THE AUDITOR special issue

THE MONTHLY JOURNAL OF SCIENTOLOGY

THE NEW ASHO

The New American Saint Hill Organization has been established! Flag has intervened to establish a NEW ASHO, to better service you and train the vast quantities of Auditors needed to free the beings of this planet.

A special team of highly trained Auditors, Course Supervisors, and Administrators have been personally appointed by Ron to establish NEW ASHO. Their purpose is to handle U.S. Cases.

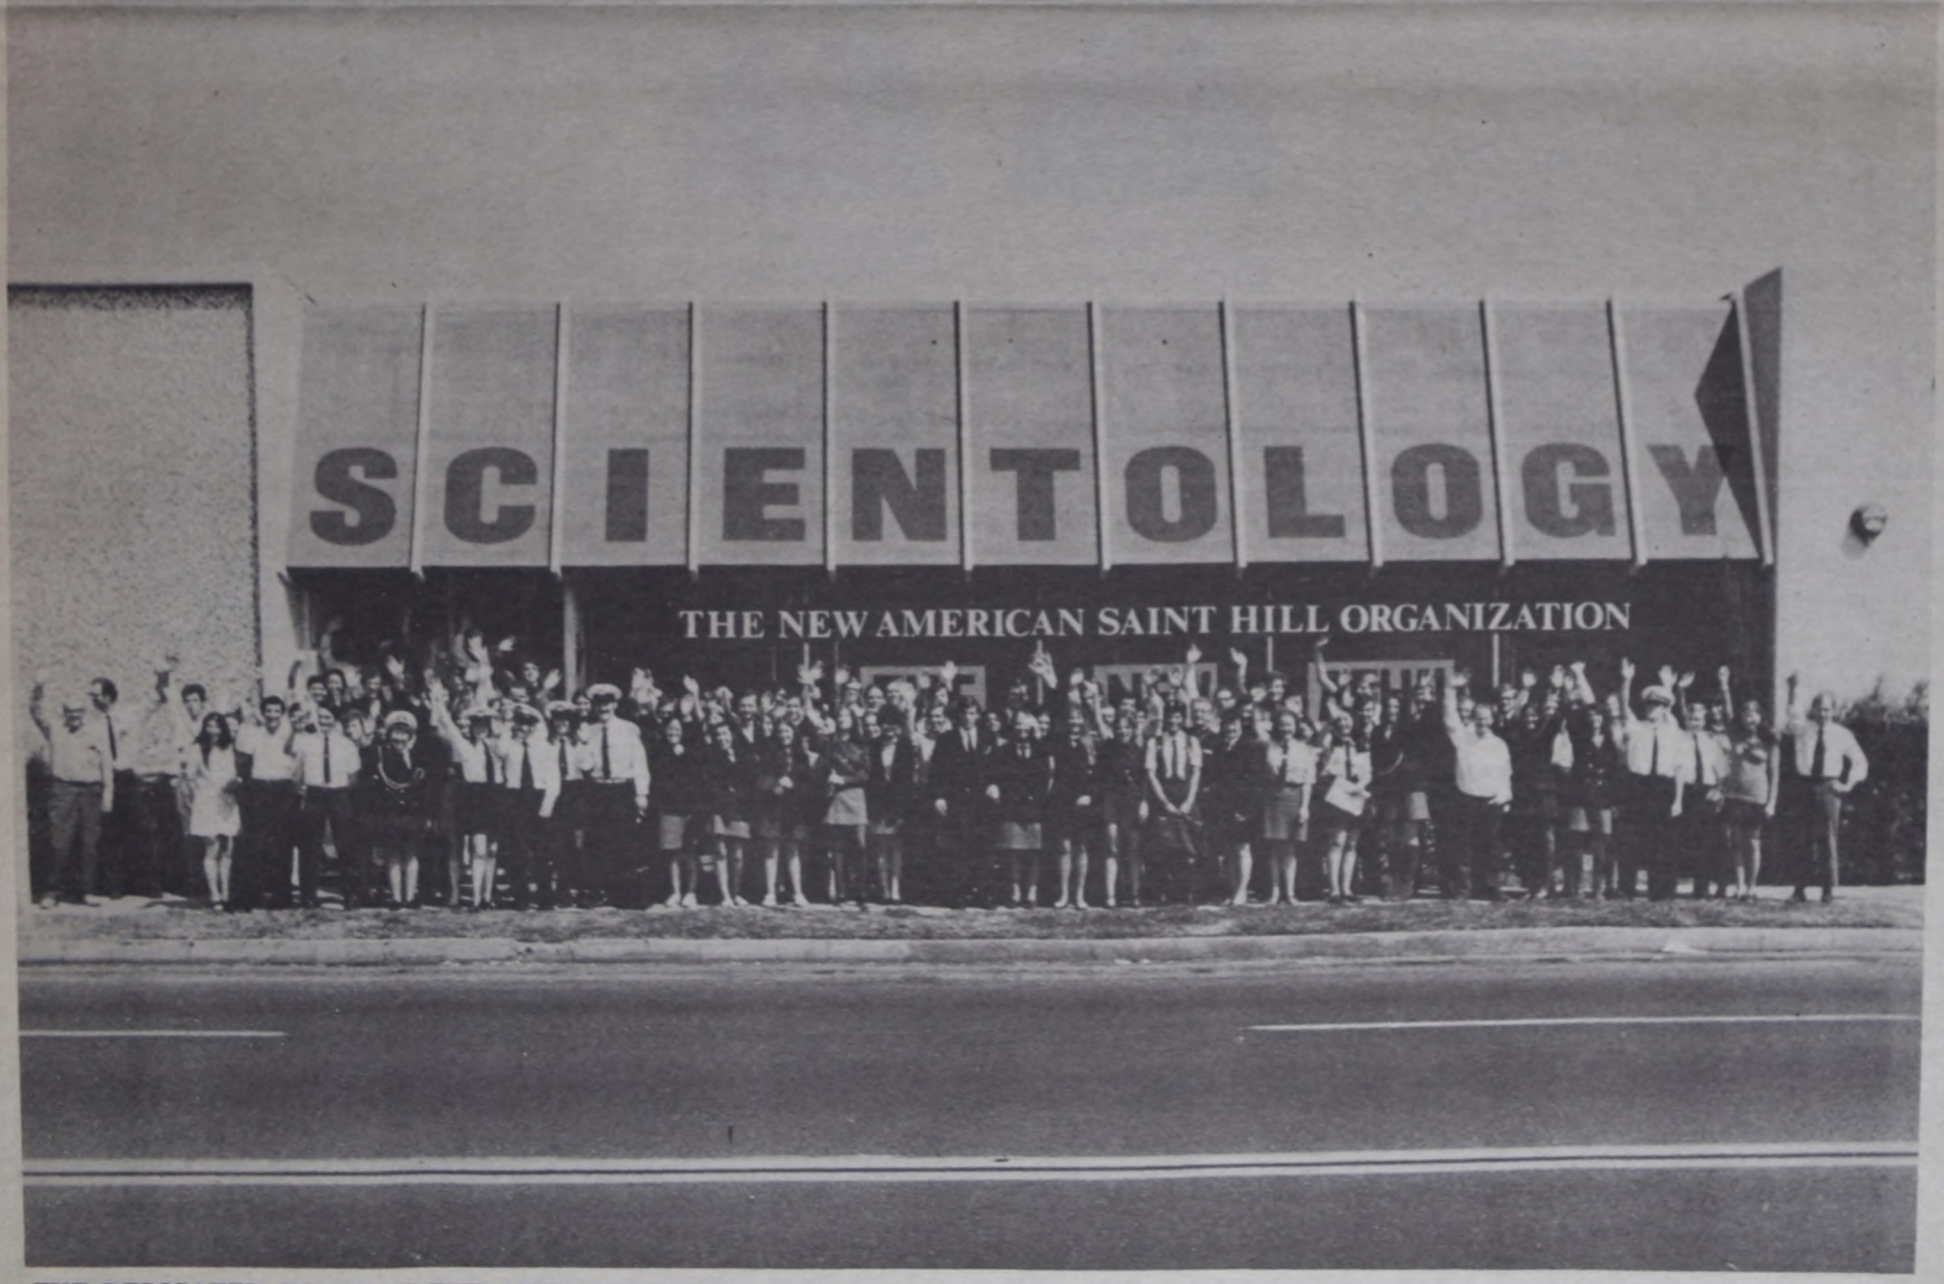

The amount of auditing by the technically trained staff at ASHO necessary to handle U.S. cases is a pretty staggering figure. The task has never before been undertaken by any group-ever! This is not a light statement by any means. It's Ron's intention that each Scientologist be satisfied with their case results at ASHO. This means dreams come true for each Scientologist who comes to NEW ASHO. Combined with the existing staff at the American Saint Hill Organization, this team is actively expanding the NEW ASHO to handle the tremendous flow expected.

Not only will you find friendly service and a team of star technical personnel, but ASHO itself has new courses. These include: the famous Tours Course, the Public Relations Officer Course, the Hubbard Professional Course Supervisors Course, the Org Executive Course, (a new checksheet - taught only at the NEW ASHO) the Sea Org Executive Cramming Course, and the Mini Word Clearing Course.

