"I thank God for the testimony I have been able to give of God's power and willingness to heal those who come to Him. My people did not know anything about Divine Healing. I thus had a chance to tell them of God's blessed promises. Also as these messages were sent back and forth, the telegraph operators at both ends got to hear this testimony."

MISS MYRTIE PATTON, Greensburg, Indiana, said: "I praise God tonight for healing me and delivering me from a severe attack of grip. I did not feel very well last Tuesday morning. I had a little headache. In the afternoon I went to Central Zion Tabernacle. Elder Stevens prayed for me and the headache all left and I felt better. I went home and slept well. About 3 o'clock the next morning I was taken with a severe pain in my side, so that I could not move. I asked the Lord to heal me and take away the pain. In a very short time I was relieved and able to move and change my position. Deaconess Clemons came in and prayed for me, and I went to sleep. The pain had all gone. I was weak next morning from the effects of the suffering, but on Thursday morning I was entirely well."

W. B. DRAKE, Beaver, South Dakota, said: "I thank God tonight for salvation and a measure of healing. I have been wonderfully blessed during the past week."

W. P. SWEET, Champaign, Illinois, said: "It has been several months since I have been permitted to be at one of these testimony meetings. I have been traveling a great deal since I was here last. I have been doing Zion Seventy work wherever I have happened to be. A good deal of opposition has come to me, but the Lord has kept me firm. I have been permitted to see some people brought into the light.

"I thank God that I am in Zion again. He has blessed me since I have come here, in spirit, soul and body.

"I had the control of some land in Champaign County. I had rented it to others. When I went out and saw hogs on the farm, I could not bear it. I spoke to my tenants about my objection to their raising hogs on the farm. The only thing that seemed to concern them was what they would do with the milk. They finally agreed to feed the sour milk to the poultry. I had sent them a tract on the hog and asked God to bless it to them. I had the satisfaction of knowing that no more hogs would be raised on the place after that. The Lord has prospered me in business since I have been in Zion."

MRS. MATTIE HOFFMAN, Zion Home, said: "I am glad that Jesus loves me. It was through His love that I came here. I thank Him for the blessings I have received in spirit, soul and body, and for the healing of my child. Last Saturday he was taken very sick. Several prayers were offered, but he did not get much better. I stayed at home from work. I felt as if God must heal him at once, and I prayed very earnestly. He went to sleep and when he awoke asked for something to eat. I thank God for Zion. Zion has done so much for us."

DEACONESS H. E. ROBBINS, Zion Home, said: "I had neuralgia in my head and face. The pain was so severe at times that it seemed I could not stand it. Since I was in the meeting this morning, I have had only one spell, and it seems to be all gone, for which I praise God."

ALFRED J. GRISWOLD, Lancaster, Wisconsin, said: "I can say about the same as my brother in regard to the hog business. I had rented a farm before I knew anything about Zion. I rented it on a contract for three years. After I got the teaching from LEAVES OF HEALING, I resolved to have all swine removed from my land, but under the circumstances I could not get the man to give them up. I finally decided to sell the land. I made up my mind that I should never have anything more to do with swine.

"I bought another place and the people were wondering whether I would go to raising hogs. They thought I could not get along without them. They did not know what I would do with the milk. I bought a number of cows and a few sheep. I used the milk to feed the sheep. I did not lose anything, but, on the contrary, I did better than I ever did when I raised hogs. The cows brought in a great deal more than before, and other things prospered proportionately.

"I thank God for the many blessings He has given me. My wife sent me word from South Dakota, saying that one of our children was delivered from a high fever in answer to prayer. I have another child in Lancaster with my mother, who was delivered."

DELOY SAUNDERS, North Salem, Indiana, said: "I was taken sick the first of December and have been sick until a few days ago with stomach trouble. I lost considerable in flesh. Although I did not give my case into the hands of a doctor, yet I did not quit taking medicine until about a week or more ago. Finally, a lady brought LEAVES OF HEALING for me to read, and I quit taking medicine entirely.

"Then a Methodist minister came to see me. He destroyed my faith. I grew worse for a while. I continued reading LEAVES OF HEALING. Then I went over to the church where they were holding revival meetings. They were having a testimony meeting. I asked them at the close of the meeting to unite with me in prayer. The preacher prayed that if it was

God's Will to keep me sick forty years, I should be so. I did not believe that it was the Lord's Will to keep me sick forty years. I never went to that church any more.

"I came here yesterday and have been trusting God. Day before yesterday I thought I was doing well to walk 200 feet. Evangelist Fisher prayed for me and laid hands upon me, and I walked over to 1628 Michigan Avenue, carrying a grip which weighed about twenty pounds. Before today I did not eat very much. I eat all I want now. I have walked back here tonight. I thank God for this blessed deliverance.

"I am glad that we have a God whom we can depend upon for bodily healing as well as for spiritual healing."

H. C. MULLER, 1604 Michigan Avenue, Chicago, Illinois, said: "I am very thankful to the Lord because He has brought me to a place where the Full Gospel is preached. I thank God for the great spiritual blessing received since coming here. I thank God for answering prayer. Coming to Chicago on the train, I was taken very sick. I was so sick I could hardly pray. I did pray, and God answered me."

W. J. MORRIS, Neepawa, Manitoba, said: "I have been healed of several diseases through the prayers of Zion and the General Overseer. I was healed of a broken knee, and of bronchitis of eight years' standing. I intend to trust God for everything."

SAMUEL SCHWEITZER, Linkville, Michigan, said: "I am thankful to God that He has kept me the last year and a half without medicine. I have been delivered from a severe cold. My mother tried to induce me to take medicine, but I said, 'If my Lord cannot heal me without medicine, He cannot heal me if I take it.' I have improved considerably. I used to have to wear a bandage, which I have put away."

W. C. CLOUGH, 1243 Michigan Avenue, Chicago, Illinois (formerly of Stanningley, Leeds, England), said: "I give thanks unto the Lord for His goodness toward me. I thank God for delivering me from that accursed disease, the grip.

"It is now six years since I first heard of the Lord as the Saviour and Healer. I thank God for the blessing I have received and for healing. I thank God that I have been delivered from the hog for some time. I will have nothing more to do with it. I thank the Lord that I am in Zion."

WILLIAM FREDERICK, Wellington, Illinois, said: "I am glad that I am in Zion tonight. LEAVES OF HEALING brought me here. I have been a reader of LEAVES OF HEALING for over three years. It has been a great blessing to me.

"My wife had been sick for two years, and no doctor could do anything for her. She is now able to do the housework. The last doctor she had was a specialist, by whom she was treated for six months. She then came to Chicago to hear the General Overseer. She stayed in the Home nearly two weeks. God wonderfully blessed her and gave her healing.

"We have not used medicine for over three years. I do not keep hogs any more."

EZEKIEL WARBRITTON, Lafayette, Indiana, said: "I am thankful to be here in Zion. I was healed three years ago and have been delivered from the tobacco habit. I have been greatly blessed in paying tithes. I am glad the promise is fulfilled, and that I have a right to ask things of God and expect that which I ask for."

MISS BESSIE J. FULLER, Zion Home, said: "I am thankful to God for the blessings I have received since coming into Zion, not so much in my body as in my spirit. I accepted Christ as my Healer before I came into Zion. Since coming here I have received great help spiritually. I praise God for it. I tried many different organizations, but never found any rest or peace until I came here. It seemed that I had found my home."

JOHN WARBRITTON, Lafayette, Indiana, said: "I praise God for healing this past week. My father prayed for me and all pain left."

The meeting was then closed by the benediction.

THE regular Praise and Testimony Meeting held in Zion Home, Saturday evening, February 9, 1901, was conducted by Overseer Speicher.

After the usual opening exercises, the States represented were enumerated and found to be eleven in number, as follows:

Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri, North Dakota, Ohio, Pennsylvania, South Dakota and Wisconsin.

The following foreign countries were represented:

Canada, China, England, Ireland and Scotland.

The meeting was then thrown open for testimony.

RUSSELL W. HARGRAVE, Madison, Wisconsin, said: "I praise God for what He has done for me in the past year. He has greatly blessed me. A year ago I was troubled considerably with rheumatism. I am glad to say that it seems to be entirely gone. I thank God for the victory."

MRS. A. S. STEELE (founder and manager of Steele Home for Needy Children), Chattanooga, Tennessee, said: "I have no wonderful healing to relate, but I thank God for the wonderful blessing of keeping me. I have not been sick in bed for twenty-nine years. God knew He had given me a task which was difficult, and would require much strength, and He has fulfilled His promise to the letter. I have the joy to thank God for many blessings in many ways."

MRS. ELIZABETH KRUSE, San Jose, Illinois, said: "I thank God for many blessings. I thank God for the teaching in Zion. I cannot understand every word, but I thank Him for the words I can understand; they have been a great blessing to me."

MRS. ISABELLA S. CORKEY, Londonderry, Ireland, said: "I praise the Lord for the good health I have this winter since I came to America. When I lived in Ireland, I used to dread the cold weather, but now I can go out in all kinds of weather and feel none the worse for it."

A. G. HUGH, Dixon, Illinois, said: "I praise the Lord for salvation and for the privilege of being in Zion. I have been healed of indigestion and also delivered from sick headaches. I not only thank God for healing, but for the great spiritual blessing I have received."

DELOY SANDERS, North Salem, Indiana, said: "I came here last Friday evening, almost a corpse walking with a cane, what little I could walk. I was suffering with indigestion or some trouble of the stomach; it may have been cancer. I have been sick most of the time for two years, and steadily for the last two months. I could hardly sit up. Now I can do all I wish, and this is in just a week's time. I am gaining very rapidly. I have been wonderfully blessed and strengthened. A week ago I could scarcely walk with the help of a man. Now I am so strong that I have been able to carry a sick man across the street to the Tabernacle. I believe I have had a dozen prayers answered this week almost instantly. I am very thankful to God for His goodness to me."

Mrs. Deloy Sanders then corroborated the testimony of her husband.

ALFRED J. GRISWOLD, Lancaster, Wisconsin, said: "I thank God for His healing power. Three years ago last October, I had been taking medicine for eight months. I was not able to walk about. A brother in Wisconsin told me of this teaching and gave me LEAVES OF HEALING to read. I had not been able to read for eight months. He told me to go home and read my Bible, which I had not been in the habit of doing for some years. I did as he told me. For a short time the Devil tried to get the best of me. When I read, I became blind and went into convulsions. I prayed God to deliver me, and from that day to this I have not been troubled in that way.

I did not get a complete victory over all my diseases for some time. As I have learned more and more of the teaching, God has delivered me."

MRS. KATHERINE STOMMEL, Dyer, Indiana, said: "I thank God for healing me of rheumatism and neuralgia, and many other things."

MRS. C. E. AUSTIN, Marcus, Iowa, said: "I have been sick for two years and have taken very much medicine. I began to feel discouraged, as it was not doing me any good. A friend of mine brought me LEAVES OF HEALING, which I read. I took my troubles to God, and have been greatly blessed."

C. E. AUSTIN, Marcus, Iowa, said: "I thank God for the blessing I have received from the Lord. I am not a member of Zion and did not get it through this teaching, but I am glad to say it was from the same source. Some years ago I was a user of tobacco. I tried to stop using it in my own strength, but I did not get the victory until I asked God to help me."

MRS. T. D. BAUER, Marcus, Iowa, said: "I praise God for what He has done for me. It is nearly five years since I was instantly healed. Before that time I did not know what it was to have a well day. Since then I do not know what it is to have a sick day. I did my own housework for two years and also distributed LEAVES OF HEALING."

MRS. MAGGIE COSGROVE, Zion Home, said: "I praise the Lord for what He has done for me. Two years ago I came here a total wreck; nothing, you might say, but a living skeleton. During the last six weeks I have been doing the work of two girls and taking care of the baby. During that time I was taken with a severe attack of the grip. In answer to prayer, I fell asleep and when I awoke every particle of pain had gone."

INNES V. BRENT, Zion Home, said: "I smoked cigarettes a good many years, which reduced my weight to ninety-four pounds as near as I can remember. I was nearly a helpless invalid, with mind and body greatly impaired. Last February LEAVES OF HEALING was placed in my hands. Elder Fockler, who had charge of the Branch in Mansfield, Ohio, invited me to attend the meetings, but I rebelled and went on in sin. I traveled all over the country from place to place with a theatrical company as a singer. I had gone the length of the rope and the Devil had me on my back. Through the persistent work and prayers of Elder Fockler and my mother, I at last went to Zion Tabernacle. I asked Elder Fockler to pray for me, and at 9 o'clock one Sunday evening he prayed and I prayed at the same time. I had a terrible fight, but came out victorious. From that time to this I have not had the least desire for tobacco in any form. Now I weigh 116 pounds.

"I give God all the honor and glory. I praise Him for His blessing to me and for sending to us the General Overseer to teach us this blessed Gospel.

"Our whole family has come to Zion."

G. S. HONG, Zion Home, said: "I thank God tonight that since I have come into Zion I have received many blessings in spirit, soul and body. I thank God and the General Overseer for the teaching I have received. In China they say that God is only for the foreign people, not for the Chinese. I am glad that God is for the whole world. I am glad that I can be of help to my countrymen."

The meeting was then closed by the benediction.

THE regular Praise and Testimony Meeting held in Zion Home, Saturday evening, February 16, 1901, was conducted by Overseer Mason.

After the usual opening exercises, the States represented were enumerated and found to be seven in number, as follows:

Illinois, Indiana, Iowa, Michigan, Ohio, South Dakota and Wisconsin.

The following foreign countries were represented:

Austria, Canada, China, England, Japan and Norway.

The meeting was then thrown open for testimony.

MISS EMILIE STRENGE, Zion Home, said: "I went to the Tabernacle services yesterday afternoon and heard Elder Stevens speak on Repentance, Confession and Restoration.

"I have been owing money to a certain person for six years, and had put off paying it from day to day. I have a sister in Germany who wants to come to America to be with me. I have been saving my money for her fare, as she earns too little there to save any. I felt I could not spare the money now to pay the debt. Elder Stevens having spoken about fully trusting God, a small voice said to me, 'Trust God and pay your debt first.' I then concluded that I would make it right, even if nothing should be left for carfare. Just before I went to pay this debt, a very kind lady sent me some money which I was to accept as a gift from God. I knew then that it was from God. I was glad to have the assurance that He was taking care of me if I would trust and not be afraid.

"While I have been in Zion, I have been many times instantly delivered from headache. I have been healed of ingrowing toenails. They were so bad at one time that I could not wear shoes for a whole month. God has also healed me of female weakness and indigestion. I am praising God from whom all blessings flow."

T. H. KETTELL, Tipton, Iowa, said: "When I first received LEAVES OF HEALING, a year ago last summer, I was having very poor health and had catarrh very badly, with sores in the back of my throat. I had used twelve or fifteen different remedies and then began using an atomizer. I used the atomizer constantly for eleven years, on an average of four to ten times a day. I received two copies of LEAVES OF HEALING, and on reading over the message, 'Do You Know God's Way of Healing?' I was set to thinking and searching the Scriptures. I was not able to do any work and came to Zion Home for teaching. I soon saw that the teaching was 'No medicine.' I threw away my medicine and trusted God. These sores which had not been healed for ten or twelve years disappeared in about four days. When I was being treated, I had them burned with iodine and electricity once or twice a year.

"I have also been delivered from the tobacco habit."

RUTH SPEICHER, Zion Home, said: "A few weeks ago I had the grip. Papa prayed for me and I was only sick two or three days. I thank the Lord."

MRS. CAROLINE JOHNS, Dyer, Indiana, said: "I thank God for healing me five years ago. Four weeks ago I was healed of diphtheria, through the prayers of Overseer Speicher, Evangelist Fisher and others. I have also been healed of stomach trouble and liver trouble. I thank God and also the Elders for their prayers in my behalf."

MISS KATHERINE JOHNS, Dyer, Indiana, said: "I thank God for healing me also of diphtheria and for the help God gives us in times of trouble. I thank God that I am in Zion."

DEACONESS MARY B. SPEICHER, Zion Home, said: "I have had very good times since I have been here. I thought the grip could not take hold of me. A few days ago I was exposed to the cold and worked too hard. I took very sick for one day, but God instantly healed me when I got right with Him."

MRS. M. E. REFSNIDER, Oelwein, Iowa, said: "I praise God for His wonderful keeping power. He has kept me now for nearly four years. I also was taken with the grip some time ago, but, thank God, it only lasted about two hours."

W. B. DRAKE, Beaver, South Dakota, said: "I stand up for Jesus. I thank God He has blessed me with Salvation. I was paralyzed for ten weeks and sick for four months. I have been very helpless. I was affected as far up as my waist. I thank the Lord that He has healed me, rebuked the devourer and turned the disease away. I expect soon to write my testi-

mony and give it more in detail. I have been walking for two or three days."

MRS. W. B. DRAKE, Beaver, South Dakota, said: "I thank God with the greatest joy in my heart for the way He has blessed my husband. In the first place, he was not a saved man when he came to Zion Home. God saved him and now He has healed him of this terrible affliction. The disease was creeping higher and higher. When we decided to come here, it seemed that the Devil was determined that we should not come. I was taken sick and other things came up, but I was determined to come, and now we have this great joy."

ANDREW C. JENSEN, 6632 Vincennes Avenue, Chicago, Illinois, said: "I have a great many things to be thankful for; not only for myself, but for our family. My father used to be a great smoker. He tried to give it up in his own strength. It was not until he left it with God that He got the victory. He has no desire for it any more. Just a short time ago we had sickness in our home. My brother became afflicted with swelling in his face. We sent for Elder Stokes and in two or three days the swelling disappeared. A younger brother was also sick, but God delivered him. I was sick four years ago so that I had to give up my position. God healed me. I have been greatly blessed in paying tithes."

MISS MARY OLSON, Zion Home, said: "I am so glad that Jesus Christ is my Saviour and my Healer. I praise God for the wonderful healing I have received in Zion. I was very sick for eleven years. I used to ask God to heal me, but I did not get healed until I came to Zion, and then I was healed. I had lung trouble, rheumatism, and I used to be very nervous. I do praise God for Zion. I praise Him for His wonderful keeping power. I praise God for the privilege of being in Zion Home."

R. J. WILCOX, Phoenix, Arizona, said: "It will be three years next July since the Little White Dove first came to my notice. It found me a confirmed cripple of nearly forty-five years. It found me badly confused, despondent and discouraged. It brought hope to my heart. It has been a source of great blessing to me in the years that have passed. Many and many times God has wonderfully blessed my spirit while reading LEAVES OF HEALING. I am here to learn more of this wonderful Way of Salvation, Healing and Holy Living."

W. L. CUTLER, 1604 Michigan Avenue, Chicago, Illinois, said: "I thank God for what He has done for me since I have been in Zion. I thank God for the teaching I have received. I used to use tobacco, but I have been delivered. God has taken the desire for it away, in answer, I believe, to the prayer of consecration at Zion Tabernacle services. I thank God for the teaching in Zion. I could not be without it."

ANDREW INNES, Tipton, Iowa, said: "I thank God tonight for spiritual blessing. God knew that I needed it. I have been studying LEAVES OF HEALING. I only read it a short time, when I could not chew tobacco any more."

MRS. LYDIA SHERLAND, 1628 Michigan Avenue, Chicago, Illinois, said: "I thank God for His healing and keeping power. Three years and nine months ago I came to Zion Home a wreck, given up by doctors. I had twelve different diseases. Through the teaching in Zion and the faithful prayers of the General Overseer, with the laying-on of hands, I was restored. I was here in the Home one week and went home to my family. I have been kept by the power of God ever since. I had lung trouble, sore eyes, constipation, liver trouble and bad hemorrhages. I also suffered from eczema and nervous prostration and had very severe pains through my lung. This is the condition I was in when I came here. For seven years I was treated continually."

MASTER JOHN WARBRITTON, 1604 Michigan Avenue, Chicago, Illinois, said: "I praise the Lord for healing me. Some boys hit me with a piece of ice as I was walking up the street. I asked God to heal the bruise, and He did."

DEACONESS H. E. ROBBINS, Zion Home, said: "I will never forget Zion Home and the wonderful testimonies I have heard in this room. This is the most wonderful work in the world."

F. A. FOURNIER, 1425 Michigan Avenue, Chicago, Illinois, said: "I thank God for what He has done for me in the past and what He is doing for me every day. He has healed me many times. I had a pain in my right arm for two or three months. I could not raise it up at all. I had been praying about it for some time and I did not see why I did not get a healing. At times the pain was so intense that I could hardly stand it. Then I decided to leave it with God and forget all about my arm. Then I was delivered."

The meeting was then closed with the

BENEDICTION.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who also will do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. Amen.

THE WINDOWS OF HEAVEN OPENED.

An Abundance of Work at an Increased Profit.

MOUNT STERLING, OHIO, January 7, 1901.

DEAR OVERSEER PIPER:—I have been blessed spiritually and financially since obeying God's command to bring our tithes into the Storehouse.

Since I have openly denounced the sinful secret order of I. O. O. F. as being the first step to my sinful lying to my wife, and have given up my insurance of $2,500 and come into Zion, I have been able to give more each month of the past year as I have kept account and send in my tithes to the Storehouse.

God has given me abundance of work, and at increased profit.

Yours in Christ, WILLIAM HIGHMILLER.

Never So Prosperous as When Tithes are Paid.

51 NORTH CARPENTER STREET,
CHICAGO, ILLINOIS, January 6, 1901.

DEAR OVERSEER PIPER:—I write to tell you of all the many blessings we have received since we began to pay our tithes.

The Lord has abundantly blessed us. My wages have doubled and we have been blessed spiritually.

We never had so much in all our lives as we have since we paid our tithes.

Your Brother i Christ, DAN JOHNSTON

Great Joy in Payment of Back Tithes.

CHICAGO, ILLINOIS, January 28, 1901.

DEAR GENERAL OVERSEER:—Please find enclosed check for one thousand dollars, which is my back tithes.

I wish to say that it is with great joy that I send this into the Storehouse of our God.

As a family we have very much to thank God for since we entered into Zion. We rejoice in the teaching of our General Overseer and others in Zion. Our prayer is that God may use the laborers of Zion more and more for His glory and for the Salvation and Healing of His people.

May God bless our dear General Overseer.

Your Brother in Christ, —. —. —.

Spiritual and Financial Blessing.

MONCLOVA, OHIO, January 21, 1901.

REV. W. H. PIPER.

Dear Overseer:—I am glad to testify that God is a Covenant-keeping God in regard to tithes. I never paid tithes until I came into Zion.

Since I began God has blessed me spiritually and financially.

I thank God my Father for the teaching we receive by reading LEAVES OF HEALING.

I am faithfully yours

In Jesus' Name, (MRS.) HARRIET LOSE.

REV. F. A. GRAVES, SUPERINTENDENT.

NOAH was a righteous man, and perfect in his generations: Noah walked with God.—Genesis 6:9.

THIS is the man who was most prominent in the second thousand years of the world's history. His life, like Adam's, spanned nearly the thousand years; for he died at the age of 950.

He was nearly 600 years old when he received a great commission from God, which was to prepare an Ark for the saving of himself and family and all living creatures; of unclean animals two of every kind, and of clean animals seven pairs of every kind.

This second thousand years divides itself very nicely into the sixth, seventh, eighth, ninth, tenth and eleventh chapters of Genesis:

6. Warning of the Flood;
7. The Flood;
8. After the Flood;
9. The Bow of Promise;
10. Genealogies;
11. The Tower of Babel.

Noah prepared an Ark. This was the first of three Arks mentioned in the Bible. The second one was Moses' Ark, and the third, the Ark of the Covenant.

The second Ark was built *for* Moses, the third Ark was built *by* Moses.

Noah lived in his Ark one year. Besides all animals of every kind, food was necessary for them. Hence the space allowed for provisions must have been very great.

As the year drew to its close, Noah sent out a raven; this was never taken in again. But soon he sent out a dove, which soon returned and was let in.

After seven days it was sent forth again, and it returned with an olive leaf: an emblem of the restoration of peace between God and the earth.

From this circumstance the olive branch has been the emblem of peace among all civilized nations.

All readers of LEAVES OF HEALING will remember that on the front page is this beautiful emblem, and underneath the significant word PATIENCE.

The Christian Catholic Church in Zion holds out this Olive Branch of Peace, with the words of Jesus:

Peace I leave with you; My Peace I give unto you.

In Mark 9:50, He said:

Have salt in yourselves, and be at peace one with another.

The Prophet Isaiah wrote:

Thou wilt keep him in perfect peace whose mind is stayed on Thee: because he trusteth in Thee.

But peace will only come to the obedient life.

See how many times in the Bible God is spoken of as the "God of Peace."

Isaiah also wrote:

There is no peace, saith the Lord, unto the wicked.

And Noah builded an Altar unto the Lord.—Genesis 8:20.

This is the first Altar of which we have a record.

We see that Noah builded the first Ark and the first Altar; the Ark for safety, the Altar for sacrifice.

Look up the various altars in the Bible built by men.

I do set My bow in the cloud, and it shall be for a token of a Covenant between Me and the earth.—Genesis 9:13.

This is the beautiful rainbow which we see so often after a rain. It is God's Covenant that He will never permit the earth to be drowned again.

God has made many Covenants with His people.

He made one with Abraham, that his descendants should be "as the dust of the earth."

God gave the children of Israel a Covenant of healing in Exodus 15:26, saying:

If thou wilt diligently hearken to the Voice of the Lord thy God, and wilt do that which is right in His eyes, and wilt give ear to His commandments, and keep all His statutes, I will (permit to be) put none of these diseases upon thee, which I have (permitted to be) put upon the Egyptians: for I am the Lord that healeth thee.

God never breaks any of His Covenants. The Covenant of Healing is just as much in force today as when it was first made.

Jesus perpetuated this Covenant when He came upon earth, for "He went about healing all manner of sickness and all manner of disease among the people."

Now we come to the close of the second thousand years, and the incident with which it closes is the building of the Tower of Babel. They built it to make a great name, and that they might not be scattered abroad. But God was displeased with them and confounded their language, and thus they were stopped in their work and became scattered. This is how we have so many languages today. All this is a result of sin.

The first verse of chapter eleven is as follows:

And the whole earth was of one language and of one speech.

This was before the confusion of tongues.

How much trouble and annoyance sin has made and is making in the world!

As it now is, we cannot take the Gospel to the Chinese without first learning their language. This is true in Japan and other countries: we must learn their language or they must learn ours.

In Zion College we have many nationalities represented, all working together to enable them to carry the Full Gospel to all lands, obeying the command:

Go ye into all the world, and preach the Gospel to the whole creation.

BY DEACON H. WORTHINGTON JUDD.

THE LORD hath brought forth our righteousness: come, and let us declare in Zion the work of the Lord our God.

GOD'S TRUE ZION can always bear testimony to the goodness and blessings of God.

And ye shall know that I am in the midst of Israel, and that I am Jehovah your God, and there is none else: and My people shall never be ashamed.

OUR GENERAL OVERSEER can say with the Apostle Paul:

But the Lord stood by me, and strengthened me (margin reads, gave me power); that through me the Message might be fully proclaimed, and that all the Gentiles might hear: and I was delivered out of the mouth of the lion.

GOD HAS GIVEN another great victory to Zion. Even a State Legislature has been compelled to concede that it is not quite as big as Zion's God.

Prominent worldly merchants and other thinking people are asking the question, "Who is this power behind the throne in this Zion?"

It can never be understood until revealed to them by God Himself.

FOR THUS saith Jehovah unto me, Like as when the lion growleth and the young lion over his prey, if a multitude of shepherds be called forth against him, he will not be dismayed at their voice, nor abase himself for the noise of them: so shall the Lord of Hosts come down to fight upon Mount Zion, . . . He will protect and deliver it, He will pass over and preserve it. Turn ye unto Him, from whom ye have deeply revolted, O children of Israel.

IT IS EVIDENT that the great Christian example Zion is to show forth to all the world will never be fully accomplished until Zion City has been fully established and populated. This Zion City (near Chicago) will only be a forerunner of other Zion Cities to be located near the other large cities, if the Lord tarry.

ZION CITY GENERAL STORES is the newest mercantile establishment in line for recognition at Zion City. A choice new stock of general merchandise has just been placed in the temporary new store building on Sheridan Road. Brother A. C. Held, who has been for a number of years engaged in the same business at Spring Green, Wisconsin, will be the first manager.

ZION CITY has the purest of spring water, the purest of well water, the purest of artesian water, and some day, we trust, will have the purest of lake water piped into every home. Our first artesian well is now completed at a depth of 1500 feet. It has a flow of 400 gallons of water per minute. The latter we quote to correct an error which appeared in THE COMING CITY, stating that the flow was to be 700 gallons per minute. The latter figure could have been obtained had we permitted larger tubing to be used.

THE FIRST ZION LACE FACTORY is now completed; the power also is in place and steam heating finished. Now comes the setting up of the lace machinery, which requires much skill in handling and is quite a tedious and complicated job, which necessarily must be done by experts.

The Experts and workers for the lace factory are getting pretty well settled in their new homes, most of them with families having temporarily located at Waukegan until homes can be erected for them at Zion City. The rest will occupy the new Zion Lace Operatives' Home.

WE HAVE JUST obtained the title to another choice tract of land located on Sheridan Road, consisting of sixty acres. This gives us possession of an aggregate of about 1650 acres of the land secured. It is the General Overseer's desire that at least 700 acres more land be obtained before the City can be thrown open for settlement.

HUNDREDS OF TONS of ice have been harvested for next summer's use and stored in the new ice houses which have just been erected in rear of the new Zion City General Store building.

WE AGAIN WARN the friends not to come on who are not in a position to support themselves or their families without employment. We shall have no employment for some weeks yet. Notice will be given when we are ready for workmen.

EVERY MEMBER OF Zion should make an extra effort to secure additional investments with us now, and not wait until the land is thrown open for settlement.

IF YOU WANT a full blessing from God, let all your investments come into Zion. Why traffic with those who have not the slightest interest in the advancement of Christ's Kingdom, or the uplifting of their fellowmen, but spend their money upon wine suppers, balls, theaters and kindred evil amusements and ritous living?

WE MUST NOT fail to make mention of the afternoon and evening meetings which are being held every Lord's Day in the pleasant upper room in the Lace Operatives' Home, under the leadership of Elder Fockler. More than a hundred usually attend these meetings, and God is blessing them abundantly.

OH GIVE thanks unto the Lord; for He is good:
For His mercy endureth forever.
Let the redeemed of the Lord say so,
Whom He hath redeemed from the hand of the adversary.—Psalm 107:1, 2.

Are You Thinking of Taking Up

A Course of Reading?

THE Seven Bound Volumes of LEAVES OF HEALING are a HISTORY of the most important events of the last years of the Nineteenth Century; they contain the best and wisest comments on CURRENT EVENTS in the world; they are a safe guide in BUSINESS and POLITICS; they contain the best thoughts about ART, MUSIC, LITERATURE and SCIENCE; they tell of things far more strange and interesting than fiction, and all true; they are an inspired BIBLE COMMENTARY and the safest and best works extant on THEOLOGY.

THE MOST BLESSED OPPORTUNITY of these latter days was to live in Zion Headquarters from the beginning until now. Comparatively few had that opportunity. The next best opportunity is that of reading these Seven Volumes. That is within the reach of almost every one. No member of the Christian Catholic Church in Zion can afford to miss that opportunity. These Seven Beautiful Books, substantially bound in black, half Morocco, can now be had for

LEAVES OF HEALING

I am the Lord that healeth thee.

And the leaves of the tree were for the healing of the nations.

A WEEKLY PAPER FOR THE EXTENSION OF THE KINGDOM OF GOD.

EDITED BY THE REV. JOHN ALEX. DOWIE.

VOLUME VIII. NUMBER 20. CHICAGO, MARCH 9, 1901. PRICE FIVE CENTS.

GOD'S WITNESSES TO DIVINE HEALING.

RAILROAD CONDUCTOR HEALED WHEN DYING, AFTER EIGHT YEARS' SUFFERING.

BY FAITH IN HIS NAME HATH HIS NAME MADE THIS MAN STRONG.

For years this man has braved the perils of railroad life.

Injury or death lurked for him in the roaring wheels.

Dangers he met between the crashing couplers. He risked his life on the swaying cars as they rumbled through the darkness or swung around dizzy curves.

Collisions, derailments, washouts, open switches, defective bridges and all the scores of casualties of the rails and trains menaced him.

The burning heat of summer and the chilling blasts of winter beat upon him.

Fearlessly and well he performed his duty, with thousands of dollars' worth of property and many precious lives entrusted to his care.

But disease wound its slimy coils about him.

He began to suffer from capillary bronchitis.

He called in the aid of the so-called "best physicians."

But they could not help him.

He took patent medicine.

He only grew worse.

God in His Word has shown His Way of Healing.

Yet from Genesis to Revelation there is not one word in favor of doctors and drugs.

On the contrary, the Word says, "Ye are forgers of lies, ye are all physicians of no value." It says, "In vain dost thou use many medicines."

It says that Asa was diseased, "yet in his disease he sought not to the Lord, but to the physicians. And Asa slept with his fathers." It says, "I will be a Swift Witness against the Sorcerers" (physicians and pharmacists).

FRANK R. GRACEY

It says, "She had suffered many things of many physicians, and had spent all that she had, and was nothing bettered, but rather grew worse."

Thus this man found God's Word true: they were all physicians of no value.

For eight years he suffered.

He had frequently to give up his work.

The slightest exposure would almost result in death.

Finally he was dying.

There seemed to be no hope in man.

Then he turned to God.

He had read some copies of LEAVES OF HEALING.

He went into Zion Tabernacle at Cleveland, Ohio.

There he heard the wonderful Message of Salvation, Healing and Holy Living through faith in Jesus proclaimed by Zion's faithful Elder.

He learned that God had said, "I am the Lord that healeth thee."

He heard that disease was

the Devil's work. He was told, from God's Word: "Jesus of Nazareth, how that God anointed Him with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the Devil."

He found that "Jesus Christ is the same yesterday and today, yea and forever."

He learned that He said, "lo I am with you alway."

He heard that His great loving heart was still o'erflowing with tenderest compassion with sufferers.

He heard that His touch had still its ancient power.

He believed that His Spirit would come upon him with healing power, through the laying on of hands of God's minister, according to the Word:

Is any among you sick? let him call for the Elders of the Church; and let them pray over him, anointing him with oil in the Name of the Lord: and the prayer of faith shall save him that is sick, and the Lord shall raise him up.

Elder Bouck prayed over him, in the Name of the Lord Jesus, in the Power of the Holy Spirit, and in accordance with the Will of God the Heavenly Father."

Immediately the healing began in his tortured, dying body.

It was very soon complete.

"Made every whit whole," by God's power, he has resumed his work as a railroad conductor.

He tells his wonderful Story in simple, straightforward truthfulness.

He gives the names and addresses of the physicians who treated him and failed to help him.

His testimony is fully substantiated by Elder Bouck.

It stands undisputed.

It is indisputable.

God's Word and the undeniable facts prove Him to be the only Healer.

O weary sufferer, as you read these lines will you not fulfil His conditions of Repentance, Faith and Obedience?

Will you not put aside every human means and trust Him only and fully?

His Love is mighty.

His Power is Omnipotent.

His Will is plainly revealed.

He longs to heal you. A. W. N.

WRITTEN TESTIMONY OF FRANK R. GRACEY.

67 UNIVERSITY STREET,
CLEVELAND, OHIO, February 11, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—I wish to make you a statement of my healing.

I was afflicted with capillary bronchitis for about eight years.

I thoroughly tested numerous doctors and patent medicines, but found that the disease steadily progressed and did not yield to treatment.

During 1898 and 1899 I consulted and was treated by Dr. Charles Stewart, of 836 Jennings Avenue, Cleveland, Ohio, who is considered one of the most successful physicians available.

After his treatment, I found that I had received no benefit, but was worse than when I began treatment.

It was difficult for me to engage in work, and I was compelled to "lay off" frequently in order to gather sufficient strength to resume work for a time.

I found it impossible to avoid taking cold frequently, as a little exposure to night air even was sufficient. That would bring on an attack of acute inflammation which, at times, seemed almost certain to end my life.

The last severe experience of this kind through which I passed was in January, 1900, when both myself and friends thought the end was very near.

My attention had been called some months before to the subject of Divine Healing, and I had read some copies of LEAVES OF HEALING.

I now concluded that unless God healed me, I would soon die.

When I began to recover from this attack, I again began to take patent medicine; but after using about half a bottle of cod liver oil and some other poisonous drugs, I concluded to give up all human means and look to God alone for healing. I began to improve from that time.

I went to the services in Zion Tabernacle, Cleveland, Ohio.

The first time I went into the Healing Room, when Elder Bouck prayed with me, I was able to draw a full breath and felt much better.

I steadily improved from that time.

I was only in the Healing Room twice after that, and felt marked improvement each time I was prayed with.

Myself and wife joined Zion and were baptized, shortly after which my cough left me entirely and my healing was complete.

I am delivered from all disease so far as I know.

The Lord has also delivered me from the tobacco habit, and has entirely taken away my appetite for it, over which I found it impossible to prevail, until Divine Power removed it.

We are full of thankfulness to God and to Zion; for Zion is, and has been to us, the opening up of the Gospel for spirit, soul and body.

We also find great blessing in tithing, which we began when taken into Zion.

Through my healing and tithing, I am enabled to work the year through with ease and comfort, not needing to lose time and money in "laying off" and paying doctors' bills.

We have plenty and some to help other worthy brothers and sisters.

Hoping we may all be worthy of God's richest blessings and that we may all do His every command, "cost what it may," we ask your prayers for our future welfare and assure you of ours for the continuance of Zion and her noble work for the glory and extension of the Kingdom of God.

Hoping in the near future to see you and Central Zion Tabernacle, I remain

Yours in Christ Jesus, FRANK R. GRACEY.

CONFIRMATION OF MR. GRACEY'S TESTIMONY BY ELDER R. N. BOUCK.

182 BEECHWOOD STREET,
CLEVELAND, OHIO, February 11, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—I wish to add a word of endorsement to the testimony of Mr. Frank R. Gracey concerning his healing.

When Mr. Gracey first came to Zion Tabernacle here, little more than one year ago, he had every appearance of a man suffering decline under the force of a chronic pulmonary disease.

His healing took place just as he has stated it.

He was soon a strong, healthy man, with no features of an invalid.

It has been a very great pleasure to me to observe his spiritual as well as physical development.

He is not only physically strong to perform his duties as a railroad conductor, but is also a willing and earnest witness for God, ready to tell his associates on his trains, and any one he may chance to meet, that God is the Healer of spirit, soul and body.

He is a living demonstration of the fact that the Lord is able to save, heal and keep a "railroad man," as well as if he were following any other vocation.

May God bless his testimony and life to the good of many is my prayer.

R. N. BOUCK,
Elder-in-Charge of the Cleveland Branch
of the Christian Catholic Church in Zion.

BOY HEALED OF COLD AND GRIP IN ANSWER TO PRAYER.

519 SOUTH WEST STREET,
JACKSONVILLE, ILLINOIS, January 18, 1901.

DEAR OVERSEER PIPER:—I wrote you a request for prayer for my two-year-old boy.

On Thursday he was all right. The cough and fever all left him and he rose up in bed and told me to dress him.

He got up and went to play as usual.

He is now free from grip, for which we praise God and thank you.

My older boy, who wrote you to pray for his throat and bad cold, is well.

Yours in Christ, F. T. ROGERS.

Heart Trouble Disappears When God's Servant Prays.

GALENA, OHIO, February 15, 1901.

REV. JOHN ALEXANDER DOWIE.

Dear General Overseer:—I wish to thank you for your prayers for me.

My heart trouble disappeared at the time you received my request.

It seems so much more as if we had a true minister of God, when we can get him to pray for our healing.

I praise God for LEAVES OF HEALING. We are so glad to get the teaching.

May God abundantly bless you and all Zion.

Your Sister in Christ, (MRS.) H. F. SMITH.

SIMON PETER answered Him, Lord, to whom shall we go? Thou hast the Words of Eternal Life.—John 6:68.

OUR LORD often resorted to the shores of the beautiful Sea of Galilee, or Tiberias. Much of His ministry was carried on in or near the towns which lie along its coast.

It was near the little town of Tiberias that He fed the hungry multitude with the five loaves and the two fishes.

The people saw that, with His blessing, these multiplied in His hands as He gave them out, until the thousands were all fed.

When Jesus saw the people coming the next day merely for the loaves and the fishes that their physical needs might be supplied, He rebuked them for seeking Him for the body only.

He presented Himself to them as the Bread which came down from heaven, the wonderful Bread of Life of which men might eat and have Eternal Life. He explained to them that Spirit alone could give life, and that His Spirit and His life were in His words, and as they accepted His words they would find spirit to renew their spirits and life to renew their physical beings. But they had their own ideas of religion and this teaching was not in accordance with their ideas.

In this wonderful sermon was just what they were seeking—healing for their bodies. But they turned from the truth in disgust and said, "His sayings are hard, who can hear Him?" "And many of His disciples went back and walked no more with Him."

Then our Lord in sorrow said unto the Twelve:

Would ye also go away? Simon Peter answered Him, Lord, to whom shall we go? Thou hast the words of Eternal Life. And we have believed and know that Thou art the Holy One of God.—John 6:67-69.

Peter explained the way of faith very simply when he said that they first *believed* and then they *knew*.

The "many disciples" who were determined to know before they believed the truth, missed blessing.

The miracles which our Lord performed did not have the power to hold any of His disciples.

The Twelve remained true because they had found Eternal Life by believing His words, and the Father Himself had revealed to them who their wonderful Teacher was.

The Full Gospel Taken Back to Galilee.

Beautiful pressed flowers, seemingly as bright in color as when they were plucked on the shores of Lake Galilee, have recently been sent to Overseer Speicher from a native there who has gladly received Zion's Message of Jesus the Saviour and Healer. He writes:

TIBERIAS, January 5, 1901.

DEAR SIR:—It was with great pleasure that I received your kind letter, which I read again and again.

I thank you for answering me in such sweet words.

When I heard about Dr. Dowie, I was very anxious to see him.

I hope he will come here to visit Tiberias and the Lake. Then I can see him and hear his words.

If he does not come, I hope I may go to America some time to see and know more of Zion and the doctrine of the Church.

Until about six months ago I had not seen LEAVES OF HEALING, of which I am now so fond.

I hope to be a preacher for the glory of our Lord, who is ready today to answer the prayer of faith for the sick.

We have missionaries here from the Free Church of Scotland, but they do not have such faith.

I cannot tell the gladness that is in my heart as I write to you.

I am a dragoman in Cook's Office for the travelers in Palestine.

I have a father about eighty-five years of age. When I tell him what God is doing for the people through Rev. John Alex. Dowie, he also glorifies God.

My sister is getting better. I hope she will be all right. My family praised God when I read to them your letter; also when in LEAVES OF HEALING I read to them the wonderful things which God is doing.

I told them not to be surprised, as Jesus did plenty of things like these in Capernaum and around the lake here, and He is ready to do such things everywhere.

I hope all my family will be a very good family in the Christian Catholic Church in Zion.

Henceforth I am to preach the Gospel and the glory of the God who dwelleth in Zion.

God's Blessing on the General Overseer's Work in Ireland.

The following extracts are from a letter written by a lady in Londonderry, Ireland, who attended the meetings held there by the General Overseer. She writes:

I cannot tell you all the blessing I have received since we handed in our application for membership to the General Overseer.

I feel that I am now in the place God wishes me to be.

I hope and pray that He may so prepare me that I may teach many others the Full Gospel as it is taught in His Word and in Zion.

I believe nearly every person in this city has been talking about the General Overseer.

We have heard of dozens of persons who have given up the use of pork. Others say they intend to live cleaner lives.

I feel it such a privilege to belong to a strong, live Church which is fighting sin in every form. We have had several answers to prayer for our children.

I praise God for Dr. Dowie's teaching in regard to Holy Living. He puts it in such a practical way that any one can understand.

I know more from reading one of his sermons than from reading all of Andrew Murray's books.

A little girl in Merrill, Wisconsin, writes:

I am always glad when LEAVES OF HEALING comes.

We send Zion Literature away when we read it. I hope many may be blessed by reading it.

I wish to tell you what God has done for me.

Last week I had a very bad pain in my side and through my head.

I asked mamma to pray for me at night.

In the morning the pain was all gone from my side and before noon the pain had left my head.

I am so glad that we have a Father in Heaven to go to for help in sickness.

EDITORIAL NOTES.

LET GOD ARISE, LET HIS ENEMIES BE SCATTERED.

THERE CAN be no Peace with God's enemies.
Heaven and Hell can never agree.
Good and Evil can never mingle.
The Holy War must never cease.

ZION HAS COME forth to fight the Battles of her Lord.
Zion calls upon God to give her resources for the Conflict.
Zion is passing from the Sixty-seventh to the Sixty-eighth Psalm.

GOD HAS been merciful to us.
God has blessed us;
God has caused His face to shine upon us;
God's Way has been made known on earth.
God's Salvation and Healing have gone to all the Nations we could reach.

ZION IS praising her God and King.
Zion is calling upon all the Peoples to praise Him.
Zion is reaping glorious increase in every field.

THE PAST is glorious.
The Present is Joyous.
The Future lies before us, with "fields that are white unto the Harvest."

AND THE SONG of Zion is ringing o'er earth and sea,
"God shall bless us;
And all the Ends of the Earth shall fear Him."

THIS GLORIOUS PSALM, as all who have followed our work know, has been the Opening Song in every Mission which we have conducted, throughout our Twenty-five Years of Service since He revealed Himself to us as the "Saving Health" of all the Nations, far away under the Southern Cross in that great broad and beautiful Australia.

BUT WE GO FORWARD now into the next Psalm, keeping this also forever in our hearts that He has promised us Victory in "All the Ends of the Earth."

LET ZION everywhere read this Great Prophetic Psalm.

READ IT especially in the Revised Version, in which there are most important alterations in the translation, which are essential to its proper understanding, and its proper fulfilment in Zion.

HERE ARE the first six verses in that translation:

Let God arise, let His enemies be scattered;
Let them also that hate Him flee before Him.
As smoke is driven away, so drive them away:
As wax melteth before the Fire,
So let the wicked perish at the Presence of God.
But let the Righteous be glad;
Let them exult before God:
Yea, let them rejoice with Gladness.

SING UNTO GOD, sing Praises to His Name:
Cast up a Highway for Him that rideth through the deserts;
His Name is JAH; and exult ye before Him.

A FATHER of the fatherless, and a Judge of the widows,
Is God in His Holy Habitation.

GOD SETTETH the solitary in families:
He bringeth out the prisoners in Prosperity:
But the rebellious dwell in a parched land.

AND THEN the Song swells out in the next four verses into an inspiring historic retrospect of how God led from the bondage of Egypt into the fulness of Canaan, as the Inheritance promised "for the poor."

AND THEN there are Two Verses which we desire Zion everywhere to ponder in view of the early Opening, under a Woman Overseer, of Zion's Work for Women throughout the World:

The Lord giveth the Word:
THE WOMEN THAT PUBLISH THE TIDINGS ARE A GREAT HOST.
Kings of Armies flee, they flee:
And she that tarrieth at home divideth the Spoil.

AFTER FIVE and twenty years of companionship with our excellent wife, without whose coöperation Zion would never have been established by our instrumentality, we have seen most clearly that the time has come for the Organization of a Great Department under her overseership.

The Work of Women is not only amongst Women; but in a very marked manner amongst Men: for Men are more readily influenced, for good or evil, by Women than they are by those of their own sex.

TWELVE APOSTLES left Jesus sitting wearily at the Well of Jacob, at the noontide hour, just outside of Sychar in Samaria, and went into that city "to buy meat."

DOUBTLESS they got "the meat," perhaps after Judas had a wrangle about the price with the Samaritans in the meat market.

But they never brought a single Samaritan to Jesus' feet.

It was the despised and sinful woman of Samaria who found her Saviour at that Well who "went away into the city and saith to the men, Come, see a Man, which told me all things that ever I did: can this be the Christ?"

AND HER "Come!" was not spoken in vain: for "They went out of the city, and came unto Jesus."

AND THE result was that He was invited into that city, and multitudes there came speedily to know, first, through the Word spoken by the Woman, and, then, by the Word spoken by the Man Himself, that He "is indeed the Saviour of the World."

THIS WAS the result of a Woman publishing the Tidings of Salvation in Samaria, amongst a hostile people. It yet again will be, in Zion. It has been the result in Chicago, under similar conditions.

But when these Women are an organized and "Great Host," what will the harvest be?

The Powers of Evil will flee before a Host of Pure Women.

The Powers of Heaven will coöperate with such a Host.

LET ZION march on then into the Sixty-eighth Psalm, no matter what the Apostate Churches and all the Hosts of Hell may say.

The Devil uses women to drag men down to Hell in the Unclean Ministry of a Great Host of Harlots who curse this earth with their awful presence on the streets of ten thousand cities.

Satan uses a Host of Women at the Wells of Sinful Pleasure in theaters and concerts, and in many places, where, for the Wages of Sin, they are employed to spread the Gospel of Lust and damnation.

An Apostate Church cries, "Do not let women speak!"

Satan is wiser than such a Church, and he fills hell by their efforts.

Because there was one Corinth, where women were specially dangerous since men had trained them so to be, and because the blessed Apostle Paul gave a needed warning for that time and place, then, forsooth, the pitiful fellows who are principally concerned in getting "meat" must needs cry, "Be silent, woman!" and quote apostolic authority for destroying the good influence of the words of pure Christian Women.

DID JESUS say to that woman, "Be silent, woman!"?

Did Jesus reprove "Mary called Magdalene, out of whom went seven devils," because she accompanied Him in His ministry, as we are told in the eighth chapter of Luke?

Did Jesus reprove Joanna, the wife of Chuza, Herod's steward, and say to her, "Woman, be silent, and go home and ask your noble husband!"?

Did Jesus reprove "Susanna, and many others, which ministered unto Him of their substance," when they accompanied Him and His Twelve Apostles as they "went through cities and villages, preaching and bringing the Good Tidings of the Kingdom of God"?

These women "had been healed of evil spirits and infirmities."

And why should they, and others who have been healed in these days, not tell it, O ye miserable Episcopalian, and Lutheran, and Presbyterian, and many other Apostate Churches, who revile the Christian Catholic Church in Zion for the use made of women in the offices of the ministry?

Ye complain that Zion Women are everywhere telling the Tidings, and are interfering with your getting enough "meat."

We are glad it is so.

What right have ye to "meat" who never bring sinners to Jesus' feet, whose "church statistics" continually record the fact that God is not blessing your labors, and that your miserable "churches" are dying under their tall steeples, in their elegantly furnished auditoriums, and in their "church parlors."

LET US REJOICE!

"Let God arise, let His enemies be scattered," and especially those enemies, wolves in shepherds' clothing, who have usurped the functions of "shepherds in Israel."

THE LORD GIVETH THE WORD.
THE WOMEN THAT PUBLISH THE TIDINGS ARE A GREAT HOST.

BUT WHAT will become of the men, it may be asked, who love the companionship of women, since God has inclined the hearts of men to women?

Let husbands accompany their wives, as they do in Zion.

Let them be their companions in Zion Seventies, as far as possible.

Let men do their work also, as men, for their fellowmen.

Let men find the resources from their toil and skill to help their wives and daughters and sisters and loved ones in winning the world to God, by telling the Tidings of Infinite Love and Mercy.

O YE HYPOCRITES, who drag the women to a dance, and a theater, and a secret lodge, where words of sin and shame are spoken, which lead straight to the "house of her whose house is a gate of hell"!

Are ye the complainers that women should speak the Word of Life and Light and Love which the Lord has given?

Shame on you, if it be so!

A woman need neglect no home duty to do her Master's Will.

Has she not also the right to some of her time, away from the immediate duties of home, should she leave home sufficiently well-cared for?

Or are you alone to go and come as you please, and say, "Be silent, except when I let you speak, no matter what your Saviour says"?

Who gave you that diabolical and tyrannical power?

Neither God nor man.

And thanks be to God, you cannot compel your cruel will to be a woman's law any longer.

HOW SOME mean stink-pots and beer-pots, and swine-flesh-pots, and secret-society devils will howl, when they read these words in their wives' copies of LEAVES OF HEALING!

How they will curse Zion and the writer!

DON'T BE FOOLISH, ye whose "god is your belly," your day is over: for the Lord has given the Word which sets your wives free to serve Him, and to join themselves to the Great Host who are publishing the Tidings.

And, if you will be wise, you will surrender quickly to God also, and get into the ranks of Zion.

You will then find infinitely more love and joy in all the relations of life with your wives, as rational and religious companions, than you did when they were merely house-drudges and the unwilling slaves of your unbridled lusts.

Love and Lust are as far apart as Heaven and Hell.

BLESSED be the Lord, who daily beareth our Burden
Even the God who is our Salvation.

GOD IS unto us a God of Deliverances;
And unto Jehovah the Lord belong the issues from death.

BUT GOD shall smite through the head of His enemies,
The hairy scalp of such an one as goeth on still in his guiltiness.

OH, IT IS a Wonderful Psalm, and as we go onward with our Preparations for Zion's ever-expanding work in Chicago, and throughout the World, this Spring and Summer, we sing:

Bless ye God in the Congregations,
Even the Lord, ye that are of the Fountain of Israel!
. . . . . .
Sing unto God, ye Kingdoms of the Earth;
O sing praises unto the Lord;
To Him that rideth upon the Heavens of Heavens, which are of old;
Lo, He uttereth His Voice, and that a Mighty Voice.

ASCRIBE ye Strength unto God:
His excellency is over Israel,
And His Strength is in the skies.

O GOD, Thou art terrible out of Thy Holy Places:
The God of Israel, He giveth Strength and Power unto His people.
Blessed be God.

NO GREATER DAY has ever been seen in Central Zion Tabernacle than last Lord's Day, when we had the great joy of ordaining four Elders, nine Evangelists, thirty-eight Deacons, and forty-four Deaconesses—ninety-five new officers in all.

We also received one hundred and twenty-seven members into fellowship, and distributed the Ordinance of the Lord's Supper to fully two thousand and five hundred communicants.

AND YET we have just read what a minister in Chicago has written, in a letter which the person who received it has sent to us, that our ministry in Chicago "is a failure," and that "all the reports to the contrary are lies!"

If there is any difficulty in finding children of the Father of Lies, there is no need to go further than the pulpits of most of the apostate churches of Chicago, and from thence to the editorial dens of thieves in the so-called religious and secular papers of the city.

BUT ZION goes forward and, better still, upward.

As one newspaper says: "Zion Tabernacle is the only Church in Chicago where policemen have to be on guard to keep the crowds out."

AND YET, every now and then *they say* "Zion is falling to pieces," and many other things to the same effect.

IT IS WONDERFUL to see the intense earnestness of the people at Central Zion Tabernacle, as shown in their coming early to take their seats for the afternoon service, some as early as one and two o'clock for a three o'clock meeting, and then remaining until six, with but a few minutes' intermission between services. And this goes on from year to year the same.

THE OVERFLOW from Central Zion Tabernacle every Lord's Day afternoon is now so large that it has become an unceasing sorrow to know that every month many, many thousands go away, deeply disappointed that they cannot find seats, although there are 3100 fixed seats in the building.

WE CALL attention to the remarks which we made at the close of our gathering last Lord's Day, reported on page 627, and ask our friends to pray for our guidance in this matter.

If they will also accompany their prayers to God with a

very large contribution to Zion, it will help us materially to solve the difficulty.

It is largely a question of money, although not altogether so, inasmuch as there are few places larger that can be made available, and the solution may be the building of some large Central Zion Tabernacle for Chicago, even before we build Zion Temple at Zion City.

WE REJOICE to hear on every side of the great blessing which God is giving in the Zion Cottage Meetings, now numbering nearly three hundred weekly, which are held in and around Chicago.

We also rejoice that in the larger cities where we have Zion Tabernacles these Cottage Meetings are increasing in number, not only in America, but also on other Continents.

THE WORK of Zion Seventies continues to go forward, and much attention is being given, and will continue to be given, to the Organization of Zion Junior Seventies.

NUMEROUS CASES of salvation, healing and blessing are being constantly reported, and the steady growth of the Christian Catholic Church in Zion is much greater than any figures could express.

PREPARATIONS are being made for the Ordination on the first Lord's Day in April and in May of a large number of officers especially from our country Branches.

There will also be a Special Ordination Service on Friday, May 24th, at which many from distant points, who will attend the Inauguration of Zion Women's Work under Overseer Jane Dowie in the Chicago Auditorium on Lord's Day, May 26th, will be ordained.

MANY ARE WRITING to the Manager of Zion Home, seeking for accommodations, as usual, in the Home, who have apparently forgotten our announcement that this building at the corner of Michigan Avenue and Twelfth Street, hitherto used as a Zion Divine Healing Home, will be used solely as a Zion Office Building for officers' quarters and Headquarters Offices of the Christian Catholic Church in Zion after May 1st, God willing.

Extensive alterations are now being made.

The whole of the ground floor facing Michigan Avenue, and half way down Twelfth Street, will be turned into suitable offices and parlors for Zion Land and Investment Association and Zion City Bank, with accommodations for Safety Vaults, etc.

That which was the drawing-room on the second floor will be entirely given up to the exhibition of the beautiful fabrics produced by Zion Lace Industries, and a large number of rooms will be required for offices for these Industries, for Zion Lumber Association, Zion General Stores, etc.

The General Recorder's offices, and the offices of the Recorder of Zion Seventies, the Department of General Correspondence and Special Reporters, and the large offices of the General Overseer, the Overseer for Women's Work, the Overseer for Chicago, the Overseer-at-Large, the Overseer for China, etc., will take up a great portion of the second and third floors.

The fourth, fifth and sixth floors will be almost entirely occupied by resident Elders and Evangelists, and those engaged in the various offices on the lower floors. Even now these floors are principally so occupied.

In fact, it is quite apparent that there will not be a single room in the house unoccupied by some office or officer connected with our Headquarters.

WE THEREFORE desire to inform our friends that accommodations will have to be obtained by them in the numerous boarding houses on Michigan Avenue and its neighborhood, which are conducted by members of the Christian Catholic Church in Zion, a list of which can be obtained on personal application to Mr. A. F. Clemons, Clerk of Zion Office Building, No. 27 Twelfth Street.

INSTEAD OF having one large Divine Healing Home, we are now encouraging the sick to attend the meetings held in Central Zion Tabernacle and in the various Zion Tabernacles conducted by able Elders and Evangelists of the Church in many parts of the city and suburbs.

WE REGRET that we cannot undertake to find accommodations, by correspondence, for all those who will come to Chicago for the Special Gatherings in the spring and summer.

But we shall do our utmost when our friends come to the city to direct them to the best available boarding houses closest to Central Zion Tabernacle.

And it is yet possible that we may be driven to the furnishing of a large place on Michigan Avenue for a temporary Divine Healing Home until we have constructed our permanent building in Zion City.

DURING THIS transition period we ask our friends everywhere to take into consideration our special difficulties and to relieve us, as far as possible, from the burden of correspondence asking us to find accommodation; although, as already stated, the Clerk of Zion Office Building will do his utmost to help callers who are seeking for accommodations.

There need be no fear that accommodation cannot be obtained, for the possibilities of Chicago in that respect are certainly adequate.

A list of suitable boarding houses will also be kept by each Elder in each of the various districts of the city, as many of our visitors may choose to live, temporarily, close to some one of the Zion Tabernacles in such districts.

WE HAVE MUCH that we should like to say at this time concerning Zion City, but must refer our readers to the department under the head of "The Coming City," which will in future, until THE ZION BANNER is printed, be the principal means of information to those interested.

WE EARNESTLY urge our friends to make their Investments as early as possible, so as to enable us to acquire title to the whole of the land at an early date.

We have had the joy, since we returned from Europe on January 17th, of acquiring title to no less than 477 acres, making in all absolutely under title the large area of 1650 acres, or over two and one-half square miles.

The land acquired comprises the most important portion of Zion City Site, and very large sums have been paid upon the rest.

We confidently hope that the Investments in Zion City stock will enable us to announce by midsummer that all the land is under title.

OVERTURES have been made to us by large capitalists to lend us very large sums of money, in one case at least one million dollars, on our bonds, to enable us to develop the City and its Industries more rapidly.

We have hitherto declined to consider all such offers, earnestly desiring that the money invested in Zion City and all its Industries shall come from those who have Zion in their hearts, and will use the income derived from these investments in a manner which will extend the Kingdom of God and the prosperity of Zion generally.

WE ASK the daily prayers of all our readers that we may be Divinely sustained in the heavy toils which we are undergoing in arranging the whole field of Zion's operations throughout the world, under the three great divisions, Ecclesiastical, Educational and Commercial.

Without a complete System of Organization everything would be in confusion; but even now, although the system is far from complete, we rejoice in the good order and effectiveness of God's work in Zion.

Only those who are ignorant of God's laws can ever revile Systems of Organization: for He is the Author of Order, and not of Confusion, everywhere throughout the Universe, and by the systematic operations of His perfect laws, and the co-relations of each to the other, He constantly produces beneficent results.

The "Law of the Spirit of Life in Christ Jesus," it must be remembered, is a Law; and we can only be "set free," individually and collectively, from the Law of Sin and Death, which is the Devil's Law, by the operation of God's glorious Law of Salvation and Life.

The Gospel is the Law of the Spirit of Life.

WE THINK it desirable to make a few personal remarks.

Many of our friends throughout the world are making kind inquiries as to the condition of our health; for the most persistently false rumors are being constantly circulated as to our spiritual, mental and physical break-down.

In a letter which came to hand only this day, from Egypt, written by a professed Holiness teacher in London, he declares that we were "imprisoned in Paris" at the date of his writing; which is only one of the many utterly unfounded lies which this so-called "pentecostal" leader has been telling concerning us. Others say we are sick, deaf, dumb, blind or lame.

In answer, therefore, to numerous inquiries, we desire to say, what all in Chicago know, that, humanly speaking, our health is perfect, and that we are able to do more work, and more easily, and more effectively, than at any previous period in all our life.

Moreover, we desire to add that we are without fear as to the future.

We know that God will never impose upon us responsibilities greater than the powers which He imparts.

And so, while we feel our own personal "insufficiency," we rejoice in the continuous knowledge that "our Sufficiency is of God," and that we can "do all things through Christ who strengtheneth us."

It is true that the toils which we are called upon to undergo are most unusual, and would be inexpressibly heavy but for the grace which enables us to keep in continuous communion with God; but we can sing as we toil:

> With Thee conversing, we forget
> All time and toil and care;
> Labor is rest and toil is sweet:
> For Thou, my God, art here.

WE ARE abundantly satisfied with the goodness of God, whose mercy and grace follow us in unceasing streams of blessing every moment in every path of Zion's Heavenward way.

And what more can we ask?

Rejoicing in a full and free salvation for spirit, soul and body, we are enabled to preach that which we continually experience.

We are happy in being able to give this absolutely truthful answer to the friends of Zion in this and many other lands who seek to know as to our condition.

BUT WE REALIZE that we "have this treasure in an earthen vessel."

The "excellency of the power" is always "of God and not of us."

Therefore we desire to give Him all the Glory for our happy condition, since the Power is His, and the Kingdom is His alone.

BRETHREN, PRAY FOR US.

Has God Blessed You in Tithing?

Have you realized a fulfilment of God's promise to those who "bring the Whole Tithe into the Storehouse"? If so, let others know how true the promise is. Write your testimony and send it to Rev. William Hamner Piper, Overseer-at-Large of the Christian Catholic Church in Zion, 1201 Michigan Avenue, Chicago, Illinois. Let your testimonies be brief and straight to the point.

Notice to Officers and Members of the Christian Catholic Church.

Send all newspaper clippings concerning the General Overseer, the Elders, or any department of the work in connection with the Christian Catholic Church in Zion, to Mr. Carl F. Stern, Room 309, Zion Home, 1201 Michigan Avenue, Chicago, Illinois. Send as soon as possible after publication, and carefully mark *name and date of the paper clipped from* on each article. If this is not done, the clippings are absolutely useless.

Zion College Needs Three Pianos.

The Musical Department of Zion College is growing rapidly and its needs are increasing. Three pianos are very much needed. Who will give one or all of them to be used for God? Send to Rev. William Hamner Piper, Vice-President, 1201 Michigan Avenue, Chicago, Illinois.

THE WINDOWS OF HEAVEN OPENED.

WILL a man rob God? yet ye rob Me. But ye say, Wherein have we robbed Thee? In tithes and offerings. Ye are cursed with the curse; for ye rob Me, even this whole nation. Bring ye the Whole Tithe into the Storehouse, that there may be meat in Mine house, and prove Me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it. And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the Lord of hosts. And all nations shall call you happy: for ye shall be a delightsome land, saith the Lord of hosts.— *Malachi 3:8-12.*

More Increase in Year and Nine Months Tithes Were Paid Than in Four Years Before.

RIPLEY, ONTARIO, CANADA, January 7, 1901.

DEAR OVRSEER PIPER:—I believe the Devil has been trying to keep me from telling how God has blessed me by paying Him His tithes.

We began to pay tithes in the spring of 1899. We have been farming about five years and nine months, and in the last year and nine months God has given us more money than we made in the first four years all together.

In all these four years we had a desperate struggle to meet our payments and to pay our debts.

Everything seemed to be against us, and we had sickness and trouble.

When I would go out in the field to work, neither horses nor implements seemed to work right. I never could get up to my work.

Since we began to pay tithes I fail to find words to express the blessing and the change.

I now feel that I am only a servant left in charge to look after my Father's things, and He guides me how to do and what to do.

I have no trouble to keep up to my work.

When I go to sell the grain, it comes out to a bushel what I thought, and there always is plenty of money to pay our debts and pay God His tithes and offerings, too.

Even the weather seems to wait on me.

I can see my Father leading me and blessing me.

Last summer I wanted to go to Chicago in July, to be baptized and to see Zion City Site.

I asked my Father if He wanted me to go to give me dry weather to gather in the hay. Shower after shower would split and go each side of us. We would only get sometimes wind and a few big drops.

I finished haying on July 11th, at noon, and about two hours after we got the last load in there came on a very heavy rain. It rained off and on all the time I was away at Chicago. Hoping that this will be a blessing to some one, I remain

Your Brother in Christ, ROBERT J. POLLOCK.

P. S.—We have two large barns on the 100 acres, 74x56 and 50x30 feet. They have been filled both years. Our granary was filled to the door.

Debts Paid and Income Increased.

HORNELLSVILLE, NEW YORK, January 14, 1901.

OVERSEER W. HAMNER PIPER.

Dear Overseer:—As you have requested those who have been blessed in tithing to give their testimonies, I rejoice to give mine.

When I began to pay my tithes last winter, I lived at Cadosia, New York, and was about $120 in debt.

When I paid my tithes God enabled me to pay off the debt in six months, besides supporting eight persons.

At the end I came out with $30 ahead.

Then I moved to Bainbridge, New York, which took all the money I had and got me into debt.

I thought I would have to pay my debts before I paid my tithes.

Trouble came into my family until I promised God that I would pay my tithes from that time on.

Praise God, He helped me so I was able to pay my debts and tithes.

I am now making thirty-five cents a day more than I did before.

I praise God that I have the blessed privilege of attending Zion meetings here at Hornellsville, and receiving from them the spiritual food I need.

May God's blessing be upon you and all Zion.

Your Brother in Christ, WILLIAM HENRY WEHNER.

Money Made More Easily and Honestly When God Receives His Tithe.

MUNCIE, INDIANA, January 22, 1901.

REV. W. H. PIPER.

Dear Overseer:—I have felt it my duty as well as a glorious privilege, for some time, to add my testimony to the great blessings I have received in tithing.

It used to seem so hard for me to make both ends meet, and I was always wondering how I was going to get through.

But since I fully consecrated myself to God and went into Zion, spirit, soul and body, and began paying tithes right away, besides a freewill offering occasionally, it actually seems to me that the money just comes in and I can hardly tell where it comes from. Since then I have made more money, and made it honestly, and easier.

The blessings I have received spiritually are inexpressible.

Yours sincerely in Jesus, B. F. COLEMAN.

God's Promise to Tithers Proved True.

PERRY, OKLAHOMA TERRITORY, Jannary 19, 1901.

DEAR OVERSEER PIPER:—We wish to testify in regard to tithing.

We have paid God His tithe ever since we were converted to God.

Before coming into Zion we were sending the tithes to missionaries and other places, but always with dissatisfaction, knowing they were not teaching a Full Gospel; consequently could not be used effectually toward the extension of God's Kingdom.

Since we began sending God's tithe into Zion Storehouse, we have done so knowing that it would be used for God's cause and the extension of His Kingdom.

We have proved that God's promise in Malachi 3:10, 11 is true, even when it has taken the last dollar to pay it.

Faithfully yours in Jesus, ANDREW BRUNBERG.
ESTHER C. BRUNBERG.

Debts to God to be Paid First.

CHICAGO, ILLINOIS, January 9, 1901.

DEAR OVERSEER-AT-LARGE:—Enclosed you will find $—— to apply on my back tithes before I came into Zion.

I am glad I never paid it into the Presbyterian Church, so that now I can pay it into the Storehouse of Zion, where it will all be used for the extension of the Kingdom of God.

I had a small bank account, but today went and drew it all out. I cannot keep a bank account and be in debt to God.

I am determined to have a closer walk with God this year, no matter if it costs the last cent and the last friend I have in this world.

Your Servant in Christ, JOHN M. FIDDIS.

Spiritually Blessed After Paying Tithes.

5024 INDIANA AVENUE,
CHICAGO, ILLINOIS, January 16, 1901.

REV. WILLIAM H. PIPER.

Dear Overseer:—My allowance is small.

Before I paid tithes the money would go very rapidly and I would want more.

Since having been paying tithes, God blesses me spiritually and gives me bountifully what I need.

I have twice kept back the money belonging to Him, which made me miserable.

Your Sister in Christ, (MRS.) FLORENCE C. SMITH

Tithes Paid and Money Saved.

BLOOMINGTON, ILLINOIS, January 15, 1901.

DEAR OVERSEER PIPER:—In all my tithe-paying in the past, I have never been able to pay my tithes and save as much money in the same length of time as I have since I have been in Zion.

If I had a million dollars it would all go into Zion.

I know I could not lose it; for it is the Lord's Bank and cannot break.

Your Brother in the Lord's Service, JOHN H. BARE.

Better Spiritually and Physically Than Ever Before.

KILKENNY, MINNESOTA, January 19, 1901.

REV. W. H. PIPER.

Dear Overseer:—In reply to your request in LEAVES OF HEALING, I can truly say that God has blessed us abundantly in paying tithes since I have been in Zion.

I am better spiritually and physically than I have ever been in my life.

Your Brother in Christ, H. C. CONNOR.

Many Blessings Through Paying Tithes.

SAN ANTONIO, TEXAS, January 17, 1901.

REV. WILLIAM H. PIPER.

Dear Overseer:—In reply to your request for testimonies in regard to tithing, I feel it is my duty, as well as privilege, to thank God that I have received many blessings through paying tithes.

Faithfully yours in the Master's service, (MRS.) M. I. JAMES.

A VOICE TO ZION AND GOD'S PEOPLE IN EVERY LAND.

O thou that tellest Good Tidings to Zion, Get thee up into the High Mountain Lift up thy Voice with strength: Lift it up, be not afraid: Say unto the cities of Judah, Behold your God! Isaiah. XL:9.

A DAY OF GREAT SPIRITUAL BLESSING.

Report of Meeting held in Central Zion Tabernacle, Lord's Day Afternoon, March 3, 1901. Prelude: God Gives Victory Over the Inquisitorial Committee. Sermon: "It is Finished." Ordination of Ninety-Five New Officers, Reception of One Hundred and Twenty-Seven New Members, Communion of the Lord's Supper.

REPORTED BY S. D. AND E. W. AND A. W. N.

THE first Lord's Day of March, 1901, can never be forgotten in Zion. It was a day when God was present, by His Holy Spirit, with mighty power. It was a day of sweetest communion of God's people in Zion with one another and with Him.

It was a day of rejoicing in the Lord over a most glorious Victory, which He had given.

It was a day full of most momentous import for time and for eternity for many in God's presence. On that day occurred the Ordination of the largest number of Officers ever set apart for God's ministry at one time in Zion.

It was the first Ordination in Central Zion Tabernacle for seven months.

It was the first great Ordination of those from the ranks in Zion.

There were ninety-five who were thus definitely separated for the work of God's ministry: four Elders, nine Evangelists, forty-four Deaconesses and thirty-eight Deacons.

After the Ordination, the General Overseer, with a few loving words of welcome and a prayer for God's blessing, extended the right hand of fellowship to 127 new members of the Christian Catholic Church in Zion.

The meeting closed, after almost six hours of most delightful and blessed services, with the regular monthly communion of the Lord's Supper.

At the regular afternoon service, there was an audience which filled every one of the 3100 fixed seats in Central Zion Tabernacle, while many stood throughout and many went away because there was no room.

As a prelude, the General Overseer said a few words in closing the incident of the illegal attack of the Illinois House of Representatives upon Zion City Bank and the glorious victory which God had given Zion.

As he thanked God for Victory and expressed his sorrow that the Legislature should have merited such a defeat, it was evident that all in the great audience, friends and strangers alike, were with him. They also showed their marked approval of his determination to protect Zion, her Institutions and her people against injury as the result of criminal libels against the General Overseer.

The General Overseer's sermon, "It is Finished," set forth with God-given power the great fact of Christ's voluntary sacrifice for humanity and told of the many precious gifts which He purchased for man by thus laying down His life.

Then he called attention to the great necessity for every true servant of God to make sacrifice; to lose his life in order to save it.

Then, leaving behind the thoughts of toil and sacrifice, the speaker pointed out the glory and beauty of the Crown of Victory which those should wear who, having suffered with Christ, should also reign with Him.

God greatly blessed the Message delivered by His servant to the thousands present.

May He bless the printed words to the tens of thousands throughout all the world, to whom they will come on the wings of the Little White Dove.

The meeting was opened with the joyous words of the Processional:

Rejoice, ye pure in heart,
Rejoice, give thanks and sing;
Your festal banner wave on high,
The Cross of Christ your King.

REFRAIN—Rejoice, give thanks and sing.

Bright youth and snow-crown'd age,
Strong men and maidens meek,
Raise high your free, exulting song,
God's wondrous praises speak.

With voice as full and strong
As ocean's surging praise,
Send forth the hymns our fathers lov'd,
The Psalms of ancient days.

Yes on, thro' life's long path,
Still chanting as ye go;
From youth to age, by night and day,
In gladness and in woe.

PRELUDE—GOD GIVES VICTORY OVER THE INQUISITORIAL COMMITTEE

Central Zion Tabernacle, Lord's Day Afternoon, March 3, 1901.

The services were opened by singing Hymn Number 63:

"For God so loved!" Oh, wondrous theme!
Oh, wondrous key to wondrous scheme!
A Saviour sent to sinful men—
Glory to God, the Father!

CHORUS—Glory to God, the Father!
Glory to God, the Father!
Glory, glory,
Glory to God, the Father!

The Apostles' Creed was then repeated by the congregation.

Scripture Reading and Exposition.

The General Overseer read from the Word of God in the Gospel according to St. John and in the nineteenth chapter, the first twelve verses, commenting as follows upon the twelfth verse:

Upon this Pilate sought to release Him: but the Jews cried out, saying, If thou release this Man, thou art not Cæsar's friend: every one that maketh himself a king speaketh against Cæsar.

Much they cared about Cæsar! They had no loyalty to Cæsar, but they wanted by a lie to bring Christ within the power of the Roman law, that He might be crucified.

They hated Cæsar, but they pretended on this occasion to be his friends and true subjects.

When Pilate therefore heard these words, he brought Jesus out, and sat down on the judgment-seat at a place called the Pavement, but in Hebrew, Gabbatha. Now it was the Preparation of the Passover: it was about the sixth hour. And he saith unto the Jews, Behold, your King! They therefore cried out, Away with Him, away with Him, crucify Him. Pilate saith unto them, Shall I crucify your King? The chief priests answered, We have no king but Cæsar.

They hated Cæsar, but for the time being they were willing to renounce God as their King and accept a heathen emperor.

The General Overseer then read from the fifteenth verse to the end of the chapter, closing with the prayer:

May God bless His Word.

Prayer was then offered by Overseer Piper, also by the General Overseer.

Overseer Speicher then delivered the general announcements, and the General Overseer concluded as follows:

The Death of the Where-Asses.

I would add to these announcements merely a word or two. I do not intend to have a Conference at the close of this meeting, as I have had at the close of the two preceding Lord's Day afternoon meetings, at which we dealt with the Where-Asses, because they are all dead. (Applause.)

The General Overseer then read from his Editorial Notes in LEAVES OF HEALING, Volume VIII, Number 19, page 581, concerning the death of the Where-Asses and the disgrace of the Illinois House of Representatives. He then asked the question:

I think you all agree with me?
Voices—"Yes."
General Overseer—All who agree with me, say Aye.
Voices (unanimously)—"Aye."
General Overseer—On the contrary, No?
(No answer.)
The "Ayes" have it. (Laughter and applause.)

I do not think it is necessary for me to add to the Editorial Notes. You will please to excuse me, therefore, from discussing the case again.

The poor miserable "Where-Asses" were all killed by Attorney General Hamlin, as the chief executioner, although they brayed quite loudly, poor creatures, for a while. They were monstrosities which ought never to have been born.

Last Futile Attempt of the Inquisitorial Committee.

After these poor wretched monstrosities had all been put to death and were buried, what did the Inquisitorial Committee do? Oh, the drug stores were in despair, and the Jesuits were mad; so Kettering, the druggist, and Donoghue, the Jesuit, members of that committee, determined that they would come down to Chicago and call upon State's Attorney Deneen, and have me indicted before the Grand Jury. When he asked them for their evidence, however, they could not produce any, except a number of anonymous letters. (Laughter.) Anonymous letters are not evidence, and the anonymous letters in that case were anonymous lies from beginning to end. When I read them I immediately telegraphed from Ben MacDhui to Deacon Barnard to come upon this platform last Wednesday night and read my telegram, in which I said what I shall now repeat. I desire it to be heard wherever this word can reach, and it can reach a long way, thank God. I want it to be heard especially by those whom it concerns in the Daily Press of Chicago.

I denounce every line about the $5,000 which I was said to have transferred to my own credit, as an absolute falsehood. It would have been an act of crime which would have sent me to the penitentiary. It would have been an absurd thing, moreover; for I am responsible for the money in Zion City Bank.

Another statement was that I had been guilty of making a bogus statement that $50,000 had come into Zion, and that it had only come because I had mortgaged Zion Printing Works, and deposited the proceeds in my own bank; a very likely thing to do!

Zion Printing and Publishing House plant has never had any debt upon it, and never had any mortgage. The thing is a lie from start to finish.

Then the monstrous lie was added that I had transferred $200,000 of Zion City Bank deposits to my own son's name.

Those Who Criminally Libel the General Overseer as a Banker Will be Punished According to Law.

If any man or woman living will put his or her name to these lies, and stand up and father them and mother them, I will promise them that they will be inside of prison bars just as quickly as I can get them there. (Applause.)

I will not permit that attack to be made upon Zion's Financial Institutions without laying these scoundrels by the heels immediately and placing them where they belong.

They belong to the penitentiary, and to the penitentiary they shall go.

I warn Mr. Kettering and Mr. Donoghue that if they again put these statements before the public, I shall have them indicted at once. I shall have them arrested for criminal libel as quickly as the warrant can be gotten out.

If any newspaper in Chicago repeats those lies, I shall have its editor arrested for it. (Applause.)

I am on the warpath for God, and for the protection of His people. I do not propose to have any more nonsense of that kind.

When the next libel concerning Zion City Bank and its securities is published, the libeler will go to prison, if I can get hold of him. (Applause.)

No wonder that anarchists exist! Unless God had made me strong, and given me the grace that He has given, and the resources, and the mighty people behind me, I never could have fought and won this battle. (Amen.)

God Has All the Glory for Zion's Great Victory.

I give Him all the glory. I take none. I did my duty—no more, no less; but I did it and won.

Somebody said to me, "Take care, Doctor; you might be hurt."

I said, "Let them take care; they may be hurt."

I did not worry a grain about the consequences of that fight, because I knew I was right, and I went into it determined to overthrow the Devil in the House of Representatives, using only the weapons of Truth and Righteousness, appealing to God for victory over these Lawless Legislators.

One man with God upon his side is an absolute majority upon any question. I have found that true again and again.

I sent the telegram denouncing the libels to every paper in Chicago last Wednesday; but there was only one of the papers in Chicago that had the pluck to publish it. That was the Chicago *Chronicle* (Amen); "Brother" *Chronicle*. Good for "Brother" *Chronicle!* (Applause and laughter.)

All of the rest of the Republican and piebald Republican papers and Daily Liars were afraid to publish the short telegram which I sent through Deacon Barnard.

I give them notice that the time has come when those who publish criminal libels of this kind will have to stand the criminal consequences. I will defend the rights and property of my people. I thank God that the law-abiding and honest people who attend strictly to their own business everywhere are with me. (Amen.)

I have been so thankful to receive letters of congratulation even from infidels, and more from infidels than from apostate Christians. These miserable Baptists, these wretched Presbyterians, these miserable Congregationalists who are living in the valley of dry bones, have no spunk or fight in them. The very world itself has more spirit than they. Thank God, too, some of the most prominent Freemasons in this city, who have no sympathy with my fight upon Freemasonry, have written to me and said, "God bless you; you have done a great and good thing." (Applause.)

The poor people have said, "Thank God, Doctor, that there is some one who can stand up and throttle these sandbagging scoundrels."

That is what they called them. I do not know whether they are that or not. I know nothing about it. I only take at this time the right to call them "Where-Asses." (*Concerning this charge against the Legislators, further information is given in a letter in our possession, where the words of a member of the House of Representatives, charging some of his fellow-members with criminal conspiracy, are quoted at his desire, although we are asked, for the present, to withhold his name.*—ED.)

I would rather have the love of the poor than any other class of people.

The Question, "Which is the Bigger, Dr. Dowie or the Legislature?" Answered.

Now, Mr. Daily Liar, *News*, and all the rest, you published a cartoon at the beginning of this fight, asking "Which is the bigger?" Why do you not publish a cartoon showing it now? (Laughter and applause.)

You asked the question, why do you not answer? (Laughter.) If you do not answer before next Saturday, I will publish one. (Applause.) (This promised cartoon appears on page 618.)

I am very happy. I am very happy because right has won. Thanks be to God, right will continue to win. (Amen.) It is greater than might; for the greatest might in all the world, after all, is right.

My brothers, my sisters, there is a right way to go about it, too. While I have fought an illegal and malicious procedure, I have done it in an orderly and legal manner.

We must not fight the Devil with his weapons; for the Devil knows better how to use his weapons than we do.

We must fight the Devil with God's weapons.

We must fight the powers of Evil with Good.

We must fight the Lie with Truth.

We must fight Uncleanness with Purity.

We must fight the Wrong by maintaining the Right.

May God help us to be loyal and true to the principles of Civil and Religious Liberty upon which this Republic was founded. (Amen. Applause.)

I Speak as an American as Well as a Christian. I Intend to Uphold the Stars and Stripes.

I intend to do my best to keep that flag clean.

May God bless you, and may God help us to do our work.

Let me say one thing in closing the incident.

Sorrow for the Disgrace of the Legislature.

Let no one think that I stand here today with any self-exaltation. I cannot wish to glory in the exposure and disgrace of the Legislature. It is a sorrow as well as a shame that we should have to bow our heads today, and to acknowledge that the Legislature legislates without thought, and even contrary to law.

We should humbly ask God to grant to the people wisdom to choose men whose character and integrity is unquestioned, whose capacity as legislators has been proved.

May God help the people, and may it be known far and wide that I deeply deplore and regret the necessity which was imposed upon me of putting to shame the legislators of the State. It is to my sorrow if it is to their shame; for we sorrow in the shame of our Legislature.

May God grant that it may never have to be done again. (Amen.) But if ever it has to be done, count me as one who is willing to do my best to protect the law-abiding against the lawless.

I shall never suffer wrong to be done to the people whom God has committed to my care. I shall claim the right to attend to our own affairs in a manner which is legal and right, and not permit a set of "Where-Asses" to pry into the private affairs of our people, and to endeavor to destroy Zion's Financial and other Institutions.

My stand is taken for the people.

I desire the people to be healthy, not sick; to be educated, not ignorant; to be strong, not weak; to be rich, not poor.

Our Lord Jesus Christ died to take away sin and sickness and ignorance; and it is also written, "For your sakes He became poor, that ye through His poverty might become rich."

Poverty is a Curse.

May God grant that it be speedily removed. (Amen.)

May the people therefore not drink hundreds, yea thousands, of millions of dollars in the damning liquor, and burn them in the filthy tobacco.

May they not spend millions in the foul swine's flesh, and in the disgusting and shameful drama.

May they live clean lives, and do right, and do what they can to make their children wiser and better men by God's help. (Amen.)

That is what Zion is seeking to do. If we do not do it in your way, thank God we are doing it in some way. You who see that we are doing good should be with us and not against us, if you are lovers of good.

Zion is an Institution which was not created by the rich, or by the strong. It was created by God in this city, by the hands of this weak man. It was the poor, and the sick, and the sorrowing whom we first found in thousands, and in tens of thousands.

Some of you were sick and sad, and weary and poor, but now God has blessed you, has He not?

Voices—"Yes."

General Overseer—He will bless multitudes more.

May God bless Chicago. (Amen.)

May God bless the State of Illinois. (Amen.)

May God bless the Legislature (Amen), and may it soon be dissolved, and these wicked members sent back as quickly as may be to private life. Then let us see whether we cannot get a better Legislature at Springfield.

Legislatures Are Constantly in Need of Watching.

Legislatures are too often controlled by men who go there for the purpose of sandbagging the rich and throttling the poor, in multitudes of cases. May God deliver us from such scoundrels. (Amen.)

I have no hesitation in saying this, because they have shown it, not only in this case, but in many others.

If they wish to bring me before the bar of the House at Springfield for saying these words, I will go without any question, and will deliver as eloquent a sermon upon that text as I can. (Laughter and applause.) And I shall, in that event, produce some remarkable testimony, of which I am saying nothing just now.

They will not ask me. The last man whom they wish to see is John Alexander Dowie. (Laughter.) Whether they call me or not, I am willing to go right at once to answer at the bar of the House for the charge which I now make that, either by ignorance or by malevolence, or by gross carelessness, they are guilty of legislating first and thinking afterwards. That is not what we desire in a Legislature, is it?

Audience—"No."

General Overseer—God bless them. Perhaps after this they will be blessed, because I have noticed that there are certain kinds of children who are never good until they have been properly spanked. (Laughter.)

Nothing but disaster can befall the land if we are to continue to have such foolish, ignorant and malevolent Legislatures.

I am thankful that there are three Branches to this Government: Legislative, Executive, and, above all, Judicial. I thank God that the Law to which we appealed was the very thing that settled the anarchistic lawbreakers who had usurped the place of lawmakers in Springfield.

May God bless them and make them wise and good. That is my worst wish for them.

I Have no Personal Enmity Against Any of the Legislators.

I do not know one of them personally.

I stood for the right, and I thank God that He has given us the Victory. May the Victory be known from land to land and

from sea to sea. May it be a great inspiration and blessing to Zion. (Amen.)

Let us be humble in the Day of Victory. If a man should be foolish in the Day of Victory; if he should take the glory to himself, and not give the glory to God; if he should be lifted up with that pride which goeth before destruction, may God have mercy upon him. Again I say, "Thanks be to God who *giveth* the victory through Jesus Christ our Lord."

The Glory is His: for the Power which won it is His, and His alone.

May God keep us humble, and make us ready to do good to those who have done evil to us for Christ's sake.

The incident is closed, and the Press is devoutly silent. They are all nursing their sores. Indeed, the committee, when they left Chicago, went up straight to Springfield and held their first meeting in the State Industrial School for the Blind. (Laughter.) No oculist there could give them sight.

I pray God for them. I pray God that those who are nursing their wounds may be speedily healed, and take the matter kindly, and that God may give them sight.

Do not, my friends, be too proud about that victory. Do not say too much about me. I hear that some of you are saying great, tall things about me. Do not do it.

You can never make a tall man out of me; I am too short for that. You never can make any more out of me than a plain, straightforward business man whom God has placed in His ministry to do His business. May God help me to do it, and may you help me, too.

I thank you very much for the love and the loyalty which you have manifested. I thank God for the depositors and investors everywhere throughout the land, that there has not been one who has withdrawn a single investment, and only one has been found to withdraw a deposit. That one deposit was withdrawn yesterday. The sum was $5, and the depositor lived in Minneapolis.

On the other side, there have come in tens and tens of thousands of dollars. Zion's Financial Institutions are stronger, brighter, more powerful for good than ever they were.

When the snow is off the ground, and the green grass appears, we are ready to go forth with the bright spring. God will bless us. We are all looking forward to the Spring. I am: for I shall celebrate my Silver Wedding then, if God permit, and

I Am Going to Get Married Again—to Mrs. Dowie.

She has been my wife for twenty-five years, and on the twenty-sixth day of May I propose to be married again for another twenty-five.

Pray for her, will you not?

Audience—"Yes."

General Overseer—Ask God to bring her to us safely by and by, across the Ocean, with my daughter.

She is getting a good rest. She is writing a little for our papers, and is preparing herself for the task which I have assigned her, by God's direction, as Overseer of the Special Work which belongs to Zion's Women throughout the World.

We shall receive from her, presently, some translations of her writings into French. For the sake of the French I intend to publish them in French in our paper. May God bless France and every land beneath the sun, and may God bless Zion! (Amen.) May He give us a blessing today!

The tithes and offering were then received, Zion's White-robed Choir singing with deep feeling Stainer's beautiful anthem, "For God So Loved the World."

IT IS FINISHED.

INVOCATION.

Let the words of my mouth and the meditation of my heart be acceptable in Thy sight, be profitable unto this people, and unto all to whom these words shall come, in this and every land, in this and all the coming time, till Jesus come, for His sake.

TEXT.

When Jesus therefore had received the vinegar, He said, It is finished: and He bowed His head, and gave up His Spirit.

It Must Never be Forgotten That Jesus Laid Down His Life.

He said, "I lay down My life, that I may take it again. No one taketh it away from Me, but I lay it down of Myself. I have power (authority) to lay it down, and I have power (authority) to take it up again."

"This commandment," He said, "I have received from My Father."

Hence, the death of Jesus was a Voluntary Sacrifice. Had He been willing, one word and the Legions of Angels would have trooped out from all the stars and wheeled into line, and smitten the miserable heathen foe at Jerusalem.

What would it have been to God the Most High? He Himself said that if He had asked, "more than twelve Legions of Angels" would have been sent by the Father to His aid. How easily could these Heavenly Hosts, under some mighty Archangel, sweep away the miserable nest of hypocrites who had usurped the places of true ministers of God, and had changed the Father's House of Prayer into a den of thieves!

Twelve Legions of Angels would have made very short work of the procurator, Pilate, and his small company of Roman soldiers.

The greatness of Christ's Sacrifice lies in the fact that it was voluntary. It was His own will.

It was necessary.

There comes a time when a man sees his duty so clearly face to face that if there is death in the next step, he must take that step and do his duty, and, if need be, die.

If a man shall see his duty face to face, and shrink from the sacrifice of his liberty, property or life, even humanity says he is a coward; and God says he is no Christian.

There was much more than a Sacrifice that was voluntary in Christ's laying down of His life. It was a necessity. The High Priest said that which was true when he said, not knowing what he said, that it was "expedient for them that one man should die for the people, and that the whole nation perish not."

"He saved others; Himself He cannot save."

This was the accusation which the mocking priests and scribes flung at Him as He hung in agony on the Cross.

It was true—He could not save Himself and yet continue throughout the ages to save others.

He saved others; Himself He dare not save.

He saved others from death, but He must die. It was necessary.

The sacrifice had to be made. Even the heathen see that.

A Roman Story of Voluntary but Necessary Sacrifice.

A horrible pit suddenly opened in the forum of republican Rome in its earliest days.

"How is it to be closed?" the people asked. The augur said that it could only be closed when the most valuable thing in Rome went into that awful pit.

They threw things which they counted most valuable into the pit, but it never closed.

One day Curtius, the young knight, clean, pure, strong; the very ideal of the patrician who was a patriot—and whether a man is a plebian or a patrician, he ought to be a patriot—saw and understood what the augur meant. He saw that the best in Rome was the purest, freshest, strongest and ablest life in Rome.

Arraying himself in the attire of the noble, armed fully and mounted on his horse, all ready, as it were, for battle, he cried to the augur: "This is the noblest thing in Rome!" Then he spurred his horse into the pit and went crashing down into the awful abyss. The legend says that it closed immediately.

That is a legend, a fable, but this is a fact:

The One Thing That Could Save Humanity Was a Pure and Holy Life.

Some one who could go down into the very depths of hell, and fight it out with the Devil in the dark regions of death and despair, was needed.

Lo, I am come,
In the roll of the Book it is written of Me,
To do Thy will, O God.

He did God's will.
He spoke God's Word.
He healed the sick.
He taught the ignorant.
He reproved the rich.
He encouraged and comforted the sorrowing poor.

He breathed words of life which were full of fragrance for those whose hearts were seeking sympathy in their sorrow—words which led them to pardon, peace, and purity, and heaven.

He struck blows, and He tore away disguises which made the hypocritical Church of that day stand out as indeed it was, what He said, like a sepulcher, without beautiful, within full of rotteness and dead men's bones.

It mattered not who it was that was evil, Jesus smote the evil. He called Herod a fox. He tore the mask from the High Priest and the Sanhedrin, and called them by the names that fitted them: Pharisees, Generations of Vipers! He grasped these vipers by the throat and crushed them beneath His feet.

They did not love Him.

The People Loved Him. The Rulers Hated Him.

The privileged classes cursed Him. Herodians and Romans, Pharisees and Sadducees, all conspired together to defame Him; to make the people believe He was only an anarchistic monster; that He was a blasphemous wretch for whom life was too good.

Friends, you can deceive some people all the time, you can deceive all the people some of the time, but you cannot deceive all of the people all of the time, as a martyred President of the United States once said.

The moment He had cried, "It is finished," brought from heaven itself the answer which made the Centurion, who had been the official at His execution, lift his hands and cry, "Truly, this was the Son of God."

The Son of God won His victories upon the Cross. He has won them ever since by His Sacrifice. As Napoleon said, "I won and lost empires by cruel wars and by destroying men's lives; but the Christ of God won an Empire of Love by the Sacrifice of Himself, and the shedding of His own blood."

There have been millions in every age who have loved Him, and bowed to Him and worshiped Him; "Because," they have said, "He loved me and gave Himself instead of me."

Thank God for that. We can say it, too, can we not?

Voices—"Yes."

General Overseer—He cried, amidst the awful darkness, from that Cross, "It is finished!" and He gave up His Spirit.

What was finished? His Kingdom? No. It was but begun.

What was finished? The sacrifice of Himself. He said, "The cup which the Father hath given Me, shall I not drink it?"

Oh the bitter cup!

Those who are most healthful suffer most keenly from disease.

Those who are pure suffer most, when virtue is impugned.

The honest suffer most when their characters are defamed.

Oh the bitterness of these cups!

But, "shall I not drink it?" If my Father gave me that cup, I may, like Him, bow in the garden and say, "If it be possible, let this cup pass from me." But if you and I shall do God's will, then we shall get above that prayer, and we shall say, "Nevertheless, not as I will, but as Thou wilt." Then we shall drink the cup to its last dregs, whether it be the Cup of Service or the Cup of Sacrifice.

So He did.

He drank the cup of human woe.

He drank the cup of human pain.

Who Follows in His Train?

Who today will take His cross and follow Him and triumph over pain?

Who will suffer with Him?

Who will seek those for whom He suffered, and for whom He died?

Who will follow in His train?

Who are willing to finish their lives, if need be, on some cross, that God may be glorified and humanity blessed?

Will you?

Do not let us say Yes, unless we mean it; because God may call us to do it. If we shrink, if we falter, then what shall we be?

A Legend of the Apostle Peter.

He was hurrying along the Appian Way in the dim morning, the legend says. He was hurrying away from Rome; for he was in danger of death. It was Peter, and in the dimness of the morning, he saw coming along that Appian Way a Figure of One whom he knew. He stopped, and the Figure drew nearer. He shrank back.

It was the Christ Himself.

But the Figure did not stop. The Figure passed with His face set for Rome, with the old look on His face that he had so often seen. It was the look he had seen on the face of Christ when He went up to Jerusalem to die.

Peter saw the Master passing. He had come back to earth. He ran up to Him, and asked, "*Domine, quo vadis?*" O Lord, whither goest Thou?

He said, "I go to Rome to die for you."

The Apostle then fell at His feet, and besought the Christ that He would forgive the cowardice which made him run from the cross. He asked His blessing that He might go back and die. The Christ gave him His blessing and Peter, with a smiling face and ready feet, went back and said, "Here am I," and they crucified him.

"*Domine, quo vadis? Domine, quo vadis?* O Lord, whither goest Thou? Show me the path whither Thou goest and let me—let us, each and all, say it from our hearts—let me be willing to fill up the measure of Thy sufferings."

It is still the same. You cannot close the awful vortex without leaping into it yourself. You must not shrink to go down into the deepest depths. Only those who have done this, can ever be greatly used here, or hereafter, in bringing lost myriads into the Kingdom of God.

Whosoever would save his life shall lose it; and whosoever shall lose his life for My sake and the Gospel's, shall save it.

Tetelestai, it is finished. O God, we praise Thee, His Sacrifice was finished.

We cannot bear that He should suffer more, but we praise Thee, He suffered all that was needful. Now we thank Thee that His body, raised from the dead, walked this earth, reascended, and was glorified, and is in heaven. And we are working, and waiting for the fulfilment of His word, "I will come again." At His Table today we "show the Lord's Death 'till He come.'" How inspiring is that thought!

"Till He come!"—Oh let the words
Linger on the trembling chords,
Let the "little while" between
In their golden light be seen;
Let us think how heaven and home,
Lie beyond that "Till He come."

When the weary ones we love
Enter on that rest above,
When their words of love and cheer
Fall no longer on our ear,
Hush! be every murmur dumb,
It is only "Till He come."

Clouds and darkness round us press;
Would we have one sorrow less?
All the sharpness of the cross,
All that tells the world is loss,
Death, and darkness, and the tomb,
Pain us only "Till He come."

See, the Feast of Love is spread,
Drink the wine and eat the bread;
Sweet memorials, till the Lord
Call us round His heavenly board,
Some from earth, from glory some,
Severed only "Till He come."

In Order to Ascend, We Must First Descend.

Shall we descend? Yes.

When you approach Jerusalem—Jerusalem, the City of Christ our King—beautiful city—and by and by, after a long pilgrimage, you stand upon Mount Olivet and look at the City, oh how beautiful it is, even in its decay.

You hurry that your feet may stand on Mount Moriah and on Mount Zion. But you cannot go to that City until you descend into the Valley of Jehoshophat or the Valley of Hinnom. Into the valley you must go, for the only way to reach the City is to descend into the valley, and then climb the mountain height.

And so we must follow Christ down into the valley, if our feet are to stand on Zion's hill here and hereafter.

Oh thanks be to Him who went to deeper depths than ever we can go!

Thanks be to Him who will let us go, just as deep as we can go with safety.

Thanks be to Him who has triumphed over Sin and Satan, and over Death, and who will destroy Hell.

Thanks be to Him who giveth us the Victory; who "tasted death for every man."

Thanks be to Him of whom it is written that "as in Adam all die, so also in Christ shall all be made alive."

Thanks be to Him who has said that He will seek the lost and fallen, and the wretched, if He has to seek them through

the very gates of hell itself. He will preach to the spirits in prison, and He will bring the last poor wandering soul to God.

Thanks be to Him who will bring back all His sheep, and will never be at rest until He has brought all His self-banished children home rejoicing.

Thanks be to Him who finished His own Sacrifice. We must make ours.

All who are willing to trust in His finished Sacrifice, and desire to live to serve, to love, to sacrifice for Him, stand and tell Him so.

PRAYER OF CONSECRATION.

My God and Father, in Jesus' Name I come to Thee. Take me as I am. Make me what I ought to be, in spirit, in soul, in body. Give me power to do right, if I have wronged any; to repent, to confess, to restore, and to make the wrong right as far as possible in time; to do right in Thy sight. Forgive me, for the sake of the Lamb of God, Jesus, who taketh away the sin of the world, Thy Son, who died for me. By Thy Spirit help me, cleanse me, give me power so to live that I may finish my course with joy, whether it be by life or by death. Let me glorify Thee for Jesus' sake. (All repeat the prayer, clause by clause, after the General Overseer.

Did you mean it?

Answer—"Yes."

General Overseer—Then live it.

When the General Overseer had finished, the Choir took up the beautiful and inspiring words of the Recessional:

The Church's one Foundation
Is Jesus Christ our Lord;
She is His new creation
By water and the Word;
From heav'n He came and sought her
To be His holy Bride;
With His own blood He bought her
And for her life He died.

Elect from every nation,
Yet one o'er all the earth,
Her charter of salvation
One Lord, one faith, one birth;
One Holy Name she blesses,
Partakes one holy food,
And to one hope she presses,
With every grace endued.

'Mid toil and tribulation,
And tumult of her war,
She waits the consummation
Of peace forever more;
Till with the vision glorious
Her longing eyes are blest,
And the great Church victorious
Shall be the Church at rest.

Yet she on earth hath union
With God the Three in One,
And mystic sweet communion
With those whose rest is won;
O happy ones and holy!
Lord, give us grace, that we,
Like them, the meek and lowly,
On high may dwell with Thee.

The White-robed singers passed slowly out as they sang, and then the Robed Officers, while with bowed heads the great congregation stood reverently, lifting up their hearts in praise and worship to God, closing with the final prayer of the hymn:

Lord, give us grace, that we,
Like them, the meek and lowly,
On high may dwell with Thee.

The voices of the singers ceased and all was quiet for a moment. Then the General Overseer closed the service with the

BENEDICTION.

Jehovah bless thee, and keep thee:
Jehovah make His face to shine upon thee, and be gracious unto thee:
Jehovah lift up His countenance upon thee, and give thee Peace.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who also will do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you, keep you, and all the Israel of God everywhere, forever. Amen.

ORDINATION AND COMMUNION SERVICE.

In the brief intermission which followed, seats were cleared, immediately in front of the platform, for the candidates for Ordination, and the table was prepared for the Lord's Supper.

When perfect order had been restored, the organ sounded and from the upper side doors Zion Choir entered and took its place in the choir gallery. At the same time the candidates for Ordination entered through the lower side doors and took their seats in the places reserved for them.

Then the General Overseer and Overseers Piper and Speicher came upon the platform, the other officers of the Church occupying the first rows of seats in the first gallery on either side of the platform.

Although the hour was late, fully 2500 people remained to this Ordination and Communion service, entering most heartily into every detail and evincing their joy and the blessings which they received in every part of that most blessed gathering.

The Ordination Service was opened by singing Hymn Number 116:

There's a royal banner given for display
To the soldiers of the King;
As an ensign fair we lift it up today,
While as ransomed ones we sing.

CHORUS—Marching on! Marching on!
For Christ count ev'rything, but loss;
And to crown Him King, toil and sing,
'Neath the banner of the cross.

The General Overseer then read the first five verses of the Epistle of the Apostle Paul to Titus:

Paul, a servant of God, and an apostle of Jesus Christ, according to the faith of God's elect, and the knowledge of the truth which is according to godliness, in hope of eternal life, which God, who cannot lie, promised before times eternal; but in His own seasons manifested His Word in the message, wherewith I was entrusted according to the commandment of God our Saviour; to Titus, my true child after a common faith: Grace and peace from God the Father and Jesus Christ our Saviour.

For this cause left I thee in Crete, that thou shouldst set in order the things that were wanting, and appoint elders in every city, as I gave thee charge.

ADDRESS TO THE CANDIDATES FOR ORDINATION.

The candidates for Ordination then arose, and the General Overseer addressed them as follows:

My Brothers and my Sisters, during the five months of my absence in Europe, in which time there were no ordinations in this country, I gave very earnest heed to what God would have me do when I returned.

I have had periods of knowledge of you, extending from 1890 until now. Some of you I have known for over ten years. I have known some of you through days of service, since the days when, in the Little Wooden Hut, Zion Tabernacle No. 1, you were among the first to coöperate with me. I have watched you through the long years. I felt, therefore, that when I returned to America, my first duty would be to take from the ranks of the people many faithful men and women whom God had shown me were qualified for at least the first office, the diaconate office in the ministry of our Lord in the Christian Catholic Church in Zion.

It has given me intense pleasure, although much toil, with the Overseers, to look over the Church membership and choose you. While we are about to ordain today forty-four Deaconesses, thirty-eight Deacons, nine Evangelists and four Elders, it was my intention to make the Ordination of the diaconate the most important thing in my first Ordination after my return, as indeed I now make it.

Napoleon trained his soldiers to war in such a manner that every man used to say, as he marched, that perhaps he had a

marshal's baton in his knapsack. By that was meant that if he were a brave and true soldier, there was no position in the Imperial Army of France to which even a humble soldier could not aspire. It was that, among other things, which gave Napoleon his marvelous hold over the hearts of his men.

When one of them was being probed for a bullet near to his heart, at Waterloo, he smilingly said to the surgeon, "Probe a little deeper and you will find the Emperor," meaning that engraved upon his heart, although Napoleon had fallen, was the Emperor whom he loved.

I have the hope that in your heart I shall find the Name of the Saviour written. (Amen.) It has been this thought that you were loyal to my Lord and your Lord that has made me call you to this position.

It Has Been Difficult to Choose.

There have been hundreds, and are hundreds now, who have been as faithful as you have, and as devoted as you have. I cannot call all to be officers. It would never do to have an army all officers. Yet I am looking forward to the time when I shall be able to bring out another great company.

Indeed, I have another list already under consideration. They are members of the Christian Catholic Church in Zion in other Branches outside, and some still in this Central part of the Church. I say to my brethren and sisters still in the laity, that I hope you will rejoice that these have been counted worthy to be put in the ministry, do you not?

Answer—"Yes."

General Overseer—Thank God for that. There will be no envious spirit in Zion, will there?

Answer—"No."

General Overseer—You will rejoice that God has called these. Who knows? There may be in the knapsack of some of the humblest still in the ranks, the baton of an Officer of this Church; the baton of an Evangelist; the baton of an Elder; the baton of an Overseer; perhaps the baton of a General Overseer.

But, if you never rise higher than the diaconate, think of Stephen, the first Crowned Martyr for Christ, who was never more than a Deacon, who came out so gloriously in the early ages.

We desire Deaconesses also. I have been thinking and praying about this, and have called you.

Now Brothers and Sisters, I have taken some little pains to instruct you privately last night in Zion Home, and a short time here today. It is not necessary before this great company of our own people to speak to you at great length.

I am glad that today I will have the joy for the first time of ordaining more women than men: for in doing so we are but fulfilling a Glorious Declaration in the sixty-eighth Psalm, verse eleven (Revised Translation):

The Lord giveth the Word:
The Women that publish the Tidings are a Great Host.

It is high time that this Great Host of Women Preachers of the Tidings of a Full and Free Salvation for all, were in evidence.

A great Onward Step in this will be taken when Overseer Jane Dowie appears in the Chicago Auditorium on Lord's Day, May 26th.

We shall then deliver our Charge to her, and the Women of Zion everywhere, from these wonderful words, which the Old Translators concealed, possibly to please King James in the version of 1611.

Zion Consists of More Men Than Women.

That is one of the peculiar things of the Christian Catholic Church in Zion, that large as is her fellowship, we have more men than women. We are the only Church in the world, I think, of which that can be said.

It has been wonderful that God has given us the men in such large numbers.

While the candidates stood with upraised hands, the General Overseer gave them the following most solemn Charge, in which the responses were spoken clearly, earnestly, intelligently, with sincerity and faith:

Charge to the Candidates for Ordination.

Before your God and my God, your Father and my Father, your Saviour and my Saviour, your Comforter and my Comforter, and before the Elect Angels, before this company of God's people, and before the unseen company of the members of this Church whom these words will reach, who will be in full sympathy with us as they read them, I beseech of you to answer me truly, as the General Overseer of this Church, the questions that I will now address to you.

I will not ask them individually. I believe that if any of you cannot answer them individually, that you will signify the same.

Questions.

So far as you know your own hearts, are you confident that you are saved by grace in spirit through faith in Jesus Christ our Lord? Can you say, I am?

Candidates—"I am."

General Overseer—So far as you know your own hearts, have you definitely resolved to trust God in Christ, and in the power of the Spirit, as your continuous Saviour, Healer, Cleanser, Keeper, Guide, your All? Can you say, By the Grace of God, I have?

Candidates—"By the Grace of God, I have."

General Overseer—So far as you know your own hearts, have you fully resolved that this ministry with which you are now about to be entrusted, and which you, by your own willingness, assume, shall be the supreme object of your life to fulfil; and that beyond all other obligations, conditions of citizenship, or of family relations, you will consider the fulfilment of this ministry as your supreme obligation and your supreme desire? Can you say, I have?

Candidates—"I have."

General Overseer—Will you obey God so far as He gives you grace and understanding, and fulfil the duties of an Elder, an Evangelist, a Deacon and a Deaconess, as they are set forth in the inspired Word of God? Can you say, I will?

Candidates—"I will."

General Overseer—Do you believe that this Church has been called into existence by God the Almighty to effect Divine purposes in this period of the dispensation of His grace? Can you say, I do?

Candidates—"I do."

General Overseer—May I ask you if you believe that God has called me to this office of General Overseer? Can you say, I do?

Candidates—"I do."

General Overseer—And so far as I follow Christ, and fulfil the Word of God, are you prepared to obey me as him who has the rule over you? Can you say, I am?

Candidates—"I am."

General Overseer—And are you now prepared to believe that in this Ordination today you shall receive the Gift of the Holy Ghost? Can you say, I am?

Candidates—"I am."

The Candidates for Ordination all knelt in prayer, while the Officers of the Church arose and remained standing during the Ordination.

The General Overseer then offered the following

PRAYER.

God the Father, we come to Thee in the Name of Thy Son, guided and inspired by Thy Spirit, and beseech of Thee most humbly that Thou wouldst take Thy servant who speaks to Thee, and use him now, and the varied powers that Thou hast entrusted him with; that Thou wilt take his spirit, his soul, his body, and make his act a Divine Reality when his hands are imposed; so that the laying on of these hands may be accompanied by the power of the Holy Ghost, that these may go forth to fulfil the obligations imposed upon them by Thy revealed will, as Elders, Evangelists, Deacons and Deaconesses, and working in loyal coöperation with him who speaks, no matter how far away from the center of the organization they may be, that they shall be preserved in perfect loyalty to Thee, to him, to this Church, and to each other. Amen. (Amen.)

Those who were about to be ordained Elders and Evangelists, Deacons and Deaconesses, then went upon the platform, and knelt, facing the General Overseer.

Laying hands upon each one, the General Overseer thus invoked the blessing of the Triune God and the indwelling of the Holy Spirit with power for service in God's ministry:

Imposition of Hands.

In the Name of the Lord Jesus, in the Power of the Holy Spirit, in accordance with the Will of God, Our Heavenly Father, *Receive thou the Holy Ghost for the work of the Ministry.*

And let all the people say Amen. (All the people said Amen.)

Then, with a second laying on of hands, the General Overseer thus ordained the still kneeling candidates:

(Name), I ordain thee an Elder (Evangelist, Deacon, Deaconess), in the Christian Catholic Church in Zion. Be thou faithful unto death, and God will give thee the Crown of Life.

When he had thus ordained them to their sacred offices, they arose and faced the audience.

The General Overseer then presented each by name.

He then called upon the members of the Christian Catholic Church in Zion, present, to arise.

When they had arisen, he said:

Do you accept these as Elders and Evangelists, Deacons and Deaconesses?

Members—"Yes."

General Overseer—Will you say to them, "God bless you"?

Members—"God bless you."

On behalf of the Officers of the Church, the General Overseer and Overseers Piper and Speicher extended the right hand of fellowship to the newly Ordained Officers, addressing each of them by their new official title, with a hearty, sincere, "May God bless you."

The very large platform was filled with candidates five times, and the scene was most impressive throughout the long service.

Reception of One Hundred and Twenty-Seven New Members.

The General Overseer then extended the right hand of fellowship to 127 new members of the Christian Catholic Church in Zion, each one crossing over the platform and receiving his blessing.

Distribution of Lord's Supper to Two Thousand and Five Hundred Communicants.

When this had been accomplished, the blessed Ordinance of the Lord's Supper was administered to the thousands of Christians present by the General Overseer, assisted by Overseers Piper and Speicher and other Officers of the Church.

It was a service in which the Spirit of God was present in great power. The blessings which He bestowed upon many a spirit, waiting in prayer in His Presence, will be a power in their lives in all the future time.

After the Ordinance, the General Overseer arose for that little family talk with his people, which all in Zion at Headquarters, and many outside, expect and love to hear, after the Lord's Supper.

He said:

Beloved, I used to wonder, when I was a little boy, whether

Digitized by Google

there was any such a place as the hymn sang about, "Where congregations ne'er break up, and Sabbaths never end."

I have come to the conclusion that I have now found that Zion is that place. It does seem to me as if in Zion we did have grace given to us for these extraordinary and lengthened services: for we have now been in almost continuous session (save for less than half an hour's intermission) nearly six hours.

The battles of February have been won, and March has come in like a lamb; but who can tell how it will go out? The old saying is that when it comes in like a lamb, it goes out like a lion.

I do not trouble about that, because

God's Lion is a Lamb, and God's Lamb is a Lion.

The Lamb of God is the Lion of the Tribe of Judah.

A lady was once complaining about me. She said, "He just roared like a lion."

Another one said, "Well, when I heard him he was as quiet as a lamb. How can you account for that"?

Another lady said, "That is easily accounted for; his Master, Jesus Christ, is the Lamb of God, and He is also the Lion of the Tribe of Judah; and so he is both a lion and a lamb as occasion demands."

Then the General Overseer and the congregation sang:

Oh the Lion of Judah shall break every chain,
And give us the Victory again and again.

I thank you. I say God bless you.

Let us translate all our enthusiasm of the last two weeks in backing up Zion City into action.

Let us increase quickly the number of LEAVES OF HEALING published to just double the number that goes out now.

Let me have your hearty coöperation in establishing our weekly newspaper, THE ZION BANNER, which will be an effective antidote to the wicked falsehoods of the Chicago newspapers. Let Zion everywhere respond to my appeal for funds to purchase a large addition to our Printing Plant, and to organize a literary staff.

Let us bring in the sick and sorrowing into Zion Tabernacles.

Let us bring in the world outside. But we have not room for them in this place. What shall we do? We have been crowded out of everything. I suppose I shall have to find a larger house for you even before we build in Zion City. My problem is like the problem of the fabled old woman who lived in the shoe, and had so many children she did not know what to do. Only Zion problems are very real things, and by no means fabulous: for many thousands have gone away from these doors every Lord's Day afternoon since my return from Europe for whom we have been unable to find room. Even when we had the Coliseum on January 20th, although there were 12,500 inside, there were from 15,000 to 20,000 outside who tried in vain to get standing room. Pray for me that God will show me what I ought to do to find accommodation for the many thousands who are disappointed every Lord's Day afternoon. It cannot be God's will that this should continue.

The meeting was then closed by singing "God be with you till we meet again," the General Overseer singing the last verse as a solo and pronouncing the

BENEDICTION.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who will also do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. IMPORTANT NOTICE.

Pasted on each copy of the LEAVES OF HEALING which is mailed to our regular subscribers is a small label indicating when the subscription ends. Thus, John Doe, 5-52, means that Mr. Doe's subscription ends with Vol. 5, No. 52. When special attention is called to this paragraph, by a pencil mark in the margin, it means that your subscription is about to expire, and that you are very cordially invited to renew. We do not wish to lose a single subscriber from our list, and trust that you will favor us with a prompt remittance, that the "Little White Dove" may continue its visits without a break.

If renewals are sent in advance, the paper will be continued without interruption; otherwise it will be stopped when the subscription expires.

CHICAGO.

DURING the week beginning March 3, 1901, a large number of Zion Lace Experts removed from Zion Home to homes which they had rented in Waukegan, Illinois, about six miles south of Zion City.

They had resided in Zion Home for periods ranging from three months to about six weeks.

In order to meet with them all again before they left the Home, the General Overseer gave a dinner to them and the officers and guests in the Home on the evening of Monday, March 4, 1901.

This very pleasant gathering was held in the spacious dining room, which was very tastefully decorated with Zion banner and flag and the flags of Great Britain and the United States.

The tables were beautified with vases of cut flowers.

After the excellent dinner had been given proper attention by all present, the General Overseer arose, and in his genial, happy manner extended greetings to the guests of honor, the English friends.

He then spoke briefly of the bright prospects for Zion Lace Industries on account of the splendid market for lace in America, owing to Zion being the pioneer in the field; on account of the unparalleled prosperity of the Nation, and on account of God's guiding hand in all Zion's affairs.

He said that he desired the workers who produced the wealth to become the first partakers in it. He wished them all happiness and prosperity.

Then, turning from the material side, he spoke feelingly of his great desire that those who helped to extend the Kingdom of God by creating wealth for Zion, should themselves enter into that Kingdom and share its blessings and glories.

He then addressed the American friends present, referring to the brotherhood of the English and American people, and closed by calling upon Deacon Samuel Stevenson, General Manager of Zion Lace Industries, to say a few words.

Responding upon behalf of the English people present, Deacon Stevenson extended their thanks to the General Overseer for the happy occasion, for his kind words and for the pleasant times which the Lace Experts and their families had enjoyed in Zion Home. He said that all were waiting and anxious to be about their work and to begin to turn out laces.

Then he spoke of a very beautiful design for a Zion curtain which was being drafted, ready to be put upon the machines, so that the first curtain to be produced in Zion Lace Industries should be a Zion curtain.

He spoke enthusiastically of the brilliant prospects for the enterprise, and closed with his best wishes for the General Overseer and all in Zion.

Mrs. Ann Stevenson, mother of the three Deacons Stevenson, then spoke, at the General Overseer's request.

She expressed her great desire to see all Zion's Lace Workers saved, cleansed and made happy.

She expressed her deep thankfulness for the blessings which she had received in Zion and in Zion Home.

Mr. George Middleton, one of the designers, who was a member of the first party of Lace Experts to land in America, was then called upon to speak.

In a brief but graceful speech he expressed his pleasure in the occasion and his satisfaction in the outlook for Zion Lace Industries.

Overseer Speicher, Manager of Zion Home, told of the pleasure the management, officers and guests had found in the company of their English cousins during the time they had been in Zion Home.

Mr. Harrison, a member of one of the last parties to arrive, spoke of his gladness in working in Zion Lace Industries and his heart's desire that Zion, in the largest sense of the word, might go forward, mightily.

The General Overseer said a few words in closing, after which the company arose and joined heartily in singing the song so well loved in Zion, "We're Marching to Zion."

Mount Morris, Illinois.

On Lord's Day and Monday, February 23 and 24, 1901, Elder H. D. Brasefield, of Zion College; Deaconess Jennie Paddock, Matron of Zion Home of Hope; Deacon O. L. Sprecher, Private Secretary to the General Overseer; Conductor Burt M. Rice, of Zion Choir, and Deacon Daniel Sloan, of Zion Land and Investment Association, conducted a series of meetings in Mount Morris, Illinois.

The Mount Morris *Index* for February 27, 1901, contained the following very fair account of the meetings:

The third appearance of the adherents of the famous John Alex. Dowie in Mount Morris occurred on Sunday and Monday of the past week, when meetings were held in Sprecher's Hall, and also Monday evening in Seibert's Hall.

Oliver Sprecher, Dowie's private secretary; Elder H. D. Brasefield, and Mrs. Paddock came out from Chicago to Adeline Saturday afternoon, where services were conducted that afternoon and Sunday forenoon.

The service here in Sprecher's Hall Sunday morning was conducted by Mr. Sprecher. The afternoon service, conducted by Elder Brasefield, lasted about three hours and was attended by a full house. Sunday evening the hall was also filled.

Monday morning Elder Brasefield and Mrs. Paddock returned to Chicago and Mr. Burt Rice and Deacon Daniel Sloan came out from the city. The Panorama of Zion and the Exhibit of Zion City shown by the stereopticon in the evening by Deacon Sloan was witnessed by a large crowd. Certainly if the plans of the General Overseer for the building of Zion City are carried out it will be a model place in which to live.

We understand that Dowie meetings will be held in Mount Morris more frequently in the future than in the past. The chairs which were purchased will be kept in the hall for future meetings.

The people from Chicago were entertained at the home of George Sprecher, who is an ardent supporter of the cause of Zion.

Deaconess Anna C. Reiff, of Zion Headquarters, who attended these meetings, writes of them:

The meetings held on Lord's Day were fraught with especial blessing to those who attended them. The members and many interested in Zion came from many of the surrounding towns.

Deaconess Paddock, Matron of Zion Home of Hope, very beautifully told the story of how God healed her when dying, through the prayers of God's servant, the General Overseer, when he was twenty miles away.

In the evening she told of how God was using her in rescuing the fallen, and of their salvation from sin and disease. At the close of her story, simple, yet full of deep significance, Elder Brasefield took up the subject of Social Purity.

The audience, characteristic of Zion, was about three-fourths men, most of whom were college students, and the Elder, looking back to the time

when he was a student at College, was enabled, by the Sword of the Spirit, to send home some very keen thrusts.

The feeling was intense, both on the part of the speaker and hearers. The audience was deeply affected.

An impression was made upon the minds and hearts of many which will never be eradicated. Many who came jesting, went away serious, as the truth struck home. They were convinced that Zion stood for Purity, for Peace, and for Power, and that her main object was to get people saved from a life of sin to a life of Purity, and to fit them for service for God.

Deacon O. L. Sprecher also held the close attention of the audience with a very interesting account of some of the General Overseer's experiences in Europe.

Grand Rapids, Michigan.

Deacon Arie Van Woerkom, in Charge.

The cold indifference of apostate and worldly churches, the stubborn, relentless opposition of a large portion of the population of the city, and other considerations have made the fight for God and truth and Zion in Grand Rapids a fierce one from the very beginning of Zion's work there.

Nevertheless, God has given victory and a number have seen the truth, have come fully into the glorious light of the Gospel, and have been healed and cleansed.

While Elder James R. Adams, who had been in charge of the Branch there for several months, was at Zion Headquarters with his family, on his way to his new charge at Waterloo, Iowa, he handed us the following encouraging report, containing many wonderful testimonies to blessing in spirit, soul and body through Zion in Grand Rapids:

This is my last report as Elder-in-Charge of the Grand Rapids Branch of the Christian Catholic Church in Zion.

Before leaving that field last week to take charge of Zion in Waterloo, Iowa, and surrounding towns, I received from various people to whom God in mercy has showed His love and power, letters bearing witness to the blessings received. The following are some of them:

"17 SCRIBNER STREET,
"GRAND RAPIDS, MICHIGAN, February 27, 1901.

"DEAR BROTHER IN CHRIST:—I thank God for many blessings received through Zion teaching and LEAVES OF HEALING.

"Over six years ago I went to Chicago with a very bad case of catarrh, and partially deaf.

"Dr. Speicher (now Overseer for Chicago) laid hands on me and asked God to heal me in the Name of the Lord Jesus.

"I gradually grew better until my disease was all gone.

"My hearing is good and my eyesight is much better.

"I have had several attacks of the enemy since then, in which God has been the Healer.

"I also thank God for the General Overseer and the teaching of the Full Gospel.

"We regret parting with dear Elder Adams and his wife.

"They are loved by those who love God. They have been faithful at all times, and much good has been done.

"Pray for us. GEORGE SINALLEY."

"58 IVES AVENUE,
"GRAND RAPIDS, MICHIGAN, February 27, 1901.

"DEAR GENERAL OVERSEER:—After being in the Christian Catholic Church in Zion for over a year, I feel that I ought to give a little of my experience for the good of others and the glory of God.

"It was not hard for me to accept God's truth as taught in Zion, for God had been leading me for the past twelve or fourteen years to accept these truths.

"I have been healed of many things, and my little one was healed twice in answer to prayer, once of fever and once of earache.

"This earache was very severe one evening.

"I went to Elder Adams.

"Prayer was offered, and when I came home she was asleep. Her earache was gone and she has not had any since.

"Thanks to Zion for her prayers, and glory to God for His truth.

"Your Brother in Christ, WILLIAM VAN ZEE."

"106 HANNACHS STREET,
"ALBION, MICHIGAN, January 15, 1901.

"REV. J. R. ADAMS.

"*Dear Elder:*—I am very glad that I can testify to God's healing power.

"Last September I was healed of a very painful corn, which had troubled me for more than a year.

"After Elder Adams had prayed for me, in Zion Tabernacle, Grand Rapids, the pain, which had been intense for the previous six months, was taken away.

"The corn has almost entirely disappeared.

"The inflammation has been removed and now I feel no inconvenience whatever from wearing my shoe, and can walk long distances, which I had not been able to do for months previous without great suffering.

"I praise God for all He has done for me.

"(MISS) F. C. STAPLES."

The following extract is from a letter to a relative of the writer. Speaking of her daughter, she says:

"Ruth has had a breaking out all over her. We did not know what it was, unless it was chickenpox, as there is a great deal of it here.

"She was a sight from the top of of her head to her feet.

"They (the pimples) raised up in blisters, then turned to matter, then had a scab on, and came off.

"As soon as she commenced to break out we took it to the Lord, and she was not sick. They did not itch. She said it did not hurt, so I let her go out to play. (MRS.) CORA KENNON,
"Frankfort, Michigan."

The next four letters go together and tell their story in the order of dates:

"HARRIETTA, MICHIGAN, December 20, 1900.

"REV. JAMES R. ADAMS.

"*Dear Sir:*—Mrs. Doty lies at the point of death from nervous prostration.

"She was taken with fever first.

"The fever left in answer to prayer. This was last Sunday, but she has not slept since.

"She is holding on to her faith in Jesus, and we want you to pray for her nerves and that she may sleep.

"Sincerely yours, S. J. DOTY."

"HARRIETTA, MICHIGAN, December 24, 1900.

"REV. JAMES R. ADAMS.

"*My Dear Sir:*—Your kind letter just at hand.

"Mrs. Doty has improved since Saturday; is up and dressed today.

"When I wrote you, she was a very sick woman.

"She has never failed in one instance to get help from Zion's prayers.

"We feel very thankful to Zion and Zion's God for the blessings we have received.

"Very sincerely yours, S. J. DOTY."

"HARRIETTA, MICHIGAN, January 3, 1901.

"REV. JAMES R. ADAMS.

"*Dear Brother in Christ:*—I write to let you know how the dear Lord has raised me up from a very serious illness.

"Three weeks ago I was stricken down with fever.

"I suffered four days without any help, too sick to know what to do or to care very much.

"I sent for the minister, a noble man, although a Methodist. (He has only been in God's service six months, and ought to be in Zion.)

"While he prayed, the fever left me and the perspiration started. But I was very weak and nervous.

"Then my husband wrote you for prayers.

"I praise the dear Lord and thank you for prayer. I am very much better.

"Please pray that these flooding spells may cease.

"Your Sister in Jesus, (MRS.) S. J. DOTY."

At 11:30 A. M. on January 4th, I prayed to God that He who healed the woman that "touched His garment" would at that moment heal this woman of the same disease.

He did: "And straightway the fountain of her blood was dried up."

A month and a week afterwards comes this fourth letter:

"HARRIETTA, MICHIGAN, February 11, 1901.

"REV. JAMES R. ADAMS.

"*Dear Brother in Christ:*—I have had no more of the flooding spells since I wrote you.

"The Lord is able to do all things if we only trust Him.

"Your Sister in Jesus, (MRS.) S. J. DOTY."

"GRAND HAVEN, MICHIGAN, February 15, 1901.

"REV. J. R. ADAMS:—I am glad to write to you that I am feeling much better.

"I have gained a great deal since you prayed for me the first time.

"The Lord heard and answered your prayers.

I had been feeling very badly. Most of the trouble was in my head.

I wanted to be healed by God, but everything seemed so hard to believe.

"I feel differently now. At first I was so disappointed that I did not get a complete healing; now I see how wrong it was to feel that way, for I was not fit to receive it.

"I thank you for prayer and ask you to pray that I will be strong in spirit, soul and body.

"Respectfully yours, (MISS) NELLIE VAN WOERKOM."

We humbly and joyfully give God all the glory for the great blessings spoken of in these and in other testimonies.

Mount Sterling, Ohio.

Deacon W. B. Kindle, of Kalamazoo, Michigan, and Mr. W. C. Suitt, of Cambridge, Ohio, traveling salesmen who carry with them everywhere the Message of the Everlasting Gospel, held a meeting in Mount Sterling, recently.

Mr. William A. Dodds, Conductor of the Gathering of the Friends of Zion at that place, writes us the following enthusiastic report of that meeting:

God put it into the hearts of Deacon Kindle, of Kalamazoo, Michigan, and W. C. Suitt, of Cambridge, Ohio, to visit the Gathering of the Friends of Zion in Mount Sterling on last Tuesday night, February 5th.

Services were held in the home of Conductor William A. Dodds.

Deacon Kindle spoke on the parallel of the primitive Christian Church and the Christian Catholic Church in Zion.

His words were very encouraging and strengthening to the members, and instructive to all.

At the close of the services he administered the Sacrament of the Lord's Supper, it being the first time the Gathering in Mount Sterling had had that privilege since their organization.

He also laid hands on and prayed with nearly all who were present.

The Holy Spirit was present in power to cleanse and to heal. Several persons received blessings.

Zion in Mount Sterling will Go Forward.

We trust that God will enable Deacon Kindle and Mr. Suitt to visit us again in the near future.

We ask the prayers of Zion that the people of Mount Sterling may have a spiritual awakening, and that through the teachings of Zion they may be led to come out of the apostate churches and accept the Gospel of Salvation, Healing and Holy Living, and prepare themselves for the coming of our King.

Marinette, Wisconsin.

Rev. Daniel Bryant, Elder-in-Charge. Deacon Fred Grandall, Assisting.

Mrs. Ada Granstrom, a member of the Branch of the Christian Catholic Church in Zion at Marinette, writes to Elder Bryant, on February 16th, the following joyous testimony to healing and blessing through his prayers:

For some time I have felt that I should like to write and tell you what the Lord has done for me, and my dear husband and children, both spiritually and physically, through your prayers and teaching.

