Announcing

ASHO's New Awards Program to get

More People into Scientology and Moving Up the Bridge

Did you know you could earn your higher level training by sending people to New ASHO?

The Field Staff Member Program was originally begun in 1965 by L. Ron Hubbard. Its purpose: to help Ron contact, handle, salvage and bring to understanding the individual and thus the peoples of earth.

Being a Field Staff Member is the way every Scientologist can have the satisfaction of getting more people into Scientology and up the Bridge!

A Big Campaign is on at New ASHO to get all FSMs doing their jobs as Scientologists, with individual contact, exciting events and meetings, workshops, training and other activities.

THE NEW AWARDS PROGRAM
HOW YOU CAN WIN THE SHSBC!

The New Awards Program is based on the NUMBER OF PEOPLE you send to the New American Saint Hill as an FSM—because that's the way more people get up the Bridge.

For every 2 people you send to ASHO, who arrive and start a major service within a quarter of the year, you win ONE SECTION (1/5th) of the Saint Hill Special Briefing Course!

The program works this way:

Number of people sent who start a major service at ASHO in the quarter	FSMs Award
2 people	1 section SHSBC
4 people	2 sections SHSBC
6 people	3 sections SHSBC
8 people	4 sections SHSBC
10 people	5 sections SHSBC

The program begins newly each quarter and runs for 3 months. (January 1st–March 31st; April 1st– June 30; July 1st–September 30; October 1st–December 31st).

The Awards are cumulative. For example, if an FSM wins 3 sections this quarter, and 2 sections next quarter he has then earned the entire SHSBC. The number of people sent by the FSM is counted toward the awards program for each separate quarter only.

TYPES OF FSMs

There are 3 types of FSMs for New ASHO: (1) The individual FSM; (2) Scientology Missions; and (3) Scientology Churches. All types of FSMs are eligible for this awards program.

HIGHER TRAINING for individual FSMs

An individual FSM who is already a Class VI Auditor or above or an FSM who has already won a full SHSBC may apply the credits won in the awards program to higher level training at the New ASHO. No other special provisions are made. There is no limit to the number of Briefing Course awards a Scientology Church or Mission can win!

WHAT DOES AN FSM DO?

An FSM introduces his friends to Scientology, sells them Ron's books, and selects them for their services. He writes out a 'selection slip', with the hour, date, place, name of person being selected, the FSM's name, what service the FSM is selecting the person for, and approximate date of arrival. One copy of the slip goes

A Message from Ron

The thousands of dedicated Scientologists across the face of Earth for these last two decades have been truly changing the world for the better.

For this I am extremely thankful and give my utmost gratitude to all of you who are making this, our dream, coming true.

I have been engaged recently, and for some months, researching deeply into the sociological scene on the planet. Without the tremendous support of all Scientology and all the Scientologists in general, I doubt that I could have been able to do this work for sometime yet to come. And I am pleased to say that it has been going very very well indeed!

I will tell you briefly that you have within the current framework of Scientology technology and within its administrative procedures to date, the tools to totally free our civilizations of human turmoil, relationships of strife, and the ecological and economical dwindling spiral in which we find ourselves and bring it into a new era of happiness and understanding and purposeful existence for all.

This is a challenging world, but for all its many pitfalls there exists a route for man to again realize his true potential and see the way clear for himself and those around him.

The research has been long and hard these last 23 years and I could not have done it without you. It gives me the greatest pleasure to know that all of you here today are with me now and stand as you do for the freedom of mankind.

To the newcomers in our midst I bid you welcome.

Realize now your role and position you have to play, and

A Message from Ron

continued from front page

though I know it is not always easy and at times it may seem black I also know that together we shall overcome and together we shall win.

Perhaps the most comforting thought of all is that with each revolution of the earth things are becoming a little better as Scientologists across the world work into the day and night with dedication.

. . . remember the tools of life that you have and your role to use them to help your fellows.

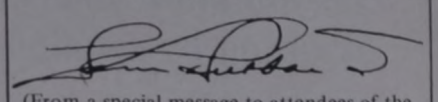

We all have a job to do. There is a way to change things for the better. It now remains a matter of time and your determination.

I know I can count on you to do this.

You have the tools.

You have all my love.

And most of all you have YOU!

(From a special message to attendees of the September Event in L.A., 1973.)

One of the many success stories from New ASHO:

"For years I have had a vague feeling of 'there is something I should be doing'—but never any answers. Something occurred a long time ago that would effectively prevent me from ever finding what it is I should be doing. That is until L. Ron Hubbard developed a philosophy and an organization of the most valuable beings in the physical universe. The application of Dianetics and Scientology enabled me to find the answer I have so long sought.

"I now have the key to untold happiness and well being. I will never again be the same, for that I am eternally grateful."

