# The Order of the Star in the East

The Herald of the Star is the official organ of the Order of the Star in the East, and is obtainable through the Officers of the Order in the various countries of the world. A list of these Officers is given on page three of the cover of this magazine.

The Order of the Star in the East is an organisation which has arisen out of the rapidly growing expectation of the near coming of a great spiritual Teacher, which is visible in many parts of the world to-day. In all the great faiths at the present time, and in practically every race, there are people who are looking for such a Teacher; and this hope is being expressed quite naturally, in each case, in the terms appropriate to the religion and the locality in which it has sprung up.

It is the object of the Order of the Star in the East, so far as is possible, to gather up and unify this common expectation, wherever and in whatever form it may exist, and to link it into a single great movement of preparation for the Great One whom the age awaits.

The Objects of the Order are embodied in the following Declaration of Principles, acceptance of which is all that is necessary for membership:

(1) We believe that a Great Teacher will soon appear in the world, and we wish so to live now that we may be worthy to know Him when He comes.

(2) We shall try, therefore, to keep Him in our mind always, and to do in His name and, therefore, to the best of our ability, all the work which comes to us in our daily occupation.

(3) As far as our ordinary duties allow, we shall endeavour to devote a portion of our time each day to some definite work which may help to prepare for His coming.

(4) We shall seek to make Devotion, Steadfastness, and Gentleness prominent characteristics of our daily life.

(5) We shall try to begin and end each day with a short period devoted to the asking of His blessing upon all that we try to do for Him and in His name.

(6) We regard it as our special duty to try to recognise and reverence greatness in whomsoever shown, and to strive to co-operate, as far as we can, with those whom we feel to be spiritually our superiors.

The Order was founded at Benares, India, on January 11th, 1911, and has since both grown and spread rapidly. Its membership now numbers many thousands in all parts of the world, and includes men and women of all the great Faiths and of nearly every nationality.

Information about its life and work may be obtained from any of its Officers, and applications for membership should be sent to an Officer of the country to which the applicant belongs. Each member receives, on joining, a certificate of membership, leaflet, and card. The Badge of the Order is a silver five-pointed Star.
