The American Saint Hill Organization Is Here

'HSS-Class VI-Taught only at Saint Hill until 1968.'

L. Ron Hubbard

September 23, 1964

Ron's promise, made in 1964, has been fullfilled.

Out of the beautiful and rustic splendor of Saint Hill Manor in England, came the original 13 highly trained Staff Members who headed the all new . . . American Saint Hill Organization.

A new era in Scientology was created.

It all began with an order from **L. Ron Hubbard** to set up a Saint Hill in the United States of America. To carry out this order, two very capable Sea Org members were sent to Saint Hill in the United Kingdom.

'Their Mission . . . ?

To choose and train professionals to head the American Saint Hill Organization!

The thirteen were carefully chosen and after two weeks of intensive and rugged training the small group was ready and very eager to begin the job that each had been thoroughly trained to do.

On August 10, 1968 the band of 13 boarded the airplane that was to jet them to America to begin another chapter of the exciting adventure of Scientology.

Upon arrival in the sunny city of Los Angeles, California, the Group was surprised and jubilant to hear the news of another first in Scientology history. Ron had ordered that a new Advanced Organization be situated right next door to the Class IV Los Angeles Organization. (The Los Angeles Organization has served the city of Los Angeles for 12 years.

The complete road from Introductory Lectures to O.T. was and is attainable in exciting L. A.

The Sea Org members of the OT Liason Office had made all arrangements to insure that L. Ron Hubbard's postulate for a new Saint Hill was a success. A new, sprawling, air conditioned building to house the American Saint Hill Organization was leased.

Word had been sent to all Org's that the new Saint Hill would be in operation on the 15th day of August 1968. The news spread like wildfire throughout the United States and Canada and shortly thereafter special Briefing Course Students and Power preclears were trickling into Los Angeles for their next step on the road to Clear.

On the 10th day of August, 1968 when the thirteen arrived, students were waiting to start their Class VI courses and. Pcs were anxiously awaiting their Auditors.

But . . the new building would not be ready for 5 more days.

The Sea Org trained thirteen were undaunted. ASHO "set up shop" on the porch of the Los Angeles Org and proceeded to get to the business of the day: Training the first American Saint Hill Special Briefing Course Students and Auditing Power Preclears.

During this time, while the students were studying Ron's greatest gift to mankind – Standard Tech. – 10 Power PCs were released on the fabulous Power Processes.

On the 17th day of August, 1968 the thirteen (plus 8 more Staff Members who had been recruited) moved into the new building.

Ron's famous Saint Hill Special Briefing Course was begun in a huge, well lighted room . . . with 4 students!

Six months later there were 346 American Saint Hill Special Briefing Course Students alone.

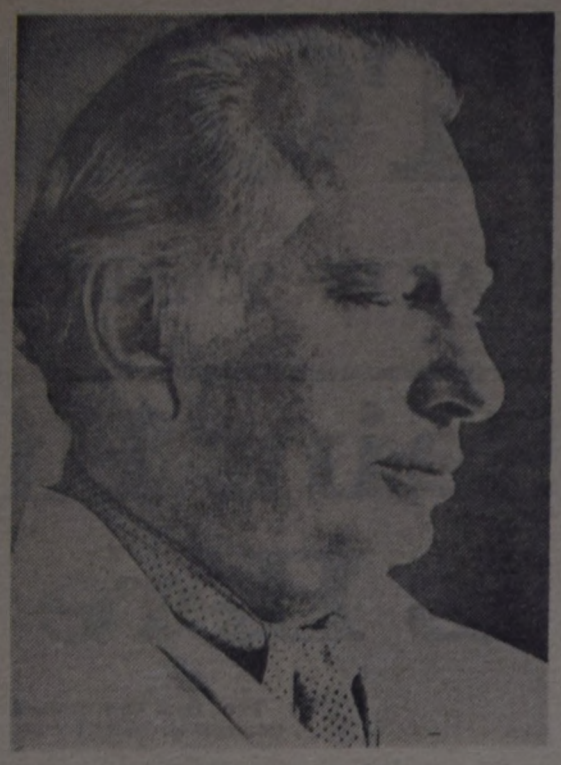

Since that eventful opening of the American Saint Hill students and Preclears from across the United States and Canada have been pouring into Ron's second Saint Hill for their next step on the Road to Clear.

Ron's promise has been fulfilled.

An American Saint Hill is established.

Ron's show is marching down **The Road To Total Freedom.**

Ron Has Provided These Services For You At ASHO

You are Important! Ron has said so. YOU WILL BE one of the highly trained Briefing Course graduates in Los Angeles.
This course is geared to make you a Professional Auditor.

'Auditors have, since the first session of Scientology, been the only individuals on this planet, in this Universe, capable of freeing man.
An Auditor is one who has been trained in the technology of Scientology. An Auditor applies standard technology to Preclears. (Preclear: a person who through Scientology processing is learning more about himself and life.)