A New Book by L. Ron Hubbard

Mission Into Time

L. RON HUBBARD

Ron's newest book, complete with 8 full color photos and full color cover.

WHAT ONE OF THE FIRST READERS SAID

"A most enlightening, enthralling, enjoyable and even humorous book. I didn't know all those incredible things Ron did before he developed Scientology. That was as much a surprise as finding out why ancient civilizations really fell. And the color photos! What a book! I couldn't put it down. . . . ."

R.H., California

THE MISSION INTO TIME !

Ron recalled actual places from his past lives. Survey teams went out and, according to Ron's directions, *actually found these locations.* The moments of rediscovery are documented by photos, maps, interviews with the missionnaires and detailed descriptions of the finds.

Indisputable Evidence Proves Man is a Spirit!

Mission Into Time would convince even the most skeptical readers that you can recall your past and that past lives exist.

Here is documented evidence that confirms the fact that Man is a Spirit and not a body. And that he lives on, again and again, lifetime after lifetime.

A Thrilling Adventure

This book is definitely for you and for your friends.

Anyone has wondered "have I lived before?"—or experienced that peculiar feeling "I must have been here before. . ." while knowing it is "impossible."

This revealing book gives the true answers to these previously unsolved questions in a way that everyone can understand.

This book will validate what you always thought might be true but never had detailed, physical evidence to prove.

Ron gives you greater insight into **who you are and who you have been.**

Times and customs change but the truth of the whole track does not.

Mission Into Time will give you a reality on the whole track you won't ever forget . . . .

L. Ron Hubbard, the Youngest Eagle Scout

Did you know that Ron was the youngest Eagle Scout at age 12? The most complete biography of Ron ever published will show you the details of the remarkable life of this amazing man. No armchair philosopher, this man, but an Explorer of Two Realms.

A New Book for Dissemination

A complete glossary is included so all unfamiliar words can be looked up easily.

Just carry the book with you and watch people get curious! This is a book your friends will all want to read. Sell them a copy when they start asking about past lives and you'll find yourself making some new Scientologists.

Saint Hill Special Briefing Course Graduates Help Launch Mission Into Time

Ron's best wishes, sent especially for the occasion, started off one of the most exciting events of the year– the official release of Ron's newest book, ***MISSION INTO TIME.***

Eight of the original missionnaires were there to help launch the book on November 17, 1973 in Los Angeles.

The missionnaires, most of them Saint Hill Special Briefing Course graduates, told a fascinated crowd of their personal experiences working with Ron on the mission to test his whole track recall in 1968.

"Working with the Commodore on such a personal level was definitely the most exciting as well as rewarding experience of my life," said Lt. Cmmdr. Irene Howey, Class VIII, OT VII. "If you didn't believe in total recall of the track before the mission, you certainly had no doubts by the completion of it."

The other missionnaires present were Cmmdr. Yvonne Jentzsch (Class VIII), Ens. James Byrne (Class VI), W/O Ray Thacker (Class VI), CPO Felice Brand (Class VIII), CPO David Murphy, Anton James (Class VII), and Nick Polemini, Dianetic Counselor.

Scientologists from all over the area packed Celebrity Centre to hear about Ron's new book, ***Mission Into Time,*** directly from those who took part in the mission, and to hear a previously unreleased lecture tape by Ron on the Dynamics.

READERS! In reading this issue be very very certain you do not go past any words you do not fully understand. Look them up in the definitions list on page 10, in a Scientology or English Dictionary. If the material becomes confusing or you can't seem to grasp it, go back to the last point you did understand it, locate the misunderstood word or symbol and get it cleared up. Editor.

Your Role in Giving Man a Chance

by L. Ron Hubbard

We are the only people and the only organizations on Earth which have the technology and the ambition to attempt a clarification of situations which in other hands are considered entirely out of control, to wit, the atomic bomb and the decay and confusion of central governments.

There are those who would tell us that our ambitions are too high, that no single group much less a single man could bring about a change in the dangerous career of Earth. But such people do not know their history. Single men and determined groups have been the only makers of space in which Man could walk free. Left to the multitude, each inverted with his own selfishness and greed the affairs of man do not prosper Left to an anarchy of nations with no international responsibility earth and mankind cannot prosper.

Leaders of the new industrial age in the United States and Great Britain have pressed upon the world know-how and machinery and ways of living which have revolutionized almost every society on earth. In Berlin, in Paris, in Madrid and Tangiers and Cairo and indeed in Moscow itself we see the evidence of this onslaught. In India and Burma and Buenos Aires we see the cinema, the automobile, the clock, the booklets and the rifle created by or modelled upon Anglo-American industrial might. Technologically the United States and Great Britain have conquered the world. Philosophically they have failed.

