WHAT WE EXPECT OF A SCIENTOLOGIST

By L. Ron Hubbard

We inherited, when we began, a great many hidden errors in the society, so deeply laid they seemed right. "Everybody knows that . . . " is a tombstone of progress for it contains uninspected lies that bring the wittiest of us to grief. "Everybody knows that Man is Evil" was only one of the many things we found wrong, exposed and dropped from our own knowledge.

However, in the field of what is expected of a Scientologist, we have for years carried along an inherited error. It is this: "Everybody knows that a specialist hangs out a shingle and, if a professional, becomes a private practitioner."

Now, listen, psychoanalysis was developed in 1894 by Sigmund Freud. Everybody who studied it was expected to hang out a shingle and start practicing. It took half a century for psychoanalysis to become generally known by the people. Yet how could it miss? Its tenet was that if you were sexually uninhibited you would be happy.

The psychoanalist took his cue from the medico of his day. If you could heal you were a healer with a shingle.

Well, I'm afraid a lot of us have bought this too. If we were trained in Scientology as a professional we should hang out our shingle as a practitioner. With all due respect to the Scientologists in professional practice (where they have every right to be) this is not a true idea. It is a borrowed idea. It's as old as the witch doctor.

A Scientologist is the being three feet behind society's head. And society runs on eight dynamics, not in a sick room. Some of us, of course, would become professional practitioners. But a professional Scientologist is one who expertly uses Scientology on any area or level of the society.

A housewife who does not have professional level skill in Scientology could not expect to run a wholly successful family or keep order in her neighborhood and keep her family well. A factory foreman could not possibly handle his crews with full effectiveness without professional Scientology skill. The personal assistant to a corporation executive could not do a fully effective job without being a professional Scientologist. A corporation president without a certificate will someday fail. And the head of a country would go to pieces if he didn't know Scientology from a pro angle.

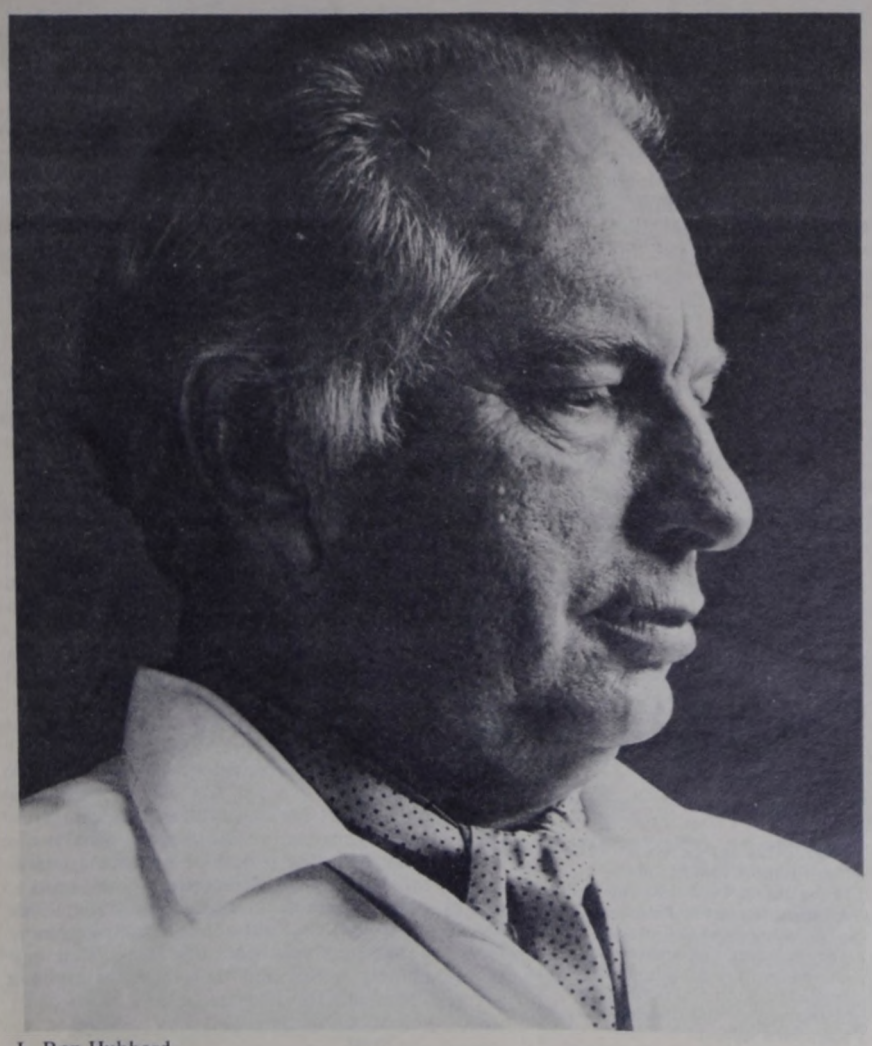

How can these people handle life if they have no expert knowledge of how to handle life?

Now we don't expect everyone in the world to become a trained auditor. But we expect the people who are making the world to have a knowledge of how to make it go.

A trained Scientologist is not a doctor. He is someone with special knowledge in the handling of life.

We have many, many personal success stories in Scientology. They begin with a book acquaintance and bloom when professional skill enters the background. These people, small people, big people, drove a wedge for themselves into companies, societies, with

AMERICA IS GOING CLEAR!

From a Scientology Mission in Nebraska (L. Ron Hubbard's native state) to a booming Church in Miami and from sprawling Scientology-oriented Los Angeles to the Scientology Churches of the East Coast in Boston, New York and the nation's capital, the U.S. this month is in the middle of a sweeping Clear America Crusade.

The agreement amongst Scientologists, in all parts of this nation where their movement was born and bred, was doubling the already-expanding number of Scientologists by April 23rd – just a few weeks from now.

