DIANETICS LAUNCHES SCIENTOLOGY TRAINING BOOM

L. RON HUBBARD shares the triumph of Standard Dianetics with students and graduates of the first Hubbard Standard Dianetics Course in a ceremony aboard the Sea Org flagship.

Dianetics

By L. Ron Hubbard

After all these years (19) it is very gratifying to find that Dianetics is as alive as ever.

The new Dianetics Standard Courses being taught now in every Continental area were many times the size of the first Dianetics Courses taught in 1950.

Standard Dianetics is a tremendously streamlined version of early Dianetic auditing. Old 1950 Dianeticists now being trained are overjoyed with its simplicity and high workability.

Over these 19 years I made several important breakthroughs in Dianetics. Due to the importance given Scientology they were not put into general practice or used.

By summating of all these advances and refining Dianetics to its utmost simplicity. Standard Dianetics was achieved.

The course now being taught in major orgs combines all we know of training and is very swift.

The speed with which we can now make a new Dianetics Auditor is itself a major breakthrough. If you add up the task in hours alone of releasing a small town at 5 to 25 hours a person you will see how much fast training is necessary if we were ever to have enough auditors.

Speed of result is bettered by at least a factor of one one hundredth what it used to be.

Dianetics has been the out grade. People were trying to get rid of their headaches using Scientology grades!!! So, in many instances they did not achieve spiritual freedom. They had yet to become well, happy human beings. **That** is the role of Dianetics.

The general public is far more interested in aches and pains than in increasing ability. Well, Dianetics can surely handle aches and pains.

The huge barrier of the medical doctor is his inability to handle what he calls "bizarre" aches and pains. This means the aches and pains for which he is unable to find a medical source.

The psychiatrist cuts people's brains and nerves to bits just to try to stop these "untraceable" aches and pains.

Insanity itself is only suppressed agony.

So an easy to apply, damageless remedy to aches and pains is what all the healing professions have been looking for for thousands of years.

With no hypnosis, no duress, no physical contact, Standard Dianetics can handle it.

We are doing our utmost to cooperate with the healing professions. We send the truly physically ill to the doctor. We are being decent regardless of what others do.

Our Auditor's Code guarantees immediate refund for no results.

We are using Dianetics now as pastoral counseling.

Scientology grades work swiftly and well on someone physically cleared in Dianetics.

So this is a big breakthrough.

The old certificate of Hubbard Dianetic Auditor does not qualify one to practise **Standard** Dianetics. One can still practise Book One Dianetics with an HDA.

The new certificate is the Hubbard Dianetic Counselor, which permits one to practise Standard Dianetics. It is obtained on the new Dianetic Course.

The certificate of Hubbard Dianetic Graduate gives one the right to teach a new Dianetic Course in his area.

Dianetic Counseling groups are forming over the world. They do pastoral counseling with new Dianetics. They can teach a Dianetics Course if they have a Hubbard Dianetic Graduate. HDGs are trained only in major orgs. A Scientology Review Auditor is also necessary in a Dianetic Counseling Group as Scientology patches up errors in Dianetics.

The day of the "private practitioner" is over, really. It takes a group to make real headway.

This Dianetic Program is a big thing. It has many aspects.

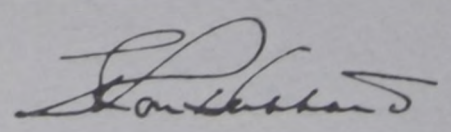

Like the Class VIII action of last year, this New Standard Dianetic Program was researched, organized, its personnel chosen, trained and fired off to key points over the world in record time with tremendous efficiency.

The Class VIII program had to be there first to standardize technology and keep it that way.

Any failure to realize total Scientology gains here and there lies in the lack of use of Dianetics. It was and is the basic grade.

The goal of Dianetics is a well, happy human being.

Well, I built a better bridge.

Dianetic Use

(Excerpts from HCO Bulletin of 24 April 1969)

By L. Ron Hubbard

WHY DIANETICS fell out of use had nothing to do with its workability. It has worked and well since 1950.

In some areas, mainly the U.S., it was illegal to heal or cure anything. There was even a law in California giving 25 illnesses that were against the law to cure. The "Better" Business Bureau in the US even issues pamphlets that state that "You can always tell a fake healer because he says he can cure something."

Why a civilization would make it illegal to cure illness can only be explained by some vested interest making more money out of people being sick than getting people well.

There existed a continual threat to anyone who helped their fellows.

