THE JOURNAL OF SCIENTOLOGY

THE SPHERE OF AN AUDITOR

BY L. RON HUBBARD

Scientology is a science of knowingness, and, on a greater level of understanding, that means a science of life.

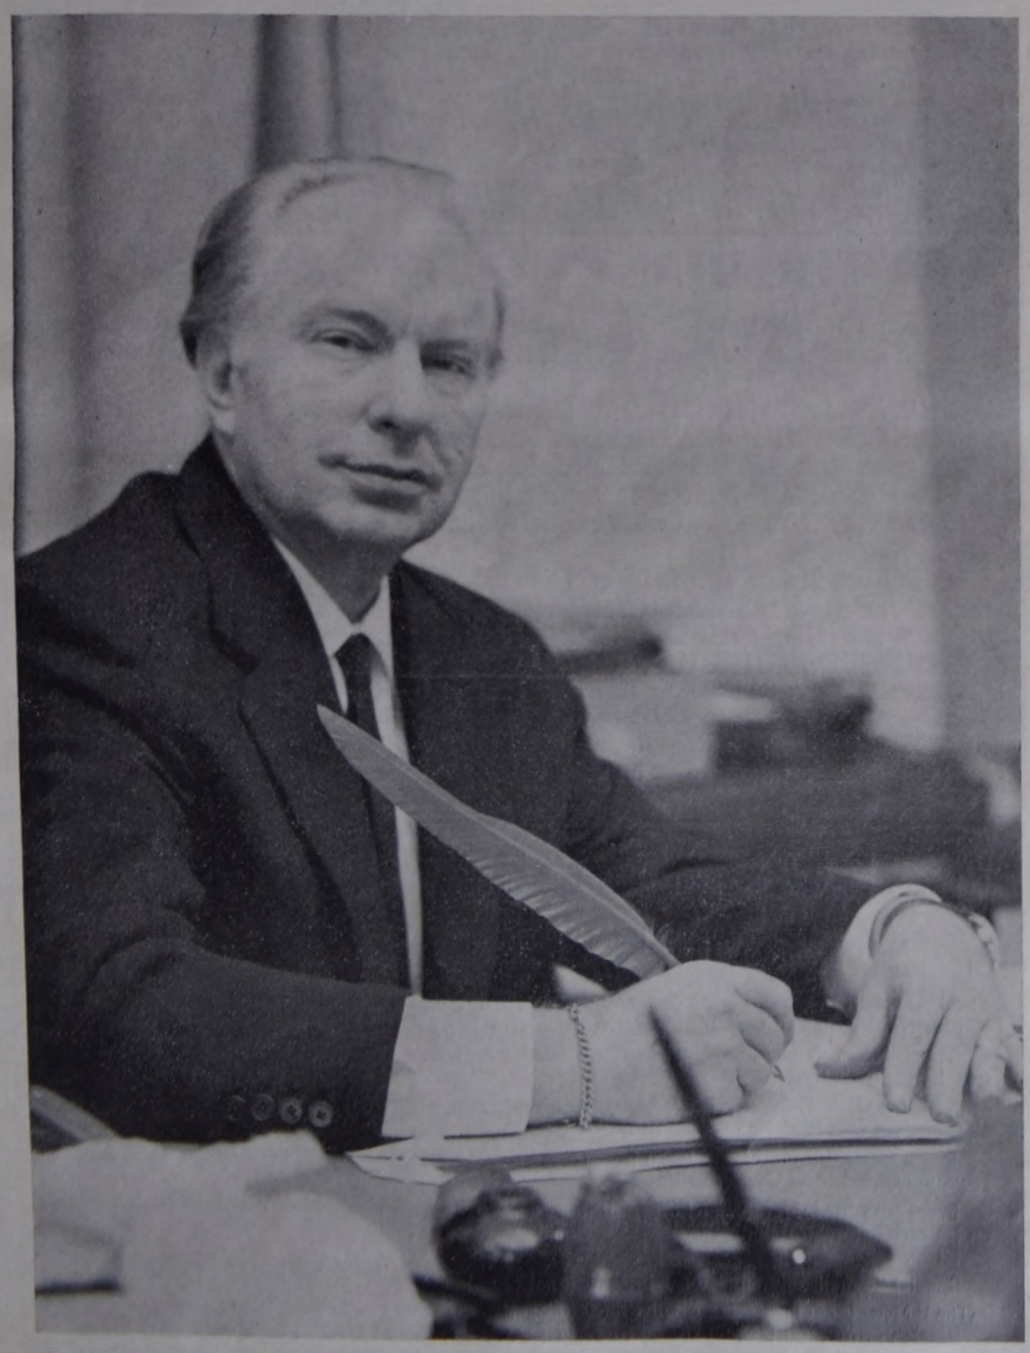

Scientology directly addresses livingness. It is addressed to life, but what is life composed of? It's basically composed of those things with which you can communicate. The most vital thing with which you can communicate, of course, is another being. An auditor should be able to get another being to be interested in his own case and to talk to him. That is what he should be able to do. (An auditor is a person trained and qualified in applying Scientology processes to others for their betterment.)