And it is happening, with a vengeance. From sea to shining sea, each Scientologist is now introducing one person to Scientology. In some cases they are contacting people who had bought a book by L. Ron Hubbard but had yet to do any training or processing (spiritual counseling). In either case, the enthusiasm in the Churches of Scientology in America is electric.

EVENTS SPARK OFF THE CRUSADE

The Clear America Crusade was launched officially on March 9th with major Scientology events held simultaneously in Los Angeles and Detroit. Thousands of Scientologists from Southern California converged on the Aquarius Theater in L.A. to hear L. Ron Hubbard's Special Representatives, Alex and Maggie Sibersky, relay the message from Ron to all Scientologists that America was going to be Cleared . . . Now! Other speakers picked up the theme. From far away England, Herbie Parkhouse of the Guardian Office World Wide had come to exhort American Scientologists to do their part, and more, for the sake of all peoples on the planet. Yvonne Jentsch, of Celebrity Center received a tremendous reception, as did the Commanding Officers of the other Los Angeles Churches of Scientology. And there was music – Wings Livinryte, Theta and Marilyn Ellis provided entertainment of a calibre that Scientologists are accustomed to and reminded those attending that a Clear America is an America in which song will soar free and high.

A very special moment of the event was that reserved for the presentation of the very first Founding Scientologist of America certificate. This was awarded to Stan Caplan for bringing his daughter Joyce into Scientology, the first First Generation Scientologist of America. The certificate was presented by film star Robert F. Lyons.

This ceremony is now being repeated many times over daily across America. Every Scientologist bringing someone into Scientology is awarded a large and very beautiful Founding Scientologist of America certificate. And every new Scientologist receives an equally beautiful First Generation Scientologist of America certificate. Page 3 of this issue of The Auditor has the full details on the procedure you'll be following to receive your certificate.

Take full advantage of America's opportunities!

Get Power at New ASHO and be more able to do what you want.

America was conceived in liberty as a country where the power of each individual could count for something and flourish. Yet the barriers to an individual's power are not all external. The most important ones are within.

The Power Processes bite deeply into the layers of fixed considerations that a being has accumulated and restore to him the full ability to have and use all his power as a spiritual being.

As a Power Release you'll find achievements within easy reach that you had previously considered remote in a nebulous future.

You'll be in a stable state of Power, where what you do is really up to you.

There is only one Church of Scientology in America permitted to give you your Power. It's that powerful. It takes the precision-trained Auditors of the New American Saint Hill Organization in Los Angeles to deliver these confidential processes.

And they are waiting there now to deliver Power Processing to every grade IV Release in America. Many are already in Los Angeles, on lines and winning with every session. More are on the way. Now it's your turn.

If you haven't finished your Grades yet – what are you waiting for? All the Power you ever dreamt you had is there, waiting only to be Released. Finish your Grades and get on the route to the New ASHO.

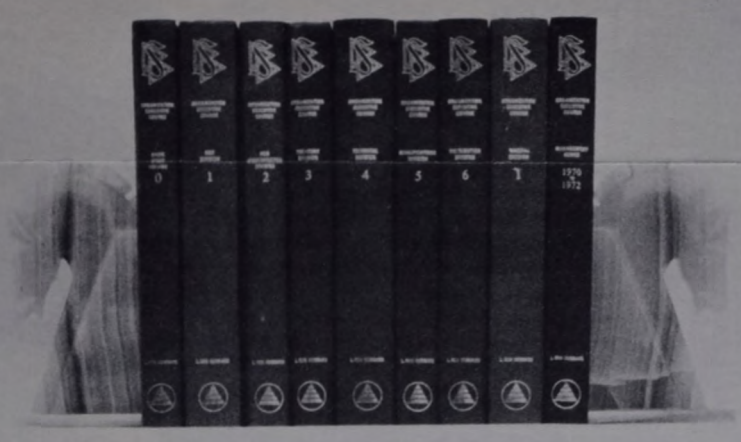

There is a donation for Power Processing of $1200 – this allows for a total of 50 hours of Power Processing.

If you pay well in advance you receive the benefit of a 5% advance payment discount bringing your total donation to $1140.

No matter where you are in this broad land, get in touch with The Registrar today about your Power. You'll find her at the New American Saint Hill Organization, 2723 West Temple Street, Los Angeles 90026, California. The telephone number is 213-380-0710.

The longer you put it off, the longer you'll be depriving yourself of knowing what it's like to really be yourself and do what you want.

So don't put it off.

Expand with the knowledge that has made Scientology America's fastest growing religion.

For the first time, you can have and use the data that has made Scientology the fastest-growing religious movement on earth.

This data applies to any organization, no matter how large or small, and to the individual as well. Here you'll find the basic laws of production and organization; you'll discover how to reverse any down trend in any enterprise and you'll learn how to expand any group in a sane and predictable manner.

Personnel, promotion, publishing, sales, finance, production, quality control, distribution, executive responsibility – in fact, every area of an organization is here explained in detail and the essential actions described for maximum benefit to the individual and the organization alike.

The data is in the form of Policy Letters, as they are used by Church of Scientology staff members all across America today. This is the inside story of how America is being Cleared. And you can now use it and benefit from it.

L. Ron Hubbard has personally lifted all restrictions on the sale of these priceless volumes.

As he himself has said, "This is not just the Scientology idea of how an org should run – most of it is vital basic discovery.

"Man did not really know the principles of organization any more than he knew what made his mind work before Dianetics was published.

"Therefore, if one were fully conversant with the full subject and all its principles he would appear to be a magician, a miracle worker."

As a working Scientologist in today's America, you can use the data in these volumes every day. There are priceless cognitions on every page of this OEC set – and there are over 3500 pages to the set.

So take advantage of this unique offer from Ron. Order your set of OEC volumes today.

