RON'S BOOKS

Answer Your Questions About Yourself and Life

Here are some quotes from L. Ron Hubbard's books:

The basic individual is not a buried unknown or a different person, but an intensity of all that is best and most able in the person. The basic individual equals the same person minus his pain and dramatizations.

DIANETICS: THE ORIGINAL THESIS

Never regret yesterday. Life is in you today, and you make your tomorrow.

The Code of Honor, CREATION OF HUMAN ABILITY

The only richness there is is understanding.

SCIENTOLOGY 8-8008

There is no need to lead a violent life just to prove one can experience. The idea is not to prove one can experience, but to regain the ability to experience.

SCIENTOLOGY: A NEW SLANT ON LIFE

There could be no purpose worth contemplating which does not include happiness and experience. When a man is no longer able to envision happiness as a part of his future, that man is dead.

DIANETICS '55

No man is happy without a goal, and no man can be happy without faith in his own ability to reach that goal.

SCIENCE OF SURVIVAL

The goal of Sceintology is the making of the individual capable of living a better life in his own estimation and with his fellows and the playing of a better game.

THE FUNDAMENTALS OF THOUGHT

Probably the most neglected friend you have is you.

SELF ANALYSIS

. . . your potentialities are a great deal better than anyone ever permitted you to believe.

SELF ANALYSIS

The anatomy of control is start, change and stop.

THE FUNDAMENTALS OF THOUGHT

When we say that somebody should be in present time we mean he should be in communication with his environment. We mean, further, that he should be in communication with his environment as it exists, not as it existed.

DIANETICS '55

Happiness is the overcoming of not unknown obstacles toward a known goal and, transiently, the contemplation of or indulgence in pleasure.

DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH

Saint Hill Special Briefing Course Students Read ALL Ron's Books

ASHO Students and Preclears gather in front of ASHO's reception and Bookstore on "Book Day". Students and Preclears are encouraged to read the Scientology and Dianetics Books of L. Ron Hubbard to increase their understanding of Processing, The Human Mind and Life itself. Briefing Course students at ASHO read ALL Ron's books as part of their course. Books are not "old" or "just historical" - they contain a fantastic wealth of fully valid and useful data and information remarkably applicable in today's modern world and in current processing.

Clear and OT, put in on top of these completed lower levels, produce beings of Supernatural and Godlike Abilities and Understanding.

When was the last time you did something about getting your case completely handled?

TODAY'S TRAINING

GET TRAINED

"Scientology is for use in life. It's to bring order and some control and discipline into the channels of life itself. A trained Scientologist is one who uses Scientology to further the business of livingness for himself and his friends.

"The purpose of Training and Processing is to free people of the things preventing them from being themselves. This is worthwhile as Man is basically good and it is this basic goodness we want to set free."

L. Ron Hubbard

BASIC COURSES

Sceintolog, Training starts with the "Basic Courses". H.A.S. (Hubbard Apprentice Scientologist Course) and H.Q.S. (Hubbard Qualified Scientologist Course). These courses teach the famous "TRs" (Training Routines, now including the Upper Indoctrination TRs on H.A.S.) and Assists and simple Co-auditing (now a part of the H.Q.S.).

These Basic Courses, while NOT being prerequisites to more advanced courses, do help prepare a student for more advanced courses as well as give him valuable data and new abilities he can really use in life to get along more successfully.

DIANETICS COURSE

The success of The Hubbard Standard Dianetic Course proves that after all these years (over 20) Dianetics is as alive as ever.

Dianetics students learn the "100% precision technology of the human mind" and how to apply it in "pastoral counselling" to help others eradicate their unwanted emotions, feelings and psychosomatic illnesses so that they can become "well and happy human beings."

ACADEMY TRAINING

Scientology Academies (as well as Basic Courses and Standard Dianetic Courses) exist in every major Scientology Organization around the world. (See the list on the back of this Auditor.)

Academy Training teaches the student how to audit the full materials of Expanded Lower Grades from Level O - IV. The subjects covered in the Academy Levels include Communication (Level O); Problems (Level I); Relief - Overt Acts and Withholds (Level II); Freedom - ARC (Understanding) and ARC Breaks (upsets or breaks in understanding); (Level III); and Attainment of New Abilities (Level IV).

LA Org Academy students doing Upper Indoctrination Training Routines.

THE ECONOMICAL WAY

On Academy Level Training (as well as on the Hubbard Standard Dianetics Course) students ALSO get audited themselves by other competent students on the materials being studied. Thus training is the economical way to get trained AND get lots of auditing at the same time. An Academy Level student gets his complete Expanded Grades absolutely free during the course of his training!

PREREQUISITES AND PRICES

There is no prerequisite for either the Dianetics Course or Level O of the Academy.

The Hubbard Standard Dianetics Course costs $500.00 ($250.00 for old HDAs or HPAs). The Academy Levels cost $250.00 each or $1000.00 for the package, Levels O - IV (5 Levels). Any money you pay for Academy training is credited towards your Saint Hill Special Briefing Course (the Class VI Course) at ASHO so that when you complete your Academy Level training at your local Org you may easily advance to ASHO to take the Briefing Course

THE REGISTRAR

Contact the Registrar of your local Org today to get answered any additional questions you may have about training courses and enrollment on them. The Registrar knows how to help you with any problems you may have which are preventing you from getting on with your training (or processing) so get in touch with her NOW and get going on your training and processing.•

(NOTE: more advanced training Courses also exist in addition to those listed above. Ask your Registrar.)

