MY MESSENGER

Words from The Master, offered in all humility by those who received them.

No. 135. PRINTED FOR THE CIRCLE OF BLESSING Oct., 1946.

THE HARVEST

My beloved Ones, the great outpouring of My Light enfolds all. Some are rising into greater consciousness in Spirit and in Truth. Some are rising unto a gradual awakening unto their freedom. What freedom? Their knowledge of their eternal Life-in-the-Infinite, yea, the Infinity-of-the-Father-God. Some are rising out of their depths of sorrow, of distress, their fear of future days, and what may transpire upon this distressed world.

Is all humanity rising? Yea, all. And must ye ask: "Master, how can these words be true, when we know of great darkness being expressed in minds and hearts?"

My beloved Ones, realise that the darkness expressed through the physical body, may indeed be an expression of rising. How? Because the Light draws forth the darkness, when darkness, purged of darkness, uprooted from its depths, *is the only way* for those in manhood and womanhood who desire to live thus. Realise My parable of the seeds sown, and how they come forth into wheat. Amongst those seeds were living "Life," expressed in weeds of strong growth, which the Sower could not see, until they grew tall and strong amidst the wheat. As Harvest-time drew nigh, and sunlight ripened the corn, did the Sower go forth to remove each weed? Not so, he waited until the corn was gathered into sheaves, before he removed those strong weeds.

The Sunlight of My Presence is drawing forth into full rising "Life" those Children of God on Earth, who are ready for the Harvest, many unconsciously growing unto their "Risen Life," whilst others are answering My Light and Love as the "weeds."

Will you say: "Master, they do not know they are 'weeds'."

My loved Ones, as they are children of the Infinite-Life, they *do* know that they are called to put aside their darkness, and strive to overcome. Why should they know? Because the Light of My Presence is pouring forth within them, pouring forth upon and within the Earth; and answering My Call, they pour forth, not Light, but shadows and mists of deep distress. It must be so until the "Harvest."

Are all those who read these Words ready to understand the "Harvest"? Ye will say: "The parable teaches us that the weeds were tied into bundles and burnt within the fire." I answer thus: All My Teaching, all My Calls to the Children of God in incarnation in Palestine, were of spiritual Reality,

spiritual Truth ; My Words were translated within their minds and hearts according to their awakening, according to their knowledge of the Father, yea, according to their love for Me and My earthly stories with their earthly and heavenly Reality.

How do ye translate " the bundles " that were consumed within the fire, at My Manifestation again on Earth, " the Harvest " ? Will not those who know Me not, who have expressed no desire to know Me, gather together in vast communities (the bundles), and be filled with much fear, great remorse, and realisation that the " sunlight " of My Presence is far too much for them to endure ? Surely this distress will be as " the fire."

Children of the Harvest, be ready ! And stand strong and upright as the Wheat in the Field, ready for that Harvest, white and shining, shedding a great Love and Compassion for those " weeds " whom thou knowest are around.

Help Me to BE the Lord of the Harvest ! Send forth thy love, thy trust in Me, thy shining belief in My Promise : " I come again to lift up the fallen, to bring the ' Risen Life ' unto all mankind, to gather My Sheaves into the Garner of Love, of Peace, of Strength. Yea, helping Me on earth to make All things New."

TEACH MY CHILDREN

Writing this message to you so long before it can be sent to you (for summer is not yet over on this day I ask My scribe to write), I still know how patient you are ; many, many of you are waiting for Me, trusting in My promises, looking for My Kingdom, and My Presence with you, on this earth. This suffering earth now going through such tribulation, such upheaval of the things of old, such sorrow, such struggles for such selfish ends in many men and Nations !

My loved Ones, what does this faithful waiting mean to Me ? Have I not told you before that faithful waiting expresses your love and desire for Me, your great faith that indeed I will keep My promise and come to you ; it also expresses your deep faithfulness of heart and mind to the One Whom your Father has sent to redeem, and teach, and save you from self-will and ignorance.

My Beloveds—have you not come through many lives of seeking and discipline, to bring you where you now love and serve Me with your whole heart and mind ? Do not I know you, each one of you, and count on those thousands who are faithful to Me in smallest detail, as in the great expression of their lives before Men.

Beloveds, I know you and look to you to serve Me—before My Coming, at My Manifestation, yea, and am counting on your faithful help after My Light shines before all the world to bring it to the complete knowledge of God—through Me. Now I call to you before I manifest. Will you help Me to bring this knowledge to ever more and more of My children ? Will you teach them, urge them to study My promises in the Book of Books, to read with faith, and to understand and believe !

Will you not bid them look up and see the earth golden with the harvest of souls struggling to do right, and trusting in their Father's care and goodness, yet so veiled by the cares and beliefs now abounding that they see not the Light I bring to shew the Way, and the Truth. This is My request to you who know and see and serve Me all the day long.—Teach ! Enlighten ! Live My Life before them, and choose ever the higher things, that you may be found, in every way, living already within the Kingdom, which you see with eyes of faith and love and trustful patience—waiting for My Father to bid Me come !

Watch ! Believe ! and be not fearful but full of confidence because of your love for Me. I ***need your help*** for the little Ones who know Me not.

THE WAITING TIME

Be at Peace! Be conscious of My Presence! I am very near to all My loved ones incarnated on earth; they are all turning to Me, they are conscious of My close proximity, they can feel My Radiance around them, and I am using them all.