Prices of the individual volumes are as follows:

If you were to buy this set volume by volume it would cost you $250. But as a special offer, you can order the entire set of 9 beautiful OEC volumes for $225, at a saving of $25.

Each volume is bound in beautiful green permanent cloth, with gold embossed lettering. This is truly an Encyclopaedia of Scientology Policy.

And before long you'll appear to be a magician, a miracle worker.

What We Expect of a Scientologist

Scientology and then took over control of the area. They succeeded where they never would have dreamed they could. And every time one of us drives in such a wedge, we all win because the world is brought nearer to a sane and decent world.

The factories, the marts of trade, the homes, the neighborhoods, these are the places we want trained Scientologists. In that way alone, we're on the busy, still healthy communication lines of the world.

Some of us need to run centers and schools just to give the rest of us service when required. Training at a pro level must be kept good. And service and communication must be given. Hence, we have Central Organizations on every continent and Hubbard Communications Offices. But if we avoid the throbbing comm lines of the world and act like doctors, we will not win soon enough as a group.

Any trained Scientologist can win to success in society. Heightened I.Q., a knowledge of life, a forthright attitude – with these things it is easy for him or her to improve a social or business position, to get higher pay, to exert wider personal influence. This we know we can do, we have done it so often, so let's improve the ability.

Process people weekends, run a co-audit some evenings of the week at home, but get on the active lines of the world and make your presence felt.

It takes full training to do it. It's been done from our books alone but not always well. It takes tough Academy training to make a Scientologist, so don't go at it half armed.

And stop feeling apologetic because you are not a "full time auditor." We are the auditors to the world, not to a handful of the sick.

We are not doctors. We are the world's trouble shooters. When we make a company win, the whole world wins; when we make a neighborhood win, we all win.

A full time Scientologist makes life better wherever he is. And that is enough pro activity for anyone.

What do we expect of **you**? To become the best Scientologist that can be and get on the comm lines of the world and bring a big win where it counts. We don't expect you to hang up a shingle and have a private practice. We'll respect you if you do. But we'll respect you just as much and even more if you get trained as a pro and go out and up in the world of action and of life.

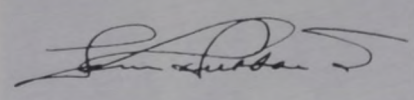

Hit for the key spots by whatever means, the head of the woman's club, the personnel director of a company, the leader of a good orchestra, the president's secretary, the advisor of the trade union – any key spot. Make a good sound living at it, drive a good car, but get your job done, handle and better the people you meet and bring about a better earth.

And stop feeling hangdog because you "aren't auditing full time." Nobody expects you to.

We'll keep centers going to service your needs, some of us, we'll provide ammunition and books. And the rest of us had better invade every activity there is on a high level of success and make our influence felt on the comm lines of the world.

Scientology is the only game on earth where everybody wins.

So let's help the world win.

America is Going Clear

The Los Angeles Clear America Crusade event was an overwhelming success. As was the one in Detroit that same day. And the one in Miami, Florida on the 10th. And the events held in Portland, Washington D.C. and Minneapolis on March 16th. And those held in Buffalo, Seattle and St. Louis on the 17th. The same message echoed through these cities and out across the country; America is going Clear – NOW.

A week later it was the turn of San Diego, Austin, Honolulu and New York on the 23rd . And Las Vegas, Boston and San Francisco on the 24th.

It was undoubedly in this last city, on the Bay, where Americans 'leave their hearts', that the most exciting demonstration took place of what Scientologists are doing as a united force to Clear their country. As speaker Martin Samuels, Executive Director of the Davis Mission, was ending his talk, one Scientologist in the audience, speaking for all the audience (of well over 1000) exclaimed, "What should we do?". Martin proposed that the audience, as one body, go onto the streets of San Francisco there and then and bring, each one, a new person into the Church, just up the street from the San Francisco Hilton where the event was being held, and report back in half an hour.

In a rush of pure theta intention, the assembled Scientologists surged out of the Imperial Ballroom and within half an hour over 600 people were flowing into the Church of Scientology at 414 Mason Street. None had ever been to a Church of Scientology before. And the wins started for them almost as soon as they set foot inside the doors. An introductory lecture and Group Processing awaited them, and within less than an hour, hundreds of people who had gone out for an ordinarily pleasant Sunday evening really knew something about what Scientology was. Many of them are now on the Communication Course in the San Francisco Church of Scientology or reading their first book by L. Ron Hubbard. In most cases, it's **Dianetics: The Modern Science of Mental Health.**

So San Francisco is going Scientology. It's on its way to Clear. Perhaps it will be the first Clear city in America. The competition is stiff. For all the cities mentioned above which have had Clear America events are flat out doubling the number of Scientologists in their areas.

INTENTION: COAST TO COAST

The signs of a Clear America are there. On the radio stations, where reporters are picking up the news that the nation is going Clear – in Las Vegas, Austin and San Francisco, particularly – and Los Angeles, where all the major stations are broadcasting spot commercials for Scientology in a massive publicity campaign. And on NBC radio, Americans will now be getting weekly football commentary from none other than John Brodie, O.T. VII.

And at one of America's most famous crossroads, Hollywood and Vine, people are pouring in off the street to buy books by L. Ron Hubbard and hear an introductory lecture on Scientology at the Los Angeles Church of Scientology's new bookshop there. A Communication Course is given just across the street so the flow for these new Scientologists is swift and easy – they're onto their first course in no time.

