PERFECTION PERSONIFIED

Lady Vancia Speaks - CP

PERFECTION PERSONIFIED - that's what you are! And that is the most important thing you have to remember in seeking to experience your own state of Incarnate Christhood. You have to build your own self image of perfection if you want it to manifest. You must learn to CONSCIOUSLY "be perfect as your heavenly Father -(your Inner Source of Selfhood.) is perfect" ALL THE TIME, day and night. You'll notice the Bible doesn't say you are supposed to ACHIEVE perfection, or even STRIVE to attain it. It just tells you to CONSCIOUSLY BE what you ALREADY ARE to the point where your body and outer affairs automatically reflect NOTHING LESS than your REAL state of Divinity.

"If thine eye be single, thy whole world shall be full of Light." Naturally Light is synonymous with the Divine Perfection of God, and when your "eye is single," it sees ABSOLUTE PERFECTION EVERYWHERE. The saying that "what you see is what you get" has never held more true than it does in this case, for to see yourself as God and perfect, is to mirror your Godhood in all Its Perfection "out there" in your everyday world. That is the only way you can change the outer. YOU are God, and God is omnipotent, omniscient and yes - OMNIPRESENT. If God is everywhere present, what is there to make anything of but "God-stuff" which is Perfection. If you see it differently the mote is in your eye. Therefore to "Get still and know that I am God" to the point where this really becomes your true self concept, will cause you to manifest your Divine Innate Perfection into your physical personality and all your surroundings, and moreover, to see it reflected back to you in your every experience, as well as in everyone you meet as you go about your daily life.

You encounter people because you consider yourself to be one. "When we see Him, we shall be LIKE HIM." Why? Because your neighbor is really nothing but God manifesting as the LIVING MIRROR - image of what you believe can be true about YOURSELF! That is why you have been warned to "judge not by appearances." It's said that Adam "fell" when he began to see BOTH good and evil. His opposing mental patterns then created these conditions of the ever changing "screen" of his environment, which your Bible calls "The Holy Ghost," and he has had to"reap" the unpleasant results ever since. There is a difference between the Holy Ghost and the Holy Spirit. The Holy Spirit is YOU, the wholeness of you. That is the thing that you feel when your chakras are opened - when in meditation your hands "draw" and your heart center is open. That is the Holy Spirit that comes when the Christ is accepted in your heart. As your Bible says, "When the Christ is accepted in your heart, then the Holy Spirit comes to dwell with you." You feel your own divine Holy Spirit and you can project it and you can use it. But the Holy Ghost is the outer reflection of what you believe yourself to be, tho as a part of the Trinity it is meant to reflect the perfection of a God. The "single eye" that fills your world with the Light of your own "Divine Inheritance," so to speak, sees NOTHING but ABSOLUTE OMNIPRESENT PERFECTION,

not only in yourself, but EVERYWHERE in EVERYONE and EVERYTHING! However, man has refused to do this, and that's why he goes on living with manifestations of discord, lack, sickness, pain and suffering until he gives up his worn-out ravaged body into the final fatal illusion called "death."

You humans keep on indulging in the folly of comparing the "bitter with the better" instead of seeing the ultimate of PERFECTION as the truth about yourselves, even tho the Master insisted "ye are Gods!" in the flesh, and isn't a God always Perfect? In fact, even some of your sincere "practitioners on the Path", go right on treating their patients for health as opposed to sickness, when this is actually recognizing the existence of disease. Body health and illness are CONDITIONS resulting from human thought. They are part of the "ying and yang" which "Adama" of your Earth COMPARE, in order to decide the degree in which each appears as a part of your reality.

On the other hand, PERFECTION is GOD. The two are ONE and the same and Perfection requires NO comparison at all. It simply IS, and It's also immortal. That's why Perfection is the state of the Master. He has nothing to overcome, and so He recognizes NOTHING but His own Omnipresent, Omnipotent and Omniscient Divinity, which is His ONLY Self, can successfully take command of his body and world, and of every experience He has on the physical plane. His soul has been deliberately programed BY HIM, to reflect Its absolute Perfection into his human personality, and yes, into EVERYONE he meets as well.

