HUBBARD BOOK AUDITORS CERTIFICATE

L. Ron Hubbard

YOU CAN HAVE A CERTIFICATE.

If you have read a book on Dianetics or Scientology and applied any of its materials successfully, and if you send the enclosed application to me at the American Saint Hill Organization in Los Angeles, you will be sent your Hubbard Book Auditor's Certificate without charge.

The Book Auditor is our oldest auditor. Book auditors existed long before any other kind.

And every auditor begins as a Book Auditor.

Lately in all the rush and scurry to reach the top technically, we have neglected my favorite friend, the Book Auditor.

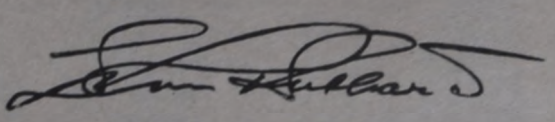

I have always appreciated and admired the Book Auditor for he has to have nerve and guts to begin and carry on with only a bit of faith and hope.

And as we grow, I surely don't want to forget this friend.

It is the first real stepping stone.

One reads a book and applies it. And suddenly one finds he can change someone or improve the environment and one is on his or her way.

We can't build a better world without the Book Auditor.

STANDARD TECHNOLOGY

by L. Ron Hubbard

Where we have made the breakthrough in Scientology and where we have made progress, we have done so in accomplishing the goals which Man has had as long as he has been Man. What he has considered good and what he has considered desirable in the field of philosophy, we have accomplished technically. We have now arrived in Scientology at a point where Man should have been for the last five thousand years. We have the technology to handle all the factors of life.

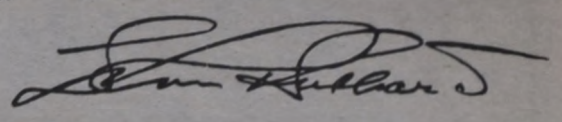

There is one technology and that is Standard Technology. You are in a very fortunate position of not having to develop the technology of auditing. The test of a good auditor is when he has learned this. He uses the tools he's got and he uses them very well. The bad auditor doesn't know these things. He thinks that there are a thousand ways to audit and that he's got to dream up the thousand and first one, right in the middle of the session. We are teaching the right way to audit. We are teaching Standard Technology.

Today we have all the technical materials. There's a tremendous amount of understanding involved here. There are millions of words written on the subject of auditing technology. If an auditor realizes how much he knows, at length, he's pretty staggered. There has never been this technology which handles the basic rules of life itself and brings order out of chaos.

Scientology auditors are dedicated and sincere in getting this job done. There has never been a more sincere group on the face of the Earth than those who are in the ranks of Scientology auditors. We wouldn't have started on auditing if we weren't good people and wanted to help our fellow man. We are the first people to appear on Earth since its first solidification out of nebulous vaporings who can get the job done and who know what we are doing.

The very truth that we know, its simplicity and ease of grasp, the very honesty with which we approach our task, are probably the largest barriers we have to overcome. Man has been defrauded so often, persuaded so wrongly, and has returned to the same old rut so inevitably and in such a defeated frame of mind that he is not able to grasp easily the firm and friendly hand of the auditor which is being reached out to him.

It will take many more auditors to achieve our aims but we know what we are doing and we will do it. We have the technology. We have the answers.

Dianetics: The Evolution of a Science

by L. Ron Hubbard

This basic book is a fascinating exposition of the Dianetic breakthrough on the subject of the anatomy of the human mind, and will tell you how it works, what happens to it under stress, shock, pain or unconsciousness, and the basic single answer to the resolution of its aberration by Dianetic methods.

L. Ron Hubbard writes:

"In a lifetime of wandering around many strange things had been observed. The medicine man of the Goldi people of Manchuria, the Shamans of North Borneo, Sioux medicine men, the cults of Los Angeles, and modern psychology. Amongst the people questioned about existence were a magician whose ancestors served in the court of Kublai Kahn and a Hindu who could hypnotize cats. Dabbles had been made in mysticism, data had been studied from mythology to spiritualism. Odds and ends like these, countless odds and ends.