For nearly two weeks my husband and I and one of my daughters have had an attack of the grip.

The 5th day of February, when you came to see us, and laid hands on us and prayed for us, we all received a certain measure of relief.

But in the afternoon I felt as though I was growing worse, and about 7 o'clock in the evening I was very sick.

I then immediately called for you, and as soon as you entered the house I felt within me that I would be healed.

When you laid your hands on me and prayed, I began to perspire and the pain in my neck and head left me instantly.

I thank God that I went to bed and had a good night's rest.

The next day I did all my housework, not having the least desire to lie down.

We praise God for such a Saviour, Healer and Keeper.

I thank God for bringing us into Zion.

I pray that God will bless our dear General Overseer and family and Zion everywhere.

We thank you and your dear wife for the faithful work you are doing.

May God bless you.

Auburn, Nebraska.

Rev. Charles A. Hoy, Elder-in-Charge. Evangelist Sue R. Hoy, Assisting.

The following very happy letter from a lady whose husband had given his heart to God, and whose daughter had been healed, through the faithful ministry of Elder Hoy, is a very interesting commentary on the kind of work Zion is doing wherever her Standard is raised:

SALEM, NEBRASKA, February 7, 1901.

REV. CHARLES A. HOY.

Dear Elder:—It is with pleasure that I can write and tell you it is all well with us.

Lena is laughing and having a good time.

She had some fever this morning, but we had no fear and it was soon over with.

She eats her regular meals with no complaint of her stomach. Her bowels are acting well.

Praise the Lord for His goodness to us.

Mr. Davis is so happy and is clinging to God's promises.

We had family worship last evening.

He told us he knew we were praying for him all the time, and what he said to me against Dr. Dowie and Zion he did not mean.

When he came home to dinner today, the first thing he did was to pick up the Bible and study the life-giving words.

I sincerely thank you for your prayers and pray that God will bless you abundantly in His service.

Faithfully yours in Jesus' Name, BESSIE A. DAVIS.

Forest City, Iowa.

Deacon J. H. Paxton, in Charge.

Zion in Forest City has had a very hard fight against prejudice, opposition and indifference; but God's promises to those who trust and obey are sure. He is giving the victory.

Deacon Paxton in a letter to Overseer Piper, dated February 26th, thus tells of the "abating of the waters":

I wish especially to return thanks to our Heavenly Father for the many recent blessings received in delivering our little ones from the chickenpox, and an affection of the eyes something like the pinkeye.

God has quickly delivered each one who had it, kept all of them from being at all sick, and two of them had only a very few of the small eruptions on their bodies, with no other indications of the disease.

God also gave us a very blessed service on last Lord's Day afternoon, when the members and friends from Lake Mills came down in force and took us almost by storm.

The Holy Spirit was very manifestly present. Several were more firmly established in the faith, and every one present stood and joined heartily in the Prayer of Consecration at the close of the service.

The service was deeply spiritual throughout, and there were many testimonies to the power of God in the Salvation, Healing and Cleansing of those who had become obedient to His will.

The battle has been long and strong, and sometimes very bitter on the part of the enemy; but God is bringing victory, and several are now turning their faces Zionward.

Zion's Conflict With Methodist Apostasy.

This book of 200 pages, just issued by Zion Publishing House, contains nine powerful discourses delivered in Central Zion Tabernacle by the General Overseer last May, during the session of the Methodist General Conference. They are of especial value for the full and fearless exposure of Freemasonry.

"The Methodist Church the Property of the Masonic Order," "Freemasonry: A Heathen and Antichristian Abomination," and "Degrees of Masonic Devilry" ought to be read by every lodge man.

The iniquity of the Mystic Shrine is laid bare.

"The Christian's Duty in Breaking a Bad Oath" is the address which preceded the public working of Masonic and Odd Fellow degrees in Central Zion Tabernacle, a full account of which is given.

Buy one of these books and keep lending it. No honest and intelligent man can read the book and still remain a Freemason.

Sent by mail, postpaid, for twenty-five cents.

Address Zion Publishing House, 1207 Michigan Avenue, Chicago, Illinois, U. S. A.

IF THOU wilt diligently hearken to the Voice of the Lord thy God, and wilt do that which is right in His eyes, and wilt give ear to His commandments, and keep all His statutes, I will put none of the diseases upon thee, which I have put upon the Egyptians: for I am the Lord that healeth thee.

ZION IN THE ORIENT.

By Rev. G. L. Mason, B. A., B. D.,
Overseer of the Christian Catholic Church in China.

HEATHENISM OF THE THEATER.

THE GENERAL OVERSEER in LEAVES OF HEALING, Volume I, Numbers 9, 10 and 11, has some intensely interesting lectures on the theater. He shows from history that the theater has always been "heathen, Antichristian and immoral." Every young person should read them.

THE HEATHEN themselves see that the theater is bad. Plato says: "Plays raise the passions and pervert the use of them, and of consequence are dangerous to morality."

In ancient Rome it was a disgrace to appear on the stage, and actors had no political rights.

In China actors are of the lowest caste. They and their children are debarred from the examinations, which are the only road to political office.

INSINCERITY AND HYPOCRISY are necessary to the successful actor. We have no right to seek our instruction or amusement in that which requires the actors to *pretend* to be what they are not, to feign a folly or a virtue which they do not have; in short, to speak and act lies. The cleverer the acting, the more the audience admires. To admire a sham is to take one big step toward becoming a sham yourself (Psalm 51:6).

STAGE-SHAMMING flourishes most where the masses are deepest sunk in heathenism and vice. The Chinese in great throngs stand for hours in the open air under the burning sun to look at the scenes of folly, hypocrisy, envy, intrigue, treachery, pride and suicide enacted on the stage.

In England's heroic Puritan age, Cromwell closed the theaters. In the rotten years of the Stuart Restoration, the stage taught and the people practiced all kinds of vice.

During the French Revolution, while the streets were daily running with blood, the theaters of Paris were crowded every night (Exodus 32:6, 7).

RELIGIOUS PEOPLE dabble in acting because on the stage moral truth can be taught. This is their justification of church theatricals.

But they forget that, in order to enforce wisdom, folly must first be vividly acted out. Some one must act the fool. Sin must be acted out and suggested, and gazed upon. In the play, wisdom and virtue are put in contrast with folly and sin. But acted folly is *folly*. Acted sin is *sin* (Romans 3:8).

THE AUDIENCE is harmed by the suggestion of evil in the foolish and selfish scenes enacted. Evil looks and words leave a stain on the spirit, even while the eyes are charmed with beauty and the ears delighted with the music.

It is a trick of the Devil to praise a dirty book as "realistic," and to say that the stage only "holds the mirror up to nature"; for there is much in corrupt human nature that does not need reflecting in a mirror. Let vanity, jealousy and gossip be forgotten, and not reproduced on the stage (Philippians 4:8).

ALEXANDER DUMAS, the great play writer, justly says: "The theater being the picture or satire of social manners, it must ever be immoral, the passions and social manners being themselves immoral." The theater aims to show people as they are, not as they ought to be.

Less danger comes from merely reading the dramatists than from gazing upon their descriptions of sin and folly put into action, with the accompaniment of Satanic music and lascivious dancing (Psalm 119:37).

THE UNIVERSITY OF CHICAGO trains students in heathenism, just to the extent that it trains students in play-acting.

If it be true that Professor Clark, but for the protests of good women, would have had young lady students rehearsing in tights before young men, and then appearing in the same shameful costume before an audience, it shows the power of the heathenism of the theater even in a so-called Christian school.

Some of the students seem to think that it is the acme of culture to dress up as female ballet-dancers and act before admiring audiences the Seventh-Commandment farces and the illicit love dramas which are the stock subjects of ancient Greek and modern French comedy (1 Corinthians 15:33).

ZION LOVES REALITY.—Heathenism likes sham. Zion is sanctified through the truth. Babel is polluted through the false. Zion will win by "the manifestation of the truth." Babel seeks a mingling of falsehood and truth in mimic acting on the stage.

He that acteth a lie walketh in darkness. "He that doeth truth cometh to the light."

A CONFESSION OF FAILURE in the home work of foreign missions is made by a writer in the *Baptist Missionary Magazine* for March:

> Although the cause of missions thus warrants the highest enthusiasm, it is an open secret that the work drags heavily at home. That which ought to go by leaps and bounds moves but slowly. Each year the dismal tale of a debt must be told and the Church goaded into raising it, while abroad the work suffers. All this is directly contrary to the spirit of Christ, contrary to the genius of that work which He has committed to His Church. The trouble is with us. Our vision of an evangelized world has become dim, and hence our thought of the Kingdom of God narrowed, our sphere of activity confined to our own immediate field of labor. Our faith in the possibility of achieving this great end has become weak, and so the money and time spent seem useless waste and the attempt to arouse the Church a meaningless drudgery. Or our confidence in the means employed being lost, we are either led aside into foolish excesses in the attempt to find some greater drawing power than the crucified and risen Christ, or becoming negatively critical, we have hindered the progress of the Kingdom of God.

THE TENTH FOR GOD is seldom preached in the denominational pulpits. Hence the "dismal tale of debt."

Rationalism in the theological seminaries has eliminated nearly all the supernatural from the Bible. The "negatively critical" preaching makes the people care very little about giving the Gospel to the nations.

THE REJECTION OF DIVINE HEALING is another potent cause of spiritual decline and missionary apathy. President Faunce, of Brown University, has said, in substance, these words: "The Church which denies that miracles of healing take place now will logically deny also the miracles of Jesus Christ."

The worship of mere intellect, the craze for Secret Societies, the prevalence of the tobacco habit, and the form of godliness without power in most denominational colleges, make them unsafe places for the young (2 Corinthians 6:17, 18).

IN OUR COTTAGE MEETINGS let us often name in prayer Overseer and Mrs. Wilhide in Australia, Elder and Mrs. Viking in China, and Mr. and Mrs. Cairns in Japan.

CHEERING WORDS FROM ZION'S GUESTS

NOTES FROM ZION HOME.

THE regular Praise and Testimony Meeting held in Zion Home, Saturday evening, February 23, 1901, was conducted by Overseer Speicher.

After the usual opening exercises, the states represented were enumerated and found to be thirteen in number, as follows:

Idaho, Illinois, Indiana, Iowa, Kansas, Maine, Michigan, Minnesota, Missouri, New Hampshire, North Dakota, South Dakota and Wisconsin.

The following foreign countries were represented:

Canada, China, England, Ireland and Japan.

The meeting was then thrown open for testimony.

CHARLES RYAN, 1616 Wabash Avenue, Chicago, Illinois, said: "I was converted to God three weeks ago tonight, and He has kept me so far, although I have had many struggles with the Devil. I have gone through a great deal of sin in my past life, but God has raised me up. I had heard the General Overseer a few times before the meeting at the Coliseum, but it was at the Coliseum meeting that my heart was touched. It was worth all the world to me."

DEACONESS SARAH E. HILL, Zion Home, said: "I came to Zion nearly five years ago. I had made up my mind I would stay for three weeks. After I arrived here I found it was such a wonderful place that I remained. The teaching was far different from what I had heard anywhere else. I saw that wonderful healings were taking place. I have seen such marvelous healings in this room. I came here a perfect wreck. I am much stronger now than I have ever been in all my life. I have suffered all my life from weakness. I never knew what it was to feel strong. I always wanted to rest. For the last year I have taken all the exercise I wanted. I have worked hard, because it was easy for me and because it was a pleasure. This week I have had half a dozen colds. One cold would heal and leave me and then another one would come. I knew somebody was praying for me. I am now well. I have learned that the General Overseer has been praying for me."

ELDER F. A. GRAVES, Zion Home, said: "There is so much unwritten history, which probably never will be told. One notices that as he goes around in the various localities of the city. I was sent to conduct a Cottage Meeting in a poor neighborhood. I stumbled along through the darkness and finally came to a little hut. They were colored people in that home. I heard one of the most wonderful testimonies there. The mother told me that their little daughter had been blind for nearly two years. The General Overseer prayed for the child and sight came to her eyes very soon. To all appearances her eyes are just as bright and clear as any. That testimony has never before been recorded."

MISS MYRTLE SISSON, Zion Home, said: "About two months ago I noticed a swelling in my face which was very sore. It grew larger until it became very painful, and my face was swollen all out of shape and turning black. Overseer Speicher prayed for me and the pain went away. In about two hours the swelling began to recede. It was all gone within a day or two, and I had no pain after that. A week ago it began to come up again, but I resisted in the Name of the Lord. Overseer Piper prayed for me. I do thank God for all He has done for me and for Zion."

ALFRED GRISWOLD, Lancaster, Wisconsin, said: "I thank God this night for the many blessings He has given me. I thank Him for healing my two little girls of bad colds. I thank Him for healing me of a bad cough. Many different times He has healed me and my children."

DEACON JOHN H. SAYRS, M. D., Zion Home, said: "After practicing medicine for three and a half years, and after spending time and money in preparing for it, it was pretty hard to give it up. I thank God that I am out of it. God has healed my wife and me in many ways, and has greatly blessed us. After my wife received her healing, it was put into my heart to go to Zion Home. We were wonderfully blessed, and God has been blessing us ever since. I had suffered for years from rheumatism. I have not had it for two years. But the spiritual blessings which I have received are the most precious."

DEACONESS MARY B. SPEICHER, Zion Home, said: "I am one of a large family, and I believe they all have heart disease. Not one of them has lived to be as old as I am. When John, that is Overseer Speicher, came into Zion, I sent for prayer. Every time prayer was offered for me, I became better. Finally I came into Zion and was perfectly healed of the heart disease. I am nearly seventy years of age and my heart never troubles me."

G. M. STAUFFACHER, Stearns, Wisconsin, said: "I thank God tonight that I am in Zion. I have been a member of Zion for two years. I have been healed of chronic constipation."

WILLIS N. MORRISON, Topeka, Kansas, said: "In reading LEAVES OF HEALING I have been brought into Zion. I thank God for the many blessings I have received. My eldest daughter had her thumb cut very badly; in fact, a portion of the thumb was cut off. My wife tied it up and we prayed. In about three days it was healed. There has also been a great deal of smallpox about us. We were told that we must have the children vaccinated. We would not allow it, and took them out of school. One little girl I know of, who had been vaccinated, has no arm today, as it had to be taken off as the result of vaccination."

The meeting was then closed by the benediction.

THE regular Praise and Testimony Meeting held in Zion Home, Saturday evening, March 2, 1901, was conducted by Elder J. G. Excell.

After the usual opening exercises, the States represented were enumerated and found to be thirteen in number, as follows:

Arizona, Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri, New Hampshire, New York, Ohio, Oregon, South Dakota and Wisconsin.

The following foreign countries were represented:

Canada and Ireland.

The meeting was then thrown open for testimony.

REV. W. H. CHRISTIE, Binghamton, New York, said: "My heart has been with you for several months in Zion Work. Two months ago I was healed in a mission hall in New York. There were two things which helped to bring on my sickness, which I had to discard. One was swine's flesh. Several of the brothers and sisters gathered around me and prayed, and God immediately healed me. Since then God has met with us in every service.

"I praise God for the teaching of Zion. My application for membership was sent in three weeks ago. Our Church, the Independent Church in New York, is founded on Zion

principles. The rules and conditions for membership are the same as in Zion."

A. G. HUGH, Dixon, Illinois, said: "I thank the Lord that I have the assurance of Salvation in my heart. I feel it a great privilege to be in Zion. I know that I am getting my bodily healing. Every day I find that I can see a little better. I noticed last Wednesday evening for the first time that I could see the speaker on the platform."

W. P. SWEET, Champaign, Illinois, said: "I may not have another opportunity to speak in this room. It has been a very dear place to me. The Lord has blessed me many times while here. I thank Him for the privilege of being here and attending the Cottage Meetings. The Spirit of God is working among the people and blessing them.

"The Lord healed me of asthma of thirty years' standing. I was healed twelve years ago."

W. B. DRAKE, Beaver, South Dakota, said: "I thank God for what He has done for me. I have been wonderfully blessed, spiritually and physically, in the last few weeks. It is nine weeks since I left my home for Chicago. I was very helpless and had to be carried. I was paralyzed as far up as my waist. I can walk now.

"I am a farmer. I have not kept any hogs for two and a half years. I went out of that business because I was favorable to Zion. My wife has been a member of Zion for five years. We have been readers of LEAVES OF HEALING ever since it was first printed. I have been saved and healed, and thank God."

ADY B. ROBINSON, Nashville Center, Minnesota, said: "I suffered fifteen years with asthma. Several weeks at a time I was unable to lie down. I came here three years ago. I received the right kind of teaching from the General Overseer and was healed. My brother also received healing. He had rheumatism of the stomach and also in the region of the heart. The doctor gave him up. Praise the Lord, he is a strong and well man today. God also healed me when I was very seriously sick with pneumonia. God has also blessed me in many other ways. I have everything to thank Him for."

ALVIN MARSHALL, 2522 Calumet Avenue, Chicago, Illinois, said: "I praise the Lord for His wonderful blessings. About the first of September I arrived in Chicago. I entered the Northwestern University School of Pharmacy with the intention of taking a course in chemistry. I thought I could glorify God in this work. I soon found I was using the Devil's means. In the meantime, my health began to fail rapidly. I was advised to go to Southern Texas, or to some climate where there were no changes. Before I was ready to go, I was led into the home of a Zion family. There I got hold of the tract, 'Doctors, Drugs and Devils.' That was a severe dose. It was the largest pill I ever undertook to swallow. From that time I have never taken a dose of medicine. The doctors told me that I could not stay in Chicago. God has wonderfully used my testimony to those who know me. Many of my people are seriously studying Divine Healing. Some of them have accepted it and some are being led to Zion."

GEORGE F. WEINMAN, Richton, Illinois, said: "I praise God that He has healed me a number of times. I was healed recently of a bad cold."

H. A. CRABTREE, Dows, Iowa, said: "I have been blessed with the teaching of this Gospel. My family has been blessed. I have a boy who was wonderfully healed. I am thankful to God for this teaching on Divine Healing."

F. A. FOURNIER, 1425 Michigan Avenue, Chicago, Illinois, said: "I thank God for what He has done for me. Many years ago I was converted in the Methodist Church. I became discouraged and went back into the world. I was a stinkpot for a good many years. I used tobacco very heavily sometimes. I was very conscious of the fact that I was sinning against God every day. I knew that I could not use tobacco and glorify God. I then tried to quit it, but felt that I could not in my own strength. I got down on my knees before God and asked Him to deliver me. I never used tobacco after that. I thank God that He has delivered me and taken away the desire for it.

"I praise God for what He has done for my wife. She was very sick with neuralgia and sick headache. She is quite well today. She has worked very hard all day and is doing well. I praise Him for the way He has opened the Scriptures to me."

The meeting was then closed with the

BENEDICTION.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who also will do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. Amen.

THE WINDOWS OF HEAVEN OPENED.

Work Steady and Salary Increased Four Times When God Was Not Robbed.

LATONA, WASHINGTON, January 26, 1901.

DEAR OVERSEER PIPER:—Even before you sent out the call for testimonies about tithing, I had thought I should send in ours.

We began tithing before we knew of Zion, in the year 1896.

My husband and I wanted to be Christians, but were not being successful.

We had high standards, but could not reach them.

We read our Bibles some, more as a history of past ages and never applied it to the present life, that it might lead us in the Way.

But in some way I heard that one-tenth of our money belonged to God, and it impressed us that if we should give it, we could then succeed where we had failed before.

We had no thought of financial blessings, only spiritual ones.

At that time my husband's work was very uncertain, and a great part of the time for four years he had been idle; a little work here and a little work there, but nothing steady.

He was then working for the State, and of course when the State politics was changed, we expected him to be turned out with the rest.

But he was not, although all the other men in the office went.

He was not kept for friendship, because the incoming men were strangers to him.

That was the first place where we recognized the hand of God in a financial way.

Since then Mr. Chase has never been out of work, and his salary has been increased four times.

We know very well we have been rewarded simply because we have not robbed God.

Your Sister in Christ, (MRS.) E. R. CHASE.

Income Doubled for One Who Does Not Rob God.

WINNIPEG, MANITOBA, January 7, 1901.

REV. W. H. PIPER.

Dear Overseer Piper:—Under God's blessing my income has been greatly increased since remitting my December tithe.

I enclose for my January tithe $——, which is over double the previous month.

I thank God for my ability to so increase my gifts to Him.

I also enclose $—— as my wife's tithe, she having decided to open an account with God direct, instead of as previously including same along with my own tithe.

We pray daily for the success and well being of the General Overseer and all those who are truly and faithfully connected with Zion.

Faithfully yours and Faith in God, WILLIAM SMITH.

NOTES OF THANKSGIVING TO ZION'S GOD

Healed of Rheumatism, Constipation and Heart Trouble, and Delivered From the Tobacco Habit After Fifty Years' Slavery.

IOWA FALLS, IOWA, January 16, 1901.

DEAR GENERAL OVERSEER:—I feel it to be my duty to God and my fellowmen to testify to God's power and willingness to heal.

During the year 1899 I was suffering with rheumatism in my right arm; also was troubled with constipation and heart trouble.

The last named was so threatening sometimes that I believed I might be found dead any day.

By November, 1899, I was so bad with rheumatism that I gave up work altogether, and finally was not able to leave the house.

The pain increased in my elbow and shoulder until it was terrible.

By the last of December I could not sleep day or night.

I could not lie down nor stand still, but just walked the floor and writhed with pain.

I called on God to help me, but was not definite enough to get an answer.

I asked my wife to call in one of our neighbors, Mrs. Collins, one of Zion's members.

She prayed and the pain left me as quick as a flash.

It returned again the next night. We called in Mrs. Collins again. Again prayer was answered.

I got some sleep and rest, of which I was in great need.

Again Satan laid hold on me and my pain was very severe.

I had a telegram sent to Dr. Dowie, stating that I was in great pain and asking prayer in my behalf.

I have not had any pain since that telegram was sent.

My right arm is strong and bears no signs of ever having been lame.

The constipation has vanished.

From that day my heart has been all right.

My weight was from 135 to 140 pounds formerly, but now is 160.

I have health of body, soul and spirit, and expect to live till my work is done.

I am ashamed to have to tell it, but I used tobacco for fifty years.

When I asked the Lord to heal me, spirit, soul and body, I cast out the tobacco and God cast out the tobacco devil and the rheumatic devil altogether.

I have not used tobacco since.

God has blessed me, and we are looking toward Zion.

We have joined the Christian Catholic Church in Zion, withdrawing from the M. E. Church.

We intend to move to Zion City as soon as we can sell out here.

I have longed for years for just such a City as Zion proposes to be, but had despaired of ever living to realize it.

I am rejoiced to know that Zion is in sight.

May God bless Zion throughout the world. A. S. CRAWFORD.

God Restores Reason in Answer to Prayer.

WAYNE, NEBRASKA, January 16, 1901.

DEAR GENERAL OVERSEER:—As I am not able to attend the services of welcome on your return home, I will write to you.

I am glad the time has come for you to return.

My prayers and good wishes have gone with you on your journey.

God has blessed and kept me while passing through severe trials.

I finished my course at college and received my diploma. There was special strength given me in answer to your prayers and my own.

After college closed, I went to work to earn what I could.

I still had the care of mother, which was quite a burden, as she is old and childish, although God has wonderfully blessed her with good health ever since her healing last winter.

My burdens were too heavy, and before I was aware of it my nerves were completely unstrung and I was down with nervous prostration.

God graciously healed me in answer to the united prayers of Sister Anderson and myself.

My victory seemed a shortlived one. I was attacked with what seemed to be brain fever and my reason was dethroned.

I begged my neighbors to send for Mrs. Anderson to come and pray for me, but instead some one went for the doctor.

I refused to take any of his medicine and he became angry and said he would send me where I would have to take medicine. He called in the board having charge of the cases of insanity and had me sent to the insane hospital.

Sister Anderson wrote to Zion for them to pray for me. She and I were constantly looking to God for help.

As long as I took the medicine that the doctor ordered, I only grew weaker instead of stronger.

At last I resolved not to swallow any more medicine.

I took it in my mouth, but went to the wash-room and spit it out and rinsed my mouth.

Then God healed me immediately, mind and body.

What is most wonderful, my eyes were strengthened so that I do not need glasses, although I had worn them for over ten years.

My friends came to visit me when I had been at the hospital three weeks and informed the Superintendent how the doctor had done. As I was well, he gladly promised to let me return home.

Your Sister in Christ, ALMIRA LAMBERT.

DEAR GENERAL OVERSEER:—I wish to say a few words of welcome home.

God bless you and all your labors abroad.

We praise God for the wonderful healing of Mrs. Lambert, as she herself states it.

Joyfully in the Lord Jesus, (MRS.) ANNA ANDERSON.

Healed of Rheumatism in the General Overseer's Meeting at Hammond, Indiana.

All who have read of "Zion's Holy War" remember the murderous riot at Hammond, Indiana, when the life of the General Overseer was in such great danger.

But while the Devil raged, God was working and answering His servant's prayer. The following testimony tells of healing received on that night:

DYER, INDIANA, January 15, 1901.

DEAR OVERSEER SPEICHER:—I most earnestly desire to contribute my testimony to LEAVES OF HEALING and tell what God has done for me in the past.

When the General Overseer fearlessly preached God's Message in Hammond, Indiana, a year ago last autumn, when Satan was so aroused and that dreadful riot occurred, I was attending the services.

When the General Overseer prayed for those who were sick and believed that Jesus was the same Healer today as He was nineteen centuries ago, I arose, and in answer to his prayer was immediately healed of a severe attack of rheumatism in both arms.

I was not a member of Zion then.

Last May (1900) I was healed of very painful neuralgia in the face and head, in answer to prayer.

I give God all the glory, and praise Him for His wonderful goodness and works to the children of men.

I also thank Him for His faithful servants in Zion.

I am a member of the Christian Catholic Church in Zion, and was baptized by Triune Immersion last February.

Yours in Jesus, (MRS.) KATHERINA STOMMEL.

I desire to confirm the above testimony. A. W. STOMMEL.

Good Employment Secured in Answer to Prayer.

702 GOSHEN AVENUE,
ELKHART, INDIANA, January 24, 1901.

REV. W. HAMNER PIPER.

Dear Overseer:—I feel it my duty to drop you this line to tell you how God has blessed us.

You will probably remember I wrote you a letter stating our condition financially and that I was not satisfied with my position, for different reasons which I stated to you, and asked your prayers that I might have more suitable work.

A few days later a gentleman came to my house and said I should go to the Lake Shore and Michigan Southern Railroad Shops, and he thought I could secure employment there.

The General Foreman told me that they were employing only machinists. I said that I could not call myself a machinist, although I had had several years' experience in factory work.

I was a little disappointed that I did not get a position, but we kept on praying, and in about a week I felt very much impressed to call again. I went to the same Foreman, had a talk with him, and after telling him of my experience was given a good position.

I like my position very much, for which I praise God. I thank you for your prayer. NORTON T. KESLER.

FORM OF APPLICATION FOR MEMBERSHIP

—IN THE—

CHRISTIAN CATHOLIC CHURCH IN ZION.

TO ALL WHO ARE DESIROUS OF ENTERING INTO FELLOWSHIP WITH THE CHRISTIAN CATHOLIC CHURCH IN ZION.

MY DEAR BROTHERS AND SISTERS:—The principles of the Christian Catholic Church in Zion have been fully set forth in the Reports of Two Conferences on Organization, held in Zion Tabernacle No. 2, which are fully reported in LEAVES OF HEALING for January 31 and February 7, 1896. The Basis of Fellowship is set forth in the second section of the Resolution passed on February 5th (see LEAVES OF HEALING, Volume II, Number 17, page 267):

FIRST—That we recognize the infallible inspiration and sufficiency of the Holy Scriptures as the rule of faith and practice.

SECOND—That no persons can be members of the Church who have not repented of their sins and have not trusted in Christ for Salvation.

THIRD—That such persons must also be able to make a good profession, and declare that they know, in their own hearts, that they have truly repented, and are truly trusting Christ, and have the witness, in a measure, of the Holy Spirit.

FOURTH—That all other questions of every kind shall be held to be matters of opinion and not matters that are essential to church unity.

All who are conscious of fulfilling these conditions, no matter where they may reside, are invited to fill up the following blank and answer the questions contained therein.

I am, faithfully yours in Jesus,

John Alex. Dowie

General Overseer of the Christian Catholic Church in Zion.

ZION'S BIBLE CLASS.

BY DEACON DANIEL SLOAN.

MIDWEEK BIBLE CLASS LESSON, MARCH 20th or 21st.

God Can Never Deny Himself.

1. *The "I Am" is without beginning and end.*—Exodus 3:13-15.
None but fools question God's existence.
This generation does not fully realize it.
The man He sends is always clothed with Authority.
2. *He is He who was and is and ever shall be.*—Revelation 1:7, 8.
He had all power in the beginning.
He will have it in the end.
None should deny His right to reign.
3. *Before the world began He was God.*—Titus 1:1-3.
Before the world began He was good.
Before the world began He was love.
Before the world began He was merciful.
4. *Before the day was created He was the light.*—Isaiah 43:11-13.
He was the Light of the world before there was light.
Light is the powerful deliverer from darkness.
He created the day and the night by His might.
5. *Before the earth had a corner-stone, He existed.*—Job 38:4-7.
He set this world in space.
He made it in mathematical exactness.
He keeps the world in its appointed orbit.
6. *Before the world had shape or form, He was.*—Genesis 1:1-3.
God was back of all chaos.
God was back of all unfulfilled purposes.
God was back of all the progress of ages.
7. *Before man existed He was God.*—Psalm 8:3-6.
He created man with his wonderful mechanism.
He created prehistoric life.
He made the achievements of man possible.
8. *Before life was known God had all power.*—John 1:1-5.
For He is the Author of life;
Creating plant as well as animal life;
Creating physical as well as geologic life.
9. *Before the hills were joyful God had praise.*—Psalm 98:5-9.
The hills are grateful to their Creator.
They groan under the curse of sin.
Before the fall, they gave God their best.

The Lord Our God is an Ever-Existing God.

SUNDAY BIBLE CLASS LESSON, MARCH 24th.

Taking Higher Ground With God.

1. *God's call is ever unto Holiness.*—1 Thessalonians 4:3-8.
The word saint means "called out" from uncleanness.
Israel was a called-out people to be clean for God.
God calls out from sin to bring into Holy Living.
2. *He commands that we should be holy.*—1 Peter 1:13-17.
One is not holy before he is saved.
We are to grow into holiness of life after forgiveness.
Those not holy in life will not be looking for Jesus.
3. *It is to be ever sought after.*—Hebrews 12:12-15.
You should do it daily.
You should not live half-heartedly.
You cannot seek it with bitterness in the heart.
4. *It is to be perfected when once begun.*—2 Corinthians 6:17; 7:1.
The promises of God show this.
The promises reveal the power to attain it.
The promises make known what a rich inheritance it is.
5. *It opens up blessings beyond measure.*—Matthew 5:8.
By it one sees Him as the compassionate Father.
By it one knows Him in the sweet fellowsbip of a friend.
By it one enjoys His unfailing covenants.
6. *It is walking in the full light of God's truths.*—1 John 1:5-7.
One should never be afraid of the truth even when it is against him.
One should never shrink from the truth which corrects him.
He should not draw back from that which only can free him.
7. *It is the end of having willingly yielded all to God.*—Romans 6:17-19.
Right doing leads into holiness.
You must serve God or you cannot be holy.
Obedience from the heart frees from sin.
8. *It is to be maintained after attained*—1 Thessalonians 3:11-13.
If you love one, you will do much for him.
You are to love not only those who love you.
To love every one makes you like your Father in Heaven.
9. *It is the only Standard by which conduct and conversation are governed.*—Titus 2:1-8.
The Bible urges one to be watchful how he lives.
The Bible cautions all to be careful what they say.
Every act should bear the scrutiny of God's truth.
10. *It should begin at conversion, even if not realized fully until later in life.*—Ephesians 4:20-30.
The Lord begins to teach one in the childhood of experience.
The first thing He teaches is Himself as All and in All.
He continues to teach of things to come in glorious manifestation.

God's Holy People are a Perfection-Seeking People.

Are You Thinking of Taking Up

A Course of Reading?

THE Seven Bound Volumes of LEAVES OF HEALING are a HISTORY of the most important events of the last years of the Nineteenth Century; they contain the best and wisest comments on CURRENT EVENTS in the world; they are a safe guide in BUSINESS and POLITICS; they contain the best thoughts about ART, MUSIC, LITERATURE and SCIENCE; they tell of things far more strange and interesting than fiction, and all true; they are an inspired BIBLE COMMENTARY and the safest and best works extant on THEOLOGY.

THE MOST BLESSED OPPORTUNITY of these latter days was to live in Zion Headquarters from the beginning until now. Comparatively few had that opportunity. The next best opportunity is that of reading these Seven Volumes. That is within the reach of almost every one. No member of the Christian Catholic Church in Zion can afford to miss that opportunity. These Seven Beautiful Books, substantially bound in black, half Morocco, can now be had for

LEAVES OF HEALING

I am the Lord that healeth thee.

And the leaves of the tree were for the healing of the nations.

A WEEKLY PAPER FOR THE EXTENSION OF THE KINGDOM OF GOD.

EDITED BY THE REV. JOHN ALEX. DOWIE.

VOLUME VIII. NUMBER 21. CHICAGO, MARCH 16, 1901. PRICE FIVE CENTS.

GOD'S WITNESSES TO DIVINE HEALING.

SAVED AND INSTANTLY HEALED WHEN DYING OF ORGANIC HEART DISEASE. WIFE HEALED OF INDIGESTION

LORD, I BELIEVE!

This man lay dying. He had lost hope in man.

He had no hope in God.

He did not believe in God.

God had been portrayed to him as the afflictor of His people.

Such a God seemed to him a horrible monster.

He had heard preachers talk about prayer.

He had heard them pray.

But he had never seen any answers to their prayers.

Small wonder that he doubted their sincerity and rejected their cruel God.

For five years a terrible disease had been slowly but surely destroying his heart.

Most eminent physicians had battled with it.

They could only guess at his malady.

They were powerless to stay its deadly progress.

They finally told his weeping wife that he could live but three weeks.

The ugly blackness of the shadow of death settled over their home.

Godless, hopeless, prayerless, the husband was rapidly slipping into Eternity.

He was leaving behind a wife who had lost her faith in God, with no ray of consolation in her bitter, rebellious grief. But although they denied Him, God was their Father. He loved them. He sent them word of His Messenger to Zion.

They heard that he prayed for the sick, and they recovered.

The dying man saw a gleam of hope. He sent his wife to hear the man of God.

MARSHALL MOULTON.

She heard only a few words.

But, by the Holy Spirit's Power, they were enough.

She hurried home and told her waiting husband the glad news:

God was not the afflictor!

The Devil was the afflictor!

God sent His Son to destroy the works of the Devil!

It was God's Will to heal!

"That is the first bit of preaching I ever heard that I believed," declared the dying man.

He began to hope.

He grew stronger.

He went to hear for himself.

By the Power of God's Holy Spirit, the last vestige of doubt was swept out of his spirit by the simple but wonderful words of God's Messenger.

Still weak and trembling, still sick almost unto death, he entered the Prayer Room.

"In the Name of the Lord Jesus, in the Power of the Holy Spirit, in accordance with the Will of God our Heavenly Father," prayed

Dr. (now Overseer) Speicher, asking God to heal. Instantly the prayer was answered. He walked out of that room to greet his waiting wife, a perfectly well man.

By the time the physicians said he would be dead, he was happily at work.

The ugly shadow over his life had been dispelled by the beautiful beams of the Sun of Righteousness, who had risen for him, "with Healing in His Wings."

His wife had also been sick for many years.

Doctors and drugs had failed to help her.

She had only grown worse.

When she trusted God fully, she was instantly healed.

God, through the Message which He sent, has given them Hope for Despair.

He has given them Faith for Doubt.

He has given them Life for Death.

He has given them Joy for Sorrow.

He has given them Plenty for Poverty.

He has given them Gladness in His Service for Sadness in Uselessness.

He sends them forth to carry the same Message wherever the Little White Dove shall fly, over land and sea, into tens of thousands of homes.

Wherever men are hopeless, wherever false teaching has made them unbelieving, wherever Satan has made them sick and dying, may the Message they bring carry the same blessings. A. W. N.

WRITTEN TESTIMONY OF MARSHALL MOULTON.

1465 MICHIGAN AVENUE,
CHICAGO, ILLINOIS, February 25, 1901.

DEAR GENERAL OVERSEER:—I feel it my duty as well as a great privilege to write my testimony to salvation and healing after about five years' sickness.

I ever praise God for what He has done for me.

In the beginning of 1891 I began failing in health.

In spite of many physicians and much medicine, I gradually grew worse.

For more than a year and a half they were not able to name the disease.

Finally, after a consultation, they decided it was organic heart disease of a very unusual as well as severe nature.

Doctors Harrison and Keys, both physicians of note, in this city, attended me until their skill was exhausted.

One morning they called to tell my wife that I could not live longer than three weeks at the outside, and that she need not give me any more medicine, as it could do me no good.

For many weeks I had not taken much solid food, and for four weeks had taken nothing but beef tea and hot milk.

There I lay with no hope in God and none in man.

My wife was a member of the Methodist Church, but as she believed God had sent this sickness upon me for some unknown good, it was so very much unknown to her, she began to lose all faith in God.

Finally one day she declared that she would never pray to God again. She said that she was not sure that there was a God at all.

I did not believe in God.

Out of respect for my wife I went to church with her every Sunday; but my heart was not touched, and, in fact, I did not believe the ministers believed what they preached.

When I had lived one-half of my allotted three weeks, a lady friend called one Saturday afternoon.

After conversing a few minutes, she said, "Why don't you take your case to Dr. Dowie?"

Said I, "Who is Dr. Dowie?"

She said, "I don't know, but the janitor of our building says he was sick and partly crippled for a long time; that he went to this Dr. Dowie, somewhere on Stony Island Avenue, and was cured. He goes about telling such strange things about this man, so many being healed, and makes such wild demonstrations that we all believe he is half crazy."

I said, "Do you know that he was sick and that he is well now?"

"Yes," she said; "he seems well enough; he at least makes noise enough for a well man."

Then I asked what this Dr. Dowie did to cure people.

She laughed very heartily and said, "That is the craziest part of it all — *he only prays for them!*"

My wife said, "O, I presume one would have to have faith then—I have no faith."

She changed the subject and the two talked together a short time, when the lady arose to go.

I had been thinking about this "man who only prayed," and before she went I asked where one might see this man.

She said she believed he preached in the Auditorium every Sunday afternoon.

The next day I urged my wife to go to the Auditorium and hear what Dr. Dowie had to say.

She reluctantly consented.

She felt I would be with her such a short time that every moment must be spent by my bedside.

It was late when she got there, and she was given a seat in the uppermost gallery.

She found that she could not hear, and after a few moments started down to go home.

She stopped for a minute on one of the landings to listen. Dr. Dowie was telling the story of Christ the Healer.

She learned that Jesus went about doing good and healing all that were oppressed of the Devil; that sickenss was always the work of the Devil, and that it was God's will to heal.

She hurried home.

I eagerly listened to the little story.

When she had finished I said, "That is the first bit of preaching I ever heard that I believed."

I thought a great deal about it.

It seemed to mean so much.

I began to think there was hope for me.

In a few days a strange new strength seemed to come to my body.

I sat up a little, got still a little stronger.

I pondered over the precious little story.

In a few days I declared my intention of hearing Dr. Dowie speak the next Sunday.

I did go, amidst many difficulties.

I got a front seat, and sat for three long hours, drinking in every word that fell from dear Dr. Dowie's lips.

Then I believed there was a God and was filled with a great desire to know Him.

I believed that if I could get to the Prayer Room on Stony Island Avenue I should be healed.

I insisted upon going the following Tuesday.

I think the date was December 3, 1895.

They took me there.

I was very weak and sick after that long ride.

The dear people gathered about us, told us more of the work, all adding wonderful recitals of their own healings.

How sweetly sacred even the very atmosphere seemed!

Then Dr. Speicher came in and took the meeting.

He explained that Dr. Dowie was in court and could not be with us; but that God was present to heal and that He would use his hands if we would meet the Divine conditions.

When he laid hands on me and prayed, the Healing Power thrilled my entire body.

All the pain and weakness was lifted and I was free.

I met my wife just outside the Prayer Room door.

I cannot describe the joy of that meeting as I took her poor trembling form in my arms, and with the tears of joy streaming down my cheeks, I said, "O Marion, thank God, it is all gone and I am well again."

I ate a hearty meal that evening, and slept all night.

Next day I walked a mile, and in three days went to work.

In a short time I secured a good position in a factory, and was soon able to pay off all debts.

I worked hard, and not having had much teaching did not know how to care for my body properly.

One day I took a severe cold. The grip took me, and in a few hours I was very sick.

We sent to Dr. Dowie for prayer, and I was instantly healed.

Some time later I got the grip again.

Our friends said, "Take whisky; it is not medicine."

We argued that as it was not a regular medicine, it might be well to take some, and not bother Dr. Dowie again.

I yielded; but instead of relieving pain, it increased it a hundred fold.

I was frantic in a few hours.

Then we did bother Dr. Dowie.

He prayed, and prayed again, then sent Mr. (now Overseer) Wilhide to us.

He came the second time, and for nearly two hours talked and prayed with us and showed us how God received a sincere Repentance.

He was very patient with us and plead with God very earnestly for my

life. He again laid hands on me and prayed, and immediately the disease was rebuked, the pain was gone.

I arose, dressed myself, and called for something to eat.

I have had no use for whisky since.

Have had the grip several times since, but God has graciously delivered me so that I have not lost five days from work on account of sickness.

God has prospered us in every way.

We deem it a blessed privilege to be associated with Zion, and earnestly thank God for our General Overseer and his dear wife.

May God spare them to us for many years and abundantly bless them all along the way, is our constant prayer.

Yours in Jesus, MARSHALL MOULTON.

WRITTEN TESTIMONY OF MRS. M. MOULTON, CONFIRMING HER HUSBAND'S TESTIMONY.

1465 MICHIGAN AVENUE,
CHICAGO, ILLINOIS, February 25, 1901.

DEAR GENERAL OVERSEER:—I wish to confirm my husband's testimony, and also to add my own.

I realize that but for God's mercy toward us, and the teaching we have received in Zion, I should have been a widow years ago, and an enemy of God.

Methodism could never have helped me out of the pit, spiritually, into which I had fallen.

I had been a sufferer nearly all my life from indigestion and constipation.

I had taken about all the remedies known.

I had many physicians, but was no better. I rather grew worse.

After my husband was healed, I sought healing for my troubles, which, at that time, were very distressing.

I found that I did not accept the faith as he did. I had too much of the "If It be Thy Will" in me.

I struggled along for more than six months, *trying to trust God.*

My husband was getting very impatient with me, as well as very much ashamed of me.

He who had always been so loving and tender with me when I was sick, had turned about and when I complained, one day, of being sick, he said, "You are a pretty subject to be going about advocating Divine Healing. Why do you not get right, so God can heal you? Really I am quite ashamed of you."

I felt the rebuke keenly.

I determined I *would* be healed.

That day I spent a long time upon my knees, alone with God.

In the afternoon I went to the healing meeting in Zion Tabernacle No. 2.

I earnestly asked God to forgive me for doubting Him.

I felt that I was pardoned and had the assurance of healing.

While in the Prayer Room, and some time before Dr. Dowie came to me for laying on of hands, I felt the healing touch and knew I was healed

I have never been troubled with constipation since.

O, how I do thank God I am freed from that hateful disease.

I have been kept remarkably well ever since, and able to do a great deal of work.

God has given us a dear little girl, now two and a half years old.

Satan has tried several times to rob us of our little one, but God has answered prayer, and today she is well and strong—and a perfect little sunbeam—always so happy.

She never forgets, in her little prayers, to ask God to bless Dr. Dowie.

We do praise and thank God for Zion and for our General Overseer, and pray that we may always so live that God can use us if only in an humble way, for the extension of His work in Zion.

Faithfully yours, (MRS.) M. MOULTON.

GOD HEARS PRAYER FOR HEALING OF FEVER.

On February 15th the following telegram was received:

Have prayed, twelve twenty-six noon.

Will pray again at 6 o'clock.

Trust God fully and only. JOHN ALEX. DOWIE.

February 16th brought to Zion the following telegram:

WESTFIELD, ILLINOIS, February 16, 1901.

REV. JOHN A. DOWIE:—God heard. Conditions normal; fever gone. Praise God; thank you. W. A. ROBINSON.

DO YOU KNOW GOD'S WAY OF HEALING?

BY THE REV. JOHN ALEX. DOWIE

Let it be supposed that the following words are a conversation between the reader [A] and the writer [B].

A. What does this question mean? Do you really suppose that God has some one especial way of healing in these days of which men may know and avail themselves?

B. That is exactly my meaning, and I wish very much that you should know God's Way of Healing, as I have done for many years.

A. What is the way, in your opinion?

B. You should rather ask, WHO is God's Way? for the Way is a Person, not a thing. I will answer your question in His own words, "I am the Way, and the Truth, and the Life; no one cometh unto the Father, but by Me." These words were spoken by our Lord Jesus Christ, the Eternal Son of God, who is both our Saviour and our Healer. (John 14:6.)

A. But I always thought that these words only referred to Him as the Way of Salvation. How can you be sure that they refer to Him as the Way of Healing also?

B. Because He cannot change. He is "the same yesterday and today, yea and forever." (Hebrews 13:8.) He said that He came to this earth not only to save us but to heal us (Luke 4:18), and He did this when in the flesh on earth. Being unchanged, He must be able and willing and desirous to heal now.

A. But is there not this difference, namely, that He is not with us now?

B. No; for He said, "Lo, I am with you alway, even unto the end of the world"; and so He is with us now, in Spirit, just as much as when He was here in the flesh.

A. But did He not work these miracles of healing when on earth merely to prove that He was the Son of God?

B. No; there was still a greater purpose than that. He healed the sick who trusted in Him in order to show us that He came to die not only for our sins, but for our sicknesses, and to deliver us from both.

A. Then, if that is so, the atonement which He made on the Cross must have been for our sicknesses as well as our sins. Can you prove that is the fact from the Scriptures?

B. Yes, I can, and the passages are very numerous. I need quote two only. In Isaiah 53:4, 5, it is written of Him, "Surely He hath borne our griefs (Hebrew *sicknesses*), and carried our sorrows: . . . and with His stripes we are healed." Then in the Gospel according to Matthew, this passage is quoted and directly applied to the work of bodily healing, in chapter 8, 17th verse, "That it might be fulfilled which was spoken by Isaiah the prophet, saying, Himself took our infirmities, and bare our diseases."

A. But do you not think that sickness is often God's will, and sent for our good, and therefore God may not wish us to be healed?

B. No, that cannot possibly be; for diseases of every kind are the Devil's work, and his work can never be God's will, since Christ came for the very purpose of destroying "the works of the Devil." (1 John 3:8.)

A. Do you mean to say that all disease is the work of Satan?

B. Yes, for if there had been no sin (which came through Satan) there never would have been any disease, and Jesus never in one single instance told any person that sickness was God's work or will, but the very contrary.

A. Can you prove from Scripture that all forms of sickness and infirmity are the Devil's work?

B. Yes, that can be done very easily. You will see in Matthew 4:23 and 9:35 that when Jesus was here in the flesh, He healed "all manner of disease and all manner of sickness among the people." Then if you will refer to Acts 10:38 you will see that the Apostle Peter declares that He [Jesus] "went about doing good, and healing all that were oppressed of the Devil." Notice that all whom He healed, not some, were suffering from Satan's evil power.

A. But does disease never come from God?

B. No, it cannot come from God, for He is pure, and disease is unclean; and it cannot come out of Heaven, for there is no disease there.

A. That is very different from the teachings which I have received all my life from ministers and in the churches. Do you really think that you are right, and that they are all wrong in this matter?

B. It is not a question as between myself and them. The only question is, What does God's Word say? God has said in all the ages to His Church, "I am the Lord that healeth thee" (Exodus 15:26), and therefore it would be wicked to say that He is the defiler of His people. All true Christians must believe the Bible, and it is impossible to believe that good and evil, sickness and health, sin and holiness could have a common origin in God. If the Bible really taught that, it would be impossible to believe our Lord Jesus Christ when He says, "A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit." (Matthew 7:18.)

A. But even if I agree with all you say, is it not true that the Gifts of Healing were removed from the Church, and are not in it now?

B. No, the "Gifts of Healing" were never withdrawn, and can never be withdrawn, from the true Church of God: for it is written, "The gifts and the calling of God are without repentance." (Romans 11:29.) There are nine gifts of God to the Church (enumerated in 1 Corinthians, 12:8 to 11), and all these are in the Holy Spirit. Therefore, so long as the Holy Spirit is in the Church, all the gifts must be there also. If they are not exercised, that does not prove that they do not exist, but that the faith to exercise them is lacking in God's servants. The gifts are all perfectly preserved; for the Holy Spirit, not the Church, keeps them safely.

A. What should a Christian then do when overtaken with sickness?

B. A Christian should obey God's command, and at once turn to Him for forgiveness of the sin which may have caused the sickness, and for immediate healing. Healing is obtained from God in one of four ways, namely: First, by the direct prayer of faith, without any aid from the officers of the Church, praying as the Centurion did in Matthew 8:5 to 12; second, by two faithful disciples praying in perfect agreement, in accordance with the Lord's promise in Matthew 18:19; third, by the anointing of the elders and the prayer of faith, according to the instructions in James 5:14 and 15; and fourth, by the laying on of the hands of them who believe, and whom God calls to that ministry, as the Lord commands in Mark 16:18, and in other places.

A. But are people healed in this way in these days?

B. Yes, in thousands of cases. I have myself laid hands upon many hundreds of thousands of persons, and I have seen the Lord's Power manifested in the healing of great numbers, many of whom are living witnesses in many countries, who have testified publicly before thousands, and who are prepared to testify at any time. This ministry is being exercised by devoted Christians in many parts of America, Europe, Australasia and elsewhere.

A. Is it not the same as Christian Science, Mind Healing, etc.?

B. No. Divine Healing is diametrically opposed to these diabolical counterfeits, which are utterly anti-Christian. These impostures are only seductive forms of Spiritualism. Trance Evangelism is also a more recent form of this delusion, and it deceives many.

A. But how shall I obtain the necessary faith to receive healing, which faith I am at present conscious I do not possess?

B. It is written, "Belief cometh of hearing, and hearing by the Word of Christ." (Romans 10:17.) Our Missions are held for the express purpose of teaching fully the Word of God on this matter, and I very heartily invite you to attend the meetings which are announced for Zion Tabernacle. All are welcome and there are no charges of any kind made, for all God's gifts are free gifts. Salvation is the first of these, without which you cannot be healed through faith in Jesus. All the costs of this work are covered by the free-will offerings of the people who attend these meetings, and others whom the Lord leads to help; but the poorest who have nothing to give are as heartily welcome as the richest.

A. Do you see the sick and lay hands upon them in this Mission?

B. Yes; after we feel satisfied that they are fully resting in the Lord alone for the healing, we see privately, so far as time permits, those who attend; but under no circumstances do we claim the power to heal any; for "power belongeth unto God."

A. Have you any writings upon this subject which can be purchased?

B. Yes; these can be obtained at the office of Zion Publishing House, 1207 Michigan Avenue, or at Zion Tabernacle, 1621-1633 Michigan Avenue, Chicago, Ill. But the best book on Divine Healing is the Bible itself, studied prayerfully and earnestly.

We extend to you a hearty invitation to attend the meetings, which are free to all. Our prayer is that you may be led to find in Jesus Christ our Lord and God, your present Saviour from sin, your Healer from sickness, your Cleanser from all evil, your Keeper in the way to Heaven, your Friend, and your All for Time and Eternity. We pray that these words may help many who read, and that our little conversation may bear fruit in leading many readers to look to Jesus only.

"The Healing of Christ's seamless dress
Is by all beds of pain;
We touch Him in life's throng and press,
And we are whole again."

EDITORIAL NOTES.

"BIND THOU UP THE TESTIMONY, SEAL THE TEACHING AMONG MY DISCIPLES."

AND I WILL wait for the Lord,
That hideth His face from the house of Jacob,
And I will look for Him.

BEHOLD, I and the Children whom the Lord hath given me
Are for Signs and for Wonders in Israel from the Lord of Hosts,
Which dwelleth in Mount Zion.—Isaiah 8:16-18.

ON THE NIGHT of Wednesday, March 13, 1901, just three days ago, we completed, in Central Zion Tabernacle, the Record of Baptisms in the Christian Catholic Church in Zion for the past Four Years.

WE HAVE "bound up" this "Testimony" in this issue of LEAVES OF HEALING, and it will be found on pages 671 and 672.

NINE THOUSAND SIX HUNDRED AND TWELVE (9612) persons have received this "Seal of the Living God" during these four years.

THE BAPTISMS may be averaged as follows:

Two Thousand Four Hundred (2400) each year for four years.

Two Hundred (200) each and every month for four years.

Nearly Fifty (50) every week for four years.

More than Six (6) persons for each and every day of the four years.

THIS IS "the Testimony" of the weekly Record on these pages in LEAVES OF HEALING for four years, and again we say, it is now "bound up" to date in this issue.

THIS BAPTISMAL RECORD, so far as we can ascertain, has not been equaled in the same time in any part of the world.

So far as is known, it is without precedent in the history of the Christianization of the Anglo-Saxon race.

WE GIVE GOD all the Glory, and while we rejoice to record "the Testimony," we joyfully recognize that all the Power which has brought this blessing has come from God alone.

WERE IT POSSIBLE for the Christian Catholic Church in Zion to baptize all its members by duly ordained officers, and all others who are at present seeking this Baptism at the hands of Zion, we do not hesitate to say that the number of the Baptized would probably reach, throughout the world, a sum in excess of One Hundred Thousand.

WHEN IT IS remembered that these Baptisms have taken place amidst scenes of bitter private and public persecution, and that many of those who have thus been baptized have had to suffer severe penalties, often at the hands of their nearest relatives, then the Record becomes still more surprising.

Original from NEW YORK PUBLIC LIBRARY

LET IT ALSO be remembered, however, that this Record is only for Four Years, and does not cover the whole period of our baptizing by Triune Immersion in Zion.

This began very early in the summer of 1894, whereas the Record which we have just "bound up" only begins in March, 1897.

During nearly two years and nine months, 1894–1897, we have no complete Record of the Baptisms in Zion Tabernacle No. 2 and other places.

But, as nearly as we can estimate, there were about Two Thousand Five Hundred persons baptized by Triune Immersion during that period.

This would raise the number of those baptized in Zion to at least Twelve Thousand (12,000) from June, 1894, to March, 1901.

WE HAVE NOW OBEYED, as Isaiah did, the command to "Bind up the Testimony."

Now we desire to obey the command,

"Seal the Law (Teaching) among My Disciples."

WE HAVE VERY earnestly waited for the Lord, seeing, alas, that He had hidden His face from the apostate denominations around us, and we have said, "I will look for Him."

And we have not looked for Him in vain: for He has enabled us to plant Zion's Banner on every Continent of this Earth, and in many Islands of the Sea.

SURELY WITH this Record we have the right to say, in Christ's Name, and in His stead:

Behold, I and the Children whom the Lord hath given Me
Are for Signs and for Wonders in Israel
From the Lord of Hosts, which dwelleth in Mount Zion.

ONE OF THE SEALS which God hath given to the Christian Catholic Church in Zion is this Glorious Seal of a Triune Baptism, which was commanded by our Lord Himself after His resurrection from the dead, and before His reascension into the heavens, in these words:

All Authority hath been given unto Me
In Heaven and on Earth,
Go ye therefore, and make disciples of All the Nations,
Baptizing them into the Name of the Father and of the Son and of the Holy Ghost:
Teaching them to observe All Things whatsoever I commanded you:
And lo, I am with you All the Days,
Even unto the Comsummation of the Age.

THIS BAPTISM, therefore, which Christ Himself established, was but the fulfilling of the prophecy with which we have begun these Notes:

Bind up the Testimony, Seal the Teaching among My disciples.

THIS BAPTISM has been lost to the Church of God, for the most part, even as an outward Ordinance, for ten centuries, and, as a spiritual reality, for fifteen centuries.

THE "TIMES of the Restitution of All Things, whereof God hath spoken by the mouth of His Holy Prophets which have been since the world began," are now upon us.

These "Times of Restoration" are Signs of the Coming of the Lord.

The Revelation of Jesus Christ, chapter seven, verses two to four, contains these wonderful words:

And I saw another Angel (Messenger) ascend from the sunrising,
HAVING THE SEAL OF THE LIVING GOD:
And he cried with a Great Voice to the four angels,
To whom it was given to hurt the earth and the sea, saying,
Hurt not the earth, neither the sea, nor the trees,
Till we shall have sealed the servants of our God in their foreheads.
And I heard the number of them which were Sealed,
A hundred and forty and four thousand,
Sealed out of every tribe of the Children of Israel.

WE PROCLAIM, therefore, that a True Baptism is the Seal of the Living God, to that Doctrine, or Teaching, which is essential to true and full Discipleship in the Church of God.

THE ORDINANCE of Believers' Baptism by Tri-une Immersion is

"THE SEAL OF THE LIVING GOD."

DO NOT LET there be any misunderstanding as to what these words mean.

Baptism cannot save, but it is a Seal of Salvation.

It is an Act of Obedience which proves the regeneration of the spirit of the disciple.

Yet it must always be remembered that Salvation can exist, and does exist, where this Seal is not imparted.

Gold is gold, whether it has the Seal of the United States mint upon it or not.

But the Seal of the United States upon a five-dollar piece of gold sets forever at rest, and everywhere, the exact value of that piece of gold, and the gold piece is accepted without dispute as possessing that value.

In this manner we regard Baptism as that Divine Seal.

While it does not produce Salvation, it stamps it with the Divine Approval, and makes it, when spiritually received, a Divine Certainty.

THIS IS the contention of the Christian Catholic Church in Zion, because it is the contention of our Lord Himself and of His apostles.

HE COMMANDED Baptism.

Divine Commands are not optional.

They are absolute and must be obeyed.

THE APOSTLE PETER (1 Peter, third chapter), speaking of the Salvation of Noah in the Ark, "through Water," says:

The longsuffering of God waited in the days of Noah,
While the Ark was a preparing,
Wherein few, that is, eight souls,
Were saved through Water:
Which also, *after a true likeness*, doth now save you,
Even Baptism,
Not the putting away of the filth of the flesh,
But the Appeal of a Good Conscience towards God,
Through the Resurrection of Jesus Christ;
Who is on the right hand of God, having gone into heaven;
Angels and Authorities and Powers being made subject unto Him.

THERE CAN BE no question whatever that the Primitive and Apostolic Church held the Baptism of Disciples to be essential to their full recognition as members of the Church.

Nor was it ever even supposed for a moment that a True Disciple would quibble about so plain a Command.

THE ANSWER of the Apostle Peter to the agonizing cry of the convicted multitudes at Pentecost, "Men and brethren, what shall we do?" was, "Repent ye, and be baptized every one of you," etc.

THE QUESTION of the same apostle at Cæsarea, when the Holy Ghost fell on the centurion, Cornelius, and his household, "Can any man forbid the water, that these should not be baptized, which have received the Holy Ghost as well as we?" was answered in directing their Baptism: for it is recorded that Peter, in the Name of the Lord, "commanded them to be baptized."

WHEN THE ETHIOPIAN eunuch was convicted and converted under the teaching of Philip, in his chariot on the way to Gaza, he said as they came to a "certain water," "Behold, here is water; what doth hinder me to be baptized?"

And the answer of Philip was, "If thou believest with all thine heart, thou mayest."

The eunuch replied, "I believe that Jesus Christ is the Son of God."

This Confession was immediately followed by the Command to his charioteer to "stand still," while both the Ethiopian prince and Philip went "down into the water," where Philip "baptized him."

WHEN THE Apostle Paul preached, his ministry was always followed by Baptism as quickly as possible, as in the case of the conversion of Lydia of Thyatira, who was immediately "baptized and her household."

The conversion of the Philippian jailer at the midnight hour was followed by Baptism: for it is recorded that he "was baptized, he and all his, immediately."

In Ephesus, "certain disciples" who had not received the Holy Ghost "when they believed," and who had "not so much as heard whether the Holy Ghost was given," were rebaptized by Paul.

Their Baptism was only that of John the Baptist. These disciples were at once baptized by the apostle, in accordance with the Lord's command; and their Baptism was followed by the Special Blessing of God in the communication of the Gifts of the Holy Spirit.

THESE FACTS, and numerous others, make it abundantly plain that Christian Baptism is

"THE SEAL OF THE LIVING GOD."

INCREASINGLY, therefore, do we feel to cry for the Mercy of God to spare His people, and to restrain the destructive forces which are ready to burst forth in terrible "hurt to the earth and the sea and the trees."

We confidently appeal to God that He will be merciful until, by this Glorious Baptism, Zion "shall have Sealed the Servants of our God in their foreheads."

MULTITUDES of God's Servants are groping in the darkness of the apostasies.

Truly born of God, they dimly see the Kingdom of God, but alas, alas, *they cannot enter in.*

And what is it that hinders?

"Surely," cries one, "it is enough to be born of the Spirit and to *see* the Kingdom of God."

But the answer of Jesus to Rabbi Nicodemus shows that it is not enough.

Jesus said, "Except a man be born anew, he cannot *see* the Kingdom of God."

And when Nicodemus wondered at such a teaching, and incredulously asked, "How can a man be born when he is old?" he was still more astonished when Christ showed him the still greater thing as to "entering into the Kingdom."

Jesus had only up to that point spoken of a New Birth, and of a Divinely-given perceptive power by means of which the glorious Kingdom of God could be seen.

But now Jesus goes further, and He says that a man must not only be born of God and *see* the Kingdom, but He must receive a Divine Power by means of which he can "*enter into* the Kingdom of God," and so He uttered the following words:

Verily, verily, I say unto thee,
Except a man be born of Water and of the Spirit,
He cannot enter into the Kingdom of God.

To be born of the Spirit, therefore, is not enough.

Such a man will only *see* the Kingdom, as Moses did the Promised Land, "afar off."

But the disciple must be led of the Spirit, as Jesus was, into the Baptismal Waters.

After Baptism by John He "came up out of the Water" with the Seal of the Holy Ghost upon Him, with the Approval of His Father's words from heaven, and with the Proclamation of the then Messenger of the Covenant, John the Baptist, who declared Him to be "the Lamb of God that taketh away the sins of the world."

It was from that point that he "entered into" his Ministry in the Kingdom of God, for the time was fulfilled and the Kingdom of God had come.

Even the Christ Himself could not have "entered into" the Kingdom had He not been baptized.

He Himself is our authority for this.

When John would have forbidden Him the rite of Baptism at his hands, He declared it to be essential to the fulfilment of the Righteous Purposes of God, saying, "Suffer it now: for thus it becometh us to fulfil all Righteousness."

Since this is true concerning the Master, how infinitely more true it is concerning the Disciple.

SO FAR, THEREFORE, as God has given us understanding, we rejoice in the fact that the Christian Catholic Church in Zion, "having the Seal of the Living God," has now baptized, in the mode and spirit which Christ commanded, at least Twelve Thousand (12,000) persons.

This large number is one-twelfth part of that Wonderful Number (144,000) of which it is written:

And I heard the Number of them which was Sealed,
A hundred and forty and four thousand;
Sealed out of Every Tribe of the Children of Israel.

THIS GLORIUS Sealing of the "One Hundred and Forty and Four Thousand" will be followed by the Worldwide gathering into Zion of innumerable multitudes from all the lands: for John records the Wonderful Scenes in the apocalyptic Vision which he witnessed immediately consequent upon the enumer-

ation of Twelve Thousand from each of the tribes, and their Sealing:

After these things I saw, and behold,
A Great Multitude, which no man could number,
Out of Every Nation,
And of All Tribes and Peoples and Tongues,
Standing before the Throne and before the Lamb,
Arrayed in White Robes, and Palms in their hands;
And they cry with a Great Voice, saying,
Salvation unto our God which sitteth on the Throne,
And unto the Lamb.

IN OUR INTERPRETATION of this Beautiful Revelation we see, therefore, the Glorious Ingathering from all the earth consequent upon the Sealing by Baptism of the "One Hundred and Forty and Four Thousand" from the twelve tribes of Israel.

THEREFORE, all who are in fellowship with Zion must resolve, in Christ's Name, that, no matter what the sacrifice may be, they will come to Zion and be baptized by those who have been ordained by God's Messenger, "having the Seal of God."

LETTERS FROM BOSTON give us most encouraging accounts of the Branch of the Christian Catholic Church in Zion which has been recently established there, under the oversight of the Rev. Helen A. Smith, Evangelist-in-Charge, assisted by Deacon and Mrs. Root, and our son, A. J. Gladstone Dowie, and many most effective workers.

They are all doing excellent service for God and Zion in that great historic city, in which we are deeply interested.

Our temporary Zion Headquarters there are in a very convenient location, namely, Putnam Hall, 1165 Tremont Street, near Ruggles Street, Boston. Services are held every Lord's Day morning and afternoon and at other times during the week.

The Ordinance of the Lord's Supper is administered on the first Lord's Day of every month, and friends far and near are invited.

There are many Branches of the Christian Catholic Church in Zion now springing up along the Eastern Coast, and we regard them with very great interest.

But the Branch in Boston is our first in New England.

Overseer Jane Dowie, God willing, will speak in Boston, on Lord's Day, May 19th. Place and time of service will be announced later.

LAST LORD'S DAY morning, in the midst of a final burst of a terrible tempest which had been raging all night, we went to Harvey, Illinois, just South of Chicago, to hold the first of a series of Special Services at our Chicago outer circle of Branches of the Christian Catholic Church in Zion.

Although it was difficult to hold up an umbrella, and the rain and wind were raging, and on every side there was devastation by the storm, we were delighted to meet at the Central Depot of the Illinois Central Railway over a hundred and twenty of the members of Zion, including a large number of Zion Choir, who accompanied us.

We left the city at 9:15 A. M., and reached Harvey shortly after ten o'clock.

We found the large hall crowded to its utmost capacity, except the platform, which was immediately filled to overflowing with those who had accompanied us from Chicago.

A considerable number of persons unable to find seats stood throughout the whole of the services.

We had a most excellent reunion with our members, and the many friends of Zion in Harvey, where the Rev. W. O. Dinius, Elder-in-Charge, is doing most excellent work.

NEXT LORD'S DAY morning, March 17th, at 10:30 A. M., God willing, we will conduct a special service in South Chicago, at the Opera Hall, corner of Exchange and South Chicago Avenues.

The hall seats about three thousand persons.

We trust that our readers far and near will pray that God will give us great blessing in this important section of the city, where our Zion Seventies have been laboring long and earnestly.

The work in this district is under the charge of Rev. W. J. Stith, whose principal meeting place is Parkside Zion Tabernacle, Stony Island Avenue and Seventy-first Street.

ON LORD'S DAY morning, March 24th, at 10:30 A. M., God willing, we shall conduct a special service at Oak Park, Illinois, at Chenilworth Hall.

Our Branch in this suburb, which lies west of Chicago, has been established since 1897, when we appointed Elder (now Overseer) Piper to be Elder-in-Charge. He was transferred to Cincinnati, Ohio, and was succeeded by Elder Moot, now in charge of the Christian Catholic Church in Lima and Ada, Ohio. Elders Bouck, Hammond and Bryant have also done excellent work there.

The Branch is at present under the charge of the local Deacons, with help on the Lord's Days from Headquarters in Chicago, by some of the available Evangelists or Elders.

Our readers will remember that it was at this suburb on October 31, 1899, that our Zion Tabernacle there was attacked by a riotous mob of immense proportions.

The greater number of the rioters dispersed to their homes shortly after midnight, but a murderous band of about three hundred men lay in wait in the vicinity of Zion Tabernacle with an avowed purpose of murder, until three o'clock in the morning.

Our perilous position had become known to Chief of Police Kipley, and a considerable force of police were sent from Chicago with orders to escort our carriage to the city, although Oak Park was outside of the city limits.

Their presence, and the clanging bell of the Patrol Wagon, dispersed the murderous villains, and all our people, numbering several hundreds, reached their homes in safety.

This incident was the last of a series of three riotous gatherings of large proportions, organized by doctors, druggists, and students of medical and pharmaceutical colleges, when much damage to our buildings was inflicted, and still worse, a considerable number of our people were temporarily injured.

But God, in His infinite mercy, gave us the Victory, and all these troubles have apparently passed away.

We look forward confidently to a pleasant morning in Oak Park with the people generally, and especially with our largely increased fellowship in the Branch of the Christian Catholic Church in Zion which God has established there.

OTHER SPECIAL GATHERINGS at various points around Chicago will be held during the remainder of this and next month, of which notice will be duly given.

IT GIVES US PLEASURE to present our readers, on page 648, with a beautiful halftone photo-engraving of our dear wife, Overseer Jane Dowie, to whom has been committed the charge of Women's Work in Zion throughout the World.

THE PHOTOGRAPH from which our engraving is taken was made in Paris a few weeks ago, and represents Mrs. Dowie in her official robes as Overseer.

WE HAVE RECEIVED a very large number of letters of the most loving nature expressing appreciation of her recent article in this paper, entitled "How Jesus Heals the Little Ones."

It has now been issued in tract form as Volume V, Number 2, "A VOICE FROM ZION."

Very large numbers of this have already been sold, and we shall be glad to know that the tract has a place in hundreds of thousands of hearts and lives and homes.

We hope soon to publish several translations of her articles in French. Let Zion everywhere pray for her, and for the work which God has committed to her charge.

SHE WILL LEAVE St. Cloud, Paris, at the end of April, and will proceed to London, England, where she will conduct a meeting on Lord's Day, May 5th, and possibly on other days.

Information concerning her meetings in London may be obtained from the Rev. Harry E. Cantel, Evangelist-in-Charge, Zion Publishing House, 33 Rosebery Avenue, E. C., London

She will leave London, God willing, a few days later for Liverpool, from which port it is her intention to sail with our daughter on Thursday, May 9th, on the Dominion Line steamship *New England*, for Boston.

She will arrive in America, God willing, about May 16th or 17th.

As already announced, she will speak in Boston on Lord's Day, May 19th.

She will probably leave Boston for Chicago, on Tuesday, May 21st.

She will be received in Chicago at a Welcome Meeting in Central Zion Tabernacle on Friday evening, May 24th, at which time we shall also conduct an Ordination Service and ordain a large number of Deaconesses and other officers.

WE AGAIN remind our readers of the Great Demonstration to be held in the Chicago Auditorium, on Lord's Day afternoon, May 26th, when Overseer Jane Dowie will speak, and when we shall deliver the Inaugural Address in setting her apart as the Principal Overseer of Women's Work in the Christian Catholic Church in Zion.

Great interest is being shown in this approaching Demonstration, and a beautiful Souvenir Program is being prepared, of which Ten Thousand copies will be freely distributed on May 26th.

We especially invite the women of Zion from all parts of America, and we hope to announce next week a number of Conferences for Women, at which Mrs. Dowie will speak, and at which many important arrangements for future effectual work will be made.

ALL LETTERS on Zion's Women's Work must be addressed directly to Overseer Jane Dowie, at Room 316, Zion Office Building, Michigan Avenue and Twelfth Street.

Our correspondents will please not to make inquiries concerning this work in other letters, but keep this correspondence entirely separate.

Each department of Zion should be addressed separately.

This will greatly facilitate Zion's work; for it is most inconvenient to have matters concerning the business of Zion Publishing House mixed up with requests for prayer, or inquiries concerning Zion City, etc.

IT IS WELL, also, to remind our readers that the Conferences usually held at our Anniversary period in February were all postponed to July.

God willing, we shall in future hold the Annual Conferences in that month, making the Anniversary of the Consecration of Zion Temple Site, July 14th, our principal Anniversary in each year.

A Zion Encampment, continuing from about July 12th to July 22d, will be held at Zion City, near the Temple Site.

A large number of tents and other accommodations will be provided for visitors; but to secure attention to all, early application must be made to Deacon Daniel Sloan, 1300 Michigan Avenue.

WE SHALL GIVE in an early issue Announcements concerning the Anniversary on July 14th, at which it is expected Tens of Thousands of the Friends of Zion will be present.

Excursion rates from all parts of the country will also be announced.

"LET US GO UP TO ZION, UNTO THE LORD OUR GOD."

WE REJOICE to tell our readers, far and near, that most delightful accounts are continually reaching us of the Progress of the Work on all the Continents, and on this.

It is impossible to find room in these pages for a tithe of the Story of Zion as it goes on from week to week.

But that Story is being written upon the Imperishable Books in Zion above.

We trust, however, that with the larger facilities which Zion City will afford, we shall be able to preserve fuller Records of it in our earthly Zion in future, although it will always be, doubtless, impossible to tell the Story fully.

A LARGE NUMBER of Zion's expert Nottingham lacemakers are now settled in and around Zion City, and hundreds of tons of Lacemaking Machinery are being unpacked, and put together, as these words reach our readers.

They are all in good health and spirits, and eager to begin the work.

The long and severe winter has hindered us very much by making building operations extremely difficult.

Success has crowned our every operation in connection with the Preparatory Steps for the establishment of these and other important Industries and Enterprises.

Deacon Samuel Stevenson, with his large staff, is now upon the ground.

Eager purchasers for every yard of lace that we can make for years to come have already appeared.

The competition for our first productions from Zion Lace Industries is very keen, and very gratifying from a business standpoint.

ALL THE ATTACKS upon Zion's Financial Institutions, and Zion's Business Operations generally, have ceased as suddenly as they began.

The boastful threats, and groundless insinuations, of all our enemies in the Newspaper Press and in the Illinois State Legislature, and everywhere else, have passed away, like last week's storm, leaving, however, some very marked evidences of the desperate conflict in the dilapidated condition of those who forced it upon Zion.

They are in a state of utter collapse, and all honest people deride them, and are glad they were put to shame.

"Thanks be unto God, who giveth us the Victory."

LARGE INVESTMENTS are constantly being made in Zion stocks, and especially in Zion Lace Industries stock.

We shall have a most Important Announcement to make soon concerning the Opening of the Sale of Lots in Zion City.

It will be well and wise for those who desire to avail themselves of our offer of First Choice when the Lots are open for sale to get Stock in Zion Land and Investment Association.

This Right can only be obtained by securing stock equal in value to the intended purchase, or at least near to that.

Preferential Rights of Purchase will only be for land in quantity equal to the purchaser's investment.

We trust that our friends will not need to reproach themselves for delay in this matter, nor imagine that they have a Right of Choice to buy thousands of dollars' worth of land when they only own one or two shares of stock.

We shall announce at an early date the Closing of the First Series of Stock in Zion Land and Investment Association.

We do not know whether we shall again give Stockholders the Rights of Selection which we offer them now, and there can be little doubt but that our price for land will be much higher in the Second Series of Stock.

We trust that this warning will be remembered, and that our good friends who have made "good resolutions" as to investments in Zion City, will not "pave" the future with disappointments by their delay.

THERE PROBABLY never was in the whole history of New City Settlements any precedent for the intense interest, and great numbers of applicants who are now setting their faces toward Zion City.

Many have sold their property in distant places, and are now located in Chicago, and some at towns near to Zion City site, waiting for the Opening of the Sale of Lots, and ready to invest large sums of money in building and other improvements.

For this we give God hearty thanks.

But Zion City is His, and, therefore, it is His care.

THE SPLENDID RALLY of Zion's Friends in all parts of America, and the many kind expressions which greet us from business men, have shown us that the repulse of our enemies in their recent attacks has been used by God for Zion's greatest good, spiritually and materially.

WE ARE LOOKING forward with intense delight to the gathering of Tens and Tens of Thousands of sober, thrifty, honest, industrious, intelligent, God-fearing People on the Beautiful Site of the Coming City.

BRETHREN, PRAY FOR US.

ZION IN ADELINE AND MOUNT MORRIS, ILLINOIS

Professor J. H. Sayrs, Deacon in the Christian Catholic Church in Zion, and Superintendent Zion Junior Schools, will conduct one meeting in

ADELINE, on Saturday night, March 23, 1901; and in MOUNT MORRIS, Lord's Day, March 24, 1901, morning, afternoon and evening.

Deaconess Mary Casey will be present at these meetings and will testify to her healing through faith in Jesus Christ.

The Ordinances of the Church will be observed at Mount Morris.

GOD'S WAY OF HEALING.

BY THE REV. JOHN ALEX. DOWIE.

God's Way of Healing is a Person, not a Thing.

Jesus said, "*I am* the Way, and the Truth, and the Life," and He has ever been revealed to His people in all the ages by the Covenant Name, Jehovah-rophi, or "*I am* the Lord that Healeth thee." (John 14:6; Exodus 15:26.)

The Lord Jesus Christ is Still the Healer.

He cannot change, for "Jesus Christ is the same yesterday and today, yea and forever"; and He is still with us, for He said, "Lo, *I am* with you alway, even unto the end of the world." (Hebrews 13:8; Matthew 28:20.) Because He is Unchangeable, and because He is present, in spirit, just as when in the flesh, He is the Healer of His people.

Divine Healing Rests on Christ's Atonement.

It was prophesied of Him, "Surely He hath borne our griefs (Hebrew *sicknesses*), and carried our sorrows: . . . and with His stripes we are healed"; and it is expressly declared that this was fulfilled in His ministry of Healing, which still continues. (Isaiah 53:4, 5; Matthew 8:17.)

Disease Can Never be God's Will.

It is the Devil's work, consequent upon Sin, and it is impossible for the work of the Devil ever to be the Will of God. Christ came to "destroy the works of the Devil," and when He was here on earth He healed "all manner of disease and all manner of sickness," and all these diseases are expressly declared to have been "oppressed of the Devil." (1 John 3:8; Matthew 4:23; Acts 10:38.)

The Gifts of Healing are Permanent.

It is expressly declared that the "Gifts and the calling of God are without repentance," and the Gifts of Healing are amongst the Nine Gifts of the Spirit to the Church. (Romans 11:29; 1 Cor. 12:8-11.)

There are Four Modes of Divine Healing.

The first is the direct prayer of faith; the second, intercessory prayer of two or more; the third, the anointing by the elders with the prayer of faith; and the fourth, the laying on of hands of those who believe, and whom God has prepared and called to that ministry. (Matthew 8:5-13; Matthew 18:19; James 5:14, 15; Mark 16:18.)

Divine Healing is Opposed by Diabolical Counterfeits.

Amongst these are Christian Science (falsely so-called), Mind Healing, Spiritualism, Trance Evangelism, etc. (1 Timothy 6:20, 21; 1 Timothy 4:1, 2; Isaiah 51:22, 23.)

Multitudes Have Been Healed Through Faith in Jesus.

The writer knows of thousands of cases and has personally laid hands on scores of thousands of persons. Full information can be obtained at the meetings held in Zion Tabernacle, 1621-1633 Michigan Avenue, Chicago, and in many pamphlets which give the experience, in their own words, of many who have been healed in this and other countries, published at Zion Publishing House, 1207 Michigan Avenue, Chicago.

"Belief Cometh of Hearing, and Hearing by the Word of God."

You are heartily invited to attend and hear for yourself.

Selling of Swine's Flesh Given Up Through Reading Leaves of Healing.

This letter was recently sent out to customers by a well-to-do merchant in England, who is a member of Zion:

DEAR MADAM:—I respectfully beg to inform you that after careful consideration I have decided that from the 1st January, 1901, I shall discontinue the sale of hams, bacon, lard and sausage at my establishment.

I shall still continue to stock every other class of groceries as in the past, and endeavor to maintain that reputation I have always had for their excellence and quality.

I trust to be still favored with your esteemed orders, which shall always have my best personal attention.

Thanking you for all past favors, I remain

Yours very sincerely, —. —. —.

The truth concerning swine's flesh had been conveyed to this man through LEAVES OF HEALING and forced home again and again by the Spirit of God, until at length he was enabled by the Grace of God to follow his convictions, although it meant great financial loss, judging from a worldly standpoint.

God has given much blessing to this family on account of their faithfulness, as will be seen by the following extracts taken from a letter written by the father of this gentleman.

We give these particulars for the encouragement of others.

We trust many will follow the good example of our brother, who has been true to God and honest enough to act according to his convictions.

The father writes to Deacon Stevenson:

We are all being kept in a blessed state of health.

I know that you will be glad to hear a little about the work that you were the means of planting in this place.

We are coming into Zion slowly, but, I believe, surely.

Since Zion was formed in our midst and we began to pay God His tithes, signs have followed the Word; for God is blessing and people are being saved, healed and cleansed from tobacco, medicine and pork.

It would gladden you, I am sure, if you could hear first one, then another, testify to blessing received through reading LEAVES OF HEALING and the Zion truths taught in the meeting.

We are all seeing that the work would spread faster if we had a public hall for the meetings.

Our leader is being more than ever blessed and is becoming free in the Spirit.

God is honoring him, since he took the step and put the swine out of his business.

He has not lost many customers.

He is getting fruit in its place.

The first thing we heard after the pig was out was, "What a pity the young man is going off. He is losing his reason. Whatever will his poor young wife and little children do?"

Then they said he had contracted a debt for bacon and ham and the firm would not supply him.

Another story, and the last, was, when we began to sell LEAVES OF HEALING, that he was trying to make up his loss by selling the papers.

His true friends admire him and are rallying around him.

You should see the people stop to read the large card in our upstairs meeting room, announcing in very large letters that it is "Meeting Room for the Christian Catholic Church in Zion."

I am so glad to inform you that we have begun Zion Seventy work in earnest, and there is quite a stir.

We are properly in the fight now, if never before.

God is blessing the people, and we keep at it.

My daughter writes us this week that she with another sister visited eleven public houses last Saturday night and sold and gave away thirty-five copies of LEAVES OF HEALING. Her children were selling LEAVES in the street.

The Lord is blessing Zion Literature.

You will ever have our prayers following you in your great undertaking for God in connection with Zion City.

We are watching its progress with much interest.

I wish our sons and daughters were there in business, instead of here; but I suppose God wants us to do the piloting for Him and Zion longer.

There has been one blessed case of healing of a young man and his wife through my leaving them a copy of LEAVES OF HEALING.

She first saw the Lord's Way of Healing, got up and walked to the meeting, was prayed for, went home, threw her medicine out into the sink, and went again to the meeting, where they both gave themselves to God.

They are now rejoicing together in their new-found joy.

They are both paying tithes and have filled out their forms for membership.

Blessed are ye that sow beside all waters.—Isaiah 32:20.

The letter which follows is from a traveler in Europe, who read a copy of LEAVES OF HEALING in a hotel in Italy:

REV. JOHN ALEX. DOWIE:—May God bless you and your work with unspeakable blessings.

While staying here I fell ill, and for two months the doctors were unable to cure me.

One day, a copy of LEAVES OF HEALING, which is received at the Reading Room of the hotel, was put in my hands.

I have for many years had the conviction that we should go to the Lord for healing, but never was the truth so deeply impressed upon me.

I knelt and prayed at 4 P. M. (the hour corresponding to your hour for prayer), and received immediate relief from pain.

My health is growing better every day.

Is it permitted to translate LEAVES OF HEALING into Russian and Italian and have it reprinted to give to the people here?

Perhaps God will enable me to extend the good work.

We give this testimony from a lady in Wisconsin:

DEAR OVERSEER PIPER:—I wish to testify to the joy it gives me to pay my tithes to Zion. I have almost always paid tithes, but take greater pleasure in paying them to Zion.

I also wish to thank God for LEAVES OF HEALING.

It has brought me more true happiness than anything else, for it has taught me to trust my Saviour for all things.

I feel that God is more to me than all else.

I desire your prayers, that I may be ever faithful.

ZION'S WITNESS AGAINST SPURIOUS HOLINESS.

A VOICE TO ZION AND GOD'S PEOPLE IN EVERY LAND.

O thou that tellest Good Tidings to Zion, Get thee up into the High Mountain. Lift up thy Voice with strength: Lift it up, be not afraid: Say unto the cities of Judah, Behold your God! Isaiah, XL: 9.

THE "HOLINESS" FALLACY EXPOSED.

Report of Meeting held in Central Zion Tabernacle, Lord's Day Afternoon, March 10, 1901. Prelude: "Necessity for a Larger Central Zion Tabernacle." Sermon: "Spurious Holiness Exposed." Baptism of Twenty-Nine Candidates by Triune Immersion.

REPORTED BY S. D. AND E. W. AND A. W. N.

DURING March, 1901, a number of so-called "holiness" evangelists were holding a series of meetings in certain churches in Chicago. Their claims to entire sanctification were coupled with an unprovoked attack upon the General Overseer and Zion.

They falsely alleged that holiness was not taught by the General Overseer or in the Christian Catholic Church in Zion.

They said that the Gospel was not preached in Zion.

On the afternoon of Lord's Day, March 10, 1901, therefore, the General Overseer delivered the powerful sermon which follows, exposing the false and hypocritical professions of the so-called "holiness" leaders and drawing, clearly, sharply and strongly, the line between real Holy Living or Sanctification and that spurious "Sanctification" of the "holiness movement."

Although the day was made uncomfortable by the worst of March weather, and although a severe storm seriously impeded traffic, an audience of 2000 people gathered at Central Zion Tabernacle.

God's Spirit was present to bless.

As the General Overseer closed his address, he made a plea for the living of Holy Lives, for a genuine Sanctification, which should include a cleansing of the spirit from all sin and guilt, a cleansing of the soul from all defilement of every kind, and a perfect healing and strengthening of the body.

The entire audience, without any apparent exception, arose at the call and prayed aloud that God would give them that Sanctification to which He would witness by His Holy Spirit.

The service was opened by Zion's White-robed Choir singing the Processional:

Forward! be our watchword,
Steps and voices join'd;
Seek the things before us,
Not a look behind.
Burns the fiery pillar
At our army's head;
Who shall dream of shrinking,
By our Captain led?
Forward, thro' the desert,
Thro' the toil and fight?
Jordan flows before us;
Zion beams with light.

Forward, when in childhood
Buds the infant mind;
All thro' youth and manhood,
Not a thought behind:
Speed thro' realms of nature,
Climb the steps of grace;
Faint not, till in glory
Gleams our Father's face.
Forward, all the lifetime,
Climb from height to height,
Till the head be hoary,
Till the eve be light.

Glories upon glories
Hath our God prepar'd,
By the souls that love Him
One day to be shar'd:
Eye hath not beheld them,
Ear hath never heard;
Nor of these have utter'd
Thought or speech a word.
Forward, marching Eastward
Where the heav'n is bright,
Till the veil be lifted,
Till our faith be sight.

As the General Overseer came upon the platform, the audience arose and stood with bowed heads while he pronounced the invocation:

God be merciful unto us and bless us;
That Thy Way may be known upon earth,
Thy Saving Health among all nations;
For the sake of Jesus. Amen.

PRELUDE—NECESSITY FOR A LARGER CENTRAL ZION TABERNACLE.

Central Zion Tabernacle, Lord's Day Afternoon, March 10, 1901.

The meeting was opened by singing Hymn Number 161:

I will sing of my Redeemer
And His wondrous love to me;
On the cruel cross He suffered,
From the curse to set me free.

The audience then united in repeating the Apostles' Creed.

The General Overseer then read from the twelfth chapter of the Epistle to the Hebrews, closing with the following prayer:

May God bless His Word.

Prayer for the work in general was then offered by Overseer Speicher. The General Overseer presented a large number of petitions for prayer from the sick, sorrowing and sinful, many of them from distant lands.

The general announcements were made by the Overseer for Chicago, after which the General Overseer added these remarks:

I ask you to pray for me in connection with some very important work which lies before me this present week.

The organization of the Christian Catholic Church in Zion in an even more thorough and extensive manner than at present, has been engaging my attention ever since I returned from Europe. I have been dividing the work into

Three Great Divisions: Ecclesiastical, Educational and Commercial.

I have been establishing Cabinets of Consultation in connection with all these three divisions, also Councils with whom I consult every now and then, consisting of the heads of departments.

I also desire to enlarge the boundaries of service upon the part of this people by raising to the Diaconate both men and women who have been found faithful during the last six or seven or more years, as well as some who in later times have proved themselves to be very able and useful.

This work involves very much toil and an immense mass of detail, which no one could imagine would be necessary unless they were in our position.

Zion is Preparing for a Large and Powerful Onward Movement.

We are always going onward and upward, praise God.

I ask you to pray for Wisdom at this time.

Through Wisdom is an house builded;
And by Understanding it is established:
And by Knowledge are the chambers filled
With all Precious and Pleasant Riches.

The Administration of the Christian Catholic Church in Zion is becoming a very extensive matter; much more so than any of you can conceive. It is not merely what you see now, but it is that which is coming, which we know is coming, for which we are preparing.

If you are to have a very large harvest, you cannot do with a small barn. We must have very large barns for a very large harvest. When you have a harvest and cannot take care of it, a great deal of it may be spoiled and lost.

Usually, now, we overflow this building on Lord's Day afternoons.

The storm today has prevented many from being here.

I was struck with the manifestation of the power of the storm last night as we went down the line to Harvey this morning. The telegraph wires and power wires were down in all directions. The poles were down, too, as well as wires in many places. We found that some of our people today had to take no less than three or four hours to get here who ordinarily get here in a half or three-quarters of an hour.

One man told us this morning that a certain car started from the barns at 5 o'clock in the morning, reached his street at 7, and was about an hour and a half in getting to the city.

Accordingly, we have a most unusual hindrance today, but even with all the hindrances of the terrible storm there are about 2000 persons now present.

When we left the city amidst a severe tempest of wind and rain for Harvey, about 9 o'clock this morning, we found nearly 120 of our Chicago friends at the Illinois Central Depot. And when we got to Harvey the large hall there was found to be already crowded, half an hour before the time announced for the meeting. So that even severe hurricanes do not keep the multitudes from coming together to hear the Gospel in Zion.

Central Zion Tabernacle Far Too Small.

This place, which seats 3100, is now practically continually overflowed.

When we get to that point in Zion, we know that we have to get a larger place.

When this place was taken and I seated it for so many, there were some who thought that perhaps I had seated it too largely; but you know that it was filled at the beginning, and has kept filled all the time. It has been scores of times far too small. Thousands upon thousands of persons have been turned away who could not get room, and, worse than that, thousands upon thousands of persons do not come, because they know that they cannot get seats after a certain time.

We know that thousands of persons who wish to hear the Gospel from our lips cannot hear in consequence of the straitness of the accommodations. We must have a larger place.

Zion Needs a Larger and More Central Tabernacle in Chicago.

I said to our friends, when I took a lease of this property for five years, that before the end of the five years it would be too strait for us.

I have been offered the building—to buy it or lease it or upon other terms—and hitherto I have declined because it seemed to me that we had reached a point where, if we are to have in Chicago a Central Zion Tabernacle, it must be larger than this, and must be more central than this.

Now I say these words to you this afternoon, because you know what this means. If we are to have a larger place, it means a very large expenditure of money. It means either the erection of a new building or the leasing of another building larger than this.

That is a very serious matter; because we do not want to build any large new place in Chicago, having to build Zion Temple at Zion City. We shall have to build a large Zion Tabernacle there before we build Zion Temple. Of course it will take time to get the people out there upon the ground, and all the Industries going. We must meanwhile take care of the work in Chicago.

Pray for me in this matter. If you can send me half a million dollars at the same time as you pray, that would be a very good way to pray.

Help me with your sympathies and your prayers.

A Way Out of the Difficulty Arising From Lack of Room in Central Zion Tabernacle.

If I could be quite sure that our people would add, every one of them, twenty-five cents a week as an absolute offering in addition to their tithes to the Lord, I could afford, as a matter of finance, to take a larger building.

If you do not add to your offerings as I have suggested, or the money does not come from some other source, it will mean that the money which we have to pay for rent will be a large reduction of income. All Zion's income is needed in financing her work. We are sending out more officers every day and increasing the work in every direction.

Sometimes when you start to do a thing like that, you keep it up for a fortnight, and then forget all about it. You say, "Oh, the General Overseer will get through." Then we lose all that special offering.

I Will Tell You Another Way of Doing it.

I cannot cram any more into this building. If you will show me where I can cram in any more, I will do it. I got all these seats in by sending some people up to the rafters. It was the only way to do it. I am sure that some of the people in the building now could touch the roof easily with their hands from where they are sitting.

If about ten of you will promise me that you will give me $50 a month, and another ten will promise they will give $100 a month, and twenty will give me $25 a month, I will take a larger building.

I did not know what I was quoting the other day when I quoted the nursery rhyme. All I knew about it was:

There was an old woman who lived in a shoe,
She had so many children she didn't know what to do.

But, to my surprise, I heard there was a sequel to it:

She gave them some butter without any bread,
And spanked them all soundly and sent them to bed.

I do not wish to give any butter without bread. I have given you as sound food as I knew how to give. I do not wish to spank you and send you to bed. I desire to provide for you, and for the thousands whom we are turning away every month.

Zion Must Provide for Those Who Want to Hear the Gospel.

When I spoke in the Coliseum for the first time after my return, we had 12,500 persons in it. The police officers and others say that there were from 15,000 to 20,000 persons outside who wanted to get in.

Digitized by Google
Original from NEW YORK PUBLIC LIBRARY

It is probable, therefore, that over 30,000 persons came to the Coliseum that day.

If there were only 20,000, that would be a very large number. There were 12,500 got in, because there were 8000 seats, and upon a very conservative estimate there were 4500 persons standing.

That gives a very fair idea of what Chicago's interest in Zion is when it is given a place big enough to manifest itself.

It is not right, when God gives us this power over the hearts and consciences of the people, for them to have to come up to this place Sunday after Sunday and find police officers outside keeping the people back, because the place is overcrowded.

Central Zion Tabernacle Safe From Fire.

I have to keep within the strict letter of the law in this place. I have no less than six special fire-exit doors made all in a line, two on the ground floor and two in each gallery. This place can be emptied in a very few minutes.

It is also made fireproof. Everything below your feet is fireproof. These galleries are constructed of steel with fireproofing below. This place is perfectly safe in the event of fire.

We have never had fires; we have been very careful. But it is a responsibility for a man conducting work of this kind to have people standing in the passages in case of any necessity for the people to go out quickly. I do not care to continue it. I wish to serve the public interest and safety in every way in this place.

Pray about this. Let some of you whom God has blessed say, "The General Overseer has a perplexity on his hands. Can I help him out? Can we not do something specially to help him out, because it is God's work?"

These Multitudes Are Seeking to Understand What We Are Preaching.

They want to come, and they cannot get in when they do come in thousands.

You old Zionites know how to do it. You come here early and take the seats. You were trained in Zion Tabernacle No. 1 (laughter), and you look after No. 1.

I cannot scold you very hard, because it is all right. You learned there how to sit on kitchen chairs day and night, too. You know how to do it. You come here and select your seats. You keep them warm all day from half past 10 o'clock in the morning. (Laughter.) If you are not in them, you have some one hold them for you.

I know your little tricks, and they are not very blameworthy.

We are very pleased to see you. You have a right to get good seats in Zion where all seats are at all times free. You are my old friends and members of this Church. I like to see you in the front places.

Can you not help me out in this matter? Is there any one here who will give me $5,000 toward the rent of a larger place? That would help me.

Think this matter over during the week, and ask God to help you to help me in it. I very much deplore the fact that thousands of our friends in Chicago have been so continuously disappointed that they say, "If we do not start very early to Central Zion Tabernacle, we cannot get a seat."

Pray for me and write me letters during the week with something in them. Give me your mind.

All Write Me Brief and Confidential Letters Enclosing Not Less Than a Hundred Dollars.

That will settle it. (Laughter.)

We want you to help us in the matter. It is your business as well as mine. Of course I have to take the responsibility.

SPURIOUS HOLINESS EXPOSED.

INVOCATION.

Let the words of my mouth and the meditation of my heart be acceptable in Thy sight, and profitable unto this people, oh Lord, my Strength and my Redeemer.

TEXT.

Follow after Peace with all men, and the Sanctification without which no man shall see the Lord.—Hebrews 12:14.

The Value and Beauty of Peace.

"Follow after Peace."

"Seek Peace and pursue it."

"If it be possible, as much as in you lieth, be at Peace with all men."

"The fruit of Righteousness is sown in Peace of them that make Peace."

"Blessed are the peacemakers: for they shall be called sons of God."

The "Peace of God which passeth all understanding," which keeps the heart clean in the knowledge and love of God, is a "pearl of great price."

When a man is justified by faith, he gets Peace with God; that Peace of which our Lord said:

Peace I leave with you; My Peace I give unto you, not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be fearful.

That Peace, Divine and blessed, God keepeth for those hearts which love Him best.

For Quietness of spirit enables God's children in the midst of conflict for the right to be at perfect peace; never being troubled, no matter what happens. Even sudden death itself would be sudden glory. Hence they may have no fear of consequences, as they go into battle for the Lord, having the Peace of God within their hearts.

This is the Peace which the Master had.

This is the Peace which the Master gives.

This is the Great Legacy of Christ to His tempest-tossed Church.

"My Peace I give unto you."

It is a Gift. It cannot be bought. It is not as the world gives.

What the World gives is hard to get.

What the World gives is hard to keep.

What the World gives must be given up.

The Peace which God gives is an absolute Gift to the humblest. It is not hard to keep, for He maintains it; and it never needs to be given up, for it is Eternal.

That Peace is the Pearl which every Christian must seek for.

The greatest mistake made about Zion by those outside is when they imagine we are not peaceable people.

I am the most peaceable man in Chicago, except when the Devil attempts to hurt Zion. Then I do not feel at all like being at peace with the Devil. I am in for war at once.

I do not wait for the Devil to attack Zion. He has only to say that he is going to do it. Then I go after him at once.

I will not stay behind entrenchments and wait until the enemy comes up.

I Will Never Fight Behind Entrenchments.

I will go out, in the Strength and Name of God, and whip the Devil every time. (Applause. Amen.)

The army which fights behind entrenchments is beaten. That is a maxim in war. To keep your men behind fortifications and inside of entrenchments is a sure way to demoralization. It is better to go right out and attack the enemy, not necessarily by a front attack, but go out, outflank his forces, divide them, scatter them, destroy them.

I have learned something. I never wait until the enemy comes close to us. I go out and meet him before he can get within reach of Zion.

This is the kind of Peace which God desires in your heart and in your mind: "the Peace of God which passeth all understanding," which guards "your hearts and your thoughts in Christ Jesus."

It is not Peace with the Devil. It is Peace with God.

There are some people who say, "O won't you let the enemies of Zion alone." That is just what the Devil wants.

What did the demons cry out in the synagogue? "What have we to do with Thee, Thou Jesus of Nazareth? art Thou come to destroy us?"

Did He let them alone? No; He came for the purpose of driving the Devil out, and that is what He is about now

"Let them alone!"

What! Let the Devil do what he likes upon God's earth when every man on this earth is the spiritual offspring of, and the creation of, God? The man who talks like that is a traitor to God—a traitor and a coward in every atom of his being.

I Am at Peace With God, Therefore I Am at War With the Devil.

I am at Peace with God, therefore I am at war with Sin.

I am at Peace with God, therefore I am at war with Disease.

I am at Peace with God, therefore I am at war with Death and Hell.

I am at Peace with God, therefore I am following in the

footsteps of my Master, doing the best I can to destroy the works of the Devil. (Amen.)

That is Zion's mission.

Follow peace with all men, even if you have to knock the Devil out of them.

A man said to me, "When I first heard you preach, I felt as if I wanted to hit you."

I said, "What did you feel like after I was through?"

He said, "I felt you had hit me."

"How do you feel now?" I asked.

"Now I am all right," he replied. "I am going to do what you say. I never would have been a Christian if you had not pounded the Devil out of me." (Laughter.)

Follow Peace with all men, and the Sanctification without which no man shall see the Lord.

I do not wish to hinder any man living who may have any power to bless his fellow-men, even if he does not follow in that path which I am following.

God forbid that I should say that the only agency which can do any good in Chicago is John Alexander Dowie, or the Christian Catholic Church in Zion. I do say, however, that we, tested by our fruits, are preaching the Gospel of our Lord and Saviour, Jesus Christ.

The So-Called "Holiness People" Have Lied About Zion.

There are a number of impertinent, ignorant and rash people who have come to town who have the audacity to say that the Christian Catholic Church in Zion is not preaching the Everlasting Gospel.

I am going to speak plainly about that.

One of the miserable men who is talking like this is almost entirely beneath notice from this platform. He is like a miserable spiritual gnat, although his name is Knapp. He is a wretched liar, who has lied concerning Zion in his miserable little sheet in Cincinnati. He has taken up many of the lies which have appeared in the Chicago papers and passed them along in his paper, although he knew that they were lies.

He is a "holiness" leader amongst these people who are in town today.

I have had considerable experience with "holiness" leaders, so-called, from the Pacific to the Atlantic Oceans, and on other Continents.

They are usually a very mean-spirited, censorious, presumptuous, ignorant and bad set of people.

I wish I could say otherwise.

When a man tells me that he is sanctified, I want some better evidence than his own talk.

I would like to know what his wife thinks about that. (Laughter.)

A Bogus Profession of Sanctification Quickly Detected.

A woman came to me once and said, "I have a message from God."

I looked at her, and asked, "Are you sure you have?"

"Yes," she said.

"I do not think you have," I answered.

"Doctor, will you allow me to deliver it?" she asked.

"Yes," I said, "I will allow you to deliver the message, but it is not from God."

She said, "I am sanctified."

"Well," I said, "that is a lie." (Laughter.)

"I am *sanctified*, Doctor."

"All right," I said; "I have told you it is a lie."

"How can you say it is a lie?" she asked.

"Does not Sanctification mean cleanliness?" I returned.

"Yes, sir; and I am clean, every whit," she declared.

Before she knew what I was about I had moistened the tip of my handkerchief and rubbed it around the back of her neck. (Laughter.) I held out the handkerchief and said, "Look at that dirt! When did you wash your neck last?" (Laughter and applause.) It is written in God's Word:

> Let us draw near with a True Heart, and Fulness of Faith,
> Having our Hearts sprinkled from an Evil Conscience,
> And our Body washed with Pure Water.

She went off. I never had any more trouble with her.

A False Profession of Sanctification Exposed.

A talkative and boastful fellow came up to me a few days after, on that particular subject: "Doctor, I am sanctified! Hallelujah! Oh, it comes in floods! I cannot contain it."

I said, "It all depends upon your capacity. My opinion about your capacity is that it is about a thimbleful. It is very easy to fill you up."

"Oh! Doctor," he said, "I owe you much; but you do not know how to preach the Gospel."

"That is very nice of a fellow who has only been making a profession of salvation for about three weeks," I replied, "when I have been God's Messenger for all these many years."

"Oh," he said, "I am wholly sanctified. Everything is new, all sweetness and love. There is no anger or evil in my heart. I can suffer everything for Jesus."

"That is a lie," I said.

"It is not," he declared.

I said, "It is. It is a lie."

"It is not," he maintained.

"You wretch," I shouted, and I brought my fist up to within a very short distance of his nose.

He was up in a flash. He said, "You do that again and I will give you one in the eye." (Laughter.)

"Ah! ha!" I said, "that is just what I did it for." (Laughter and applause.)

I was not long in finding out how much sanctification there was in him.

Confession of Sin by a Professed "Holiness" Man.

"Doctor," said another, "I am fully sanctified."

"Why are you not healed?" I asked.

"That is a thing I do not understand," he replied. "Will you pray with me?"

I answered, "I will. I will find out about you."

I prayed. I might as well have laid hands upon that desk.

I said, "You are an infernal scoundrel somewhere."

I gave this man's name, and told the story of his shame, when he had the audacity to attack Zion in 1897. He wrote a wicked book which I exposed, and reviewed, in a sermon delivered in this Tabernacle on Lord's Day, November 28, 1897. It was published in LEAVES OF HEALING, Volume 4, Number 20, pages 388-395.

"Tell the truth," I continued. "What is the thing between you and God?"

Then he told me the truth. I have told it publicly before, and I will tell it again. While his wife was yet living, and without any charge against her morality or her character, he confessed to me, there and then, that he had kissed and embraced and made love to the daughter of a brother minister, and told her that he wished he were free to marry her.

Shame! That very man went away to the Pacific Coast, a "holiness" man. There he sold Dr. Sanche's Oxydonor Victor; he became a quack medicine man.

He secured a divorce from his wife, and came back and married another "holiness" person of his own stripe, not even the young woman whose life he had polluted by his uncleanness. Today the wife who was never unfaithful to him, and was never charged with being unfaithful, has been cast away.

That scoundrel lives unwhipped of the law. If I had the making of the law, I would send him to prison to study geology by cracking stones. (Laughter.)

I have before my mind's eye at this moment

Another Immoral Wretch Who Professed "Holiness."

"Doctor, I am sanctified."

"Why are you not healed?"

"I do not know. Brother So-and-so sent me here."

I will not give the name of the man about whom I am talking, because it would only be the cause of terrible sorrow to a godly wife whom he dishonored. He was a professor of Biblical Theology in a certain institution. He was a man much over sixty years of age. He had a reputation on three continents as a "holiness" writer. He was suffering from a deadly disease from which he could get no help. He had come to me through a brother minister who had been wonderfully healed of another deadly disease which God completely took away.

He sat listening to me day after day, and at last he said, "Why am I not healed?"

I said, "I am tired of you, and God Almighty is tired of you. You are a bad old man."

This was in my private room.

"Doctor," he said, "how dare you say it?"

I said, "I will say it. You are my guest in this Divine Healing Home. If you are not a bad man, my eyes do not see, my

Digitized by Google

mind does not understand. You are a bad old man. What have you been doing?"

With that he collapsed. His face, which had been scarlet, turned paler than death.

I will talk plainly. There is no use going roundabout in this matter, using language which conceals truth, or only feebly expresses it.

I talked plainly from this platform before they came to Chicago, and I will talk plainly now to these spurious "holiness" preachers at the First Methodist Episcopal Church in Chicago. I will talk plainly now, and if they deny my assertions I will give them more before the week is out.

I intend, in the Name of God, to have things clean.

They say they want things clean. Let them come here, and we will scrub them. (Laughter and applause.)

They want scrubbing.

Let the man be clean himself who talks about cleanliness.

I will return to my story.

I said, "You are a bad man."

"Yes," he said, as he fell literally upon his face. "My God! My God! I am found out."

"Tell me the whole business," I demanded.

He said, "I will tell you. While I have been preaching 'holiness' in Europe and in America, and have written books, I have been an unclean man and an adulterer. What shall I do?"

I said, "Make a 'bee-line' from Chicago straight to the house of the brother minister whose wife you wronged, as you have told me." (He had told me details.) "Make a bee-line to him, and put yourself in his hands. Tell him what kind of a scoundrel you are. If he smashes your face into an indistinguishable pulp, that is about the best thing that can happen to you. Take it. Take anything he gives you.

"I think if you had abused my hospitality and defiled those under me, I would, in the Name of the Lord Jesus Christ, let you have it just as hot as I could give it to you, you scoundrel!

"Under Moses' law the man you have wronged would have been justified in killing you; and Christian law would punish you severely and most justly.

"You will not get any answer to prayer. You come here and profess to be a 'holiness' man with this deadly disease. How dare you? Do you think you can trick God Almighty into healing you?

"Get out of this house at once.

"I will not pray for you any more unless you do right and go and confess your sin. Tell your wife. Tell the man whose wife you wronged."

He went away, promising to do it. The coward got half way, then switched off on another line, went home and died. They buried him, and the "holiness" papers spoke of him as if he were an angel from heaven. I knew he was a devil from hell. They pictured his reward in glory. I knew he had gone to his reward in hell. For he never confessed his sin to those whom he had wronged.

How long is it since one of your best writers was found in the act of adultery in Martha's Vineyard, on the Eastern Coast?

The loudest professors of Spurious Holiness are the most unclean men and women on God's earth.

I do not hesitate to say it.

You Who Are Professing Extreme and Perfect Sanctification Are Amongst the Most Vile of Humanity.

I do not say you all are, but I do say that your teaching has the direct result of making men who make a profession of sanctification, as you teach it, the slaves of damning lust.

"But," they say, "the Bible says that without sanctification *no man shall see the Lord*."

That is their favorite text.

I asked a man some time ago who was quoting this text, and endeavoring to teach me his Spurious Holiness—the abominable counterfeit of Holiness against which I am this day contending—"What do these words mean, sir, 'Without Holiness no man shall see the Lord'?

"Why, Doctor, you are a more learned man than I am," he pleaded.

I said, "You have come to rebuke me; I ask you what Holiness means?"

"It means entire sanctification," he answered.

I said, "What does the rest mean—'Without which no man shall see the Lord,'—no man can ever see God unless he is sanctified, can never get to heaven?"

"Yes."

"That is what you teach, is it?"

"Yes."

"No man will ever see God anywhere unless he is sanctified wholly?"

"No, sir; unless a man is sanctified he will never get to see the Lord. That is the Word of God."

Teaching of the "Holiness" People Refuted by Christ's Words.

"All right," I said; "here is another portion of the Word of God."

Read it, Overseer Piper, twenty-fourth chapter of Matthew, thirtieth verse:

Overseer Piper—

"And then shall appear the Sign of the Son of Man in heaven: and then shall all the tribes of the earth mourn."

General Overseer—How many shall mourn?

Voices—"'All the tribes of the earth.'"

Overseer Piper—

"And they shall see the Son of Man."

General Overseer—Who shall see Him?

Voices—"'All the tribes of the earth.'"

Overseer Piper—

"And they shall see the Son of Man coming on the clouds of heaven with power and great glory."

General Overseer—All the good and all the bad shall see Him.

"All the tribes of the earth shall mourn, and they shall see" Him. They shall see Him come not only with power, but with "great glory."

Will they all be sanctified?

Audience—"No."

General Overseer—Why should they mourn if they were?

Accordingly, if "sanctification, without which no man shall see the Lord," really means actual ocular vision of the Lord, then the Lord Jesus Christ did not know what He said, when He said that He Himself should appear "with power and great glory," and all the tribes of earth should see Him.

Another Refutation From God's Word.

Refer to the first chapter of Revelation, and the seventh verse. We shall see whether it means ocular vision.

Overseer Piper—

"Behold, He cometh with clouds; and every eye shall see Him."

General Overseer—How many shall see Him?

Audience—"Every eye."

General Overseer—Will they all be sanctified?

Audience—"No."

General Overseer—You will see that they will not, presently.

Overseer Piper—

"And they which pierced Him; and all the tribes of the earth shall mourn over Him."

General Overseer—Wait a minute, my "holiness" friend. What does that Book say? Does it not say that every eye shall see Him?

Audience—"Yes."

General Overseer—And "they who pierced Him" shall see Him?

Audience—"Yes."

General Overseer—There is something wrong with your interpretation of the word "see"; you "holiness" people are manifestly wrong if you restrict to actual perception.

What does this word *see* mean there?

Identity of Meaning of "See" and "Know," Spiritually.

Every one who is a scholar knows that the words "see" and "know" are identical in their spiritual meaning.

When I tell Overseer Mason something he did not see before, and I am trying to get him to see it, all at once there passes over his face the illumination which indicates intelligence. He says, "General Overseer, I see it."

What does the Overseer mean? He does not mean that he sees anything with the eye of flesh. He means that he "knows" it.

I talk to a blind man who has no eyes to see at all. I explain something to him and presently he says, "Doctor, I see it."

Does he see anything?

Audience—"No."

Digitized by Google
Original from NEW YORK PUBLIC LIBRARY

General Overseer—He *knows* it.

How many times in the day do you say "I see it"?

Suppose I give you the meaning of this passage:

"Follow after peace with all men, and the sanctification without which no man shall *know* the Lord."

If I Am to Know God I Must Be Clean; Pure in Heart.

Jesus said: "Blessed are the pure in heart: for they shall *see* God."

It is the pure in heart who see God, who know God.

The whole "holiness" fallacy is thus exploded in a moment with just a bit of plain common sense, as well as good exegesis. But you need not talk to these men about "exegesis." They would wonder what you were talking about. They would want to know what kind of an animal that was. (Laughter.)

Plain common sense and scientific theology teach the same thing: that the passage simply means follow after peace with all men, and the sanctification without which no man shall *know* the Lord.

If you are to know Him, and the power of His resurrection, and the fellowship of His suffering, you must be a partaker of that suffering, and be made conformable unto His death.

Do you imagine for one moment that it means that the only people who will get into heaven are those who say they are sanctified, up there in Clark and Washington Streets, or people like them?

What a pitifully small heaven it would be with no one there but narrow-minded, self-styled "sanctified" people—such as these dirty-necked men and women of whom I have spoken! (Laughter.)

What a poor heaven it would be!

What a wretched heaven it would be!

I hate to say it—but I say it from my heart—that it is the people who profess this spurious "holiness" who have been the greatest hindrances, in my experience, to the spread of Salvation and Divine Healing in many parts of the world, and especially in the United States of America: for they make God's Love narrow and put false limits of their own around it.

They tell a man that he must be perfectly sanctified before he can get into heaven. Did Jesus preach that?

Voices—"No."

An Example of Salvation and Heaven Without "Holiness."

General Overseer—Christ was on the cross, when a poor thief became penitent. That penitent thief rebuked the impenitent thief, and looked upon the suffering Lord with faith, with hope, and with love. When he did that the Lord said to him, "Today shalt thou be with Me in Paradise."

That man had never received any of the Ordinances of the Church of God. He had never been baptized; he had never sat at the Lord's Table. He knew nothing about theology. All he knew was how to steal. He was a thief and probably a murderer. But his heart was won by the Lord, and we are glad that he was saved.

Will you tell me that the penitent thief was sanctified? Will any one here tell me that his dirty body, full of uncleanness and vices, and drunkenness and wickedness, as is commonly the case with thieves, was made perfectly clean? Will you tell me that his spirit was made wholly pure and perfectly sanctified?

We are thankful that the man was saved, and got into heaven by the mercy of God. But he started in the Divine life in Paradise just a little baby, as it were. He knew nothing about the experience of a Divine life at all. He got to heaven, however, thank God, although these wretched fellows will tell you that a man cannot get to heaven until he is wholly sanctified.

If I were to stand up before Almighty God and the whole world and say that I had a congregation of people who, in spirit, in soul and in body, were pure and clean and absolutely wise and holy, I should be a monumental liar.

What assumption, to dare to stand up before God and say that you are saved in spirit, soul and body, so completely that you are absolutely without spot, without blemish, and that in no part of your nature is there a single thing which is not perfectly transformed!

Do you claim that?

Audience—"No."

I Would More Than Hesitate to Claim Entire Sanctification.

General Overseer—God knows that I love Him, that I serve Him, and that, so far as I know at this moment, my body is clean.

I do not know of any infirmity or disease from which I suffer.

I am strong and healthy and well.

I am saved.

I am healed.

I am cleansed from all sin, by the blood of Christ.

As far as I know at this moment, although I am attacking sin in these false teachers, I have no unkind feeling concerning them, or any man living. I simply desire to destroy false teaching.

I stand here today, without any conscious barrier between God and myself, free from sin, disease, and the powers of death and hell which are wielded by the Devil.

Yet strong as I am in the consciousness that I am saved, that I am healed, and that I am cleansed through the blood of Christ, I would more than hesitate to say that there was not a spot or wrinkle about me; because I do not know myself as well as God knows me. I do not see myself as well as God sees me. And only God, who knows and sees me perfectly, can witness as to my real condition.

Although I know of no barrier between God and myself, and rejoice in believing that He does save me, that He does heal me, that He does cleanse me, that He does enable me to live a Holy Life, and that I am living that life to the best of my knowledge and power, yet I should more than hesitate to profess myself perfect, and authorized to proclaim to all mankind my entire sanctification. Am I called upon to do that?

Audience—"No."

General Overseer—Does God call upon a man to declare his own purity?

Voices—"No."

General Overseer—What did Christ Himself say?

Christ Himself Did Not Witness to His Own Purity.

Christ said, "If I bear witness of Myself, My witness is not true. There is Another that beareth witness of Me; and I know that the witness which He witnesseth of Me is true."

Who was that other?

Voices—"The Holy Spirit?"

General Overseer—The Holy Spirit witnessed for Him; the Father witnessed for Him. If He had witnessed for Himself, His witness would not have been true.

Shall I witness for myself? God forbid!

Let God, the Holy Spirit, witness that these hands have been, by the Holy Spirit, the means of healing of tens of thousands.

Let the Holy Spirit witness that these lips have uttered words which have led hundreds of thousands to God; that this body has been made the vehicle of God's power to the Salvation of thousands.

Let another man praise thee, and not thine own mouth

You hypocrite! when you have to stand up and witness for your own "holiness," your sanctification or "holiness" is a very poor article.

What would I think of my wife if she were to step on this platform now and say, "I want to witness to you people that I am a pure wife; that I have been a virtuous woman."

I should look at her, and ask, "Has she lost her senses? (Laughter.) Who attacked her character?"

What right would she have to come up here and defend her character? It would be absurd. You know Mrs. Dowie would not be capable of such nonsense. She would not think it necessary to stand up here and tell this people that she had been a pure and virtuous wife. Purity and Virtue need no letters of recommendation. Their fruits witness to their genuineness and reality.

When a person finds it necessary to stand up and say that he is honest; when a person finds it necessary to stand up and say that he is moral; when a person finds it necessary to stand up and clear his own character, then there is something wrong somewhere.

I have never stood here as a defender of my own character. I have stood here to defend Zion, to defend the work entrusted to my care. If incidentally I have had to show that the attack upon myself and upon Zion was a falsehood, it was not to clear my own character.

My Character Was Clear Before I Began the Defense.

My defense was to confound the adversary, to destroy his dishonest schemes, and to preserve Zion.

Let God witness to your character.

A woman stood up in a "holiness" meeting of this kind one day, a woman who had received considerable blessing, no doubt, in the meeting, and said, "I have been blessed in this meeting. I desire to tell the people here what blessing God has given to me.

"God saved me when I was a poor harlot.

"God healed me just after my salvation, and God has made me a happy wife and mother. All that I owe, under God, to the ministry of John Alexander Dowie."

Up jumped the leader. "Stop!" he said. "Do not talk about Dr. Dowie here."

"Why should I not?" she said. "God made him the instrument."

"We do not believe in Dr. Dowie. He is not sanctified. You are sanctified, sister," said the man, "but we do not believe in Dr. Dowie."

She said, "Stop! stop! I do not begin to get within sight of Dr. Dowie. If he is not sanctified, do not tell me I am. All I know of God, I know through him."

Her declaration came with manifest power to the audience, who vigorously applauded her earnest words, and the teacher of "Spurious Holiness" had to sit down.

The hypocrite! Within three months after that he had an action for divorce entered against him by his wife. He had been guilty of adultery at that very camp-meeting in California. The scoundrel!

A prominent M. E. minister's wife in California showed Mrs. Dowie and myself the bruises on her face and throat where her husband had struck and nearly strangled her without cause on her part, except that she was determined to obey God's Word fully. At that very time he was a prominent Spurious Holiness preacher; but also a high degree worshiper of the Masonic Baal. He continues to profess both "Holiness" and Baalism, and has been promoted to be a Presiding Elder.

I have seen that the people who are making these professions of Spurious Holiness are upon the very verge of the vilest transgression. They are committing a great and horrible sin when they are saying they are sanctified.

Test For Those Who Claim Entire Sanctification.

I will give you one test. Ask a man who says he is sanctified if he is perfectly healed.

"No, no, no," he may say; "sanctification is far greater than healing, and I have sanctification."

Does not I Thessalonians, fifth chapter, twenty-third and twenty-fourth verses, say:

The God of peace Himself sanctify you wholly; and may your spirit and soul and body be preserved entire, without blame at the coming of our Lord Jesus Christ. Faithful is He who calleth you, who also will do it?

Have I taught you that?

Audience—"Yes."

General Overseer—All the time?

Audience—"Yes."

General Overseer—Ask this man if that is a good definition of sanctification.

"Oh, yes," he will say, "that is the teaching of Apostle Paul."

"The Apostle Paul says," you may then reply, "that if a man is sanctified wholly, his entire spirit, his entire soul, his entire body should be preserved without blame. And you are sick! How can you be sanctified when you have a dirty body and dirty blood?"

Between Sanctification and Salvation Stands Divine Healing.

He will come and save you. Then the eyes of the blind shall be opened, and the ears of the deaf shall be unstopped. Then shall the lame man leap as an hart, and the tongue of the dumb shall sing; for in the wilderness shall waters break out, and streams in the desert.

Then there comes what?

An highway shall be there, and a way, and it shall be called The Way of Holiness.

Who shall pass over it? Shall the unclean pass over it?

Audience—"No."

General Overseer—If you tell me that you have catarrh, disease of any kind; if you are unclean and know it, and yet you tell me you are on the "King's Highway of Holiness," I say you lie; because God's Word says, "The unclean shall not pass over it." Although it "shall be for those"—when they are made clean by God.

I never encourage this people to witness to their own sanctification. Are you saved?

Audience—"Yes."

General Overseer—Do you know it?

Audience—"Yes."

General Overseer—Does your mother know it?

Does your wife know it?

Do your children know it?

Do your companions know it?

Does the world around you know it?

Your Salvation Should Bring Blessing to Others.

If your Salvation is not a thing which makes your wife happier, makes your children happier, makes your home brighter, do not tell me you are saved at all; because if you are saved you will carry with you the blessedness of that Salvation.

What, you sanctified? and yet those who are dearest to you, and your business associates, are continually complaining of your temper. You are flashing out on every occasion.

Salvation is first, Healing next, Holiness last. I will believe that you are sanctified when you can say, within your own spirit, "By the Grace of God, I have no unclean thought that I know of in my heart. By the Grace of God, I am perfectly healed. By the Grace of God, I am living a Holy Life."

I would like to hear God, however, witness to that for you.

I do not like this word in the way the teachers of Spurious Holiness use it: "I am sanctified." *Never use it!*

God encourages you to witness to your own Salvation.

He encourages you to witness to your Healing; but if you can find any place where God calls upon you to witness to your Sanctification, I do not know it, and I think I know the Bible pretty well.

Witness to Your Salvation; Witness to Your Healing; Then Your Holy Living Will Follow.

The cleansing will go on, and you will enjoy just as much Holiness as you live.

I cannot measure what I enjoy. It is not for me to say. It is better for those to say it who are nearest me and know me best, who have to put up with me from day to day, if there is anything to put up with.

My servants, my wife, my family—they are better judges, perhaps, than I am.

My officers, those who see me from hour to hour, day to day, can witness for me better than I can for myself.

If I can live from day to day a life of faith in the Son of God, a life of conscious healing, with a desire that each day shall be lived without sin, I get as near sanctification as I can. That is what you are to live.

Let God witness to your sanctification.

Remember that Jesus Christ said Himself that if He had witnessed to Himself, His witness would not be true.

The witness must be by God; by another.

You cannot witness for yourself in a Court. The witness must be given by another. Your own witness is not taken as testimony without corroboration.

The Judge says, "Have you any witnesses?" You call your witnesses to the witness-stand to give their testimony. If they are credible and good witnesses, their testimony stands for you.

Story of a False Witness.

There was a case some time ago where, in an attempted "blackmailing" case against me, a question as to my character was raised. At the end of the case our enemies suddenly impugned my reputation for veracity.

When they put in their testimony, it was manifestly false.

One man, a miserable "stickit" lawyer, as we call them in the old country, went on the stand to testify.

"What do you know about Dr. Dowie?" asked our attorney.

"Nobody would believe him on oath," he replied.

"Who says so?"

"Many of my clients who have been members of his Church."

"Give me the names of your clients,"

"I cannot remember them."

"Then you cannot remember the name of any person who said they wouldn't believe him on oath?"

"I can, just a few of them; I won't give the names up."

Another answer of the witness was as follows:

"I won't tell their names. I have got in this Zion Taber-

nacle up here, friends. I have got cases that will be developed in a little while, and I am not going to give them away."

He further testified: "I want to tell you something right now: that I can tell you a hundred different people, but I dare not for this reason: they told me not to, because Dowie, they said, would curse them and bring down the wrath of God, and for me not to mention their names."

The Court said, upon this point, that it seemed that his clients believed in Dr. Dowie's power with God, even if they did not believe in his veracity.

The witness testified that he was an attorney, and said something about clients, namely: "My clients have called my attention to this," and claimed the names were a privileged communication. The Court said that there was nothing in the record to support that view.

The case, however, was decided against Zion; but when it came up before the Appellate Court it was swept out, and Judge Francis Adams spoke as follows regarding the testimony of this false witness:

The testimony of the witness in question was very rambling and incoherent, but, on the hypothesis that the Court considered him mentally sane, it was the duty of the Court to fine and imprison him, until such time as he would yield obedience to the law.

You must get witnesses who are credible; then people will believe their testimony.

Whom shall we get to witness for us?

The Witness of Man is a Poor Thing.

Am I to rest upon any human witness? May God forbid.

O Father in the Heavens, let me rest upon Thyself, in Christ Thy Son, and let Thy Holy Spirit witness for John Alexander Dowie. (Amen.)

Let God witness.

Christ came up out of the water. A Voice spoke: "This is My Beloved Son in whom I am well pleased."

That was the witness of His Father.

When God witnesses for a man, there will be many also who will most surely witness for him. Then his fellowmen may witness.

When God witnesses for me, then you who have been blessed through my agency may witness. I thank God for your witness, but I would not rest in it.

Do you think I could stand before the Judgment Seat of God and say, "Oh God, you must take me into heaven because there are thousands of people down in Chicago who say I am a good man"? (Laughter.)

Will that get me into heaven?

Audience—"No."

General Overseer—Have I taught you that saying that you are sanctified will make you sanctified?

Audience—"No."

General Overseer—Have I taught you that saying that you are healed will make you healed?

Audience—"No."

General Overseer—Will saying that you are saved make you saved?

Audience—"No."

General Overseer—

Get Salvation and Everybody Will Know it.

Get Salvation, and your horse will soon know it.

Get Salvation, and your servants will know it.

Get Salvation, and it will be a joyful sound not only to you, but your life will be music in the ears of people.

May God give us Salvation. (Amen.)

May God give us Healing.

May God give us Holiness.

But let each be the real thing.

Running and throwing up your hymn book and saying, "I am sanctified, boots and all," does not sanctify you, does it?

Audience—"No."

General Overseer—Your own witness is a lie upon the face of it.

Christ said that if He witnessed of Himself, His witness would not be true.

I have never cared for the witness of man first. God knows, and my people know, that I have appealed to God all the way through; that God would justify me, and that God would justify Zion.

Has God not done it?

Audience—"Yes."

General Overseer—If Zion rests only upon my witness, it is a poor thing.

But there are the facts everywhere visible in Zion; and facts are splendid witnesses.

They say down there at the First Methodist Episcopal Church that holiness is not taught in this Church. That is a lie.

I Have Taught You Salvation and Healing and Holy Living Through Faith in Christ Alone.

I have taught that Gospel every day of my life since you knew me, have I not?

Audience—"Yes."

General Overseer—They tell a lie, and a wicked lie.

May God have mercy upon these Spurious Holiness teachers. I do not worry about them. They come. They go.

But there are some members of the Christian Catholic Church in Zion who have been going to their meetings. Only, however, a very few out of a constantly increasing fellowship.

I intend to say something effectually. If you do not cease going to these meetings, I desire you to cease your fellowship with us.

You have good work to do in Zion, have you not?

Voices—"Yes."

General Overseer—Had you better not attend to it?

Voices—"Yes."

General Overseer—These teachers of Spurious Holiness are the foes of Zion. Do you intend to stand by the foes of Zion?

Voices—"No."

General Overseer—Has God blessed you in Zion?

Audience—"Yes."

General Overseer—Then go and do your work.

Those Who Attend "Spurious Holiness" Meetings Must Leave Zion.

If I find you fooling around these places, and talking this stupid talk about your being wholly sanctified, and that kind of thing, I will call for your resignation very quickly.

When you go out for that cause, I will see that you stay out for ten years. There are some who went out years ago who cannot get back. It will take ten years to satisfy us that they are not liars. I will leave them to God Almighty. I will have nothing to do with them.

I once trusted them as Zion's representatives, and they lied, and they shall not get a chance again for a long time, even although we will forgive them when they repent.

The Lord Himself put the wicked servant into the outer darkness, where there was weeping and wailing and gnashing of teeth, did he not?

Voices—"Yes."

General Overseer—Who has prospered among those who have attacked Zion?

Voices—"No one."

General Overseer—These men at the First Methodist Episcopal Church, or their leaders, are the foes of Zion.

I can better afford to do without you if you go to them, than have you in Zion—a misery and an abomination.

And I say also to every member of the Christian Catholic Church in Zion throughout the world,

I Have a Right to Say With Whom I Shall Work.

I am fighting a big fight, and I want no one behind me who is likely to give me a stab in the back. I want loyal men and women in Zion. I have a right to them, have I not?

Voices—"Yes."

General Overseer—I will have them.

I can do without scores of you.

I can do without hundreds of you.

I can do without all of you, but I cannot do without God.

I should hate to do without all of you, but if I had to do it, I would stand just where I stood ten years ago in Chicago.

I did not have you then, did I?

Voices—"No."

General Overseer—You will take my instruction, will you not?

Audience—"Yes."

General Overseer—You will obey it?

Audience—"Yes."

General Overseer—If you do not, clear out of this Church quickly: for you will hinder the extension of the Kingdom of God. I am a plain-speaking man. I have no roundaboutness about me, and I have never concealed truth under a cloud of words.

I believe in God the Father Almighty, Maker of heaven and earth.

I believe in Jesus Christ His Son.

I believe in the Holy Spirit.

I believe these Three are One.

I believe in a Salvation which saves.

I believe in a Healing which heals.

I believe in a Cleansing which cleanses to the very uttermost.

God give it to us all. (Amen.)

The earth, as it now exists, will pass away by the Fire which shall "burn it up" and all its "works."

Seeing that these things are thus all to be dissolved, what manner of persons ought ye to be in all holy living and godliness, looking for and earnestly desiring the coming of the day of God, by reason of which the heavens being on fire shall be dissolved, and the elements shall melt with fervent heat? But, according to His promise, we look for new heavens and a new earth, wherein dwelleth righteousness.

You cannot be too holy for me. You cannot be too clean for me. But I say,

Do Not Vaunt Your Own Holiness.

Do not praise your own beauty. Let God do that. Let another do that.