The auditor is on a broader career than merely being a capable individual. He's already doing something. He is doing something in the highest, widest field there is, which is the interrelationships of life. An auditor is handling these things.

Scientology has the discipline and know-how necessary to handle and control the laws of the universe. Scientology is the data necessary to *live*.

The best things a person can do are (1) get trained and (2) get cleared. Getting to be an excellent auditor is a must if one merely wishes to live. The combination of a good auditor and Clear cannot be beaten. (A Clear is a being who can be at Cause, knowingly and at will, over mental matter, energy, space and time as regards the First Dynamic (survival for self).)

If we had only Clears and no auditors we'd have a slump ahead. There are people on the way to Clear, now, all over the world. Just remember that you'll have to be able to audit, to skilfully handle aberrated persons. It will take a lot of auditors to have a cleared society. To properly hit that target, each of us needs to be (1) well-trained and secure in our Scientology skills, and (2) a good example in our own case.

L. RON HUBBARD

Remember, when I tell you one thing: One dynamic isn't enough. (Dynamic: The urge, thrust and purpose of life—SURVIVE!—in its eight manifestations.) It takes all the dynamics to make freedom. Therefore, to be Clear is not enough. To be a Cleared auditor and to handle and audit people is a must if we wish to be totally free.

Face it. We live in a barbarism. The shiny cars are driven by degraded men. You won't be free unless they are.

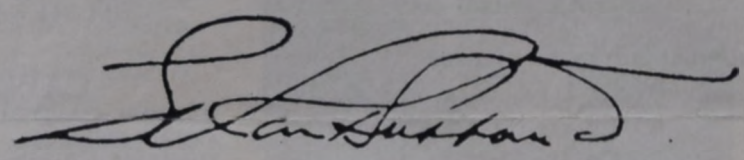

Right now, it's all right to keep your eye on that first dynamic (survival for self) and get Clear. You should. But get trained on the way.

Improvement is the common denominator of all our ideas. As Scientologists we are trying to make people better. Our technology is to enable us to do that. Solve things by the equation of the optimum solution: The greatest good for the greatest number of dynamics. Failing to so solve things dug you in to where you were in the first place.

Scientology got you out.

Stay out, by knowing Scientology well. Get trained.

And that's how you're going to help me.

EXPANSION IN SOUTH AFRICA

Scientology in South Africa is expanding at a vast rate. More and more Scientologists in South Africa are using Scientology in their daily lives to change conditions. More and more new Scientologists have taken their first steps on the Road to Total Freedom by completing Academy training courses and Grade O to IV Processing.

Traditionally, the accent is on training in South African Orgs, and a very high percentage of students take the full training route from Class O to Class IV and then go direct to Saint Hill for the Saint Hill Special Briefing Course and Power Processing.

There are four Scientology organizations in South Africa—Johannesburg, Durban, Cape Town, and Port Elizabeth. The Johannesburg Org was formed in 1955 as an Authorized Office, empowered to run the Hubbard Professional Auditor Course. Joburg became a full Scientology Organization in 1957. Durban followed closely behind in 1958, then Cape Town in 1960, and Port Elizabeth in 1962. Johannesburg is the Continental Organization and therefore the senior Organization in South Africa. The other three Organizations are called Area Orgs. All are united as a team, bringing Scientology to the people of South Africa and extending throughout the whole of the African continent. Scientology is an applied philosophy dealing with the study of knowledge, which, through the application of its technology, can bring about desirable changes in the conditions of life.

THE ROUTE

A new service has recently been introduced in all South African Orgs. A full free I.Q. and Personality Analysis Centre has been opened to all Scientologists and members of the public.

Each organization runs excellent Introductory lectures, usually given in the evenings, where they hear a highly informative talk on a part of Scientology data, or see the film, "An Introduction to Scientology", in which L. Ron Hubbard speaks about Scientology to a television interviewer, or they can hear one of Ron's recorded public lectures played.

Special functions, such as the playing of Ron's marvellous tape-recorded address to Scientologists, "Ron's Journal '67", gives new Scientologists a chance to discover what Scientology is about and Scientologists the incentive to move forward at great speed on the Road to Total Freedom.

