MY MESSENGER

Words from The Master, offered in all humility by those who received them.

No. 127 PRINTED FOR THE CIRCLE OF BLESSING. Feb., 1946

BROTHERHOOD.

Blessed is He who shall not be ashamed of Me and uttereth My Name unto the stranger.

The Nations have cast a reproach upon Me : it shall be unto thee to lift My Name from the place they have appointed unto Me.

Thou wouldst not fear if thou couldst see the legion of Angels who uphold My Glory.

The stars war among themselves to do Me honour ; but man whispereth My Name in secret.

Take Me upon thee boldly : I will not fail thee. I will speak through thee, and My words shall be the living Spirit.

I am Christ. I carry the lambs in My bosom, I carry also those who are of evil aspect, and defiled with many stains. Who is he who putteth a limit to My compassion, or setteth a boundary to the mercy of the Eternal One ?

I have redeemed thee. My Name is on thy forehead. Through the darkness I was with thee though thou knewest it not.

I am divine : thou art part of My divinity. I say unto thee : Where I am there shalt thou be also.

I am ALL in all. I and the Father are one ! I am in thee and thou art in Me, so art thou blessed of the Father.

The weariness of the world presseth upon Me. My Spirit is bowed oft times even to the earth : I seek not mine own will, neither do I give discouragement to the Great Father Who beareth the care of the whole universe. There is joy unfathomable in lifting by one iota the burden of Him Whom My Soul adoreth.

There is no love without pain, and I, the Lord Jesus, suffered pain on earth in My love for those given Me by the Father.

I am Truth—the living Christ ! I am the Light of the world. I am the Holy Spirit of GOD breathing throughout the Universe ! I am Divine Love ! I am the Love within thine own heart ! I am the kindness thou givest unto another ! I am the compassion thou accordest unto the failure of another ! Know Me as I am : I will arise within thee—the Spirit of the living Christ, to do honour and glory unto the Great Father of ALL.

My Spirit now pervades the universe ; darkness is being subdued and evil shall be transmuted into the purest and finest essence of Divine Love.

I will take the pain of humanity to My breast : I will redeem it, and transform it into that which is heavenly and imperishable.

Many tears shall fall : but they shall be as springs that water the arid desert, and spiritual blooms shall spring from them, which shall beautify My Kingdom. Time passes and the coming of My new Kingdom shall be hastened. Time is not with Me : and in ordaining that which hasteneth the glory of the Father all that is must pass away. A new order cometh through painful steps ; and there shall be a new earth and a new heaven that shall be one.

The passing of the mortal is at hand ! The dawn of that which is immortal is breaking in the skies. Blessed is he who shall not look back : but shall keep his eyes with a steadfast gaze on the eternal East, whence cometh the New Creation, and not be dismayed.

Take unto thyself strength, by casting thy weakness upon Me, until the day dawn and the shadows flee away.

The New Creation is the Kingdom of GOD upon the earth. Render therefore unto God those things that be His : *the first of these things is, compassion for thy brother.*

BLESSED ARE THEY.

Blessed are they, who, holding their physical-garments within the valley-of-pain, ever look upwards to the Eternal Heights, knowing themselves as Stars in the Firmament of Light Divine.

Blessed are they who walk amongst the shadows and the darkness within the minds of millions, that they may be as glow-worms in that darkness, shining for Me, yet, enduring the pain and the sorrow caused by vibrations from those, who choose to walk the pathway of self and opposition to the Eternal Father-God.

Blessed are they who strive to comprehend the reasoning-power of the earthly mind which says :—" How can Divine Love be omnipotent when life on Earth becomes more and more difficult, and suffering prevails ? " and then affirm, within their own hearts of love and sympathy, these words :— " I *know* that out of chaos cometh the Light of the world into power and dominion, *I know that He will prove to be The Redeemer* ".

Blessed are they who purify the bondage of creed and dogma by dwelling within its limitations, yet ever expressing the life of selfless service, thus feeding My Sheep, and drawing towards themselves (unknown to body) Sons of Light who rejoice to pour upon them illumination and realisation.

Blessed are they, who falling by the wayside — oft times through temptation and earthly despair — bring forth the will expressed within the mind (which the Father receives, holds, and illumines), the will of the mind which says :—" Tho' I fall, yet will I struggle to rise, though I forget the Master's presence yet will I call to Him, not only to ask forgiveness, for He forgives before we ask Him, but *knowing* that He will renew my life, renew my strength, renew my powers to stand upright, and keep my eyes fixed upon the sunrise of the Coming Dawn."

Blessed are they who walk within the valley of sorrow and pain and strive to climb over the rough, sharp stones therein, that they may contact others, help, and comfort others, thus carrying the burdens of others beyond their understanding.

Blessed are they who walk with Me saying :—" He is the Way, the Truth, and the Life, I *desire* to be enfolded in His Light of Love Eternal, endure *with* Him, and be in perfect preparation for Him to call me into the full consciousness of my At-one-ment with Him."

I say unto each one :—" Surely shalt thou see Me — in the Light of the Great Dawn."

THE USE OF DIFFICULTIES.