All who desire to be whole in spirit, soul and body, to be clean, stand up and tell God that. (Apparently all arose.)

PRAYER OF CONSECRATION.

My God the Father, in Jesus' Name I come to Thee. Take me as I am. Make me what I ought to be, in spirit, in soul and in body. Give me power to do right, no matter what it costs; to confess to any whom I may have wronged; to restore to the uttermost farthing; to do right to all men and in Thy sight. Help me to trust in Jesus, the Lamb of God who taketh away the sin of the world. For His sake take away my sin, my disease, my impurity. Give me Thy Holy Spirit, that I may be made clean, and may trust in Thee, and walk humbly before Thee, and let Him witness to what I am. God forbid that I should witness for myself. Let my life witness. Let Thy Spirit witness for Jesus' sake that I am Thy child. In His Name. Amen. (All repeat the prayer, clause by clause, after the General Overseer.)

Did you mean it?

Audience—"Yes."

General Overseer—Will you live it?

Audience—"Yes."

The Recessional was then sung by Zion's White-robed Choir, as singers and officers retired.

The General Overseer then pronounced the

BENEDICTION.

Jehovah bless thee, and keep thee:
Jehovah make His face to shine upon thee, and be gracious unto thee:
Jehovah lift up His countenance upon thee, and give thee Peace.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who also will do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. Amen.

THE ORDINANCE OF BELIEVERS' BAPTISM BY TRIUNE IMMERSION.

After a brief intermission, Overseer William Hamner Piper took charge of the meeting, at which about a thousand remained.

After a brief but clear and convincing talk upon God's command to be baptized by Triune Immersion, the Overseer delivered the solemn charge to twenty-nine candidates.

These were baptized according to Christ's command, "Into the Name of the Father, and of the Son, and of the Holy Ghost."

CHICAGO.

WEDNESDAY evening, March 13, 1901, closed the fourth year since the opening of the baptistry in Central Zion Tabernacle.

During those four years 6539 believers have obeyed God and been baptized by Triune Immersion in that baptistry. Of these, 4447 were baptized by the General Overseer himself and 2092 by Elders, Evangelists and Deacons of the Christian Catholic Church in Zion.

During this same time over 3073 have been baptized by Triune Immersion in places outside Chicago. Of these, 504 were baptized by the General Overseer, and over 2569 by Elders, Evangelists and Deacons. All reports for the last few days of the four years have not yet been received at Headquarters, hence the grand total cannot be definitely determined. However, from the reports now in hand, we find that 9612 have been baptized in Central Zion Tabernacle, the United States, Canada, England, Ireland, Switzerland, New Zealand, Australia, China and Japan during these four years

The last Baptism of the four years in Central Zion Tabernacle was administered on Wednesday evening, March 13, 1901, by the General Overseer.

The meeting was one in which many received great spiritual blessing, not only among the candidates, but among the many who gathered to witness the Ordinance.

Forty-three candidates made public profession of their Repentance, Faith and determination to be obedient to God. Upon that profession and a signification of their desire to be baptized, the General Overseer baptized them, according to the command of the Lord, "into the Name of the Father and of the Son and of the Holy Ghost," by a Triune Immersion.

THE TUESDAY AFTERNOON Divine Healing Meetings in Central Zion Tabernacle are occasions of great spiritual and physical blessing.

The General Overseer has resumed the teaching at these meetings since his return from Europe, and frequently prays with the sick.

The General Overseer's Gift of Teaching is one of the most valuable with which God has equipped him for the great work which He has sent him to do.

Through his patient, loving exercise of that Gift, thousands and tens of thousands have been led to Repentance, Faith and Obedience, and have received the priceless blessings of Salvation, Healing and Cleansing.

It was very largely through the General Overseer, under God, that the great truth of Divine Healing as a part of the Everlasting Gospel was brought out from the mass of false teaching and faithlessness under which an apostate Church had buried it.

Since God called him to revive the truth of Divine Healing, his teaching upon that subject has been and is blessed by God in a marvelous way.

Hundreds attend these Tuesday afternoon Divine Healing Meetings.

They eagerly drink in the blessed truth.

They learn the conditions upon which God heals His children.

They learn how to fulfil these conditions.

They look to God in faith when hands are laid upon them, according to God's command, and they are healed.

Since Zion Home will soon become Zion Office Building, the principal Divine Healing Meeting of the week is and will be this gathering on Tuesday afternoons at Central Zion Tabernacle.

Harvey, Illinois.

Rev. W. O. Dinius, Elder-in-Charge.

On Lord's Day morning, March 10, 1901, the General Overseer conducted a meeting in the Land Association Building Hall at Harvey, Illinois.

All through the night and nearly all that day a severe storm raged.

The telegraph, telephone and trolley wires and poles were blown down in every direction.

This very seriously impeded the traffic on the electric roads, but the Illinois Central Railway Company ran a train to Harvey at 9:15 o'clock in the morning.

In a special car on this train, the General Overseer, a number of the Zion Guard and Zion's White-robed Choir were taken to their destination.

During the journey the happy Zion company joined in songs of praise and worship, which were listened to with evident interest and pleasure by others in the car.

Before the train reached Harvey, a gentleman who had been very attentive arose and approaching one of the members of Zion Choir, handed him $5, saying, "Here is $5 for your work. One can tell from the very atmosphere here that your work is genuine and that Dr. Dowie is a man of God."

At Harvey, the General Overseer found the large hall crowded, although he arrived half an hour before the time announced for the meeting, and in spite of the storm which was then raging.

This large audience listened with great interest while the General Overseer spoke, in the power of the Spirit, upon the Kingdom of God. The discourse was bold in denunciation of State, ecclesiastical and individual follies and sins, and very effectual.

HEALED AFTER TWENTY YEARS' SUFFERING.

WINTERSET, IOWA, January 21, 1901.

REV. J. G. SPEICHER.

Dear Overseer:—I can say that I know God does hear and answer prayer for healing.

I was healed of indigestion and constipation last August, in answer to Overseer Piper's prayer.

I had been troubled with it for over twenty years, and the last few years had taken medicine nearly every day.

Since August I have committed myself entirely into His keeping and have not been sick, not even a minute.

I am trusti g God to keep me from other sickness, for He has promised to protect us if we obey.

I have not eaten any swine's flesh since joining the Christian Catholic Church last May; neither have I taken any medicine since August.

We cannot count our blessings, so we must praise God for everything.

ZION IN THE ORIENT.

By Rev. G. L. Mason, B. A., B. D.,
Overseer of the Christian Catholic Church in China.

THE SECRET LODGE THE ALLY OF HEATHENISM.

IN "Plato's Republic," Book II, one of the characters tells how, in order to win in life, one must draw around himself a semblance of virtue to serve as a frontage and exterior, but behind it must be the fox with its cunning: "It is not an easy matter to conceal one's wickedness; . . . to assist in keeping up the deception, we will form *secret societies and clubs.*" Compare Isaiah 28:14-18.

HINDOOISM AND MOHAMMEDANISM in India find their main support in the British Government, which endows the native temples for idolatry. Who fill the offices in the East Indian British Government? Chiefly Freemasons. Mah-hah-bone is everywhere the friend of idolatry and the enemy of God. India needs Zion (Psalm 94:20).

MAH-HAH-BONE IN INDIA.—Rev. W. J. Gladwin, for twenty-five years a Methodist missionary, writes of the effect of Western Secret Societies on the natives in India:

They have just enough of theism and whitewash of morality to administer an effective opiate to an awakened conscience. Men whose eyes have been opened by Western education to see the absurdity of much of their mythology, at once find in these secret orders that which takes the very cream of their old religion (a compound of mysticism and morality), puts away the excrescences of more vulgar idolatry, takes in their place a high-sounding ritual and gaudy paraphernalia of uniform, and so the awakened minds of thousands of educated natives in foreign fields are lulled to sleep again by this secrecy poison, administered by the hand of a professed Christian (Jeremiah 6:13-15).

MISSIONARY IDOLATERS.—Albert G. Mackey, a very high Masonic authority, shows that Masonry is "pure theism," the worship of a god or any god, in which Buddhist, Brahmin, Mohammedan and Christian may unite! In plain English, it is nature worship, or idolatry. Missionaries who were lodge idolaters in America will readily connive at idolatry in China, or teach a mongrel religion and call it Christianity.

THE MISSIONARY SOCIETIES of women in the churches find it hard to keep even a few of the sisters interested in missions, now that Baal has cast his spell over the Church women, and they flock in crowds to the "Rebecca" lodge, the "I. C.," the "P. E. O.," the "Rathbones," the "Eastern Star," and the "hives" of the Maccabees (Ezekiel 8:7-18).

THE MACCABEES, an order to which many church-members belong, haze their candidates in heathenish ways, such as running a handicap hurdle race blindfolded, frightening with india-rubber serpents, pushing off of platforms, etc. Lenna R. Winslow, of Kansas City, Missouri, was pushed off thus and seriously injured. He sued the Supreme Tent for $25,000.

A dispatch from Jamestown, New York, last year says:

Roy Terry lies in the City Hospital in a precarious condition, the result of being initiated into Jamestown Tent No. 9, Knights of the Maccabees. Owing to the secrecy of lodge initiations, it is difficult to describe the details.

It appears that among the "extras" given to candidates in this and other lodges is that of swinging him in midair. After pinioning his arms to the sides and blindfolding him, a heavy belt is strapped around him, in which a ring is attached at the back. Into this ring a hook is placed, and tackle attached to the ceiling of the lodge room suddenly jerks the candidate into space. He is whirled rapidly around for the amusement of the spectators. In this case the hook in the ceiling gave way, and Mr. Terry fell from near the ceiling to the floor (Proverbs 26:18, 19).

EDMOND RONAYNE, the ex-Mason, says:

Tubal-Cain, the earliest named Patron Saint of Masonry, whose name is their password in the third degree, was a descendant from the first murderer, Cain, and a son of the first bigamist, Lamech. Cain was an outcast from among the children of God, and with his posterity went into gross wickedness and idolatry (see Genesis 4:9-24; 6:1-7).

Of the Masonic Order, it must be said:

Woe unto them, for they have gone the way of Cain.—Jude 11.

"DAUGHTERS OF ISIS" is the name of a society of women under the jurisdiction of the "Mecca Court" of the Masonic-Mohammedan Mystic Shrine order.

The women have chosen as their mother god and patroness, Isis, the Egyptian goddess of procreation. She was worshiped in the image of a naked, sensual-faced woman, with the horns of a cow. Her nude statue is in the Berlin Museum (see the picture in Seyffert's "Dictionary of Classical Antiquities"). To adore her is to glorify incest, for Isis was the wife of Osiris, her own brother. With what eagerness apostate church-members rake the cesspool of ancient idolatry to find their ideals! (Romans 1:22-25.)

IN CORNELL UNIVERSITY the Kappa Alpha fraternity recently, as a part of initiation, compelled young Berkely to swim unattended in unknown waters. He was drowned. This is the same heathen society which, years ago, hazed Mortimer Leggett till he fell over a precipice and was killed (Proverbs 2:11-15).

OHIO WESLEYAN UNIVERSITY.—The Cincinnati *Commercial-Gazette* (April 20 and 21, 1893) contained full accounts of the heathenism in initiating students in the Methodist College at Delaware. Five young men were stripped naked and cruelly beaten with ropes till they bled profusely. With red-hot shovels their backs and legs were burned to blisters. Their faces and foreheads were painted with nitrate of silver, branding them for life.

About forty young women, students in the same University, seized several of their schoolmates at night and also used nitrate of silver to paint pictures on the victims' arms and breasts, causing terrible agony.

These and many other heathenish works of darkness are described in the book, "College Secret Societies." (Chicago, 1894.) (Matthew 7:16, 17.)

President Bashford helps to educate his students in heathenism every time he engages in a Masonic initiation hazing and repeats the cutthroat, bloodthirsty oaths of Mah-hah-bone.

Our reason for mentioning these hellish scenes in LEAVES OF HEALING is this: Christian parents must be warned to keep their children away from colleges which tolerate Secret Societies (1 Corinthians 15:33).

THE LODGE VAMPIRE has sucked dry and dead most of the American churches.

The timid silence of the colleges and theological schools regarding Baal-worship tends to produce a flabby, ease-loving, man-fearing type of preachers.

Students who fear to take a stand against Baal-worship in America are unfit to grapple with Buddhist worship in Asia.

The secret lodge is everywhere an ally of heathenism (Luke 12:2-4).

CHEERING WORDS FROM ZION'S GUESTS

NOTES FROM ZION HOME

THE regular Praise and Testimony Meeting held in Zion Home, Saturday evening, March 9, 1901, was conducted by Overseer Mason.

After the usual opening exercises, the States represented were enumerated and found to be ten in number, as follows:

Illinois, Indiana, Iowa, Michigan, Minnesota, Missouri, New York, North Dakota, Texas and Wisconsin.

The following foreign countries were represented:

Canada, England, Ireland and Japan.

The meeting was then thrown open for testimony.

DEACON JOHN H. SAYRS, M. D., Zion Home, said: "I wish to testify to blessing received by our dear little baby, for which we are especially thankful. A few days ago while sitting on the floor and tossing herself back on a pillow, laughing, she suddenly began to scream. Upon examination I found that the left arm had been thrown out of place. I thank God that from the very first prayer offered, all the pain was taken away. About 10 o'clock today she put out her hand in answer to prayer, and is now well."

MRS. CHARLOTTE J. DEMOURE, Piper City, Illinois, said: "I give God the glory for what He has done for me. He healed me over five years ago of many diseases. Whenever I have been in need of help, He has answered my prayer. About six weeks ago I was delivered from a very severe pain in my throat. I was healed of cancer, tumor, rupture, heart trouble, and all kinds of diseases."

ANDREW INNES, Tipton, Iowa, said: "I feel it my duty to give testimony for deliverance from the use of tobacco. A short time ago I testified that I was being delivered. Now I can say I am thoroughly delivered and I have no desire for it at all. I have joined the Christian Catholic Church in Zion. I praise God that I am with a people who are not afraid to stand up for the doctrines taught in the Bible."

REV. W. C. CHRISTIE, Binghamton, New York, said: "I thank God for the pleasure of being present with you, also for LEAVES OF HEALING and all Zion Literature. If it were not for LEAVES OF HEALING I would not be present with you. I praise God for liberty and freedom that has come to me, which I have never felt before in all my experience. The Lord has wonderfully blessed me."

MISS ADA KIBBEY, Zion Home, said: "Three years ago I could not see out of one of my eyes. I thank God for healing me."

JAMES ANDERSON, Des Moines, Iowa, said: "God healed my feet of a very sore and painful disease. It was caused by getting them very cold about forty years ago. They had troubled me every winter season since that time up to two years ago. The Lord instantly healed me and took all the pain and soreness away, and they are well now. I praise God for that wonderful blessing. The Lord has also healed me of the grip this winter. I praise God for Zion and for this teaching of the Full Gospel. It has done so much for me. I praise His Name."

MRS. ANN STEVENSON, Zion Home, said: "I praise the Lord for what He has done for me. I praise the Lord that I know He is my Keeper. I can say that He healeth me of all my diseases. He delivers us from all our ailments if we only trust in Him. I have trusted Him now for twelve years without medicine. I went to the Lord and told Him all about it, and He delivered me. I praise Him tonight that I know Him not only as my Saviour, but as my Healer and my Keeper. I thank God that I am in Zion."

C. L. AYRES, Muncie, Indiana, said: "I thank God for the blessings He has given me this week, spiritually and financially. I have received a wonderful blessing."

MRS. ADA KESLER, Elkhart, Indiana, said: "I thank God tonight that I am in Zion. I love LEAVES OF HEALING. I thank God for it. Since reading it we have had no more use for medicine. We have four little ones at home who have been healed of many things. I thank God tonight for the joy which has come to me. I give Him all the glory."

NORTON T. KESLER, Elkhart, Indiana, said: "I was under the doctor's care for two and a half years. Through the reading of LEAVES OF HEALING I was led to give up medicine, and God has restored me to health and strength. We have received much physical, spiritual and financial blessing."

DEACONESS CORKEY, Zion Home, said: "I praise God for LEAVES OF HEALING. It was brought by a kind-hearted student to my son when he was sick. We read it, and I saw that it was from God. We then sent a request for prayer to the General Overseer. My son has since come to Chicago. I have been here three months. I have great pleasure in helping in the distribution of LEAVES OF HEALING. It has been such a comfort to me and has spread the light of the Full Gospel as no person could do. No Elder could have gotten into the North of Ireland as has LEAVES OF HEALING."

ELDER NANCY H. PRICE-TINDALL, 1306 Michigan Avenue, Chicago, Illinois, said: "I praise God for His goodness to me. I have not had many healings, because I have not been sick. Whenever any of our family is sick, we go to God in prayer. I thank God for the Christian Catholic Church in Zion. I have known of this work for eleven years. I first heard of Dr. Dowie in 1890. We kept in close touch with him and the work, and have read all his literature. I thank God for the expansion of this work, for what it is doing and for its great success.

"Lately at Zion College Home, some have been sick with grip and with colds. God has healed them all, for which we are thankful. Every day I hear of something that is being done through this work. I praise God that I have lived to see this day."

DEACONESS ELLEN BURKLUND, Zion Home, said: "It is now two years since I first received a copy of LEAVES OF HEALING. I have been in Zion Home for nearly one year. I praise God for the blessings I have received in Zion, and for the many blessings I received through LEAVES OF HEALING before I came to Zion. I remember when I was among heathen people and LEAVES OF HEALING was sent to me, how very restful it was to me. I read the papers over many times. The first page I looked for was 'Cheering Words From Zion's Guests.'

"If God wants me to go back to Japan, I am quite willing to go. Pray for Japan and China. I have very interesting letters from natives in Japan. They are praying every day for some one to come and preach to them this blessed Gospel."

ELDER JOHN ALEX. INOUYE, Zion Home, said: "You will all be glad to know how the work of Zion is going on both in

this city and in Japan. We have a gathering of Japanese every Sunday evening on the West Side, where many Japanese live. They are studying the Bible and learning the teaching of Zion. They are getting on nicely and soon God will open their eyes. Some of them have made up their minds to abstain from all unclean flesh. They are very honest in their desire to know the truth. May God open their eyes that they may see Jesus as their Saviour.

"A few days ago I received a letter from Japan, from a Japanese who has an independent church. He is very much interested in Zion teaching since we have been sending him LEAVES OF HEALING. Zion people in Japan are doing Seventy work, going from house to house. I also received a letter from my native town. By the Grace of God, my family are all well. They have no Zion officers there, but God is keeping them. May God bless my native country, Japan."

MISS MAMIE EMERSON, Zion Home, said: "I would like to tell of a few of the many blessings I have received since I have been in Zion. I have been healed of catarrh, also of grip. Last night I was taken very sick. Within a few hours I was entirely healed. I have also received great spiritual blessing, for which I am very thankful."

FREDERICK W. TEBBE, Zion Home, said: "I thank God for His keeping power. It is a year and seven months since I came into this room bound up by the Devil, suffering from rheumatism. I was given up by the doctors. They said there was no possible help for me and they did everything they could.

"When I came into this room I had just been converted. God saved me. I was a cigarette fiend. I used to smoke on an average of from thirty to forty cigarettes a day, and I have seen the time when I was drunk twice in one day. I was a drunkard and used to gamble. God has wonderfully brought me out of all this. I have perfect health. I received a perfect healing. My right limb was withering away from sciatic rheumatism. God has restored it to its natural size. I give God all the praise and glory."

ELDER INOUYE said: "I had a severe cold yesterday. It seemed as if I would be very sick, but God raised me up. I am well now, thank God."

The meeting was then closed by the

BENEDICTION.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who also will do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. Amen.

THE WINDOWS OF HEAVEN OPENED.

Healing Comes Instantly When God Receives His Tithe.

SAWYER, WISCONSIN, February 6, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Overseer:—I had been working at some rather hard work and had in some way strained the cords of my neck, and consequently had to lay off.

I asked God to heal me, but got no answer.

Then I began to search myself to find where the trouble was.

I soon found out the trouble.

I was far behind with my tithes.

I promised God that the next work I got I would first pay my tithes.

Then I asked Him again to heal my neck.

Immediately the answer came and I was able to move my head around any way and get around as well as ever.

Praying God's blessing upon Zion everywhere, I remain

Your Brother in Christ, JOHN A. MAGNUSSON.

Spiritual and Temporal Blessings in Tithing.

HAVRE, MONTANA, January 30, 1901.

REV. W. HAMNER PIPER:

Dear Overseer:—I was convinced that it was right for Christians to pay their tithes long before I heard of Zion, but I gave them out to suit myself, here and there and everywhere, and sometimes did not give them at all.

I am so glad that I know now that I should give them regularly and into Zion Storehouse.

I know that I have received greater spiritual and temporal blessings in giving that way.

I thank God for teachings from Zion. I heartily endorse tithing as the Scriptural way of giving.

God bless Zion.

Your Sister in Christ, (MRS.) CHARLES BRASLY.

Income Almost Doubled Since Tithing is Begun.

325 BAUM STREET,
CINCINNATI, OHIO, January 12, 1901.

DEAR OVERSEER PIPER:—My wife and I desire to praise God for blessings received since tithing.

At the time I commenced to pay tithes I earned $—— per day, and now I receive nearly twice that amount.

He blesses our family in many ways.

I praise God for the plain teaching in Zion, which brought me out of a sinful life through the merits of our Lord and Saviour.

May God forever bless you and yours.

Your Brother in Christ, ALFRED E. HALL.

God's Promises Fulfilled in Many Unexpected Ways.

BLUFF POINT, NEW YORK, January 31, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Overseer:—I have enjoyed the testimonies on tithing.

I have been paying tithes for thirteen and one-half years.

At first it was a source of wonder to me, the varied, unexpected ways in which God made good His promises to me. During all these years it has been a true source of blessing.

I thank God that His Guidebook is so complete in all matters.

I thank Him that He is searching out such a strong band of titbe-payers. God bless you. (MRS.) J. D. CALHOUN.

Money Comes in From Unexpected Sources.

WINNEBAGO, ILLINOIS, February 11, 1901.

REV. W. H. PIPER.

Dear Overseer:—The Lord has greatly blessed us since we began paying tithes into Zion's Storehouse.

We have had money come to us we never expected to get.

In answer to prayer, God has blessed us in sending an Elder to us to teach us for a little while. May God send one here to stay.

May God bless Zion and all of its faithful officers.

Your Brother and Sister in Christ,

MR. AND MRS. AMOS MILLER.

Glad to Have Found the Right Place in Which to Pay Tithes.

PETOSKY, MICHIGAN, February 4, 1901.

DEAR OVERSEER PIPER:—We can truthfully say that God has greatly blessed us as a family, body, soul and spirit, since we have paid our tithes into Zion's Storehouse.

I am glad we have found the right place for our tithes.

We thank God every day for His Messenger of the Covenant and pray that Zion may still continue to Go Forward over the whole world.

God bless the General Overseer and all of his dear followers and workers.

Your Brother and Sister in the Lord,

EZRA AND MARY E. SCHLAPPI.

Blessing and Satisfaction in Paying Tithes.

LA JUNTA, COLORADO, January 27, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Overseer:—The blessings received from the paying of tithes are many.

We have been able to get nearly out of debt; also we have the satisfaction of knowing that we are obeying God, which makes it a blessing to send our tithes and offerings into the Storehouse to be used for the glory of God.

I praise God for our dear General Overseer and for Zion.

Yours in Christ, C. I. MUDGETT.

NOTES OF THANKSGIVING TO ZION'S GOD.

By DEACON O. L SPRECHER, Private Secretary to the General Overseer.

He shall call upon Me and I will answer him;
I will be with him in trouble:
I will deliver him and honor him.—Psalm 91:15.

ZION'S GOD EVER ANSWERS.

It has been very pleasant to feel at all times, when enemies have been endeavoring to overthrow Zion, that whatever they might be permitted to accomplish, it was impossible for them to ever hinder God from answering prayer in Zion.

In the midst of all the conflict, the General Overseer and officers and members of the Church have been offering prayers which have been answered in a very remarkable way.

It is our privilege, this week, to record a few testimonies to the glory of God.

We give first a few extracts from a letter written by one who had been a Roman Catholic, and inasmuch as Rome evidently has had something to do with the last persecution, these few lines will undoubtedly be of interest.

Brought Out of the Roman Catholic Church Into Zion.

655 School Street,
Chicago, Illinois, February 6, 1901.

Dear General Overseer:—We are all so glad you are at home again, safe and well.

Our prayers followed you day and night, and we never doubted for a moment that you would come back to us safe.

We knew that God would take care of you through all the battle.

I do not think there is an hour in the day when I do not think of you and your labors.

I have good reason to thank God I ever heard you, as your words brought me to Christ.

Seven years ago you dug me up out of the dark Roman Catholic Church.

The first sermon I ever heard you preach went right to my heart.

I lost no time in getting a Bible. I thank God He helped me to read and get interested. How glad I was to read and read!

I was a spiritual and physical wreck. Now I am happy, and kept day by day by the power of God.

My family all join in Christian love.

Ever faithfully yours, (Mrs.) Anna Walters.

Injured Eye Instantly Healed When Prayed For.

On February 9th we received the following letter:

Linn Grove, Indiana, February 9, 1901.

Rev. John Alex. Dowie.

Dear General Overseer:—It is with great joy that I write this testimony, praising God and thanking you for the many rich blessings which I have received from God and through the teaching of Zion.

When I came to Zion I had many doubts and fears, yet I got to see that they were of the Devil.

I asked God to take them away, but could not get complete victory.

I wrote to Elder Basinger, of Bluffton, Ohio, to pray for me. The prayer was answered.

Soon the doubt and fear left me, and God strengthened and encouraged me most wonderfully.

The last year, 1900, has been of great blessing to me.

I had many fights with the Devil, but thanks be to God, who gave me the victory.

I also thank God for victory in this new year.

I was twice instantly healed of very bad colds.

Yesterday morning I was fixing the fire in the coal stove when a hot coal flew into my eye. It pained very much.

I prayed, and it got better.

I wanted to read Leaves of Healing, as it was Sunday, but I could not read long.

My eye was weak and running with water all the time. It pained a great deal yet, so I had to stop reading.

All at once the thought came to me that I should write a testimony.

I said, "I will."

Like a flash the pain went out of my eye, and it was as strong and good as ever before.

I began to read again and it has stayed all right ever since, praise God.

Your Sister in Christ, (Miss) Sarah Angsburger.

God Gives Sight to the Blind.

Still further beautiful testimony of God's willingness to heal is set forth in the following letter, telling of how God healed one who was blind for a time:

Minot, North Dakota, Jannary 15, 1901.

I was papering my ceiling when a pine splinter fell into my eyes and made me blind.

I could not see anything for five weeks.

I went to Minnesota, a distance of some 200 miles, to an oculist.

He examined my eyes and said I would not be able to see in six months, and perhaps not at all.

I came home and had the doctor there examine me. He said I might pay out $1,500 and then might be only patched up.

It was not very encouraging.

I told my people that no one but the good Lord could help me.

I wrote to the General Overseer in Chicago, and he set a time for prayer.

When I received the letter I had just come from the doctor, who said I would have to remain in a dark room five weeks more.

The Spirit of God came with the General Overseer's letter.

At the time appointed for prayer, I went into my room and asked God to have mercy on me, and open my eyes.

In five minutes I could see, and have been able to see ever since.

The house could not hold me. I ran out to my neighbors. The sun was shining brightly. I did my washing the next day.

Praise the Lord for His goodness.

Your Sister, Hattie Sabins.

Children Healed of Many Ailments.

The following letter was received on February 1st:

Plain City, Ohio, January 30, 1901.

Rev. John Alex. Dowie.

Dear General Overseer:—I write, testifying to the power of God in delivering me from the ills caused by the Devil.

These healings run from 1898 up to the present time. We have not had a doctor since 1898.

My son, three years old, got a bottle of poison and drank, we do not know how much; but he was delivered by the power of God, praise His Holy Name.

My children, four in number, were healed of measles. In a short time afterwards they took the mumps and were healed. Next they had cholera-morbus, and then were healed of sick headache.

Last week they were healed of bad sore throat. There were white blisters on their tonsils, and their tongues had a yellow coat.

They were all healed by the Spirit's healing power.

Thanks be to God for sending Dr. Dowie to open up the way. I give God all the glory.

Your Brother in Christ, Sanford Frazell.

God's Power Heals a Diseased Breast.

We received the following letter on February 25th:

Dale, North Dakota, February 20, 1901.

Rev. John Alex Dowie.

Dear General Overseer:—I feel it my duty to testify to what God in His loving kindness has done for me.

On the 17th of November last God gave us a dear baby boy.

On the 25th of November I caught cold and it settled in my right breast.

It gathered, and on the 7th of December it broke.

I kept a poultice on it all the time, but it did little or no good, and I suffered much pain.

It discharged for some time, and I saw it would break again.

Meanwhile we were reading Leaves of Healing.

On the morning of December 25th I was taken with a very severe pain in my right side.

Not seeming to realize that God could stop the pain, we tried to stop it by using hot cloths.

I soon felt some better, but the pain did not leave.

Digitized by Google
Original from NEW YORK PUBLIC LIBRARY

I could not take a long breath, and could hardly lie down or rise up.

On December 27th it came on again (about 4 o'clock in the morning) as bad as ever. We again tried the hot cloths, but to little avail.

After breakfast I said to my husband, "Let us go to God in prayer, and I believe He will help me."

We then prayed, and during prayer I got relief and in accordance with my faith the pain gradually disappeared. Thank God, I have never felt it since.

This experience increased our faith, and we determined to trust God to heal my breast.

My breast again broke and discharged considerably, but through prayer the pain and soreness were taken away, and, praise His Holy Name, it is now all healed nicely.

My breast was dry for about six weeks.

My husband said he believed God would cause the milk to return again.

We prayed for this, and that very day the milk came into it again

Since that time we have laid all medicines and drugs aside and trusted God as our Healer.

He has wonderfully helped and cared for all of us.

We are very thankful to God for the teachings of Zion, and for His healing power.

May God bless and prosper you and Zion everywhere.

Your Sister in Christ, (MRS.) ANGIE B. RYCKMAN

Boy Healed of Rupture.

We received the following letter January 29th:

WEST LIBERTY, IOWA.

DEAR GENERAL OVERSEER:—It is with grateful heart that I write and tell you of the healing of the rupture of our little boy.

I believe it was in August that I first noticed that he had been badly ruptured.

I went to a doctor and he said he would have to wear a truss.

I thought that would not be taking medicine, so I let him wear it.

But oh how my heart used to ache for him when I used to see how it irritated and bruised him.

He used to cry for me to take it off, but I was afraid to.

In the meantime I sent in request to Zion for prayer to God that He would heal him.

I firmly believed that God was both willing and able to heal him, as I myself had been healed of a bad rupture and chronic constipation, and other ailments through your prayers.

But our boy got no better.

I prayed that I might see what was in the way of his healing, for I felt that it must be in me.

I then got a letter from the Overseer telling me to leave off all human aid.

I then took the truss off without any fear, resolved to trust God.

He was healed.

A month later he fell from his high chair, and the rupture reappeared.

I sent to Zion for prayer, and I praise the Lord today that he is well and has kept well for nearly four months.

I thank God for His power to keep us, if we only trust Him.

Through reading your wonderful teaching in LEAVES OF HEALING, my husband gave up the filthy habit of chewing. He had chewed tobacco since he was eleven years old.

I am thankful to God for answer to prayer, and to the General Overseer and to all Zion for their prayers.

May God bless the General Overseer and all Zion everywhere.

Pray for me, that I may continue faithful until Christ comes.

Your Sister in Christ, (MRS.) S. SCHWERTZBERGER.

Saved From Sin. Blessed in Refusal to be Vaccinated.

On February 25th we received the following letter:

1247 SEMINARY PLACE, CHICAGO, ILLINOIS.

DEAR DR. DOWIE:—I have long wanted to tell you of God's goodness to me.

I am thankful for His wonderful love and goodness to me this past year.

I have been rescued from a life of sin and hypocrisy through your teaching and his saving power.

Now, thank God, I am living a pure life as near as I know how.

I have been blessed in every way, for all through this winter I have not lost a single day's work through sickness or any other cause.

Within the past year I have been enabled to take out stock in Zion Lace Industries and start a bank account.

I have also to thank Him for carrying me through this vaccination scare safely.

There were five of us in the house where I work who were members of the Christian Catholic Church in Zion. Not one of us would be vaccinated, and when the time came, not a word from any official was said to us.

Another who attended Zion and paid his tithes, but was not a member, was threatened with dismissal. He still refused to be vaccinated, and today he is a member of Zion, and still retains his position.

It may interest you to know that last Tuesday I had the honor of selling the first bill of dry goods to Zion City General Stores, of which I am quite proud. Pray for me, that I may be faithful.

Yours in Christ, FRANK E. LEE.

Healed Quickly in Answer to Prayer, After Fifteen Years' Sickness.

On February 12th we received the following:

614 WEST SIXTIETH STREET, CHICAGO, ILLINOIS.

DEAR GENERAL OVERSEER:—For some time I have felt it to be my duty to let you know more about my healing, and how I have been kept without a day's sickness for seven years this spring, after fifteen years of spasms, heart trouble and female trouble.

I had six doctors on the South Side, and not one of them said they could heal me.

The one who treated me most, told me that he would be honest with me and tell me that there was no hope for me; that I might live a few years, but I was liable to die at any moment.

He is dead, but I am still here.

I feel at least twenty years younger and I never felt stronger.

I am out four evenings every week to Zion Cottage Meetings. I lead one. I have also done my Zion Seventy work faithfully for over two years.

I do thank God for sending you here to teach us how to live, and to do something for our Heavenly Father.

When I was in the Baptist Church, I was self-satisfied and did nothing.

I believe I received my healing the first time you prayed with me, and also my Salvation.

I have been blessed in spirit, soul and body.

I pray that my healing may bless some one else.

Your Sister in Christ, (MRS.) M. A. ISABELL.

Prayer to God Avails When Physicians Had Failed.

On Februarv 11th we received the following letter:

308 SCHUYLKILL AVENUE,
POTTSVILLE, PENNSYLVANIA, February 9, 1901.

DEAR DR. DOWIE:—With heart full of thanks to my God and Father, I write my testimony, believing that it may go forth for the glory of God.

My heart is so full of praise and thanks, that I have no expression in words.

Before I wrote to you I was a very sick woman, and had been treated by doctors for seven months.

I was nothing bettered.

The doctor said there was no help but to go to the hospital.

I said No.

In the meantime I said I would write to you to pray for my healing.

I am thankful to say that God has answered your prayers.

The pain in my side all left me and my headache is all gone. I am well.

I feel better than I have for some years.

I can do a hard day's work.

Mother thanks you for praying for her for deafness.

She heard the Court House clock strike last week for the first time in years. KATIE A. SCHUM.

Speedy Healing of Inflammation of the Bowels.

On February 18th we received the following letter:

CRYSTAL, NORTH DAKOTA, February 16, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—About January 23d my husband took sick with a pain in his stomach and bowels, which, I have understood since, acted like inflammation of the bowels.

We held close to the Word of God, and prayed the prayer of faith.

We sent a request to you, and in a few hours he was up and ate his supper.

We give the glory all to God and thank you for your prayers.

Your Sister in Christ, (MRS.) A. ROBERTSON.

Healed of Cough in Answer to Mrs. Dowie's Prayer.

We received the following letter:

February 9, 1901.

DEAR GENERAL OVERSEER:—I have felt as though it was my duty for some time to write you and let you know that I was perfectly healed of the cough for which I requested prayer one year ago.

At the time Mrs. Dowie prayed for me, the cough left me.

Oh how we do thank you for this blessed teaching. It has brought us so much nearer to God; nearer to the realization that we are sinners and Christ died for us.

CHRISTIAN CATHOLIC CHURCH IN ZION.

TO ALL WHO ARE DESIROUS OF ENTERING INTO FELLOWSHIP WITH THE CHRISTIAN CATHOLIC CHURCH IN ZION.

MY DEAR BROTHERS AND SISTERS:—The principles of the Christian Catholic Church in Zion have been fully set forth in the Reports of Two Conferences on Organization, held in Zion Tabernacle No. 2, which are fully reported in LEAVES OF HEALING for January 31 and February 7, 1896. The Basis of Fellowship is set forth in the second section of the Resolution passed on February 5th (see LEAVES OF HEALING, Volume II, Number 17, page 267):

FIRST—That we recognize the infallible inspiration and sufficiency of the Holy Scriptures as the rule of faith and practice.

SECOND—That no persons can be members of the Church who have not repented of their sins and have not trusted in Christ for Salvation.

THIRD—That such persons must also be able to make a good profession, and declare that they know, in their own hearts, that they have truly repented, and are truly trusting Christ, and have the witness, in a measure, of the Holy Spirit.

FOURTH—That all other questions of every kind shall be held to be matters of opinion and not matters that are essential to church unity.

All who are conscious of fulfilling these conditions, no matter where they may reside, are invited to fill up the following blank and answer the questions contained therein.

I am, faithfully yours in Jesus,

John Alex. Dowie

General Overseer of the Christian Catholic Church in Zion.

THE WINDOWS OF HEAVEN OPENED.

WILL a man rob God? yet ye rob Me. But ye say, Wherein have we robbed Thee? In tithes and offerings. Ye are cursed with the curse; for ye rob Me, even this whole nation. Bring ye the Whole Tithe into the Storehouse, that there may be meat in Mine house, and prove Me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it. And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the Lord of hosts. And all nations shall call you happy: for ye shall be a delightsome land, saith the Lord of hosts.

—Malachi 3:8-12.

Employment Comes Immediately Upon Paying God His Tithe.

WINNECONNE, WISCONSIN, February 4, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Overseer:—By request I send the following account of how God has blessed a member of Zion in Omro when tithes were paid.

Last fall, when the brother received his pay for the season's work, he did not send in all the tithe, thinking he might not have work during the winter, and he would keep back a part of the tithe so he could give something each month.

Soon after he had an offer of work, at good wages, but on investigation he found it to be the Devil's work (making gambling boards), and he refused to do it.

Being without work, the time came when the only money left for his family's support was God's tithe.

He had felt condemned for keeping this money, and after earnest prayer he resolved to "get right with God at any cost."

He sent in his last dollar—God's Tithe.

Then he told his family, asking his little son to "Pray to God to send papa work."

Early next day the child met a man who said, "Tell your papa I have work for him."

The brother has had work every day since, and although the weather has been severe, he has had health given him to work. For all of which he gives praise to God.

Yours in Jesus' Name. IDA E. LOCKE.

Not Room Enough to Receive Blessings.

682 PARK AVENUE,
CHICAGO, ILLINOIS, February 12, 1901.

DEAR OVERSEER PIPER:—We praise God we can say we have obeyed God in paying our tithes ever since we came into Zion.

The "Windows of Heaven" have been opened and showers of blessings have fallen upon us. There is "not room enough to receive them," or time to tell all the blessing we have received.

God's promises never fail when His children are obedient.

Before we paid God our tithes, we saved no money, and it seemed difficult to meet expenses at times.

Now we are living better, have more comforts, are saving money, have better position, never been obliged to use a cent of interest money, and have never been without money.

We have been able to give large offerings for God's work, and been able to help the poor.

We praise God and give Him all the glory for all we are and have.

We thank God every day for our beloved General Overseer and dear Mrs. Dowie, and for Zion and God's people in Zion.

We also thank you for your prayers.

God answered in behalf of my dear mother when very sick.

May God abundantly bless you, dear Mrs. Piper, and the little ones

Your Sister in Christ, (MRS.) J. F. PETERS.

Blessed in Paying Tithes First, Debts Afterwards.

FREMONT, OHIO, February 18, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Overseer:—It was just about two years ago that Evangelist (now Elder) Brooks made his last visit here.

He commanded Zion in Fremont to send their tithes into the Storehouse.

I told him I could not, as we were more than $300 in debt.

But he said, "Pay your tithes and then your debts."

I did as he commanded, and, praise the Lord, we are just about out of debt and have never failed to pay our tithes from that time on.

While we were in the Methodist Church we could not pay an assessment of $10 or $15 per year.

Your Brother in Christ, GEORGE C. LANCE.

Great Spiritual and Financial Blessing.

4211 VIRGINIA AVENUE, CUMMINSVILLE, OHIO.

DEAR OVERSEER PIPER:—Since I have been paying my tithes, God has greatly blessed me, both spiritually and financially.

Your Sister in Christ, (MRS.) M. O. ANTHONY.

God Wonderfully Answers Prayer for Leading in Tithing.

CHATTANOOGA, TENNESSEE, January 24, 1901.

REV. W. H. PIPER.

Dear Overseer:—I have been paying tithes for some time, and God has blessed me for so doing.

Before I became a member of the Christian Catholic Church in Zion (not a month ago) I gave tithes to different causes, often to the needy.

I was not sure the Lord wanted me to bring the Whole Tithe to Zion; but when I went to Him for direction, He would say, "Bring the Whole Tithe into the Storehouse."

Before time to send our tithes to Zion, a dear sister came to see me. I had been giving her part of the tithes.

She told me her needs. They had very little to eat, but I did not feel free to give her the Lord's money. After she went away I went to the Lord and asked Him to supply their needs in some other way, if He did not wish me to use the tithes for that purpose.

I had no choice, but wished Him to make it plain to me just *where* He would have the tithes given.

The next morning the Lord helped the sister from another source in a wonderful way. I thanked Him for answering my prayer so definitely.

I shall never fear again to bring the Whole Tithe into the Storehouse, which to me is the Christian Catholic Church in Zion.

Your Sister in Christ, (MRS.) LIDA HICKS-GHORMLEY.

Constant Increase When Tithes are Paid.

STERLING, ILLINOIS, February 3, 1901.

REV. WILLIAM H. PIPER.

Dear Overseer:—In regard to tithing, I am glad to say that God has blessed me.

My income is not very large, because I am young, and what I get is given to me and what I can earn doing little things; but still God is blessing and increasing.

The first time I paid my tithes it amounted to twenty-five cents.

The second time it amounted to seventy-five cents, and the next time it will amount to about $2.75.

I am glad I am no longer robbing God, but paying Him my tithes and giving Him my offering and obeying Him.

Your Sister in Christ, ELIZABETH CAPP.

A "Tithe-Box" in the Family.

WINTERROWD, ILLINOIS, January 29, 1901.

REV. W. H. PIPER.

Dear Overseer:—We can say truly that we have been blessed in paying God's tenth to Him.

We are farmers, and at first we found it difficult to find just what the tenth was.

Now we have no trouble.

We have a tithe-box in our family and all like to know it is increasing.

But for Zion teaching we might never have known of tithing.

Yours in Christ, MR. AND MRS. A. R. TATE.

Increase in Business Greater Than the Amount Paid in Tithes.

JANESVILLE, MINNESOTA, January 26, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—The Lord has most wonderfully blessed me since I paid my back tithes and now pay tithes regularly.

The increase in my business is more than the amount I now pay in tithes, for which I praise God.

I am very thankful to our Father for your safe return to us, and pray daily for His blessing on you and all Zion.

Your Sister in Christ, ADA M. CHADWICK.

Contrast Between Tithers and Robbers of God.

KINGSTREE, SOUTH CAROLINA, February 1, 1901.

DEAR OVERSEER PIPER:—For the last few years I have been paying at least a tenth, sometimes more.

Since I began, it seems that I have more and I have more to give.

Two brothers out of five give their tenth, and they own acres by the hundreds, while the other three who were good men and gave all they felt able to, lived in mortgaged homes.

Respectfully, M. EPPS.

ZION'S BIBLE CLASS.

BY DEACON DANIEL SLOAN.

MIDWEEK BIBLE CLASS LESSON, MARCH 27th or 28th.

A Determined Control of Business Ambitions.

1. *Never sell or encourage that which injures the bodies of others.*—Habakkuk 2:12-16.
People want to get rich almost any way.
There are lines of business which God condemns.
God Himself is largely engaged in the wheat, wool and coal business.
2. *Never seek roads to wealth along questionable lines.*—1 Timothy 6:6-10.
One should not have a set determination to be rich.
A person needs godliness first and all the time.
Perils attend money-getting with many people.
3. *Never countenance methods suggested by low standards of morals.*—Proverbs 20:11-25.
Many merchants try to get custom by lying advertisements.
Some think all means are fair in merchandising.
Some give one price to one man and another price to another.
4. *Never allow business exigencies or expediencies to encroach on God's holy day.*—Nehemiah 13:15-22.
Some save the Sabbath as the day for bookkeeping.
Some just turn the key in the store door to see if things are right.
Some open the store just for a little while.
5. *Never encourage trade which panders to foolish vanity and is of only passing worth and little value.*—Isaiah 3:18-24.
Goods of only useful value should be pushed.
Pride enters far into purchases for dress.
Millions are wasted on vanities and luxuries of no real need.
6. *Never resort to high-sounding and catching notices, but conduct your business by straightforward methods, and let a satisfied customer be the best means of advertising.*—Psalm 10:3-7.
A man who has a good trade should seek more.
His advertising should not be to get ahead of some one else.
Many want to be the biggest merchant in the place.
7. *Never subserve the spirit of the world in trade or elsewhere, but win by Righteousness.*—1 John 2:14-17.
There are safe lines along which business may be conducted.
The first thing a man with a growing trade needs to do is to hold it.
The successes as well as the ways of the world should be shunned.
8. *Ever be content with steady, constant growth, based on years of careful preparation and experience. God's blessing and diligent application to business wins confidence and holds trade, even over one's competitors.*—Proverbs 16:1-13.
A man is not to be in business simply for the sake of living.
When a man pleases God, his business will be a success.
It is better to win along right lines, even though growth is slow.

The Lord Our God is a Business-Blessing God.

SUNDAY BIBLE CLASS LESSON, MARCH 31st.

How to Succeed in Business.

1. *Be true to your calling.*—Proverbs 22:6-11.
Some people have special aptitudes.
People can find out that for which they are best fitted.
To build character should be one's chief ambition.
2. *Be obedient to God's laws.*—Joshua 1:7-9.
The Bible is the best guide to business success.
God points out the way to succeed.
A prosperous life depends on right relations.
3. *Be diligent in your enterprises.*—Proverbs 21:1-8.
A man who deals with a slack hand fails.
One is not to open shop and wait for customers.
Signs of wideawakeness in business are shown in many ways.
4. *Be wise in improving all opportunities.*—Ecclesiastes 11:1-6.
A person should look ahead in his plans.
A wise man does not always stake all he has on one point.
A man should see glorious success beyond dark clouds.
5. *Be hopeful in disposition.*—Proverbs 15:15-25.
A person who only sighs can do nothing.
A man who is afraid may lose his all.
A man who is hopeful is never sluggish.
6. *Be cheerful in countenance.*—Ecclesiastes 8:1-5.
A glad face has much to do with one's success.
Vinegar never draws except to inflame.
One can cultivate cheerful-facedness.
7. *Be patient in developments.*—James 5:7-12.
A man who trusts God is not impatient.
Sometimes the outworkings of God's plans are hindered.
He says all things work together for good to His chosen ones.
8. *Be persistent in methods.*—Matthew 25:16-23.
A good thing should be done often.
Money should be turned over and over again for increase.
One's capacity for being useful should grow, also.

God's Holy People are a Prosperous People.

Deacon Sloan has resumed the teaching of Zion's Bible Class Lesson in Zion Hall of Seventies, Sabbath Days from 1:30 to 2:30 o'clock. Members of Zion, for personal growth and Seventy work, as well as preparation for conducting Cottage Prayer Meetings, are urged to regularly attend his class; also to prayerfully follow in study these lessons each week, which are covering such *a wide range of Bible truth and Scripture knowledge*, vital to Holy Living and a right understanding of the relations of life.

Zion's Conflict With Methodist Apostasy.

This book of 200 pages, just issued by Zion Publishing House, contains nine powerful discourses delivered in Central Zion Tabernacle by the General Overseer last May, during the session of the Methodist General Conference. They are of especial value for the full and fearless exposure of Freemasonry.

"The Methodist Church the Property of the Masonic Order," "Freemasonry: A Heathen and Antichristian Abomination," and "Degrees of Masonic Devilry" ought to be read by every lodge man.

The iniquity of the Mystic Shrine is laid bare.

"The Christian's Duty in Breaking a Bad Oath" is the address which preceded the public working of Masonic and Odd Fellow degrees in Central Zion Tabernacle, a full account of which is given.

Buy one of these books and keep lending it. No honest and intelligent man can read the book and still remain a Freemason.

Sent by mail, postpaid, for twenty-five cents.

Address Zion Publishing House, 1207 Michigan Avenue, Chicago, Illinois, U. S. A.

Notice to Zion Travelers.

Friends of Zion going to Europe and other parts of the world are respectfully informed that an Agency has been established to secure rates, accommodations and protections for first, second and third class passengers to and from all parts of Europe, etc.

Arrangements have been made with the principal steamship and railroad lines to book passengers to and from all parts of the world, at the lowest possible rates.

For rates, maps and full information apply to DAVID F. ROBERTSON, Zion, 1201 Michigan Avenue, Chicago, Illinois.

Has God Blessed You in Tithing?

Have you realized a fulfilment of God's promise to those who "bring the Whole Tithe into the Storehouse"? If so, let others know how true the promise is. Write your testimony and send it to Rev. William Hamner Piper, Overseer-at-Large of the Christian Catholic Church in Zion, 1201 Michigan Avenue, Chicago, Illinois. Let your testimonies be brief and straight to the point.

Notice to Officers and Members of the Christian Catholic Church.

Send all newspaper clippings concerning the General Overseer, the Elders, or any department of the work in connection with the Christian Catholic Church in Zion, to Mr. Carl F. Stern, Room 309, Zion Home, 1201 Michigan Avenue, Chicago, Illinois. Send as soon as possible after publication, and carefully mark *name and date of the paper clipped from* on each article. If this is not done, the clippings are absolutely useless.

ZION IN KANSAS.

Rev. D. A. Reed, Elder in the Christian Catholic Church in Zion, will conduct services

At DELPHOS, KANSAS, on March 18, 19, 20 and 21;

At NICKERSON, KANSAS, on March 22 and 23; and

At STERLING, KANSAS, beginning on Lord's Day, March 24, and continuing throughout the week.

A WEEKLY PAPER FOR THE EXTENSION OF THE KINGDOM OF GOD.

EDITED BY THE REV. JOHN ALEX. DOWIE.

VOLUME VIII. NUMBER 22 CHICAGO, MARCH 23, 1901. PRICE FIVE CENTS.

ZION IN AUSTRALASIA.

IT WAS in 1595 that the adventurous Portugese Mariner, Fernandez de Quiros, saw before him a coast stretching as far as the eye could see.

Day after day he sailed by those hilly shores, and saw the same succession of wooded slopes, and then he felt assured that the great Southern Continent, his dream for twenty-nine years, was at last in very truth before his gaze. But it was not the Continent which he saw.

It was only a large group of islands, just as Columbus did not see the Continent of America, but only the Island of San Salvador. However, he and others, such as Luiz Paez de Torres, found that they had but discovered the islands now known as the New Hebrides.

The Dutch navigators also failed to discover fully the Continent, although Van Diemen's Land, now known as Tasmania, was the reward of their toil and daring.

The Englishman, William Dampier, in January, 1688, landed on the northern coast of Australia, to which the name of New Holland was then given; but it is doubtful as to whether he knew much about it. Although the Dutch had landed at Swan River in 1616, yet they did not claim it or hold it, and never have held it.

The northern and western shores of Australia are, for the most part, sandy, barren, and forbidding; hence the Island Continent was neglected and not even its size and greatness known.

It is the southern and eastern shores, and especially the latter, that are, even at this day, the principally inhabited portions of Australia.

The real discovery of this Continent and the opening of it to the world is due to Captain James Cook, who left the Thames on the 30th of July, 1768, on a little vessel of only 320 tons burden, which was armed with twenty-two small guns.

OVERSEER AND ELDER WILHIDE.

This vessel was commissioned as an English warship and called *The Endeavor*.

A voyage of six months carried *The Endeavor* around Cape Horn. A pleasant run of four months across the Pacific took them to Otaheite.

There, on the 3d of June, 1769, the transit of Venus across the sun's face was most successfully observed. The distance of the earth from the sun, ninety-five millions of miles, was then established, although it has been subsequently slightly modified.

From the beautiful Island of Otaheite, Captain Cook went on southward, his commission instructing him to solve, if possible, the still unsolved mystery of a great Southern Continent.

The great and beautiful Islands of New Zealand rewarded his daring efforts after

many months of cruising to and fro in the Pacific Ocean. Then, holding his course on to the west, he at last reached the great and beautiful Island Continent now called Australia.

Skirting along its shores, he at last, on the 28th day of April, 1770, sailed through the narrow opening into the shelter of Botany Bay; although, strange to say, he never entered the still more magnificent harbor only a few miles north, now known as Port Jackson.

This port, with which we are personally so well acquainted, has hundreds of miles of shore within its spacious and beautiful haven, around which the magnificent City of Sydney is now built. After many vicissitudes, the great nature of the beautiful Australian Continent was at last dimly discerned.

The British people became the sole possessors of this one great Continent of the earth which has never been held by any one race before, which has no history, which has no ruins of ancient civilization, and which only begins to be known to men as a glorious habitation, as the Eighteenth Century draws to a close and the great American Colonies slip, by the folly of her rulers, from the hands of Great Britain.

Now that a century and more has passed away, and the Twentieth Century has dawned, all the world can see that this great Continent of Australia and the great Islands of New Zealand, Tasmania, New Guinea, and the hundreds of groups, large and small, which like brilliant jewels surround the crown-shaped Continent, are the Lands of the Future.

Australasia is the name given to Australia and all its surrounding Islands.

But Australia is the name of the Island Continent itself. Its five great provinces, New South Wales, Victoria, South Australia, Western Australia, Queensland, and the Island of Tasmania, with a population of over four millions, are now united under one great Central Government into the Australian Commonwealth.

The magnificent cities of Sydney, Melbourne, Adelaide, Perth and Brisbane, the great and beautiful capitals of these provinces, are united, for the most part, by railways, and wholly by telegraph, with great and beautiful fleets and vessels passing around their coasts.

This great land is just entering upon its glorious career.

Its mineral, agricultural and pastoral wealth is almost fabulous.

All things point to great material prosperity, under wise and good government. But, alas, Australia and all its beautiful surroundings have yet to know the Fulness of that Gospel which is greater far in its spiritual glory and majesty and power than all the material resources of these glorious lands.

Our hearts are ever thrilled with thousands and tens of thousands of remembrances of our long residence, extending over nearly a quarter of a century, in the three great cities of Adelaide, Melbourne and Sydney, and of our travels in many parts of the Continent and in the beautiful islands of New Zealand.

No painter's brush could ever exaggerate the brilliancy of the color in the skies and in the mountains, the rivers, the lakes, and on the wide extended plains of these great lands.

THE DEPARTED ELDER, JOHN S. WALLINGTON.
ZION'S FIRST ELDER MESSENGER TO THE ZION ABOVE.

The memories of years of toil and of conflict and of victories given by God, in the winning of multitudes to Him from paths of sin, and in the Healing of the sick, and in the quickening into Holy Lives of those whose lives had been darkened by sin and sickness and sorrow and alienation from God, crowd upon us as we think and write concerning Australia.

Our prayers have been and are constantly ascending to God for His blessing upon those favored lands, under the Southern Cross in which we spent so many years, where we found our beloved wife, and where God gave us our son and daughter.

In LEAVES OF HEALING for July 16, 1898, Volume IV, Number 38, we wrote an article upon Zion in Australia, in which we presented the picture of our first Divine Healing Home near Melbourne, and also a picture of Rev. John S. Wallington, our first Presiding Elder in the Christian Catholic Church in Zion.

We again present his picture in this issue. But we have also to record the fact that he is now in the Zion above.

Full of years and honored greatly by God, he has entered into the joy of the Lord and into the heavenly rewards which ever follow faithful service on earth.

In a letter from Overseer Wilhide, dated November 16, 1900, he informs us of Elder Wallington's departure on November 5th, at 5:25 P. M., conscious to the last moment. He says:

In the morning about 5 A. M., a snow-white dove came and tried for about three hours to get into his window, and then tried to get into the back door. Finally it flew up on the roof and sat there until about the time the Elder died, and then it flew away.

A snow-white dove had never been seen there in thirty-five years, and none has been seen since.

In a later letter, which we publish in full in this issue, dated January 15, 1901, Overseer Wilhide says:

Our hearts have been saddened beyond expression by the departure of our beloved Elder Wallington, aged seventy-seven years. He had reached his "three score and ten," and was fast nearing his four score milestone, when God permitted his day to close.

He was a "man of God," not taught in the schools, but a learner at the feet of Jesus, through His Word. He was very earnest in exhortation and powerful in prayer.

Some wonderful testimonies in healing marked his faithful ministry.

We loved him. We miss him; but we shall meet again.

These words we cordially reëcho, "We shall meet again."

The last letter he wrote to us closed with the words we heard from his lips thirteen years ago when leaving Australia: "Mizpah. The Lord watch between me and thee when we are absent one from another."

And the Lord is still watching, and we shall meet again, beloved Elder!

Some day we hope to tell more fully of the worthy life of one of the first Elders that we ever ordained.

Meanwhile we write the words we have often sung together with him:

Sleep on, beloved, sleep, and take thy rest;
Lay down thy head upon thy Saviour's breast;
We love thee well, but Jesus loves thee best—
Good-night!

Until the shadows from this earth are cast,
Until He gathers in His sheaves at last,
Until the twilight gloom be over past—
Good-night!

Until the Easter glory lights the skies;
Until the dead in Jesus shall arise,
And He shall come, but not in lowly guise—
Good-night!

Only "Good-night!" beloved—not "Farewell!":
A little while, and all His saints shall dwell
In hallowed union indivisible—
Good-night!

Until we meet again before His throne,
Clothed in the spotless robes He gives His own,
Until we know even as we are known—
Good-night!

But Zion Goes Forward, and Zion Goes Upward, and we rejoice that ere Elder Wallington passed away we had sent the beloved brother and sister whose bright and happy faces look out upon our readers from the first page of this issue, Overseer and Elder Wilhide.

ZION TABERNACLE, RICHMOND, MELBOURNE, VICTORIA, AUSTRALIA.

In our issue of LEAVES OF HEALING of January 6, 1900, Volume VI, Number 11, we told of the Farewell Gathering held in Central Zion Tabernacle on Tuesday evening, January 2d, when a great company of the members of the Christian Catholic Church in Zion assembled to hear the parting words of Zion's First Messengers to Asia and Australasia, and to witness the impressive ceremony of their Consecration by the laying on of hands by the General Overseer and the two assistant Overseers, surrounded by scores of Elders.

They left Chicago on January 4th, and arrived in Australia in due time, after a long visit to New Zealand on the way.

Amid many special difficulties, our beloved Overseer and his excellent wife, Elder Elizabeth Atkinson-Wilhide, have firmly established the work which Elder Wallington so faith-

fully began. Now we present to our readers our latest report from Overseer Wilhide, which tells its own beautiful story. We add the pictures of our first Zion Tabernacle in Richmond, which is a portion of the City of Melbourne, the capital of the Province of Victoria in Australia.

These will give great pleasure to thousands of our dear Overseer's and Elder's friends in Zion.

They have been daily in our prayers, and always will be, but we trust that the presentation of these pictures, and of their report, and of these introductory words, will lead to still more earnest supplication upon their behalf.

We wish that we were able, now, to send assistance to Overseer Wilhide, but the exigencies of the work here forbid our making any announcement to that effect. We shall do so, however, at the earliest possible moment.

Meanwhile we leave them in their important place, bidding them not only to "hold the fort," but to Go Forward into the great and glorious Fight, the "Good Fight of Faith"; preaching the Everlasting Gospel of the Everlasting Kingdom of God; winning multitudes to Him, and sealing them with that Glorious Seal of the Living God, a Real Triune Baptism, in great numbers.

We hope, ourselves, yet to be able to revisit Australasia.

Although we dare not fix the month or even the year, we shall, if God permit, visit our Overseer and Elder, and minister to the tens of thousands in whose hearts are "the highways to Zion"

God bless and prosper Zion in Australasia.

REPORT OF AUSTRALIAN WORK BY OVERSEER WILHIDE.

ZION TABERNACLE, CORNER OF LENNOX AND GIPPS STREETS.
HOME: 60 STANLEY STREET.
RICHMOND, MELBOURNE, January 15, 1901.

TO THE REV. JOHN ALEX. DOWIE,
General Overseer Christian Catholic Church in Zion,
Chicago, Illinois, U. S. A.

Beloved General Overseer:—We have sent you, under separate cover, a photo of Zion Tabernacle and Office.

Zion Tabernacle is a beautiful brick building; octagonal interior, situated on a principal street in the densely populated City of Richmond, which we hope will soon be changed to East Melbourne.

It is within five minutes' walk of the Richmond and East Richmond Railway Stations, where more than 600 trains pass every twenty-four hours. The sign ZION TABERNACLE on the building is in plain sight of all passing trains, and we hope soon to have Zion's flag flying over the Christian Catholic Church in Zion in Australasia

The Bridge Road trams run within a few squares of the Tabernacle, and it is only twenty minutes' walk from Melbourne; fare by train only 3d, return.

The auditorium will seat over 500; is beautifully lighted by many windows by day and incandescent lights by night

The ventilation is perfect.

The walls are strangely but prettily adorned by many trophies "captured from the enemy" by that old soldier of the cross, Elder John S. Wallington, during his long and faithful ministry.

We also bless God that every week is adding some new trophies under our own ministry.

These trophies are all placed about the beautiful and artistic motto, "CHRIST IS ALL AND IN ALL," making a picture which, once seen, can never be forgotten; such as is not seen in any other Church in these colonies.

Many unique mottoes in gold and colors adorn the walls. They are not so magnificent as the stained glass windows of the cathedrals, but they are vastly more impressive. They manifest, in a very practical way, the power and willingness of God to heal the sick, the lame and blind today. It is a beautiful, cool room, comfortable and with all necessary conveniences.

A large well-fitted Baptistry has been placed under the large platform.

Adjoining, are convenient rooms for dressing rooms for baptismal and consecration services; a refectory, private office and prayer room, besides a large general office where the Little White Dove of Zion is nestled.

LEAVES OF HEALING, A VOICE FROM ZION and all Zion Literature is nicely shelved, attractively and conveniently arranged.

Zion Choir now numbers fifteen voices, directed by Mrs. Wilhide at present, with Miss Martha Anstee presiding at the organ.

We had been using the baby organ brought with us from America, but God has now given us a magnificent, sweet-toned Bell organ, "Cathedral Model," for which we will bless Him in songs of praise from ever grateful hearts, with Zion songs.

"The power of God is just the same today,
It doesn't matter what the preachers say,
Whatever God has promised, He is able to perform,
And the power of God is just the same today."

We also have matting on the aisles, the platform carpeted, and the whole canvassed overhead, whereby the acoustic properties have been made excellent.

I may say that we thank God for the wisdom to remedy the acoustic properties, for they were so bad that this splendid property has been almost standing unused because of it. For this reason we were able to rent it at a very small rental.

All this has been done at much expense, but we thank God it is paid for.

Zion's first Junior Seventy Meeting was held the first Lord's Day of the Twentieth Century, at 11 A. M. There were twenty present at a very encouraging meeting, with Mrs. Wilhide in charge.

Christmas day brought rich gifts to many.

Among them was Miss Vida Armstrong, of Adelaide, who had been sick twelve years—general weakness and a leg one inch short from diseased hip. All human agencies had failed.

God heard our united prayers with the "laying on of hands," and her leg was instantly and painlessly lengthened. She departed greatly strengthened, walking on equal feet, rejoicing in God and in His Christmas Gift to her.

Her healing was an amazement to the unbelieving, and a joy for the saints.

It proved to an apostate Church and an idolatrous and unbelieving World that "God is Love"; that He has not changed His plan of Salvation; that Salvation and Healing go hand in hand, and that God still honors the

commission given through His Son for the evangelization of the world (Mark 6:15-18.)

Many others received blessing, and God is granting Repentance unto Life to many who come to the meetings; for all of which we bless God.

The All-Night With God in Zion Tabernacle was one of much blessing.

An All-Night Meeting was something new to the people here, and some doubted its wisdom.

God was with us, however, and the interest from start to finish was unabated.

We began at 8:30 P. M. and went home at 6:30 A. M., January 1, 1901, in the beautiful sunlight of the Twentieth Century; praising God from whom all blessings flow, having again proved the truth of His promise: "They that wait upon the Lord shall renew their strength."

Toward morning a young man came in in a debauched condition. He was so powerfully convicted of sin that he smashed his whisky bottle and gave up his cigarettes and matches. He seemed in the deepest agony of spirit because of his sins, before he had sat in the meeting half an hour.

The Spirit of God is present in every meeting to convince, convict, and to save and heal. Praise His Name!

We baptized fifteen believers by Triune Immersion before midnight, December 31, 1900, and five more January 13, 1901. We gave the right hand of fellowship to forty-five members.

About 125 were present until 11:30, and seventy-five remained all night.

After the Lord's Supper at midnight, Zion gave a free lunch.

Since February 14, 1900, Zion's officers in Australia have baptized 202 believers.

We have received over 80,000 copies of LEAVES OF HEALING and tracts from Zion Publishing House, in Chicago, and are now receiving 300 copies of LEAVES OF HEALING weekly. We have with this mail increased our weekly subscription to 400 copies.

Besides this, we have had printed and circulated in Australia, New Zealand and Tasmania over 125,000 circulars, telling of God's Way of Healing.

There are now ten ordained officers and a number of Conductors of Gatherings of the Friends of Zion.

We have not urged membership, believing it best to get Zion into the people before getting the people into Zion. However, there are constant additions of such as are being saved.

"Zion," 60 Stanley Street, Richmond, is our private home, one square from Zion Tabernacle. It is a two-story, seven-room house, comfortably furnished, by the Grace of God and the gift of our beloved General Overseer.

Our mission through New Zealand was one of pleasure, and God is blessing the seed which was sown. We are already gathering some of the fruits, and we thank God out of our grateful hearts.

We held a seven days' mission in Sydney, New South Wales, with much blessing, ordaining four to the office of Deacon, consecrating thirty-nine children and baptizing fifty-nine believers by Triune Immersion. Much spiritual and physical blessing was manifested.

To God be all the glory, with thanksgiving.

One of our members was arrested for not having his baby poisoned with vaccine matter; fined two pounds ($10), which he refused to pay, and was sentenced to the common jail for fourteen days. This was hard on the flesh, and we all shared his suffering, remembering Christ's words, "Blessed are they which are persecuted for righteousness' sake."

Our hearts have also been saddened beyond expression by the departure of our beloved Elder Wallington, aged seventy-seven years. He had reached his threescore and ten and was fast nearing his fourscore milestone, when God permitted His day to close.

He was a "man of God," not taught in the schools, but a learner at the feet of Jesus through His Word.

He was earnest in exhortation and powerful in prayer. Some wonderful testimonies of healing mark his faithful ministry.

We loved him; we miss him; but we shall meet again.

Our constant cry is: "O, God! keep us steadfast, faithful, loyal to Thee and to Zion, and bless us and make us a blessing, for Jesus' sake."

God willing, we shall hold an Eight Days' Convention and Special Mission in Zion Tabernacle on February 22d, the Anniversary of the Organization of the Christian Catholic Church in Zion, beginning February 17th and closing February 24, 1901.

Pray for us.

We often feel far away from Headquarters, from home and friends, but, thank God, we always feel His presence near, and God is raising up tried and true friends here.

We know that you, our beloved General Overseer, are ever praying for us, and that Zion never forgets us at the Throne.

We need your prayers.

We pray for you and Zion and all her interests three times a day.

Mr. Burns often comes to see us and cheers us with his happy face. He is now in New Zealand, where he is spreading Zion Literature in connection with his business. Pray God to make his work fruitful there.

We do thank God for all His love, mercy, patience and forbearance with and toward us, and for His rich blessings given.

Those at Headquarters, in direct touch with all the mighty influences there, cannot appreciate what it means to be more than 10,000 miles from home, when it takes six months before you can get an answer to a letter.

Today we can see better, feel better, and do more work than for some time past.

To God be all the praise.

Pray for us, that we may be made complete in Him; cleansed and filled with His Spirit; strengthened by His might; made bold and fearless by His love; so that He can entrust us with such Gifts of His Spirit as will glorify Him and edify and bless His people.

With Christian Love, we are,

Faithfully your Fellowservants and Colaborers in Christ Jesus Our Lord,

J. THOMAS WILHIDE.

SUGGESTIVE NOTES FOR THE USE OF ZION'S BIBLE CLASS OUTLINES

A True Use of Sabbath Day Hours.

They should be improved well by every member and friend of Zion. The Bible Class Lesson outline should, with the Bible in hand, be gone over carefully and prayerfully, and the sermon by the General Overseer should also be attentively read. Assemble, sometime during the day, your own family. Invite in, if possible, those who want to know God in power, or desire from Him some blessing for spirit, soul or body. Where this is not possible, go where the sick and sinful, poor and neglected are, who have tasted only of the bitterness of life, and open up to them the Gospel which Jesus commanded should be preached to the poor. *Where there are two or more members of Zion near you*, do not fail to regularly come together sometime during the Lord's Day. Pray and speak with one another, and study together the Bible Class Lesson and talk over the marvelous doings of God in Zion. DO NOT OFFEND GOD BY GOING TO SOME CHURCH SERVICE WHERE GOD IS EVER DISHONORED AS THE HEALER, CLEANSER, KEEPER AND PROSPERER OF HIS PEOPLE. Do not go to hear His truth perverted by the cry of Peace, Peace, when sudden destruction is so near because of the prevalent wickedness of the world, which, with a worldly Church, is becoming more and more corrupt. Do not go where scoffing is everywhere heard from so-called Christians at the imminent coming of "the great God and Saviour Jesus Christ." He will receive unto Himself only those who look for Him; even ZION, whom He is now calling into Purity and Holy Living, who daily, in obedience to Her Lord, whatever the cost may be, is thus making herself READY TO SOON BECOME THE BRIDE OF CHRIST AT HIS APPEARING.

A reference encyclopedia of Bible truth can be had by those who will make the proper use of Zion's Bible Class Lessons which appear in LEAVES OF HEALING. They open up wonderful resources of preparation for *Zion's Seventies* together with those conducting *Cottage Prayer Meetings* or *Zion Gatherings*. These studies have been issued since Volume V, Number 27, and now number about 200 lessons. They extend over a wide range of Bible topics and subjects of practical use. *Doctrinal teachings are presented, covering the full scope of Bible truth*, concerning GOD, MAN, SIN, REDEMPTION, THE CHRISTIAN, A HOLY PEOPLE, THE CHURCH, CHRISTIAN WORK, THE WORLD, THE AGE BEYOND and FINAL ESTATES. These lessons can be clipped out of the paper and pasted in a book and indexed under the doctrines, subjects, topics and words of which they treat. This will be a book of ready reference and can be added to regularly. The subjects, with the varied methods of treatment as they appear in comprehensive outline, with citations of Scripture from every book of the Bible, together with practical questions or remarks thereon, may be added to by explanations and observations and illustrations which will enable every one who devoutly studies and diligently uses them to rightly divide the word of truth, and thus in an increasing measure become thoroughly furnished unto every good work.

How to study or teach a Zion Bible Class Lesson should not prove to be a difficulty to any one. It is the intention to cover simply the vital truths and important doctrines of the Bible, presenting a phase of some subject in each lessson from a given point of view, with selections of Scripture which have a plain and positive meaning, viewed from a broad light of Bible research. No commentaries are to be used, for they, in most part, are nothing but the traditions of the elders, which make void the Word of God. They, like many of the translations of the Bible, give a dark meaning to God's truth. They set forth lack of faith and show the low standard of spiritual conception at the day or time in which the work was done.

The safe rule for all is to read the Word of God in the power of the Holy Spirit, comparing Scripture with Scripture. Let the concensus of Scripture texts on one given subject, with the true meaning of the words involved, determine the points of view from which the subject must be approached.

For instance, take Zion Bible Class Lesson in LEAVES OF HEALING, Volume VII, Number 18—"*Why some keep out of Zion*": To illustrate the plan of going at a lesson, consider closely this lesson; for personal comprehensive study must, of course, precede the presentation of such a subject by a leader at a Zion Gathering. The first reason given is, "*Because they are so used to old and corrupt theological views*," as shown in Luke 5:36-39, which goes to show that a Church, in age and spiritual declension, will worship old and cherished dogmas which are held only in form, and will not accept the truths which come with waves of revival blessing.

Show how this is true in all Protestant churches in their apostasy, for they will not give up their hospitals, sanitariums, drugs, favorite medicines, surgery and doctors and trust God, who is the Creator, Redeemer and Preserver of the lives and health of the bodies of His people through Jesus Christ His Son.

The next question brings out the fact that *if a new truth would get into an old Church with its lack of spiritual power, it would tear the Church to pieces.* Such a Church is filled not with the unity of the Spirit, but with backsliders from pulpit to pew, who know not God in the power of the first love where "Christ is All and in All" and is trusted for everything in a full and complete consecration.

The third question cites the fact that *people are slow in accepting new truths.* So used are they to an old treadmill experience, bound in by walls of creeds and denominational teachings, that they cannot see that the Holy Spirit will ever continue to show things to come as God's plans unfold step by step throughout the age.

This same treatment is applied to the *seven other reasons under this one subject*, which is founded on that glorious prophecy in Jeremiah 3:14, 15. The analysis underneath the Scripture subdivisions of the lesson is in question form, but they can be turned into statement form and be verified, not only by the text cited or other well-known passages, but also by observation and personal experience, all of which should be brought to bear on a lesson, with such illustrations everywhere abounding as are true to the case in point. A person with spiritual perception, natural simplicity and earnestness of presentation can make Zion's Bible Class Lessons to be an increasingly great blessing to the thousands who are now studying them, as well as the tens of thousands who will yet be molded, stimulated and established in their relation to the every day affairs of life through Holy Living and fruitful service, by this method of presenting Bible truths.

"AND I SAW, AND BEHOLD, THE LAMB STANDING ON THE MOUNT ZION."

AND WITH Him a Hundred and Forty and Four Thousand,
Having His Name, and the Name of His Father,
Written on their Foreheads.—Revelation 14:1.

OUR EDITORIAL NOTES in our last issue will have prepared the way for the Solemn Declaration contained in our discourse of last Lord's Day, reported in this issue, on pages 685 to 693.

We have been compelled by the Holy Spirit to make this Declaration concerning

THE SEAL OF THE LIVING GOD.

NO WORDS can express the sense of responsibility under which we spoke last Lord's Day, to between five and six thousand persons, at the morning and afternoon services.

NO WORDS can express the overwhelming conviction which came upon the many Thousands of Zion present, especially in Central Zion Tabernacle at the afternoon session.

THOSE WHO were present, accustomed though they have been to thrilling scenes and constantly inspiring services, felt, as we did ourselves, that a Great Crisis had come, and that the Declaration then sent forth by us, as the Messenger of God's Covenant, was of the most far-reaching importance.

NEARLY A WEEK has passed away, and many remarkable Answers to Prayer in all Departments of Zion's work attest the approval of our Father in Heaven, and the witness of His Spirit within us that our Lord and Master is well pleased.

This week of toil has been full of blessing, and every hour has been an ever-increasing delight in the consciousness of God's Presence in it all.

HOWEVER it may seem to those at a distance, and especially to those who are not in Zion, there is only one conviction, so far as we know, in the breast of every member of the Christian Catholic Church who was present on that occasion.

He who claims to have a Royal Seal placed in his possession by his Royal Master must make good that claim or perish.

We humbly submit that the claim has already been made good.

We believe that the Declaration simply affirms what has long been evident as an Existing Fact.

WE HAVE "bound up the Testimony."

We have Sealed the Teaching among Christ's Disciples committed to our charge.

We have prayed that the Four Messengers of Destruction, whom John saw in the Revelation, who have been "prepared for the hour and day and month and year that they should kill the third part of man," shall be restrained, until we shall have sealed in Zion "the servants of our God on their foreheads" with the Seal of the Living God, which He hath given to us in a Real Baptism.

AND NOW, let the consequences of these Declarations and these Actions of ours in Zion be what they may, we are sure that we have but done that which is right.

IT IS BECOMING more and more clear to our understanding, that until the "One Hundred and Forty and Four Thousand" have been sealed, the still greater work of worldwide evangelization which God has given to Zion cannot be accomplished.

BUT WHEN that One Hundred and Forty and Four Thousand are sent forth to all the ends of the Earth, then the results will appear, and the "Great Multitude which no man can number, out of every nation and of all tribes and peoples and tongues," will stand "before the Throne and before the Lamb, arrayed in White Robes, with Palms in their hands, crying with a Great Voice, and singing the Song of Salvation unto our God who sitteth on the Throne, and unto the Lamb."

A DEFINITE and clear understanding of these things can only make us strong and happy, and more perfectly consecrated to the glorious work of bringing them about.

It is the aimlessness of all the efforts of the Apostate Churches which makes their work so weak and ineffectual.

It is the Joy of Zion that God makes His Ways known to us, and that we have given to us year after year the clearly revealed Will of God as to the immediate work which we have to do.

WE ENTER, therefore, upon the Twentieth Century with the positive knowledge that Zion's first work is the Gathering in of that Glorious Company of 144,000 Messengers of Zion who shall evangelize in all parts of the world and bring that Great Multitude to the Throne of God "out of every Nation, Tribe, People and Tongue."

WE WERE favored last Lord's Day with marvelously beautiful weather.

The balminess of Spring, and even of early Summer, seemed to be floating all around us, and there was a joyous brilliancy in the atmosphere itself, and in the glad sunshine and the unclouded sky, which made the day most auspicious for the work that God gave us to do.

AND THE FOLLOWING day was like unto it.

We took that also as a special token of God's favor, inasmuch as we had for some time planned to make on that day our first visit to Zion City Site since our return from Europe

---

ACCOMPANIED by the members of our Business Cabinet and several important officers in Zion, we left in a special car which was kindly placed at our disposal by the authorities of the Chicago and Northwestern Railway, and made a quick journey to Zion City Site.

THE STORY of that visit has been told by our Assistant Editor, Deacon Arthur W. Newcomb, on pages 692 to 694, although, of course, there were many matters of importance decided which are not mentioned in that report.

WE WERE REJOICED to find everything in excellent order. The first buildings of Zion Lace Industries, the power house and machine shop, the freight sheds, the lumber shelters, the offices of Zion Lumber Association, and a large new building which we have erected for the Zion Lace Operatives, and last, but not least, the first buildings of Zion General Stores, all engaged our attention.

WE SPENT a very busy but delightful day, and had the pleasure of entertaining our Officers at dinner in the house which we have set apart as our Residence and Office.

A CONSIDERABLE number of people are now gathering upon the site as Zion employees in various capacities, preparing the way for others.

Hundreds of tons of machinery are now leaving the Bonded Warehouses in Chicago, where we had stored them for the winter, and are being unpacked.

Soon we trust to see all the Lacemakers at work, and when they have gotten their machinery in order, we shall soon place the beautiful products upon the American market.

NEW SHIPMENTS are constantly arriving from England, and large orders which we have placed are in course of execution.

The intense interest which is being shown in this great Industry is most gratifying.

STOCK is being taken up freely, and persons entirely unconnected with Zion are making earnest application to purchase stock in Zion Lace Industries, and also in other Zion Investments.

In all cases where the persons are of good standing, we have had pleasure in complying with their request, even though they are, for the present, outside of the Christian Catholic Church in Zion.

WE DESIRE this fact to be made known because many suppose that we limit the sale of stock to members of the Church.

We do not, although we are indisposed to sell any stock to persons who are wholly worldly.

We feel that the large profits which will come from this stock ought to be in good hands, and used for good purposes.

BEFORE these Notes reach our readers, we shall, God willing, have made another visit to Zion City Site, and shall have determined upon the exact details of many other important onward steps in the development of Zion City.

WE WERE met on our arrival at the Zion Lace Operatives' Home by a band of children who followed us around in our various visits, and as we left the Zion General Stores, which was our last visit before going to our special car, we heard the voices of the little ones singing:

"We are Marching to Zion,
We are Marching Upward to Zion,
That Beautiful City of God,"

which sounded very sweetly and was very inspiring.

WE ATTENDED a remarkable Gathering of Zion's Guard in South Side Zion Tabernacle on Monday evening, the 18th.

We were greeted by their Band of nearly Forty Instruments at the door of the Tabernacle, which seats about 3000 persons.

As we entered with the Standard Bearers, the Banner of Zion

and the Guard of Honor, the strains of the musicians rang out the inspiring hymn:

There's a Royal Banner given for display,
To the Soldiers of the King.

WE WERE greatly delighted with the kind reception of the hundreds of loyal brethren who have done such noble service in this volunteer Guard.

A FLASHLIGHT PICTURE was taken at the close of the Gathering, which we shall reproduce by a photo-engraving, God willing, next week, with a report of the proceedings.

SO MANY foolish things have been written and said concerning this Guard that we think it well for our friends everywhere to know that it is entirely unarmed, and simply exists for protection and good order in connection with the immense Gatherings of the people at our large meetings in Chicago and its suburbs, and on our great Excursions to Zion City.

BY MEANS of this organization we have been able to prevent for a long time any injury from undue crowding, etc., which might have caused serious personal injuries to ourselves and to many others.

It has also made the Gatherings of the multitudes orderly and peaceable, and quiet and pleasant and profitable, as for instance, at the Coliseum on January 20th, when over 12,000 were in the building.

WE THINK it well to briefly call attention to the remarkable action of our beloved Overseer Speicher, at the close of our discourse last Lord's Day, which was followed by his Baptism on Wednesday evening.

We had then the joy of baptizing not only him, but several others who realized that their previous Baptism, even though it was by Triune Immersion, was invalid, in consequence of it having been performed by ministers of a Church which teaches Baptismal Regeneration, and also in one case, at least, by a minister who had no right whatever to perform the Ordinance, since he was an ungodly and unconverted man.

IT BEHOOVES our friends everywhere to examine themselves and see whether there has really been a single Real Baptism by Triune Immersion outside of Zion, in these latter days.

THE TRIUNE IMMERSION of the so-called Greek Orthodox Church is clearly invalid: First, because it is administered to infants; and, second, because that Church claims that Regeneration takes place in consequence of this Ordinance.

IT IS NOT ENOUGH that the form be complied with.

It is essential that the Power of God shall be there, and that the Baptism shall be truly the Seal of the Living God.

FROM ALL LANDS Glad Tidings of Progress continue to pour in.

Good fruits continually appear from the Fields of our Five Months' Mission in Europe.

We have not space to tell the Story in these pages.

We are longing for the time when we shall add to this paper the Coming Weekly, THE ZION BANNER, for which we are making preparations, and for which we need help of every kind.

THE GLORIOUS WORK of Salvation and Healing and Cleansing through faith in Jesus Christ our Lord goes on continually in all parts of Zion's widely extended Field on this and every Continent, and in the Islands of the Seas.

MANY THOUSANDS of Friends will be deeply interested in the account we give this week of Zion's work in Australasia, and many prayers will ascend to God for our beloved Brother and Sister, Overseer and Elder Wilhide, who are laboring so devotedly and successfully in that distant field.

THE ORGANIZATION of Zion in its three great divisions, Ecclesiastical, Educational and Commercial; the preparation for Zion's Work in the Coming Spring and Summer; the extensive Alterations being made in Zion Home in turning it into our Headquarters and Offices; the purchase of new machinery, etc., for Zion Printing Works and Publishing House, have all called during this past week for special attention.

Add to this our many public meetings, and private conferences, and our vast correspondence, and it will be seen that we are busy with the King's Business in Zion and in all parts of the world.

AMIDST the details of the work, which compel us to work often night and day, we continue to be kept in perfect health and strength.

For this we give God praise and glory.

Our hearts go forth in earnest prayer for all Zion everywhere, and for the many thousands especially whose faces are now set toward Zion City, that they may be blessed in their preparations, and that we may be enabled to receive them speedily into a City of Habitation where God reigns in all its homes and in all its enterprises.

BRETHREN, PRAY FOR US.

HEALED OF TUMOR OF NINE YEARS' STANDING.

LYON'S HEAD, ONTARIO, CANADA, December 29, 1900.

MY DEAR OVERSEER:—It is with a very thankful heart that I write a few words of praise to God to let others know what God has done for me.

As I write, I am praying to my Father in Heaven that it may help some one who is suffering as I suffered.

About thirteen years ago I had a pain in my side. I went many times to see a doctor, but he never told me what it was.

Four years ago this March I went to the same doctor with a very bad pain in my breast. Then he told me the pain in my side was a tumor, and I would have to undergo an operation.

The next day I went to another doctor near my home.

He told me that I could not live long without undergoing an operation.

At that time I was suffering a great deal of pain, but I made up my mind I would die rather than undergo an operation.

For some weeks I suffered much.

Then a lady sent me LEAVES OF HEALING.

I sent to Zion for prayer, and from that time, four years next summer, I have never taken one drop of medicine.

God saved me, healed me, and now He is keeping me by His almighty power.

I thank our General Overseer for his many kind words to me; also for his prayers to God for myself and family.

Your Sister in Christ, (MRS.) EDWARD BARLEY.

My God and Father, in Jesus' Name I come to Thee. Take me as I am. Make me what I ought to be, in spirit, in soul, in body. Help me to do right, no matter what it costs; to do it quickly in Thy sight, and to my fellowmen. Give me true Repentance and power to do right, and Thy Holy Spirit, that my spirit may be clean, that my blood may be clean, that my body may be healed, that I may be clean throughout. Help me to persevere until I get this perfect blessing, for Jesus' sake.

THE above Prayer of Consecration which was used with the Divine Healing address by our General Overseer, published in LEAVES OF HEALING, Volume VIII, Number 16, was accompanied by the following remarks:

The General Overseer desires every sin and sickness-oppressed reader of these addresses to pray with those who heard these words, the Prayer of Consecration, asking God to follow it with immediate deliverance from the bondage of corruption, whether it be in their spirits, souls or bodies.

Probably there are but few who are so wholly free from sin or sickness that they have attained to the perfect blessing of which the prayer speaks.

The letter which follows is from a lady in Kansas who was

Blessed Through the Prayer of Consecration.

DEAR GENERAL OVERSEER:—A few days ago I had a slight attack of tonsilitis, which grew worse until February 21st. It felt as if I were going to swallow my palate.

In the evening I was reading the report of your lecture on Tuesday, January 22d.

Before retiring I prayed the Prayer of Consecration as you desired all readers to do.

When I awoke the next morning my sore throat was gone and I have not felt it since.

That was the first sickness I have had for nearly a year.

I thank God for my health and for my deliverance from tonsilitis.

The following letter was written to Evangelist Cantel by a lady in London, who was

Healed Through Reading Zion Literature.

31 GREY COAT GARDENS,
WESTMINSTER, LONDON, February 10, 1901.

REV. H. E. CANTEL.

Dear Sir:—Three years ago I had typhoid fever.

I was given up by the doctors.

I got over the fever, but have since suffered from internal ulcers.

Last summer a member of Zion gave me some tracts on Divine Healing.

As I read them, I thanked God that I felt His Healing Power.

Now I am stronger than ever before.

I wore glasses. The doctors said I would always have to wear them.

On January 31st I asked you to pray for me.

I left off my glasses, and that same night my eyes were healed. I can now see as well as any one.

I have proved that Jesus is the same today.

May God bless our General Overseer and all Zion.

Yours faithfully in Christ, E. P. SANDERS.

Zion Literature goes forth teaching the people that the "Ordinance of Believers' Baptism by Triune Immersion is the Seal of the Living God," and that it was commanded by our Lord Himself after His resurrection in these words:

Go ye therefore, and make disciples of all the nations, baptizing them into the Name of the Father and of the Son and of the Holy Ghost.

Thousands in Zion have obeyed this command and have received blessing through their obedience. The following letter was written to Evangelist Cantel by a gentleman in London who was

Healed When Obedient in Baptism.

13 AIR STREET, REGENT STREET,
LONDON, W., February 24, 1901.

DEAR EVANGELIST CANTEL:—God blessed me after being baptized.

The Devil did not want me to go.

I had rheumatism in my back and leg.

The Devil said, "If you go, you will get worse, the water is so cold."

I did not listen to him, but obeyed God.

God blessed me, cleansed me, and took away the rheumatism.

I pray God to keep it away forever.

I desire you to pray that God may keep me strong in faith and obedient in all things.

Your obedient Brother in Christ, JOHN FRED FUCHS.

Healed of Inflammation of Eyes Through Prayer.

Elder Isaac Leonard writes from Vineland, New Jersey:

OVERSEER-AT-LARGE PIPER.

My Dear Brother:—The long-looked-for tracts and leaflets are received.

Many of them are already in the hands of readers, and we are praying and watching for results.

I gave two copies of LEAVES OF HEALING to Brother Crawn, pastor of the Baptist Church in Clayton, some time ago.

He sent one of them to a friend in Western Minnesota.

Unknown to them, this lady was terribly distressed with inflammation of the eyes.

Doctors had said there was no hope of a cure. Only a little patching up was all they hoped for.

At this juncture that copy of LEAVES came into her hands.

She had never heard of LEAVES OF HEALING nor of the General Overseer.

The rest of the story you doubtless know.

She wrote to Zion for prayers. She was instantly healed at the appointed hour of prayer, so Brother Crawn tells me.

Since then he and his wife have been to see us.

Mrs. Crawn had been terribly distressed with indigestion. She could retain no food.

She came for prayer and healing.

She obtained what she came for.

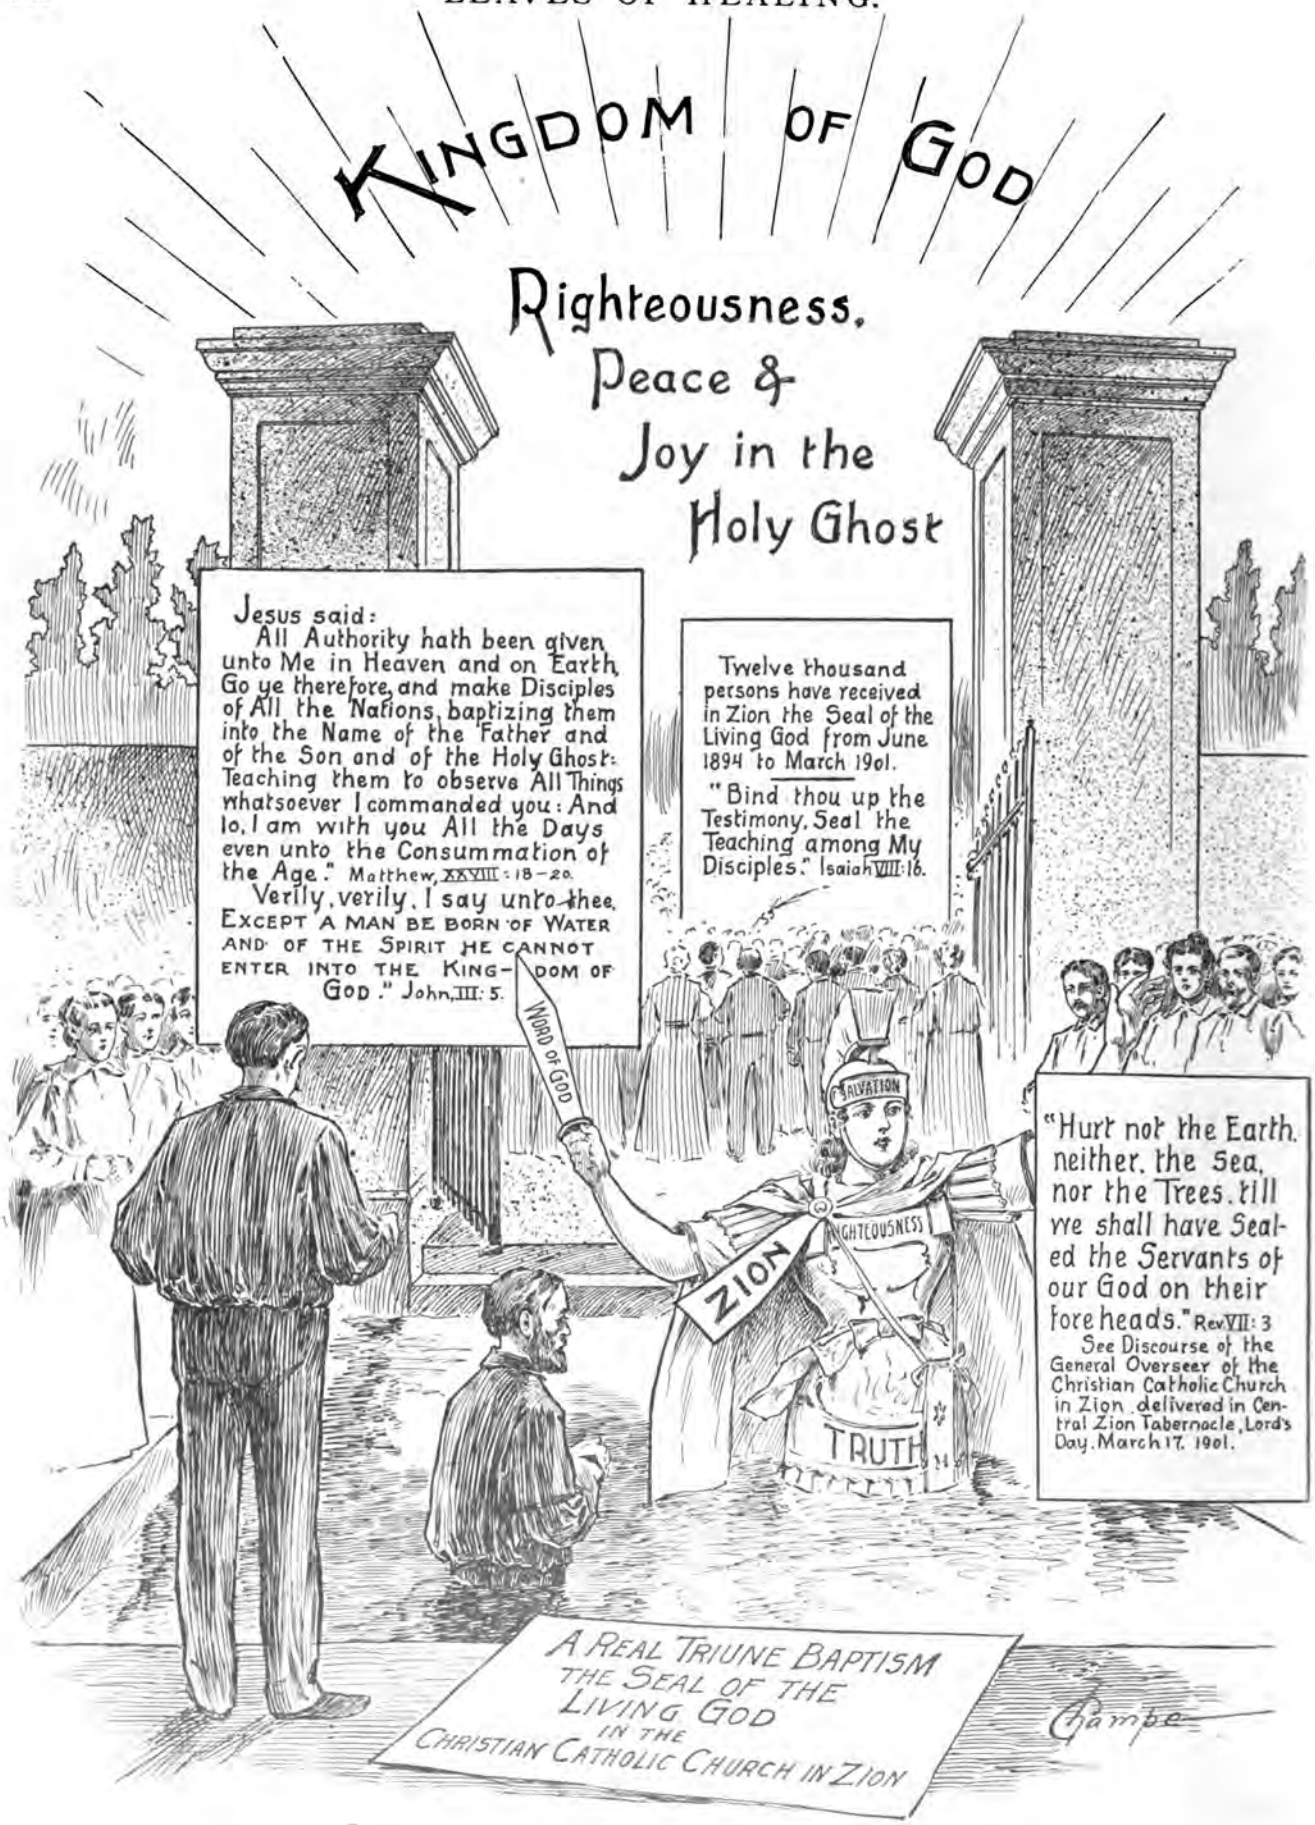
She ate a hearty supper and went away rejoicing that Jesus is the same Healer as of old.

Zion Literature Free Distribution Mission needs your help, dear reader, to send out this Full Gospel Message which is to call out a people who shall be prepared for the King at His coming.

When that will be, none knows. But in the meantime we will work with our might to help the world.

We know that time is precious and we had better do all that lies in our power to save the sick and sinful while we have opportunity.

The night comes when no man can work.



It may be nearer than we think.

Will you not become a member of Zion Literature Free Distribution Mission and give us your help regularly?

THE SEAL OF THE LIVING GOD.

Report of Meeting held in Calumet Opera House, South Chicago, Illinois, Lord's Day Morning, March 17, 1901. Sermon. "The Kingdom of God."

Report of Meeting held in Central Zion Tabernacle, Lord's Day Afternoon, March 17, 1901. Sermon: "The Seal of the Living God."

REPORTED BY S. D. AND E. W. AND A. W. N.

LORD'S DAY, March 17, 1901, was in perfect contrast with the stormy Lord's Day a week before. The air was balmy, the sky cloudless, the sunshine bright and warm.

All nature and all men were rejoicing in the relaxation of the fierce grip of Old Winter.

In the morning, the General Overseer was announced to speak in Calumet Opera House, seating between 2000 and 3000 people, in the suburb of South Chicago.

A special train on the Illinois Central Railway left the Central Station at 9:20 o'clock in the morning.

The train, consisting of ten cars, was filled with about 400 happy Zion people, including the General Overseer, a large number of the Ordained Officers of the Church, about one hundred members of Zion's White-robed Choir, a number of Zion Guard, and a large number of the members of the Church.

The journey was a delightful one, and it was a joy when the destination was reached to find the large Opera House crowded with a very respectful audience.

The General Overseer spoke briefly, but with great power.

God blessed the Message to the large audience, leading many, by His Spirit's power, to arise, deeply moved, at the close and for the first time to pray God to take them as they were and make them what they ought to be; to give them power to repent, confess, restore, believe and obey.

Many thanked the man of God for his stirring but loving words on this memorable occasion.

Mountains of prejudice fostered by a lying press and a cowardly pulpit were removed and Zion's work in South Chicago was firmly established by this visit, which had practically taken the place by storm.

Crowds thronged around the doors of the Opera House, curious to see the General Overseer and his party arrive. When the service was over thousands gathered again at the doors, and stood in large groups along the route to the railway depot, to see the procession of Zion's Guard of Honor which accompanied their leader. The railway depot and its neighborhood was filled with a great throng of people, all of whom behaved most respectfully to their visitors from Zion's Headquarters.

In the afternoon a very large audience in Central Zion Tabernacle heard one of the most wonderful Messages of the Age, the Proclamation of the Seal of the Living God and of the fact that the One Hundred and Forty and Four Thousand were being sealed in Zion.

The General Overseer has seldom spoken with greater spiritual power than on this occasion, when, as the Messenger of God, he declared the time to be fulfilled, the "Times of the Restoration of all things" to have begun, and prayed God for mercy: not to hurt the sea, nor the earth, nor the trees, until the One Hundred and Forty and Four Thousand should be sealed with the Seal of the Living God, a Real Baptism by Triune Immersion, in Zion, to whom He had committed the Seal.

Then he looked forward, and pointed his intensely attentive hearers to the glorious multitude, "which no man could number"; which should be saved after the sealing of the One Hundred and Forty and Four Thousand.

The sermon was closed with a ringing call to obedience to God in all things, especially in Baptism. So great was the power of the Holy Spirit, carrying the Message to the hearts of the hearers, that there were almost no exceptions when the entire audience arose and consecrated themselves to God.

The meeting was opened by Zion's white-robed choir singing the Processional:

We march, we march to victory,
With the cross of the Lord before us,
With His loving eye looking down from the sky,
And His holy arm spread o'er us.

We come in the might of the Lord of light,
With armor bright to meet Him;
And we put to flight the armies of night,
That the sons of the day may greet Him.

Our Sword is the Spirit of God on high,
Our Helmet is His Salvation,
Our Banner, the Cross of Calvary,
Our Watchword, the Incarnation.

And the Choir of Angels with song awaits
Our march to the golden Zion,
For our Captain has broken the brazen gates
And burst the bars of iron.

Then onward we march, our arms to prove,
With the banner of Christ before us,
With His eye of love looking down from above,
And His holy arm spread o'er us.

MORNING SERVICE.

Calumet Opera House, South Chicago, Illinois, Lord's Day Morning, March 17, 1901.

The meeting was opened by singing Hymn Number 151:

Come, ye that love the Lord,
And let your joys be known,
Join in the song with sweet accord:
And thus surround the throne.

CHORUS—We're marching to Zion,
Beautiful, beautiful Zion;
We're marching upward to Zion
The beautiful City of God.

The General Overseer then read from the third chapter of the book of the Prophet Malachi, and in the Gospel according to St. Mark, the first fifteen verses of the first chapter.

Overseer Speicher then offered prayer, the General Overseer following.

The Overseer for Chicago and Elder W. J. Stith, Elder-in-Charge of South Chicago (Parkside Zion Tabernacle), made the announcements, after which the tithes and offering were received, Zion's White-robed Choir singing Stevens' *Te Deum*.

THE KINGDOM OF GOD.

The General Overseer then said:

INVOCATION.

Let the words of my mouth and the meditation of my heart be acceptable in Thy sight, and profitable unto this people, and unto all to whom these words may come, in this and every land, in this and all the coming time, till Jesus come, for His Sake. Amen.

In the first chapter of the Gospel according to St. Mark, in the first three and the fourteenth and fifteenth verses, you will find the words:

TEXT.

The beginning of the Gospel of Jesus Christ, the Son of God.
Even as it is written in Isaiah the Prophet.
Behold, I send My Messenger before Thy face,
Who shall prepare Thy Way;
The Voice of one crying in the wilderness,
Make ye ready the way of the Lord,
Make His paths straight;

. . . . . .

Now after that John was delivered up, Jesus came into Galilee, preaching the Gospel of God, and saying, The time is fulfilled, and the Kingdom of God is at hand: repent ye, and believe in the Gospel.

Jesus Christ Not the First Preacher of the Gospel.

"The beginning of the Gospel of Jesus Christ the Son of God," was not the preaching of Jesus Christ Himself.

As this narrative so plainly shows, "The Beginning of the Gospel" was the proclamation by the Forerunner of Jesus, the Messenger of God's Eternal Covenant in that day, John the Baptist.

The wonderful story of John the Baptist must never be forgotten in connection with the Advent of Jesus Christ, our Saviour.

John was the "porter" who opened the door for "the Good Shepherd," and, therefore, to all the blessings of the Christian Dispensation.

Jesus said:

He that entereth in by the door
Is the Shepherd of the sheep.
To Him the porter openeth;
And the sheep hear His Voice:
And He calleth His own sheep by name,
And leadeth them out.

John himself, however, did not at first know who Jesus was. Elizabeth, his mother, was a cousin of Mary, the Holy Blessed Virgin Mother of Jesus the Christ. Notwithstanding this close relationship between their mothers, John did not know the Divine character and person of his Cousin. He expressly says:

And I knew Him not: but He that sent me to baptize with water, He said unto me, Upon whomsoever thou shalt see the Spirit descending, and abiding upon Him, the same is He that baptizeth with the Holy Spirit. And I have seen, and have borne witness that this is the Son of God.

John the Baptist had the Seal of the Living God.

The Seal of the Living God is a Real Baptism.

That Seal is not the mockery of a little water on a baby's face. That is not Baptism.

A Real Baptism is a Baptism "into the Name of the Father, and of the Son, and of the Holy Ghost."

That Baptismal Seal was given on that day when God the Father spoke from Highest Heaven; when the Holy Spirit came in visible form, when Christ was thus proclaimed to be the Son of God by the Father and the Holy Spirit.

Zion has today that Seal of the Living God, thank God! (Amen.)

Nine Thousand Six Hundred and Twelve have been baptized in Zion in four years, and over Twelve Thousand since 1894.

John the Baptist was sent to open the door as the Divinely chosen "porter," and prepare the way. His Voice rang out in demands for Preparation by Repentance and Obedience.

He was a burning and shining light.

He made kings to tremble on their thrones and brought cruel soldiers, in penitence and faith to cry for mercy from their God.

That mighty man who had cried, "Make ye ready the Way of the Lord, make His paths straight," proclaimed that Jesus Christ was "the Lamb of God which taketh away the sin of the world." Therefore he said, "He must increase, but I must decrease. He that is from above is above all."

So John passed away into obscurity. He was arrested by the evil influence of Herodias, who hated him because he had reproved Herod for living in adultery with her. She sought his heart's blood, and was never satisfied until she had caused his head to be struck from his shoulders in a dungeon in the Castle of Machaerus. But the righteous never die.

You may take John the Baptist's head from his shoulders, but the chariots sweep low—they swept low for Elijah—and did not the Baptist go upward, attended by shining hosts, to God?

Oh, it is not Herodias, the murderess, but it is John the Baptist, who shines in the glory today.

The beginning of the Gospel of Jesus Christ in that age and in this, is the Seal of the Living God, a Real Baptism.

After John was cast into prison, Jesus came. We have the story of what His Gospel was.

He said, "The time is fulfilled."

Because to every purpose there is time and judgment; therefore the misery of man is great upon him.

Because men fail to see God's time; because men fail to recognize God's great purpose; because they fail to do in time what they ought to do; because they put off repentance, and faith and hope, and love and devotion to God until their lives are burnt out with the accursed naphthaline rivers of passion, the cry comes up from the depths of hell from those multitudes, "The harvest is passed, the summer is ended; we are not saved. We might have been, but we would not when we could have been."

The Time is Fulfilled.

The time is fulfilled now.

The "Times of the Restoration of All Things, whereof God spake by the mouth of His Holy Prophets," has come now in

this year of grace, 1901, in the opening of this Twentieth Century.

"The time is fulfilled."

"The Kingdom of God is at hand."

"Repent ye, and believe in the Gospel."

The Old Message rings out once more in Zion today.

The days in which we live show clearly that the time has come when men, utterly wearied out by every form of human government, are turning to God, who alone can rule humanity.

When men say that they believe in the government of the people, by the people and for the people, they are simply uttering a sentiment of shameful selfishness. If a man should stand here today and say to you: "I believe in the government of John Jones, by John Jones, and strictly for John Jones," would that man not be an incarnation of selfishness?

The man who believes in the government of himself, by himself and for himself thinks that he is saying a wonderfully good thing. On the contrary, he is saying a wonderfully mean thing, and he proclaims himself to be selfish from first to last—*of* self, *by* self, *for* self.

When a man can say, "I believe in the government of myself by God and for God," he is fulfilling the Divine purpose.

"The Time is fulfilled."

Men Have Lost Faith in All Forms of Government.

You talk about a Republic governing you in America. Do you not know that it is the boss who governs?

You say, "We vote for the man who shall rule us." Yes, but the Republican and Democratic "bosses" give you a choice of two evils, and it is exceedingly hard to select the least sometimes. (Laughter.)

You are strictly limited by the "boss" who has settled all beforehand as to your choosing one of two. It is a question of Pompey and Cæsar. They are both bad oftentimes, and the only question is, which is the worst of the two?

There is only one other alternative occasionally presented, and that is, "the sacrificial lamb"—sometimes it is a "goat"—which you are invited to vote for, although every voter knows he is simply engaging in an electoral funeral.

As Christians, we are not justified in throwing away votes upon impossible candidates; and we are justified in keeping the worst man of two from obtaining power, and using our influence to get the better of the two to do right.

Do you not see it?

Is it not plain to you that your primaries, where only one-tenth of the people who are entitled to vote, select the candidate?

It is as plain as men can make it that the wretched saloon tramps who run the primaries create your candidates. They create your legislators. They create your governors. They create the presidents.

Has the time not come when men see that some one better than a political boss must rule?

Has the time not come for men everywhere to say, "Oh God, come Thou and reign upon this earth"? (Amen.)

The whole earth is crying out for its King, for its Saviour, for its Deliverer, for the Christ. The Gospel which we preach today is the Gospel of the King.

Do not forget that.

The Gospel is Not the Gospel of the Church.

It is the Gospel of the Kingdom of God.

There is no Gospel of the Church.

The Church is a very small thing compared to the Kingdom.

Know you not that if you take the Gospel according to St. John, and read it from the first word to the last, you will not find the word "Church" in it?

If you take the Gospel according to St. Luke, and read it from the first word to the last, you will not find the word "Church" in that Gospel.

If you take the Gospel according to St. Mark, and read it every word from the first to the last, you will not find the word "Church" in that Gospel.

Only in Matthew in two places will you find the word "Church." See Matthew 16:18 and 18:14.

That is a remarkable fact: that in the whole of the four Gospels the word "Church" is only used twice. Yet today the Church is everything in the denominations, and the Kingdom is almost nothing.

That is the mistake; yea. it is a sin.

The Kingdom should have been preached, and not the Church.

When Christ came to preach, He came to preach the Gospel of the Kingdom of God. All His parables are concerning the Kingdom of God.

He puts it in very plain language. He says the Kingdom is like unto a merchant seeking goodly pearls who wants the very best pearl he can get.

He goes up and down. He goes to Rome; he goes to Athens; he goes to Corinth; he goes to Ephesus; he goes to Jerusalem.

Suddenly he hears of a pearl which is finer than any he has ever known about. He goes to look at it. As he sees it he says, "That pearl is the finest pearl in all the world. What will you take for it?"

The man names a great price. If he is to buy it, the merchant knows that he must sell all his pearls; that he must sell all his property; that he must sell everything he has, houses and lands, and personal property, and then he will just have enough to buy that pearl.

Know you not that the Kingdom of God is like that?

When a man has seen what Christ is to him, the Pearl of Greatest Price; when he has seen what the Gospel is; when he has seen what Salvation and Healing and Holy Living means, he says: "For that Pearl of Salvation, Healing, Cleansing and Heaven, I will give Him all, and give it gladly."

Know you not that when you really "enter into the Kingdom of God," all other organizations and affiliations are as nothing? You cease to boast of your country, your family, or your opinions. Heaven on earth has come: for the Kingdom of Heaven has come into you.

The Parable of the Talents.

The Kingdom of Heaven is like unto a man who leaves his money, servants and property in the hands of others. To one he gives one talent; to another two; to another five. He goes away into distant parts and spends years. Then he comes back and asks an account.

The man who has five talents says, "Lord, here are your talents. I used them and traded with them, and they have become ten. They are thine."

The man who has come back from the distant parts says, "Well done, good and faithful servant: thou hast been faithful over a few things: I will make thee ruler over many things: enter thou into the Joy of Thy Lord."

Another man comes and says: "You gave me two talents, lord; they became four. Take the four. They are thine."

Well done, good and faithful servant: thou hast been faithful over a few things: I will make thee ruler over many things: enter thou into the Joy of Thy Lord.

Then comes up the miserable wretch who says: "You gave me one talent. I knew that you were a pretty hard man; that you reaped where you had not sown, that you gathered where you had not strawn, and I thought I would not risk your talent by trading with it. So I took a lot in South Chicago, and put it all into that. (Laughter.) All I have is the lot. Take it."

"Ah, you wretch! Who told you to put all your talent, all your life, into a piece of land in South Chicago?"

Apply the Lesson of the Parable of the Talents.

Who told you to put all your life into a dramshop or into a theater, or into some infernal business which God the Almighty can never bless, which you can never pray over?

Can any man pray over selling beer, gin or tobacco?

Can you pray over selling liquid fire and distilled damnation?

Can you pray over selling that which makes people poor and miserable, and sick and criminal?

Can you ask God to bless it?

You wretches, you know that you have lost your talent. You know that you cannot give an account to God.

You cannot ask God to bless you, you dirty nicotine stinkpot sellers! (Laughter.)

Can you sell that tobacco, and ask God to bless it? to bless it to the poor boys who smoke it and destroy themselves? to bless it to the men who defile their bodies and defile God's earth?

You may try to have God bless it; but He will not.

God says to the man who wastes his talent, "I gave you life, and what have you done with it? You have gone into the enemy's country to feed swine, and to endeavor to fill your

belly with the husks which the swine eat. Repent, and obey Me: for you never can get blessing until you quit sin."

Is it hard to hear your doom now from my lips? You will find it harder at the Judgment Seat.

You can walk out now, but you cannot go away from God when He condemns you for your sin.

You had better repent and do right, and trust in God, now.

The Gospel of the Kingdom of Heaven as Christ preached it, was a Gospel which began with Repentance.

"Repent Ye, and Believe in the Gospel."

That is the first thing.

No use talking about believing until you repent.

Repentance, not faith, is the basis of Divine Life.

You must give up your sin.

You must confess the sin.

You must make right the wrong.

You must restore wherein you have wronged.

You must do right to your fellowmen.

You must come to God and say, "Father, I have sinned against heaven and in Thy sight."

Then you must trust God.

You must trust His Son who bore the cross, suffered the shame, bled and died and rose again, and ever liveth to intercede for sinners. Bless His Name forever!

He is the friend of sinners at all times. You must believe Him.

You must do what He tells you.

You must obey Him.

You must be baptized, and you must work for Him.

You must love Him and serve Him.

He will give you Salvation.

He will give you Healing.

He will give you Cleansing.

He will give you Eternal Life and Love and Joy.

All in this place today who desire that God shall lead them to heaven, stand and tell Him so. (Many hundreds arose.)

PRAYER OF CONSECRATION.

My God and Father, in Jesus' Name I come to Thee. Take me as I am. Make me what I ought to be, in spirit, in soul and in body. Give me power to do right, no matter what it costs; to confess my sin to those whom I have wronged; to restore that which is not mine; henceforth to do right, to trust Thy Son Jesus, my Lord, "the Lamb of God who taketh away the sin of the world." For His sake, take away my sin. Cleanse my spirit, my blood, my soul, my body. Make me clean. Give me power to do right by Thy Spirit's power, for Jesus' sake. (Amen.)

Did you mean it?

Audience—"Yes."

General Overseer—Sing with me "I Will."

After the hymn "I Will be Wholly Thine" had been sung, the services were closed by the General Overseer offering the following

PRAYER AND BENEDICTION.

Our Father, grant that every one may realize the solemnity of singing "I Will," and by the Grace of God let Thy Kingdom now come into them. Give us the strength now that Thy will shall be done in us on earth as it is in heaven. (Amen.)

God help us. Bless this assembly. Bless us in all the work which lies before us in all parts of this great city, and this great land, and all the world.

Grant, oh God, that we may each do our part in hastening the coming of our Lord, when, no longer a suffering Saviour, He shall come in great power and glory to reign upon this earth and shall gather His elect from the four winds of heaven. May we be counted in their number, for Jesus' sake.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who will also do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. Amen.

AFTERNOON SERVICE.

Central Zion Tabernacle, Lord's Day Afternoon, March 17, 1901.

The services were opened by singing Hymn Number 391:

Look, ye saints, the sight is glorious;
See the "Man of Sorrows" now;
From the fight returned victorious,
Every knee to Him shall bow.

REFRAIN—Crown Him, crown Him, angels crown Him,
Crown the Saviour, "King of Kings."

The General Overseer then read in the inspired Word of God, first in the book of the Prophet Isaiah, in the eighth chapter, beginning at the fifth verse, and then in the Revelation of Jesus Christ which He gave to His servant John, the seventh chapter, closing with the following prayer:

May God bless His Word.

Prayer was then offered by the General Overseer.

HAVING THE SEAL OF THE LIVING GOD.

After the announcements had been made and the tithes and offering received, the General Overseer delivered the following discourse:

INVOCATION.

Let the words of my mouth and the meditation of my heart, the instruction of Thy Spirit, be acceptable in Thy Sight, and profitable unto all to whom these words shall come, in this and all lands, in this and all the coming time, till Jesus come. Amen.

TEXT.

Bind up the Testimony, Seal the Teaching among My Disciples. And I will wait upon the Lord, that hideth His face from the house of Jacob, and I will look for Him. Behold, I and the children whom the Lord hath given me are for Signs and for Wonders in Israel from the Lord of Hosts, which dwelleth in Mount Zion.—Isaiah 8:16-18.

"Bind thou up the Testimony, seal the Teaching among My disciples."

The Record of Four Years of Baptisms in Zion.

Last Wednesday night I closed four years of Baptisms in this Tabernacle, and in various places outside of it during that period: from March the 14th, 1897, until March the 13th, 1901.

The Record as published in the last two pages of LEAVES OF HEALING of Saturday, March 16th, we have now "bound up" into that Eighth Volume, which is now current. That Record shows that in four years Nine Thousand Six Hundred and Twelve persons were baptized in this Christian Catholic Church in Zion by the Ordinance of Christian Baptism by Triune Immersion.

The record of those baptized before March 14, 1897, has not been perfectly kept, but it is supposed, as a minimum estimate, that in two years and eight months of Baptism by Triune Immersion, from July 15, 1894, until March 14, 1897, Two Thousand Five Hundred persons were baptized.

That makes a grand total of Twelve Thousand persons baptized in Zion.

Bind thou up the Testimony, Seal the Teaching among My Disciples.

We have "bound up" the Testimony.

One reason why I published these lists of the persons baptized from week to week was that the numbers were so large that they were challenged by the enemies of Zion outside, who said it was simply incredible to suppose that from week to week and month to month such large numbers could be baptized in any one Church. I suppose the incredulity arose from the fact that

The Record is Without Precedent in the Anglo-Saxon Race in All Time.

It is, perhaps, without precedent in any time since apostolic days.

In saying this, I do not forget that when Christianity was first planted by Augustine in the British Isles, in the Sixth Century, that it is recorded that he baptized ten thousand pagans in one day.

But as Neander, the Church historian, says that "great numbers were induced to receive Baptism, with many of whom, however, as was shown by succeeding events, the faith had taken no deep root." (Church History, Volume 3, page 13.) And again he says, page 18: "The conversion of many to Christianity had been brought about by the influence and example of their King, or by momentary impressions on the senses, rather than by any well-grounded conviction." Vast numbers, therefore, of those baptized "relapsed into the old idolatry."

I am speaking of the Baptism of real converts, people who have truly repented, who have intelligently believed, and whose lives prove that, with few exceptions, they were "born of God."

The average of Baptisms in Zion has been Two Thousand Four Hundred each year during the past four years. That is an average of Two Hundred each month, Fifty each week, and for every single day of these Four Years, between Six and Seven persons.

Original from NEW YORK PUBLIC LIBRARY

This is not, to my thinking, a very great Record. Indeed, I am perfectly certain that the note which I have written in Saturday's LEAVES OF HEALING regarding the possibilities is within the truth. If we had facilities for baptizing those who desire Baptism in God's way by Triune Immersion; if we had Elders who could take charge of hundreds of stations which are seeking Elders, and for which we have no one yet whom we can spare from stations which they already occupy, we should have baptized One Hundred Thousand persons by this time, not Twelve Thousand.

In Zion Temple, in which I trust God will give me grace to meet you by and by in Zion City, I hope to see baptized there numbers which will not only reach hundreds, but thousands in one day.

We have now reached the first Twelve Thousand, and in the sealing of the One Hundred and Forty and Four Thousand, the numbers are divided into Twelve Thousand of each of the Twelve Tribes.

I desire to speak concerning this Seal of the Living God to a Living Church, and to say something today, which I trust will be remembered by those who have been baptized, and will be carefully noted by those who have not been baptized.

I shall say something today which, I hope, will be effectual when sent forth through LEAVES OF HEALING to every land beneath the sun.

I proclaim the fact that

God Has Sent His Messenger to Seal His People.

This prophecy in Isaiah 8, verses 16 to 18, is a very remarkable one. That it belongs to the Christian Dispensation is without question; for it is quoted in the Epistle to the Hebrews in connection with our Lord Jesus Christ's own ministry.

The prophecy reads: "Behold, I and the children whom the Lord hath given me." It is the children whom the Lord hath given somebody. It is not merely the Lord's children, but it is the children whom the Lord has given to somebody through whom the Holy Spirit has so effectually wrought that he has been the "spiritual father" of many thousands. Paul wrote (1 Corinthians 4:14, 15) as such a "spiritual father," saying, "I write not these things to shame you, but to admonish you as my beloved sons. For though ye should have ten thousand instructors in Christ, yet have ye not many fathers: for in Christ Jesus I begat you through the Gospel."

It is a Glorious Privilege to be able to speak of one's spiritual children in the language of a portion of my text:

Behold, I and the children whom the Lord hath given to me are for Signs and Wonders in Israel from the Lord of Hosts, who dwelleth in Zion.

This is quoted, therefore, primarily, as referring to Christ Himself, in the second chapter of Hebrews, thirteenth verse:

And again, I will put my trust in Him. And again, Behold, I and the children which God hath given Me. Since then the children are sharers in flesh and blood, He also Himself in like manner partook of the same; that through death He might bring to naught him that had the power of death, that is, the Devil, and might deliver all them who through fear of death were all their lifetime subject to bondage.

Therefore, the Seal of the Living God is the Seal of Salvation Upon Those Who Are Saved.

It does not matter what you think. It does not matter what I think when we are face to face with God's Word, for the one thing that will stand forever and forever is what God thinks. God's is the only thinking that is worth thinking, it is the only thinking that is worth considering; the thoughts of God which stand forever!

The Word of God has made it plain that the time would come when this Testimony should be "bound up"; when it should be upon distinct Record; when every name of every one baptized should be recorded; when that record should stand, and when the enemy who would sneer and say, "The thing is impossible," would simply sit down to count the names, and see whether the simplest operation in arithmetic, simple addition, did not prove that it was true.

You can take the pages of LEAVES OF HEALING—they are accessible to you—and you can count the names of all of those who have been baptized in the 9600. I believe we have underestimated when we say that over 2500 were baptized before we began to keep the record. We have underestimated even the number who have been baptized to this day; for our lists are not yet all in for the four years, from many parts of the world. Lists of some baptized in South Africa, Australia, Europe and other parts of America have not yet reached us. Hence we know that, adding together those who have been baptized, but whose names are not recorded in LEAVES OF HEALING, there are at least 12,000.

What Does Real Baptism by Triune Immersion Mean?

It is time, when the first 12,000 have been baptized by Triune Immersion in the Christian Catholic Church in Zion, to ask what this fact means. It certainly means something.

The remarkable thing about it is that those who have been thus baptized have been brought out of more than fifty different nationalities.

They represent nations in Africa, in Asia, in Australia, in America, and in Europe, and in the Islands of the Sea. They speak more than fifty different tongues.

They comprise members of every religion in churches which are nominally Christian.

They comprise members of the Greek and Roman Catholic churches.

They comprise Lutherans.

They comprise Episcopalians, Methodists, Baptists, Congregationalists, and all the denominations.

They comprise those who were Jews, Unitarians, Spiritualists and Christian Scientists.

They comprise those who were absolutely heathen and Mohammedan when Zion's Message reached them.

They comprise many of God's Israel who have been brought out from among the nations and the apostate churches.

The Record is a marvelous one. It is one which must not be passed by without being considered from this platform in Zion, from whence the Christian Catholic Church in Zion has a right to expect clear and unmistakable Teaching. What does it mean?

Baptism has hitherto, in the nominal churches, been a perfect farce, and for the most part, literally, a "screaming" farce, when babies have been brought and presented to priests for Baptism.

Baby Baptism is a thing entirely unknown to the New Testament, to Christ's example, and also to apostolic example and teaching.

Infant Baptism Not Scriptural.

I will defy any living man to find for me, within the New Testament, a single positive case in which any baby was ever sprinkled, poured upon, immersed once or three times, or in any way whatever baptized.

It is not there.

Baptism was laid down by our Lord Jesus Christ as the Seal of Discipleship, as the Seal of those who had repented, believed and consecrated themselves to God by this act of Baptism.

It is incredible, because it is impossible, for a baby ever to fulfil these conditions.

More shameful and shocking than anything else is it when men and women stand up before a priest or minister, whether he be a minister of the Lutheran, Episcopalian, Roman Catholic, Greek Orthodox, or any other so-called Church, as so-called godfathers and godmothers. That minister, knowing that what he is doing is false, knowing in his heart that the water which he has sprinkled upon that baby has made no change whatever in its heart, will receive vows of godfathers and godmothers who will renounce the World, the Flesh and the Devil on behalf of the baby when the Devil is in them all—ministers and sponsors and parents, beyond all question. The Devil has filled them up, sometimes, with wine or whisky. They stand, sometimes, drunk, when they are taking these vows as godfathers and godmothers. And, oftentimes, all the parties to a "christening" will engage in hours of gluttony and drunkenness at "celebration suppers."

The minister knows that it is a lie, when the sponsors say that they will bring that child up in the nurture and admonition of the Lord. He knows they are powerless to do so.

The Lie of Baptismal Regeneration Nailed Down.

There are thousands of you here who will help me today to nail it down as a lie. Were you not sprinkled?

Voices—"Yes."

General Overseer—Did they not take vows to train you up in the nurture and admonition of the Lord?

Voices—"Yes."

General Overseer—Did they do it?

Audience—"No."

General Overseer—They lied when they made the vow, and

the minister never troubled whether they kept it or not. A Church which has a Baptism of that kind, a Baptism which is a Shameful Lie upon the face of it, is apostate.

Such a baptism is the *Seal of the Living Devil.*

It is that accursed lie of baptismal regeneration which has struck a blow at the very foundations of Christianity in Europe and in America, and everywhere; because every one knows it to be a lie.

It is a shameful lie to say that this child is regenerated by this water, and is now given a new heart and become a member of the Church of the Living God.

Therefore these churches start with a lie.

They start the life of the baby with a lie.

They lie to the mother, and to the father, and accept a lying vow from the godmother and godfather. The whole ordinance of Infant Baptism is founded upon a mass of shameful lying.

When a minister says, as in the Form of Baptism prescribed in the Protestant Episcopal Church of the United States of America, after sprinkling the unconscious babe with water: "This child is regenerate," he utters a horrible lie.

When he says, "We yield Thee hearty thanks, most merciful Father, that it hath pleased Thee to regenerate this Infant," he is a blasphemer, and a deceiver, and a blind leader of the blind.

I denounce Regeneration of Infants by this False Baptism.

It is a Lie of the Devil.

It is a Seal of Apostasy in the Church.

When it was invented, it was because the Church had lost a Real Baptism. Even then it was only slowly that a Real Baptism was lost.

Triune Immersion is the Only Form of Baptism Recognized in the Church for Seven Centuries.

The Church in all its branches, for the first seven centuries in the Christian era, denounced infant Baptism, denounced sprinkling and denounced immersion by one dipping.

Dr. Marriott has shown that fact in his article in Smith's Dictionary of Christian Antiquities. It is known to every scholar who has examined this subject. Schaff and Herzog witness to that truth. All the writers on Baptism and the writers in the Encyclopedias, such as the Encyclopedia Britannica, Chambers' Encyclopedia, and others.

There is no question among scholars that for seven centuries there was no other form of Baptism permitted by the Christian Church than Baptism by Triune Immersion into the three Names, the Father, the Son, and the Holy Spirit.

So much is this the fact that "the Apostolic Canons" alike in the Greek, the Coptic, and the Latin versions give special instructions as to Baptism by Triune Immersion, saying that any bishop or presbyter shall be deposed who violates that rule, and dares to baptize in any other way. The only exception to that universal rule in the early centuries, known in an ordained bishop of the Church of Christ, was the solitary exception of Eunomius, in the Fourth Century.

Eunomius was rejected. He was tried for heresy and excommunicated. The reason for his one dipping was to deny the Trinity of God, to deny the Divinity of Jesus Christ, to deny the Divinity of the Holy Spirit. The Church tried him, not only for false Baptism by one immersion, but for false doctrine connected with that Baptism. He had returned to Arianism, to that horrible form of Unitarianism which has denied the Divinity of Christ, dishonored the Father, dishonored the Son, and grieved the Holy Spirit.

That is a historical set of facts.

Why was it that this was lost?

During the Seventh Century, the National Council of the Church in Toledo, Spain, which had gone far from God, first of all permitted another form of Baptism. It was the Spanish Church which made the Inquisition the most horrible instrument of Satanic cruelty and persecution ever invented. It dragged humanity down into the depths of damnation until God began a Reformation.

Now that Reformation needs to be reformed. That Reformation itself split upon the rocks of Baptismal Regeneration, false practice in Baptism, and false teaching regarding the Lord's Supper.

Luther taught the doctrine of consubstantiation, which is so like transubstantiation that there is just the difference between them of tweedle-dee and tweedle-dum. It is the difference between saying that the bread of the Lord's Supper is the actual body, blood and bones of Jesus Christ before you eat it, when the priest has consecrated it; or saying that it becomes the body, blood and bones of Jesus Christ when the Lutheran minister has gotten you to eat it—mixed with beer and tobacco. (Laughter.)

The Lord Would Never Dwell in an Unclean Body.

Both are abominable lies.

The Lord Jesus Christ would never dwell in a tobacco shop, or in a beer shop. You cannot get Him to dwell inside of you, you dirty devils who are walking stinkpots, and beerpots and whiskypots, and swine's-flesh-pots, and every kind of a dirty pot that you can be.

I would not dwell in you for all the gold of Ophir, you stinkpots!

Dwell inside of you? My God, is it not enough to dwell beside you and have your stink? (Applause and laughter.)

This abominable doctrine of Luther, consubstantiation, is not distinguishable from the lie of Rome, transubstantiation. The teaching of Luther concerning Baptismal Regeneration is not distinguishable from the lie of Rome.

The teaching of a Baptism which regenerates in any form is not a whit different from the Roman Catholic formula.

The Christian Catholic Church in Zion has come to smash these false teachings.

We have the Seal of the Living God, a Real Baptism. (Amen.)

A Real Baptism the Seal of the Christian Dispensation.