We are left then with a world of confusion, for the tools and the weapons have gone out and no message has gone with them even to United States and Great Britain themselves to use them properly.

We have created beyond the ability of man to understand, and unless the understanding of man can be brought to the level of his own creations man is doomed as the conquering animal of earth.

The typist sitting in some office overwhelmed by routine is equipped immediately with the means of writing letters faster than any amanuensis of past ages but has no understandings of why she should be there or what she should be doing beyond the fact that she "has to have a job." What hope is there for this girl. Like the operator of a drill press in a factory, like the pilot of a jet plane or like the man himself who designs atomic missiles, she does not know what she is doing or why she is doing it. Therefore, she cannot hope to understand the motives of those around her nor can she understand any need for any team work in the execution of a better civilization.

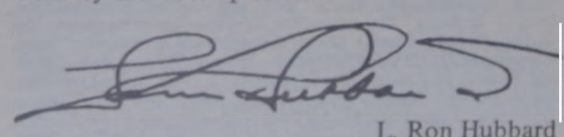

From the highest head of state to the lowest menial saving only Scientologists in the United States, Great Britain or the rest of the world there is no exact understanding of life itself, thus livingness itself has become as automatic as machinery.

Machines do not bleed, they do not suffer. It is only because Man conceives man to be an incomprehensible machine that makes man willing to destroy with such weapons as atomic fission. Only men without purpose, without understanding, men who cannot play the game, would so attack their fellows.

If men cared more, if man had a better understanding of his own purpose, man would make a better effort to survive, but lost in the confusion of ideologies which were intended to do nothing but confuse him what chance does he have.

The chance he has is Scientology. We're giving him that chance and if you do not pass along to him what you know, you yourselves are failing that man, failing yourselves, and failing us. This is man's one chance. You must give it to him, otherwise he faces other planets, other times, other elsewheres, but no more here.

Where earth pursues her gentle way in her orbit about the Sun today there will be a black orb seared, scorched and defaced with ruin, its air polluted by radiation, its surface gouged by pocks, the skeletons of its cities standing black and ruined . . . . Perhaps there are other planets, perhaps there will be other times but here we are right now, our urgings and our strivings ought to carry forward the civilization which we have about us. Perhaps it would be better to start all over and make another one. I do not happen to think so. I think that we can and will continue to create the civilization and continue to bring man through despite his folly in creating industrially far beyond his ability to understand. We know how and we can do. It is up to us. It is up to you and only then we can say with honesty that it is up to Man.

Scientology Applied to Business

James Beardmore (GRADE VA) and son Jim (OT VII) discuss the location of their newest Lil' Duffer Burger Barn now under construction in York, Nebraska.

JAMES W. BEARDMORE and his son JIM are expanding their chain "Lil' Duffer" Burger Barns throughout the Midwest using Scientology administration techniques.

Since beginning in 1966, the franchises have served over three million customers! They now have "Burger Barns" in 18 cities in Nebraska, Missouri, Iowa, Kansas, and South Dakota.

"Since getting into Scientology about 3 years ago we have found that just about everything we have learned in Scientology can be applied to business with really good results," James Beardmore writes,

The Beardmores use the filing system explained in L. Ron Hubbard's book ***How to Live though an Executive.*** "One could not list all the good things resulting from Scientology in one letter. The importance of good communication, using the gradient principle in training employees, knowledge and use of the tone scale, all of these are tremendously important in business as in life. Ron's book ***The Problems of Work*** should be required reading for any business man as well as for his employees," Beardmore senior says.

Lil' Duffer sales in 1972 topped 2 million dollars and show a 12.6 percent increase the first 8 months of 1973.

J.W. Beardmore is enrolled on the Academy levels in St. Louis, and will be coming back to L.A. to go Clear this spring.

Dentist Disseminates Scientology

LOUIS O. THOMAS, D.D.S., now an OT, disseminates Scientology from his position as a practicing dentist and instructor in Baton Rouge, Louisiana.

Having become a key lecturer in the dental circle, last spring he published an article in the Journal of the Louisiana Dental Association explaining exactly how ARC, the tone scale, and the principle of the stable datum can be applied to solve the problems of motivation in preventative dentistry!

His personal increase in efficiency since Scientology is reflected in the fact that he has doubled his income while at the same time being able to decrease his work days from 5 to 3 days per week.

"I am trying to set an example through dentistry so that other dentists will get on lines in Scientology," he writes. Already, three other dentists in the Louisiana State University Dental School are getting auditing, with more to follow.

Become a more skillful, polished Auditor

Start your upper level training now at New ASHO

"Auditing procedure would be perfect if you were perfectly alive. But of course if you were perfectly alive you'd be an OT.

Learning auditing procedure in the direction of a perfection actually moves you in the direction of OT."