The ability of Scientology to bring about spiritual freedom therefore received the concentration of effort by organizations.

Lately public opinion has turned heavily against these suppressive groups and the public discovery that illegal seizure, torture and murder was the hidden activity of political psychiatric groups has lost these people their support.

It was overlooked that spiritual *healing* of the body has not been illegal and that Dianetics used for pastoral counseling is completely legal.

It is a sobering thought that the only effective technology of psychosomatic healing — Dianetics — could be suppressed out of full usage.

One is handling the effect of the spirit on the body. Therefore even Dianetics is spiritual healing and as such is far from illegal.

Man should not be kept ill just to let a few have a monopoly.

In almost all other countries than the US there is no restriction on healing despite monopolistic efforts to make one.

Another reason Dianetics was for some time out of use was that it was believed it had been superseded by Scientology which it never was in fact. Dianetics can be done with no reference whatever to Scientology or its techniques.

The basic use of Dianetics is to make a well body and to augment physical treatment.

Any injurious experience can be erased by Dianetics. It is very easy to use and if one wants people well and happy it should be used at every occasion.

Recovery from disease under treatment is speeded by Dianetic auditing.

Some patients who are not responding to medical treatment who are then given as little as a touch assist will *then* be found responsive to the medical treatment. An auditor giving a person a Dianetic session will more or less ensure that the medical treatment will now work.

Chronic, which is to say, long term illnesses cease when audited by Dianetics and then medical treatment which was earlier ineffective.

Tiredness, unwanted sensations, bizarre pains and aches, bad hearing or sight also routinely respond to Dianetic processing.

Possibly the point which counted most against Dianetics in the early attacks on it was that it did a vast array of things. The truth was, it actually did them. When you have the answer to the human mind as in Dianetics of course anything caused by the mind can be remedied.

The spectacular personal gains which were available in Scientology were so great they tended to obscure the very real use and value of Dianetics.

You use Dianetics much the way you would use any remedy.

When a fellow is burned you audit out the burn.

When a woman loses a loved one you audit out the loss.

A Dianetic auditor who sees someone sick and who doesn't get him treatment and then audit him is just not humane.

Dianetics is the answer to human suffering. USE it.

Scientology is a vital practice in itself. It places a person *above* any further illness or suffering. But he has to be made well first.

Having gotten the preclear well by medical care and Dianetic auditing, then start out with Scientology.

Never run a Scientology grade to make a preclear well or cure something. It's a misapplication.

By *using* Dianetics as readily as you use shoes you can make and keep people well.

By then correctly using Scientology we can make the person a far better being.

We now have STANDARD DIANETICS.

We have developed Scientology STANDARD TECH.

Both are valid as themselves.

They do not cross.

Dianetics for the body.

Scientology for the spirit.

USE BOTH.

John McMaster On Tour

John McMaster, Clear 1, is on a Human Rights crusade across America.

His mission? To make America safe! It looks like he is doing just that! Here are some of his wins:

His base is in New York and recently at one of his lectures there the following United Nations delegates attended:

France
New Zealand
West Germany
Japan

John has lectured in New York, Detroit, Washington, D.C., Hawaii, San Francisco, Los Angeles, Las Vegas, Phoenix, and at most of these cities has been presented on television and/or radio representing Scientology and L. Ron Hubbard.

John has allied himself with President Nixon's New Welfare Programme, as it rewards up statistics. President Nixon has announced that he "wants people to be rewarded for working".

L. Ron Hubbard's new book "Scientology Ethics" has been presented by The Reverend John McMaster, to several statesmen (among them, John B. Lindsey, Governor Rockefeller and the Prime Minister of Canada) with very good response.

Just recently while in Phoenix, he visited with Governor Williams of Arizona and Mayor Graham of Phoenix.

DIANETICS SU

The fantastic new Hubbard Standard Dianetics Course and the Hubbard Dianetic Supervisor Course were developed by L. Ron Hubbard at the Sea Org. Sea Org members were the first to experience the superb wins to be achieved by all students, auditors and preclears through the application of Standard Dianetics. Sea Org Dianetic Supervisors were sent to major orgs of the world to train large numbers of Hubbard Dianetic Counsellors and Hubbard Dianetic Graduates as the first step in the big Standard Dianetics Programme.