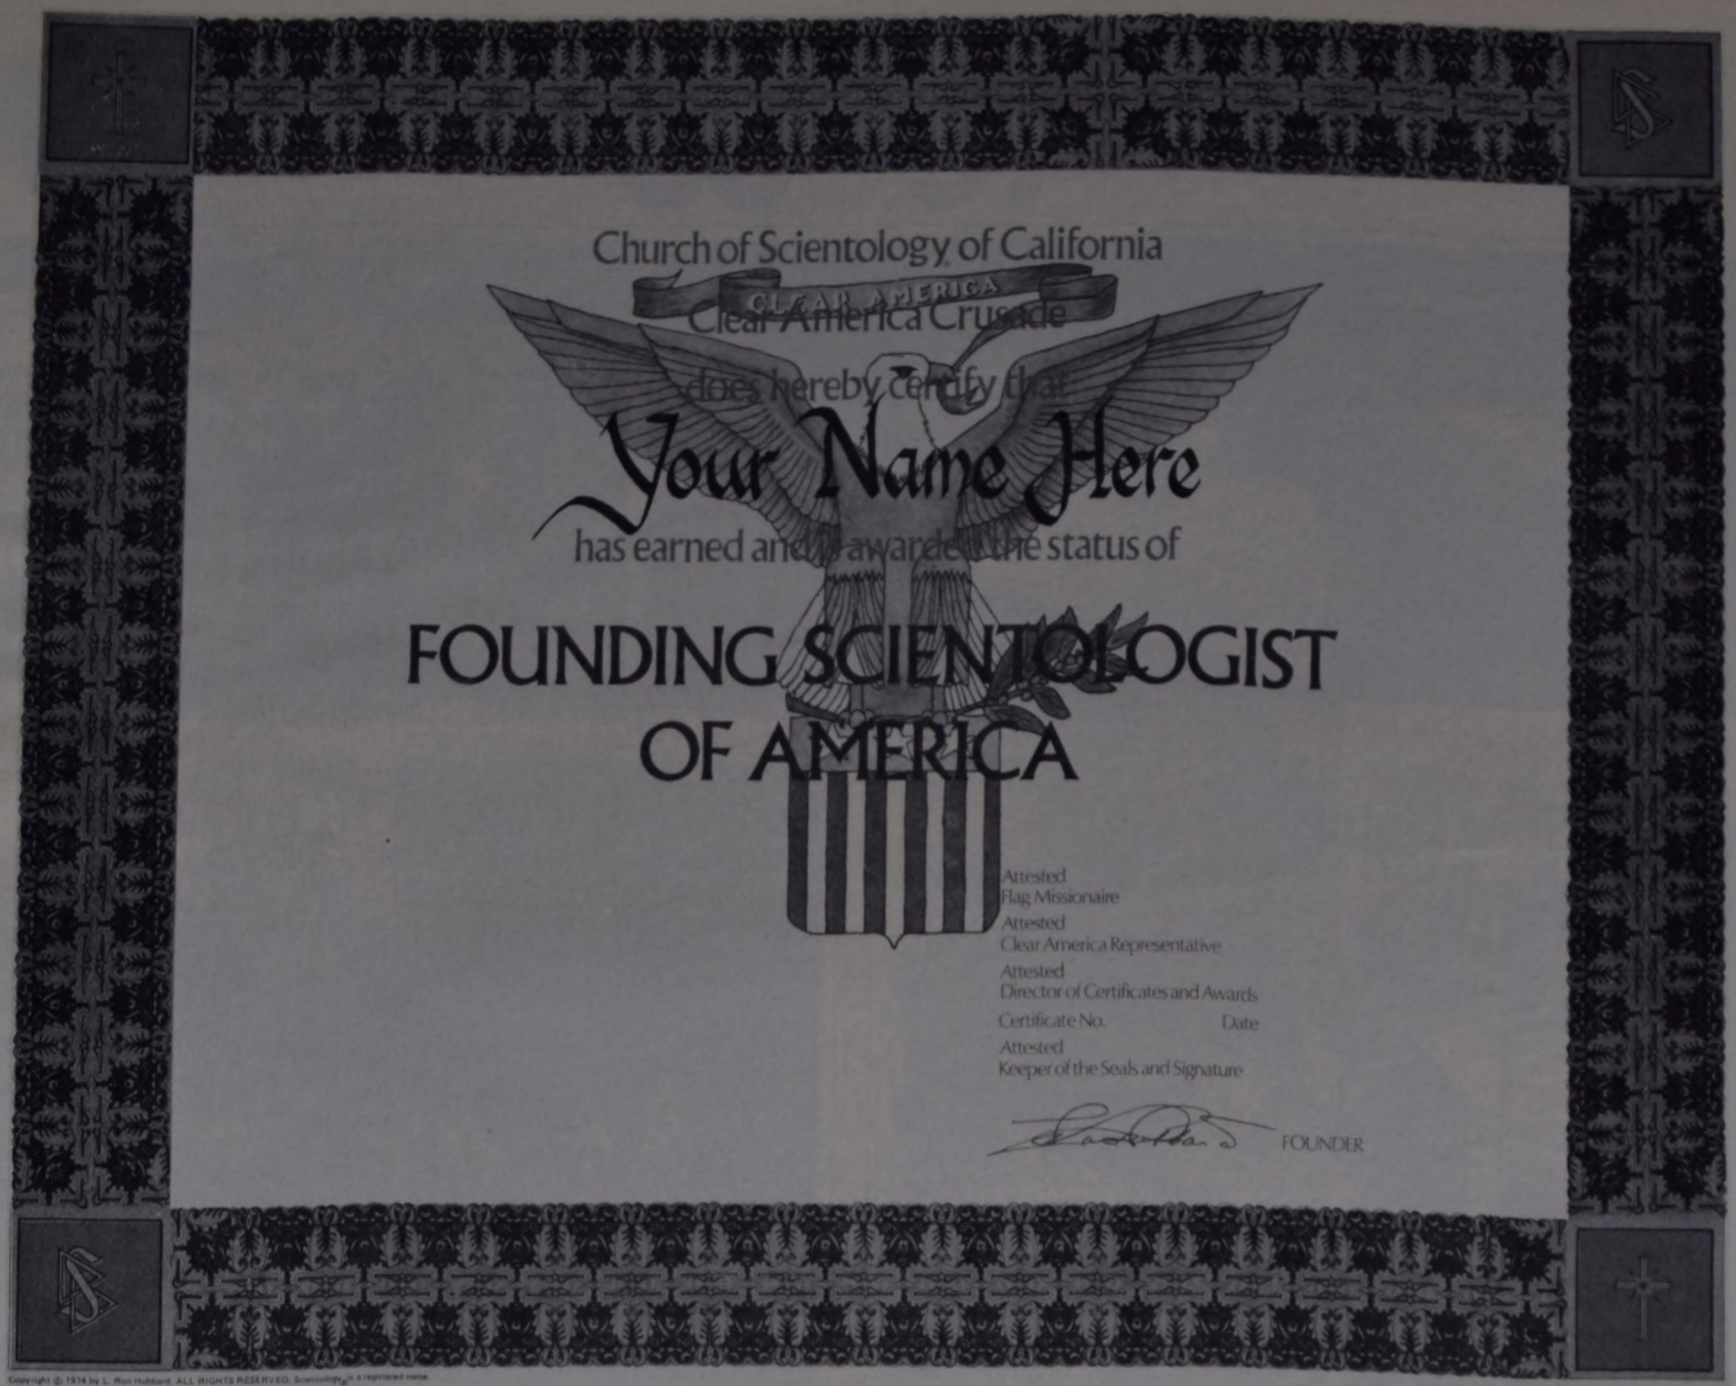

The signs of a Clear America are unmistakeable. In the midst of economic stress, energy shortages, increasing drug abuse and criminality when the social fabric seems frailest, more and more Americans are awakening to the bright dawn of Scientology.

Your responsibility as a Scientologist is clear. Do what every Scientologist is doing. Become a Founding Scientologist of America without delay. Bring one person into your nearest Church of Scientology immediately (and in any case before March 23rd) so that he or she may become a First Generation Scientologist of America. So that he or she may benefit directly and right now from the data and practice of Scientology which L. Ron Hubbard has given his country.

The Scientologists of San Francisco found out what it felt like to just go out and do it! It's easy, fun and guaranteed to give you one of the biggest wins you've ever had. The people of America are more than ready for Scientology. They want to know the news you have to give them, that they can find out about Scientology now. That they can begin life anew. That happiness is real and that they can attain it now and for all time.

So go to it. Now.

Start.

Copyright © 1974 by L. Ron Hubbard. ALL RIGHTS RESERVED. Scientology® is a registered name.

Introduce a person to Scientology by April 23rd and receive this beautiful certificate from Ron.

Suitable for framing, it is lavishly printed in full color to certify that you have played your part in doubling the number of American Scientologists, 'overnight'.

The Clear America Crusade is in full swing.

All of America's Scientologists are participating in this unprecedented drive to bring thousands upon thousands of people into the country's Scientology Churches by April 23rd.

What is required is for each Scientologist in America to bring one person into his local Church of Scientology and see him on his way onto his first course or auditing action.

When you demonstrate (as explained below) that you have gotten one person on his way in Scientology, you will be presented with the beautiful certificate from L. Ron Hubbard shown above. And the person you've introduced to Scientology will receive an equally beautiful certificate as a First Generation Scientologist of America.

HOW DO I DO IT?

With just about everybody in America now eagerly looking for some real answers to the basic questions of life, it's an easy matter to introduce a person to Scientology. And if you've already introduced some of your friends or relatives to Scientology then you know how rewarding it is. You know the feeling of immense satisfaction that comes with placing someone's feet firmly and squarely on the Bridge to Total Freedom.