These exciting additions of courses at NEW ASHO are to get public and org staffs trained to provide an even safer space for you in your area or org.

While maintaining the superb training on the Saint Hill Special Briefing Course, Class VII C/S Internship and lower level training courses, the technical staff at the NEW ASHO are skyrocketing preclear wins with flubless precision delivery.

NEW ASHO is buzzing with the excitement of a new era - one of honest, friendly service Ron has asked to let everyone know U. S. Cases will be handled. Ron intends that when you come to NEW ASHO, you will get what you came for!

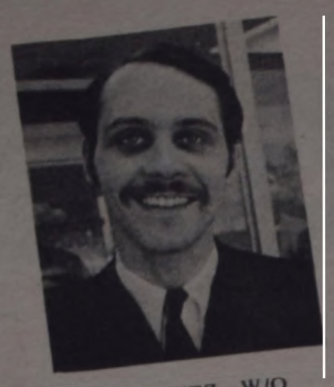

THE DEDICATED STAFF OF THE AMERICAN SAINT HILL ORGANIZATION STAND OUTSIDE TO WELCOME YOU TO RON'S NEW ASHO.

BOOK SUCCESS

A dispute arose between the large Corporation for which I worked, and a potential multi-million dollar contract customer. Both sides were unwilling to communicate to solve the difficulty.

I applied what I knew of Scientology from the books by L. Ron Hubbard and personally kept in communication with both parties concerned. While maintaining two-way communication and acknowledgments I located the cause of the misunderstanding.

Bringing both parties together, I monitored their communication, getting each to fully define what they meant. Within a few minutes the whole problem blew and the potential customer signed the contract (and in fact increased it) and entered into business with the corporation to the full satisfaction of both parties.