The first Hubbard Dianetic Graduates holding the certificates presented to them by Ron in the Graduation Ceremony held on board the Sea Org flagship. They are, left to right, Gilbert Black (Saint Hill UK), Anders Hakmar (AOSH Denmark), Sacha Gabriels (Paris), Marita Philippi (Paris), Lt. Otto Roos, Ken Thompson (New York) and Mike Mauerer (American Saint Hill Organization).

OLD ACC STUDENTS

Any and all persons who have ever enrolled in an ACC (Advanced Clinical Course) providing only that a fee was paid in full, is entitled to the following:

1. Full training as an HDG in the DAC of his nearest org or an SH or an AO.

2. Student Auditing in Dianetics and org reviews to resolve any possible case difficulties.

3. Assistance in obtaining any medical treatment indicated as necessary by competent medical examination.

4. A retread to Class VI in a modern SH Course.

No fees, except for any medical treatment indicated, may be charged for any of the services above.

All orgs, AOs and SHes are ordered to deliver the above services.

The Public Executive Secretary is to cause his division to unearth all past ACC records for names and addresses and to have his divisions send copies of this Policy Letter to all such former ACC students.

Those ACC students who have recently paid for the new Standard Dianetic Course may have the amount credited to AO levels or AO reviews on presentation of invoice to AOs.

It is the full intention of this Pol Ltr to ensure that old ACC students receive full benefit of modern technical developments. These students were once promised they would not have to pay for further training and this favour is offered to redeem that promise at least in part if not in full. I want them to be well and happy beings wherever they may not have fully achieved that goal.

Dianetics Awarded

In Orange County California, a plaintiff was awarded his past medical expenses and fees for a future 75 hours of Dianetic Counseling. The decision was made by the Orange County, California Superior Court and concerned a car accident.

The Jury heard two members of the Church of Scientology, Dr. J. Julian, Clear 1315, and Pamela Kemp, Class VIII Auditor, state that Dianetics was the only effective solution for enabling a recovery by the plaintiff.

In his testimony, Dr. Julian gave evidence on the actual physical damage suffered, and then indicated how the use of Dianetics could help recovery.

With the award of 75 hours of Dianetic Counseling, a new legal precedent was set, as this is the first time that Dianetic Counseling has been awarded in a court of law.

A spokesman for the Church of Scientology commented:
"This decision opens up a fantastic precedent. Insurance companies pay very large sums to injured plaintiffs in accidents, and if Dianetics becomes a standard award it is obvious that considerable savings will be made.
The Church of Scientology has already had several interested inquiries from other insurance companies in the United States. The possibilities are endless."

Scientology Tech Wins

"... Thus the technology of Scientology is its actual application to oneself, a preclear or the situations one encounters in life.

Tech implies USE. There is a wide gap between mere knowledge and the application of that knowledge.

... A skilled auditor knows not only Scientology but how to apply the technology to self, pcs and life ..."

Excerpts from HCOB 13 September, 1965
"Out Tech and How To Get It In"

L. Ron Hubbard

Alan C. Walter, Clear 8, Class VIII, OT VI, has used Scientology Technology in every phase of his life, with success. The following are just a few of his wins obtained with training.

When introduced to Scientology in 1962, Alan was a professional 'Footballer' (equivalent to American Football with some differences in rules) and in his own words . . . "I considered everyone, or very nearly everyone, my enemy."

He discovered very quickly that Scientology worked and proceeded with his Scientology training. With this training, he improved from an "average Footballer to very close to champion."