READ THESE BOOKS

Science of Survival by L. Ron Hubbard

Hubbard Scientist of Standard Technology Supervisor, Rory Tate, refers HSST Intern, Maria Olleros, to a chapter in Science of Survival by L. Ron Hubbard. HSST Interns study intensely many of Ron's books.

"The benefits, gains and the sheer working Technology of this book are many for anyone who reads it. You can judge the value of this book simply by the fact that it is one of the most important on the Class VIII Case Supervisors Course.

"While reading it, Class VIII C/S Interns start aligning the fundamental building blocks of Scientology and Dianetics. It gives them the Way of the Mind, the Mechanics of Thought, the unbridled Power of Theta and how Theta can be used to conquer the physical universe. It is a large book but like all of Scientology and Dianetics, extremely simple to apply.

"You are armed to the teeth in Surviving in this universe after reading this book and there will be no question of your survival beyond any limit imaginable.

If you want to know WHY, read this book."

Rory Tate
AOLA HSST Supervisor

No Prerequisite Now for SHSBC*

* Saint Hill Special Briefing Course

FLASH - now even the previous "only" prerequisite for the Briefing Course, HDC, has been removed. NOW THERE ARE NO PREREQUISITES TO ENROLL ON THE SAINT HILL SPECIAL BRIEFING COURSE.

On the Briefing Course a student is thoroughly trained on Levels O - IV to audit all the processes of Expanded Grades O - IV, plus any other auditing actions that might be necessary to bring a preclear up to Grade IV Expanded.

On Levels O - IV of the Briefing Course students get all the auditing they want on Expanded Grades O - IV from other competent students - at no extra cost, of course.

And on Level VI, as the last part of the Briefing Course, students get the Solo course FREE and audit themselves to Grade VI Release (if they haven't previously taken the Solo Course).

So the Saint Hill Special Briefing Course is the economical way to get trained and get lots of auditing at the same time. Not only does the Briefing Course train to the highly respected Class VI, Hubbard Senior Scientologist Certificate but the Briefing Course student also gets Expanded Grades and their Grade VI FREE and a 50% scholarship on Power Processing to Grades V and VA Release.

ADDED BONUSES EXIST FOR ACADEMY GRADUATES who take the Briefing Course:

(1) checkouts done (past or future) on Academy Level checksheets are credited to the Briefing Course checksheet, thus speeding an Academy graduates' progress on the Briefing Course by eliminating double work (2) any payments made towards the Academy Levels are credited towards the cost of the Briefing Course (3) and Class IV (HAA) Academy graduates get an added $125.00 scholarship towards the Briefing Course.

Tuition fee for the Saint Hill Speical Briefing Course is $775.00 plus $1000.00 for the Academy Levels at your local Org. Class IV (HAA) Academy graduates get an added $125.00 scholarship on the Briefing Course.

If you wish to enroll on the Briefing Course without Academy training you may, but then you pay $775.00 plus the $1000.00 you would otherwise have paid for Academy Levels. If you wish to enroll on the Briefing Course with some Academy training (but not complete through Class IV) you may, in which case you are credited any monies paid for Academy training.

GET NEW POWER

We hereby proudly announce a new, dynamic, revolutionary Grade V and VA is now available at your American Saint Hill Organization.

Ron has taken Power Processing and with skillful exacting precision, refined its administration.

Power Processing was first publically released by Ron in May 1965 at Saint Hill in the United Kingdom and the gains achieved over those five years are valuable and remain valid to this day. Now in the year AD 20 a new administration for Power has been discovered effecting smoother application and results than ever before to further guarantee the abilities and awareness, priceless to your route to Clear.

The ability to handle and control power has been a mystery for eons. Kings, dictators and men alike have fought and died for it, yet its ancient secrets remained undiscovered. Ron captured its very essence and released these gains available to you since 1965 for the first time in this universe.

Truth, freedom and power are no longer dreams of men upon a desperate Planet. These things are no longer illusions, they are here waiting for you in truth and reality at the end of the Bridge.

Power Processing is in truth a key step upon a very real Bridge to Total Freedom. We are in no way overestimating the situation.

It will be audited by a specially Flag trained Class VII Auditor with FREE before and after tests to make sure you get your results!

We are offering NEW POWER with no price change whatsoever. Grade V Power Processing is $500.00 per 25 hour Intensive. A minimum of two 25 hour Intensives are required. Grade VA Power Plus is $200.00. That makes the total price $1200.00. Payment in advance gives a special discounted total price of $1140.00.

All Grade IV Releases are eligible NOW for New Power. You need nothing else but your Grade IV Release. Expanded Grades and Dianetics are no longer mandatory. There is nothing stopping you from releasing your own natural power right now. Just come to ASHO for at least a week.

WRITE: The Letter Registrar, The Church of Scientology, ASHO, 2723 West Temple St., Los Angeles, Cal. 90026.