What is the Seal of the Christian Dispensation?

What was the one great Seal which God put upon the Christian Dispensation when it was ushered in?

That is the question now. Consider it.

God sent Jesus Christ, born of a Virgin. Before He suffered under Pontius Pilate, He lived for thirty years a life of glorious and beautiful self-abnegation. He was conscious of His own Divinity, of His own call to the Messiahship. Yet He did His duty humbly in almost the lowest ranks of labor, the son as was reputed, although He was not, of a village carpenter.

He labored to help that Holy Blessed Virgin Mother Mary to take care of the other children whom God gave to her by Joseph. The names of four at least are given to us: James, Joses, and Simon and Jude. But alas! even the New Testament writers thought so little of women that they did not record the names of Jesus' half-sisters.

There was considerable of the miserable old Jew about the first apostles. It took a long time to rub off the prejudice and persuade them that a woman amounted to something.

They marveled when Christ talked with a woman, especially a Samaritan woman. I do not see why they should have marveled. I wish I had heard what they said after it was all over. They went into the city to buy meat, and perhaps Judas Iscariot haggled about the price of it in the meat market of Sychar.

They never brought out one Samaritan to Jesus' feet; but that woman, sinful and weary, whom Christ had blessed at that well, brought out all the men. I am sure she brought the women, too, because when a woman of her character brought out all the men, the women of the town would say, "Where on earth is that hussy leading our husbands and sons?" (Laughter and applause.) And they would follow them and see.

She was a very bad woman. She had five husbands, and she was living with a man in adultery. It was only natural that the women would want to see where this woman was leading the men.

If she had gone to the women, they never would have listened to her. But she had oftentimes gone to men and led them into sin, so when Christ put the Living Water in her heart she went to the men, and brought them to Him.

God Can Use the Women Mightily for the Extension of His Kingdom.

There are many women whom the Devil is using now to drag men down into hell in theaters and in operas, who have themselves gone down into sin.

God save them and help them to bring men to God! (Amen.)

A great many of you women have been told by the Lutheran and the Presbyterian, and the Episcopalian and the Roman

Catholic, and the Greek Church ministers that women must be silent, and must not preach or teach publicly.

How dare they say so?

Did Jesus Christ say that? He did not say it.

"Oh, Paul said it," says the Presbyterian.

I would not care a snap about Paul if he did say it, and meant it to apply to all women. I would put him aside because Jesus did not say it.

Moreover, Paul did not say or practice any such thing.

Paul was speaking simply regarding a certain class of women in the abandoned and vicious city of Corinth and other specially wicked and heathen cities.

Corinth was wholly given up to vice, and because there were women in Corinth who were harlots by religious profession, prostitutes of Aphrodite, is that a reason for keeping back the good women in the Church of God?

Voices—"No."

General Overseer—Verily no. I am tired of this thing. I intend to set a whole host of women upon the Devil this year. (Laughter. Amen.)

Our Lord Jesus Christ proclaims

Water Baptism the Seal of Discipleship.

Where?

In two places, and in many others. Let me show you two.

First, in dealing with Nicodemus. Let me give you their conversation a little at length, in order that you may understand fully the points covered.

Nicodemus comes to Jesus and says, "You are a very good Man, Jesus. You are a great Man. No man can do these signs that Thou doest, except God be with him. You are a mighty Man. The miracles are unquestionable. You are a mighty Man."

Jesus looks at him. He says: "Verily, verily, I say unto thee, Except a man be born anew, he cannot see the Kingdom of God."

"What do You say?" asks Nicodemus. "Did You say except a man be circumcised?"

"No, I did not."

"Did You say except a man be sprinkled?"

"No, I did not."

"What did You say?"

"Except a man be born anew, he cannot see the Kingdom of God."

"How can a man be born when he is old? Can he enter a second time into his mother's womb, and be born?" asked Nicodemus.

Oh, he thinks himself bright, does he not?

He is like many others today.

"Nicodemus," says Christ, "that which is born of the flesh is flesh. Nicodemus, that which is born of the Spirit is spirit. Marvel not that I said unto thee, Ye must be born again. I will take you further than I took you the first time. I told you the first time that except a man were born anew, he could not *see* the Kingdom of God. Nicodemus, except a man be born of water and the Spirit, he cannot *enter into* the Kingdom of God."

What is the difference? There is a wonderful difference between "seeing" the outside of a jeweler's window, looking at the beautiful rings and costly ornaments, and being invited to "enter in" and take whatever you like.

There is a Wonderful Difference Between "Seeing" and "Entering In."

There is a wonderful difference, to a hungry man, between standing outside a fine bakery and "seeing" the beautiful things, and smelling the odor of a magnificent dinner, and "entering in" and eating that dinner.

It was a wonderful difference between Moses "seeing" the Promised Land from Mount Pisgah's lofty height and Joshua "entering in." God said, "You shall not enter in, Moses. You have sinned. Joshua, you shall enter in. Go up and take the land."

There is a wonderful difference between "seeing" the Kingdom of God, even when you are born of God, and "entering in" to the gladness and fulness of the Kingdom.

You never can enter beyond the pale of a mean, low first step in the Kingdom until you have been truly baptized.

Except a man be born of water and the Spirit, he cannot enter into the Kingdom of God.

Now mark what I say. I am saying it with great care:

Christ Himself Could Not Have Entered Into the Kingdom Unless He Had Been Baptized.

Christ Himself could not have been proclaimed as the "Lamb of God that taketh away the sin of the world," unless He had been baptized in water.

His was truly a Triune Baptism, the Trinity of God being at the Ordinance.

Let me point out to you the beginning of Christianity.

What is the first Seal? It is the Baptism of Jesus Christ Himself. That is the beginning of Christian Baptism.

John the Baptist Was a Wonderful Man, the Messenger of God's Covenant.

The priests said to him, "Who art thou?"

There are many people who come to me and say, "Who art thou? that we may give an answer to them that sent us."

I have had that question asked me in many places. Usually I decline the interview because I do not think that the mass of our newspaper friends—if they were honest, which nine-tenths of them are not—could really take it down. I do not think that there is one newspaper out of a thousand that would print this sermon.

But John was asked the question. They said, "Art thou Elijah?"

He said, "I am not."

"Art thou that prophet?"

He answered, "No."

They said, therefore, "Who art thou? that we may give an answer to them that sent us. What sayest thou of thyself?"

He said: "I am the Voice of one crying in the wilderness, Make ye ready the Way of the Lord, Make His paths straight."

He said, in effect, "I am preaching the Baptism of Repentance; preaching Righteousness."

John was wrong in saying he was not Elijah. He did not know that he was Elijah. He had not the remotest idea of such a thing. He thought he was simply the son of Zacharias, the priest, and Elizabeth, good man and woman.

He had been born in a miraculous way, because he had been born when Elizabeth was old, and had gone far beyond the time of bearing children, and when Zacharias was an old man. Indeed, Zacharias had laughed when the angel had said that his wife should conceive and bear a son. He became dumb for that laugh.

God Will Close the Mouths of Men Who Laugh at His Messengers.

It does not pay to laugh at a Divine Message. It never did pay.

It has not paid in Chicago for those who have laughed at the Divine Message which God has sent forth from Zion.

It will never pay anywhere. Even Zacharias became dumb.

But when the time came and they were about to circumcise the child and give him a name, they thought they would call him Zacharias, after his father. Then Zacharias called for a tablet and wrote what the angel told him, "His name is John; his name is 'By the Grace of God.'"

The moment he had done that, his mouth was opened. Then he prophesied in that wonderful prophecy declaring that John was to be the forerunner of the Christ.

But he did not know that the spirit inside that little John, that little baby, was the spirit of Elijah. Christ knew it, however, for when Christ afterwards spoke concerning John He said:

Verily I say unto you, Among them that are born of women there hath not arisen a greater than John the Baptist: yet he that is but little in the Kingdom of Heaven is greater than he. And from the days of John the Baptist until now the Kingdom of Heaven suffereth violence, and men of violence take it by force. For all the prophets and the law prophesied until John. And if ye are willing to receive it, this is Elijah, which is to come.

The last word in the Old Testament is:

Behold, I will send you Elijah the prophet before the great and terrible day of the Lord come. And he shall turn the heart of the fathers to the children, and the heart of the children to the fathers; lest I come and smite the earth with a curse.

John did not come before "the great and terrible day."

He came before "the Acceptable Year of the Lord," which Christ proclaimed.

That Day has reached its close.

We have come before "the Great and Terrible Day of the Lord."

I tell you, as the Messenger of God's Covenant, today, you

had better get your hearts turned to your fathers; your hearts turned to your children; your hearts turned to your God, else God will permit this earth to be smitten with a curse.

You had better get ready: for the Time is drawing rapidly nearer and nearer when the four Messengers of Destruction who are bound at the great River Euphrates will be loosed, who have been prepared "for the hour and day, and month and year, *that they should slay the third part of men.*"

Beware and Prepare!

But let us return to Elijah, when he came in the person of John the Baptist—as Jesus said he did—not forgetting that Jesus also said, "*He is to come.*"

Jesus knew better than John. Jesus said, "This is Elijah," and it is written in that glorious Gospel that they knew then that John the Baptist was Elijah.

What was the Seal in John the Baptist's ministry?

Baptism.

What was the Great Seal on Christ?

Baptism.

Christ could not have entered into His own ministry had He not been baptized.

Why? Because John was just as essential as Jesus Christ Himself, to open the gate of Divine Salvation to all the World.

It Was as Essential That the Messenger Should Come as That the Lord Himself Should Come.

It was as essential that the forerunner Elijah should proclaim the Christ as it was that the Christ should come.

John said, in effect, "I did not know that Jesus was the Christ. He was my Cousin. Elizabeth, my mother, and Mary, His mother, were first cousins. They loved each other before He and I were born. He that sent me to baptize with water, He said unto me, 'Upon whomsoever thou shalt see the Spirit descending, and abiding upon Him, the same is that baptizeth with the Holy Spirit.'

"One day I was at the Jordan, and a crowd of sinners were around me—penitent sinners, seeking Baptism—and Jesus stepped into the water.

"He was the beautiful Nazarene, the blameless Son of Mary whom we all loved. I saw Jesus of Nazareth; but in the moment when He approached me and sought Baptism, the heavens were opened, and I saw the Holy Spirit descending like a dove upon Him. I bowed before Him and said, 'Oh Christ of God, it becometh me that I should be baptized of Thee, and not Thou to be baptized of me. Oh, take me, a mortal man, Thou Immortal Son of God, and baptize me.' And my Saviour said to me, 'Suffer it now: for thus it becometh us to fulfil all righteousness.'

"And then, when He went up out of the water I again saw the Holy Dove resting upon Him, and I heard the Voice of the Eternal Father from the heavens say, 'This is My Beloved Son in whom I am well pleased.'

"I had to do it, because He commanded, and I must obey. I did it, and the Holy Spirit sealed Him, the Father sealed Him, and I saw there in Him the Son of God, the Wonderful, the Counsellor, the Mighty God, the Everlasting Prince of Peace.

"The Eternal Father was in Him. The Eternal Spirit was in Him. I said, 'Behold, the Lamb of God, which taketh away the sin of the world!'

"He must increase, but I must decrease."

That was the "Seal of the Living God;" that was the Seal of the Living Spirit upon the Living Son of God.

What other Seal could the Christ Himself give than that which was prophesied of Him. The Testimony of the Old Testament was to be "bound up," finished. "Seal the Teaching among My disciples." Seal it by Baptism.

Therefore when Christ stood, in the bloodless body, on that mountain after His resurrection, when He closed forty days of instruction to His apostles, He said to them these words:

All authority hath been given unto Me in heaven and on earth. Go ye therefore, and make disciples of all the nations, baptizing them into the Name of the Father, and of the Son, and of the Holy Ghost: teaching them to observe all things whatsoever I have commanded you: and lo, I am with you all the days, even unto the consummation of the age.

That Baptism, when they were made disciples, was to be the Seal of Discipleship.

A Real Baptism is the Seal of the Living God in Zion.

We have that Seal.

After this I saw four angels standing at the four corners of the earth, holding the four winds of the earth, that no wind should blow on the earth, or on the sea, or upon any tree. And I saw another angel ascend from the sunrising, having the Seal of the Living God: and he cried with a great voice to the four angels, to whom it was given to hurt the earth and the sea, saying, Hurt not the earth, neither the sea, nor the trees, till we shall have sealed the servants of our God on their foreheads.

Oh God, today I cry in Thy Name, to these four Messengers of Destruction who are bound at the great River Euphrates, "Hurt not the land, nor the sea, nor the trees, but in Thy mercy spare the people until the One Hundred and Forty and Four Thousand have been sealed with the Seal of the Living God." (Amen.)

In Zion we have that Seal.

May God help us to use it.

May God help us to preach it.

I Commit That Seal to the Hands of Those Whom I Have Ordained.

Seal not the children of the Devil.

Seal the children of God.

Seal the servants of God.

O God, swiftly accomplish the number of Thine elect, the One Hundred and Forty and Four Thousand, that they may go forth, and that there may arise "a Great Multitude which no man can number, out of every nation, and of all tribes and peoples and tongues," through the preaching of this Gospel of the Kingdom of God, and the Blessing of a Baptism which is truly "the Seal of the Living God."

May they arise and sing the Song of Salvation to Him that sitteth upon the Throne and unto the Lamb forever and ever.

Have you tasted of that Salvation?

Voices—"Yes."

General Overseer—Have you been sealed with that Seal?

Voices—"Yes."

General Overseer—Not all.

There are some who have kept back because they know that they are not ready.

Get ready now.

Repent now.

Repent a day before you die, and since tomorrow may be that day, repent now.

Believe now. Be baptized now. There will be a Baptismal Service tonight.

Have you been saved?

Audience—"Yes."

General Overseer—Let all those who have been healed through faith in Jesus Christ, stand and tell Him. (Thousands arose from every part of the Tabernacle.)

Did God heal you?

Answer—"Yes."

General Overseer—Did I do it?

Voices—"No."

General Overseer—Did I ask you to pay me anything?

Voices—"No."

General Overseer—Who did it?

Voices—"God."

General Overseer—Did He use me?

Voices—"Yes."

General Overseer—And my Teaching?

Voices—"Yes."

General Overseer—Let the Teaching be sealed. (Amen.)

I command, in Jesus' Name, all who have been saved and healed to be Baptized.

Let all who intend to obey Him fully, stand to their feet and ask God to bless them.

PRAYER OF CONSECRATION.

My God and Father, in Jesus' Name I come to Thee. Take me as I am. Make me what I ought to be, in spirit, in soul, in body, for Jesus' sake. Give me Thy Holy Spirit, that I may do right to all whom I may have wronged; may restore, confess, do right in man's sight and in Thy sight. For Jesus' sake, the Lamb of God who taketh away the sin of the world, take away my sin, my sickness. Make me obedient, that I may have the Seal of God in my forehead, a True Baptism, not the mere putting away of the sins of the flesh, but the appeal of a good conscience toward God. Give me a clean heart, a good conscience, that I may do right and have Thy Seal upon me, for Jesus' sake. (All repeat the prayer, clause by clause, after the General Overseer.)

Did you mean it?

Voices—"Yes."

General Overseer—Overseer Speicher has asked me to let him say something.

Overseer Speicher—"Dear General Overseer, I have had a great struggle in my heart the last two days, and I am convinced the only true, right Baptism is in Zion.

"I was baptized by Triune Immersion when I was twelve

years old. I was a Christian, I am sure. I have been saved since that time, but I was baptized by an unfaithful minister of an apostate Church. That Church taught Baptismal regeneration. I do not know that I believe that this man was even a Christian. He, probably, never was a Christian, and that Church does not teach the True Baptism. I desire to be baptized."

General Overseer—I will baptize you on Wednesday night. I never heard the Overseer say a word about his intention to have all doubts as to the validity of his baptism removed until this moment.

No one can afford to be in any doubt as to whether they have received "The Seal of the Living God," or not.

Get baptized properly.

Get the Seal of God.

Somebody has it.

Somebody has the Seal of the Living God.

I have it: for I am the Messenger of the Covenant of God.

God has given us, therefore, in the Christian Catholic Church in Zion, the Seal of the Salvation and the Healing of multitudes, and the Seal of a Real Baptism. Praise be to God for the first Twelve Thousand. (Amen.)

After the Recessional had been sung, the General Overseer dismissed the Congregation with the following

PRAYER AND BENEDICTION.

Our Father, we pray Thee for Jesus' sake to command Thy blessing upon all servants of God who have not yet been sealed, that speedily the Twelve Thousand may become the One Hundred and Forty and Four Thousand who shall go forth to bring the multitudes from every land, and tribe, and nation, to find Salvation in Thy dear Son. Bless this company. Bless the officers of this Church and the thousands of members in every land.

God bless the Christian Catholic Church in Zion, and seal her with every Seal needed for the accomplishment of her work, for Jesus' sake.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who also will do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. Amen.

Zion's Conflict With Methodist Apostasy.

This book of 200 pages, just issued by Zion Publishing House, contains nine powerful discourses delivered in Central Zion Tabernacle by the General Overseer last May, during the session of the Methodist General Conference. They are of especial value for the full and fearless exposure of Freemasonry.

"The Methodist Church the Property of the Masonic Order," "Freemasonry: A Heathen and Antichristian Abomination," and "Degrees of Masonic Devilry" ought to be read by every lodge man.

The iniquity of the Mystic Shrine is laid bare.

"The Christian's Duty in Breaking a Bad Oath" is the address which preceded the public working of Masonic and Odd Fellow degrees in Central Zion Tabernacle, a full account of which is given.

Buy one of these books and keep lending it. No honest and intelligent man can read the book and still remain a Freemason.

Pittsburg, Pennsylvania.

Zion is steadily gaining a foothold in every large city of the North in the United States.

In many of them there are large Gatherings of the Friends of Zion and many hundreds ready to become members of the Christian Catholic Church in Zion and workers in the extension of God's Kingdom, if only a Messenger is sent to reap the waiting harvest.

It is today as it was in the time of Christ:

Say not ye, There are yet four months, and then cometh harvest? Behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already for harvest.

Pray ye therefore the Lord of the harvest, that He will send forth laborers into His harvest.

One of the places where Zion is going forward and growing strong, even without a regular Ordained Officer, is Pittsburg.

On a recent Lord's Day, Deacon W. B. Kindle and Mr. W. C. Suitt, two of Zion's loyal and earnest traveling men, held meetings with the Gathering at Pittsburg.

In writing of it, Mr. Suitt says:

Hallelujah, Zion is gaining in Pittsburg.

Deacon Kindle and I held meetings with the members and friends there Lord's Day, March 10th.

Although it was a rainy and disagreeable day, the rooms were crowded, several strangers being present.

Among them was Mr. F. J. Lord, of Tyrone, Pennsylvania, who, by the way, is a loyal Zion traveling man.

May God bless and save the traveling men. The vast majority of them need salvation.

Mr. Lord was converted and brought into Zion through reading LEAVES OF HEALING.

He had never met a Zion man until he met us here.

We are praying that the way may open for Zion in Pittsburg to have an Ordained Officer soon.

We feel that this is a great field for the Full Gospel.

Bradford, Pennsylvania.

Deacon W. B. Kindle, of Kalamazoo, Michigan, might, perhaps, be called a Deacon-at-Large on account of his travels and work among the Gatherings of the Friends of Zion in many parts of Pennsylvania, Ohio, Michigan and West Virginia.

His occupation as a traveling salesman gives him this valuable opportunity, and he nobly makes use of it.

He recently visited the active little Gathering at Bradford, Pennsylvania, and sends the following brightly written report of his work:

I spent last Lord's Day in Bradford, Pennsylvania.

I am glad to report that Zion is going forward in that city.

B. S. Love, who is the Conductor there, is doing faithful and effective work, and has an earnest helper in his wife.

They have a very interesting Junior Gathering.

We held an afternoon meeting and administered the Sacrament of the Lord's Supper at close of afternoon service.

We had a blessed time.

We called on Sister Wyncoop in the forenoon and found her suffering with rheumatism.

We prayed with her, and had the joy of seeing her at both the afternoon and evening meetings.

There are several candidates for Baptism there, but Mr. Love was unable to secure a baptistry.

The Baptist Church refused outright, and the United Brethren were holding revival meetings and could not let us have their baptistry.

Mr. Love informed me that a copy of LEAVES OF HEALING which I gave him, together with a little talk, was what turned his face toward Zion.

He thinks he would be in his grave now had it not been for Zion.

I give God all the glory.

Marinette, Wisconsin.

Rev. Daniel Bryant, Elder-in-Charge. Deacon Fred Grandall, Assisting.

Elder Bryant sends us the following report of God's work in Zion in the beautiful sister cities of Marinette and Menominee.

God has honored the faithful work of Elder Bryant and his wife, and is crowning their labors with that sweetest joy: the joy of seeing sinful, sick and sorrowing men and women turn in Repentance to God and be saved, made well, cleansed and made happy.

The following is Elder Bryant's report:

Zion in Marinette, Wisconsin, is rejoicing in the Lord.

We have been busy all winter holding Cottage Meetings and other services in different parts of the cities (Marinette, Wisconsin, and Menominee, Michigan); but now for some time we have been holding services each night in our hall, which has been made very attractive by the skilful hands of our young people.

To the left, worked in letters of evergreen, is the Scripture, "I Know Their Sorrows," while to the front on the wall, over the platform, worked in a similar manner, is the next sweet revelation of Divine Love, "I Am the Lord That Healeth Thee."

The great photograph taken at the Consecration of Zion Temple Site is likewise trimmed in a frame of evergreen.

Our hall is a joy to the eye, and is lighted up with the Love of God beaming in happy faces.

But above all else we give praise to God for the saving of lost men and women.

New faces are constantly appearing and numbers are being saved.

Last Lord's Day we had our first Baptism in our new baptistry, constructed in the lawn of Stephen Pushee, 1827 Liberty Street.

The first to be baptized was a student of the High School, who feels that God has called him to the ministry in Zion and hopes to begin His course in Zion College this fall.

Six were baptized, and at least a score more, we hope, are to follow.

We desire to give notice to all in the victnity of Marinette who have not obeyed God in Baptism and received this Seal of the Living God, to be present Sunday, April 7th, the first Lord's Day in the month, when we expect to have our next Baptism.

Baptism and the Lord's Supper will be observed the first Lord's Day of each month.

Brethren, pray for us in Marinette.

Litchfield, Michigan.

Rev. Martin Hayden, Elder-in-Charge.

Elder Hayden sends us the following account of loss of blessing through a fear to pay God the Whole Tithe, as He commanded, and a renewal of God's favor when the brother resolved not to be a robber of God, no matter what the cost:

John Chupp, who has been working in Zion City for the last three months, returned home some days ago on a visit. Before leaving, however, he asked the brethren to unite with him in prayer that God would send some one to buy his home near Jonesville, Michigan.

Shortly after his return he visited me, and we united in prayer with the same petition.

The buyer came very soon, and a satisfactory price was agreed upon, whereupon the question of tithing came up before his mind.

But it seemed like so large a sum, and he has eight children, ten in his family, that he concluded he would just tithe his wages.

The would-be buyer came back and said that on account of some hindrances, he had to give up the trade.

Mr. Chupp, without the least fear, went to God and told Him that if He would cause the same man, or some other man in his place, to come and buy his home, He should have the Whole Tithe.

The same man came back soon and renewed the purchase, and so the prayer was answered.

ZION IN THE ORIENT.

By Rev. G. L. Mason, B. A., B. D.,
Overseer of the Christian Catholic Church in China.

ZION MESSENGERS MUST HAVE THE HOLY SPIRIT.

EDUCATION, power to acquire languages, eloquence, accurate business habits, tact, good nature, common sense, "a saving sense of humor," and good health, are all very useful in missionary life. But one might have all these and many other fine qualifications and yet be a dead failure as a Zion messenger (Zechariah 4:6; 1 Corinthians 2:4).

"HE SHALL BAPTIZE you in the Holy Spirit." This is the promise at the beginning of each one of the four Gospels. Not "with," but "*in*," as the Greek reads. As air to the bird, as water to the fish, so is the Holy Spirit to the messenger. We must live in Him, consciously, continuously (Luke 3:16).

THE GIFT OF GOD, the living water, is the Holy Spirit.

But whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall become *in him* a Well of Water springing up unto eternal life.—John 4:14.

For himself, the missionary must have within himself this everflowing fountain of the Holy Spirit; otherwise he will droop and die under the hot blasts from the Sahara of heathenism around him.

It is not enough to be in the Holy Spirit. The Holy Spirit must be in him, "the Fountain of Life."

TO SAVE OTHERS, the messenger must have the Holy Spirit.

He that believeth on Me, as the Scripture hath said, out of his belly shall flow rivers of living water. But this spake He of the Spirit, which they that believed on Him were to receive.—John 7:38, 39.

Out of the sacred center of your being, through your spirit, must flow God's Holy Spirit in mighty rivers of blessing to others.

Even the Lord Jesus could bless others only by being filled with the Spirit. He cast out demons by the Spirit of God (Matthew 12:28). How much more is it impossible for the missionary to do any lasting good, except as he is filled with the Holy Spirit? He must have the Holy Spirit. *And the Holy Spirit must have him* (Romans 8:9-14).

TO ANSWER ADVERSARIES, Zion messengers must have the Holy Spirit.

And when they bring you before the synagogues, and the rulers, and the authorities, be not anxious how or what ye shall answer, or what ye shall say: for the Holy Spirit shall teach you in that very hour what ye ought to say.—Luke 12:11, 12

For it is not ye that speak, but the Spirit of your Father that speaketh in you.—Matthew 10:20.

Notice, the Holy Spirit is *in you*. On a later occasion the Lord repeats this promise. See Mark 13:11.

THE COMFORTER will be with you forever, is the sweet promise in John 14:16. And still better than that—"for He abideth with you, and shall be *in you*."

To the world this blessed Person seems only an influence. To the uninstructed Christian He is only "it." He is the Spirit of Truth whom the world or the worldly Christian "cannot receive." They do not behold Him. They do not know Him. Sin blinds them.

TO REFRESH ONE'S MEMORY is a work of the Holy Spirit, to "bring to your remembrance" (John 14:26) what the Lord has said. The right message comes to the lips of the messenger as the Holy Spirit repeats what Jesus has said.

The past lives again and the unborn future is revealed by the Holy Spirit.

And He shall declare unto you the things that are to come.—John 16:13.

THE FATHER IS UNKNOWN, and the Son is not understood by the messenger, without the Holy Spirit. Jesus sends Him from the Father. The Father sends Him in Jesus' Name. He proceeds from the Father (John 15:26; 16:13, 14).

NATURE IS A RIDDLE and the Bible a Chinese puzzle to him who ignores the Holy Spirit. "He shall teach you all things." He is the Spirit of Truth. "He shall guide you into all the truth." "For the Spirit searcheth all things, yea, the deep things of God." (1 Corinthians 2:10).

All sorts of human knowledge may be useful on the mission field. But the one thing which the Zion Messenger *must have* is not "a thing" at all. He must have the indwelling Holy Spirit (Ephesians 2:21, 22).

THE SPIRIT IS GIVEN in answer to prayer.

If ye then, being evil, know how to give good gifts unto your children, how much more shall your Heavenly Father give the Holy Spirit *to them that ask Him?*—Luke 11:13.

Pentecostal fire fell in answer to prayer. Then later, as new dangers and new duties brought fresh need, the people prayed again and were again filled:

And when they had prayed, the place was shaken wherein they were gathered together; and they were all filled with the Holy Spirit, and they spake the Word of God with boldness.—Acts 4:31.

HEALED OF DISEASE AND BLESSED IN CHILDBIRTH.

SUMMITVILLE, INDIANA, January 11, 1901.

REV. WILLIAM H. PIPER.

Dear Overseer:—I feel it my duty to thank you and praise God for the blessing which I received last October.

I was suffering so that I could not be on my feet ten minutes at a time. It was caused by stooping and putting down carpet.

The day after I wrote to you to pray for me I began to get better.

The next morning I arose and cooked breakfast. I felt no more pain.

After that I took the flux.

I was very ill for four days.

My husband went after C. E. Ray, a member of Zion.

He came at about 10 o'clock in the night and prayed for me.

I was instantly healed that night.

I give God all the glory for all His goodness to me.

On the 26th of December God blessed us with a nice Zion boy. I had no doctor. I trusted in God for deliverance. I was delivered in about an hour.

My breast was caked and very hot with fever. I could hardly endure the pain.

We prayed and my breast got better. It soon got well.

I am grateful to you all for your prayers, and praise God for His blessings.

Your Sister in Christ. _____ (MRS.) JANIE PHILYAUR.

Healed in Answer to Prayer at All-Night Meeting.

BURR OAK, KANSAS, January 5, 1901.

REV. WILLIAM H. PIPER.

Dear Overseer:—I feel it my duty to write a short testimony, telling of the blessings God bestowed upon me in answer to your prayers and the many others which were offered at the All-Night Meeting.

I was wonderfully healed, for which we thank God.

May God bless you and Zion everywhere.

Your Sister in Christ, (MRS.) EMMA DARWIN.

NOTES OF THANKSGIVING TO ZION'S GOD.

By DEACON O. L SPRECHER, Private Secretary to the General Overseer.

THEY SHALL utter the memory of Thy great goodness,
And shall sing of Thy righteousness.—Psalm 145:7.

EVERY day in Zion adds to the memory of God's great goodness. The singing of God's righteousness never ceases, and each day new voices join in the songs of Zion, thanking God that He has raised up a leader and a people who uphold His Everlasting Covenants.

The story goes on, and we again add to the printed part of it a few letters recorded on these pages.

God Heals a Girl of Serious Heart Trouble and Grip.

EAST TAWAS, MICHIGAN, February 25, 1901.

DEAR GENERAL OVERSEER—I feel that I must tell you how wonderfully God has blessed, and that through your prayers and the prayers of our little band.

I was immediately healed of heart trouble.

A year ago last July mother took me to Dr. S. H. Addison.

He examined me and told me that it was a very bad case of heart trouble, and very near consumption.

He gave me a bottle of medicine and some pills. I grew worse under his treatment.

One day we went to the park to a picnic, about a mile from town, and the train was late, so we thought we had better walk back.

My heart got so bad that we had to stop at one of the neighbors and rest.

When we got back we stopped at Dr. Addison's again and got some more medicine.

I still kept getting worse, until I received LEAVES OF HEALING from a friend.

It told us the Way of Salvation as it is in God's Word.

About the last of May, 1900, my brother sent a request for prayer to you. He did not tell me what he had done until the day you were to pray.

As I was about to go to school, he told me to pray at half-past nine, as he had requested you to pray for me at that hour.

As I was praying, the blessing came and I felt His Holy Spirit pass all through me.

Oh, I was so happy and perfectly healed that I had forgotten all about my examples until almost time for my class.

I give God all the glory, and I thank you for your prayers and teaching. I pray God's continued blessing to rest upon you, that your life may be spared for many years.

I am faithfully yours in Christ, IDA V. PIERSON.

DEAR GENERAL OVERSEER:—I wish to add a few words to my above testimony.

On the 6th of February, 1901, I was taken very sick with what we thought was the grip.

Our Gathering prayed for me and I became a little better; but the Devil did not leave me, and on Saturday night I was a great deal worse.

I nearly fainted, but I prayed and soon was better, but was not well.

Sunday morning Brother Steffler came over to our house, and read to me some of the promises of God and laid hands on me and prayed in the Name of the Lord Jesus Christ and the power of the Holy Spirit, and I was immediately healed; for which I praise God.

Yours in Jesus till He comes, IDA V. PIERSON.

God Cleanses Blood.

32 EAST SIXTEENTH STREET,
CHICAGO, ILLINOIS, March 12, 1901.

DEAR GENERAL OVERSEER:—I would like to give a testimony so as to let the people know what the Lord has done for me.

About nine months ago I had a breaking out on my left limb.

A little sore formed, and it kept on getting larger until it was as large as a dollar.

Meanwhile, another sore formed, as large as a dollar.

They were raw sores and I suffered much pain at different times.

I believe that if I had gone to a doctor, I would have had my leg amputated; or, at best, the sores would not have healed the way they did if I had allowed a doctor to put any poison or knife on them.

I had people say to me that I would be sorry if I did not have it attended to, but I told them I was having it attended to in the best way I knew how.

Then they said, "Well, my dear woman, you will lose your leg if you do not attend to it."

I took it to the Lord and asked Him to forgive the sin which caused it, and to heal it.

I had the Elders and dear Deaconess Paddock pray for me.

Both of the sores are healed and you can only see the scars now.

I am glad to have the privilege of having the Great Physician to go to for every thing, for I know He does not use any knives or poisons.

Christ's method is the best one I know of, and it is free and for all. Praise His Name!

I remain your Sister in Christ, (MRS.) ANNA HELGREN.

Husband and Wife Blessed Through Zion.

NORTH SPRINGFIELD, VERMONT, February 4, 1901.

REV. J. G. SPEICHER.

Dear Overseer:—I praise God for what He has done for us in answer to your prayers.

Last November, the 21st, I wrote you requesting prayer for my husband, who was very sick with grip.

He had been taken with severe pain all over, especially in the head; had hard chills, followed by high fever, and could not sleep night or day.

I set Friday, the 23d, 9 A. M., for you to pray, and at the time appointed for prayer I could see a marked change in him.

From that time he began to improve.

In ten days after you prayed he was out to work.

I never saw him gain so fast from any sickness before.

I also praise God for healing my eyes.

I had worn glasses for over three years.

I took them off the day before I was baptized, which was the 10th of November, and have never put them on since.

God healed my eyes, and they are well today.

I praise God for Zion's teaching. It has been a great blessing to us.

We also received a great blessing in being baptized by Triune Immersion.

Your Sister in Christ, (MRS.) JENNIE F. HALL.

God Heals Little Boy.

STRYKER, OHIO, March 8, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—We wish to thank you for your prayers and the interest you have taken in us.

Our boy was a very sick boy. He had what I would call lung fever.

His lungs were swelled up and he wheezed so you could hear him all over the house.

I prayed for him as well as I could, but I was in no shape to pray for anybody, not even myself, as I had the grip in my head and could not get my mind together to pray aright.

He was helped some, but not like he was when you prayed.

He was then healed and has been running out ever since; for which we praise God.

We thank God for you and your prayers, and for the wonderful works that God has done through you.

Our prayer is that God's face will continue to shine on you and on all of His works forever.

Faithfully yours in Christ, SAMUEL L. MALTBY.

Baby Saved From Death.

SUMMITVILLE, INDIANA, March 8, 1901.

DEAR GENERAL OVERSEER:—We received your letter stating that you had prayed for our infant, in answer to a telegram which I sent on the first. God has heard and wonderfully delivered him, for which we praise His dear Name.

We thank all Zion for their earnest prayers.

Truly our little one was very sick with the grip.

It seemed as if the evil one had determined to take his little life, but God has given us the victory through Him who loved us.

Your Brother and Sister in Christ, C. E. AND M. L. RAY.

Another Baby Healed.

ARLINGTON, WISCONSIN, February 24, 1901.

DEAR GENERAL OVERSEER:—Your kind letter of February 16th was received, and I can answer with thanksgiving and praise to God that my baby was healed.

She had a very high fever and seemed in great distress.

She did not take notice of anything until 3 o'clock P. M., when Overseer Speicher prayed for her.

Then she sat up and asked for something to eat, ate two crackers and drank a cup of milk, and was much improved.

The next morning the fever was all gone and she was well.

The next Wednesday she was not so well. I wrote to you asking you to pray for her again.

She was sick until a little after 12 o'clock that night, when she went to sleep and slept until morning, and is now well.

Thanking you and Overseer Speicher for praying for my dear one, I am
Your Sister in Christ, (MRS.) A. STEVENSON.

Methodism Fails; God Honors Zion.

MADISON ROAD, EAST WALNUT HILL,
CINCINNATI, OHIO, March 1, 1901.

DEAR GENERAL OVERSEER:—I wish to thank you for your prayers of February 20th.

My husband sent a request for prayer to you, as Elder Voliva was not at home. We also sent for Deacon Yerger to pray, and, thanks be to God, I am well and able to do my housework.

I also thank God for the teaching we have received in Zion and for all the blessings which have come to my family.

I used to be a Methodist, but was not a very good Christian until I heard the preaching as it is preached in the Christian Catholic Church in Zion.

I have received more peace and pleasure in religion than ever before, and have understood that I have a Living Saviour and a God who answers prayer.

He is my Healer.

When I was a Methodist, I used to pray and get no answer, but now I have learned how to pray and get an answer.

I have also a leader whom I know the Lord does answer.

I pray that God will spare you and your dear wife for many years to come.

Your Sister in Christ, (MRS.) MAGGIE EWING.

Family Blessed Through Zion.

WEST LIMA, WISCONSIN, February 25, 1901.

DEAR GENERAL OVERSEER:—Enclosed please find $5, which apply in the work for the extension of the Kingdom of God.

I have been greatly blessed by reading LEAVES OF HEALING.

My family and I have entirely discontinued the use of drugs and medicines for more than a year, and have been healed and kept by faith in Jesus.

Our children have been healed, sometimes almost instantaneously, of grip, pneumonia and other ailments, by our simple cry to God, and trusting in the simple promise of His Word.

May God bless you for the teaching.

God bless Zion.

May the Coming City be indeed a refuge for the sin-cursed of this earth.

May God so lead that my family and I may be able to gain a residence there some day.

Pray for us.

Your Brother, GEORGE MULLER.

First Timothy 2:15 Fulfilled.

MOUNT STERLING, OHIO, March 8, 1901

DEAR GENERAL OVERSEER:—We feel that we must send you a testimony to the wonderful blessings in answer to prayer for my wife during confinement.

On February 25th I wrote you a request for prayer.

On March 4th, at 12:30 A. M., a beautiful baby boy was born to us, wife only being sick one hour, with very slight labor.

Both mother and baby are as well as can be.

We do thank and praise God that through the teaching of Zion we have been led to give up doctors and drugs and trust God for all.

After our other children were born, wife always had sinking spells for three or four days, but this time she has never been the least sick in any way.

No doctor or professional nurse was in attendance.

We trusted it all with God, knowing He would answer our prayers.

May God bless all Zion.

May every one look to Jesus as their Healer, Cleanser and Keeper.

W. H. HIGHMILLER.

God Heals When Fully Trusted.

EAST TAWAS, MICHIGAN, February 25, 1901.

DEAR GENERAL OVERSEER:—It is with grateful heart and thanksgiving to God that I desire to testify to the many blessings which He has bestowed upon me.

About the middle of last June (1900) I was taken very sick with what we thought was the grip, and sent a request to you for prayer.

As you prayed, the blessing came and all pain left. I began to perspire.

I got up out of bed and began praising God, and I could sing better than I ever could.

I was weak and the Devil made me believe that faith without works is dead, and that I had better take some cascara and quinine pills.

I said to the Devil, "All right, I will," but did not realize that it was the enemy talking to me until I had obeyed him.

I went upstairs and got a bottle of cascara and six quinine pills, and thought when I had used all of them, I would be well.

I opened the cascara and took a teaspoonful and began doing up my morning work.

In about fifteen minutes I began to feel very ill and it began to get dark all around me.

I was afraid of falling and ran for my bed-room.

When I got to the door, I could not see anything, but ran and fell part way on the bed, and the very blackness of hell was all around me.

Then I realized it was wrong to take medicine, and I said, "Father, now I know it is wrong to take medicine. If You will forgive me I will never take any more."

Just then God came to my rescue and the Devil had to flee. I waited about fifteen minutes for my husband to come in, and I confessed to him what I had done and asked him to pray for me.

I soon got better and got up in the strength of the Lord.

On Thursday the enemy returned with a terrible fever and I was worse than ever.

Then we sent another request for prayer to you, and Sunday the fever broke and I again got up in the power and strength of the Lord.

When I got well, I burned up all the pills and medicine.

I have not thought of taking any since. I am healthier now than I have ever been.

I give God all the glory.

Thanking you for your prayers and for the prayers of Zion, I am
Your Sister in Christ, (MRS.) NETTIE STEFFLER.

God Delivers Immediately.

1221 MILITARY STREET,
PORT HURON MICHIGAN, March 5, 1901.

REV. JOHN ALEXANDER DOWIE.

Dear General Overseer:—Before I mailed the letter yesterday, asking you to pray that I might be healed of neuralgia, I was healed.

I thank God for His goodness in delivering me from the power of the evil one.

I was struck with the fact that God repeatedly honored you as the leader of His people by answering your prayers before you even called upon Him.

We are continually thanking God in our home for your teachings, and we pray every day that God will protect you and your loved ones from harm.

Your Sister in Christ, MARY C. HOWARD.

Boy Healed of St. Vitus' Dance.

EAU CLAIRE, WISCONSIN, January 27, 1901.

DEAR BROTHER IN CHRIST:—I have felt it my duty for some time to write and tell you what the Lord has done for me.

It will be one year the 23d of next month since I sent in a request asking you to pray for me.

I had had St. Vitus' dance since 1897, and, praise the Lord, I was healed at the hour of prayer.

My disease was chiefly in my head.

At times my eyeballs felt as if I could not move them. Praise God, it is all gone.

I also had catarrh ever since I was four years old, caused by the grip.

Thank God, I was healed of that, too.

I thank you very much for your prayers.

Faithfully yours in Jesus, WILLIAM B. GRAY.

Fever and Pains Healed by Prayer.

45 SUMMER STREET,
GRAND RAPIDS, MICHIGAN, February 26, 1901.

DEAR GENERAL OVERSEER:—I wish to add my testimony to the many already given, to the goodness and love of God.

About two years ago I had the scarlet fever. I had the fever one day, and for two days I broke out with a rash.

Grandma and mamma prayed for me and I was healed.

I was healed also of headache, toothache and earache.

I cannot tell all I have been healed of.

I give God the praise.

I am sorry to lose Elder Adams. He prayed for me when I had the toothache, and has done much for me. LOUISE BAXTER (age 13).

THE WINDOWS OF HEAVEN OPENED.

WILL a man rob God? yet ye rob Me. But ye say, Wherein have we robbed Thee? In tithes and offerings. Ye are cursed with the curse; for ye rob Me, even this whole nation. Bring ye the Whole Tithe into the Storehouse, that there may be meat in Mine house, and prove Me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it. And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the Lord of hosts. And all nations shall call you happy: for ye shall be a delightsome land, saith the Lord of hosts.

—Malachi 3:8-12.

God Helps Tithers to Meet Obligations.

7 CHAUCER ROAD, FOREST GATE E., March 9, 1901.

REV. H. E. CANTEL.

Dear Brother in Christ:—I feel I must praise God for the blessing I have received this week in connection with the payment of tithes.

As you are aware, I have only commenced paying tithes this year by monthly payments. When I received my salary on the 1st inst., I had certain obligations to meet, and the tithing money would have come in very useful for the liquidation of a part of such obligations; but I felt (although greatly tempted of the Devil) that I must meet first of all my obligation to God.

I accordingly obeyed and trusted God to help me, not knowing where the supplies would come from.

You will be pleased to hear that yesterday my son sent me a £5 note from China, asking me to pay a certain debt out of it for him, and that I was to keep the rest myself. The amount I have to keep is one shilling more than double the amount of the tithes I sent to you for the month of February.

Praise God from whom all blessings flow.

I should be greatly obliged if you would mail this news to Chicago when next you are writing, as Overseer Piper is asking for evidence of God's blessing through the payment of tithes; and the above instance has greatly cheered my heart and has strengthened not only my faith in God, but that of my family, who were greatly opposed at one time to the tithing question.

With best Christian regards, and looking forward to a happy and prosperous day tomorrow, I remain

Your Christian Brother, A. H. BADGER.

Twenty-five Per Cent Increase in Salary for a Tither.

1635 MICHIGAN AVENUE,
CHICAGO, ILLINOIS, March 7, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Overseer:—It is a pleasure to be able to make another report in favor of tithing.

You may remember that after paying $6.90 back tithes, in the latter part of November, I started with twenty-five cents—out of work, but out of debt and strong in faith.

The first week of December, 1900, found me employed at a fixed monthly salary, not large, but enough to live comfortably.

The last day of February, 1901, I had a pleasant surprise in the form of a twenty-five per cent advance in wages, to take effect on February 1st instead of March 1st.

That was fifty-seven days after securing the situation.

I have found that tithing pays from a financial standpoint.

Yours in the faith, —. —. ——.

A Thousand Dollars' Indebtedness Paid Off and Improvements Made.

HOMER, NEBRASKA, March 11, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Overseer-at-Large:—I wish to say to God's glory that although, when I joined Zion, I was nearly a thousand dollars in debt, I began paying tithes at once and God has so wonderfully blessed me that I have been able to wipe out that indebtedness, besides making some improvements on my property.

By the Grace of God, I expect to have a home in Zion City.

I wisb also to say to the credit of Zion, and to the shame of the investigation committee from the Illinois State Legislature, that I am more than pleased to be a Zion investor.

May God bless Zion in all her branches.

Your Brother in Jesus' Name, S. R. RENINGER.

Never Made So Much Money as When Tithes Were Paid.

ADELINE, ILLINOIS, March 13, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Overseer:—I desire to give my testimony on tithing.

It has been a great source of blessing to us, as a family, to pay tithes.

We began paying tithes in Zion before we were members of the Christian Catholic Church, as we were not satisfied with the way our money was being used in the Church of which we were members.

God has blessed us more during the past year than any previous year. I tithe my poultry, eggs and butter, and have never made so much money from these things as I have during the past year.

I pray God's blessing upon Zion in all lands.

Your Sister in Christ, HANNAH M. MAYBEE.

God Bestows Many Blessings on Those Who Do Not Rob Him.

MORO, OREGON, March 12, 1901.

DEAR OVERSEER PIPER:—We are glad we can add our testimony in regard to paying tithes.

We have been paying tithes for the last three years, and in doing this realize that we are only paying God what belongs to Him.

We have been blessed spiritually and financially.

We have had many healings in our family.

We also trust our stock to God and use no remedies when sick. He makes them well.

Yours in the Master's service, GEORGE AND ANNIE STRACHAN.

Able to Save Money for the First Time When Tithes Are Paid.

CHICAGO, ILLINOIS, March 11, 1901.

DEAR OVERSEER PIPER:—To the glory of God I send you this testimony.

I came into Zion unconverted, without a cent beyond my monthly income

I had no bad habits of wasting my earnings, but notwithstanding all, do what I could, I would fail until I began paying my tenth to the Lord.

I now have $400 in Zion stock.

Best of all, I am converted to God and rejoicing in the life.

Your Brother in Christ, JAMES F. DAVIS.

HEALING OF PNEUMONIA BEGINS AT TIME OF PRAYER.

On February 1st the following telegram was received by the General Overseer:

WEST BRANCH, IOWA, February 1, 1901.

DR. DOWIE:—Please pray for Gladys Wilson, six years old; pneumonia.

ABRAM WILSON.

One week later the following letter was received:

WEST BRANCH, IOWA, February 8, 1901.

REV. JOHN ALEX. DOWIE.

Dear Friend:—Thy kind letter received this morn.

Excuse me for not writing sooner, for we want to return thanks to Him who hears and answers prayer, as well as to him who prayed for our sick grandchild.

It was 5:45 P. M. when I sent the dispatch, and it was not more than an hour, I think, before she was breathing more easily and sleeping.

She continued to improve all night and next day.

Again thanking thee for thy kindness, I remain

Very truly thy friend, ABRAM WILSON.

Woman Delivered From Tobacco Habit.

83 RAILROAD STREET,
LAWRENCE, MASSACHUSETTS, March 11, 1901.

DEAR GENERAL OVERSEER:—It is with grateful heart and thanksgiving to God that I desire to testify to God for deliverance from tobacco smoking, having been a smoker since the summer of 1877.

Through your prayers, thank God, I have been delivered.

I give God all the glory and thank you for your prayers.

Yours in Christ, (MRS.) ANN WEBB.

Granulation of the Eyes Healed.

FREEPORT, ILLINOIS, March 4, 1901.

DEAR GENERAL OVERSEER:—Yours of the 28th was received the 2d of March.

I can answer with thanksgiving and praise to God that I am healed of granulation of the eyes.

I thank you, dear brother, for your prayers.

God bless Zion.

CHEERING WORDS FROM ZION'S GUESTS

NOTES FROM ZION HOME

THE regular Praise and Testimony Meeting held in Zion Home, Saturday evening, March 16, 1901, was conducted by Overseer Speicher.

After the usual opening exercises, the meeting was thrown open for testimony.

DEACONESS SPEICHER, Zion Home, said: "I am so full of praise and joy tonight that I cannot keep still. When I first came here I was in a dying condition. I had heart disease and was very weak. God healed me. It grieves me that we have to give up this Assembly Room and to think that we will never hear dear Overseer Dowie and the General Overseer speak from that platform as they used to do. I have seen many healings take place in this room. I praise God for healing me of a very sore finger recently. It was very sore, but it is now all healed."

DEACONESS HILL, Zion Home, said: "I came here five years ago a perfect wreck physically. I had injured my foot and for months I had not been able to walk without a cane. I concluded I would walk on the promises of God. I used to wonder how I would walk down one flight of stairs. I was a nervous wreck. I also suffered from weakness. I have been here now for five years and have worked hard for four years. It has been a delight to me to work.

"This last week I had an attack of grip in my eyes. They were very much inflamed and painful. I was missed at the morning meeting and prayer was offered for me. I felt my eyes get suddenly better. They feel all right tonight."

JOHN D. BURT, St. Paul, Minnesota, said: "It is just two years since I first came into the Home. I had been drinking a good deal that day. I came here merely for curiosity. I was searching for the truth at the time. I made arrangements to stay all night. I was a Freemason. I had been using tobacco for thirty-five years constantly. I had been drinking from ten to fifteen drinks a day. I think I was everything that is vile. I had read a nnmber of copies of LEAVES OF HEALING, after which I had mailed them to my wife in St. Paul. I saw her six months after that and she was more in Zion than I was. We came here in July. We fully accepted Zion teaching.

"We immediately left the Congregational Church and settled ourselves with the world and made everything right as far as we could. Both our boys are in Zion, so I think we have a great deal to be thankful for. I rejoice in Zion."

GEORGE H. LITTLE, Monroe, Wisconsin, said: "I was a member of the Methodist Church before coming to Zion, although I was not fit to be united with any Church. I was considered a good member because I helped out financially. I never felt I was really a Christian. I was a member of secret societies, and through LEAVES OF HEALING I found they were the wrong thing to be connected with, so God gave me grace to withdraw from these organizations. We have had several healings in our family. I thank God, therefore, for bringing me to Zion."

I. O. VAN FLEET, Topeka, Kansas, said: "I thank God that He has spared my life to stand here. I am here searching for the truth. I am thankful for Zion."

JOHN P. NEEDLES, Albany, Missouri, said: "I am thankful to God for many things, and not the least of them is that I am in Zion. It was through the teaching of a good sister in Ohio that I came here, and it did not take me long. I have very much to be thankful for, as I have never been sick. I am now on my way to Zion City."

R. T. REEVES, Decatur, Ohio, said: "I thank God for Zion. Four years ago I was handed a copy of LEAVES OF HEALING. I was a miserable sinner and stinkpot. It set me to thinking. In a few days I was converted and I gave my heart to God. I then went into the Christian Alliance teaching, but it did not teach me to live a holy life. Finally I came to Zion and subscribed for LEAVES OF HEALING. I read it carefully, and then gave myself wholly to God. I find Zion is the only place for a Christian. I cannot testify to healing tonight, but I can testify to God's keeping power."

MRS. KATHRYN WINDLE HARNLEY, Zion Home, said: "I want to praise God for the blessings I have received since I have come into Zion. I am glad that I can teach in a school where the students are eager for the truth. I have received many blessings in spirit and in body and it is my desire to give these blessings to others. 'Oh that men would praise the Lord for His goodness and for His wonderful works to the children of men.'"

INSTANTLY DELIVERED FROM SEVERE PAIN

KENOSHA, WISCONSIN, January 25, 1901.

DEAR GENERAL OVERSEER:—Last summer I was taken violently sick in the night.

I had such pain it seemed I could not stand it long, and was growing worse.

After suffering about one-half hour I said, "Father in Heaven, I must go to my restaurant in the morning to get breakfast. Please take this pain away."

Just then I was perfectly easy, had no more pain, and went to sleep soon, thanking God for His wonderful goodness.

Ever since I was so gloriously converted in 1886 I have had faith that the promise, "Whatsoever ye shall ask the Father in My Name, it shall be done," meant just what it said.

This week I had a large sty on my eye.

No sooner had I asked for the healing than it began to get well. It was entirely well very soon.

I praise God for His wonderful works in Zion.

I thank God for sending you to preach a pure Gospel, and that so many are coming to the Light.

Your Sister in Christ, MARTHA S. FULLER

Healed During Prayer of Consecration at Zion Tabernacle.

How wonderful is the power in the simple Prayer of Consecration which the audiences at the General Overseer's meetings repeat after him at the close!

How many, in the solemn moment when saying those simple but significant words, have received Salvation for spirit, Healing for the body and Cleansing for the soul!

We give below an extract from a letter from a lady in Iowa who was healed by the power of God's Spirit at such a time:

About three years ago I attended two services at Zion Tabernacle.

I went through curiosity, but was much impressed with the truth you taught.

In one service I was coughing very hard when you prayed that those coughing might be relieved.

The cough ceased immediately.

I arose with others for prayers, and believed that your prayer concerning me would be answered.

After a few weeks my health improved and for months following I enjoyed perfect health for the first time in my life.

ON MONDAY, March 18, 1901, the General Overseer made an important visit to Zion City Site.

He was accompanied by the following twenty officers and helpers: Overseer William Hamner Piper, Overseer John G. Speicher; Deacons Charles J. Barnard, H. Worthington Judd, Samuel Stevenson, Daniel Sloan, R. H. Harper, E. S. Anderson, Arthur G. Stevenson, Henry Stevenson, Carl F. Stern, Frank W. Cotton, and Arthur W. Newcomb; Attorney Samuel W. Packard, Engineer Burton J. Ashley, Artist Charles Champe, Photographers and Stenographers Ernest and Shirley D. Williams, and Chef George Burnett.

This happy party took the 9 o'clock Chicago and Northwestern express train to Waukegan, a private car being attached for their use.

At Waukegan a local passenger train picked up the car and quickly switched it to the site of the Coming City.

As has always been the case when the General Overseer has visited Zion City Site, the day was a perfect one.

Not a cloud obscured the beautiful blue of the sky. A balmy breeze, warm with the promise of springtime, breathed from the southwest.

The storms and snows of the previous week were over. The golden beams of the sun bathed all nature with a gentle radiance, so that the broad acres of that charming site seemed to smile their welcome as the party alighted from the car.

Conveyances were kindly provided by the loyal Zion people now living upon the land, and a little procession was formed from the passenger station to the Lace Operatives' Home.

Here a number of Zion people and their children had gathered. They warmly welcomed the General Overseer and party, and were lovingly greeted in return.

The party then began a tour of inspection of the Home.

The spacious dining room, the convenient kitchen, the sunny parlor, the neat, clean rooms, the ample heating apparatus, the small but pretty Zion Tabernacle in the third story, all came in for commendation. The furnishings for the Home have all been purchased, and some are already in the building and can be placed at once.

The Zion Tabernacle, however, is neatly and prettily furnished and tastefully decorated.

Here, in the first permanent Zion building on Zion City Site, in the first Zion Tabernacle on that site, an officer of the Christian Catholic Church in Zion proclaims the wonderful Message of Salvation, Healing and Holy Living each Lord's Day.

After inspecting these rooms, the General Overseer and those with him went out upon the roof. Here Deacon Charles J. Barnard, General Financial Manager; Mr. Frank Peterson, Superintendent of Road Building in Zion City; Burton J. Ashley, Chief Engineer of Zion City; Deacon R. H. Harper, Superintendent of Construction of Zion City; Deacon Samuel Stevenson, General Manager of Zion Lace Industries; Deacon H. Worthington Judd, General Manager of Zion Land and Investment Association, and others were called in consultation with the General Overseer, and many important matters were considered and decided.

Rev. Cyrus B. Fockler, the Elder at present ministering to Zion in Waukegan and Zion City, joined the party at this place.

The General Overseer gave directions for the expenditure of many thousands of dollars in an extension of Zion Lace Operatives' Home, in the building of a road along the line of the main boulevard to the lake, in additions to the power-house for Zion Lace Industries, and in other important improvements.

From Zion Lace Operatives' Home, the little procession moved on to Zion Freight Warehouse, which is built almost directly east, for over a hundred feet along a switch track of the Chicago and Northwestern Railway. The north end of this building was found to be well filled with freight of many kinds, including great boxes of patterns for Zion Lace Industries and supplies for Zion Lace Operatives' Home.

The south end is a large, light, clean room and was empty. It is to be used temporarily as a finishing room for Zion Lace Industries. Here the General Overseer gave direction for the building of an addition 100 feet in length.

Zion Planing Mill and the offices and yard of Zion City Lumber Association were next visited.

There are lumber sheds, a sash and door house, a lime and cement house, coal sheds, the planing mill and the office in this little cluster of buildings.

The planing mill is equipped with a boiler and a handsome engine, and will have a full complement of fine machinery. Some of the machinery is already in the building, but not yet installed.

In the office of Zion Lumber Association, Manager John Johnson greeted the party, welcoming them into a handsome, well-lighted and commodious room, finished in natural wood, and having a very comfortable as well as convenient and businesslike appearance.

In front of the door of this office run the swift waters of one of the feeders of the drainage channel, which can be seen stretching away east to the lake. This drainage channel was carrying a large quantity of water with a rapid current.

From all directions the feeders came with their contributions; from the north, all along the first terrace; from the south a large stream flows in the ditch which runs parallel to the railroad track, and from the west, streams gather from as far as Sheridan Road.

This channel thus drains a large area very effectively, and will greatly increase the value of thousands of acres of land.

The next place visited was Zion City Artesian Well.

This is now complete, and the flow is controlled by a system of valves.

Digitized by Google
Original from NEW YORK PUBLIC LIBRARY

It was surprising to note the high pressure and great volume of the flow as Deacon R. H. Harper turned wide open a valve, making an opening eight inches in diameter.

Zion Lace Industries factory building, the most interesting place on the entire site, was the next place visited. A spur track runs from the railway to the factory.

Part of the foundations of this great building are laid and the inner shell of a part of the factory itself is practically complete.

Bitterly cold weather and storms have greatly hindered in this important work, but with the coming of milder weather it is being rapidly pushed. Within the building are the cut stone piers upon which the lace machines will stand.

When this was over, it was noon. The fresh air, the invigorating sunshine and the busy sightseeing had whetted the appetites of all, so that it was with pleasure that the General Overseer's invitation to dinner in his Zion City residence was accepted.

This house is owned by the General Overseer, and will be furnished and used by him as a residence and office during his visits to the site while Zion City is being built. It is what was known as the Nelson Cole residence, on Sheridan Road.

When the party arrived at the house, it was found that Deacon Cotton and Chef Burnett had prepared a most excellent dinner, which was partaken of with great relish.

Dinner over, the photograph of the party which appears on this page was taken by Photographers Ernest and Shirley D. Williams.

GENERAL OVERSEER AND PARTY AT GENERAL OVERSEER'S RESIDENCE, ZION CITY, ILLINOIS, MARCH 18, 1901.

To the west and adjoining is the power house, which is now fully equipped but for the installment of the dynamo which will generate the electricity for the individual motors which will furnish power to the lace machines.

Since the General Overseer's visit, he has paid many thousands of dollars' duty upon this machinery, which has been stored in bonded warehouses, in Chicago, and it is being shipped to Zion City. There many skilful hands are taking it from the packing cases and setting it up in the temporary factory of Zion Lace Industries.

Nearly 200 tons of machinery are thus being put in place and made ready for their beautiful work of lacemaking.

The General Overseer held an important conference with the heads of financial, construction and industrial departments at the Lace Industries Building.

Then the party returned to the Zion City station and boarded the private car. A special locomotive drew it to Waukegan, where it was attached to the southbound express train. The return home was a pleasant social ride.

On the whole, the visit was a very delightful one to all who were so fortunate as to be included in the party.

Zion City Site is charming, refreshing, unexcelled as a part of the beautiful territory of the North Shore, but it has for those in Zion a peculiar beauty, a deeper significance.

There is a constant feeling when upon it that one is upon God's land.

The wondrous promises of God concerning His cities fill the mind and heart.

The true Zion man sees not only the broad, rolling acres, the trees, the streams and the lake; he sees not only the little group of buildings on either side of the railway; he sees, with a heart full of joy, the Coming City with its wonderful Zion Temple, schools, colleges, stores, factories and, above all, homes, fair, happy, godly homes, shining with the radiance of love and health and purity and consecrated service.

In the inspiration of a visit to that site, Zion's glorious motto for 1901 takes on a new meaning: "Arise ye, and let us go up to Zion unto the Lord our God." A. W. N.

AND YE shall rejoice in all that ye put your hand into, ye and your households, wherein the Lord thy God hath blessed thee.

IF YOU are seeking a safe investment;

If you are seeking a profitable investment;

If you are seeking a clean investment for Christian people, you do not need to look further, for these are just the kind of investments Zion is furnishing.

ZION CITY BANK, Zion Land and Investment Association, and Zion Lace Industries are conducted on purely Christian, business principles, and God in His most wonderful way has blessed these institutions to thousands of His people since their organization.

WE ARE constantly receiving expressions of joy and thanksgiving from our investors whom God has prospered since transferring their investments from the world to Zion. Their only regret is that they have not more to invest.

ZION CITY GENERAL STORES now runs a handsome wagon with the interesting legend, "Zion City General Stores, John Alex. Dowie, Zion City, Illinois." This neat wagon attracts a great deal of attention wherever it goes on its business rounds.

THE FURNISHING of Zion Lace Operatives' Home has begun, and within a few days it will be filled with workers for Zion Lace Industries.

DEACON SAMUEL STEVENSON, General Manager of Zion Lace Industries, will make the Operatives' Home his headquarters while at Zion City.

AN ADDITION 16x30 feet has just been added to the building occupied by Zion City General Stores. This will help to provide room for the surplus stock necessary to be kept for an ever-increasing population.

NOTES OF THANKSGIVING TO ZION'S GOD

Instantly Healed When Apparently Dying.

5440 BUTLER STREET, CHICAGO, February 1, 1901.

DEAR GENERAL OVERSEER:—It is with extreme pleasure and gratitude to God and to you, His faithful servant, that I send this, my testimony to my healing.

I am happy to state that I never for a moment doubted either you or your mission, and always listened gladly to your words.

I also thank God that all of my family are in Zion.

My two last babies were born without the aid of either doctors or human help of any kind. In fact, the very presence of the Lord seemed in the room when my little girl Sybil (now three years old) was born.

On the 4th of July, 1898, I had what seemed to be a paralytic stroke commencing at my feet; a numbness, hard indeed to describe, slowly enveloped my entire body.

My family tell me that the awfulness of death settled over my features.

My husband telephoned to Zion Home to you.

The answer came that you would pray at once (1:45 P. M.)

At 2 P. M. every vestige of sickness left me.

I arose entirely free from any trouble, with the full consciousness that God had healed me in answer to your prayers.

Our house is a house of prayer. We take all our troubles to God, thanks to your teaching.

We thank God for Mrs. Dowie also, whose living words have turned many into God's Way of Healing.

May many years be yours until all the earth shall know Jesus, the Healer of His people.

Your Sister in Christ, (MRS.) LIZZIE JOHNSON.

God Heals as Soon as Prayer is Requested.

On February 6, 1901, we received the following letter:

PAXTON, ILLINOIS, February 1, 1901.

DEAR GENERAL OVERSEER:—I received your letter of January 23d, stating you had prayed for me.

I could not express my thanks to you in taking time to write me a few lines with all you must have had on your mind to do, immediately after your return from Europe.

You do not know the good it does us country folks to receive a few kind words personally.

The very day I sent the request for prayers, January 21st, I was healed of the cough even before you received the letter; because I had obeyed God in sending the request.

I thank God for His loving kindness, and you for your prayers and patience in teaching Salvation, Healing and Holy Living.

Your Sister in Christ, (MRS.) JULIA M. OSTROM.

Little Daughter Healed.

SOUTH BEND, INDIANA, March 8, 1901.

DEAR GENERAL OVERSEER:—Yours of the 4th, stating the reception of telegram, received.

My little daughter's fever began to abate from time of prayer, March 2d, and by Monday morning she was well and able to go to school; for which I praise God. I thank you for prayer.

Your Sister in His Name, (MRS.) M. W. CALVERT.

ZION LAND AND INVESTMENT ASSOCIATION

1300 MICHIGAN BOULEVARD, CHICAGO.

One of the Financial Departments of ZION, formed February 22, 1899, for the purpose of managing and conducting all business in connection with the improving and permanent establishment of ZION CITY, which God's Word plainly declares is to be a City of the Lord, a City not forsaken, whose Maker and Builder is God.

This Association is under the personal direction of the General Overseer of the Christian Catholic Church in Zion, who expects soon to announce that Zion City's Gates are open.

Special advantages are to be obtained by those who become immediate Stock Investors before the 6400 acres of this beautiful land we have secured is placed on the market for disposal. Shareholders will be given first choice and a reasonable time to select their lots from plats to be mailed to them, with prices marked thereon, after which prices will be advanced to all subsequent purchasers.

The Certificates of Stock issued by this Association will be accepted in payment for land, with eight per cent interest added; or they can, if desired, be retained by the Shareholder as an interest-bearing investment.

We are now in possession of and hold the record title to nearly 2000 acres of the most valuable part of the 6400 acres purchased, and this includes two and one-half miles of frontage along the shore of Lake Michigan, and we shall continue to take up the balance as fast as the increase in the population demands it. Upon this land tens of thousands of dollars have already been expended in improvements, and we now have under construction the factory that is to manufacture the celebrated Nottingham Laces, which, God willing, will be in operation within a few weeks. This industry alone will furnish employment to hundreds, and eventually thousands, of our people.

Our latest Prospectus will be mailed to any address upon application; also the Articles of Agreement between the General Overseer and each Shareholder will be forwarded to any prospective investor.

Shares are $100 each, upon which six per cent interest is guaranteed from the date Certificate is issued; interest payable on the first days of January and July of each year.

Remittances should be made either by Bank Draft, Postoffice or Express Money Order, and payable to this Association.

Your correspondence is solicited.

REV. F. A. GRAVES, SUPERINTENDENT.

THEY that sow in tears shall reap in joy.

Though he goeth on his way weeping, bearing forth the seed;

He shall come again with joy, bringing his sheaves with him.—Psalm 126:5, 6.

SPRINGTIME has come again, and the farmer is preparing to sow his fields for another harvest.

He is thinking what kind of seed to sow, where to sow it, and when to sow it.

Let us see in God's Word something about spiritual farming.

SEED TO USE—Luke 8:11:

The seed is the Word of God.

WHEN TO SOW.—Ecclesiastes 11:6:

In the morning sow thy seed, and in the evening withhold not thine hand: for thou knowest not which shall prosper, whether this or that, or whether they both shall be alike good.

WHERE TO SOW.—Isaiah 32:20:

Blessed are ye that sow beside all waters.

HOW TO SOW.—2 Corinthians 9:6:

But this I say, He that soweth sparingly shall reap also sparingly; and he that soweth bountifully shall reap also bountifully

CLOTHING.—Isaiah 61:10:

For He hath clothed me with the garments of Salvation, He hath covered me with the Robe of Righteousness.

First Peter 5:5:

Yea, all of you gird yourselves with humility, to serve one another.

SHOES TO WEAR.—Ephesians 6:15:

And having shod your feet with the Preparation of the Gospel of Peace.

SPRING MEDICINE.—Proverbs 17:22:

A merry heart is a good medicine (margin, causeth good healing).

Nehemiah 8:10:

For the joy of the Lord is your strength.

Daniel 11:32:

But the people that know their God shall be strong, and do exploits.

ATTITUDE TOWARD NEIGHBORS.—Romans 12:18:

If it be possible, as much as in you lieth, be at peace with all men.

Philippians 2:3:

Doing nothing through faction or through vainglory, but in lowliness of mind, each counting other better than himself.

INSURE THE CROP.—2 Corinthians 9:8 and 10:

And God is able to make all grace abound unto you; that ye, having always all sufficiency in everything, may abound unto every good work.

And He that supplieth seed to the sower and bread for food, shall supply and multiply your seed for sowing, and increase the fruits of your righteousness.

Philippians 4:19:

And my God shall fulfil every need of yours according to His riches in glory in Christ Jesus.

PROMISE OF GUIDANCE.—Psalm 25:9:

The meek will He guide in judgment:
And the meek will He teach His Way.

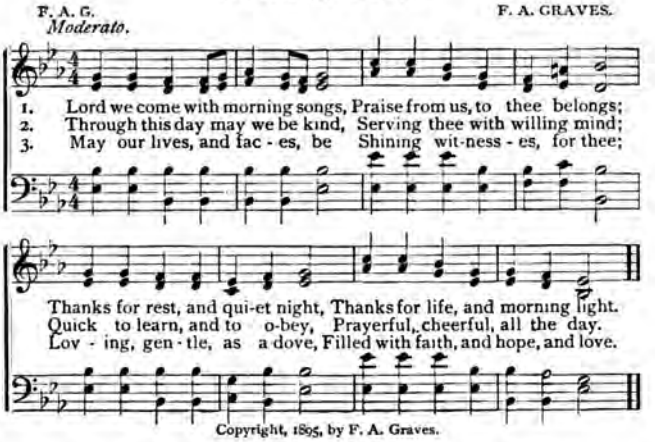
MORNING PRAYER.—Genesis 24:12:

Send me, I pray Thee, good speed this day.

Psalm 119:18:

Open Thou mine eyes, that I may behold
Wondrous things out of Thy law.

EVENING PRAYER.—Psalm 4:8:



In peace will I both lay me down and sleep:
For Thou, Lord, alone makest me dwell in safety.

SURE HARVEST.—Psalm 126:6:

He shall come again with joy, bringing His sheaves with Him.

Morning Song.

He that goeth forth and weepeth, bearing precious seed:
Let him know that as he soweth to the sinners need, so he'll reap.

CHORUS—Sowing now, sowing now, but reaping by and by;
Weeping now, weeping now, rejoicing by and by.

He that goeth forth and weepeth, trusting in the Lord:
Let him know that as he soweth of the precious Word, that he'll reap.

He that goeth forth and weepeth, all aglow with love:
Oftentimes just while he soweth hearts begin to move, so he'll reap.

He that goeth forth with weeping, Christ he never leaves,
Doubtless shall return rejoicing, bringing home his sheaves, thus he'll reap.

GOD ANSWERS PARENTS WHILE THEY PRAY.

LISBON, NORTH DAKOTA, March 5, 1901.

DEAR GENERAL OVERSEER:—I wish to tell you how the Lord heard and answered prayer.

On February 27th our little son, two years of age, was taken very suddenly ill and had all the symptoms of lung fever.

At noon he had a very high fever and could not take a long breath.

He was suffering intensely.

My husband and I immediately asked God to raise him up, and while we were yet praying, the Lord heard and answered.

In three hours he was around playing and wanted something to eat. Praise the Lord!

Ever your Sister in Christ, (MRS.) D. H. GLEASON.

ZION'S BIBLE CLASS.

BY DEACON DANIEL SLOAN.

MIDWEEK BIBLE CLASS LESSON, APRIL 3d or 4th.

The Unfailing Word of God.

1. *Prophecy proves it.*—Matthew 5:17-20.
   God's Word is yet being fulfilled.
   God's truth will yet shake the earth.
   The Spirit of truth magnifies the prophecies.
2. *Experience proves it.*—Joshua 23:8-14.
   To rely on it, one finds it never fails.
   The most enjoyable bible is that written in the heart's experience.
   God's promises are ever good for face value.
3. *Judgment proves it.*—Luke 16:23-31.
   This man lived as though he did not believe it.
   What Moses said is to be obeyed today.
   Christ confirmed what Moses said.
4. *The Gospel proves it.*—1 Peter 1:20-25.
   The Gospel makes the life clean.
   The Gospel saves from corruption.
   The Gospel is an everlasting truth.
5. *Miracles prove it.*—Hebrews 2.1-4.
   If there were miracles in the past, there must be today.
   Signs confirm the call of a God-sent minister.
   Prayer is ever answered in miracles of blessing.
6. *Worldwide blessings prove it.*—Isaiah 55:8-13.
   God's plans work out according to His thoughts.
   God's thoughts are of universal blessing to mankind.
   God's thoughts take the thorns out of life.
7. *The suppression of the Devil proves it.*—Ephesians 6:10-18.
   The Devil yet flees from God's truth.
   One must be clad with Divine armor to use the sword.
   The man in the armor must be a redeemed creature.

The Lord Our God is a Word-Establishing God.

SUNDAY BIBLE CLASS LESSON, APRIL 7th.

What God's Word Does.

1. *It warns of transgressions.*—Psalm 19:11-13.
   One who disobeys it sins against his own soul.
   To get into faults is to transgress.
   What one covers up is a transgression.
2. *It converts the soul.*—Psalm 19:7-10.
   It changes the course of a life.
   It helps one to see aright.
   It becomes a staff to life.
3. *It rejoices the heart.*—Jeremiah 15.15, 16.
   Search for this hidden treasure constantly.
   No sorrow overwhelms those anchored to it.
   What does your joy come from today?
4. *It leads to success.*—Joshua 1:8, 9.
   You will win in life's battles when you do what it says.
   You must obey God's laws of life.
   They are for social, business and domestic life.
5. *It fills with assurance.*—1 John 5:13, 14.
   You doubt when you do not cling to the truth.
   Knowledge comes from the word spoken.
   Faith comes from knowing God's Word.
6. *It causes hope to never fail.*—Psalm 119:49-56.
   It will keep one above engulfing waves.
   It shines brightly when dark clouds lower.
   It should ever cause you to hope on.
7. *It prepares for usefulness.*—2 Timothy 3:14-17.
   Those who know God's Word in truth will be useful.
   The full value of God's Word, however, must be seen.
   Truth revealed to one must be held fast to.

God's Holy People are a Bible-Relying People.

MOTHER WONDERFULLY BLESSED AT TIME OF PRAYER.

MADISON, WISCONSIN, February 20, 1901.

REV. G. L. MASON.

Dear Overseer:—I desire to thank you for offering prayer for my mother on the afternoon of February 9th.

You may remember that my husband told you of her illness and that she had started for home, and requested prayers for her.

She had a great deal to say when she came home about the sudden and complete relief which she experienced after she had been on the train for an hour.

Of course we did not know how to account for it until my husband came home the next evening.

It is with praise to God and a grateful heart that I look back to June 27, 1900, when, in answer to your prayer, I received my healing.

For four months I had been suffering with nervous prostration, until it seemed as if every organ in my body was nearly at a standstill.

My weight went as low as ninety-two and one-half pounds.

Since that time I have been steadily growing stronger, and since August 15th have been doing my own housework.

I feel that I cannot praise God enough for His wonderful goodness.

Please accept my thanks for your kindness and prayers.

Your Sister in Christ, (MRS.) NETTIE HARGRAVE.

Has God Blessed You in Tithing?

Have you realized a fulfilment of God's promise to those who "bring the Whole Tithe into the Storehouse"? If so, let others know how true the promise is. Write your testimony and send it to Rev. William Hamner Piper, Overseer-at-Large of the Christian Catholic Church in Zion, 1201 Michigan Avenue, Chicago, Illinois. Let your testimonies be brief and straight to the point.

Notice to Officers and Members of the Christian Catholic Church.

Send all newspaper clippings concerning the General Overseer, the Elders, or any department of the work in connection with the Christian Catholic Church in Zion, to Mr. Carl F. Stern, Room 309, Zion Home, 1201 Michigan Avenue, Chicago, Illinois. Send as soon as possible after publication, and carefully mark *name and date of the paper clipped from* on each article. If this is not done, the clippings are absolutely useless.

Are You Thinking of Taking Up

A Course of Reading?

THE Seven Bound Volumes of LEAVES OF HEALING are a HISTORY of the most important events of the last years of the Nineteenth Century; they contain the best and wisest comments on CURRENT EVENTS in the world; they are a safe guide in BUSINESS and POLITICS; they contain the best thoughts about ART, MUSIC, LITERATURE and SCIENCE; they tell of things far more strange and interesting than fiction, and all true; they are an inspired BIBLE COMMENTARY and the safest and best works extant on THEOLOGY.

THE MOST BLESSED OPPORTUNITY of these latter days was to live in Zion Headquarters from the beginning until now. Comparatively few had that opportunity. The next best opportunity is that of reading these Seven Volumes. That is within the reach of almost every one. No member of the Christian Catholic Church in Zion can afford to miss that opportunity. These Seven Beautiful Books, substantially bound in black, half Morocco, can now be had for

LEAVES OF HEALING

I am the Lord that healeth thee.

And the leaves of the tree were for the healing of the nations.

A WEEKLY PAPER FOR THE EXTENSION OF THE KINGDOM OF GOD.

EDITED BY THE REV. JOHN ALEX. DOWIE.

VOLUME VIII. NUMBER 23. CHICAGO, MARCH 30, 1901. PRICE FIVE CENTS.

GOD'S WITNESSES TO DIVINE HEALING.

GOD LEADS DENOMINATIONAL MINISTER INTO ZION AND WONDERFULLY HEALS HIM AND HIS FAMILY.

HATH ANY OF THE RULERS BELIEVED ON HIM?

The Pharisees asked that question about Christ.

Modern Pharisees ask the same question about His work in Zion. The answer is the same in both cases. The Word says that the common people heard Christ gladly.

But it also says that "a great company of the priests were obedient to the faith."

So in Zion, the common people hear the Message of God's Messenger gladly.

There is also "a great company" of God's true ministers who "are obedient to the faith."

They find the Message to be in exact accordance with the inspired Word of God.

They see the "signs following."

They see people saved, healed, cleansed, made prosperous and happy.

Such a work they recognize as the work of God. They are honest with God and with themselves. Hence they must believe.

MRS SARAH ELIZABETH ADAMS. REV. JAMES ROBERT ADAMS.
WILLIAM THEODORE ADAMS. IVY VICTORIA ADAMS. MARGARET ELIZABETH ADAMS.

This Witness was a Congregational minister.

He was trained in University and Theological Seminary.

Yet he had never learned that God meant what He said when He proclaimed, "I am the Lord that healeth thee." He had never been taught that disease, like sin and every other evil thing, was the work of the Devil.

He had never learned from his theological professors that since Christ came to destroy the works of the Devil, He came to destroy disease. When he was attacked by disease, they advised him to seek "unto the physicians."

They did not teach him that God has not said one word in favor of physicians or drugs; but, on the contrary, in many places in His Word has denounced them.

He had a terrible experience with physicians and surgeons, in which he received no permanent benefit.

His wife had suffered much from disease and physicians who failed to cure her.

Such was his condition when God sent him a Message by the Little White Dove.

With an honest purpose he searched the Scripture, with every aid which his education had taught him to use, to find whether the Message were true.

He became convinced of its truth. He was attacked by pleuro-pneumonia and rapidly went down to the very point of

death. The physician said he would die. He prayed for life. God quickly raised him up.

His wife was dangerously ill.

He prayed for her, and God heard.

Incontrovertible facts had been given in support of the truth.

He began to preach the truth which God had shown him through Zion's Message.

But he found that he could not preach the truth in the Congregational Church.

He had to preach what the members wanted him to.

The members, not God's minister, ruled the Church.

Hence he became, at the call of God's Messenger, the General Overseer, a member and Elder in the Christian Catholic Church in Zion.

God has greatly blessed him in that ministry.

In answer to prayer of the General Overseer, he and his faithful wife have been perfectly healed of all their diseases.

Their children have often been healed, and are healthy and happy, growing up in the nurture and admonition of the Lord.

Without fear he proclaims with boldness the truth as it is in the Word of God; for in Zion God rules, and not the people.

His call to Repentance is heard and many are saved.

With a sincere faith, he lays hands upon the sick, praying for their recovery, and God keeps the promise, made by His Son:

These signs shall follow them that believe: in My Name they shall lay hands on the sick, and they shall recover.

His good wife, Evangelist Adams, is a faithful, efficient helper, and God blesses her work among the women.

How much better to be in Zion, healed and kept well by the power of God, than to be in the hands of the doctors and growing worse!

How much better to be in Zion, working for God and having His blessing upon the work, than to be in a denominational Church, doing the bidding of the members, and with no results!

May God bring all His true ministers out of the bondage and fruitlessness of the apostasy into the glorious liberty and blessed fruits of Zion. A. W. N.

WRITTEN TESTIMONY OF REV. JAMES R. ADAMS.

410 North Ionia Street,
Grand Rapids, Michigan, February 19, 1901.

Rev. John Alex. Dowie.

My Dear General Overseer:—My wife and I have been in Zion now over a year and a half. We cannot refrain longer from bearing witness to the many blessings which have come to us, all undeserved, in Zion, especially through your teaching of the Word and prayers.

In 1888 I decided to devote my life to the ministry, and began study the same year.

My pastor, the Rev. Joseph Wild, D. D., of Bond Street Church, Toronto, gave me much help and encouragement.

Next year I went to McGill University, Montreal, where I studied two years.

While there, you came to Toronto and held a Divine Healing Mission in the Bond Street Church, it being one of the largest in the city, and the largest Congregational Church in all Canada.

To this day I regret missing your God-given Message at that time. However, it was not altogether loss to me, for I received some of Dr. Wild's published sermons afterwards, which were strongly flavored by your teaching.

Thus, many years ago, I received in this diluted form my first help toward believing and trusting in God for healing in answer to prayer.

To me it was the first far-away echo of that Voice to Zion which we now love to hear and to obey

About this time I began to notice a difficulty in breathing through the right nostril. It increased until I could breathe only with difficulty, and many times not at all, through the affected side.

Supposing it to be catarrh, I took various specifics and washes for that disease.

One of these was a mixture of weeds ground up like smoking tobacco and used in the same filthy way.

This reatment did absolutely no good. On the other hand, it distressed me and produced headaches, besides being so repulsive that I soon abandoned it and concluded that my trouble was not catarrh, whatever else it might be.

In the meantime I had studied in Chicago Theological Seminary, 81 Ashland Boulevard, for one year, and returned to Toronto in the spring of 1892.

I was urged to consult H. H. Moorhouse, M. D., our family physician, who made light of the affliction, but gave me a prescription.

Being convinced that he did not understand the case, I threw away the prescription.

The learned professors in the Chicago Theological Seminary had nothing to say about the Great Physician. They had a room in the Presbyterian Hospital for sick students. Their time was taken up subjecting the Bible to higher, lower, historical and literary criticism, and the history of theological wrangling.

Instead of telling us to preach as did Elijah, Jeremiah, John or Stephen, they gave us Demosthenes and other heathen orators as models of pulpit rhetoric.

Instead of telling us that we must "lay hands upon the sick and they shall recover," and how to pray "the prayer of faith," they took the trouble to give us reasons why German critics rejected all the New Testament books but four.

Being so led astray, I turned again to man for help, for the trouble in my head became so persistent that I had no rest day or night. In fact, I could for days at a time think of nothing else.

Finally I consulted Dr. Aikens, corner Church and Wilton Avenues, Toronto.

He was highly recommended to me as a surgical expert and a member of the Faculty of Medicine of the University of Toronto.

Dr. Aikens examined me, and said that a large polypus had grown on one of the right turbinated bones.

He recommended an operation.

A day was appointed, and I prepared for the knife and chloroform by fasting beforehand in accordance with the surgeon's suggestion.

This left me weak, but I went on in my ignorance, asking God to bless the doctor and grant a successful outcome.

On regaining consciousness, I found that five polypi had been torn from the air passages of my head, one being over an inch and a quarter long, having attached to it three-quarters of an inch of the turbinated bone.

My stomach was nearly filled with blood, which ran down my throat from the wounds.

The assistant surgeon administered to me during the operation over six ounces of pure chloroform.

This so poisoned me that intense and prolonged nausea resulted, from which I suffered severely.

The wounds continued to bleed profusely.

The surgeon plugged the approaches with drug-soaked sponges to check the hemorrhages.

These remained about a week before being removed.

After about three weeks, when the scabs came away, I found that I was in a worse condition than ever, for new growths appeared where the polypi had been.

These "adhesions" grew across the nostril, drew both sides together and deflected the septum very badly.

Of course I was much discouraged.

The butchery caused much suffering, expense and waste of time.

I "was nothing bettered, but rather grew worse."

Then I returned to my studies in the Seminary at Chicago, where I heard of Dr. Carwin, a specialist in diseases of the head and throat, who made special rates to the students and was approved by the faculty.

I went to him.

He advised more operations on an improved and scientific plan.

At his hands I suffered ten more operations through the winter of 1892-1893.

He deadened the parts by cocaine and then burned them by a red-hot metal cautery, while I sat propped up and held a bowl to receive the hemorrhage.

It was awful!

Between operations my head was packed with rolls of cotton steeped in iodoform to prevent septicæmia.

The specialist hoped by these tortures to destroy the growths caused by the first operation, and restore the septum to its normal position.

Although the adhesions were partly burned out by the red-hot platinum, I felt no better, nor could I breathe more freely.

I had to lie constantly upon my left side in order to get any sleep, and always awoke dull and weary.

Then it was that I abandoned all hope of human help, but did not turn to God for healing, not knowing clearly how to do so.

I graduated from the Congregational Seminary in 1894, in a far lower

spiritual condition, and with smaller hold on God, than when I entered three years before.

Although I took second prize in Hebrew and was crammed full of dead theology, modern sociology, Biblical criticism, sacred elocution and up-to-date methods of "reaching the masses," what I sorely needed was a thorough Zion sermon on "Repentance toward God and Faith toward our Lord Jesus."

Soon I received a call to become assistant to my former pastor, Dr. Joseph Wild, in the First Congregational Church at London, Ontario.

In one of his sermons in that Church, he exhibited a copy of Volume I of LEAVES OF HEALING, and commented upon a picture of yourself standing beside the crutches, braces, etc., "captured from the enemy" and nailed to the walls of Zion Tabernacle No. 1.

Seeing that the statement made was in perfect harmony with Scripture, I gladly believed what Dr. Wild said of your work, and stored away the information for future use in anti-infidel debate.

Even then I failed to apply the truth of Healing to all and to myself as a universal provision of the Atonement, but rather considered those early Miracles of Healing (1892-1895) as a wonderful curiosity of answered prayer; an unusual showing of God's power.

Two years passed, and my eyes were still holden that I should not see Him as my Healer as well as my Saviour.

In August, 1897, I passed through Chicago to fill a preaching engagement in Detroit.

Going along Twelfth Street, the word ZION in large gilt letters caught my eye.

I stopped, wondering what it might mean, being impressed with the clean, homelike appearance of the building, and especially by the snowy whiteness of the lace curtains.

But I did not know that the Divine Healing Homes had been moved down town.

Surely it was the Devil who then whispered into my questioning heart: "Schweinfurth or some other false Christ, no doubt."

With a shudder at the thought, I hurried on, caught my train and was soon far away.

Again I had come so near to Zion and yet missed it!

In a few months we went to Colorado, then to Wyoming in December, 1898.

Though I knew it not, God was leading me Zionward.

More and more I was interested in prayer.

I preached on "Hezekiah's Answer" at the beginning of my pastorate.

On the next day I was down with the grip. It rapidly developed into pleurisy, and then pleuro-pneumonia. At the same time the weather grew colder until it reached fifty-six degrees below zero.

This brought me into the fatal stage of that swift mountain fever.

Dr. F. Denebrink told the druggist that it was too bad about the new preacher; he would probably not last another day. I knew I was dying.

Copious discharges of copper-colored decomposed blood indicated the approaching end.

My wife went out with some ashes. The intense cold made her violently seasick, so she was for some time unable to replenish the fire.

The thermometer mercury went down into the bulb and froze solid.

Again I thought of Hezekiah, and turned my face to the wall and prayed: "O God, it cannot be Thy will that I should die here in this strange place, and leave this woman and our babies alone and helpless so far from home. Deliver me, and make me well to take my place, for Jesus' sake."

I know not if I said "Amen," so quickly did God answer, and I fell asleep.

Next morning when I awoke the terrible scourge was gone.

Before noon the same doctor called, and expressed surprise and pleasure at the sudden change in my condition. He said I needed no medicine, and reported to friends down town that the pneumonia was past.

Immediately the Devil brought lumbago upon me.

Somehow I neglected to pray for that, but in spite of it so rapidly regained strength and vitality that in a few days I was out walking in the snow at a temperature of thirty-five degrees below zero. The next Sunday but one I preached in the church.

Soon after this, Mr. and Mrs. James Colley began to give us odd copies of LEAVES OF HEALING. I was now ripe for the whole doctrine of Divine Healing. Yet many of your declarations were so startling and your teaching so new to me, that I challenged their accuracy or scholarship.

So I hunted out my Hebrew Bible and Greek Testament, and a half-dozen lexicons, dictionaries, etc., "to investigate Zion."

Frequently I spent half the night in "searching the Scriptures whether these things were so."

I humbly thank God that He gave me grace and grit enough to accept and practice Zion teaching when I saw that it was according to His Word.

When you showed me that drugs were not only useless, but foes of God's Healing, I gathered my arms full of our family medicine bottles and threw them into the creek. This was done with much joy and was followed by quiet and sweet peace of mind and heart.

When you proved from the Bible that swine's flesh was a disease-producer, I left my study to see if we had any in the kitchen or pantry.

A piece of bacon was put in the stove; the lard was melted and poured out. None has been in our house since, and I have never had the slightest sign of bilious fever since that day, although I had several attacks each year previously. Praise God.

But your teaching found its way into my preaching and caused uneasiness among the sinners whose hired man I was.

The trustees suggested the difficulty of raising my salary if I preached against popular sins.

Bluntly put, it meant "Preach to please us, or no pay."

After prayerful consideration, I released the church from its obligation to pay me a stipend, so I should be entirely free to preach what God bade me.

So I fired away at the Devil and God filled the pantry.

Some thought I was going crazy.

The Church was full of dancers, playgoers, secretists, swine-eaters, some infidels and an adulterer, and a few earnest Christians. I wanted to clean up.

But Congregationalism vests its authority in the membership. A majority vote on any matter is necessary before the pastor can move.

I could not get rid of a notorious tough if the other members declined to vote against him.

I was troubled. At last I saw that Zion's new wine could not be put into the old Congregational bottle.

Such a church polity must be evil and unscriptural.

In my perplexity I thought of writing to you for counsel and started to go downstairs to consult my wife about it. I met her half-way coming up.

I said: "Bessie, what do you think of our writing to that Dr. Dowie in Chicago and asking him for advice?"

Smiling, she replied: "Why, Papa, I was just coming up to tell you to do that very thing."

We did so, and you replied kindly, inviting me to become a member of the Christian Catholic Church in Zion.

Again you wrote, asking me to come to Chicago.

Since giving up my salary, God had provided for every want, but I had nothing ahead. The trip to Chicago would cost about $100.

I saw no way of getting it, but prayed earnestly for the means of going as a "Gideon's fleece," to prove that you and Zion were of God and that I was not foolish but wise in heeding your behest.

Very soon God opened the way, gave me the time and provided the funds for the trip; all in such a wonderful way that it would be the deadliest unbelief in me any more to doubt but that God had borne witness in the strongest and clearest manner to His approval of Zion and her General Overseer.

Vini, Vidi, Victus sum!

"I came. I saw. I was conquered!"

As soon as I saw Zion I loved it, and the last trace of attachment to the denominational ministry died out of my heart.

The day you granted me an interview, received me into fellowship and ordained me an Elder, was up to that time the happiest of my whole life.

At that time you prayed three times for my healing of the old polypoid growths and the results of the surgical operations in my head. But I was too full of myself to get the blessing sought for.

Although a little disappointed, I determined to go on with God's work and leave that trouble in His hands.

Then I forgot all about it for over a year, when one day I suddenly realized that I had been sleeping on my *right* side many months with much comfort, and that I awoke every morning feeling bright and fresh, although working harder and sleeping fewer hours than ever before.

I also realized that I could breathe quite freely and evenly through both nostrils, and that my heart was strong and regular in its action, for the constant sleeping upon the left side had seriously affected it.

This I have put to many severe tests, such as fast cycling for long distances and climbing hills.

When I thought more of getting a blessing for others and a little less for my own precious carcass, then God blessed me.

I went about my Father's business, doing His Will, and, like the ten lepers, as I went I was cleansed.

I praise God and thank you for your prayers of faith.

God has been very good to us in Zion, and we have been surprised and delighted with your generosity and patience.

About a year ago I was smitten with grip and was very sick all day. The same evening I was due to conduct a Zion meeting at 1204 Milwaukee Avenue, Chicago.

On my arrival there I had to lie down, being unable to stand.

At five minutes to meeting time, Deacon Post arrived with his daughter

Ethel, who was to give her testimony to healing of osteo-sarcoma through your prayers.

I called the Deacon into a side room and asked him to lay hands on me and pray.

He did so, I joining silently. Immediately I opened the meeting and conducted it for two hours.

Before closing the meeting, I asked any one who had perceived hoarseness or any sign of illness in me to raise the hand. Not one went up. It was an instant answer to the prayers of two agreeing.

In conclusion, I desire to say that on January 25, 1901, I took sick with bronchitis. The next day, Saturday, my voice was gone and the pains in my chest were very severe.

At 6 P. M. I telegraphed to you to "Please pray for my healing of bronchitis. Voice gone."

Within an hour I was improving. By morning the pain had ceased. Although hoarse, I personally conducted the four regular Zion Tabernacle services, without any distress or weakness.

I am now quite well, and thank you most earnestly for your God-honored teaching and prayers.

I give praise to Him whose is the power and the glory forever. Amen.

In Jesus the Coming King, faithfully yours, JAMES R. ADAMS.

WRITTEN TESTIMONY OF MRS. S. ELIZABETH ADAMS.

410 NORTH IONIA STREET,
GRAND RAPIDS, MICHIGAN, February 19, 1901.

REV. JOHN ALEX. DOWIE.

My Dear General Overseer:—It is with great joy and gratitude to God and to yourself that I write this testimony of simple facts relative to my coming into Zion and the many blessings I have received thereby.

I was the only child of sickly parents. While yet a young woman, my mother died of hereditary heart disease and paralysis.

As a natural consequence I was very delicate until I reached womanhood.

Being left an orphan, I gratified a desire to see something of the New World and left my native land, England, fifteen years ago.

I settled in Chicago.

When the grip was epidemic in 1889 I became one of its victims and suffered inexpressibly for seven weeks, being bedfast all the time. When I was able to get up, I moved about more dead than alive.

My body was wrapped in cotton batting. Turpentine in the form of poultices was used so much that my skin was so blistered and raw that I could not endure any part of my clothing to touch me.

But with time and strict obedience to the laws of nature I recovered sufficiently to resume my duties, although far from being strong.

Being in this weak and susceptible condition, I became subject to periodic kidney disease, and occasionally neuralgia of the heart.

In 1894 I married Rev. James R. Adams, and with him went to London, Canada, where we lived one year.

While there I realized that my old enemies, the post-grip troubles, were returning.

I consulted Dr. Moorhouse and two other physicians, whose names I have since forgotten.

None of them could give me any help or do me any good.

Then we left London and removed to Bevier, Missouri, where my husband was pastor for two years.

The locality was low and damp.

I contracted malarial-typhoid fever, and during our residence there I suffered everything any human being can suffer without losing life or limbs.

The physicians there advised change of climate.

My husband then gave up his charge and we removed to the famous Creede District, Colorado, to an elevation of 10,000 feet above sea level. Here the high altitude affected my heart unfavorably, although the malarial tendency was lessened.

The two doctors whom we employed advised a lower altitude.

Leaving my husband at his ministry in Creede, I went to the San Luis Valley and remained at Del Norte most of the summer of 1898. No sooner had I returned to our charge than my health was as before.

I confess I was discouraged, and so was Mr. Adams.

All through these years we had served the Master faithfully according to our light and training. As might be expected, the results were meagre and unsatisfactory.

From beginning to end of the year it was dinned into my ear that "Whom the Lord loveth He chasteneth."

I thought it meant to make sick, and hoped I would soon be perfect if that sickness would do it.

My husband thought otherwise.

However, the Lord was leading us all the way.

Soon we left Colorado and went to Sheridan, Wyoming.

There, among the dreary foothills near the Custer battlefield, we found the desired haven.

While looking through a house with a view to renting it, I found in a closet some leaves of a periodical which had been used for shelf paper. I gathered them together for waste paper, and in so doing the picture of a girl's face, horribly drawn and distorted by disease, caught my eye and riveted my attention.

The otherwise sweet-faced girl seemed to be suffering the very tortures of hell from that foulest of diseases, cancer.

Forgetting all else, I read about her, thinking, "Can it be possible we are created in the image of God, and yet He sends these diseases to destroy His own likeness and make us like devils?"

But I read further on, and found that the dear child was suffering not from the loving hand of God, but from the cruel fingers of Satan.

I read, "Disease is the Devil's work."

Then I found that you prayed the prayer of faith for the poor sufferer, and God's power was present to heal.

The dismembered leaves, I found, were pages of LEAVES OF HEALING of September 25, 1897, and the pictures were those of Ethel Post.

My husband read with equal interest all that could be found of that wonderful Story of the power of Him whose Name is "Wonderful."

Together we compared notes and exclaimed, "What powerful evidence of the willingness of God to heal now as He did in the past."

Soon after, my husband took sick with pleuro-pneumonia.

He trusted in God and was healed as he says in his testimony.

I am sure that our confidence and faith in God were much strengthened by our precious discovery in the empty house.

When my son William was born, I almost died.

The labor continued two whole days without progress. I was utterly exhausted.

The doctors chloroformed me and I am sure used instruments, for I did not fully recover for years.

Now we were learning to trust God even in childbearing. Although I had engaged a physician, I prayed that God would deliver me and manifest His power in my body, that I should not have to submit to the butcheries of the accoucher, and He did.

Had it not been for my husband's telephone call and the doctor's fast horse, Baby Margaret would have been born when he was a mile away.

God graciously fulfilled His Word, "She shall be saved through the childbearing."

I hardly know why I had a physician, having lost all confidence in his skill.

Doubtless I was a coward, and afraid of what people might say.

The child was born while the doctor was talking to the nurse, after a very brief sickness.

We give God all the glory.

I was indiscreet and left my room too soon, and as a result I caught cold, which developed into acute neuralgia of the face and neck.

I suffered intensely for over two weeks, day and night, getting very little sleep.

The baby also nursed from me the trouble, and became thin and fretful.

Even then I used liniment without relief, having little faith and not being fully taught as to the evils attending the use of drugs.

I used so much chloroform to ease the pain that I sometimes feared for my reason.

On the following Sunday, when my pain seemed, if possible, to be worse than ever, my husband came home from church and found me groaning and moaning.

He knelt beside my bed, and taking my hand in his, he said, "Bessie, I have studied up this matter of Divine Healing very closely since you have been ill, and I am now convinced that what you are doing is wrong, and that sickness and medicine are not according to God's will. Let us prove Him.

"He will heal you through prayer and obedience."

I am not sure that I quite understood all he said, I was so stupified by pain and drugs, but I agreed to it.

He then laid his hands upon my head and asked God to heal me.

He then went out and got some milk for me, and when he returned, in a short time, I was sound asleep.

I drank the milk he brought, feeling much refreshed, though very weak.

We then prayed together, asking God to do a perfect work.

I again fell asleep and did not awake until the next morning, having slept naturally ten hours.

It was a perfect healing, for which I thank God from my heart.

I did not know at the time that during my confinement and subsequent illness my husband was receiving A VOICE FROM ZION from Deaconess Hill, and LEAVES OF HEALING from the only two Zion members then living in Sheridan, Mr. and Mrs. J. M. Colley.

I believe that my healing is directly due to your teaching published in

Zion Literature, and to the loving sympathy of the faithful members who provided us with it.

We continued to read the LEAVES as regularly as they came, and were soon better informed on Zion teaching.

My husband then gave up his salary as a Congregational minister, in order to be free to preach all the truth.

God most wonderfully opened up the way and provided the means for us to accept your gracious invitation to come to Chicago.

In August, 1899, we were in Zion Home.

I was never so happy in all my life as when there.

I could not think an unkind thought.

The whole atmosphere seemed to be charged with peace and love and harmony.

Very soon we entered into the fulness of this glorious work, and have been blessed in every effort we have put forth in the proclamation of the Full Gospel of Salvation, Healing and Holy Living.

Concerning my old diseases of the heart and kidneys, and the effects of grip and malaria, I am glad to testify that since giving up doctors and drugs altogether, and trusting in God alone for healing, I have had the best health of my life.

While ailing my weight never exceeded 110 pounds.

You laid hands on me and prayed for me in Zion Home in September, 1899.

Since then no symptoms of the old troubles have manifested themselves. I now weigh 150 pounds and enjoy good health.

As an example of what God has done for me in Zion, I will say that I do all my own housework and care for a family of five, assist my husband in his street meetings until near midnight, telling the good news and selling LEAVES OF HEALING, and next morning attend the first services in Zion Tabernacle with the children, the baby not yet being weaned.

In conclusion, I will tell of my latest healing of an accident.

While housecleaning, just before last Christmas, I stood upon a box which was placed upon a chair in order to reach some curtains I wished cleaned.

The baby pulled my skirt to gain my attention to something.

The box slipped away from under my feet and I lost my balance.

As I fell forward, the chair back tilted upwards so that I struck full weight upon it with such violence that for a time life was suspended.

I could not breathe.

The agony was such that the power of thinking left me.

I fought desperately a few seconds for my life.

When my thoughts returned, I prayed to God, and could after that breathe in little gasps when I grew calmer.

The Elder being away from home, I thought my time had come to die.

My lungs were badly crushed.

I could not rise from the floor, but was bent double.

Before he returned, I was enabled to creep into the study and lie down, by slow and painful degrees straightening out my form.

My husband came home to supper.

He laid his hands upon me and prayed, "In the Name of the Lord Jesus," for my healing.

In a few minutes I was breathing freely, then arose and prepared supper and ate as heartily as ever I did.

Next day, Wednesday, I resumed my housecleaning.

In the evening we held a Cottage Meeting at our home, and I had the pleasure of publicly testifying to God's mercy and goodness in giving me such a speedy deliverance.

Surely the old prophecy is being fulfilled in Zion: "Before they call I will answer; and while they are yet speaking I will hear."

With earnest thanksgiving to God and His Messenger, I am

Sincerely yours in Jesus, (MRS.) S. ELIZABETH ADAMS.

WRITTEN TESTIMONY OF REV. JAMES R. ADAMS, TO HIS CHILDREN'S HEALINGS.

410 NORTH IONIA STREET,
GRAND RAPIDS, MICHIGAN, February 20, 1901.

MY DEAR GENERAL OVERSEER:—The oral testimony concerning my son William's healing of scarlet fever is in LEAVES OF HEALING, Volume VI, Number 23, March 31, 1900, on page 729.

To the above I wish to add that he was then excluded from school because of non-vaccination.

However, the School Board issued a permit for readmission minus the virus, provided he passed medical examination.

The medical inspector from the Board of Health came to the school. His teacher presented William to him with, "Here is a little Dowieite for you, Doctor."

He laughed and at once admitted him without examination. Was not his action a testimony to the thoroughness of God's work in Zion?

Was it not also a tacit admission that he had no confidence in the alleged preventive powers of filthy vaccine matter? Victoria's healing of scarlet fever was very rapid. She did not lie abed even half a day.

The scaling off of the scarf-skin was complete in both cases.

About that period a number of children, their companions, gained admittance to the house without our knowledge, being admitted by the children themselves.

We prayed that God would keep them from taking the plague. Not one has taken it, even in mild form, to this day, so far as we know.

Again our Father made good the promise, "He shall deliver thee . . . from the noisome pestilence."

On my first visit to Zion Home I was much impressed with the everywhere evident love of the children for yourself and Mrs. Dowie, believing that the true Christ-spirit was universally attractive to the little ones.

General Overseer, for thee we pray,
Long may'st thou live to lead the way
To victories in holy fray.

In Jesus the Coming King, faithfully yours, JAMES R. ADAMS.

WRITTEN TESTIMONY OF MRS. SARAH ELIZABETH ADAMS TO THE HEALING OF HER LITTLE DAUGHTER.

410 NORTH IONIA STREET,
GRAND RAPIDS, MICHIGAN, February 19, 1901.

REV. JOHN ALEXANDER DOWIE.

Dear General Overseer:—With great joy and gratitude to you I write this testimony to the power of God to deliver even from the jaws of death.

Some weeks ago on a Friday our three little ones were as usual playing in their room upstairs, when our baby, not yet two years of age, fell the full length of the stairs to the bottom.

I was in a distant part of the house at the time.

I heard the sound and ran to learn what it could be, when to my horror I found my dear child lying white and limp at the foot of the stairs.

I gathered her in my arms and ran with her into the study, where I knew my husband was.

I was terribly frightened.

He took her from me with some mild words of reproof for my giving way to fear.

We together knelt down and asked God to deliver her from the power of the enemy, death, in the meantime laying hands upon her according to God's command.

She then sat up and began to moan.

I took her and nursed her, when she soon fell asleep.

She slept soundly and well for some time, when she awoke and came to me in the kitchen, laughing and asking for a cookie.

I took her up, praising God in my heart for His goodness.

I noticed when I put my arms around her that she cried a little. I then examined her body and discovered that she had broken a rib on the right side and it was protruding almost through the skin.

Her head was badly hurt and a large lump formed on the right temple.

We prayed again and asked God to perfect His work and heal that little broken body, which He did.

In a short time the bone went back into place, and from that time to the present she has never shown the least sign of sickness or soreness.

We give God all the glory, and thank Him for giving us the victory.

We praise God for His goodness to us, and pray that we may be of greater use in His service.

Your Sister in Christ, (MRS.) SARAH ELIZABETH ADAMS.

Cousin Immediately Healed of Grip.

PLAIN CITY, OHIO, January 30, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—I write in praise to God.

I was at my cousin's, Anna Frazell's.

She had a severe pain in her neck and shoulders, and said to me, "I wish Dr. Dowie were here to heal my neck and shoulders."

I said, "Do not say that, for Dr. Dowie cannot heal you; God doeth the work."

I asked, "Do you believe that God can take all pain away?"

She said, "Yes."

We asked God, for Jesus' sake, to destroy the Devil's work, take that pain all away, break up the grip, and make her every whit whole.

She went to writing, and in about two minutes she said, "I am astonished!

"That pain is all gone."

I said, "Praise the Lord," and she cried for joy.

We give God all the glory.

Your Brother in Christ, SANFORD FRAZELL.

EDITORIAL NOTES.

"ARISE YE, AND LET US GO UP TO ZION UNTO THE LORD OUR GOD."

WE REJOICE that we are now enabled to make the Announcement which has been so long eagerly waited for by tens of thousands in Zion.

ON MONDAY, JULY 15th, a very large section of Zion City will be open for selection.

WE HAVE GIVEN orders to put an additional number of Survey Parties at once into the field to stake out lots, streets, avenues and boulevards. Several square miles have been already surveyed in outline.

WE HOPE in a short time to be able to send out, through Zion Land and Investment Association, detailed Plats of the Land thrown open in this large and important portion of the city.

THE EAGERNESS with which this Announcement will be received is already evidenced by the fact that shareholders desiring land, who have already taken hundreds of thousands of dollars' worth of stock, have intimated their intention to avail themselves of their right of choice.

It is estimated that APPLICATIONS FOR SIX THOUSAND LOTS have already been made in this manner.

THIS IS, as far as we are aware, a most unprecedented fact, and points to the early erection of thousands of homes in Zion City.

SUPPOSING that only one thousand persons were to select their lots and begin building their homes this year, it is probable that the aggregate investments of such persons in Zion would amount to, at least, from Two to Three Millions of Dollars.

This is a very low estimate.

Indeed, in our judgment, it is probable that the number of persons who will select with a view to immediate building will, at an early date, number at least five thousand, and an average investment of only two thousand dollars in land and house, which is a low estimate, would mean an Investment of Ten Million Dollars in Zion City.

IT WILL be seen that this will give a greatly added value to the rest of the lots, and we shall be justified in asking a very much larger price for the land in the second subdivision.

WE HAVE now acquired title to nearly 2000 acres, and arrangements have been made to secure title to 270 acres on Monday next. Further arrangements are being made to make our total holdings under title and in full possession, fully 3000 acres by the middle of May.

We shall have, God willing, in full possession, nearly five square miles by the first of June, and possibly more before the land is opened; for we have paid a very large sum already upon the other five square miles.

Original from NEW YORK PUBLIC LIBRARY

WE HAVE GONE far beyond our contracts when we agreed to purchase the land at the beginning of last year.

ARRANGEMENTS are being made for the rapid establishment of many profitable Zion Industries.

THE SPIRITUAL and moral tone of the Christian Catholic Church in Zion is most excellent.

This present week has shown great vigor in all the three great departments of the work: Ecclesiastical, Educational and Commercial.

VERY LARGE Investments have also been made this week through Zion's Financial Institutions.

There is every prospect of a very great increase in Zion's Onward Movement this Spring.

WE HAVE AGAIN and again declined, within the last few days, offers to lend us large sums of money on our bonds for the more rapid development of the City.

WE HOPE that Zion's people and Zion's friends will make this entirely unnecessary, for again we say, as we have often said, that it is our intense desire that Zion shall reap where we have sown, so that the extension of the work of God in Zion shall be promoted in this way.

WE SHALL, probably, have some very Important Announcements to make next week in connection with the work in Chicago and a new Zion Home for Zion College and for Guests.

THIS HAS BEEN a most important week in connection with the business arrangements of every kind for the better organization and effectual working of the three great divisions of God's work in Zion.

WE HAVE every reason to give thanks and praise to God who has so wonderfully provided for us.

His good counsel and direction have given us glorious successes in ways which we do not think it well, at present, to discuss.

WE EARNESTLY direct attention to the discourses published in this issue.

We have revised them with as much care as our time permitted.

Following up our recent utterances on the Seal of the Living God, we have especially dealt with God's Purposes in a Real Baptism.

It has been a great joy to know that these discourses have been especially blessed to many thousands of Zion in Chicago, and we trust they will be to Zion everywhere.

BRETHREN, PRAY FOR US.

GOD'S WAY OF HEALING.

BY THE REV. JOHN ALEX. DOWIE.

God's Way of Healing is a Person, not a Thing.

Jesus said, "*I am* the Way, and the Truth, and the Life," and He has ever been revealed to His people in all the ages by the Covenant Name, Jehovah-rophi, or "*I am* the Lord that Healeth thee." (John 14:6; Exodus 15:26.)

The Lord Jesus Christ is Still the Healer.

He cannot change, for "Jesus Christ is the same yesterday and today, yea and forever"; and He is still with us, for He said, "Lo, *I am* with you alway, even unto the end of the world." (Hebrews 13:8; Matthew 28:20.) Because He is Unchangeable, and because He is present, in spirit, just as when in the flesh, He is the Healer of His people.

Divine Healing Rests on Christ's Atonement.

It was prophesied of Him, "Surely He hath borne our griefs (Hebrew *sicknesses*), and carried our sorrows: . . . and with His stripes we are healed"; and it is expressly declared that this was fulfilled in His ministry of Healing, which still continues. (Isaiah 53:4, 5; Matthew 8:17.)

Disease Can Never be God's Will.

It is the Devil's work, consequent upon Sin, and it is impossible for the work of the Devil ever to be the Will of God. Christ came to "destroy the works of the Devil," and when He was here on earth He healed "all manner of disease and all manner of sickness," and all these diseases are expressly declared to have been "oppressed of the Devil." (1 John 3:8; Matthew 4:23; Acts 10:38.)

The Gifts of Healing are Permanent.

It is expressly declared that the "Gifts and the calling of God are without repentance," and the Gifts of Healing are amongst the Nine Gifts of the Spirit to the Church. (Romans 11:29; 1 Cor. 12:8-11.)

There are Four Modes of Divine Healing.

The first is the direct prayer of faith; the second, intercessory prayer of two or more; the third, the anointing by the elders with the prayer of faith; and the fourth, the laying on of hands of those who believe, and whom God has prepared and called to that ministry. (Matthew 8:5-13; Matthew 18:19; James 5:14, 15; Mark 16:18.)

Divine Healing is Opposed by Diabolical Counterfeits.

Amongst these are Christian Science (falsely so-called), Mind Healing, Spiritualism, Trance Evangelism, etc. (1 Timothy 6:20, 21; 1 Timothy 4:1, 2; Isaiah 51:22, 23.)

Multitudes Have Been Healed Through Faith in Jesus.

The writer knows of thousands of cases and has personally laid hands on scores of thousands of persons. Full information can be obtained at the meetings held in Zion Tabernacle, 1621-1633 Michigan Avenue, Chicago, and in many pamphlets which give the experience, in their own words, of many who have been healed in this and other countries, published at Zion Publishing House, 1207 Michigan Avenue, Chicago.

"Belief Cometh of Hearing, and Hearing by the Word of God."

You are heartily invited to attend and hear for yourself.

AND YOU did He quicken, when ye were dead in your trespasses and sins.—Ephesians 2:1.

THE FOLLOWING LETTER from Spain was written by a gentleman who was

Blessed Through Reading Leaves of Healing.

REV. JOHN ALEX. DOWIE.

My Dear Friend:—From far-away Madrid I send Zion greeting.

Though a stranger in a strange land, it is very gratifying to find in every inn and hotel "crumbs of comfort" from LEAVES OF HEALING.

Yesterday I was with the dead. Today I am with the living.

God has been kind to me in dropping in my lonely path pearls of priceless value.

My dear friend, I thank you in His Name for what you have unconsciously done for me.

I was walking in a dark and lonely path with no light to guide, when you met me on the way and spoke words of good cheer.

The dawn of a new morning seemed to break upon me.

I have been ill. I have been friendless.

I have lost all of my worldly goods.

You have refreshed me. You have befriended me. You have given me treasure that cannot fade.

I thank God for the General Overseer, and the General Overseer for LEAVES OF HEALING, which is found the world over.

The letter which follows shows the

Cleansing Power in Leaves of Healing.

RIFLE, COLORADO, February 26, 1901.

DEAR GENERAL OVERSEER:—I will now confess to you and to God what a stinkpot I was. I chewed and smoked, and drank whisky. I would plan to steal from some one.

About a year ago I came to Mr. Beebe's house.

He handed me a copy of LEAVES OF HEALING and told me to read it carefully, which I did.

That visit brought me to know God and to know that He was the Healer and Keeper of His people.

I am thankful to you and to God for the blessings I received from reading Zion Literature.

Your Brother in Christ, ELLIS LIEURANCE.

How Zion Teaching Stirred the Devil in London.

The following letter is from a gentleman in London, who writes:

The case of Zion Literature arrived safely.

I am sure you have put us to work to stir up Satan.

He will rage as a lion.

This place is in a sad state of wickedness—too bad to mention.

Will you not make it a matter of special prayer?

I had been praying for months for our Father in Heaven to send some one to stir up London and poor Bermondsey.

To my surprise, it came from America.

When I heard of the dear General Overseer coming to London to have meetings, I looked forward to getting a blessing, and I got one.

But the Devil went for me. He would have liked to put me aside; but I still plodded on, trusting our Father in Heaven to keep me firm in the faith that I might not be moved.

When I heard that the General Overseer was to return to London, I prayed that God would send him to Bermondsey, and He did.

He upset the Devil, who raged in a fearful manner.

I was so ashamed of the people I worshiped with, that I went home and sent a letter of resignation to the leader.

They did not like that.

I do hope God will open up Bermondsey for us.

It is a long distance to Evangelist Cantel's meetings.

We go there and get a taste when we can.

When the General Overseer spoke about swine's flesh in Holborn Town Hall, I rejoiced. I never heard any one so bold.

It made me feel that I had been a perfect coward.

God has given me the light on this subject for fourteen years. I had been trying to spread it in my way.

Ministers and so-called Christians would have put this light out if they could, but God would not have it so.

I am thankful to God that two of my little children have never tasted swine's flesh.

May our Father's blessing rest on all Zion, for Jesus' sake.

The letter which follows, from a native in India, tells of a gentleman who was

Blessed When He Stopped Medicine and Trusted God for Healing.

REV. JOHN ALEXANDER DOWIE.

Dear Brother in Christ:—I received your letter with joy.

I am so happy to know that I have Zion's prayers, and more so, to be remembered by God's chosen Messenger.

God answered my prayers most wonderfully the other day.

My brother was taken very sick at an out-station. He is a fireman.

The doctor gave him a month's leave.

His sickness was pains all through his body. The pains bent him double.

He tried medicine only to get a short relief, and then get worse again.

I poured out my heart to God during the night when he was groaning with pain, but all to no effect.

I then advised him to stop all medicine and trust God as he did once before.

He did so, and the following morning he told me all the pain had gone.

He enjoyed his food, and there was a great change in his face, smiling all day.

How I thanked God for this!

He is now well.

A little baby was also healed by God through prayer.

It was suffering with fever, and was always peevish and cranky. But ever since it has been very cheerful and looks healthy.

What a real joy it is to know that Christ is just the same today.

I have served the Devil all these past years, and he has recompensed me with misery, pain and disease.

Three times he brought me near death, but God wonderfully spared me, through Zion's teaching.

By the Grace of God through Jesus Christ, I shall hit the Devil as hard as he has been hitting me.

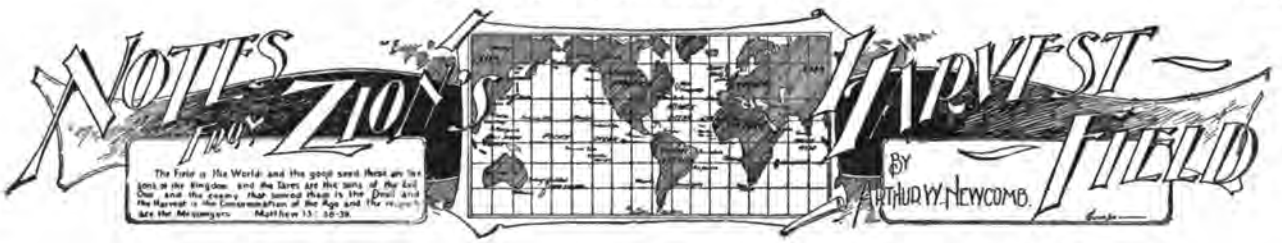
I am a member of the Christian Catholic Church in Zion, and God wants His people to hit the Devil hard.

Please pray for a lady who wishes to come into Zion.

Her prayers used to be "Blessed Master" and "Precious Jesus."

There is a great change since I gave her Zion Literature on Prayer.

Her prayers are answered.



She has resigned her mission work.

We invite our readers to help Zion Literature Free Distribution Mission, as God has blessed and prospered you, to send out Zion Literature, which carries so much blessing to others.

Sault Ste. Marie, Michigan.

Deacon John G. Lake, in Charge.

The following enthusiastic and encouraging letter is from Deacon Lake.

It relates how wonderfully God is blessing the earnest and energetic work of the Gathering of the Friends of Zion in Sault Ste. Marie.

It tells of difficulties overcome in preparing a baptistry and a mighty outpouring of God's Spirit when the Ordinance was administered.

Sinners repented, the sick were healed, and all present received a great blessing.

God has continued to bless His work in Sault Ste. Marie since that Sealing with "the Seal of the Living God."

Deacon Lake writes under date of March 18, 1901:

In compliance with your request in letter of recent date, we made preparations to hold a Baptismal service by announcing and conducting services in Zion Tabernacle every evening, commencing Lord's Day, March 3d, and ending Lord's Day, March 10th.

The Power of God to convict, to convert and to heal was manifest.

Twelve joyfully followed their Lord in Baptism by Triune Immersion.

Some time ago we thought of asking for the use of the baptistry of the First Baptist Church, but the Deacon to whom we spoke about it advised us not to make any formal request for the baptistry, as he did not believe our request would be granted.

We prayed about the matter, and then started in to get one of our own.

We found that our Tabernacle was not large enough to accommodate all who would be likely to attend, so we first looked for a suitable place.

No public hall was available, the Secret Society devil (a very numerous one here) having a monopoly on all public halls.

We finally settled on the home of Brother and Sister Sipes as best answering our purpose.

They willingly gave us the privilege of constructing our baptistry in their home and conducting our service there.

We ordered our lumber, built the baptistry and got tinsmiths to line it with galvanized iron.

Then the problem arose as to how to heat the twenty-five barrels of water necessary to fill the baptistry.

After some consultation on methods, we requested our Brother Luke Riley to bring his threshing engine to the rear of the house. We then brought the hot steam into the bapistry through a line of hose.

The water was splendidly heated, which made our service very pleasant, notwithstanding the thermometer registered ten to twenty degrees below zero.

God gave us wonderful power and liberty from self in delivering our discourse.

The power of God was wonderfully manifested.

Sinners wept for their sins.

Several wonderful testimonies of God's power to save and heal were given.

Then twelve candidates came forward and were baptized; not alone in water, but their testimony and faces have shown since that their Baptism was into the Father, Son and Holy Ghost.

Several were healed while in the baptistry.

We also received four applications for membership.

We have captured from the enemy since last Lord's Day one Lady Maccabee insurance certificate for $1,000, two Forester policies for $1,000, some Forester badges, one Knight of Maccabee policy for $1,000, and some Orangemen's badges.

As we bend our renewed energies to press the work for God yet more, we experience every day this glorious truth, that "one with God shall chase a thousand, and two put ten thousand to flight."

I have received seven applications for Baptism in the last four days.

Blue Earth, Minnesota.

Deacon Joseph H. Paxton, of Forest City, Iowa, recently conducted a Baptismal service in the Baptist Church in Blue Earth.

Miss Anna Oestreich, who has been a faithful witness for God and for Zion in Northern Iowa and Southern Minnesota, writes as follows, telling of the interesting meetings held and the many blessings received:

We had a blessed service the 13th and 14th.

Zion people gathered from Ledyard, Elmore, Granada, Lake Mills and Forest City.

The Baptist Church had been engaged for the Baptismal service to be held in the afternoon.

While we were waiting for Deacon Paxton to arrive, the following testimonies were given:

Mrs. Lucilla Pettit, of Ledyard, Iowa, said: "I am so thankful for Zion teaching.

"Six months ago Mr. Rendall gave me a copy of LEAVES OF HEALING.

"I was lame and had been so for twenty-two years.

"I was treated by a great many doctors.

"They at last told me I could never be healed.

"I wore a bandage on my limb for twenty years.

"I kept reading LEAVES OF HEALING, and soon saw that God would heal me.

"Now my limb does not need a bandage. I do not need my cane.

"I can walk and do my work. I am getting better right along.

"I am here today to obey Him in Baptism."

Miss Minnie Rendall, of Elmore, Minnesota, said: "When Miss Oestreich came to our home last fall and told of her healing, I said that if the Lord healed her, He would heal me.

"Miss Oestreich has been a blessing to us all."

Misses Esther and Faith Rendall testified to the healing and keeping powers of God. All three sisters were healed of weak eyes in answer to their own prayers.

The mother, Mrs. Adra Rendall, confirmed the girls' testimonies.

Mrs. Rendall, of Ledyard, Iowa, told a touching incident of how her little girl came to her when she was suffering with a headache.

The little one, she said, came and said: "Mamma, you sick? Shall I p'ay?"

She prayed. God only knew the words, but ended with "Amen." "It will be better now, Mamma. Does you feel better now, Mamma?"

"Yes, darling," answered the mother.

The headache was gone. The Heavenly Father understood the little child's petition, and healed.

Mr. Trimble, of Ledyard, Iowa, praised the Lord for Zion teaching. He said that he had learned more in the two months, since studying Zion Literature and attending Zion meetings, than he had learned all his life in the churches.

Mrs. C. C. Hall, of Ledyard, Iowa, told what LEAVES OF HEALING had done at their home.

She told of her daughter, nineteen years old, who was at her side.

She had never in her life stood on her feet until Elder Excell prayed for her this winter. She had been deformed with a curved spine and deformed feet.

"She was sick in many ways," said her mother, "and in pain almost constantly. She had dropsy. She is well today, and has been for a number of months. She has no pain."

Many others testified.

It was such a blessing to us to see their shining faces, as they told of what the Lord had done.

Seventeen joyfully followed their Lord in Baptism.

There were, I think, about forty present to witness the Baptism. The power of the Lord was manifest.

Another blessed service was held in the morning, after which Deacon Paxton prayed with the sick. The power of the Spirit of God was present to heal.

All went home, I believe, with renewed zeal to work for God and Zion.

A VOICE TO ZION AND GOD'S PEOPLE IN EVERY LAND.

THE SEAL OF THE LIVING GOD.

Report of Meeting held in Central Zion Tabernacle, Wednesday Evening, March 20, 1901. Sermon: "What Constitutes a Real Baptism?" Baptism of Twenty-Six Candidates by Triune Immersion.

Report of Meeting held in Chenilworth Hall, Oak Park, Illinois. Lord's Day Morning, March 24, 1901. Sermon: "The Gospel of the Kingdom of God."

Report of Meeting held in Central Zion Tabernacle, Lord's Day Afternoon, March 24, 1901. Sermon: "The Purpose of a Real Baptism."

REPORTED BY S. D. W., E. W., O. L. S., I. M. S. AND A. W. N.

FOLLOWING the solemn proclamation of a Real Baptism by Triune Immersion, in Zion, as the Seal of the Living God, God's Messenger delivered a number of most critically important addresses bearing upon that most momentous subject

These addresses were principally to the people whom God had given him, the members of the Christian Catholic Church in Zion.

The first of these, the General Overseer gave on Wednesday evening, March 20, 1901, when he conducted the regular weekly Baptismal Service at Central Zion Tabernacle.

The man of God spoke with more than human power and authority upon the mighty significance of the Ordinance which he was about to administer.

On Lord's Day morning, March 24, 1901, the General Overseer visited Oak Park, Illinois, for the first time since the memorable night of October 31, 1899, during Zion's Holy War.

On that night, a howling mob, frenzied with unreasoning hatred, had broken the windows in Zion Tabernacle, when the General Overseer was speaking to an audience which crowded the room, and had been prevented only by Zion's brave guard from rushing into the hall, and severely injuring, or murdering, him.

Then many of the rabble slunk away to their homes and all seemed quiet; but a sullen and determined band of several hundred men was found to be skulking in the shadows, waiting for the General Overseer to appear. Not wishing to expose his people to violence, which they would surely have suffered in protecting him, the man of God remained patiently in the Tabernacle, conducting a never-to-be-forgotten all-night meeting.

At three o'clock in the morning, the loud clang of the police patrol gong was heard.

Then came the sudden appearance in the Tabernacle of a Sergeant of Chicago police, who stated that he had come, with a detachment of officers, to escort "the Doctor" home.

Mayor Harrison and Chief Kipley had strained a point of law to send Chicago police to rescue the General Overseer from murderers at Oak Park, which is a part of the town of Cicero, an entirely separate municipality from Chicago.

On this Lord's Day morning, how different was the scene! A crowd surrounded the hall when the General Overseer arrived; but it was a quiet, orderly, respectful crowd.

The hall was crowded to its utmost capacity, and hundreds stood patiently and quietly, listening to every word from the lips of the speaker.

The General Overseer spoke briefly, but with marked effect, upon the Kingdom of God as the great subject of the Gospel, fearlessly smiting the error of exalting the Church and ignoring the Kingdom.

He vigorously called to Repentance those who had sinned against God by going into the world with the apostate churches.

God's Spirit blessed the Message His Messenger brought, and the meeting closed amidst the united prayers of almost every one present for a real Salvation and entrance into God's Kingdom.

God had vindicated His servant, and had given Him a glorious victory in Oak Park.

Clearly, unmistakably, authoritatively, God's Messenger set forth the marvelous significance of a Real Baptism, on Lord's Day afternoon, March 24, 1901, in Central Zion Tabernacle.

Never before did his people, over 2000 of whom were present, although the day was rainy, get such a clear conception of the

mighty import and power of the Ordinance with which by far the greater part of them had been sealed.

As the General Overseer developed his Message, point by point, many a heart was lifted to God with praise and thanksgiving that He had sent His Messenger to Zion with this Seal.

Then all joined in earnest prayer that God would, by His Spirit and the power of that Seal, make them "dead to sin, alive unto God, and quickened into newness of life, with power for service."

WEEK-NIGHT BAPTISMAL SERVICE.

Central Zion Tabernacle, Wednesday Evening, March 20, 1901.

After singing, reading the Word of God and prayer, the General Overseer said:

INVOCATION.

Let the words of my mouth and the meditation of my heart be acceptable in Thy sight, be profitable unto this people, and unto all to whom these words shall come, in this and every land, in this and all the coming time, till Jesus come, for His sake.

TEXT.

Jesus came to them and spake unto them, saying, All authority hath been given unto Me in heaven and on earth. Go ye therefore, and make disciples of all the nations, baptizing them into the Name of the Father and of the Son and of the Holy Ghost: teaching them to observe all things whatsoever I commanded you: and, lo, I am with you all the days, even unto the consummation of the age.

Beloved friends, on last Lord's Day I delivered a most important sermon declaring a Real Baptism to be the Seal of the Living God upon His disciples.

I pointed out that the Seal did not make disciples any more than the stamp of the United States mint makes a nickel eagle have a gold eagle value.

If any Church pretends that by the Seal of Baptism it can impart Salvation, and that by baptizing in water it can regenerate the person who is baptized, that Church is a diabolical apostasy, a disgraceful mass of lies. It is not a Real Church at all.

The Baptism of such a False Church is a sham, a delusion, and a snare.

Baptism Can No More Make a Man a Christian Than the Seal of the United States Can Make a Piece of Nickel Gold.

If you were to stamp a piece of nickel five dollars, if it were only a nickel in value, saying that it was five dollars would not make it five dollars.

It is a very important thing, nevertheless, to have a Seal which officially and properly declares value. The government acknowledges it and takes it in payment of taxes, and every good citizen throughout the country accepts it without question, if the United States Mint Seal is put upon the proper metal.

This Seal of Baptism is like all other seals: everybody is not qualified to use it.

No one dares use the Seal of the United States Mint, except the Master of the Mint or his deputies.

If any one were to use the United States Seal, even upon the true value coin, or to imitate or steal that seal, he would be sent to prison and punished severely

The offense of using the Seal without legal right would be called forgery and fraud, and would be severely punished.

Counterfeiting is Both Lying and Stealing.

It is stealing, whether it is putting the seal upon the wrong metal or the wrong quantity of metal, or upon the right metal or the right quantity of metal, without proper authority.