Everybody and everything seemed to have a scrap of the answer. The cults of all the ages, of all the world seem, each one, to contain a fragment of the truth. How do we gather and assemble the fragments? Or do we give up this nearly impossible task and begin postulating our own answers?

Well, this is the story of how Dianetics was built."

THE COURSE THAT TEACHES THE BASIC BOOKS

EXTENSION COURSE FOR EVERYONE

by L. Ron Hubbard

Who is supposed to do an Extension Course? Everyone.

Old timers, new people, professional students, beginning course students, everyone can have some fun and case gain with an Extension Course.

The course is done by mail. It costs so very little it is really a pubilc service.

I designed the course to search out the most important things in Dianetics and Scientology and to increase familiarity with them.

The course is in four sections, each lettered, each covering a specific book.

When enrolling, Section A is mailed at once. It consists of twenty lessons based on Dianetics: The Modern Science of Mental Health. Each lesson has eight questions from the text. You will be amazed how modern Book One looks seen through the Extension Course.

The cost is small – only $5.00. No discounts. Each week or oftener you do one lesson on your own paper and mail it to the Extension Course officer. It is corrected and mailed back, but meanwhile you do the next lesson.

When you have finished Section A, Section B will be sent to you at once – and so on.

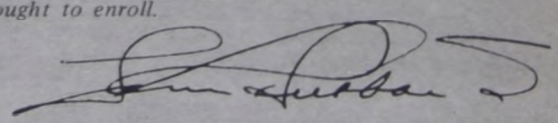

Theory and practice alike are covered in the course.

It is not just a "correspondence course". I waited for years to put out a really informative course until I knew we have the know-how. We do now. So it's time to enroll.

Enrollment commits you to nothing but some study and fun.

Here's the data on the mind all ready to be viewed by careful summary of all texts.

The Extension Course is for everyone. So that means you ought to enroll.

To sign up for the Extension Course write to: The Extension Course Officer. Address of your local Organization listed on the back page.

THE BASIC BOOK IS BORN

Why I Wrote Dianetics, The Modern Science of Mental Health

by L. Ron Hubbard

Do you know why the first book DIANETICS, THE MODERN SCIENCE OF MENTAL HEALTH was written?

Word of mouth on Dianetics was going forward so rapidly that my letter volume, even before the first book, was startling. Each one of these people expected me either to write them a long letter and tell them what it was all about, or to be given a chance to come and see me so that I could tell them personally what it was all about.

In other words, my time was going to be consumed, not in further research, but in writing letters and talking to people. My answer to this was to write DIANETICS, THE MODERN SCIENCE OF MENTAL HEALTH which rapidly informed the newly interested person what this science was all about.

The newly interested person must have an opportunity to go and sit down quietly by himself, without any social strain, and study a book on the subject. Only in this way will he come to a decision about the subject which is his own independent decision having inspected the materials. This has to be done quietly and it is best done through the pages of a book.

If you have questions about Dianetics and Scientology, no matter how obstruse or abstruse the questions are, your best answer to these questions was my earliest answer and that was - "Read DIANETICS, THE MODERN SCIENCE OF MENTAL HEALTH, and that will answer your questions."

Most of the world does not yet know anything about the reactive mind. They do not know what makes them tick. They have no concept whatsoever of the basic of human reaction. They are at war with one another. They follow strange leaders and wind up in strange places. They have no hope that anything will dig them out.

But we have made a break-through in Dianetics and Scientology. The exact moment of the break-through is recorded at public level with DIANETICS, THE MODERN SCIENCE OF MENTAL HEALTH.

The newly interested person should read this book as something new, startling and strange in the world. It forms the necessary bridge from knowing nothing to knowing something about the mind and human reaction.

If people do not read this book, they will just not have broken through.

It is an exciting book.

To this day it sells more copies around the world than the average best seller.

Read it.

Get your friends to read it.

And let's get going.

Get Trained on Standard Technology

The know-how, disciplines and definite skills taught in an Academy of Scientology can be matched nowhere in the world.

As a student in an Academy of Scientology you will learn to perform the precise actions and skills which easily enable you to free people from the traps of life.