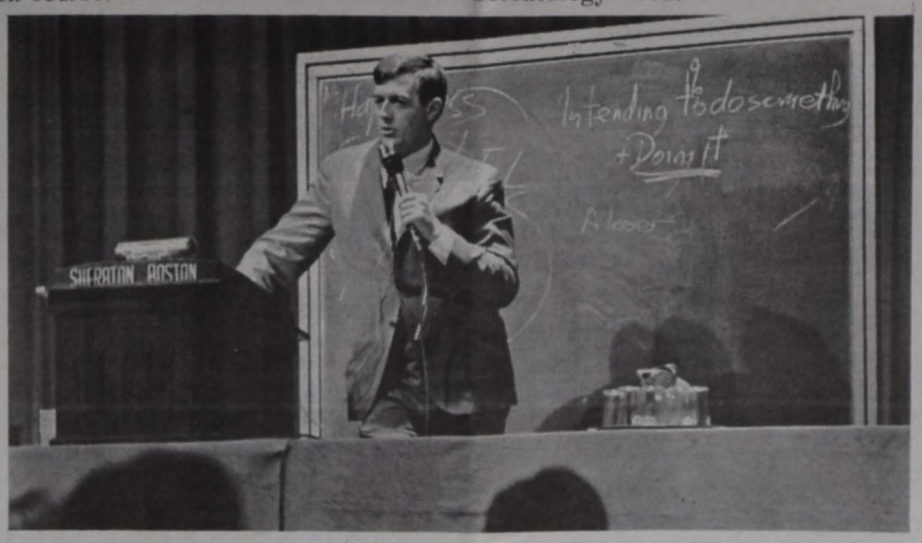

Also by applying what he learned in the Perth Organization Acadamy he pulled out from an$89,000 dollar debt to solvency and made enough extra money to travel to England for the Saint Hill Special Briefing Course and support himself for nine months while on course!

In early 1966, Alan became Clear 8 and from that point his expansion with Scientology has been even more rapid. With the knowledge that Scientology training equals success, Alan went to the Flag Ship to take L. Ron Hubbard's Class VIII course with the first 30 some students.

He now has eight Franchises across the United States, (a Class VIII directs each one), he runs a distributing company, a fund investment company, and an Executive Leadership company. All of these are run on Scientology principles and rules.

Alan Walter is a Trained Scientologist as he puts it:

"I was on my way down and out when I discovered Scientology. I didn't like myself . . . so no one liked me. Now, with the **application** of Scientology data I am able to be the guy that I used to pretend I was. Basically I learned how to handle people with Scientology Tech."

Alan has always been among the first to take advantage of every Scientology Training advancement. When the Saint Hill Special Briefing Course was revamped by Ron, (Grades of Release were defined) Alan retread the course to acquire the new data. Before taking the course the second time, he worked at the Perth Org as Technical Director and learned Organizational data and technology as well.

In November 1964, Alan arrived in the United States to further expand his horizons. He opened his first Scientology Center in Dallas, Texas. It was a success.

Mike Smith, Clear 608, currently on the Saint Hill Special Briefing Course, OT VI, PRO, is a shining example of using Scientology Technology to better his conditions.

He attended the University of Michigan and the University of Southern California from 1958 to 1965. He majored in Psychology, Philosophy and Inorganic Chemistry. During this period of four years, in the summer, he did research in chemistry at the Los Alamos Scientific Laboratories in New Mexico.

Richard Gordon, now Class VIII, introduced Mike to Scientology in 1966. Mike immediately began his training at the Los Angeles Organization. This Scientology training, states Mike, was instrumental in his success in the scientific world.

An internationally known lecturer on chemistry, Mike became one of Los Angeles Org's top FSMs. He also became an Assistant Professor at the California Institute of Technology, teaching Freshman Chemistry and Graduate Research. He simply used the data he learned from studying Scientology.

In the summer of 1967, Mike went to Saint Hill and attained the state of Clear. Mike says:

"When I went Clear I had fantastic awareness . . . cognited every minute of every hour, every day for 3 months. Then I reached a sort of flat point . . I needed doingness. I needed Tech. So, I got trained and suddenly I could operate at the same level as my awareness had expanded to since being Clear!"

Mike took his Academy levels and then worked on Foundation staff at the Los Angeles Organization gaining valuable experience in auditing.

AND IN MARCH 1968, he opened his first Franchise - Scientology Wilshire-located in the Los Angeles area.

Today, Mike Smith is the Director of 8 successful Franchises, is a PRO graduate, is busily working on his Saint Hill Special Briefing Course, and plans to expand his franchises further in the future.

Mike Smith, Clear 608, states that Scientology Training was instrumental in his success in the field of Science

JCCESS

Becoming an HDC has been a terrific win.
Such certainty! If you do the standard thing you get the standard result!! If you do it **every** *time you get the result* **every** *time.*
And in the course material, Ron says, "almost every student starts by over complicating it" and wow . . . is that ever true!
Its just **so simple!** *All you have to know is* **do it by 'the book'.** *When you have that and really have it you can audit Standard Dianetics.*
Its really wild to sit in a session relaxedly and watch your pc's somatics blow, and watch the good indicators flood in.
This is truly a course that everyone should take.

Fred Fairchild

"This new Hubbard Standard Dianetics Course is stuffed with all the simple, basic data that is necessary to handle any and all engrams, secondaries or locks that a person can come up with. Simplicity is the word. With this course, the aches and pains of the world will vanish. A healthy and happy human race is now a reality, not a dream."