The Seal can be rightly used only by the person who has the right to use it. Any one else who uses it commits a crime. That is a fact in law.

The Seal of the President of the United States can only be rightfully used by the command of the President, upon certain documents.

The Seal of the United States Supreme Court is held in the custody of the Court.

I have a Seal of this Church, with which I stamp very important documents. I sometimes touch the Seal and say to my secretary, "Put the Seal of the Christian Catholic Church upon this document." If he were to put the Seal upon it without my authorization, it would be forgery. It would be criminal.

That Seal is the Official Seal of this Church, and it would be very wrong indeed upon the part of any one, no matter how high his office, to use that Seal, unless I specially deputized him, as I always do when even my private secretary uses it.

The Seal of a corporation, whether it is the seal of a municipality or a business corporation, or any other Seal, to be rightly used, must be used by proper authority.

What Constitutes a Real Baptism?

If that is the case in business, then apply it to Baptism. If any man is not a true Christian himself, and, therefore, not a true minister, who professes to be a minister of the Gospel; if he has not been truly converted, and if he himself has not been truly baptized, he has no right to stand up and preach a sermon upon Triune Baptism and to perform that Ordinance.

He is a sham. He has not the Seal of the Living God. It is a Seal which looks like it, but it is a forgery. It is a counterfeit seal.

Even if the Ordinance is properly administered, even in triune form, it does not become a Real Ordinance, unless two fundamental conditions are fulfilled:

First, the participant, the person who is to be baptized, must be a truly converted, penitent believer. We have no right to put this Seal upon any one else. "Seal thou the Teaching among My Disciples," is the command.

Jesus said: "Go ye therefore, and make Disciples of all the nations, baptizing them into the Name of the Father and of the Son and of the Holy Ghost." But you will notice that they must first be Disciples.

Do not baptize the nations in their ungodliness and rejection, heathenism and infidelity!

If there is a person in this house who has been baptized, even by Triune Immersion, who was not a disciple at the time, who was not really penitent and not a believer, then he has not been baptized at all. Although he may have tricked me or whoever baptized him, he could not trick God.

Second, the administrator,

The Man Who Administers the Ordinance, Must be a Real Minister of God.

It takes three to make an effectual Ordinance—God, the Administrator and the Disciple.

God will not bless any one usurping the functions of the truly converted and qualified Christian minister in that Ordinance. You know very well that this is the case in common things.

If any man should deceive a woman and get some one dressed up in the dress of a minister to go through a bogus ceremony of marriage, that marriage would not be good in law, because the man administering the ordinance would not be qualified. The man who tricked the woman into the marriage and the man and who performed the bogus marriage would be punishable.

In the same way, if any one should administer this Ordinance of Baptism who is not properly baptized by one who has authority, then the Baptism would be invalid, even if the person baptized were perfectly honest.

The Christian Catholic Church in Zion is not a Church which permits every member to administer the Offices of the Christian Ministry at his own sweet pleasure.

I love the people. They know it, and I want them to be as useful as they can be; but we will not permit the people to usurp the functions of the ministry. Only Ordained Officers can exercise the functions of the ministry.

I think you will see that this is a good order. It has been so from the Apostolic Church.

Can a man make himself an Apostle by saying, "I am an Apostle"?

Can a man make himself a Prophet by saying, "I am a Prophet"?

Can he make himself an Overseer by saying, "I am an Overseer"?

Can he make himself an Elder by saying, "I am an Elder"?

Can he make himself an Evangelist?

Can he make himself a Deacon?

Where does a man get his authority in the Christian Catholic Church in Zion to be an Overseer, an Elder, an Evangelist,

or a Deacon? He gets it from my hands, under God, and from no other person in this Church.

Ordination to Office in the Christian Catholic Church in Zion a Call to the Ministry From God.

I believe that God has called these officers whom I have ordained. They also believe He has, yet they would not be permitted to assume, or to exercise, the offices they hold unless they had been properly ordained.

In this Church, I claim the right to ordain Overseers, and give them the power to ordain Elders, Evangelists, Deacons and Deaconesses.

I claim the right to ordain Overseers and Elders, and give them power to ordain Deacons and Deaconesses under certain circumstances, when they are properly authorized. Hence there is good order.

Every man who holds an office in this Church was ordained to that office in an orderly manner. He got it directly from my own hands, or indirectly by those whom I commissioned.

Titus was put in Crete by the Apostle Paul for that special purpose, when the Apostle said to him:

For this cause left I thee in Crete, that thou shouldest set in order the things that were wanting, and ordain Elders in every city, as I gave thee charge.

The Apostle Paul himself could not go through that island, He had to go on and do something else, but he left Titus, whom he had appointed himself, his own son in the faith, and whom he had ordained. He gave him a distinct apostolic commission to ordain others.

Now I cannot ordain officers in Australasia. I therefore gave Overseer Wilhide the power to ordain. He has ordained a number of most valuable godly men and women, Deacons and Deaconesses, whom God is using in various parts of New Zealand and in various parts of Australia.

I cannot go to China in body, but I send Overseer Mason and I give him power to ordain the persons who are, in his judgment, fitted for these offices.

I shall expect to be consulted about the ordaining of Elders and Evangelists on other Continents, but in ordaining Deacons and Deaconesses I give a large discretion, always reserving the paramount rights of my office under God.

This is an illustration of how the ministry is used in this Church. I think you will all agree with me in this matter that it is a right and good order.

I believe that Zion is here, and everywhere, of one voice in this matter.

Audience—"Yes."

Terrible Confusion and Ruin Which Follows Lack of Proper Authority.

General Overseer—If we were to allow the people to go about and say, "I do not care what the General Overseer says, I am an Elder, I am an Evangelist; God has called me to be an Overseer," we would soon be in disastrous confusion.

You know how the churches are. People start up and claim to be qualified for various things, and to know as much as their minister—and more, too. The consequence is that you have no order, no discipline, no progress, no power, no purity, no anything. You have, instead, a wretched mass of shocking disorder, where every man, as in the days of the Judges, does "that which is right in his own eyes."

When there is no rule and no authority, the people are in despair. When that is the political situation, what do they do? They call for a King, or throw themselves into the arms of a Military Dictator. That has been the history of the world through all the ages.

The Man on Horseback.

During the French Revolution monsters like Mirabeau, Danton, Marat and Robespierre formed what they called a Republic, and that Republic became a murderous abomination and a horrible mass of iniquity.

They cut off the heads of the very best people in France.

They destroyed the institution of the Christian Sabbath, making one day in ten their day of feasting, and called it a festival.

They declared that the Name of God should never be used, and counted men criminals who would name the Name of God.

They took a harlot, put her upon a triumphal car, dressed her up as the Goddess of Reason, drove her through the streets of Paris and bowed before her as personifying the Goddess of Reason.

For a time they executed men and women for no offense whatever, except that they were godly people.

Robespierre and other political monsters of that time loved to see blood run down the streets of Paris from the guillotine.

What was the Nation to do in order to preserve its existence?

They found a Napoleon, and they threw themselves into the arms of the "Man on Horseback."

They said, "Rule us; put down the mob, put down these monsters, and be our Emperor."

He did.

He got cannons and put them in angles of the streets and swept them off with grapeshot. He marched into the Halls of Legislature, cleaned out the Revolutionists and proclaimed a Republic under himself as the first Consul. Shortly afterwards he became Emperor.

The result is the same in a disorderly Church, where it gets into such a condition that the Christian Endeavor—that is, "Christian Try-to-do-its"—want to run the whole concern—minister, choir and everything. The consequence is that the only thing to be done is to do what I am doing. I make short work of the Christian Try-to-do-its. I give them grapeshot. (Laughter.)

The idea of a Church being ruled by conceited little puppies!

They think that a man who has gray hairs is not up-to-date. (Laughter.) They want a man up-to-date, after their own juvenile pattern.

I am a younger man than any of these Christian Try-to-do-its. Up-to-date? It takes considerable time to get up-to-date. It takes more than eighteen or twenty or twenty-five years of life to get up-to-date. I am not up-to-date myself yet, but I am getting there.

I say these things to impress upon your minds this principle of Authority in the Church of God.

The Church Which Christ Established was Established by Authority.

Authority does not mean power.

Power may be in the hands of a rebel.

Power may be in the hands of a bad man, who has no right to have it at all, who is a usurper.

There was a great deal of power in the Southern States when Jeff Davis was President of the Confederacy. He had power in Virginia, the Carolinas, Georgia, Alabama, Mississippi, Texas and other States.

He, and those who acted with him, assumed—false traitor and rebel that he was—the right to replace the National flag with the miserable Confederate rag. He claimed that, for the first time in the history of the world, a proper foundation had been laid for a Nation; namely, the denial of the black man's rights to equal citizenship with the white, the denial of the black man's freedom, and the declaration of the right of the white man to enslave him from the cradle to the grave.

That was a horrible lie.

They had passed it in a convention, and so informed the United States of America, from which they claimed the right to secede.

The United States of America formed large armies of soldiers and marched them down there. The loyal citizens of the United States who lived in the South had to hide the flag of the United States in their bosoms, or bury it in the earth. They were oftentimes treated cruelly, and sometimes were shot by that traitor and rebel, Jefferson Davis, and his men.

But the National Authority marched on, fought battle after battle, year after year, until at last it crushed the Rebellion. Then the False Authority was destroyed and True Authority was established.

There were years, however, in which all the power in thousands upon thousands of square miles of territory was in the hands of the rebels.

Power is Not the True Measure of Righteousness.

A great many bad men in this city have power.

A great many bad men in this country have power.

Power is not a test of truth or righteousness.

The Roman Catholic Church has power. It has infernal power. It has bad power over the hearts and consciences of its people, threatening them with hell and damnation unless they believe and practice horrible and abominable lies.

In a recent procession—the Feast of Corpus Christi in Vienna—the Emperor Frances Joseph of Austria walked behind a bit of bread and bowed, at the behest of Rome. I cannot believe he believed it was God, but he was, and is, a politician, and it was desirable for him to do it.

Power in the Church may be in the hands of bad men for tne time being, but Authority in the Church will be like Authority in the United States, finally triumphant over the rebellion.

Jesus did not say all "Power" had been given unto Him. He said, "All Authority hath been given unto Me in heaven and on earth." That is power, and more than power. All the Authority of heaven is back of Jesus Christ in fighting to overcome the kingdoms of the world, the flesh, and the Devil.

God says that "the kingdom of the world is become the Kingdom of our Lord, and of His Christ."

I intend to fight for that Kingdom.

I will not fight with guns. That is a poor, miserable way to fight. It does not change any man's mind, if you blow his head off. You will never convince a man if you say, "If you do not believe what I tell you, I will knock your head off."

It is easy for you to say, "You are a very wicked, bad fellow," but calling a man that does not convert him. Injuring a man does not convert him. Doing right, teaching him patiently will win him to God as far as your obligation in the matter is concerned. But, sometimes, you have to correct him.

The Baptism Which Our Lord Jesus Christ Commanded Was a Baptism of Authority.

He said, in effect, "All Authority hath been given unto Me in heaven and on earth. Go ye therefore, I give you Authority to tread upon serpents and scorpions, and over all the power of the enemy: and nothing shall in anywise hurt you. I give you this authority. I am behind you, and all the powers of heaven are on your side. Go and make disciples."

They were a poor lot to go. They were nearly all fishermen, with one honest taxgatherer.

If you can find one good, honest taxgatherer in America, I think you might make him an Apostle without further investigation.

These men whom Christ sent out were uneducated for the most part. They had no political and no social rank, until Christ took them in hand. They did not know very much until He took them in hand for three years.

It was astonishing what He made of them. They did not realize their mission until the Holy Spirit came at Pentecost and brought to their remembrance the things which Jesus had said, and showed them the meaning of Jesus' words after He had arisen from the dead, when, on the mountain side of Galilee, He gave them Authority to go and make Disciples.

A Messenger With Divine Authority Can "Make" Disciples.

A man said to me once, "You talk as if you could *make* people believe."

I said, "I can; of course I can. You give me a chance at you, and I will make you believe before I am through."

He said, "You will never make me believe."

I said, "Will you come and attend services at Zion Tabernacle for ten consecutive Sundays, and see if I cannot?"

"Yes," he said, "I will, but you will be just as far away from it at the end of the ten weeks as you were at the beginning."

I looked for that man every Sunday, and I studied him from every point of view. I got to know all about him. I got to know all his meannesses. I got to know the wickedness he had done. I "spanked" him for about five consecutive Lord's Days.

I had him writhing in his seat and swearing under his breath, and wondering who had given him away. Every now and then I would look at him from this platform and say, "I will have you yet."

He was wondering what I meant; but he was fast breaking up.

After about five weeks he did not know that he would come any more. But on the sixth Lord's Day I forgot about him and did not know whether he was in the place or not. That day I said, "There are some of you whom I have been pounding, and I suppose you have about come to believe there is no hope for you anywhere on earth or in hell." Suddenly I saw him and said, "There is hope for you. You are a mighty hard case, but I will have you today. You will be a disciple today. Dare you to put it off any longer?"

When I said "Stand," I saw that fellow try to sit when thousands arose, but he could not.

Before the ten weeks were up he said, "Doctor, I surrender."

I said, "All right; come and be baptized next Sunday."

God enabled me to make him a "Disciple."

Every true man has creative power. We may procreate good children if we are wise and clean and good husbands. A man may create a Disciple if the Spirit which is in him is the Right Spirit. That Spirit has a regenerative power. It creates a new birth, and will create a new birth through a faithful man's words, and sometimes by the shrug of the shoulders.

A man said to me, "You got me by looking at me and saying, 'You dirty stinkpot, you dirty dog.' You looked at me straight and I could not get away from that. I found myself saying it when I got home. (Laughter.) I found myself thinking of it. I tried to eat, and drink my tea, and I heard you say, 'Why don't you quit, you dirty stinkpot?' I went for my tobacco and it tasted like soapsuds. I could not smoke. I said, 'Why don't you eat, you dirty stinkpot?' I turned to my wife and said, 'Do you believe the Doctor was right in saying that awful word "stinkpot" today?'

"'Well,' she said 'what do you think yourself?'

"I said, 'I think he was right.'"

When a Man Becomes a Disciple, He is Not a Master.

There are some disciples who think they can be Teachers, Prophets, and even Apostles, at once. They say the Apostle Paul was converted one day and began preaching as if he had authority right away. They do not know what they are talking about.

The Apostle Paul, after he was converted, went away into Arabia. There is no record as to what he did for three whole years after his conversion.

After he came up to Jerusalem, the Christians would not receive him. They were afraid of him. They knew he had been a Rabbi and a persecutor. There were only two of the Apostles who would give him a kind word. One was that dear old fellow Peter, who knew the value of a kind word because he had been a sinner himself, and the other was the Apostle James, the brother of our Lord, who became an Apostle some time after Christ died.

Paul went away off to Antioch, and there at Antioch labored as a humble member of the Church for, as near as we can tell, about eight years.

One day he and a number of the Christians met together at Antioch. His name was then Saul. Barnabas was one of the number. He was the "rich young ruler" who used to be called Joses, and had rejected Christ when He was in the flesh, as is the historic statement, but had accepted Him after His crucifixion. He was a man of Cyprus—a very able man.

Simeon, who was called Niger, and Lucius, of Cyrene and Manaen, the foster-brother of Herod the Tetrarch, were with them.

These five were waiting upon God to reveal Himself to them when God, the Holy Spirit, by the voice, no doubt, of one of the prophets, said, "Separate me Barnabas and Saul for the work whereunto I have called them." Then, when they had fasted and prayed and laid their hands on them, they sent them away as Apostles.

Out of that little band of prophets and teachers these two apostles were called, Barnabas and Saul, whose name was changed to Paul. Their fellow-prophets and teachers laid hands upon them and ordained them to the apostolic office.

Paul did not become an Apostle until eleven years after his conversion. Some of you cannot wait eleven weeks, until you want to be in the highest offices.

When you talk about the Apostle Paul becoming an Apostle at once, you talk nonsense. It was the Principle of Authority in the Church that restrained him. He could only exercise official powers when he was officially recognized.

The Principle of Authority is Essential in Zion.

If this Baptism which I am to celebrate tonight is a Baptism in which I have no Authority, then you will not be baptized. If you are not truly penitent for your sins, then you will not be truly baptized.

It takes Two on earth and One in heaven to make a Real Baptism.

It takes a Triune God and a faithful, penitent person, who is a true believer, and a faithful minister, who has a right to use the Seal, and who has himself received the Seal of the Living God.

We have that Seal, and, therefore, this Baptism is valid.

I therefore very deeply sympathize with those who, believing that this Baptism would be valid, have come to be baptized now, having been previously baptized by a false and invalid form of Triune Immersion. They have been perfectly conscientious and have lived for years as if it were a Real Baptism, but they have had the courage to say, as Overseer Speicher, Deaconess Clemons, Deaconess Reiff, and perhaps others among these about to be baptized, "The Baptism which we received was not a genuine Baptism, for various reasons." Dr. Speicher and his sister now know that the minister who baptized them was probably not a faithful man. He has been since sent to the penitentiary for his crimes. It is just possible, however, that the man may have been a genuine disciple like Judas Iscariot, and afterwards have fallen. They feel, therefore, that they did not receive the Seal of the Living God at his hands. They wish to forever settle every doubt on the subject, and, therefore, be baptized tonight, and to receive that Seal in the Christian Catholic Church in Zion.

Judas was a thief, first of all. That was the beginning of his downfall.

Many a man has gone to the Devil through first robbing God.

Pay your tithes faithfully and God will bless you, not only spiritually, but financially.

You may not get your reward at once; but keep on.

Saturday night will come and you will get your wages.

Saturday night does not come on Thursday.

God is watching you and noting your progress.

I Have Watched the People in Zion.

I know you, and I can tell from the reports of my valued helpers and from my own observation, sometimes with just one look into your eyes, how you are doing.

Many a time I have looked into a man's eye, and have said, "That fellow will have to be sent away. He is afraid to look at me. He shuffles behind the door. He gets away from talking with a lady when he sees me. Why, if he was doing right?"

When I am going down the street and I see a member who knows I am coming go down the first turn, then there is something wrong.

I had only one smoker in my Church at Melbourne. He loved me very much. He never smoked any on Saturday night, or on Sunday morning. He said, "Sure as fate, our pastor will smell me if I do."

He used to take peppermint so that I would not smell the filthy nicotine.

I was told by his wife that smoking was the one meanness of which he was guilty.

Several times he saw me in the distance when he had a pipe in his mouth, and he would go down the first turn. I happened to be going down the street one morning and I saw this old fellow in the distance. I was sure he was smoking. He went down the first turn. I went down the nearest lane, went around the block and met him.

"O, good morning, Mr. ——," I said. "Where is that pipe?"

"Oh!" he said, "did you see me?"

"Yes," I said, "and I smell you. Where is it?"

He had it in his hand. The pipe had burned his hand.

I said, "Come up to your home."

He said, "You caught me."

I said, "God has caught you, you old sinner. Do you think you can escape God that way?"

"No," he said, "and I do not think I can escape you either."

He handed over the pipe.

They kept a little shop, his aged wife and he together. They had no need for assistance; it was not a very big business.

We went into the house, and I got Mrs. —— to shut the shop and I told her to let no one in, no matter who came. We got into the back room and prayed. I never heard a more earnest prayer than that dear old man prayed. That sin was keeping him back from Baptism. He had never presented himself for Baptism.

I said, "Pray, 'Give me a Baptism of Thy Spirit,'" and he prayed it.

"'Give me cleansing from every sin.'" and he prayed that.

"'Give me grace to go right up tomorrow night and be baptized.'"

He said, "I can't."

I said, "Say, 'God forgive me, for Jesus' sake,'" and he said it.

I said, "Do you repent?"

"Yes," he said.

"Do you mean it?"

"Yes."

"Then," I said, "I believe God forgives you."

"Now pray, 'I vow to Thee that I will go up tomorrow night to the Tabernacle and be Baptized.'"

He said, "I can't say it."

"Then," I said, "you are an old hypocrite as well as a sneak. You told me you had repented."

He said, "I have."

"And you said that you believed."

He said, "I do."

"Then God forgives you."

He said, "I believe that, and I believe I hate tobacco, too. I am going up tomorrow night to be baptized."

When I saw him the next morning he said to me, "Pastor, I passed a tobacco shop on the way here, and I assure you it nearly made me sick. I hate it so much that I said to my wife, 'I must get my very best clothes when I go to the Tabernacle; those that have no tobacco on them. I cannot wear a thing that smells of tobacco.'"

I baptized him.

That man lived a very consistent life and a long life after that. I heard a little while ago that he had passed away.

Friends, there is no question that this is a practical thing.

A Real Baptism is a real Power. If some dirty, devilish, sneaking bad habit is keeping you back, then I demand, in God's Name, that you will repent, get baptized at once, and sin no more.

Charge to Candidates for Baptism.

Candidates for Baptism, please arise

My brethren and my sisters, in the Name of the Lord Jesus Christ, in the power of the Holy Spirit, in accordance with the will of God our Heavenly Father, in the conscious presence of the Triune God and of these witnesses, I charge you that you will answer me, every one of you, no matter what your rank in the Church may be, the questions that I will now ask you, and upon your truthful answers only can a True Baptism be administered. So far as you know your own hearts, have you truly repented all your sins? Can you say, I have?

Candidates—"I have."

General Overseer—So far as you know your own hearts, have you trusted in God our Father through faith in Jesus Christ His Son, and in Him alone, for Salvation from all your sins. Can you say, I have?

Candidates—"I have."

General Overseer—So far as you know you own hearts, are you determined to do right, no matter what the cost? Can you say, I am?

Candidates—"I am."

General Overseer—So far as you know your own hearts, are you determined, by the power of the Holy Spirit, to trust in God for a perfect healing in spirit, in soul, in body? Can you say, I am?

Candidates—"I am."

General Overseer—Are you determined, by God's Grace, to live a consistent and, as He shall give you grace, a Holy Life? Can you say, I am?

Candidates—"I am."

General Overseer—Do you desire me to baptize you by a Triune Immersion, into the Name of the Father and of the Son and of the Holy Ghost? Can you say, I do.

Candidates—"I do."

General Overseer—Will you ask God to give you in this Baptism what the water cannot supply, the power of the Holy Spirit, to make that Baptism effectual? Can you say, I will?

Candidates—"I will."

General Overseer—There is nothing more that could be said. Be faithful unto death, and God will keep you and give you the Crown of Life.

All who desire God's blessing, stand. Say with me:

PRAYER OF CONSECRATION.

My God and Father, in Jesus' Name I come to Thee. Take me as I am. Make me what I ought to be, in spirit, in soul and in body. Give me

power to do right, no matter what it costs. Give me Thy Holy Spirit, that I may trust Thee in spirit, in soul, in body. Bless those about to be baptized. Help us to do our duty lovingly, immediately that we see it, for Jesus' sake. Amen. (All repeat the prayer, clause by clause, after the General Overseer.)

After a brief intermission, the General Overseer administered the Ordinance of Believers' Baptism by Triune Immersion to twenty-six candidates.

The large audience, with spirits awakened to the great thought that God's Messenger was in this Ordinance sealing Disciples with the Seal of the Living God, witnessed the Baptism with prayerful hearts.

The spiritual power of the Ordinance was manifest upon all present: administrator, candidates and spectators.

MORNING SERVICE.

Chenilworth Hall, Oak Park, Illinois, Lord's Day Morning, March 24, 1901.

The meeting was opened by singing Hymn Number 44:

Oh, wondrous Name, by prophets heard
Long years before His birth;
They saw Him coming from afar,
The Prince of Peace on earth.

CHORUS—The Wonderful! The Counsellor!
The Great and Mighty Lord!
The everlasting Prince of Peace!
The King, the Son of God!

The General Overseer then read from the Word of God in the book of the Prophet Malachi, in the third chapter, also in the first chapter of the Gospel according to St. Mark and the eleventh chapter of the Gospel according to St. Matthew.

He then commented as follows upon the twelfth verse of Matthew eleventh:

And from the days of John the Baptist until now the Kingdom of Heaven suffereth violence, and men of violence take it by force.

The marginal reading in the revision is preferable. It reads: "And from the days of John the Baptist until now the Kingdom of Heaven is gotten by force, and they that thrust men."

The Kingdom of Heaven Gotten by the Sword.

If you imagine that the Kingdom of Heaven can be gotten without the use of a Sword, you are terribly mistaken.

Jesus said, "Think not that I came to send Peace on earth: I came not to send Peace, but a Sword."

The Sword of the Spirit is the Word of God.

That Sword is the most tremendous power that can ever be wielded.

"Stronger than steel is the Sword of the Spirit."

"Greater than Anger is Love."

The dynamic power of Truth and Love in combination in the Kingdom of God is irresistible.

Those forces are not mere sentimentalities.

You cannot make war upon the World, the Flesh and the Devil with eau de cologne or rose water. You must take something stronger.

"The Kingdom of Heaven is gotten by force, and they that thrust men."

You must attack the Devil violently. Take him by the very throat and crush the serpent. You must attack evil violently.

"There is no peace, saith the Lord, unto the wicked."

You must tread the Devil under foot. God has given His Spirit for this purpose, and the forces of Divine and Human Law which can be used to suppress vice and promote virtue; to suppress evil and extend good; to destroy the kingdom of error and darkness and establish the Kingdom of God.

The forces of Righteousness, the forces of Law, the forces of Justice, the forces of Eternal Truth, the forces behind which are all the powers of heaven throughout the Universe, are the mighty forces which the Church of God should wield.

The Church Should Never Make Any Pretense of Being at Peace With the World, the Flesh or the Devil.

We are at war; war to the very uttermost; war to the hilt.

We will make no peace except on terms of absolute and unconditional surrender. Such are the only terms that humanity will ever get from God or from a True Church.

"The Kingdom of Heaven is gotten by force, and they that thrust men."

He kills the evil thing and He makes alive every good thing, and the Sword of the Spirit destroys the work of the Devil in every heart into which it is thrust.

For all the prophets and the law prophesied until John. And if ye are willing to receive it, this is Elijah, which is to come. He that hath ears to hear, let him hear. But whereunto shall I liken this generation? It is like unto children sitting in the marketplaces, which call unto their fellows, and say, We piped unto you, and ye did not dance—

The World Wants the Church to Dance to Its Piping.

Why did you not dance to our piping?

That is what the world says to us.

Why do we not dance to your piping? We will make you dance to God's piping. (Amen.) We will never dance to your tune. Never! We are here for a very different purpose.

The Church has been too often ready and willing to dance to the World's piping.

We wailed, and ye did not mourn.

Children playing at marriages or at funerals complain, "The other children did not play rightly. They did not mourn at the proper place, and did not dance at the proper place."

That is the trouble between the World and a True Church, but it is not the trouble between the World and the Mah-hah-bone Masonic-Methodist, Masonic-Baptist and other churches.

They piped to the world's dancing.

They piped to the goat's prancing. (Laughter.)

For John came neither eating nor drinking, and they say—

"They say!"

"They say!" O how numerous the "They says" are.

Look down the pages of the accursed press which is perpetually defiling our city and you will see the "They say."

Rumor and Liar and the "They says" are always "Whereasses."

They say, he hath a devil. The Son of Man came eating and drinking, and they say, Behold, a gluttonous man, and a winebibber, a friend of publicans and sinners!

What is the end of it all?

"Wisdom is Justified by Her Works."

Eternal wisdom justifies her.

The world justified Pilate, Herod and the murderous priests of the apostate Jewish Church, but wisdom justifies John the Baptist, the Christ and the noble army of martyrs, and execrates the memory of the murderers.

Yet when Christ said those words, they smiled. They never thought the day would come when the word Pharisee would be a by-word, meaning hypocrisy at its worst.

They never thought that the day would come when Herod's name would be a synonym for murder, and when Pilate's name would be a synonym for cowardice and cruelty and time-serving wickedness.

But that day came!

"Wisdom is justified by her works."

So it will be tomorrow with all who are truly in Zion, if it is not today.

May God bless His Word.

Prayer was then offered by Overseer Piper; also by the General Overseer presenting to God the petitions for prayer which had come into his hands from over all the earth.

After the announcements had been made, the tithes and offerings were received.

THE GOSPEL OF THE KINGDOM.

The General Overseer delivered the following discourse:

INVOCATION.

Let the words of my mouth and the meditation of my heart be acceptable in Thy sight, profitable unto this people, and unto all to whom these words shall come, for the sake of Jesus. (Amen.)

I will place in the front of what I have to say, the portion of the Word of God which is found in the first chapter of the Gospel according to St. Mark, the fourteenth and fifteenth verses:

TEXT.

Now after that John was delivered up, Jesus came into Galilee, preaching the Gospel of God, and saying, The Time is fulfilled, and the Kingdom of God is at hand: repent ye, and believe in the Gospel.

When Jesus Preached, He Preached the Gospel of the Kingdom of God.

He did not preach the Gospel of the Church of God.

One of the saddest things in connection with that which is called modern Christianity, is the fact that it has degenerated into "Churchianity," that the Gospel is no longer the Gospel of the King, but the Gospel of a Church—and what a Church!

What a mass of "confusion worse confounded" the so-called Church of today is!

Dr. Horatius Bonar said, "I seek for the Church, and I find it in the World. I seek for the World, and I find it in the Church."

Sweeter Christian poet than Dr. Horatius Bonar never lived or sung. No railing accusation was his.

The Church Found in the World, the World in the Church.

No railing accusation is it today to say that if you want to find many members of the Church in Oak Park, you will find them in the clubs.

You will find the so-called "Church" in the theater.

You will find it in the dancing saloons, and the dancing parties of the humbler or the better classes.

You will find it at the card table.

You will find it in the abominable uses into which the church parlors are turned.

If you want to find the World on the first day of the week, you will find it in the Church.

If you want to find the Church for six days of the week, you will find it nearly always in the World.

That is not railing accusation. That is a matter of fact.

There are exceptions, I know, but the old Latin maxim, *exceptio probat regulum*, "the exception proves the rule," applies here.

You cannot find the Church away out in the field, lifting the Banner of Christ and fighting for it to death.

These Churches compromise everywhere.

You cannot find it pressing the battle to the gate, as a rule. That is the fact with regard to the great majority of churches today. True, there are exceptions. If there were not, if there were not some salt, the carcass would rot entirely. It was just because of the little righteousness in Sodom that Sodom was so long spared.

It is just because of the mercy of God, and the good hand of God behind His people, that He never leaves Himself without a witness anywhere.

There Are Some True Children of God in Every Church.

Thanks be to God, in every Church, no matter how apostate, whether it is the Greek Orthodox, the Roman Catholic, the Episcopalian, the Mah-hah-bone Masonic-Methodist, or the Congregationalist, that "valley of dry bones" out of which I narrowly escaped with my life, or whether it is the Baptist Church, which is only a little worse because the dust down there is turned into mud, you will find good, godly people.

But what has the Church become? A mass of hypocrisy, not found fighting God's battles.

Seek for its ministers and its elders, and you will find them in the Lodge Room bowing at the shrine of Baal, and taking the accursed oaths of the Secret Society, muttering the "omnific word," Mah-hah-bone, vowing that they will be faithful to the ridiculous, abominable and disgusting secrets of Masonry, or of the Elks, or of the Buffaloes, or of the Red Men, or of some other idiotic order.

The women swear eternal fealty to the "Maccawasps," or Maccabees. I do not call them "bees" at all. They are wasps, all of them. (Laughter.)

I am glad that the Gospel is not the Gospel of a Church.

It is not the Gospel of any Church.

Christ never preached a Gospel of a Church.

Let me just call your attention to one fact, those of you who are honest.

The Great Mass of People Are Not Honest.

They are not honest with themselves

They are not honest with their own hearts.

They are not honest with their God. They will growl and snarl and kick and smash our windows or pelt our people with eggs and decayed vegetables in this "devil's nest" at Oak Park.

I heard that Oak Park was called Saint's Rest. The last time I was here it looked like a devil's nest. (Laughter.)

I tell you I do not care a snap of my finger for the Church, as a first thing. I have no reverence for the Church.

The Church in every age has been an abomination, for the most part. It has been a hindrance to the extension of the Kingdom of God. The Jewish Church was continually so.

Look at the first high priest of the Jewish Church! Moses had only disappeared for a short time. He was away out on the mountain receiving the law, and these wretched people had just been saved with a mighty hand and an outstretched arm from Egypt. Yet they said, "We do not know where this fellow Moses is. Aaron, you are our High Priest, and we have much gold here. We made the Egyptians give us their gold. We are tired of worshiping an unseen God.

"Aaron, make us a calf of gold, and let us reëstablish the worship of the golden calf. We want Isis. We want Osiris. We want the various gods of Egypt. We like them.

"Aaron, you do what we tell you. We are the majority, and we vote that you shall do what we tell you."

They do the same thing in the churches today. The poor wretched minister has to do what they tell him, or go.

Terrible Apostasy of Aaron, First High Priest of the Jewish Church.

These children of Israel said, "Make a calf, and make it exactly as we tell you, after the Congregational model, or the Baptist model, or some other model."

Aaron does as they tell him, the High Priest of Israel, the first High Priest of God. The coward becomes a High Priest of Baal and makes the golden calf. He leads the very priests of God to become priests of that unclean and abominable worship of the procreative forces of nature. Horrible and disgusting is his apostasy.

The Masons have the same worship today. They deny the Lord Jesus Christ, and will not permit His Name to be mentioned in their lodges. Their emblem is "the Point Within the Circle," the worship of Baal, and that is Phallic worship.

The whole people go into idolatry. They are only a very short time out of Egypt. Moses has disappeared, and they go into idolatry. When Moses comes down, he finds that the whole Church has gone to the Devil. He takes these Tables of Stone which God has given, and in his anger he breaks them

Longsuffering Patience of God.

"What! this people who would have been honored by the Law of God, gone into idolatry!"

"O God," he is almost ready to pray, "destroy this people."

But God is a God of longsuffering and of mercy.

Nevertheless, that people had to drink their god.

God made Moses have that golden calf ground up and made them drink it.

You will have to drink your god by and by. You can make a god. You can make a creed after your own fashion, but you will have to drink it. You will find it is a very poor thing to drink. It is written concerning that miserable golden calf (Exodus 32:20):

> And Moses took the calf which they had made, and burnt it in the fire, and ground it to powder, and strewed it on the water, and made the Children of Israel drink of it.

The "gold cure" was not much account that day. (Laughter.) We hear of people having the "gold cure." You can have it mixed with chloride, but you will find that it does not change the heart. It will not change the passions. It may turn the drunkard into something else that is bad, and kill him a great deal more quickly.

But the Gospel of the Church has never existed, thanks be to God. The Church has always been ready to backslide.

The people were rescued by the hand of God. Aaron was rebuked and, with but few exceptions, the remains of that whole generation perished in the wilderness, Aaron included. Moses died on the verge of it, on Mount Pisgah. He could not enter into the Promised Land. Joshua, and the children of these people who had learned something in the desert, were the ones who entered the Promised Land.

It would be better for us to be led out into the desert to be alone with God, than to perish amidst the abominations of Babylon or Egypt.

The Church which goes out into the wilderness of the world witnessing for God, is a Church which God can bless.

The Word Church Appears but Twice in the Four Gospels.

You talk about the Gospel of the Church? There is no such thing. Let me show you how little Christ spoke of the Church.

Digitized by Google
Original from NEW YORK PUBLIC LIBRARY

Read the Gospel according to St. John, from the first word to the last, and if you can find the word "Church" in all that Gospel, I cannot. The Lord Jesus Christ in the Gospel according to St. John never mentions the word "Church" once.

Take the Gospel according to St. Luke. Read it from the first word to the last, and if you can find the word "Church," tell me where to find it. You cannot find it. The fact is, it is not there.

Take the Gospel according to St. Mark. Read it from the first word to the last, you people who talk so much about Church, and if you can find the word Church in that Gospel, I cannot find it. I know it is not there.

In the Gospel according to St. Matthew the word "Church" is mentioned only twice. That is in connection with the establishment of a tribunal to which something shall be told.

If a brother commits an offense, you are to go and tell him alone. If he does not repent, you are to take two more with you; then if he does not repent, you are to tell it to the *ecclesia* (ἐκκλησία). There is nothing said about the *ecclesia* having been established. The *ecclesia* has simply to be told. There is no voting as to whether the report shall be received or not.

Voting Has No Place in the Kingdom of God.

This miserable voting business belongs to Democracy, not to Theocracy.

It does not belong to the Church of God. In the true Church of God, the people are ruled. They do not rule. The sheep are ruled. They do not rule the shepherd. They are ruled by the shepherd. It is a very poor business in which the workmen and the apprentices are permitted to rule the manager and owner of the business.

It is a very unhappy home in which the children run the father.

It is a very poor country in which the drinkers in saloons, and the smokers, run the government.

Rule Can Never Come From Below. Rule Must Come From Above.

He that ruleth over men must be just, ruling in the fear of God.

He must be appointed thereto by God. You must find your ruler. You say you can find him by election.

You all know you cannot. Your elections are a farce. You have no choice except to confirm the choice of one of the two candidates of the two great political parties presented to you by the "bosses."

You have the choice of two evils for the most part, because they are chosen for you by the manipulation of your ridiculous primaries. You can vote for one of two, and they are very much alike in the majority of cases.

What is the rule of God? It is not the rule of a Church at all.

What does the word Church mean? Get some sense into you.

If you would read fewer novels and less in the newspapers, and play progressive euchre less, and fool around clubs and dances less, and talk ridiculous nonsense less, and read your Bibles and understand, you might know something. If you do not, you will be a "devil's nest," getting worse and worse.

The Meaning of the Word Church.

What does the word "Church" mean? It is very easy to understand. Any one who knows the first thing about Greek could tell you that the word "Church" simply means a number of persons who are "called out."

Called out from where?

"Oh, from the world," you say.

If the Church is only a company of people called out from the world, then I do not wonder that it is as it is in the Congregational, the Baptist or the Methodist Church; for you have the world there.

Out of What is the Church to be Called?

The Church is to be called out of the Kingdom of God.

No one can enter the Church except they have first entered the Kingdom. The Church is a company of believers who have been born of God; who have been born into the Kingdom of God; who have been regenerated by the power of the Holy Spirit; who have repented of their sin and forsaken it; who believe in their Lord Jesus Christ, and live their belief; who have consecrated themselves to God to extend His Kingdom.

Therefore, the Kingdom is the most important thing, not the Church.

When Christ came, He preached the Gospel of the Kingdom of God. Find me one place where it says that He preached the Gospel of the Church of God.

It is not there.

Jesus preached the Gospel of the Kingdom of God, not the Gospel of a republic; not the Gospel of an oligarchy; not the Gospel of a limited monarchy; not the Gospel of the politician; not the Gospel of the merchant as he now does his business for the most part, but the Gospel of the Kingdom which was to rule everything.

His Gospel was to bring people into His Kingdom.

Where is the Kingdom? Who preaches the Kingdom outside of Zion? Where is the preaching of the Kingdom today? Who demands that you shall realize that you are in the Kingdom of God, that you have been born into the Kingdom of God?

Who demands that you shall realize that you are a citizen of the Kingdom of God, first, last and all the time?

Those Who Have Been Born Anew Will Lead New Lives.

"Except a man be born anew, he cannot see the Kingdom of God."

You say, "I have been born anew."

Then why do you not live new lives? Why do you not show it?

Some of you do show it. Then why do you not "enter into" the Kingdom?

"It is enough to enter into the Congregational, or the Baptist, or some other denominational Church," you say.

No, it is not. You have to "enter into the Kingdom." There are many of you who have not entered into the Kingdom, although you are saved.

Jesus said, "Except a man be born anew, he cannot see the Kingdom of God." When Nicodemus questioned about that, Jesus said, in effect, "I will say more. You wonder how a man can be born when he is old. You ask me if a man can enter the second time into his mother's womb and be born. That which is born of the flesh is flesh; and that which is born of the Spirit is spirit. Marvel not that I said unto thee, Ye must be born anew. Except a man be born of water and the Spirit, he cannot enter into the Kingdom of God."

A Real Baptism is by a Triune Immersion.

That is the trouble with some of you. You have never been baptized.

Do you mean to tell me that having a little water sprinkled on your nose when you were a baby, was Baptism? That is a lie.

Perhaps you had one dipping. Your one dipping is of no more use than the sprinkling.

In the first seven centuries of the Christian era, there was only one bishop of the whole Christian Church who baptized with one immersion. Who was he? Eunomius, a heretic, who denied the Divinity of the Lord Jesus Christ, and of the Holy Spirit. To support his contention, he baptized by one immersion. You one-immersionists know nothing about Baptism.

"But," you say, "we believe what Paul said, 'All we who were baptized into Christ Jesus were baptized into His death,' and He only died once, therefore that is all there is in Baptism."

Is that all there is in Baptism?

That is the reason why you Baptists are so dead. You have been baptized into death, and there you stay—*dead*.

Is there nothing more in Baptism than being baptized into death?

There is Infinitely More in Baptism Than Being Baptized Into Christ's Death.

Much as I love to be baptized into His death, and to be dead to sin, it is a poor business merely to be dead to something.

Can you not be alive to something? Does not Paul go on to say: "For if we have become united with Him by the likeness of His death, we shall be also by the likeness of His resurrection."

Is not that another dipping into His life?

Then has Paul not told you something more than that? Does he not say that you are to "walk in Newness of Life"? Is that not an endowment with Power for Service?

Why can you not see it? You are to be baptized first into the Name of the Father, and of the Son, and of the Holy

Ghost—into the Death of Christ, into the Life of Christ, and into the Service of Christ.

Then you will be dead to sin, alive to God and endowed with power for service. You need not one dipping, but three.

That is the trouble with some of you Baptists. You have not been dipped enough.

Christ commanded Baptism into the Name of the Father, and of the Son, and of the Holy Ghost. There was nothing else known in the Christian Church for 700 years but Triune Immersion.

The Apostolical Canons declared that any archbishop or presbyter who would dare to baptize in any other way than by Triune Immersion, that is the primitive, apostolic and Christian Baptism, should be excommunicated.

May God give you that Baptism. (Amen.)

A Real Baptism is the Seal of the Living God.

You will never enter into the Kingdom until you get it.

Some of you see the Kingdom, and talk about it, and love it, and are born of God, and you get others to see it; but you are staying this side of the Jordan.

Get into the Jordan and get dipped three times. Get into the water, or else you will die on Mount Pisgah or in the wilderness. You will never "enter in."

Those enter into the Kingdom who are "born of water and of the Spirit."

Baptism is a Divine Reality. May God make it so.

Baptism is into the Kingdom, not into the Church. It is into God the Father. It is into God the Son. It is into God the Holy Spirit. It is into a Life of Salvation and Healing and Holy Living. It is Death to sin. It is Life in God. It is Power for service.

He preached the Gospel of the Kingdom of God, therefore He baptized. He baptized multitudes—so many, it is written, that when the Jews heard that Jesus made and baptized more disciples than John, John's disciples came to him and said, "Rabbi, He that was with thee beyond Jordan, to whom thou hast borne witness, behold, the same baptizeth, and all men come to Him."

John said, "He must increase, but I must decrease."

Before He ascended into heaven, He established Triune Baptism, and you cannot "enter into the Kingdom" without it.

The Need for Repentance.

He preached the Gospel of the Kingdom of God. He said, "The Time is fulfilled, and the Kingdom of God is at hand: repent ye, and believe in the Gospel."

A great many people have never repented.

Do you think you will ever be able to believe until you have repented? Never.

Some of you men will have to tell your wives all about it, you liars.

Some of you women will have to tell your husbands You are not all angels. Some of you are mean liars.

I know a number of women who married men on false pretenses. You would have thought they were so amiable and so sweet! It was all put on to get the man, and afterwards there was "the Devil to pay." (Laughter.)

Many a man has found that the complexion of his beloved was purchased in a paint shop (laughter), and that her splendid form was mostly padding. Do you who were guilty of that deception think that you can escape the damnation of God? You acted a lie.

The men are not all liars, nor the women always, but I think most of them are; men more than women. That ought to be true; because you women led us out of paradise and you ought to lead us back. (Laughter.)

You were first in the transgression, and you ought to be first in salvation.

Thanks be to God, that through a holy woman, Christ came

God Give Us Holy Mothers.

Women who are holy can bring forth children who are not full of damning lust.

Do you think that a woman can read dirty novels and go and hear a play like "Faust," where Mephistopheles, the Devil, and Faust, the doctor, and Marguerite, the harlot, are the three great characters, and can bring forth children who will not become partakers of her sin?

If that child is full of the vice of Faust and the vice of Marguerite and the damning power of Mephistopheles, you are to blame, you mother, you father who fed upon that food when that child was not yet in the world.

You have given to that child the damning thought of your filthy reading of novels, and your dirty plays, and your abominable Macca-*wasp* business.

May God make you repent. (Amen.)

Repent, you sinners; you dirty sinners; you foul sinners.

A young lady wrote to me this morning: "Pray for me, General Overseer. I have three devils in me. One is pride, one is jealousy, and the other is selfishness." I prayed at once.

If every woman would speak out the truth, there are multitudes who have these three devils. There are some of you like Mary of Magdala, who had seven. And if the women have three and sometimes seven, how many have the men?

I think some men must be like that demoniac at Gadara: they must have a whole legion of devils. It seems as if they must number thousands.

There are many men whose eyes are full of lust, whose hearts are full of sin, who run eagerly in the ways of Baal and sin in the foulest manner, who want their wives and daughters to be clean while they live like devils.

They will reap what they sow.

"He that soweth unto his own flesh shall of the flesh reap corruption."

"Whatsoever a man soeth, that shall he also reap."

Unless you get forgiveness, and the tares taken out of your heart, and the Good Seed of the Kingdom put there today, and unless you begin to sow to the spirit, you will never reap Life Everlasting.

"The Kingdom of God is Righteousness, Peace and Joy in the Holy Ghost."

You will never have Peace until you do right. You will never have Joy until you are at Peace with God. This is the Kingdom of God.

This is what Christ preached.

You have no right to enter into the Church until you have been born into the Kingdom, and you will never enter into the Kingdom until you have entered into it in Christ's own way, by a Real Repentance, a Real Faith, a Real Baptism, a Real Obedience, and a life of Real Devotion to God.

May God in His Infinite Mercy grant that this shall be your profession.

Every one in this place who desires to do that, and to let God rule in his heart and life, stand up with us and tell Him so.

PRAYER OF CONSECRATION.

My God and Father, in Jesus' Name I come to Thee. Take me as I am. Make me what I ought to be, in spirit, in soul, in body. Give me the power to do right, no matter what it costs; to repent, to restore to my fellowman, and in Thy sight to do right, O my God and Father. Give me Thy Holy Spirit, that I may be truly Baptized, not only in water, but in the continuous Baptism of the Holy Spirit; that I may be dead to sin, alive to God, and endowed with power for service. Cleanse my spirit, my soul, my body. Help me at all times and everywhere to be a Christian who will not compromise with Satan or sin, with disease or death, or with any power of hell. Give me Thy Full Salvation. Give me Thy Full Healing. Give me Thy Life. Lead me to heaven, when life here is over, for Jesus' sake. Amen. (All repeat the prayer, clause by clause, after the General Overseer.)

Did you mean it?

Audience—"Yes."

General Overseer—Live it.

BENEDICTION.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who also will do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. Amen.

AFTERNOON SERVICE.

Central Zion Tabernacle, Lord's Day Afternoon, March 24, 1901.

The service was opened by Zion Choir and the congregation singing Hymn Number 348, after which the Apostles' Creed was recited.

The General Overseer then read the sixty-eighth Psalm, and the sixth chapter of Romans.

Zion Boys' and Girls' Choir of 118 voices then sang the beautiful but simple melody of "The Beautiful Bright Sunshine."

Their little faces shone and their voices rang with the glad-

ness of pure and happy childhood as they praised their Creator and Saviour.

The singing of the children was an inspiration.

Not only were their hearts in what they sang, but there was an ease and naturalness which made every tone smooth and even in quality; a careful training which made the pitch perfect, and every word of the glorious hymns which they sang was heard and understood by the great congregation.

It was wonderful singing for so large a choir of little boys and girls.

It was very deeply effective upon the audience, which sat and listened without a movement until the children's voices ceased in a reverent Amen.

Prayer was offered by the General Overseer.

Announcements were made by Overseer Speicher.

The tithes and offering were received, Zion Boys' and Girls' Choir singing "Brightly Gleams our Banner," very sweetly.

THE PURPOSE OF A REAL BAPTISM.

The General Overseer then said:

INVOCATION.

Let the words of my mouth and the meditation of my heart be acceptable in Thy sight, be profitable unto this people, and unto all to whom these words shall come, in this and every land, in this and all the coming time, till Jesus come. Amen.

TEXT.

We were buried therefore with Him through Baptism into Death: that like as Christ was Raised from the Dead through the glory of the Father, so we also might walk in Newness of Life. For if we have become united with Him by the Likeness of His Death, we shall be also by the Likeness of His Resurrection.—Romans 6:4, 5.

Because Christ also suffered for sins once, the righteous for the unrighteous, that He might bring us to God; being put to death in the flesh, but quickened in the spirit; in which also He went and preached unto the spirits in prison, which aforetime were disobedient, when the longsuffering of God waited in the days of Noah, while the ark was a preparing, wherein few, that is, eight souls, were Saved through Water: which also after a True Likeness doth now save you, even Baptism, not the putting away of the filth of the flesh, but the Interrogation (or appeal) of a Good Conscience toward God through the resurrection of Jesus Christ.—1 Peter 3:18-21.

My brothers and sisters in Christ, especially you who are members of the Christian Catholic Church in Zion, I am almost glad that, in consequence of the inclement weather, those now present, though numbering between 2000 and 3000, are principally members of this Church, because I desire to speak to you and, through LEAVES OF HEALING, to the Christian Catholic Church in Zion throughout the world, following up the discourse of last Lord's Day.

In that discourse I spoke in very solemn and earnest language concerning what I believed to be the Seal of the Living God.

I said that we had that Seal, and that at least the first Twelve Thousand had been sealed in Zion with the Seal of the Living God, a Real Baptism. But the time did not permit me to speak more fully as to what a Real Baptism was.

I do not for one moment wish any one to suppose that the outward form of Triune Immersion in itself constitutes a Real Baptism.

I made that, I think, fairly plain and clear last week, but I again state it:

The Seal Can Only be Placed Effectively Upon That Which is Worthy of Being Sealed.

If you could get access to the seal which is used in stamping a twenty-dollar gold piece—if you could steal it, for you would have to steal it—and should stamp a piece of nickel corresponding in size to a twenty-dollar gold piece with the seal of the United States, saying that was twenty dollars, it would not be twenty dollars because you sealed it. It would be a fraud, and would be very quickly detected, and very severely punished.

No seal of the United States could make nickel gold, or give that the value of gold which was only nickel. Therefore, even if we have a Real Baptism, we must also have real subjects for Baptism.

Baptism does not make a man a Christian, but Baptism seals a Christian openly, boldly, before all the world.

That Seal is placed upon him because he has really repented, believed, been really converted, and is real gold, a real Christian, a real Disciple, one who desires to be more and more real every hour and every day.

Baptism can no more create a man a Christian than the seal, even if it be the right seal, can give twenty dollars' value to a piece of nickel.

If the Seal of Baptism is to be Rightly Given, It Must be in the Proper Hands.

It is perfectly clear to any one who thinks for a moment, that God does not put His Seal into every hand.

God will not permit every one to baptize.

God has given this Seal, in these latter days, to Zion, that there may be reality in this Baptism, in this Seal of the Living God, and a preparation by the separation of the One Hundred and Forty and Four Thousand Servants of God, that they may be Messengers of God in Zion and through Zion to bring the Great Multitude "which no man can number, out of every tongue, and tribe, and people, and nation to stand before the Throne and before the Lamb."

That is not a Scene in a distant and remote Heaven.

It is a Scene on Earth.

People have been erroneously, in my judgment, putting it away in heaven at some distant time.

We stand before the Throne of our Father in Heaven *now*.

We stand before the Lamb *now*.

We praise God in the Spirit *now*.

We sing with a Great Voice *now*:

Salvation unto our God
Which sitteth upon the Throne,
And unto the Lamb.

We do not need to wait for a distant time or place to stand before God and sing the Song of Salvation.

What Should be the Effect of a Real Baptism?

What does this Sign and Seal imply?

What Special Blessing does God give in this Real Baptism?

Is it simply to state the value of the coin, or is it to impart to that coin some peculiar power?

There is no doubt whatever that power is imparted by the Seal.

When a document has been prepared for the signature of His Excellency, the President of the United States, and when he has signed that document, it is not valid and not effective until the Seal of State is affixed. It is then a Commission under God.

The power of that document is not merely that the document itself is valid, but that it imparts a power to an otherwise weak citizen which he would not have unless that valid document were in his hands.

Such a document would enable an attorney to seat himself on the bench of the Supreme Court of the United States as a Judge in the highest Court in the land. The decisions of which he is a partaker become such that he, as a member of that Court, can call upon the Executive, the President himself, upon the Legislature, and, if necessary, upon the Army and Navy, and upon every citizen throughout the United States, to support and to help to execute his mandates as a Judge.

The Power of a Document.

Therefore, you see, a Commission bestows a Power. If it were a mere document, valid as it might be, it would not be a power. But you can see that throughout all this land public officers are powerful in performing public duties because they have been given power through these documents.

Some of them have a right to arrest criminals.

Some of them have a right to detain criminals in prison.

Some of them have a right to put criminals to death.

I do not preach a Baptism which has no Power attached to it.

The world is weary, the Church is weary and tired out, tired to death, of mere words which do not bring Power with them.

A Church which is a Church if you like to believe it, and is not a Church if you do not like to believe it, a Church which you may obey or not obey just as you like, is no Church at all

It is not the Church which God has established.

You cannot create, you cannot permanently hinder, and you cannot destroy a True Church.

It exists because God created it—called it out from His own Redeemed ones in His Kingdom.

It stands firmly and goes forward to victory because God maintains it.

It is indestructible, because it is a part of God Himself, His offspring, and therefore eternal as Himself, and it is folly to talk of destroying it.

We are God's Witnesses to that fact, and all the world is getting to know it.

God Has Established a Church, and He Has Given Power to That Church.

The powers of that Church are tremendous.

The powers far exceed anything that a Legislature, an Executive, or a Judiciary could impart.

Behold, I have given you Authority to tread upon serpents and scorpions, and over All the Powers of the Enemy: and nothing shall in any wise hurt you.

Think of the tremendous sweep of that.

Then think again of these words:

All Authority hath been given unto Me in heaven and on earth. Go ye therefore (with this authority which I delegate to you), and make Disciples of All the Nations, baptizing them into the Name of the Father and of the Son and of the Holy Ghost: teaching them (with authority) to observe all things whatsoever I have commanded you: and lo, I (who have all power in heaven and earth) am with you all the days, even unto the Consummation of the Age.

That is either a reality or it is mere trashy words.

If it is a reality, whatever Church possesses that reality, possesses a power compared to which the powers of Parliament and Congress, the powers of the Presidents and Kings, the powers of armies, is as nothing: for these powers are the supreme powers of the Almighty God, before which eventually everything must bow.

Therefore, this Baptism must be a real thing.

What does it bring?

A Real Baptism Brings to the Real Disciple Three Things.

First, buried with Christ in Baptism by the power of the Holy Ghost, he may and ought to become Dead to Sin.

Second, buried with Christ in Baptism, he ought to be planted in the Likeness of His Resurrection—my text in Romans six—and rise with Him to Newness of Life, and have within him the Life of God.

Third, being now dead to sin and alive unto God, it is his privilege to walk with God in Newness of Life, and therefore to be endowed with Power for Divine Service.

Every minute, hour and day should see a New Life with a New Power. He should realize that the Power of God is upon him and in him, so that he shall be what Peter speaks of, "saved through Baptism"; not regenerated through Baptism. Having been regenerated, a man has a great deal of saving before him. Many a man who is regenerated, many a woman who is regenerated, knows very little about a Full Salvation.

Regeneration and Full Salvation are two different things. There is between them the difference between a baby, a child, and a full grown man with a large experience, capacity and intelligence which make him a strong power to do God's service, whatever it may be.

"After a True Likeness," this Real Baptism saves the man from many things. It saved the Apostle Paul, after his conversion. When Ananias said to him that God had called him to be His servant in all the earth, he said, "And now why tarriest thou? arise, and be baptized, and wash away thy sins."

With that the healing came, and the sightless eyes of the Apostle saw the Messenger of Christ, a mortal man. He saw that the Salvation was Real; that a Real Healing had come, and a Real Cleansing power. He submitted at once and was baptized. That was a Real Baptism—it was the Seal of the Living God.

But he quietly went away to Arabia for three years before we hear of him again.

He received in that Baptism a complete assurance that his sins were washed away. Dead to sin, the old man Saul was swept away at that Baptism.

Alive unto God, Paul, the new man, was equipped in Newness of Life with power for a Divine Service which made him who had started last in the race first of all, greatest of all the apostles, so that he has stamped his name and individuality and the power of God upon the nations as no other man of all the apostles did.

Starting eleven years after the call of the other Apostles, he was not behind any or all.

This is the Power of a Real Baptism. It will not be the same in all persons, for all persons are not qualified and not prepared to act upon the same high plane; but it will be the same in kind.

The Appeal of a Good Conscience.

I therefore proclaim today that not the mere putting away of the filth of the flesh, but the Appeal of a Good Conscience toward God, enables a man to say as Paul did constantly, in effect, "In all good conscience I stand here today, knowing that every word I say is true. I am dead to sin. I am alive to God. I am endued with Newness of Life and Power for Service. I make this 'appeal of a good conscience' to God, to man, to angels, to devils, to the age which now is, and the age which will succeed me. I appeal to the great White Throne of God that this is true."

It was true.

The generation then living, the generations which have succeeded, the present generation, now says, "Paul, God witnesses for you that your Salvation, Healing and Cleansing were real; that your Baptism was really the Seal of the Living God; and that your apostolic Commission was real: for God constantly bore you witness by the Holy Spirit!"

Tremendous Cleansing Power of a Real Baptism.

In your degree this is what a Real Baptism means: That you shall have Power over your members which have been unrighteous.

The Lust of the Eye, the Lust of the Flesh, and the accursed Pride which makes this life so full of misery, selfishness, jealousy and devilry shall be broken forever.

You shall be dead to these passions.

Your body shall henceforth have eyes that see for Christ, a tongue that speaks for Christ, a mind that thinks for Christ, ears that hear for Christ; yea, and palate that tastes for Christ, and a hand that handles for Christ.

You shall have every power procreative and otherwise, used for God.

You shall live a Holy Life under the Law of God, so that sin shall have no dominion; so that you shall be free from the damning power of hellish passion. Love and Lust are poles asunder.

Oh, I beseech you, "as pilgrims and strangers, to abstain from fleshly lusts which war against the soul."

Dead to sin, the body becomes a servant to righteousness, a bondservant to Christ.

Everything within you, spirit, soul, body, passions, aims, wishes, thoughts, desires, will be purified. But that can only be when you have taken the second dip into a Real Baptism. You must be "united with Him by the Likeness of His Resurrection."

You must rise with Christ. You must in Christ rise superior to the throbbing of that blood which we inherit, which is so full of the poison of sin and disease.

You must have your blood cleansed.

The word in the book of the Prophet Joel must be fulfilled in you: the last verse of that great prophet of this Holy Ghost dispensation:

And I will cleanse their blood that I have not cleansed: for the Lord dwelleth in Zion.

Only In Zion Can That Blood Cleansing Come.

Hence, planted with Him in the Likeness of His Resurrection, after a True Likeness, you have to receive not only forgiveness from sin, and power over sin, but new life, a Divine Life, which, when you stand upon your feet, enables you to say, "I live, yet not I but Christ liveth in me, and the life that I now live in the flesh I live by the faith of the Son of God who loved me, who gave Himself instead of me. That life has taken possession of all my being."

Just as Jesus Christ arose from the dead without any blood in His body, just as the Holy Spirit was His Life, so must we have the Holy Spirit for our life.

The Spirit of Him that raised up Jesus from the dead must be in our mortal bodies and quicken us and deliver us, who through fear of death have been all our lifetime in bondage. That Spirit must give to us deliverance from corruption, and deliverance that shall lead us into powerful service.

Not the possession of life alone, not the deliverance from

death alone, but the endowment for service, Newness of Life, is the third thing in the Real Baptism.

Newness of Life.

New Life toward wife and children, New Life toward the maiden and the youth, New Life toward the brother and the sister, New Life toward the poor sinners who are perishing in their sins, and New Life which makes you look with new eyes upon all humanity, with the eyes of Christ who died for them, is a result of a Real Baptism.

Newness of Life makes you seek for their Salvation, their Healing, their Deliverance, their Real Baptism, their Real Cleansing, their Real Sealing with the Seal of the Living God.

It is this Newness of Life more and more that we want in Zion. (Amen.)

We want not death, not idleness, not passivity, but Life which gives us power to rest, and gives us power to work with the unceasing continuity of a God who is forever at rest and forever at work.

This is what is needed, a New Life.

No man that breathes with human breath,
Whatever crazy sorrow saith,
Hath ever really longed for death.
'Tis life, not death, for which we pant;
'Tis life of which our nerves are scant.
More life, and fuller, that we want.

We want a Life which not only lives today and tomorrow, but projects itself into the unborn generation, and is an active generating power in the ages to come; a Life which never dies, a Life which shines brighter, and lives purer and more glorious, "shining more and more unto the Perfect Day."

We want a Life like that which "speaketh" down through all the ages from Abel, the first martyr for the Living God, till now.

Oh, for that Life.

God give it to us (Amen.)

All who desire that Life, arise and tell Him that you want it. (Apparently all arose.)

Bow your heads and pray.

PRAYER OF CONSECRATION.

My God and Father, in Jesus' Name I come to Thee. Take me as I am. Make me what I ought to be, in spirit, in soul, in body. Give me a perfect deliverance, Thou God of deliverances, from sin—True Repentance, simple Faith, willing Obedience, that I may live for Thee, and if need be die for Thee. Give me a Real Baptism, that I may be dead to sin, alive unto God, and a Newness of Life, endowment for service, that I may have the "appeal of a good conscience" that I am Thine wholly, Thine forever, Thine for Jesus' sake. (All repeat the prayer, clause by clause, after the General Overseer.)

Did you mean it?

Audience—"Yes."

General Overseer—Live it. Seek for its enlargement continually. Ye who have been baptized by a right form, seek for the Power of a Real Baptism.

After the Recessional had been sung, the hundreds of the White-robed Choir and Officers passed solemnly out between the standing and deeply impressed people. Then the service was closed by the General Overseer pronouncing the

ZION IN ZURICH.

By Deaconess Marie Brieger,
Translator and Assistant Editor of Blatter der Heilung.

FEAR NOT, little flock; for it is your Father's good pleasure to give you the Kingdom.—Luke 12:32.

ON the shores of the lovely waters of the Lake of Zurich, in far-away Europe, there is a little flock of Zion people prospering and growing like a tree planted by the rivers of water.

Wonderfully rapid had been the gathering of this little flock. God had sent His Messenger with the power of the Triune Gospel, and much had been wrought in the short period of four days.

Hearts which had been thirsting for the Living Water readily opened to receive the new life, and found what they had been longing for—a Full Salvation and Freedom in Christ from sin and its fruit: disease; and for innumerable others the way thereunto has been opened.

Those whose hearts the Lord opened, as He once did unto Lydia, have united in common work for the Glory of the Lord, increasing in strength and carrying to their fellowmen in ever-widening circles the blessed truth by word and deed, in spite of the objections of Christian and worldly adversaries.

As flowers turn toward the light of the sun, the human heart longs for the light and life from God. And yet, when John came and bore witness unto the Light, there were many who loved darkness, or their own twilight, rather than this Light.

He who is Himself the Light, came, but His own received Him not.

And again today it is His own who refuse to receive His message and who, blind and obstinate, endeavor to hinder those who long for it. "But as many as received Him, to them gave He the right to become children of God, even to them that believe on His Name," and they may receive of His fulness, grace for grace.

The sacred fire which the Son of God came to kindle on earth is burning brightly. Visible from afar, it is spreading with irresistible power!

Zion sees and hears it, and is glad, and the daughters of Judah rejoice because of Thy judgments, O Lord. Light and joy everywhere enter the hearts of the righteous.

But scattered about are those who know not how to rejoice. Alarmed and annoyed, they keep blowing into the flames with all their might. They would smother them. But vain, foolish hope! The light is only shining brighter.

The children of Zion have long ceased to fear their impotent effort. They have experienced and experience still more gloriously that Immanuel is here!

His Spirit moves and life enters the dry bones.

Hosts awake to knowledge and Repentance.

His Word has still the same power.

He commands, and spirits of infirmity depart.

His arm is stretched out over His people in mighty power, leading them onward victoriously in the Old as well as in the New Continent.

Our dear people in Zurich experience much joy, as those who have been healed by laying on of hands and prayers of the General Overseer put in their appearance one after another. Scarcely half of their number have appeared so far, owing to the fact that after the close of the meetings and the departure of the General Overseer, most of them, with joy in their hearts, hurried back to their respective homes in more or less distant parts.

We are not permitted to make known the names of those healed, which have already come to our knowledge, until they themselves by spoken or written word have praised the Lord by acknowledging His glorious deeds.

We rejoice and praise God with a joyous heart for every one of those who, through a full consecration and childlike trust, has made it possible for Him to glorify Himself in them by forgiving sins and healing sicknesses.

Among them is a woman who had been suffering from heart disease for many years. She declares that she has been perfectly healed through the prayer of the General Overseer. She has testified to her healing publicly in a meeting held in one of the suburbs of Zurich.

Her testimony has been corroborated in public by her husband, who says that a miracle has been wrought in his wife. He says that he had been expecting her to die of an apoplectic stroke at any moment.

She had been suffering thus for a long time, and only with great difficulty could she attend to her domestic duties.

A friend who called at her house was told by her that she did not know how to thank and praise God for the wonder that had been done to her, spiritually and physically. She had been very miserable, hardly able to speak, and now her voice for speaking and singing had been restored to her.

Since finding her peace, she had received such a measure of spiritual strength and joyfulness of heart as never before in her life.

Another woman was instantly healed of cancer in the throat. She is now rejoicing in the Lord.

A man who had been suffering from kidney disease for two years had been treated by six physicians without obtaining relief. After prayer and laying on of hands he began to feel much better, and his healing has been progressing ever since.

A woman, after much physical and mental suffering, now praises God for her complete delivery and for the fact that her husband does not persecute her any longer. He now reads *Blätter der Heilung*. She gladly brings her tithe out of her weekly earning to the Lord.

The son of a minister, deformed and scrofulous from early childhood, upon whom all medical skill was lost, is now raised by the Lord in answer to the prayer of His servant, the General Overseer, and his healing is progressing.

A woman was healed of melancholia within a few days.

A man who had been suffering for years from kidney trouble, weakness of the heart and sleeplessness, whom the doctors had given up to die, was almost completely healed in the General Overseer's meeting. He and his wife are happy and thankful and ready to serve the Lord.

A woman, chlorotic from early youth and suffering from weak eyes, attended only one meeting, accompanied by her husband. Hands were laid upon her and she was healed entirely within a few days. Both are very happy and grateful to the Lord.

A woman who had been sick in bed for six months with cancer of the stomach, without hope of recovery, has been healed through reading *Blätter der Heilung* and through the General Overseer's prayer in London. Last New Year's Day she got up for the first time with the joy of Zion in her heart and full of gratitude to God.

A young man who had been suffering from melancholia for three years, attended one meeting and is now happy and well.

These and other healed ones in more distant places are the living testimonies that Jesus Christ is still the same Healer as nineteen centuries ago, and that His Word is a life-creating power.

May none of those who have experienced His mercy through a restoration of their spirit and body, and none of those who have received great spiritual blessing, hesitate to confess Him openly as their Saviour, just as He is not ashamed to call them His children and beloved, to whom He has shown Himself so wonderfully gracious and merciful.

May this demonstration of His faithfulness awaken in them a holy desire to glorify Him in all things through obedience, and to be a blessing to other afflicted ones through the fruit of their lips, giving thanks to His Name.

Zion prays for her distant brothers and sisters, that their spiritual life in God may be deepened, in order thus to keep them from losing the blessings received, and that He may make them overcomers of all difficulties and adversities through the Blood of the Lamb and the word of their testimony.

Mrs. Hofer, who conducts the little Zion Gathering in Zurich, gladly devotes her time and energy to the service in the glorious work, and we have every reason to be thankful for her reports.

May she pardon the liberty we are taking, without being able to first ask her permission, in relating a few details regarding her experiences, contained in her last writing. It is to the glory of God that we publish it.

Our dear sister writes:

Every day new friends appear, who joyfully tell me of the great blessings they have received in the meetings; how much they would liked to have listened to the General Overseer until midnight, and how sadly they had felt when he was seen to leave the hall for the last time.

A woman said to me, a few days ago, that she had been delivered from heart disease of long standing, simply through hearing the truth proclaimed by the General Overseer. She did not even find it necessary to have hands laid on her.

On the other hand, men were very busy endeavoring to drag down the work of God, throw suspicion upon it and destroy it.

A political journal with a so-called "Christian tendency," the Zurich *Freitagszeitung*, misrepresented and reviled the visit of Dr. Dowie, but everybody capable of forming an opinion of his own, and all who had attended the meetings, could not but recognize the work of the Devil in the article published.

Minister Kradolfer, of the local Baptist Church, set about at once to defeat the enemy and make the truth known in his periodical, *The Christian Guide* (*Der Christliche Wegweiser*), of which paper 10,000 copies were printed and distributed all over Switzerland and Germany.

Ministers Kradolfer and Schenk also championed from their pulpits the Scriptural truth as proclaimed by the General Overseer.

Inquiries by letter come pouring in from all sides, people asking for particular information and an opinion upon Dr. Dowie and his work. Others, and among these a good many friends, give me warning and tell me what this or that "man of God" has been saying about Dr. Dowie, etc.

I reply: "Too late! Too late!

"Such alarms come too late: we have seen and heard for ourselves.

"Healings have been performed before our eyes and the power of God has been shown following the prayers and laying on of hands by Dr. Dowie. We have incontestible proofs that God is with him, that he is His servant and Messenger. It would be well for those men of God to accept the truth proclaimed by Dr. Dowie and to lead their sheep to a better pasture."

The teaching is spreading and there is an urgent demand for a good Elder.

Many who are not members of Zion yet, declare that they do not care for their churches any longer, since they have heard the General Overseer preach.

We have little meetings with a good attendance.

It is our principal aim now to be firmly established in fellowship with God and in His Word.

We were very glad last Lord's Day to hear a brother from Zion speak, Mr. Berchtold, who is here on a visit. He has been in Chicago for ten years and in Zion for the last two years. It was very interesting for us all to hear from the lips of an eye-witness about the work in Zion and about Zion City.

I find great joy in visiting the sick and the healed ones.

We have some glorious experiences, and I feel so thankful, when I hear these healed ones give expression to their praise and love for God, who has been so gracious and merciful and has glorified Himself in them.

How they love the dear General Overseer, this wonderful instrument of God!

They all tell me that they are homesick for his sermons.

Many long for healing, and are thoroughly tired of the lukewarm condition of the churches and the meaningless display of words.

I greatly enjoy every step which these sick people make toward recovery. My last prayer at night and my first prayer in the morning is for them.

One sick person has recently been healed of appendicitis in answer to my prayer.

I was with her for nearly two hours, while she confessed to me the condition of her heart, and repented.

We had prayed together, and when I returned the following evening, the woman was well.

You may imagine our joy and happiness that God had heard our prayers.

I often meet people who received laying on of hands in the meetings, but no healing. It is soon found that they were not prepared spiritually. They came to seek relief at the hands of the instrument of the Helper in the hall of the Court House without having fulfilled the conditions necessary for a healing.

These I visited three times a week, or daily if possible, read to them from the Scriptures and from *Blätter der Heilung*, prayed with them and, praise God, they progressed satisfactorily. Two of them have since received healing.

Most of them lacked a real and genuine repentance, most particularly in the case of the so-called believers.

The old Adam is so deep-seated in them that the outward healing cannot proceed until the old natures have been fully mortified.

My daughter also visits the sick, and Mr. Wiederkehr, whose wonderful healing was reported in *Blätter der Heilung*, in Volume I, Number 12, page 282, has to go here and there, testifying before the sick, who, as he did, are seeking the path to the Great Physician and feel greatly blessed in their distressed hearts by his words.

I consider it a great privilege to be permitted to devote my whole time and all my energies to this glorious work.

My daily prayer is that we may be filled with the Holy Spirit for the Glory of God and for the benefit of our fellowmen.

We all love Dr. Dowie, who is truly a man full of love and humility! And how he loves his Lord!

May God make our dear brothers and sisters there of greater blessing, and keep them, like branches, ever dependent upon the Lord Jesus Christ in humility, purity and strength, and soon send them an efficient Elder.

God grant that those who are in sympathy with Zion, and yet are not fully convinced, may cease hesitating and asking, like John, "Should we wait for another?"

May they give heed to the facts which are loudly speaking for themselves, testifying to the power of God and, as in the days of John, give the same answer: "The blind receive their sight, and the lame walk: . . . blessed is he whosoever shall not be offended in Me."

How frail are the arguments and criticisms of those who are constantly offended at the man of God, the General Overseer, who constantly seek to represent him as a false prophet, and all this in view of the great things which God is doing through him everywhere and in spite of the wonderful blessings which his unselfish activity brings to humanity.

Whosoever reads *Blätter der Heilung* with a sense of sobriety and not absolutely prejudiced, examining the obvious facts, cannot help acknowledging in the sight of God that such blessings cannot possibly be the work of a false prophet, and that God must be in this work and with this man.

He who confesses Jesus Christ and proclaims Him to be the Son of God come in the flesh; he who denounces sin as any prophet ever did, leading thousands to God to be saved and healed, devoting his whole life to the service of the Lord—*is he a false prophet?*

They who suffer from aberration of judgment cannot possibly lead the sheep committed to them to the good pleasure of the Lord. May God set the sheep at liberty and have mercy upon the shepherds, "for they know not what they do."

"When the Son of man cometh, shall He find faith on the earth?"

If His coming is so near, and yet His Messenger, who is called to prepare His way, is misunderstood in such a way, how

sad are the conclusions which we must necessarily draw. "Which of the prophets did not your fathers persecute?" is Stephen's accusation in Acts 7:51, 52.

In the cry of "Crucify Him! Crucify Him!" scribes and Pharisees and the rabble were united in their judgment against the Holy Son of God. What a sad thing to see a part of the scribes of today take the stand of an unqualified Zurich *Freitagszeitung!*

Zion praises her Lord that He constantly hears her faithful prayers and delivers scores of His sheep, who are ready to listen to the truth, from that obstinate and fatal influence.

We praise Him for the open doors which He gives us, for the thousands who, led by His Light and by His Truth, are saved, healed and blessed, thanking Him for the deliverance from those who revile and slander God's blessed instrument.

Zion will never cease to care lovingly everywhere for the oppressed sheep of the Lord, who are suffering the tortures of hell under the false teaching, that the loving hand of God is upon them and that they simply have to submit themselves.

Zion will faithfully teach them and bring them in prayer to the God of Mercy, so that, according to His faithful promises which thousands and tens of thousands have experienced in themselves, He may not only forgive their iniquities, but heal their diseases and crown them with lovingkindness and tender mercies, and renew their youth like the eagle's, and make their lips bring forth joyous songs to the praise of His wonderful grace, which has been hidden from them so long by erring shepherds.

Out of Zion, the perfection of beauty,
God hath shined forth.
. . . . . .
Blessed is the people that know the joyful sound:
They walk, O Lord, in the light of Thy countenance.
In Thy Name do they rejoice all the day:
And in Thy righteousness are they exalted.
Blessed be the Lord for evermore!

Zion's Conflict With Methodist Apostasy.

This book of 200 pages, just issued by Zion Publishing House, contains nine powerful discourses delivered in Central Zion Tabernacle by the General Overseer last May, during the session of the Methodist General Conference. They are of especial value for the full and fearless exposure of Freemasonry.

"The Methodist Church the Property of the Masonic Order," "Freemasonry: A Heathen and Antichristian Abomination," and "Degrees of Masonic Devilry" ought to be read by every lodge man.

The iniquity of the Mystic Shrine is laid bare.

"The Christian's Duty in Breaking a Bad Oath" is the address which preceded the public working of Masonic and Odd Fellow degrees in Central Zion Tabernacle, a full account of which is given.

Buy one of these books and keep lending it. No honest and intelligent man can read the book and still remain a Freemason.

Has God Blessed You in Tithing?

Have you realized a fulfilment of God's promise to those who "bring the Whole Tithe into the Storehouse"? If so, let others know how true the promise is. Write your testimony and send it to Rev. William Hamner Piper, Overseer-at-Large of the Christian Catholic Church in Zion, 1201 Michigan Avenue, Chicago, Illinois. Let your testimonies be brief and straight to the point.

DO YOU KNOW GOD'S WAY OF HEALING?

BY THE REV. JOHN ALEX. DOWIE.

Let it be supposed that the following words are a conversation between the reader [A] and the writer [B].

A. What does this question mean? Do you really suppose that God has some one especial way of healing in these days of which men may know and avail themselves?

B. That is exactly my meaning, and I wish very much that you should know God's Way of Healing, as I have done for many years.

A. What is the way, in your opinion?

B. You should rather ask, WHO is God's Way? for the Way is a Person, not a thing. I will answer your question in His own words, "I am the Way, and the Truth, and the Life; no one cometh unto the Father, but by Me." These words were spoken by our Lord Jesus Christ, the Eternal Son of God, who is both our Saviour and our Healer. (John 14:6.)

A. But I always thought that these words only referred to Him as the Way of Salvation. How can you be sure that they refer to Him as the Way of Healing also?

B. Because He cannot change. He is "the same yesterday and today, yea and forever." (Hebrews 13:8.) He said that He came to this earth not only to save us but to heal us (Luke 4:18), and He did this when in the flesh on earth. Being unchanged, He must be able and willing and desirous to heal now.

A. But is there not this difference, namely, that He is not with us now?

B. No; for He said, "Lo, I am with you alway, even unto the end of the world"; and so He is with us now, in Spirit, just as much as when He was here in the flesh.

A. But did He not work these miracles of healing when on earth merely to prove that He was the Son of God?

B. No; there was still a greater purpose than that. He healed the sick who trusted in Him in order to show us that He came to die not only for our sins, but for our sicknesses, and to deliver us from both.

A. Then, if that is so, the atonement which He made on the Cross must have been for our sicknesses as well as our sins. Can you prove that is the fact from the Scriptures?

B. Yes, I can, and the passages are very numerous. I need quote two only. In Isaiah 53:4, 5, it is written of Him, "Surely He hath borne our griefs (Hebrew *sicknesses*), and carried our sorrows: . . . and with His stripes we are healed." Then in the Gospel according to Matthew, this passage is quoted and directly applied to the work of bodily healing, in chapter 8, 17th verse, "That it might be fulfilled which was spoken by Isaiah the prophet, saying, Himself took our infirmities, and bare our diseases."

A. But do you not think that sickness is often God's will, and sent for our good, and therefore God may not wish us to be healed?

B. No, that cannot possibly be; for diseases of every kind are the Devil's work, and his work can never be God's will, since Christ came for the very purpose of destroying "the works of the Devil." (1 John 3:8.)

A. Do you mean to say that all disease is the work of Satan?

B. Yes, for if there had been no sin (which came through Satan) there never would have been any disease, and Jesus never in one single instance told any person that sickness was God's work or will, but the very contrary.

A. Can you prove from Scripture that all forms of sickness and infirmity are the Devil's work?

B. Yes, that can be done very easily. You will see in Matthew 4:23 and 9:35 that when Jesus was here in the flesh, He healed "all manner of disease and all manner of sickness among the people." Then if you will refer to Acts 10:38 you will see that the Apostle Peter declares that He [Jesus] "went about doing good, and healing all that were oppressed of the Devil." Notice that all whom He healed, not some, were suffering from Satan's evil power.

A. But does disease never come from God?

B. No, it cannot come from God, for He is pure, and disease is unclean; and it cannot come out of Heaven, for there is no disease there.

A. That is very different from the teachings which I have received all my life from ministers and in the churches. Do you really think that you are right, and that they are all wrong in this matter?

B. It is not a question as between myself and them. The only question is, What does God's Word say? God has said in all the ages to His Church, "I am the Lord that healeth thee" (Exodus 15:26), and therefore it would be wicked to say that He is the defiler of His people. All true Christians must believe the Bible, and it is impossible to believe that good and evil, sickness and health, sin and holiness could have a common origin in God. If the Bible really taught that, it would be impossible to believe our Lord Jesus Christ when He says, "A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit." (Matthew 7:18.)

A. But even if I agree with all you say, is it not true that the Gifts of Healing were removed from the Church, and are not in it now?

B. No, the "Gifts of Healing" were never withdrawn, and can never be withdrawn, from the true Church of God; for it is written, "The gifts and the calling of God are without repentance." (Romans 11:29.) There are nine gifts of God to the Church (enumerated in 1 Corinthians, 12:8 to 11), and all these are in the Holy Spirit. Therefore, so long as the Holy Spirit is in the Church, all the gifts must be there also. If they are not exercised, that does not prove that they do not exist, but that the faith to exercise them is lacking in God's servants. The gifts are all perfectly preserved; for the Holy Spirit, not the Church, keeps them safely.

A. What should a Christian then do when overtaken with sickness?

B. A Christian should obey God's command, and at once turn to Him for forgiveness of the sin which may have caused the sickness, and for immediate healing. Healing is obtained from God in one of four ways, namely: First, by the direct prayer of faith, without any aid from the officers of the Church, praying as the Centurion did in Matthew 8:5 to 12; second, by two faithful disciples praying in perfect agreement, in accordance with the Lord's promise in Matthew 18:19; third, by the anointing of the elders and the prayer of faith, according to the instructions in James 5:14 and 15; and fourth, by the laying on of the hands of them who believe, and whom God calls to that ministry, as the Lord commands in Mark 16:18, and in other places.

A. But are people healed in this way in these days?

B. Yes, in thousands of cases. I have myself laid hands upon many hundreds of thousands of persons, and I have seen the Lord's Power manifested in the healing of great numbers, many of whom are living witnesses in many countries, who have testified publicly before thousands, and who are prepared to testify at any time. This ministry is being exercised by devoted Christians in many parts of America, Europe, Australasia and elsewhere.

A. Is it not the same as Christian Science, Mind Healing, etc.?

B. No. Divine Healing is diametrically opposed to these diabolical counterfeits, which are utterly anti-Christian. These impostures are only seductive forms of Spiritualism. Trance Evangelism is also a more recent form of this delusion, and it deceives many.

A. But how shall I obtain the necessary faith to receive healing, which faith I am at present conscious I do not possess?

B. It is written, "Belief cometh of hearing, and hearing by the Word of Christ." (Romans 10:17.) Our Missions are held for the express purpose of teaching fully the Word of God on this matter, and I very heartily invite you to attend the meetings which are announced for Zion Tabernacle. All are welcome and there are no charges of any kind made, for all God's gifts are free gifts. Salvation is the first of these, without which you cannot be healed through faith in Jesus. All the costs of this work are covered by the free-will offerings of the people who attend these meetings, and others whom the Lord leads to help; but the poorest who have nothing to give are as heartily welcome as the richest.

A. Do you see the sick and lay hands upon them in this Mission?

B. Yes; after we feel satisfied that they are fully resting in the Lord alone for the healing, we see privately, so far as time permits, those who attend; but under no circumstances do we claim the power to heal any; for "power belongeth unto God."

A. Have you any writings upon this subject which can be purchased?

B. Yes; these can be obtained at the office of Zion Publishing House, 1207 Michigan Avenue, or at Zion Tabernacle, 1621-1633 Michigan Avenue, Chicago, Ill. But the best book on Divine Healing is the Bible itself, studied prayerfully and earnestly.

We extend to you a hearty invitation to attend the meetings, which are free to all. Our prayer is that you may be led to find in Jesus Christ our Lord and God, your present Saviour from sin, your Healer from sickness, your Cleanser from all evil, your Keeper in the way to Heaven, your Friend, and your All for Time and Eternity. We pray that these words may help many who read, and that our little conversation may bear fruit in leading many readers to look to Jesus only.

"The Healing of Christ's seamless dress
Is by all beds of pain;
We touch Him in life's throng and press,
And we are whole again."

ZION IN THE ORIENT.

By Rev. Geo. L. Mason, B.A.,B.D.
Overseer of the C.C.C. in China.

A SAD DEFEAT.—A missionary leader, known and loved throughout the world, the author of "The Ministry of Healing," Rev. Dr. A. J. Gordon, might not have passed away in the noonday of his strength, had he cherished a deeper conviction that it was sinful to defile with poison medicines the body which had become the Temple of God's Holy Spirit. Dr. Gordon had never taken a bold stand against drugs. He only maintained that for himself he knew a better way of healing. Here was the weak spot in his armor, and Satan knew it.

The story of his sickness and death is told in his own paper, *The Watchword*, February, 1895, from which we quote significant extracts, the italics being ours:

And he had many personal experiences of deliverance from severe sickness in answer to the prayer of faith. But at this juncture, *out of consideration for the opinion of others* whom he felt it was right to consult, and in order that no reproach might come upon those who were caring for him, he consented to avail himself of the medical skill of the doctor, and asked him to prescribe for him as he would for any one else. The disease seemed to yield to the treatment, and the doctor was very hopeful of his recovery. But there came upon him *a recoil of conscience, and a great spiritual struggle*, because, in his loyalty to Christ, he almost feared he had "turned his back on the Lord," who had so repeatedly healed him of physical infirmity.

He called the physician to his bedside and emphatically *reasserted his faith in Jesus alone as the Divine Healer, and repudiated all dependence upon medicine.* Then requesting that all should leave the room that he "might be alone with God," he was absorbed for some time in prayer and committed himself anew with thrilling fervor into His hands who is Saviour of soul and of the body also. From that time his mind seemed to be at rest on this subject.

Nevertheless it was decided to continue the treatment already begun, and on Thursday night, January 31st, the testing of temperature and pulse showed such a decided improvement, that letters were sent to absent members of the family stating that the crisis had passed and there was every hope of convalescence and recovery.

Monday he was taken with the grip. Wednesday he sought unto the physicians. That night, or Thursday, he repented of this weakness and "reasserted his faith in Jesus alone," for healing. But, in spite of this, somebody "decided to continue the treatment." If it was Gordon, he again went against his conscience and sinned. If others went against his conscience, they sinned. Friday afternoon the man was dead.

Though the spirit was saved, yet the body of him who through the Prayer of Faith had been the means of rescuing many, was ignominiously allowed to perish in the hands of the doctors (Isaiah 48:18).

SILENCE regarding Divine Healing was advised as one of the conditions which would insure peace, if we remained a Baptist missionary. A veteran missionary wrote us in these words:

To remain as at present would seem to demand, however, some sacrifice on your part, viz, *silence*; i. e., that you cease from publicly enforcing your views both before the Christians and the public. Beyond a simple statement of your views of the merits of Divine Healing, say nothing either here or there, except when asked for explanation. Have your faith in this matter to yourself, or, at the farthest, enjoy it with those of like persuasion as a thing precious to yourselves!

This was written in all seriousness by a Doctor of Divinity (Acts 4:18-20).

MEDICINE has become a great god in some missionary circles. The Baptist Sunday School Lesson Paper used in Chekiang Province, China, says:

In the present time Jesus uses this method. He wants us to use medicine and help ourselves, not that medicine has any great power; the power is only in Jesus' hands. But those who are unwilling to take medicine certainly add to their own trouble, because they do not wish to use the method of Jesus. Sometimes Jesus heals them, but generally those who get healing take medicine. Jesus also constantly heals unbelievers because they use the method of Jesus.

What a jumble of nonsense! "Sometimes Jesus heals them" without medicine. But if He does, it is contrary to His "method." If you are not ready to repent and believe in Jesus, you may help yourself by swallowing arsenic and nux vomica, "allee samee Melican man." Pretty stuff to teach the Chinese!

MEDICAL MISSIONS are unscriptural and harmful. This is shown by many facts stated in LEAVES OF HEALING, Volume VI, Number 22. And various current falsehoods, in defense of Christianization by drugs, are answered in LEAVES OF HEALING, Volume VII, Number 7.

BAPTIST LOSSES.—*The Independent* of January 3, 1901, reports a numerical gain among the colored Baptists in the United States. But the white Baptists, who have more wealth and education, had no gain whatever in a year. All their prayers and preaching resulted in a net loss of 4438 members. We suggest that they open medical missions in every city and village, dispense morphine, mercury and cowpox pus free to the crowds, and sandwich in a little preaching. This method would surely result in an increase—of the losses (Haggai 1:6-8).

ELDER VIKING writes the following vigorous letter to a missionary who had written, in a kindly spirit, criticising the Christian Catholic Church in Zion:

ZION, SHANGHAI, CHINA, February 21, 1901.

I am glad to know that you have looked over our Zion Monthly. I take this opportunity to answer your objections.

The native brother in writing about Luke, "the beloved physician," does not say that *the Bible says* that Luke put away his medical practice.

The Bible does not say that Matthew or Mark gave up the doctrine and practice of circumcision, but we are, all the same, right in saying that they gave it up. That would not be any "unwarranted dealing with Scripture," would it?

Among the Jews, as soon as a man believed in his heart that Jesus was the Messiah, and determined to obey Him because he knew from the Old Testament Scripture that the mission of Christ was to save and to heal, he had no more use for the sacrifice of bullocks.

To a converted Jew or Gentile, in the early times, the Gospel of Isaiah was a Real Gospel. It ought to be as real to you and to me; and more so, as we have the New Testament writers, and especially quotations from Isaiah by Christ, to strengthen its truths.

If Jesus was not the Healer in Luke's time, then Isaiah was a liar. If Jesus is not the Healer now, then Isaiah is a liar still.

But, praise God, Jesus is "the same," and so Isaiah's Message is true. Luke, "the beloved physician," had no use for his medical practice after

he had repented and received deliverance through faith in the Risen Christ.

On his journeys with Paul, it was Paul who, according to the Acts of the Apostles, laid hands on the sick, and the sick recovered (see chapter 28:7-10).

If Luke continued his practice as a physician after he believed, then he was a hypocrite, because it was just as impossible *at that time* to be a Christian and a physician, as to be a Christian and a robber.

Paul calling him "the beloved physician" does not mean that Luke, as a physician, was beloved, or that his art was a beloved art, and therefore could be called "beloved"; but it means Luke the physician, and not Luke somebody else *as a person*, was beloved.

Some weeks ago I wrote a letter to a very dear friend of mine in Chicago.

He practiced as a physician for ten years.

Then he gave up that practice and got healing of cancer in the throat through faith in Jesus. He does not now practice medicine.

When I wrote to him I addressed him like this: "My Dear Doctor Speicher." I could have written "Rev. J. G. Speicher, M. D., My Dear Doctor," etc.

Suppose the Captain on a Shanghai steamer resigns his position and becomes a business man. He still would be called "Captain" all his remaining life. So with officers who retire from the army. So with ministers of the Gospel who retire from preaching. Many are addressed as "Reverend" who do not now preach.

The idiom in Greek is, "Luke the beloved physician," but translating it into idiomatic English, you would be right in saying "the beloved physician Luke," or, more up-to-date, "the beloved Doctor Luke," or "the Dear Doctor Luke."

The native brother you refer to is perfectly right in saying that Luke repented of his false doctrines, and I add to this that Luke also put away his medical practice.

We rejoice to be in a Church where we have freedom to preach a Full and Free Gospel.

Jesus died on the Cross in order to redeem us from sin, sickness and all the powers of death and hell.

Zion's voice in this matter is not uncertain, and God greatly blesses where we take an uncompromising stand, no matter what friend or foe says.

In the second point in your letter, you say that we produce "heartburnings and divisions" by trying "to build up a Church out of the saved already gathered into other churches."

God has established Zion for the afflicted of His people.

One of the great truths for which Zion stands is the Holy Spirit in our bodies, oil in the vessels. It is impossible to have the Spirit filling our bodies when we reject Divine Healing. This truth is bound to disturb existing organizations.

It is the Eleventh Hour, 5 o'clock P. M., in God's vineyard. A new set of laborers is called in. The old set will get their pay. The new set does not grumble about that.

The day closes at the Twelfth Hour, or 6 o'clock P. M.

There is only one hour's work remaining. This hour's work will cover every part of the vineyard. The new laborers are the workers in Zion.

I call your attention to the fact that the mission of Zion is larger than you anticipate. There is no public Church organization or private secret order which will escape its sickle.

The whole field will be reaped.

The time of harvest has come.

Your view of Zion has been limited by reason of not knowing Zion's mission.

Take a broad view.

It is not only a few Church members here and there who will be drawn in.

As to Shanghai, we intend hy the Grace of God to turn it upside down, as it is downside up now.

Our Gospel is a Gospel to every individual in Shanghai, and to every individual we shall go.

Dear brother, we know the many objections to our work which are brought up; but we are willing to be misunderstood, lied about, persecuted, hated and what not, for a time. It shall not be so long.

Christ is coming back at the end of the day to pay off the workmen. We shall all then get our pay. Praise the Lord!

Woe unto us if we have not done our work!

The cry that Zion has no love is groundless. We take no notice of that. These fellows will get sore throat before they are through.

I call your attention to the development of Zion in America. Watch the movement from now on for one year. Do not be afraid to investigate.

Read LEAVES OF HEALING regularly.

I write to you as to a brother who ere long will be working hand in hand with us.

You may not see it today, but you will have a good time when that day comes. Then you will see the Devil squirming around in rage because of Zion disturbing his strongholds. Then all heartburnings will be gone. Then there will be victory following victory in your own life.

Praise God for Zion!

Zion is the only organization which has the power and authority to unite all God's true people. That building up and uniting is accomplished, in the first place, by breaking up the things in the different churches which hinder unity.

May God bless you out of Zion.

I am yours sincerely, C. F. VIKING.

SAVED FROM BAD HABITS AND HEALED OF NERVOUS PROSTRATION.

MODENA, WISCONSIN, January 13, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Overseer:—I feel it my duty toward God and man to testify, in as few words as possible, to God's power to heal today, as nineteen centuries ago.

Through reading LEAVES OF HEALING and studying my Bible carefully, I learned that God was the Healer.

I continued a faithful servant of the Devil.

I was a swine-breeder and consumer for the majority of my days.

I was a slave to tobacco for eight years, and about ten years a tippler of spirituous liquor.

I was a partaker in general in all kinds of sin.

I was an Entered Apprentice in the Masonic Order and a member of the Modern Woodmen, carrying a life insurance policy of $3,000.

All of these things I continued to the glory of the Devil and to the dishonor of God, up to February, 1898.

About the 15th of December, 1897, I was stricken with nervous prostration, or heart failure, as our physician pronounced it.

I continued to grow worse until the last week in January, 1898.

I became alarmed and told my physician that I did not care to have him experiment on me longer, and that if he could not furnish a remedy that would relieve me of my disease, I would on the following day go to St. Paul, Minnesota, to be treated by a specialist.

His reply was that he had solved the problem. He handed me a bottle of nux vomica and said, "I think that will fix you all right."

I have no doubt but that, had I taken the contents of the bottle, it would have been the death of me.

Instead of taking all, I only took about one-quarter of the contents.

I discovered that my stomach was being ruined from taking the medicine and that instead of gaining in strength and vitality I was rapidly growing worse.

I finally concluded that there was only one way out of my miserable condition: namely, to accept God's Way of Healing.

An Evangelist named W. L. Thompson was holding a series of meetings in the Methodist Church here.

I made inquiry of him how he felt regarding Divine Healing.

His reply was that his wife had been healed a great many times through the prayer of faith.

We finally induced him to preach several sermons on God's Way of Healing.

It was at one of these meetings I accepted Christ as my Saviour from sin, Healer of disease, and Keeper.

This was the end of my nervous prostration.

We give God all the praise, and also thank the General Overseer, who has been so wonderfully used in advancing God's work in every way, teaching Salvation, Healing and Holy Living.

My continuous prayer is that God will spare him and all his co-workers for many years to come, that they may complete the work they have undertaken in every capacity.

Yours in Jesus' service, H. O. BROWN.

God Heals of Indigestion and Stomach Trouble.

SYCAMORE, ILLINOIS, February 4, 1901.

DEAR GENERAL OVERSEER:—I feel it my duty as well as privilege to write you my testimony.

I had the very worst form of stomach trouble and indigestion.

My stomach was so very bad I could neither eat, drink nor sleep. I had to sit nearly upright in bed and take tincture of cactus to keep my heart beating.

I had been troubled with indigestion since a child.

I am now entirely healed of that disorder.

I am also healed of my stomach trouble.

I wrote you asking you to pray for me, and directly after you prayed for me, I began to get better.

I thank you and Mrs. Dowie and the Elders for your and their prayers.

I pray our Heavenly Father every day that He will bless you and your dear wife and spare you to us for many years.

Faithfully your Sister in Christ, (MRS.) MARY LOUISE SHEPARD.

ZION COTTAGE MEETINGS.

By REV. JOHN G. SPEICHER, Overseer for Chicago in the Christian Catholic Church in Zion.

IN ORDER to keep the Cottage Meeting work before the members and friends of the Christian Catholic Church in Zion, we again present a list of the Cottage Meetings in Chicago.

There are at this time Three Hundred and Twenty weekly Cottage Meetings in twelve different languages. There has been a constantly increasing interest and attendance in these meetings. Large numbers of persons are being baptized who were first brought to Zion through the Cottage Meetings.

One new feature of the work is that of the meetings for the children who are picked up from the streets—the poor little waifs who seem to have no one to care for them, and who know almost nothing about the Word of God and of the love of Christ.

This movement has been inaugurated by Deaconess M. T. Clemons, who has been doing very excellent work. Large numbers of children are being taught in this way who otherwise would never know of God.

There are many who can help in this work, in gathering together the children from the streets, who would perhaps not care to help in any other department in the work. We would be glad to have all such correspond with Deaconess Clemons, whose address is 1434 Michigan Avenue.

We are thankful to note an ever-increasing interest in the Cottage Meeting work among the branches outside of Chicago. May this year see a great increase in their number and in their efficiency.

Let every Leader of Cottage Meetings see that Zion Literature is on hand for sale. Let the time of the meetings be devoted largely to prayer and testimony. What teaching is done, let it be on the line of the plain and simple Gospel truths as taught in Zion.

Let those difficult and controversial subjects such as Freemasonry and all political questions, and the difficult interpretations of Scriptures, be left for the General Overseer in Central Zion Tabernacle.

Teach the Fundamental Truths of Salvation, Healing and Holy Living, such as True Repentance, Restoration, Forsaking of Sin, Obedience toward God in Baptism, the Paying of Tithes, etc.

We ask a continued interest in the prayers of all who love the Lord in Zion.

GOD ANSWERS PRAYER FOR AN OPPORTUNITY TO WITNESS FOR HIM.

HARRIETTE, MICHIGAN, January 19, 1901.

REV. JOHN G SPEICHER.

Dear Brother in Christ:—I feel to praise the Lord more tonight than ever before; not so much for what He has done for me, but for others.

One day last summer I visited in a neighboring town, and before I started I went to my room and asked the Lord to give me something to do that might glorify Him.

When I got on the train I found it crowded. I had to take a seat with another lady.

She began to tell me of her poor health; said she once had a cancer that had been removed and was yet suffering from many other diseases.

She also said she had a daughter who was bedfast for several years; had to be lifted out and laid on another bed while they changed hers, which caused her great suffering.

While lying in bed she had to be in such a position that her lower limbs were higher than her body.

Her affliction was female trouble in a very bad form, and she was considered a hopeless case.

I told her of God's power and willingness to heal, and told her of my own healing. I gave her the General Overseer's address, and advised her to write to him for prayers.

On my return home I sent her copies of LEAVES OF HEALING

I prayed for them for a long time, but did not hear from them until a few days ago, when I received a letter, which I enclose herewith.

It was wonderful.

God's hand was in it, because I asked Him for something to do.

With Christian love and fellowship, I am faithfully

Your Sister in Christ Jesus our Lord, (MRS.) S. J. DOTY.

The following is the letter to which Mrs. Doty refers:

EVART, MICHIGAN, January 15, 1901.

MRS. S. J. DOTY, Harriette, Michigan.

Dear Friend:—I suppose you have forgotten me, but I have not forgotten you.

I am the Mrs. Way you met on the train and told of Dr. Dowie.

I sent to him for prayers, and am so glad, for I have had the best of health since.

My daughter who was sick so long is restored to health now and can walk and do her own work.

With love and best wishes,

Your Sister in Christ, (MRS.) MARY WAY.

Are You Thinking of Taking Up

A Course of Reading?

THE Seven Bound Volumes of LEAVES OF HEALING are a HISTORY of the most important events of the last years of the Nineteenth Century; they contain the best and wisest comments on CURRENT EVENTS in the world; they are a safe guide in BUSINESS and POLITICS; they contain the best thoughts about ART, MUSIC, LITERATURE and SCIENCE; they tell of things far more strange and interesting than fiction, and all true; they are an inspired BIBLE COMMENTARY and the safest and best works extant on THEOLOGY.

THE MOST BLESSED OPPORTUNITY of these latter days was to live in Zion Headquarters from the beginning until now. Comparatively few had that opportunity. The next best opportunity is that of reading these Seven Volumes. That is within the reach of almost every one. No member of the Christian Catholic Church in Zion can afford to miss that opportunity. These Seven Beautiful Books, substantially bound in black, half Morocco, can now be had for

$17.50

ZION'S BIBLE CLASS.

BY DEACON DANIEL SLOAN.

MIDWEEK BIBLE CLASS LESSON, APRIL 10th or 11th.

Where the Devil Is Now.

1. *He is in a high estate above, but will not always stay there.*—Revelation 12:7-12.
   The battle on earth is not yet finished.
   The Devil accuses the saints before God.
   When the earth is his only abode, terrible things will take place.
2. *Jesus saw the end of the age from the beginning, and saw Satan fall from heaven.*—Luke 10:17-24.
   Seventy evangelism will end the age.
   To them is given power over the enemy.
   They are into the secret of God's plans.
3. *Great glory will come to Christ when the Devil is completely subjugated.*—John 12:27-34
   Christ will soon again be seen in glory.
   The Everlasting Gospel of the Kingdom is being preached.
   Many will yet see Christ as Saviour and Lord.
4. *Satan fell from his office with God through corrupting worship.*—Ezeikel 28:11-19.
   Backsliding begins when pride enters the heart.
   God abominates all who are filled with it.
   Pride destroys by bringing into fellowship with demons.
5. *In the Day of Judgment the Devil will be cast down, not only from his high estate, but from earth as well.*—Isaiah 34:1-10.
   The Devil has a place prepared for him.
   He has no rights here on earth.
   God is determined to destroy all things that offend.
6. *Now this wicked spirit is in heavenly places, contending against spiritual conquests.*—Ephesians 6:10-13.
   The secret of the Devil's strength is in getting people to believe a lie.
   A day is coming after the light is gone which will try all on the earth.
   The Devil ever seeks to get an advantage over one by filling him with fear.
7. *He is in the upper world with power over the elements, but cannot harm God's own.*—Ephesians 2:1-7.
   A life of resurrection is a life of power.
   He who loves this world walks to please the Devil.
   The Devil enters into the elements through storms and cyclones.

The Lord Our God is a Devil-Conquering God.

SUNDAY BIBLE CLASS LESSON, APRIL 14th.

Christ an Example of Fortitude Under Trial.

1. *When accused of being an enemy of public good.*—John 11:47-54.
   The Devil fears miracles of healing.
   He hates those who teach Divine Healing.
   The world cannot defeat God's plans.
2. *When charged with having no preparation and authority for His ministry.*—Matthew 13:53-58.
   The Devil does nothing but destroy lives.
   God creates and heals the bodies of people.
   When the Devil is vigorously attacked, it is a sign the work is of God.
3. *When accused of being given to high living.*—Matthew 11:7-19.
   The Devil's own are restless and curious.
   The Messenger of God's Covenant points to Christ.
   Some always quibble about a God-sent man.
4. *When charged with being in league with the Devil.*—Matthew 12:22-30.
   The work Christ did, pleased God.
   True teaching ever brings people to God.
   A true ministry makes many mad, then glad.
5. *When threatened with destruction for reproving impiety.*—Luke 4:23-32.
   God raised up Christ's body from the tomb.
   His death could not take place until His work was done.
   All who truly know God receive what they seek from Him.
6. *When branded as a pretender for not gratifying curiosity.*—Matthew 27:39-49.
   Christ did not heal to prove that He was God's Son.
   He would not come down from the cross to prove it.
   Christ never did anything for show or display.
7. *When accused of associating with sinners, thus reflecting upon His own character.*—Luke 15:1, 2.
   Jesus came to save sinners.
   He sought to save them by meeting with them.
   His presence with them was a call to repentance.
8. *When caviled with under the guise of honest question.*—Matthew 22:15-22.
   The Devil tries to confuse people in their conversation.
   He always wants to raise or ask some question.
   He likes to claim that which belongs to God.
9. *When under indignities, scorn, reproof and smiting, He was silent.*—Matthew 27:24-33.
   Politicians are always afraid of mobs.
   They often claim they are unable to quell riots.
   Some would rather have the rabble than saints as citizens.

EDITORIAL NOTES.

"THEY SHALL COME AND SING IN THE HEIGHT OF ZION."

THE ANNOUNCEMENT, in our last issue, of the Opening Day for the Selection of Lots in Zion City on July 15th, has had a most remarkable effect.

FROM ALL PARTS of the country, congratulations have reached us, and large Investments have been made this week, especially in Zion Land and Investment Association stock.

GOD'S PEOPLE are eager to enter into their Inheritance in Zion City.

WE HAVE, as we indicated was our intention last week, obtained title to another portion of 270 acres, and we shall probably take title to at least 117 acres more in the coming week.

We are also arranging for another block of 354 acres, which we shall take probably within a month.

It is likely that we shall have very much more than three thousand (3000) acres under title, therefore, on July 15th, including all the most expensive portions of the land.

ON OUR weekly visit to Zion City last Monday, we gave instructions for the grading of the great Boulevard from Zion City Depot, on the Chicago and Northwestern Railway, to the Observatory Tower, in Shiloh Park, on the site of Zion Temple.

This work is going forward rapidly.

We have also made a temporary road of more than two miles to the Lake Front, including return.

ORDERS HAVE also been given for the preparation of plans for Zion Land and Investment Association Offices and for Zion Hotel accommodation near the railway depot.

ZION LACE INDUSTRIES machinery is now on the ground and will be shortly put in place in the first section of the Lace Factory.

Our large staff of laceworkers are housed, and being housed, in Zion Lace Operatives' Home in Zion City, in many buildings in Waukegan and other surrounding towns, and in some of the farm-houses on Zion City Site.

ZION LUMBER ASSOCIATION, under the management of Mr. John Johnson, and Zion City General Stores, under the management of Deacon Held, are doing excellent business.

Stocks of Store Supplies and of Lumber are being rapidly increased.

APPLICATIONS for many new Industries are before us, and some of these will be acted upon at an early date.

GREAT ACTIVITY prevails on every side. Our hearts are filled with gratitude to God, and we are Going Forward with joyful confidence in Him, leaning upon no man.

MEANWHILE we are attending strictly to the work of God at Headquarters Offices, and making provision for the future housing of Zion College and Zion Divine Healing Home.

WE HAVE secured the transfer of the lease of a very large hotel at the Northwest Corner of Michigan Avenue and Thirteenth Street, a block from our present Zion Home, and three blocks from Central Zion Tabernacle.

We have also purchased the furniture for Nine Thousand Dollars cash.

THE HOUSE is in very good condition, and can be used immediately we get possession.

It has 150 Guests' Rooms, besides many Large Rooms on the ground floor.

Some of these can be used for Zion College, and others for Divine Healing Assembly Rooms.

It is on the other side of the street from our large building, 1300 Michigan Avenue, in which Zion City Bank, Zion Land and Investment Association, Zion College, and Zion Printing Works have hitherto been located.

That building will now be occupied entirely by Zion Printing and Publishing House, and our new paper, THE ZION BANNER, will soon be added to LEAVES OF HEALING, BLÄTTER DER HEILUNG and A VOICE FROM ZION, which are now printed there.

A photo-engraving of the new building, which God has given us on this fine boulevard in Chicago, appears on page 737.

WE FOUND upon inquiry that the many boarding-houses conducted by members of the Christian Catholic Church in Zion were entirely inadequate to receive the large numbers of persons who are known to be coming to the Special Gatherings in May and July.

So we saw that the Divine Healing Home must not be given up, even for a time.

Accordingly, one-half of this beautiful new house will be occupied for this purpose, and the other half will be occupied by Zion College.

The building is really in two parts, connected by large and well-lit passages across a court-yard.

THE EXTENSIVE alterations in Zion Building, at the corner of Michigan Avenue and Twelfth Street, fitting it for the use of Zion City Bank and Zion Land and Investment Association, and for the ever-extending Headquarters Offices of the Christian Catholic Church in Zion, are going forward rapidly.

This magnificent building, which we have used for five years, is being entirely transformed.

We are making it our own personal residence during this transition period, and it will also continue to be the residence of many of our most important officers.

It would very much surprise many of our readers if they could see the great hive of busy workers who are housed there. It will now be known as Zion Building.

We have completed the payment of $50,000 to purchase it for Zion purposes. Our final payment of Fifteen Thousand Dollars ($15,000) was made last Monday.

THE COMPLETION of the purchase of this Zion Building, and of large additional acreage in Zion City, and the taking of the large Hotel on Michigan Avenue, heretofore known as the Hotel Norwood, for Zion College and Zion Divine Healing Home purposes, has created much interest in the city.

It has been a topic of very general comment among business men, and in the secular newspapers, which, without any exception, have spoken in moderate, and even kindly, terms of these recent operations.

In fact, it is now generally felt that Zion is too powerful a factor in the life of Chicago to be treated in the manner which has for so many years disgraced the newspaper press.

However, whether it be through good or evil report, Zion Goes Forward, overcoming every foe without and within.

The latter are few indeed, but never for a single moment does the solitary disaffected one who withdraws here or there affect the Onward March of Zion.

THE INTEREST in the Spiritual Work of Zion is deepening, broadening, and strengthening on every hand.

WE HAVE just closed a long series of Lord's Day Morning Special Services in many of the suburbs or distant points of Chicago.

The immense congregations which have gathered, overflowing the buildings in every case, have shown the widespread interest of the people in our Message from God.

In many of those places we spoke for the first time, and, as was the case at Pullman, last Lord's Day, it was delightful to see hundreds upon hundreds of persons, whose faces we had never seen before in our meetings, rise at the close, and reverently repeat the Prayer of Repentance, Confession, and Consecration to God.

WE HAVE reason to praise God, and we heartily thank the many thousands who heard us for the first time for their kind reception at all these places.

ZION SEVENTIES constantly report progress in house-to-house visitation; and all the Elders and Evangelists who minister in the many Zion Tabernacles in and around Chicago, and in the hundreds of Cottage Meetings held weekly in the city, report a constant Stream of Blessing in Salvation, Healing and Holy Living.

It is this which above all other blessings brings us solid comfort and increases our joy in and gratitude to God.

No material blessing would compensate for the absence of continuous spiritual progress.

God gives us both.

And these blessings are also reported from every continent.

Evangelist Cantel sent over forty applications for membership from England this week.

AMID ALL THESE toils, God continues to keep us in vigorous health and to maintain our strength.

We felt, however, the necessity of leaving the constant pressure of official duties in Chicago for three days' quiet work at "Ben MacDhui."

Accordingly we left the city by the midnight train on Tuesday night, and arrived here on Wednesday morning.

God willing, we shall return on Saturday morning early, and take up our work in the city again.

IN THESE brief absences we do not cease to work.

With the assistance of our esteemed private secretary, Deacon O. L. Sprecher, we attend to large masses of correspondence, to our duties as Editor of this paper, revising our sermons for publication, and to many other matters connected with Zion's worldwide work.

BUT THE PERFECT QUIET of this delightful home by our "little Galilee" acts as a splendid tonic and spiritual invigorator, and especially at this season of approaching Spring.

The ice is melting rapidly on the lake, the first little blades of grass are springing up all over our beautiful lawns and terraces, and we find continuous cause to rejoice with God, and men, and angels in the Annual Miracle of the Resurrection of Nature from its long winter's sleep under the deep white snow.

WHILE THE EARTH remaineth,
Seed-time and Harvest,
And Cold and Heat,
And Summer and Winter,
And Day and Night
Shall not cease.

THIS WAS the beautiful promise of God to Noah, when He established His Covenant with him and with his seed after him, and with every living creature which came out of the Ark with him, the fowl, the cattle, and every beast of the earth, "for perpetual generations."

EVERY TIME we see the Rainbow in the sky, we remember that this was the token of God's Covenant between Him and the earth, and all that dwell therein.

GOD SAID:
And the Bow shall be in the cloud,
And I will look upon it,
That I may remember
The Everlasting Covenant
Between God and every living creature
Of All Flesh that is upon the earth.

AND SO IT HAS ever been in our Spiritual Life.

When clouds and darkness have overshadowed Zion, then, suddenly, the Bow of God's Promise, with inexpressibly bright and glowing colors, has suddenly sprung out into the heavens, and shone above our heads.

BUT ALAS for the millions who never see "The Bright Light in the Clouds."

Alas for those who faint, and falter, and fall into doubts and fears and transgressions, consequent upon their failure to see that Bow of Promise in all things, which God has given as a token of that Everlasting Covenant, of which it is our joy and delight to be His Messenger in these days of darkness and peril to all the earth, at the beginning of this Twentieth Century.

BRIGHTER AND yet brighter do God's glorious promises to Zion shine forth every hour and day.

These days are but the beginning of the "Times of the Restoration of All Things, which God hath promised by the mouth of all His Holy Prophets since the world began."

THE EASTER GLORY gilds again the morning skies of the First Year of this strangely distracted World in this Unknown Century when many hearts are failing for fear.

But Zion hears the Words of Him who is, in All the Ages, "the Resurrection and the Life":

"BECAUSE I LIVE, YE SHALL LIVE ALSO."

NOW IS CHRIST risen from the dead,
And become the First Fruits of them that sleep.
For since by Man came Death,
By Man came also the Resurrection from the Dead.
For as in Adam *all die*,
Even so in Christ shall *all be made alive*.

GLORIOUS WORDS of Promise for even the vilest who have lost all love for God.

This Bow of Hope arches the heavens, no matter how dark the clouds may be.

It tells of an Infinite Mercy and Love, from Everlasting to Everlasting.

That Love is Unending and will continue to operate in the Glorious Work of Universal Redemption until "Death and Hell shall be cast into the Lake of Fire," and forever cease to be.

All the dead shall live again.

All the lost shall be found.

GLORIOUS WORDS of Promise, telling of Universal Death in Adam, and of Universal Life in Christ.

WHO SHALL limit, when God does not limit?

Who shall despair, when God has given us a Universal Hope?

Who shall speak of defeat when God promises Universal Victory?

THEN COMETH the End,
When Christ shall deliver up the Kingdom to God,
Even the Father:
When He shall have abolished
All Rule and All Authority and Power.
For He must reign,
Till He hath put all His enemies under His feet.
. . . . . .
That God may be All in All.

AND WHAT are we but those who were "enemies under His feet" whom He hath, by His Infinite Love, transformed into Children in His Home, and given a place in which to labor in His Glorious Service?

UNDER HIS FEET!
What better could we be?
Under His feet!
His mercy now we see.

Under His feet!
We wish no other place.
It is the Footstool
Of Our Father's Throne of Grace.

AND SO, at last, our God is "All in All."
And so, at last, before His face we fall,
And join the Universal Song of Love:
The Song He sent us from His Throne above.

ALL THINGS are New.
He makes them so;
And He is "All in All."
Forever and forever.
Hallelujah.

"SEED-TIME and harvest shall not fail."

This is the time of sowing. Harvest comes—and then Home at last, earth's labor's done.

HE THAT GOETH forth and weepeth,
Bearing precious seed,
Let him know that as he soweth
To the sinners' need,
So he'll reap.

Sowing now,
But Reaping by and by.
Weeping now;
Rejoicing by and by.

CHICAGO, ILLINOIS, March 31, 1901.

TO OUR DEAR BRETHREN, THE GERMAN SUBSCRIBERS TO BLATTER DER HEILUNG, AND TO OUR GERMAN FRIENDS OF ZION.

Beloved Brothers and Sisters:—I have earnestly requested our beloved Sister, Deaconess Brieger, to desist from her labors as Translator and Assistant Editor of BLATTER DER HEILUNG for three months, so that she might rest, and in accordance with my wishes she has gone for a little while, with her dear mother and one of our Deaconesses, to a milder climate in the Southern States.

We trust that she will fully recover her strength, which has been overtaxed by her arduous labors.

Under the circumstances I have, therefore, suspended the issue of BLATTER DER HEILUNG until July, when, God willing, it will be resumed once more under her Editorship.

Our beloved Deaconess Brieger greatly regrets this interruption, but I have felt that it was absolutely necessary that she should have the rest; and as it seemed to be best that the translation and Editorship should not be undertaken by another, even for a short time, I have concluded that it would be in the best interest of BLATTER DER HEILUNG to suspend the publication for the period mentioned.

Subscribers will receive the full number of copies to which they are entitled for a year, and I earnestly trust that the prayers of all interested will ascend to our God and Father in Heaven for our dear sister, that her strength may be fully restored and that she may live long to continue this labor of love which God has already so greatly blessed to Germans in all parts of the world.

I am Faithfully Your Friend
and Fellow-Servant in Jesus,

John Alex. Dowie

DO YOU KNOW GOD'S WAY OF HEALING?

BY THE REV. JOHN ALEX. DOWIE.

Let it be supposed that the following words are a conversation between the reader [A] and the writer [B].

A. What does this question mean? Do you really suppose that God has some one especial way of healing in these days of which men may know and avail themselves?

B. That is exactly my meaning, and I wish very much that you should know God's Way of Healing, as I have done for many years.

A. What is the way, in your opinion?

B. You should rather ask, WHO is God's Way? for the Way is a Person, not a thing. I will answer your question in His own words, "I am the Way, and the Truth, and the Life: no one cometh unto the Father, but by Me." These words were spoken by our Lord Jesus Christ, the Eternal Son of God, who is both our Saviour and our Healer. (John 14:6.)

A. But I always thought that these words only referred to Him as the Way of Salvation. How can you be sure that they refer to Him as the Way of Healing also?

B. Because He cannot change. He is "the same yesterday and today, yea and forever." (Hebrews 13:8.) He said that He came to this earth not only to save us but to heal us (Luke 4:18), and He did this when in the flesh on earth. Being unchanged, He must be able and willing and desirous to heal now.

A. But is there not this difference, namely, that He is not with us now?

B. No; for He said, "Lo, I am with you alway, even unto the end of the world"; and so He is with us now, in Spirit, just as much as when He was here in the flesh.

A. But did He not work these miracles of healing when on earth merely to prove that He was the Son of God?

B. No; there was still a greater purpose than that. He healed the sick who trusted in Him in order to show us that He came to die not only for our sins, but for our sicknesses, and to deliver us from both.

A. Then, if that is so, the atonement which He made on the Cross must have been for our sicknesses as well as our sins. Can you prove that is the fact from the Scriptures?

B. Yes, I can, and the passages are very numerous. I need quote two only. In Isaiah 53:4, 5, it is written of Him, "Surely He hath borne our griefs (Hebrew *sicknesses*), and carried our sorrows: . . . and with His stripes we are healed." Then in the Gospel according to Matthew, this passage is quoted and directly applied to the work of bodily healing, in chapter 8, 17th verse, "That it might be fulfilled which was spoken by Isaiah the prophet, saying, Himself took our infirmities, and bare our diseases."

A. But do you not think that sickness is often God's will, and sent for our good, and therefore God may not wish us to be healed?

B. No, that cannot possibly be; for diseases of every kind are the Devil's work, and his work can never be God's will, since Christ came for the very purpose of destroying "the works of the Devil." (1 John 3:8.)

A. Do you mean to say that all disease is the work of Satan?

B. Yes, for if there had been no sin (which came through Satan) there never would have been any disease, and Jesus never in one single instance told any person that sickness was God's work or will, but the very contrary.

A. Can you prove from Scripture that all forms of sickness and infirmity are the Devil's work?

B. Yes, that can be done very easily. You will see in Matthew 4:23 and 9:35 that when Jesus was here in the flesh, He healed "all manner of disease and all manner of sickness among the people." Then if you will refer to Acts 10:38 you will see that the Apostle Peter declares that He [Jesus] "went about doing good, and healing all that were oppressed of the Devil." Notice that all whom He healed, not some, were suffering from Satan's evil power.

A. But does disease never come from God?

B. No, it cannot come from God, for He is pure, and disease is unclean; and it cannot come out of Heaven, for there is no disease there.

A. That is very different from the teachings which I have received all my life from ministers and in the churches. Do you really think that you are right, and that they are all wrong in this matter?

B. It is not a question as between myself and them. The only question is, What does God's Word say? God has said in all the ages to His Church, "I am the Lord that healeth thee" (Exodus 15:26), and therefore it would be wicked to say that He is the defiler of His people. All true Christians must believe the Bible, and it is impossible to believe that good and evil, sickness and health, sin and holiness could have a common origin in God. If the Bible really taught that, it would be impossible to believe our Lord Jesus Christ when He says, "A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit." (Matthew 7:18.)

A. But even if I agree with all you say, is it not true that the Gifts of Healing were removed from the Church, and are not in it now?

B. No, the "Gifts of Healing" were never withdrawn, and can never be withdrawn, from the true Church of God: for it is written, "The gifts and the calling of God are without repentance." (Romans 11:29.) There are nine gifts of God to the Church (enumerated in 1 Corinthians, 12:8 to 11), and all these are in the Holy Spirit. Therefore, so long as the Holy Spirit is in the Church, all the gifts must be there also. If they are not exercised, that does not prove that they do not exist, but that the faith to exercise them is lacking in God's servants. The gifts are all perfectly preserved; for the Holy Spirit, not the Church, keeps them safely.

A. What should a Christian then do when overtaken with sickness?

B. A Christian should obey God's command, and at once turn to Him for forgiveness of the sin which may have caused the sickness, and for immediate healing. Healing is obtained from God in one of four ways, namely: First, by the direct prayer of faith, without any aid from the officers of the Church, praying as the Centurion did in Matthew 8:5 to 12; second, by two faithful disciples praying in perfect agreement, in accordance with the Lord's promise in Matthew 18:19; third, by the anointing of the elders and the prayer of faith, according to the instructions in James 5:14 and 15; and fourth, by the laying on of the hands of them who believe, and whom God calls to that ministry, as the Lord commands in Mark 16:18, and in other places.

A. But are people healed in this way in these days?

B. Yes, in thousands of cases. I have myself laid hands upon many hundreds of thousands of persons, and I have seen the Lord's Power manifested in the healing of great numbers, many of whom are living witnesses in many countries, who have testified publicly before thousands, and who are prepared to testify at any time. This ministry is being exercised by devoted Christians in many parts of America, Europe, Australasia and elsewhere.

A. Is it not the same as Christian Science, Mind Healing, etc.?

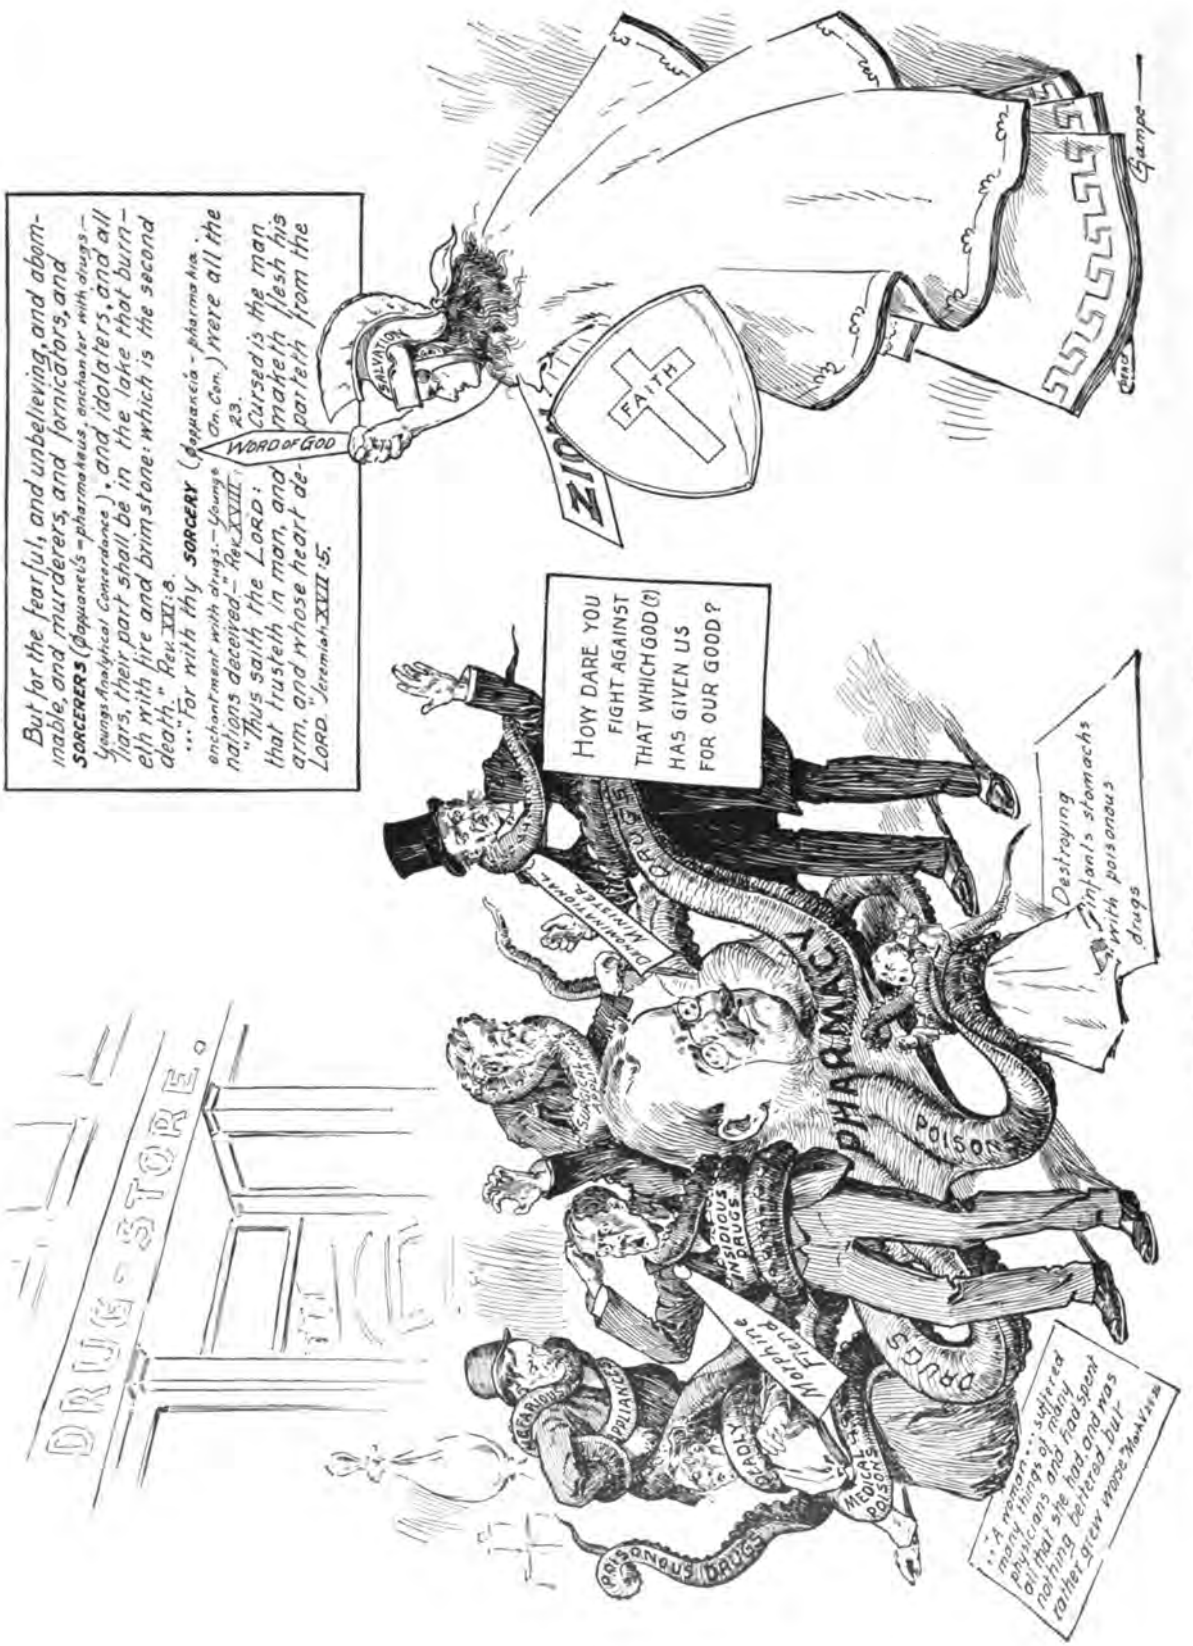
B. No. Divine Healing is diametrically opposed to these diabolical counterfeits, which are utterly anti-Christian. These impostures are only seductive forms of Spiritualism. Trance Evangelism is also a more recent form of this delusion, and it deceives many.

A. But how shall I obtain the necessary faith to receive healing, which faith I am at present conscious I do not possess?

B. It is written, "Belief cometh of hearing, and hearing by the Word of Christ." (Romans 10:17.) Our Missions are held for the express purpose of teaching fully the Word of God on this matter, and I very heartily invite you to attend the meetings which are announced for Zion Tabernacle. All are welcome and there are no charges of any kind made, for all God's gifts are free gifts. Salvation is the first of these, without which you cannot be healed through faith in Jesus. All the costs of this work are covered by the free-will offerings of the people who attend these meetings, and others whom the Lord leads to help; but the poorest who have nothing to give are as heartily welcome as the richest.

A. Do you see the sick and lay hands upon them in this Mission?

B. Yes; after we feel satisfied that they are fully resting in the Lord alone for the healing, we see privately, so far as time permits, those who attend; but under no circumstances do we claim the power to heal any; for "power belongeth unto God."



