Diagram 5

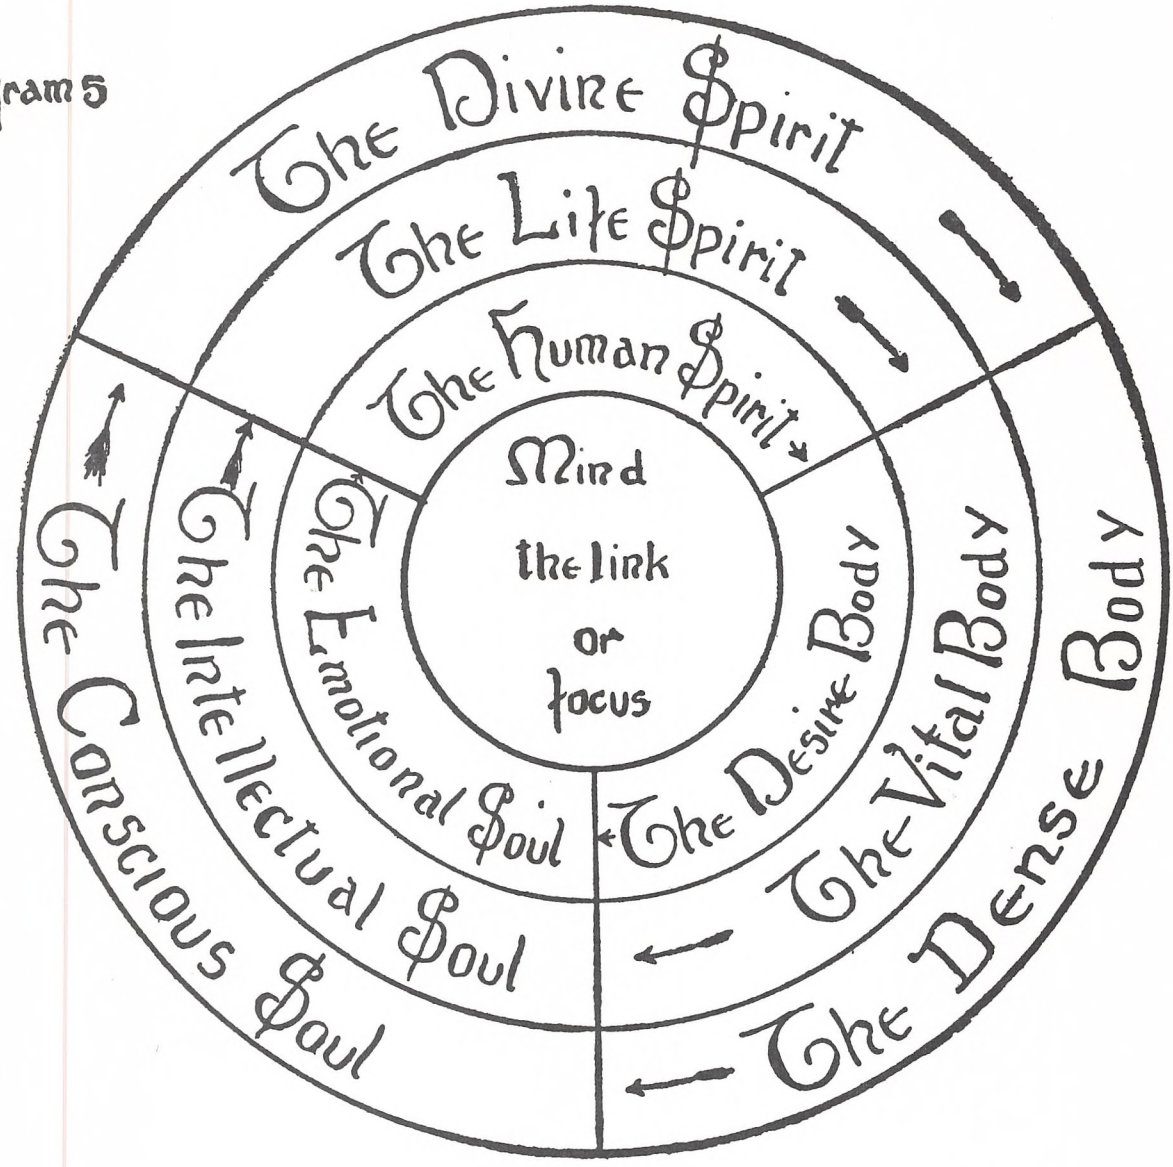

Diagram 5 shows the Tenfold Constitution of Man.