DAVE MEYERS

"It's a marvellous course. I finished yesterday after achieving at least two miracles. This cannot *be paid for!*
"Love and thanks to Ron who made this possible."

SACHA GABRIELS

"How much can man conquer? With Dianetics there is no end, we have a whole planet to work on.
"Since my auditing, I have never felt better. I have finally conquered my fears which to me is like conquering the stars.
"Ron has given us a therapy that works *and I quote his words, 'For God's sake, get busy and build a better bridge!"*

MARY JANE ESPOSITO, Grade VA.

PRO COURSE INAUGURATED AT ASHO

The Public Relations Course, a dynamic new course developed by L. Ron Hubbard, was originated at AOLA on April 7, 1969.

At first the course was to be limited only to Org personnel and Franchise members, but a few weeks later due to the great popularity of the course and wide demand, L. Ron Hubbard made the course available to non-org and non-franchise members.

The course became an even bigger success.

Just recently, Ron ordered that the PRO Course would be a Saint Hill Service, and taught only at the American Saint Hill in America.

On September 24th, 1969, the course was successfully transferred from AOLA to The American Saint Hill to set an even higher precedent in PRO activities across the United States and Canada.

The course contains the complete answers to the entire subject of dissemination and the data can be used to disseminate to a friend, group or even an entire society!

BE CAUSE...
BE TRAINED

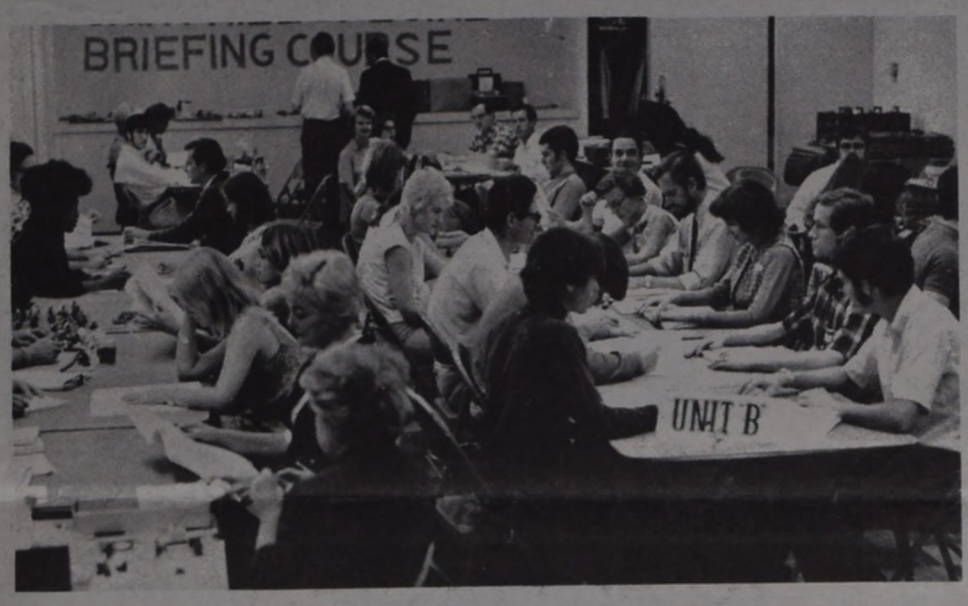

With the advent of STANDARD DIANETICS the Scientology training route is complete and very, very fast. Already hordes of old and new Scientologists alike are gaining momentum on their training route.

The route consists of the following levels at your nearest Scientology Organization: (see back page of this edition for the Organization nearest you.)

The Scientology Basic Courses
The Hubbard Standard Dianetics Course
Academy Levels 0–IV (HRS–HAA)

For example: Joe S. discovers Scientology. He works as a clerk in a small company and has held that job for a considerable period of time with little hope for advancement. The training route of Scientology appeals to Joe and he takes his first course or two. He learns some basic Scientology data which he decides to **apply** to his job and see if it works. The data works! He quickly gets into Power and moves up on the ladder of success in the business world too!

When training is complete at the Academy of Scientology you are then ready for your next big step in Scientology . . THE SAINT HILL SPECIAL BRIEFING COURSE.

Saint Hill Special Briefing Course students intently study Ron's HCOB's and listen to his lectures

The Saint Hill Special Briefing Course was researched and released to the public in 1961 at Saint Hill Manor in England which is the World Headquarters for Scientology. There are now three Saint Hills in the World.