L. Ron Hubbard, 14 January 1957

Ron's upper level auditor courses, Class VII through Class IX, move you toward perfection as an auditor. Highly trained auditors are vital to getting MORE people moving up the Bridge to Clear and OT.

CLASS VII: POWER AUDITING

"This course changed my life—there is no better thing I have done for someone than to give them Power Processing." J.M., Class VII Auditor.

Only a Class VII can audit Power—the vital step toward Clear after Grade IV. As a Class VII, YOU will be able to take a preclear up that vital step.

The precision demanded by Power will raise your standard of perfection in all the auditing you do.

$775. Prerequisites: Class VI (Interned), Primary Rundown.

CLASS VIII: 100% STANDARD RESULTS O.T. AUDITING

"There are some basics that are ONLY available on the VIII Course which handled every question I had remaining on why the tech worked. I have no doubts about my ability to go in and do a session and as a result auditing IS the enjoyable experience I've always known it should be." D.R., Class VIII Auditor.

"Class VIII gave me certainty—absolute certainty—that I can USE the tech. The more training I get the more feeling I have for where we're going as Scientologists here on Planet Earth. Plus the knowingness grows that we are getting there. Not going on to VII and VIII is as silly as stopping at Grade VI." P.A., Class VIII Auditor.

At Class VIII, you attain the flawless standard of auditing needed to audit OTs.

Class VIII means effortless simplicity—100% standard results on any case at any level.

$1500. Prerequisites: Class VII, Primary Rundown.

CLASS IX: LATEST RUNDOWNS IN CASE HANDLING

"The fantastic thing about the IX course is it has a lot of LRH C/Sed folders from 1971 and 1970. You get an incredible amount of reality on how HCOBs emerge. You read through a folder and see a pc having some kind of trouble. The next thing you see is that Ron's now written an HCOB that when doing a certain kind of pc you do a certain thing! And it's right from the session you just read. I really learned a lot." W.P., Class IX Auditor.

At Class IX you see the discovery of the Class IX Rundowns and just how Ron found them. Study of the basics of auditing along with new breakthroughs makes you a "case cracking" auditor.

$1500. Prerequisites: Class VIII, Primary Rundown.

NOW, A SPECIAL PACKAGE—Class VII through Class IX with all internships—$4075. Saves you $650—you'll get all your training straight on through that much faster.

Sign up now—you save another 5% by advanced enrollment. (In advance, package donation is $3871.25.)

You will train and intern under the most standard supervisors on the planet at the Center for Upper Level Training—New ASHO!

Write the Letter Registrar today for more information! Or come in to see the Registrar who will show you more details on Ron's upper level courses at **ASHO**, 2723 W. Temple St., Los Angeles, Ca. 90026. 213-380-0710.

More and More People have gotten into Scientology in 1973!

Now there are 49 Churches of Scientology Around the World!

LINDA WELSH and JOHN WELSH, from Miami, share some of their many wins on the Saint Hill Special Briefing Course during an afternoon break.

The key to all Scientology expansion is Ron's famous Briefing Course—where auditors gain the true wealth of Scientology: knowledge, understanding, and the ability to improve conditions in life.

The New American Saint Hill Organization in L.A., home of the Saint Hill Special Briefing Course, Power Processing, and all upper level training, is pushing the expansion of Scientology all over the Western Hemisphere by training standard auditors, supervisors and administrators, as well as selling Ron's books to the broad public and sending them to their nearest Church for lower level services.

After Power Processing preclears and students go to the Advanced Organization in Los Angeles for Grade VI, Clear and their OT levels!

This Holiday Season . . .

Give the most valuable gifts in the Universe--

Freedom
Ability
Happiness

with Scientology!

Christmas is, above all, a time of joy and love. For most of us it stands out as one of the very enjoyable days of the year.

Wouldn't it be wonderful if you could give joy as a Christmas present?

Would you like to give your husband or wife ***happiness*** for Christmas? Or give freedom from upset and worry to your parents? Or perhaps you'd like to give your best friend a renewed ability to use his favorite talent or succeed at his job.

Think of your favorite people, the people you most want to make happy this Christmas. Would you enjoy giving them an extra special gift, one that will never break, fade, wear out or be stuck in the attic—a gift that will last them the rest of their lives and which will give them lasting enjoyment above all others?

Then give them Scientology for Christmas!

There is something for everyone in Scientology.

You can give specific Scientology and Dianetics books, courses or spiritual counseling intensives to your friends and family. Or you can put a donation of any amount in a special gift account for them here, and let them decide for themselves which books or services they want.