But even if you've never done anything like this before you're going to be able to win at this game and become a Founding Scientologist of America. Every Church of Scientology in the country is ready to back you up all the way. Here's how.

1) At your local Church of Scientology you will be instructed in the simple and effective techniques of dissemination developed by L. Ron Hubbard. All you have to do is report now to the Distribution Division of your nearest Church of Scientology and tell the Receptionist that you want to be instructed in the use of the Dissemination Formula. A specially trained staff member will give you personal attention and within hours, you'll know just how to go about introducing *anyone* to Scientology.

2) Further, your local Church of Scientology will be happy to provide you with a list of people who have bought a book by L. Ron Hubbard but who have yet to take their first major service in Scientology. These are people who have yet to do a Dianetics Course or their Academy Levels, for instance. People who have yet to receive their first auditing session. Bringing one of these people in for his first major service qualifies you as a Founding Scientologist of America – and the person as a First Generation Scientologist of America.

3) Your Church of Scientology will schedule a special film showing for you and the person you're introducing to Scientology. Or you can arrange for a tape play – there are many taped lectures by L. Ron Hubbard that will inform the person you've brought in and help him to appreciate what you've done by making him a first Generation Scientologist of America. The whole Church is geared to assist you in making a new Scientologist.

HOW DO I QUALIFY FOR MY CERTIFICATE?

By April 23rd you've brought a person into Scientology. He or she has become a Member and taken a Scientology service.

If he was brand new to Scientology – hadn't even bought a Scientology book – you had him take the HAS (Comm) Course or HQS Course.

If he had bought a book before, you got him to take a major service such as an auditing intensive, the HSDC or an Academy Level Course (or Academy Package).

When the person you brought in is now a Scientologist you write to your local Clear America Representative at the Church of Scientology nearest you (see addresses on back page) telling him who your new Scientologist is and what service he started.

Attach the following to your note to the Clear America Representative as evidence:

1) Copies of invoices for the service(s) your new Scientologist has started;

2) An attestation from Tech Services at your Church that the person has actually started the service(s);

3) A copy of your new Scientologist's Membership with his signature on it.

And that's really all there is to it.

The next thing you know you'll be receiving your certificate as a Founding Scientologist of America, either at a special ceremony in your Church or by mail.

