 1968
HCO Bulletin of 26th December, 1968)

By L. RON HUBBARD

I HAVE for a very long time studied the causes of violence and conflict amongst individuals and nations.

If Chaldea could vanish, if Babylon turn to dust, if Egypt could become a badlands, if Sicily could have 160 prosperous cities and be a looted ruin before the year zero and a near desert ever since – and all this in SPITE of all the work and wisdom and good wishes and intent of human beings, then it must follow as the dark follows sunset that something must be unknown to Man concerning all his works and ways. And that this something must be so deadly and so pervasive as to destroy all his ambitions and his chances long before their time.

Such a thing would have to be some natural law unguessed at by himself.

And there **is** such a law, apparently, that answers these conditions of being deadly, unknown and embracing all these activities.

The law would seem to be:

A THIRD PARTY MUST BE PRESENT AND UNKNOWN IN EVERY QUARREL FOR A CONFLICT TO EXIST.

or

FOR A QUARREL TO OCCUR, AN UNKNOWN THIRD PARTY MUST BE ACTIVE IN PRODUCING IT BETWEEN TWO POTENTIAL OPPONENTS.

or

WHILE IT IS COMMONLY BELIEVED TO TAKE TWO TO MAKE A FIGHT, A THIRD PARTY MUST EXIST AND MUST DEVELOP IT FOR ACTUAL CONFLICT TO OCCUR.

It is very easy to see that two in conflict are fighting. They are very visible. What is harder to see or suspect is that a third party existed and actively promoted the quarrel.

The usually unsuspected and "reasonable" third party, the bystander who denies any part of it **is** the one that brought the conflict into existence in the first place.

The hidden third party, seeming at times to be a supporter of only one side, is to be found as the instigator.

This is a useful law on many dynamics.

It **is** the cause of war.

One sees two fellows shouting bad names at each other, sees them come to blows. No one else is around. So **they,** of course, "caused the fight". But there **was** a third party.

Tracing these down, one comes upon incredible data. That is the trouble. The incredible is too easily rejected. One way to hide things is to make them incredible.

Clerk A and Messenger B have been arguing. They blaze into direct conflict. Each blames the other. NEITHER ONE IS CORRECT AND SO THE QUARREL DOES NOT RESOLVE SINCE ITS TRUE CAUSE IS NOT ESTABLISHED.

One looks into such a case THOROUGHLY. He finds the incredible. The wife of Clerk A has been sleeping with Messenger B and complaining alike to both about the other.

Farmer J and Rancher K have been tearing each other to pieces for years in continual conflict. There are obvious, logical reasons for the fight. Yet it continues and does not resolve. A close search finds Banker L who, due to their losses in the fighting, is able to loan each side money, while keeping the quarrel going, and who will get their lands completely if both lose.

It goes larger. The revolutionary forces and the Russian government were in conflict in 1917. The reasons are so many the attention easily sticks on them. But only when Germany's official state papers were captured in World War II was it revealed that **Germany** had promoted the revolt and financed LENIN to spark it off, even sending him into Russia in a blacked out train!

One looks over "personal" quarrels group conflicts, national battles and and one finds, if he searches, the third party, unsuspected by both combatants or if suspected at all, brushed off as "fantastic". Yet careful documentation finally affirms it.

This datum is fabulously useful.

In marital quarrels the **correct** approach of anyone counseling, is to get both parties to carefully search out the **third** party. They may come to many **reasons** at first. These **reasons** are not beings. One is looking for a third **party,** an actual **being.** When both find the third party and establish proof, that will be the end of the quarrel.

Sometimes two parties, quarreling, suddenly decide to elect a being to blame. This stops the quarrel. Sometimes it is not the right being and more quarrels thereafter occur.

Two nations at each others throats should each seek conference with the other to sift out and locate the actual third party. They will always find one if they look, and they **can** find the right one. As it will be found to exist in fact.

There are probably many technical approaches one could develop and outline in this matter.

There are many odd phenomena connected with it. An accurately spotted third party is usually not fought at all by either party but only shunned.

Marital conflicts are common. Marriages can be saved by both parties really sorting out **who** caused the conflicts. There may have been, in the whole history of the marriage several, but only one at a time.

Quarrels between an individual and an organization are nearly always caused by an individual third party or a third group. The organization and the individual should get together and isolate the third party by displaying to each other all the data they each have been fed.

Rioters and governments alike could be brought back to agreement could one get representatives of both to give each other what they have been told by **whom.**

SUCH CONFERENCES HAVE TENDED TO DEAL ONLY IN RECRIMINATIONS OR CONDITIONS OR ABUSES. THEY MUST DEAL IN BEINGS ONLY IN ORDER TO SUCCEED.

This theory might be thought to assert also that there are no bad conditions that cause conflict. There are. But these are usually REMEDIAL BY CONFERENCE UNLESS A THIRD PARTY IS PROMOTING CONFLICT.

In history we have a very foul opinion of the past because it is related by recriminations of two opponents and has not spotted the third party.

"Underlying causes" of war should read "hidden promoters".

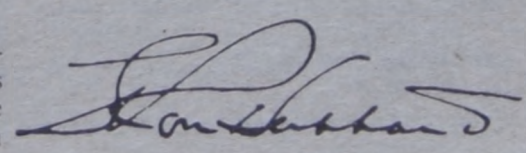

There are no conflicts which cannot be resolved unless the true promoters of them remain hidden.

This is the natural law the ancients and moderns alike did not know.

And not knowing it, being led off into "reasons" whole civilizations have died.

It is worth knowing.

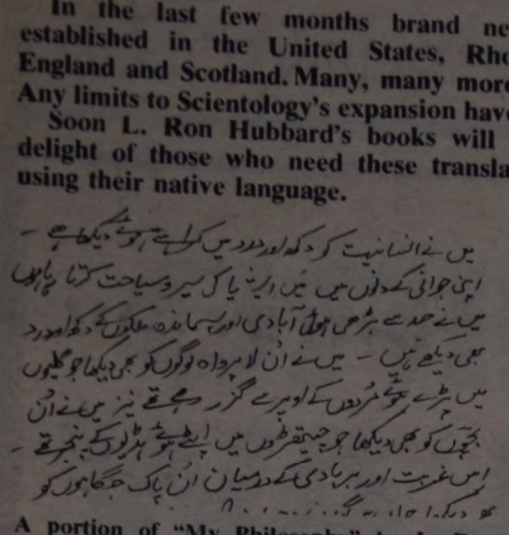

It is worth working with in any situation where one is trying to bring peace.