Lectures by visiting Scientology celebrities such as John McMaster, the first Clear in the world, and Bill Deitsch and Alison Parkhouse provide another chance for members of the public to find out what Scientology offers and what they have been missing!

FIELD STAFF MEMBERS

Each South African Org has its Field Staff Members, who are Scientologists holding a Hubbard Book Auditor Certificate or above. The Field Staff Member's role is a vital one. He or she contacts new people who do not yet know about Scientology, selects them for training or processing at their local Organization and follows up the selection by making sure that their selectees continue to take their next step on the training or preclear route to Total Freedom. An important Field Staff Member's activity is to sell books.

Every South African Org has its Field Staff Member Award Programme. Field Staff Members are paid a 10% commission on every consecutive service bought at the Org by their selectees. Those Field Staff Members earning the most in 10% commission are further rewarded by free courses and free books.

BOOKS AND METERS

The Bookstore of each South African Org has a full range of Scientology books. These unique books by L. Ron Hubbard enable newcomers to realize that Scientology is offering *them* Total Freedom, and a way to achieve it.

The Bookstore is a treasury of Scientology materials, including, as well as books, Scientology and Dianetic record albums, E-Meters and Scientology insignia and emblems.

Buying a book in the Bookstore is the first positive step towards Total Freedom taken by a new Scientologist.

TRAINING

The Academy of every South African Org is the gateway to being at Cause over life and living. In an Academy, exact, standard Scientology auditing technology is taught and students are trained on Levels O, I, II, III, and IV. Each Level consists of a Theory or Certification Course and a Practical or Classification Course. In Johannesburg

"RON'S JOURNAL '67" IN DEMAND

L. Ron Hubbard wants each and every Scientologist to hear "Ron's Journal '67".

"Ron's Journal '67" is a 45-minute tape lecture made by Ron soon after he broke through the "Wall of Fire" in his research on the levels beyond Clear.

In Johannesburg, at the first public playing of "Ron's Journal '67" in the Casa Mia Hotel nearly 200 people attended. In Durban, a violent electrical thunderstorm over the city, half an hour before the tape was scheduled, did not prevent the hall from being packed to capacity, with the crowd overflowing into all the available nearby rooms.

Ron's message is a must for *all* Scientologists. If you have not heard it yet, contact the Distribution Secretary of the Joburg Org. (address on back page) and demand to hear it. If you know of another Scientologist who hasn't heard it yet, bring him or her to the next tape play. Ron wants *every* Scientologist to hear his message.

"I find that training and auditing experience helps me in innumerable ways—in driving a car (patiently, in heavy traffic), waking up in the morning, confronting anything unpleasant in life, keeping myself occupied in leisure hours, in writing letters, making telephone calls, in chance conversations with strangers—In fact, training helps in every conceivable situation or experience anywhere, any place, anytime—Try it for yourself and see!

INCREASED ABILITY

COERT STEYNBERG, the widely-known South African sculptor, from Pretoria, recently achieved Grade IV Release at the Johannesburg Org and immediately gained an increased ability to undertake a great sculptural work.

Coert became a Scientologist in Johannesburg, in 1961, when he met L. Ron Hubbard. To Coert, Ron's face was a symbol of Communication and he wanted to make a bust of Ron. Ron agreed and now Coert's fine sculptured head of Ron is in Ron's office in the Johannesburg Org while ten copies are located in other Scientology Orgs around the world.

Recently, Coert was chosen to execute a 30 foot high head and shoulders sculpture of President Paul Kruger from the solid rock crown of a granite hill overlooking the road between Pretorius Kop and Skukuza—in Kruger National Park.

Before his processing, Coert was rather uneasy at the thought of confronting the project but after his Ability Release (Grade IV) he discovered that he could confront the giant project confidently and is eager to start!

Coert plans to be at Saint Hill later this year.

An historic photo, taken in 1961, of L. Ron Hubbard sitting for Coert Steynberg, as Coert models his famous bust of Ron in clay in his Johannesburg studio.

SUCCESSFUL SECRETARY

BARBARA STIRTON, Grade VA Release, from Johannesburg, is currently a student on the Saint Hill Special Briefing Course. Since January, 1960, when she first attended a Personal Efficiency lecture, Barbara has been a keen Scientologist and has experienced many gains from her training and processing.

Barbara had a big win from her Power Processing. She became private secretary to the Managing Director of one of the biggest and most important financial organizations in Johannesburg—the enterprise of Charles Engelhard, U.S. and International financier.