At times, some will forget or choose to ignore the fact that the Auditor is not just another fellow or a guy who works in Scientology. An Auditor is a highly trained specialist, no matter what level of Auditor. He or she is the only one that can give man the truth that man knows.
An Auditor is to be respected. An Auditor is very important in Clearing this Planet and this Universe. (Clear: a being who is at cause over mental matter, energy, space and time as regards the first dynamic, or survival for self.)
It's a big job and the Auditor will do it.'
All Auditors are appreciated.
Special designations and insignia are to be developed to distinguish the Auditor from others and signalize his class.

L. RON HUBBARD

CONGRESS *Review*

The Hollywood Palladium situated in the heart of the film screen Capitol of the world, was the setting for the greatest Congress in the history of Scientology.

To the Stars Congress, presented by the American Saint Hill Organization lasted through the weekend of March 8th and 9th, 1969 with an approximate attendance of close to 2,500.

Valuable tape Lectures by L. Ron Hubbard were played and were each followed with a discussion Seminar.

Many well known celebrities were in attendance and when John McMaster came on stage for his lecture the crowd settled and attentively listened to him speak. His message from Ron was that of "Human Rights" and that every man, woman and child had these inalienablerights to be Free. Obviously Ron could have selected no finer a representative than Reverend John McMaster, which showed in the glowing faces of the audience after the lecture.

Saturday evening an Open House was held at ASHO with light entertainment and a buffet being served.

The people became quickly familiar with the pleasing high-toned environment so common to ASHO.

The next day Captain Bill Robertson of the Sea Org. gave a quick summary of recent Sea Org. activities along with a true picture of the position of Scientology in relation to other organizations on this planet.

The entire day was filled with excitement and gaiety. Sunday evening was highlighted with full entertainment by a brilliantly costumed Cabaret. Shortly thereafter began the To The Stars Party headlined by the Disneyland Dateliners. Full festivities were in play and the whole Palladium came alive with the music and dance. This Congress was truly To The Stars.

At Asho's To The Stars Congress

LaMont is now a Class VIII Auditor, graduate of the American Saint Hill Special Briefing Course. While on Staff at ASHO, he audited Ron's famous **Power Processes** with total success and **was thereafter** Course Supervisor **of the Briefing Course.**

Starting his musical career on the East Coast, LaMont was soon to become a respected Jazz pianist and shortly had his own recording company called Sun; Moon and Stars Enterprises.

"In 1961 while playing, my career was going well but my personal life was a liability. After getting my Grades through IV the business aspects of my career became very simple and I became confident when handling people. Then I got Academy Training and my whole life changed. Music that had seemed complicated became so simple. I was able to knowingly apply the data and handle my career more effectively through the use of Standard Tech. Everything is simple since Scientology and I'm winning."

SUCCESS

I wish everyone could know this Technology. It would make Life really fun.

No matter what you feel is the justification for not being on the Briefing Course. Treat yourself to $800.00 worth of Total Knowing. There is no expressing the fantastic and incredable wins I've had on all dynamics from being here at ASHO. It isn't an easy course for me, but you couldn't take it away from me if I were offered this whole MEST universe on a platter. I'm on Level II and learning more each day. I'm O.T. VI and didn't know what Scientology was all about until I got on the American Saint Hill Special Briefing Course.

Don Slavin ASHSBC

The hardest thing to confront is how beautiful we are, how well we mean - how much we care, how deep we feel, how much we know, how much we love, how well we understand, this is ARC.

Keith Karnaky ASHSBC

Michaelangelo gave a beautiful example once of chiseling a statue. He said the figure was already in the block of marble and he merely chipped away the stone excess till the figure was revealed. Auditing is a bit like that - chipping and tugging away the excesses until the beauty of the being beneath is there . . . I can audit.

Teri Spickler Class VI

The Saint Hill Special Briefing Course in Los Angeles was the most rewarding experience of my life. Ron Hubbard has made it possible for us to have the ability to help other beings on their road to O.T. For some time I have postulated acquiring a Scientology Franchise to do all I can to make Scientology grow at a maximum rate. Since starting on the Course I have managed to find a complete Staff - we have the Tech & Ethics and are glad to be expanding with Scientology. The new center in Dallas will start off the return flow for the knowledge I was free to have on this enlightening course.

Clear 2000!

Beautiful Renee Lee, Clear 2000 as "Molly" in the musical version of "Tom Jones" in Las Vegas, Nevada.

Clear No. 1, John McMasters graduated in the spring of 1966. Clear 1000, Lyle Sudrow, well known actor, graduated in the spring of 1968 two years later. And now in the spring-time of 1969 ONLY ONE YEAR LATER, Renee Lee, outstanding theater entertainer, has gone CLEAR 2000 at the Advanced Organization of Los Angeles!

Renee first "made her name" as a top Broadway dancer. She has since blossomed as an actress and singer. She is currently playing "Molly" in the musical comedy version of "Tom Jones" in Las Vegas.

Renee did her Power Processing and the Solo-Audit Course at ASHO. Her immediate Scientology plans are to continue Advanced Courses at AOLA.