Man is a threefold Spirit, possessing a Mind by means of which he governs a threefold Body, which he emanated from himself to gather experience. This threefold body he transmutes into a threefold Soul, upon which he nourishes himself from impotence to omnipotence.

The Divine Spirit	emanates	The Dense Body	extracting	Conscious Soul
The Life Spirit	from	The Vital Body	as	Intellectual Soul
The Human Spirit	itself	The Desire Body	pabulum	Emotional Soul

The mirror of Mind also contributes increasingly to spiritual growth as the thoughts which it transmits to and from the Spirit polish it to greater brightness, sharpening and intensifying its focus more and more to a single point, perfectly flexible and under the control of the Spirit.

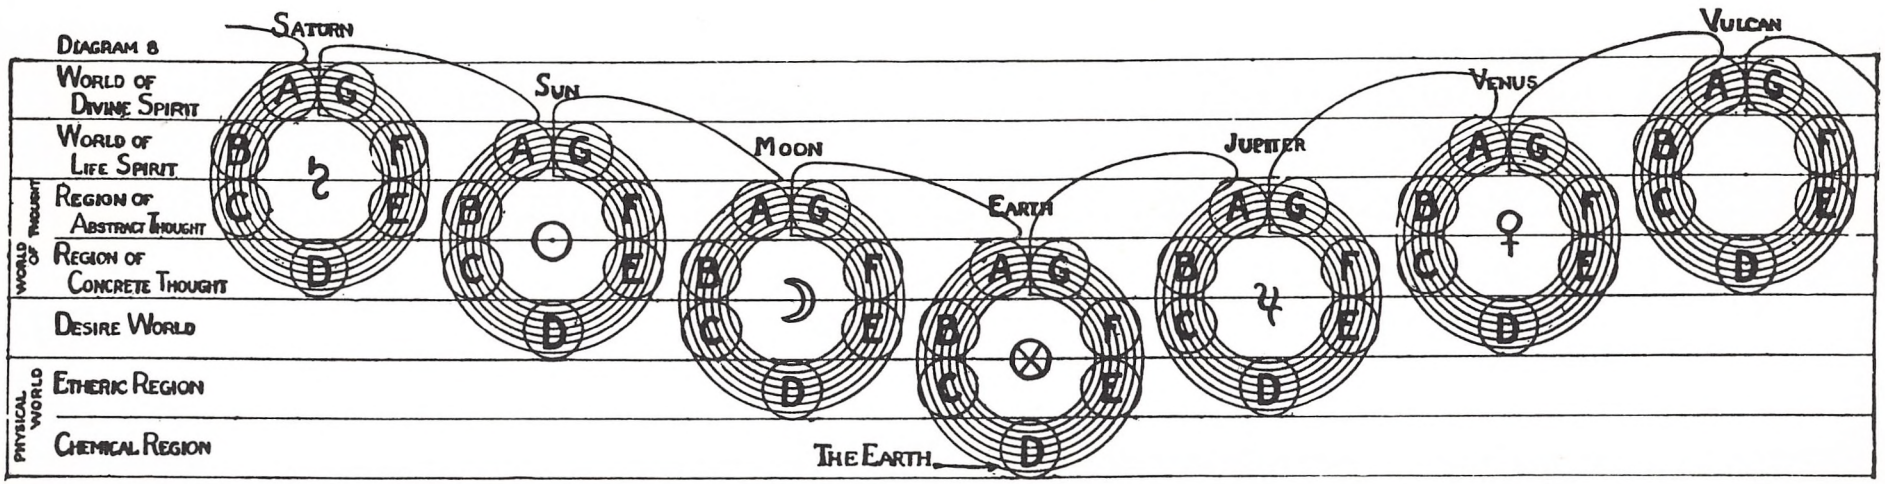

DIAGRAM 9.

The Twelve Great Creative Hierarchies.

