MISUNDERSTOOD WORDS

The Barriers to Study

By L. Ron Hubbard

Whenever a person has a confused idea of something or believes there is some conflict of ideas, IT IS ALWAYS TRUE THAT A MISUNDERSTOOD WORD EXISTS AT THE BOTTOM OF THAT CONFUSION.

AT THE BOTTOM OF ALL ALTERATION OF MEANING OR ACTION IS A MISUNDERSTOOD WORD.

STUPIDITY IS THE EFFECT OF MISUNDERSTOOD WORDS.

The misunderstood word is the make up of human relations, the mind and subjects. It establishes aptitude and lack of aptitude and its what psychologists have been trying to test for years without recognizing what it was. It's the definitions of words, the misunderstood word. That's all it goes back to and it produces such a vast panorama of mental effects that it, itself, is the prime factor involved with stupidity and the prime factor involved with many other things. The basic law that "at the bottom of all alteration of meaning or action is the misunderstood word" at once explains why communication, ideas or application become falsified, twisted and corrupted.

Certain physiological reactions are brought about through a misunderstood word. It gives one a distinctly blank or a washed out feeling. A not-there feeling and a sort of hysteria will follow in the back of that. Also, the manifestation of "blow" (Blow: a colloquialism for a sudden departure. It is usually used to describe either the sudden dissipation of mass in the mind with an accompanying feeling of relief, or someone leaving, ceasing to be where he should really be, or just ceasing to be audited) stems from a misunderstood word.

If a person didn't have misunderstood words, his talent might or might not be present but his doingness would be present. We can't say that Joe would paint as well as Bill if both were unaberrated in the field of art, but we can say that the inability of Joe to do the motions of painting is dependent exclusively and only upon definitions.

There is some word in the field of art that the person who is inept didn't define or understand and that is followed by an inability to act in the field of arts. It is very important because it tells you what happens to doingness and that the restoration of doingness depends only upon the restoration of understanding of the misunderstood word.

SIMPLE WORDS

You might suppose at once that it is the BIG words or the technical words which are most misunderstood. This is NOT the case. On actual test, it was English, simple words and NOT Dianetics and Scientology words which prevented understanding.

Words like "a", "the", "such" and other "everybody knows" words show up with great frequency when doing a Method 2 Word Clearing.

It is almost incredible to see that a university graduate has gone through years and years of study of complex subjects and yet does not know what "or" or "an" means. It has to be seen to be believed. Yet, when cleaned up, his whole education turns from a solid mass of question marks to a clean useful view.

A test of school children in Johannesburg once showed that intelligence DECREASED with each new year of school. The answer to the puzzle was simply that each year they added a few dozen more crushing misunderstood words onto an already confused vocabulary that no one ever got them to look up.

The subject of Psychology began its texts by saying they did not know what the word means. So the subject itself never arrived. Professor Wundt of Leipzig University in 1879 perverted the item. It really means just "a study (ology) of the soul (psyche)" But Wundt, working under the eye of Bismarck, the greatest of German military Fascists, at the height of German war ambitions, has to deny man had a soul. So there went the subject. Men were, thereafter, animals (it is all right to kill animals) and Man had no soul, so the word psychology could no longer be defined.

THE EARLIEST MISUNDERSTOOD WORD IN A SUBJECT IS THE KEY TO LATER MISUNDERSTOOD WORDS IN THAT SUBJECT.

Then comes words like "a", "the", and other simple English words as the next words that read. (Read: a reaction which occurs on an Electro Meter when an auditor is doing Word Clearing.)

In studying a foreign language it is often found that the grammer words of one's own language that tell about the grammer in the foreign language are basic to not being able to learn the foreign language.

STRANGE IDEAS

Every green body of students will argue and fuss about ideas or confusions in the directions or material they are given to read.

They will generate weird ideas and erroneous concepts of what the text says. They do wrong things and say the text said to. They ask strange ideas of their instructions. They clamour for "clarification".