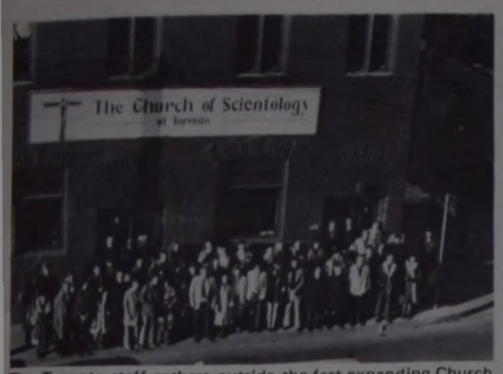

We will mail them by First Class Mail a glossy attractive, Scientology Christmas Gift Certificate Card to let them know that *you* sent it. The envelope they will receive the card in gives a Merry Christmas greeting!

It's so easy. Just write, call or stop in to see the Registrar at New ASHO with your donation. The Registrar will be happy to help you decide on just the right gift for your favorite friends and family.

Scientology Gift Certificates are the perfect answer for the holiday season, whether as Christmas gifts or New Year's good wishes.

They're the only gifts that take so little time to order and yet give so much happiness!

The Ultimate Prize

by L. Ron Hubbard

"As a team, helping one another, we keep the door open and make the grade ourselves.

There is no greater game in the Universe than Scientology, for it is the only game in which everybody wins. And that places it far above all other games and makes it the game of games where everybody gets the ultimate prize—a full recovery of self."

L. Ron Hubbard
Founder

Your role as an FSM in getting even more people into Scientology in 1974!

The Field Staff Member is very important in Scientology's continued rapid expansion across the planet.

Just look over how YOU got into Scientology. Somewhere along the line you were contacted personally by a friend or a staff member who sold you one of Ron's books or gave you real encouragement to get started on a course or get audited.

As an FSM you just do what any Scientologist does naturally—tell your friends and those you meet about Scientology, and then keep them moving up Ron's Bridge to gain all the freedom, ability and happiness they wanted when they first got interested in Scientology.

To be a successful FSM, GET **TRAINED.**

Special FSM training courses are held frequently at your local Church and at New ASHO.

After this, your own Scientology training up through the Briefing Course, Class VII, VIII and IX is vitally important. The more you personally know about Scientology itself, the better you can disseminate it! Plus you'll know how to handle all kinds of people far better. And of course, YOU deserve to get the knowledge and ability YOU wanted when you got interested in Scientology yourself!

See the Director of Clearing at your local Church, or write the Director of Clearing at New ASHO for more details on the FSM program. You'll be pleased (and maybe a little surprised) at how easy it is.

FSM Success Stories

"About 2 years ago I disseminated Scientology to one of my best friends.

Today he is a Class VI Auditor and about 10 days ago he went Clear and OT I.

Seeing him after he went Clear was one of the most joyful experiences of my life. This is really it and I want to be able to let anyone, anywhere, anytime, know about it."

TIMOTHY PUCKETT

"I came to the dissem workshop with a 'Help! I'm drowning' kind of attitude, and know now that there IS a technology of dissemination and that I CAN successfully execute it and get those people on the correct lines, and that's a big relief for me. Since my confront on dissem has come up, I have been able to expand my space out there in the world, and I find that people gravitate to me and effortlessly fall on my lines. After a few workshops, I feel much more confidence and feel the biggest thing is just DOING it, getting in there and not being afraid to pursue the ruin. Perhaps my biggest gain is knowing how successful one can be with a simple granting of beingness to the person."

MARCY JACKLER

"Helping others by showing them useful, valuable Scientology data, and leaving them reaching for more, indicating to them where their reach can be satisfied, gave me a sense of personal fulfillment only to be compared with giving another a very well done auditing session."

K.H.

"It's fantastic to feel and be a part of Scientology and its purpose in helping others. Through verbal dissemination and dissem by books I've been able to help those people around me to be more aware of the fact that they can be happier people through Scientology. It's a great feeling to know you can help. Become a hatted Scientologist and do your share to help the world to be a better place."

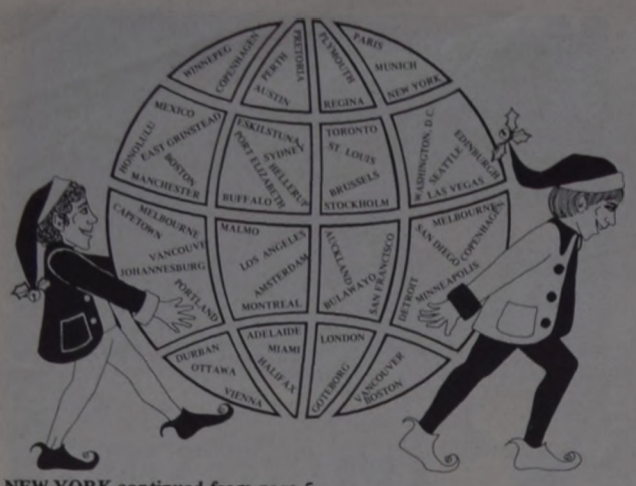

COOPER ROUNDS

"Upon speaking to my mother this evening I happened to mention how good I felt after my mini ethics course. She asked me what I did in the course and asked me to come to dinner and bring my book. Over dinner we discussed techniques and the purpose of TR drills.