A. Have you any writings upon this subject which can be purchased?

B. Yes; these can be obtained at the office of Zion Publishing House, 1207 Michigan Avenue, or at Zion Tabernacle, 1621-1633 Michigan Avenue, Chicago, Ill. But the best book on Divine Healing is the Bible itself, studied prayerfully and earnestly.

We extend to you a hearty invitation to attend the meetings, which are free to all. Our prayer is that you may be led to find in Jesus Christ our Lord and God, your present Saviour from sin, your Healer from sickness, your Cleanser from all evil, your Keeper in the way to Heaven, your Friend, and your All for Time and Eternity. We pray that these words may help many who read, and that our little conversation may bear fruit in leading many readers to look to Jesus only.

"The Healing of Christ's seamless dress
Is by all beds of pain;
We touch Him in life's throng and press,
And we are whole again."

THE EVERLASTING GOSPEL PROCLAIMED.

Report of Meeting held in Arcade Hall, Pullman, Illinois, Lord's Day Morning, March 31, 1901. Sermon: "The Beginning of the Gospel."

Report of Meeting held in Central Zion Tabernacle, Lord's Day Afternoon, March 31, 1901. Sermon: "Blessed Are They That Wash Their Robes."

REPORTED BY S. D. AND E. W. AND A. W. N.

"REPENT!"

"Give up your filthy habits." "Turn to your God in Faith and Obedience." "Let Him cleanse you from your sins, and heal you from your sicknesses."

The words came with startling directness from the lips of God's Messenger.

They flew straight into the hearts of the fifteen hundred people listening.

The effect was electrical.

Strong men paled under the fierce but loving denunciation of their sins.

Careless and indifferent hearers were stirred.

Some sneered and scoffed until, stung beyond endurance by the merited rebuke of God's Messenger, they were compelled to leave the hall.

But most listened intently and respectfully.

The ringing Call to Repentance and Consecration brought them to their feet with tear-dimmed eyes and and prayerful voices.

The scene was Arcade Hall at Pullman, Illinois.

It was the occasion of the General Overseer's first visit, on Lord's Day morning, March 31, 1901.

The day had dawned clear and bright, with a cool but pleasant breeze, after the snowstorm of the Saturday.

A large number of Zion's White-robed Choir, Zion Robed Officers, Zion Guard, and many members of the Christian Catholic Church in Zion in Chicago, accompanied the General Overseer on a special train.

As at all other points where the General Overseer has held his Lord's Day morning suburban missions, the hall, which would seat about fifteen hundred people, was filled to its utmost capacity, and hundreds of people gathered outside, unable to get in: for all the standing room was occupied.

MORNING SERVICE.

Arcade Hall, Pullman, Illinois, Lord's Day Morning, March 31, 1901.

The service was opened by the General Overseer pronouncing the Invocation, after which Hymn Number 151 was sung.

After the Apostles' Creed had been recited, the General Overseer read from the third chapter of Malachi.

Behold, I send My Messenger, and He shall prepare the way before Me: and the Lord, whom ye seek, shall suddenly come to His temple; and the Messenger of the Covenant, whom ye delight in, behold, he cometh, saith the Lord of Hosts. But who may abide the day of His coming? and who shall stand when He appeareth? for He is like a refiner's fire, and like fullers' soap: and he shall sit as a refiner and purifier of silver, and he shall purify the sons of Levi, and purge them as gold and silver; and they shall offer unto the Lord offerings in righteousness. Then shall the offering of Judah and Jerusalem be pleasant unto the Lord, as in the days of old, and as in ancient years. And I will come near to you to judgment; and I will be a swift witness against the sorcerers,—

God is Witnessing Against the Pharmacists and Physicians.

The word translated "sorcerers," is in Hebrew *kashaph*, and the Greek equivalent, always translated "sorcerers" in the New Testament, is *pharmakoi* (φαρμακοί).

It is simply the modern word for pharmacist, and means a maker, dealer or vender of deadly poisons.

The Word of God always strikes at the traffic in, the making of, and the use of deadly poisons in the human stomach.

They destroy the brain, excite the passions, and damn the man.

Narcotic poisons are the very brewing of hell. All the deadly drugs which curse humanity, whether alcohol, nicotine, morphine, laudanum, strychnine, or any other deadly poison, are accursed by God.

—and against the adulterers, and against false swearers; and against those that oppress the hireling in his wages, the widow, and the fatherless, and that turn aside the stranger from his right, and fear not Me, saith the Lord of Hosts. For I the Lord change not; therefore ye, O sons of Jacob, are not consumed.

nances, and have not kept them. Return unto Me, and I will return unto you, saith the Lord of Hosts. But ye say, Wherein shall we return? Will a man rob God? yet ye rob Me. But ye say, Wherein have we robbed Thee? In tithes and offerings. Ye are cursed with the curse; for ye rob Me, even this whole nation. Bring ye the Whole Tithe into the Storehouse, that there may be meat in Mine house, and prove Me now herewith, saith the Lord of Hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it. And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the Lord of Hosts. And all nations shall call you happy: for ye shall be a delightsome land, saith the Lord of Hosts.

They Who Do Not Pay Tithes Into God's Storehouse Are Robbers of God.

Will you do what God tells you?

Will you fear God, serve Him, repent, believe, and give Him what belongs to Him?

One dollar out of every ten is God's, and you are a thief if you keep it back from His Storehouse, whence it will be used by His Servants in His Service throughout all the world.

You are to bring the Whole Tithe into God's Storehouse.

It does not belong to you at all, any more than the rent of your house belongs to you, if you rent from a landlord. It is a positive debt.

That is the Word of God.

It does not matter what you think.

It is what God says.

What you think is immaterial. The only thing which should concern you ought to be to find out what God thinks. This Universe is run by God, not by your opinions.

The thoughts of God are supreme.

You had better think what God thinks, or you will think wrongly, and get into all kinds of trouble.

Tithing began before the Jewish Dispensation.

Abraham gave tithes to Melchizedek, King of Salem, the High Priest of God, long before Isaac or Jacob or Moses had being.

As you know, who know your Bibles—the most of you do not; you know the newspaper better—your Bibles tell you that Jesus Christ is a High Priest forever after the order of Melchizedek, not after the order of Aaron.

Christ did not belong to the Tribe to which Aaron belonged. Aaron was a member of the Tribe of Levi, the priestly Tribe.

Jesus was a member of the Tribe of Judah, the kingly Tribe. He is King and High Priest as Melchizedek was, to whom Abraham paid tithes.

This is a very serious matter. It does not matter what the people say. It only matters what God says.

Great Blessing Has Come Through Tithing.

I may say to some of you here who know so little about the work in which we are engaged, that the blessing which God has given to Zion has been because year after year, for many years past, Zion people have given their tithes to God. They are better, richer, healthier, stronger, happier, because they have paid their tithes.

I will ask that question of all here who are in Zion. Have you been weaker or poorer since you paid your tithes to God?

Voices—"No."

General Overseer—Any one who has been poorer say Yes. I would like to investigate that case. I have never heard of one.

My people man for man are healthier, stronger, richer, better, and the whole organization has power because we do not steal from God.

God gets His tithe, and there is a greater blessing with the other nine-tenths.

When a man is a thief and robs not only his fellowman but his God, he is the meanest kind of a thief.

Your words have been stout against Me, saith the Lord. Yet ye say, Wherein have we spoken against Thee? Ye have said, It is vain to serve God: and what profit is it that we have kept His charge, and that we have walked mournfully before the Lord of Hosts? And now we call the proud happy; yea, they that work wickedness are built up; yea, they tempt God, and are delivered.

I never believed in walking mournfully before the Lord.

Whenever I see a mournful Christian, I believe that he is, with few exceptions, four-fifths hypocrite, and always a fool.

"Serve the Lord with Gladness!" is the Command in all the ages.

A Christian Ought to be the Happiest Man on God's Earth.

A mournful Christian is, in my judgment, a disgrace to his profession.

The Lord Jesus Christ came to make us happy. If we are not happy, we ought to be.

I cannot understand a Christian being unhappy.

"The Kingdom of God is . . . Righteousness and Peace and Joy in the Holy Ghost."

Jesus said, "These things have I spoken unto you, that My joy may be in you, and that your joy may be fulfilled."

Christ came to give us Gladness.

The only persons who ought to mourn are those who are living in sin and fighting God, and going as they please and doing as they like. They may well mourn, for they will come to a bad end.

And now we call the proud happy; yea, they that work wickedness are built up; yea, they tempt God, and are delivered. Then they that feared the Lord spake one with another: and the Lord hearkened, and heard, and a Book of Remembrance was written before Him, for them that feared the Lord, and that thought upon His Name. And they shall be Mine, saith the Lord of Hosts, in the day that I do make, even a peculiar treasure; and I will spare them, as a man spareth his own son that serveth him. Then shall ye return and discern between the righteous and the wicked, between him that serveth God and him that serveth Him not. For, behold, the Day cometh, it burneth as a furnace; and all the proud, and all that work wickedness, shall be stubble: and the day that cometh shall burn them up, saith the Lord of Hosts, that it shall leave them neither root nor branch. But unto you that fear My Name shall the Sun of Righteousness arise with healing in His wings; and ye shall go forth, and gambol as calves of the stall. And ye shall tread down the wicked; for they shall be ashes under the soles of your feet in the day that I do make, saith the Lord of Hosts.

Remember ye the law of Moses My servant, which I commanded unto him in Horeb for all Israel, even statutes and judgments. Behold, I will send you Elijah the prophet before the great and terrible day of the Lord come. And he shall turn the heart of the fathers to the children, and the heart of the children to their fathers; lest I come and smite the earth with a curse.

The General Overseer also read the following from the seventeenth chapter of the Gospel according to Matthew, tenth to thirteenth verses:

And His disciples asked Him, saying, Why then say the scribes that Elijah must first come? And He answered and said, Elijah indeed cometh, and shall restore all things: but I say unto you, that Elijah is come already, and they knew him not, but did unto him whatsoever they listed. Even so shall the Son of man also suffer of them. Then understood the disciples that He spake unto them of John the Baptist.

May God bless His Word.

Let us pray.

PRAYER BY THE GENERAL OVERSEER.

Our Father who art in the heavens, grant a blessing upon Thy work. Bless the words of Jesus which we have read, and the words of Divine Inspiration through the Prophet Malachi, who closed that sacred record of the Old Testament.

Let that wondrous prophecy come with power today.

Let the words of Jesus come with power today. (Amen.) Let us remember that the same Elijah who came was to come again and restore all things, and prepare for the coming of the King.

O God our Father, prepare the way speedily for the coming of the King. (Amen.)

Bless this assembly.

We thank Thee for the sight of so many strong, hearty, earnest workingmen this morning in this workingmen's town; men of skill who put their brains in their fingers, and think as they work.

God bless these men. (Amen.)

Bring them into the fulness of the Gospel of Jesus Christ our Lord with a true Repentance and an humble Faith, and a sincere and willing Obedience that they may receive the Holy Spirit, and be fathers, husbands, friends and good citizens who shall be a blessing to the land.

Bless us today, and bless where'er Thy people meet, O God. May they behold Thy mercy seat o'er all the earth, in every nation and o'er all the seas today as the Sabbath sun shines from shore to shore. Where'er they seek Thee, be Thou found. Let every spot of earth, and every place upon the sea, be hallowed by Thy presence today, as men seek Thee.

O God, we thank Thee that this journeying will not always be a journey, that we shall arrive home at last in that land where there is no sickness, no sin, no sorrow, no disappointment, no broken hearts and weary lives, no winter, and no night. So lead us that we shall obey Thee, serve Thee, love Thee, enjoy the fulness of Thy presence here and hereafter, be a blessing while we live, and leave a blessing when we have passed away.

Grant, O God, a blessing this day upon all who bear rule and authority; that if they are bad they may be removed, that the people may be wise and then Thou wilt give them wise rulers.

God bless Thy people in their strivings for a better life, that they may have a better life on earth, that their children may be better and wiser than they, that they may be able to fulfil the mission which Thou hast given to them in this great Nation. Help us to do our little part in this great matter.

Give us a good morning and blessing according to our necessity.

Help us, that with one heart and voice we may pray as our Lord Jesus

in the days of His flesh taught us when He said, "After this manner therefore pray ye."

The congregation joined in chanting the Lord's Prayer.

Elder Dinius then made the announcements.

THE BEGINNING OF THE GOSPEL.

After the tithes and offering had been received, the General Overseer delivered the following address:

INVOCATION.

Let the words of my mouth and the meditation of my heart be acceptable in Thy sight, be profitable unto this people, and unto all to whom these words shall come, in this and every land, in this and all the coming time. till Jesus come. Amen.

In the first chapter of the Gospel according to St. Mark you will find the words which I now read:

TEXT.

The beginning of the Gospel of Jesus Christ, the Son of God. Even as it is written in Isaiah the prophet,
Behold, I send My Messenger before Thy face,
Who shall prepare Thy Way;
The Voice of one crying in the wilderness,
Make ye ready the Way of the Lord,
Make His paths straight;
John came, who baptized in the wilderness and preached the Baptism of Repentance unto remission of sins.
And it came to pass in those days, that Jesus came from Nazareth of Galilee, and was baptized of John in the Jordan. And straightway coming up out of the water—

Not straightway after a few drops had been sprinkled upon Him. That is not Baptism, and never was.

The most stupid thing in the world is to call the sprinkling of a little water upon a baby's face, Baptism.

The word *Baptismos* (βαπτισμός) never meant anything but dipping. Anybody who says otherwise is either not a good scholar, does not understand the language in which the New Testament was written, or else he is not honest, and that is worse.

Baptidzo (βαπτίζω) means to immerse repeatedly. It is used commonly in the Greek language, among its other uses, in speaking of a woman washing pots, who keeps dipping the pot into the water, rinsing and rubbing it, until at last she has it clean. It takes more than one such dipping to cleanse a pot.

Baptism is Triune Immersion into the Name of the Father and of the Son and of the Holy Ghost.

For seven centuries there was no other Baptism acknowledged in the Christian Church as valid.

The "Apostolical Canons" threatened the excommunication of any archbishop or bishop or priest who would dare to baptize in any other way than by a Triune Immersion; that is, by three immersions, into the Name of the Father, and of the Son, and of the Holy Ghost. The Greek Orthodox Church baptizes in that way to this day.

There is no one who can question, honestly or intelligently, about the form.

The form is immersion. Christ went down into the water and came up out of the water.

—and straightway coming up out of the water, He saw the heavens rent asunder, and the Spirit as a dove descending upon Him: and a Voice came out of the heavens, Thou art My beloved Son, in Thee I am well pleased. And straightway the Spirit driveth Him forth into the wilderness. And He was in the wilderness forty days tempted of Satan; and He was with the wild beasts; and the angels ministered unto Him.

Now after that John was delivered up, Jesus came into Galilee, preaching the Gospel of God, and saying, The Time is fulfilled, and the Kingdom of God is at hand: repent ye, and believe in the Gospel.

Repentance, and Not Faith, is the Basis of a Christian Life.

Faith is impossible to the impenitent. Unless a man has truly repented and brought forth fruits meet for Repentance, he is a hypocrite if he says "I believe." No man can believe in "God the Father Almighty, Maker of Heaven and earth, and in Jesus Christ His only Son our Lord," and in the Holy Ghost, and in the fact that Christ died for his sins according to the Scripture, rose again from the dead and is the Advocate with the Father for sinful man, unless he has repented.

It is a sham, a delusion, a snare, and a lie to tell a man that all he has to do to be saved is to believe.

To say to a man, "Believe on the Lord Jesus Christ, and thou shalt be saved," is to lead him to damnation, unless the man to whom these words are said has repented.

Those words were spoken to the Philippian jailer by Paul and Silas after the Philippian jailer had repented of his sin; had been awakened to a sense of his wickedness by an earthquake. It takes an earthquake to wake up some people.

It seems to me that it would take almost an earthquake to awaken the masses in this city to believe that there is a Living God.

That drunken jailer thought that he had these apostles just where he wanted them in the inner prison.

He was going to stamp out Christianity!

He was like some people in this city who were going to stamp out Zion.

Where are they?

Many of the men are dead who fought Zion throughout a whole year of Persecution by the Municipal Authorities of Chicago, in 1895. And the Republican Party in Chicago lost power, municipally, at the next election, and has never regained it. The editors and controllers of these papers who tried to crush Zion in 1895 are all either dead or out of their editorial chairs.

Their mouths are stopped.

Six feet of earth lies above them, and into their lying mouths the earth is pushed today. The worms are digging out their eyes.

It Does Not Pay to Fight God.

These were the men who were going to crush Christianity.

"Aha!" they said, "we have Paul and Silas in the inner prison there in Philippi. We have their feet fast in the stocks. We have scourged them. Now where is their God? Where is their God?"

I hear the thick, drunken tones of that jailer at Phillipi, as he sits at the revel and drinks to the gods, and curses his Christian prisoners—

"I say, what was that? The voice of a song ringing through the prison? Who is singing?

"Go out and see who is singing in the prison.

"I never heard that song before. What is that song?

"That song is ringing through the prison. What is it?"

"He that dwelleth in the Secret Place of the Most High
Shall abide under the shadow of the Almighty.
I will say of the Lord, He is my Refuge and my Fortress;
My God, in whom I trust."

Yes, oh cruel heathen foe of God, a voice thou canst no longer refuse to hear is saying:

"What is that they are singing? They are singing the Song of Triumphant Faith that has come down through the ages, the song of Salvation and Healing and Holy Living, to the prisoners."

Then the earthquake comes, and the prison trembles.

The jailer leaps out as he sees every door open.

"I had better kill myself," he cries. He takes his sword, and the very voice which has been singing tells him not to do it: "Do thyself no harm, for we are all here."

Then he repented.

Then he fell at the feet of his prisoners.

Then he acknowledged God, who answers by His overruling Power, even when the Powers of Evil burst forth in fire and earthquake and storm; God, who defends His people, and will sweep His enemies away as chaff before the wind; God, who hears and answers prayer, and in His own time brings forth the righteousness of His true servants.

He confessed his sin. He brought them out. He washed their stripes. He set food before them, and in his own house he said, "What must I do to be saved?"

There was no use preaching Repentance to that man; because he had repented. He showed it. The next thing was Faith, and therefore they said, "Believe on the Lord Jesus, and thou shalt be saved, thou and thy house."

A Truly Saved Man Will Get His Family Saved.

He then did what a great many people do not do when they get saved: he brought in his family.

When some people get saved, they shout hallelujah and praise God, but they do not go for their wives and families and get them saved.

I do not take much stock in the salvation of a fellow whose wife and children are at home on this lovely Sabbath morning, cooking for his disgusting belly.

If any of you have your wives at home cooking a hot dinner for you, you wretches, may the Lord have mercy upon you, and make you sick when you eat it. (Laughter.)

I have kept house for thirty-three years, and I have never

ordered a hot Sunday dinner in my house. I would not allow it. My servants have as much right to their Sabbath as I have. Thank God, there are many servants from Zion Home in this meeting this morning. They are not at home, slaving over a hot dinner.

Some of you have wives at home cooking a hot dinner, and pig at that. Oh, you disgusting fellows! The unspeakable pig which God Almighty not only forbade you to eat, but to touch! You have much to repent of.

This man repented. He went and got his wife and his children. He set them before the apostles. He said, "These men have a Message from God."

They also repented and believed. They were all baptized before the morning light.

There might have been some babies there. If so, they were babies old enough to repent and believe.

The Lie of Infant Baptism.

They were much older than the little baby whom you bring to a minister or a priest. Any decent baby would do what it does. The moment it feels that water on its eyes or nose it cries.

The ridiculousness of it! The abomination of it!

What a lie to say that baby sprinkling is Baptism!

How much worse to say that the child is regenerated and its heart changed by the Ordinance!

It is a still bigger lie for a man to stand up as a godfather, and a woman as a godmother, and renounce the World, the Flesh and the Devil on behalf of this child. The World, the Flesh and the Devil are in full possession of them, oftentimes as you can tell by smelling their breath; especially the godfather's. It stinks, in tens of thousands of cases, the dirty stinkpot!

The Vile Filthiness of the Tobacco Habit.

He just put down a cigar, or threw away a quid, to say the words of the ceremony.

The dirty dog goes up and down this earth (laughter) chewing tobacco and squirting it out. Then the sun dries it, and the air takes it up, and we have to breathe your dirty tobacco and catarrh, you dirty dogs!

Be clean!

It is a dirty, filthy, vile habit. You are chewing a deadly narcotic poison, and you are smoking poison.

You will get amaurosis, and paralysis, and dyspepsia, and ulceration of the stomach and bowels, and cancer. You deserve it all, you dogs! (Laughter.)

The only trouble about it is that your wives and families have to suffer for it.

Now you quit! Do you hear? You quit, and quit quick, at once.

God's command is, "Abstain from every form of evil!"

The next time you take a smoke, may you be sick over it.

May the next quid of tobacco taste like soapsuds, or worse. (Laughter.)

You dirty dogs! (Laughter.)

You call yourselves Christians, do you? Do you ever imagine a Christian could come and put down his pipe and his tobacco, and kneel here and ask God to bless him? "O God, bless me in chewing this plug. (Laughter.) O God, bless me in smoking this 'Cavendish.' Help me to spit and spew it out everywhere like a dirty buzzard (laughter), for Thy glory. Help me to smoke for Thy glory. And, as it is a good thing, help my wife to chew and smoke for Thy glory. (Laughter.) Help my children to do it. Let the baby learn to chew as soon as it can suck."

You Do Not Want Your Families to Chew and Smoke.

You dirty dogs! You do not pray that prayer. You do not want your wives to smoke. You do not want them to drink. You do not want them to chew.

Why not? If it is good for you, you gander, is it not good for the goose? (Laughter.)

You do not often catch it like this, you dirty dogs. (Laughter.)

You sweat it out at night until your body has sweat out the deadly poison of the nicotine drug. You infect your wives with that poison by inhalation, and also by absorption through the skin, until they are poisoned literally to death with the dirty, nasty, filthy odors and sweats which come from your dirty, nicotinized and demoralized body.

You do not know how your wives, who once loved, now loathe you.

You promised to love them. Is that loving them, to stink them out of their lives?

You promised to love them. Is that loving them, to get drunk?

There is not a real good Christian woman in this house who is not on my side. Are you not, women?

Women—"Yes."

General Overseer—You hear that, you dogs. (Applause. Laughter.)

I am in earnest about this thing.

Lives are being made miserable by this filthy nicotine habit.

You do not know how your wives are disgusted with your filthiness. You wonder why your wife does not kiss you as she used to when you kept your mouth clean before you married her. Who would kiss you now, you stinkpot? (Laughter.)

Who wants to kiss your dirty mouth? Your throat is like an open sepulcher. Ugh, you dirty dog, how you stink! (Laughter.)

No man has a right to be a walking nuisance like that.

When you go out in the morning, do you know what happens? Your wife goes to the window, flings it up and says, "Thank God, the fellow is gone. We can have some fresh air now." (Laughter.) That is a fact.

You have to repent! Do you hear?

Repentance Means Giving Up Your Disgusting Habits.

It means giving up your filthiness, learning to be clean, keeping your vows to God and to your wives, making your homes sweet and your lives happy.

By the way, there are some of you women who are not angels in this matter. (Laughter.) I hear there are some women who snuff. Oh, you dirty creatures! (Laughter.)

You are a dirty woman if you snuff. There are not many who do, but now and then I find one. I may just as well let you know that all women are not angels. But men are worse.

You men are smoking and chewing six hundred million dollars' worth of God Almighty's money every year in the United States of America alone. You are giving to your sons and daughters shattered constitutions in every nerve.

They are crying out against you, because you have given them a wretched constitution full of nicotine poison.

God help you. My brothers, God help you, every one of you, to be clean. (Amen.)

Repent! Do the right thing.

Quit your meanness, your bad habits, and ask God to forgive you of all your other sins.

You have told many lies to your wives. Confess them all.

What liars many of you men are!

The Lies and Sins Fostered by the Secret Lodge.

You told your wife when you married her that her society would be the joy of your life, and now, you scoundrel, you belong to every society in town except the Home Society.

You lodge everywhere. You lodge with the Red Men, and you lodge with the Elks and the Buffalos. (Laughter.) You lodge with the Mah-hah-bones, the Freemasons. You lodge everywhere except at home.

You only come home to say to your wife, "Hurry up with supper and give me my apron." It would be a good thing if you went out to do honest work with your apron, rather than to get drunk, and eat and spew, and go into lodges where you have the goat prancing around.

What right have you to go to Secret Lodges and call yourselves Christians? Did not Jesus Christ say, "In secret have I said nothing"? What do you need of a Secret Society?

Walk in the light.

Take care of your wives and families.

Save your money.

Do right in God's sight, and leave the saloon alone; because it is very close to the lodge-room.

Leave the lodge-room alone, for on one side of it often is a saloon, and on the other side the house of her whose house is the gate of hell.

Take care! I warn you in God's Name to take care! You are digging the grave of this Nation with the wine-cup, with the beer-cup, with the tobacco and with the lodge.

Be clean! Repent and do right before God.

There is no mistake about that being sound Gospel. Every last man here knows it.

Repentance is the first thing. Do right.

Faith is the next thing. "Believe in the Lord Jesus, and thou shalt be saved."

With a penitent heart come to your God, but do not forget to go to your wife and those whom you have wronged, and confess your sins one to another. Then pray one for another, and you will be blessed.

Confess to God. Then trust Him. Trust your God.

God Loves You.

I wonder that He does love such a dirty lot as we, by nature, are.

What a miserable dirty set of people we are! To think that we should be so full of uncleanness by nature, when we know what God is by grace!

But He loves us: for below all our uncleanness there is a spirit that came from Him. He put it there. It is an undying spirit. The Lord Jesus Christ came to save the spirits, the souls and the bodies of men. Let Him do it.

How will He do it?

He will do it by a belief that means something. An abstract belief, a confession of faith, is nothing unless it takes practical realization.

If you believe in God, you will do what God tells you.

If you believe in Jesus Christ, you will do what Jesus Christ tells you. If you do not obey, you will have no right to say that you believe at all. You have no right then to say, "I believe on the Lord Jesus Christ," or in the Holy Spirit, or in the forgiveness of sins. Your sins are not forgiven when they are resting upon you with all their weight. You must get them forgiven before you can say truly, "I believe in the forgiveness of sins."

I call you to believe to the saving of your spirits, to the saving of your souls, to the saving of your bodies: for when Christ came to this earth, He taught men that He had come to save them to the uttermost.

Jesus said:

The Spirit of Jehovah is upon Me;
Because He anointed Me to preach good tidings to the poor.
He hath sent Me to proclaim release to the captives,
And recovering of sight to the blind,
To set at liberty them that are bruised,
To proclaim the Acceptable Year of the Lord.

This is Still the Acceptable Year of the Lord.

Jesus did not read the next words, when He read those I have quoted, in the synagogue of Nazareth. The next words are:

And the Day of Vengeance of our God.

That day has not come. But it is coming. Beware!

Thank God, my brothers and my sisters, that we are in the Acceptable Year of the Lord, and that "faithful is the saying, and worthy of all acceptation, that Christ Jesus came into the world," as the Apostle Paul said, "to save sinners; of whom I am chief."

That greatest of all the Apostles confessed his sin as the chief of sinners, and God blessed him.

When a man says, "I have no sin to confess," then either that man is a liar, or God is a liar; for God hath said that "all have sinned, and fall short of the glory of God."

Confess your sins! Forsake your sins, and turn unto your God.

For, behold, the Day cometh, it burneth as a furnace; and all the proud, and all that work wickedness, shall be stubble: and the day that cometh shall burn them up, saith the Lord of Hosts, that it shall leave them neither root nor branch.

The Earth to be Destroyed by Fire.

The astronomer tells you what the prophet tells you, that the day will come when this earth, which was once destroyed by water, shall be destroyed by fire.

A very small change in the chemical proportions of the water and of the air would make them fiercely combustible.

Lake Michigan will on that day be a rolling Lake of Fire. The mighty oceans will be rolling Oceans of Fire. The elements shall be dissolved.

Then every man shall stand a naked spirit beto. God, on that day when the heavens and the earth shall pass away.

May you so live that you will stand before God, and hear the Great Judge of all, the Saviour whose Gospel I preach, tell you that your name is written in heaven, and that you are His.

Then there will come a new heaven, and a new earth.

This earth will pass through the cleansing fires. No one will be able to say which was their corner lot, nor will they want to; for it will be "a new heaven, and a new earth, wherein dwelleth righteousness."

In that great Day the poor will not be differentiated from the rich, or rather if there is more wealth or power in one, it will mean more love for the other.

The strong will help the weak. The archangel will be the servant of the weakest as Christ Himself has said, "He that is greatest among you shall be your servant."

This Gospel is an Everlasting Gospel.

Whatever else may perish, this will not perish.

The Love of God is From Everlasting to Everlasting.

His love will never change. God our Father will seek these spirits of ours until He finds them by His Son and until He brings them back.

You cannot flee from God. Why do you desire to? Seek God. Seek Him now.

Every one in this room who wants to be right with God, and seek God with all his heart, stand and tell Him so.

Every one who wants God's blessing upon him, stand and ask God for that blessing. (The greater portion of the audience arose.)

Pray with me.

PRAYER OF CONSECRATION.

My God and Father, in Jesus' Name I come to Thee. Take me as I am. Make me what I ought to be, in spirit, in soul, in body. Give me power to do right, no matter what it costs. Give me Thy Holy Spirit that I may repent, and restore to my fellowman, and do right in Thy sight. For Jesus' sake, "the Lamb of God who taketh away the sin of the world," take away my sin. Give me Thy Spirit, that I may be clean in spirit, soul and body, for Jesus' sake. (Amen.) (All repeat the prayer, clause by clause, after the General Overseer.

Did you mean it?

Audience—"Yes."

General Overseer—Then live it. God will give you all you ask Him. He is our Father, and He loves us.

After the Doxology had been sung, the service was closed by the General Overseer pronouncing the

BENEDICTION.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who will also do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere forever. Amen.

AFTERNOON SERVICE.

Central Zion Tabernacle was crowded on Lord's Day afternoon, March 31, 1901.

The end of the storm and the coming of the bright sunshine had made traveling pleasant, and thousands had embraced the opportunity to hear the General Overseer.

God blessed the stirring Message which He had given to His fearless Messenger.

The blessings which God had promised to those who should Wash the Robes of their Spirits, namely, their souls and their bodies, formed the theme for the discourse.

The services began with the impressive scene of the Processional of Zion's White-robed Choir of over 200 voices and scores of the resident officers of the Christian Catholic Church in Zion.

It was an act of solemn, reverent worship. The audience sat with hearts lifted to God as the joyous song rang out:

Go Forward, Christian soldier,
Beneath His banner true;
The Lord Himself, thy Leader
Shall all thy foes subdue.
His love fortells thy trials;
He knows thine hourly need;
He can with bread of heaven
Thy fainting spirit feed.

Go Forward, Christian soldier,
Fear not the secret foe;
Far more o'er thee are watching
Than human eyes can know.
Trust only Christ, thy Captain;
Cease not to watch and pray;
Heed not the treacherous voices
That lure thy soul astray.

Go Forward, Christian soldier,
Nor dream of peaceful rest,
Till Satan's host is vanquished
And heav'n is all possessed;
Till Christ Himself shall call thee
To lay thine armor by,
And wear in endless glory
The crown of victory.

Go Forward, Christian soldier,
Fear not the gath'ring night;
The Lord has been thy shelter;
The Lord will be thy light.
When morn His face revealeth,
Thy dangers all are past:
Oh, pray that faith and virtue
May keep thee to the last.

Central Zion Tabernacle, Lord's Day Afternoon, March 31, 1901.

The services were opened by singing Hymn Number 63:

"For God so loved!" Oh wondrous theme!
Oh, wondrous key to wondrous scheme!
A Saviour sent to sinful men—
Glory to God the Father!

CHORUS—Glory to God, the Father!
Glory to God, the Father!
Glory, glory,
Glory to God, the Father!

The Apostles' Creed was then repeated by the General Overseer and congregation.

Scripture Reading and Exposition.

The General Overseer then read from the Inspired Word of God in the book of the Prophet Ezekiel, the forty-seventh chapter; also the last book of the Bible, the Revelation of Jesus Christ which God gave to His servant John, the twenty-second chapter:

And he shewed me a River of Water of Life, bright as crystal, proceeding out of the throne of God and of the Lamb, in the midst of the street thereof. And on this side of the river and on that was the Tree of Life, bearing twelve manner of fruits, yielding its fruit every month: and the Leaves of the Tree were for the Healing of the Nations. And there shall be no curse any more: and the Throne of God and of the Lamb shall be therein: and His servants shall do Him service; and they shall see His face; and His Name shall be on their foreheads. And there shall be night no more; and they need no light of lamp, neither light of sun; for the Lord God shall give them light: and they shall reign for ever and ever.

And he said unto me, These words are faithful and true: and the Lord, the God of the spirits of the prophets, sent His angel to shew unto His servants the things which must shortly come to pass. And behold, I come quickly. Blessed is he that keepeth the words of the prophecy of this Book.

And I John am he that heard and saw these things. And when I heard and saw, I fell down to worship before the feet of the angel which shewed me these things. And he saith unto me, See thou do it not: I am a fellow-servant with thee and with thy brethren the prophets, and with them which keep the words of this Book: worship God.

And he saith unto me, Seal not up the words of the prophecy of this Book; for the time is at hand. He that is unrighteous, let him do unrighteousness still: and he that is filthy, let him be made filthy still: and he that is righteous, let him do righteousness still: and he that is holy, let him be made holy still. Behold, I come quickly; and My reward is with Me, to render to each man according as his work is. I am the Alpha and the Omega, the first and the last, the beginning and the end. Blessed are they that Wash their Robes, that they may have the right to come to the Tree of Life, and may enter in by the Gates into the City. Without are the dogs the sorcerers,—

Sorcerers is just the word that you see over every drug store, pharmacists. The Greek word is *pharmakoi* (φαρμακοί).

- and the fornicators, and the murderers, and the idolaters, and every one that loveth and maketh a lie.

I Jesus have sent Mine angel to testify unto you these things for the churches. I am the Root and the Offspring of David, the bright, the Morning Star.

And the Spirit and the bride say, Come. And he that heareth, let him say, Come. And he that is athirst, let him come: he that will, let him take the Water of Life freely.

I testify unto every man that heareth the words of the prophecy of this Book, If any man shall add unto them, God shall add unto him the plagues which are written in this Book: and if any man shall take away from the words of the Book of this prophecy, God shall take away his part from the Tree of Life, and out of the Holy City, which are written in this Book.

He which testifieth these things saith, Yea: I come quickly. Amen: come, Lord Jesus.

The grace of the Lord Jesus be with the saints. Amen.

Prayer was offered by Elder McClurkin; also by the General Overseer.

The announcements were then made by Overseer Speicher.

The General Overseer then said:

Before the offering I desire to say a few words. My Editorial Notes in yesterday's issue of LEAVES OF HEALING have the important announcement that

A Very Large Section of Zion City Will be Opened for Selection on Monday, July 15th.

Plats of this will long before that time be put into the hands of all who desire them.

In connection with this, I desire to say what is most encouraging, that, so far as we can estimate, Six Thousand Applications for Lots have been received. We know that from the fact that shareholders desiring land for purchase, have taken hundreds of thousands of dollars' worth of stock, and have intimated to the Association that they desire to avail themselves of their right of choice of lots which we still give to our shareholders.

A large portion has already been paid on these lots, yet all this has been done before a single lot was really surveyed.

That is a very remarkable thing. I do not think it has ever occurred before in real estate transactions. People have put money into our Zion Land and Investment Association stock even before we have had the title to the possession of the land.

The land is thrown open a little earlier than we expected, perhaps.

I would like to have laid out all our main boulevards and main avenues and some of our principal streets, and to have made them strong enough for heavy traffic, before putting any land on the market. But the cry from all parts of the United States and Canada, Germany and England is, "Do not wait any longer, General Overseer. Let us go on the land this year. We are aching to come."

Many have sold their farms and their business enterprises and are ready now to come to make their investments, and many have taken houses near Zion City and others are living in Chicago.

This is the cry which has reached me for months, through Zion City Bank and Zion Land and Investment Association. At last I have yielded, a little prematurely almost, as I think, to the plan. I hope, nevertheless, to be able to get some of our streets graded before wet weather comes in the fall, so that the building operations will not be impeded.

At Least Four Million Dollars Will be Invested in Zion City This Year.

I know not how many will build; but from statements made to me, it seems that at least 2000—some say at least 5000—will build this year.

If 2000 persons build, they will invest, probably, an average of $2,000 each in lands and buildings. That is a low estimate.

That amounts to, at the least calculation, Four Millions of Dollars which will be laid down in Zion City this year.

What does that mean to you, my brothers and my sisters who buy land?

It means that the land is enriched by $4,000,000 worth of property upon it.

If 5000 persons should build, which is not an impossibility, there would be Ten Millions of Dollars invested and placed upon Zion City land.

How that will increase the value of the land!

We do not intend to give the land away. We will get as much out of this land for Zion as we can, and yet dispose of it at a price which is sure to advance steadily to very high figures, year by year.

How the Revenues From Zion City Will be Used.

The object of this City is not only to settle our people upon the land, but by our combined Industries, and by adding to the value of the land and labors of our people, to produce large funds for the building of schools and colleges; for the building of orphanages and old people's homes; for the building of

libraries, and for the building of Zion Temple to seat many thousands.

I said first that Zion Temple would seat 20,000. I have gone up to 25,000, and I am really seriously considering whether I ought not to make it 30,000. If the City grows as rapidly as it certainly promises to, then Zion Temple ought to be able to seat as many as we can make hear our Voice. We want, also, money to mission these large cities: Chicago, St. Louis, Philadelphia, New York, London, Paris, Berlin, St. Petersburg, Vienna, Stockholm, Rome, Cairo, Bombay, Pekin, Yokohama, and many other great cities. We want funds for Zion Printing and Publishing House. We want funds for Messengers to be sent to China, Japan, India, Africa, and the Islands of the Sea.

Zion Messengers have begun to be sent out and their missions are beginning to cost a great deal; for, although we cannot tell you all of the story, the work is constantly going on in distant continents: in Japan, in China, in Australia, and in all parts of the world.

If we charge a fair price for the land, we are even then giving you a great bargain, because we will put back upon the land a great part of what we get out of it, and, eventually, a great deal more than we received for it. This is utterly unlike other real estate dealers, who take out all they can, and put back into city sites only what they must. Not only will the people build houses, but it is my policy to put back on the land the millions which God will give us. That will, in its turn, increase the value of your possessions.

I want God's people under my overseership to be healthy, to be happy and to be wealthy.

Poverty is a curse. It is written that our Lord Jesus Christ, "though He was rich, yet for your sakes He became poor, that ye through His poverty might become rich."

Jesus Came to Make His People Rich.

If you say that is only in the life to come, then you forget the Lord Jesus Christ said, "There is no man that hath left house, or brethren, or sisters, or mother, or father, or children, or lands, for My sake and the Gospel's sake, but he shall receive a hundredfold NOW IN THIS TIME, houses, and brethren, and sisters, and mothers, and children, and lands, with persecutions; and in the world to come Eternal life."

I made that my plea before God when I started this matter. I said, "I have left mother, father, friends, business, given You my life, and I have had the persecutions; now, Lord, I present my little bill. I want a hundredfold more." (Laughter.)

I got it. I am getting it, and I believe I shall have a thousandfold more.

I do not want it but to do good with it. I have always done that with every talent which God has given me. I can say that honestly.

Anybody who says the opposite is a liar and a wicked falsifier. I have used every talent for God all my life to the extent of my power, except the unavoidable mistakes which all men make even when they do their best.

I have given more than money. I have given that which money cannot buy. I have given life, and I give it still.

I care nothing for what the World or the Flesh or the Devil, or the papers or the parsons say. God has vindicated me, and those who are criticising Zion today and saying that Zion has become rich are the very people who sneered at Zion when they thought she was poor.

It does not matter whether they sneer at our poverty or cavil at our wealth, Zion goes on, and Zion will win. Zion has won.

Those Who Have Money to Invest Should Invest It at Once.

I feel happy about this announcement. You had better get in quickly.

If I were you, I would. If I were an investor, I would not know a better place to invest my money. Indeed, it is a fact that I put all that I can control into Zion City land, sure that there is no better investment in the world; for God is with us.

The public believe that, too. The sneers which met us a year ago, the contemptuous prophesies that the whole thing would fizzle out, and that we could never accomplish the purchase of so large an area of land, have all passed.

What have they to say, now that I shall have the absolute title to nearly five square miles of that site by the first of June?

I hold, in behalf of Zion, the title to the lake shore for two and one-half miles, and right back for four miles. I have all the best of that land in my hands and under title. I have paid a large part of the purchase price on the remainder of it, and am in a position to take it under title whenever I require it.

No one can take it out of my hands. The foes who lied about us and endeavored to make the people think that their investments were in hands which would never be able to carry the project through, are silent now.

It is a simple fact that scarcely a day passes over my head but I have to say, "No; not now at any rate," to men who are offering to lend Zion millions of dollars upon my bonds.

The enemy is put to rout in every way, and still they growl. Now it is a low whine, which you can hear only now and then.

God is Good to Us, and I Rejoice in This Announcement.

Zion Lace Industries are good, but do not let anybody run off with the thought they will be our only Industries. There is more than Zion Lace Industries. I have already begun Zion City General Stores and Zion Lumber Association in Zion City. We shall not fail to establish every industry, in its turn, that can be made usetul to Zion, and we are planning for many.

Pray that the God of all grace who gave us this land, and from whom it shall never be alienated, will give us the grace and wisdom to carry it through.

I will never sell an inch of the land. The Word of God makes that plain. "The land is Mine," God says, "forever."

We asked God to give us the site of Zion City.

God has answered in the face of all the nations.

We, therefore, hold this land on the same tenure that Israel held the land of Canaan (Leviticus 25:23, 24).

There God said:

> And the land shall not be sold in perpetuity;
> For the land is Mine:
> For ye are strangers and sojourners with Me.
> And in all the land of your possession
> Ye shall grant a Redemption for the land.

I shall lease it. I am not quite sure just how many years, but probably for 1100 or 1200 years. I may lease it for 3000 years.

The Tenure of the Land Will Depend Upon the Keeping of the Covenants of the Leases.

You will not be able to do with that land anything that you covenant not to do in the lease. Any one who wants to build a whisky shop or a pharmacist's joint upon it will find that every bone in his commercial body will be broken. (Laughter and applause.) Zion will simply step in and say, "You only obtained a lease on condition that neither pig, nor pill, nor tobacco, nor alcoholic liquors, nor theatrical performances, nor any other vile thing should be tolerated upon the land."

If you violate the covenant in your lease, Zion will say, "We terminate your lease. Here is the valuation of your property—get, *get*, GET! Quickly, too."

They will have to get out. You may depend upon it. We will allow no man to say he can do what he likes with it; for it is God's from the surface to the center of the earth. It is Zion's only because it is God's forever.

We only lease it to you. We give you a long lease, which will endure for your children and your children's children for a hundred generations, perhaps, if the world should last that long. You will never be able to break that lease, however, without being turned out of Zion.

You desire that these conditions be made, do you not?

Voices—"Yes."

General Overseer—They will be made whether you want them or not. (Laughter.) But I greatly value your hearty assent and devoted coöperation in helping me to carry out God's purposes.

Those Who Want to be Filthy Need Not Come to Zion City.

No stinkpot need apply (laughter), if he wants to make a stinkpot manufactory.

No maker of liquid fire and distilled damnation need apply, if he wants to make his accursed liquor there.

No druggist need apply, for we will take none of his hellish poisons, and we will not let him sell one single drop of it.

If we need any alcohol or any other poison in the manufactures or arts, they will be sold as any deadly poison would be, under severe restrictions, and used only for external application. We would soon be able to find out if a fellow had been taking it inside, because even now, in any of our Zion homes, you can always tell when a stinkpot has been there by the smell he leaves behind him. (Laughter.)

Pray for us.

O that God would put upon this land thousands and tens of thousands of men and women whose children shall be educated in Zion schools and colleges, and eventually in Zion University, where they shall get an education of which God is the Alpha and the Omega; in a City where God is owned in every part of it; whose government is such as God can approve.

May God grant it.

Audience—"Amen."

General Overseer—Thank you for your confidence.

This involves an immense amount of work.

Pray for my officers, noble and good men. Pray that every man will do what he is told.

There are, however, some men who come into Zion and say, "I will go where You want me to go, dear Lord, but You must send me where I like to go." (Laughter.) They say, "I will do what You want me to do, but then, Lord, I will do it in my own way, and Dr. Dowie must not interfere with me."

No Man Can Run Zion. Zion is Ruled by God.

If any man thinks he can run Zion without me, he is mistaken. (Laughter.) If any man thinks that he can run me, he is mistaken.

My hand is gentle, but if any man wants to run me, he will find that it is as firm as steel.

I give that notice to some who may think that they can run Zion, or any department in Zion, just as they want it to be. I know what the result will be if any man tries to run Zion. He will be run out. I say that frankly. You have plenty of room in Zion to do right, but you have no right to control.

God gave me the control. This people gave me the control, did you not?

Voices—"Yes."

General Overseer—You will stand by me, will you not?

Voices—"Yes."

General Overseer—There shall be no elections in Zion or in Zion City. I will not have Peter Jones running against George Smith and ripping up his back at the election of the Sixteenth Ward.

There Will be No Municipal Elections in Zion City.

Zion City can be ruled in your interests and God's without voting at all. The capital city of the United States of America—the City of Washington, and indeed the whole District of Columbia, is so ruled. There is not a single vote cast by any taxpayer or citizen there, and that district and city are better managed and kept than any other city in this country.

Has the Christian Catholic Church in Zion been ruled by votes?

Voices—"No."

General Overseer—I do not know where any have been taken. I have never taken any. You have been kind and true to me, and you have prospered, and Zion has been established under my personal control, as God's Servant, from the beginning.

May God help us. May He establish His own government in Zion (Amen): a Rule of Love, but a Rule of Omnipotent Power.

I say this, because there are some people who think that they can do what they like because they have eighteen pence more than other people. There is no man indispensable in Zion, not even myself.

When I think that I am indispensable, God will do without me; and it will be time, too.

If any other man thinks that he is indispensable, we will do without him very quickly. When you have a servant who thinks he is the hub of the wheel, and that it cannot be run without him, then it is time to get rid of that servant.

I say this frankly.

Do not let any one come into Zion with the thought that he can alter the Theocratic policy upon which Zion has been founded.

God shall rule, and He shall rule in the way He has been ruling.

This is a plain intimation to any before they take a single lot in Zion. If you cannot stand the rule of God, then you had better go to Waukegan, where I guess the Devil rules, judging by the number of saloons, and other kindred shops of the Devil, which are found there, although there are many good, honorable and upright men and women there. Waukegan is neither worse nor better than other cities of its size and kind; but I would cut off my right hand sooner than sign a license to sell liquid fire and distilled damnation.

Zion City Will be Built and Conducted by and for God.

I am determined that we shall keep ten square miles of God's green earth for God, and two and one-half miles of lake front for God. I think we can do it by law. We will trust in the Lord, and we will do it. (Amen.)

I do not believe in the "try-to-do-it" business.

I love this people. They love me.

The snows of winter are beginning to gather on my brow. I do not know how many years I may have, but every year I have shall be given to God, in the Extension of His Kingdom, for which purpose we formed the Christian Catholic Church in Zion.

I long to see Zion City established, and the Dome of Zion Temple rising higher than any dome in Chicago, sending out its light by day and by night across the waters of Lake Michigan.

May God grant it. (Amen.)

Zion's Far-Reaching Light.

May Zion's be a light which shall go across the Continents and the islands, and shall be an inspiration to multitudes.

Oh may we live to see a Zion City near Philadelphia, Zion City near Boston, Zion City near London, Zion City near Constantinople, Zion Cities by the side of all great cities; that we may take some part in the restoration of beautiful Jerusalem, the Zion City of the Great King. (Amen.)

God help us.

We will go ahead on the lines upon which we started.

When I find any man wanting to tamper with these lines, I am steel: a steel that can bend, but it will not break, God helping it. Do not make any attempt now.

There has been an attempt made this last week. I put my foot upon it at once. I will pay out every man who wants to interfere with the government of God in Zion. (Amen.)

I say this because I love this people. I have given my life for this work, and I desire to lay the foundation so strong that no successor of mine at any future day shall say, "The first General Overseer of this Church allowed something to be done that has caused a Calamity."

The stones of the City of God are flashing jewels, but they are stones. That city is 1500 miles four square, and these stones, albeit that they are jewels, as beautiful as heaven itself, are hard as adamant.

If any of you think that you have to deal with a weak man, you had better stop right now, because you have not. God has given to me a Divine strength for this work, and I think I have more of that within me now than I ever had in all my life. I am glad of it.

I say this, because, as the time approaches, the enemy tries in various ways to get in somewhere and make us alter our policy.

Zion Will Never Alter Her Policy.

Insidious attempts have been made to get me to alter the Agreements. A man proposed to give me a large sum of money upon his investments if I would alter the Agreement to suit him. I will do no such thing. There is not enough money in the treasury at Washington, although there are $525,000,000 of gold there, to tempt me to alter the Agreement.

The Agreement which is made with the poor man will be the same as that made with the rich. (Applause.)

I will not make one Agreement in the light and another in the darkness.

I will not put one branch of my work in one position and another in another. Every branch of it shall be in the same position, without any distinction.

I will have no favorites in this work. I will administer Zion without fear, without favor, and I hope with perfect love.

Pray for all the officers connected with all the Branches of the Church, with all the Educational Institutions, and with all Zion's Financial Institutions and Industries.

May God grant that some of you who do not understand everything, will go on like good soldiers, even when you do not understand. Was it possible for Grant to explain to every private soldier in his army his plan?

Voices—"No."

General Overseer—Would it have been wise?

Voices—"No."

General Overseer—Can you trust me?

Voices—"Yes."

General Overseer—All right. It will not make any difference if you do not, we will go on. (Laughter.) I thank you that you do trust me, however, and your loyalty is a constant inspiration to serve you as God's Messenger should: for the proudest title in the world does not compare with this title—"A Servant of God and of His Servants." I want to prove my claim to this title above all other titles.

I want Zion City to be a success from the very start. I intend to do all I can to make it so, lovingly, wisely. I will be tender and considerate to the fullest extent of my power with all who do right; but I have no tenderness at all for those who want to do their own will, and who foolishly threaten to withdraw from Zion if they don't get it.

"I will go where I want to go, dear Lord," they sing.

"I will be what I want to be."

"I will say what I want to say."

Then such a person will have to go to the Apostate Denominations. He cannot do that in Zion.

The tithes and offering were then received.

"BLESSED ARE THEY THAT WASH THEIR ROBES."

INVOCATION.

Let the words of my mouth and the meditation of my heart be acceptable in Thy sight, be profitable unto this people, and unto all to whom these words shall come, in this and all the coming time, in this and every land, till Jesus come. (Amen.)

TEXT.

Blessed are they that Wash their Robes, that they may have the Right to come to the Tree of Life, and may enter in by the Gates into the City.—Revelation 22:14.

The old rendering is, "Blessed are they that do His commandments."

The revised reading is as I have spoken it, "Blessed are they that Wash their Robes, that they may have the Right to come to the Tree of Life, and may enter in by the Gates into the City."

Wonderful Blessings for Those Who Obey God.

The blessings which God has given to those who obey Him are without number.

To the poor in spirit, He gives the Kingdom of Heaven.

To those who hunger and thirst after righteousness, He gives the Divine fulness.

To those who are merciful, He gives the glorious title that they are the children of their Father in Heaven, who is kind unto the unthankful and to the evil, and He says they shall obtain mercy.

He says that the mourner who mourns for sin, and over the sins of the world, shall be comforted.

He says the meek shall inherit the earth. Moses was the strongest and meekest man in all the earth. The word meek is not spelled w-e-a-k.

There are some people who think that meekness means weakness.

Moses was a meek man, but he marched up the steps of Pharaoh's throne and demanded that the Crowned Heathen Oppressor should let God's people go.

Weakness and Meekness Never Existed in the Same Character.

A man to be Divinely meek must be Divinely strong. A weak man is never meek. A weak man is always a coward, vain, foolish, not meek at all, but boastful, and full of insufferable self-conceit.

"Blessed are the meek: for they shall inherit the earth."

He tells us that there are blessings for those who are persecuted, "for theirs is the Kingdom of Heaven." He gives blessings to those whom men revile, persecute, and say all manner of evil against falsely; for great is their Reward in Heaven. No other Rewards are eternal.

It seems to me that the most blessed of all the beatitudes is given to the pure in heart; for He said, "Blessed are the Pure in Heart: for they shall see God."

Here is another Blessing at the very end of the Book, at the very end of all the Blessing, spoken from Heaven itself for us upon whom the ends of the earth have come:

Blessed are they that Wash their Robes, that they may have the Right to come to the Tree of Life, and may enter in through the Gates into the City.

Soul and Body the Robes of the Spirit.

This spirit, the wonderful spirit which God puts within us, is robed in two beautiful and wonderful garbs.

One is bright red. What is redder than blood? There is nothing; it is the warm and brilliant red of the soul.

The other in us of the Caucasian race has an outer skin of whiteness. It is the Body of Flesh, the second and outside Robe of the spirit, whatever the color of the skin may be.

God has given to all mankind the same soul, the same blood; made of one blood all men, made of one flesh all men. If there is anything that my spirit hates, it is the accursed abomination which makes race hatred, because of diabolical pride of race distinction.

I know no race distinction. The Lord Jesus Christ tasted death for every man. He said, "One is your Master, even the Christ; and all ye are Brethren."

I see no wrong in the mixing of the races. God has "made of One Blood every Nation of Men to dwell on all the Face of the Earth."

This was the inspired declaration of Paul, an apostle of our Lord, on Mars' Hill at Athens, about eighteen and a half centuries ago.

It is just as true today.

The man who protests against the Chinaman because he is yellow, and the African because he is black, has a yellow stripe in his spirit and a great black spot on his heart.

This spirit of ours has two garments, the garment of blood-red soul, and the garment of the body. The man who hates a negro because he is a negro, because the skin which covers him is black, and who refuses to eat with a man because of his color, is a cur and a coward and a wicked man, and neither a Christian nor a good citizen.

Lynching a Horrible Crime Against the Victim, the Law and Against God.

I hate to see what I see in this country.

If I were President of the United States for the twenty-four hours, when the next lynching takes place in the South, I would put a cordon around that district.

I would hang a hundred of them, if hanging is a good thing.

I would shoot a hundred of them, if shooting is a good thing.

If blood for blood is to be the law, then the officer at the head of this government should take the blood of the lyncher; because he is the most horrible of all criminals. He slays the law itself. He strikes a deadly blow at the government of the Nation; yea, at the existence of the Nation itself.

A nation which tolerates murderous lynching is fast proving that it has no right to national recognition amongst the nations of the world.

It is time that it were controlled by a law-abiding power: for its existence is a menace to civilization.

Why do not this people see it? I care not what the crime is, this government is strong enough to punish the criminal to the full extent of the law.

Worthy of cannibals are the horrible things which we hear are carried on in the South, and sometimes in the North.

One would think that no rape was ever committed by a white man, from what you see and hear.

If every man who has defiled his neighbor's wife or daughter who wears a white skin were to be lynched, I wonder how many would be lynched before midnight in Chicago?

If it is right to lynch a black man who commits some unspeakable crime, why do they not set to work to lynch the white man?

You Southerners, either in Chicago or in the South, hear a Voice today telling you that God will require this blood at your hands.

As sure as you live, these eight million negroes will one day burst loose. If it is to be blood for blood, then woe to you in the Black Belt!

Have a care!

You Southerners, with your rebellious pride still left, you who lynch the poor negro, why do you not execrate the memory of your fathers for the similar crimes they committed upon their own slaves?

The Negroes Have Suffered Violation of Their Wives and Daughters by Their White Masters.

The South has tens of thousands of mulattoes. Where did they come from? They came from your fathers' lust.

There is one Voice that will speak, if all others are silent. (Applause.)

When the time comes, we will do more than speak: for we shall hope to be powerful enough to demand, and to obtain, Justice for the American-African at Washington.

God will judge you, you whited sepulchers who strain at a gnat and swallow a camel.

He will judge you who murder, burn, destroy, and tear to pieces the dead flesh of the wretched, uneducated and illiterate negro, whose brutal condition is the consequence of your fathers' crime.

Many of these mulattoes have your fathers' blood in their veins. They are your own brothers and your own sisters. You are murdering your own flesh and blood!

If I were a negro today, I would make you pay for the lynchings. I would lead my people in such a manner as would put the meshes of the law around you, and the hangman's rope around your neck, and make the counties, cities and States pay heavy damages to the families of the victims, or else deprive such communities of their privileges as citizens until they did pay such damages.

Have a care, you men at Washington who are afraid to execute the law!

"Righteousness exalteth a nation," but partiality and sin in the administration of the law "is a reproach to any people."

I have been told that I have lost friends in the South because of what I have said in the North.

I never had them as my friends. They were never worthy of my friendship. I repudiate the friendship of any man or woman who encourages murder. Such persons are neither Christians nor good citizens.

If they wish to get my friendship at the price of silence concerning their crimes, they will never get it!

The Christianization and Education of the Negro the Solution of the Problem.

I hate this wickedness. I hate the crimes of these poor illiterate negroes, committed under the influence, usually, of the damning drink which you sell them for revenue. They commit these crimes, also, under the influence of the ignorance in which you have kept them for your own evil purposes that they should not exercise the franchise.

You want to keep them in ignorance. You want to keep them poor. You want to keep them drunken and illiterate. You are creating a Frankenstein, a monster who will turn upon you and rend you.

May God forbid that crime should be added to crime.

I would God today that this Nation were wise enough to tell the legislators at Washington that they must at once create a United States Department of Education: take the education of the present and future citizens out of the hands of cities, counties and States, take it into the hands of the government, and see that every one is educated throughout the whole land. (Applause.)

That is what is wanted. Give every child born under the Stars and Stripes a chance. The Nation is rich enough to afford it; and it would soon result in a great increase of national prosperity and wealth. No better Investment could be made than a System of National Education which should be Compulsory and Free to all. It is a crime to leave National Education to Charity, Church or Chance. It is a National Duty.

Negroes have a right to Education. They were wronged and robbed of their liberty, and now you are robbing them of their franchises, and robbing them of their lives.

I hear the march of eight million Ethiopians. It will be an awful day when they burst forth in the Black Belt.

May God avert it.

I come back to my main subject.

"Blessed are they that Wash their Robes."

White man, black man, yellow man, red man, brown man,

We Have All the Same Father, the Father of Our Spirits.

We all have the same kind of a soul, the red blood of our lives. We have all the same kind of flesh.

Blessed are they that not only have their spirits washed. but their souls and bodies.

We have been talking about that, a Real Baptism, which will wash away Sin, which will give Life and Power for Service.

Wash your Robes.

A great many people seem to think that piety is a synonym for ignorance and dirt. Dirt and ignorance are absolutely inconsistent with piety.

If your hearts are to be sprinkled from an evil conscience, your bodies must be washed with pure water, and there is plenty in Lake Michigan, you dirty fellows!

The spirit in man comes from God, the Father of Spirits.

The soul is that which comes from your father, your mother, the same as any animal's soul.

A living soul was given to every bird and beast and fish. Only man has a spirit.

This soul, the animal life, must be cleansed.

The last word in the book of the Prophet Joel is the Word of Hope for Zion, "And I will cleanse their Blood that I have not cleansed: for the Lord dwelleth in Zion."

Thank God for that word. (Amen.)

O God, come and cleanse our life-blood that it may flow free from the pollution which has come down to us, by hereditary transmission, or by our own transgression.

O God, come, and in Thine own Zion cleanse the blood of all Thy people.

They have not only a soul, but a body.

"Blessed are they that Wash their Robes."

There is Only One Fountain in Which You Can Wash Your Robes.

That is the "Fountain opened to the house of David and to the inhabitants of Jerusalem, for Sin and for Uncleanness," whether that Uncleanness be in spirit, soul or body.

All uncleanness can be washed away in that Fountain open for the sinner and the sick in the house of David.

Christ is that Fountain.

I say to you, Come, and let Him who cleanses your blood heal your body, that the Robes of flesh and blood that you wear, your soul and body, shall be such that God Himself can use.

A clean man, a clean woman will be a Temple for His Spirit. The River of Living Water will flow through you. For this is what Jesus said.

When did He say it?

Let me try and give it to you?

Scene at the Feast of Tabernacles.

It was the last, the great day of the Feast of Tabernacles.

Gathering around Jerusalem upon all its hillsides and all its mountain tops, and down into its valleys, there were thousands and tens of thousands of tents, booths made of leaves, under which the people lived.

As John says in the seventh chapter of his Gospel, "the Last Great Day of the Feast, the Seventh Day, had come."

The High Priest had gone down the side of the Temple Mountain in the presence of multitudes assembled on Mount Zion, Mount Moriah, Mount of Olives, and all up and down the hillsides around, looking upon the Temple.

He had gone down in his sacred vestments with the golden vessel, accompanied by all his high officials, priests and scribes, the Temple Guard, the Herodian Guard, the Roman Guard, and all the panoply and pride of heathen display, as well as of Jewish ceremonial.

Down he had gone to the stream that flowed under the Temple Mountain. There the High Priest had filled his vessel with the waters of the stream that flowed, and that flows still, under the Temple Mountain. Then, turning his back to that stream, he had gone up the hill singing the song in Isaiah twelve:

Behold, God is my Salvation; I will trust, and will not be afraid: for the Lord Jehovah is my strength and song; and He is become my salvation. Therefore with joy shall ye draw Water out of the Wells of Salvation. And in that day shall ye say, Give thanks unto the Lord, call upon His Name, declare His doings among the peoples, make mention that His Name is exalted. Sing unto the Lord; for He hath done excellent things: let this be known in all the earth. Cry aloud and shout, thou inhabitant of Zion: for great is the Holy One of Israel in the midst of thee.

Then came a great clash of instruments, and the trumpets sounded, amid the shout of multitudes over all the hills, as the high priest took the water and poured it on the altar, in the very center of the Temple, where the smoking sacrifice was wont to be.

As he poured out that water, they shouted with joy.

"Therefore with joy shall ye draw water out of the Wells of Salvation."

In that moment there sprang in the front of the altar a Man, the only Man this planet has ever seen worthy altogether of being called a Man, the Man Christ Jesus.

He sprang into the front, and His trumpet Voice echoed through all the Temple Court, and over all the hills around as He cried:

The Wonderful Words of Jesus at the Feast of Tabernacles.

If any man thirst, let him come unto Me, and drink. He that believeth on Me, as the Scripture hath said, out of his belly shall flow Rivers of Living Water.

Then the Evangelist adds: "This spake He of the Spirit which they that believed on Him were to receive: for the Spirit was not yet given; because Jesus was not yet glorified."

The Holy Spirit came.

The Holy Spirit is here.

God is saying to us today that that River which flowed from the Throne of God and the Lamb must flow in Zion. Therefore, it must flow in us.

May God grant that it shall be so that the power of the Spirit of Life in Christ Jesus shall set us free from the pollution of filthy lust and unclean bodies, and make us Temples of God through whom He can flow to a sin-stricken and disease-smitten humanity.

May God grant it. Therefore, "Blessed are ye that Wash your Robes."

Wash them, make them clean; for you will then have the Right to come to the Tree of Life.

You will have the Right, in prayer, to take these "Leaves of the Tree that are for the Healing of the Nations" and put them on the bleeding hearts and broken, bleeding bodies of humanity. You will be able to enter in, through the Gates, into the City even now.

By and by when life is past, and you come up, they will sing:

Fling open wide those Golden Gates,
And let the victors in.

You will be victors over sin and disease and death and hell; victors over the contemptible hypocrisy of the apostate churches; victors over the accursed wickedness which would keep back Salvation and Healing from humanity; victors over the pride which mocks at God, and seeks to wrest Him from His very Throne.

God Give Us Humility, the Faith, the Hope, the Love, the Wisdom and the Knowledge, the Strength and the Purity to Wash Our Robes.

God help us to make them white and clean in the Blood of the Lamb; to enter in through the Gates into the City; to take all these words of God which are the Leaves of the Tree, and carry them to humanity everywhere.

For that purpose, and that purpose alone, God has established Zion.

God has raised me up, and raised you up, for that work. May we fulfil His Purpose.

All who desire to fulfil that Purpose, stand and tell God so. Pray.

PRAYER OF CONSECRATION.

My God and Father, in Jesus' Name I come to Thee. Take me as I am. Make me what I ought to be, in spirit, in soul, in body. Give me grace to do right, that I may truly repent, fully believe, be fully saved, and have my robes washed in the Fountain for sin, for all uncleanness; that I may have the right and the power to take of the Tree of Life, and enter in through the Gates into the City in spirit now, in spirit by and by, forever, for Jesus' sake.

Give me power to live, that this prayer may be answered, in Jesus' Name, and for His sake. Amen. (All repeat the prayer, clause by clause, after the General Overseer.)

During the Recessional of the Choir and Robed Officers, the people stood in silent prayer.

The service was then closed by the General Overseer pronouncing the

BENEDICTION.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who also will do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. Amen.

Ackworth, Iowa.

Zion is at perpetual war with impurity.

She is at war with impurity in thought.

She is at war with impurity in word.

She is at war with impurity in deed.

She is at war against impure reading, impure pictures and impure plays.

She is at war with impurity or defilement of the body.

Hence she fights the damning poisons, alcohol, nicotine, opium, cocaine, morphine, chloral, and all the filthy drugs of the pharmacist.

Hence she fights against the use of impure foods: disease-breeding swine's flesh, oysters, and all other foods proscribed by the Word of God.

In this fight she is bold, fearless, uncompromising.

She witnesses against a man calling himself a Christian and a true servant of God and at the same time breeding, feeding, selling or eating unclean swine's flesh.

Zion's way is to utterly destroy the swine.

Wherever Zion's teaching has gone, there has always been a "cleaning up" of homes, bodies, souls and spirits.

In many places in the United States and Canada this "cleaning up" process has included the destruction of whatever swine the man who had received the teaching owned.

The Devil has often howled and threatened in an ungovernable fury at the destruction of his hogs, but Zion has carried on her Holy War against all impurity, strong in the consciousness of God's Almighty hand guiding, strengthening and protecting.

And Zion has always had the victory through Christ.

In the following letter, Mrs. Clara Haworth, of Ackworth, Iowa, tells of the destruction of hogs on her husband's farm and how the Devil objected:

About four years ago my husband became convinced that swine's flesh was not fit for food, and made up his mind not to raise any more hogs.

But standing alone, and not thinking that the hygienic laws of the Old Testament applied to the people of today, which we now clearly see, he was influenced to buy some more.

We felt condemned about it.

The longer we kept them, the heavier the burden became.

After joining the Christian Catholic Church in Zion it became unbearable.

We felt as if we could not be loyal to the Church and keep them.

We knew that the Lord had led us into the Church and would lead us into all truth.

We began to study the Word of God on the subject, and found that only such commandments in the Old Testament are done away as are done away in Christ, and that the swine are still "unclean."

We also took into consideration the diseases caused by eating swine's flesh and the absence of these diseases in those who did not eat it.

We saw how wise and sanitary was God's command—"of their flesh ye shall not eat, and their carcasses ye shall not touch."

Having learned this truth, the next question was, "What must we do with them?"

My husband thought to sell them; but the Lord showed me very plainly that we would be seriously crippled if we did.

Then the thought came to him, give them away. We saw that our responsibility would not end there.

There was nothing to do but destroy them. This was hard to do and might have been avoided had we obeyed God at first.

We had eleven head worth over a hundred dollars; but we have learned to obey God, no matter what the cost.

We killed them and took them to the back of the pasture, intending to bury them as soon as the ground thawed enough to dig a pit.

A man came and stole them away, however, before we could bury them.

We suffered great persecution. The like had never been known in this neighborhood.

My husband's own father was very angry and thought him crazy.

They threatened to have us arrested. I almost wished they would. We could have given a testimony in the Name of Jesus, and some might have believed who do not now know the truth.

I send you a clipping taken from the Indianola *Record*, copied from the Milo *Motor* at that time.

You can see how utterly false it is, like all the enemy's charges against Zion.

The following is the clipping to which Mrs. Haworth referred:

Norman Haworth, who lives near Ackworth, while in an addled state, killed about $200 worth of fat hogs Friday of last week and just left them lay. He had previous to this day received a blank sheet from a religious freak at Chicago, to be filled out as to his religious views, etc., and one question was, "How many swine have you?" Upon receiving an answer to the blank filled out from this Chicago man, Mr. Haworth was told to get rid of all his swine—but not to sell or give them away—this he did.

Toledo, Ohio.

Rev. J. C. Reiff, Elder-in-Charge.

God constantly places the stamp of His Divine approval upon the work of Zion in all parts of the world.

The promise to "those that believe" that "they shall lay hands on the sick and they shall recover," is every day fulfilled in the ministry of Zion's faithful Elders.

What a glorious privilege to work for God in a Church where the daily signs that the work is His are such blessings to the spirits, souls and bodies of God's children!

Elder Reiff sends us the following wonderful record of God's saving and healing power manifested in Zion, in Toledo:

We thank God for LEAVES OF HEALING, the mouthpiece of God's Messenger and of "His Witnesses" in Zion throughout the world.

Continually the manifold love and power of God are being exercised toward His children in Toledo, in witness whereof we briefly narrate the following among many other blessings:

A brother healed of asthma.

An aged sister healed of catarrh in the head.

An old lady quits smoking after reading LEAVES OF HEALING.

A sister healed of heart trouble and shortness of breath; most distressing.

Another healed of a severe attack of the grip and and attendant kidney trouble.

An aged sister healed of bunion and corn in answer to her own prayer.

A man delivered from chewing, smoking and drinking, after having defiled himself nearly forty years. Tobacco smoke now makes him sick.

A child dying of lung trouble, and for a time believed to be dead, raised and perfectly healed in answer to the prayer of faith.

A sister was made violently sick by sewer gas. Her husband hurried to the writer; we prayed, and at that moment the wife at home was delivered from all pain and sickness.

A few weeks' old babe, accidentally exposed, contracted serious lung trouble and was on the verge of being suffocated by phelgm. Death seemed very near. In answer to united prayer, God delivered and fully healed.

A neighbor's child of about the same age contracted the same disease, but, we are informed, not so badly. A physician was called, and soon the babe was dead.

A twelve-year-old boy recently had his left arm fearfully wrenched and manifestly dislocated at the elbow. When the writer arrived, a few hours after the accident, the arm was so swollen that he could not positively determine its real condition; but after prayer God took away all pain and, according to the testimony of the boy himself, readjusted the bones. The swelling has disappeared, and the arm is healing rapidly.

trouble, together with other infirmities, for a period of fifteen years, having tried many physicians and all kinds of medicines, was wonderfully healed in answer to prayer. She was free from pain and growing in strength from day to day.

A month had elapsed since her healing; she had not yet taken a stand for God in her home, where the Devil held sway. The moment came for her to decide either to serve and obey God or man. She weakened, through fear, refused to walk in the light and obey God, and that very day her old diseases returned worse than ever (2 Peter 2:20-22).

A few months' old babe recently had an exceptionally severe attack of dysentery. The mother almost despaired of its life, yet she fully trusted, and God was faithful to His promise, and kept that which we committed unto Him, and soon the babe was well again.

The mother of the babe first heard of Zion through reading some lies in the secular press. She at once called on the Elder, attended our services, came into fellowship, and was baptized, at which time she realized much blessing.

Zion's teaching regarding pork was new to her. On one occasion, after she had the truth, she bought some pork for her husband, to satisfy his unholy desire. She soon had an old stomach trouble back. She repented, determined to touch pig no more, and God speedily healed her.

She has also been healed of the grip, constipation, neuralgia, and falling of the womb since coming into Zion.

Several months ago one of our young sisters was asked to join our Saloon Seventies. She expressed herself willing, but said that tobacco smoke always made her sick, and more than that, for seven years she hadn't ridden on the street cars, without each time thereafter suffering from a week's severe headache.

We assured her that if she would trust God, He would keep her from all evil.

She trusted Him; we prayed; and since then she has proved one of our most faithful and successful workers.

Although the saloons be dark with the fumes of nicotine, it has no effect on her. Since then she rides street cars at her pleasure without any headache or sickness therefrom. To Him be all the praise.

One of our brothers, J. J. Smith, working for the American Bridge Company, was recently helping build a bridge over a swollen Ohio river, when he was accidentally pushed off into the "raging torrent." But God was there to deliver.

In writing of it he says: "I fell about twelve feet into the river, and it was very high, a raging torrent.

"God provided a stick for me to cling to until I met a boat, which took me ashore. . . . I was laughing all the time. Another man fell in just a couple of days before I did, but he was an expert swimmer. He got out all right, but he has been sick ever since. I was not sick at all. The Lord has been very good to me since I came into Zion."

Waterloo, Iowa.

Rev. James R. Adams, B. D., Elder-in-Charge. Evangelist S. Elizabeth Adams, Assisting.

Elder Adams, for several months in charge of the Branch of the Christian Catholic Church in Zion at Grand Rapids, Michigan, was transferred about March 1, 1901, to the work in Waterloo, Iowa, and vicinity.

At the end of his first month's work, he sends us the very encouraging report which is given below.

God is reviving His work in these Iowa cities under the faithful ministration of Elder and Evangelist Adams, and many are finding Salvation, Healing and Cleansing through the Message of the Everlasting Gospel which they bring.

Elder Adams also sends some testimonies to God's healing power, manifested in answer to prayer in Grand Rapids:

I am happy to report that thirteen applications for membership have been sent in from this point during the past month.

Zion in Waterloo is intensely in earnest.

The true Zion spirit is strongly manifest in all the services, the number of which has been increased.

The attendance has also much improved.

We have increased our order for LEAVES OF HEALING twenty-five per cent.

There is "the sound of abundance of rain."

May God grant great refreshing showers of Salvation and Healing to the people of this city.

I have received the following letter:

"GRAND HAVEN, MICHIGAN, February 25, 1901.

"REV. JAMES R. ADAMS.

"*Dear Elder:*—We are very thankful for the healing of our boy on the evening of January 19th.

We called in a doctor.

"He said that his brain and heart were affected.

"His fever was very high.

"We put our trust in God, that He might answer our prayers

"At about 8:30 o'clock he was himself and asked for a drink of water.

"Our fear was gone and we trusted the Lord for further healing.

"He now goes to school and is healthier than ever.

"We thank you for the kindness you have shown us and for praying for our boy.

"Yours respectfully, MR. AND MRS. HENRY VAN WOERKOM."

The following letter gives details of the healing and confirmation of the parents' testimony. It is by our Deacon in Grand Rapids, who is an uncle of the boy:

"60 HOGADONE AVENUE,
"GRAND RAPIDS, MICHIGAN, March 10, 1901.

"MY DEAR GENERAL OVERSEER:—I wish to confirm the statement made by my brotber and sister as to the healing of their son Bastian on the evening of January 19, 1901.

"It was about 6:30 P. M. when my brother telephoned to me from Grand Haven, telling me that Bastian was given up to die.

"The doctors said he could live only a few minutes more.

"I promised to do all I could for the dying boy.

"I called up Elder Adams by telephone, told him of the case and asked him to pray for the boy, which he immediately did.

"We believed the Lord would honor His Word.

"At 8 o'clock we heard the good news that the boy was rallying and recognized his parents.

"At 10 o'clock the same evening we heard he was still rallying.

"I told Elder Adams by telephone how the Lord answered prayer, for which he immediately gave thanks to God.

"Two days later, on Monday, at 8 A. M., we were again called to the telephone and heard the first words spoken with gladness, 'A Glorious Victory.'

"My brother then told me that Bastian asked him when he might get up.

"The works of the Devil were destroyed in this boy and health restored.

"Yours for Our Coming King, ARIE VAN WOERKOM."

This is a most wonderful showing of God's power and willingness to destroy at once the terrible brain fever and heart disease when the child was "as good as dead."

When the call came by telephone, I asked if the parents had given up the doctors and wholly abandoned medicines and treatments of every kind.

When assured that the boy was out of man's and altogether in God's hands, I prayed for his immediate healing, with results as above recorded "at the mouth of three witnesses."

Brookings, South Dakota.

Deaconess Helen A. Druey, in Charge.

Deaconess Druey sends us the following remarkable testimony to healing in answer to prayer under her ministry.

God is thus honoring, everywhere, the work and prayers of those ordained to His ministry in the Christian Catholic Church in Zion:

Here is a testimony showing God's wonderful power to heal.

We are grateful to God for this healing. It shows that God is blessing our work here.

Many are being blessed in spirit, soul and body.

We give our Father all the glory, and rejoice that we are permitted to work for God in Zion.

"BROOKINGS, SOUTH DAKOTA, March 23, 1901.

"REV. JOHN ALEX. DOWIE.

"*Dear General Overseer:*—We thank God for Zion.

"On February 27th our eleven-months-old baby was taken very sick.

"He had a high fever, a bad cough, and his bowels had not moved for several days.

"As he had never had a natural passage all his life, we, of course, used the usual doctor's remedies and injections.

"But he only grew worse, and would continue to have these bad spells of suffering.

"Some weeks before this we became acquainted with the Zion people here by their coming to our home with LEAVES OF HEALING.

"Then we attended the meetings, and when baby was so sick we decided to ask God to use His wonderful power for our child.

"We went for Deaconess Druey and asked her to pray. She came twice and prayed.

"We obeyed and trusted God alone.

"We praise the Lord our child received a perfect healing, and is now perfectly well.

"There is no more sign of bowel trouble. The bowels move naturally once or twice every day.

"We not only praise God for this, but for the great blessing which has been brought to our home.

"We are so happy, and we realize now that there is only one Healer—our Lord and Saviour Jesus Christ, the Great Physician for spirit, soul and body.

May God bless the work of Zion.

We give God all the glory.

Yours respectfully, (MRS.) MINNIE KNOEPFLE.
THEODORE KNOEPFLE.

Toronto, Canada.

Over ten years ago the General Overseer and Mrs. Dowie conducted a very successful Mission in the beautiful City of Toronto, Canada.

God blessed the Message which he brought to that city.

It was good seed, sown in faith and under God's guiding eye, and is still bearing precious fruit.

Zion has, for a long time, had a faithful and active Gathering of the Friends of Zion in Toronto.

Elder E. B. Kennedy, in charge of the Branch of the Christian Catholic Church in Zion at Detroit, Michigan, held a mission in Toronto, from the 13th to the 17th of last month.

James S. McMinns, a member of Zion who attended these meetings, writes as follows, telling of the blessings which God gave through the Elder's labors:

Zion in Toronto sends greetings.

We have been greatly refreshed by a visit from Elder E. B. Kennedy, who held a five days' mission in Toronto, from March 13th to 17th, inclusive.

On the Lord's Day three joyous services were held.

On Wednesday, the first day of the mission, the Prince of the Power of the Air seemed to get terribly frightened at the idea of a Zion Elder coming to Toronto, and raised a terrific storm of wind and drifting snow.

Yet, despite the storm, a few faithful Zion people turned out to welcome Elder Kennedy at the opening meeting.

On the evening of the following day a Baptismal service was held in Bethany Chapel, an independent mission chapel, when sixteen joyfully followed their Lord in Baptism.

It was a meeting bringing much spiritual blessing.

Two services were held each day in our beautiful Zion Tabernacle.

The Sacrament of the Lord's Supper was celebrated on Lord's Day morning, March 17th, when about fifty met around the Lord's table to partake of this emblem of our Saviour's dying love to us.

There was an ever-increasing interest in the meetings, and had the beloved Elder been able to stay with us for another week, it is pretty safe to say our Zion Tabernacle, which seats from 250 to 300 people, would not have held the crowd who wished to attend.

There is most certainly a grand opening in Toronto for the preaching of the Full Gospel as taught in Zion.

The people seem hungering for something more substantial than is to be found in the churches of the present day.

We anticipate a large increase in numbers in our Gathering as a result of Elder Kennedy's five days' mission in Toronto.

FIVE YEARS OF BLESSING THROUGH ZION.

FOREST CITY, IOWA, March 20, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—Referring to your letter of the 5th inst. in reply to our request for prayer for our little girl Bernice, I am glad to be able to report that God gave the victory in answer to your prayer.

In fact, I do not know of an instance in the last five years, during which time we have sent you many requests for prayer, for which we have not received immediate blessing in answer to same.

God has also healed us many times and given us blessing and deliverance in many ways in answer to our prayers during this time.

He never fails to deliver when we comply with the conditions laid down in His Word.

We praise Him increasingly that He has shown us that Psalm 103:3 is not merely sentimental praise on the part of David, but that it is as true as any other part of His Word.

We praise God for our General Overseer, through whom these blessed truths have been brought to us, and through whom God has given us so much of tangible, practical blessing for spirit, soul and body.

Your humble servant in Christ, J. H. PAXTON.
LIDA B. PAXTON.

GOD'S WAY OF HEALING.

BY THE REV. JOHN ALEX. DOWIE.

God's Way of Healing is a Person, not a Thing.

Jesus said, "*I am* the Way, and the Truth, and the Life," and He has ever been revealed to His people in all the ages by the Covenant Name, Jehovah-rophi, or "*I am* the Lord that Healeth thee." (John 14:6; Exodus 15:26.)

The Lord Jesus Christ is Still the Healer.

He cannot change, for "Jesus Christ is the same yesterday and today, yea and forever"; and He is still with us, for He said, "Lo, *I am* with you alway, even unto the end of the world." (Hebrews 13:8; Matthew 28:20.) Because He is Unchangeable, and because He is present, in spirit, just as when in the flesh, He is the Healer of His people.

Divine Healing Rests on Christ's Atonement.

It was prophesied of Him, "Surely He hath borne our griefs (Hebrew *sicknesses*), and carried our sorrows: . . . and with His stripes we are healed"; and it is expressly declared that this was fulfilled in His ministry of Healing, which still continues. (Isaiah 53:4, 5; Matthew 8:17.)

Disease Can Never be God's Will.

It is the Devil's work, consequent upon Sin, and it is impossible for the work of the Devil ever to be the Will of God. Christ came to "destroy the works of the Devil," and when He was here on earth He healed "all manner of disease and all manner of sickness," and all these diseases are expressly declared to have been "oppressed of the Devil." (1 John 3:8; Matthew 4:23; Acts 10:38.)

The Gifts of Healing are Permanent.

It is expressly declared that the "Gifts and the calling of God are without repentance," and the Gifts of Healing are amongst the Nine Gifts of the Spirit to the Church. (Romans 11:29; 1 Cor. 12:8-11.)

There are Four Modes of Divine Healing.

The first is the direct prayer of faith; the second, intercessory prayer of two or more; the third, the anointing by the elders with the prayer of faith; and the fourth, the laying on of hands of those who believe, and whom God has prepared and called to that ministry. (Matthew 8:5-13; Matthew 18:19; James 5:14, 15; Mark 16:18.)

Divine Healing is Opposed by Diabolical Counterfeits.

Amongst these are Christian Science (falsely so-called), Mind Healing, Spiritualism, Trance Evangelism, etc. (1 Timothy 6:20, 21; 1 Timothy 4:1, 2; Isaiah 51:22, 23.)

Multitudes Have Been Healed Through Faith in Jesus.

The writer knows of thousands of cases and has personally laid hands on scores of thousands of persons. Full information can be obtained at the meetings held in Zion Tabernacle, 1621-1633 Michigan Avenue, Chicago, and in many pamphlets which give the experience, in their own words, of many who have been healed in this and other countries, published at Zion Publishing House, 1207 Michigan Avenue, Chicago.

"Belief Cometh of Hearing, and Hearing by the Word of God."

You are heartily invited to attend and hear for yourself.

THE following letter was written by a gentleman living in Sturgeon Bay, Wisconsin, who was at one time opposed to Zion, but finally saw the light and received Salvation and Healing:

Healed by Uniting With Zion at the Nine O'clock Hour of Prayer.

DEAR GENERAL OVERSEER:—I wish to add my testimony to that of those who have been healed.

I hope it may prove a blessing to others.

I first received LEAVES OF HEALING when in the Soldiers' Home at Bath, New York.

I read it, but I did not like it because I thought Divine Healing a farce

Like many others, I believed Dr. Dowie to be a fraud.

After coming to Wisconsin, I found that my sister was a member of Zion.

LEAVES OF HEALING was plentiful in her home.

Still I did not relish them. I thought I never would, until I accidentally picked up one on Masonry.

I was convinced that Dr. Dowie knew more than I had given him credit for.

The result of my reading was that I burned my Masonic certificate.

My health being poor, I was induced to ask Zion's prayers for healing and for strength to give up tobacco.

I had been a slave to it since I was seven years old.

I received a share of blessing in my body; but the Devil tempted me and I yielded by tasting tobacco.

I lost the blessing I had received.

I was also troubled with weak stomach and could not eat heartily.

One morning I remembered that all Zion joined in prayer at 9 o'clock.

I went to my room, knelt down, and prayed.

I felt a warm glow pass over me and through my stomach. I knew I was healed. I have been able to eat heartily since, for which I give God all the glory. I thank the General Overseer for his prayers and teaching.

Blessed are ye that sow beside all waters.—Isaiah 32:20.

38 East SIXTEENTH STREET,
CHICAGO, ILLINOIS, March 8, 1901.

OVERSEER PIPER.

Dear Brother in Christ:—Last December you sent to me at Glenburg, Ohio, an invitation to send special ten weeks' subscriptions for LEAVES OF HEALING to my friends.

I sent nine. I will tell you of some of the blessings that have already come from one-third of those that I sent (I presume the others do not know who sent them). I sent a subscription to an unconverted young lady near home.

She became very much interested in LEAVES OF HEALING. She seems to love Zion.

She has promised to give her heart to God and become a Christian, and to come to Zion when God shall open the way.

She rolled up two copies to send to her unconverted father.

This brought blessing to me.

I sent a subscription to a young lady, a school teacher. Last week I unexpectedly received a nice letter from her, thanking me heartily for sending her LEAVES OF HEALING.

She is perfectly delighted and says, "If I can ever get away from home, I am coming to Chicago."

She desires to be "shown the right way, that she may live the right way."

In closing, she says, "As much as I think of LEAVES OF HEALING, I will send some to sick friends."

I received blessing as I read her letter.

I sent a subscription to a friend, and last week was again happily surprised by receiving a letter from him concerning LEAVES OF HEALING.

He is delighted, and says he may come with me to the Zion meeting in the Chicago Auditorium.

He would like to go to Zion City to live.

His wife has just received healing of the grip in answer to his prayers.

He has had much experience with doctors and says: "Doctors are only failures of the worst type. Nothing is sure but God's promises."

As I came to the parts of his letter where he referred to LEAVES OF HEALING, Zion and Zion City, the loving Father poured me out blessing and I cried for joy.

My mind at once turned to you in thankfulness for sending me the invitation.

Accept my thanks, for it has brought blessings to me.

I believe that LEAVES OF HEALING will bring blessings to all to whom I have sent them.

Faithfully Yours in His Love, E. D. BERGMAN.

The letter which follows is from a gentleman in Wisconsin, who writes:

"The Knowledge I Have Obtained Through Leaves of Healing is Priceless."

NEW RICHMOND, WISCONSIN, March 25, 1901.

DEAR BROTHER IN CHRIST:—I appreciate the kindness of the dear friend who is sending me LEAVES OF HEALING for ten weeks.

I have managed to take it for over a year. I must say that in my opinion there is nothing in the world, except God's Word, that contains such vital truth and such a "rightly dividing of the Word of Truth."

I was an extreme believer in conditional immortality for thirty years.

I had the Scripture relating to my exposition on my tongue's end.

In one of our dear General Overseer's sermons relating to that subject, I was led through the Spirit's power to see the truth like a flash: that we are the offspring of God.

I rejected that erroneous doctrine. I recognized the brotherhood of man in such a large sense that it has made me really a new creature in Christ Jesus.

If it were not for wearying you, I could tell of wonderful blessing, both physical and spiritual, which I have received through the writings of our General Overseer, God's Messenger to Zion.

I am seventy-two years old and I am in perfect health, better than for twenty years.

I praise God that His prophet has come to instruct us in the way, and to restore the old-time religion.

God bless Zion.

CHEERING WORDS FROM ZION'S GUESTS

NOTES FROM ZION HOME.

THE Regular Praise and Testimony Meeting held in Zion Home, Saturday evening, March 23, 1901, was conducted by Elder Excell.

After the usual opening exercises, the meeting was thrown open for testimony.

J. W. STRECH, Graymont, Illinois, said: "I am truly thankful to God that I have the privilege of being in Zion. It is a great pleasure to come to Chicago, where we can hear the Full Gospel. I am thankful to God that He has raised up a man who is honest enough and has backbone enough to stand up for God and preach the Full Gospel. I have received a great many blessings since I have been reading LEAVES OF HEALING and since I have joined the Christian Catholic Church in Zion. I have been healed, by the power of God, of different diseases. I am glad LEAVES OF HEALING ever came into my hands. As I read it, I compared it with the teaching in the Bible, and found that the General Overseer taught the same as Christ taught while He was here on the earth. I am thankful for Zion."

C. W. GLEASON, Dubuque, Iowa, said: "I am thankful for Christ who saves, keeps and strengthens me. I praise my Heavenly Father that He keeps me. I am thankful that God has raised up a man who is not a coward and who is not afraid to attack Masonry. I know that every word he has said is true, because I was away down there myself."

MRS. J. H. SILVER, 1619 Michigan Avenue, Chicago, Illinois, said: "I praise the Lord for blessings I have received in Zion. I was stricken very suddenly with the grip. My sister suggested that I send for an Elder, and I did. I could not move my head without terrible distress in my stomach. I suffered severe pains in my back. Elder Stokes came and said, 'In the Name of the Lord, move your head.' I moved my head. I was perfectly healed from the trouble in my head. I praise the Lord for His wonderful works to the children of men."

ELDER EMMA K. MASON, Zion Home, said: "A week ago last Tuesday my youngest daughter and I were suffering. We went to the Divine Healing Meeting at Central Zion Tabernacle and into the Prayer Room. I do not remember of having such a painful sore throat before. My daughter was very poorly indeed. Neither of us had had a good night's rest for some time. After the General Overseer laid hands upon us, we had a good night's rest and my sore throat troubled me no more. My daughter has been well ever since. I believe this is the first Divine Healing Meeting which I have attended since I have been in Zion in which I have been prayed for for any physical disability. I thank God for His keeping power of all our family. We praise God for the wonderful blessing we have had in Zion Home."

AUGUST G. DEUTSCHE, Goodenow, Illinois, said: "It is now two years since I gave up medicine and pork. I was troubled with constipation. I gave up all medicine and was delivered. I have been blessed in a great many ways. I thank God for bringing me to Zion."

J. T. CRAIG, Petoskey, Michigan, said: "I feel like praising God for what He has done for me. I have been in good health ever since I have come into Zion. I came on the 7th of October last. I have been healthier this winter than I have ever been before. If I have any sickness whatever, I leave it with God and He delivers me."

DEACONESS ELLA HERSCHBERGER, Zion Home, said: "I have had some severe attacks since I have been in Zion, but God has always healed me. I have also received great spiritual blessing."

MISS ANNA M. DEUTSCHE, Zion Home, said: "I thank God for what He has done for me, especially in the last few weeks. In that time I have been blessed spiritually more than I have ever been since coming here. I received a healing when I was not praying for it, but while I was being baptized. I am thankful that I am in Zion. I am getting stronger every day."

MISS CARRIE LEISER, Joliet, Illinois, said: "I praise God for the many blessings I have received since coming to Zion."

MISS AUGUSTA F. MCCOY, 1311 Michigan Avenue, Chicago, Illinois, said: "I praise God for what He has done for me and for what He is doing. I am daily receiving from Him spiritual blessing. I thank Him especially for being permitted to be a member of Zion Seventies. I am greatly blessed in my Seventy work, both spiritually and physically."

MISS EDITH FANNING, Zion Home, said: "I praise God for salvation. I served in the Salvation Army the first five years of my Christian life. I have been five years in Zion. God led me out of the Salvation Army and into Zion. I praise God with all my heart for the many blessings I have received here. I thank Him for bringing me to Zion. God has always kept me well. I have had one serious attack since I have been here, but God healed me of that."

The meeting was then closed with the benediction.

THE regular Praise and Testimony Meeting held in Zion Home, Saturday evening, March 30, 1901, was conducted by Prof. J. H. Harnley.

After the usual opening exercises, the meeting was thrown open for testimony.

MISS BARBARA HELBACH, Zion Home, said: "I wish to thank God for His goodness to me, especially during the past two years that I have been in Zion.

"I caught a severe cold. It settled in my gums and throat. I also had pains all through my body. I lost three nights' sleep. My gums above my front teeth were very badly swollen and ulcerated and my lip was also swollen so that I could hardly eat. Prayers were offered for me and the General Overseer laid his hands upon me and prayed. Shortly after that, my gums burst and discharged three different times. The swelling went down and I grew rapidly better. I feel quite well again tonight. I praise God for it."

MISS N. PAULINE WEST, 14 East Sixteenth Street, Chicago, Illinois, said: "I am so happy to be here tonight. I have been in this city for five years as a trained nurse. I realized that medicine was not what people supposed it to be. About five months ago I accepted this teaching. I thank God for what He has done for me, and for the blessings I have received, spiritually and physically."

A. G. HUGH, Dixon, Illinois, said: "I am very thankful for the privilege of being in Zion and for the blessing I have received while here. I have received much spiritual blessing

this last week. I also notice that I do not suffer so much from catarrh. It is something new for me to get up in the morning with a clear throat, which I have not been able to do since a child."

PROFESSOR HARNLEY, Zion Home, said: "I wish to testify to the fact that I have been unusually kept since I have been in Zion. Whenever I have suffered in body, it has been on account of my own indiscretions. I have not seriously suffered since I have been in Zion, only from a little cold now and then. It is, perhaps, largely owing to our own indiscretions in many cases that we suffer. We need to be very careful and live up to the knowledge we have, not only in a spiritual way, but also in a natural way, not to unduly expose ourselves, and then God will keep us."

DEACONESS HILL, Zion Home, said: "One of the most remarkable truths taught in Zion is the value and importance of the body. I realize that very much. All my life I have been careless with my body, violating physical laws. It is a miracle that I am living today.

"I am thankful for the teaching in Zion. So many people think the main teaching in Zion is Divine Healing, whereas the truths which are taught lead up to that. That is the result of the truths as Christ said, 'The Truth shall make you free' from all sin and sickness."

GILSON C. NORRIS, Three Oaks, Michigan, said: "I have been in Zion but a few short weeks, but I must say that I have heard more Bible teaching during that time than I have heard in all my life in the denominational churches. It has cost me something to leave the old churches, but I thank God that I am in Zion, where they teach the Everlasting Gospel. I have believed in this Gospel for many a day, but I could not break away as I ought to have done. I have now come eighty miles to learn more.

"I was baptized last Wednesday night. I have been blessed. My body has been weak for twenty-three years. God is healing me and I am getting well. I praise God for it. I praise God that we have a Church which is preaching the Everlasting Gospel, where men and women can learn the truth. My prayer is that every child of God in the old churches may come out and stand for God."

W. P. SWEET, Champaign, Illinois, said: "I realize that the Lord has blessed me this week. When I look over my past life, I see the Lord has been very good to me, especially during the last twelve or fifteen years.

"I have been healed of asthma, with which I was a sufferer for thirty years. I was a confirmed asthmatic. Many and many a night I have had to sit up all night. I could not lie down in bed. I always had to have three pillows, and now I do not need any. I rejoice for what God has done for me. It affords me great pleasure to do what little I can to hold up the light.

"I am thankful for the teaching I have received here. I am fully trusting in God as my Saviour and my Healer."

MISS TERESA L. DAY, Zion Home, said: "When I was in Canada I used to read LEAVES OF HEALING from beginning to end with great interest. I thank God that He has brought me into Zion and that I have the privilege of living in Zion Home.

"Since I have been here, I have received great blessing. I have been healed of backache, with which I had suffered since a child, whenever I would work. I am now free from that, and it is a great blessing, as I suffered intensely with it. I also suffered with catarrh for many years. Since I have been in Zion I have trusted God for healing and it is almost gone.

"I have been in Zion for three years, and they have been the best years of my life."

DAVID DARWIN, Iron River, Michigan, said: "I think I would do wrong if I did not testify here tonight, after receiving the blessings I have had since I have been here. During the last two or three weeks I have received wonderful treatment at the hands of God.

"I was in a horrible condition, and had been so for the last seventeen years. I had been all over the country and spent all my money on doctors and medicines. I left home with the intention of going somewhere to be cured or to be healed, and never to return until I was healed. I had lost all faith in doctors, and I think that God has led me here. I feel satisfied, for I know I am going to be still better."

THOMAS HUSTON, 1604 Michigan Avenue, Chicago, Illinois, said: "I thank God that I have been led out of the Church I was in and into Zion, and that there is a man in Zion who has been so blessed of God that through his prayers there is so much good done to the world at large. I thank God I can testify tonight to His goodness to me in leading me here. I came here last August from North Dakota, suffering from general debility. I had too many ailments to tell of at the present time. I was, as I might say, diseased all over. I came here with full confidence and trust in God that I would be healed. I attended the first Divine Healing Meeting in the Assembly Room downstairs. The General Overseer, that blessed man of God, led the meeting. He laid hands upon me and prayed and I was healed of my diseases. When he laid hands upon me, I felt a warm glow pass through my body from head to foot.

"I thank God for all the blessings I have received in Zion. I am working for the Master in Zion Seventy work and in the Cottage Meetings. The Lord is blessing me wonderfully. I feel thankful that I can help in this work and for the blessing I am receiving. God bless Zion people and the General Overseer and all the Overseers, Elders and Deacons and Deaconesses."

ELDER JOHN ALEX. INOUYE, Zion Home, said: "Today one of the Japanese came and told me of the division at the Moody Bible Institute. Jesus said, 'Every Kingdom divided against itself is brought to desolation; and every city or house divided against itself shall not stand.' I am very thankful for my deliverance from that school.

"God brought me from the Moody Bible Institute to Zion. Since I have been here, by the Grace of God, I am stronger physically and spiritually.

"During my ministry for many years in Japan, I tried to obey the Will of God, but I was misled by my feelings, I believe. God told me through our beloved General Overseer how to obey God. I am simply trusting in Jesus alone. Many Japanese friends and my family ask me when I am coming home. I simply answer them, 'I do not know. God knows. When God sends me home, I will go home any time.' Our General Overseer is praying for my heathen land.

"Pray for Zion's little Gathering in Japan. They are waiting for Zion's Messenger. They have no leader, but they are very faithful. They are working from house to house distributing Zion Literature. Pray for me. Pray for my people, that they may believe the Full Gospel from Zion's Messenger."

The meeting was then closed by the

BENEDICTION.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who also will do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. Amen.

ZION IN THE ORIENT.

By Rev. Geo. L. Mason, B.A.B.D.
Overseer of the C.C.C. in China.

JAMES RUSSELL LOWELL describes the demand of a past generation for soft preaching:

> They're willin' a man should go toll'able strong
> Ag'in wrong in the abstract, for that kind of wrong
> Is ollers unpop'lar and never gits pitied,
> Because it's a crime no one ever committed!
> But he mustn't be hard on particklaer sins,
> 'Cause then he'll be kickin' the people's own shins.

The strength of Zion is her sharp rebuke of particular sins and her teaching of Living Truth.

The weakness of the apostasy is in what Carlyle calls the "indiscriminate mashing up of good and evil into one universal patent treacle."

R. W. EMERSON, more than any other writer, perhaps, by his subtle pantheism, has rubbed out in the Protestant mind the line which separates Truth from Error and Right from Wrong.

It is not surprising to hear it said by the Hindoo Mozoomdar, author of "The Oriental Christ":

> The essays of Emerson are now read with the utmost appreciation even by Hindoo schoolboys, whose opinion is that Emerson was a geographical mistake; for he should have been born in India instead of America.

THE PROTESTANT APOSTASY no longer fights Rome with vigor. The *Missionary Herald* (Congregational), speaking of Missions in Romanist lands, says: "The fundamental thought is *not to separate* from the Roman Catholic Church." That is, the missionaries are to spend their time scrubbing up and polishing a few here and there, and leaving them still in Roman bondage.

A Presbyterian missionary in Brazil writes that he only hopes to compel the Roman Church in Brazil to become more like the Roman Catholic Church in the United States.

In New York, Dr. Briggs introduced a priest, who lectured to the Presbyterian theological students, as a representative of the "mother of churches." And we have a popular religious newspaper maintaining that there is now "neither weakness nor corruption in the chain of St. Peter." It is fitting that men who are thus blind to the fact that Popery is incapable of reform should in so many instances be the very men who are undermining the faith of college and seminary students in the Bible. In no way can these men serve Romanism so well as by impugning the Divine inspiration of the Bible.

Roman Catholic priests have been received with great honor as lecturers on religion in Harvard University.

The same has occurred in the lecture course in Colgate University (Baptist), and one of the professors has delivered a paid lecture for the benefit of a Roman Catholic Church; just as D. L. Moody gave hundreds of dollars to help build a Roman temple in Northfield.

I once distributed some antipapal tracts among students in Brown University. It made such a buzzing as one sees when Antimasonic literature is handed out in a Methodist College.

It is a common thing for cowardly Protestant Church members who are in business to subscribe liberally for Roman Catholic Church bazars, which sell cigars and run gambling schemes which end in a free-for-all dance and drunk.

These Apostate Protestants are all "ag'in wrong in the abstract," and do not like Zion's rebuke of particular sins. But God approves of it when done in love and in the power of the Holy Spirit (Isaiah 58:1).

LEAVE THE SORDID WRECK and dust and dead ashes of Denominationalism and come into Zion, where you may wage a straight warfare against actual sin (Ephesians 6:10-20).

THE CONGREGATIONALISTS sent a deputation to China to examine the missions. They report that they find "denominational lines are essentially erased everywhere."

If that be true, it is time the missionaries stopped the wicked waste of keeping up separate and rival schools and churches in the same cities, and sometimes in the same villages (Matthew 23:15).

ZION MISSIONS must keep bright and clear and straight the eternal line between Truth and Falsehood; and so magnify the sense of difference between Right and Wrong that it shall fill all time and space (Matthew 5:19, 20).

HAVE YOU PRAYED today that the Holy Spirit may fill the Zion Messengers and people in Australia and New Zealand, in Japan and China?

And will you not take time to write to some of them a few words of kindly greeting? It will cheer them. See their address in LEAVES OF HEALING, Volume VIII, Number 16 (Isaiah 41:6, 7).

THE OVERSEER FOR CHINA, and also Mrs. Mason, may be addressed for a few weeks, at least, at 533 West Ridgway Avenue, Cincinnati, Ohio.

GOD THE HEALER OF SORE EYES, INSANITY AND MANY OTHER DISEASES.

On February 19th we received the following letter:

CHENOA, ILLINOIS, February 18, 1901.

DEAR DR. DOWIE:—I wish to write a word about my healing.

Last week my husband sent you a request asking you to pray for me.

My eyes were very sore and could not bear the light from a lamp.

They began to heal right away, and now are well.

I am also feeling better every way.

Three and one-half years ago I was healed of insanity, after being in the hospital nine months.

Two children have been born to us since without a doctor.

Our children have been healed of measles, lung fever, summer complaint, and other sicknesses.

We thank God for His goodness toward us and His keeping power.

Yours in Christ, (MRS.) DAVID TILBURY.

THE STORY OF ZION GUARD.

I WILL ALSO make thy officers peace.—Isaiah 60:17.

THIS is God's promise to Zion.

This promise is fulfilled in Zion.

Zion Guard is a body of peace officers.

They are men of peace, giving their service freely to preserve and protect peace.

They have done their work quietly, unobtrusively, but effectively.

Zion's peace in God has not been broken.

These faithful Guards have protected it faithfully.

They have done so, often at the risk of life and limb, and some have suffered actual violence in the courageous performance of their duty.

Zion Guard, as an organization, antedates the Christian Catholic Church in Zion by seven months.

On June 16, 1895, the "year of persecution," it was reported, on credible authority, that there was a conspiracy being concocted by the enemy to destroy the buildings which Zion then occupied, Zion Tabernacle No. 2, Zion Publishing House, and Divine Healing Homes Nos. 1, 2 and 3.

At a meeting held on that date, in Zion Tabernacle No. 2, Dr. Dowie, now General Overseer of the Christian Catholic Church in Zion, called for "strong men" who would volunteer to serve as unarmed watchmen in addition to the regular paid watchmen.

At that first meeting, held in Zion Publishing House, were about twenty men. Most of them are still members of Zion Guard.

At that meeting an organization of Zion Watchmen was effected, with Mr. Carl F. Stern, an ex-police officer of the City of Chicago, as Captain.

Captain Stern, now a Deacon in the Christian Catholic Church in Zion and the General Overseer's personal attendant, still holds that position.

The quiet efficiency of Zion Guard, through all the years which have followed, has been in a very large measure due to Captain Stern's faithful, able and prayerful administration, under the General Overseer.

Zion Watchmen began active duty immediately after their organization.

All through that terrible "year of persecution" the little band of strong men took turns in watching Zion's property through the night.

They also served as a bodyguard to Dr. Dowie, who was then being arrested by his persecutors sometimes several times a day and often at night.

Unostentatiously they kept close to him when he was in the hands of the police, keeping watchful eyes upon the movements of all who came near.

The life of Zion's leader was perpetually in danger, but Zion's Watchmen were ever near, ever ready to sacrifice their own lives, if necessary, to save his.

Often, when Dr. Dowie was arrested and taken to distant parts of the city, Zion's Watchmen followed on bicycles, ever on the alert, at a signal agreed upon, to come to their beloved leader's rescue.

On several occasions, during this "year of persecution," did Zion Watchmen save Zion's property from destruction by fire.

Once, when midnight incendiaries were crawling stealthily on their hands and knees to reach Divine Healing Home No. 1, Zion Watchmen discovered them and drove them away.

In November, 1895, near the end of that year, Zion Watchmen gathered on the platform of Zion Tabernacle No. 2 and were photographed.

A reproduction of that photograph appeared in LEAVES OF HEALING, Volume II, Number 5, page 65. We reproduce it on page 762 of this issue.

Of the strong men there pictured as members of the Guard, one is now General Overseer, two are Overseers and five are Deacons in the Christian Catholic Church in Zion. The majority are active members of Zion Guard, and some of the remainder are honorary members, having removed to other cities.

In writing concerning their picture, Dr. Dowie wrote in the same number as follows:

"We made our prayer unto our God and set a watch against them, day and night."

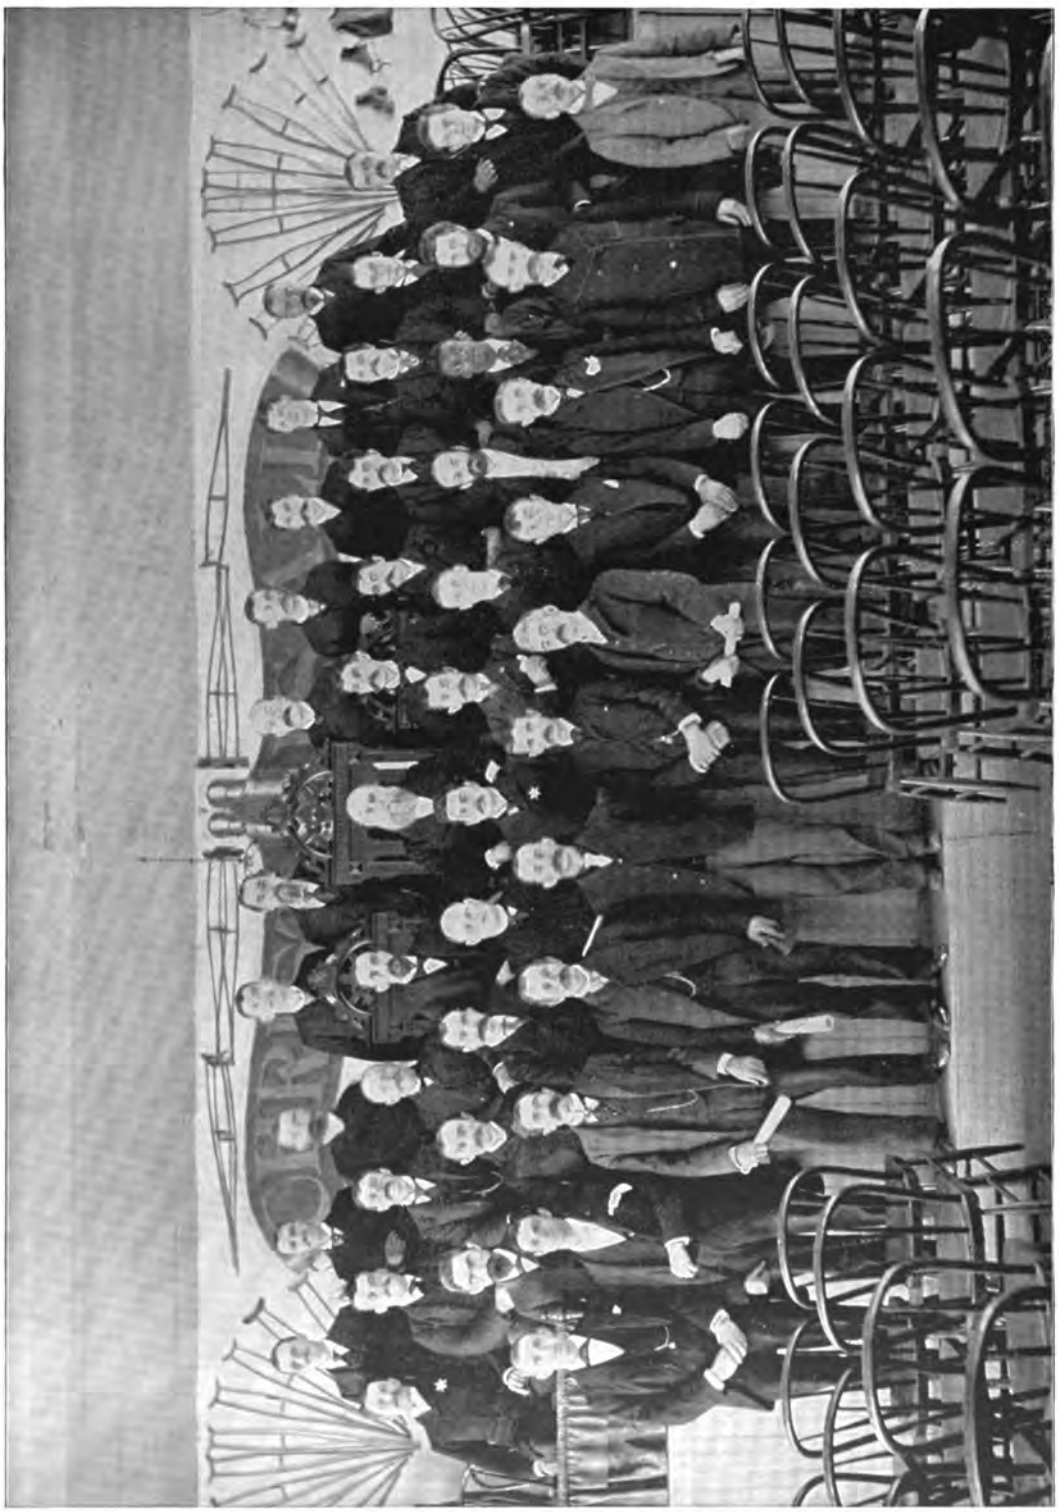
These are the words of grand old Nehemiah, who set a watch upon the Walls of Zion, as he rebuilt them 2340 years ago. The enemies of God hated him and those who came with him to rebuild the walls of Jerusalem.

He says of them: "It came to pass, that when Sanballat, and Tobiah, and the Arabians, and the Ammonites, and the Ashdodites, heard that the walls of Jerusalem went forward, and that the breaches began to be stopped, then they were very wroth; and they conspired all of them together to come and fight against Jerusalem, and to cause confusion therein."

History repeats itself in every age, for the conflict is ever the same between the powers of darkness and the Kingdom of God.

We have great pleasure in presenting our readers with a picture of Zion's Watchmen, who have been a guard day and night to protect life and property in the various institutions of our Zion against a small band of cruel and relentless conspirators which had threatened both.

Their watch began on June 16th and continues until this time. When it is remembered that these brethren worked all day and often watched all night through these long months, and that all of them, without any exception, have done this without receiving or hoping for one single cent of remuneration, it will be seen that they have indeed been self-sacrificing and devoted in no ordinary degree. The Captain of the watch, Carl F. Stern, an ex-police officer of this city, has now been appointed upon our permanent staff, but all the others continue to give their services by an arrangement among themselves upon particular days and nights.



The following is a list of the Watchmen, with their addresses, all being residents of Chicago, except where otherwise noted:

F. C. Van Zandt, 1014 Fifty-fourth Court; A. H. Best, New Wilmington, Pennsylvania; A. F. Clemons, 8260 Mackinaw Avenue; N. Rohr, 394 North Campbell Avenue; William Knopp, 5123 Wentworth Avenue; William Hamilton, 380 Henry Street; J. Mears, 5473 Kimbark Avenue; Henry Peetz, 751 Washtenaw Avenue; D. C. In addition to these, we think it right to mention the names of Messrs. J. M. Colley, now of Streator, Illinois; William G. Hall, 721 Forty-eighth Street, Chicago; John Murdock, 54 Greenwich Street, Chicago; H. Van Moos, 751 Washtenaw Avenue, Chicago; and probably others, who have helped in this way, whose names we have failed to record, although we have made the list as perfect as possible.

No words of gratitude we can utter will adequately express our admiration for the devotion and love displayed in all these months of ceaseless

vigilance. The sacrifices demanded of these brethren were great, but they were made in so joyful and heroic a spirit that we felt that God had indeed inspired their devotion. The story of their work can never be fully written. On many occasions they undoubtedly prevented serious personal injury and loss. They put out more than one fire and thwarted attempts to ignite others. Danger has in large measure passed away, but their vigilance never slumbers and they reënforce our permanent watchmen by their continuous voluntary help.

It is not only to these brethren that we owe this tribute of our public thanks, but also to their devoted wives, who cheerfully agreed to their husbands' actions and most cordially coöperated with them in every way.

Nor must we forget that the spirit which was displayed by all of these friends has been manifested in many other ways by innumerable acts of helpful love throughout all our bitter persecutions. Had it been needful 1000 men could have been found to go forth from their homes for our protection and aid. These facts have been of unspeakable comfort to our hearts, and we place them on record, believing that, in future years, Zion's Watchmen will be held in ever-increasing esteem as having nobly done their duty in our days of severest trial.

We feel that words are too feeble to express the feeling of our heart, and we can only say in closing, May God bless them, and may the ministering spirits sent forth to minister unto them, who shall be heirs of salvation, watch over them and theirs throughout all the years in which they shall be marching upward to Zion, the beautiful City of God.

Some time after this picture was taken, the name of the organization was changed from Zion Watchmen to the present form, Zion Guard.

From a little band of less than fifty, Zion Guard has grown to a strong, compact organization of 300 men.

During all these years their services have been invaluable.

Besides watching Zion's property at night, they have served as the General Overseer's bodyguard at all times.

During Zion's Holy War, at West Side Zion Tabernacle, Hammond, Indiana, and Oak Park, Illinois, they fearlessly gathered about the General Overseer, receiving missiles and blows and, in some cases, serious bodily injury in protecting him.

Even some of Zion's noble women have become Special Volunteer Guards in these times of danger, especially at Hammond, Indiana, where the General Overseer walked for several blocks surrounded by a howling, murderous mob, which was kept from accomplishing its openly avowed purpose of killing the man of God only by Zion Guards, under God.

Zion Guard has also served as peace officers to handle and keep in order the thousands who have thronged the General Overseer's meetings.

Thus, wherever needed, these faithful men have voluntarily and freely served God and Zion, often working at their vocations all day and remaining on guard all night.

They have ever been entirely unarmed, performing the most dangerous duties with no weapon of aggression or defense save the Sword of the Spirit, God's Holy Word.

In the fall of 1899, Zion's Holy War necessitated an increase in the number of Zion Guard, and in the spring of 1900 this number was, for convenience, divided into companies according to location, there being eight companies, two in the Central District, two on the South Side, one each for the West Side, North Side, Oak Park and Zion City.

At about this time the Guards began to drill under Drillmaster J. E. Daniels. They made their first public appearance as a drilled body at the Consecration of Zion Temple Site at Zion City Site on July 14, 1900. On that day they also attracted attention and favorable comment, even from the newspapers of Chicago, for the marvelous way in which they handled the 10,000 people who thronged out of Chicago to Zion City.

In the early fall of 1900 Drillmaster Daniels was succeded by Lieut. B. F. Morris, who still retains the position of Drillmaster and has done most excellent work in bringing Zion Guard up to a high standard of efficiency as a result of the attention, harmonious action and discipline involved in regular, accurate drilling.

On Monday, February 18, 1901, the General Overseer addressed a Grand Rally of Zion Guard at South Side Zion Tabernacle and presented them with the beautiful silken and now historic flags of the United States, Great Britain and Zion, and the Zion Banner which he carried with him in his European mission tour of 1900–1901.

On Monday night, March 22, 1901, a grand rally was held at the South Side Zion Tabernacle.

At this rally the flashlight photograph which is reproduced on page 763 was taken by Messrs. Ernest and Shirley D. Williams.

On this night, also, the first measurements were taken for the neat uniforms which Zion Guard will hereafter wear when on duty.

Zion Guard has now a brass band of thirty-six instruments, Mr. Charles Irish being leader and Mr. J. E. Daniels drum major. Although this band has been practicing only a few months, it furnishes very acceptable music.

Zion Guard is now nearly six years old, but it is still in its infancy.

Its highest usefulness, its grandest work, will be when, in Zion City, which God has given Zion, its members watch over the homes of the people and Zion's many great institutions, control the tens of thousands who will attend services in Zion Temple, keep peace within the City, and kindly but firmly prevent strangers from breaking the wise and just laws which will govern the City.

As an earnest of that great work, Zion Guard will serve as peace officers at the great Encampment of Members and Friends of Zion, to be held at Zion City site next July, before and after the First Anniversary of the Consecration of Zion Temple Site, July 14, 1901.

On this occasion, it is expected that over ten and perhaps over twenty thousand people will be encamped upon the site.

Zion Guard will have a special camp and will be given the duty of policing the great camp.

Thus quietly, undemonstratively, but with splendid efficiency, Zion Guard has served, is serving and will serve Zion's God.

Its members have many of them been saved in Zion; nearly all of them have felt God's healing touch for diseases of greater or less severity.

Their families have been saved and healed.

Their homes have been made happy.

God has greatly blessed them in their work and in their business.

May God bless Zion Guard and keep it strong and pure and efficient in its noble work for the extension of His Kingdom, until Jesus comes

MOTHER AND THREE LITTLE ONES HEALED.

The following letter was received on January 18th.

MODENA, WISCONSIN, January 18, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—I take pleasure at this time in witnessing to God's Saving, Healing and Keeping power.

I have been healed of stomach trouble and piles.

Eva has been healed of a severe case of eczema, and also of jaundice.

Walter has been healed of cholera-morbus and of grip.

Melba has been healed of crushed finger and summer complaint.

I give God all the glory and thank Dr. Dowie for the teaching of the Full Gospel.

My daily prayer is that God will bless all Zion workers, and Zion everywhere.

May the General Overseer be spared many years to carry on this good work.

Yours in Jesus' Name, (MRS.) H. O. BROWN.

THE WINDOWS OF HEAVEN OPENED.

WILL a man rob God? yet ye rob Me. But ye say, Wherein have we robbed Thee? In tithes and offerings. Ye are cursed with the curse; for ye rob Me, even this whole nation. Bring ye the Whole Tithe into the Storehouse, that there may be meat in Mine house, and prove Me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it. And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the Lord of hosts. And all nations shall call you happy: for ye shall be a delightsome land, saith the Lord of hosts.

—Malachi 3:8-12.

Disobedience Brings Great Loss; Obedience Remarkable Prosperity.

SUMMIT, SOUTH DAKOTA, March 25, 1901.

REV. W. H. PIPER.

Dear Overseer:—God prospered us and we had a comfortable little home.

We felt that we ought to give a tenth to God and said we would when we were all out of debt.

We were on a farm and had a large crop which would in all probability pay our debts; after that we said we would tithe.

God wanted obedience at once.

We lost our house and everything in it by fire.

We lost a cow and calf, and it seemed as though everything would go.

Before beginning another house we began to lay aside the tenth, and since then have been wonderfully prospered.

Even others remark how successful we have been.

We wanted to be Christians and have our way; but we found God's Way was the best.

We would like to say, "Obey God in His Word quickly," as we feel our experience will be the experience of others if they do not obey.

We thank God and praise Him for His great goodness to us.

We have been kept in health and strength when there has been so much sickness around us.

Pray for us, that we may ever be faithful.

This is a good way, a grand way to live.

Your Brother and Sister in Christ, MR. AND MRS. I. N. CRAIN.

God Makes Good Losses and Brings Prosperity When Tithes are Paid.

MONROE CENTER, MICHIGAN, March 27, 1901.

DEAR OVERSEER PIPER:—We have been blessed wonderfully in tithing.

We never heard of tithing before we came into Zion.

The Salvation Army never taught us about paying tithes.

We were to give in soldiers' meetings whatever we could.

We seemed to gain nothing while in the Army.

We lost one team of horses and one cow.

The officers told us the Lord did it for a purpose.

They told us we must not expect help in that way from the Lord.

They said that the Lord would bless us in a spiritual way, and we must look out for the financial blessing ourselves.

We were not satisfied in that way.

Since we have paid our tithes into God's Storehouse, He has given us another team, better than the first.

We fail to find words to express the blessing since we give the money to God instead of to man.

Your Sister in Christ, (MRS.) J. PICKEREL.

Blessed in Basket and Store and Spiritually in Tithing.

ELMHURST, CALIFORNIA, March 25, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Overseer:—It gives me great pleasure to testify to the wonderful blessing in tithing.

Some thirty years ago, when first converted, I took up that method, having learned it from God's Word.

He has blessed me not only in basket and store, but in rich spiritual blessings in proportion, as I have been faithful.

He is just the same today.

I am sure that any who will try it will be entirely satisfied.

Yours in Christ, HENRY PITTOCK.

Tithing Makes a Vast Difference in Money Matters.

CONWAY, OHIO, March 19, 1901.

DEAR OVERSEER PIPER:—I feel impressed to give my experience in tithing.

I began tithing in October, 1899.

I had, up to that time, been very saving.

Having a family of eight children and living upon a farm, money came in very slowly.

Luxuries were scarce and presents for my family were scarcer.

Since we have been tithing, however, there has been a vast difference in money matters.

Half has not been told. P. R. MENTZER.

Income Trebled in Two Years.

ASHKUM, ILLINOIS, March 18, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—We came here in December, 1897, and in April I began making money by running a shoe shop.

My tithes that year (my first one) were $——, which I gave here to the Congregational Church to which I belonged.

The second season my tithes had increased nearly thirty-three and one-third per cent, and I paid them into Zion's Storehouse.

Last year they were much more than double what they were the year before, and more than three times as much as the first year's tithes.

With a prayer in my heart for the onward and upward march of Zion, I will close.

Truly your Friend and Sister, (MRS.) ANNIE E. WASHTLER.

God Blesses When His Word is Obeyed.

OSKALOOSA, IOWA, April 1, 1901.

REV. W. H. PIPER.

Dear Overseer:—I wish to thank God for the blessings received, both spiritually and financially, in tithing.

God has never failed when trusted, if we do our part.

I vowed years ago to give my tenth to God.

While in the Friends Church, if I paid, I did not know where it went.

That was a hindrance to my fulfilling my vow.

Since coming into Zion it has been a pleasure to pay my tithes into God's Storehouse.

May God bless Zion's work in all things.

Your Sister in Christ, (MRS.) S. R. BURNSIDE.

Business Increases Every Season When Tithes are Paid.

MODENA, WISCONSIN, March 25, 1901.

REV. W. H. PIPER.

Dear Overseer:—God has abundantly blessed me in paying tithes into Zion's Storehouse.

My business has increased with every season.

I am often told that people are surprised to see the large trade I have in a small country place.

God always sends two or more customers for every one I lose for this Gospel's sake.

I thank God for His goodness to us and for the teaching we received through our dear General Overseer.

Yours faithfully in Jesus, MOLLIE MATTAUSCH.

Husband Gets Permanent Position in Answer to Prayer When Tithes are Paid.

MONTREAL, CANADA, March 22, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Brother in Christ:—I have received blessings since I have been paying tithes.

God has blessed my dear children.

I am telling others of this great and blessed teaching.

I thank you for your prayers.

Some time ago I asked you to pray that my husband might get work. He now has permanent work in Montreal.

God bless you.

Your Sister in the Lord. (MRS.) E. BERSGROVE.

Blessed in Spirit, Soul and Body Through Tithing.

6723 RHODES AVENUE,
CHICAGO, ILLINOIS, March 24, 1901.

REV. W. H. PIPER:—I thank God that I can say truthfully that God has blessed myself and my family in spirit, soul and body since we began to pay the tithe to God.

I have done so since I came into Zion.

We have been healed and blessed in many ways.

May God bless our dear General Overseer, yourself and all Zion.

Yours in Christ's Service, ALEX. E. JOHNSON.

Money Comes From an Unexpected Source.

TRAVERSE CITY, MICHIGAN, March 23, 1901.

DEAR OVERSEER PIPER:—The last time I paid my tithes the Lord blessed me with $2 for which I was not looking. JOHN A. COOK.

OPEN YE THE GATES!

That the Righteous Nation which Keepeth Truth may Enter therein—Isaiah 26:2.

Zion's Trumpet has sounded. The Message has gone forth. God's Exiles shall go Free. Zion throughout the world will sing Hallelujahs to Him who sitteth upon the Throne.

GOD'S MESSENGER HAS DECLARED **MONDAY, JULY 15, 1901** TO BE THE DATE OF THE

OPENING OF THE GATES OF

ZION CITY

God's City of Righteousness, an abiding place for the afflicted of His people.
A City for those who would live godly in Christ Jesus.
A City where the true Christian Home-life will be established and maintained in all its purity.
A City where God's people will be trained and prepared for the Coming of their King, Christ Jesus our Lord.

Be glad then, ye Children of Zion, and rejoice in the Lord your God.—Joel 22:2.

The 6400 Acres of beautiful land selected and secured for this City has been Consecrated to God and the advancement of His Kingdom, and of the following curses to humanity there will be tolerated upon it:

NO
Breweries or Saloons.
Gambling Hells.
Houses of Ill-Fame.
Hog-Raising, Selling or Handling.

NO
Drug or Tobacco Shops.
Hospitals or Doctors' Offices.
Theaters or Dance Halls.
Secret Lodges or Apostate Churches.

Or any other abomination which defiles the spirits, souls and bodies of men.
GOD DEMANDS PURITY in the home, in the office, in the store, in the workshop and everywhere, and Zion stands for it.
Zion City will have good Libraries, Schools and Colleges, Divine Healing Homes, Homes for the Aged, Orphanages, Homes for Young Men, Homes for Young Women, and above all the great

ZION TEMPLE

Seating at least 25,000 people, where multitudes will assemble every Lord's Day to hear the Everlasting Gospel preached in all its fulness.
This land will be conveyed by lease only and not by deed. Leases will stand for a period of not less than 1000 years.
Certificates of Stock in Zion Land and Investment Association will be accepted in payment for lots, and shareholders only will be entitled to the first choice of selection at the lowest prices.
Owing to the limited number of lots that will be ready by the opening day, we would advise every prospective purchaser or homeseeker in Zion City to secure stock at once, or before the first series closes, which will be at an early date.
The mutual interests of employer and employee will be provided for by the establishment of Manufacturing Industries and Commercial Enterprises operated on the Co-operative, Profit-sharing Plan.
Pamphlets, Articles of Agreement and any other information desired by prospective investors, gladly furnished upon application.
Address all communications relating to Zion City to

ZION LAND AND INVESTMENT ASSOCIATION,
1300 Michigan Avenue,
CHICAGO, ILLINOIS.

ZION'S BIBLE CLASS.

CONDUCTED BY DEACON DANIEL SLOAN.

MIDWEEK BIBLE CLASS LESSON, APRIL 17th or 18th.

Help That Fails Not.

1. *God is now here.*—Matthew 1:21-23.
   He has not gone away from this earth.
   "I am with you alway," is His Word.
   One's spirit can never flee from Him.
2. *He is so near that His Voice is heard.*—John 10:4, 5.
   Follow Me, is His command.
   The soldier at the cross knew His Voice.
   Those who came to arrest Him heard it.
3. *He is a very present help.*—Psalm 46:1-3.
   He is not simply a Help;
   He is not merely a Present Help;
   But He is a very Present Help.
4. *His eye directs our movements.*—Psalm 123:1, 2.
   Although He is in heaven, it directs us.
   In fellowship, we look into His eye.
   He says by His eye, Do this, or Do that.
5. *We do not have to feel after Him.*—Acts 17:27, 28.
   One has not to search for Him as the woman did for the lost coin.
   He is never far away to the humble.
   Mary, in grief, found her Lord was near her.
6. *We see Him not far off.*—Jeremiah 23:21-24.
   We find Him at hand, as Peter did.
   He makes plain what will be done years hence.
   He gives freely only of good things.
7. *He is in and through us.*—John 15:1-5.
   His Life courses within us.
   His Grace shines out of us.
   His Vigor touches even finger tips.
8. *We cannot take a step without Him.*—John 14:6-9.
   He is the Way to happiness.
   He is the Truth to find it.
   He is the Life to enjoy it.

The Lord Our God is an Ever-Present God.

SUNDAY BIBLE CLASS LESSON, APRIL 21st.

Daily Subjects of Prayer.

