MY MESSENGER

Words from The Master, offered in all humility by those who received them.

No. 130. PRINTED FOR THE CIRCLE OF BLESSING. May, 1946.

THE HIGHWAY.

My loved ones. When I made My way into Jersualem in the old days, did not the people come out to greet Me, strew My pathway with palm leaves, yea, even with their clothes, doing their poor utmost to make a " high way " for Me to walk on ?

I now ask those who love Me, to make a highway for Me, that there might be room in your hearts for Me, and a welcome ready for Me. Would you not strive to do what you could ? Most surely !

You know full well I am coming into your Vision. You shall see Me with your eyes—THE ONE—promised so long ago. Your Master—your Brother—Your King ! And shall you not prepare a Way for Me, a way of love, of brightness, and joyousness, a way of straightness. Yea, a way into the very hearts of you, where I may find all darkness, all misunderstanding done away with, and a table ever set where " Love " is the light and greeting ?

Have your thoughts followed Mine, and can you see and understand, while I explain so much that you have all had to suffer in these days of " Preparation." I call it preparation, because, if you will look into your hearts you will understand, how during these many and pitious illnesses, you have thanked God for the Truths you have learned, for the truth you have been given alone through the night watches, when difficulties have been kept aside, and in the silence you have found Me, and the " Highway " has been shewn you, the secret Place has been opened for you, the Light has shone, the Vision has been given, and the Indwelling-of-God has become a Reality, the stones of difficulty have been removed, and struggles have been swallowed up in Victory.

Yea the days of " Preparation " for the Coming of the Bridegroom still finds itself as a symbol of great activity in the mind-of-the-body.

I have told you in the days that are past, that you should " put your house in order." Those who know My mode of speaking, spiritually and in parables, would see how I spoke of the house-of-your-body. That every corner might be cleansed from wrong thinking, from crooked aspects, from dust laden corners that could not reflect or multiply My Light !

Children, if you *could* take my words more and evermore seriously :— Prepare ye for the Advent of the Glory of God to shine into your souls ! How will ye bear it ? How bright are the mirrors of your soul to welcome and reflect the " Light " which My Father clothes Me with ? Again I speak in symbols. For My " Light " is the " understanding " with which you will see yourselves, in THAT DAY—when all things shall be revealed, in that " understanding " which spiritual Light will give to your vision.

Children, for years have I spoken in parables to your very hearts. Drawing you by My love, and teaching you the love and patience of God for every single soul He has created.

My Father *IS* understanding! He does not expect wheat in a field of grass—and He KNOWS all things, and All thoughts, and what He asks is the desire and love of your hearts to seek and find Him, and follow on the path I marked for you through a life of doing good.

Put your "houses" in order! Thank God for all the opportunities of illnesses, and time to contemplate, that have been yours, to think of Him, and what He desires of you.

Is it difficult? My life was not an easy one—yet He asked Me to tread it, to help everyman who would consider it and be helped to follow on.

"To do justly,
To love mercy,
To walk humbly
with your God."

Is such a quiet ambition impossible, or asking too much from those to whom He has given "Life," and breath, and all things?

My little children take heed, yet "Fear not!" The "Light" surrounding such a life is Godlike in nature, and will rise to greet, and meet, and mingle, with Mine in the great Day of My appearing.

THE HARVEST.

I come to bring a message of peace and calm to My followers and disciples. Though the earth tremble yet shall ye not be afraid. Ye are protected and blessed and preserved for the time of reaping.

My harvesters must now go forth. The sowing shall be early and late. The soil has been both good and bad, the crops must soon be gathered in. The Lord of the Harvest puts in His sickle and the signal is given. What shall the Harvest be? Be ye ready, for the Lord of the Harvest comes and His reapers must bring in the sheaves!

And when the Harvest is gathered in does the work cease?

No! For the corn must be distributed to the hungry during the winter season, and there must be found those willing to feed the hungry, and to give the Bread of Life to the starving Souls.

Dost thou understand the work ahead? (Answer) :—"But we read that the reapers are the Angels."

And can ye not be Angels of Light, and of leading, to those who need thy loving ministrations?

Go ye forth content to do the Will of The Father, and ye shall find a large field wherein to reap.

Be ye not hearers only but doers of the Word. Then shall ye hear the welcome Call: "Come ye blessed of My Father, inherit the Kingdom prepared from the foundation of the world."

Come! Follow on!

THE VEIL

"Write thus for Me, for I would have My loved Ones understand and make ready.

"Ye would say: they are ready. I say unto thee: My words must pass unto many who know not *how* to make preparation, and thus make ready. I say unto them: Pray unto the Father for a greater understanding, for veiled eyes to be released, for veiled consciousness to be released, and for the veil of My Presence to be entirely removed.

" What do these words give unto ye My loved Ones? Has not My Presence on earth been ' veiled ' through the centuries of time?

" Must I be veiled within My earthly Church, within the understanding that *only* within the Church, can I be found and approached?

" Beloved Ones, I write to spread forth amongst those who *fear* to realize the great truth—that My Presence is amongst *all* Mankind on earth, and has been thus since My earthly life.