She asked me if I wanted to go to a lecture on analytical psychology with her. The lecture was on 'leading a meaningful symbolic life.' But we spent so much time over dinner discussing Scientology we missed the lecture. So I offered to take her to the introductory lecture at the Church of Scientology. She agreed. During the lecture she had VGIs and later had a touch assist with an excellent result.

She said the Church is full of very intense, charming, dedicated and thoroughly enjoyable and nice people. She intends to come back tomorrow for the personality test—she was very eager to return."

More People into Scientology from Radio Campaign

Hearing the words "L. Ron Hubbard . . . ." "Scientology . . . ." coming over the radio has become an everday occurrence in Los Angeles since the radio campaigns by Axioms Communications began. It is estimated that so far over 3 million individuals have been reached.

More than 3600 people have called in to inquire about Scientology as a result of the radio campaigns played over 14 radio stations in the Los Angeles area.

More than 1300 new people have come into Scientology Churches and Missions, with over 500 new people now signed up onto courses, as a direct result.

PURPOSE, the new series which sells DIANETICS, The Modern Science of Mental Health, by L. Ron Hubbard, has already sold nearly 250 books in the last few weeks.

Power Release Forwards Air Safety

Power Release Jim Stevens flies safely for TWA.

TWA Co-Pilot JIM STEVENS of St. Louis finds his abilities as a Power Release mean greater safety in the air.