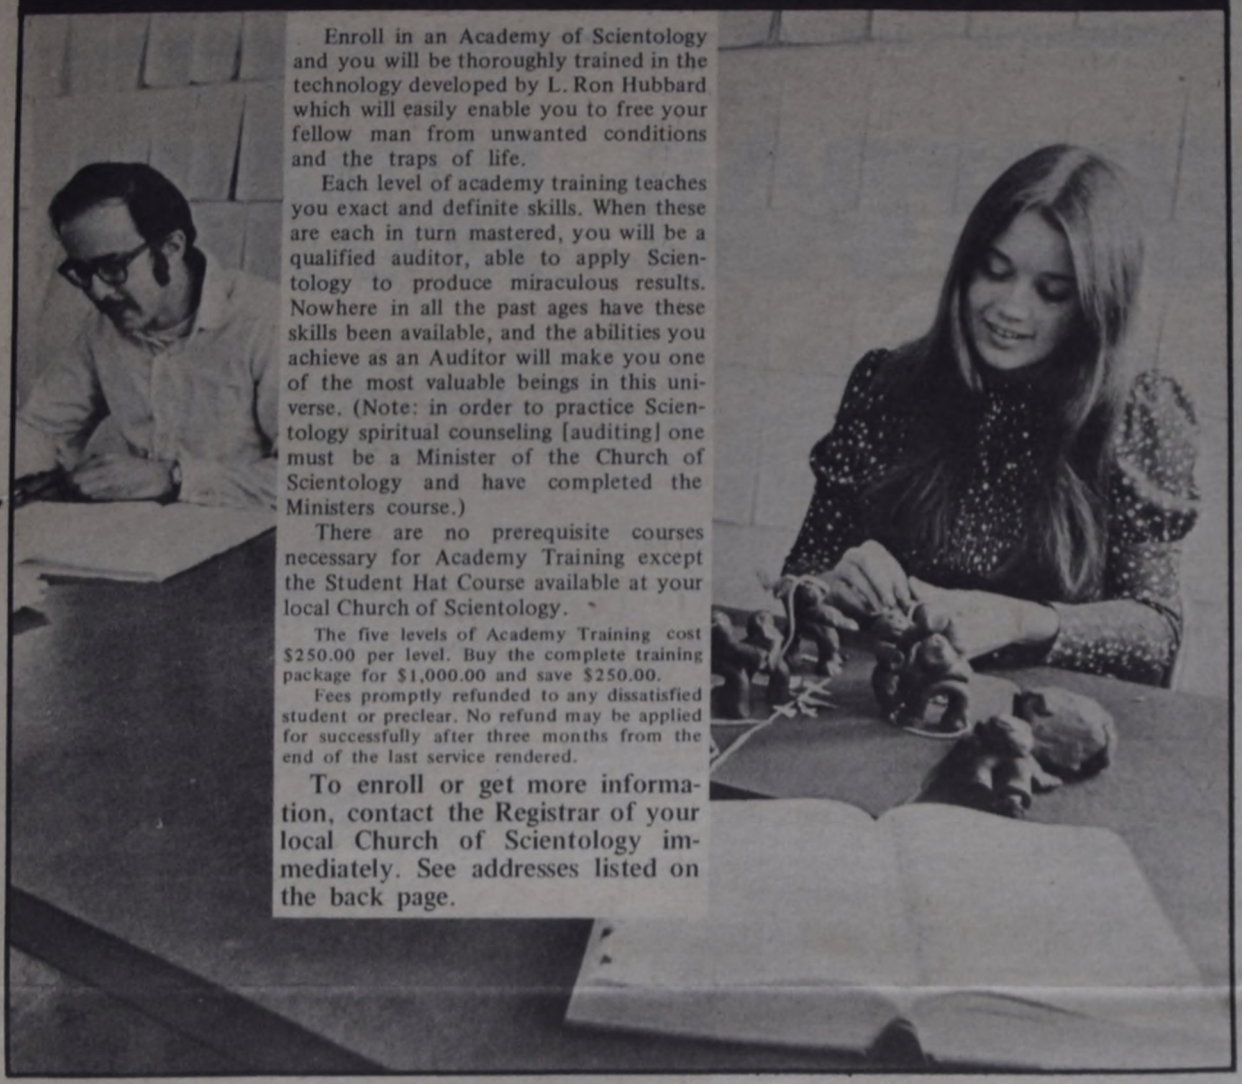

AND AT THE BOTTOM OF ALL THIS IS MISUNDERSTOOD WORDS.

