MY MESSENGER

Words from The Master, offered in all humility by those who received them.

No. 129 PRINTED FOR THE CIRCLE OF BLESSING April, 1946

THE DREAM OF GOD.

I alone have power to save thee : therefore cast thyself upon Me.

Do not tremble at thy nothingness : but cast thy helpless being into the Everlasting Arms.

Drink of the deep well of infinite calm. Drink of the stillness and glory of the holy night. Heaven is that place where the infinite and imperishable Spirit dwelleth.

Kneel before the immensities of GOD : and His pity and His Love shall flow around thee like a sacred stream.

The hush of the wind among the trees : the sound of its voice over wide waters is the peace of GOD descending upon earth. The GOD-influence surrounds thee when nature stirreth. Thou hast but to listen and open thine ear, for thy heart to become susceptible to the divine solace of the heavenly voices, whispering for ever from the Heart of the Father.

The holy breeze that moveth at eve and gently toucheth thy countenance, is the love of GOD wooing thee to Him.

Drink with Me under the stars, and I will enfold thy soul in inexpressible peace. Call upon Me if thou art in sorrow, and I will come and heal thee with the dews of heaven.

The angels are always at hand to help the pilgrim to the Holy City. Time doth not fade, and death doth not change, love doth not forsake, that which thou hast placed in the keeping of the Redeemer.

Absorb into thy being the wondrous silence of nature by which GOD seeketh to express Himself : for only in the deep silence can the eternal sounds be heard.

The compassion of the Lord faileth not : and the disciple must follow in the footsteps of his Master.

Enter into thy temple and lay thy wrong upon the altar of the Lord. Kneel in the holy of holies and listen in the silence of the Spirit. Thou shalt hear among the angels an unimaginable burst of harmony : and when thou lookest again at the altar thou shalt perceive that thy gift, which thou thoughtest to be thy wrong, is but a flame of divine compassion ascending unto the throne of GOD.

Peace surrounds the soul that hearkens to the eternal voices. The deep tranquility of the Infinite sustains the soul.

He that hath compassion on his brother shall feel the lips of angels on his brow, breathing into his soul heavenly compassion and the love which dieth not.

The hour draweth nigh when thou shalt perceive that the darkness lieth behind thee, and that the eternal Dawn is flooded with the glorious rise of the everlasting Spirit. Therefore, look up! The star of hope shineth above thy head: the everlasting springs of Love are flowing at thy feet. Thou shalt see Christ: the Dawn of Heaven is near thee: I will lead thee unto the realm of the superconsciousness. Trust in Me, I am thy Saviour: I will crown thee with the divine Mind. The bright beauty of the resurrection Dawn is about thee. Follow on to know the Lord of immortality.

CAUSE AND EFFECT.

My beloved Ones. What do these two words bring into your understanding? Will you say:—Master, quite simple is the explanation—if we think within the reasoning powers of the physical body, with its active brain, we would say:—If I do wrongly, if I act unjustly, if I bring distress upon others, I must surely expect a great retribution, I most certainly must and shall pay the debt, and pay it myself.

That is indeed a direct and earthly understanding of CAUSE and EFFECT. My loved Ones, will you now close the material "door" and enter a deep silence, and quiet illumination, saying:—There is a spiritual reality within those words, and within myself I see a deeper greater meaning. There is the Infinite Eternal Law which Man can never comprehend within his limited understanding, but—the Light of Spirit, and consequent power of Spirit brings greater understanding, and understanding flows into the mind-of-the-body like a stream of living water. CAUSE is the eternal Love of the Father Omnipotent, Omnipresent, all-pervading-LIFE in purity, beauty, and peace. That wondrous Power is eternally outpoured in all expressions of spiritual powers . . . and there are millions.

Unto the Father's Children of Light, yea, and unto the Father's Children who express darkness, He gave forth the power of free-will.

Free-will to shine as the Stars in the Firmament, free-will to seek and find Him, free-will to fight the battle of overcoming in the earth-life, free-will to express the earth-life of self, losing himself in the mists and shadows.

Realize and believe in the eternal Love of the Father shewing forth within the word:—CAUSE, then know that CAUSE is and must be All-triumphant, *because* LOVE *is All-powerful.*

Each Spirit, whether in incarnation or in freedom, *ultimately* returns to dwell within the Light-Eternal, never more to pass forth to learn the perfect Truth of "Cause," never more to fight the battle of overcoming.

CAUSE and EFFECT:—Because of His Eternal Love outpoured in perfect compassion, He sends His Shining Ones of beauteous radiance, to companion all who are striving to lift up their lives to Him, whether they be on Earth or free from the physical "garment." This being the Spiritual Reality of Perfect Love. The EFFECT of that wondrous Companionship is a peace, a strength, a great illumination, which many absorb but do not speak about to others. Why? Because no words can explain this inner joy and gladness.

EFFECT:—Have you thought of My Presence, My Light, My Call, My Dominion-of-Love, bringing forth a deeper distress amidst the darkness of man's opposition to Me? His fear, his suffering, his extreme restlessness, is surely a reaction to My Presence here on earth. Beloved Ones, you cannot lift one who dwells amidst the snows and ice to a country of warmth and sunshine and expect that one to be in perfect health and strength. (A symbol of the truth.)

EFFECT:—My Father calls Me, calls Me now to "stand" in His Light, and BE the Redeemer, the Saviour, the Light of the World. This World is

being lifted into higher and greater vibrations-of-Life, unknown to man, and in that perfect fulfilment, I can be no longer " hidden " from the eyes of Mankind.

