# MY MESSENGER

Words from The Master, offered in all humility by those who received them.

No. 133. PRINTED FOR THE CIRCLE OF BLESSING August, 1946.

## COMFORT YE MY PEOPLE.

I will keep him in perfect Peace whose mind is stayed on Me. Give Me thy confidence for I desire it. I am thine, thou art Mine. Lean upon Me, and I will be thine everlasting Strength. I will never leave thee. When thou feelest Me not, I am still with thee. He that cometh unto Me I will in no wise cast out, how much less that which I have called.

If thou hast a burden bring it unto Me, and I will take it from thee; for My Strength is of Eternity; and of that which I have, I will give freely unto thee. Thou canst not have too much confidence in Me. Thou wilt find thou hast placed thy treasure in security among the Eternal Verities.

Lean upon My Breast. I am thy Redeemer. I will soothe thy sorrows and will heal thy wounds. I will make thy brow shine with everlasting Joy.

Dost thou yearn for beloved faces which thou seest no longer? Does thine ear listen for voices that thou canst hear no more? Rest! Rest! I have suffered all the pain of humanity, and I say unto thee from the Infinite Vision, that all are safe in the Bosom of the Father. If thou couldst realise this, how thou wouldst rest. But thou knowest Me; canst thou not trust Me?

Thou shalt not repine for all that the Lord hath taken from thee. Follow on. Falter not; faint not; tremble not. For the Holy Spirit waits to bless thee with the knowledge of transcendent Glory, which shall be thine for evermore, in the fulness of Joy, and perfect compensation for all that thou hast willingly laid down. If thou couldst but realise the beauty of the land of Light to which thou travellest, thou wouldst press on with more heroic effort, and with the courage of the Angels.

My Spirit pervadeth the Universe, darkness is being subdued, and evil shall be transmuted by the purest and finest essence of Divine Love.

There shall be no rest among the Saints in Heaven until the furthest globe is resplendent with the Light that sprang from Bethlehem.

Eternal Love and Divine Compassion shall redeem My lost world. When Universal Love transmutes each soul into a star fit for My Father's Kingdom, then will all the lost be saved.

A new Spiritual revelation shall shortly be manifested, which no one has dreamed of. Flesh shall not retard God's eternal design. The veil shall be rent between Time and Eternity.

Love heals the wounds of the Lord Jesus Christ; and Strength is born of Love; and Love and Strength make an Immortal.

I have heard the deep call of thy heart, and My Holy Dove, the Dove of Peace is brooding over thee. Pour out Love in a river, in a mighty flood, which shall annihilate all that is not of Me. Love is the over-comer, the

subduer, the purifier. Love heals sorrow and destroys pain. Love is the white fire which burneth continually on the heart-altars of all who follow Me—the Divine Lord.

Those who enter My Presence with a pure heart, shall drink out of the deep well of My Everlasting Love, and go hence and give to others to drink, who know not the Water of Life.

The Spirit is around thee, a shining cloud. Thou canst not see It, neither hearest thou the rushing of the Spirit, which maketh a noise continuously. Thou canst not touch It although It be there, conscious of thy being. It is in likeness to a wonderous web of shining intangibility, glistening with myriad points of intensest light. But be not dismayed ; for though thou art insensible to Its enfolding Presence, It is there. And thou art It ; and It is part of thee.

See thou that thou do the Will of God only. Kneel in adoration with the Angels before the Throne of Glory.

Canst thou cast all behind thee, that is dear to the flesh, and looking on My countenance, canst thou follow Me as I AM, Pure Spirit, part of that Great Spirit which burns within thee ? So shalt thou be One with Me, and be conscious of the Presence of thy Lord within thee for ever and for ever.

The Lord forceth no man to do His Will ; but He loveth those who partake of His Cup with gladness.

Seek not by great effort to overtake that which is close at hand. By passive obedience and by resting in the Love of thy Lord all shall be thine. There is no haste ; there is no time ; there is naught to fear. Give no entrance to sorrow in thy heart, for I, the Lord, desire greatly to occupy it.

## THE FIGHT.

My loved Ones. The final fight of Good to overcome evil, which has been taking place, both through war time and through so-called peace, has progressed and you have indeed—as I explained—felt the repercussion of the warfare all over your earth—in your minds—in your bodies—yea, even in climatic conditions.

What terrible happenings have already been taking place, where the Light of Spirit is not powerful enough to hold the conditions !

Do you realize how much each one of you *can* help by the spiritual power you are called to make, by thought and word and deed, founded upon the Rock of your love for GOD, guided by Me to live and work just where that power is most needed, for even your movements from place to place are ordained and planned by Me, to bring strength where the fight is hardest and greatest. You are called by the Spirit to fight and overcome, and so produce infinite help for the supply of those sinews of war I taught you about last time. They were greatly needed, and were being made and offered by you, whose very struggles and tests, difficult conditions and painful sufferings were blessed indeed, because they were allowed to produce those very sinews of war the Angels of GOD were in need of, to conquer the evil which was being cast forth from the earth.

My Children, don't be in too great a haste to leave your difficult conditions—they *shall* be cast off, when I come to bring an end to this final fight. Yet rejoice at the knowledge I now give you that you *may* help—that you *are* needed to create these sinews of power, and do not wish to be out of the fray till it is accomplished by the Power of Love. GOD'S Love is All-powerful, and by love for Him, with Me, you who suffer *are* linked into the great battle front where the Father's mighty Love Power will go forth, that all may be accomplished, and His Word will bid Me descend to your Earth in His Glory, to show you that all evil is over, and the reign of Love and Peace be round you all.