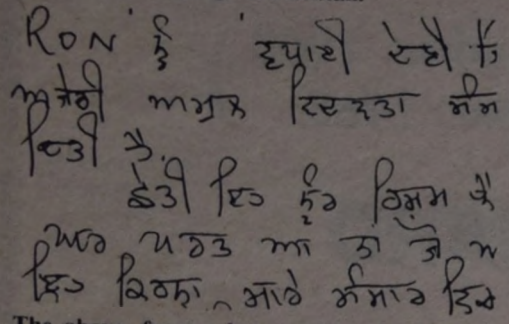

SCIENTOLOGY EXPANDS INTERNATIONALLY

In the last few months brand new Scientology Organizations have been established in the United States, Rhodesia, South Africa, Sweden, Denmark, England and Scotland. Many, many more will be established in the coming months. Any limits to Scientology's expansion have been swept aside.

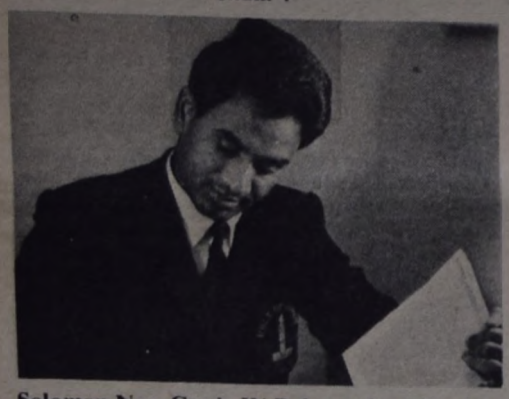

Soon L. Ron Hubbard's books will be appearing in foreign languages to the delight of those who need these translations in order to progress in Scientology, using their native language.

A portion of "My Philosophy" by L. Ron Hubbard translated into Urdu, the national language of Pakistan.

The above, from a letter written in Punjabi, mother tongue of 35% of India's people, says "I am anxiously waiting for the day when Ron will be delivering a lecture in India".

Solomon Naz, Grade IV Release, from Punjab, India, translating books by L. Ron Hubbard. Solomon's father and collaborator, Lachmendass Naz, is a Master of Oriental Languages.

Already Scientology training and processing as well as lectures are being given in many foreign languages around the world. Scientology is being disseminated and applied in Portuguese, Korean, Spanish, Japanese, Swedish, Greek, French, Norwegian, German, Hebrew, Danish, Dutch, Italian, Russian, Hindi, Urdu, Punjabi, and Afrikaans. The Road to Total Freedom has entrances now from Mexico to Pakistan, from Korea to Brazil, from Puerto Rico to Hawaii. Soon English-speaking Poles will get their chance when the magnificent new editions of L. Ron Hubbard's books go on display at the Warsaw Book Fair in May, 1969.

New Orgs, new Franchise centres, new Field Staff Members are spanning the world. 1969 is clearly destined to be Scientology's most exciting year, so far, and 1970 will be better yet!

Here are some letters written by Scientologists pursuing their goals in Scientology in a language other than English:

Swedish

KOMMUNIKATIONSKURSEN:

"Jag är verkligen nöjd med den här kursen. Jag tycker jag har fått ut fantastiskt mycket, känner mig mycket lugnare. Har lättare för att prata med människor. Jag dömmer inte heller så fort längre utan tänker mera på vad det finns för anledning till att den människan gör just så. Det har också blivit mycket lättare att behärska sig. Jag är inte så fnittrig längre. Sedan har jag blivit mycket piggare trots att jag sover mindre. För mig är detta ett fantastiskt resultat."

Birgitta Wännman,
Göteborg, Sweden.

The Communication Course

"I am really pleased with this course. I think I have a got a fantastic great deal out of it. I feel much more calm. It's easier to talk to people. I do not judge so quickly anymore without thinking of the reason why the person acted as he did. It has also become much easier to control myself. I am not so much in "glee" anymore. I've also been much more lively in spite of getting less sleep. To me this is a fantastic result."

Birgitta Wannman,
Goteborg, Sweden.

Translations by L. Ron Hubbard

I have solved the principle of the translation of books, which is as follows:

The Scientology words themselves are not translated. The definition of the Scientology word is put in the foreign language but the word itself, like engram, is not translated.

In translating, the Scientology word is put in italics (the first time it is used in the text) and the definition in the foreign language follows it in parenthesis. A glossary of terms is then put in the back of the book giving the Scientology words in alphabetical order with their definitions, as already defined the first time they appeared in the text.

This means that these foreign languages will have a Scientologese vocabulary of 400 or 500 words that have to be learned by students studying the books and materials in the foreign languages. They learn them as completely arbitrary symbols and therefore no misunderstoods can occur (unless somebody misdefines them).

A small excerpt from a letter published in a Greek magazine. Translated, it reads in part, "Words are inadequate to describe my gratitude to this new and remarkable Science. I owe everything in my life, to it, my very life, and I have set as my life's task to do everything in my power for its widespread dissemination and use. I should like to thank, from the bottom of my heart, the vigorous pioneer of Scientology in this country, Mr. Demitri Chronis, whose work does credit to our country."

Sabedora da existência de Scientology a há mais de 1 ano, não me foi extranho, portanto, o curso da mesma sôbre o trabalho. Não dava muito crédito à nova ciência pelo fato de saber muito rápido os seus efeitos, acostumada a ouvir outras técnicas e métodos bem lentos, quanto a melhora do ser humano no lado peicológico. Contudo, fazendo o curso de Scientology a sôbre o trabalho, me foi maravilhoso, pelo que de objetivo e real nêle encontrei para aplicar na minha vida diária de dona de casa com 4 filhos e comerciante. Encontrei nestes 3 meses de curso muito mais realidade para minha vida, mais comunicação e muito mais afinidade com aqueles que me cercam.

"I knew about Scientology for over a year and had heard about the Problems of Work Course. I did not give much credit to this new science due to its very rapid results, because I was used to hearing about other, slower techniques and methods to improve human beings. However, doing the Scientology course on work, I found it wonderful. It is direct and real to apply in my daily life of housewife with 4 children and as a businesswoman. I found during the course, much more reality in my life, more communication and much more affinity with those around me."