Beloved Ones, the Father knows, and He is perfect Love.

PREPARATION.

My beloved Ones. I write to you to-day, to prepare you more and more, and bit by bit for what is coming to your Earth. Many, many of you now are accepting the knowledge in your inmost being, that the times of the end are here, and I would have you so prepared in your hearts, and in the hearts of all who love the Father, that you let in no fear, but are possessed of a great and all-embracing love, and trust, and peace, yea, a trust and peace and complete knowledge, that the Father *is in you*, and enfolds you in His care and protection, *all through your experiences*.

During the cleansing of the Earth-He-made, He will so fill it with His Love and Light and Glory, that it shall again function according to His Will. Evil shall no longer dwell in men's minds, or drag into the dust the Spirits of men whom He made to share in His Glory, to love and serve with His Being, to share the beauty of His Creations, and enter into His Eternal LIFE.

Will you lift your thoughts and enter into His Courts of understanding while you are in Spirit, and try and visualize the approaches to His Greatness and His Might, and then become humble child-like units utterly dependent on His Love, and listen to Me. In the beginning He placed men on the Earth to grow in the knowledge of Himself and when they turned away, to choose their own glory, then He grieved to see the long wayward path they had chosen to walk on, till they grew enough into the knowledge of good and evil to choose good, and seek Him, if haply they might find Him, Whom they could at last see, as perfect Good and Eternal in the very midst of the world they had created, and found *was* only temporal and which crumbled in their grasp.

Now after great Eons of Time, during which He has seen the travail of their Souls in their self-created hells, and suffered with them, and for them, through Me—His Son—He wills to carry out His Promise to Me, that an end shall be made through the Manifestation of His Glory in Me. You know I promised to come again—as I went—in the clouds from your sight—So be it.

Now I call you to be ready to help with 'your Light', and to bring your gift of Godlike love and compassion to help Me to explain the Purposes of GOD, to those who have so persistently denied Him all down the ages, and refused the help I sought to bring. . . . To these He has given life after life in which to learn, and repent, and turn, and yet still many have chosen, and still choose, self, and money, and power, apart from Him, and for their own aggrandisement and selt.

I need you to help Me at the time of their disillusionment, for their remorse will be deep and searching, and they will need the Greatness of Eternal Love, veiled through your consecrated human teaching, to approach them, and to reveal the goodness, the mercy, and pity of GOD. You must be prepared to draw near to them in His Love-Light, veiled by your human bodies for this purpose. You know they are His children Spirits to go forth into the Earth School to learn, about HIM, but Children who refused to learn—LOVE. . . .

You shall be given great gifts to enable you to seek these Children, who will strive to hide themselves in holes in the rocks, from the LIGHT and from the Glory of GOD.

His Light is as a Refiner's Fire, searching out every grain of alloy, revealing the shining Gold of GODHOOD, which they had tarnished by self-seeking. You have felt that Fire as Love, and are proof against the heat thereof, for He has called you in the past, to purify your Sonship and your Divinity, seven times in the Fire of Love, therefore doth He call you in all your humility, to do His bidding, at the Manifestation of His Glory in Me, Whom He called to

enter the Earth Life and again teach Mankind the knowledge and understanding of His Love.

Be ye ready, cleansed, purified, wise as serpents, harmless as doves, ready to use the gifts of Divinity, to enable you to seek those who will think that they are lost, till you find them, and reveal the depth, and height, and eternity of GOD's loving Compassion, and bring them home to His New Heaven and Earth, wherein dwelleth only Righteousness, and true Holiness to the eternal Glory of GOD.

My loved Ones are you ready ?

You know the parable of the Employer of labour, who paid the same wage to the man who served the full day, but who then complained that others were paid the same wage, though they were only hired when much of the day had passed ! Do you not see the patience and mercy of Our loving Father in this teaching ? Those who loved and served Him all the Day of Light with their devotion, and their reward of Light, *must* rise to the height of their Calling to rejoice too, that those Brethren, who had strayed, *could* be brought in also towards the ending of the day of service, to give what they might, to the ONE Who could lift them from poverty to a life of service, and love, and happiness in right doing.

My loved Ones, seek the byeways, that you bring them in, even at the last hour, to know and turn to GOD. Yet in all your service to Me remember that Love *alone has Power* to draw them to our beloved Father, and so must you go among them with no condemnation, no convictions, no exhortations, and remember this " Love " is most truly expressed and understood, as *infinite and burning Compassion.*

Forget yourselves in your compassion for others.

THE CIRCLE OF BLESSING DAILY PRAYER FOR APRIL, 1946.

Let us be earnest in uniting together in prayer at 7 a.m. daily. Pray for the enlightenment and healing of all who suffer and are distressed, lifting up as one great Whole all those whose Names are entered in our many " Books of Prayer."

FATHER ! We beseech Thee prepare us Thy Children for the Glory that is to be. Fill us with love and humility that we may be found faithful in service to The Master, and to humanity for Him.

FATHER ! We pray Thee to help us to watch and pray for The Light of the World, that when Thy Heralds proclaim His Coming, we may see Him, and worship Him in full completeness.

FATHER, we beseech Thee, prepare us for Thy Manifestation in the Glory of Thy Son ; and enfold us in Thy Love and Protection. Make no long tarrying, Great Father of Thy suffering people, for from Thee alone cometh salvation.

FATHER. We would pray to Thee for all the animals who share our lives and love and friendship. We lift to Thy tender love and mercy all animals and birds who suffer.

May the blessing of GOD manifest,
The love of GOD transcendent,
And the fellowship of GOD immanent,
Be among us and remain with us always.