As a result of her Power Processing, Barbara smoothly handled the extremely busy and often random working environment surrounding the Managing Director—and enjoyed the experience! She was highly paid for her ability and has used this financial reward to come to Saint Hill for the Saint Hill Special Briefing Course.

RECORDING ARTISTS

ROBIN HOGARTH, Grade VA Release, his brother SIMON, Grade VA Release, and BARRY GIBSON, Grade VA Release, are the three members of the Maximillian King Trio, which has rapidly risen to success in South Africa. Their records, displaying the Trio's special style of three blended rhythms, are widely heard now on radio. This success has followed from their Scientology auditing and training.

The boys first heard about Scientology when L. Ron Hubbard visited Rhodesia in 1966. Robin and Barry met Ron in Salisbury and this made Scientology very real to them!

The three singers determined to go as far as possible in Scientology. They travelled to South Africa, had auditing, and joined the staff of the Johannesburg Org, where they are also doing their Academy training. Robin is now a Class I Auditor and Simon is a Class II Auditor.

It won't be long before Robin and Simon are at Saint Hill on the Saint Hill Special Briefing Course.

(Dianetics is Man's most advanced school of the mind. The way up to a capable human being is the realm of Dianetics. Scientology is the route from human being to total freedom.)

Any trained auditor can apply his knowledge of Scientology data to any aspect of life and handle it well. Academy training is arranged in Levels, with a Theory Course and a Practical Course for each Level. Training is done on a smooth gradient and students master each Course before doing the next.

The training route, which starts in the Academy of your local Org and continues on to the Saint Hill Special Briefing Course at Saint Hill, is the surest and fastest route to Clear.

PROCESSING

Processing is that action or actions, governed by the technical disciplines and codes of Scientology, of administering a process to a preclear in order to release or free him. (A preclear is a person who, through Scientology processing, is finding out more about himself and life.) It is the means by which a person progressively emerges as his essential self. Man is basically good and it is processing which enables this basic goodness to be revealed. Processing allows unwanted, non-survival thoughts and behaviour to be cleared away.

The three attractive white buildings of the Johannesburg Org, located at 23 Hancock Street, near Joubert Park.

Processing is done in the Hubbard Guidance Centre of each South African Org. Preclears are audited up through the Grades of Release; Grade O, Communications Release; Grade I, Problems Release; Grade II, Relief Release; Grade III, Freedom Release; Grade IV, Ability Release.

FOUNDATIONS

As many Scientologists are unable to receive daytime service from their Orgs, a special Organization, operating in the evenings and weekends, is found at each South African Org. This Organization, called the Foundation, gives very full service, including books, processing, training and Children's Courses, as well as Free Introductory Films and Lectures.

THE BRIDGE

All of the varied activities of the South African Orgs are designed to provide the services needed by the people in their area to enable them to move with maximum speed from being a member of the public to a keen professional Scientologist.

The South African Organizations give first-class Academy training according to their official classification. All Orgs provide full Grade processing from Grade O to IV. This vital training and processing fully prepares each Scientologist in the South African zone for Class VI training on the Saint Hill Special Briefing Course and Power Processing at Saint Hill, and for his adventure to Clear and beyond.

THE NEXT STEP — SAINT HILL TRAINING AND PROCESSING

The next vital step for Scientologists who have taken all South African training and processing services is to go straight to Saint Hill for Power Processing and the Saint Hill Special Briefing Course.

The great Saint Hill Special Briefing Course, which produces the world's best Auditors, is renowned for thorough training and expert supervision. Class VI Auditors from the Saint Hill Special Briefing Course travel far and wide to the four corners of the earth to contribute their special auditing expertise, technical knowledge and skill to fellow Scientologists and Scientology organizations.

The Academies of the world produce good auditors. These good auditors come to Saint Hill for the Saint Hill Special Briefing Course to get that extra polish and technical perfection demanded of graduates of the Saint Hill Special Briefing Course.

Only at Saint Hill can you get fabulous Power Processing to take you to Grade V and VA Release. These exciting processes fill that important gap between Grade IV and Grade VI. Power Processing, in Saint Hill's famous Hubbard Guidance Centre, is delivered by top Class VII Auditors and supervised by Clears.

Training on the Saint Hill Special Briefing Course, to Class VI and Grade VI (or the Solo Audit Course to Grade VI) and Power Processing at Saint Hill are prerequisites to enrolling on the Clearing Course at the Advanced Organization.

Complete all training and processing levels and Grades at the Johannesburg Organization and go straight to Saint Hill for the Saint Hill Special Briefing Course and Power Processing.