1. *Pray for light from God's Word on every relationship of life.*—Psalm 119:130.
   God's Word is the Light to follow.
   It is bright to those having eyes to see.
   Keep it near you and follow it closely.
2. *Pray for God's presence and power in the inner life.*—Psalm 27:7-9.
   His smiling face brings cheer.
   A close fellowship with God is blessed.
   His presence within makes life all glorious.
3. *Pray for sufficient food and clothing for the body.*—Proverbs 30:7-9.
   Ask Him to supply arising needs.
   Ask for what you need in confidence.
   Live right and never fear for want.
4. *Pray for good judgment to administer the affairs of life.*—1 Kings 3:9, 10.
   He gives wisdom with which to govern one in selections.
   He enables one to judge righteously.
   His Word guides into the exercise of good judgment.
5. *Pray for a renewed body to accomplish God's will on earth.*—Isaiah 40:28-31.
   Your body needs daily renewal.
   Wait on God; He delivers from every weakness.
   Take hold upon His strength.
6. *Pray for deliverance from trouble, oppression and difficulty.*—Psalm 34:3-7.
   He delivers from trouble.
   He saves from all our enemies.
   He lifts up those bowed down.
7. *Pray for a clean, joyful heart to witness for Him in all the walks of life.*—Psalm 51:10-13.
   Happy is one with a clean heart.
   When happy, then one can be useful.
   When freed from care, we can teach others.
8. *Pray for enemies and those who despise your mission in life.*—Matthew 5:43-46.
   Pray most for those who mistreat you.
   Be happy when others malign you.
   Prayer is your safeguard against becoming angry at others.
9. *Pray for rulers in authority, and for the peace of the place in which you live.*—1 Timothy 2:1-4.
   Pray for municipal, State and National governments.
   Pray for the community and neighborhood about you.
   Pray for those charged with enforcing the law.
10. *Pray for the spoken Word of God, that it may touch the hearts and lives of all who hear it.*—2 Thessalonians 2:1-12.
    Follow in earnest supplication where He is preached.
    The truth will stir, perhaps, wicked hearts to sin.
    It will condemn where it does not save.
11. *Pray for a revival of salvation that delivers God's people in blessings.*—Zechariah 10:1-4.
    God promises to restore power.
    When earnest supplication prevails, it will come.
    An awakening occurs when God's Word is preached in truth.
12. *Pray for the servants of God that they minister in the power of a holy life.*—2 Timothy 2:20-26.
    Every vessel in God's House should be clean.
    Lust indulged in ever hinders grace.
    Divine patience wins in teaching from the Devil's subtlety.

God's Holy People are a Definite-Prayer People.

He sendeth His word PATIENCE and healeth them.

LEAVES OF HEALING

I am the Lord that healeth thee.

And the leaves of the tree were for the healing of the nations.

A WEEKLY PAPER FOR THE EXTENSION OF THE KINGDOM OF GOD.

EDITED BY THE REV. JOHN ALEX. DOWIE.

VOLUME VIII. NUMBER 25. CHICAGO, APRIL 13, 1901. PRICE FIVE CENTS.

GOD'S WITNESSES TO DIVINE HEALING.

QUICKLY HEALED OF INTERNAL AND SPINAL DISEASE AFTER FIFTEEN YEARS' INTENSE SUFFERING. HEALED OF CATARACTS.

SHE HAD SUFFERED MANY THINGS OF MANY PHYSICIANS.

This Witness was treated by ten physicians. The first attended her at the birth of her first child. She was never well afterwards, until God healed her fifteen years later.

During that fifteen years these ten physicians treated her and collected their fees.

She grew worse.

The physicians guessed at her maladies. They could not agree.

Each treated her according to his own opinion of the case.

None of them knew the effect of the poisons which he gave her.

Yet these wise men were "Doctors" of the so-called Science of Medicine!

Science is "Knowledge, ascertained facts"; never guesswork.

Medicine is not a science.

Its most able professors and practitioners admit that it is almost wholly conjecture.

Dr. James Mason Good says:

> The effects of our medicines are in the highest degree unsatisfactory, except, indeed, that they have *destroyed more lives than War, Pestilence and Famine combined.*

Sir Astley Cooper, physician to the late Queen Victoria, has declared:

> The science of medicine is founded upon conjecture and improved by murder.

The Dublin *Medical Journal* has said:

> What we call Medical Science is a jumble of inconsistent opinions.

In LEAVES OF HEALING, Volume VI, Number 13, pages 409 and 410, can be found the witness of scores of other high medical authorities to the same effect.

DEACONESS KATE HUBBARD-PECKHAM.

Not only do the physicians themselves testify to the uselessness of medicine as a healing agency; but the Word of God declares against it.

He says, "Ye are all physicians of no value."

He says, "In vain shalt thou use many medicines."

He says, "I will be a Swift Witness against the sorcerers." (Hebrew *Kashaph*, "makers, dealers in and venders of deadly poisons.")

He says, "She had suffered many things of many physicians, and had spent all that she had, and was nothing bettered, but rather grew worse."

He has nowhere a good word for physicians or their drugs.

The testimony of the Word of God and of the physicians themselves is borne out by the facts as they appear on every side.

How many millions have gone down to their graves poisoned or butchered to death by physicians or surgeons!

This Witness was thus suffer-

ing, yea, dying, from the experiments of these medical "sorcerers."

She had found, by bitterest experience, the terrible failure of man's way of attempted healing. She had yet to learn God's Way of Healing.

LEAVES OF HEALING, the Little White Dove, came into her hands. It brought the Message which told her of God's Way of Healing, Jesus Christ His Son.

She believed.

She prayed that she might visit Zion.

God wonderfully opened the way.

In Divine Healing Home No. 1, God's Messenger laid hands upon her and prayed "in the Name of Jesus, in the Power of the Holy Spirit, and in accordance with the Will of God our Heavenly Father," for her healing.

Instantly all the terrible diseases which were dragging her down to the grave slipped from her.

Their effects soon passed away and she was a well woman.

God's Way of Healing was instantaneous, exact, free.

Later, she was threatened with blindness caused by cataracts in her eyes.

God heard the prayer of one of Zion's faithful Elders, Elder McClurkin, and she was healed.

The healing of all these diseases has been permanent.

Six years have passed since God set her free.

She is a happy Witness for God in her work as a Deaconess of the Christian Catholic Church in Zion.

She tells of His goodness in Zion Cottage Meetings and as she goes into the streets and lanes of the great City of Chicago in Zion Seventy work.

She now goes with her wonderful Story to earth's remotest bounds.

May God bless her as she tells it, simply, faithfully and truthfully.

May He, by His Holy Spirit, lead many a sick and weary sufferer to turn from man's worse than useless attempt to do God's work in healing, and trust God alone. A. W. N.

WRITTEN TESTIMONY OF DEACONESS KATE HUBBARD-PECKHAM.

2522 CALUMET AVENUE,
CHICAGO, ILLINOIS, March 15, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—It is with a heart full of praise that I avail myself of the privilege given me to testify to the wonderful power of Zion's God, and to the answered prayer of God's faithful Messenger, Rev. John Alexander Dowie.

I have testified orally at the Little Wooden Hut, Zion Tabernacle No. 1, and at Central Zion Tabernacle.

May this written testimony convince many and be the means of many healings.

Ever since the birth of my first child, who is now nearly twenty-one years of age, I had been an invalid, more or less, until healed at Divine Healing Home No. 1, in the winter of 1895.

I was not informed by my physician at the time of all the dreadful things that followed this birth, but from that time my sufferings began.

A lump came up in my right side, accompanied by a dull, sickening pain.

Later, I was informed that a fearful laceration had taken place.

As the years passed by, my sufferings increased.

I was examined and treated by not less than ten physicians in Lafayette, Indiana; Chicago, Illinois; Dayton and Cincinnati, Ohio, who variously diagnosed my case.

They all agreed as to antroversion, laceration and inflammation so great that Dr. Hall, of Chicago, said the flesh had turned a deep purple.

They disagreed as to what the lump in my side could be.

Some thought it a rupture, some a floating kidney.

Dr. Wetherell, of Lafayette, said that the ovary had been pulled loose, had fallen, and grown to the uterus.

Dr. Walker, after examination, said that the uterus and bladder had adhered.

Dr. Ackerman did not commit himself. The only thing he told me was that the tubes were very much enlarged. This verdict was given some months after my return from the hospital.

He treated me for several months, and finally seemed quite frightened over a discovery which he had made.

He was non-committal, however, only advising me not to go to a surgeon, saying if I knew as much about them as he did, I would not, as they were usually butchers.

Why he should receive remuneration from me for months, stating one thing to me, and when I was healed claiming that my troubles were mostly imaginary, I cannot conceive.

I mention this not through ill will toward him (may he ask forgiveness of Him who so graciously forgave me), but to show to what length people will go when one is Divinely healed, that others may be undeceived, and that God may receive the glory due Him.

My sufferings brought on insomnia and nervous prostration.

My spine and brain were sympathetically affected.

I could not endure to have my mother pass her finger along the outside of my clothing.

My brain felt as if boiling hot water were at its base.

The growth in my abdomen increased, and by pressure I could hear a sound as of gurgling water.

There also seemed a pressure in the left side near the heart.

It seemed as if I could endure it no longer.

I wanted to die.

I was sent, at last, to the private hospital of Dr. Reamy, of Cincinnati.

He diagnosed my case as enlargement of the fallopian tubes, which he said had grown from their natural size (that of a straw) to the size of his wrist.

He also diagnosed uterine troubles, the nature of which he did not then state.

Upon a second visit to him, he informed me, in the presence of a lady doctor who had succeeded Dr. Porter, that I had had a cancerous growth in my uterus.

He told my husband in a letter that he would send me home in a month well; hoping to perform a laparatonomy operation.

I stayed four months.

He finally sent me home, stating that my uterus was all right, but that he was unable to accomplish that for which he had hoped.

In other words, he could not cure me.

He said my heart action was so weak that an operation was simply impossible, as I would be under the influence of the anesthetic for hours, and that he could not conscientiously operate, feeling almost to a certainty that I would not recover.

He seemed kinder than most surgeons, and I believe he did the best for me that human power could do. If he could not cure me, no other surgeon could.

I feel thankful that he did not operate, as I can now testify to the wonderful healing power of my Heavenly Father.

In a short time after my return, the old symptoms returned and I suffered greatly.

Then LEAVES OF HEALING came into my hands.

I read the testimonies, but there arose a doubt as to its being God's will until I read Mrs. Lowrie's testimony. There I saw the answer to the direct prayer of faith, and knew it to be God's will.

I went alone and prayed that if I were to go to Chicago He would open the way.

In less than a week I was enabled to sell a lot which I had been unable to sell for many years.

I came to Chicago, Saturday night, to Divine Healing Home No. 1.

I heard God's Messenger preach the old-time Full Gospel on Sunday, which was about all the teaching I had.

Monday he prayed for me and I was instantly healed of all those troubles, except some soreness in my spine and the heat in my brain, they passing away gradually.

The night the General Overseer prayed for me, there came a testing time.

Having had so little of the teaching, I did not then understand.

The Devil put a great doubt into my mind as to the healing being the work of God.

I was so weak I could only speak in a whisper.

I whispered my doubts to my husband.

He said, "Let us pray."

He took my hand in his and said something like this: "We come to Thee as we have always come. If this healing be of God, give my wife sleep."

Then he said to me, "Katie, if it be not of God, I will take you home on the first train in the morning."

In less than five minutes I was in a gentle, sweet, refreshing sleep, such as I had not had for years.

When the healing took place, I felt as if some great power were tearing asunder parts in my body, and it was so.

Digitized by Google
Original from NEW YORK PUBLIC LIBRARY

When I awoke the next morning my size had diminished an inch, and at the end of a week I could place my double fists in the space which was once entirely filled by the growth.

The next morning I could stoop with perfect ease, and can to this day. Before that, if I dropped a handkerchief my little daughter would run and hand it to me, or if she were not present, I would kick it up with my foot and then catch it.

God also blessed me spiritually with a peace and sweetness that was so great that I felt as if it must be lifted or I could not endure the joy.

I told of my healing to very many, and testified in the Church of which I was a member.

When I found it was received with such disfavor in the Church, I allowed fear to creep in and ceased testifying in the Church to my healing, although I did at other places.

About this time my eyes became very much affected.

I have the written statement from two eminent oculists of Cincinnati, Ohio, Drs. Ayres and Sattler, that I had cataracts in both eyes. Dr. Ayres stating that in a year he would extract my right eye. Dr. Sattler said that I might go blind in my right eye at any time.

After God showed me my sin of fear, I went to Him with perfect trust.

Eider McClurkin laid hands on me in Zion Tabernacle last August, a year ago, and I was healed.

The film has entirely disappeared.

I now praise His Holy Name that I can see to write this statement, to sing the hymns and read His Word.

I have no fear that the disease will ever return if I keep faithful.

I have been able to testify very frequently to God's wonderful Love and Healing Power, both on my route in Zion Seventy work and in Zion Cottage Meetings.

I can truly say that my greatest joy is to work for Him, and that He is dearer than any earthly friend.

He has recently opened the way for me to serve Him better.

I pray that He will help me to magnify His Name by the example of Holy Living, both at home and abroad.

I shall never cease to praise Him that He led unworthy me to hear the Full Gospel from the lips of His faithful Messenger.

May God keep and spare him and his for many years to disease-smitten and sin-stricken humanity.

It is impossible to tell the many blessings God has given us in Zion. Nor can we express our praise to our Heavenly Father and gratitude to you for your faithful teaching and prayers.

(MRS.) KATE HUBBARD-PECKHAM.

DEACON W. S. PECKHAM.

WRITTEN TESTIMONY OF DEACON W. S. PECKHAM.

2522 CALUMET AVENUE,
CHICAGO, ILLINOIS, April 9, 1901.

REV. JOHN ALEX. DOWIE.

Beloved General Overseer:—It is with great joy that I bear testimony to my wife's instantaneous and miraculous healing.

For more than fifteen years she had suffered untold tortures, and had gone from physician to physician seeking help, only to find them all "physicians of no value": for she was "nothing bettered, but rather grew worse."

After having exhausted every human resource, and when in utter despair, with existence a burden, and death's shadows deepening, we heard, through a friend, of the wonderful works of God in Zion.

After reading LEAVES OF HEALING, new hope was born in my wife's heart.

I was very skeptical, and said I would not believe the reported healings even if I could see them with my own eyes.

But I decided to take my wife to see Dr. Dowie as a last resort, and in order that I might not have to reproach myself for not trying in every way to help her.

I was willing to take her anywhere, and do anything, if she could only be healed.

With prejudice, false teaching and Baptist pride in my heart, I brought my wife to Divine Healing Home No. 1.

I shall never forget the experiences attending our arrival at Chicago. The night was bitter cold, and a fearful blizzard was blowing.

It was only a short distance from the station to the Home, but we got off on the wrong side, and were obliged to wade through deep snow. Both of my ears were frozen stiff before we reached shelter.

When I told you about my ears, we were seated at the supper table, and you arose and came over and prayed for me, laying your hand upon my ears.

I was instantly relieved of all pain.

The swelling went down, and I have never been troubled with that tenderness which always follows frosted ears for many years afterwards.

In answer to your prayers, hearing was restored to my right ear, which had been lost for more than twenty years.

Thus at the very beginning I was prepared for the wonderful healing of my dear wife, which speedily followed.

The genuineness of the work appealed to me at once. A heavenly peace pervaded the Home, and love reigned everywhere.

I talked with scores of people, who, with beaming faces and overflowing hearts, told of their healing in answer to your prayers.

I saw all manner of diseases, in many cases, healed, and was an eye-witness to several Miracles of Healing.

Day after day for two weeks I listened to the beautiful teachings of a Full Gospel by both you and Mrs. Dowie.

In those glorious never-to-be-forgotten days, you were able to take nearly all of the meetings, and what you could not take, Mrs. Dowie led.

Her teaching was only less wonderful than yours, and her voice was always gladly heard, when it was impossible for you to come.

I saw your deep consecration, your incessant toil, night and day, for the sinful, sick and sorrowing, who came thronging to the Home and Zion Tabernacle from all over the world.

I saw a man who had refined tastes, a great scholar, a man who could have easily won honor and wealth from the world, giving up his very life for poor, sin-stricken, disease-smitten humanity.

I saw that he made no compromise with either sin or sinner, but demanded a true Repentance, Confession, Restitution, and Obedience on the part of every one.

I believed in Dr. Dowie at once, but rebelled in a few matters at first.

I could not see at once that he was right in attacking Secret Societies, especially the Masonic Order, of which I was afterwards elected Worshipful Master.

I have since been led to see that there is no Christ in Masonry.

I always believed in the Bible as the Inspired Word of God, and I found everything that you taught was in keeping with the Word.

I soon found that there was only one measuring rule in Zion, and that was the Inspired Word of God, and all your teaching was Scriptural.

All through my life, the Voice of the Spirit had been speaking to me concerning many of the precious truths which you proclaimed.

I put these thoughts aside as of the Devil, and upbraided myself for being so very wicked as not to agree with the orthodox teaching of the Church. But you have led me to the Fountain of Truth.

I am so thankful to you for delivering me from that awful lie that God sends sickness and disease for our good, and that we must pray for deliverance from them, saying, "If it be Thy will."

You have made it so plain that it is God's will to deliver from pain,

sickness, and all manner of disease, because Jesus said it was all the work of the Devil, and that He came to destroy the works of the Devil; and Jesus would never destroy what was God's will.

During my stay in Divine Healing Home No. 1, the persecutions were very bitter.

I went several times to the dirty, stinking justice courts, and saw the servant of God unjustly and illegally arrested and brought to trial.

At the time I was in the Home, the papers were full of abominable lies and false reports concerning Dr. Dowie and the Divine Healing Homes.

The story of the toil, the sacrifices and the awful persecutions can never be told. Only the sustaining power of God ever carried our General Overseer through, for no man or woman could have borne it all and not broken down.

My wife was healed at once of all her chronic troubles, but remained in the Home to get the teaching and build up her wrecked system.

When I went back to my old Church, after seeing the wonderful works of God in Zion, the only ones who received my testimony and that of my good wife were the children in the Primary and Kindergarten departments of the Sunday School of which I had been Superintendent for fifteen years. They never doubted at all.

At that time the Christian Catholic Church in Zion was not yet organized, and Dr. Dowie sent us back into our Church, telling us to be faithful and witness to what God had done for us.

But our testimony was not received, and we soon found it was not possible to stand for the truth and not have trouble.

We worked as hard as ever for the Baptist Church, and witnessed for the Full Gospel as we had opportunity. We held some meetings in our bome.

We felt that little was being accomplished, and that we were fighting in a lost cause.

When you organized the Christian Catholic Church in Zion we were busy in the Baptist Church, and thought we would wait until there was a Branch of the Christian Catholic Church established in our city.

We made a great mistake in delaying joining the Christian Catholic Church.

The time we spent in the old Baptist Church was all lost.

We lost in spiritual life and power by staying in a dead Church.

It was only after we were baptized by a Triune Immersion, the Seal of the Living God, and came out of the Baptist Church and into the Christian Catholic Church in Zion, that God used us to any extent in His ministry.

We felt that we must have some place to worship and for the children to attend Sunday School, and made the awful mistake that many others are making when they do not come out and stand alone, if need be, for the truth of a Full Gospel.

After we left the Church and opened up a Zion Gathering in our home, many others came with us, and we had a glorious work.

Many were saved, healed and cleansed at all our services.

My wife's healing has stood for over six years.

She is today well and happy.

No words can express our praise to God the Father, or our thanks and love to you, our beloved General Overseer, for the blessings that have come into our lives through your teaching and prayers.

I also desire to bear testimony to the great, loving heart of our beloved General Overseer. I know he loves his people better than he does himself, and that he is pouring out his life for them.

As a member of the Business Cabinet of Zion, and one close to the direct financial affairs of Zion, I can truthfully say that the General Overseer of the Christian Catholic Church in Zion does everything in the fear of God and for His glory and the people's best and highest interest.

His only desire is to have Christ enthroned in heart and home and nation.

God spare him to us until Jesus Christ comes! And I believe He will.

As John, the first Messenger, came in humility, like the Lord Jesus, so also he suffered death like his Lord. Even so I believe John the Messenger of the Covenant, who now speaks to us, has come like his Lord the Christ shall come, in great power and glory, and like Him he shall be exalted and shall not die, but reign with his Lord in the Kingdom.

Our beloved General Overseer is surely the Messenger of the Covenant.

Our Lord and the Holy Spirit has warned us against all the deceivers who should come. Again and again are we warned against false teachers, false prophets, false Christs, etc.

But we are nowhere warned in God's Word against a false Messenger of the Covenant. There will never be a false Messenger of the Covenant.

God's Word declares it, and it cannot be shaken.

He who now speaks to us is here with credentials (see Malachi, third chapter).

All that I am or ever will be, I owe to God through your ministry.

You led me to Jesus, and also my wife and son and daughter.

We have all been saved and healed and blessed under your teaching.

No words can tell my reverence and love for you.

I have not said half that was in my heart to say, nor half that could be truthfully said.

May God bless you and your dear wife, and your son and your daughter, and give you all an abundant entrance into Life Eternal.

Faithfully yours in the service of our Coming King,

WILLIAM S. PECKHAM.

NOTES OF THANKSGIVING TO ZION'S GOD.

James 5, 14 and 15 Fulfilled.

1241 NORTH HALSTED STREET,
CHICAGO, ILLINOIS, March 20, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—I thought it my duty to testify to the healing I have received. I thank God and give Him all the glory.

I was taken very sick before Christmas. At first I commenced to vomit and then I had cramps day and night, and then the blood poured from my bowels every morning for five days.

Then I sent for the Elder to come and pray for me.

God answered prayer.

A week before Christmas I was sick with the grip.

The blood poured from me again for six days.

I sent for the Elder. He prayed for me and God answered prayer.

I have not had any sickness since then.

I am thankful that I belong to the Christian Catholic Church in Zion. and that I have such a dear General Overseer to teach me how to live right.

Thank God, all fear has been taken from me, and I trust in Him for everything.

I thank Elder McClurkin and all the kind friends for their prayers.

Faithfully your Sister in Christ, (MRS.) MAGGIE PAUL.

God's Promises are Sure.

LINCOLN, KANSAS, March 18, 1901.

DEAR GENERAL OVERSEER:—Your letter of the 7th came to hand in reply to my telegram, saying you had prayed for me.

I was better for two days, then I was worse on the third day. The next day I got the victory, believing the promise that Christ left.

I am so thankful to God for my healing.

The first week in February I fell and injured my knee. I could not walk a step.

I asked God in Jesus' Name to heal my knee, and soon it was all right.

Last September, when I was in California, I was very sick. A man offered to pay for a doctor if I would have one, but I told him I would trust the Lord.

I praise the Lord for what He has done for me.

May the blessing of God ever rest upon this good work.

Your Sister in Christ, HULDAH RUGGLES.

Healed of Tonsilitis.

JEFFERSON, OHIO, March 18, 1901.

DEAR GENERAL OVERSEER:—I write to thank you for praying for me.

I praise God for healing me of a severe attack of tonsilitis.

I took very sick Thursday morning from, I think, exposure and overexertion on the two previous days.

On Friday evening my sister sent you a request for prayer. At that time I could only swallow a little soup.

My tonsils broke Saturday night, and on the following Tuesday I was perfectly well, for which I give God all the glory.

Thanking you for past kindnesses, I remain

Your Sister in Christ, LOLA B. CORBITT.

God Heals Fever and Pneumonia.

BRODHEAD, WISCONSIN, March 22, 1901.

REV. JOHN ALEX. DOWIE.

Dear Brother in Christ:—I sent you a telegram on March 19th, requesting prayer for my wife, who was suffering with pneumonia.

Before I reached home my wife was better.

Last night her fever and pneumonia symptoms left her.

Yours truly, THOMAS SHAFF.

IS ANY among you sick? let him call for the Elders of the Church; and let them pray over him, anointing him with oil in the Name of the Lord: and the prayer of faith shall save him that is sick, and the Lord shall raise him up; and if he have committed sins, it shall be forgiven him. Confess therefore your sins one to another, and pray one for another, that ye may be healed.—James 5:14-16.

A Volunteer Prisoner Carries Christ the Healer to Prisoners.

The letter which follows was written by a soldier who volunteered to become a prisoner, that he might take the Full Gospel to the soldiers.

He was taken from South Africa to Prisoner Camp in the Island of Ceylon. From his prison "hut" he writes to our General Overseer for Zion Literature. He says:

DEAR REVEREND AND BROTHER IN CHRIST:—You will, no doubt, be surprised at the receipt of this letter from Ceylon, since my residence is at Johannesburg, South Africa.

I have a great desire to toil among my fellow-prisoners here.

They have been refreshed by showers of richest blessings.

The Lord has also been glorified here in Zion.

From November 1, 1900, to December 31, 1900, the fever and other diseases were raging among the prisoners of war here.

At one time no less than 600 were in the various hospitals.

The whole number of prisoners at that time was 4500.

Hundreds were restored to health through the Prayer of Faith.

The medical officers refused to grant me a permit to the hospitals.

But the names of many who were practically dying and were given up as hopeless by the doctors were brought to me.

These names were laid at the Cross of Jesus, and the sick were healed.

One evening thirty altogether were healed through the Prayer of Faith.

Zion's servant sent word to them that they had to confess their sins to God, and the Prayer of Faith would be offered for their recovery from sickness and sin at 8 o'clock.

The next morning I received a message that they complied with my instructions and were healed.

There are three Dutch Reformed ministers here, and several meetings were held to discuss the question of Divine Healing.

Some strong arguments followed on the grounds of the visible and good results of Divine Healing.

The congregation also desired to know why those methods are not adopted by the denominational churches as well as in the Christian Catholic Church in Zion.

The ministers replied that the Dutch Reformed Church would in general lose many of its members. Nevertheless, they admit that sickness is not the Will of God, and that Divine Healing, according to the command in James 5:14-16, was acknowledged in the Church as long as three hundred years after Christ, but that since that time the Church has departed from this command.

The stinkpots are being done away with by hundreds.

One is now praying for another the Prayer of Faith, and recovery follows.

"Not unto us, O Lord, not unto us, but unto Thee give glory."

I could not have come here unless I desired to be an imprisoned Paul or Daniel and to be like him.

I made the promise:

"I'll go where You want me to go, dear Lord,
Over mountain, or plain, or sea;
I'll say what You want me to say, dear Lord,
I'll be what You want me to be."

I am longing for more LEAVES OF HEALING. I desire to go out on the island or elsewhere, but the Lord has not opened the way yet.

I Feel as if I Had Never Known the Taste of Tobacco.

The letter which follows is from a soldier in South Africa, who writes to our General Overseer and says:

DEAR GENERAL OVERSEER—It is with great pleasure that I write my testimony, telling you of the blessing I have received since attending Zion meetings.

Several months since I renounced Christianity for Spiritualism.

The cause of my doing so was that I became so disgusted with the ways and conduct of some professing Christians that I said to myself, "If those be Christians, I'm not mean enough for one."

The Devil came along in the shape of a Spiritualist, and before long I was in the grasp of the Devil.

It was fascinating for a time; but my nerves became completely shattered, and my experience in other ways led me to see that Spiritualism was of the Devil.

I called upon God to deliver me from it.

He heard my prayer.

The Sunday following my escape from the Devil, I went with a comrade to a Zion meeting. There I found rest and peace, which I had never known before.

I was a very heavy smoker, and smoked so much that if any of my comrades saw me without a pipe in my mouth, they would jokingly ask me if I were ill.

The morning after I had been to Zion, I lit my pipe and began to smoke, when a Voice told me to take it out and to do away with my tobacco and pipes.

I obeyed.

I feel as if I had never known the taste of tobacco.

I have been everything that is bad; but the blood of Jesus is sufficient to cleanse the vilest.

I have taken Christ as the Saviour of my body as well as my spirit.

A Life Changed Through Reading Leaves of Healing.

The following extract is from the letter of a gentleman in Cuba, who writes:

REV. JOHN ALEX. DOWIE.

Dear Sir and Friend:—I believe you are a friend to mankind, and God has made you a blessing by the power He has given you to explain His Word in the right way.

Since I have been reading LEAVES OF HEALING, the whole Bible and my whole life are changed.

How I wish that I had been taught the way you teach! Then a life which has been wasted through the want of not knowing any better might have been a blessing to myself and those around me.

But I pray God daily to make me what I ought to be, in body, soul and spirit, and to let me know that His Spirit is with me; for I leave my all with Him.

We invite our readers to help us in sending Zion teaching over the world.

EDITORIAL NOTES.

"THE LORD SHALL SEND FORTH THE ROD OF THY STRENGTH OUT OF ZION."

RULE THOU in the midst of thine enemies.

THY PEOPLE are Free-will Offerings in the day of thy Power:
In the Beauties of Holiness, from the Womb of the Morning,
Thou hast the Dew of Thy Youth.

THE ANCIENT OF DAYS is Eternal Youth.
Christ our King is forever young:
The Dew of Eternal Spring is His,
For He is the Tree of Life
With all the foliage and fruits of Perennial Blessing.
He is High Priest forever after the Order of Melchizedek.
He shall judge among the Nations.

EASTER LILIES, White Emblems of Christ's Purity, shed their fragrance and displayed their beauty in the Courts of Zion last Lord's Day, speaking of Him who came up out of all Earth's toils, and trials, and temptations, and out of the dark grave, where neither Death nor Hell could hold Him for their prey.

WHITE LILIES speak of the Great White Throne, and of the White-robed Throng, and the Everlasting Song.

Fair and beautiful, they speak of Resurrection and of Life; of Vanquished Death, of Transforming Power, and Everlasting Love!

It is well that Spring should bring forth from Winter's snowy bed, a flower so fragrant and so wonderful.

NEVER DID the Lilies seem more beautiful; never did they bring their Message from Heaven more sweetly to our spirits, than on last Easter Day.

To the eye and ear of Faith, the Lilies spoke of Victory, and of that "Mystery" which tells us "we shall all be changed" and that God shall give us new bodies as it pleaseth Him.

Sown in corruption, dishonor, and in weakness, our natural body must needs pass away into the glory of the Incorruptible and Spiritual Body filled with Divine Power, stamped with the "Image of the Heavenly."

Embodiment is essential to Divine Development, to Divine Perpetuation.

How wonderful must be the "Glory of the Incorruptible," since God has found so wonderful an Emblem for its illustration in the beautiful forms of the lilies in all the splendor of their spotless simplicity!

ENTERING INTO Zion's Courts with Praise, we walked in the rear of the Processional through the standing reverent throng of thousands of earnest worshipers, while the triumphant strains of Zion's White-robed Choir rang through the building:

Christ is risen, Christ is risen!
He hath burst His bonds in twain;
Christ is risen, Christ is risen!
Alleluia! swell the strain.
For our gain He suffered loss
By Divine decree,
He hath died upon the cross,
But our God is He.

COMING LAST of all, it was our privilege to face these throngs of happy children, youths, maidens, men and women, united in perfect harmony, singing that Song which never loses its thrilling pathos and uplifting power, telling of the Triumph, final and complete, of right over wrong, and of the Universal Sway of the Scepter of Omnipotent Love, in the "New Heavens and the New Earth wherein dwelleth Righteousness."

FIGHTING HERE in one of the high places of the Field of the World, often sorely beset by the Powers of Darkness and of Death; plucking out the Tares in the Harvest Field today and binding them up for that Burning which must precede the glorious Reaping of God's children into His Kingdom in this period of the Consummation of the Age, Easter is an ever fresh and glorious inspiration.

IN THIS issue we send forth the Message of God's Grace to all Mankind, telling of Universal Life in Christ, with the earnest prayer that it may come to Zion everywhere with the same Power which God gave it in Zion Central Tabernacle on Easter Day, when, so far as human eye could see, or ears could hear, there was but one voice as the multitudes arose and consecrated themselves, with overflowing hearts, to Christ their King.

"FOR AS in Adam all die, even so in Christ shall ALL be made alive."

CHICAGO'S Two Millions represent well-nigh all the Nations of the Earth, and the fellowship of the Christian Catholic Church in Zion, as represented in Chicago, already comprises men of almost every tribe and tongue and people.

THE BATTLE is the Lord's, and joyfully are the Hosts of Zion gathering in Zion, Chicago, to do the bidding of their King.

THE WEEK now closing has seen many wondrous developments of God's work in Zion in all Departments, and vigorous operations are being conducted in all parts of the world.

Preparations are being made also, on a most extensive scale, for future work.

We trust within another month to be able to announce that the Period of Organization and Preparation, through which we have been passing so largely during the past two months, is over.

The results will be seen, doubtless, in the ingathering of vast multitudes into Zion, and in their Sealing with the "Seal of the Living God."

THE FIRST issue of THE ZION BANNER will appear, God willing, on Wednesday, May 22d.

We may have been somewhat remiss in keeping up our readers to the proper Standard of Zion Giving, in connection with this great enterprise; for we have received only about One Thousand Five Hundred Dollars and we need about Twenty-five Thousand Dollars.

The launching of a weekly semi-secular paper such as this demands large expenditures, and most careful preparations.

WE HAVE already contracted for the building of four large new Printing Presses, with their accompanying Electro-motors and Automatic Feeders.

Other supplies, such as new type, folders, paper-cutters, book-trimmers, stitchers, etc., with the cost of a largely increased staff in the Literary Department, and of extensive alterations and construction of rooms in the building, will involve us in the expenditure of at least Thirty Thousand Dollars, before we print a single issue of THE ZION BANNER.

Large as is this expenditure, however, we feel it is justified and demanded by the great expansion of Zion, and the interests of the Coming City, and for keeping our people well-informed respecting the Ecclesiastical, Educational, and Commercial Departments of Zion's Work, and its bearing upon the Affairs of the World at large.

MAY WE NOT, therefore, earnestly ask once more for a liberal response to our appeal for funds for this purpose?

THE ZION BANNER will appear, God willing, every Wednesday, and will give as faithful a résumé of the News of the City, State, Nation and World, as possible.

It will contain, we hope, a Weekly Address delivered by ourselves every Friday evening, on the "Outlook From Zion's Watchtower," in which we shall review the Ecclesiastical, Political, Social, and Commercial affairs of the World.

We shall also, occasionally, review important books, and deal with matters of interest along all the lines of Zion Industry and Educational Progress.

The paper will be largely what our friends enable us to make it, by their generous gifts, in helping us to launch it, and by large numbers of subscriptions being sent in at the earliest possible moment.

We are preparing a Prospectus containing a specimen of the first and last pages of the cover, done by the beautiful three-color process, and two pages of the inside, setting forth the nature of this coming semi-secular weekly paper.

IN THIS connection we may say that we have appointed Deacon Arthur W. Newcomb, General Manager of Zion Printing and Publishing House; Deacon David F. Robertson, Superintendent of the Circulation Department; Mr. M. N. Price, Superintendent of the Printing Department; Mr. George W. Stahlman, Cashier and Accountant; Mr. James R. McVean, Foreman of the Composing Room, and Mr. Christopher H. Johnson, Foreman of the Press Room and Bindery.

These principal officers are supported by a large and well-trained staff of able and up-to-date men and women in each Department.

Zion Printing and Publishing House is now entering upon the occupation of the fine building at 1300 Michigan Avenue, hitherto occupied by Zion City Bank, Zion Land and Investment Association, and Zion College, as well as by Zion Printing Works.

WHEN WE CONSIDER the small beginnings of Zion Printing Works and Zion Publishing House in 1894, it is a wonderful sight to behold what God hath wrought.

We are now turning out many tons of printed matter every month, and were it possible for us to take in outside work from the members and friends of the Christian Catholic Church in Zion, we would need a building twice as large within a very short time.

LET OUR FRIENDS everywhere pray for this great Department of Zion's work, and for all the Officers whom we have named, and all the others who are not named, many of whom

are doing good work, and will, doubtless, in days to come, take prominent places in the various Departments of Zion Printing and Publishing House

---

THE PROSPECTUS for THE ZION BANNER will show that the paper will be five cents per copy, twenty-five copies for Seventy-five Cents, one hundred copies for Three Dollars, one thousand copies for Twenty-five Dollars.

The subscription price will be $1.50 per year, or eigthy-five cents ($0.85) for six months. Friends taking ten copies weekly will get them for Twelve Dollars per annum, postage paid.

ON AND AFTER the 1st of May, all business communications for Zion Printing and Publishing House, and all communications for any of the papers published, must be addressed to Deacon Arthur W. Newcomb, General Manager, 1300 Michigan Avenue.

It is especially requested that communications concerning Zion Printing and Publishing House shall not be addressed to Zion Building on Michigan Avenue and Twelfth Street, as it causes great inconvenience and delay in the execution of orders.

All remittances by bank draft, money order, or check, must be made payable to the order of John Alex. Dowie.

FRIENDS OF ZION in France, and on the Continent of Europe, are informed that our Branch of Zion Publishing House in Paris has been removed from 42 Rue Cambon to 1 Rue du Mont Thabor, which is only one short block from the well-known Hotel Continental. All the current issues of Zion's various publications are at once sent to this Branch, and we also keep in stock back issues and bound volumes of LEAVES OF HEALING.

WE DESIRE to draw the attention of our readers to the programme published on pages 796 and 797: "A Welcome Home to Overseer Jane Dowie, and Conferences for the Inauguration of Women's Work of the Christian Catholic Church in Zion Throughout the World."

OUR BELOVED wife, Overseer Jane Dowie, leaves Paris, God willing, on May 1st, for London, where she will speak on Lord's Day, May 5th, at Zion Tabernacle, 81 Euston Road.

We call attention to a notice on page 786, received from London as these Notes are being printed, which states the times and place of meetings to be conducted by her in that great city.

Details of any further arrangements which may be made can be had by our friends in Europe communicating with Rev. Harry E. Cantel, Evangelist-in-Charge, in care of Zion Publishing House, 33 Rosebery Avenue, London, E. C.

She has informed us that she has engaged passage for herself and our daughter on the steamship *New England*, which leaves Liverpool on Thursday, May 9th, and is due at Boston about the 16th or 17th.

She will speak in Boston at Zion Tabernacle, 1165 Tremont Street, on Lord's Day, May 19th, and after spending a day or so there she will leave for Chicago, and will attend the Welcome Meeting in her honor on Thursday evening, May 23d, in Central Zion Tabernacle.

She will then enter with us upon the long Series of Meetings and Conferences as shown in the programme, extending from Friday, May 24th, to Lord's Day, June 2d.

ALL LETTERS for Overseer Jane Dowie must be addressed to Room 316, Zion Building, Michigan Avenue and Twelfth Street.

Deaconess Anna C. Reiff has been appointed as the Overseer's principal stenographer, and Mrs. Carl F. Stern as personal attendant and private stenographer.

We earnestly ask our readers to pray for these sisters in the important work into which they have already, in a measure, entered.

OVERSEER JANE DOWIE will as early as possible hold a Council of Women Officers in Zion, and will appoint Women Elders, Evangelists and Deaconesses of the Church to important Departments of Women's Work.

For Wisdom and Divine Guidance in all these matters we again ask the prayers of our dear people in Zion everywhere.

WE ARE RECEIVING a number of extraordinary confessions from women in various parts of America and other parts of the world.

The information which they contain is of a most important character as to the dangers to which women are everywhere exposed, owing to the horrible immorality, and even bestiality, which exists in all large cities of the world, and to the existence of organized schemes for the ruin and demoralization of ignorant and innocent girls.

WE DIRECT special attention to the Conferences announced in the programme, and trust that Christian women friendly to Zion, who may not yet be members of the Christian Catholic Church, will also attend such meetings as are open to all women.

A VERY LARGE number of letters from women concerning their relations to husbands, mothers, sisters, children, brothers, and friends, have come to us; but it is simply impossible for us to find time to answer them.

We shall give Overseer Dowie every assistance possible during the Series of Conferences and help in the answering of these many questions.

It will be well for those who desire us to help them in the solution of special difficulties to write to Overseer Jane Dowie early, so that the letters may be opened by us, and arranged by her confidential helpers for her perusal and attention upon her return.

We wish, above all things, to make the Series of Conferences eminently practical and helpful.

WE DIRECT attention to the announcement on page 797 to our First 1901 Excursion to Zion City on Thursday, May 30th, Decoration Day, which is generally observed as a public holiday. The fuller details will be published when the final arrangements are made, but our friends in distant points are recommended to make their arrangements early.

The accommodation in our new Zion Home, northwest corner of Michigan Avenue and Thirteenth Street, is limited, and in order to save disappointment, it will be well for the friends who intend to come to make application for rooms early.

WE HAVE given orders for the preparation of practically miles of tents to be used in Zion City at the Zion Encampment this year.

Digitized by Google
Original from NEW YORK PUBLIC LIBRARY

This will begin on July 12th and continue until July 20th. Many of our friends, who spend their summers largely in the open air, are also asking permission to tent in Zion City for a number of weeks during the summer. We think that we shall soon be able to announce plans by which they can find accommodations in an orderly manner in well prepared tents, with boarded floors, for families and for small parties.

It will surprise no one for us to say that it is simply impossible to find house accommodation at present in Zion City for all who desire to visit there for a few days; but accommodation in tents in warm and fair weather will be very pleasant to those who enjoy open-air life.

It will also enable intending purchasers of lots to become acquainted with the details of the plans of General Design of the City, copies of which will be sent on application to Deacon H. Worthington Judd, Secretary of Zion Land and Investment Association, 1300 Michigan Avenue.

OUR WEEKLY VISIT to Zion City is becoming very interesting and profitable, and the work is proceeding in all directions in connection with Zion enterprises.

The Agreements between ourselves and the shareholders in Zion City Lumber Association and Zion City General Stores have been most carefully prepared by our Attorney, and will soon be placed in the hands of the printers.

Full information regarding these important enterprises, to those who desire to take stock in them, may be obtained from Deacon Charles J. Barnard, General Financial Manager.

Indeed, before they have been formed, stock has been already applied for and some of the capital has been subscribed.

Both enterprises are in full opetation. Large quantites of lumber have been already purchased, and the stock in Zion City General Stores is constantly being added to.

A most important Mail Order Department is being organized, so that our friends in the country will be able to have all the facilities which firms such as A. Montgomery Ward & Company give: for Zion is in a position to fill our friends' orders in a most satisfactory manner.

This undertaking of Zion City General Stores has been placed under the management of an experienced member of the Christian Catholic Church in Zion, who is now busy preparing an illustrated catalogue of the goods which Zion Mail Order Department can supply.

WE MAKE those statements because of many inquiries from our friends in all parts of the country as to whether we will not act as their agents in purchasing goods which are now purchased from private firms, the profits of which will be given to Zion City General Stores.

OUR AIM in both Zion City Lumber Association and in Zion City General Stores is to help our people to build economically and to purchase their supplies at rates which will be advantageous to them in every way.

WE MAY SAY that there is also a plan in process of organization for a most important department which will be attached to Zion City Bank: namely, a Zion Building Loan Department.

This will be under the management of a gentleman of great experience, and will, we hope, enable many to build at a very early date upon their land, who might not be able to do so without some help.

THESE BRIEF NOTES will show our friends that, with the assistance of our Ecclesiastical, Educational, and Commercial Chiefs of Departments, we are pushing forward.

We find no burden whatever in attending to these matters, for God gives us daily strength for daily needs. They will be entrusted to the management of able and competent men, who will be supported in every possible way in the fulfilment of their tasks by all the influence and power that Zion can command.

AND NOW, we close where we began, with our hearts filled with gratitude to God for all His blessings at this Easter-tide and for the Glorious Prospects of Continuous Progress.

We are not going any faster than God enables us, and are refusing to be hurried in any part of this work.

We realize that the foundations must be laid carefully and conservatively: for we are building not for Time only, but for Eternity.

BRETHREN, PRAY FOR US.

SPECIAL NOTICE TO SUBSCRIBERS TO BLATTER DER HEILUNG.

GENERAL OVERSEER'S OFFICE,
ZION,
CHICAGO, ILLINOIS, March 31, 1901.

TO OUR DEAR BRETHREN, THE GERMAN SUBSCRIBERS TO BLATTER DER HEILUNG, AND TO OUR GERMAN FRIENDS OF ZION.

Beloved Brothers and Sisters:—I have earnestly requested our beloved Sister, Deaconess Brieger, to desist from her labors as Translator and Assistant Editor of BLATTER DER HEILUNG for three months, so that she might rest, and in accordance with my wishes she has gone for a little while, with her dear mother and one of our Deaconesses, to a milder climate in the Southern States.

We trust that she will fully recover her strength, which has been overtaxed by her arduous labors.

Under the circumstances I have, therefore, suspended the issue of BLATTER DER HEILUNG until July, when, God willing, it will be resumed once more under her Editorship.

Our beloved Deaconess Brieger greatly regrets this interruption, but I have felt that it was absolutely necessary that she should have the rest; and as it seemed to be best that the translation and Editorship should not be undertaken by another, even for a short time, I have concluded that it would be in the best interest of BLATTER DER HEILUNG to suspend the publication for the period mentioned.

Subscribers will receive the full number of copies to which they are entitled for a year, and I earnestly trust that the prayers of all interested will ascend to our God and Father in Heaven for our dear sister, that her strength may be fully restored and that she may live long to continue this labor of love which God has already so greatly blessed to Germans in all parts of the world.

I am Faithfully Your Friend
and Fellow-Servant in Jesus,

John Alex. Dowie

A Voice to Zion and God's People in Every Land.

O thou that tellest Good Tidings to Zion, Get thee up into the High Mountain Lift up thy Voice with strength: Lift it up, be not afraid: Say unto the cities of Judah, Behold your God! Isaiah, XL:9.

A BEAUTIFUL EASTER SERVICE.

Report of Meeting held in Central Zion Tabernacle, Lord's Day Afternoon, April 7, 1901. Sermon "Life in Christ for All." Reception of New Members. Ordinance of the Lord's Supper.

REPORTED BY S. D. AND E. W. AND A. W. N.

IT WAS EASTER.

Once more the world was rejoicing in the wondrous meaning of the words, "Christ is Risen." Once more nature was beginning her awakening, that beautiful symbol of the Resurrection of which Christ was the "First Fruits."

The first birds of springtime were singing, and lawns and parks were showing the first faint tint of green.

Central Zion Tabernacle platform, choir gallery and first gallery pillars were chastely beautiful with the pure white and rich dark green of Easter lilies, those lovely flowers whose spotless purity and rare fragrance, springing from the damp, dark earth, are symbols of man's resurrection in incorruption and glory from the grave.

Children's happy voices joined with those of men and women vibrating with a deeper joy.

Thoughts and hearts were turned from the things of time and sense, to God and His wondrous love and glory

God's Messenger spoke, with intense earnestness and conviction, of the complete, perfect nature of Christ's Atonement, and of God's ever-enduring mercy and limitless Love and Power, which provided Life for All.

God blessed the Message His Messenger delivered.

Many a stony heart was touched by the Story of the Father's Love.

Zion Tabernacle was filled to overflowing. Long before three o'clock, the hour for the beginning of service, most of the seats were taken, and when the first notes of the Processional sounded through the building, there were no vacant seats left and people were turning away.

"Christ is risen, Christ is risen!" exulted the voices of Zion White-robed Choir, as with measured step they proceeded down the aisle and, crossing the platform, mounted to the choir gallery, singing the appropriate words:

Christ is risen, Christ is risen!
He hath burst His bonds in twain;
Christ is risen, Christ is risen!
Alleluia! swell the strain.
For our gain He suffered loss
By Divine decree;
He hath died upon the cross,
But our God is He.

REFRAIN.

Christ is risen, Christ is risen!
He hath burst His bonds in twain;
Christ is risen, Christ is risen!
Alleluia! swell the strain.

See, the chains of death are broken;
Earth below and heaven above
Joy in each amazing token
Of His rising, Lord of Love;
He forever more shall reign
By the Father's side,
Till He comes to earth again,
Comes to claim His Bride.

Glorious angels downward thronging
Hail the Lord of all the skies;
Heaven with joy and holy longing
For the Word Incarnate, cries,
Christ is risen! earth, rejoice,
Gleam, ye starry train,
All creation, find a voice;
He o'er all shall reign.

REFRAIN.

Christ is risen, Christ is risen!
He hath burst His bonds in twain;
Christ is risen, Christ is risen!
O'er the universe to reign.

As the General Overseer came upon the platform, the audience arose and stood with bowed heads and reverent hearts while the man of God pronounced the

INVOCATION.

God be merciful unto us and bless us,
That Thy Way may be known upon earth,
Thy Saving Health among the nations,
For the sake of Jesus. Amen.

Central Zion Tabernacle, Lord's Day Afternoon, April 7, 1901.

Service was opened by the General Overseer pronouncing the invocation, after which the congregation joined in singing "All Hail the Power of Jesus' Name."

The General Overseer read the twenty-eighth chapter of the Gospel according to St. Matthew; also in the fifteenth chapter of 1 Corinthians, beginning at the twentieth verse, to the end

of the chapter. After Stanford's *Te Deum* had been sung by Zion Choir, the General Overseer offered the following prayer:

PRAYER BY THE GENERAL OVERSEER.

Our Father who art in the heavens, we hallow Thy Name. We thank Thee that our spirits can join in that wondrous *Te Deum* which has rolled down through the ages; that song of praise which constitutes the very essence of a true religion. Give us grace that we may so live on earth that when we stand before the Great White Throne we shall not be confounded.

We thank Thee for that Infinite Mercy, that Infinite Wisdom and Love which has provided so great a Redemption.

We praise Thee for that Unspeakable Gift, our Father, which Thou didst give to us in the Gift of Thy Son.

We thank Thee for His Incarnation, His Birth in deepest humility, His wondrous Life, His glorious Resurrection and Reascension. We thank Thee that through Him the wondrous Gift of the Holy Spirit has come. How can we praise Thee, who art in the Eternal Light, for all these blessings?

Eternal Light! we sometimes sing:

"Eternal Light! Eternal Light!
How pure the soul must be,
When placed within Thy searching sight
That shrinks not, but with calm delight
Can live and look on Thee.

"The spirits that surround Thy Throne
May bear that burning bliss;
But that is surely theirs alone,
For they have never, never known
A fallen world like this.

"Oh, how shall I whose native sphere
Is dark, whose mind is dim,
Before the Ineffable appear,
And on my naked spirit bear
That uncreated beam?"

We thank Thee that even while we say this, the Light shines which tells us there is

"A Way for man to rise,
An Offering and a Sacrifice,
A Holy Spirit's energies,
An Advocate with God."

These prepare us for the sight of Holiness above. We, the sons of ignorance and night, may dwell in the Eternal Light through the Eternal Love which in Christ became incarnate, lived, loved, died, triumphed and lives again, and "all the days" is ever with us, even to the "Consummation of the Age."

We pray Thee to accept our gratitude for Thy Son, for the Grace of the Holy Spirit, for the open Bible, for the teachers who can teach, and the Word of Power which has come back to this earth.

O God bless Zion today in all the lands. (Amen.)

Bless Zion in America. (Amen.)

In Europe. (Amen.)

In Asia. (Amen.)

In Africa. (Amen.)

In Australia. (Amen.)

In the Islands of the Sea. (Amen.)

Bless every Overseer, Elder, Evangelist, Deacon and Deaconess; every Member of the Seventies, and every Member of the Christian Catholic Church in Zion throughout the world today. (Amen.)

Bless all Thy people, by whatever name they may be called, who are seeking to press upward into the Light. May they be willing to obey the Light. May they be willing to obey the Word when they hear it; to obey that which the Light reveals.

Bless us this afternoon, and grant that our words may be acceptable unto Thee; that many in this place may rise this Easter Day into a Resurrection Life, into Newness of Life, and may be endowed with Power for Service, so that by and by, when we are transplanted to our Father's Home above, we may enter into that inheritance which is "incorruptible and undefiled and that fadeth not away," reserved in heaven for those who are kept by the power of God through faith, on this earth, obedient unto Thee, serving Thee, loving Thee, rejoicing in Thee, and making Thy will their supreme delight.

Let us be counted among their number.

Hear us, our Father, then as we pray in the words which our Lord taught us when on earth He said: "After this manner therefore pray ye."

The Choir and audience then joined in chanting the Lord's Prayer. Zion Choir then arose, and the nearly three hundred voices became as one in Gounod's Easter anthem, "Unfold, Ye Portals."

There was a stirring, inspiring spirit in the music.

It was not only a beautiful technical rendering of a splendid composition; it was the spontaneous expression of the love and joy and praise with which the heart of each consecrated singer was filled.

Zion's white-robed singers are all children of God, and sing His praises because they love Him.

Overseer Speicher then made the announcements, after which, referring to LEAVES OF HEALING, the General Overseer said:

Words of Thanksgiving to Zion Guard.

I would take the opportunity afforded me by the publication of the picture of Zion Guard in our last issue of LEAVES OF HEALING to express my personal thanks for the love and loyalty which has for six years guarded Zion property and life at our Headquarters, and on all occasions of our public ministrations either at home or at a distance.

I thank not only Zion Guard, but their good wives who so willingly gave up their husbands to that service.

In many cases, they said, "If the General Overseer's life is in danger, get between the bullet and him."

"It does not matter about you when his life is threatened," said one wife. "I love you, but your life is not as the General Overseer's. God will take care of us."

That wife was a good, true, loving wife, but she had the spirit, not of a Spartan mother merely, but of a mother in God's Israel.

I thank the women as well as the men.

I was glad the other day at Muskegon, when compelled to wait between trains, to look at a monument in Hackley Square which has an inscription upon it not common upon soldiers' monuments. It was to this effect:

ERECTED TO THE MEMORY
OF THE
LOYAL SOLDIERS AND SAILORS
Who Fought, and to all who in any way Served their Country During the
WAR OF THE REBELLION.

It was those who bore those burdens at home who did so much to save this country.

They provided not only the commissariat—the food and the clothing—but they provided that inspiration which went with the men into battle and to death.

In All the Ages, Inspiration Has Come From the Home.

Every warrior, on the eve of battle, thinks of the home, and goes into battle, giving his life if need be that Home and Nation may be preserved.

How much more in the Christian warfare, if men for their country and their flag can give their lives, can we give everything for our God, and for the Universal Salvation of man?

I am so glad for the inspiration of a Divine Courage which is everywhere manifested in Zion, and for the willingness to obey, and to go forward in perfect order.

Wherever there is disorder there must be destruction.

I thank God for the good order in Zion.

I ask you to pray that I may be able to maintain it; for in order lies victory, and in confusion lies defeat.

May God help you.

I am so glad this Easter Day to give you the greetings, not only of myself and the officers here, but of Zion everywhere.

We are glad and rejoice in all the Grace and Glory that has come by means of Zion in these latter days through the Resurrection of Truths long buried but never dead.

The Word of God Liveth and Abideth Forever.

Sometimes it seems to be dead, like the grains of wheat that lie in a mummy case for thousands of years. Take them out, however, and sow them, and the seed will spring up and a great harvest will follow.

The Church may become like a mummy, wrapped up in all kinds of political, ecclesiastical and social grave clothes, with a handful of Seed Truth lying by its side; but the Word of God liveth and abideth forever. Thank God for that. (Amen.)

I thank God that He has brought forth Zion, and that as the years roll on Zion goes onward and upward, and the Christian Catholic Church in Zion goes forward in splendid and united phalanxes of fully armed warriors.

From 1896 to 1901 there has been one constant triumph.

I thank you for tens of thousands of loving prayers, and for loving coöperation and loyalty, and for that which has enabled me under God to bring Zion where it is.

Now Zion City is in sight.

Thanks be to God for all the prospects of a glorious City.

I am hoping to meet not less than 25,000 of you some glad

Easter, not many Easters hence, in Zion Temple in Zion City. May God grant it. (Amen.)

Meanwhile we have to work. You cannot ascend the Great Pyramid at a bound. It is a gigantic staircase. Every step must be taken singly. There is no way to attain success but by going every step of the way carefully and faithfully, in the darkness as well as in the light, in the storm as well as in the sunshine, going forward confidently, no matter what the season may be.

There can only be one season for Zion, and that one perpetual, glad Summer.

There has been sunshine in our hearts in all the Winter, and it will be there through all the Spring. A certain poet writes, "Thou hast all seasons for thine own, O Death!"

But there is another side, and we say, "Thou hast all seasons for thine own, O Life."

And Life is greater than Death. Life shall one day utterly destroy Death. Death and Hell shall one day be cast into the Lake of Fire.

God hasten that day when there shall be "no more death!"

Zion to Have a New Divine Healing Home and College Building.

I desire to call your attention to my editorials in the last issue of LEAVES OF HEALING.

Tell your friends far and near that although we had thought we would not have another Divine Healing Home until we had built it in Zion City, we find it a necessity, even in this transition period, to continue the Home, hitherto conducted in the building now known as Zion Building, where our Headquarters Offices, and the offices of the many Zion Institutions, are now located.

It has also been forced upon us by the fact that Zion College needed a place for the large number of College students. Zion College has more than doubled its numbers every year since its inception.

We also found, upon examination, that the boarding houses of our people were unequal to very much greater strain upon them. As large numbers of persons are coming to meet Mrs. Dowie on May 24th, and to attend the Anniversary Gatherings in July, we decided to take the beautiful large building at the northwest corner of Michigan Avenue and Thirteenth Street, hitherto known as the Hotel Norwood.

May God bless and preserve Mrs. Dowie until she comes nome to us. She will be here and receive your kind greeting on Thursday, May 23d, God willing.

On Decoration Day, May 30th, the first large Zion Excursion of this year will run to Zion City.

Then comes our Great Anniversary, July 14th, the First Anniversary of the Consecration of Zion Temple Site. Our Encampment will be held on that occasion.

Along the shores of Lake Michigan, Zion's hosts will camp from the 12th day of July until about the 23d. I hear that some are even asking for permission to camp there all summer, and we are considering that question, and figuring upon putting up miles of tents for a Zion Encampment. An announcement concerning this Encampment will soon be made by Deacon Daniel Sloan, to whom we have given charge of this matter.

Pray for these Gatherings, and prepare for them.

On the 15th day of July a great many Lots in Zion City will be Open for Selection.

Pray that God will give us the strength that we need from day to day for all these matters. Pray that God will give those associated with me that perfect loyalty and consecration of heart that will enable them to fall into line and Go Forward.

If anybody does not want to fall into line, and wants to go his own way, he cannot do it in Zion. That is a settled matter long ago.

You do not want a go-as-you-please and do-as-you-like Christianity, do you?

Audience—"No."

General Overseer—If you do, you are in the wrong place. Zion was founded with the clear understanding that we should keep in perfect line and in perfect order. The blessing has come because you have made me strong by your love and your loyalty, and your strengthening of my hands as your leader.

I thank God that He has used you to do this.

Zion will Go Forward; and we shall win multitudes from the powers of Sin and Satan, and Disease and Death and Hell, so that they may find Full Deliverance in God through faith in Jesus Christ our Lord.

We Will Maintain a Close Organization.

Alexander the Great with 30,000 men, at the battle of Issus, smote the hosts of the Persians, nearly a million strong, slaying more than three times as many men as he had led into the battlefield against Darius.

If, like Alexander, Zion knows how to make a phalanx, and go in and smite the Devil and all his hosts, Zion can take the earth for God, to whom it belongs.

The Earth is the Lord's. Thank God it is.

Zion is at War with Satan, and Sin, and Disease, and Death, and Hell, and everything that would make disorder.

Zion is at peace with those who desire to be saved, and healed and blessed, and to live a good and holy life.

That is the only life worth living.

May God help us, this Easter Day, to reaffirm our vows, and in the strength of the Resurrection Life of God to Go Forward, and to fulfil God's Great Purposes in Zion at this time—the Opening Year of the Twentieth Century.

The audience then joined in singing, with the mighty volume of more than three thousand voices, the stirring words:

Go Forward, O Zion,
Thou shalt be exalted,
When the King shall come;

Go Forward, O Zion,
Great shall be thy triumph,
When the King shall come.

The tithes and offering were then received, Zion's White-robed Choir singing Caleb Simper's Easter anthem, "King of Kings." The glorious, triumphant strains, "And He shall reign forever and ever," a fitting close to the General Overseer's prelude, arose on wings of sublime song, carrying with them the unspoken praise and worship of the audience. God's Spirit was in the music and made it a great blessing.

LIFE IN CHRIST FOR ALL.

INVOCATION.

Let the words of my mouth and the meditation of my heart be acceptable in Thy sight, be profitable unto this people, and unto all to whom these words shall come, for the sake of Jesus.

Jesus said (John 17:1-2.):

TEXT.

Father, the hour is come; glorify Thy Son, that the Son may glorify Thee: even as Thou gavest Him Authority over all flesh, that whatsoever Thou hast given Him, to them He should give Eternal Life.

In the First Epistle of Paul to the Corinthians, twenty-first and twenty-second verses of the fifteenth chapter:

For since by man came Death, by man came also the Resurrection of the Dead. For as in Adam All Die, so also in Christ shall All be made Alive.

This glorious Easter Day, I reaffirm in Zion the teaching from which I have never deviated, that our Lord Jesus Christ's Incarnation, sinless Life, perfect Atonement by His sacrifice on the cross, His Death, His Resurrection, His Reascension, and the sublime fact that the Holy Spirit has come, all confirm the glorious fact, which He Himself declared would be accomplished by His death: "I, if I be lifted up from the earth, will draw All Men unto Me."

No limitation is possible in the word "all."

The eventuality, far off as it may seem to us, the realization, is a Universal and Glorious and Perfect Victory from the powers of Satan and Sin and Disease and Death and Hell.

To assert the possibility of less than this, would be to limit and diminish the glory of God.

Unless Salvation is "to the Uttermost," unless the Remedy is greater than the disease, unless the Redemption is coextensive with the miseries of transgression, then an imperfect Atonement and an imperfect Redemption involves an imperfect Atoner and Redeemer. But this is not the teaching of the Word of God.

The teaching of Jesus Himself is that of absolute, perfect and permanent Victory, the effacement of Satan, the effacement of Sin, the effacement and destruction of Death and Hell,

and the ultimate and glorious Triumph of Life in the Eternal Kingdom of the Heavens.

Short of this, Redemption would be incomplete and the Gospel insufficient to satisfy humanity.

Some People See Danger in Teaching a Perfect Redemption.

"Danger! Danger!" they cry, and are ready to lift up the red flag.

"Go very slowly," they say, "for there is danger."

What danger?

Danger that Love will triumph over Hate?

Danger that Life will triumph over Death?

Danger that Christ will triumph over Satan?

Danger that the Kingdom of God shall utterly destroy the Kingdom of Death?

Where is the danger?

The danger is real to those who have been creating the bogey of the Impossibility of God being able to Restore His creatures.

The danger is great to the churches which live upon a Gospel of fear. They swing the red and green lights, meaning "danger" and "slow up," everywhere, beginning with the druggist's window. The red and green there should make you see that there is danger in the drug store and warn you not to go there. (Laughter and applause.)

They say that they see danger in the doctrine of Divine Healing. Yes; Demetrius, the silversmith of Ephesus, who made silver shrines for the heathen goddess Diana—and, incidentally, for his own pocket—saw "danger" in Paul's preaching of the Gospel of Jesus Christ. So do doctors and druggists, and their blind victims, see "danger" in my preaching of God's Covenant of Healing—"I am the Lord that healeth thee." They erect their druggist's signal, and implore you to be careful lest you should think of God as too great and of His Love as too Omnipotent, since faith of that kind would damage their business in drugs and surgical instruments.

There Has Never Been Any Danger in Infinite Wisdom, in Infinite Mercy, in Infinite Power, in Infinite Love.

The danger is when God is limited.

The Great Shepherd of the sheep, who gave His life for the sheep, is saying, "As in Adam All Die, so also in Me shall All be made Alive."

He is saying what He said in the first words of His prayer as He went forth to die: "Father, glorify Thy Son, that the Son may glorify Thee: even as Thou gavest Him authority over all flesh, that whatsoever Thou hast given Him, to them He should give Eternal Life."

It is the simplest and purest logic. If Christ has Authority over all flesh, past, present and future, and if His statement is true that His intention is at last to give Eternal Life to all flesh, then I rejoice that although generations, through ignorance and sin, have made their bed in hell, His Word is true:

If I make my bed in hell, behold, Thou art there.
If I take the wings of the morning,
And dwell in the uttermost parts of the sea;
Even there shall Thy hand lead me,
And Thy right hand shall hold me.

Jesus Will Seek His Own, Even in the Depths of Hell.

I thank Him for the Revelation that when He had suffered the sharpness of Death, He descended into Hell, and there He fought the battle with the dark powers of Sin and Disease, and Death and Hell.

There He fought for those spirits, preaching to those who, through these thousands of years, had been in misery, rejecting the Gospel as Noah preached it.

As the Apostle Peter wrote (1 Peter 3:18-20):

Because Christ also suffered for sins once,
The Righteous for the Unrighteous,
That He might bring us to God;
Being put to Death in the Flesh,
But Quickened in the Spirit;
In which also He went and preached
Unto the Spirits in Prison,
Which aforetime were Disobedient,
When the Longsuffering of God waited in the days of Noah.

He has "led captivity captive" and reascended to heaven. He still tells us that no matter what may seem to be the fate of poor, miserable humanity now, He will *seek*, and SEEK, and SEEK His sheep until He finds them.

"The Longsuffering of God" is still "waiting" for perishing and rebellious humanity; and is still "seeking" to save the Lost wherever they have wandered.

No matter how dark the valley or how deep, no matter how dark the night or how howling the tempest, no matter how many the foes, He will seek "that which is lost" until He has brought them back rejoicing.

He will seek them if He has to seek them in the very depths of hell.

I praise Him today that this Gospel has no limitation; that "His mercy endureth forever."

I praise Him that "as in Adam all die, so also in Christ shall all be made alive."

Oh, the depths of the riches of His grace!

"He hath shut up All unto Disobedience that He might have Mercy upon All."

The blessed Gospel helps us to tell men that He is the "Saviour of All Men, specially of them that believe." Although I know that neither here nor hereafter shall any find the Gate of Heaven until they have knelt at the feet of Christ, repented, believed, surrendered; although millions have gone into the dark portals of Hades, I thank God for the thought which cannot die; that He "deviseth means, that he that is banished be not an outcast from Him"; that "His mercy endureth forever," and that until He has saved the last miserable spirit of which He is the Father, He cannot be happy.

Every spirit that ever lived in earth, heaven or hell is the offspring of God the Father of Spirits. He cannot be at rest until His last wandering child is brought back to Him.

How can He be?

God Will Never Forsake His Own Offspring.

Fathers, mothers, think it out yourselves.

Can God be at rest while the wanderer is away on the mountain wild, a wandering child far from the Father's Home, and rejecting the Mercy and Salvation of Christ the tender Shepherd who "came to seek and save that which was lost"?

Never. God will never leave His own.

Never forget that they and we, and all spirits are His offspring.

"They have sinned," some say.

Yes.

"They will perish."

Yes.

"They will go to hell."

Yes.

But when you have said that, is that all?

You have to believe in either Annihilation or Restoration. It is impossible to conceive of God's government as absolute while He has to shut the lid down upon the top of hell, and to put legions of angels upon it, lest peradventure sometime through the ages it might get lifted, and the Devil get out again. (Laughter.)

Then the whole business of catching him, repairing damages, and shutting him up in hell would have to be gone over.

There is no triumph in that.

There is certain and sure misery, and disappointment, and disaster.

An Old Chinese Story.

"Sire," says the old Chinese story, "your viceroy, your great officers of state, your great captains have rebelled against you in such a province."

The Prince wept.

"Rebelled against me?" he asked, in amazement.

"Yes. They say that you are a tyrant, an autocratic tyrant."

Somebody called me that the other day.

I hate selfish autocracy, and I hate all tyranny and oppression; and if I knew that I had any of these diabolical things in my heart, I feel that I should want to take a knife and dig them out, if it cost me my life.

"Autocratic tyrant" I never was, and I never will be, God helping me.

I would despise myself if I possessed slaves, and I should despise the men who would submit to be slaves.

I did not recognize the title at all, unless there is an autocracy and tyranny of love; then I believe it.

There is an autocratic and tyrannous power in Divine Love.

God bring us all under that tyranny. (Amen.)

It is the only tyranny I know anything about in Zion.

They said to this Chinese Emperor, "They say you are an autocrat, a tyrant."

And the kind monarch wept.

He was old in years. His kingdom had been at peace for half a century, and why should that man rebel? He had loaded him with benefits. He had sent him to carry on the government, trusting him as a child.

Why should he rebel?

They said, "Sire, what are you going to do?"

All at once the monarch's tears were dried, and he said: "Call forth my army from every province of my vast dominions. Bring them to my standard. I will march against these enemies, and I will utterly destroy them."

The moment that the King had uttered this decree, from every province the multitudes who loved him thronged until the greatest army was around him that had ever been seen in that ancient empire.

By forced marches the old Emperor went to the distant province where his enemies were. So great was his army that the tread of it was as if the earth were shaking.

When they heard that he was coming with this vast army, the armies of the rebels melted away like snow. The rebels saw that they would be overwhelmed.

Clothed with sackcloth, the badge of mourning, with chains self-imposed upon their necks, they sent forth the keys from every city to lay them at the feet of the King.

At last he came to the city where this officer whom he had trusted lived.

The man came forth, in sackcloth, ashes and chains, and wept at his feet and besought mercy.

The aged monarch looked at him. He said, "You deserve Death."

"Yes," replied the penitent.

"You deserve it now."

"Yes."

"You deserve that your family should be enslaved."

"Enslaved," he said. "I deserve it all. Do it. I deserve it."

Then the aged King stood. Presently his breast heaved. He looked at the suppliant he had loved; for the suppliant was one of his own sons who had rebelled against his own father, and had striven to tear him from his throne.

He said, "Arise! My son, my son, thou wert dead and art alive; thou wert lost and art found. My son! Take from him these garments; bring forth the robe and put it on him. Here is my ring, my son."

Those around him said, "Sire, you promised to destroy your enemies?"

The King said, "Where are my enemies? O mine enemy, come and put your dagger into my heart!"

No Enemy to the King.

They had all melted away; for there was no enemy to the King. They were "under his feet," but they were on the footstool of his mercy.

So is it with God. He must reign, and He must "put down all rule, and all authority, and all power" of a rebellious nature. *And He will.*

That Christ who died, lives again.

He must reign until He hath put all enemies under His feet.

Shall we not get "under His feet" today?

Voices—"Yes."

General Overseer—Shall we not cease to be His enemies today?

The time will come when His Love, like a Burning Fire, will have consumed every unclean desire; when men, throughout the world of invisible and visible spirits, past, present and to come, will own Him their God, their Father, their Saviour, their King. He will say, "This is My Son who was dead and is alive again. He was lost and is found."

May God grant that this thought may inspire us to work for the living, and to be "baptized for the dead."

Work For God Beyond the Grave.

It seems to me, sometimes, as if the work which I most long to get at is the work beyond the grave. I long to take the Gospel to the dead who died without hope, who knew nothing of a Saviour, and never rejected Him.

Let us be baptized for the dead, for those who have passed away.

When we go, may we be counted worthy to seek for those who have died in their sins, wherever these unhappy beings may dwell—these "spirits in prison" who were "disobedient" when the first apostles preached, and the vast multitudes who have been "disobedient" throughout the ages since.

Therefore, let us do that work now to the multitudes who are "dead in trespasses and sin," so that they may live again.

Let us seek them. Let us bring them to His feet, and "under His feet" they will find the Footstool of Mercy; for He sits upon a Throne of Infinite Grace and Mercy.

Oh the depths of the Riches of His glory! Christ has Authority, and He will use it over all flesh. He will give them life, and He will seek them until they surrender.

Let us be in the Army which in this life, and beyond it, follows the King until the last rebel lays down his arms in hell or on earth at His feet.

Then cometh the End,
When He shall deliver up the Kingdom to God
Even the Father;
. . . that God may be All in All.

There Shall Be No Place Where God is Not Supreme.

Grant that the time may be hastened. (Amen.)

Those who desire to enter into God's Kingdom now and to dwell therein with Christ forever, stand and tell Him so. (Apparently all arose.)

PRAYER OF CONSECRATION.

My God and Father, in Jesus' Name I come to Thee. Take me as I am. Make me what I ought to be. Give me power to do right; to confess and forsake sin and to trust Thee, and obey Thee in all things. Help me to believe that even as these pure white lilies were once a little seed, and could not grow up until that seed died, I too may be dead to sin, and grow up whiter than the lilies, with a heart cleansed from sin. Though my heart be red like crimson, may it be white as snow. Though my sins be dark as night, may they be white as wool, for Jesus' sake. (All repeat the prayer, clause by clause, after the General Overseer.)

Immediately that the last words of this Act of Consecration were spoken, the General Overseer turned to the large choir in the gallery behind him, and in a low, soft, clear tone sang:

Though your sins be as scarlet.

Then turning to the vast throng of the standing thousands in the crowded Tabernacle, he sang:

Though your sins be as scarlet,
They shall be as white as snow!

Then the whole choir and congregation caught up the words and sang, with the General Overseer leading:

Though they be red like crimson
They shall be as wool.

Continuing, the deeply-moved multitude, many visibly and audibly weeping, sang sweetly, and softly:

Hear the Voice that entreats you,
Oh, return ye unto God! to God!
He is of Great Compassion,
And of wondrous Love.

He'll forgive your transgressions,
And remember them no more; no more:
"Look unto Me, ye people,"
Saith the Lord your God.

This impromptu exercise had a marvelous effect upon all, and deep and sincere feeling was most manifest upon the thousands present.

The Recessional was then sung. Deeply impressive was the sight, as the hundreds upon hundreds of white-robed singers and the Ordained Officers, in their robes, marched slowly out, led by the little girls of Zion Girls' Choir and singing the words:

Jesus Christ is risen today,
Alleluia!
Our triumphant holy day,
Alleluia!
Who did once upon the cross,
Alleluia!
Suffer to redeem our loss.
Alleluia!

Hymns of praise then let us sing,
Alleluia!
Unto Christ, our Heav'nly King,
Alleluia!
Who endured the cross and grave,
Alleluia!
Sinners to redeem and save.
Alleluia!

But the pains which He endured,
Alleluia!
Our salvation have procured;
Alleluia!
Now above the sky He's King,
Alleluia!
Where the angels ever sing.
Alleluia!

Now be God the Father praised,
Alleluia!
With the Son, from death upraised,
Alleluia!
And the Spirit, ever blest,
Alleluia!
One true God, by all confessed.
Alleluia!

The meeting was closed by the General Overseer pronouncing the

BENEDICTION.

Jehovah bless thee, and keep thee:
Jehovah make His face to shine upon thee, and be gracious unto thee:
Jehovah lift up His countenance upon thee, and give thee Peace.
Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who also will do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. Amen.

RECEPTION OF MEMBERS AND COMMUNION OF THE LORD'S SUPPER.

After a brief intermission, the audience reassembled, all the first floor and first galleries being filled.

The General Overseer, after a brief but solemn charge to the candidates, extended the right hand of fellowship to ninety-seven new members, the Church also welcoming each one with a hearty Amen to the General Overseer's greeting, "I receive you; may God bless you."

Then there was a hush as the great company of Christians approached the Lord's Table in silent prayer.

The General Overseer administered the Ordinance, assisted by Overseers Piper and Speicher and a large number of Elders, Evangelists and Deacons.

It was a season of quiet communion with God and with one another, a blessed reality in Zion.

In closing, the General Overseer spoke as follows:

We have now come to the beginning of the Second Quarter of the year. We have passed into the Spring, although we do not see much of it yet. We only hear about it. But the Spring Breath is here, and not far away the grass is green, the trees are in bud and blossom, and Spring will soon be here, too.

The "Time of the Singing of Birds" has come.

The sweet Easter flowers, the White Lilies, are here.

I Am Grateful to God for the Work Which Lies Behind Us This Year.

It has been much larger, much deeper, much wider, and, I hope, much higher than we can well estimate.

I realize, myself, that a great step has been taken; that the first three months of this first year of the century have been wonderful months in Zion. The Spiritual Progress has been greater; the Educational work has been more progressive than heretofore. The Material Progress has been so great as to excite general astonishment throughout the country.

If we could tell the story in LEAVES OF HEALING, which we cannot, of the vast number in all the world who are constantly writing to us, and telling us how God has reached them on the wings of the Little White Dove in all the land, I should have to fill the entire paper every week with Notes of Praise. As Overseer Piper remarks, that would not begin to hold it.

It is a simple fact that the Story of Thanksgiving, coming to us in so many things in so many lands, has reached such large dimensions already that we can only give fragments of it.

However, the work goes on. That is the best thing. The work of winning sinners to a Saviour, of winning the sick to a Healer, and of inspiring God's people with a determination to fulfil His will, to obey Him and to live holy lives, is a glorious work.

This is being done, and Zion is in perfect peace in all her borders. When any one rebels, you do not hear of it for six months. He is gone. He cannot stay in Zion. He does not need to be put away. He goes. He cannot stay, for Zion has no place for those who are rebels against God, and are not willing to live in harmony with their brethren.

I Thank God for a Little Zion Work in Egypt.

I wish we could tell you about it. We are publishing a little paper there in Arabic called THE BANNER OF ZION. Our good brother and sister, Herman Harris and his wife, members of this Church, have a very interesting Zion school of little Arabs, real Arabs, in the City of Alexandria.

Their work reaches to other parts of the Nile Delta, and along the Mediterranean Sea, and, in fact, reaching away into Tripoli and Tunis. In every part the Arabs are getting interested. They want to know more about ourselves, and the wonderful things God has wrought in Zion (Zeeon).

"Zeeon" is a great word in the eyes of the Oriental.

"Zeeon" is almost as sacred as Mecca to an Arab.

The "Dome of the Rock," Mount Moriah, is the place where the Holy Shekinah of God appeared in the Holy of Holies in the Temple. That is the place where Abraham offered sacrifice, and would have slain his own son. That "Dome of the Rock" is covered by the so-called Mosque of Omar. Mount Moriah is today almost as sacred to the Arab as to the Christian: for they are taught to believe that near that spot is a stone on which Mahomet is to sit at the day of judgment, to judge the reëmbodied spirits below him in the Valley of Jehoshaphat.

The promises of God for Zion appeal to the Arab. He eagerly asks, "Has the Deliverer come to Zion?"

"O, Allah," they cry, "when will the Deliverer come?"

Mocked by the false priests and dervishes, they have often been deceived by false Mahdis, who promised them deliverance from cruel oppressions of every kind.

And now, multitudes are in utter despair: for Mahomedanism is utterly unsatisfying.

May God reach them and let them know that the Deliverer has come.

The World Everywhere is Waiting for God's Zion.

There is the same story in India, the same in China, the same in Japan, the same in the Islands of the Seas, the same in Australia, and in Europe.

We have just had a Baptism in Paris, Mrs. Dowie writes me, and God is blessing. It was only one, but he was a wonderful convert, and there are three more to be baptized very soon.

Forty applications for fellowship were sent to me from London last week.

Let us thank God for the work afield. Then let us thank God for the work at home.

When I came back from Europe late in January, the first thing that met me was that I had to find a hundred thousand dollars for Zion.

God helped me find it, and ever since we have been going on; and God has provided hundreds of thousands of dollars since, and much progress has been made in Zion City.

Now we have to make provision in Chicago for the work during the transition period. It takes time and money to build many Institutions upon the permanent basis that will be required in Zion City.

However, we are going on.

Pray God to bless the many things we now have in hand, and ask Him for strength for me, and for my brethren associated with me in the Ecclesiastical, the Educational, and the Commercial Work of Zion.

I am asking God that I may be continued in strength.

God has been wonderfully good to me. I have taxed this earthen vessel to its utmost capacity again and again in these months since my return. God has given me health and strength through it all.

We Are Looking Forward to Overseer Jane Dowie's Return.

God bless her. (Amen.)

This day twenty years ago, God gave me a very wonderful gift in my dear daughter Esther. God bless her. (Amen.)

I am thankful that my son, A. J. Gladstone, is taking a very deep interest in the Branch of the Christian Catholic Church in Boston. We have about seventy members in fellowship there,

and scores of earnest members will gather today around the Lord's Table in Boston.

Fifteen months ago we had only three members in Boston. Now we have at least seventy in the city and fifty more in the vicinity. A great many are sitting on the fence, and toppling over, one by one, on the Zion side. (Laughter.)

Pray for all the Branches of the Christian Catholic Church in Zion throughout the world: for we have some representation on every continent.

I ask you to get ready for some very earnest Zion Seventy work preparatory to the Great Demonstration in the Auditorium on May 26th, and in this Tabernacle during that week.

We shall have a number of Conferences here specially connected with Women's Work.

I will have a Divine Healing Meeting for Women Only. I will not let a man into that meeting. Overseer Jane Dowie and myself will pray for, and lay hands upon, sick women at that time.

I will have many things for Women Only that week.

We will have our first Excursion to Zion City this year, on May 30th—Decoration Day. We should like you to apply for the tickets for that Excursion as soon as it is announced.

Announcements Concerning Mrs. Dowie's Return.

Tell the friends far and near that the railway companies will give special rates for this series of conferences (see full announcement on page 800).

I expect that Mrs. Dowie will be upon this platform May 23d. It will be a family meeting. We shall not have the world in. Our Zion family will meet Mrs. Dowie alone.

I thought of having this on May 24th, but I have been told that there will be a great many New Members to receive, and we shall have to Ordain between 120 and 150 officers on that night. Accordingly, I have thought that we might, perhaps, give her a Family Reception on Wednesday, the 23d.

I want you all to meet her.

She is very diffident about her own power. She is asking God to give her grace for the tremendous work that I am placing upon her; but she is going into it cheerfully and joyfully to take an official position such as no woman, perhaps, has ever had since apostolic days, or even then.

I desire you to support her.

She has had a very large experience in God's work in many lands.

God is Giving Mrs. Dowie a Very Greatly Increased Strength.

We will have to guard that strength, and be kind to her, especially as she is going to be married that week. (Laughter.)

On May the 26th, I tell her jocularly, I propose to marry her all over again—a Silver Wedding—at the Auditorium.

I cannot tell you how glad I am that I have had so faithful a companion for twenty-five years.

We are preparing a very beautiful little Souvenir Programme that will be given to you. It will be in three colors and silver.

It will have the Word of God at the top and four lines of poetry at the bottom. The poetry will read something like this:

The silver bells in Zion say:
The Master made the water wine,
Five and twenty years today.
Hallelujah!

I wish to see those who ought to be married, so happily married in Zion, that five and twenty years after this they will be able to say some words like these.

Pray for Mrs. Dowie, earnestly, that God will bring her safely to us, and prepare her for His service as Overseer of Women's Work in Zion throughout the World.

She will leave Liverpool in the steamship *New England* on May 9th, her birthday. She is getting younger all the time.

She will speak in Boston on the Sabbath before she comes here, and have a little visit with my son, who is taking a post-graduate course at an Eastern University. Pray for him.

Do not forget *my* requests for prayer.

Zion City is in Sight.

Lift your eyes, ye sons of Light!
Zion City is in sight.

Let us Go Forward.

Work and be ready for sacrifice or for service.

What victories God has brought to us in the three months since the beginning of this year!

Think of the victories over the World, the Flesh and the Devil, not to speak of the Illinois Legislature and the "Whereasses"!

Where are they?

A Voice—"Dead."

General Overseer—Buried! Gone!

The press did not answer the question, "Which is the bigger?" but we did. (Laughter.)

God by His Grace gave us a victory which has been felt from shore to shore, and north to south, and has reached across the sea.

The question is asked, "Who is this man? What is this Institution that can take a Legislature and throw it on its back?"

God did it.

We give Him the glory. If we had not had some grit and grace, however, it could not have been done. But, then, He gave us the Power also. So it is all of Grace and all of God, and not of ourselves.

Thank God that Zion's hand reaches far to protect her children.

Some of Zion's Recent Victories.

Over in New York, last week, we put out our hand, and saved a man from prison, and from an unjust Judge. If the case goes further, we will fight it out and win.

By the way, do you know that Mayor Huntington Brown was defeated in Mansfield by forty votes? (Applause and laughter.)

Mayor Huntington Brown is in the outer darkness, politically speaking, weeping, wailing and gnashing his teeth, and saying, "That fellow Dowie did it. He sent down money and bribed the electors."

I never sent a dollar, but I sent many prayers to heaven.

My people in Mansfield did their duty without telling. We have more than forty voters there who are friends of Zion; and so Zion has given ex-Mayor Brown a holiday. (Laughter.)

I still intend to send those who were falsely and maliciously indicted for criminal libel by a Mansfield "grand jury" to stand trial.

Then we will see what the Mansfield authorities will do. My opinion is that they will be glad of any hole they can crawl out of.

A great adversary of Zion died two weeks ago. Dr. Edwards, the bitter foe of Zion, who was editor of the Masonic-Methodist Episcopal Church organ which is misnamed the *Northwestern Christian Advocate*, thought he could do as he liked. He thought that he could deny God's power, and could lie about Zion.

I said, "You cannot. God will require it at your hands."

The Chicago *Record*, which lied about Zion, is also dead within the last few days. (Applause.)

I asked you to send it away from your doors. Did you?

Audience—"Yes."

General Overseer—The agents all over the city sent in reports saying that the women told them, "Take away that Daily Liar, quick! We do not want it any more."

So the Daily Liar was sold out. People do not sell out a paying paper in the way this was disposed of.

The *Times-Herald* has become the *Record-Herald;* but the *Record* is dead.

Now the next thing to go will be the *Daily News.*

The *Daily News* is trying to bring forth "fruits meet for repentance."

Last night it came out with a long article saying "Zion is a busy City, and presents all the appearance of a booming town." (Laughter and applause.)

Let us thank God and take courage.

Zion is loved, is it not?

Voices—"Yes."

General Overseer—It is respected by multitudes, is it not?

Audience—"Yes."

General Overseer—And tell it not in Gath, but

Zion is Feared.

Many have now become afraid to touch Zion. One man said the other day, "Don't you touch him; he is an awful fighter! You will get knocked over, and not know what struck you."

I do not want to fight; but when it is for Zion and God s

Kingdom, then I am going to fight. I do not believe in letting the Devil have it all his own way. Do you?

David sang, and I sing:

Blessed be the Lord my Rock,
Which teacheth my hands to War,
And my fingers to fight.
My Lovingkindness, and my Fortress,
My High Tower, and my Deliverer;
My Shield, and He in whom I trust;
Who subdueth my people under me.

This is God's world, and every one in it ought to belong to God.

May God bless us and give us a great Time of Blessing. Be humble, be faithful, be diligent, be wise, be pure, be persistent, be patient.

God bless you.

Pray for me, and may we have a Glorious Year with which to open this New Century in Zion, a Year in which Millions shall be blessed through the World, for Jesus' sake.

Zion's Conflict With Methodist Apostasy.

This book of 200 pages, just issued by Zion Publishing House, contains nine powerful discourses delivered in Central Zion Tabernacle by the General Overseer last May, during the session of the Methodist General Conference. They are of especial value for the full and fearless exposure of Freemasonry.

"The Methodist Church the Property of the Masonic Order," "Freemasonry: A Heathen and Antichristian Abomination," and "Degrees of Masonic Devilry" ought to be read by every lodge man.

The iniquity of the Mystic Shrine is laid bare.

"The Christian's Duty in Breaking a Bad Oath" is the address which preceded the public working of Masonic and Odd Fellow degrees in Central Zion Tabernacle, a full account of which is given.

Buy one of these books and keep lending it. No honest and intelligent man can read the book and still remain a Freemason.

Sent by mail, postpaid, for twenty-five cents.

Notice to Zion Travelers.

Friends of Zion going to Europe and other parts of the world are respectfully informed that an Agency has been established to secure rates, accommodations and protections for first, second and third class passengers to and from all parts of Europe, etc.

Arrangements have been made with the principal steamship and railroad lines to book passengers to and from all parts of the world, at the lowest possible rates.

For rates, maps and full information apply to DAVID F. ROBERTSON, Zion, 1201 Michigan Avenue, Chicago, Illinois.

Has God Blessed You in Tithing?

Have you realized a fulfilment of God's promise to those who "bring the Whole Tithe into the Storehouse"? If so, let others know how true the promise is. Write your testimony and send it to Rev. William Hamner Piper, Overseer-at-Large of the Christian Catholic Church in Zion, 1201 Michigan Avenue, Chicago, Illinois. Let your testimonies be brief and straight to the point.

OPEN YE THE GATES!

That the Righteous Nation which Keepeth Truth may Enter therein—Isaiah 26:2

Zion's Trumpet has sounded. The Message has gone forth. God's Exiles shall go Free. Zion throughout the world will sing Hallelujahs to Him who sitteth upon the Throne.

GOD'S MESSENGER HAS DECLARED **MONDAY, JULY 15, 1901** TO BE THE DATE OF THE

OPENING OF THE GATES OF

ZION CITY

God's City of Righteousness, an abiding place for the afflicted of His people.
A City for those who would live godly in Christ Jesus.
A City where the true Christian Home-life will be established and maintained in all its purity.
A City where God's people will be trained and prepared for the Coming of their King, Christ Jesus our Lord.

Be glad then, ye Children of Zion, and rejoice in the Lord your God.—Joel 22:2.

The 6400 Acres of beautiful land selected and secured for this City has been Consecrated to God and the advancement of His Kingdom, and of the following curses to humanity there will be tolerated upon it:

NO
Breweries or Saloons.
Gambling Hells.
Houses of Ill-Fame.
Hog-Raising, Selling or Handling.

NO
Drug or Tobacco Shops.
Hospitals or Doctors' Offices.
Theaters or Dance Halls.
Secret Lodges or Apostate Churches.

Nor any other abomination which defiles the spirits, souls and bodies of men.
GOD DEMANDS PURITY in the home, in the office, in the store, in the workshop and everywhere, and Zion stands for it.
Zion City will have good Libraries, Schools and Colleges, Divine Healing Homes, Homes for the Aged, Orphanages, Homes for Young Men, Homes for Young Women, and above all the great

ZION TEMPLE

Seating at least 25,000 people, where multitudes will assemble every Lord's Day to hear the Everlasting Gospel preached in all its fulness.
This land will be conveyed by lease only and not by deed. Leases will stand for a period of not less than 1000 years.
Certificates of Stock in Zion Land and Investment Association will be accepted in payment for lots, and shareholders only will be entitled to the first choice of selection at the lowest prices.
Owing to the limited number of lots that will be ready by the opening day, we would advise every prospective purchaser or homeseeker in Zion City to secure stock at once, or before the first series closes, which will be at an early date.
The mutual interests of employer and employee will be provided for by the establishment of Manufacturing Industries and Commercial Enterprises operated on the Co-operative, Profit-sharing Plan.
Pamphlets, Articles of Agreement and any other information desired by prospective investors, gladly furnished upon application.
Address all communications relating to Zion City to

NOTES OF THANKSGIVING TO ZION'S GOD.

By DEACON O. L SPRECHER, Private Secretary to the General Overseer.

Bless the Lord, O my soul,
And forget not all His benefits;
Who forgiveth all thine iniquities;
Who healeth all thy diseases.
. . . . . .
Like as a father pitieth his children,
So the Lord pitieth them that fear Him.

DAY after day the call to Repentance is sounded forth from Zion. The call comes with authority from God, and is very effectual in bringing about a True Repentance in the hearts of multitudes in all parts of the world.

But this is not all.

Zion calls for a True Faith in God, and the people are taught God's will. As a result, the prayer of faith is offered by thousands in the ministry and membership of the Christian Catholic Church in Zion. As a natural consequence, the stream of testimony to God's blessing through Zion continues to pour in.

The testimonies which it is possible to record on the printed page are but a small part of the immense volumes God is writing in Zion in these latter days, but we record these testimonies to the glory of God.

Minister's Faithfulness Rewarded; Zion Honored.

BINGHAMTON, New York, March 18, 1901.

Rev. John Alex. Dowie.

Beloved General Overseer:—I sent you a telegram at 2.30 P. M., Saturday, the 16th, to pray immediately for my little girl.

When I returned from Chicago last Tuesday my little girl was sick with a severe cold. I prayed for her and she seemed to get relief for a while.

It will be remembered that I am pastor of the Pentecostal Mission Church in this place, and that I joined the Christian Catholic Church in Zion in Chicago the 3d of March, and was baptized by Triune Immersion the same day.

I expected that the Devil would rage when I returned to Binghamton. In fact, he commenced in the Church when I was in Chicago, but he came nearer home in afflicting my little girl.

When I returned home I announced through the daily papers that on Sunday afternoon at 3 o'clock I would preach, and in that service that I would speak on the work of the Christian Catholic Church in Zion.

This was no sooner known by the public than my little girl was taken violently ill again with a severe fever, asthma and bronchitis.

It was nearing the Lord's Day, when I expected to stand up before a large congregation and vindicate or make known the mighty work of God in Zion.

My child grew worse.

My wife became alarmed.

Some said to send for a doctor.

I prayed again, but there was no change for the better, and Clara was growing rapidly worse.

This was Saturday noon.

I returned to my closet for prayer. God revealed to me to telegraph to the General Overseer to pray for Clara's recovery.

The thought came to me, "Why will not God answer your prayer? He has answered in the past and several have been healed."

I was perplexed.

The disease was fastening its grip upon the child's vitals and, in fact, it seemed that if a physician were called, he could be of no avail.

At 2 o'clock I started for the telegraph office, and at 2:30 P. M. the message started over 700 miles to Chicago for the General Overseer to pray.

I returned home and the child was no better.

About a quarter to five o'clock I went to my room to pray.

Wife came upstairs, her face careworn and anxious. She said, "William, I wish that you would send for the doctor, for I do not believe that Clara will live long."

I prayed.

God gave me the assurance that the message had arrived at Chicago, that they were praying and that the child would recover.

I went down where the child was.

The fever was gone.

She was perspiring freely.

The hard breathing had ceased and she was sleeping as sweetly as she ever did.

She slept for over half an hour.

She awoke with a smile and sat up.

She called for her mother. In half an hour she was playing, and very happy.

Her auntie sat down at the piano to play—Clara started to sing.

We rejoiced and tears flowed freely as we beheld the wonderful works of God.

To God we give the glory.

While I was preaching on the Lord's Day it was revealed to me why God did not answer my prayer, and why He requested me to send the message to the General Overseer.

That man of God is branded in this place as a false prophet and the work in the Christian Catholic Church in Zion is called the work of the Devil. I am sorry to say that some of the members of my Church here have published the same.

I witnessed in this service to the healing of my child, and the means which God used for her recovery.

I am fully convinced that this is one of the ways which God has taken to establish Zion in Binghamton, and to convince the people that Zion is of God and that God is not mocked.

God bless Zion everywhere.

Yours in the bonds of a Full Gospel, (Rev.) W. C. Christie.

God Heals a Mother.

DYER, INDIANA, January 26, 1901.

Dear General Overseer:—I was born in this vicinity forty-seven years ago, and during my girlhood was always healthy and strong, consequently happy and light-hearted.

I was a member of the Lutheran Evangelical Church, but its teachings did not bring me closer to God.

After I was married, my health began to fail, and then for nearly twenty-three years I was a sufferer.

I had dyspepsia first, which finally developed into catarrh of the stomach, also chronic constipation, congestion of the liver and internal ulcerations.

For many years I lived on a diet, not drinking coffee, eating fruits, vegetables, or many other foods.

My husband was a physician and I was treated by many other physicians, Dr. Byford, from Chicago, being one of them. He said I would probably be obliged to undergo an operation for internal disease, but God saved me from that dreadful ordeal.

I was constantly using medicine, and during the last few years would use drugs every hour of the day, and sometimes every hour of the night.

I was growing worse all the time, and about a year before I heard of God's Way of Healing, I became so ill that I was in bed for three months continually, my stomach being the main cause. The other troubles were all aggravated, my bowels especially being almost paralyzed.

At times the pain in my stomach was unbearable and the doctors were obliged to use chloroform, but after a while, seeing that medicine could not help, they used a stomach tube, washing my stomach two or three times a day for six months.

I still used medicine, however.

The stomach tube relieved me somewhat, for my stomach was raw and sore and the water cleansed it.

But I was slowly starving to death.

I could eat nothing but soft boiled eggs and toast, or a little cereal, and even that would almost kill me. After meals I would be obliged to use the stomach tube.

Oh, the hopelessness and misery of it all!

During all this time I was asking God, *if it was His will*, to heal me through the drugs.

In the spring of 1895 I received a copy of Leaves of Healing from my sister in Chicago, but she did not know much about the teaching, and my daughter did not think it was right to seek healing in that way. (How Satan blinds our eyes, sometimes.)

I lost blessing all that summer and suffered very, very much.

I asked God, however, if it was right for me to be healed that way, to open up the way and give me strength to go.

He answered my prayer.

In the autumn of 1895 a friend of mine who had been ill for many, many years, and had been dying (Mrs. Lulu Dayton, now of Marcellus, Michigan), came to me perfectly healed and told me of the wonderful teaching, so old and yet so new to us.

She did not say very much, however, but urged me to go and find out all about it.

On the 7th of October, 1895, I went to Divine Healing Home No. 1, very weak, almost unable to eat a mouthful, and weighing only eighty-four pounds.

I arrived there about noon, and that same afternoon Dr. Dowie gave a lecture and prayed with the sick.

I received wonderful blessing immediately after laying on of hands; for I ate a hearty supper, consisting of graham bread, peaches and cream and hot ginger bread, food I had not touched for many months.

I went to rest that night and slept soundly until morning. Then I ate a hearty breakfast.

From that time on, as I received the teaching, I obtained blessings from God through Dr. and Mrs. Dowie's prayers and those of Dr. Speicher.

I stayed two weeks, and during that time obeyed God in Triune Immersion.

The following spring I went to Zion Home and stayed there nearly three weeks for teaching, and also for healing of constipation, which had not been entirely removed.

Since then, for over five years, God has kept me and I have not been sick in bed for even a day. I have been able to eat whatever I desired.

I have had several slight attacks of the grip and also indigestion, but God has always healed me speedily either in answer to my own prayers or, in two instances, in answer to the prayers of Zion.

During the past week I have had a wonderful healing of diphtheria.

I was very sick and my throat was bad.

I had high fever.

Evangelist Fisher prayed for me in answer to my telegram, and I was able to be up every day and help with the work. In a very short time I was well.

I praise God for this last healing.

In closing, I thank God for our beloved General Overseer and his wife, and for all His faithful servants in Zion. I thank Him for Zion, "where the afflicted of His people may take refuge."

Yours in Jesus, (MRS.) CARRIE JOHNS.

DYER, INDIANA, January 26, 1901.

DEAR GENERAL OVERSEER:—I wish to add my testimony to that of my mother as it goes forth.

First of all, I thank God for giving me my dear mother, who has comforted and strengthened me so much all my life.

I praise Him for restoring her health and bringing us into Zion, where we have found Christ as our Healer for spirit, soul and body.

During the five years since my mother's healing I have been kept from disease and have been greatly blessed, both spiritually and physically.

I have also been healed of catarrh, and during the past week God bealed me of an attack of diphtheria and also of severe constipation. I give all the praise to God.

I also thank Him for saving a dear friend and myself from death last winter when we were nearly overcome by coal gas. But for God's protecting care we surely would have been killed.

My prayer is that I may grow in wisdom and be a blessing to others and help extend the Kingdom of God.

For Jesus' sake, (MISS) KATHERINE JOHNS.

Full Trust in God Fully Saves.

MADISON, WISCONSIN, March 24, 1901.

DEAR GENERAL OVERSEER:—In obedience to the command, "Go tell what the Lord has done for you," I write of the recent restoration of my daughter Claire from a severe attack of tonsilitis.

Claire was at my brother's in another part of the city when taken sick.

I was telephoned to come at once.

I found her having chills so severe that, although covered with two pairs of blankets, heavy comforter and spread, she felt no warmth. The chills were followed by excruciating pains in the back and throat.

Receiving no immediate answer to my own prayer, I telegraphed to you, asking you to pray for her.

Save very slight relief, there was no answer.

Her throat was swollen—almost closed—intensely inflamed and covered with greenish-white spots, some of them very large.

She was unable to swallow or breathe without great difficulty.

A physician would probably have said, "To be on the safe side we had better placard the house."

She could take no nourishment save a little liquid, and that with great effort.

I sent the second telegram to you, which you answered saying you had prayed at a certain hour and would pray again at 12 o'clock.

Still the answer was delayed. I was in no wise discouraged, knowing that God's word is *shall*.

Upon my return to the room, after leaving her a short time the third day, she said, "Mamma, I think I have been leaning entirely upon the General Overseer's and others' prayers, and neither asking nor trusting much myself. Since you left the room I earnestly asked Him to heal my throat, and I have not one particle of pain now."

To all appearances her throat was the same, but the pain was gone. When I left the room she could not swallow liquid without distress; when I returned, had I had it with me, she could have swallowed dry toast with ease; for which we thank God.

I believe He heard your prayer from the first, but she being of a responsible age had a lesson to learn. When she had learned it, the answer came.

Another hindrance, I think, until I put it out of my head, was my desire to have an instantaneous answer, to prove to my brother and sister Divine Healing.

I thank God for His goodness to me in many ways.

I thank you, His faithful servant, through whose instrumentality I have received many blessings.

May God bless you more and more in your labors for the uplifting of sin and disease-stricken humanity. MARGARET SNELL PARSONS.

Family Greatly Blessed Through Zion.

GRAYMONT, ILLINOIS, March 20, 1901.

DEAR GENERAL OVERSEER:—It will be six years next month since my wife and her sister, Mrs. Hattie McCormack, went to Zion.

What a change the teaching has wrought.

I had sold my last hog a few months prior to my wife's visit to Zion. I never returned to the swine business.

I dropped my membership in the Odd Fellows' Lodge.

I smoked my last cigar six years ago.

My boy Otis, then one year old, was constipated. Your prayer in his behalf was answered. He has been delivered from that trouble six years.

Our daughter Celia three years ago had what we thought was appendicitis.

I called on the Baptist minister to pray for her. He prayed and suggested a doctor.

We telegraphed you for prayer, and in a few days she was well.

The preacher said it was "an awful thing to see that girl suffer and nothing done."

Our baby Daisy, who was born without a doctor, when about three months old was very sick. We carried her on a pillow on account of the great pain.

She had the appearance of pneumonia.

We telegraphed you for prayer. The next day the fever left her.

A year later she had a high fever. We telegraphed you for prayer and the same day the fever left her.

I was subject to cramps in the large muscles of my legs when working hard.

A few months ago one of those cramps took me in the night.

I sat up and prayed and rubbed the limb, and was going to call on my wife to pray, but the pain became so great I just left it all with the Lord. A warm glow went through the limb and the pain ceased instantly.

What a joy, what a comfort, words cannot express.

Over one year ago we commenced to pay tithes. We have an increase of one-third more than before we commenced to tithe.

Yours in the Master's service, LINCOLN H. TUTTLE.

The Great Physician (Jesus) Fully Heals.

ZION CITY, ILLINOIS, March 20, 1901.

DEAR GENERAL OVERSEER:—I praise God for what He has done for me in the past four weeks.

He healed me of the grip through the prayer of Elder Fockler.

About two days after my healing I was taken with the mumps. I had not gotten quite over that when I was taken with what seemed to be appendicitis.

I was very sick with this, and did not get relief until about 11 o'clock that night, when papa and mamma and Mr. Peterson prayed for me; after which I dropped to sleep and rested well until Sunday afternoon, when a high fever came upon me.

I was very weak until Monday morning, when Elder Fockler prayed again. Then the fever went down and I broke out into a perspiration. I felt I had my healing.

It is wonderful to think that the Great Physician is always ready to help us.

Thanking you and all of Zion for prayers, I remain

Your servant for the Master's service, GERTRUDE DUNLOP.

GATHERINGS OF THE FRIENDS OF ZION.

SPECIAL NOTICE.

IN all parts of America, and in many other countries, there are Members of the Christian Catholic Church, and other Friends of Zion, who are meeting together for the worship of God, the reading of the Holy Scriptures, and the Extension of the Kingdom of God in the Salvation, Healing and Cleansing of all mankind through Faith in Jesus, by the Power of the Holy Spirit, and in accordance with the Will of God our Heavenly Father.

The time has now come when, as General Overseer of the Christian Catholic Church, it is necessary for us to make better arrangements for the conduct of these Gatherings of the Friends of Zion.

We shall publish in LEAVES OF HEALING as soon as possible a List of these Gatherings, classified under their Countries, States, Cities, etc., the Name of the Conductor, the Places of Assembly, etc.

No responsibility will be assumed by us in any way for any Gatherings which are not in that List.

Many excellent Friends of Zion, who are not yet Members of the Christian Catholic Church, are desirous of attending Gatherings where the Teaching given in LEAVES OF HEALING and in A VOICE FROM ZION may be obtained, both from authorized Members of the Church and from the Zion Literature which may be obtained at such Gatherings.

This List will, therefore, be as full and correct as possible, and will be revised constantly and kept up to date.

We, therefore, now call upon all who are holding such Gatherings, or who desire that such shall be conducted in their localities, to forward an Application for a Gathering of the Friends of Zion in the form appended hereto.

Let the Application be sent to us as quickly as possible.

We shall withhold publication in every case until we are satisfied that the conditions exist for Divine Blessing on the intended Gathering.

But we do not want any unnecessary delay, for many important reasons exist for the early publication of this List.

Many impostors abound who are falsely representing themselves as authorized by us to conduct such Gatherings, and to exercise the Ministry of Healing in connection with the Christian Catholic Church.

It is desirable to at once arrest the operations of these wolves in sheep's clothing, and to guard God's sheep from their devouring wickedness.

These Gatherings of Friends of Zion are not Branches of the Christian Catholic Church; but they are preparatory to the formation of such Branches, and will be recognized as a part of the Work of the Church and visited by the General Overseer, or by Elders or other Officers of the Church, wherever it is possible, until placed as Branches under the charge of some qualified Elder.

REQUIREMENTS IN THE FORMATION OF THESE GATHERINGS.

I. The Conductor must be a brother or sister in full fellowship with the Christian Catholic Church.

II. The Conductor must be nominated by Members of the Christian Catholic Church who are living in the same locality, or by Members who are fully informed as to the person nominated.

III. The Conductor shall be responsible to the General Overseer alone for the entire working of the Gathering.

IV. No members of the so-called Christian Alliance of New York, or of the so-called Christian Scientist Churches, will be permitted to take any part in the Gatherings, other than by their being present as a part of the audience if they so desire, since the Teachings and Practices of these organizations are not approved by the Christian Catholic Church.

V. All Christians who are in fellowship with any acknowledged Evangelical Church of any Denomination, other than persons referred to in the preceding paragraph, will be permitted, *so far as the Conductor sees fit*, to take part in the exercises of these Gatherings.

VI. A Messenger and a Custodian for each Gathering will be appointed by the General Overseer, upon the nomination of the Conductor of the Gathering.

VII. The Messenger will keep the Records of the Gathering, the Requests for Prayer, the Applications for Fellowship, etc.

The Custodian will take care of all Literature and Moneys arising therefrom and from the Offerings and Tithes of Friends and Members; but all communications to the General Overseer of either of these Officers must be approved by the Conductor, who shall be held *alone responsible for the Gathering*.

VIII. Since the Object of the Gathering is the Extension of the KINGDOM OF GOD by the Salvation and Healing and Cleansing of Humanity, there shall be as little form as possible in the assemblies and the utmost Freedom in Praise, Prayer, and Testimony compatible with Purity and Good Order.

IX. The Gathering shall meet, wherever possible, at least twice in each week, namely, on the Lord's Day at 3 o'clock P. M., and on Wednesday at 3 or 8 P. M.

We are very far from desiring to burden these happy Gatherings of the Friends of Zion with needless restrictions or with cumbersome details of organization.

It is for their protection and development that we have made the foregoing regulations.

Any alterations of these, or additions to them, will be made as occasion arises under the heading of GATHERINGS OF THE FRIENDS OF ZION in pages of LEAVES OF HEALING.

FORM OF APPLICATION FOR MEMBERSHIP

—IN THE—

CHRISTIAN CATHOLIC CHURCH IN ZION.

TO ALL WHO ARE DESIROUS OF ENTERING INTO FELLOWSHIP WITH THE CHRISTIAN CATHOLIC CHURCH IN ZION.

MY DEAR BROTHERS AND SISTERS:—The principles of the Christian Catholic Church in Zion have been fully set forth in the Reports of Two Conferences on Organization, held in Zion Tabernacle No. 2, which are fully reported in LEAVES OF HEALING for January 31 and February 7, 1896. The Basis of Fellowship is set forth in the second section of the Resolution passed on February 5th (see LEAVES OF HEALING, Volume II, Number 17, page 267):

FIRST—That we recognize the infallible inspiration and sufficiency of the Holy Scriptures as the rule of faith and practice.

SECOND That no persons can be members of the Church who have not repented of their sins and have not trusted in Christ for Salvation.

THIRD That such persons must also be able to make a good profession, and declare that they know, in their own hearts, that they have truly repented, and are truly trusting Christ, and have the witness, in a measure, of the Holy Spirit.

FOURTH That all other questions of every kind shall be held to be matters of opinion and not matters that are essential to church unity.

All who are conscious of fulfilling these conditions, no matter where they may reside, are invited to fill up the following blank and answer the questions contained therein.

I am, faithfully yours in Jesus,

John Alex. Dowie

General Overseer of the Christian Catholic Church in Zion.

ZION IN THE ORIENT.

By Rev. Geo. L. Mason, B.A.B.D.
Overseer of the C.C.C. in China.

ZION IN JAPAN is going forward under much opposition from the Devil.

Often in times of great need, Mr. Cairns has received money in answer to the Prayer of Faith, after having spent the last dollar in the work of God.

In February a fire broke out in an adjoining house and then burnt the house occupied by Mr. Cairns, destroying about half of their clothing and household goods. On learning of the fire, the General Overseer cabled money. But before that money arrived God was already honoring their faith and supplying their needs according to Philippians 4:19.

We give several extracts from his letters:

I had a consultation with Mr. Tokida and concluded to go to Tokyo.

Money was very scarce. I knew I did not have enough for the trip and for the dressmaker who would come the following day.

But Zion's business in Tokyo was very pressing.

I felt I must go, so I arranged to go and trusted God for funds.

Just about one hour before I was to start for Tokyo, this thirty-five yen came, and so we had plenty.

My clothes were nearly all burned in the fire.

I had lately had a new suit and an extra pair of trousers made.

The suit was burned, but the extra trousers were saved. I immediately went to the tailor and ordered another coat and vest.

The tailor made them, but I had no money to pay for them then, so I told him to keep them for a while.

He kept them for eight days.

My best clothes were in rags and I was ashamed to be seen out of doors; much less did I like to go to Tokyo in rags.

The money came just a few minutes before I was to start for Tokyo.

I hustled to the tailor, changed my clothes and went to Tokyo in new clothes. Praise the Lord.

God has been nearer than ever before, since the fire.

The people have been kind.

Our native Zion people have shown a spirit of true sympathy and have surprised us by their unselfishness and ability to help. God bless them.

On our way to Tokyo I sold about fifty tracts in the train and talked to the people.

Then Tokida San, voluntarily, talked to them about ten minutes.

He gave them a good Gospel sermon.

Hitherto he has had too much fear for such work. Praise God, he broke loose at last.

This is our greatest victory recently.

We are now serving all the apostate churches in town with Mr. Cossum's article on why he joined the Christian Catholic Church in Zion. I had it translated. Last Sunday we stood and gave them out near the doors of several of the churches. We expect to finish them next Lord's Day.

The Holy Spirit is upon Zion Seventies.

We have fourteen now who go from house to house with a Gospel Message at least two hours per week.

This little Japanese house is the center of a mighty power in this city and Empire. Praise God.

The apostasy is trembling; the Devil howls.

Glory!

I was never so happy in my life!

THE FOLLOWING incident illustrates the struggles to earn a living and the work of Zion teaching in the consciences of the natives. One of the members Mr. Cairns found had been led through poverty into wrongdoing:

He got down to close circumstances, and his relatives concluded to set up a store for him.

They established a liquor and tobacco store.

He refused to accept the aid at first, but finally he went into the store for a short time and sold the stuff.

On each package he sold he pasted a label saying that the stuff was very injurious and the people ought not to use it.

When we found him he was running an orphanage in connection with a Buddhist.

We told him that either he or the Buddist must clear out, and he said he would do so.

THE BAPTIST CHURCHES are unscriptural. Rev. W. H. Cossum, of Shanghai, China, whom the General Overseer is calling to Headquarters soon, writes the following:

WHY I DO NOT BELIEVE IN THE BAPTIST CHURCHES.

First and last, because professing to stand on the Scriptures alone they do not.

The election or "calling" of a pastor by the majority nowhere appears in the Scripture. Pastors or Elders were appointed (ordained) by superiors (Titus 1:5; Acts 14:23).

The folly of the people calling the preacher is shown in the pew bossism of today, and the pulpit fearing to rebuke wealthy and influential sinners.

When Elders are appointed from above, they can rebuke and direct without fear. The pew-sitters who are displeased can seek pastures new or keep still.

Professing that they are not mere "Baptist" churches, that is, churches organized around Baptism, but Biblical churches, they go on to say to men and women, "If you *agree* with us in every doctrine of the Bible, but differ with us on immersion, you cannot unite with us as members."

Does not this say that the point of their organization is *Baptism*, not the other central doctrines of the Bible?

I am amazed that I have failed to see the folly and weakness of this position so long.

While talking much about immersion, the Triune and original immersion is not taught.

I heard sprinkling and pouring discussed, but never Triune Immersion. Why? For the same reason that immersion is not discussed very much in sprinkling churches. The historical argument of which the Baptists make so much to confirm their Scriptural argument is all on the side of Triune Immersion, and the Baptists are where they have been putting the Presbyterians all these years.

I smile at this.

Where is "Close Communion" now, if it is "Close Baptism"?

To offset these errors, Zion presents Scriptural Authority, God-ordained men appointing, by the Spirit-given Authority, Elders and other officers.

The broad platform of membership says that if you agree with us in Repentance, Faith and a Holy Life, you may have fellowship with us by your own choice if you will fill in a blank. We shall, however, speak with perfect freedom about what we believe on Baptism and other questions.

Zion presents Triune Immersion sustained by the meaning of the Word, by the historic argument, and by the share which the Father, the Son and the Holy Spirit have in one's dying to the world and to sin, and rising with Christ and walking in Newness of Life (Romans 6).

This appears also in the great Commission (Matthew 28).

May God through Zion teach the Baptists the unscripturalness of their position.

Let members of the Christian Catholic Church in Zion who are competent to teach either Preparatory or College Branches, and who wish employment in Zion College the coming year, apply at once to Rev. William Hamner Piper, Vice-President Zion's Educational Institutions, 1201 Michigan Avenue, Chicago, Illinois.

ZION'S BIBLE CLASS.

CONDUCTED BY DEACON DANIEL SLOAN.

MIDWEEK BIBLE CLASS LESSON, APRIL 24th or 25th.

The Oneness of the Godhead.

1. *The Father begets the spirit in His own image.*—Hebrews 12:5-11.
We are to live ever subject to His will.
Because we are His, He wants to teach us.
He will bring good out of every evil.
2. *The Son redeems the soul with His own blood.*—Psalm 49:6-13.
Man can never make himself safe or happy in this life.
God does not want the soul that sinneth to die.
Christ is God's Way of redemption for fallen man.
3. *The Spirit sustains the body by His own grace.*—Romans 8:9-11.
To have the Spirit of Life within is to know His life.
Christ within gives a present resurrection.
God gives His Holy Spirit to sustain the body till Jesus comes.
4. *They are One in blessed benedictions.*—2 Corinthians 13:11-14.
God's boundless love is ours now and forevermore.
The favor of Christ cheers day by day.
The fellowship of the Holy Spirit gives abiding joy.
5. *They are One in fellowship to the obedient.*—John 14:23-26.
To obey His Word secures the Father's love.
To obey His Word insures the Son's fellowship.
To obey His Word obtains the Holy Spirit's guidance.
6. *They are One in redemptive testimony.*—1 John 5:5-8.
The Father tells of redemption for spirit, soul and body.
The Son says He came to destroy all the works of the Devil.
The Holy Spirit in signs and wonders yet continues this work.
7. *They are One in the methods of evangelization.*—Matthew 28:19, 20.
They say to go to the people with glad tidings.
They say to teach every person the truth, so that he may see the way of life.
They say to baptize those taught with a Triune Baptism in the Name of a Triune God.
8. *They are One in the heirship They unfold.*—Romans 8:14-17.
They establish the Father's relation through redemption.
They make clear the sealing of the Spirit.
They reveal our inheritance with the Son.
9. *They are One in the standard set of Holy Living.*—Jude 1:20-24.
Showing that the Holy Spirit indites prayer.
Showing that nothing should separate from the love of God.
Showing that Christ, the blessed hope, should ever be looked for.
10. *They are One in the salvation They consummate.*—1 Peter 1:1-9.
Revealing that every spirit is elected unto salvation.
Revealing that the Blood of Christ brings peace and blessing.
Revealing that the sanctification of the spirit is unto eternal life.

The Lord Our God is a Triune God.

SUNDAY BIBLE CLASS LESSON, APRIL 28th.

Man's Triune Being.

1. *God's creative wisdom establishes it.*—Genesis 2:4-7.
God made the body with resistance in it.
God created the spirit in His own image.
An obedient spirit in a strong body makes a vigorous soul.
2. *God's saving mercy redeems it.*—Psalm 103:1-5.
God will first take sin out of the heart.
Then He will get disease out of the body.
Then He will sanctify the soul in all of its powers.
3. *God's sanctifying grace preserves it.*—1 Thessalonians 5:21-24.
A strong individuality has great power in it for good.
Every sin, however small, has a terrible penalty to it.
God has a way of keeping every power preserved till Jesus comes.
4. *The spirit is immortal and administrative.*—Job 33:1-6.
God is the Father of every spirit.
The spirit is the inner man to inhabit the body.
The spirit is the lifegiving power of the body.
5. *The soul is mortal and potential.*—Ecclesiastes 12:3-7.
It has the force of vigor and personality.
It is the result of the union of spirit and body.
Judgment, will and effectiveness characterize it.
6. *The body is functional and changing.*—Psalm 139:13-18.
Every organ has great functional force.
The operation of the body from Head to foot is a marvel.
It is passing through restoration and change all the time.
7. *Sin keeps the spirit in bondage.*—John 8:41-47.
Ignorance of God leads to vanity.
Prejudice to truth makes one wise in conceit.
Unbelief of heart shuts away from God.
8. *Sin darkens the soul to happiness.*—Romans 1:22-26.
Very few people find that which makes them happy.
False conceptions of God are fixed in most minds.
This fallen nature perverts all life's relations.
9. *Sin fills the body with decay.*—Mark 7:18-23.
It weakens organic action somewhere.
Every sinful act has its effect on the body.
An unclean heart will ever disease the body.
10. *Faith in God brings salvation nigh.*—Romans 10:8-13.
To believe is easy to those who seek God.
The mind filled with experience is the enemy of faith.
To read and obey the truth from the heart begets faith.
11. *Fellowship with God holds it fast.*—1 John 1:4-9.
Many persons may receive blessings, and then lose them.
To hold it is to do more than to live up to the light one may have.
To enjoy what God gives we must live as He would have us.
12. *The knowledge of God makes it permanent.*—John 6:54-58.
Unless He is our life, we will never know what life is.
To ever have nothing between us and Him is His way to live.
To thus live is to live until Jesus comes.

God's Holy People are a Spiritual-Masterly People.

He sendeth His word — PATIENCE — and healeth them.

LEAVES OF HEALING

I am the Lord that healeth thee. — And the leaves of the tree were for the healing of the nations.

A WEEKLY PAPER FOR THE EXTENSION OF THE KINGDOM OF GOD.

EDITED BY THE REV. JOHN ALEX. DOWIE.

VOLUME VIII. NUMBER 26. CHICAGO, APRIL 20, 1901. PRICE FIVE CENTS.

GOD'S WITNESSES TO DIVINE HEALING.

MOTHER HEALED OF MANY TERRIBLE DISEASES; LITTLE DAUGHTER OF EPILEPSY AND ECZEMA.

THEY BROUGHT UNTO HIM MANY POSSESSED WITH DEVILS: AND HE CAST OUT THE SPIRITS WITH A WORD AND HEALED ALL THAT WERE SICK.

This mother tells a Story of terrible suffering and sorrow.

She praises God for a glorious deliverance.

No pen can describe the torture of her body by the Devil.

He oppressed her with—

A tumorous abscess,
Bright's Disease of the Kidneys,
Internal Diseases,
Indigestion,
and other diseases.

Physicians could not help her.

They said she must die.

But her agony of mind was more terrible.

She saw her daughter born with a heritage of disease.

When but a babe, the Devil took possession of her body in the form of epilepsy.

The mother, with rending heart, could only stand by and see that beautiful and delicate frame twisted, distorted and convulsed by the cruel hands of the Devil.

Who but God can know the helpless anguish of that mother's heart?

For years the unutterable cruelty of that possession threw the little one into ever-recurring convulsions.

MRS. R. M. TOOKE AND DAUGHTER.

It seemed, again and again, that Satan would win his final victory over both mother and daughter: Death.

But, hallelujah, Christ is Conqueror!

He came to destroy the works of the Devil. When He was on earth, in the flesh, He performed that mission by healing the sick and casting out devils. He has not changed.

He is with us "all the days"; for He said He would be.

His work is still to "destroy the works of the Devil."

The Devil has not changed.

He still oppresses with sickness and possesses his poor victims

Some falsely teach that God makes His children sick.

Can it be that God now does the work the Devil used to do?

It cannot be true; for God says:

"I am the Lord that healeth thee."

"I am the Lord, I change not."

He says, in His Word, "Jesus Christ is the same, yesterday and today, yea and forever."

The Little White Dove, LEAVES OF HEALING, carried this Message of God's love to this dying woman.

Soon she saw the light.

Soon she began to learn God's Way of Healing.

Throwing aside the worse than useless human means, she trusted God only and fully.

God's servant prayed with her

Instantly she, who had not walked for months, arose and walked, in the Name of Jesus.

Soon she was perfectly healed.

Later, the General Overseer prayed for her little daughter, when physicians had said that she must die.

When that prayer of faith ascended to the Great White Throne, the answer came.

All the years of that fiendish possession were ended

The child was free!

She is free and healthy to this day.

What a wonderful deliverance!

Who can tell the joy in that widow's household when God worked that miracle?

Since then the mother has been healed of typhoid fever, inflammatory rheumatism and loss of the use of hand and arm.

The little daughter has been healed of eczema of almost the entire body.

Such was the work of Jesus nineteen centuries ago.

Such is His work today.

The testimony of these witnesses is indisputable.

Its very simplicity gives it the undeniable ring of truth.

O, weary one, oppressed by Satan, do not delay.

Lose not a moment in turning to God your Father.

He loves you as no earthly father can love his child.

He longs to heal you.

He gave His Only Begotten Son, who "took our infirmities, and bare our diseases."

Can you reject that Gift?

Repent of sin, confess and restore; then trust and obey God.

Those are His conditions.

His promises to those who fulfil them are sure.

WRITTEN TESTIMONY OF MRS. R. M. TOOKE.

1914 WASHINGTON BOULEVARD,
CHICAGO, ILLINOIS, March 26, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—It is now nearly four years since I was healed through faith in Jesus Christ, and in direct answer to prayer, of many diseases.

I was a total wreck.

I had a tumorous abscess in my left side, Bright's disease of the kidneys, internal disease and indigestion.

As one doctor expressed himself, I had nearly every disease peculiar to women and there was no help for me.

But God sent LEAVES OF HEALING to me, and Elder (now Overseer) Wilhide.

He taught me God's Way of Healing as he had been taught in Zion.

He prayed and laid hands on me and I was healed of them all, instantaneously.

I praise God for it and give Him all the glory.

At that time I gave my testimony in full in Zion Tabernacle No. 2.

It was published in LEAVES OF HEALING, Volume III, Number 8, December 12, 1896.

Many who knew me at that time, and knew what a wreck of humanity I had been, said, "That healing will not last."

I feel prompted by the Holy Spirit now, as I write a testimony of my healing one year ago, to tell them that after five years, nearly, I am still here and in better health than I have been for over twenty-two years.

I feel that I grow stronger, both bodily and spiritually, every day.

I thank God that He ever sent you to Chicago to teach us the Way of Salvation, Healing and Holy Living.

One year ago I sinned.

I overworked, and gave the Devil a chance to strike me.

Ere I knew it, I was prostrated with typhoid fever and inflammatory rheumatism.

I could not pray. I seemed so dazed I could not think, and often was very delirious.

At first Evangelist Loblaw visited me.

He prayed and laid hands on me.

But my healing did not come.

It was not God's fault nor the Evangelist's; it was my own.

I had gotten into that condition where I did not know myself.

I thank God for Zion and Zion's prayers.

They held me up when I could not pray myself.

That was when, I believe with others, if I had been under the doctors I should have passed away.

I was still very ill when Elder Stevens was sent to take charge of the West Side Zion Tabernacle.

He and Evangelist Loblaw attended me faithfully.

I used to wonder why I did not get my healing as I did before, instantaneously.

I thought I trusted God, and if I had never gotten my healing, I would have said, "God is the Healer still, and the only One. The fault is somewhere in me."

I prayed God to show me what was wrong.

My left hand and arm were nearly useless to me.

I could neither dress nor undress myself; I could not get up nor sit down without assistance, and many times had to be fed.

In my folly, when I found I was so helpless, I had exclaimed, "I will not be confined to my bed, I will not be dependent on any one."

God showed me I had sinned and permitted me to be dependent, even helpless as a babe.

I found I was always dependent on His mercy, and on Zion's prayers, too.

I found that Zion could live without me, but that I could not live without Zion.

I thank God for it.

As I began to get better, I had plenty of time for thought and searching myself.

I found I had not stood as firm and for God as I should.

I had not lived up to the light I had.

I also found that there was something to put right.

I vowed to God I would do so the first opportunity I had.

I did it, and was blessed. I began to get better rapidly.

As soon as I could be moved, my sister took me to her home in a suburb where there was plenty of fresh air.

I asked God to perfect the healing He had begun. I sent requests for prayer to Zion.

Elder Stevens said, "I will never cease to pray for you until you are perfectly healed."

On the Sunday I was to return home, I sat alone in the room. I was thinking seriously.

I had received a late copy of LEAVES OF HEALING. I looked over it and noticed that sermon, "If It be Thy Will."

I read it, and as I read I asked God for Jesus' sake to give me the perfect use of my hand and arm.

It seemed that while I was asking and trusting, something said, "Open your hand."

Praise God, I opened it.

I could hardly believe it, although I was asking for it.

I often since think how faithless I was and how good God was to me.

I opened and closed my hand several times.

Then something said, "Raise your arm over your head."

I did it.

I thank God I have had the use of my arm ever since.

I had not been able to do so since I had been ill.

I believe that if I had been using medicine I should have been paralyzed and helpless today.

From that time I consecrated myself anew to God and His service, my time, my talents, myself, my all.

Each morning as I awake and ask for grace and strength to do His will, I get it.

At nine in the morning I remember Zion prays for all Zion everywhere, and that, I feel, is a blessing.

The last few months of my life have been the happiest.

Words cannot express the thanks I give to our God.

One by one He is bringing my children to Himself and into Zion.

Three are members of the Christian Catholic Church in Zion.

During my illness I found brothers and sisters in Zion such as the world knows nothing of.

Elder Stevens sent Deacon Mueller to lead Cottage Meetings in my home.

They have been a great blessing to us all in building us up in the knowledge and love of God.

They have drawn the members nearer together in the bonds of fellowship and love for each other.

Other members of my family have received healing many times.

I thank God for sending His servants, the General Overseer and Mrs. Dowie, to teach us the Full Gospel.

WRITTEN TESTIMONY OF MRS. R. M. TOOKE TO THE HEALING OF HER DAUGHTER.

1914 WASHINGTON BOULEVARD,
CHICAGO, ILLINOIS, March 26, 1901.

REV. JOHN ALEX. DOWIE.

Dear General Overseer:—I have felt for some time that I was doing wrong in withholding the testimony to the healing of my daughter Louise of epilepsy, which was something wonderful.

From her birth she was a delicate child, and never knew what it was to be well.

She inherited kidney disease from me, the doctors telling me before her birth that I would live but a short time, I having Bright's disease of the kidneys.

When she was fifteen months old she began to suffer from epilepsy.

At that time the doctor said she could not live.

She had forty-two convulsions in about twelve hours.

Every doctor who saw her said that it was her brain and kidneys which caused her trouble. They said I could never raise her, and warned me not to set my mind on it.

She had always been a constant care until she was healed.

As she grew older, the convulsions grew stronger and affected her heart greatly.

Every day she had from four or five to sometimes a dozen convulsions.

Sometimes we thought she had passed away.

Satan tried hard for the victory.

I often used to think of what Overseer Speicher said to me one day, when called to pray with her. He said, "Hold fast, sister; never give up. We will get the victory yet." It has often been the means of helping me when cast down.

Five years ago last fall there was a convention of doctors held in this city.

Dr. Herrick, of the Presbyterian Hospital, had been called in consultation to see her.

At that time she had lain some six or eight weeks, utterly prostrated, after a severe attack of convulsions.

Dr. Herrick said nothing could be done for her. He said he had practiced in hospitals for years and had never seen a case like hers.

He asked me for a synopsis of her father's life and my own regarding our health; for he said he would like to bring her case before the convention, to see if they could suggest any help for her.

He said he could not understand her retaining her brightness under such terrible attacks of convulsions, it requiring the efforts of myself and her sister many times to keep her on the bed.

No one knows but God what struggles we had with the Devil at those times.

I have often felt ready to give up in despair, and have asked God, in my ignorance, to take her, instead of asking Him to cast the Devil out, and let her live for His glory.

Dr. Herrick presented her case to the convention and the verdict they rendered was, "Nothing can be done. She will die suddenly in a convulsion some day."

They said, "She will never live to be ten years of age."

At that time she was six, but I praise God and thank Dr. Dowie, she is now more than eleven years old.

She was ten years and two months old when she had the last convulsion. It seemed as if the Devil was determined to win then.

She had been nearly forty-eight hours in them.

Her elder sister and myself held her that morning.

I got discouraged, we had prayed so many times, and fear came into my heart.

When I looked at those poor little limbs all drawn out of shape, and her eyes distorted and staring at me like a Devil, not like my Louise, I took her by the shoulders and shook her.

I cried, "You old Devil, get out of my child and let her alone."

It was Sunday morning.

My daughter said, "Mother, go down to Zion Tabernacle and put in a request for prayer for her."

I said, "I cannot." It seemed all so dark.

In the afternoon she seemed some better, and they persisted in my going.

I will ever thank God, His Spirit led me to go.

I reached Central Zion Tabernacle at about four o'clock in the afternoon.

When I stepped into the vestibule I heard you preaching.

I sat down at the table and wrote a request for prayer, asking you to pray at once for her that she would never have any more convulsions, for Jesus' sake and God's glory.

I handed it to Deacon Anderson.