That is how Jesus accomplishef His healings, and how He raised His dear friend Lazarus from the "dead". He simply "knew the Truth" about Himself, which allowed Him also to know the Truth about them. Therefore, to the degree in which they were able to come in tune with their own vibrations of Perfection, due to His strengthening thought, they were freed from their diseases, and even from mortality, itself. This, of course, explains why there were some suffering souls which He couldn't heal. Since all Mind (or God) is ONE, those whose Spiritual Radiations were amplified by the Master's recognition of their Divine Wholeness, felt the upliftment enough to get well, while those wallowing on a different "wavelength", you might say, remained enmeshed in the illusion of discord they, themselves, had created. It is all self created.

To be told CONSTANTLY to see and insist on Perfection EVERYWHERE in EVERY thing and condition you face may seem like a big order, even for you on the Path, but until you're WILLING to reprogram your soul to do just that, the Incarnate Christhood you seek will continue to elude you. In man's present state of self awareness, he goes right on "eating" or rather appropriating the results of his mental patterns concerning BOTH good and evil. In fact, he's been manifesting these conditions due to his opposing types of creative thought for so long, he thinks recognizing Perfection alone would be trying to "live a lie". At present, he considers it impossible to "BE perfect". Meanwhile, if he would simply refuse to judge by the self-created outer appearances, he has thrown on the screen of his omnipresent Holy Ghost, such manifestations would soon begin to fade and finally vanish from his sight. After which he'd be back in the "Garden of Eden" as your Bible puts it, where perfection is all that there is.

How do you know that you can't get rid of discord by seeing Perfection alone in its place, until you do this enough to materialize that perfection in your realm of time and space? The answer, of course, is that you don't, yet the failure to realize this has discouraged mankind from manifesting Christhood for themselves thruout the ages. Isn't that ridiculous? No wonder Jesus shook His head and exclaimed, "Oh, ye

of little faith!" Why go on sowing the seeds of discord, lack, sickness and trouble just because you planted that same ugly crop in the past? Stop feeding these monstrosities with your thoughts and watering them with your tears. Plant the idea patterns of perfection instead. Let the old false beliefs go! Let them die by your deliberate refusal to recognize ANY condition in ANYONE or ANYTHING less than total perfection and wholeness.

It may take self discipline to eradicate these destructive ways of thinking, but didn't Jesus tell you, you were Gods and that with God ALL things are possible of accomplishment. They say it takes 3 weeks to break an old habit. Do you have any idea of the Spiritual progress you could make if you stood guard at the portal of your mind for just that little space of days and refused to admit thoughts of anything except the true perfection of everything and everyone, including yourself? You would totally revolutionize your life. Try it! Really try, and soon you'll have so much proof of this Truth, you will want to go on thinking like that forever. Almost ruthlessly, in the light of human belief, the Master-to-be gives up his free will "right" to look at or listen apprehensively to the evening news. He stops worrying over the world situation, not because he doesn't care, but for the good of that world itself, since one well along on the Path has such an increased power in his thoughts that he could saddle an already discordant condition with the very outcome to be dreaded the most, and he (or she) can do this by merely devoting ATTENTION to the difficulty.

Because those of like mind flock together, the Adam personalities who haven't identified themselves with perfection alone, now see and experience the wars, calamities, accidents, lack, pain and sorrows that plague mankind on Earth. That's why similar troubles come to those whose lives have been led in a particular locality, a particular race or within a particular set of beliefs. Like thought vibrations produce like results, and this discourages many who come to feel that because a problem is so common, it must be almost inescapable. Meanwhile, however, nothing could be farther from the truth, so follow and believe the urging of your Own Divine Self, regardless of appearances or what usually happens "out there". I am speaking especially to all you Dear Ones on the Path who have open heart-centers and can feel the Holy Spirit of YOURSELF stirring within you. Remember! I said to follow YOUR OWN Inner "voice" and if the words of another, be he church authority, enlightened soul or even a Master in the flesh, does not agree with what you've learned within, what he's saying is NOT THE TRUTH FOR YOU!