Seventh Saint Hill Field Staff Member Award Programme

The Seventh Saint Hill Award Programme ended on the 30th September 1968. Very valuable awards were made on the basis of commission earned during the third quarter of the year. Saint Hill field Staff Members receive 10 per cent commission on all paid services taken by their selectees during one visit to Saint Hill, except in the case of training services for which the commission is 15 per cent!

FIELD STAFF MEMBERS

Any individual may be a field Staff Member for his local organization. Any person who is HBA (Hubbard Book Auditor) or above is eligible.

Any person who has had Power Processing or attended training courses at Saint Hill is eligible to be a Field Staff Member for Saint Hill.

Any person may be a Field Staff Member for Saint Hill **and** his or her local organization.

REWARDS

Field Staff Members are actually Organization staff members and are rewarded for their work in selecting students and preclears for the Organization. Due to the importance of training in Scientology, 15% commission is paid on fees for **training** services by selectees while 10% is paid on fees paid for processing and other services.

FIELD STAFF MEMBER TRAINING

All Scientology Organizations run and organize Field Staff Member training courses, to assist each Field Staff Member to increase the scope and success of his dissemination. Saint Hill runs a very comprehensive training programme.

PERSONAL CONTACT

A vital factor in the work of a Field Staff Member is **personal contact.** In some cases, after having actually selected a person for a service, the Field Staff Member must follow up his selection by contacting the person again and helping the person to achieve his aim to actually **take** the training and processing.

CONTACTING NEW PEOPLE

In Auditor 44, L. Ron Hubbard termed the Field Staff Member – Scientology Organization Contact Man. An important activity of a Field Staff Member is contacting new people and selecting them for their first service on the road to total freedom.

Field Staff Members do this by lecturing to groups of people, running a regular free introductory lecture on Scientology and straight out dissemination to personal contacts in daily life.

BUY BOOKS

Successful Field Staff Members sell books as their major dissemination action. Books by L. Ron Hubbard contain the answers to people's questions and the data to resolve problems and confusions. Special discounts exist for Field Staff Members who buy books from Scientology Organizations in bulk.

ORGS AND FRANCHISE CENTRES

All staff members of a junior organization are Field Staff Members for their senior organization. e.g. Cape Town is a Field Staff Member for Johannesburg, and Johannesburg is a Field Staff Member for Saint Hill. All staff members receive their share of the commission. Up-statistic trained staff members are awarded the training courses in award programmes.

Members of bona fide Franchise Centres may select people individually and will receive their commissions individually and may group their commissions paid total together in the award programme in order to qualify for a higher award. This award is then given to the highest statistic trained member of that Franchise Centre by the principal Franchise Holder of that centre.

MATERIALS

All materials and information to help a Field Staff Member in his work are fully supplied by the Director of Clearing in the Organization. These materials consist of selection booklets and the policies and technology on how to be a successful Field Staff Member, as written by L. Ron Hubbard.

Training Successes in all Orgs Under Class VIII Supervision

With the miracle of Standard Tech, developed and perfected by L. Ron Hubbard and imparted by him to Class VIII Auditors, students in Organizations around the world are having their best wins ever. The Class VIIIs are supervising training to a level of smoothness and accuracy never before attained.

Here are just some of the glowing letters written by students about the Class VIII Programme:

Some of the 200 confident students learning to apply Standard Tech on the American Saint Hill Special Briefing Course.

"Auditing under a Class VIII is a breeze. All an auditor needs do is follow the Case Supervisor's directions exactly and not vary them and bing! You end up with a bright, happy preclear who will fly all the way to OT. I've seen this happen many, many times since Class VIII supervision got in here at San Francisco. The results are really fantastic and very, very fast once the case is set up and prepared to run.

The whole thing is easy and simple — there is nothing complex about auditing. Not a thing at all."

Sean Cory, HAA
San Francisco

"The American Saint Hill Special Briefing Course in Los Angeles was the most rewarding experience of this lifetime. Ron Hubbard and the Class VIIIs have made it possible for us to have the ability to help other beings on their road to OT in a quick, professional and flawless route to freedom and power. For some time I have postulated acquiring a Scientology franchise to do all I can to help make Scientology grow at a maximum rate. Since starting the Briefing Course I have managed to find a complete staff. The new center will start the return flow for the knowledge I was free to have on this enlightening course."

Rick Stetzel, OT I, Class VI
ASHO

"I have been auditing for 14 years on all sorts of processes and preclears. I have recently graduated from the Saint Hill Special Briefing Course and have been auditing under Class VIII supervision. Auditing has never been simpler. (Of course it always was that way, it was the complexities I 'assisted' it with that made it difficult). It has never been so full of wins. Man, it just goes, man, goes. The beauty of it is not only in the wins for the preclear and me but in knowing that I'm doing it as Ron says. I have learned with comfortable and absolute certainty that there are no 'difficult' cases, there are only 'unusual' auditors."

Ray Jensen, OT III, Class VI
East Grinstead

Mary Jane Jewell, Class VIII Auditor at the Los Angeles Org, gives careful guidance in the Academy.

"I have been applying Standard Tech as an auditor since Drew Schmidt, Class VIII, came to the Org several weeks ago, and I must say that the gains a preclear gets here from Standard Technology are nothing short of fantastic.

I want everyone to receive these gains and really fly. Thanks to Ron first and Drew second for 100% Standard Technology and seeing that it is applied."

Steve Elliott
Honolulu, Hawaii

"Watching your preclear come up tone — up scale, as you apply Standard Tech to him, is the most exciting thing you can do or experience as an auditor. If you've ever seen a flower open and bloom, you know what I mean. Standard Tech is all of that and more — try it; get trained."

NEWS FROM AROUND THE WORLD

ACTOR AIMS FOR CLEAR

Recently acclaimed in Canada as the "Theatrical Find of the Year", a "combination Tommy Steele – Ray Bolger", Vancouver-born actor, DEAN REGAN, Grade VA Release, now has his sights on the attainment of Clear and OT. Dean suddenly emerged as a star following a long performing career, as a result of his gains from Scientology training and processing.

Dean, a singer, dancer and actor, had been performing since the age of 5 years without making a definite success of his career. Failures in Los Angeles and San Francisco nightclub performances had discouraged him and he was about to give up acting.