Since 1961 Ron has expanded the Saint Hill Special Briefing Course to include the grades of release, Search & Discovery data, and just recently the triple flow technology of Level V.

This course teaches ALL the data of Scientology, Philosophic included.

You will learn the research route that Ron chose in order to arrive at the specific and exact technology that is Scientology today.

You will listen to Ron lecture to the first Special Briefing Course students (via taped lectures) at Saint Hill Manor in England.

You will study bulletins and books from The American Saint Hill Library of L. Ron Hubbard's vast quantity of Dianetics and Scientology data.

As a very special bonus, to the Special Briefing Course student, you will receive Level six data . . . the data needed to audit yourself to a grade six release. This extra bonus is absolutely free to those who are going the professional route to Clear.

And at the AMERICAN SAINT HILL ORGANIZATION . . .

The Saint Hill Special Briefing Course
The Class VII Course (Internship for contracted staff members only)

Then to the ADVANCED Organization for:

The Class VIII Course

. . to become one of the most valuable beings on the planet. AN AUDITOR. One who is capable of freeing man.

Your route begins at your nearest Scientology Organization, where you receive your basic Scientology courses.

The Hubbard Standard Dianetics Course is then undertaken where you learn the exact mechanics of the mind and the precise steps of erasing reactiveness from a being's mind and putting it in the realm of standard memory. Once you have this valuable basic data you will literally fly up the Academy Levels 0--IV. These Levels give you the data needed to audit a preclear to a grade IV release, which releases him to a higher awareness of himself.

Not only will you become an auditor who is able to apply Ron's tech on the grades of auditing, but you will also be able to apply the data to better **your** conditions in life! All you need do is APPLY THE DATA YOU OBTAIN IN TRAINING to better unwanted conditions.

"Power" processes were developed by . . .
L. Ron Hubbard early in 1965. He called them the "Case Cracking" processes and they were run for some months under his direct case supervision by selected SHSBC graduates of that time in the "Case cracking" section of the Qualifications Division of Saint Hill Manor in England.

The Power Processes finally handled inaccuracies in locating the cause of problems, and the mis-estimation of effort in handling one's environment and resultant confusions, regrets, embarrassments and witholdingness.

VA handles a persons detestations and opens the way for him to use his own past skills in present time.

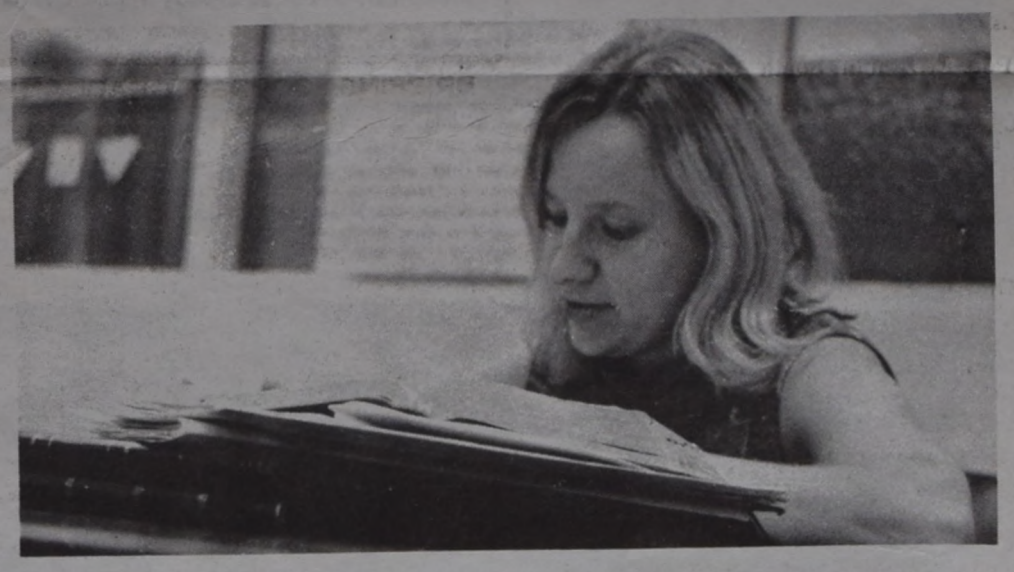

The Power Processes, as can be seen, are a prerequisite to Solo auditing, and place in the person's hands the necessary ability to direct his attention with precision and to perceive with the accuracy required to solo audit successfully the VI, Clearing Course and OT Levels.