Man insists that everyone should "keep himself informed," and by this he means you must look at things "as they are", or rather as they are manifesting today in your world. Nonsense! Don't you believe it. Jesus said, "What is that to thee? Follow thou Me (the Inner Christ in your secret heart.)" Only by doing that will you reach Mastery and be able to actually help the poor old world that seems to be in such pain. You're told to be "sympathetic" but "sympathy and compassion" are two different things. The former implies lying down in the mud of discord and sharing it with some grieving "victim" of circumstances. The latter however, entails knowing the real Truth about that sufferer and knowing it so strongly that your belief in his Divine Perfection will help to lift him nearer and nearer to wholeness and safety in his OWN world of experience. If you really feel "good will" toward someone, you will know he, too, is a God at heart. You'll consider him (or her) to be as perfect as his source of Divine Identity and your enlightening thought will raise his own self awareness closer toward that level of Being. The Christian Scientists, Unity students and other New Thought groups have always successfully used this method of "treatment". Let me tell you that when all of you dear ones become Christed enough to see yourselves and each other as totally and absolutely

perfect manifestations of God in the flesh, you'll witness even more cases of healing and instant regeneration than you've ever seen up till now. Of course, such Spiritual "practitioners" are to be congratulated. They are forerunners of the race. Still the time must come during this new Aquarian Era, when EVERYONE will be his own priest. Then old age and disease will be conquered at last and the final enemy of death will be overcome.

I repeat, if one has faith FROM WITHIN HIMSELF as small as a grain of mustard seed, so that he doesn't act in a certain way just because someone else says he should have that faith, then he's REALLY READY to "move the mountain" that stands in the way of his happiness or well being. To reach that point is the goal of every emerging Master. Therefore, search your heart for guidance. Know thyself as a projection of the Living God! Follow your inner voice faithfully and as you continue to do this, your Christhood will unfold like the beauty of a rose. Then, of course, I'll have more to tell you. Jesus, Himself would have given His disciples greater knowledge had they been fully in tune with it. Instead He declared, "I would tell ye more, but ye cannot bear it now."

Like His followers of old, you'll soon be ready to receive and use this kind of spiritual "nitty gritty" so to speak, but until then - until your own inner Light fully illumines the pages of your soul, let the RECOGNITION of PERFECTION ALONE become your watchword, regardless of the thoughts of others and the appearances that have been projected on Earth. Try this, Beloved, and see the "wonders of the Lord" become manifest in your daily life.

In Love, I am Vancia, the spokeswoman

HUMANITY - THE NEWBORN CHILD

I was a child in poverty
A ghost-flame in the night,
But I who am born to the dawn of Day
Have set the past aright:
I who hungered so much to serve
With all my tiny mite,
Rejoice in my real identity:
I TOO AM THE TRUTH AND THE LIGHT.

EMOTIONAL CONTROL

Greetings. This is Matton. I am going to speak to you on the need for emotional control. You have just experienced a terrific wind storm here. Other parts of your country have had earthquakes and floods. In different parts of the world there have been similar upsets. One can truthfully say that the elements have gone on a rampage. There is no stability. If there were, these things would not happen. Now you are going to say, "Why can't they be controlled?" They were controlled once, but man has done his bit to upset this stability. You think when you experience these winds that Nature is at fault, but I tell you it is man who is at fault. He has let loose into the atmosphere around his world, hatred, envy, jealousy, etc. and his emotions have driven him. They have caused wars, family upsets, and have led to other problems such as drinking and drugs. Man in his emotional upsets causes the same amount of trouble in his way that the elements cause. It is man's instability that causes the winds and waters to react the way they do, and causes earthquakes. One thing affects anohher. That is why I have stressed balance in all your emotions. Whenever you let loose you encourage the elementals to do likewise, and that is not saying how you affect those around you.

Now just think, when a great number of people are doing these things, what shocking conditions are caused by their lack of control. One nation affects another; one state affects another. Races affect races, and the whole world becomes a turmoil. All of this caused by man who has not been able to control his emotions. Today it is a little late. Already so many strong vibrations have accumulated and affected the elements that certain rampages of Nature have to take place. But man can start from here and begin to control his emotions. Before man lets go he had better realize what trouble he is liable to cause. It is just as if you were driving a car and saw someone crossing the street in front of you, but you refused to put on the brakes because you didn't want to slow the momentum of the car. When you lose control of yourself, of your emotions, it not only creates havoc around you, but goes out much further than you think. It spreads out and out, affecting so many and so much. Man today must realize his obligations to life. He cannot just blame this or that situation or condition. He must grow up and learn how to control situations and conditions. He has the power of control within him if he will but use it. But man acts like a little boy who does not wish to be thwarted. Man is on this planet to learn. Some of the lessons are not easy, but you cannot expect that everything comes easily. If it were so easy you would not appreciate the things you had acquired. Without effort it would mean nothing to you. Each one must work for what they get. But the work need not be irksome. A lot of it is up to man and his attitude towards what he does. But it is most important that man control himself emotionally because the time is coming when the elements have to be controlled, and man will have to do that.