In July, 1968, Dean heard about Scientology from Toronto folk-singer, AL CROMWELL. The next day, he visited the Vancouver Franchise Center and was soon spending 12 hours a day there, his previous difficulties forgotten. Shortly afterwards, he signed up for the Toronto engagement at the Royal Alex Theatre and gave the performances which brought rave notices from critics and enthusiasm from audiences.

Dean has completed the Hubbard Dianetic Auditor's Course and has had his Power Processing at the American Saint Hill Organization. He plans to achieve Clear and OT very soon at the Advanced Org in Los Angeles. Later he will visit universities around the country, giving rhythm and blues programmes, entertaining and talking with students. Already Dean has set music to "The Road to Total Freedom" and "The Golden Dawn" by L. Ron Hubbard and looks forward to communicating Scientology by using his abilities as a highly-polished professional entertainer.

Singing star of "Wait a Minim", Helene Ireland, is planning to take the Saint Hill Special Briefing Course.

Musical Comedy Star

Vivacious, blonde actress, singer and songwriter, HELENE IRELAND, Grade IV Release, is pursuing her Scientology training and processing around the world. As star of the successful musical "Wait a Minim", Helene has travelled thousands of miles from Los Angeles, to Auckland, Christchurch and Sydney. In each city she advanced further in Scientology.

On July 21st, 1968 in Los Angeles, Hollywood, actor JIM McMULLIN told Helene about Scientology and soon MIKE LEVIN had audited her to Grade I Release. Then "Wait a Minim" moved to Auckland, New Zealand, and Helene was audited to Grade IV Release at the Auckland Org. Next, she was in Christchurch and took the chance to start her Hubbard Dianetic Auditor Course at the Scientology Franchise centre, there. When the show moved to Sydney, Helene immediately contacted the Sydney Org and continued her Hubbard Dianetic Auditor training.

As a result of her training and processing, Helene has tremendously increased the degree of communication between herself, other members of the cast and audiences. Another of her gains is that since entering Scientology, she has written twelve songs. One of them "Here Comes the Dawn", has already been released. Helene has recorded with Liberty Records and recently signed with Epic Records with whom she completed a very successful recording session before departing for Auckland.

While on tour with "Wait a Minim", Helene was offered a contract to star in the film version of the show. Following further Academy training in the Los Angeles Org, Helene plans to take the Saint Hill Special Briefing Course at the American Saint Hill Organization in Los Angeles and continue to expand in Scientology.

ORGANIZATION NEWS

CAPE TOWN

The first graduation ceremony of the Cape Town Children's Course was held on Saturday, December 7, 1968, and took the form of a grand fancy dress party. Parents and staff members attended and BARBARA GENTRY, Class VIII Auditor for Cape Town, presented the certificates.

The Cape Town Children's Course has been flourishing for over four years. Graduates of this course have all learned the study data, which they have applied to their school work with very rewarding results.

DENMARK

Each Wednesday evening the Danish Org holds a lecture – one week in Danish, alternating with one week in English. Attendance is excellent and a large percentage of the attendees buy books and sign up for further services. There have been requests from the Copenhagen University and several clubs and associations for lecturers to speak to them.

Recently the Danish Org put 2614 Success Booklets in Danish in bookshops and railway stations.

On December 18, 1969, a Welcome Home Gala Congress for Class VIII, JOAN SCHNEHAGE, was held.

PRETORIA

The two main bookstores in Pretoria now sell Scientology books and ten cafes also have a display of Scientology publications for sale. One bookbuyer from the country later telephoned the Org for more books and plans to have auditing very soon. He is also bringing in a friend for auditing.

New staff members are warmly welcomed in this area of great expansion in Scientology.

Dr. John Moffat on the New Zealand television programme, "Highlight".

Emminent Educationist Applies Scientology

Dr. JOHN MOFFAT, recognized as a leading authority on Education in New Zealand and most senior lecturer at the Post-Primary Department of Christchurch Teachers' College, is a Grade IV (Ability) Release. As an educationist, he constantly applies Scientology data in his work.

Dr. Moffat, who obtained his Doctorate at Bristol University in 1949 for his studies in modern French literature, has lectured in English, French, German, Latin and Greek at Christchurch Teachers' College.

In 1957 he represented New Zealand at the UNESCO Seminar on the Teaching of Modern Languages, held at the University of Sydney. In 1961 he launched Hatha Yoga classes in Canterbury, New Zealand. After one of these classes, a student gave him a copy of "Science of Survival" by L. Ron Hubbard. As soon as he had read this book, Dr. Moffat bought all the Scientology books "he could lay his hands on".

Today he employs L. Ron Hubbard's study data in his teaching work and makes constant use of Ron's Tone Scale of Human Emotions in the training of future teachers. He also applied Ron's study data in his acclaimed book "The Structure of English" which has been described as "witty and wise, learned and entertaining".

Dr. Moffat writes a regular column on Education for the "Christchurch Star" and has appeared frequently on television discussion and quiz programmes. He is heavily in demand as a speaker and has addressed an extremely wide range of groups and organizations.

He plans to publish 20 more books and attain O.T.

Artist's New Abilities

Successful artist and writer, RENÉE DUKE, Grade VA Release, from New York, now living in Paris, has multiplied her creative powers and her enjoyment of all aspects of life since her Power Processing at Saint Hill.

Renée, already a successful writer on economics and trade for New York papers, art critic, traveller and artist, was told by a friend that she looked dreadful and that all the girls at the New York Org looked so pretty and glowing. Renée had to go and see! In April, 1968, she did so and two weeks later was a Grade IV Release! As a result, money started to 'flow' to her and soon she was being audited to Power Release at Saint Hill.

One of the most satisfying of Renee's gains after Power Processing is the tremendous expansion of her ability to control paint as an artist, to change to a new medium and to be able to paint effortlessly late at night and in between looking after her six sons! She now has the power to paint exactly what she sees and feels about a person's character without hesitation.

Renée enjoys organizing people and talking to them, which she does easily in Spanish and French as well as English. She uses these abilities to give Introductory Lectures at the Paris Org.

Talented artist, Renée Duke, has a new enjoyment of life.