At her Clear graduation speech, Renee was beautiful and gleaming. "As I reached each level I felt cool. I'm in action now. I'm here. I've got a lot to do. And it's a good feeling."

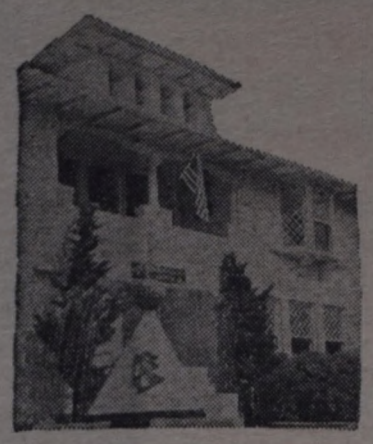

CHAOS TO TOTAL FREEDOM

In May 1950, DIANETICS, THE MODERN SCIENCE OF MENTAL HEALTH (L. Ron Hubbard's runaway best seller) hit the book stores.

It was a smashing success.

Shortly thereafter 400 demands for a Dianetic Course poured into Ron's office, in Elizabeth, N. J. Ron sent two emissaries to teach the course in Los Angeles, California.

That was the beginning.

Today, in the year 1969, there are three rapidly expanding Scientology Organizations in the City of Los Angeles.

THE LOS ANGELES ORGANIZATION
THE AMERICAN SAINT HILL ORGANIZATION
THE ADVANCED ORGANIZATION

LA IS THE ONLY CITY IN THE WORLD TO CONTAIN THE COMPLETE ROAD TO OT.

This route begins at the Los Angeles Organization where the basic Scientology Courses are taught. These include training drills, definitions and the basic rules of Scientology.

When the student completes these courses he begins the recently expanded Dianetic Auditors Course, learning the basics of auditing techniques.

He then begins his climb from O–IV of the Academy levels. L. Ron Hubbard's valuable data on auditing is studied and he learns to audit a preclear. He becomes an auditor. He also uses this data in his own life for betterment.

The student then becomes a preclear (see definitions) and receives his grades of auditing – O–IV. A flying grade IV, triple flow release, Class IV Auditor is ready for his next step . . .

THE AMERICAN SAINT HILL ORGANIZATION.

He arrives! He walks into the cool, calm, professional world of Class VIII auditing where he receives the miracle making Power Processes.

Once again, a student, he arrives in the AMERICAN SAINT HILL SPECIAL BRIEFING COURSE room and takes in ALL the data philosophic included, with polishing of Technique.

The Class VI Auditor emerges. Professional.

He moves on . . to his next step . . . .

THE ADVANCED ORGANIZATION

CLEARING . . . only a dream for countless eons, is an everyday reality for Scientologists in Los Angeles, due to the tirelessness of L. Ron Hubbard's research.

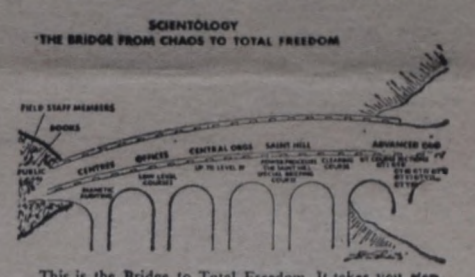

The Being emerges, free of his reactive mind, and walks tall and proudly through OT I to OT 3.

He is now ready for Ron's latest contribution to Scientology THE CLASS VIII COURSE, where he receives sharp rapid STANDARDIZATION of auditing and case supervision and with 100% gains. He is a Class VIII Auditor.

The Class VIII Course is completed.

His levels OT 4 to OT 6 are completed.

He turns to the beginning of the bridge (from chaos to Total Freedom) and lends a helping hand . . . . . .

This is the Bridge to Total Freedom. It takes you step by step gradiently to a new life and livingness.

The bright certainty of Clear lies ahead of you at the Advanced Organization of Los Angeles (AOLA). The bridge to total freedom arches and soars through your local org and ASHO to the gleaming plateau of Clear at AOLA.

For more than 2,500 years Man has dreamed of the state of Clear and now for the first time in this universe, you can achieve this state on the Clearing Course at the Advanced Organization.

On the Grades of Release one increasingly disconnects from the chains and barriers of one's reactive (stimulous-response) mind. But only on the Clearing Course do these barriers disappear forever and the being steps forward fully as himself.

Prerequisites for the Clearing Course are Grade VI release and SHSBC training or Solo-Audit training, all at ASHO.

Cross the Bridge at AOLA as fast as possible. The entire world looks increasingly to Clears for its leadership. Now is the time to make it.

Price is $800. Minus 5% discount for advance payment you pay only $760. There are no prerequisites for advance enrollment.

Plan for Clear now. Write the AOLA Advance Scheduling Registrar for your personal copy of the AOLA beautiful blue and gold Advance Registration Packet including the valuable information booklet with an article by Ron on Clearing and his photos and an application form to join the AOLA Savings Club Plan.