Zodiacal Sign.	Name.	Status.
1 - Aries.....	Nameless.....	The first and second orders are said to have passed beyond the ken of anyone on Earth. It is known that they gave some assistance at the beginning of our evolution.
2 - Taurus....	Nameless.....	
		The three following orders worked of their own free will to help man during the three periods which preceded the Earth Period. They have also passed to liberation:
3 - Gemini.....	Seraphim.....	who, in the Moon Period, aroused in man-in-the making the germ of the human spirit—the Ego,
4 - Cancer.....	Cherubim.....	who, in the Sun Period, aroused the germ of the life spirit.
5 - Leo....	Lords of Flame. ...	who, in the Saturn Period, aroused the germ of the divine spirit and gave the germ of the dense body.
		The following Seven Creative Hierarchies are active in the Earth Period:
6 - Virgo....	Lords of Wisdom..	who, in the Sun Period, started the vital body.
7 - Libra.	Lords of Individuality.	who, in the Moon Period, started the desire body.
8 - Scorpio....	Lords of Form..	who have special charge of human evolution in the Earth Period.
9 - Sagittarius.	Lords of Mind..	the humanity of the Saturn Period.
10 - Capricornus ..	Archangels..	the humanity of the Sun Period.
11 - Aquarius	Angels.....	the humanity of the Moon Period.
12 - Pisces .	The Virgin Spirits.	who are the humanity of the present Earth Period.

Thus at the beginning of the Moon Period there were the following classes:

1—The Pioneers who had successfully passed through the Saturn and the Sun Periods. They had dense and vital bodies, divine and life spirit germinally active.

2—The Stragglers of the Sun Period, who had dense and vital bodies, also divine spirit—all germinal.

3—The Stragglers of the Saturn Period, who had been promoted in the seventh Revolution of the Sun Period. They had the germ of dense body and divine spirit.

4—The Pioneers of the new Life Wave, who had the same vehicles as class 3, but belong to a different scheme of evolution from ours.

5—The Stragglers of the new Life Wave, who had only the germ for the dense body.

6—A New Life Wave, which entered upon its evolution at the beginning of the Moon Period and is the life that ensouls our plants of the present day.

DIAGRAM 10

Showing the different classes of the several life waves which are evolving in the four kingdoms of the earth; their status *at the beginning of the earth period* and the vehicles they *then* possessed; also their present status.

CLASS	VEHICLES	PRESENT STATE
1—Pioneers of the Saturn. Sun and Moon Periods.....	Divine, Life, Human } spirit — Dense, Vital, Desire } body	The Aryan Races
2—The Stragglers of the Moon Period...	Divine, Life } spirit — Dense, Vital, Desire } body	The Mongolians, Africans, and all lower Races
3—(a) The Stragglers of the Saturn Period	Divine } spirit — Dense } body	Anthropoids
(b) The Stragglers of the Sun Period..	Life } spirit — Vital } body	
All the	above belong to our	life wave
(c) Pioneers of the new Sun life wave.	Same as 3a and 3b.....	Animals
4—(a) Stragglers of the new Sun life wave.....	Divine spirit — Dense body	Plant Kingdom Trees and perennials
(b) Pioneers of the new Moon life wave	Same as 4a.....	Flowers and grasses
5—(a) Stragglers of the new Moon life wave	Dense body only.....	Mineral Kingdom Sand, soft soils, etc.
(b) The new life wave of the Earth Period	Dense body only; same as 5a...	Mountains, rocks, etc.

The world, the man, and the atom are governed by the same law. Our dense earth is now in its 4TH stage of consolidation. The mind, the desire body, and the vital body are less solid than our 4TH vehicle, the dense body. In the atomic weight of the chemical elements there is a similar arrangement. The 4TH group marks the acme of density.

NOTICE TO STUDENTS:

This chart is designed to give you a bird's eye view of the whole subject of Astrology, including keywords, elements, metals, colors, a star map, and general astronomical information.

It should be used as a means of correlating the information which you gradually obtain from our correspondence course and books. A careful study of it will well repay you. There are no answers required in connection with it; it is merely to be kept for reference. If you have any questions about it, we would suggest that as far as possible you wait until you are able to obtain the answers from your study of the correspondence course and the text books recommended.