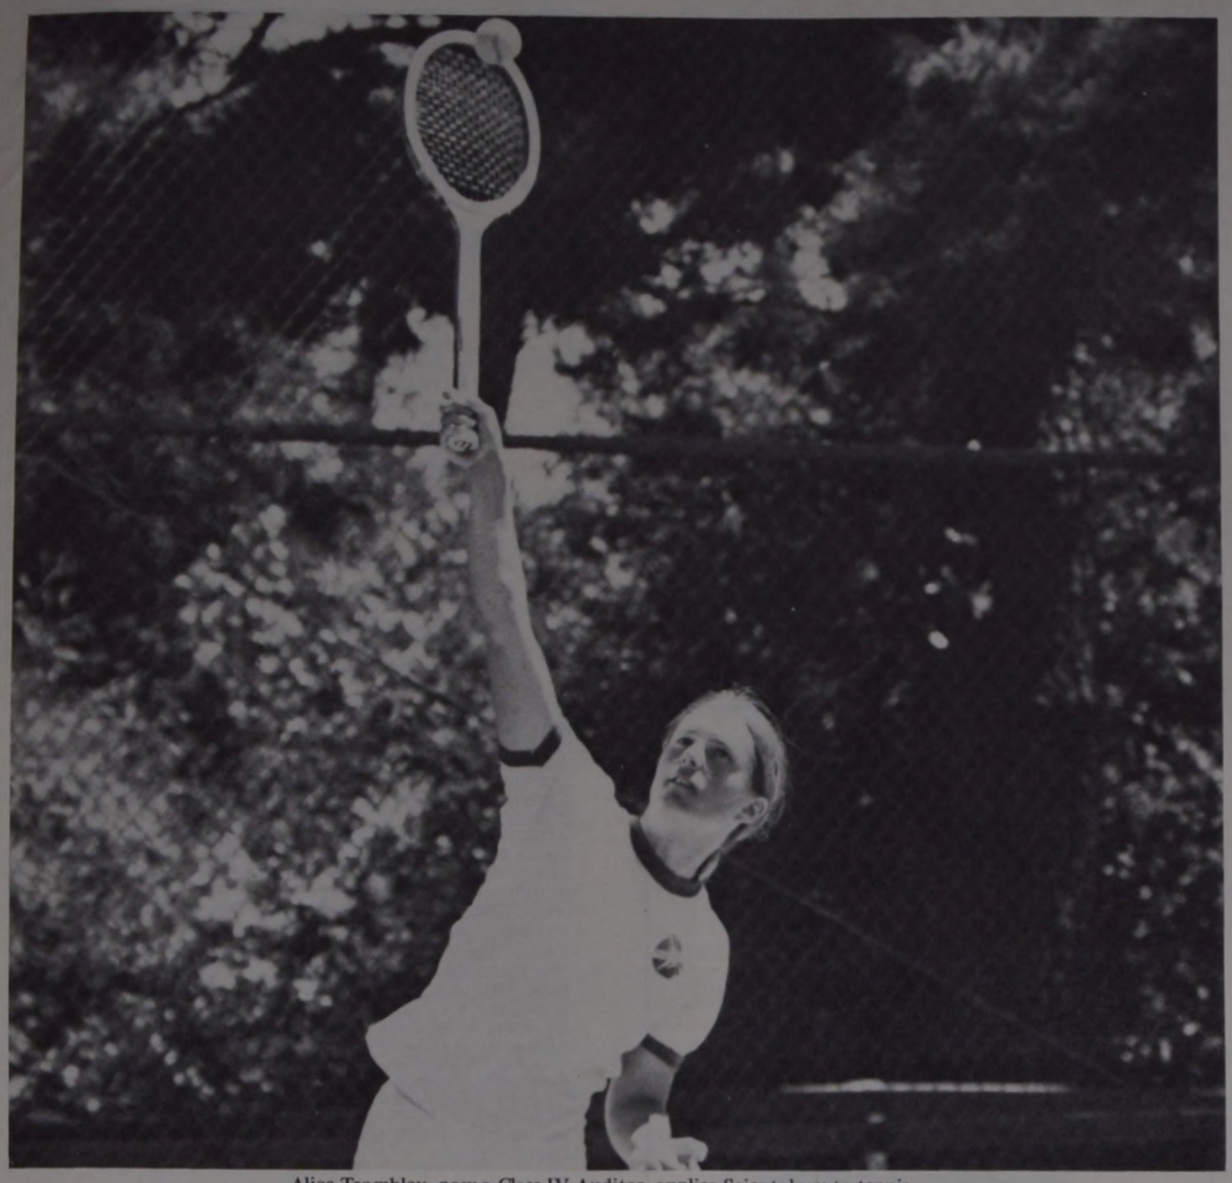

"When a pilot takes responsibility for the survival of the first dynamic, the first dynamic survival of his passengers goes right along with it. When all pilots have gone Clear accidents in the air will be totally eliminated," he predicts.

Beginning with TWA as a flight engineer in 1966, Jim notes "flying is a team effort. The better a team works together the safer it is for the passenger. By using the abilities I have gained through auditing and Scientology training to cause my team to be happier, more productive and higher on the tone scale, Scientology is in fact causing greater air safety. Pilots who work together well and flight crews who pull together are prime factors in air travel safety. By getting the pilot and crew in present time and good affinity with each other, air accidents are avoided."

About his Power, Jim writes, "Power Processing increased my energy level. Should you want a sustained increase in ability to do more, especially do more in less time and with much greater ease, do these Power Processing actions."

His wife Delores (a Grade IV) is on Academy training at St. Louis where Jim is doing the Primary Rundown part time.

AROUND THE WORLD

Alice Trombley, now a Class IV Auditor, applies Scientology to tennis.

Scientology Used by International Tennis Player

ALICE TROMBLEY, who has played in the major national tennis tournaments in the U.S. and travelled on the international circuit in Europe, now uses Scientology in her tennis instruction.

"Once I ran into Scientology I realized that I had finally found the answer to my quest for knowledge on the mind and its connections with sports," she writes.

After doing the Primary Rundown at the San Francisco Church of Scientology, her ability to get across the basics of tennis to her pupils greatly improved.

"I find the data on misunderstoods of greatest importance," she states. "It can waste summers and summers of taking lessons for pupils if they didn't quite understand soem term or word in the nomenclature or jargon of tennis. The 'everybody knows that' term in tennis, when inquired about, is usually found to have some weird connotation. It's usually the key to their confusions on the strokes of the game. I now know immediately when my pupils have gone past confusions, misunderstoods, or haven't got the mass of what I'm speaking about. I get them to find it and we clear it up, and my students go on winning."

This has proven very popular with the students and she now has more students than she knows what to do with.

Alice has just completed her own Academy training up to Level IV at San Francisco.

Sandy Leonard and Greg Zerovnick admire the job Mike Lee did in renovating the building now housing Narconon in Berkeley.

Narconon* on the Move!

NARCONON RECEIVES $64,000 IN GOVERNMENT GRANTS

NARCONON NEW LIFE has just been granted $44,000 by the Los Angeles County Board of Supervisors to put more people onto their Narconon program! NEW LIFE is a halfway house directed by BEN GIBSON, and offers Narconon courses to the public as well as to those recently released from prison.

NARCONON of Delaware (now located in the Delaware Correctional Center) has just signed a $20,000 government contract to expand to other institutions in the state.

This program has turned out over 100 graduates since it was started in May of 1972 by BARRY JAYE, who is now National Director for Narconon. It is currently supervised by MIKE ROYLANCE.