Academy Training is where you learn to fully apply and put into use all the materials contained in the Basic Books of Scientology. Students study many books on course and here you will align this vital material with the Standard Technology at each Academy Level in order to produce a definite result. The skills you will attain as an Auditor will make you one of the most valuable beings in this universe. As a trained graduate from an Academy of Scientology you will be expert in the field of communication and human relations.

Here is what L. Ron Hubbard has to say about the value of training:

"It is proven that a person who is technically trained in Scientology is much more able to handle work and personnel than an untrained individual. How can people handle life if they have no expert knowledge of how to handle life? A housewife who does not have professional level skill in Scientology could not expect to run a wholly successful family or keep order in her neighborhood and keep her family well. A factory foreman could not possibly handle his crews with full effectiveness without training in Scientology skills. The personal assistant to a corporation executive could not do a fully effective job without being a trained Scientologist. A corporation president without a certificate will someday fail. If you think that a trained Scientologist is someone who only audits then you have a very limited view of Scientology. The trained Scientologists is today's cause point in an embattled world."

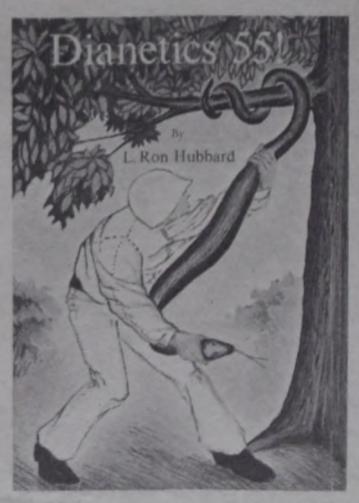

You may want to become a true professional Auditor and work full time freeing your fellow man; or you just may want to improve your ability to handle life in your chosen sphere. Whichever it is, Scientology Training is your route to greatly increased competence and ability and the way to achieve your aims.

Each level of Academy Training teaches you exact and definite skills. There are no prerequisite courses necessary for Academy Training, except the Student Hat Course available at your local org.

The five levels of Academy Training cost $250.00 per level. Buy the entire Training Package for $1,000.00 and save $250.00.

For enrollment forms or more information contact the Registrar of your local Organization Immediately. See Addresses listed on the back page.

Success with Basic Books

One night in early '68 I visited a friend who let me read [redacted] book called "Fundamentals of Thought." I discovered the cycle of action - [redacted] traveled 600 miles to my nearest Org. I got audited and trained - and now I'm auditing Power here at ASHO. It was just that easy (though not quite that fast).

Ron Dennis

When I was first introduced into Scientology I was not totally convinced. When my terminal handed me that book – what a book! Dianetics – I read it in two days. Three days later I was on the Communication Course and in six months on Solo.

If I hadn't had the book I wouldn't be here. Thank you, Ron.

Claudia Petscheck

The first Scientology book I read was "Fundamentals of Thought." At the time I had just quit school basically because I had difficulty with Study. After reading just this one book I found study to be extremely easy.

Wally Stokes

I've read Scientology – "A New Slant on Life". I've been applying the two rules of happy living. 1) Be able to experience anything and 2) Cause only those things which others can experience easily. My life has been so much easier by applying these two rules that it was silly not to have done so earlier. A lot of worry and problems just seem to vanish when I apply these two rules. I keep my cool and can experience a heck of a lot more than I ever could. Not only that, but I can experience twice as much enjoyment than I ever could before. I'm happy about 90% of the time, the other 10% is whenever I'm not applying these two rules. As long as I'm applying these rules, I'll always be happy and that's fine.