There is not also misunderstood ideas. There is only the misunderstood word which breeds, then, huge towering wrong ideas.

A MISUNDERSTOOD WORD BREEDS STRANGE IDEAS.

UNDERSTAND THESE WORDS

ABERRATION - Irrational or deranged behaviour or thought on, or about, a specific subject or subjects resulting from the influence of the Reactive Mind upon the individual in relationship to that subject or subjects.

ACADEMY - Refers to the Academy of Scientology where training on Dianetics and Scientology levels are delivered. Each Church of Scientology has an Academy.

ARC - A word made from the initial letters of Affinity, Reality and Communication which together equate to understanding. (These are the three things necessary to the understanding of something - one has to have some affinity for it, it has to be real to him to some degree and he needs some communication with it before he can understand it.)

ASSESSMENT: Reading down a list to find out which item on the list reacts more than the other items on the list, on a meter.

AUDITING - the application (by a trained Auditor or Scientology Minister of Scientology) of Dianetics or Scientology procedures to someone for that person's remarkable betterment.

AUDITING SESSION - A precise period of time during which an auditor audits a preclear.

AUDITOR - A Scientology Minister, a pastoral counselor who listens carefully to what people have to say. An auditor is a person trained and qualified in applying Scientology processes to others for their betterment.

BASIC - The first incident, such as an engram or overt act, of a chain of similar incidents.

BLOWING - A colloquialism for a sudden departure. It is usually used to describe either the sudden dissipation of mass in the mind with an accompanying feeling of relief, or someone leaving, ceasing to be where he should really be, or just ceasing to be audited.

CASE - The way a person responds to the world around him by reason of his aberrations.

CASE GAIN - The improvements and resurgences a person experiences from auditing.

CHAIN - A succession of incidents, occuring at various intervals along the time track, that are related to one another by some similarity of either subject, general location, people, or perception. Such a succession of similar incidents may span a brief period or a very long period of time.

CLASS - CLASSIFICATION - a gradient classification system for auditor levels. Levels so far released are numbered from O to IX.

CLEAR - a person who can be at cause knowingly and at will over mental matter, energy, space and time as regards the First Dynamic (survival for self). The state of Clear is above the Grades of Release O - VI (all of which are prerequisite to Clearing) and is attained by completion of the Clearing Course at an Advanced Organization.

DIANETICS - means through thought or mind.

DRAMATIZATION - Thinking or acting in a manner that is dictated by masses or significances contained in the Reactive Mind. When dramatizing, the individual is like an actor playing his dictated part and going through a whole series of irrational actions.

DYNAMIC - the urge, thrust and purpose of life - SURVIVE - in its eight manifestations.

E-METER - the Hubbard Electrometer is a religious artifact, used as a spiritual guide in Church confessional process, and is not intended, effective or ever to be used for attempted diagnosis, treatment or prevention of disease. The E-Meter measures the mental state of a person and the change in that mental state as a result of Scientology or Dianetic processing.

EXPANDED GRADES - The Grades of Scientology auditing from O - to IV.

EXTERIORIZATION - The state of the thetan being outside his body. When this is done, the person achieves a certainty that he is himself and not his body.

F/N - FREE NEEDLE (FLOATING NEEDLE) - This is a needle manifestation of the E-Meter of great importance, as it indicates the preclear has reached a state of Release and is the end point of any process. A free needle moves in an idle uninfluenced motion. It appears to float.

FSM - Field Staff Member.

PRECLEAR - PC - one who is finding out more about himself and Life through Scientology or Dianetic Processing and who is not yet "Clear".

PROCESSING - that action or actions, governed by the technical disciplines and codes of Scientology, of administering to a preclear a PROCESS, which is a set of questions asked by an auditor to help a person find out things about himself or life.

SCIENTOLOGY - an applied religious philosophy, dealing with the study of knowledge, which, through the application of its technology, can bring about desirable changes in the conditions of life.

TECH - TECHNOLOGY - The methods of application of an art or science as opposed to mere knowledge of the Science or art itself.

WORD CLEARING - A process by which all a persons misunderstoods get cleared up.

WORD CLEARING

by L. Ron Hubbard

We now have the technology to handle the misunderstood word. Word Clearing Technology is here.