UND THE WORLD

Computer Scientist

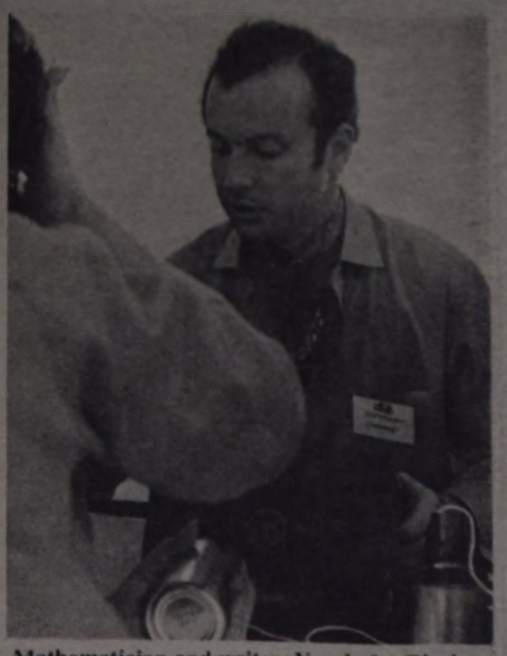

Israeli scientist YAOSHAFAT GIVE'ON, Ph D in Communications and Computer Sciences from the University of Michigan, research worker and teacher at Harvard University for 2 years, research worker and teacher at Stanford University, is now a Grade VA Release and a Class III Auditor. He has started a Scientology group at Palo Alto, California, with MYRON RUDERMAN, Grade VA Release and is working to establish a permanent student group at Stanford.

Yaoshafat, usually known as Shafe, heard about Scientology from friends in California and in early 1966 began training at the San Francisco Org. Four months later he started his processing at the Los Angeles Org where he was continuing his training to Class III (Hubbard Professional Auditor). He had Power Processing at the American Saint Hill Org.

Shafe's advanced studies in experimental and mathematical psychology and thought research led him to research projects into Artificial Intelligence in the field of computer sciences. He soon found that there was a factor missing, without which Intelligence was not Intelligence. He lost interest in the subject until he found Scientology. He writes, "I was very happy to find the answers in Scientology and, with them, the return of interest in my studies. Scientology not only works, it also makes sense."

Later this year, McGraw Hill will publish Shafe's book on an advanced topic in computer sciences, "Algebraic Automata Theory". He is busy with another text book now and in both cases has carefully applied L. Ron Hubbard's Study Data to produce truly understandable text books.

Next year, Shafe plans to return to Israel to start a Franchise Centre or work in an existing centre.

Mathematician and writer, Yaoshafat Give'on, trains as an auditor.

Ray Bester outwits an opponent and drives for the goal.

Professional Soccer Star

Capetown's successful soccer team, Tramways, has Scientologist, RAY BESTER, Class VI Auditor, Clear 968, Section Six O. T., as one of its leading goal scorers.

Ray's abilities as a professional soccer player have leapt since he attained Section Six O.T. Control of the ball and his game strategy have improved markedly and he is far more effective as a part of his team. In possession of the ball, Ray can now predict the movements of his opponents!

Ray entered Scientology in 1959. In 1964 he completed the Hubbard Professional Auditor Course in the Cape Town Org and went on to complete the Saint Hill Special Briefing Course. For a time he was an Auditor in the Capetown Org. In early 1968 he completed the Clearing Course and in April attained Section Six O.T.

Ray's wife, PAM, is a staff member of Cape Town Org.

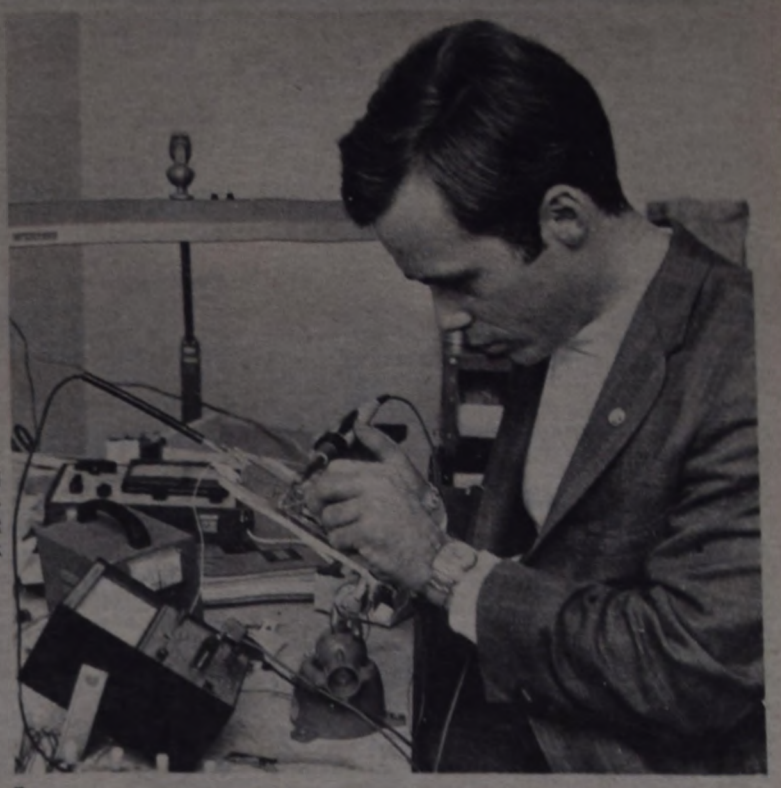

Musical Business

HANK LEVIN, Class O Auditor, Section Two O.T., started an unusual and highly successful business after entering Scientology in March 1967. He built up "The House of Musical Traditions" which repairs and sells a wide variety of rare Middle Eastern, Indian and early European musical instruments. Hank can demonstrate nearly all of the unusual instruments in his shop but his own favourite instrument is the classical guitar.

Hank entered Scientology when he noticed the marked improvement of a friend as a result of Scientology. He quickly recognized the truth of Scientology and began training and processing. He completed his Academy training to Class O, Hubbard Recognized Scientologist, and auditing to Grade IV in the New York Org.

During this period, Hank gave lecture demonstrations in schools of the American Midwest where he demonstrated his skill on the Tabla (Indian drum), Darbekka (basic rhythm instrument of India and the Middle East) and the Sitar (stringed instrument of East India). He also performed on the Darbekka in Middle Eastern nightclubs in New York.