" Ye say the Father hath given Me dominion over all the earth, therefore, I say unto thee: Realize My Presence, and call to Me wheresoe'er thou art, *believing I am here,* and thou shalt make ready in full reality, for thine own veil to be removed—the veil that is so transparent with many of My " Light-houses." Thy veil to be removed? Yea, My Manifestation-in-Light will remove thy veil, and I call thee now *to help to lift it,* that when My hour is come, it will lightly fall from thee and thus produce a great joy.

" I would not have thy veil removed in great fear and distress, which must come to pass amongst My children who walk in the paths-of-shadow and deep mists.

" I say unto thee that the Veil which surrounds prayer, *must be* lifted, and will that come to pass? Ah, My loved Ones, prayer is being strengthened and intensified *now,* because the darkness appears to be closing in around them, and their loved ones are departing equipped for the darkness by the armour-of-pain. Prayer must come forth—from each one—in pure supplication, not by words alone—*but from the ' Light ' within.* Then shall the brightness arise in power, greeting the New Day, the New Era, and our Father's Kingdom-of-Love will be revealed, and My joy will be revealed, My Presence known. Give unto Me now, offer unto Me now, thy ' veil ' that I may lift it unto Myself, purify it, and give it back to thee in radiant glorified ' Light,' that ye may wear it as such, and glorify Our Father, and feed My Sheep and My Lambs in great reality.

" Rejoice—make ready—I am with thee."

IMAGINATION.

Children, in the present hour, to prepare to know the Paths of the Kingdom, you should save much time from the usual things of the world—from your pleasures, and from your free time, between the necessary duties of your daily life—deliberately choose the " better part," and go away from all that tempt you to dally. Go into the Silence—and from thence by stillness and devotion, to Me in spirit, so that we may Commune—" There "—you will learn to hear Me, and " There "—you can think with power the desires of your heart, and your hopes, for those you love—knowing that desiring thought reaches up to the Giver of ALL.

Use your so called " imagination," and dwell in those Realms where Light inspires, and Love lifts your thoughts into great Creation, where you are filled with blessedness and peace. Practise this, and if your mind fills with the thought of many of those you desire to lift and bless, *see them there too,* in all the beauty-of-their-*Spirit*: for you will then create for them healing, joy, and glad upliftment, and they will share your blessed moments of Reality in The Kingdom where I too dwell and bless.

Practise these spiritual activities, and miss them not—you will soon find how real and active they can become, shewing you the Life which you will be called to live—in the body, yet in a resurrected and " resurrection-body," when I come to claim the Earth as My Kingdom, from My Father Who will make Me King of Kings, in the New Day, so close at hand. Teach yourselves daily to live at this altitude in preparation, then the new conditions, as they come, will not distress you.

Remember, that to think in The Kingdom of God is to create : to desire to contact one you love, is to travel in Spirit : to ask increase in the love and knowledge of God, is to be filled. Learn how to think and long after righteousness, that you may attain.

TO THE RESTLESS AND TROUBLED IN SPIRIT.

My loved Children of Light. Fear not if you become restless and troubled in Spirit, for the vibrations around you are becoming more agitated, and you are sensitive to these disturbances. Be not cast down, but remember that you bear these things for Me, and that as the vibrations affect you more and still more, so is the Light penetrating closer and yet closer to the Earth. In this Light dwells all that IS : TRUTH, PEACE, HARMONY, and LOVE.

I say unto you, be not afraid when you are disturbed and troubled, but enter, even as I did, into the Silence, gather strength and peace in prayer, and *all will be well.*

THE CIRCLE OF BLESSING DAILY PRAYER FOR MAY 1946.

Please pray daily at 7 a.m. while Big Ben chimes, *for our Unity in GOD,* and then for all the Names as *a whole,* entered into our Books of Prayer, kept all over the world. At 10.15 during the B.B.C. Service we pray for all the sick who share this service. At 9 p.m. we spend one minute's Silence in the Realization of the Presence of GOD.

FATHER ! We pray Thy tender pity may fill the hearts of all men upon the earth, that Thy reign of Love may be revealed in great power to all the Nations, raising their consciousness of brotherhood and goodwill so strongly, that all enmity may cease, and war shall be no more.

FATHER ! Have pity on all who strive, and on all who suffer, and help us to be instruments of peace.

Come quickly, O Master of Love, that all men may be saved from the evil they have created, and turning their faces to Thy Light, may help Thee build Thy reign of Love upon the earth.

We pray that a great spiritual awakening may rouse the hearts of all Men, to work for peace over the whole earth, and to hasten the Coming of our Lord and Saviour Jesus Christ, Whose promised Advent is at hand as King of Kings and Prince of Peace.

" And for those also, O Lord, the humble beasts, who with us bear the burden and heat of the day, and offer their guileless lives for the well-being of their countries, we supplicate Thy great tenderness of heart, for Thou hast promised to save both man and beast, and great is Thy loving-kindness, O Master, Saviour of the World. Lord have mercy." (*From the Russian Liturgy.*)

Father ! Send into our hearts
And into the hearts of all Mankind
The Spirit and the Vision of the Christ.