Word Clearing Technology is a vital technology. IT IS VITAL TO ALL SUCCESSFUL STUDY. IT IS SPEEDING UP TRAINING AND MAKING IT BETTER IN ACADEMIES AND AT SAINT HILLS.

There are three methods of Word Clearing:

Method I is done on a meter in session.* A full assessment* of many many subjects is done. The auditor takes each reading subject and clears the chain* back to earlier words and/or words in earlier subjects until he gets the required result.

Method 2 is done on the meter in the classroom. The earlier passage is read by the student while on a meter and the misunderstood word is found and fully defined by dictionary. The word is used several times in sentences of the student's own verbal composing.

Method 3 is verbal in the classroom, The student says he does not understand something. The Supervisor has him look earlier in the text for a misunderstood word, gets the student to look it up, use it verbally several times in sentences of his own composition, then read the text that contained it. He then comes forward in the text to the area of the subject he did not understand.

Word Clearing is wholly unlimited. If Method I is done on Monday, it can be done again, same actions, same list assessed, same items left on the list, on Tuesday and Wednesday and Thursday. The only change would be to add some subjects if one wishes. But even that isn't vital.

A Preclear* has spoken millions of languages. The End Phenomena is not "He was word Cleared once". The End Phenomena would be a persistent floating needle* on the whole list.

Who knows what Word Clearing will lay bare in other languages or when one will attain the End Phenomena forever?

In Word Clearing, we are dealing with the whole range of the Human Mind.

Word Clearing IS a precision technology and there IS something to know about it as it has never before been known.

* See definitions on page 2.

METHOD 1

Method I can only be done by a Class III Auditor or above. The auditor calls off the names of subjects from a list to find out which reacts more than others obtaining pinpoint precision with the use of the E-Meter.

A subject is found and any misunderstood words are looked up and finally understood, going back to the earliest one. (Sometimes the misunderstood is in an earlier subject.) The skillful guidance of a trained auditor helps the person find these misunderstoods and clear them up.

The result of clearing up misunderstood words in a subject can be quite spectacular! Method I is complete when all the subjects on the list (and any added by the person) have all reached a Floating Needle on the E-Meter. The person is cleared of misunderstood words, and a far-reaching new freedom is achieved.

METHOD 2

Method 2 is now being done on all Scientology training courses. If a student gets in trouble with his study materials, the Professional Course Supervisor helps the student locate the misunderstood word or words, then look them up and use them in sentences of the students own until the student really connects with, and understands the meaning of the word. The material is then read over again.

With misunderstood words cleared up, understanding blooms and the flow of comprehension expands easily and rapidly.

METHOD 3

Method 3 is done verbally without the precision of an E-Meter, but is still very effective. A student having trouble in study is easily spotted by a Professional Course Supervisor. The area of difficulty is found, and earlier than that on the page, the student finds the misunderstood word.

The student then looks the word up in a dictionary and uses it in sentences of his own until he understands the word fully.

The material is read over again and now the student smoothly understands it! Study then becomes a great pleasure, with new skills and new abilities easily within the students reach.

A RECENT TELEX FROM L. RON HUBBARD STATED:

"IT IS INCREDIBLE. WORD CLEARING ON FIRST SCIENTOLOGY BOOK EVER READ AND WORD CLEARING ON MATERIALS OF AUDITING AS FIRST ACTIONS WILL RETURN ALMOST ANY AUDITOR TO AUDITING." L.R.H.

It takes competence to produce a Cleared Planet.

Get Trained on the Saint Hill Special Briefing Course.

You will learn the skills necessary to be a totally competent auditor who can and will audit, and in addition attain the understanding and abilities needed to fully handle life and your environment through your training on the Saint Hill Special Briefing Course.

WHAT IS THE SAINT HILL SPECIAL BRIEFING COURSE?

This famous course was originated in England where L. Ron Hubbard supervised the first Special Briefing Course personally in his home at Saint Hill Manor. It is the most comprehensive training course in Scientology today, different from any other Scientology training course just by sheer volume of materials taught. It trains a student in ALL the technical and philosophical data of Scientology up to Level VI, and results in a full understanding of the subject and extremely high skills for application. The modern version of the Special Briefing Course is streamlined and updated with all the very latest technical and philosophical advances by L. Ron Hubbard being taught.

