POWER!

Recovering the ability to do what you want to do

by L. Ron Hubbard

All we have to do to recover the individual and his ability is to undo what he was doing repeatedly and continually that was putting him further downhill.

We are traveling a road that has been traveled before, but traveling it backwards. We know what this road is. It is the road the individual has followed from a degree of perfection and beingness and selfness (not selfishness but just being himself) on down to a disintegration, forgettingness, bluntingness, until he's in the state you find him in the pc's chair. Now HE has traveled that road. And all the auditor has to do is walk him back that road, and just get him to the point where he started to make that road downward in order to recover the individual which we know existed to begin with. The potential the individual has is sitting right in the chair.

INTENTION, YOUR ABILITY TO GET THINGS DONE

Intention contains in it every power the thetan has. The ability to throw a lightening bolt. The ability to hold something in position. The ability to make something continue. The ability to do away with something. Strength. Accomplishment. Power. Wit. Ability. These things are all wrapped up in the one common denominator of INTENTION.

You intend something to happen and it happens. This is the ability to intend. And that is all there is to a thetan's power -- there is no more to his power than that.

You've been able to do this in recent times. It baffles you sometimes when a piece of MEST does not instantly and immediately obey -- but it's simply a matter of intention.

All you have to do to weaken a thetan is to get in the road of his intention. If you can foul up a thetan's intentions, you can weaken him. And of course, weakness is the only thing that holds him entrapped, weakness is the only thing that keeps masses pulled in on him, weakness is the only thing that keeps him pinned down, and you can only trap a thetan when he is weak.

A person who is weakened is unable to hold anything at a distance, so everything collapses on him. This is terribly simple. It evades understanding just by being itself so idiotically simple.

REGAINING THE POWER OF YOUR OWN PURPOSES

Intention is everything in case recovery. A person is as weak as his intentions are blunted. He will become as strong as his intentions are free. The greatest holder-backer of intentions is the person himself. If he is regaining his power or ability, he's merely moving out of his road what blunts his intention and what has blunted his intentions.

His own purposes start coming out straight for the first time (he didn't ever realize he was really running on other people's purposes) and he gets a clearing of his entire past and other purposes and then a realization of himself and then he goes into a state where he is capable of power. But by the time he gets to that state he is of course totally responsible and can be trusted with it.

THE POWER OF THE POWER PROCESSES

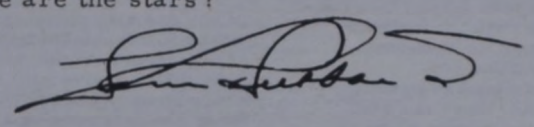

The Power Processes may only be run by Provisional Class VII auditors, since to audit them on a pc requires a thorough personal knowledge not only of auditing, but of the entire Reactive Mind. Lacking this, an auditor could get his pc into trouble he could not get the pc out of. Although simple in appearance, the Power Processes are aptly named. Explosives are safe only in the hands of experts.

The impact of Power Processes, coupled with the reorganization of Scientology, cannot help but change our civilization, in that we do not have to include the impact of real Clears and Clearing to see that we have achieved the end product hoped for, but never attained, by the various schools of philosophy and its practice.

When to this very real advance you add Clears and Clearing, and realize that that is also in progress at this minute, the scope staggers one.

Where will it stop?

Where are the stars?