As a result of his Scientology training and processing, Hank lost his former inability to sell successfully and his business thrived to such an extent that by July 1968 he was at Saint Hill for Power Processing and the Solo Audit Course. At the Advanced Org in Edinburgh he became Clear 1422 and attained Section Two O.T. before returning to New York.

Immensely successful inventor and electronics consultant, Pat Flanagan, at his work bench.

Brilliant Inventor

Prolific inventor and very highly-paid electronics consultant, PAT FLANAGAN, Section Six O.T., is disseminating Scientology with outstanding success on his repeated television and radio appearances in the United States. These have lately included a program on the most powerful Houston, Texas, radio station KTRM, which covers four states, and four hours of a top Las Vegas station's prime time show! On every program Pat emphasizes the gains he has made through Scientology.

Having stimulated so much interest in Scientology, Pat was met with an overflow crowd when he flew to Houston to open a Franchise Centre there with FLO BARNETT, Section Four O.T. The crowd stayed till midnight and more than half signed up for training or processing or bought Scientology books.

After his early successes as an inventor, Pat "went into a slump" and began to feel very dull. Then he discovered Scientology and upon receiving auditing at the Dallas Franchise centre recovered his abilities. "I felt I had been reborn," Pat says. After his auditing he produced a stream of brilliant inventions including a computer to translate man's language to dolphin's language and dolphin's language to man's, an air conditioner with one moving part that cools to minus 70 and heats to plus 450 degrees and an Eavesdropper Stopper which stops persons from overhearing police radio conversations. He developed the police radio scrambler in seven days after his nearest competitor said it would take two years! Pat earns $1,000 a day as an electronics consultant.

At the invitation of the Peace Corps, Pat gave a Scientology Communication Course to 36 Executives with excellent results. An extremely able and successful being, Pat is disseminating Scientology with great power.

Scientology Lecturers' Triumph

On the 25th September 1968, a tremendously successful Scientology lecture was given to hundreds of students of Auckland University, New Zealand. The lecture, chaired by a Lecturer of the Engineering School, was given at the request of the Engineering students for a lecture on the E-Meter (Hubbard Electrometer).

The largest hall available for lectures was packed. An audience of 400 to 450 students filled all seats, crammed the aisles and crowded around the lecturers themselves. "Dianetics: The Modern Science of Mental Health" by L. Ron Hubbard, in its fine new edition, was prominently displayed during the lecture.

HARRY BLOOMBERG spoke first and then JIMMY HORT. At first, the student audience was "rough" but, by using their skills as trained Scientologists, Harry and Jiffy soon had a completely absorbed audience. At one point, a student in fancy dress arrived to disturb the lecture but the audience quickly ejected him!

A question and answer period of half an hour was scheduled for the lecture. At the end of this period the Chairman announced that anyone who had to go could do so but that the question period would continue. Only after an additional **one and a half hours** did this tremendously successful lecture come to an end.

The American Saint Hill Special Briefing Course has an enrollment of over 200 students!

When Class VIII Auditors JAMES HARE, SNOOKY WEISS and PEM WALL returned, auditors in the field were invited to a one-day Standard Tech Conference. The basics on all levels were emphasized and reviewed with the result that all those who attended left with a far greater reality on auditing and the necessity of applying 100% Standard Tech.

PORT ELIZABETH

Port Elizabeth is busy training its staff as auditors. Recently, ERICA HOOLE, newest and youngest staff member, was sent to Johannesburg to train on her Academy courses.

Port Elizabeth will also have a Class VIII Auditor when DIEUWKE HILL returns from AOUK, where she is doing the Class VIII Course and OT Sections.

PERTH

With lectures in the park, crowded Sunday services and an expanding Academy training up to Class III, it's "business as usual" at Perth Org.

NEW ORGS FOR EUROPE!

The number of Orgs under the Scientology Foundation, Continental Org for Europe, is growing very rapidly. There are now two Orgs in Copenhagen, Denmark; one in Goteborg, Sweden; one in Eskilstuna, Sweden; one in Orebro, Sweden; one in Paris and one in Swansea, Wales. Several more are expected to open within the coming weeks. The latest new Org is the Hubbard Scientology Organization Copenhagen whic' was formerly the Dansk Scientology Centre. The address of the new Org is: Henningsens Alle 68, 2900 Hellerup, Copenhagen, Denmark.

The expansion of Scientology in Europe is flying!

The inviting entrance of London Org's fine new building.

SAINT HILL

The exciting Field Staff Member Programme at Saint Hill presents weekly training sessions for Field Staff Members to help them increase their success in the field. Features have included special guidance by the Class VIIIs, discussions on the use of groups to speed the expansion of Scientology, lectures by successful Field Staff Members, Peter Gillham, Jenny Parkhouse and Eddie Mace and a lecture by David Gaiman about press relations in the field. An excellent programme which is materially contributing to a successful Field Staff Member programme at Saint Hill.

AUCKLAND

Auckland's Class VIII, ALBERT MEGRAW, was welcomed home by an enthusiastic crowd. Following the celebrations, Albert gave a lecture in which he told Auckland of the fabulous potential and capabilities of Class VIII. It was a day marking the beginning of great expansion for Auckland.

DURBAN

BARBARA STIRTON, presently at AOUK, will be starting the Class VIII Course very soon and, upon completion, will be going to Durban to be Durban's first Class VIII Auditor.

GOTEBORG

In October, 1968, RICHARD WRIGLEY visited Goteborg, and gave a special course to Swedish Field Staff Members, after which they all boarded a bus and went to the main area of town, contacted members of the community and guided them onto the bus. When the bus was full (about 50 people) it was driven to a quiet spot where Richard gave a lecture and the people bought books and signed up for beginning courses. The bus then returned everyone to town and the Field Staff Members filled it up again with more interested people. The operation was a tremendous success!

MINNEAPOLIS

On the 23rd November, 1968, the Minnesota Department of the Veterans of Foreign Wars presented the Church of Scientology with a Citation reading: "For patriotic policies in support of our nation and encouraging rededication of our American Heritage."

The Church of Scientology was the only established US church to support the law over lawbreakers when it refused to condone the breaking of the country's laws by one of its members during the Milwaukee draft records burning.

Rev. D. Paul Klein accepts a Veterans of Foreign Wars Citation on behalf of the Church of Scientology.

SYDNEY

Sydney's new building is in the heart of the city and occupies two and one-half floors of the building.