It was passed along to you, and I think I can see you now, as you stopped speaking and looked at it.

You raised your hand and said, "All bow your heads."

Then you prayed, just a few words, and God heard and answered.

When I returned home she seemed perfectly well and was laughing and playing.

Oh what a change from the child I had left!

The Devil had gone and Christ came in.

Now it is one year and four months since she was healed, and she is healthy and has suffered no more from epilepsy.

It has gone forever, for God healed her.

When I look back and see the many anxious and weary years I spent with her, and think of our Father's goodness and mercy and love to us in making her whole, I feel that we can never thank Him enough.

I feel that her life should be given in His service, who gave her health. God has given her a good voice to sing for Him.

Last fall a rash like a blister full of water began to come on her limbs, below the knee at first. Then it spread all over her body, with the exception of her hands and face.

We prayed.

Elder Stevens pronounced her trouble eczema.

He prayed with her, and she seemed better at first; then it got worse and was very irritating, so much so that at times she hardly knew how to stand the burning.

When you returned from Europe, I wrote you telling you of her healing of epilepsy and asking you to pray for her again.

Praise God, He heard and answered, for the tormentor has gone and her limbs are well again.

Her head was one solid mass of eczema; now it is clean and as nice as it was before. Her hair did not come out, either.

I feel that the half can never be told of what God has wrought in her.

I pray God to give me wisdom to train her for His service, and to keep me ever humble before Him.

Now Louise sells and distributes LEAVES OF HEALING wherever she can.

I pray God that as this testimony goes forth it may be the means, in God's hands, of many weary ones, afflicted, perhaps, in the same way, being saved and healed, even as the testimonies of others have been helpful to us.

Dear General Overseer, thanking you for your prayers for both me and mine, we pray God to spare you for His service and abundantly bless you, for Jesus' sake.

Your Sister in Christ, (MRS.) R. M. TOOKE.

CONFIRMATION OF THE ABOVE TESTIMONIES BY MISS ETHEL TOOKE.

DEAR GENERAL OVERSEER:—I praise God that the above testimonies are all that has been stated.

No one who did not see mother could realize how sick she was.

My heart seems to jump with gladness when I look back to the time when, as I was coming home from work at noon, I saw mother walking instead of dying. When I had left her she was more dead than alive.

We feel that we cannot thank God enough for the healing of my mother and sister.

I also wish to say that I was healed of typhoid fever, caused by the constant work and worry of mother's first sickness.

I sent a request for prayer and was healed.

I was also healed of piles when I obeyed God in Baptism.

About December 28, 1900, I was healed of pneumonia.

When I was taken sick, we prayed and received no answer. We sent a request for prayer and I was delivered at once. I was able to go to work in one week.

I desire to give God all the glory, and pray that this, my simple Story, will be the means of helping some one nearer to God.

Faithfully your Sister in Christ, (MISS) ETHEL TOOKE.

"Two years and a half ago I was going home one evening, and there was a defective sidewalk; there was a hole of some four feet underneath the sidewalk, and I fell through. There were two other people with me, both of whom were young. I was in the center, and I fell through that defective sidewalk.

"The consequence was I fractured my right ankle. I struck this side,

bent my ribs, and it caught on the left lung. Then there was a tumorous abscess formed. For five months I laid on an invalid's chair, only they would carry me to my bed. Then I began to get around a little, and went on crutches for nearly a year.

"There were people on the cars who remembered me afterwards, just after I left off the crutches; they know until some time in August I could not walk, for I was very badly lamed, and this limb was somewhat shorter. It was one-half to three-quarters of an inch shorter than the left limb.

"I was taken to bed on the first Sunday in June. Dr. Smith attended me for over a year; Dr. Mitchell attended me, and Dr. Rittenhouse. He attended me at the time I was healed, and he told me I could never be a well woman.

"A lady came to see me.

"She brought me some LEAVES OF HEALING and she told me what a great work was going on here.

"I was a Christian, but I was a cold Christian. I thought I was doing God's will trying to be patient, but when I saw these papers, I thought to myself, 'Well, that Dr. Dowie is like lots of others: he thinks he is better than anybody else. I do not want anything to do with him, and I won't listen to him.'"

Dr. Dowie—That is the way I am summed up, you see. (Laughter.)

Mrs. Tooke—"I thought I would ask God to make me better, and if He chose to do it, all right; if He did not, I was willing to suffer; and as I said to my doctors, I would gladly die were it not for my children.

"But this lady persevered in coming to see me. I was so weak at times I could not talk to her, but she left LEAVES OF HEALING every time.

"One testimony that attracted my attention was that of a young lady who was holding up a brace; she had been photographed in that way, and I thought when I read that, 'There is something in it for me. If God can heal her, He can heal me.'

"But my proud spirit would not give in.

"However, this friend kept coming in, and one day she told me about Mrs. Paddock, and she told me she would bring her up to see me, and I told her I would be glad to see her.

"All the time I was longing to get hold of something, I did not know what it was. My pastor called to see me several times, and he never said he would like to pray with me.

"I belonged to a Baptist Church on the West Side.

"Mrs. Paddock came to see me, and she knows when she came to see me that I could not hold myself up. I was propped up with pillows in a chair.

"She told me of such a wonderful healing she had had. She prayed, and she went away, and I felt much better.

"She said, 'I know one of Dr. Dowie's colleagues, and he will come out and see you; I will ask Mr. Wilhide to come out and see you.'

"The battle I had from the time Mrs. Paddock went, and until Mr. Wilhide came to see me, no one knows but God alone.

"There is a window right near my bed, and I often think it was nothing but God's mercy that kept me from jumping through that window.

"When Mr. Wilhide came, he said, 'You are a sick woman, are you not?'

"'Yes, I am a total wreck.'

"'Do you believe the Lord can heal you?'

"I said, 'He can if He will.'

"'"If He will,"' he says, 'what do you mean by that?

"'I mean just what I say: He can if He will.'

"'Has He not taught us to ask whatever we will in accordance with His will?'

"I said, 'Did not Christ in the Garden say, "If it be Thy will, let this cup pass from me?"'

"'You are not Christ, are you?'

"'No, sir.'

"'Well, He did not say, "I leave that prayer for My disciples," did He? Did He leave a prayer for His disciples?'

"I said, 'Yes, sir; He did.'

"'What was it?'

"'Why, every one knows the Lord's Prayer.'

"He found the prayer, and gave it to me, and said, 'Read it.' I read along, and got to 'Thy Kingdom come, Thy will be done.'

"He said, 'Stop. Now, how does the Lord want His will to be done on this earth?'

"'As it is in heaven.'

"He said, 'Do you see the point? He wants His will done here as it is in heaven. Is there any sickness in heaven?'

"'No, sir; there is no sickness in heaven.'

"'How do you know it?' he asked.

"I replied, 'Because God's Word says so.'

"'Well, you believe God's Word?'

"'Why, certainly I believe God's Word.'

"'Well, if He wants His will done here as it is done in heaven, and if there is no sickness in heaven, He does not want any sickness here, does He?'

"I could see it at that time.

"I think I have taught in a Sabbath School these very verses; I have taught them to my children, and I never saw them in that light before.

"He stayed about two hours in my house; I could not walk at all, for I had lain in bed for ten weeks. Before he left the house, I got up and walked right across the room; and I did not have any lameness either, because he asked the Lord to take my lameness away.

"From that day to this—that was only the last of last August—I have been coming out here.

"When Dr. Rittenhouse came in, next day, 'Why,' he said, 'Mrs. Tooke, you are wonderfully better?' 'Yes, sir; much better than I ever expected to be at any time.' He seemed so surprised he did not know what to say; he just looked at me.

"I feel better than I have for twenty years.

"I feel perfectly healed; and there are people who come from distances around who knew what a cripple I was, and wonder to see me going about."

NOTES OF THANKSGIVING TO ZION'S GOD.

God Heals Bad Cough, Scarlet Fever, Etc.

BRANCH, WISCONSIN, March 21, 1901.

DEAR GENERAL OVERSEER:—I wish to give a few words to Zion and tell what God has done for me.

Four years ago I was taken to Zion on account of nervousness and a bad cough, as the doctors here could not help me any.

My aunts from Chicago (Mrs. C. H. Lamb and Mrs. A. McGuire) had told us of Dr. Dowie and of several persons who had been healed in Zion.

When I entered Zion Tabernacle for the first time, Dr. Speicher prayed for me.

I became stronger right away and have kept improving ever since.

I was also healed of sore throat and scarlet fever this winter in answer to a request for prayer.

I have been healed of other troubles several times through my own prayers.

I praise God for His kind blessings and thank Dr. and Mrs. Dowie and all Zion for their prayers. (MISS) EMMA L. VOGEL.

Child Healed of Measles and Severe Cough.

SOUDERTON, PENNSYLVANIA, March 19, 1901.

DEAR GENERAL OVERSEER:—I have for some time thought of writing to tell you of our youngest child's healing when he had measles.

He broke out with measles on the 30th of January.

As they left him he got slowly worse, as he was tight on his chest.

We prayed and trusted the Lord without using any means at all.

He continued to grow worse.

I wrote to you to pray for him.

The letter reached you some time next day, February 6th.

The morning of February 6th he was still a little worse and did not take any nourishment.

I rested on the promises of God and my burden rolled away, for I received the assurance that our prayers would be answered.

I was full of joy after that, and toward evening I noticed the change. His cough was loose and he was better and improved rapidly.

The next day he sat up and played.

Thanks to you for your prayers and all glory to God for answering our prayers.

I then thought I must tell it to others who were afflicted, and I did.

I have much more joy since I go to people who are sick and tell them what I know, and take them LEAVES OF HEALING and give away tracts.

Some are howling and some say I must be crazy.

It gives me joy to meet with some who are willing to learn.

A few families have already a good deal of Zion in their hearts.

Your humble Sister in Christ, (MRS.) ANNA R. FRETZ

God Heals Injured Eye.

TITUSVILLE, PENNSYLVANIA, March 19, 1901.

DEAR GENERAL OVERSEER:—I am so glad to tell you that my grandson's eye is about well.

He says God healed it.

We give Him all the glory, and thank you for your prayers.

He seemed to know just when you prayed for him.

He was blind in the eye until the next day. About 10 o'clock the next day he could see a little. God knows all about what we had to go through.

TO HIM therefore that knoweth to do good, and doeth it not, to him it is sin.—James 4:17.

HAVE YOU permitted the Little White Dove to fold its wings and hide away in some nook in your home? If you have, send it out to carry blessing to other homes. Its Message has power to break the bonds of evil habits and to deliver from sin and sickness. Every home will be blessed where its Message is accepted.

Then send it forth in prayer and faith that it will be guided into hands that are reaching out for the help it brings.

A Roll of Zion Literature Blesses a Home in England.

We give some extracts from a letter written by a gentleman in Birmingham, England, who writes:

DEAR GENERAL OVERSEER:—It is with the greatest pleasure I write to you to tell you how good God has been to me.

He has wonderfully blessed me, far above all that I ever thought or dreamed.

About two years ago my wife's brother, Alfred Hall, of Cincinnati, sent us a package of old LEAVES OF HEALING.

Of course I would not read them.

I let them lie about for a long time. My wife was quite taken up with them. She read them a great deal and asked God to help her realize that the Message brought by the Little White Dove was for us.

At that time my wife was just getting over the rheumatic fever.

She had been at death's door, and I was afraid that I should lose her.

She went to Derby, and was much better when she came home. She soon got as bad as ever.

She could do nothing, she was so weak.

The Vicar of our village brought several bottles of medicine, but she would not take them.

I told her she was silly; she would be dead if she went on like that.

She kept firm and read LEAVES.

She prayed that God would heal her.

Praise Him, He did.

After that I began to read LEAVES myself.

I could not see why you should condemn swine's flesh and doctors.

All my life, more or less, I had been under the doctors.

I felt I could not live unless I kept taking medicine to keep my body right, as I thought.

How blind I was!

My wife had not touched pork in any form since she first read LEAVES.

She talked to me about it until I decided not to use any more.

I kept my promise for a time; but a young man whom we had lodging with us had some bacon, and I began eating it.

In reading the LEAVES myself I became convicted, through some of your words inspired of God. I thank God I have never tasted any swine's flesh since.

That is over twelve months, and even the smell of it makes me sick.

I had a bad attack of lung fever.

I could scarcely breathe or talk.

We asked God for my healing, and our prayers were answered.

I improved until I met with an accident to my leg.

It ulcerated and was very bad. The shin bone had become diseased.

I could not walk.

At the very time you say you prayed, my leg began to grow better and, thank God, I am at work now.

I suffer nothing from my leg, and am as well as I ever was.

I intend to trust God more for everything.

I thank you very much for your kind words and help.

I thank God today for LEAVES OF HEALING, and for the good it has done to our little home and others around us.

We are still having our meetings among ourselves.

Your Brother in Christ, ALFRED PLANT.

Mrs. Plant writes confirming her husband's testimony:

BELOVED GENERAL OVERSEER:—With much joy we answer your kind letter of the 4th of February.

You stated the time you prayed, at our request, for Mr. Plant's leg.

We are happy to say that God answered your prayer, for it was at the time you stated that you prayed that his leg began to get well.

The Devil fought hard against us, but our Father gave us the victory.

All who work where my husband works have to be in a "sick club." When they are sick they are allowed 6/- per week if a doctor's note is sent to prove that the person is unable to work.

When my husband's leg was bad they refused to give him his sick pay unless he had a note from the physician.

The doctor refused to sign his note unless he would have his so-called "proper treatment."

He said the bone in his leg was diseased, and that he would be compelled to go to a hospital.

My husband said he would go, to get his note signed, as he must have the 6/-, as we had nothing else to live on, but that he would not let them touch his leg.

He asked me to go with him.

I said, "I will stay at home and pray to the Father and He will heal it."

Then for three days the pain was terrible. He fainted often, but we put nothing on to ease it.

We prayed earnestly for God to stay the Devil's power and give us the victory. Praise His Holy Name, He did.

His leg began to heal.

When we got your letter we found that at the very time you prayed it started to get better.

On Sunday he walked seventeen miles to Erdington, to Mr. Price's Zion meeting room.

We give God the glory and never cease to thank Him for sending to us His faithful Messenger, the General Overseer, to deliver to us the Full Gospel.

Since my husband's leg was healed a friend of ours was taken seriously ill.

As they had read some LEAVES we had given them, her husband came to me and said, "Shall we get a doctor?"

I said, "No; she will do better without one. We will commit the case into the hands of the the Great Physician. He will heal her."

We prayed, and she was healed.

EDITORIAL NOTES.

"THANKS BE UNTO GOD WHICH GIVETH US THE VICTORY THROUGH OUR LORD JESUS CHRIST."

ZION CONTINUES to receive Victories from God over all her Foes.

THE FOLLOWING is from the Columbus *Dispatch* of Saturday, April 13th:

Governor Nash attended the meeting of the Magazine Club, held at the residence of Colonel Kilbourne Friday night, and read an interesting paper on "The Power of the Governor in Times of Disturbance."

The paper was especially interesting in that in it Governor Nash referred to his acts done to prevent the prize fight which was to have been held at Cincinnati for the heavyweight championship of the world.

The Governor said that, after a careful examination of the Constitution and statutes of Ohio, he had arrived at the conviction that his predecessors were wrong in their theory that the Governor of the State can call out the militia to suppress a local disturbance only upon the request of the local authorities.

He said that, in his opinion, it was not only his right, but his duty, to use the military forces of the State, if necessary, to prevent such a violation of the laws.

Judge Shauck, of the Supreme Court, asked a suggestive question at the close of the paper. He asked Governor Nash how the latter reconciled his action in the Cincinnati case with his failure to act in the case of the Dowieites at Mansfield who had petitioned him in vain for protection.

Governor Nash answered that Governors, like other men, are fallible, and that in the Mansfield case he had been mistaken as to the scope of his duties and authority.

ZION is a great Educator.

It has been our privilege to educate, recently, the Legislature of the State of Illinois, and now it is our delight to know that at last we have been able to educate so great a lawyer as Judge Nash.

WE WONDER, however, if this education has not come, in a measure, through the sharp lesson which was given to him the other day in the defeat of Mayor Huntington Brown, the chief offender in the horrible outrages against Zion Elders and Zion people in Mansfield, Ohio, last year.

The possibility of a like disaster to Governor Nash himself, and to the Republican party in the State of Ohio, may have had something to do with the enlightening of his understanding, when he read his "interesting paper" on "The Power of the Governor in Times of Disturbance."

OUR READERS will remember that at the beginning of the trouble we addressed a long letter to Governor Nash, dated July 26, 1900, which will be found in our issue of LEAVES OF HEALING, Volume VII, Number 14, pages 434 and 435.

We sent this to the Governor by a Special Messenger, the Rev. E. B. Kennedy, A. B. He was treated with scant courtesy, and told that the Governor could not interfere, notwithstanding the fact that the mob had nearly murdered one of our Elders. Howling hoodlums had dragged this godly man from the Vonhof Hotel for nearly a mile through the streets, tearing every shred of clothing from his body, except his shoes and stockings, cruelly beating him and nearly killing him.

Mayor Brown had meanwhile professed his inability to preserve public order, and to protect a good man and citizen from mob violence.

This was followed by an assault upon a widow's cottage, in which about fifty Zion people were assembled.

From this quiet meeting Evangelist Fisher and Elder

McClurkin were dragged into the streets and subjected to the shameful indignity of being stripped of all their clothing except their shoes and hose, daubed from head to foot with blue paint, and marched up the principal thoroughfare of Mansfield in that condition at a time when the streets were crowded with a howling mob.

WHEN THIS fact came to our knowledge, we sent the following telegram to Governor Nash:

MONTAGUE, MICHIGAN, July 31, 1900.

GOVERNOR OF OHIO,
Columbus, Ohio.

Both Mayor and Sheriff again proved their incompetence to preserve the peace, and protect the lives, liberty and property of law-abiding and good citizens in Mansfield, last night.

Two excellent men, Revs. E. P. Fisher, B. D., and A. W. McClurkin, B. A., B. D., were shamefully abused and outraged by a mob who broke into a private house and dragged them through the streets.

I respectfully ask, Is it necessary for some one to be murdered outright before you will move?

We shall never surrender to mob law, and will continue to minister to the members of the Christian Catholic Church in Mansfield.

The authorities having failed, I claim the immediate protection of the State. JOHN ALEX. DOWIE.

To that telegram Governor Nash thus insolently replied:

COLUMBUS, OHIO, July 31, 1900.

REV. JOHN ALEX. DOWIE,
Montague, Michigan.

When civil authorities at Mansfield and Richland County inform me that they are unable to preserve the peace and protect life and property, it will be time for me to act.

In the meantime it will be well for you to temper your zeal with some degree of prudence. GEORGE K. NASH.

We answered him as follows:

MONTAGUE, MICHIGAN, July 31, 1900.

GOVERNOR GEORGE K. NASH,
Columbus, Ohio.

Reserve your impertinent advice for the authorities at Mansfield, who have today made common cause with the cowardly mob of housebreakers and outragers of decency, and have forcibly ejected four inoffensive Christian gentlemen and ministers against whom there was no charge of violating any law.

What further proof of their incompetence and criminality do you require? Has the "point within the circle," the emblem of Baal, replaced the National flag, and has opposition to Freemasonry become high treason?

Zion's Elders will return to Mansfield in due time and perform their duties. JOHN ALEX. DOWIE.

BUT "the point within the circle," the Baal-flag of Masonry, floated over the Capitol at Columbus, and over the Town Hall at Mansfield, and under it unspeakable horrors were committed.

THIS ACT of Governor Nash was the signal for months and months of brutality, during which Elders, Evangelists and Deacons of the Christian Catholic Church in Zion were beaten and bruised, and stripped, and driven from Mansfield again and again by mobs which neither the Sheriff of Richland County, nor the Mayor of Mansfield, nor Governor Nash for one single moment checked.

But Zion went forward, sending her ministers every Lord's Day, no matter how they were received, and her people continued to suffer, private houses being broken into by the mob again and again.

Overseer Piper, during our absence in Europe, continued most ably to defend the rights of Zion. He quoted, in a communication to Governor Nash, Section 3034 of the Ohio Annotated Statutes, showing that "the active militia known as the Ohio National Guard may be ordered into active service by the Governor to aid the civil officers, to suppress or *prevent* riot." Yet Governor Nash would not act and the disgrace continued.

AT LAST, HOWEVER, this foe of God and Zion, in answer to the suggestive question of Judge Shauck, of the Supreme Court of Ohio, calmly admits "that in the Mansfield case he had been mistaken as to the scope of his duties and authority."

HOWEVER, ZION won long ago.

For many months our Elders and other officers have openly held meetings in Mansfield, without any repetition of the scenes of violence which last summer and fall disgraced Governor Nash and the State of Ohio.

INDEED, ONE or more of the rioters has been sent to prison by Judge Wolfe, who at all times did his duty.

One of these men was convicted as far back as January 2d last, but the Judge allowed him to go upon his promise to behave. He, however, showed the character of the persons composing the mob, by drinking heavily and shamefully abusing his wife and family.

He was rearrested, and on Friday, March 29th, was given a sentence of thirty days in the Canton workhouse, and fined a hundred dollars.

A Mansfield paper says: "Unless the fine is paid, Andrews bids fair to sojourn at Canton until the song-birds wing their way southward."

THESE FACTS are all evidences of the victory which Zion has won in Mansfield. We recall them in these Notes today, especially, because of a fresh outbreak in another part of the State of Ohio, information concerning which reached us on Thursday morning in the following telegram:

ADA, OHIO, April 18, 1901.

REV. JOHN ALEX. DOWIE:
Mobbed last night at church.
Doors opened.
Eggs and bottles of drugs thrown.
Windows broken.
Building inside and out besmeared.
I tarry here for directions. S. MOOT.

AFTER MUCH consideration we have sent the Rev. Wilbur G. Voliva, A. B., from Headquarters, to make a thorough investigation concerning this new and shameful outbreak.

Elder Voliva delivered the following letter to the Mayor of Ada:

ZION, CHICAGO, April 18, 1901.

TO HIS HONOR,
The Mayor of Ada, Ohio.

MY DEAR MAYOR:—I have received this forenoon the following telegram:

"ADA, OHIO, April 18, 1901.

"REV. JOHN ALEX. DOWIE:
"Mobbed last night at church.
"Doors opened.
"Eggs and bottles of drugs thrown.
"Windows broken.
"Building inside and out besmeared.
"I tarry here for directions. S. MOOT."

The bearer of this letter, the Rev. Wilbur G. Voliva, an Elder in the Christian Catholic Church in Zion, is also an assistant Overseer, and I have directed him to make inquiries as to all the facts connected with this outrage, and to represent me as the General Overseer of this Church in this matter.

He will inform you verbally as to what instructions I have given him, and I trust that the issue will be a peaceful one.

But I can only say that as this is now the third outrage committed in Ada upon inoffensive Elders of this Church, I will not permit it to pass without getting such guarantees that it will not be repeated as will be satisfactory.

I am very respectfully yours JOHN ALEX. DOWIE,
General Overseer of the Christian Catholic Church in Zion.

AND NOW we shall see whether the Mayor of Ada desires to emulate the experience of Mayor Huntington Brown, of Mansfield, or the opposite.

In the former event, we shall have the pleasure to call Governor Nash's attention to his recent conversion to Zion's conceptions of the law of the State of Ohio, and of the duty of Governors in general in times of disturbance, as set forth in his recent interesting and able paper, to which we have drawn attention at the beginning of these Notes.

SINCE WRITING the foregoing Notes on the subject of the Riot of April 17th at Ada, Ohio, the following letter has been received at Headquarters:

LIMA, OHIO, April 18, 1901.

DEAR OVERSEER PIPER:—I sent the General Overseer a telegram this morning concerning the proceedings at Ada last night.

I learned afterwards that as soon as the Mayor learned of the disturbance he had six extra policemen sworn in to go with the Marshal to quiet affairs.

Though they came too late, yet he assured me that we should have police protection hereafter, and stated he was very sorry for what had happened, and if he had been aware of this he would have been prepared to quell it.

Three panes of glass in two windows were broken, although the eggs pelted many more.

I stayed, and the house was set in order again before leaving.

Everything very quiet today, and I think will be hereafter.

Those LEAVES OF HEALING are doing good work in Ada and here, too.

Please let the General Overseer know further report concerning Ada.

Pray.

Your Brother in Jesus Christ, SILAS MOOT.

ZION is a great Educator.

The Mayor of Ada has learned the lesson so effectually taught to Governor Nash at Columbus, and ex-Mayor Brown at Mansfield.

We sincerely hope that Ada will sin no more.

NOW WE TURN to that which is much more pleasant, and rejoice to tell our readers of the continued goodness of God, through the work of the Christian Catholic Church in Zion throughout the whole world, and to the showers of blessing which have come upon our operations at Headquarters and in Zion City.

We are grateful to God to be able to record that within the last two weeks we have taken title to 384 acres more of our purchase in Zion City.

Our weekly visits continue to be extremely interesting. We are glad to know that we are able to help forward, effectually, the initial stages of many departments of Zion's operations there, and to make preparations for great Gatherings at the end of next month, and at Zion's Feast of Tabernacles, July 14th.

LAST LORD'S DAY, in Central Zion Tabernacle, we called attention at considerable length, in our prelude, to THE ZION BANNER. We ask our readers attentively to consider what we then said, a report of which will be found on pages 816 and 817.

Our artist, Mr. Charles Champe, has perfected a very beautiful title page for the new semi-secular weekly. It will be printed in five colors.

WE CALL the attention of our readers to the advertisement concerning THE ZION BANNER on page 823.

We trust that a large number of subscribers will at once send in their names and subscriptions.

WE DESIRE again to call attention to the Announcements connected with the Welcome Home of our dear wife, Overseer Jane Dowie, and the important series of Conferences which will follow, closing with two special sermons by ourselves upon "The Messenger of the Covenant" and the "Coming of Elijah, the Restorer of all Things."

WE REJOICE in the Coming of the Lord, "Whom the heavens must receive until the Times of Restitution of All Things, whereof God spake by the mouth of his Holy Prophets which have been since the world began.

OH THAT God would make plain to His people everywhere the Signs of the Times.

"WHY STAND ye here all the day idle?"

This is the question of the Master of the Vineyard, the Householder Himself, in that wonderful parable concerning the Kingdom of Heaven.

How sad the answer: "Because no man hath hired us"!

WHAT MULTITUDES there are idle all the day until this Eleventh Hour, because no man hath made known to them that God is seeking laborers for His Harvest!

It is the Eleventh Hour.

The Master of the Vineyard has called for "laborers," not theorists, not theological fossils, not critics, not speculators, not bazaar promotors, not try-to-do-its, not cumberers of the ground.

Zion has entered into the Vineyard, and with glorious success has begun to gather in the fruit and is receiving the Reward: for Zion labors all the time, and everywhere, with every God-given power.

"SO THE last shall be first, and the first last."

THIS WONDERFUL parable of the Householder hiring laborers all the day long, even to the "Eleventh Hour," to labor in His Vineyard, represents the Infinite Patience of God in calling forth His people into His service, and in rewarding them according to His will.

Let it also be noted that those who went into the Vineyard in the early part of the day turned out Envious, Jealous, Impudent, Presumptuous Grumblers.

Let it also be noted—see the Denominational Press almost without exception—that these Grumblers are grumbling and snarling continually at God for blessing our labors in Zion.

THE SPEAKING of this wondrous Allegory was followed by Christ's revelation to His Twelve Disciples of His coming Betrayal, Condemnation, Mocking, Scourging and Crucifixion, and beyond it all the Glorious Resurrection.

HOW LITTLE did the mother of the sons of Zebedee understand, when she sought for them so high a place in Christ's Kingdom!

How little did she know what she was asking.

How truly the Master's words may be applied to many: "Ye know not what ye ask."

How careful should we be not to ask for place and power

Digitized by Google
Original from NEW YORK PUBLIC LIBRARY

since those to whom God gives high place and great power must needs drink of the same Bitter Cup of Sorrow and Suffering which our Master drank to its deepest dregs!

How little men know when they unthinkingly say: "We are able to drink it, too"!

How many there are who, when the Cup means to them what it meant to Christ, condemnation, death, shameful mocking and scourging, and crucifixion, falter and flee!

But how glorious is that Cup to those who can drink it; for they who drink that Cup, and they alone, can enter with Him into that Baptism, no longer of Water at the Jordan, but of Fire.

That is a Baptism which maketh His Messengers and Ministers Spirits of Flaming Fire, as His Word declared they should be.

Christ casts this "Fire" upon the earth.

He kindled it: that quenchless Fire of Holy Hatred for Evil, and a Consuming Love for Good.

In these latter days we rejoice to know that this "Fire" is burning in tens of thousands of hearts in Zion.

WHILST DICTATING these Notes, in the Silence of the Night, we had occasion to call for our scrap-books of Clippings from the Press in order to verify certain references.

We had not looked at them for months.

The number and virulence of the attacks and falsehoods against Zion astounded us.

For one brief hour it seemed to us as if, Prometheus-like, we were chained hand and foot and torn by the countless demons of this horrible Newspaper Press; because we had given the Fire, which was in our hearts, to multitudes throughout the world, whom God had, by that Fire, cleansed from sin, purified from corruption, healed from sickness, restored to life, with power to live soberly, righteously and godly in this present evil world.

BECAUSE OF all this, which had brought Salvation and Healing and Cleansing to the multitudes, we saw in these hundreds of millions of attacks in the aggregate, the old myth of Prometheus reënacted.

We saw the Vultures of the Press darting their foul beaks into our very heart, endeavoring to poison and destroy our life.

We heard them fill the air throughout all the earth and sky with the screeching, howling, hoarse screaming of the Unclean Birds of Prey, endeavoring thereby to make humanity everywhere believe that these foul attacks upon our very vitals were dictated by desire to warn the whole earth against an unspeakable monster.

FOR ONE brief hour in this midnight, we turned over those hundreds of pages of clippings from newspapers whose issues of foul falsehood multiply like the "lice in Egypt" as they roll forth in countless millions between the sharp teeth of demoniacally driven printing presses.

BUT "THANKS be to God who giveth us the victory."

WE HAD scarcely closed the volumes before we realized that Prometheus was not bound, and that the "old gods" were dead.

We realized that the Word of God was not bound; that the Living Fire and the Baptism of the Living Fire in our hearts had extended to hundreds of thousands in Zion and through Zion was reaching every land beneath the sun.

We realized that, God being our Helper, that Fire should yet one day burn up these vile presses and restore once more to this earth the reign of Truth.

We realized that in the power of His Life, these countless fiends of Hell should be bound with their master and cast out of this earth into the depths of Death and Hell, there to remain until out of these depths they shall learn to cry in deep and true penitence for the Cleansing Fire of that Infinite Love which shall yet destroy Death and Hell.

WE HAVE arisen from our "rock," and realize that, after all, the myriad harpies of the foul press, the innumerable broods of this "generation of vipers," could not touch us, and that by the Grace of God we had been and would be able to tread them beneath our feet, even as they did who returned to their Master with joy, saying: "Lord, even the demons are subject unto us in Thy Name."

AND SO WE HEAR Him say, as the night rolls away and the dawn of the new day is breaking, as He said to them long ago who came back from their mission with such delight:

I beheld Satan fallen as lightning from heaven.
Behold, I have given you Authority
To tread upon Serpents and Scorpions,
And over All the Power of the Enemy:
And Nothing shall in any wise hurt you.

O CHRIST OF GOD, Thy Voice still speaks these words of cheer to those whom Thou hast sent into this Satan-defiled world where serpents and scorpions and demons on every side hold sway.

O Christ of God, Thou art with us All the Days, and the Consummation of the Age is drawing nigh.

O Christ of God, we bless Thee for the Joy which lifts us higher than the passing Victory, and adds to the promise of Overcoming Power these wondrous words of grace which Thou didst speak to the Seventy long ago:

Howbeit in this rejoice not,
That the Spirits are subject unto you;
But rejoice that your Names are written in Heaven.

SO ONWARD we go, rejoicing, not merely in the possession of that Authority and Power, which God has given to us, by which we always overcome the Enemy, but in the knowledge that, notwithstanding that the demons of the press have written our name with hatred in their books of death and dishonor, we have the Divinely implanted assurance that our "Name is written in Heaven."

And, thanks be to God, it will be "A New Name."

ZION, AWAKE!
Go Forward!
Go Upward!

CLAD IN the Holy Armor of God, let all Zion go into the battle and strike for God, for purity, and for the destruction of these countless foes who are fighting under the Black Pirate Flag of Disease and Death; who are under the Red Flag of that "Red Ruin and the Breaking-up of Laws," which God's prophets have foretold as among the Signs of the Latter Times when the Lawless One should be revealed.

REJOICE! REJOICE! REJOICE! For it is written:

The Lawless One, whom the Lord Jesus shall slay with the Breath of His mouth, and bring to naught by the Manifestation of His coming; even

he, whose coming is according to the working of Satan with all power and signs and lying wonders, and with all deceit of unrighteousness for them that are perishing; because they receive not the love of the truth, that they might be saved.

THERE ARE but Two Great Armies, then, which are contending for Power: the Lovers of Truth, who are the Servants of God, and the Lovers of Lies, who are the Servants of the Devil.

Which shall prevail?

LET THE God who answered by Fire on Carmel answer once again.

Let the Baptism of Fire descend and consume the Living Sacrifice which we lay in Zion upon the Altar of our God.

I BESEECH you therefore, brethren,
By the mercies of God,
To present your bodies a Living Sacrifice,
Holy, acceptable to God,
Which is your Reasonable Service.

CAN THERE be any service more reasonable than that to which our Master calls, and in which we shall continue until we have been baptized through and through, spirit, soul and body, with the Baptism of the Holy Spirit and of Fire?

OUR READERS will know that a few weeks ago we wrote at some length in these Notes, and we spoke on the platform in Central Zion Tabernacle, concerning the need of a very much larger auditorium to contain the thousands who flock to Central Zion Tabernacle on Lord's Day afternoons, and have quite frequently overflowed it.

THE AUDITORIUM.

It is impossible to estimate how many have gone away who could not find seats on many occasions, and the still larger number who have not come because they knew that after a certain time they would not be likely to find seats.

This has been a matter of much prayer and consideration with us ever since we returned from Europe.

Our readers will now be glad to know that we have come to a decision which is the best possible under all the circumstances.

We have secured the Chicago Auditorium, one of the largest, and by many considered to be the finest, audience rooms in the United States.

Our Agreement is for every Lord's Day afternoon from the first Lord's Day in September next to the last in May of next year, and then for another year, from the first Lord's Day in September, 1902, to the 31st day of May, 1903.

We have left, therefore, the Lord's Day afternoons in June, July and August out of our engagement in each year, for two reasons:

First, because large audiences are very much oppressed by the heat in any public building during those months;

Second, because we intend to hold a number of services at Zion City in those months during the next two years.

The sum which we pay is quite a large one, but the gentlemen who control the great building have dealt with us in a liberal spirit, and we do not think it would be right to disclose the sum publicly.

It will be enough to say that it is, we believe, within the power of Zion, and we know that our people everywhere will aid us in this needful expenditure.

Above all, we ask Zion everywhere to pray for Showers of Blessing in this splendid Auditorium, where God blessed us so signally before, when we spoke in it to large audiences every Lord's Day from October 27, 1895, to April 19, 1896.

Zion will now be able for Nine Months in each of the Next Two Years, God willing, to receive thousands of additional hearers to our Lord's Day afternoon special assemblies.

WE DO NOT think that the Auditorium will be large enough all the time, but it is the best that we can do, and we have been providentially favored in securing it.

The situation of this building is very fine, and the picture which we publish with these Notes will remind our readers that it is a most prominent architectural feature on Michigan Boulevard, facing the Lake Front Park.

Very large numbers of strangers who are guests at the Auditorium Hotel and other large hotels in the neighborhood will doubtless come, as they did in 1895-1896.

God blessed multitudes in the vast building during that period, and He will doubtless bless many more during the period for which we have taken it.

The word "Auditorium" has a fascination for very large numbers of persons in Chicago, who admire the majestic character of the interior and its beautiful decoration, lighting, etc., and many of our hearers five years ago, who at first came from curiosity, received permanent blessing and are now amongst our most earnest workers in the Christian Catholic Church in Zion.

BUT THIS and many other temporary leases of large properties in Chicago are but stepping stones to our permanent buildings at Zion City.

We are, however, gaining experience in connection with construction, and are taking much pains to be in a position to instruct our architect as to the nature of the building which we shall require in the great Zion Temple, which will be the central feature in Zion City, and where we hope to seat 25,000 persons.

We are bringing a specially qualified architect from Europe, who will be permanently attached to our staff at Headquarters.

We shall doubtless be able to avail ourselves of the services of many widely-experienced architects in Chicago and in other American cities, during the coming years, when everything is to be done in the way of providing public buildings in Zion City.

However, until then, we live moment by moment, and walk step by step, every hour and every day, with God; not hurrying and not idling, pressing forward in the strength of Him whose work we do, and whose service we love.

THERE ARE many things concerning which we should like to write this week, but the night is not only far spent, but has passed away. We are writing in the morning light of a new day, rejoicing in the glad strength and the increasing vigor of spirit, soul and body which our gracious God provides so abundantly for the many toils and trials and temptations which beset us, of necessity, in the labors which God in His Infinite Wisdom imposes upon us, for the extension of His Kingdom and the elevation of humanity.

No service can ever be half so sweet as this service which we constantly have, in which God is the Alpha and the Omega, the Beginning and the End, and in which we are building up for God an Holy Temple, as He gives us grace. We can do no work for our fellowmen the strength and wisdom for which does not come from God alone, who "worketh in us to will and to do of His good pleasure."

ALL IS WELL.

The Shadows are fleeing away.

The Sun shines brightly from a cloudless sky over the blue waters of the great unsalted sea, Lake Michigan, upon which we look from our window in Zion Building as we dictate these closing words.

ALL IS WELL.

The days in which we live are the Beginning of the "Times of the Restoration of All Things."

And we are happy in the consciousness, no matter what the world or an apostate church may say, that we are humbly and faithfully doing our Father's will.

We go on, knowing that beyond all the conflict and the toil the Century's swinging portal has opened upon "Times of Refreshing from the Presence of the Lord" in these Latter Days.

ALL IS WELL.

God reigns o'er all the Universe, in Boundless Love and Mercy, pursuing the Path of Eternal Wisdom and providing in Zion Blessing for all His creatures.

ALL IS WELL.

And Hope Divine, with rays of Love and Faith and Truth, forever shines o'er all the lands, revealing all the beauties of that Everlasting Gospel which countless voices far and wide are singing sweetly beneath the sky, telling God's Message, that "all that is beautiful shall abide, and all that is base shall die."

ALL IS WELL.

And we go on, with the prayer ever in our heart:

Heavenly Father, still direct us;
Still instruct, console, protect us.
Guide us by Thy hand,
Till we safely stand
In our Father-land.

HAVING FULFILLED God's will on earth, and leaving—if we do not tarry until He come—a Royal Generation in Zion to carry God's Message from Zion to every land, we cry again from Zion's lofty Watchtower, to Zion o'er all the earth, Brothers, Sisters,

ALL IS WELL.

BRETHREN, PRAY FOR US.

DO YOU KNOW GOD'S WAY OF HEALING?

BY THE REV. JOHN ALEX. DOWIE.

Let it be supposed that the following words are a conversation between the reader [A] and the writer [B].

A. What does this question mean? Do you really suppose that God has some one especial way of healing in these days of which men may know and avail themselves?

B. That is exactly my meaning, and I wish very much that you should know God's Way of Healing, as I have done for many years.

A. What is the way, in your opinion?

B. You should rather ask, WHO is God's Way? for the Way is a Person, not a thing. I will answer your question in His own words, "I am the Way, and the Truth, and the Life; no one cometh unto the Father, but by Me." These words were spoken by our Lord Jesus Christ, the Eternal Son of God, who is both our Saviour and our Healer. (John 14:6.)

A. But I always thought that these words only referred to Him as the Way of Salvation. How can you be sure that they refer to Him as the Way of Healing also?

B. Because He cannot change. He is "the same yesterday and today, yea and forever." (Hebrews 13:8.) He said that He came to this earth not only to save us but to heal us (Luke 4:18), and He did this when in the flesh on earth. Being unchanged, He must be able and willing and desirous to heal now.

A. But is there not this difference, namely, that He is not with us now?

B. No; for He said, "Lo, I am with you alway, even unto the end of the world"; and so He is with us now, in Spirit, just as much as when He was here in the flesh.

A. But did He not work these miracles of healing when on earth merely to prove that He was the Son of God?

B. No; there was still a greater purpose than that. He healed the sick who trusted in Him in order to show us that He came to die not only for our sins, but for our sicknesses, and to deliver us from both.

A. Then, if that is so, the atonement which He made on the Cross must have been for our sicknesses as well as our sins. Can you prove that is the fact from the Scriptures?

B. Yes, I can, and the passages are very numerous. I need quote two only. In Isaiah 53:4, 5 it is written of Him, "Surely He hath borne our griefs (Hebrew *sicknesses*), and carried our sorrows; . . . and with His stripes we are healed." Then in the Gospel according to Matthew, this passage is quoted and directly applied to the work of bodily healing, in chapter 8, 17th verse, "That it might be fulfilled which was spoken by Isaiah the prophet, saying, Himself took our infirmities, and bare our diseases."

A. But do you not think that sickness is often God's will, and sent for our good, and therefore God may not wish us to be healed?

B. No, that cannot possibly be; for diseases of every kind are the Devil's work, and his work can never be God's will, since Christ came for the very purpose of destroying "the works of the Devil." (1 John 3:8.)

A. Do you mean to say that all disease is the work of Satan?

B. Yes, for if there had been no sin (which came through Satan) there never would have been any disease, and Jesus never in one single instance told any person that sickness was God's work or will, but the very contrary.

A. Can you prove from Scripture that all forms of sickness and infirmity are the Devil's work?

B. Yes, that can be done very easily. You will see in Matthew 4:23 and 9:35 that when Jesus was here in the flesh, He healed "all manner of disease and all manner of sickness among the people." Then if you will refer to Acts 10:38 you will see that the Apostle Peter declares that He [Jesus] "went about doing good, and healing all that were oppressed of the Devil." Notice that all whom He healed, not some, were suffering from Satan's evil power.

A. But does disease never come from God?

B. No, it cannot come from God, for He is pure, and disease is unclean; and it cannot come out of Heaven, for there is no disease there.

A. That is very different from the teachings which I have received all my life from ministers and in the churches. Do you really think that you are right, and that they are all wrong in this matter?

B. It is not a question as between myself and them. The only question is, What does God's Word say? God has said in all the ages to His Church, "I am the Lord that healeth thee" (Exodus 15:26), and therefore it would be wicked to say that He is the defiler of His people. All true Christians must believe the Bible, and it is impossible to believe that good and evil, sickness and health, sin and holiness could have a common origin in God. If the Bible really taught that, it would be impossible to believe our Lord Jesus Christ when He says, "A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit." (Matthew 7:18.)

A. But even if I agree with all you say, is it not true that the Gifts of Healing were removed from the Church, and are not in it now?

B. No, the "Gifts of Healing" were never withdrawn, and can never be withdrawn, from the true Church of God: for it is written, "The gifts and the calling of God are without repentance." (Romans 11:29.) There are nine gifts of God to the Church (enumerated in 1 Corinthians, 12:8 to 11), and all these are in the Holy Spirit. Therefore, so long as the Holy Spirit is in the Church, all the gifts must be there also. If they are not exercised, that does not prove that they do not exist, but that the faith to exercise them is lacking in God's servants. The gifts are all perfectly preserved; for the Holy Spirit, not the Church, keeps them safely.

A. What should a Christian then do when overtaken with sickness?

B. A Christian should obey God's command, and at once turn to Him for forgiveness of the sin which may have caused the sickness, and for immediate healing. Healing is obtained from God in one of four ways, namely: First, by the direct prayer of faith, without any aid from the officers of the Church, praying as the Centurion did in Matthew 8:5 to 12; second, by two faithful disciples praying in perfect agreement, in accordance with the Lord's promise in Matthew 18:19; third, by the anointing of the elders and the prayer of faith, according to the instructions in James 5:14 and 15; and fourth, by the laying on of the hands of them who believe, and whom God calls to that ministry, as the Lord commands in Mark 16:18, and in other places.

A. But are people healed in this way in these days?

B. Yes, in thousands of cases. I have myself laid hands upon many hundreds of thousands of persons, and I have seen the Lord's Power manifested in the healing of great numbers, many of whom are living witnesses in many countries, who have testified publicly before thousands, and who are prepared to testify at any time. This ministry is being exercised by devoted Christians in many parts of America, Europe, Australasia and elsewhere.

A. Is it not the same as Christian Science, Mind Healing, etc.?

B. No. Divine Healing is diametrically opposed to these diabolical counterfeits, which are utterly anti-Christian. These impostures are only seductive forms of Spiritualism. Trance Evangelism is also a more recent form of this delusion, and it deceives many.

A. But how shall I obtain the necessary faith to receive healing, which faith I am at present conscious I do not possess?

B. It is written, "Belief cometh of hearing, and hearing by the Word of Christ." (Romans 10:17.) Our Missions are held for the express purpose of teaching fully the Word of God on this matter, and I very heartily invite you to attend the meetings which are announced for Zion Tabernacle. All are welcome and there are no charges of any kind made, for all God's gifts are free gifts. Salvation is the first of these, without which you cannot be healed through faith in Jesus. All the costs of this work are covered by the free-will offerings of the people who attend these meetings, and others whom the Lord leads to help; but the poorest who have nothing to give are as heartily welcome as the richest.

A. Do you see the sick and lay hands upon them in this Mission?

B. Yes; after we feel satisfied that they are fully resting in the Lord alone for the healing, we see privately, so far as time permits, those who attend; but under no circumstances do we claim the power to heal any; for "power belongeth unto God."

A. Have you any writings upon this subject which can be purchased?

B. Yes; these can be obtained at the office of Zion Publishing House, 1207 Michigan Avenue, or at Zion Tabernacle, 1621-1633 Michigan Avenue, Chicago, Ill. But the best book on Divine Healing is the Bible itself, studied prayerfully and earnestly.

We extend to you a hearty invitation to attend the meetings, which are free to all. Our prayer is that you may be led to find in Jesus Christ our Lord and God, your present Saviour from sin, your Healer from sickness, your Cleanser from all evil, your Keeper in the way to Heaven, your Friend, and your All for Time and Eternity. We pray that these words may help many who read, and that our little conversation may bear fruit in leading many readers to look to Jesus only.

"The Healing of Christ's seamless dress
Is by all beds of pain;
We touch Him in life's throng and press,
And we are whole again."

CHEERING WORDS FROM ZION'S GUESTS

NOTES FROM ZION HOME

THE regular Praise and Testimony Meeting held in Zion Home, Saturday evening, April 6, 1901, was conducted by Deacon Stevenson.

After the usual opening exercises, the meeting was thrown open for testimony.

MRS. HOMER KESSLER, 1456 Michigan Avenue, Chicago, said: "I do not believe any one in Zion has more to thank God for than I have. All our family are in Zion. We have had many blessings and healings in our family. My oldest son was saved in Zion. We have now moved to this city to be engaged in Zion work and hope to live in Zion City. We can never praise God enough for what He has done."

DEACON SAMUEL STEVENSON, Zion Home, said: "I have been very much helped in the early morning meetings. God has been present. Those who attend these meetings are always blessed and strengthened. We cannot value too much waiting upon God. To learn how to wait upon God and how to pray, is one of the most essential things. I have been especially blessed this week."

MISS ETHEL BEVIER, Zion City, Illinois, said: "I praise God for what He has done for me in the past week or ten days. I have been sick the greater part of the time for three and a half years. Four weeks ago I was taken very sick. I got no help for a while. I then seemed to get a little better, but became worse again until I could hardly raise my head on account of the fluttering in my heart. Then we prayed in Zion City that I might come to Chicago if it was God's will. The next day but one I came. I could hardly walk from the car to the cab. I was so weak that it seemed as though I could hardly get to the Tabernacle. That was a week ago yesterday. I improved so fast that I now feel as well as I ever did. I praise God for what He has done for me."

AUGUST ERHARDT, Zion Home, said: "I thank God for His keeping power. He has kept me all winter and delivered me from a cold or two. I thank God that in His compassion He delivers us from the bondage of sin and disease and the powers of hell. I thank God for Zion. I thank God for all the blessings I have received in Zion, and for the many blessings it is our privilege to enjoy."

T. H. KETTEL, Tipton, Iowa, said: "I wish to thank God for Zion. The teaching has made a great difference in my life. When I was young, I had quite a clear idea of God. As I grew older my faith became very weak. Since coming to Zion there is such a change in me when reading the Bible. For a number of years the Bible seemed quite cold and harsh; yet in the depths of my heart I knew there was a sweetness in it I was not getting. Now, when I read the Bible, it fills me with joy. It gives me new hope and courage. I know very well that if it were not for the teachings of Zion, I would never have gotten out of the dark despondency I was in."

GEORGE MARTINEAU, Zion Home, said: "I thank God for His keeping power. For three years I have not lost a day's work on account of sickness. I have had some severe attacks of cold, but God has always heard and delivered me instantly. I thank God for Zion. I know He keeps me day by day. I thank God that I was led out of the Roman Catholic Church. I thank God for salvation and for the healing I have received, and for being delivered from the tobacco habit. When I was serving the Devil I used to get up from my sleep in the night and smoke my pipe. When I came to Zion Home all the desire for tobacco was taken away, for which I thank God. When I came to Zion I could not read a word in the Bible. The Lord has taught me to read. I can say that when Jesus came to the world, He came to teach the ignorant. I thank Him for it."

The meeting was then closed by the benediction.

THE regular Praise and Testimony Meeting held in Zion Home, Saturday evening, April 13, 1901, was conducted by Elder Graves.

After the usual opening exercises, the meeting was thrown open for testimony.

FIELDING H. WILHITE, Salisbury, Missouri, said: "I am very thankful indeed that God has so blessed me and my family out of Zion, and that I am in Zion. My heart has been in Zion since I first heard of this work, some four years ago. My wife and four little ones will live among you, and hope to be used of God as He may see fit. God certainly has been good to us. We have been greatly blessed and kept. Our little ones have been kept in perfect health. We have two Zion babies. Since we made up our minds to come here and be among God's people, and to take a part in this movement, it seems that God has led us continually and opened up the way for us. I praise God for it, and now that I am here, I want to be used of God for the extension of His Kingdom, and for the spread of the glorious Good Tidings which are taught in Zion."

DEACONESS HERTRICH, Zion Home, said: "My heart is filled tonight with joy and gratitude to God for the increased blessings which are coming into my life from day to day in Zion. I am so thankful to God for the testimonies which we hear daily from the people who have accepted this wonderful teaching of the Full Gospel. They are carrying it on to others, and others are being blessed through their testimony and their prayers. The blessings and spiritual strength which have come to me in these Cottage Meetings, as I hear one after another tell of the wonderful things God is continually doing for them; the rich blessings that I have witnessed in these meetings; the wonderful work that Deaconess Paddock has been enabled to do in Zion Home of Hope by the Grace of God; all have been an inspiration to me. I rejoice even more for that peace and calmness of spirit, amid trying times, that I never knew before in my life. I know what it is to worry, and I am glad that in Zion I have learned to leave things with God as I never have before in all my life. I rejoice tonight for the peace and joy that come to me in having a part in this great work and in this great movement in Zion.

"I will tell of an incident that occurred at the home of Deacon Kristoffersen. His little daughter got her finger into the clothes-wringer and severely bruised it. Two or three of the other children were in the room when it happened. The little boy, four years old, when he saw how the finger had swollen and how painful it was to the little one, said, 'We must fight the Devil, we must fight the Devil.' Then he and the other children prayed. The swelling went down immediately, and nothing could be seen but a little scratch across the finger. The little fellow then said, 'We got the Victory over the Devil

this time.' That is what rejoices my heart, as I see these mothers and fathers plant these truths into the hearts of their children. Let us give the Gospel to the little children as far as lies in our power."

PETER GEORGE LEWIS, Big House, Narberth, South Wales, said: "Tonight is the first Saturday night for me in Zion. I do thank God that the way opened for me to come here, and I am full of gladness to Him for being here and for being present with you in this meeting tonight. I have many times desired to be in closer connection with the movement of Zion. I desire tonight with all my heart to give praise to God for LEAVES OF HEALING, which was sent to me by a Deacon in this Church. In South Wales the people think that the Welsh people must be reached in some other way than that which the General Overseer uses. I rejoice to see so many Welsh people in Zion, and I am convinced that the Welsh people with all their differences can be reached through the Word of God as taught in Zion. I am especially thankful for LEAVES OF HEALING and for the free distribution by Deaconess Hill. It certainly is a good work."

DEACONESS HILL, Zion Home, said: "I am thankful for the blessings I have received since I have been in Zion. On Thursday I was sick. I asked Elder Graves to pray for me and I was relieved almost immediately."

AUGUST PETERS, Benton Harbor, Michigan, said: "I am glad for the precious truths that have come to us from Zion, and that we have learned in Zion that the gifts of God are free, that we can go to Him with our sorrows and troubles, and that He will supply all of our needs out of His fulness. I praise God tonight for Zion."

W. P. SWEET, Champaign, Illinois, said: "I am glad to be in Zion. This week has been a very joyous week to me, although I took such a tumble on last Lord's Day in Zion Tabernacle. There were no seats left and I went to the further end of the gallery. I saw Elder Dinius and wanted to speak to him. I stepped where there was no step and over I went. I did not see how badly it hurt the door against which I fell, but I know it hurt my head very badly. Elder Dinius prayed, and I suffered no evil results from my fall, but sat throughout the services. I was glad that I was in Zion, for if I had been at home, my sons would have sent for a doctor."

JAMES MORRISON, Chiselhurst, Ontario, Canada, said: "I thank God for His kindness to me. Since LEAVES OF HEALING came into my home, it has been a source of great blessing. I trust it will be a great blessing to others."

The meeting was then closed by the

BENEDICTION.

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who also will do it; the grace of our Lord Jesus, the love of God our Father, the Fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. Amen.

GOD PROTECTS EYES.

SHERIDAN, WYOMING, March 19, 1901.

DEAR DR. DOWIE:—With pleasure and heartfelt thanks to you and Mrs. Dowie, I send you my testimony.

I do thank God for His keeping power and for the healing I received when you prayed for me.

If you remember, I wrote you some time ago asking you to pray for the healing of styes on my eyes. They do not come and stay on my eyes like they did.

It seems as if the Devil keeps trying to bring them back, but when I commit it to the Lord He takes it away.

Mamma's eyes are also better.

Your little Sister in Christ Jesus, AMY B. MCCULLOCH.

GOD'S WAY OF HEALING.

BY THE REV. JOHN ALEX. DOWIE.

God's Way of Healing is a Person, not a Thing.

Jesus said, "*I am* the Way, and the Truth, and the Life," and He has ever been revealed to His people in all the ages by the Covenant Name, Jehovah-rophi, or "*I am* the Lord that Healeth thee." (John 14:6; Exodus 15:26.)

The Lord Jesus Christ is Still the Healer.

He cannot change, for "Jesus Christ is the same yesterday and today, yea and forever"; and He is still with us, for He said, "Lo, *I am* with you alway, even unto the end of the world." (Hebrews 13:8; Matthew 28:20). Because He is Unchangeable, and because He is present, in spirit, just as when in the flesh, He is the Healer of His people.

Divine Healing Rests on Christ's Atonement.

It was prophesied of Him, "Surely He hath borne our griefs (Hebrew *sicknesses*), and carried our sorrows: . . . and with His stripes we are healed"; and it is expressly declared that this was fulfilled in His ministry of Healing, which still continues. (Isaiah 53:4, 5; Matthew 8:17.)

Disease Can Never be God's Will.

It is the Devil's work, consequent upon Sin, and it is impossible for the work of the Devil ever to be the Will of God. Christ came to "destroy the works of the Devil," and when He was here on earth He healed "all manner of disease and all manner of sickness," and all these diseases are expressly declared to have been "oppressed of the Devil." (1 John 3:8; Matthew 4:23; Acts 10:38.)

The Gifts of Healing are Permanent.

It is expressly declared that the "Gifts and the calling of God are without repentance," and the Gifts of Healing are amongst the Nine Gifts of the Spirit to the Church. (Romans 11:29; 1 Cor. 12:8-11.)

There are Four Modes of Divine Healing.

The first is the direct prayer of faith; the second, intercessory prayer of two or more; the third, the anointing of the elders with the prayer of faith; and the fourth, the laying on of hands of those who believe, and whom God has prepared and called to that ministry. (Matthew 8:5-13; Matthew 18:19; James 5:14, 15; Mark 16:18.)

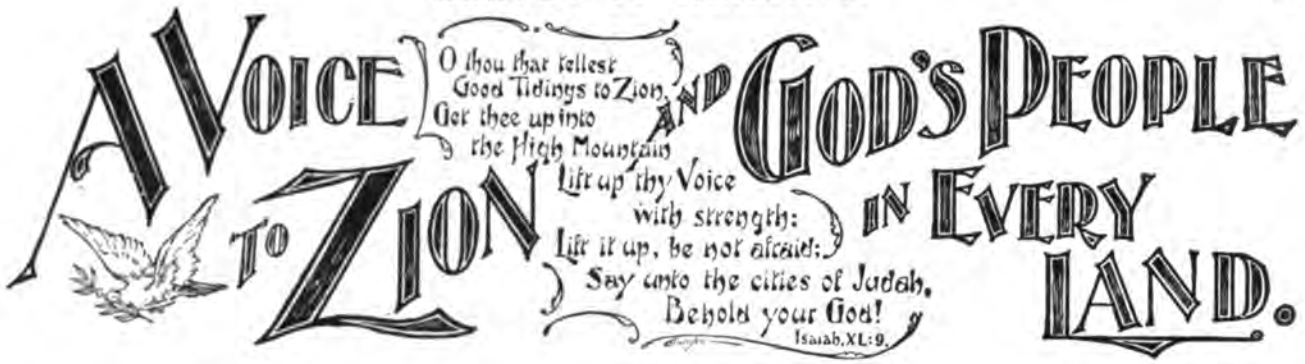
Divine Healing is Opposed by Diabolical Counterfeits.

Amongst these are Christian Science (falsely so-called), Mind Healing, Spiritualism, Trance Evangelism, etc. (1 Timothy 6:20, 21; 1 Timothy 4:1, 2; Isaiah 51:22, 23.)

Multitudes Have Been Healed Through Faith in Jesus.

The writer knows of thousands of cases and has personally laid hands on scores of thousands of persons. Full information can be obtained at the meetings held in Zion Tabernacle, 1621-1633 Michigan Avenue, Chicago, and in many pamphlets which give the experience, in their own words, of many who have been healed in this and other countries, published at Zion Publishing House, 1207 Michigan Avenue, Chicago.

"Belief Cometh of Hearing, and Hearing by the Word of God."



You are heartily invited to attend and hear for yourself.

A BAPTISM OF FIRE.

Report of Meeting held in Central Zion Tabernacle, Lord's Day Afternoon, April 14, 1901. Sermon: "A Baptism of Fire." Baptism of Thirty-Two Candidates by Triune Immersion, by the General Overseer.

REPORTED BY S. D. AND E. W. AND A. W. N.

IT was a plain, simple address.
It was but a few direct words.

There were no oratorical flights of eloquence. There were no stately rhetorical periods. But in its simplicity and unpretentiousness it was one of the mightiest and most momentous Proclamations of the Christian Dispensation.

It was Potent because it came with Divine Authority.

It was a Message from God.

It was delivered by His Chosen Messenger in these latter days.

It was a part of the great Eleventh Hour Call for laborers, which this Messenger was sent to deliver.

It called into the Vineyard that hitherto idle but mighty force in Christ's Church, the Laity.

The Baptism of Fire was set forth as a preparation for the Eleventh Hour Mission.

The Cup of Persecution, and the giving up of life itself, perhaps, in the fulfilment of that Mission, were seen between the undertaking and the accomplishment.

The sure reward of the Eleventh Hour Laborers was seen at the close of the Day: the end of the Dispensation.

Nearly 3000 people sat listening, silently, hushed by the power of the Message which they heard.

Then came the call to those who were ready for that Baptism of Fire; for the enduement from above with power for service in the Vineyard in the Eleventh Hour. To the thousands who heard the Call, it was a Call to enter upon a work of glorious privilege.

It was a Call to persecution and perhaps death; but Zion's officers and laity looked beyond to the End, when Christ shall reign upon the Throne of Universal Empire.

With a holy joy in every face, they arose and simply and trustfully consecrated themselves to the work.

This Message was delivered in Central Zion Tabernacle on Lord's Day afternoon, April 14, 1901.

As usual, on Lord's Day afternoon, this great auditorium was filled.

God, by His Spirit, was present in the solemn and impressive exercise with which the service was opened, the Processional of Zion White-robed Choir of boys and girls and men and women, and the resident officers of the Christian Catholic Church in Zion. All hearts were lifted to God in praise and worship in the words which the white-robed singers joyously sang as they marched:

Love Divine, all love excelling,
Joy of heav'n, to earth come down,
Fix in us Thy humble dwelling,
All Thy faithful mercies crown.
Jesus, Thou art all compassion,
Pure, unbounded love Thou art;
Visit us with Thy salvation,
Enter every trembling heart.

Breathe, oh breathe Thy loving Spirit
Into every troubled breast;
Let us all in Thee inherit,
Let us find Thy promised rest;
Take away the love of sinning,
Alpha and Omega be;
End of faith, as its beginning,
Set our hearts at liberty.

Come, Almighty to deliver!
Let us all Thy life receive;
Suddenly return, and never,
Never more Thy temples leave.
Thee we would be always blessing;
Serve Thee as Thy hosts above;
Pray, and praise Thee without ceasing,
Glory in Thy perfect love.

Finish, then, Thy new creation.
Pure and spotless let us be;
Let us see Thy great salvation,
Perfectly secured by Thee,
Chang'd from glory into glory,
Till in heav'n we take our place;
Till we cast our crowns before Thee,
Lost in wonder, love, and praise.

Central Zion Tabernacle, Lord's Day Afternoon, April 14, 1901.

The services were opened by the congregation singing Hymn Number 164:

Behold, what love, what boundless love,
The Father hath bestowed
On sinners lost, that we should be
Now called the sons of God!

The Apostles' Creed was then repeated by the General

Overseer and congregation. The General Overseer then read in the Inspired Word of God, the nineteenth Psalm and the twentieth chapter of Matthew.

Prayer was offered by Overseer Piper, followed by the General Overseer, at the close of which all joined in chanting the Lord's Prayer.

The announcements were then made by Overseer Speicher.

The General Overseer then said:

I would add a few words to what the Overseer has said:

Concerning The Zion Banner.

I have placed orders for a large quantity of new machinery to be added to our present plant. The purchase of large new presses, with automatic feeders, folders, new type, and an increased cost in many directions, will necessitate our finding thirty thousand dollars ($30,000) for these alterations and additions, so that THE ZION BANNER may be properly floated.

This can easily be gotten in Zion with our tens of thousands of people, if each of you will only make a conscience of giving a Special Offering to the Lord for this Special Purpose.

I have received about fifteen hundred dollars toward that thirty thousand.

I have been a little remiss, perhaps, in not pushing this matter, because I wanted to deal with some other things and let it rest. Now that the order has been placed, however, for large, beautiful and effective machinery, and our staff has been increased, and will be increased, and now that the whole building at 1300 Michigan Avenue will be given up to Zion Printing and Publishing House, a large expenditure will be required to be made at once.

The Real Sources of Zion Are in God, and in God's People.

Sir Samuel Baker, many years ago, was endeavoring to find the sources of the Nile. Suddenly, while he was traveling up the bed of a tributary of the Nile, he lost it completely. The river disappeared. There was no water.

He kept on traveling day after day, day after day, but there was no water. It was simply a dry water-bed—a water-course where the water once had been.

Where were the sources of the Nile?

He was talking with Lady Baker about it one night, camping in the bed of the dry river, when suddenly in the middle of the night they heard a cry, "*El Atbara! El Atbara!*" and some one pulling at the tent poles. "Get out quick! The river! The river!"

They all rushed up the banks, and scarcely had they gotten on high ground before they heard the thundering noise of the river coming down.

In a moment there was a mighty river filling the dry water-course, giving in a moment the answer to the question: Where are the sources of the Nile?

Away in the distant mountains where snow had melted and come down in floods.

Oh, if I could only reach the frozen resources of God's people; if they would only melt at the Word of God, they would send down into the presence of God, and for the salvation of men, not only thirty thousand dollars, but thirty million dollars!

All our sources are in God, and only the warm rays of the Sun of Righteousness can melt the hearts of God's people, and cause the ice-bound rivers of hoarded wealth to flow.

But these icy rivers shall be reached: for God is Our Strength.

The Secret of All Zion's Power.

One Senator at Springfield said, after we had won our little fight—it was not a very hard one with these poor "where-asses"—"You are not going about it the right way to fight Dr. Dowie. You must find out the secret of his power, and destroy that."

Ah, Mr. Senator, you were right. You must find God and destroy Him; for He is the secret of the power of Zion.

All our Springs are in God.

While I know this is the case, yet God must melt the snow-capped mountains and the glaciers, and make them pour down over the dry water-courses.

I speak not only to you; I speak to the multitudes of Zion everywhere today.

Let us have this money quickly.

If we could only tell you a tithe of what LEAVES OF HEALING, A VOICE FROM ZION, BLÄTTER DER HEILUNG, in German, THE BANNER OF ZION, in Arabic, and Zion Literature are doing, it would make your hearts leap with joy.

But we cannot tell the story; it would take too long.

It would take every issue of LEAVES OF HEALING to print the Notes of Thanksgiving which come in from all lands every week.

I am pleading for those who are athirst for the Water of Life.

The Zion Banner is a New Departure in Zion's Literary Work.

We have confined ourselves to LEAVES OF HEALING for six and a half years without a single advertisement in it.

Never have we permitted it to contain any outside business advertisement. It has always been kept for God and for Zion. We did not want it to be an ordinary secular and business paper.

We wanted it to be "Zion on Wings," and we wanted the wings to be always white and clean.

But Zion has gone down into the world to win bread and homes for her children; and we need a semi-secular weekly paper: for Zion must be up-to-date in her business, as well as in education and religion.

Zion is engaging in business, as God said she would, in the latter days.

> Thy Gates (the Gates of Zion) shall be open continually;
> They shall not be closed day or night;
> But men may bring unto Thee
> The wealth of the Nations.

Thank God, the business is very successful, so far.

The land which we purchased is worth already at least ten times what we paid for it. There is no question about that, for already 6000 lots have been applied for.

When these 6000 lots are sold, and the value of Zion City land is established by that fact, the real estate value of Zion City will be at least $20,000,000.

Zion has been blessed. God is blessing us in our business undertakings, and from every State in this country, and from almost every land and continent, those who have Zion in their hearts are on their way to Zion City.

As General Overseer I am at the head, of course, of all this, and while I love the Business undertaking, the Church undertaking and the Educational undertaking are the first things.

The spiritual, moral, mental and manual training of our children comes first, and then the business.

The Zion Banner Will Advertise Your Business.

THE ZION BANNER will give you information concerning Zion City.

I hear that the people are coming from all parts of this land; that the prairie schooners are sailing over the prairies as in olden times.

Whole families with their children and their furniture, a whole train of wagons in some cases, are on the way to Zion.

Some of them got there last week. There they stay, and they say, "We intend to remain here until we get our lot." (Laughter.) One good old brother, of some means, too, came down at the beginning of last winter with his teams and belongings, and squatted there in a shanty and "dug out," and there he is waiting for the gates to open.

There is no doubt that God will bless Zion in a business way.

We wish to help our people to understand Zion's principles of business.

We wish our people to understand what is going on in the world, and to look at the events of the world in ecclesiastical, social, political, and commercial affairs through the eyes of one who sees them as in God's sight.

The Zion Banner Will be a Very Lively Paper.

We shall not hesitate to call a spade an old shovel, if it is an old shovel. We shall not hesitate to call things by their right names.

I tell the politicians of Chicago and of the United States that there is a lively time in store for them when Zion unfurls her BANNER. (Applause.) We fear none but God; and that fear is filial love—we only fear to offend an Infinitely Loving Father.

We think we have been studying the affairs of this world to some purpose: for we are diligent and constant in study, with every help we can get.

All of you go to Zion Publishing House and place your subscriptions right away.

It is very important, before we pass the paper through the postoffice at second class rates, that we should show a large subscription list.

We are making every preparation for the publication of the first number of THE ZION BANNER on the 22d of May. That will be just about the day Overseer Jane Dowie gets here. It will be a part of her Wonderful Week of Work that she will be here when the first issue of THE ZION BANNER appears.

We will make that paper as good as we can. If you wish us to make it good, you must help us.

You Should All Subscribe to The Zion Banner.

That is your matter.

We have toiled for six and a half years constantly to produce LEAVES OF HEALING, amidst all the other toils of our work for God and for His people, and for suffering humanity, and shall toil night and day to establish THE ZION BANNER. Can you not come along with your dollar and a half for a year's subscription?

Voices—"Yes."

General Overseer—Then come along quickly. (Laughter.)

Let me hear of thousands of subscriptions in before next Wednesday.

Besides that, can you not find eighty-five cents for half a year's subscription to THE ZION BANNER for some distant friend?

Voices—"Yes."

General Overseer—Then do it quickly!

Can you not take ten extra copies of the first issue? (Laughter.)

Voices—"Yes."

General Overseer—Thank you for these hearty responses from thousands of hearts and lips.

We have seen a number of papers that have attacked Zion, dead and buried.

The *Dispatch* is gone, and cannot have any resurrection.

The *Record* died by absorption. (Laughter.)

Zion Banner is Unfurled; it Will Never be Furled Until the King Comes!

I rejoice in the Song written long ago—probably over 2900 years ago—called a "Michtam of David." The word "Michtam" means a Golden Psalm. It was written after a great Victory for Israel. At that time the Anointed King unfurled a Banner—a new Flag—and sang of it in these words:

Thou hast given a Banner to them that fear Thee,
That it may be displayed because of the Truth.
That Thy Beloved may be delivered,
Save with Thy Right Hand, and answer us.

I am very thankful for the privilege of unfurling this Banner in this hour of Victory.

We have the toil of unfurling it. If you knew only half the toil I have, you would wonder that I am not in my grave; but I am not. I am very much alive today.

I feel very happy. I feel delighted in the prospect that we shall have a semi-secular paper which will be published every Wednesday in the City of Chicago, God willing.

As soon as we can, we shall give you reliable news from all the world, and if we blunder, it will be because these miserable foreign telegraphic dispatches led us into it. However, we will try to keep out of that and give you reliable news.

We will try, as quickly as possible, what our own telegraphic means of communication will do; for we have our people now in all parts of the world.

We have correspondence by letter even now with all the continents: for Zion is established on them all.

Pray for this and, if you pray, you will pay your subscription.

You who advertise and say "We will pay afterwards," cannot do that in THE ZION BANNER. You must pay before you get in. That is a fact.

You can pay without going in, but you cannot go in without paying. We intend to have Zion's advertising business upon a strictly cash basis. We have no use for credit business.

If any one is too poor to get THE ZION BANNER, somebody will be kind enough, I know, to buy it for him.

If any one is too poor to buy in Zion City General Stores, and is hungry, Zion will help its poor and hungry members; and, so far as we know, none in Zion suffer hunger. We are ready to relieve at all times God's poor in Zion, and esteem it a privilege.

But we intend to carry on Zion upon a cash basis.

That is the best basis, is it not?

Voices—"Yes."

General Overseer—I am glad you think so. This credit business is a great folly.

May God help us and provide for us the resources from good, honest, hard labor.

I thank you for your great love and confidence. I know you will take the matter up. I know, also, that you need reminding, and, therefore, I have spoken these plain, honest words of appeal.

But I go further.

An Appeal to Zion Throughout the World.

I speak to those outside of Chicago. Let my voice reach them in all parts of Zion: Help us here.

Every one in all parts of the United States, help us.

Let those in Canada help us.

Let those in England help us.

Let those in Scotland and Ireland help us.

Let those in Australia help us.

Let those in Asia and Africa help Christ's Banner.

Let those in the little places of the world help us.

We are doing a work for all the world.

May God help those to whom we are appealing from this platform.

I am going to keep at it until I get that thirty thousand dollars. Mind you, this subscribing for THE ZION BANNER, taking ten extra copies, and sending a half year's subscription to your friends is all quite independent of what you are going to give me to start it.

I expect you to give me quite a large sum of money as a Free-Will Offering: for this is Zion's Capital—the Gifts of God's children for God's work.

I know you will get blessing from your Offerings for this purpose.

Has God ever made any of you poor in paying your tithe?

Voices—"No."

General Overseer—Have you been increased and blessed?

Voices—"Yes."

General Overseer—Has He ever made you poor on account of giving Special Offerings?

Voices—"No."

Great Prosperity of Zion People.

General Overseer—The very look of this people, and the facts which we know through our Financial Institutions, prove that this people are more blessed than any other in this land, taking their educational and social positions and their business advantages or disadvantages into consideration. We ought to be profoundly grateful. You do not have any doctor bills to pay, and you do not spend your money for beer and skittles.

You do not pay for goats and Secret Society badges.

You do not pay for a great many things that the world pays for, and pays quite heavily for. I think you ought to give your help to us who are needing your help to carry on this work. I know you will, only you need stirring up, and keeping up to it.

I will beg for God as I have begged all the way along. I will not beg from the world outside. Zion has never sent her collectors to those who are in the world to ask for money for God's work.

Under God, all that has been done, we have done through our own endeavors. We will never ask the World, the Flesh or the Devil to help us extend the Kingdom of God.

We are quite able to go out and take possession of what God has given us in this Earth, which is His by right of Creation, by right of Redemption, and by right of Preservation.

Only let us be very strong, and very courageous. Do not let us go back at all. Let us Go Forward.

"The Zion Banner" Will Have a Very Beautiful Front Page.

It will be printed in three colors and black and gold, and the Banner will hang over Zion Flag and the Stars and Stripes.

We desire, when the prospectus comes out, to send that far and wide.

We are going in for work more and more. We cannot do too much for Zion and for God.

During this transition period, between this and Zion City, our Headquarters Offices will have to be in Chicago. For years to come, perhaps, we shall have to keep places for business purposes in Chicago. For that purpose I purchased the

present Zion Building for Zion. God blessed me very much in that purchase. I would not sell it for three times the money I paid for it.

We are renovating Zion Building for Headquarters purposes, and the Administration Offices of the Ecclesiastical, Educational and Commercial divisions of the united work of Zion will all be there until we build a great Administration Building in Zion City.

We found it necessary to open a new Divine Healing Home and a place for Zion College and its students. We have taken a new place with 150 rooms at the northwest corner of Thirteenth Street and Michigan Avenue.

May God bless these new undertakings. (Amen.)

Pray for them earnestly.

Pray for me, and for my good wife.

You will see in last Saturday's LEAVES OF HEALING a notice which we have just received from London, concerning Overseer Jane Dowie's meetings in that city. She speaks in Zion Tabernacle in Euston Road, in London, on May 5th

After arriving in America, she speaks in Zion Tabernacle in Boston on May 19th.

Then we intend to receive her here, God willing, upon the evening of May 23d. She will have her first public meeting in the Auditorium with myself on Lord's Day, May 26th. A whole week of Conferences and an Excursion to Zion City on Decoration Day, will follow, and on Lord's Day afternoon, June 2d, I shall preach a Closing Sermon for the Special Gatherings in the Auditorium on "The Coming of Elijah: the Restorer of All Things." And after that Mrs. Dowie and I will hope to spend a few quiet days at Ben MacDhui—a kind of Silver Wedding honeymoon.

Then will come the preparation for Zion's July Festival and Encampment, which will hereafter be called

Zion's Feast of Tabernacles.

Deacon Sloan and I went over the matter the other day. We have, with our other officers, worked out a plan. We will put up some miles of tents in Zion City, so that you can come out and camp there with your family for a week. Some of you can come and camp there for a month by making proper arrangements ahead.

We will try to make these tents comfortable, with boarded floors.

We hope that God will favor us with good weather; yet we will take precautions against sudden showers.

We hope in July to have tens of thousands of people in the first Great Zion Feast of Tabernacles.

May God make an Annual Feast of Tabernacles until the King shall come! (Amen.)

We hope that it will be a glorious time.

I am looking forward to it.

I am getting younger all the time.

I had a letter today from dear Old Mother Stewart, of Springfield, Ohio, asking me to present her dear old motherly love to you.

She is the real founder of the Women's Christian Temperance Union, the leader of the first great Temperance Crusade in Ohio.

She said to me in the letter, "I long to come and see your bonny bride, the Magnificent Overseer!"

She knows my wife very well.

She said, "I would like to give her away at your Silver Wedding."

But the dear old mother thinks that she cannot come. She is considerably over eighty years old, I think, pretty nearly ninety. She sends her great love. She is one of my old sweethearts, you know. (Laughter).

I am very fond of these dear old ladies.

I told her once that she was always young. She said, "That is how I feel."

The Ancient of Days is Eternal Youth.

She said, "I was talking to an assembly of young people among whom I was wheeled in my chair. I spoke to them about their silly amusements. 'Now,' I said to them, 'don't think that I am an old fogy talking like this, because I am light-hearted and happy, and I am younger than any of you in the room.'"

I think that is how she felt.

Happy Christians like dear old Mother Stewart are a blessing and a joy forever; and from Zion's thousands here today, we send her Zion's love, and our wishes for many joyous days in her bright eventide. We hope still to see her at our Silver Wedding, and the Inauguration of Women's Special Work in Zion.

As you get the Love of God, and the Life of God within you, you will learn more and more that the Ancient of Days is Eternal Youth, and that he who lives for God is ever young, and will "bring forth fruit in old age." May God grant us that blessing.

This speech ought to be worth a hundred thousand dollars for THE ZION BANNER.

I am pleading not for myself, but for the people everywhere.

I hope that in founding these many Institutions in Zion City we shall found them so strongly that the gates of hell shall never be able to shake them.

God grant you, my noble coworkers in Zion, a blessing for Jesus' sake.

The tithes and offering were then received, Zion's White-robed Choir singing Le Jeune's arrangement of that grand hymn, "Jerusalem the Golden," with a spirit which told that the wonderful words which they sang were not mere meaningless sounds to them.

THE BAPTISM OF FIRE.

The General Overseer then delivered the following address:

INVOCATION.

Let the words of my mouth and the meditation of my heart be acceptable in Thy sight, be profitable unto this people, and unto all to whom these words shall come, in this and every land, in this and all the coming time, till Jesus come. (Amen.)

In the twentieth chapter of the Gospel according to St. Matthew, and the twenty-second verse, you will find the portion of Scripture to which I wish to call your attention:

TEXT.

But Jesus answered and said, Ye know not what ye ask. Are ye able to drink of the Cup that I shall drink of, and to be baptized with the Baptism that I am baptized with? They say unto Him, We are able. And He saith unto them, Ye shall drink indeed of My Cup, and be baptized with the Baptism that I am baptized with: but to sit on My right hand, and on My left, is not Mine to give, but it shall be given to them for whom it is prepared of My Father.

Also in the twelfth chapter of St. Luke, the forty-ninth verse:

I came to cast Fire upon the earth; and what will I, if it is already kindled? But I have a Baptism to be baptized with; and how am I straitened till it be accomplished! Think ye that I am come to give Peace in the earth? I tell you, Nay; but rather division: for there shall be from henceforth five in one house divided, three against two, and two against three. They shall be divided, father against son, and son against father; mother against daughter, and daughter against mother; mother-in-law against her daughter-in-law, and daughter-in-law against her mother-in-law.

The Baptism of Fire is that Baptism to which all other Divine Baptisms lead.

The Baptism of Fire is that Baptism which enables us to receive God Himself: the All-Consuming, the Everliving Fire.

I desire to speak very briefly this afternon concerning that Baptism.

Christianity is Essentially Destructive and Essentially Constructive.

Construction follows upon the destruction of those things that are shaken and which must be removed and burned up.

There is no use in supposing that we can ever be at peace with the Devil; that we can ever be in friendship with the world that "lieth in the evil one."

"Ye adulteresses," says the Apostle James, "know ye not that the friendship of the world is enmity with God? Whosoever therefore would be a friend of the world maketh Himself an enemy of God."

Many seek to be at peace with the World, the Flesh and the Devil. For the sake of peace they will not fight. They let things alone, and let every one do as he likes and go as he pleases without any protest or forcible words.

If any one is as plain as we are wont to be, they say, "That is not the way to win men. Men can never be won to God by such processes as you adopt."

I was told that a great many years ago, long before I came to America, by "friends" in Europe and Australia; and I soon

heard the same timorous counsels when I arrived in the United States, nearly thirteen years ago.

A False Prophecy of Failure and Death.

I had spoken only twice in San Francisco when a very "potent, grave and reverend senior," belonging to that miserable mass of wretched theological granite called Presbyterianism, came to me. He said most gravely, "My dear Dr. Dowie, you had better take the next steamer back to Australia, if you intend to talk like that. There are some parts of the United States where they would mob you and shoot you for half what you have said already. If you go on like that, I will give you about six months to live."

I said, "I am not sure about that."

"I can only tell you that my impression is that you will be killed," was his reply.

"That would not hurt me," I replied.

"What!" he said.

I said, "No. There are a great many people who live too long. The trouble about them is that they ought to have been killed twenty years before. (Laughter.) If they had died and gone to heaven, they would have been a great blessing, but they have lived beyond their usefulness. They were brave for God at one time; but for twenty years they have been influenced by such advice as you now give me, and they have been compromising on every side. They are a perfect curse. I am inclined to think that you are one of them." (Laughter.)

"Oh," he exclaimed in amazement and wrath.

I said, "What are you doing? You do not smoke?"

"No, sir."

"But do you tell your people who smoke that they are dirty stinkpots?"

"Verily no."

"What do you do?"

"I talk to them privately, sometimes, about the deleterious action of nicotine poison upon nerve centers."

I said, "How much good does it do in getting them to abstain?"

"None at all."

"If you say to them, as I do," I said, "'You are an unmitigated mass of dirt and a miserable, filthy stinkpot; you may be a Christian, but you smell like a devil,' they would quit."

"Do they do it, when you say that?" he asked.

I said, "Sure!" (Laughter and applause.)

What would you say, O men of Zion?

Voices—"Yes."

A Great Company of Those Delivered From the Tobacco Habit in Zion.

General Overseer—All that have given up tobacco, say Yes.

Voices (from hundreds of men, in every part of the Tabernacle)—"Yes."

General Overseer—All these were stinkpots once. (Laughter.)

One gave this up today (exhibiting a "corn-cob" pipe). (Laughter.)

My friend said to me, "My dear Doctor, you are dreadful. You pitch into me."

I said, "Yes, I think you need pitching into."

"Well," he said, getting very angry, "six months will settle you. You will want to go back to Australia."

I said, "My friend, I will never go back until my work is done. If it is one year or six months, or ten years, I will do the work God sent me to do. Furthermore, the people will come, and will be blessed."

He said, "They will not."

I said, "You are wrong. You come in three weeks, and if you do not come early, you will not get into this place."

It resulted as I had predicted. You could not get near the Y. M. C. A. Hall in Sutter Street long before the three weeks were up. We had to take the Grand Opera House for our next Mission.

A Secret Society Coward Rebuked.

The next mission of any considerable importance I had was in Los Angeles. A gentleman came up to me. He was a lawyer, a professed Christian, and a splendid specimen of the men who are at peace with the World, the Flesh and the Devil.

"My dear Dr. Dowie," he said, "I am struck with your wonderful power and inspiring eloquence. Let me tell you, however, you have come to a wonderfully intelligent city, and the language which you are using is so coarse, and so vulgar, and so horrible, that people will not hear you. I know, my dear Doctor, that you are quite capable of using more refined language, for you are an educated gentleman. I beseech you in Jesus' Name to use more refined language in addressing the people of Los Angeles—(the City of the Angels)!" (Laughter and applause.)

I said, "Let me see. What are you?" I picked up his watch-charm. "What does this mean?"

"I am a thirty-second degree Mason, sir."

"Ah," I said, "I see. You belong to the World, the Flesh and the Devil. You are not a good angel. You have bowed down at the shrine of Mah-hah-bone. You are not a true Christian, but an unmitigated hypocrite!"

"Oh-h!" he cried. (Laughter.)

I said, "Did that hit you?"

"I should think it did," he said, and he went away. (Laughter.)

The next night, however, I spied him there with his wife, and he continued to come every afternoon and evening for many days, but did not again tender me advice as to how to speak. After about ten days he came up to me with tears in his eyes, and he said, "You are right. Give it to us hot and strong. I am glad you are not refining it down."

"No," I said, "I'm refining you." (Laughter.)

"That's true," he said, and he handed over his Masonic charm.

God blessed my plainness of speech. I began in Los Angeles with fourteen people and closed my meetings with over four thousand in the Hazard Pavilion, and many could not get seats at our closing meeting.

When I came to Chicago they said, "If you talk like that, you will offend the people."

"They need offending," I said. "I am glad to hear that."

"But you will hurt them."

I said, "They need hurting."

"You will not get them."

"But," I said, "I'll smash them, anyhow. (Laughter.) Then they will be glad to come to God for healing." (Laughter.)

They said I would not succeed, and for some time it seemed as if they were right. But you all know that God at last gave me victory. I went on alone in a little place, as you will remember, Zion Tabernacle No. 1, called in derision the "Little Wooden Hut."

The people passed by at first, but by and by God brought the people, and

They Were Glad to Get a Kitchen Chair to Sit Upon.

I noticed what a Presbyterian minister in this city said on a recent Monday morning. May God save the people from these Monday morning meetings where the preachers all seem to have headaches and appear to be cross, and critical, and blue, and dismal.

The minister to whom I refer read a paper upon what should be done to strengthen the little Presbyterian churches in Chicago. He said that it was a shame on the part of the rich people to leave them—he was a pastor of one of these little churches—in little wooden buildings with second-hand wheezy organs, and nothing but kitchen chairs for the people to sit upon.

The people would not do it, he complained, when there were salaried quartettes and cushioned pews in neighboring churches.

When I read that, I thought of the meetings in Zion Tabernacle No. 1. The only things we had were kitchen chairs, and the people were exceedingly glad to get even half of one, let alone a whole one.

I used to see the people sitting three on two chairs. (Laughter.) Sometimes I saw an average of two on a chair, because the mother carried the little boy, and the father carried the daughter. They wedged in somebody between, and I saw five persons, big and little, on two chairs, on one occasion.

We had only a second-hand organ, and we did not have much of a choir, did we, when we started?

But the people came.

If You Have a Living Gospel, the People Will Come.

You must be baptized with the Baptism with which Christ was baptized before you can get the people.

I desire to talk to you a little about that Baptism: for from

Digitized by Google
Original from NEW YORK PUBLIC LIBRARY

the very beginning of His ministry to its end, it was a Baptism of the Holy Ghost and of Fire.

I confess that I brought Fire when I came to America.

I needed to bring Fire.

Fire was needed to destroy "the wood and hay and stubble," which the Denominations were building up.

Fire is still needed.

God "maketh winds His Messengers; His ministers a Flaming Fire."

Unless they have the Flame of that Fire of Divine Love which destroys unclean desire, which sets a man free, they will not be able to do God's work.

In the beginning of that work there is always division. Wherever Zion enters a home, what people sometimes say is perfectly true: it produces conflict.

When Zion Comes to a City, It Creates Divisions.

Of course it does.

It divides the sheep from the goats.

It divides the Secret Society fiends from the true Christians.

It separates between the altar of Baal and the altar of Christ.

It separates between the World and the Church; between God and the Devil; between a real religion for twenty-four hours of every night and day, and a sham religion that goes only in silver slippers and Sunday clothing to church when it is fine weather.

The fact of the matter is that Zion must be a Dividing Force.

"Stronger than steel is the Sword of the Spirit."

The Word of God is living, and active, and sharper than any two-edged sword, and piercing even to the dividing of soul and spirit, of both joints and marrow, and quick to discern the thoughts and intents of the heart. And there is no creature that is not manifest in His sight.

Christ, the *Logos*, the Eternal Word of God, rides on in the heavens, and on earth at the head of the Armies of the Living God.

He is arrayed in a garment sprinkled with Blood:
And His Name is called The Word of God.

. . . . . .

And He hath on His garment and on His thigh a Name written,
KING OF KINGS and LORD OF LORDS.

. . . . . .

And they also shall overcome that are with Him,
Called and Chosen and Faithful.

They partake of His Spirit, and do His Work.

This Baptism is the essential thing, the Baptism of Fire.

Poor Mrs. Zebedee thought that she would bring her dear sons, James and John, to Jesus to get a little gift.

O mothers, how loving, and rightly so, you are about your children! But Mrs. Zebedee did not know that she was asking an absurdity when she came and said, "Grant that this boy, John, and this boy, James, whom You have made apostles, may sit, the one on Your right hand and the other on Your left hand, when You come into Your Kingdom."

Oh how little she knew what that Kingdom was!

She seemed to think it was but the earthly throne of David; that it was to be established at Jerusalem, and that the Romans, the Herodians, the Sadduccees and Pharisees were to be swept aside while Jesus became King at Jerusalem.

She wished her sons to be His prime ministers.

How Shortsighted Even Christ's Apostles Were!

They did not understand that it was essential for Christ to suffer and to die. They thought He was talking a parable when He said that He must be crucified and buried, and the third day be raised again.

A great many people now, when you declare to them the straight Word of God, immediately assert their presumptuous ignorance by saying that it is a parable.

It is no such thing.

Jesus was talking as God always talks. His words, if they are to be understood, must be taken exactly in their plain literal and positive meaning, except where He speaks in parables.

He was to suffer.

He was to die upon the cross.

He was to go into the grave.

He was to rise again; completing His Baptism in Fire, and having passed through the very Fires of Hell itself unscathed, He was to come up and take to Himself that body which lay in the sepulchre in the garden of Joseph of Arimathea; and in that body He was to visibly reascend to Heaven.

He was to send down to this earth the Holy Spirit, the Living Fire. With that Living Fire His Messengers were to be baptized. They, too, should suffer, be crucified, die, rise again, and their spirits live on forever.

But Mrs. Zebedee did not understand that. He answered: "Ye know not what ye ask. Are ye able to drink the Cup that I am about to drink?"

They said, "We are able."

Then Jesus said, "My Cup indeed ye shall drink: but to sit on My right hand, and on My left hand, is not Mine to give, but it is for them for whom it hath been prepared of My Father."

I have always contended that Christ recognized the supremacy of the Father. This is another saying of His in confirmation.

James and John thought that because they were among the first apostles, they must take the highest places. They had forgotten that He had said in their very ears but a few hours before, that the last should be first, and the first should be last.

The Greatest Apostles Will Not Be Found in the Ranks of the First Apostles.

The greatest apostles will be found in the ranks of the last apostles, in the last age of the Christian Dispensation.

The most successful workers of Christ will not be those who were called in the morning, or at midday, or in the waning day at the ninth hour. Those who will win the battle and get the prize are those who enter into the field, the Great Vineyard of the Lord, in the Eleventh Hour, and do the work that all have failed to do in all the preceding hours of the day.

The Day is far spent, and it is the Eleventh Hour.

God has sent forth Zion at the Eleventh Hour into the Vineyard.

Let us do His work, and be baptized with the Baptism of Fire.

I know that we who are last are called upon to do the work that they were called upon to do at the first, and did not do it.

I make no charge against them.

I merely state a Fact—Christianity has never been the predominant religion of the whole earth.

It has been, and even now is, only the religion of a small minority.

The work of worldwide conquest for Christ has not been done.

You say the first apostles did it.

I say they did not.

You tell me that John the Baptist was Elijah.

I say, "Yes, that is true."

Jesus said, "Elijah indeed cometh and shall restore all things."

That is true.

Did John the Baptist restore all things?. No.

Christ said that Elias would come again and do it, and so it is: for He said, "And if ye are willing to receive it (or him), this is Elijah, which is to come."

And Elijah must come, and do that work at the End of this Period of the Dispensation, namely, "the Times of the Restoration of All Things."

Did that Early Church fulfil its Mission? No.

In the midst of the apostolic college, one member was a traitor, a falsifier, a liar, a thief, and sold his Master for silver and betrayed Him with a kiss.

Another Apostle was a "Doubting Thomas," who said, "Except I shall see in His hands the print of the nails, and put my fingers into the print of the nails, and put my hand into His side, I will not believe."

When Christ appeared upon the mountain on the day of His giving the Great Commission, the very last words in Matthew tell us that when the eleven saw Him and worshiped Him, there were "some who doubted."

Peter himself, greatest of all the apostles at that time, denied his Lord with curses and with oaths when Christ was bound, bleeding from the cruel scourge and the crown of thorns, mocked, suffering and rejected. Fear and doubt choked his faith and made him an apostate. He was a renegade and a coward, not only then, but twenty-five years afterwards at Antioch in Pisidia. The Apostle Paul had to tell him to his face that he was not walking uprightly according to the truth of the Gospel.

Great as these first apostles were, the Church must recognize the fact that

The First Apostles Did Not Fulfil Their Mission.

They could not, perhaps, but they certainly did not.

Has that mission been fulfilled since?

Has the Church been brought into unity?

Has the principle of Divine Authority been established in the Church, in the Home, in the School, in the State, in the Nation, in Business? No.

While you talk of Christian cities, they are sunk in heathenism and sin. The work has not been done, and the work cannot be done, until God shall send some one with the Baptism of Fire, who shall "sit as a refiner of silver and purify the sons of Levi" in the Fire which purifies, until they shall "offer unto God offerings in righteousness."

God send more Fire! (Amen).

God give us grace to keep alive what we have.

God give us grace to sit continually over the Refining Fire until we see the Master's image there.

The thing must be done. Are you able?

"We are able," said James and John.

How little they knew!

How little they knew that, within a few hours of that time, their Master would be arrested in the Garden of Gethsemane! How little they knew that they who claimed to be able to bear the Fire of hottest persecution would immediately flee in full retreat! It is written, "They all forsook Him and fled."

Friends, they who were called in the first hour of the day of the Christian Dispensation were not competent to do the work.

They who were called at the noontide hour were also incompetent.

In the afternoon of the day great and mighty men were called into the Vineyard of the Lord. But after they had been buried, their sons and their daughters did not carry on the reformation of a Luther, the work of a Whitfield, the work of a Wesley, the work of a Rowland Hill. They failed, and their spiritual descendants have failed until this day.

The Eleventh Hour Call to Zion.

Now God is calling at the Eleventh Hour those who have been standing idle all the day long, because no one hath hired them. The Church has not called upon its laity to go and do its work; but now I stand here as Christ's Messenger today and I hire you. Come into the Vineyard, and in the last hour ye shall receive the penny. Make no mistake, however, through much tribulation you must enter the Kingdom.

The Beautiful Zion Banner Will be a Blood-Stained Banner Before the King Comes.

Its Gold will be dipped in blood.

Its White will be dipped in blood.

Its Blue will be dipped in blood.

It will be passed through the fires.

But I predict today that Zion Banner is the Banner of the Conquering Army of the King in the Eleventh Hour of the Dispensation. (Amen.)

The Baptism to which all other Baptisms lead in Zion is the Baptism of Fire.

There is no discharge in this War. No man can come to me and ask to be discharged from the service of God in Zion. I cannot discharge him. Let the dead bury the dead. I have nothing to do with discharging people from doing their duty in Zion. I can drive out hypocrites, cowards, liars and thieves who come in on false pretenses, and never had Zion in their hearts; but I cannot discharge any one who is "dead." Death discharges them.

Let the Devil who killed your spiritual power, bury you.

I cannot transfer you to any other Church. I cannot transfer you to some other communion. If you die in Zion, you die the Second Death.

Blessed is he that hath part in the First Resurrection:
Over these the Second Death hath no power;
But they shall be Priests of God and of Christ,
And they shall Reign with Him a Thousand Years.

The First Resurrection is the preparation for the Millennial Glory.

But whosoever shall miss that Blessing will have no part in that Reign of Christ as King here on earth for a Thousand Years.

He that overcometh shall inherit these things; and I will be his God, and he shall be My son. But for the Fearful, and Unbelieving, and Abominable, and Murderers, and Fornicators, and Sorcerers, and Idolaters, and all Liars, their part shall be in the Lake that Burneth with Fire and Brimstone; which is the Second Death.

If you die to Zion's work, then are ye dead indeed; for you are dead to God. But you must keep this Fire, Holy Fire, within your heart.

Quench not the Holy Fires within you.
Though temptation's darts shower down upon you,
Gird thine armor on; fight well,
And thou shalt see
After these wars,
Thy head wear sunbeams
And thy feet touch stars.

You must let the Fire burn.

I came to cast Fire upon the earth; and what will I, if it is already kindled?

That Fire is kindled. He kindled it, and it has never gone out. Somewhere the Holy Fire has been kept burning through all the centuries.

The Holy Fire Burns in Tens of Thousands of Hearts in Zion.

Let the Baptism which has come as one of water become one of spiritual purifying power.

Let the Baptism come now as a Baptism of Fire.

Wherever you go, may men and women say, "When he speaks, it is as if he had left a spark of the Divine Fire within our hearts that will never be put out."

It is a beautiful thought, this thought of the Holy Fire.

Prometheus was bound to a rock, so the myth is told, by the cruel gods of Olympus, because he stole the fire and gave it to men, and so he was doomed to have his vitals dug into by the claws of vultures. But, according to the story in mythology, he sings, even as his heart is eaten by the vulture of hell, "I am glad I stole the fire from Jupiter and gave it unto men."

Oh, if it means that we, for Christ's sake, who gave us this Holy Fire to give to men, shall be chained to a rock and our hearts dug out by some vulture of hell, shall we not rejoice that we received the Fire given to us by God, and that we communicated it to men? (Amen.)

No matter what the sacrifice may be, it is worth while.

Christ, who was Baptized with the Baptism of Suffering and of Death, arose triumphant; He reigns in heaven; He will return and reign on earth; and He will establish His Father's Kingdom over every heart, and every spot of ground.

Because He lives, we shall live also.

We cannot die.

In Adam all died once, but in Christ all shall live again.

He hath said, "He that believeth in Me, though he die, yet shall he live. Whosoever liveth and believeth on Me shall never die."

Believest thou this?

Voices—"Yes."

General Overseer—Then live it, and carry the Fire that will consume every unclean desire in every heart, in every home, in every city, in every nation, until the earth is purged with the Purifying Power, and Christ our King has come to reign, until the Time when every foe is vanquished, and He delivers up the Kingdom to God even the Father.

All who want that Baptism of Fire, and are willing to be consumed that God may dwell in them as a Consuming Fire, rise and tell Him so now. (Apparently all arose.)

Pray with me.

PRAYER OF CONSECRATION.

My God and Father, in Jesus' Name I come to Thee. Take me as I am. Make me what I ought to be, in spirit, in soul, in body. Give me power to do right, that by a true Repentance and simple Faith I may receive the Holy Spirit as the Breath of Life, as the Water of Life, and as the Living Fire. Give me that Fire. Purify my heart, and all my life with that Purging Fire. Help me to carry Fire to other hearts and other homes, and other lands, no matter what the suffering may be, for Jesus' sake. Amen. (All repeat the prayer, clause by clause, after the General Overseer.)

Did you mean it?

Audience—"Yes."

General Overseer—Will you live it?

Audience—"Yes."

General Overseer—Then God will bless you.

In the roll of the Church above your vow is recorded, and the way you keep it will be recorded, too.

After the Recessional, Zion's White-robed Choir and Zion's Robed Officers passed slowly out while the audience stood,

bowed in silent prayer. The service was closed by the General Overseer pronouncing the

BENEDICTION

Beloved, abstain from all appearance of evil. And may the very God of Peace Himself sanctify you wholly; and I pray God your whole Spirit and Soul and Body be preserved entire, without blame unto the coming of our Lord Jesus Christ. Faithful is He that calleth you, who also will do it; the grace of our Lord Jesus, the love of God our Father, the fellowship of the Holy Spirit, our Comforter and Guide; one Eternal God, abide in you, bless you and keep you, and all the Israel of God everywhere, forever. Amen.

After a brief intermission, Overseer William Hamner Piper came upon the platform and made a strong, stirring appeal to those who had not obeyed God in Baptism by Triune Immersion to surrender fully to God and obey Him at once.

God blessed the word spoken and many signified their desire to be so baptized.

The General Overseer then administered the Ordinance of Believers' Baptism by Triune Immersion, "into the Name of the Father, and of the Son, and of the Holy Ghost," to thirty-two Christians.

God blessed the Ordinance to the candidates and to the fifteen hundred spectators who were present.

Zion's Conflict With Methodist Apostasy.

This book of 200 pages, just issued by Zion Publishing House, contains nine powerful discourses delivered in Central Zion Tabernacle by the General Overseer last May, during the session of the Methodist General Conference. They are of especial value for the full and fearless exposure of Freemasonry.

"The Methodist Church the Property of the Masonic Order," "Freemasonry: A Heathen and Antichristian Abomination," and "Degrees of Masonic Devilry" ought to be read by every lodge man.

The iniquity of the Mystic Shrine is laid bare.

"The Christian's Duty in Breaking a Bad Oath" is the address which preceded the public working of Masonic and Odd Fellow degrees in Central Zion Tabernacle, a full account of which is given.

Buy one of these books and keep lending it. No honest and intelligent man can read the book and still remain a Freemason.

Sent by mail, postpaid, for twenty-five cents.

Notice to Zion Travelers.

Friends of Zion going to Europe and other parts of the world are respectfully informed that an Agency has been established to secure rates, accommodations and protections for first, second and third class passengers to and from all parts of Europe, etc.

Arrangements have oeen made with the principal steamship and railroad lines to book passengers to and from all parts of the world, at the lowest possible rates.

For rates, maps and full information apply to DAVID F. ROBERTSON, Zion, 1201 Michigan Avenue, Chicago, Illinois.

Has God Blessed You in Tithing?

Have you realized a fulfilment of God's promise to those who "bring the Whole Tithe into the Storehouse"? If so, let others know how true the promise is. Write your testimony and send it to Rev. William Hamner Piper, Overseer-at-Large of the Christian Catholic Church in Zion, 1201 Michigan Avenue, Chicago, Illinois. Let your testimonies be brief and straight to the point.

THE WINDOWS OF HEAVEN OPENED.

WILL a man rob God? yet ye rob Me. But ye say, Wherein have we robbed Thee? In tithes and offerings. Ye are cursed with the curse; for ye rob Me, even this whole nation. Bring ye the Whole Tithe into the Storehouse, that there may be meat in Mine house, and prove Me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it. And I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground; neither shall your vine cast her fruit before the time in the field, saith the Lord of hosts. And all nations shall call you happy: for ye shall be a delightsome land, saith the Lord of hosts.

—Malachi 3:8-21.

God Gives Largest Earnings and Provides for One Who Paid All Back Tithes.

4817 CHAMPLAIN AVENUE,
CHICAGO, ILLINOIS, March 24, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Overseer:—I wrote you a few lines last December, asking you to pray for me, that God would enable me to pay all my tithes on money earned before I knew of Zion and the Storehouse.

He has answered.

I finished paying them the last of January, and God has greatly blessed me.

I am earning more at present than ever before in my life, and God is wonderfully strengthening me.

I praise Him for all His goodness.

I had a struggle to come to the point where I could take the little sum out of Zion City Bank for back tithes, as I was in need of clothes.

But God does supply all our needs when we trust Him.

He furnished me with the best suit I ever had.

I thank God that I came here. God is good to me.

I thank you for your prayers in the past.

I pray God to bless you and yours, and all of Zion's faithful everywhere.

Your Sister in Christ, (MISS) HATTIE I. COWELL.

God Gives Increase in Allowance.

631 SUPERIOR STREET,
MILWAUKEE, WISCONSIN, April 3, 1901.

DEAR OVERSEER PIPER:—Last fall I asked for prayer to be kept from a cough that I have had come on me at the beginning of cold weather for several years.

It would usually last nearly all winter. It was becoming more severe.

I have always dressed comfortably, but thought it necessary to wear extra pieces of flannel over my lungs.

This winter I decided to trust more to the power of God and less to the extra pieces of flannel, and can say to the glory of God that I have been kept from any cough.

Satan has tried several times, but I have trusted God to keep me, and He has.

We have received many, many blessings for spirit, soul and body, for which I thank God.

I have been blessed in tithing, as I have usually found that the other nine-tenths goes farther.

I have also had an increase in allowance, which will bring a little more into the Storehouse.

May God bless you all in Zion, and give Zion great victories.

Your Sister in Christ, (MRS.) BERTHA BOYCE.

One Hundred Per Cent Increase When God Receives His Own.

CAMBRIDGE, OHIO, April 3, 1901.

DEAR OVERSEER PIPER:—I am happy to add my testimony to the many in Zion, and say that God has blessed me in paying tithes.

Before I was a member of Zion, it was impossible for me to save anything, try as hard as I would, although I earned good wages and did not spend any money foolishly.

I thank God that since I have quit being a thief, and bring the Whole Tithe into the Storehouse, I am able to save $100 per month and live better and happier.

I have also been able to take stock in Zion Land and Investment Association.

It is a joy to pay tithes, and even from a financial point of view it brings one hundred per cent.

Yours in Jesus' Name, HOWARD L. SUITT.

Increase in Income and Money Supplies Wants Better.

PLANKINTON, SOUTH DAKOTA, April 8, 1901.

DEAR OVERSEER PIPER:—I write to tell you that God has blessed us in tithing.

My husband and son got work which amounted to four or five times the amount of tithes they paid last fall, after paying tithes.

That was the first tithe they had paid.

We have been blessed in many other ways.

It seems as though the money goes farther and our wants have all been supplied better than before we began paying tithes.

We thank God that He has showed us what a blessed privilege it is to help in the extension of His Kingdom.

We thank and praise Him every day that He does "open the windows of heaven" to us. It seems as if they are never shut any more.

We thank Him for our General Overseer and for Zion teaching.

Ever your Sister in Jesus' Name, (MRS.) FRANK HOUGH.

Disobedience Brings Disasters; Repentance and Obedience, Prosperity.

EPSILON, MICHIGAN, March 28, 1901.

DEAR OVERSEER PIPER:—The Lord has blessed us, spirit, soul and body, since we have been paying our tithes, and we have been kept wonderfully from sickness and accidents.

When we first began paying tithes we did wrong, and took $2 of the tithes and sent for LEAVES OF HEALING, because we did not have money enough at that time to send.

Everything went wrong from that time.

It seemed as if we would starve, but we promised we would not do it again, and the good Lord has helped us ever since.

Before coming into Zion I could not get $5 to pay the preacher in the Evangelical Church, but now we have more than five times ten to give to God's cause.

Thanking you for your prayers, and praying God's blessings on all of the work, I remain,

Your Brother in Christ, QUINCY G. HASSETT.

Work at Double Former Salary.

1012 YALE AVENUE,
CINCINNATI, OHIO, March 26, 1901.

REV. W. HAMNER PIPER.

Dear Overseer:—I wish to express my thanks to God for the opportunity given me to tithe.

I had been in institutional work for seven years and after coming into Zion found myself unable to enter any institution.

The day following the General Overseer's visit to Cincinnati, I was engaged to attend an invalid Jewish lady, with the understanding that I give no medicine, at twice the salary I had received in the institution.

I have been blessed in paying tithes ever since.

It seems as if the more I pay, the more I get financially and spiritually.

God bless the Officers of the Christian Catholic Church in Zion and Zion everywhere.

Your Sister in Christ, REBECCA ARMSTRONG.

Tithing a Great Blessing.

WINNECONNE, WISCONSIN, March 25, 1901.

REV. WILLIAM H. PIPER.

Dear Overseer:—It truly has been a great blessing for me to pay my tithes.

When I receive money I pay my titbes first of all.

I am crippled in feet and cannot do any work, but the Lord has blessed me with a little, and it is all in Zion's Investments.

When I was in the Baptist Church, the question was asked, "Where shall we pay our tithes?" The Elders could not say.

I thank God we have a Messenger who has the authority to command his people where to bring the Whole Tithe.

Your Brother in Christ, S. W. TUCKER.

Income Goes Farther When Tithes Are Paid.

WOLCOTT, NEW YORK, April 5, 1901.

DEAR OVERSEER PIPER:—I wish to testify to the fulfilment of God's promise in Malachi 3:10, in my life.

For a number of years I have tithed most of my earnings, but since coming into the Christian Catholic Church I tithe all.

God has blessed me with work and strength to do my work.

He has also sent me unexpected help many times, so my income goes further than a much larger one might without God's blessing.

Yours in Christ, MYRTLE R. CLARKE.

Let the members of the Christian Catholic Church in Zion who are competent to teach either Preparatory or College Branches, and who wish employment in Zion College the coming year, apply at once to Rev. NOTES OF THANKSGIVING TO ZION'S GOD.

By DEACON O. L. SPRECHER, Private Secretary to the General Overseer.

He was wounded for our transgressions
He was bruised for our iniquities:
The chastisement of our peace was upon Him;
And with His stripes we are healed.
All we like sheep have gone astray;
We have turned every one to his own way;
And the Lord hath laid on Him the iniquity of us all.—Isaiah 53:5, 6.

HOW BEAUTIFUL the teaching of God's own Word! How sublime the fact that Christ died for our sins and our sicknesses!

How gracious the truth "He is no respecter of persons"!

How blessed to realize "He is the same, yesterday, today and forever"!

The stream of testimony continues.

Zion goes on declaring the Everlasting Gospel of Salvation, Healing and Holy Living, through faith in Jesus Christ.

The General Overseer continues to lead on the army of the Lord, praying the prayer of faith, and going from Victory to Victory.

Again we record a small part of the story to the Glory of God.

Healed of Many Diseases and Morphine Habit.

York, Nebraska, March 29, 1901.

Rev. John Alex. Dowie.

Dear General Overseer:—I have been very much impressed for some time with the duty I owe my Master in giving public testimony to what He has done for me through your blessed ministry.

He hath redeemed me from sin, sickness, and the morphine habit of more than two years' standing.

Eleven years the 16th of last September, I lost my health through confinement.

I very nearly lost my life, as a last resort my child being taken with forceps, sacrificing his life to save mine.

He was a most beautiful child, to me, as I looked upon him.

His little head was crushed all out of shape by the instruments.

He only lived a moment or two and was gone.

I was more dead than alive, almost, and was told by my physician that I must submit to a surgical operation, as I was badly lacerated.

Accordingly, two days after the confinement, my attending physician, with the best surgeon obtainable in that part of the country, met at our house for that purpose.

After making examination, the surgeon pronounced it the worst case in his practice of over forty years.

I can never tell any one what I suffered through that operation.

My husband stayed right by me.

Mother went as far from me as she could get (and remain in the house at all), and she said my screams rang in her ears night and day for months afterwards.

That "repairing" was such a shock to my nerves that it brought on other serious trouble, which came near ending my life.

Finally, after about five weeks, I was able to sit up a little, but gained very slowly.

Soon after I got upon my feet, kidney and bladder trouble began to develop, and gradually grew worse.

I was treated by four different physicians.

I would gain a little relief only for a time, then the old trouble would return with double force.

Thus I lived and suffered for about seven years.

The last physician said that I would have to go to a hospital and have an operation performed.

There was every indication, he claimed, of gravel in my bladder, which he failed to find in repeated search.

There might be a pus cavity in one of my kidneys, he said, and it might be necessary to remove the left kidney altogether.

I said I would die before I would submit to any more operations; for I had "suffered many things of many physicians, and was nothing bettered, but" very much worse and discouraged.

The only relief I seemed to get was through morphine.

For about two years it seemed that I could not live if I allowed myself to get from under the influence of it. I bought it in bulk form of the druggist, and was taking from one to three doses daily; of course gradually increasing the dose.

I fully realized where that was leading me, and yet my suffering was so intense I could not let it alone.

I cannot describe on paper what I suffered at times when I allowed the effects of that deadly drug to wear off.

My husband and I attended the World's Fair in Chicago, taking rooms with Mrs. A. L. Lee.

The following fall she and her husband visited us.

Witnessing my suffering, Mrs. Lee said to me, one day: "Mrs. Van, I have a neighbor who was just as you are, and she went to Dr. Dowie and now she is well and doing her work."

She then began telling me about Dr. Dowie and the wonderful things that were being done there.

I simply smiled, and said Yes or No, for I had not a particle of faith.

She finally said, "I cannot explain it, but when I go home I will send you some of his papers."

She sent me two copies of Leaves of Healing.

Husband and I both read them.

He said, "I never saw anything look more reasonable, and the first money I get I am going to send you to Chicago."

We saw our Bible (after reading those papers) in a new light.

Never before had we heard of Divine Healing.

Owing to two crop failures in succession (resulting from drought), it was not until three years ago last August that the way opened for me to go to Chicago.

I thought when I went there I was a Christian, as I had been a member of the Methodist Church for fifteen years or more. As far back as I can remember I had a very earnest desire to do right. I knew I had made many mistakes and committed sins, but I always earnestly repented and sought God's forgiveness.

After sitting and listening to your teaching for a short time, I saw myself in a very different light. I made up my mind to do my part to get right with God, come what would.

I knew that if the Lord had healing for one He had for all, if we did our part.

I shall ever thank you and praise God for the good advice you gave me, Dr. Dowie (in a few moments of private conversation I had with you), which I followed.

The Lord at once delivered me from the morphine habit.

As I did my part, one after another my diseases disappeared, until I can say today, I have not enjoyed such health in years as I have in the past three, and never was I as happy spiritually.

Much as I praise God for my many physical blessings, I count my spiritual blessing above all else.

Oh! the blessedness of having the witness of the Spirit, witnessing within.

God has most graciously kept me and mine for over three and one-half years without the aid of either doctors or drugs. Two years ago the 5th of last September I was delivered in confinement without the aid of a doctor, and we have a bright, healthy little son, a true Zion baby, never having tasted either pork or medicine.

When he is overtaken with sickness, I take it to the Lord, and He heals him.

God has most graciously answered my prayers for all my family at different times, thus proving Himself "an ever-present Helper in time of need."

I give these few lines, hoping they may be the means of helping some one else, as I have been greatly blessed many times in reading the testimony of others.

I give God all the glory and thank you, Dr. Dowie, from the bottom of my heart for your teaching, and for Leaves of Healing.

Yours in Christian love, (Mrs.) Maggie Van Fleet.

P. S.—One thing more I wish to make public statement of.

I hesitated about coming out of the M. E. Church until I found I was hindering my healing by doing so.

The following spring I went to the Rev. Mr. Stewart, then pastor of the M. E. Church of York, for my Church letter.

He grew very indignant and said a great many harsh and unkind things, some of which were: "I can't give you a letter, for our rules forbid such a withdrawal."

"Dr. Dowie has no Church; just a thing like Jonah's Gourd—sprung up of a night."

"Dr. Dowie will die some of these days, and then where will your Divine Healing be?"

"Now don't do anything rash; you will regret this more than anything you ever did. You go home and read your Bible, and I will come out and see you."

But "none of these things moved me." My mind was fully made up, and I was greatly blessed in doing it. MRS. VAN FLEET.

God Gives Safe Deliverance in Childbirth. Blessed in Paying Tithes.

1319 AUBURN STREET,
PHILADELPHIA, PENNSYLVANIA, March 31, 1901.

DEAR GENERAL OVERSEER:—A little over a week ago we forwarded a request to you to pray for the deliverance of my dear wife in childbearing.

We received a letter in return, which contained the assurance of your continued prayers, also a few passages of Scripture which were a great help.

We are now pleased to forward the good news to you that wife was delivered of a bouncing baby boy last night (Saturday, March 30, 1901) at 7:30 o'clock.

Elder Hammond, Deacon C. F. Kelchner and two Zion ladies were there at the time of birth, and God wonderfully delivered.

No midwife or doctor was present.

Wife and baby are in first-class condition.

Praise the Lord for a Zion baby.

God has also blessed us in tithe-paying.

I have had more steady work and am now able to clear all my debts slowly, and repent of all things.

I had been engaged in Independent Rescue and Mission Work in different States, having been trained by the Hadley Brothers, of New York City and other places.

I was last Superintendent of Rescue Mission not far from here.

Everything went back on me and the Mission failed, and I am now in Zion.

By paying tithes since January last, I have steady work, and expect by God's help to pay all Mission and other debts, and in the present and future obey God and Zion in all things.

I will be humble and stay in any place in which I am put.

Praise the Lord for all His wonderful goodness.

Pray for us.

We shall always pray for Zion everywhere.

Thanking you for your interest in our behalf and giving God all the glory, I remain,

Your Servant in Christ, HARRY W. BUTZ.

God Heals of Liver and Kidney Disease of Eight Years' Standing, and Catarrh of the Head.

AUBURN, WISCONSIN, March 9, 1901.

DEAR GENERAL OVERSEER:—About one year ago I wrote you a request for prayer for myself.

I had been troubled with kidney and liver disease about eight or nine years.

In this time three different doctors had treated me. They proved to be physicians of no value.

I also used in this time many patent medicines. I grew no better, but rather grew worse, not being able at times to do any of my work.

About the time you prayed for me I was instantly healed of kidney and liver trouble.

I also had catarrh of the head for about five years, and in that time used many medicines, all in vain.

In September last, the disease broke loose from my head and commenced running down my throat, and from my nose.

I went to Eau Claire on the 19th of October, and there met Deacon Sloan, who prayed for me.

In an instant of time, something broke loose in my head and ran out.

My head has been well ever since.

"Thanks be to God which giveth us the victory through our Lord Jesus Christ," I am as well as ever and give God all the glory.

Thanking you for your prayers, and also for the teaching which I got through LEAVES OF HEALING, I am

Your Brother in Christ, FRANK BOWERS.

Wonderfully Healed of Many Diseases.

AUBURN, WISCONSIN, March 9, 1901.

DEAR GENERAL OVERSEER:—I wish to thank you for your prayers.

Nearly all my life, until last summer, I had been troubled with stomach trouble; also liver and kidney trouble, a pain in my left side, and many other diseases.

I wrote to you for prayers and got a wonderful healing.

This winter I was healed of rheumatism and neuralgia.

I thank God for His healing power.

I was treated by three doctors, all of no avail. I was getting worse all the time until I found Jesus as my Healer.

Your Sister in Christ, (MRS.) JOSEPHINE BOWERS.

Children Healed of Severe Ailments.

AUBURN, WISCONSIN, March 9, 1901.

DEAR GENERAL OVERSEER:—Our son Albert is twelve years old.

He had the measles in June, 1898. After he recovered we noticed that his ears, and also his eyes, were badly affected, and kept getting worse.

Often in calling him up in the morning, we would have to go to his bed and take hold of him to wake him up.

It was a sorrowful thought to us that our boy was going to be deaf, for we had very little faith in doctors.

In the spring of 1900 we sent you a request for prayer for him, and he received a complete healing of partial deafness.

His eyes were much better, but they were weak until Deacon Stockholm came up here to hold meetings. He prayed with him and he got a complete healing.

Our girl Etta, thirteen years old, had corns on her little toes that grew out so far that they made holes in her shoes and were very painful.

She often used to sit and hold her feet in her hands and cry.

Her mother told her to ask the Lord to heal them. She and her mother went to God in prayer.

The corns went away, and have not returned.

We are so glad that we have learned to trust the only true Physician for all things.

Our little ones have been healed of bad coughs and colds this winter.

Our oldest boy Fred, seventeen years old, was taken with a very sore throat.

Not knowing what the nature of the disease was, and thinking that God, who knows all things, would know what to do, we united at the family altar in prayer to God.

Great hard chunks came from his throat, and he recovered in a short time.

We thank God for the teachings of Zion, and give Him all the glory.

Yours in Jesus, MR. AND MRS. F. BOWERS.

One of Zion's Choir Boys Healed of Severe Injuries.

1619 MICHIGAN AVENUE,
CHICAGO, ILLINOIS, April 13, 1901.

DEAR GENERAL OVERSEER:—Thursday evening, about 5 o'clock, I telephoned to you to pray for my brother John, who had been run over by a lumber wagon, on his way home from school.

Praise God, your prayers were heard. From that time on he has been steadily improving.

We feel that there might have been fatal results were we trusting in man instead of God.

The wagon ran over his left arm and leg and he received several bruises in other parts of his body.

When he reached home he was unconscious, and went from one spell into another.

Several times we thought he was gone.

He also spit up blood, showing that he had received internal injuries.

We do not know just to what extent he was hurt, as we had no physician examine him, but it is enough to know that God has heard and answered prayer.

As soon as he had recovered sufficiently to know anything, he said: "I'm so glad they didn't take me to a drug store. God brought me home."

We are so thankful to God that no bones were broken, and for this wonderful deliverance.

We wish you to continue to pray for him, that he may grow to be a good man and live his life out for God.

John received a wonderful healing in 1896 through Mrs. Dowie's prayers.

He is a member of Zion Boys' Choir, and loves it dearly.

Thanking you for your prayers, and also Evangelist Fisher, who called and prayed for him, we are

Yours in Christ, GRACE GILLIS AND MOTHER.

Instantly Healed.

453 RIVER STREET, ELGIN, ILLINOIS, March 20, 1901.

REV. WILLIAM HAMNER PIPER.

Dear Overseer:—Your kind and welcome letter, stating you had prayed for my healing, received today.

I am thankful to God that I can say that I am healed. The pain left suddenly, I can hardly say when.

I give God all the praise and thank you for your kind interest.

Yours in Jesus' Name, O. H. MARTIN.

Southwestern Kansas.

Zion's faithful messengers in Southwestern Kansas, Elder and Evangelist David A. Reed, continue to ride from place to place, carrying with them Zion's Message, the Everlasting Gospel, and "Zion on Wings," the Little White Dove, and Zion Literature.

God blesses them in that work, and many in their widely scattered field are finding their way to God and are rejoicing in His wonderful Gifts, through His Son, of Salvation, Healing and Holy Living.

Elder Reed sends us the following account of his visits at a number of places recently:

My visits at Wichita, Marion, Abilene, Delphos, Nickerson and Sterling were blessed of God.

Many wept as God convicted them of their sins.

They gave up their tobacco and sins of every kind, came out of their hiding places of Secrecy, and presented their bodies, souls and spirits to God.

Some of them had horrible diseases—the dreadful cancer—but, thank God, nothing is too hard for Him to heal if people get right and keep right.

We returned home Saturday at 11:30, and left for Hoisington at 9:10 that evening.

We had a blessed time Lord's Day, with the people there.

Mrs. Reed held the fort at Great Bend.

A correspondent in Marion, Kansas, sends us an interesting account of a mission held by Elder Reed in that place:

Zion here has been made to rejoice again by a short visit from Elder Reed.

His stay was brief, lasting only from March 11th to the 13th, yet his work here was both encouraging and strengthening, not only to us in Zion, but to many others.

The people here have been brought to see and know that Zion teaching is the Word of God.

The services were held in the Court House.

The attendance was good, and many were interested.

When Elder Reed asked if there was anything wrong with Zion teaching, a voice from the audience rang out, "It's all right."

A lady who, when the Seventies called, rejected them and the blessed Message, throwing it into the street, attended the meetings.

We praise God for what has been done.

We trust God will enable Elder and Evangelist Reed to visit us more frequently.

We ask the prayers of Zion for Marion, that the people may be led out of the apostate churches and accept the Everlasting Gospel of Salvation, Healing and Holy Living.

Benton Harbor, Michigan.

Rev. Edward Williams, Elder-in-Charge.

The testimonies from Benton Harbor which we give below, witness to the blessings which God is bestowing upon Zion in that city and the work and prayers of His servant, Elder Williams.

Salvation, Healing and Cleansing follow the proclamation of the Message which God has given to Zion to carry to the ends of the earth:

DEAR GENERAL OVERSEER:—I have felt it my duty for some time, to write you and let you know of some of the blessings we have received through the teaching of Zion this year.

The Lord hath done wonderful things for us.

The first day of February, our son, aged fifteen years, was taken with scarlet fever.

The next evening Zion in Benton Harbor, and our little Gathering in the country, met for their usual prayer meeting and prayed for him.

He had been very sick all day, and just about the time they were praying he aroused and said, "I am much better. The soreness is leaving my throat."

Thanks be to God, from that time he improved very rapidly, and in a short time was perfectly well.

Nine days later our thirteen-year-old son was taken with the fever. He was only sick one day and a half and only missed one meal.

He did not break out with the rash, as God gave wonderful deliverance.

Just nine days later our dear little Marie, aged six years, who has wonderful faith in God, was taken sick.

She had very high fever, her lips were parched, her gums very much swollen and inflamed, and her eyes looked as though she could scarcely open them.

I immediately knelt and asked God to bless and give perfect deliverance.

She arose and dressed, perfectly delivered from fever.

To God be all the praise.

Very early last Wednesday morning she awakened me by her sobs, caused by a very severe earache.

We prayed for her, when all at once the sobbing ceased and she fell into a deep sleep.

That forenoon her ear opened and discharged all day.

The next day we had the Elder pray for her, as she was very weak from the pain and fever.

She has been perfectly well since.

Before we learned to trust God fully through the teaching in Zion, our dear little one was a sufferer nearly all her life.

No matter how great a sickness, or how light, she would almost die.

She came very near death's door with chickenpox.

Thanks be to God, since we have been in Zion, God steps in and heals.

We cannot praise God enough that He has given us hearts to receive the blessed truths as taught in Zion.

We are glad that we have learned to pay God what we owe Him in tithes. We find great blessing in doing so.

As much as we believe that John the Baptist was the forerunner of Christ, so much we believe that God has raised up our beloved General Overseer to prepare the hearts of His people for the second coming of Christ.

May God bless you and family and all Zion everywhere.

We thank you for sending our dear Elder Williams and family to us in Benton Harbor.

Yours for Christ, MRS. P. L. HUMPHREY.

BENTON HARBOR, MICHIGAN, April 6, 1901.

DEAR GENERAL OVERSEER:—I love to give my testimony with many others to the goodness of God and for His power to heal.

I was troubled for many years with salt rheum in my hands so severely that I could scarcely do anything without gloves.

They would break open and bleed.

I suffered for many years and tried many remedies, but I became no better, but rather grew worse.

When I turned to God, and Elder Williams, of Benton Harbor, laid on hands and prayed the prayer of faith, the Lord healed me, praise His Name.

Since the Lord healed my hands, I have had the grip twice.

When Elder Williams prayed for me, I was instantly healed.

I praise God for such a remedy for the grip.

Good-by, doctors; I have found something better.

I praise God for raising up such a man as our General Overseer to preach this Full Gospel.

Elder Williams is doing a grand work in Benton Harbor.

We believe he is a man of God, and God does answer his prayers.

Your Brother in Christ, PETER HUMPHREY.

Zion College Needs Three Pianos.

The Musical Department of Zion College is growing rapidly and its needs are increasing. Three pianos are very much needed. Who will give one or all of them to be used for God? Send to Rev. William Hamner Piper, Vice-President, 1201 Michigan Avenue, Chicago, Illinois.

ZION'S BIBLE CLASS.

CONDUCTED BY DEACON DANIEL SLOAN.

MIDWEEK BIBLE CLASS LESSON, MAY 1st or 2d.

The Evils of Doctors With Drugs.

1. *God has but one remedy for sin.*—Hebrews 9:11-22.
Were there no sin, there would be no sickness.
Were there no sin, there would be no disease.
Were there no sin, there would be no death.
2. *A strong alkali will not remove sin.*—Jeremiah 2:20-27.
The flesh may be eaten by acids, but sin remains.
The flesh may be seared by caustic, but sin remains.
The flesh may be scoured by alkalis, yet sin remains.
3. *Ointments will not cleanse a festering skin.*—Isaiah 1:5-9.
Pollution gets into the vital organs and pores.
Then it gets into the blood.
Corrupted blood will ever decay the flesh.
4. *Opiates will not restore life.*—Mark 5:25-29.
They deaden the pain by killing the nerves.
These poisons enter into the circulation as well.
Some weak organ becomes the repository for these evils.
5. *Balms and lotions cannot heal running sores.*—Nahum 3:16-19.
Only life can conquer death.
Only the pure can cleanse the impure.
Let the blood be corrupted, then the fountain is defiled.
6. *Alcoholic tonics cannot cure disordered appetites.*—Psalm 107:8-18.
Death in the stomach does not improve digestion.
To keep one alive by stimulants is to kill by slow death.
God only can give one power to eat food.
7. *Medicines are no escape from the grave.*—Jeremiah 46:7-12.
Remedies of fifty years ago are discarded.
Remedies of twenty years ago are abandoned.
What is used today is being supplanted as failing.
8. *The Body and Blood of Christ is God's remedy for sin and death.*—John 6:47-58.
Not to eat of the Bread of Heaven is to die.
Life comes from the shed Blood of Christ.
The bread is for the same purpose that the manna was given.

The Lord Our God is a Salvation-Providing God.

SUNDAY BIBLE CLASS LESSON, MAY 5th.

Why People Die.

1. *A disobedient ancestry affects posterity.*—Exodus 20:4-11.
The same seed sown is reaped again.
Diseases are communicated through heredity.
Practiced sin weakens the next generation.
2. *Parental sinning causes children to die.*—Ezekiel 18:1-4.
The folly of fathers is seen in sickly children.
The complaints of mothers affect their offspring.
High mortality among children is caused principally by parents' sins.
3. *Weakened vitality impairs the functional life in children.*—Leviticus 17:10-16.
The senility of a father is seen in his offspring.
The poor circulation of a mother affects her child.
Sow intestinal inactivity, and you get bowel paralysis.
4. *Living in ignorance menaces the life of the unborn.*—Hosea 4:6-12.
Children die mostly because of ignorance.
People drug their bodies through ignorance.
Men and women submit to surgery through ignorance.
5. *Carelessness in dress brings sickness and disease.*—Isaiah 3:16-26.
Lacing crowds the organs of the body out of their God-given places.
Vanity in dress frequently brings death through exposure.
The goddess of fashion destroys health-happiness.
6. *Perverted taste in eating corrupts the blood.*—Proverbs 23:1-8.
Vinegar, which is decayed vegetation, cannot make rich blood.
Rich pastry should not be relied on as nourishing food.
Death is in the pot from which many dainties come.
7. *Being fretted by cares, worry and fear diminishes deep breathing.*—Luke 21:25-38.
Sudden fright paralyzes digestion.
Constant worry opens the pores of the skin, causing a loss of vital fluids.
Being weighted by care interferes with the heart's action.

God's Holy People are a Life-Seeking People.