BILL DEITSCH AND ALISON PARKHOUSE TO LECTURE

L. Ron Hubbard has sent two more Sea Org members on a world tour of Scientology Orgs. They are BILL DEITSCH, Clear 229, and ALISON PARKHOUSE, Clear 310. Both have completed six sections of the OT Course. (OT means Operating Thetan, a Being who is knowingly at cause over matter, energy, space, time, thought and life and is not necessarily in a body.)

This new world tour, following the historic world tour by John McMaster, commenced in London on the 21st March. Bill and Alison's tour continued in Australia, then progresses to New Zealand, U.S.A. and Africa, in that order.

Both Bill and Alison have an astonishing ability to *really communicate*. Bill speaks several languages fluently and is an outstanding pianist, expert in all styles from modern jazz to classical. He completed the Saint Hill Special Briefing Course with Honours. His recent lectures in England, whether at a university, an art college or in a public hall, were all strikingly successful.

Alison, an extremely well-known Scientologist from Cape Town, combines beauty with a tremendously high ability to communicate. She has had eleven years of continuous success as a Scientology lecturer.

Alison is a graduate of the famous Royal Academy of Dramatic Art, London, and has the ability to keep her audiences laughing while giving Scientology data of immediate application in life.

The dates for the first lecture in each African Org are:

Johannesburg:
Thursday, 1st August, 1968.

Cape Town:
Wednesday, 7th August, 1968.

Port Elizabeth:
Tuesday, 13th August, 1968.

Durban:
Tuesday, 20th August, 1968.

Bill and Alison will give many other public lectures as well as their first lecture in each Org. See Bill and Alison when they're in your city. Bring your friends.

Bill Deitsch and Alison Parkhouse share a joke near the Saint Hill Chapel where both have drawn overflowing audiences prior to their world tour of Scientology Orgs.

FOCUS ON SUCCESS

HUBBARD APPRENTICE SCIENTOLOGIST COURSE

"I have just finished the H.A.S. Course and I really feel great!

"I now realize why conversation fell flat around me, why people never spoke to me for very long. The answer is simple, I just was not there.

"Now, to know I can be at cause, to know I can confront any situation, has given me the biggest change I have had for a long time."

AIRLIE WRAY, Rhodesia.

HUBBARD QUALIFIED SCIENTOLOGIST COURSE

"Well, first of all, I would like to say 'Thank you' to all the wonderful people who have helped me so willingly. Once again I feel that life is worth living and instead of dreading tomorrow, I find myself looking forward to it! What I would have done without Scientology, I honestly just don't know. I just can't tell you what it's done for me! My confronting has improved greatly and my ability to handle people has really improved.

"I find that I am capable of loving people —which, before my training and processing, I found absolutely impossible to do. I am able to agree for a change—I always used to disagree no matter what suggestion was made.

"I am full of life, very active and I am enjoying myself to the full."

BARBARA COMLEY, aged 15 years.

"By having done the HQS Course, I have been shown the way from being in a mental wilderness to being able to see the road out of it, where everything started falling into place, and I am no longer in doubt as to what the next step will be. All we need is to see the next step and take it. That's all there is on the road to Freedom.

"I have had the lovely feeling of my own knowledge being validated. This is what made the course so exciting, being able to know. What a feeling! I cannot describe it."

SAM JOCOBSON, Johannesburg.

HUBBARD CERTIFIED AUDITOR COURSE

"I feel wonderful. Capable of handling my surroundings, my child and family. In fact, I enjoy them all so much, that it doesn't feel like handling at all. Since being in Scientology, I have also discovered that I have the ability to do sculpture and a hundred and one other things. In fact, it feels there's nothing I cannot do, which is both remarkable and wonderful."

A. MIDDLETON, Grade IV, Durban.

SCIENTOLOGY AT RAND EASTER SHOW

1,736 people received free I.Q. and personality tests at the colourful Scientology exhibit located in one of the largest exhibition halls of Johannesburg's Rand Easter Show.

The Rand Easter Show is South Africa's largest and most spectacular show of the year. Nearly every industry in South Africa and several nations set up booths exhibiting their major products.

Johannesburg Scientologists set up a stand on the mezzanine of the Modern Pavilion. The exhibit included a testing room, where free Personality and I.Q. tests were offered to the public, a movie theatre featuring "An Introduction to Scientology", a filmed interview with L. Ron Hubbard, a book store offering a wide range of popular Scientology books, and a registration booth for people wanting to sign up for Scientology processing and training.

The entire exhibit was a fantastic success. The I.Q. and personality tests were extremely popular, and the chairs in the testing centre were never empty. Hundreds of people bought books, enjoyed the film, and decided to come to the Johannesburg Scientology Organization for beginning courses, processing and training.