The elementals that go on a rampage are desirous of making their evolution,but they feel frustrated. They are, as it were, enclosed in a capsule like atmosphere and they cannot help but reflect man's attitude. It bothers and annoys them. It irks them, but they feel tied because they are lesser beings, if you wish to express it that way. Man comes first, in all ways, yet man often creates a very deleterious atmosphere around him which is certainly not conducive to harmony. Man must stop these puerile attitudes and really begin to think. Man must begin to recognize his God given responsibilities because he has been given many gifts. Let him use them wisely. Let him think and ponder before he acts quickly. Let him consider the consequences of his conduct. I am speaking to you of these things because I want you to realize the importance of emotional control. Matton

The THIRD PART of an "Unpublished Letter" of ANNALEE SKARIN

YOU SHALL COMPREHEND EVEN GOD

Thus He does abide in us. And we abide in Him as we learn to live in this consciousness, or awareness of this inner Light, turning to it in every thought, rejoicing in it; and this is truly "Walking with Him" as did Enoch of old, and all the noble and great ones. They walked always in a conscious, minute awareness of this divine Light within them - following its instructions, speaking as it directed, and permitting it to shine forth. It is all a state of awareness. This awareness is the contact, and it is power, as one develops the faith to understand. It is time that you must step from the period of fears and darkness into this conscious awareness, or as given so many times in the scriptures "And who overcome by faith, and are sealed by the Holy Spirit of Promise, which the Father sheds forth upon all those who are just and true." D. & C. 76:53. This Holy Spirit first promises these great and glorious things, as you overcome the doubts and fears within you then comes the fulfilling of these divine promises. It is time that you must know that nothing is impossible. NOTHING IS IMPOSSIBLE. "ALL THINGS ARE POSSIBLE TO HIM WHO BELIEVES." Do you believe this? If you don't believe it, why not? Did God lie? Is He incapable of fulfilling His promises? Or is it that it just does not apply to you? Do you believe that all things will be subject unto you if you cast darkness out of your mind and soul and heart, even all things that are in heaven and on earth, the light and the life, the Spirit and the Power of Almighty God? If you don't believe this, why don't you? Was it given of God? Did He mean it? Can He fulfill it? Does it apply to you? If you know that God did not lie then you must realize that it is up to you to fulfill it.

Now I am going to share something with you that is going to take all the faith and power you possess in order to accept, because we have been so sealed against this scripture, and clothed in the traditions of the fathers. Joseph Smith taught many things about God before he received the full information. This higher knowledge, the information which will come in the record of John when it is revealed, and which I could not write into this book, is revealed all through scripture if we would only open our eyes to see, and our souls to understand and seek through this divine Light within us to comprehend. So, if what I include from here on sounds like blasphemy, then please in all the love and humility of your heart go to God, and continue to pray until you know for yourself, and are given the power to comprehend even God, for when you do comprehend Him it will be neither with the carnal nor the natural mind, but with the Spiritual mind.

John 6:56 "He that eateth my flesh, and drinketh my blood dwelleth in me, and I in him." This flesh is the "hidden manna" mentioned, and means this spiritual contact. The drinking of His blood means to partake of the Spirit of Life freely, or receive that constant lifegiving force so that from his heart may flow fountains of living waters. For as He Himself states at the end of the chapter, "My flesh profiteth nothing, but what I tell you is spirit (and has a spiritual meaning).

(Greek New Testament: Emphatic Diaglott) John 14:23 "Answered Jesus and said to Him; if anyone love me, the word of me he will keep - and the Father of me will love him, and to him we will come and a dwelling with him we will make." Keep in mind this word dwelling, then notice in the same translation of the beginning of chapter 14 it states, "In my Father's house are dwellings many." We are His dwellings. "The elements are the tabernacle of God - yea, man is the tabernacle of God, even temples." D & C 93:35.

"No man hath seen God at any time. If we love one another, God dwelleth in us, and His love is perfected in us. Whosoever shall confess that Jesus is the Son of God, God dwelleth in him and he in God. And we have known and believed the love that God hath to us. God is love, and he that dwelleth in love dwelleth in God, and

God in him." I John 4:12, 15-16.

"That Christ may dwell in your hearts by faith that ye be rooted and grounded in love, may be able to comprehend with all saints what is the breadth, and length and depth and height (which is to comprehend all things). And to know the love of Christ which passeth knowledge, that ye might be filled with the fullness of God. Eph. 3:17-19.

"Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no more can ye, except ye abide in me. I am the vine, ye are the branches; He that abideth in me and I in him, the same bringeth forth much fruit; for without me ye can do nothing. If a man abide not in me, he is cast forth as a branch, and is withered; and men gather them and cast them into the fire, and they are burned. If ye abide in me and my words abide in you ye shall ask what ye will and it shall be done unto you. John 15. God is in the midst, or very center of all things. He is the life in all living things, the intelligence in the atoms, the love in the hearts, the power in the souls, the desires of righteousness reaching out for expression and fulfillment. Or, as the scriptures state, He is all, and in all. This is why Carver could talk to the flowers, and their intelligence could be contacted by that same intelligence which he had developed within his own soul. This is how God spoke to Moses out of the MIDST of the burning bush. "For HE IS IN THE MIDST OF ALL THINGS."

"It is no longer I who live, but Christ who lives in me." Gal. 2:20. If you can possibly take hold of this knowledge then you will understand how you become the greatest, though you have been the least, how the little mortal self steps aside, and this great magnificent power and intelligence of God takes over - and you will have all things subject unto you, both in heaven and on earth, the light and the life - the spirit and the power. If that which has all power, and all knowledge, and even the power to quicken all life, and contains the very record of heaven, then you will know that it would have to be God, and again, only such a great God could possibly be Omnipresent (everywhere present), Omnipotent (all powerful) and Omniscient (all knowing). We have belittled God and made Him in our image. We are in His image, for we are made of Him, and in Him welive and move and have our being, and in us He lives and moves and has His being.

I can understand what a great shock this is to you. It took me many months to comprehend it after it had been revealed to me. I just wasn't large enough to encompass such knowledge. I used to curl up on Reason's lap and drench him in tears, for I comprehended with my physical mind, to some degree, but my spiritual mind had not yet received its great illumination. But in order to receive that great illumination so that you can truly behold the face of God, you have to be prepared mentally. Then you will behold the face of the true and living God in all existing things - in every man - in every plant - in every atom. You come home like the prodigal son, and know that you too belong, and that He is nearer to you than hands and feet. You can whisper and He can hear and will answer, and you know that this all-wise, all-loving, glorious Father is Spirit, and that you too are Spirit. You will receive of His fullness, or be completely filled with His glory and with Him,, and your forehead shall receive its seal, and all power will be yours. We have been traveling in the worm-consciousness. But we are Gods, as we step forth into the majesty and greatness for which God created us, instruments to manifest Him. His body is the universe - ours just in exact replica, possesses all that He possesses - His powers, His intelligence, His destiny. "Ye are Gods" as you begin to manifest God - for it is the Father within who doeth the works. So within you is that divine Spark of your great Sire. He is your God, and my God is the same God as He is manifest and brought forth within me. This is what Christ tried so hard to teach, but it has been so terribly corrupted and its truths lost.

What about Joseph Smith's vision and the very foundation of Mormonism? Ask yourself about that. Pray about it, and you will know that God appears in the form of men. Moses represented God - or was God to the Egyptians. Christ was God, for He manifest God in His life and works. You too can become THAT, and as you develop the faith to accept it. This is the knowledge contained in the Book of John that is to come forth. I ask that you study the scripture upon the subject - that you open your mind, and that you pray about it, and prepare yourself for the great illumination when you will behold the face of God. Yea, behold His face in all things, for He is all, and in all. "For He is in all things, and through all things, and round about all things and in the midst of all things." No truer words were ever given to man. I have never thought that I could write these things, but to a few I have been given the permission to share them, for time for us has almost run out and we must be prepared for our ordination to become even the greatest, and to be clothed in light, and to be prepared in power. I ask that you guard these things well, for to any who are not prepared to receive them they will sound like blasphemy, and they may desire to take your life.

If this blinds you, if it is most painful to you, if it distresses you I can truly understand. For this was the greatest test of my life, and so painful as I struggled to open myself to comprehend truth, no matter how I had to whittle down my pre-conceived ideas, or add to my orthodox beliefs. I finally fasted, and pleaded with God to open wide my soul to comprehend, that it made no difference to me what He was, but I had sought Him diligently and I had to know what He was, regardless of what it did to me. Then everything my fingers touched, everything my mind contemplated, everything that came before my eyes began to bear witness of God, and I knew how He would be mindful of the sparrow's fall, and understood those deep, glorious teachings of Christ. "The Father within, He doeth the works." The Father within you is the only one who can place this divine crown upon your head, and you have to believe and step forth into FAITH and then actual KNOWING, and then POWER.