Power Processes enable a student to study effectively. Data can be viewed and importances assessed without tedious grind. Because significance is now correctly assigned, data can be recalled unalterised and applied without effort. Thus Power Processes are most desirable to those who wish to study.

A bright, happy Power Release emerges from her power session . . . ready and eager for the future.

Power Processes enhance survival and personal efficiency to a very marked degree. A Grade V & VA Release looks at life differently from other people. He views life in Present time with assurance and creative ability to change unwanted conditions. He is equipped to make things go right.

Linda Engman, Class VI, is the 1st Class VII on the Internship at ASHO.

For Clearing to occur at all and for the technology Clearing to survive without alteration, perversion and failure for both auditors of the new technology and for those to whom it would be applied, a case cracking process was needed. This was provided in the Power Processes.

The question now arose as to who would audit these simple but incredible exact processes. L. Ron Hubbard selected a few auditors from among the Saint Hill Special Briefing Course graduates of that time and formed up, in the Qualifications Divisions of Saint Hill in England, a case cracking section. Thus the post graduate course called the Level VII Internship was born.

The Internes were trained by L. Ron Hubbard in the exact precise application of the new procedure. They were drilled and drilled in faultless procedure and sent to audit . . with immediate success. L. Ron Hubbard himself C/Sed the preclear's folders and every slightest deviation from exactness of application was caught and handled before it could develop. Preclears poured into Saint Hill in England. Miracles occurred, and everyone won. The way to Solo was safely made and Clearing assured.

Since that time auditors from all over the world have learned to run Power Processes. The standard has never dropped. Only precision of exact application will suffice and now at ASHO we offer once more the Level VII Internship to all auditors who are contracted staff members of Organizations.

We at ASHO offer it, so that the dedicated staff members of Orgs too far from a Saint Hill Org may receive from one of their own staff, trained on the Saint Hill Internship, the Power Processes, and all its advantages in increased effectiveness, regained skills and certainty of decisions.

FOCUS ON SUCCESS

I keep saying this every level I do, but, again – This level is the best yet! The wisdom of the universe!

Susan Sandegren
Class VI

I just finished the Saint Hill Special Briefing Course and just this morning I opened my eyes and saw BEINGS! I know what the bank and aberration is – The other side of that knowledge–Beings is my most precious acquisition and inseparable from what I now know to be Scientology.

Words can't thank Ron. My good auditing will.

Helen Rhodes
Class VI

The Briefing Course is great background. It really "fills" you out. You not only learn to audit well, but you also get a lot of data about auditing and life.

Do the Briefing Course!

Exilda Dane
Class VI

Each level gets better. Thank you Ron for giving us the beauty of Scientology.

Amelia Breit
Class VI

I've written success stories for all my levels, and I really had great successes. After Level VI, I can't seem to put into words, how really beautiful the whole Briefing Course was. Everyone should take it, and find out for themselves.

Anne Cuccia
Class VI

Everything Ron says is really true! You do it and you attain the result. I did it and I'm a Grade VI, Class VI Auditor with a very well done. All I did was DO IT!

Judith Shafran
Class VI

This is by far my biggest win yet. The effect I can create as an auditor is unlimited. I am beginning a reign of power on all the dynamics and it is a HIGH level of responsibility!

It is the greatest challenge and reaps the greatest rewards of any other doingness in this universe . . . It is the ability to free other beings. I know how. I am an Auditor.

Judy Sachs
Class VI

MIRACLE!!

THERE ARE VERY FEW WORDS NEEDED TO EXPRESS THE DEPTHS OF FEAR AND ANGUISH AN EPILEPTIC LIVES WITH.

FOR FIVE YEARS I HAVE BEEN AN EPILEPTIC. FORTUNATELY I WAS ABLE TO AFFORD MEDICINE TO CONTROL THE SEISURES, BUT CONTROL IS ONLY CONTROL. MY DOCTOR TOLD ME I WOULD PROBABLY HAVE EPILEPSY FOR THE REST OF MY LIFE AND WITH A BLACK RESIGNATION I ACCEPTED THIS FACT AND FOUGHT THE FEARS WITH MEDICATION.

THEN I HEARD ABOUT SCIENTOLOGY AND BEGAN READING. I SUPPOSE IT SOUNDS SORT OF CORNEY . . . SOMEHOW MIRACLES ALWAYS DO. ALL I CAN SAY IS TODAY WITH THE HELP OF 21 MINUTES OF DIANETIC AUDITING I AM NO LONGER AN EPILEPTIC. CONCERNING EVERY HUMAN BEING, IF DIANETICS CAN HANDLE EPILEPSY, I KNOW IT CAN HANDLE ANYTHING.