It is interesting to note that the misunderstanding was traced back to one misunderstood word, standardization!

YOU AS AN AUDITOR

by L. Ron Hubbard

Scientology can and does change human behaviour for the better. Anybody who wants to help his fellow man can become an auditor. (An auditor is a person trained and qualified in applying Scientology processes to others for their betterment.)

An auditor is essentially a technician. Existing techniques are tools. Any tool requires intelligent handling and a deftness in application. To use any tool, whether it be a stone axe or a Geiger counter, a person must acquire confidence in himself, in his tools, in his attitude toward the preclear and in the results he means and determines to achieve. (Preclear: A person who, through Scientology processing, is finding out more about himself and life).

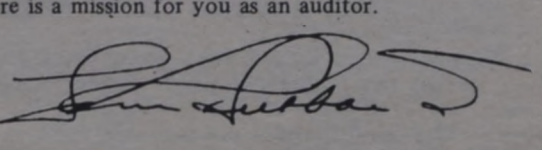

When you, as an auditor, accomplish your mission with a single preclear, you increase your confidence and your general ability.

Sometime between the first moment you decide to be an auditor and your first major success, you have question marks. You have lots of question marks. But you have to start somewhere. Even a trapeze artist had to start somewhere. Now for anybody who wants to be an auditor, the thing for him to do is start—and just face bluntly the fact that he's going to make mistakes, and maybe fall flat on his face and then all of a sudden he's going to be auditing with the greatest of ease.