You say that you would give anything on earth to be able to step from fears and doubts into the light. It is a very simple thing. It is just a matter of worshipping and adoring, and praising and giving glory to God with every thought. "And he who is thankful in all things shall be made glorious, and the things of this earth shall be added to him a hundred fold; yea more." Just give thanks constantly, if need be. This is the key of Light. It is the eyes single to His glory which are required to eliminate the darkness that you might be filled with Light and comprehend all things; and have His face unveiled unto you, and that will be the receiving of His fulness, and you will truly behold the Faith of God. Oh, it is so beautiful! Then you will know of His power, His love, His nearness, and you will become ONE with Him. Please, dear, get ready for it speedily. It is so necessary that you comprehend all things just as quickly as possible. Now you understand how those who fight against this work will lose the Light (which they have), or that contact with that Inner Light of Christ, and cannot possibly receive of this greater Light and knowledge We must continually send out more and more love as we worship and adore and rejoice.

THE FATHER AND I

1. The Father and I work together,
   This is His Godly Plan,
   All things done in His Name -
   Ultimate design for man.

2. My Light is a part of His Light,
   There for all the world to see;
   My Love is a part of His Love,
   His Presence acting through me.

(After Rev. Frances McKay continued on her trip to California, in meditation she saw a vision of the City of the Sun. We are honored to share a part of the vision:

"Suddenly I knew what the City of the Sun Foundation really means, for you are indeed, the perfect Foundation for that great community of the future! The Father spoke and told me that He has sent His specific representatives from many types of enlightenment into your group - that each of you have come a different path into Truth, and this will enable you to pave the way for all kinds of advanced souls to come forth and live in your city as examples of the highest of all mankind. It is you dear ones that the Father has chosen, and who have thus Volunteered to form and support the foundation of that magnificent city in the coming New Age.

"I was amazed at how many Spiritual Paths were represented among you! Each of you is a "Door" to some phase of the Light. There were some interested in the elements of pyramid energy, some seeking to understand the secret of rocks, which are the "Masters" of the Mineral Kingdom. You have an astrologer, a geneologist, a flaming haired"seeker after all Truth", a Bio-rhythm enthusiast, those with dietetic health knowledge, a Spiritualist clairvoyant, a love-filled healer, a blessed channel, and organizers who can get all this PLUS Truth from around the world as well, down on paper and send it out to those it will help the most.

I haven't named all the Paths to God represented among you, of course, and I noticed you even have highly intelligent little domestic animals who've been selected to lift those of their own kind by simply being their magnetic irresistable selves - also birds, ducks, chicken and fish, whose vibrations will influence the kingdoms of life other than mankind. (Could this be reminiscent of "Noah's Ark?)

Dear Ones, you have among you so MANY examples of Divine manifestation. The Father will lead each of you FROM WITHIN, because "HE" WANTS to experience Himself THRU YOU as the Source of your Identity and Its limitless fulfillment. He NEEDS your individual talents and interests for this great "Melting Pot" of the Fires of Spirit in man, called The City of the Sun!

Your very diversification will make it so much more attractive to so many more kinds of enlightened seekers of Truth, and that's why each of you has been called to this point on the Earth - to contribute and "do your thing". Because of your diversity, this future City of the Sun can be saved from becoming just another One-sided community steeped in the static state of single "Creed Worship".

You are all Leaders of the group in your own right, working together to build this wonderful prototype city for the future enlightenment of man on Planet Earth! This can be accomplished thanks to a blessed "Messenger of the Gods", named Rev. Wayne Taylor, who with intelligence and power was intrusted to make your work as easy as possible out of Unselfish Love. You are indispensable instruments of The Light chosen so there will be "something for everyone" destined to seek the Truth and live at this point in New Mexico that the Masters have selected for this real City of Gold."

- - - - - - - - - - - - - - - - - - - -

"Never try to force other people to accept Spiritual Truth. Instead, see to it that they are so favorably impressed by your own life and conduct, and by the peace and joy that radiate from you, that they will come running to you of their own accord, begging you to give them the wonderful thing that you have. "I (the Christ Truth) if I be lifted up, will draw all men unto me." To do this is to make your soul truly the city upon a hill that cannot be hidden because it is the Golden City, the City of God. This is to let your light shine to the glorifying of your Father which is in Heaven."