Go Clear at AOLA

BEING CLEAR GIVES ONE THE FREEDOM AND POTENTIAL OF BEING . . . A CLEAR DOESN'T HAVE TO BE IN A BODY OR OUT OF A BODY: THERE ARE NO CONDITIONS IMPOSED UPON HIM. HE IS JUST AT CAUSE OVER MENTAL MATTER, ENERGY, SPACE AND TIME ON THE FIRST DYNAMIC OR AS REGARDS HIS OWN SURVIVAL . . YOU CAN'T OVERVALUE THE STATE OF CLEAR.

L. RON HUBBARD

Every day the applause of validation and joy rings through AOLA as yet another Clear is made . . . another being has reached the high, high (but easily obtainable in Scientology) state of Clear.

You can go onto the Clearing Course as soon as you complete the Saint Hill Special Briefing Course (or Solo Audit Course) at ASHO, the American Saint Hill Organization also in Los Angeles. But you can enroll in advance on the Clearing Course at any time. Advance enrollment is a good way to make faster progress on the vital target to go Clear.

PRICE: $800.00

Less 5% for advance payment in full you pay only $760.00. Write to the Letter Registrar for full details on the Savings Club Plan.

DIANETICS AND SCIENTOLOGY TERMS DEFINED

PRECLEAR: This term covers anyone who is not a Clear, however, it is principally used to describe a person who, through Dianetics and Scientology processing, is finding out more about himself and life.

GRADE: An award made to a preclear in the form of a certificate for having attained one of the eight states of Release or the State of Clear.

CLEAR: A being who is at knowing and willing cause over mental matter, energy, space and time, as regards the first dynamic (survival for self).

LOCK: A mental image picture of a non-painful but disturbing experience the person has experienced and which depends for its force on an earlier secondary and engram which the experience has restimulated.

SECONDARY: A mental image picture of a moment of severe and shocking loss or threat of loss which contains misemotion such as anger, fear, grief, apathy or "deathfulness". It is a mental image recording of a time of severe mental stress. It may contain unconsciousness.

ENGRAM: A mental picture of an experience containing pain, unconciousness and a real or fancied threat to survival.

AUDITING (also PROCESSING): The principle of making the individual look at his own existence and improve his ability to confront what he is and where he is.

CASE: The way a person responds to the world around him by reason of his aberrations.

OT (Operating Thetan): A Clear who has been familiarized with his environment to a point of total cause over matter, energy, space, time and thought and who is not in a body.

RELEASE: A person who is freed from, and not influenced by, his Reactive Mind. There are several Grades of Release. Each is a distinct and separate step toward greater levels of awareness and ability. (See the Classification, Gradation and Awareness Chart.)

ARC BREAK: A sudden drop or sundering in Affinity, Reality and Communication with or toward someone or something.

THE SEA ORG: The Scientology Organization which runs the Advanced Organizations. It is there as an outside floating force, giving aid, publicizing and pushing up good will (which is its current function).

THETAN: The person himself – not his body or name, the physical universe, his mind, or anything else – that which is aware of being aware: the identity that IS the individual. (From Theta (θ) the Greek symbol for "thought" or perhaps "spirit".)

SCIENTOLOGY: (SCIO – Latin – Knowing in the fullest sense, LOGOS, Greek - to study). An applied religious philosophy used to increase spiritual freedom, intelligence, ability, to produce immortality.

AUDITOR: A listener or one who listens carefully to what people have to say. An auditor is a person trained and qualified in applying Dianetics and Scientology processes to others for their betterment.

PSYCHOSOMATIC: Pains stemming from the mind.

REACTIVE MIND: That portion of a person's mind which works on a stimulus response basis (given a certain stimulus, it gives a certain response) which is not under his volitional control and which exerts force and the power of command over his awareness, purposes, thoughts, body and actions.

DIANETICS: Means through thought or mind. Dianetics is the precision technology of the mind. It is the technique and practice of Pastoral Counseling.

SOMATIC: Physical pain or discomfort of any kind, especially painful or uncomfortable physical perceptions stemming from the Reactive Mind.

TECHNOLOGY: The methods of application of an art or science as opposed to mere knowledge of the science or art itself.

You can always write to Ron about your case or problems