PETER SPARSHOTT is presently on the Class VIII Course at the AOUK and upon his return will join JOHN NIXON as Class VIII Auditors for Sydney.

DETROIT

Remodeling in Detroit has provided the Org with a larger, brighter new Reception and Bookstore area. The Chapel has also been expanded to almost double its former size.

ADELAIDE

The level of training at Adelaide has risen further since the return of WAL WILKINSON Class VIII Auditor for Adelaide. He has also undertaken to give public lectures each Friday evening, with great success. In addition, activities in the Org have tripled since Wal's return to Adelaide and since the application of 100% Standard Tech.

Busy movement between lectures at Saint Hill's Christmas Congress.

CHRISTMAS CONGRESS

Amid the festive holiday season the Christmas Congress was held at Saint Hill, featuring lectures by JOHN McMASTER, the first Clear; ALISON PARKHOUSE, OT VI and RICHARD WRIGLEY. Three tapes by **L. RON HUBBARD** highlighted the occasion enjoyed by hundreds of Scientologists.

Another special feature was the new colour film "A Student Goes Through Saint Hill", produced by L. Ron Hubbard, directed by Peter Phillips and starring Sandy Stevens from Auckland, New Zealand.

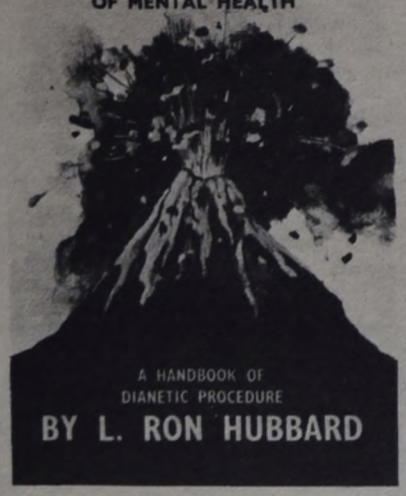

A particularly interesting part of the Congress was provided by the first public performance of the Saint Hill Choir, under the direction of Bobby Richards, singing an Oratorio "The Factors" – tendered as a gift to Man by L. Ron Hubbard and set to music by Bobby Richards.

Members of the choir: Olive Gerrard, Margherita Lanciai, Gladys Goodger, Joy James, Sally Reder, Fleur Jensen, Joan Budgeon, Marion Budgeon, Mandy Whitlock, Ivy Hall, Ken Harding, Per Gardstrom and John McLeod. Soloists: Helen Shaffer, Adele Vonnie and Bengt Friberg. Accompanist: David Kent.

An exhibition of art also graced the halls of Saint Hill for the occasion. Contributing artists were: Yvonne Malpas, Russell Salamon, Henry and Pam Baczkowska and Brigitte Glembotzky.

Franchise and Field Staff Member News

Scientology in India

Vigorous Scientology groups are springing up in India. In the Punjab area there are now five groups consisting largely of students, professors, nurses and teachers. The group leaders are SIMON NAZ, whose group already has 635 members, F. C. GILL B.A., ELIZABETH NAZ, B.A., B.Ed., MARY AM DASS, B.A., B.Ed., MUNNUSSIE NAYYAR and DOROTHY NAZ. Work on the translation of Scientology publications into Hindi, Urdu and Punjabi has now begun.

Return to Victoria

The Church of Scientology was re-established in Victoria, Australia, on September 29, 1968. Rev. HARRY BAESS conducted the first of the church meetings which have continued since then. At present, meetings are held at 67 Oakwood Avenue, Noble Park, but a suitably equipped Chapel of Scientology is planned. All those wishing to support this planned expansion should contact Mr. Layton, 59 Riversdale Road, Flat 15, Hawthorn, Victoria - 3122, Australia.

Standard Tech.

When Sea Org Officer ALAN WALTER, OT VI, Class VIII Auditor returned from the Class VIII Auditor's Course given by Ron, he called in members from all his Franchise centres across the U.S.A., for an intensive 5 day, 13 hour day, training course in Standard Tech. The group included Clears, Sandi Mehr, Tommy Maxwell, Gary Nelson, Judy Theirry, Betty Cook, Gwen North, Louis Jordan, Judy Jordan, Bobby Jarrel, Hazel Nelson, Nina York, Carl Barney, Susan Ballantyne plus Janet Lunde and Dolores Stokes of the Richardson, Texas, Franchise Center.

Commendation

JOHN and PETER IMBURGIA of Scientology Buffalo and their Staff members MARY IMBURGIA and PAT WALIGOIA are highly commended for their high achievement.

Twenty-five people have been sent from the centre to Orgs for further training in the last six weeks.

This is a very productive activity.

The Award is transferable to staff members of the Franchise Centers.

BIRMINGHAM

The Franchise Centre in Birmingham, U.K., run by DON and STEPHANIE RYBURN, is expanding into a new building near the heart of the city.

Many long-time Scientologists are coming back into activity and the Centre is busy with students and preclears. There are presently five students from Birmingham on the Academy courses in London with more to follow soon.

Franchise centre staff members, Carl Barney and Sandi Mehr, study Standard Technology.

DERBYSHIRE

Lots of action is a characteristic of the Derbyshire Scientology Centre which conducts the Hubbard Dianetic Auditor's Course, Students' Basic Course, Personal Efficiency Course and E-Meter Course. A steady flow of students move up through their Grades of Release and on to Saint Hill for their next levels of auditing and training.

MURIEL CORNES of the Derbyshire Centre gave an excellent Scientology lecture to the Rotary Club of Tinstall. Muriel communicated the value of Scientology to her audience very successfully and has been awarded five hours of free auditing.

BOSTON

The Boston Franchise celebrated its first year of tremendous success on November 17, 1968, with a lecture to 152 students and public. Boston's statistics of training and processing and selection of people to Scientology Orgs has skyrocketed to the highest of any franchise, through the dedication and creativity of the staff. With the help of staff and students, new space has been found and completely remodeled to handle the large number of new students each week. Scientology of Boston is an example of the tremendous wins resulting from the application of 100% Standard Tech.

ORANGE COUNTY

Orange County Scientology's new building, designed and built specifically to house Scientology services, opened in December, 1968. Scientology activity in the area is booming with an all-Scientology book shop located at 2301 West Balboa Blvd., Newport Beach, California.