AT THE CITY OF THE SUN:

ROCK MUSEUM born March 10, 1985 at 11:00 A.M. at City of the Sun: Ralph and Bertha Snyder are putting together a small Rock Museum and Mineral Shop at the City of the Sun. It is a humble beginning. They hope others will become interested in saving many of the beautiful natural works of Nature, the handiworks of God, for future generations. After all, the Snyders say, "We will reincarnate and be that future generation!"

By several days Ron Webber beat his folks, Andrew and Helen Webber, to the City of the Sun from Oregon and California. After a visit of several weeks he left for a college term in Oregon. We hope we will see him again.

Faun Homman was visited the past month by her sister Gladys Homman from Glenwood, Minnesota, and their friends, Mr. and Mrs. Wm. Erickson, from Boulder, Colorado. Mr. and Mrs. Harold Botnen from Jamestown, North Dakota surprised her when they came to stay overnight at Pancho Villa State Park.

Rowena Armstrong made a two week business and pleasure trip to California in March.

March 19th brought a rare privilege to the City of the Sun community - an unexpected visit from Rev. Frances McKay, and her husband Jim, of Michigan. Their group puts out The Light Centre paper, which is so very excellent. After a potluck supper she gave a talk, and also answered questions for those present.

We observed March 21 and April 5 with special meditations for World Leaders and World Peace. Most of us at the City of the Sun enjoyed a "brisk" (weatherwise) Easter Sunrise Service, after which a delicious breakfast was served at the Community Building. Sarah G. Leonard was the focalizer for the above services. Dr. Verlie Barton and Helen Webber were planners for the morning and breakfast.

Ted Specker of Silver City visited for a couple of days joining in the Easter Sunrise activities.

From April 9 to 13 some of Dr. Verlie Barton's family members visited here. This included her mother, Edna Riggs, and sister and husband, Lillie and Summers Buckley from Camden, Arkansas. The time passed quickly with visiting and seeing nearby sights.

The April Members' Meeting brought into the Foundation some fine new members, Kenneth and Alta Campbell of the Village of Columbus, N.M. and Conderoy, Wis. They are buying the place formerly held by Drs. Bartons. The Bartons are moving into a larger mobile just across from the Community Building.

Elizabeth McLamore of San Juan, Texas visited her friends Ralph and Bertha Snyder for several days. She studied at the Mentalphysics Fd. in Yucca Valley, California, and teaches breathing, yoga and chanting. She conducted one of the regular Tuesday classes.

Rev. Wayne Taylor was surprised with a birthday luncheon April 18th. Lorill Maxwell of Deming was present and brought a special friend out to meet Rev. Taylor.

Ray Schuckmann will be teaching in the Ojai, California area for several weeks.

Hilde Bloedow, one of our members who has lived here for seven years is returning to Canada to be with her family.

Meditations for May 4 and June 2 for World Peace are being planned.

Dear Golden Dawn Readers: PYRAMID UPDATE:

Construction of the Pyramid at the City of the Sun Foundation is progressing. It has been an interesting experience for those working upon it. The friends of the Golden Dawn and the City of the Sun who have helped share in the expense of the Pyramid Temple should be pleased how carefully it is being constructed.

As of April 9, 1985 the framing of the Pyramid, with the exception of the doorway is complete. Also, the especially designed windows have been installed. As the framework mass, stick by stick increased, the energy in the Pyramid became more intense, and less time could be spent inside this energy field. Some workers became dizzy, or over-energized. One worker had to stop, sit down and go into meditation to balance his chakra centers.

One of the most obvious lessons was to learn that all walls had to be constructed equally, or the energy would make the workers experience a vertigo effect. So if you put a beam on one wall, you are wise to do the same on the other as soon as possible. This is a great lesson - balance is essential in comstruction, as well as the use of the Pyramid.

When we were choosing the locations for the windows one worker who is sensitive to Pyramid energies stood inside the Pyramid with his back to the window being placed. He contacted his Superconscious and determined which chakra centers were affected at various levels. The energy became intense as you raised the window to the top apex. As the window is lowered - if it gets too low particularly - it seems to drain the solar plexus region.

May I remind you that the use of the Pyramid is serious business. The Pyramid is but the symbol of the Christ Consciousness and to amplify that consciousness as above so below. We could still use some financial help as the finish is going to be very expensive with fiberglass.

God bless each of you.
