MY MESSENGER

Words from the Master, offered in all humility by those who received them.

No. 137. PRINTED FOR THE CIRCLE OF BLESSING. Dec., 1946.

THE TIME OF CHRISTMASTIDE.

" My beloved ones—in your remembrance of Me you name the time of Christmastide, and to many the time is an expression of gladness, but to many it must be a time of sadness on earth, as you know full well. In the remembrance of Me where does your memory wander ? Surely to My earthly birth, and to the Star that heralds My Incarnation, is this not so ? How greatly do I call you now, to remember those shining promises concerning My birth—My coming forth unto the House of David—that I should be King of Kings, and that the Government should be upon My shoulders.

Would those promises be given only for My short earth-life ? How were those promises given, and to whom—in incarnation—were they given ? They were given from the greater fuller life of Spirit, through those of great Light, unto the called and chosen Ones on earth who lived and loved within the great consciousness of Spirit, and who joyously received those messages of Promise—and gave them forth unto many. Are the Messages and Promises still being given on earth—to those who are called and ready to receive them ? Most surely. Have I finished My Kingship ? Have I completed My Government, or do I still carry the Government upon My shoulders ? Beloved ones, I have yet to prove in full expression My Kingship of Love, and My power as a Governor of all Nations. There is no *earthly* conception of an earthly Governor, yet must I be the Governor of all Nations. How ? By the fulfilment of the great Promise that I *should come again*—not to be re-born into an earthly garment, but to manifest Myself as *I am* :—The Christ of Love.

Will you say : " Master, how will humanity see Thee when their eyes are not opened to see ? " By the Great Light will they see Me, the Promised Great Light outpoured, within that unknown radiance, I, Myself, can be no longer hidden. Surely then will mankind turn to Me that I may take upon Myself the Government of all Nations ? Will they not gladly do so ? There are millions on earth who struggle to carry innumerable burdens, so heavy are these burdens that suffering is greatly intensified in hearts, in minds, in physical lives. Do ye ever consider the reality of the lives of those on earth who help to carry those burdens ?

Here is a parable:—A mule is bravely travelling along a deep valley, carrying a great weight upon his back, only conscious of his struggles to bear that weight. The valley rises towards the hills, when out of the quiet surroundings another mule is brought forth, strong, and free from the weight of burdens. He is called to walk beside the heavily laden one, and part of the burden is lifted and placed upon his back, and they walk side by side to the mountain top. The little weary one greatly comforted by the companionship, the other one not realising the comfort, the help, and the understanding

that he is giving forth. Do ye understand? Will ye say: "The strong mule is surely the unseen shining helper." I would have you know that on earth there are many in incarnation who serve, shine, and love, and quite unknown to themselves are strong magnets to draw burdens unto themselves that they may *help* to carry them for others. Christhood must always be thus expressed. Was I not called to carry the burdens of the whole world, through Love, because of Love, Love for all humanity? Therefore My called and chosen ones are striving to follow in My Footsteps. This is the true meaning of those words: "Bear ye one another's burdens and so fulfil the Law of Christhood." Consciously and unconsciously, are My shining ones fulfilling. Some are chosen to enter *within* physical pain and suffering to be a part of the sufferings of others.

Is this not Love in its complete outpouring? Love is the greatest power in the Universe. Realise this. To love truly is to give freely. To love completely is selfless endeavour, and selfless service. The Nations of this world are treading towards fathomless depths of darkness and suffering. Beloved ones, remember the Promises, remember the Christ of Love, the Nazarene, the Light of the world, and *know* that Love never faileth, and that I, Myself, AM LOVE.

Watch for Me, look for Me, for at an hour that you know not, I stand amongst you, to absorb you within My Light.

It shall be so.

MEDITATION.

Only when My people all over the earth learn to pray without ceasing for the help of God their Father, will new military strife be avoided. Daily prayer, not only for those whom you distrust or fear, but constant prayer, yielding yourselves channels to My use. Not petition for this thing or that, but a profound surrender of the self—body, soul and spirit to Me.

In this mechanistic age you are all familiar with the necessity for each part being accurately adjusted to the whole. In the life of the Spirit the same necessity exists.

This form of prayer called meditation has been far too little practised by My, so called, Christian followers. It is essential that it be learned, re-learned, taught and practised.

Lie still alone much more than you have been doing, and repeat a single line or thought over and over, to train yourself. I cannot use you till you are as free from tension as the separate parts of the most perfect steel instruments are free from tension, to your human perception.

You know with your minds, because your scientists have taught you, that the atom exists because of a tension between the component parts thereof; but in that tension there is no strain, only a cleaving of one *ion* to another by an utterly loving co-operation. When that lovingness ceases, that absolute harmony of adjustment, then the atom changes its nature, and the component parts split, and seek new affinities.

I must have the most utter surrender of My servants, My brothers, if wars are to cease.

LOVE YOUR ENEMIES.

At this time many may feel that they cannot obey this command; nevertheless I say unto you again: "Love your enemies." Remember that they, too, are My Father's Children.