As an auditor, you can do something about life. You can confront it and have a much wider, broader view of life and people.

Today, the mysteries of life are not, with Scientology, mysterious. We're using the technology for which Man, even in his cruelty and blindness, searched for eons. And we must get it out and use it. What we have got to face up to now, is the fact that our expansion will be an accelerating expansion. So it's my responsibility to make the best auditors I can make.

We have learned a tremendous amount about auditing. Today, we have the technical materials. We are making our way, all the way. Now we must not stop. It is time Man grew up. That is what we have in mind. You know we are a potent force on Earth. Indeed the only force that is doing something about it. We weren't effectively prevented from attaining our knowledge—the hard part of the journey. Now we cannot be prevented from applying it. We can take the individual and raise him. Thus we can raise the whole. So there is a mission for you as an auditor.

The Saint Hill Special Briefing Course originated in England where L. Ron Hubbard supervised the first Special Briefing Course in his home at Saint Hill Manor. The modern version of the Special Briefing Course is now taught at the American Saint Hill Organization in Los Angeles, and is the most comprehensive auditor training course in Scientology today.

You will achieve the abilities necessary to be a totally competent auditor who can and will audit, and attain the understanding and skills needed to fully handle life and your environment through training on the Saint Hill Special Briefing Course.

An Auditor is a minister and auditing is spiritual counseling.

The course takes an average of 3 months to complete, and consists of seven separate stages of training where definite and exact auditing skills are learned.

You will not be auditing others at the beginning portions of the course. While you are studying at these levels however, you will be receiving all the fabulous processes of the Expanded Grades which will be given to you by an experienced and advanced student. This makes a very economical way for you to get lots of auditing while getting trained.

At Level V you actually start to administer the technology studied and you deliver auditing daily to lower level students for training and Classification requirements. Recording equipment is used to tape student sessions for their own criticism, and tapes by professional auditors are available for the student for comparison. Closed Circuit TV Demonstrations of live auditing sessions make up a vital part of the Saint Hill Special Briefing Course Training. These are viewed by the whole class. They train the student in auditor PRESENCE, and polish up his skills tremendously.

After achieving all your Expanded Grades of auditing (or just as a Grade IV Release) you will be ready for Power Processing. This phenomenal technology is administered by precision Class VII auditors in the Hubbard Guidance Center at American Saint Hill Organization. And as a special benefit a unique 50% professional discount on Power Processing (a saving of $600.00) is given to the student on the Saint Hill Special Briefing Course.

Very advanced materials are studied on Level VI, where one learns to Solo audit himself to a Grade VI Release, attaining a return of power to act on own determinism and freedom from dramatization. Then on to Clear.

If the Student Hat Course isn't done prior to your arrival at NEW ASHO it is offered here. The Student Hat Course trains you in the vital and fundamental skills of Scientology study methods. It is usually done within one week. Price: $125.00.

The tuition fee for the Saint Hill Special Briefing Course is $775.00. Plus you pay $1,000.00 additional if you have not taken full Academy training. Payments made for Academy training are discounted from this additional $1,000.00.

A special $125.00 scholarship exists for Class IV auditors who have completed this Academy training making their full tuition fee only $650.00.

A 5% discount is given for payment well in advance of arrival.

GO CLEAR AT AOLA

A Clear is a being who can be at cause knowingly and at will over Mental Matter, Energy, Space and Time, as regards survival for self.

As a Clear you will be free of those things which are preventing you from being yourself. You will have greatly increased IQ, aptitude, reaction time, awareness and zest for life.

The state of Clear is achieved by erasing the Reactive Mind. The Reactive Mind is that portion of your mind which works on a stimulus-response basis which is not under your volitional control and which exerts force and the power of command over your awareness, purposes, thoughts, body and actions. The Reactive Mind does not and has never served any survival purpose. Clearing finally erases it, and one achieves in reality a Freedom only hoped for and dreamed of in the past.

The only prerequisites for the Clearing Course are the Student Hat Course and being a Grade VI Release.

PRICE: $800.00. Advance payment gives a 5% discounted price of $760.00.