FAST STUDY ABILITY

The course takes an average of three months to complete, and consists of seven separate levels of training where definite and exact auditing skills are mastered in their proper sequence.

Your production and progress in study will be tremendously speeded up with the New Word Clearing technology recently developed by L. Ron Hubbard to aid students to rapidly move along on Course. Misunderstood words are fully cleared up from course materials and, if necessary, earlier training subjects. The effect of clearing up these wrongly understood words is phenomenal. Whole subjects suddenly become easily understood by the student and study of the Saint Hill Special Briefing Course materials becomes very swift and accurate indeed. Added to this are skillfully trained Hubbard Professional Course Supervisors who will help make it very easy for you to get through the course.

AUDITING ON THE COURSE

You do not do any auditing at the beginning portions of the course. While you are studying at these levels however, you will be receiving all the fabulous processes of the Expanded Grades given to you by an experienced and advanced student. You will get lots of auditing while getting trained and achieve all the levels to Expanded Grade IV Release.

When a student reaches Level V he re-studies all the lower levels of material to obtain greater certainty on them. (All Dianetic materials are included at this level, along with special materials only given at this part of the course.) At Level V you actually start to administer the technology studied, and you deliver auditing daily to lower level students for training and Classification requirements.

Recording equipment is used to tape student sessions for their own criticism, and tapes by professional auditors are available for the student for comparison. Closed Circuit TV Demonstrations of live auditing sessions make up a vital part of the course. These are viewed by the whole class. They train the student in auditor PRESENCE, and aid greatly in perfecting your skills.

POWER PROCESSING DISCOUNT

As a Grade IV Release you are ready for Power Processing. This phenomenal technology is administered by precision Class VII auditors in the Hubbard Guidance Center at the New American Saint Hill Organization. As a special benefit, a unique 50% professional discount on Power Processing (a saving of $600.00) is given to the student on the Saint Hill Special Briefing Course.

SOLO AUDITING

Very advanced materials are studied on Level VI. At this level one learns to Solo audit himself. The final auditing requirement at this level is to Solo audit yourself to a Grade VI Release, attaining a return of power to act on your own determinism and freedom from dramatization. This achievement is only one level away from the State of Clear (a being who can be at cause, knowingly and at will, over mental matter, energy, space and time, as regards survival for self). As a Solo auditor, having gone through the Saint Hill Special Briefing Course, you will be highly skilled and ready to Solo audit yourself on the more advanced levels of Scientology, assured of having the best auditor you can get!

COURSE COMPLETION

Completing the Saint Hill Special Briefing Course you will receive the certificate of Hubbard Senior Scientologist, Class VI, and be a supurb auditor with full philosophic and technical command of materials to Level VI. Your ability to deliver the Expanded Grades of auditing to others on the Road to Clear will be an effective and effortless activity. With these invaluable skills, and your help, a completely Cleared Planet will be produced.

(In order to practice Scientology spiritual counseling (auditing) one must be a Minister of the Church of Scientology and have completed the Ministers Course.)

The only prerequisite to start the course is completion of the Student Hat Course which trains you in the vital and fundamental skills of Scientology Study Methods. This short course is available at the New American Saint Hill Organization and is usually done within one week. (Price: $125.00)

Tuition fee for the Saint Hill Special Briefing Course is $775.00, with a special $125.00 Scholarship reduction for Class IV auditors who have completed Academy training, making their full tuition fee only $650.00. If you have not taken any Academy training at all yet still want to start the course immediately and receive all the benefits of it, an additional $1,000.00 is added to the tuition. Payments for any partial Academy training are discounted from this $1,000.00. A 5% discount is given for payment sent well in advance.

Fees promptly refunded to any dissatisfied student or preclear. No refund may be applied for successfully after three months from the end of the last service rendered.

Introduction

TO THE SCIENTOLOGY DICTIONARY

by L.Ron Hubbard

One of the biggest barriers to learning a new subject is its nomenclature, meaning the set of terms used to describe the things it deals with. A subject must have accurate labels which have exact meanings before it can be understood and communicated.

If I were to describe parts of the body as "thingamabobs" and "whatsernames", we would all be in a confusion, so the accurate naming of something is a very important part of any field.