A further success comes in the form of a Scientology book commercial on TV which has been scheduled to be shown every day for 90 days. Within the first three days it was on the air, five people called at the centre, four lots of books were sold and also one Beginning Course. A tremendous achievement for Scio Productions, part of Scientology Orange County, operated by RAYMOND and PAMELA KEMP.

SUCCESS

MORE LIFE

"I am now well on the way — another few steps — more knowledge — more life — and soon — another Clear. Thank you, Scientology."

ARC,
Stephen Boyd,
VA Release, HDA Cert.
Los Angeles.

1200 MILES

"Three days ago I came 1200 miles down to San Francisco because I heard about Scientology, and I was in need of help. My problems seemed like mountains.

"Now, after just taking the Hubbard Apprentice Scientologist Course I can confront myself with them and I know I can clear everything up. I would have walked the 1200 miles if necessary, after finding out about Scientology."

Joe B. Van Es
Powell River, B.C.
Canada.

"I walk into the Org and WOW! Everyone is so friendly. I feel so much power when I'm around other Scientologists. I'm a Field Staff Member working on my Level I and it's going on so fast a flow I'm almost getting knocked down. I can't wait for all the successes after Level I on up through OT VI!"

Kraig Chambers
Honolulu, Hawaii

GREATER INCOME

"I read 'Problems of Work' in August, 1968, and received a 2,000 dollar per year raise that month. I have since received another 2,000 dollar per year raise. My Scientology training and processing has allowed faster and better communication between myself and fellow employees and customers. Also, I can produce 50% more work and it is free and easy instead of the old drag. Scientology is the most exciting adventure of this lifetime!"

Michael Mourer,
IV Release,
Sausalito, California

STUDY DATA APPLIED

"I used to have problems *with* studying: *but I assure you that there's no TRUE, REAL, full-of-cognitions STUDYING, like the kind you do in the Scientology Academy. It's great! Come and try it! We'll grow together."*

T'Shura Stav
New York

"Such precise simplicity that was missed in all Social or Academic training outside Scientology. One fundamental truth – that no error is made without a misunderstood somewhere in the learning process. Example — I've had difficulty in simple arithmetic, addition and long division in daily routine — it came from a flaw in grade school teaching — no application of the learning piled on top of the other error made me a dunce. Now I've learned the missing step and don't have difficulty any more.

"Having a preclear ready and eager for each grade of release has made it easier to study and be ready to apply what I've learned.

"When I finish the Practical of Level III, I'll be doing the Saint Hill Special Briefing Course! Wow!"

Elaine Borreson
Twin Cities, Minnesota

"I have just completed my Level II training. It was fabulous and I am looking forward to getting onto III. The amount I have learned and the idea that there is still lots more, makes me feel very excited.

"Handling people, remaining at cause, and lots of other things, just come and a great feeling of beingness is indescribable as I go up through my levels of training. Find out why Scientology works. Get on to Training. You'll never look back without laughing at what once seemed to be a crisis ... See you on Training."

Adi Codd, Class II Auditor
Durban, South Africa

CLASS VIII SUCCESS

"As early as 1951, when I first read Dianetics, I wanted to be an Auditor. Now, with Class VIII, that wish is fulfilled beyond all my expectations.

"The path to Class VIII was not easy. There were times when I thought I'd never make it, that I had made a dreadful mistake to even start, that I couldn't even do the Training Drills!

"Gradually the additives and the confusions blew and the basics emerged in all their beauty and simplicity and all in three eventful weeks!

"NOW I KNOW THAT ALL BEINGS WILL MAKE IT TOTAL FREEDOM.

"To be an Auditor and not to have done Class VIII would be like being a preclear and never reaching for Clear.

"So to all my fellow Auditors who have ever had the goal to achieve 100% results and to help Clear all beings:

CLASS VIII IS FOR YOU."

Phyll Stevens, Class VIII
Sea Org Officer

"The Class VIII Course was the greatest success of my life.

I've been in Scientology since 1954 and my goal was to be an AUDITOR — one who could help others EVERY TIME *with 100% success. Through Basic Courses, the Academy, the Saint Hill Special Briefing Course and then the Internship, the goal became closer and closer. But still I wasn't there. Some areas were not really 'MINE', and I knew I needed help.*

WELL, THE CLASS VIII COURSE IS IT!!!

Here all your tech goes in, and all your complexities are blown, and the tremendous BEAUTY and SIMPLICITY of Standard Tech becomes a part of you.

Before Class VIII, I could 'audit' — NOW I CAN 'AUDIT'!!!

It's so easy and fast that I didn't believe it at first. But of course, the STANDARD TECH Course is taught with the same accuracy and speed as Standard Tech itself; and that is very fast and smooth.

THERE IS NO OTHER COURSE IN THIS UNIVERSE LIKE IT.

It's what I always hoped for, and more."

Irv Williams, OT IV,
Class VIII
HAPI Scotland

ORGANIZATION NEWS (Cont.)

SAN FRANCISCO

Since the paperback edition of "Dianetics: The Modern Science of Mental Health" by L. Ron Hubbard has been on sale in the San Francisco area, the Org has enjoyed an ever-increasing flow of new Scientologists. One book buyer immediately bought three more books when she came into the Org and enrolled on the Hubbard Apprentice Scientology Course, and after completing it signed up for the Hubbard Qualified Scientologist Course.

A tobacco shop near the Org sold out its entire supply of paperbacks almost immediately and had to reorder.

On December 14, 1968, 176 persons attended the Sunday Service – the largest attendance to date. They were treated to a lecture from Nick Nichols, San Francisco's dynamic Class VIII Auditor.

Also in December, the San Francisco Org was officially upgraded to a Class I Org and has sent three of its top auditors to Los Angeles for advanced training and processing.

TORONTO

LISA TATE, Class VIII Auditor for Toronto, was welcomed home by a congress and gala party. Main lecturers at the Congress were Lisa and FRED FAIRCHILD, Class VIII Auditor for Detroit.

At the party, entertainment was supplied by Scientologists Dean Regan, VA Release, Dinah Christie, Grade IV Release, and Lisa Tate, Class VIII. Dean and Dinah are each professional entertainers, enjoying successful and busy careers in TV, recording, radio and revue.

Toronto Org has also taken over a new building. Recently eight Toronto Scientologists went to the American Saint Hill Organization in Los Angeles to receive their Power Processing and two new Clears have returned from Saint Hill to rejoin staff.
