DECLARATION. ~~FRATRUM~~ Initiationis.

Considering that,on August 14th.of I934,the delegates of various Initiatic Orders and Societies decided to create an Universal Federation of Initiatic Orders and Societies(F. U.D.O.S.I.);

Considering that said Federation had an helpful activity,grouped some isolated Initiatic movements,exposed some impostors of the Initiatic domain and organised the international Initiatic work;

Considering that the Federation granted to each one of its affiliated members complete independence with regard to its administrative and doctrinal work;

Considering that it appeared,in the long run,and particularly at a recent date,that some of the affiliated Orders were teaching different doctrines in the same country(for instance:for,or against cremation);that their conceptions of true Initiation and its secrecy appeared contradictory to,or incompatible with,each other;that it is impossible to conciliate these conceptions and avoid doctrinal or historical debates between the Orders;

Considering that,in the higher interest of Initiation,it is not desirable to bring these disagreements before public opinion-which is incompetent in such matters-or to transform the Federation into a Law-Court of Initiation;that it is preferable to admit loyally and in a friendly manner that it is impossible to unify or harmonise opposite teachings,the representatives of the Orders who freely created the Federation in Brussels,in I934,decide to freely dissolve it now;

FOR THESE REASONS:

It is unanimously decided that:

I.-The FUDOSI is dissolved on this day,I4th.of August I96I;

2.-Each and every one of the affiliated movements will maintain its initiatic autonomy and independence,without being bound in whatsoever manner to the other Orders;

3.-None of the Orders previously affiliated to the FUDOSI will be allowed to reconstitute it without a written agreement signed by the Orders Founders,or may take advantage of it in the future;

- 4.- The present declaration will be published by the various Orders in their own publications without any commentary.- Brussels,the 14th.of August I9[illegible]