Suffer! Strive! Overcome! and so help My armies to open the blind eyes that *all* may see Me in clouds of heavenly joy.

Be not afraid to suffer for My sake. Count yourselves blessed that you are called to bear, and not to count the cost, to fight and not to yield, to him that overcometh will the joy and reward be great, for Love has carried you through and strengthened you, and LOVE IS ALL.

HOLD FAST TILL I COME!

## THE POWER OF LOVE.

My loved Ones. I would try to teach you of the mighty power of Love, to help you to grasp what powers lie in *your* hands, and could be used by you to help the Sons of GOD who still suffer so terribly on your present earth through the want of it.

The deep evil of " self " is rearing its head everywhere, and specially where Nations give the lead, and men seek with selfish motives to rebuild their lives.

Love is the only possible cure for this greed for self—this importance of self—this upholding of self, before the needs and healing of others is accomplished.

How often have you heard that GOD IS LOVE? So often that its deep meaning eludes your understanding. Say it in this way :—LOVE IS GOD, and now see how your path and need is to carry love into all the Councils of Men, and to raise the standard of those Councils, and so control the decisions of the very Councils you are called to attend.

Love, when it is felt as " infinite compassion," is the highest guidance to uphold, when you have to settle disputes between two or more ways of thought and action.

" Others first! " and when these are deeply and righteously considered, then indeed you will discover that GOD Himself has cared for you—and that what is left is the narrow way on which there are no stones to wound your feet—but the clear and straight path which leadeth upwards to the open pastures of GOD'S Righteousness.

O my Children, ye who would tread in My Footsteps, carry with you the aura* of Love surrounding you, and uplift with Me the *LOVE THAT IS GOD*, Whose Power is far greater than you know, for HE will go with you thus, to carry all before Him in the rebuilding of the New Earth; herein He promises to remake Man's capacity and power for perfect joy and peace.

Children of GOD ye must be Children of Love—for Him—and with Him in His labours of Love to remake this shattered world.

I call you to follow in My Steps. Be full of Love and be filled with the Power of GOD, Whose earth you will help Me to redeem.

Children—if you love Me, feed My sheep and carry My lambs till this time of tribulation is overpast.

I come surely and I make no long tarrying. Forget " self " and love!

* Your aura is the influence you carry always with you, coloured according to your prevailing thought.

## UNITY.

My loved Ones. How do you realize the great word Unity? Does it not include ALL. ALL that the Word " GOD " means.

In it will you not include :—GOD as the Father-Creator of ALL, the Father-Mother thought of all Creation and Birth to Life. In it do you not include ME, as the Christ, the Son of the Father and Jesus the Brother of Man, and does not the word also include the Holy Spirit proceeding from

the Father and the Son, inspiring Mankind, moving through the Creations of GOD, as they open their doors to receive Him, and love and honour and obey the Word of GOD within them, and is not this :—MAN ?

MAN given his free choice, choosing :—LIFE—GOD-LIFE—inspired and sanctified LIFE, by which to rise through the Example of Christ Jesus, i.e., Brotherhood and Sonship till he learns to rise on steping stones of dead " selves " to return to the Oneness of the Unity of GODHOOD.

Take time and think these great Truths out for yourselves.

GOD IS ALL. *There is nothing but GOD.* Therefore you, each one of you, are a Spark of the Great LIFE-FIRE of GOD, and your Life here on earth is to teach you to become conscious of these Truths, because HE IS CONSCIOUSNESS, therefore you return to HIM.

Open the doors of your minds, and use your thought power to trace your birth, through many incarnations, till you find the Path of Man, and return to the Consciousness that IS GOD, learning step by step the powers that belong to GODHOOD, and becoming again One in Him, from Whom you came. One Life. One Purpose. One Love. One Unity. One All.

My loved ones. I am with you in Spirit, to teach you these Truths every step of the Way. Call to Me and I will give you LIGHT.

## CIRCLE OF BLESSING DAILY PRAYER
## FOR AUGUST, 1946.

Let us be still more earnest in uniting together in prayer at 7 a.m. daily. Pray for the enlightenment and healing of all who suffer and are distressed, lifting up as one great Whole all those whose Names are entered in our many " Books of Prayer."

We pray Thy Blessing on all those who give their lives in self sacrifice and consecrated purpose to work for Thee. Grant them supply in need, strength in labour, and continued knowledge of Thy Presence, that the happiness and usefulness of their lives may draw many unto Thee.

O Father Who knowest all things and governest all that Thou hast made, guide we beseech Thee the affairs of Men, that they may glorify Thee in all that they plan for the peace of the world.

Hasten we pray Thee the Coming of Thy Son, shorten the days of suffering, and lift our Spirits to a fuller knowledge and attainment of Thy Will. Show us Thy Glory, manifest Thy Power, and keep us close to Thy Love through all the days to come.

O Lord, we beseech Thee to comfort and help Thy poor defenceless creatures who have no help but Thee, and to hasten the time when all men shall have pity upon them. Be with them, O Lord, in their sufferings, soften men's hearts towards them, and give them an understanding of their needs, for Thou only art the Helper of the helpless, the Hope of the despairing, and the Healer of the sick.

In the Name of Jesus Christ our Master, our Divine Brother, and our King, Who promised to return in the time of great perplexity, when men's hearts were failing them for fear, we humbly offer these petitions.

OUR FATHER grant that this day be lived in the calm of Thy Presence, in the rest of Thy Will, in the Peace of Thy Governance, for the sake of Jesus Christ our Lord.