My loved Friends — I call you Friends, for are you not all waiting, and watching, bravely facing all the tests and difficulties which are making you more and more able, and trained, and conscious in ways to help Me, to teach for Me, to help Me bring in My Kingdom.

My loved ones, I am counting on you all — no one is too small or humble, no one too unknown in the life of the outer world, to be of immense use to Me by the Power and Light and Knowledge they are now acquiring through the many and various trials and troubles they are facing and overcoming daily in their lives, those lives so ordinary to look upon, so brave, so full of faith, so self-forgetting in My Eyes. I would speak to you who are faithful in these humble ways, for I would comfort you through these difficult days. I would remind you of the words in the Book of Revelations, of the promises made to those who " overcome."

You know this is true, you know that to overcome self, fear, and temptation, is the sure path to gladness, to peace within, to that which can and does uphold you, through all the weariness of the body, the sacrifice of time and desire in order that Service to Me shall be given — and given — and as I know so well is given loyally and patiently and humbly — to Me and for Me, and I say to you :—Your reward is sure and I would have you remember that you walk now the path I walked so long ago—you walk in My steps, and the times are now at hand when your eyes shall see clearly and with great joy and gladness, the Reality of the deeper Things of God, to which your faith held true till faith could, and now shall and can be lost in sight. This moment is very near. Look up ! Look for that Day ahead, when your eyes shall be opened and your eyes shall see the promises of God made true and perfect in your sight. Rejoice my friends and watch ! *Trust.*

HOW DO YOU LOVE OTHERS ?

My loved Ones. How do you love those you hold most dear ? Do you pray and suffer when you pray, desiring so earnestly the greater gifts for them and beseeching God to bestow them ? If so, you forget " The Truth of Being " which should bring you the joy and gladness of your belief in it. The " Truth of Being " means that the Indwelling of God in every Son he has created is the *Truth*, and the Truth which should show you, that in and through every child of God is the Life-Flow of God — one with His Life-Flow — pouring, pressing, flooding, through each divine Son, supplying every need of his, giving every help *as it is needed*, whispering guidance, inspiration, hope, courage in each hour of need. God Himself is All to that loved one you pray for !

Realise it ! Know it — till all fear goes. Fear is torment, *and is contrary to the will of God.* Know that God is ALL to, and in, and through, your loved one, and if he does not respond and turn to God as you expect him to, then trust God deeper, and more, and more, and teach yourself to see that *He* knows the moment which is best for your loved one to go forward, and trust him to God, as knowing best, when and how to teach him higher Truths first, and when he has learnt his lesson *then* to lead him up the steeps of Heaven.

The true way to pray is to know God so well and love Him so truly that you can trust your loved one to the *Indwelling* care of Our God, through all the necessary darkness he has to traverse, *because* you know God Himself loves him better than you *can*, and has him by the hand for evermore.

To pray rightly and to help fully is to KNOW and SEE God welling up and through your loved one, in His power and might and perfect love for him, and to leave him *in* God, and trust entirely in *His* Might and *His* Power and *His* Love. *There is only God.* He dwells in ALL and HE IS LOVE.

KEEP THE DOOR OF CONSCIOUSNESS AJAR.

Beloved children. Keep the Door of Consciousness ajar, that I may enter therein unannounced. I come to ye in many guises, for I would not that ye should expect My approach and make ready with great acclamations ! It is not thus that I am drawn to your thresholds. The guest who is anticipated is always prepared for, therefore, seek not to know the hour of My Coming, but illumine My path with tender words one to the other, loving deeds, and thoughtful counsel, the spoken word bereft of harsh judgment, criticism or anger, maketh the Law possible for which I, thy Master, plead.

Oh how often the actions of the lowly and humble of heart draw Me close because of their radiance ! I would, My Children, that all thought were thus beautifully expressed into interpretive deed, performed heroically, self being unconsidered : they are brave little Ones, whose confidence in Me never falters, whose love is so deep that it draws Me to them, that I may minister to their grievous needs. Their trust shall never diminish but rather be strengthened, enabling them to continue faithfully on their way.

THE CIRCLE OF BLESSING DAILY PRAYER FOR FEBRUARY, 1946.

Please pray daily at 7 a.m. while Big Ben chimes, for all the Names as *a whole*, entered into our Books of Prayer, kept all over the world. At 10.15, during the B.B.C. service, we pray for all the sick who share this service. At 9 p.m., we spend one minute's Silence in the Realization of the Presence of GOD.

FATHER of LOVE, fill us with Thy Light, and teach us how to bring Thy Light into all the lives we touch.

FATHER ! Who teachest us to love all the creations Thou hast made for our delight. Increase man's love and protection for all animals and birds that their lives may be freed from suffering and cruelty. Waken man's understanding to see Thee in All, and to know that all torture and cruelty inflicted on Life is inflicted on Thy Heart of Love.

FATHER we would be true, for there are those who trust us,
we would be pure, for there are those who care,
we would be strong, for there is much to suffer,
we would be brave, for there is much to dare.
We would be friend to all — the foe — the friendless,
we would give freely and forget the gift,
we would be humble, and watch well our weakness,
We would look up — and trust — and love — and lift.
Grant us thy Grace Lord that we fail Thee not !

Will all who wish to receive this paper (it is free), write to :—