A student comes along and starts to study something and has a terrible time of it. Why? Because he or she not only has a lot of new principles and methods to learn, but a whole new language as well. Unless the student understands this, unless he or she realizes that one has to "know the words before one can sing the tune", he or she is not going to get very far in any field of study or endeavour.

Now I am going to give you an important datum:

The only reason a person gives up a study or becomes confused or unable to learn is because he or she has gone past a word that was not understood.

The confusion or inability to grasp or learn comes AFTER a word that the person did not have defined and understood.

Have you ever had the experience of coming to the end of a page and realizing you didn't know what you had read? Well, somewhere earlier on that page you went past a word that you had no definition for.

Here's an example. "It was found that when the crepuscule arrived the children were quieter and when it was not present, they were much livelier." You see what happens. You think you don't understand the whole idea, but the inability to understand came entirely from the one word you could not define, crepuscule which means twilight or darkness.

This datum about not going past an undefined word is the most important fact in the whole subject of study. Every subject you have taken up and abandoned had its words which you failed to get defined.

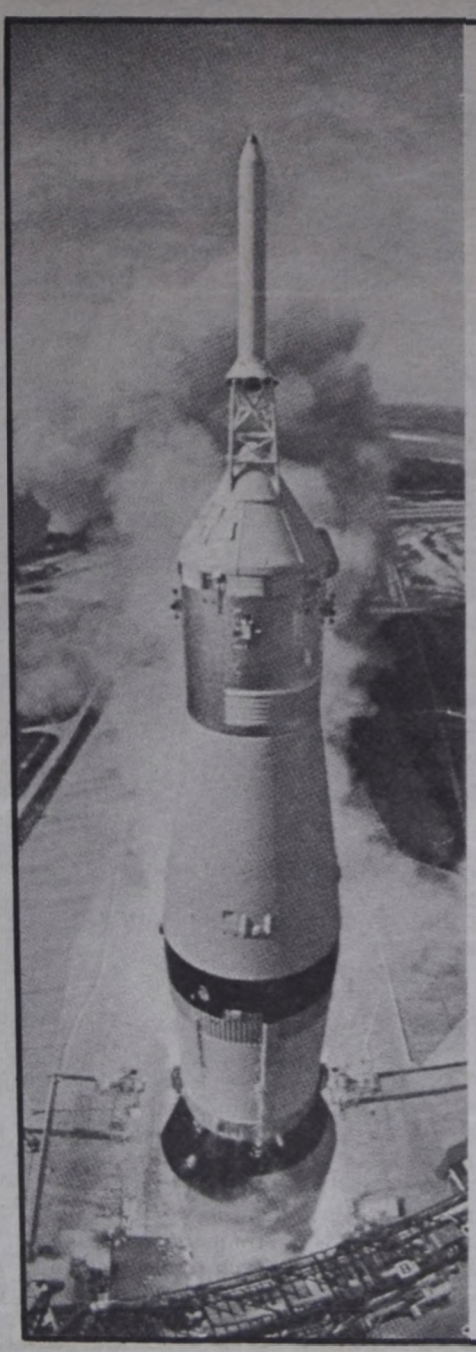

Therefore, in studying Scientology be very, very certain you never go past a word you do not fully understand. If the material becomes confusing or you can't seem to grasp it, there will be a word just earlier that you have not understood. Don't go any further, but go back to BEFORE you got into trouble, find the misunderstood word and get it defined.

That is why we have a dictionary. IT WILL NOT ONLY BE THE NEW AND UNUSUAL WORDS THAT YOU WILL HAVE TO LOOK UP. SOME COMMONLY USED WORDS CAN OFTEN BE MISDEFINED AND SO CAUSE CONFUSION. SO DON'T DEPEND ON OUR DICTIONARY ALONE. USE A GENERAL ENGLISH LANGUAGE DICTIONARY AS WELL FOR ANY NON-SCIENTOLOGY WORD YOU DO NOT UNDERSTAND WHEN YOU ARE READING OR STUDYING.

Scientology words and their definitions are the gateway to a new look and understanding of life. Understanding them will help you live better. Above all, this small dictionary is given to you to assist you along the road of truth that is Scientology.