And the person *you* introduced to Scientology and placed on the Bridge to Total Freedom will receive his equally beautiful First Generation Scientologist of America certificate.

DEADLINE: APRIL 23RD, 1974

Becoming a Founding Scientologist of America you'll be participating actively in the greatest total group action ever taken in Scientology. And for the greatest goal that ever existed – a Clear America!

But for you and the person you are getting into Scientology to receive your certificates, he must have begun his first service by April 23rd.

So the best thing to do to qualify is – do it *today*.

Remember – every other Scientologist in America is right with you now, doing the same thing you are. The agreement is *doubling* the number of American Scientologists by the 23rd.

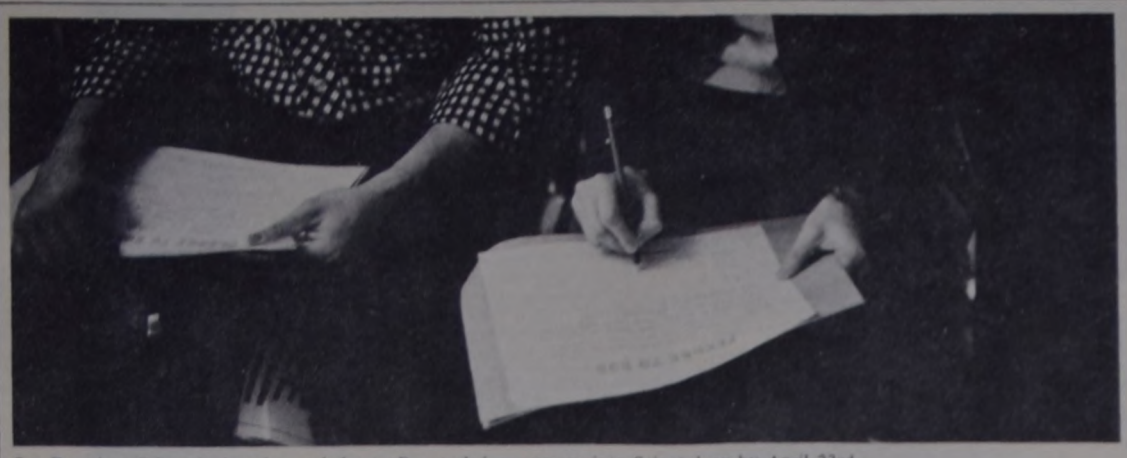

This country's true potential will only be realized when it is Clear. And this is the biggest step ever taken to Clear America *fast!* L. Ron Hubbard is counting on *your* participation.

Realize that there is only one thing you can do that's more important than bringing one new person into Scientology by April 23rd. And that's bringing in *two* new people.

Your certificate is waiting.

The Clear America Crusade Event held at the Aquarius Theater in Hollywood was a smashing success. Characteristically, there was superb entertainment such as that provided here by popular singer Wings Livinryte, Left. Several thousand later applauded Ron's message to all Scientologists.

Founding Scientologist Success Stories

"My experience at disseminating Scientology has been wrought with failure for five years.

"However, after attending the Clear America Crusade program at the Aquarius Theater I got the feeling of how safe it really is to do that action, and how safe and needed Scientology really is.

"With that in 'mind' I merely asked a person who had been working for me to take the Comm Course.

"His no-comm-lag response was "Yes, should I bring money with me?"

Keith Code

"I then took her to the Church of Scientology and she started the Comm Course.

"It was very simple to do and was a successful action in helping Clear the planet as an FSM for the Org."

Tony Hitchman

"It's really great to know that we started somebody up the Bridge – the feeling is one of contributing to the person and to Scientology and the planet.

"It's good."

Larry Evoy

"A girl came to my apartment to sell some cosmetics to my girl friend. I took the opportunity to ask her if she knew of Scientology. She said her sister was in Scientology but she herself knew little about it.

"I set up an appointment with her and then gave her a standard R-Factor on ARC and the Tone Scale explaining how Scientology would help her in her job.

"It's always good to get a person on the Bridge. I'm really happy to be recognized as a Founding Scientologist simply because it is a valued distinction with me. Everybody wins in Scientology.

"And it's great to exchange with the one team that will survive through time, by getting another person to be on the team. It's OK!"

AMERICA'S BEST FRIEND: SCIENTOLOGY

While people from all walks of life have been pouring into America's Churches of Scientology in unprecendented numbers, Scientologists have been active within the fabric of American society.

And making headlines doing it. Diverse programs are underway throughout the country to bring change and improvement to areas of life of vital concern to all Americans.

Applied Scholastics, using the invaluable technology of study developed by L. Ron Hubbard, has been assisting teachers in many states to put to use the basic discoveries which Scientology's Founder has made on the subject.

At the same time, the country's most successful drug rehabilitation program, Narconon, has been hard at work in penal institutions to bring the hope and certainty of dignity and happiness to prisoners of the most varied backgrounds.

And the Church has spearheaded a more inquisitive attitude towards the Internal Revenue Service as a public responsibility. This drive to examine more closely our most vital institutions has characterised Scientology activities over the past few years.

In the field of Mental Retardation, the Task Force has been making recommendations to public bodies based on accurate, first-hand data.

And Scientologists have been making headlines in other ways. Film actress Karen Black currently co-stars in one of the biggest motion pictures of the decade, "The Great Gatsby", while former football star John Brodie announces that he will be assuming a new role as commentator for the nation, covering the weekly football games that attract millions of viewers and listeners.

Pianist Chick Corea (Clear 3000) sweeps all before him in the prestigious Down Beat Magazine yearly poll of jazz musicians the world over.

The list grows. In many towns and villages and cities across this nation, Scientologists are assuming responsibility for artistic, civic and social matters.

And so the exchange with the society in which the Churches of Scientology operate is complete.