The material conditions are becoming very chaotic; I have need of many to help those children of Mine who cannot understand. They talk amongst themselves quite openly that the world is " upside down " and are expecting something to happen. My loved ones, know that it is caused by the closeness of My coming. All conditions are affected by My close proximity.

Many of you are finding the waiting time slow. Will you realise that during this time many thousands are turning to the Father and to Me, and then you will welcome it. Be assured all is well. Go out into the highways and byways where you have never been before, and take My Light with you, take My Radiance with you. Remember I floodlight you and all those with you; thousands and thousands are affected and come within that floodlighting. Be patient! Turn to Me all the time.

Radiate the knowledge of My coming by expecting it, by keeping it in your mind, by being often conscious of My nearness. I have need of you all.

HUMILITY

Children-of-Light I call ye again, and with words which I would have you hold closely within your understanding, and ponder upon their great reality: " He that humbleth himself shall be exalted." Ye would say to Me in answer: Ah, but if all Thy Children lived on earth with one great thought of humbleness, how would great things be done, or be known, or be manifested upon the Earth-Star?

My loved Ones, The Father's Children on Earth can bring forth many wonders, can produce wondrous things, and *yet* be humble in thought, humble in desire, humble in the knowledge that The Father's Will is being done on Earth through their " gifts," yea, " gifts " *from* The Father. You would say: Master, to be exceeding humble brings inability to *desire* to bring forth into material evidence any gift, and thus it is lost to the Children-on-Earth!

Is that so? I say unto ye: My loved Ones, powers and knowledge for the Earth have oft-times been retarded in their development, because there has been no humbleness within of the one who is thus gifted! Again I say: He that humbleth himself shall be exalted.

Exalted: by fuller, greater, understanding.

Exalted: by the power of inner light bestowed, which shines and ceases not, amidst the mists and shadows.

Exalted: led gently along those pathways, which lead beside the still waters of peace-within.

Exalted: given, by The Father, perfect guidance pertaining to great activity, yea, great activity amongst the deep shadows-of-unbelief on Earth.

Exalted: yea, drawing unto himself or herself (may be unconsciously) shining helpers, shining comforters, whom The Father gave unto Me during My hours of sorrow and pain, when I walked—as ye walk now.

What would I say to ye, My beloved Ones, but the same words: Blessed are the humble and meek. Blessed are they, who, filled with great desires to preach the Kingdom, first lift themselves up to The Father, saying: " Not my will be done, but Thy Will be done in me." Yea, he that humbleth himself *shall* be exalted. Yea, raised into power, into " Light," into perfect guidance, and complete control. Exalted, by—The Father.

CIRCLE OF BLESSING DAILY PRAYER
FOR OCTOBER 1946.

Let us be still more earnest in uniting together in prayer at 7 a.m. daily. Pray for the enlightenment and healing of all who suffer and are distressed, lifting up as one great Whole all those whose Names are entered in our many " Books of Prayer."

O Father Who knowest all things and governest all that Thou hast made, guide we beseech Thee the affairs of Men, that they may glorify Thee in all that they plan for the peace of the world.

Will those Members who care, join with us at 7 a.m. daily, or between 7 and 8 a.m. and pray that The Father will hasten the Manifestation of Our Lord, and increase our preparedness to do His Will, in helping Him bring in the Nations to His Kingdom, and the understanding of His Unity and Peace.

We pray also every week on Wednesdays from 6 to 7 p.m. for the healing of all Names entered in our Book of Prayer.

Such great Power gathers at these times, we would call to all in need to join with us, *in Spirit*, at this hour, within His Light and Love, that they too may be floodlit with the greatness of His Light and healing.

ST. FRANCIS DAY. OCTOBER 4th.
PRAYER FOR ANIMALS

Let us pray for all animals used for the help of humanity.
FOR all animals hunted, shot, or left to die in pain.
For all those used in vivisection.
For all beasts of burden, especially those over-used, and beaten.
For all animals in captivity, badly cared for, neglected, and starved.
For all beasts badly and clumsily slaughtered.
For all worn-out horses sent abroad to be sold.
For all pit ponies working under sad conditions.
For all wild animals caught in traps, and left for days to suffer.
For all who need not suffer if men would be considerate and kind.
Let us pray for all men and women who are working to bring in humane laws for animals, and ask GOD's blessing on their efforts.
Let us pray that in all men's hearts true love for the animal creation may increase.
Let us pray that all children may be taught to be kind to animals.
Let us pray that St. Francis Day of thought for animals may move many to consider, and realize, that their care is a sacred charge from GOD-the-Father of their " life " and ours, without Whose knowledge not one sparrow falls.
O Eternal Father Who hast made all " Life " for beauty, joy and gladness, grant such knowledge to Thy Children, as may bring love and kindness into all their doings. Help them to teach Thy Kingdom and its Laws the whole world over, and make holy the path for the Manifestation of our Lord and Saviour, Jesus Christ.

In His Name we pray to Thee. Amen.

In the Name of Jesus Christ our Master, our Divine Brother, and our King, Who promised to return in the time of great perplexity, when men's hearts were failing them for fear, we humbly offer these petitions.

Will all who wish to receive this paper (it is free), write to :

The Editor, Mrs. Lilian Rendall,