Word Clearing is Spectacular!

"When Ron put in full Word Clearing technology the FEBC daily student points average was greatly increased.

First a Supervisor finds the misunderstood word without a meter. If he can't and doesn't resolve it then another Supervisor or I would find it using the meter.

If we couldn't find the word and resolve it the student would get full Word Clearing in Qual.

The Word was always found on one of these steps.

The Students soon became conscious of exactly what caused them to bog - even slightly - before full dope off.

It's another incredible piece of technology.

"What a maze of unbelievable confusion can lead back to a simple little misunderstood word. Wow! What a win. Thank you.

"Word Clearing! Again when LRH says a misunderstood word or symbol is behind all problems in study he means it. Clear them up and start seeing straight again.

"I just had some Word Clearing. I really cognited on what product and organize mean. It's fantastic.

Andre Tabayoyon"

"My last Word Clearing was on the cans and boy did I come out bright!! Damn - just do it like it says and what a winner!!! It was so good I told my friend and she's going in to get some too. Boy you can really have enormous wins doing this Word Clearing as per HCOB. Yes Sir!!

Sally Chaleff"

"The Word Clearing session I had was really terrific. I thought I didn't have any misunderstoods as I always "look them up in the dictionary" but in the session I unearthed basic misunderstoods which had caused me to go into apathy about discovering things about life, - and the reason for blowing from earlier subjects and throwing away old abilities. I'm very excited about what Word Clearing can do. It's like a Grade as it restores ability.

My thanks to LRH, for this great tech, and to my Word Clearer, for a great Session.

Peggy Moreshead"

"I just had a great Word Clearing session. It really cleared some big things up. I really loved it. It's very very basic and powerful.

Rosi Levman"

"It was fantastic! I found a basic big fat "rat" (laughing) called enforced religion and blew it. A lot of things were intermingled with disagreement and protest. I reached several basics and felt tremendous relief to cast off another lie. Thank you Ron for this tech.

The E-Meter Series

These two E-Meter books are essential in learning how to use an E-Meter successfully.

"The Book Introducing The E-Meter" is the beginner's first familiarization manual for the use of the Hubbard Electrometer. It is simple to follow and fully photo illustrated throughout.

"The Book of E-Meter Drills" is the workbook with which you drill in the steps necessary to flawlessly handle this simple yet very precise Confessional Aid.

L. Ron Hubbard says of this essential book:

"This book contains all the standard E-Meter drills used in training in Scientology. There are no other drills. Many have been developed from time to time and have proven less workable and useless. These drills have been of the greatest possible value".

L. Ron Hubbard

The Book of E-Meter Drills

JOIN the Qual Internship Program

"A COURSE GRADUATE BECOMES AN AUDITOR BY AUDITING.
This means LOTS of auditing.
Any auditor that is limping and fumbling simply has never been properly Interned."

L. Ron Hubbard

As a graduate of the Dianetic Course, A Class IV Scientology Academy graduate, or A Class VI Special Briefing Course graduate, you can now gain priceless practical experience in auditing on the NEW ASHO Qualifications Division Internship Program.

INTERNE means: "An advanced graduate or a recent graduate in a professional field who is getting practical experience under the Supervision of an experienced worker."

On the Qual Internship program you will work at auditing under highly trained, expert Case Supervision until you are totally competent at each auditing level. (This could take as little as two weeks or as long as six weeks, depending on the person's skills.)

You rapidly review the material you are trained on, get your drills checked, any misunderstood words cleared up with new Word Clearing technology, and finally get an "ok to audit" for your level of training. Then you will work at auditing under crack Sea Org Case Supervisor, Rocky Stump a Flag trained Class IX auditor and the highest Tech trained person in the U.S. You will soon be doing a minimum of five Well Done hours of auditing per day as required of each Interne. A peak of ten Well Done hours a day is necessary on each level, as this is an indicator that you have attained certainty on the materials for that level. If there are any auditing goofs, an auditor is crammed in the Department of Correction and finds out what he missed or misunderstood in his materials and sets it right. Finally after much experience and practice you will produce FLAWLESSLY.

It takes many hours to make a real auditor who can toss off standard sessions and get his routine miracles, and on the Qual Internship you will get this invaluable experience.