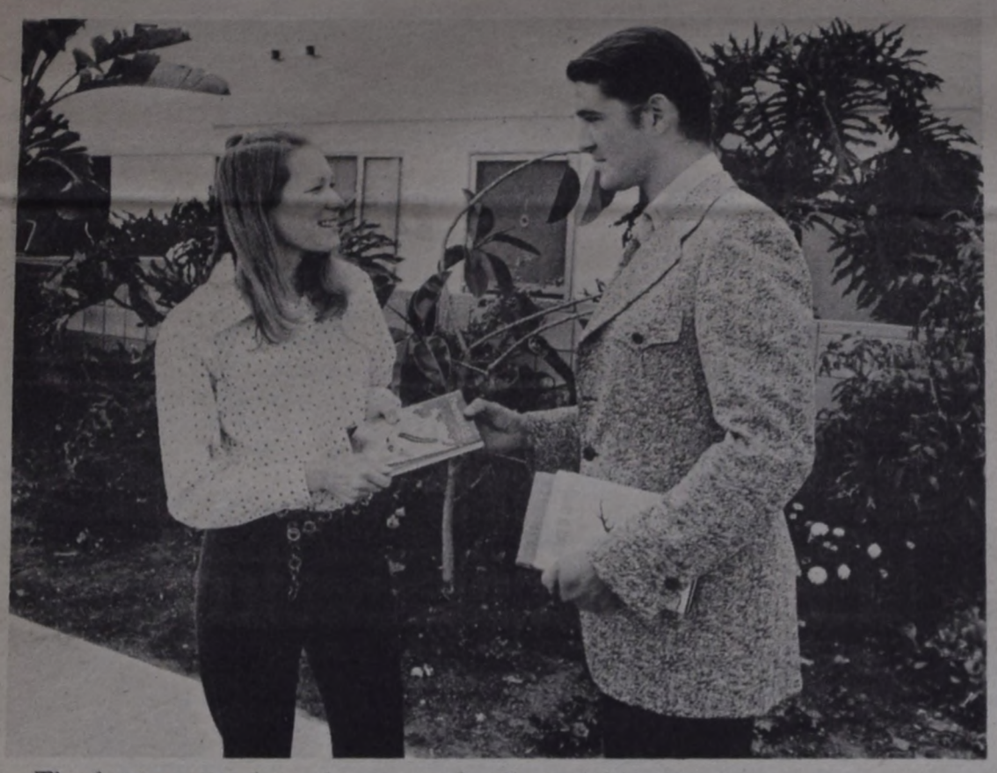

Bob Heywood

Perhaps one of the most stable gains I've ever had in Scientology is reading Ron's books. This has been my main stable datum in Scientology. Before I begin my day I enjoy picking up a book just casually going through the pages until I find something fitting.

Often I use, "When In Doubt Communicate" to find a quote taken out of one of Ron's books. Then proceed to pick up that book and read it. After doing so I really feel more able to align data.

Lunch time or during a break I love just taking a book by Ron and leafing through it. It's so much fun to have Ron's technology for me to look at and explore. Its just delightful.

Christine Hucker

The best way to introduce your family and friends to Scientology is to get them to read a Basic Scientology Book by L. Ron Hubbard.

CLEAR

The Dream of Man Attained

A Clear is a being who can be at cause knowingly and at will over Mental Matter, Energy, Space and Time, as regards survival for self.

As a Clear you will be free of those things which are preventing you from being yourself. You will have greatly increased IQ, apptitude, reaction time, awareness and zest for life.

For more than 2,500 years, Man has dreamed of this goal. *Now the attainment of it is here for you to have.*

The state of Clear is achieved by erasing the Reactive Mind. The Reactive Mind is that portion of your mind which works on a stimulus-response basis which is not under your volitional control and which exerts force and the power of command over your awareness, purposes, thoughts, body and actions.

It contains false purposes and makes you lose your own Basic Purpose. The Reactive Mind does not and has never served any survival purpose. Clearing finally erases it, and one achieves in reality a Freedom only hoped for and dreamed of in the past.

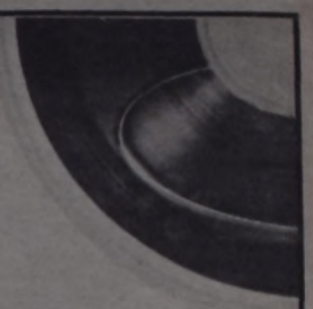

Personal Certainty lies at Clear. The Certainty to BE. The Certainty of KNOWING.

The only prerequisites for the Clearing Course are Scientology Processing up to Grade VI Release.