America is going Clear. And the Scientologists are the ones who are Clearing it.

AMERICAN ACADEMIES The Basic Skills

This country was founded and developed by pioneers.

Strong people who knew the value of a helping hand in time of need.

Nowadays, the abilities needed to give a helping hand to a fellow American are found on the Academy Levels of Auditor training in every Scientology Academy (see the back page for the address of the Academy nearest you).

On the Academy Levels, you'll learn the *essential* data you need to audit *all* the processes of the Scientology Expanded Grades. Each Level gives you the data and drilling you need to audit one Grade of Release. And you actually do audit that Grade on someone, usually a fellow student. You yourself are then audited on the same processes to that Grade of Release. It's all fun, fast, easy and *very* rewarding. How rewarding?

Well, let's have a look at the exact abilities you and your preclears will achieve, Level by Level.

LEVEL 0 – COMMUNICATION

Most people, at some time,
are afraid to speak.
A man may fear
to ask his boss for a raise.
A wife cannot talk
to her husband
or a child walks
away from a parent –
some subjects are just
taboo, or too painful
to discuss.
A whole world opens up at
Level 0, as you learn
to free a person to speak,
to communicate to anyone
on any subject.
Shyness and barriers vanish.
He likes to talk –
and also has that rare
ability
to listen
to others.
there are no painful or
unwanted subjects –
he can hear what anyone
has to say.
He finds success is his
as he reaches for it,
and happiness
among his family and
friends
depends simply
on his ability
to communicate.

LEVEL I – PROBLEMS

Life seems a continual
round of problems –
and the more
Man attempts
to SOLVE them
the worse they become.
He has problems with
money,
children,
his job, transportation,
dirty cities.
He finds solutions,
but things do not seem to
improve –
he still may not find
happiness.
With the knowledge you
gain on Level I
you'll give a person
the ability to know
and recognize
the SOURCE
of problems
and make them *vanish.*
This is an extraordinary
ability.
You'll be able to give it
to anyone
as a Level I Auditor.

LEVEL II – RELIEF

is so called because that's
what a Grade II Release experiences.
A freedom from
the regrets of
yesterday.
A release from
what others have done to
him in the past.
Man discovers
the root
of suffering
and is free to be
at cause –

LEVEL III – FREEDOM

People often resist
change –
become upset by sudden
events.
They hold a form
to which life
and others
must conform.
At Level III
you give Man
the ability to
experience change
without upset.
He can allow others to be
the way they are
without feeling he has to
change them
to make them more
acceptable.
He grants life
and livingness to others
and can face his own future.

LEVEL IV – ABILITY

Man is basically
good
and loves to be right.
Even when he's wrong
he wants to be
right.
He'll work himself into
a corner
get defensive,
justify his actions,
make others wrong –
just to be right.
Sometimes he winds up
dead right.
AT Level IV you learn to give
Man the ability
to be
right *or* wrong.
He can move out of fixed
conditions,
out of his corner,
and suddenly gains the
ability
to do new things.
He acts with great
certainty
without the need to
justify
or invalidate himself,
shunt responsibility
or demand sympathy.

The conditions covered by these levels are commonly considered to be the inevitable factors of life – people have problems. get upset, worry, are critical and have trouble communicating.

They are *not* inevitable.

Academy students learn the exact mechanisms behind each of these difficulties, why they come about, what can be done and how to do it.

So it isn't hard to see why the Academies of the Churches of Scientology right across this broad land are filled with people who want to know – who want these abilities for themselves and others. These are the people who are moving towards the Saint Hill Special Briefing Course. These are the people who are getting ahead, assuming a position of *cause* in a troubled, shifting society. These people are learning to audit!

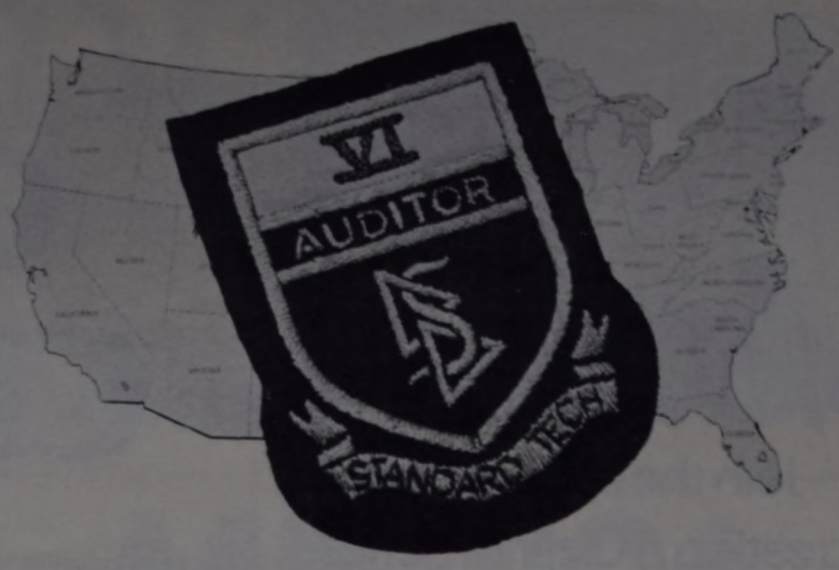

Take a tip.

Join them now.

America is being Cleared.

Get into the Church of Scientology nearest you and find out what it's really all about. An Academy full of abilities awaits you there.

Right across the United States, Scientologists are learning to give others these abilities and, as a partial reward, getting them in return.

Gain the abilities you want to help Clear America on The Briefing Course.

The retail value of the LRH tapes alone on this course is over $5,400. Yet the donation for the entire Briefing Course is only $775.

America needs help to go Clear. The evidence is all around us.

National statistics tell the story. Criminality, managerial out-ethics, alcoholism and drug abuse, personal loneliness and depression, unemployment and a sense of meaninglessness . . . all are on the rise – the fabric of American life is getting tougher.