In spite of all that is done contrary to the Law of Love, although he seems deaf to My Father's Voice, within thine enemy My Father dwells as surely as He dwells within thee; I would rule him even as I would rule thee;

I would make Myself known to him even as I would make Myself known to thee. Thou canst love thine enemy by remembering these things and by thinking on My Father's Prescence within them. When thou wouldst condemn—turn any criticism, that may be hid under thy righteous indignation, into sorrow for the pain and restriction enforced on My Father's Spirit. Ask thyself, art *thou* doing all that thou canst to obey My Father's Will and to set Me free to rule thee ?

Make thyself perfect in these ways, and thou wilt find that My Father's Love ruling thee will call to His Spirit within thy foes, and thou wilt be enabled to do the thing which, in thy just wrath, now seems impossible. By recognising Divine Power within him, thou wilt love thine enemy and bring the day closer when he will feel the desire to obey My Father's Will, and will know that he can no longer turn his face the other way and go against the Law of Love.

Once again I bid you all :—

" Love your enemies."

Work with Me in this, so that the Day of Redemption may come quickly.

GOD WORKETH IN YOU.

Begin to live in the present moment, now, and when you need to take a decision the reality of the present will give you understanding for the future.

Let the words sink into your mind :—" I am living in complete trust, in eternal love, in the fullness of joy, *now, this minute.* Thou art my health, and strength, and life, O Christ of GOD ; " and you will return to your activities quiet, still, centred in love and wisdom. You will not resist demands upon your time, for you will know that the Living GOD is with you, and you will say to Him :—" This is Thy work, Lord, guide me every step of the way."

Enter fearlessly on what is before you, for nothing is too simple that bears the stamp of Service to Man.

My order, My peace unfolds in stillness. Go to your work, even if it be uninteresting daily drudgery, with a lightness that relieves strain, for out of dull monotony comes unexpected " light ! "

When busy with the days duties, keep as fully turned to Me as when you are silent, resting in My Presence. When your mind is occupied with passing events, spinning webs of ideas, be conscious of My Presence, and the intimate details of life will be woven together. Nothing will be neglected or pushed aside, the most intricate patterns will unfold their divine plan.

While the pattern is on the loom, keep your vision, your calling power on Me. Keep your hands employed, approve of your design and *WORK*, knowing deep in your heart and eyes that I am the ONE and only Worker. For it is GOD Who worketh in you, both to will and to do of HIS good pleasure.

THE CIRCLE OF BLESSING DAILY PRAYER. FOR DECEMBER, 1946.

Please pray daily at 7 a.m. *for our Unity in GOD,* and then for all the Names as a *whole,* entered into our Books of Prayer, kept all over the world.

At this hour let us *know together* our ONENESS WITH GOD : His Perfection : our part in HIM : His Indwelling in ALL : His pulsing LIFE through ALL and us. By means of His Paper *My Messenger* The Master calls us—as one company of many—to be ready always to answer His needs : we are voices, hands, and feet for HIM. Let us go forth daily, each day, TODAY, as manifestations of the Will of GOD and Christ for GOOD.

O God Who art the only Source of health and healing, the Spirit of calm, and the central Peace of the Universe, grant to us Thy children, such a sense of Thy Indwelling Presence as shall give us utter confidence in Thee. In all pain, anxiety, and weariness, may we cast ourselves on Thy surrounding care, that knowing ourselves fenced about by Thy loving omnipotence, we may open to Thee to bless us with health, and strength, and peace, through Jesus Christ, Our Lord.

FATHER. From Thee alone come vision and understanding. Teach us humility that we may be empty of self to receive Thy riches.

FATHER. We ask Thee to help us lift the Shining Cross of Victory and Faith before the suffering world around us. Thou art with us, and alone hast power to bring the Nations into peace, grant that we *manifest* our trust and confidence in THEE.

FATHER. Through all the ebbing tide of trouble round our feet, help us to gaze on THEE, and feel Thy Hand doth lead and guide us, till we tread the Path to Peace. Only by emptying our minds of thoughts of selfish fear can we make room for Thy entire Indwelling and spread our trust and faith around. Show us the joy of this Path for it leads to Heavenly Places and to Peace and THEE.

FATHER. All through this day, let me touch as many lives as possible for Thee : and every life I touch, do Thou by Thy Holy Spirit quicken, whether through the words I speak, the prayer I breathe, or the life I live, for Jesus sake.

O Thou Who hearest the cry of the little ones Thou hast made. Grant us to realise, that pain given to any living creature is pain to Thy Heart of Love.

May the Divine Love and Wisdom illuminate our minds, teaching the kinship of all living things, and our responsibility to help protect and cherish our younger brothers of the animal world.

A HOLY CHRISTMAS.

As we print 1,800 copies monthly, *My Messenger* must now be asked to carry my thoughts to you instead of in letters this Christmas. May we be ready, in heart, in will, and mind, to greet Our Lord when He is ready to come.

May God bless you all.