At the first Narconon graduation held there in July, 1972, attended by the Secretary of State of Delaware, Rev. GENE HOBEL (Class VIII), Warden Anthony Solerno, and other guests, 23 inmates received Narconon certificates. Said inmate IRWIN WILLIAMS, "I will never regret yesterday as long as life is in me today, for God knows I will live a better tomorrow."

The overwhelming success of the Narconon program (better than 80% of the graduates released have never returned to the criminal/justice system) has been praised throughout the country by government officials.

On October 15, 1973, the Lt. Governor of California wrote GREG ZEROVNICK, head of Narconon California, "Your program deserves recognition as being well organized, well staffed and well aimed. It is a program which can make a great contribution to our state and a big difference in the lives of the people that it helps. It is my hope that you are able to continue and to expand your program and that you achieve the goals toward which you are working."

Narconon Berkeley has also won support from the local Kiwanis Club. The newest Narconon branch is getting off to a roaring start under PAUL and SANDY LEONARD in Berkeley.

BARRY JAYE recently attended the Correctional Association's Annual Convention in Seattle, where the Narconon booth was very well received. Barry also appeared on TV with WILLIE BENITEZ, originator of Narconon in the Arizona State Penitentiary in 1966, in Mexico City to promote Narconon's wins.

*NARCONON stands for "non" (absence of) and "narcosis" (state of stupor or insensibility). Narconon is a rehabilitation program for those who have been involved with drugs or crime. It provides a path to freedom through greater responsibility and ability. Narconon attributes its success to Scientology communication techniques.

Why?

Because *DIANETICS*® gets more people into Scientology each year than any other book!

DIANETICS has been a bestseller since Ron first released it in 1950! It sparked the interest around the world that today amounts to millions of Scientologists.

DIANETICS tells what happiness is. It tells the reader the first workable way to achieve it.

DIANETICS is *real* to people who have read nothing else about Scientology or Dianetics.

Ron says in HCO B 28 April 1970, Books are Dissemination:

> **"If you are not furiously pushing DIANETICS: THE MODERN SCIENCE OF MENTAL HEALTH and if you are not insisting that each newly interested person read it as something new, startling and strange in the world, you will be wasting most of your dissemination efforts."**

Here are just a few success stories from people who are Scientologists today:

> **"Reading DIANETICS opened up the understanding of life to me. . . . " S.T.**
>
> **"With that book I began the greatest adventure I have ever been a part of. . . . " J.C.**
>
> **"Since I found DIANETICS, The Modern Science of Mental Health, things have never been the same. . . ." L.E.**
>
> **"I came up to hope and need of change just from the book . . . ." D.B.**
>
> **"After DIANETICS I really knew there was something there to be handled and that something could be done about it . . . ." H.S.**

DIANETICS was what got them into Scientology!

FOCUS ON SUCCESS

Recent Class VI Graduate CLARK BAIER picks up his copy of Ron's latest book, **Mission into Time**, while at ASHO.

"The SHSBC was a lot of fun, a lot of work, and a lot of wins. I had case gain that I frankly never expected would happen. I thought the Briefing Course was going to be a course that would teach me how to become a superb auditor. Well, it certainly did do that, but that was only the beginning. I find myself much more able to handle all areas of my life, so much so in fact that I'm not the least concerned with my own survival, I know I can handle my own existence, but I've realized I have a purpose and an obligation and that is to help those who aren't quite so fortunate. I now know what the barriers are to a person's freedom and happiness and I have certainty I can show him the way out.

To me what the Briefing Course did for me in terms of personal gain is not nearly as important as what I can do for others with the knowledge.

I'm sure thankful to LRH and what he's done and I'm sure glad there is something I CAN do to change the conditions of existence. I've never been happier."

CLARK BAIER, Class VI Auditor
from St. Louis

Regain your natural Ability and Happiness

GO CLEAR AS A TRAINED AUDITOR

CLEAR: Bright, free from cloudiness or muddiness, able to perceive distinctly.

A Scientology Clear is a person who can be at cause knowingly and at will over mental matter, energy, space and time as regards survival for himself.

The Road to Clear is plainly marked and easy to follow. After Power Processing at the New American Saint Hill, you do Grade VI and then Clear at the Advanced Organization in Los Angeles.

The Priceless state of "Clear", long sought by Man and now available to you, is easy to attain.

Prior auditor training is recommended but not required as the Solo Course, done prior to Grade VI, teaches you what you need to know to be ready for Clear.

Prerequisite to the Clearing Course: Grade VI Release done at an Advanced Organization.

Donation: $800. $760 with 5% discount for advance payment.

Write the Letter Registrar, Advanced Organization, 916 S. Westlake, L.A., Calif. 90006 to receive sign-up forms or further information on Grade VI Release, Clear, and above.