It takes ability to survive. It takes real abilities to help. As a Scientologist you are already in a good position to survive and to help.

As a Briefing Course graduate, you'll be able to work wonders.

For the Briefing Course contains the data that's basic to what life is all about. And the Course itself gives you the abilities to use that data. Abilities that aren't always associated with the training route to Clear and O.T.

Sure, everybody knows that a Briefing Course graduate is an expert Auditor with a great command of the technical materials of Dianetics and Scientology.

It may be a bit less obvious that a Class VI has true mastery in virtually *any* life situation. That a Briefing Course graduate doesn't get stumped by life. He or she really knows what to do to improve conditions. The Class VI is able to be at *cause* in the common twists that life throws one's way.

As a Briefing Course graduate you'll have the ability to resolve situations that baffle others, even other Scientologists.

A child is upset, a neighbor in trouble, a friend on the spot or headed in the wrong direction. As a Class VI you have the ability to do the right thing every time. The effects you create will seem miraculous to others – they'll just be second nature to you.

If all of this sounds a bit O.T. to you, remember L. Ron Hubbard has said that, "Training is definitely, definitely, definitely a part of the route to O.T.".

THE HEART OF THE TRAINING ROUTE

The Saint Hill Special Briefing Course, just the way it's done at the New American Saint Hill Organization, is really the heart of the training route.

It's the longest, most complete course in all of Scientology. Yet, at that, it will only take you a few short months to complete. It'll only take you a few short months to have the most precious abilities in the world. To be a key participant, as a Class VI Auditor, in the Clearing of America.

Because the Course is laid out on a beautiful gradient that makes learning and application easy.

In *chronological* order, you'll be studying the entire research line of Dianetics and Scientology. You'll be following in L. Ron Hubbard's footsteps as he makes the breakthroughs and develops the technology to resolve the most common difficulties in life, predictably and safely, every time. No other course has *all* this tech.

Over 360 taped lectures by L. Ron Hubbard (lectures delivered by Ron to Briefing Course students at Saint Hill, England, in the early '60s) form the core of the Course – a treasure house of data about all aspects of life and auditing –and there is much more to come.

You'll be studying all the Bulletins by Ron that tell you how to be a truly expert Auditor, you'll learn all the 'tricks of the trade' that only a Briefing Course student gets to know about.

And you'll do plenty of actual auditing. You'll be auditing some of your fellow Briefing Course students on the materials that you've studied. Of course you'll have the opportunity to receive auditing yourself on the amazing Expanded Grades, free of charge. You'll be perfectly set up to have your Power Processing before you complete the Course. (At ½ price as an SHSBC student.)

With the Solo Course thrown in free as an added bonus, what could make more sense than doing the Briefing Course?

YOUR NEXT STEP

These are the prerequisites to your Briefing Course at the New American Saint Hill Organization.

1) Class IV Auditor

2) Hubbard Dianetic Counselor

3) Super-literate (The Primary Rundown which makes you Super-Literate is awarded you free when you've made your full donation for either the SHSBC or the Academy Levels to become a Class IV).

If you are Clear or above and a Hubbard Dianetic Counselor, there is no further prerequisite.

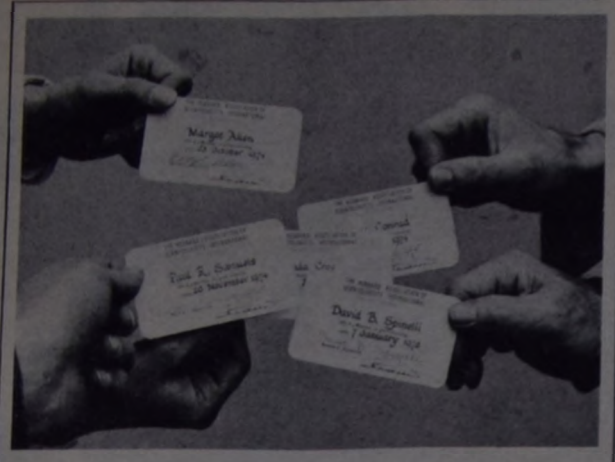

If you have yet to complete any of these prerequisites, the time to do it is NOW.

For the sooner you start the SHSBC, the sooner you'll have the abilities of a Class VI – the abilities you have always wanted, the abilities America needs.

Go Clear.

The great religious leaders of all ages sought a way out of the confusions and traps of everyday existence to a new state for all men. L. Ron Hubbard found the way. The State is Clear. Their hopes and expectations have all been fulfilled.

The State of Clear that men and women of all ages have sometimes dared dream of is here waiting for you now.

It is a new State in which you will be your true self. Calm and serene. Free of your Reactive Mind. (The Reactive mind is fully described in L. Ron Hubbard's gigantic best seller *Dianetics: The Modern Science of Mental Health).* Free to think the thoughts you want to think and be the way you want to be.

Buddha, Socrates, Mohammed, Confucius, – the sages and spiritual leaders of all ages – knew that higher states of existence could be reached. What was missing was a predictable way to get *everybody* there.

L. Ron Hubbard, American writer, explorer, scientist and spiritual leader found the way and has made that way available to all, regardless of race, religion or creed. The way is Scientology and it leads straight to Clear.

You can be Clear.

The prerequisite is that you attain Grade VI Release on the Solo Course, which also teaches you everything you need to know to audit yourself.

When you have attained Grade VI Release and gained the skills you need to solo audit (until Grade VI you'll be audited by another) you must move right on to Clear.

For full details, write the Letter Registrar at the Advanced Organization, 916 S. Westlake, Los Angeles 90006, California. This is the only place you can go Clear in America. Write her today.

There is a donation for the Clearing Course of $800. If this is given well in advance you benefit from a 5% discount.

You've had to wait a long long time for Clear. Don't wait any longer.