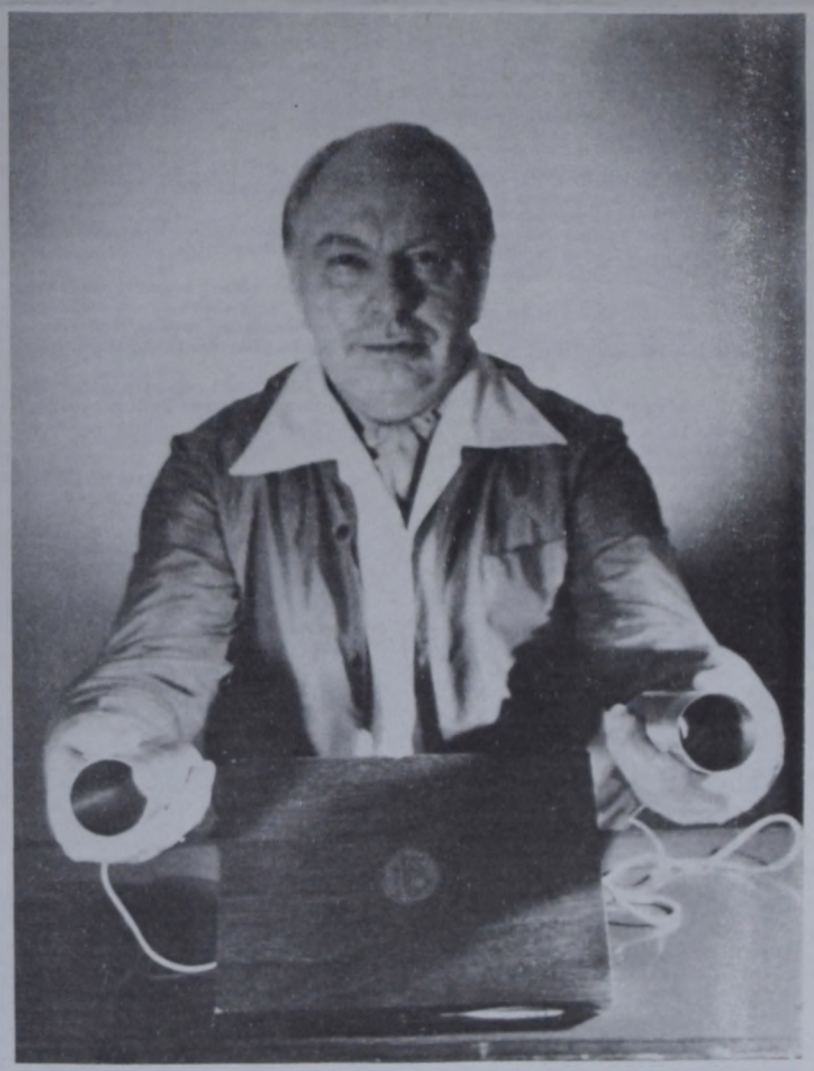

Edited from the lectures of L. Ron Hubbard

The Amazing Increase of Power on Power Processing

BOB EARLE (right) shows how he is using Scientology in doing what he wants to do.

POWER: THE ABILITY TO GET MORE DONE AND REALLY GET THROUGH TO PEOPLE

"Before I got my Power, I was doing something that really wasn't my purpose, working in sales in the graphic arts industry. It really wasn't ME doing it, but I didn't have the knowledge, responsibility and control to make a total change.

Right after Power, I cognited on what some very valuable purposes would be and decided to go into applying Ron's 3rd Dynamic (survival through groups) tech as a management consultant. I started studying madly, and went on to Solo and Clearing, and finished up to OT IIIX and also Superliteracy and the Hubbard Standard Dianetics Course.

Since Power I have formed my own company, and my functioning and responsibility on all dynamics is much expanded. I've gotten somewhat into political circles, having decided that I could create some positive effects to further pro-survival projects using Scientology such as Applied Scholastics and Narconon.

The first thing I noticed after Power was the change in my reaction time. I could suddenly think something and be willing to put it into action in a split second, with no vias, no communication lag. By blowing all the mass that stood between my decision to do something and my actually doing it, I began being able to do things immediately and fast. For example, in studying law, I found I could complete my assignments in about 1/3 the time I was taking before. I would catch my self running when I thought I was walking. I would postulate that I was going to be across a courtyard and suddenly notice my body running to do that. It was ME operating, and I was operating at a much faster pace than I ever had before.

My own intensity increased fantastically. In being able to communicate to others, there was absolutely no chance that I wouldn't impinge. There was no chance that my presence, when I intended for it to be getting across a distance, would not be acknowledged or received.

Suddenly a whole new world opened up in what I could take responsibility for and actually cause an effect on. Instead of playing somebody else's game, I was mocking up my own games across the dynamics.

Recently, I was a guest on a radio talk show on KSTO in San Diego, where I talked about the problems of insanity and prisons, and their answers (mentioning Narconon and LRH of course). Getting on the show was actually by my postulate--I got to talking with a woman about the causes of war, and found out she had this radio show. It occurred to me that most people didn't know why wars were caused and I did. I decided I was going to go on the show and tell other people about it. Three minutes later she asked me to do exactly that!

The net result of the first practical job of business consulting I did in applying Ron's administrative tech to a printing business was that production went up, sales went up, morale is better, they've hired new people, totally refurbished the place, totally re-oriented their work spaces--their stats are up!

Even though a lot of the things I've been doing I have done since I went Clear, I'd like to add that the wins I got from Power--especially the immediacy of reaction time between my decision to do something and my ability to execute it--are still there. I have to attribute a lot of what I am doing now and my ability to handle more cycles more rapidly to the base that POWER provided. Without that base it would be a different ball game entirely!"

FREEDOM FROM DRAMATIZATION!
Yours as a Grade VI Release

TAKE THE SOLO AUDITOR'S COURSE

"Dramatization" is thinking or acting in a manner that is dictated by the Reactive Mind.

Grade VI Release is the threshold before Clear. Once you are a Grade VA (Power) Release, your next step to Clear is Grade VI at AOLA.

Starting with Grade VI, you become a Solo Auditor -- auditing yourself to Grade VI, Clear and above. Anyone can solo audit after the good training on the Solo Auditor's Course.

The Solo Course can be completed in one to two weeks full time. As the last section of the course, you get the confidential data that you will use to audit yourself to Grade VI Release, freedom from dramatization and a return of powers to act on your own determinism. The prerequisite to the Solo Course is Grade VA Release.

Donation: $775. $736.25 with advanced payment discount. (Usually awarded free to Briefing Course graduates).

Write to the Letter Registrar at AOLA, 916 S. Westlake, Los Angeles, Calif. 90006, to sign up.

Be free of your Reactive Mind

Go CLEAR

CLEAR: Bright, free from cloudiness or muddiness, able to perceive distinctly.

A Scientology Clear is a person who can be at cause knowingly and at will over mental matter, energy, space and time as regards survival for himself.

The road to Clear is plainly marked and easy to follow.

After Power Processing at the New American Saint Hill, you do Grade VI and then Clear at the Advanced Organization in Los Angeles.

You attain this priceless state with great ease as a trained auditor, as you audit yourself at this high level.

Prior auditor training is recommended but not required as the Solo Course, done prior to Grade VI, teaches basic auditing in a condensed form.

Prerequisites to the Clearing Course: Grade VI Release done at the Advanced Organization.

Donation: $800, $760 if well in advance.

Write the Letter Registrar, Advanced Organization, 916 S. Westlake, L.A., Calif. 90006 to receive your sign-up forms and further information on Grade VI, Clear and above.
